[12] καὶ <μέν>τοι <καί> Κλεομένης ἦτει τὴν ἀρχὴν παρὰ τῶν Ἀχαιῶν ὡς πολλὰ ποιήσων ἀγαθὰ τὰς πόλεις ἀντὶ τῆς [13] τιμῆς καὶ τῆς προσηγορίας ἐκείνης· Ἀντίγονος δὲ καὶ κατὰ γῆν καὶ κατὰ θάλατταν αὐτοκράτωρ ἡγεμῶν ἀναγορευθεὶς, οὐχ ὑπήκουσε πρὶν τὸν μισθὸν αὐτῷ τῆς ἡγεμονίας ὁμολογηθῆναι τὸν Ἀκροκόρινθον, ἀτεχνῶς τὸν Αἰσώπου (175 [14] Halm; 238 Hausrath) μιμησάμενος κυνηγόν. οὐ γὰρ πρότερον ἐπέβη τοῖς Ἀχαιοῖς δεομένοις καὶ ὑποβάλλουσιν αὐτοὺς διὰ τῶν πρεσβειῶν καὶ τῶν ψηφισμάτων, ἢ τῇ φρουρᾷ καὶ [15] τοῖς ὁμήροις ὥσπερ χαλινουμένους ἀνασχέσθαι. καίτοι πᾶσαν ὁ Ἄρατος (FGrH 231 F 4a) ἀφίησι φωνὴν ἀπολογιζόμενος τὴν ἀνάγκην. ὁ Πολύβιος (2, 47, 4 sq.) δ' αὐτὸν ἐκ πολλοῦ φησι καὶ πρὸ τῆς ἀνάγκης, ὑφορώμενον τὸ θράσος τὸ τοῦ Κλεομένου, κρύφα τῷ Ἀντιγόνῳ διαλέγεσθαι, καὶ τοὺς Μεγαλοπολίτας προκαθίναι δεομένους Ἀχαιῶν ἐπικαλεῖσθαι τὸν Ἀντίγονον· οὗτοι γὰρ ἐπέζοντο τῷ πολέμῳ μάλιστα, συνεχῶς ἄγοντος αὐτοὺς καὶ φέροντος [16] τοῦ Κλεομένου. ὁμοίως δὲ καὶ Φύλαρχος (FGrH 81 F 52) ἰστόρηκε περὶ τούτων, ὧς μὴ τοῦ Πολυβίου μαρτυροῦντος οὐ πάνυ τι πιστεύειν ἄξιον ἦν· ἐνθουσιᾷ γὰρ ὅταν ἄφηται τοῦ Κλεομένου ὑπ' εὐνοίας, καὶ καθάπερ ἐν δίκῃ τῇ ἱστορίᾳ τῷ μὲν ἀντιδικῶν διατελεῖ, τῷ δὲ συναγορεύων.

[39] [1] Ἀπέβαλον δ' οὐκ οἱ Ἀχαιοὶ τὴν Μαντίνειαν, πάλιν ἐλόντος αὐτὴν τοῦ Κλεομένου, καὶ μάχῃ μεγάλῃ περὶ τὸ Ἑκατόμβαιον ἡττηθέντες οὕτω κατεπλάγησαν, ὥστε πέμπειν εὐθὺς ἐφ' ἡγεμονίᾳ τὸν Κλεομένη καλοῦντες [2] εἰς Ἄργος. ὁ δ' Ἄρατος ὡς ἦσθετο βαδίζοντα καὶ περὶ Λέρναν ὄντα μετὰ τῆς δυνάμεως, φοβηθεὶς ἀπέστελλε πρέσβεις τοὺς ἀξιοῦντας, ὡς παρὰ φίλους καὶ συμμαχοὺς αὐτὸν ἦκειν μετὰ τριακοσίων· εἰ δ' ἀπιστεῖ, λαβεῖν [3] ὁμήρους. ταῦθ' ὕβριν εἶναι καὶ χλευασμὸν αὐτοῦ φήσας ὁ Κλεομένης ἀνέζευξεν, ἐπιστολὴν γράψας τοῖς Ἀχαιοῖς, ἐγκλήματα πολλὰ κατὰ τοῦ Ἀράτου καὶ διαβολὰς ἔχουσας· γέγραφε δὲ κἀκεῖνος ἐπιστολὰς κατὰ τοῦ Κλεομένου, καὶ ἐφέροντο λοιδορίαι καὶ βλασφημίαι, μέχρι γάμων καὶ γυναικῶν ἀλλήλους κακῶς λεγόντων.

[4] Ἐκ τούτου κήρυκα πέμψας ὁ Κλεομένης πόλεμον προεροῦντα τοῖς Ἀχαιοῖς, μικροῦ μὲν ἔλαθε τὴν Σικυωνίων πόλιν ἀρπάσας διὰ προδοσίας, ἐγγύθεν δ' ἀποτραπείς Πελλήνην προσέβαλε, καὶ τοῦ

στρατηγοῦ τῶν Ἀχαιῶν ἐκπεσόντος ἔσχε τὴν πόλιν· ὀλίγῳ δ' ὕστερον καὶ Φενεδὸν [5] ἔλαβε καὶ Πεντέλειον. εἴτ' εὐθὺς Ἀργεῖοι προσεχώρησαν αὐτῷ, καὶ Φλιάσιοι φρουρὰν ἐδέξαντο, καὶ ὅλως οὐδὲν ἔτι τῶν ἐπικτήτων βέβαιον ἦν τοῖς Ἀχαιοῖς, ἀλλὰ θόρυβος πολὺς ἄφνω περιειστῆκει τὸν Ἄρατον, ὀρῶντα τὴν Πελοπόννησον κραδαιομένην καὶ τὰς πόλεις ἐξανισταμένας ὑπὸ τῶν νεωτεριζόντων πανταχόθεν.

[40] [1] Ἦτρήμει μὲν γὰρ οὐδὲν οὐδ' ἔστεργεν ἐπὶ τοῖς παροῦσιν, ἀλλὰ καὶ Σικυωνίων αὐτῶν καὶ Κορινθίων ἐγένοντο πολλοὶ καταφρανεῖς διειλεγμένοι τῷ Κλεομένει, καὶ πάλαι πρὸς τὸ κοινὸν ἰδίων ἐπιθυμία δυναστείων [2] ὑπούλως ἔχοντες. ἐπὶ τούτους ἐξουσίαν ἀνυπεύθυνον ὁ Ἄρατος λαβὼν, τοὺς μὲν ἐν Σικυῶνι διεφθαρμένους ἀπέκτεινε, τοὺς δ' ἐν Κορίνθῳ πειρώμενος ἀναζητεῖν καὶ κολάζειν, ἐξηγρίαινε τὸ πλῆθος, ἥδη νοσοῦν καὶ βαρυνόμενον [3] τὴν ὑπὸ τοῖς Ἀχαιοῖς πολιτείαν. συνδραμόντες οὖν εἰς τὸ τοῦ Ἀπόλλωνος ἱερόν, μετεπέμποντο τὸν Ἄρατον, [4] ἀνελεῖν ἢ συλλαβεῖν πρὸ τῆς ἀποστάσεως ἐγνωκότες. ὁ δ' ἦκε μὲν αὐτὸς ἐφελκόμενος τὸν ἵππον, ὥς οὐκ ἀπιστῶν οὐδ' ὑποπτεύων, ἀναπηδησάντων δὲ πολλῶν καὶ λοιδορουμένων αὐτῷ καὶ κατηγορούντων, εὖ πως καθεστῶτι τῷ προσώπῳ καὶ τῷ λόγῳ πρῶως ἐκέλευε καθίσαι καὶ μὴ βοᾶν ἀτάκτως ἐστώτας, ἀλλὰ καὶ τοὺς περὶ θύρας ὄντας εἴσω παριέναι· καὶ ταῦθ' ἅμα λέγων ὑπεξῆει βάδην ὥς [5] παραδώσω τινὶ τὸν ἵππον. οὕτως δ' ὑπεκδύς, καὶ τοῖς ἀπαντῶσι τῶν Κορινθίων ἀθορύβως διαλεγόμενος καὶ κελεύων πρὸς τὸ Ἀπολλώνιον βαδίζειν, ὥς ἔλαθε πλησίον τῆς ἄκρας γενόμενος, ἀναπηδήσας ἐπὶ τὸν ἵππον καὶ Κλεοπάτρῳ τῷ ἄρχοντι τῆς φρουρᾶς διακελευσάμενος ἐγκρατῶς φυλάττειν, ἀφίλπτυσεν εἰς Σικυῶνα, τριάκοντα μὲν αὐτῷ στρατιωτῶν ἐπομένων, τῶν δ' ἄλλων ἐγκαταλιπόντων [6] καὶ διαρρυσάντων. αἰσθόμενοι δ' οἱ Κορίνθιοι μετ' ὀλίγον τὴν ἀπόδρασιν αὐτοῦ καὶ διώξαντες ὥς οὐ κατέλαβον, μετεπέμψαντο τὸν Κλεομένη καὶ παρέδοσαν τὴν πόλιν, οὐδὲν οἰομένῳ λαμβάνειν παρ' αὐτῶν τοσοῦτον, [7] ὅσου διήμαρτον ἀφέντες τὸν Ἄρατον. οὗτος μὲν οὖν, προσγενομένων αὐτῷ τῶν τὴν λεγομένην Ἀκτὴν κατοικούντων καὶ τὰς πόλεις ἐγχειρισάντων, ἀπεσταύρου καὶ περιτείχιζε τὸν Ἀκροκόρινθον.

[41] [1] Τῷ δ' Ἀράτῳ συνῆλθον εἰς Σικυῶνα τῶν Ἀχαιῶν οἱ

πολλοί, καὶ γενομένης ἐκκλησίας ἡρέθη στρατηγὸς [2] αὐτοκράτωρ. καὶ περιστήσατο φρουρὰν ἐκ τῶν ἑαυτοῦ πολιτῶν, τριάκοντα μὲν ἔτη καὶ τρία πεπολιτευμένους ἐν τοῖς Ἀχαιοῖς, πεπρωτεुकῶς δὲ καὶ δυνάμει καὶ δόξῃ τῶν Ἑλλήνων, τότε δ' ἔρημος καὶ ἄπορος, συντετριμμένης ὥσπερ ἐπὶ ναυαγίου τῆς πατρίδος ἐν τοσοῦτῳ σάλῳ καὶ [3] κινδύνῳ διαφερόμενος. καὶ γὰρ Αἰτωλοὶ δεομένου βοηθεῖν ἀπέλπαντο, καὶ τὴν Ἀθηναίων πόλιν χάριτι τοῦ Ἀράτου πρόθυμον οὔσαν οἱ περὶ Εὐρυκλείδην καὶ Μικίωνα [4] διεκώλυσαν. ὄντων δὲ τῷ Ἀράτῳ καὶ χρημάτων ἐν Κορίνθῳ καὶ οἰκίας, ὁ Κλεομένης ἤψατο μὲν οὐδενός, οὐδ' ἄλλον εἶασε, μεταπεμψάμενος δὲ τοὺς φίλους αὐτοῦ καὶ τοὺς διοικητάς, ἐκέλευε πάντα διοικεῖν καὶ φυλάσσειν [5] ὡς Ἀράτῳ λόγον ὑφέξοντας· ἰδίᾳ δὲ πρὸς αὐτὸν ἔπεμψε Τρίπυλον καὶ πάλιν Μεγιστόνουν τὸν πατρῶν, ὑπισχνούμενος ἄλλα τε πολλὰ καὶ δώδεκα τάλαντα σύνταξιν ἐνιαύσιον, ὑπερβαλλόμενος τῷ ἡμίσει Πτολεμαῖον· ἐκεῖνος γὰρ ἔξ τάλαντα τῷ Ἀράτῳ κατ' ἐνιαυτὸν ἀπέστελλεν.

[6] ἡξίου δὲ τῶν Ἀχαιῶν ἡγεμῶν ἀναγορευθῆναι καὶ κοινῇ [7] μετ' αὐτῶν φυλάσσειν τὸν Ἀκροκόρινθον. τοῦ δ' Ἀράτου φήσαντος, ὡς οὐκ ἔχοι τὰ πράγματα, μᾶλλον δ' ὑπ' αὐτῶν ἔχοιτο, καὶ κατειρωνεύσασθαι δόξαντος, ἐμβαλὼν εὐθύς τὴν Σικυωνίαν ἐπὶ ὁρθεὶ καὶ κατέφθειρε, καὶ προσεκάθητο τῇ πόλει τρεῖς μῆνας, ἐγκαρτεροῦντος τοῦ Ἀράτου καὶ διαποροῦντος, εἰ δέξεται τὸν Ἀντίγονον ἐπὶ τῷ παραδοῦναι τὸν Ἀκροκόρινθον· ἄλλως γὰρ οὐκ ἐβούλετο βοηθεῖν.

[42] [1] Οἱ μὲν οὖν Ἀχαιοὶ συνεληλυθότες εἰς Αἶγιον, ἐκεῖ τὸν Ἄρατον ἐκάλουν. ἦν δὲ κίνδυνος, τοῦ Κλεομένους πρὸς τῇ πόλει στρατοπεδεύοντος, διελθεῖν. καὶ κατεῖχον οἱ πολῖται, δεόμενοι καὶ προήσεσθαι τὸ σῶμα τῶν πολεμίων ἐγγὺς ὄντων οὐ φάσκοντες· ἐξήρτηντο δ' αὐτοῦ καὶ γυναῖκες ἤδη καὶ παῖδες, ὥσπερ πατὴρ κοينوῦ καὶ σωτῆρος [2] περιεχόμενοι καὶ δακρύοντες. οὐ μὴν ἀλλὰ θαρρύνας καὶ παραμυθησάμενος αὐτούς, ἐξίππευσεν ἐπὶ τὴν θάλατταν, ἔχων δέκα φίλους καὶ τὸν υἱὸν ἤδη νεανίαν ὄντα· καὶ παρορμούντων ἐκεῖ πλοίων ἐπιβάντες εἰς Αἶγιον παρεκομίσθησαν ἐπὶ τὴν ἐκκλησίαν, ἐν ᾗ καλεῖν τὸν Ἀντίγονον [3] ἐψηφίσαντο καὶ παραδιδόναι τὸν Ἀκροκόρινθον. ἔπεμψε δὲ καὶ τὸν υἱὸν Ἄρατος πρὸς αὐτὸν μετὰ τῶν ἄλλων ὁμήρων. ἐφ' οἷς οἱ Κορίνθιοι

χαλεπῶς φέροντες, τὰ τε χρήματα διήρπασαν αὐτοῦ, καὶ τὴν οἰκίαν τῷ Κλεομένει δωρεὰν ἔδωκαν.

[43] [1] Τοῦ δ' Ἀντιγόνου προσιόντος ἤδη μετὰ τῆς δυνάμεως - ἦγε δὲ πεζοὺς δισμυρίους Μακεδόνας, ἵππεῖς δὲ χιλίους καὶ τριακοσίους - , ἀπήντα μετὰ τῶν δημιουργῶν ὁ Ἄρατος αὐτῷ κατὰ θάλατταν εἰς Πηγάς, λαθὼν τοὺς πολεμίους, οὐ πάνυ τι θαρρῶν τὸν Ἀντίγονον οὐδὲ [2] πιστεύων τοῖς Μακεδόσιν. ἦδει γὰρ ηὐξημένον ἑαυτὸν ἐξ ὧν ἐκείνους κακῶς ἐποίησε, καὶ πρώτην εἰληφότα «καὶ» μεγίστην ὑπόθεσιν τῆς πολιτείας τὴν πρὸς Ἀντίγονον τὸν παλαιὸν ἔχθραν. ἀλλ' ὁρῶν ἀπαραίτητον ἐπικειμένην «τὴν» ἀνάγκην καὶ τὸν καιρόν, ᾧ δουλεύουσιν οἱ δοκοῦντες [3] ἄρχειν, ἐχώρει πρὸς τὸ δεινόν. ὁ δ' Ἀντίγονος, ὥς τις αὐτῷ προσιόντα τὸν Ἄρατον ἔφρασε, τοὺς μὲν ἄλλους ἡσπάσατο μετρίως καὶ κοινῶς, ἐκείνους δὲ καὶ περὶ τὴν πρώτην ἀπάντησιν ἐδέξατο τῇ τιμῇ περιττῶς, καὶ τᾶλλα πειρώμενος ἀνδρὸς ἀγαθοῦ καὶ νοῦν ἔχοντος, ἐνδοτέρῳ τῆς χρείας προσηγάγετο.

[4] Καὶ γὰρ ἦν ὁ Ἄρατος οὐ μόνον ἐν πράγμασι μεγάλοις ὠφέλιμος, ἀλλὰ καὶ σχολάζοντι βασιλεῖ συγγενέσθαι παρ' [5] ὄντινοῦν ἐπίχαρις. διό, καίπερ ὢν νέος ὁ Ἀντίγονος, ὥς κατενόησε τὴν φύσιν τοῦ ἀνδρὸς †μηδὲν ἀργὸν εἰς φιλίαν βασιλικὴν οὔσαν, οὐ μόνον Ἀχαιῶν, ἀλλὰ καὶ Μακεδόνων τῶν σὺν αὐτῷ πάντων μάλιστα χρώμενος ἐκείνῳ [6] διετέλει. καὶ τὸ σημεῖον ἀπέβαινεν, ὥς ὁ θεὸς ἐπὶ τῶν ἱερῶν ἔδειξε. λέγεται γὰρ οὐ πρὸ πολλοῦ θύοντι τῷ Ἀράτῳ δύο χολὰς ἐν ἥπατι φανῆναι, μιᾷ πιμελῇ περιεχομένης, καὶ τὸν μάντιν εἰπεῖν, ὥς ταχὺ πρὸς τὰ ἔχθιστα [7] καὶ πολεμιώτατα σύνεισιν εἰς ἄκραν φιλίαν. τότε μὲν οὖν παρήνεγκε τὸ ῥηθέν, οὐδ' ἄλλως πολὺ νέμων πίστεως [8] ἱεροῖς καὶ μαντεύμασιν, ἀλλὰ τῷ λογισμῷ χρώμενος. ἐπεὶ δ' ὕστερον εὖ χωροῦντι τῷ πολέμῳ συναγαγὼν ὁ Ἀντίγονος ἐστίασιν ἐν Κορίνθῳ, καὶ πολλοὺς ὑποδεχόμενος τὸν Ἄρατον ἐπάνω κατέκλινεν ἑαυτοῦ, καὶ μετὰ μικρὸν αἰτήσας περιβόλαιον ἠρώτησεν, εἰ δοκεῖ κάκείνῳ ψῦχος εἶναι, τοῦ δὲ καὶ πάνυ ῥιγοῦν φήσαντος, ἐκέλευσε προσχωρεῖν ἐγγυτέρῳ, καὶ δάπιδος κομισθείσης ἀμφοτέρους [9] ὁμοῦ περιέβαλον οἱ παῖδες, τότε δὴ τὸν Ἄρατον ἀναμνησθέντα τῶν ἱερῶν ἐκείνων γέλως ἔλαβε, καὶ διηγεῖτο τῷ βασιλεῖ τὸ σημεῖον καὶ τὴν προαγόρευσιν. ἀλλὰ ταῦτα μὲν ἐπράχθη χρόνοις ὕστερον.

[44] [1] Ἐν δὲ ταῖς Πηγαῖς δόντες καὶ λαβόντες ὄρκους, εὐθὺς

ἐβάδιζον ἐπὶ τοὺς πολεμίους. καὶ περὶ τὴν <Κορινθίων> πόλιν ἀγῶνες ἦσαν, εὖ πεφραγμένου τοῦ Κλεομένουσ [2] καὶ τῶν Κορινθίων ἀμυνομένων προθύμως. ἐν τούτῳ δ' Ἀριστοτέλης ὁ Ἀργεῖος φίλος ὢν Ἀράτου διαπέμπεται κρύφα πρὸς αὐτόν, ὡς ἀποστήσων τὴν πόλιν, εἰ στρατιώτας [3] ἐκεῖνος ἔχων ἔλθοι. τοῦ δ' Ἀράτου φράσαντος τῷ Ἀντιγόνῳ καὶ μετὰ χιλίων καὶ πεντακοσίων εἰς Ἐπίδαυρον ἐξ Ἰσθμοῦ πλοίοις κομιζομένου κατὰ τάχος, οἱ μὲν Ἀργεῖοι προεξαναστάντες ἐπέθεντο τοῖς τοῦ Κλεομένουσ καὶ κατέκλεισαν εἰς τὴν ἀκρόπολιν, ὃ δὲ Κλεομένης πυθόμενος ταῦτα, καὶ δείσας μὴ κατασχόντες οἱ πολέμιοι τὸ Ἄργος ἀποκόψωσιν αὐτὸν τῆς οἴκαδε σωτηρίας, ἐκλιπὼν τὸν [4] Ἀκροκόρινθον ἔτι νυκτὸς ἐβόηθει. καὶ παρελθὼν μὲν εἰς Ἄργος ἔφθη καὶ τροπὴν τινα τῶν πολεμίων ἐποίησεν, ὀλίγῳ δ' ὕστερον Ἀράτου προσφερομένου καὶ τοῦ βασιλέως ἐπιφαινομένου μετὰ τῆς δυνάμεως, ἀπεχώρησεν εἰς [5] Μαντίνειαν. ἐκ τούτου τοῖς μὲν Ἀχαιοῖς πάλιν αἱ πόλεις ἅπασαι προσεχώρησαν, Ἀντίγονος δὲ τὸν Ἀκροκόρινθον παρέλαβεν, Ἄρατος δὲ στρατηγὸς αἰρεθεὶς ὑπ' Ἀργείων, ἔπεισεν αὐτοὺς Ἀντιγόνῳ τὰ τε τῶν τυράννων καὶ τὰ τῶν προδοτῶν χρήματα δωρεὰν δοῦναι.

[6] Τὸν δ' Ἀριστόμαχον ἐν Κεγχρεαῖς στρεβλώσαντες κατεπόντισαν, ἐφ' ᾧ καὶ μάλιστα κακῶς ἤκουσεν ὁ Ἄρατος, ὡς ἄνθρωπον οὐ πονηρόν, ἀλλὰ καὶ κεχρημένον ἐκείνῳ καὶ πεπεισμένον ἀφεῖναι τὴν ἀρχὴν καὶ προσαγαγεῖν τοῖς Ἀχαιοῖς τὴν πόλιν, ὅμως περιιδὼν παρανόμως ἀπολόμενον.

[45] [1] Ἦδη δὲ καὶ τῶν ἄλλων ἐκείνῳ τὰς αἰτίας ἐπέφερον, οἷον ὅτε τὴν μὲν Κορινθίων πόλιν Ἀντιγόνῳ δωρεὰν ἔδωκαν ὥσπερ κώμην τὴν τυχοῦσαν, τὸν Ὀρχομενὸν δὲ συνεχώρησαν αὐτῷ διαρπάσαντι φρουρὰν ἐμβαλεῖν Μακεδονικὴν, [2] ἐψηφίσαντο δ' ἄλλῳ μὴ γράφειν βασιλεῖ μηδὲ πρεσβεύειν πρὸς ἄλλον ἄκοντος Ἀντιγόνου, τρέφειν δὲ καὶ [3] μισθοδοτεῖν ἠναγκάζοντο τοὺς Μακεδόνας, θυσίας δὲ καὶ πομπὰς καὶ ἀγῶνας Ἀντιγόνῳ συνετέλουν, ἀρξαμένων τῶν Ἀράτου πολιτῶν καὶ δεξαμένων τῇ πόλει τὸν Ἀντίγονον [4] ὑπ' Ἀράτου ξενιζόμενον, ἡπιῶντο πάντων ἐκεῖνον, ἀγνοοῦντες ὅτι τὰς ἡνίας ἐκείνῳ παραδεδωκὼς καὶ τῇ ρύμῃ τῆς βασιλικῆς ἐφελκόμενος ἐξουσίας οὐδενὸς ἦν ἢ μόνης φωνῆς ἔτι κύριος, ἐπισφαλῇ τὴν παρρησίαν ἐχούσης.

[5] ἐπεὶ φανερώς γε πολλὰ τῶν πραττομένων ἐλύπει τὸν Ἄρατον,

ὥσπερ τὸ περὶ τῶν εἰκόνων· ὁ γὰρ Ἀντίγονος τὰς μὲν τῶν ἐν Ἀργεὶ τυράννων καταβεβλημένας ἀνέστησε, τὰς δὲ τῶν ἐλόντων τὸν Ἀκροκόρινθον ἐστῶσας ἀνέτρεψε, πλὴν μιᾶς τῆς ἐκείνου· καὶ πολλὰ περὶ τούτων δεηθεὶς [6] ὁ Ἄρατος οὐκ ἔπεισεν. ἐδόκει δὲ καὶ τὰ περὶ Μαντίνειαν οὐχ Ἑλληνικῶς διωκῆσθαι τοῖς Ἀχαιοῖς. κρατήσαντες γὰρ αὐτῶν δι' Ἀντιγόνου, τοὺς μὲν ἐνδοξοτάτους καὶ πρῶτους ἀπέκτειναν, τῶν δ' ἄλλων τοὺς μὲν ἀπέδοντο, τοὺς δ' εἰς Μακεδονίαν ἀπέστειλαν πέδαις δεδεμένους, παῖδας δὲ καὶ γυναῖκας ἡνδραποδίσαντο, τοῦ δὲ συναχθέντος ἀργυρίου τὸ τρίτον αὐτοὶ διείλοντο, τὰς δὲ δύο [7] μοίρας ἔνειμαν τοῖς Μακεδόσι. καὶ ταῦτα μὲν ἔσχε τὸν τῆς ἀμύνης νόμον· καὶ γὰρ εἰ δεινὸν ἄνδρας ὁμοφύλους καὶ συγγενεῖς οὕτω μεταχειρίσασθαι δι' ὀργήν, ἀλλ' ἐν ἀνάγκαις γλυκὺ γίνεται καὶ τὸ σκληρόν, κατὰ Σιμωνίδην (fr. 226 B.4`4), ὥσπερ ἀλγοῦντι τῷ θυμῷ καὶ φλεγμαίνοντι [8] θεραπείαν καὶ ἀναπλήρῳσιν προσφερόντων. τὰ δὲ μετὰ ταῦτα πραχθέντα περὶ τὴν πόλιν οὗτ' εἰς καλὴν οὗτ' εἰς ἀναγκαίαν ἔστι θέσθαι τῷ Ἀράτῳ πρόφασιν. τῶν γὰρ Ἀχαιῶν τὴν πόλιν παρ' Ἀντιγόνου δωρεὰν λαβόντων καὶ κατοικίζειν ἐγνωκότων, αὐτὸς οἰκιστῆς αἰρεθεὶς καὶ στρατηγὸς ὢν ἐψηφίσατο μηκέτι καλεῖν Μαντίνειαν, ἀλλ' [9] Ἀντιγόνειαν, ὃ καὶ μέχρι νῦν καλεῖται. καὶ δοκεῖ δι' ἐκεῖνον ἢ μὲν ἐρατεινὴ Μαντίνεια (Hom. II. 2, 607) παντάπασιν ἐξαληλίφθαι, διαμένει δ' ἡ πόλις ἐπώνυμος τῶν ἀπολεσάντων καὶ ἀνελόντων τοὺς πολίτας.

[46] [1] Ἐκ τούτου Κλεομένης μὲν ἡττηθεὶς μάχῃ μεγάλῃ περὶ Σελλασίαν ἐξέλιπε τὴν Σπάρτην καὶ ἀπέπλευσεν εἰς Αἴγυπτον, Ἀντίγονος δὲ πάντα τὰ δίκαια καὶ φιλόανθρωπα τῷ Ἀράτῳ πεποικῶς ἀνέζευξεν εἰς Μακεδονίαν, [2] κάκεῖ νοσῶν ἤδη τὸν διάδοχον τῆς βασιλείας Φίλιππον, οὕπῳ πάνυ μειράκιον ὄντα, πέμπων εἰς Πελοπόννησον Ἀράτῳ μάλιστα προσέχειν ἐκέλευσε καὶ δι' ἐκείνου ταῖς [3] πόλεσιν ἐντυχεῖν καὶ γνωρισθῆναι τοῖς Ἀχαιοῖς. καὶ μέντοι καὶ παραλαβὼν αὐτὸν ὁ Ἄρατος οὕτως διέθηκεν, ὥστε πολλῆς μὲν εὐνοίας πρὸς αὐτόν, πολλῆς δὲ πρὸς τὰς Ἑλληνικὰς πράξεις φιλοτιμίας καὶ ὀρμῆς μεστὸν εἰς Μακεδονίαν ἀποστεῖλαι.

[47] [1] Τελευτήσαντος δ' Ἀντιγόνου, καταφρονήσαντες Αἰτωλοὶ τῶν Ἀχαιῶν διὰ τὴν ῥαθυμίαν - ἐθισθέντες γὰρ ἀλλοτρίαις σῶζεσθαι χερσὶ καὶ τοῖς Μακεδόνων ὄπλοις αὐτοὺς ὑπεσταλκότες,

ἐν ἀργίᾳ πολλῇ καὶ ἀταξίᾳ διῆγον - [2] ἐπέθεντο τοῖς κατὰ Πελοπόννησον πράγμασι· καὶ τὴν μὲν Πατρέων καὶ Δυμαίων λεηλασίαν ὁδοῦ πάρεργον [3] ἐποιήσαντο, τὴν δὲ Μεσσήνην ἐμβαλόντες ἐπόρθουν. ἐφ' οἷς ὁ Ἄρατος ἀγανακτῶν, καὶ τὸν στρατηγοῦντα τότε τῶν Ἀχαιῶν Τιμόξενον ὁρῶν ὀκνοῦντα καὶ διατρίβοντα τὸν χρόνον, ἥδη τῆς στρατηγίας αὐτῷ τελευτώσης, αὐτὸς ἡρημένος ἄρχειν μετ' ἐκείνον προέλαβεν ἡμέραις πέντε [4] τὴν ἀρχὴν ἔνεκα τοῦ βοηθῆσαι Μεσσηνίοις. καὶ συναγαγὼν τοὺς Ἀχαιοὺς, τοῖς τε σώμασιν ἀγυμνάστους ὄντας καὶ ταῖς διανοίαις ἐκλελυμένους πρὸς τὸν πόλεμον, ἡττᾶται [5] περὶ Καφύας· καὶ θυμικώτερον ἐστρατηγηκέναι δόξας, οὕτως αὖ πάλιν ἀπημβλύνθη καὶ προήκατο τὰ πράγματα καὶ τὰς ἐλπίδας, ὥστε πολλάκις λαβὴν τοὺς Αἰτωλοὺς παρασχόντας ἀνέχεσθαι καὶ περιορᾶν ὥσπερ κωμάζοντας ἐν τῇ Πελοποννήσῳ μετὰ πολλῆς ἀσελγείας καὶ θρασυτητος.

[6] αὐθις οὖν τὰς χεῖρας ὀρέγοντες εἰς Μακεδονίαν, ἐπεσπῶντο καὶ κατῆγον ἐπὶ τὰς Ἑλληνικὰς πράξεις τὸν Φίλιππον, οὐχ ἥκιστα διὰ τὴν πρὸς τὸν Ἄρατον εὐνοίαν αὐτοῦ καὶ πίστιν ἐλπίζοντες εὐκόλῳ περὶ πάντα χρῆσσεσθαι καὶ χειροῖθι.

[48] [1] Καὶ τότε πρῶτον Ἀπελλοῦ καὶ Μεγαλέου καὶ τινων αὐλικῶν ἄλλων διαβαλλόντων τὸν Ἄρατον, ἀναπεισθεῖς ὁ βασιλεὺς καὶ συναρχαίρεσιάσας τοῖς ἀπὸ τῆς ἐναντίας στάσεως, ἐσπούδασε τοὺς Ἀχαιοὺς ἐλέσθαι [2] στρατηγὸν Ἐπήρατον. ὡς δ' ἐκείνου μὲν καταφρονουμένου τελέως ὑπὸ τῶν Ἀχαιῶν, τοῦ δ' Ἀράτου παραμελοῦντος, ἐγίνετο τῶν χρησίμων οὐδέν, ἔγνω διαμαρτάνων [3] τοῦ παντὸς ὁ Φίλιππος. καὶ ἀνακρουσάμενος αὐθις ἐπὶ τὸν Ἄρατον, ὅλος ἦν ἐκείνου, καὶ τῶν πραγμάτων αὐτῷ πρὸς τε δύναμιν καὶ πρὸς εὐδοξίαν ἐπιδιδόντων, ἐξήρητο τοῦ ἀνδρός, ὡς δι' ἐκείνον εὐδοκιμῶν καὶ [4] αὐξόμενος· ἐδόκει τε πᾶσιν ὁ Ἄρατος οὐ μόνον δημοκρατίας, ἀλλὰ καὶ βασιλείας ἀγαθὸς εἶναι παιδαγωγός· [5] ἢ γὰρ προαίρεσις αὐτοῦ καὶ τὸ ἦθος ὡς χρῶμα ταῖς πράξεσι τοῦ βασιλέως ἐπεφαίνετο. καὶ γὰρ ἢ πρὸς Λακεδαιμονίους ἀμαρτόντας μετριότης τοῦ νεανίσκου, καὶ ἢ πρὸς Κρήτας ὁμιλία δι' ἧς ὅλην προσηγάγετο τὴν νῆσον ἡμέραις ὀλίγαις, ἢ τε πρὸς Αἰτωλοὺς στρατεία γενομένη θαυμαστῶς ἐνεργός, εὐπειθείας μὲν τῷ Φιλίππῳ δόξαν, [6] εὐβουλίας δὲ τῷ Ἀράτῳ προσετίθει. καὶ διὰ ταῦτα μᾶλλον οἱ βασιλικοὶ φθονοῦντες, ὡς οὐδέν ἐπέραινον

κρύφα διαβάλλοντες, ἀναφανδὸν ἐλοιδοροῦντο καὶ προσέκρουον αὐτῷ παρὰ τοὺς πότους μετὰ πολλῆς ἀσελγείας καὶ βωμολοχίας· ἅπαξ δὲ καὶ λίθοις βάλλοντες ἀπιόντα εἰς τὴν [7] σκηνὴν μετὰ τὸ δεῖπνον κατεδίωξαν. ἐφ' οἷς ὁ Φίλιππος ὀργισθεὶς, εὐθύς μὲν αὐτοὺς ἐζημίωσεν εἴκοσι ταλάντοις, ὕστερον δὲ λυμαίνεσθαι τὰ πράγματα καὶ ταράττειν δοκοῦντας ἀπέκτεινεν.

[49] [1] Ἐπεὶ δὲ τῆς τύχης εὐροοῦσης ἐπαιρόμενος τοῖς πράγμασι πολλὰς μὲν ἀνέφυε καὶ μεγάλας ἐπιθυμίας, ἡ δ' ἔμφυτος κακία, τὸν παρὰ φύσιν σχηματισμὸν ἐκβιαζομένη καὶ ἀναδύουσα, κατὰ μικρὸν ἀπεγύμνου καὶ [2] διέφαινε αὐτοῦ τὸ ἦθος, πρῶτον μὲν ἰδίᾳ τὸν νεώτερον Ἄρατον ἠδίκηει περὶ τὴν γυναῖκα καὶ πολὺν χρόνον ἐλάνθανεν, ἐφέστιος ὢν καὶ ξενιζόμενος ὑπ' αὐτῶν· ἔπειτα πρὸς τὰς Ἑλληνικὰς ἐξετραχύνετο πολιτείας, καὶ φανερὸς [3] ἦν ἤδη τὸν Ἄρατον ἀποσειόμενος. ἀρχὴν δ' ὑποψίας τὰ Μεσσηνιακὰ παρέσχε. στασιασάντων γὰρ αὐτῶν, ὁ μὲν Ἄρατος ὑστέρει βοηθῶν, ὁ δὲ Φίλιππος ἡμέρα μιᾷ πρότερον ἐλθὼν εἰς τὴν πόλιν, εὐθύς οἷστρόν τινα κατ' [4] ἀλλήλων ἐνέβαλε τοῖς ἀνθρώποις, ἰδίᾳ μὲν ἐρωτῶν τοὺς στρατηγοὺς τῶν Μεσσηνίων, εἰ νόμους κατὰ τῶν πολλῶν οὐκ ἔχουσιν, ἰδίᾳ δὲ πάλιν τοὺς τῶν πολλῶν προεστῶτας, εἰ χεῖρας κατὰ τῶν τυραννούντων οὐκ ἔχουσιν.

[5] ἐκ δὲ τούτου θαρρήσαντες, οἱ μὲν ἄρχοντες ἐπελαμβάνοντο τῶν δημαγωγῶν, ἐκεῖνοι δὲ μετὰ τῶν πολλῶν ἐπελθόντες τοὺς τ' ἄρχοντας ἀπέκτειναν καὶ τῶν ἄλλων ὀλίγον ἀπολείποντας διακοσίων.

[50] [1] Οὕτω δὲ δεινὸν ἔργον ἐξεργασμένου τοῦ Φιλίππου καὶ συγκρούοντος ἔτι μᾶλλον ἑαυτοῖς τοὺς Μεσσηνίους, ἐπελθὼν ὁ Ἄρατος αὐτός τε δῆλος ἦν φέρων βαρέως, καὶ τὸν υἱὸν ἐπιτιμῶντα πικρῶς τῷ Φιλίππῳ καὶ λοιδορούμενον [2] οὐκ ἐκώλυσεν. ἐδόκει δ' ὁ νεανίσκος ἐρᾶν τοῦ Φιλίππου, καὶ τότε λέγων εἶπε πρὸς αὐτόν, ὥς οὐδὲ καλὸς ἔτι φαίνοιτο τὴν ὄψιν αὐτῷ τοιαῦτα δράσας, ἀλλὰ πάντων [3] αἰσχιστος. ὁ δὲ Φίλιππος ἐκείνῳ μὲν οὐδὲν ἀντεῖπε, καίπερ ἐπίδοξος ὢν ὑπ' ὀργῆς καὶ πολλὰκις ἐξυλακτῆσας λέγοντος αὐτοῦ, τὸν δὲ πρεσβύτερον, ὥς ἐννηνοχῶς πράως τὰ λεχθέντα καὶ τις ὢν μέτριος καὶ πολιτικὸς τὴν φύσιν, ἀνέστησεν ἐκ τοῦ θεάτρου τὴν δεξιὰν ἐμβαλὼν καὶ προῆγεν εἰς τὸν Ἰθωμάταν, τῷ τε Διὶ θύσων καὶ [4] θεωρήσων τὸν τόπον. ἔστι γὰρ οὐχ ἥττον εὐερκῆς τοῦ Ἀκροκορίνθου, καὶ λαβὼν φρουρὰν γίνεται χαλεπὸς καὶ [5]

δυσεκβίαστος τοῖς παροικοῦσιν. ἀναβὰς δὲ καὶ θύσας, ὡς προσήνεγκεν αὐτῷ τὰ σπλάγχνα τοῦ βοῶς ὁ μάντις, ἀμφοτέραις ταῖς χερσὶν ὑπολαβὼν ἐδείκνυε τῷ τ' Ἀράτῳ καὶ τῷ Φαρίῳ Δημητρίῳ, παρὰ μέρος ἀποκλίνων εἰς ἑκάτερον καὶ πυνθανόμενος, τί καθορῶσιν ἐν τοῖς ἱεροῖς, κρατοῦντα τῆς ἄκρας αὐτὸν ἢ τοῖς Μεσσηνίοις [6] ἀποδιδόντα. γελάσας οὖν ὁ Δημήτριος εἰ μὲν ἔφη μάντεως ἔχεις ψυχὴν, ἀφήσεις τὸν τόπον· εἰ δὲ βασιλέως, ἀμφοτέρων τῶν κεράτων τὸν βοῦν καθέξεις, αἰνιττόμενος τὴν Πελοπόννησον, ὡς, εἰ προσλάβοι τὸν Ἰθωμάταν τῷ Ἀκροκορίνθῳ, παντάπασιν ἐσομένην ὑποχείριον [7] καὶ ταπεινὴν. ὁ δ' Ἄρατος ἐπὶ πολὺ μὲν ἡσύχαζε, δεομένου δὲ τοῦ Φίλιππου τὸ φαινόμενον λέγειν, πολλὰ μὲν εἶπεν ὧ Φίλιππε Κρητῶν ὄρη καὶ μεγάλα, πολλὰ δὲ Βοιωτῶν ἄκραι καὶ Φωκέων ἐκπεφύκασι τῆς γῆς· εἰσὶ δὲ που πολλοὶ καὶ τῆς Ἀκαρνάνων, τοῦτο μὲν χερσαῖοι, τοῦτο δ' ἔναλοι τόποι, θαυμαστάς ὀχυρότητας [8] ἔχοντες. ἀλλ' οὐδένα τούτων κατείληφας, καὶ πάντες ἐκουσίως σοι ποιοῦσι τὸ προστασσόμενον. λησται γὰρ ἐμφύονται πέτραις καὶ κρημνῶν περιέχονται, βασιλεῖ δὲ πίστεως καὶ χάριτος ἰσχυρότερον οὐδὲν οὐδ' ὀχυρώτερον.

[9] ταῦτά σοι τὸ Κρητικὸν ἀνοίγει πέλαγος, ταῦτα τὴν Πελοπόννησον, ἀπὸ τούτων ὀρμώμενος σὺ τοσοῦτος ἡλικίαν τῶν μὲν ἡγεμῶν, τῶν δὲ κύριος ἤδη καθέστηκας.

[10] ἔτι <δὲ> λέγοντος αὐτοῦ, τὰ μὲν σπλάγχνα τῷ μάντει παρέδωκεν ὁ Φίλιππος, ἐκεῖνον δὲ τῆς χειρὸς ἐπισπασάμενος δεῦρο τοίνυν ἔφη τὴν αὐτὴν ὁδὸν ἴωμεν, ὥσπερ ἐκβεβιασμένος ὑπ' αὐτοῦ καὶ τὴν πόλιν ἀφηρημένος.

[51] [1] Ὁ δ' Ἄρατος ἀπορρέων ἤδη τῆς αὐλῆς καὶ κατὰ μικρὸν ἑαυτὸν ἀνακομιζόμενος ἐκ τῆς πρὸς τὸν Φίλιππον συνηθείας, διαβαίνοντας εἰς Ἥπειρον αὐτοῦ καὶ δεομένου συστρατεύειν, ἀπέλειπτο καὶ κατέμεινε, δεδιὼς ἀναπλησθῆναι δόξης πονηρᾶς ἀφ' ὧν ἐκεῖνος ἔπραττεν.

[2] ἐπεὶ δὲ τὰς τε ναῦς ὑπὸ Ῥωμαίων ἀπολέσας αἰσχιστα καὶ ὅλως ἀποτυχὼν ταῖς πράξεσιν ἐπανῆλθεν εἰς Πελοπόννησον, καὶ τοὺς Μεσσηνίους αὖθις ἐπιχειρήσας φενακίζειν καὶ μὴ λαθὼν ἡδίκηκε φανερώς καὶ τὴν χώραν [3] αὐτῶν ἐπόρθει, παντάπασιν ὁ Ἄρατος ἀπεστράφη καὶ διεβλήθη πρὸς αὐτόν, ἤδη καὶ τῶν περὶ τὴν γυναικωνῖτιν ἀδικημάτων αἰσθόμενος, καὶ φέρων ἀνιαρῶς

αὐτός, ἀποκρυπτόμενος δὲ τὸν υἱόν· εἰδέναι γὰρ ὑβρισμένον [4] περιῆν, ἄλλο δ' οὐδέν, ἀμύνασθαι μὴ δυναμένῳ. μεγίστην γὰρ ὁ Φίλιππος δοκεῖ καὶ παραλογωτάτην μεταβαλέσθαι μεταβολήν, ἐξ ἡμέρου βασιλέως καὶ μεираκίου σῶφρονος ἀνὴρ ἀσελγῆς καὶ τύραννος ἐξώλης γενόμενος. τὸ δ' οὐκ ἦν ἄρα μεταβολὴ φύσεως, ἀλλ' ἐπίδειξις ἐν ἀδείᾳ κακίας, πολὺν χρόνον διὰ φόβον ἀγνοηθείσης.

[52] [1] Ὅτι γὰρ ἦν μεμειγμένον αἰσχύνῃ καὶ φόβῳ τὸ πρὸς τὸν Ἄρατον αὐτοῦ πάθος ἀπ' ἀρχῆς συντετραμμένον, [2] ἐδήλωσεν οἷς ἔπραξε περὶ αὐτόν. ἐπιθυμῶν γὰρ ἀνελεῖν τὸν ἄνδρα, καὶ νομίζων οὐδ' ἂν ἐλεύθερος ἐκείνου ζῶντος εἶναι, μὴ τί γε τύραννος ἢ βασιλεύς, βία μὲν οὐδὲν ἐπεχείρησε, Ταυρίωνα δὲ τῶν στρατηγῶν τινα καὶ φίλων ἐκέλευσεν [ἐν] ἀδήλῳ τρόπῳ τοῦτο πράξαι, μάλιστα διὰ [3] φαρμάκων, αὐτοῦ μὴ παρόντος. ὁ δὲ ποιησάμενος τὸν Ἄρατον συνήθη, φάρμακον αὐτῷ δίδωσιν, οὐκ ὁξὺ καὶ σφοδρόν, ἀλλὰ τῶν θερμὰς τε μαλακὰς τὸ πρῶτον ἐν τῷ σώματι καὶ βίῃα κινούντων ἀμβλεῖαν, εἴθ' οὕτως [4] κατὰ μικρὸν εἰς φθόαν περαινόντων. οὐ μὴν ἔλαθέ γε τὸν Ἄρατον· ἀλλ' ὥς οὐδὲν ἦν ὄφελος ἐλέγχοντι, πράως καὶ σιωπῇ τὸ πάθος ὥς δὴ τινα νόσον κοινήν καὶ συνήθη νοσῶν διήντλει· πλὴν ἐνός γε τῶν συνήθων ἐν τῷ δωματίῳ παρόντος, ἀναπτύσας δίαιμον, ἰδόντος ἐκείνου καὶ θαυμάσαντος, ταῦτα εἶπεν ὦ Κεφάλων τάπιχειρα τῆς βασιλικῆς φιλίας.

[53] [1] Οὕτω δ' αὐτοῦ τελευτήσαντος ἐν Αἰγίῳ, τὸ ἑπτακαιδέκατον στρατηγοῦντος, καὶ τῶν Ἀχαιῶν φιλοτιμουμένων ἐκεῖ γενέσθαι ταφὰς καὶ μνήματα πρέποντα τῷ βίῳ τοῦ ἀνδρός, Σικυῶνιοι συμφορὰν ἐποιοῦντο μὴ [2] παρ' αὐτοῖς τεθῆναι τὸ σῶμα. καὶ τοὺς μὲν Ἀχαιοὺς ἔπεισαν ἐφίεσθαι, νόμου δ' ὄντος ἀρχαίου μηδένα θάπτεσθαι τειχῶν ἐντός, ἰσχυρᾶς τε τῷ νόμῳ δεισιδαιμονίας προσοῦσης, ἔπεμψαν εἰς Δελφοὺς ὑπὲρ τούτων ἐρησόμενοι τὴν Πυθίαν. ἡ δ' αὐτοῖς ἀναιρεῖ τὸν χρησμὸν τόνδε (150 Hendess).

Artaxerxes

[1] [1] Ὁ μὲν πρῶτος Ἀρτοξέρξης, τῶν ἐν Πέρσαις βασιλέων πρῶτητι καὶ μεγαλοψυχίᾳ πρωτεύσας, Μακρόχειρ ἐπεκαλεῖτο, τὴν δεξιὰν μείζονα τῆς ἐτέρας ἔχων, Ξέρξου δ' ἦν υἱός· ὁ δὲ δεύτερος, περὶ οὗ τάδε γράφεται, Μνήμων [2] ἐπικληθείς, ἐκ θυγατρὸς ἦν ἐκείνου. Δαρείου γὰρ καὶ Παρυσάτιδος παῖδες ἐγένοντο τέσσαρες, πρεσβύτατος μὲν Ἀρτοξέρξης, μετ' ἐκείνον δὲ Κῦρος, νεώτεροι [3] δὲ τούτων Ὀστάνης καὶ Ὀξάρης. ὁ μὲν οὖν Κῦρος ἀπὸ Κύρου τοῦ παλαιοῦ τοῦνομα ἔσχεν, ἐκείνῳ δ' ἀπὸ τοῦ ἡλίου γενέσθαι φασί· Κῦρον γὰρ καλεῖν Πέρσας τὸν [4] ἡλίον. ὁ δ' Ἀρτοξέρξης Ἀρσίκας πρότερον ἐκαλεῖτο· καίτοι Δείνων (FGrH 690 F 14) φησὶν ὅτι Ὀάρσης· ἀλλὰ τὸν Κτησίαν (FGrH 688 F 15a), εἰ καὶ τᾶλλα μύθων ἀπιθάνων καὶ παραφύρων ἐμβέβληκεν εἰς τὰ βιβλία παντοδαπὴν πυλαίαν, οὐκ εἰκός ἐστιν ἀγνοεῖν τοῦνομα τοῦ βασιλέως, παρ' ᾧ διέτριβε θεραπεύων αὐτὸν καὶ γυναῖκα καὶ μητέρα καὶ παῖδας.

[2] [1] Ὁ μὲν οὖν Κῦρος ἔντονόν τι καὶ σφοδρὸν εὐθύς ἐκ πρώτης ἡλικίας εἶχεν, ἄτερος δὲ πρῶτερος ἐδόκει περὶ πάντα καὶ ταῖς ὁρμαῖς φύσει μαλακώτερος εἶναι. [2] γυναῖκα δὲ καλὴν καὶ ἀγαθὴν ἔλαβε μὲν τῶν γονέων κελευόντων, ἐφύλαξε δὲ κωλυόντων. τὸν γὰρ ἀδελφὸν αὐτῆς ἀποκτείνας ὁ βασιλεὺς ἐβουλεύετο κάκεινην ἀνελεῖν· ὁ δ' Ἀρσίκας τῆς μητρὸς ἱκέτης γενόμενος καὶ πολλὰ κατακλαύσας, μόλις ἔπεισε μήτ' ἀποκτείνειν μήτ' αὐτοῦ [3] διαστῆσαι τὴν ἄνθρωπον. ἡ δὲ μήτηρ ὑπῆρχε τὸν Κῦρον μᾶλλον φιλοῦσα καὶ βουλομένη βασιλεύειν ἐκείνον. διὸ καὶ τοῦ πατρὸς νοσοῦντος ἤδη μετάπεμπτος ἀπὸ θαλάσσης γενόμενος, παντάπασιν ἀνέβαινε εὐελπὶς ὢν, ὡς κατειργασμένης ἐκείνης διάδοχον αὐτὸν ἀποδειχθῆναι [4] τῆς ἀρχῆς. καὶ γὰρ εἶχεν εὐπρεπῆ λόγον ἢ Παρύσατις, ᾧ καὶ Ξέρξης ὁ παλαιὸς ἐχρήσατο Δημαράτου διδάξαντος, ὡς Ἀρσίκαν μὲν ἰδιώτῃ, Κῦρον δὲ βασιλεύοντι [5] Δαρεῖω τεκεῖν. οὐ μὴν ἔπεισεν, ἀλλ' ὁ πρεσβύτερος ἀπεδείχθη βασιλεὺς, Ἀρτοξέρξης μετονομασθείς, Κῦρος δὲ Λυδίας σατράπης καὶ τῶν ἐπὶ θαλάσῃ στρατηγός.

[3] [1] Ὀλίγῳ δ' ὕστερον ἢ τελευτῆσαι Δαρεῖον, ἐξήλασεν εἰς Πασαργάδας ὁ βασιλεὺς, ὅπως τελεσθεῖν τὴν βασιλικὴν [2] τελετὴν

ὑπὸ τῶν ἐν Πέρσαις ἱερέων. ἔστι δ' <ἐκεῖ> θεᾶς πολεμικῆς ἱερόν, ἣν Ἀθηνᾶ τις <ἄν> εἰκάσειεν. εἰς τοῦτο δεῖ τὸν τελούμενον παρελθόντα τὴν μὲν ἰδίαν ἀποθέσθαι στολήν, ἀναλαβεῖν δ' ἣν Κῦρος ὁ παλαιὸς ἐφόρει, πρὶν ἢ βασιλεὺς γενέσθαι, καὶ σύκων παλάθης ἐμφαγόντα τερμίνθου κατατραγεῖν, καὶ ποτήριον ἐκπτεῖν ὀξυγάλακτος· εἰ δὲ πρὸς τούτοις ἕτερον ἅττα δρῶσιν, ἀδελόν ἐστι τοῖς [3] ἄλλοις. ταῦτα δρᾶν Ἀρτοξέρξου μέλλοντος, ἀφίκετο Τισσαφέρνης πρὸς αὐτὸν ἄγων ἓνα τῶν ἱερέων, ὃς ἐν παισὶ Κύρου τῆς νομιζομένης ἀγωγῆς ἐπιστάτης γενόμενος καὶ διδάξας μαγεύειν αὐτόν, οὐδενὸς ἦττον ἐδόκει Περσῶν ἀνιᾶσθαι, μὴ ἀποδειχθέντος ἐκείνου βασιλέως· διὸ καὶ [4] πίστιν ἔσχε κατηγορῶν Κύρου. κατηγορεῖ δ' ὡς μέλλοντος ἐνεδρεύειν ἐν τῷ ἱερῷ, καὶ ἐπειδὰν ἐκδύηται τὴν ἐσθῆτα [5] ὁ βασιλεὺς, ἐπιτίθεσθαι καὶ διαφθείρειν αὐτόν. οἱ μὲν <οὖν> ἐκ ταύτης τῆς διαβολῆς τὴν σύλληψιν γενέσθαι φασίν, οἱ δὲ καὶ παρελθεῖν τὸν Κῦρον εἰς τὸ ἱερόν [6] καὶ παραδοθῆναι κρυπτόμενον ὑπὸ τοῦ ἱερέως. μέλλοντα δ' αὐτὸν ἤδη [ἀπο]θνήσκειν ἢ μήτηρ περισχοῦσα ταῖς ἀγκάλαις καὶ τοῖς βοστρύχοις περιελίξασα καὶ συλλαβοῦσα τὸν ἐκείνου τράχηλον πρὸς τὸν αὐτῆς ὀδυρομένη πολλὰ καὶ ποτνωμένη παρητήσατο, καὶ κατέπεμψεν αὖθις ἐπὶ θάλατταν, οὐκ ἀγαπῶντα τὴν ἀρχὴν ἐκείνην, οὐδὲ μεμνημένον τῆς διέσεως, ἀλλὰ τῆς συλλήψεως, καὶ δι' ὀργὴν σπαργῶντα μᾶλλον ἢ πρότερον ἐπὶ τὴν βασιλείαν.

[4] [1] Ἔνιοι δὲ φασιν οὐκ ἀρκούμενον οἷς ἐλάμβανεν εἰς τὸ καθ' ἡμέραν δεῖπνον ἀποστῆναι βασιλέως, εὐήθη λέγοντες, εἰ γὰρ ἄλλο μηδέν, ἀλλ' ἢ μήτηρ ὑπῆρχε, χρῆσθαι καὶ λαμβάνειν ὅσα βούλοιτο τῶν αὐτῆς παρέχουσα [2] καὶ δίδουσα. μαρτυρεῖ δὲ τῷ πλούτῳ καὶ τὸ μισθοφορικόν, πολλαχόθι διὰ τῶν φίλων καὶ ξένων αὐτῷ παρατρεφόμενον, [3] ὡς Ξενοφῶν (an. 1, 1, 611) εἴρηκεν. ἀθρόους μὲν γὰρ οὐ συνῆγεν, ἔτι τὴν παρασκευὴν ἐπικρυπτόμενος, ἀλλαχόθι δ' ἄλλους ἐπὶ πολλαῖς προφάσεσι ξενολογοῦντας εἶχε. βασιλέως δ' ἢ τε μήτηρ παροῦσα τὰς ὑποψίας ἀφήρει, καὶ Κῦρος αὐτὸς ἀεὶ θεραπευτικῶς ἔγραφε, τὰ μὲν αἰτούμενος παρ' αὐτοῦ, τὰ δὲ Τισσαφέρνους ἀντικατηγορῶν, ὡς δὴ πρὸς ἐκείνον αὐτῷ ζήλου καὶ ἀγῶνος ὄντος.

[4] Ἦν δὲ τις καὶ μέλλησις ἐν τῇ φύσει τοῦ βασιλέως, ἐπιείκεια φαινομένη τοῖς πολλοῖς. ἐν ἀρχῇ δὲ καὶ πάννυ ζήλου ἔδοξε τὴν

Ἀρτοξέρεξο τοῦ ὁμωνύμου πραότητα, ἡδίω θ' ἑαυτὸν παρέχων ἐντυγχάνεσθαι, καὶ περὶ τὸ τιμᾶν καὶ χαρίζεσθαι τὸ κατ' ἀξίαν ὑπερβάλλων, κολάσεως δὲ πάσης ἀφαιρῶν τὸ ἐφυβρίζον καὶ ἡδόμενον, ἐν <δὲ> τῷ δέχεσθαι χάριτας οὐχ ἥττον τοῖς διδοῦσιν ἢ τοῖς λαμβάνουσιν ἐν [δὲ] τῷ διδόναι φαινόμενος εὐχαρις [5] καὶ φιλάνθρωπος. οὐδὲν γὰρ ἦν οὕτω σμικρόν τι τῶν διδομένων, ὃ μὴ προσεδέξατο προθύμως, ἀλλὰ καὶ ῥόαν μίαν ὑπερφυῇ μεγέθει προσενέγκαντος Ὡμίσου τινὸς αὐτῷ, νῆ τὸν Μίθραν εἶπεν οὗτος ὁ ἀνὴρ καὶ πόλιν ἂν ἐκ μικρᾶς ταχὺ ποιήσειε μεγάλην πιστευθείς.

[5] [1] Ἐπεὶ δ' ἄλλων ἄλλα προσφερόντων καθ' ὁδὸν αὐτουργὸς ἄνθρωπος οὐδὲν ἐπὶ καιροῦ φθάσας εὗρεῖν τῷ ποταμῷ προσέδραμε, καὶ ταῖν χεροῖν ὑπολαβὼν τοῦ ὕδατος προσήνεγκεν, ἡσθεὶς ὁ Ἀρτοξέρξης φιάλην ἔπεμψεν [2] αὐτῷ χρυσὴν καὶ χιλίους δαρεικοῦς. Εὐκλείδα δὲ τῷ Λάκωνι πολλὰ παρρησιαζομένῳ πρὸς αὐτὸν αὐθαδῶς ἐκέλευσεν εἰπεῖν τὸν χιλιάρχον ὅτι σοὶ μὲν ἔξεστιν εἰπεῖν ἃ [βασιλεῖ] βούλει, ἐμοὶ δὲ καὶ λέγειν καὶ ποιεῖν.

[3] ἐν δὲ θήρᾳ τινὶ Τιριβάζου δεῖξαντος αὐτῷ τὸν κἀνδυν ἐσχισμένον, ἠρώτησεν ὅ τι δεῖ ποιεῖν. ἐκείνου δ' εἰπόντος ἄλλον αὐτὸς ἔνδυσαι, τοῦτον δ' ἐμοὶ δός, οὕτως ἐποίησεν εἰπών· δίδωμι μὲν ὧ Τιρίβαξε σοὶ τοῦτον, [4] φορεῖν δ' ἀπαγορεύω. τοῦ δὲ Τιριβάζου μὴ φροντίσαντος, - ἦν γὰρ οὐ πονηρὸς, ὑπόκουφος δὲ καὶ παράφορος -, ἀλλὰ τόν τε κἀνδυν εὐθὺς ἐκείνον ἐνδύντος καὶ δέραια χρυσᾶ [καὶ γυναικεῖα] τῶν βασιλικῶν περιθεμένου, πάντες μὲν ἠγανάκτουν· οὐ γὰρ ἐξῆν· ὁ μέντοι βασιλεὺς κατεγέλασε καὶ εἶπε· δίδωμί σοι καὶ τὰ χρυσία φορεῖν [5] ὥς γυναικὶ καὶ τὴν στολὴν ὥς μαινομένῳ. τραπέζης δὲ τῆς αὐτῆς μηδενὸς μετέχοντος ἄλλ' ἢ μητρὸς βασιλέως καὶ γαμετῆς γυναικός, καθεζομένων τῆς μὲν ὑπ' αὐτόν, τῆς δὲ μητρὸς ὑπὲρ αὐτόν, Ἀρτοξέρξης καὶ τοὺς ἀδελφοὺς ἐπὶ τὴν αὐτὴν ἐκάλει τράπεζαν, Ὀσάνην καὶ Ὀξάθρην, [6] νεωτέρους ὄντας. ἐν δὲ τοῖς μάλιστα κεχαρισμένην ὄψιν παρεῖχε τοῖς Πέρσαις ἡ τῆς γυναικὸς Στατεΐρας ἀρμάμαξα, γυμνὴ τῶν παραπετασμάτων αἰὲ προφερομένη καὶ διδοῦσα ταῖς δημότισιν ἀσπάσασθαι <τ'> αὐτὴν καὶ προσελθεῖν· ὅθεν ἠγαπᾶτο τοῖς πολλοῖς ἡ βασίλεια.

[6] [1] Τὸν μέντοι Κῦρον οἱ νεωτερισταὶ καὶ πολυπράγμονες ὥς λαμπρὸν ἄνδρα τῇ ψυχῇ καὶ πολεμικὸν διαφερόντως καὶ φιλέταιρον ὦντο τὰ πράγματα ποθεῖν, καὶ τὸ μέγεθος τῆς

ἡγεμονίας βασιλέως δεῖσθαι φρόνημα καὶ φιλοτιμίαν [2] ἔχοντος. οὐχ ἦττον οὖν τοῖς ἄνω πιστεύων ὁ Κῦρος ἢ τοῖς [3] περὶ αὐτόν, ἐπεχείρει τῷ πολέμῳ· καὶ Λακεδαιμονίοις ἔγραφε, παρακαλῶν βοηθεῖν καὶ συνεκπέμπειν ἄνδρας, οἷς ἔφη δώσειν, ἂν μὲν πεζοὶ παρῶσιν, ἵππους, ἂν δ' ἵππεῖς, συνωρίδας· ἐὰν δ' ἄγρους ἔχωσι, κώμας· ἐὰν δὲ κώμας, πόλεις· μισθοῦ δὲ τοῖς στρατευομένοις οὐκ ἀριθμόν, [4] ἀλλὰ μέτρον ἔσεσθαι. μεγαληγορῶν δὲ περὶ αὐτοῦ πολλά, καὶ καρδίαν ἔφη τοῦ ἀδελφοῦ φορεῖν βαρυτέραν, καὶ φιλοσοφεῖν μᾶλλον, καὶ μαγεύειν βέλτιον, οἶνον δὲ πλείονα πίνειν καὶ φέρειν· ἐκεῖνον δ' ὑπὸ δειλίας καὶ μαλακίας ἐν μὲν τοῖς κυνηγεσίοις μὴδ' ἐφ' ἵππου, ἐν δὲ τοῖς κινδύνοις μὴδ' [5] ἐπὶ τοῦ θρόνου καθῆσθαι. Λακεδαιμόνιοι μὲν οὖν σκυτάλην πρὸς Κλέαρχον ἀπέστειλαν, ὑπηρετεῖν Κύρῳ πάντα κελεύοντες. ὁ δὲ Κῦρος ἀνέβαινεν ἐπὶ βασιλέα, βαρβαρικὴν τε πολλὴν ἔχων δύναμιν καὶ μισθοφόρους Ἑλλήνας ὀλίγῳ τρισχιλίων καὶ μυρίων ἀποδέοντας, ἄλλας ἐπ' ἄλλαις ποιοῦμενος [6] προφάσεις τῆς στρατείας. οὐ μὴν ἔλαθέ γ' εἰς πολὺν χρόνον, ἀλλ' ἦκε βασιλεῖ Τισσαφέρνης αὐτάγγελος, καὶ πολλὺς θόρυβος εἶχε τὰ βασίλεια, τῆς τε Παρυσάτιδος τὴν πλείστην αἰτίαν τοῦ πολέμου φερομένης, καὶ τῶν φίλων [7] αὐτῆς ἐν ὑποψίαις ὄντων καὶ διαβολαῖς. μάλιστα δ' ἡνία τὴν Παρύσατιν ἢ Στάτειρα, τῷ πολέμῳ περιπαθοῦσα καὶ βοῶσα· ποῦ νῦν αἱ πίστεις ἐκεῖναι; ποῦ δ' αἱ δεήσεις, αἷς ἐξελομένη τὸν ἐπιβουλεύσαντα τῷ ἀδελφῷ πολέμου [8] καὶ κακῶν ἐμπέπληκας ἡμᾶς; ἐκ δὴ τούτων μισοῦσα τὴν Στάτειραν ἢ Παρύσατις, καὶ φύσει βαρύθυμος οὔσα καὶ βάρβαρος ἐν ὀργαῖς καὶ μνησικακίαις, ἐπεβούλευεν [9] αὐτὴν ἀνελεῖν. ἐπεὶ δὲ Δείνων (FGrH 690 F 15a) μὲν ἐν τῷ πολέμῳ συντελεσθῆναι τὴν ἐπιβουλὴν εἴρηκε, Κτησίας (FGrH 688 F 29a) δ' ὕστερον, ὃν οὗτ' ἄγνοεῖν τὸν χρόνον εἰκόσ ἐστι παρόντα ταῖς πράξεσιν, οὗθ' ἐκὼν αἰτίαν εἶχεν ἐκ τοῦ χρόνου μεταστῆσαι τὸ ἔργον ὡς ἐπράχθη διηγούμενος - οἷα πάσχει πολλάκις ὁ λόγος αὐτοῦ, πρὸς τὸ μυθῶδες καὶ δραματικὸν ἐκτρεπόμενος τῆς ἀληθείας - , τοῦτο μὲν ἦν ἐκεῖνος ἀπέδωκε χώραν ἔξει (c. 19).

[7] [1] Κύρῳ δὲ προιόντι φῆμαι καὶ λόγοι προσέπιπτον, ὥς οὐ μάχεσθαι βασιλέως εὐθύς ἐγνωκότος οὐδὲ συνδραμεῖν εἰς χεῖρας αὐτῷ σπεύδοντος, ἀλλ' ἐν Πέρσαις ὑπομένειν, ἄχρι ἂν αἱ δυνάμεις ἐκεῖ πανταχόθεν συνέλθωσι.

[2] καὶ γὰρ τάφρον εὖρος ὀργυῶν δέκα καὶ βάθος ἴσων ἐπὶ σταδίου διὰ τοῦ πεδίου τετρακοσίους ἐνέβαλε· καὶ ταύτης τε περιεῖδε τὸν Κῦρον ἐντὸς παρελθόντα, καὶ [3] Βαβυλῶνος αὐτῆς οὐ μακρὰν γενόμενον. Τιριβάζου δ' ὥς φασὶ πρῶτου τολμήσαντος εἶπεῖν, ὥς οὐ δεῖ φυγομαχεῖν οὐδὲ Μηδίας ἐκστάντα καὶ Βαβυλῶνος ἅμα καὶ Σούσων ἐνδύεσθαι τῇ Περσίδι, πολλαπλασίαν μὲν ἔχοντα δύναμιν τῶν πολεμίων, μυρίους δὲ σατράπας καὶ στρατηγούς, Κύρου καὶ φρονεῖν καὶ μάχεσθαι βελτίονας, ὥρμησε [4] διαγωνίσασθαι τὴν ταχίστην. καὶ τὸ μὲν πρῶτον ἐξαίφνης καταφανεῖς ἐνενήκοντα μυριάσι στρατοῦ διακεκοσμημέναις λαμπρῶς, τοὺς πολεμίους ἀσυντάκτους καὶ ἀνόπλους διὰ τὸ θαρρεῖν καὶ καταφρονεῖν ὁδοιποροῦντας ἐξέπληξε καὶ συνετάραξεν, ὥστε σὺν θορύβῳ καὶ βοῇ πολλῇ μόλις εἰς τάξιν [5] καθίστασθαι τὸν Κῦρον· ἔπειτα σιγῇ καὶ σχέδην ἐπάγων θαῦμα τοῖς Ἕλλησι τῆς εὐταξίας παρεῖχε, κραυγὰς ἀτάκτους καὶ σκιρτήματα καὶ πολὺν τάραχον αὐτῶν καὶ [6] διασπασμὸν ἐν πλήθει τοσοῦτῳ προσδεχομένοις. εὖ δὲ καὶ κατὰ τοὺς Ἕλληνας ἀντέταξε τῶν δρεπανηφόρων τὰ ῥωμαλεώτατα πρὸ τῆς ἑαυτοῦ φάλαγγος, ὥς πρὶν ἐν χερσὶ γενέσθαι διακόφοντα τὰς τάξεις βίᾳ τῆς εἰσελάσεως.

[8] [1] Τὴν δὲ μάχην ἐκείνην πολλῶν μὲν ἀπηγγελκότων, Ξενοφῶντος (an. 1, 8) δὲ μονονουχὶ δεικνύοντος ὄψει καὶ τοῖς πράγμασιν ὥς οὐ γεγενημένοις, ἀλλὰ γινόμενοις ἐφιστάντος αἰὲ τὸν ἀκροατὴν ἐμπαθῇ καὶ συγκινδυνεύοντα διὰ τὴν ἐνάργειαν, οὐκ ἔστι νοῦν ἔχοντος ἐπεξηγεῖσθαι, πλὴν ὅσα τῶν ἀξίων λόγου παρῆλθεν εἶπεῖν [2] ἐκείνον. ὁ μὲν οὖν τόπος ἐν ᾧ παρετάξαντο Κούναξα καλεῖται καὶ Βαβυλῶνος ἀπέχει σταδίους πεντακοσίους. Κῦρον δὲ πρὸ τῆς μάχης Κλεάρχου παρακαλοῦντος ἐξόπισθε τῶν μαχομένων εἶναι καὶ μὴ κινδυνεύειν αὐτόν, εἶπεῖν φασὶ· τί λέγεις ὦ Κλέαρχε; σὺ κελεύεις με τὸν [3] βασιλείας ὀρεγόμενον ἀνάξιον εἶναι βασιλείας; ἁμαρτόντος δὲ Κύρου μέγα τῷ δῦναι προπετῶς εἰς μέσα τὰ δεινὰ καὶ μὴ φυλάξασθαι τὸν κίνδυνον, οὐχ ἥττον ἥμαρτεν εἰ μὴ καὶ μᾶλλον Κλέαρχος, ἀντιτάξαι κατὰ τὸν βασιλέα μὴ θελήσας τοὺς Ἕλληνας, ἀλλὰ προσμείξας τῷ ποταμῷ [4] τὸ δεξιόν, ὥς μὴ κυκλωθεῖη. τὸν γὰρ ἀσφάλειαν ἐξ ἅπαντος διώκοντα καὶ πλεῖστον λόγον ἔχοντα τοῦ μηδὲν παθεῖν οἴκοι μένειν ἦν κράτιστον. ὁ δὲ μυρίους σταδίους ἀπὸ θαλάσσης ἐν ὅπλοις

ἀναβεβηκώς, μηδενὸς ἀναγκάζοντος, ἀλλ' ὅπως Κῦρον εἰς τὸν θρόνον καθίσῃ τὸν βασιλείον, εἴτα περισκοπῶν χώραν καὶ τάξιν, οὐκ ἄφ' ἧς σώσει τὸν ἡγεμόνα καὶ μισθοδότην, ἀλλ' ἐν τίνι θέμενος ἑαυτὸν ἀσφαλῶς μαχεῖται καθ' ἡσυχίαν, ὅμοιος ἦν ὑπὸ δέους τῶν παρόντων ἐκβεβληκῶτι τοὺς περὶ τῶν ὅλων λογισμοὺς [5] καὶ προιεμένῳ τὴν τῆς στρατείας ὑπόθεσιν. ὅτι γὰρ οὐδεὶς ἂν ὑπέμεινε τῶν τεταγμένων περὶ βασιλέα τοὺς Ἑλληνας ἐμπεσόντας, ὡσθέντων δ' ἐκείνων καὶ βασιλέως φυγόντος ἢ πεσόντος ὑπῆρχε Κύρῳ νικῶντι σώζεσθαι καὶ βασιλεύειν, ἐκ τῶν πεπραγμένων δηλόν [6] ἐστι. διὸ τὴν Κλεάρχου μᾶλλον εὐλάβειαν ἢ τὸ Κύρου θράσος αἰτιατέον ὡς τὰ πράγματα καὶ Κῦρον ἀπολέσασαν.

[7] εἰ γὰρ αὐτὸς ἐσκόπει βασιλεύς, ὅπου τάξας τοὺς Ἑλληνας ἀβλαβεστάτοις χρήσεται πολεμίῳ, οὐκ ἂν ἑτέραν ἐξεῦρεν ἢ τὴν ἀπωτάτω χώραν ἑαυτοῦ καὶ τῶν περὶ ἑαυτόν, ἀφ' ἧς οὔτε νικηθεὶς αὐτὸς ἦσθετο καὶ Κῦρος ἔφθη κατακοπεῖς ἢ χρησάμενός τι τῇ Κλεάρχου [8] νίκῃ. καίτοι Κῦρος τὸ συμφέρον οὐκ ἠγνόησεν, ἀλλ' ἐκεῖ Κλέαρχον ἐκέλευε τάττεσθαι κατὰ μέσον. ὁ δ' αὐτῷ μέλειν εἰπὼν ὅπως ἔξει κάλλιστα, τὸ πᾶν διέφθειρεν.

[9] [1] Οἱ μὲν γὰρ Ἑλληνες ὅσον ἐβούλοντο τοὺς βαρβάρους ἐνίκων καὶ διώκοντες ἐπὶ πλεῖστον προῆλθον· Κύρῳ δὲ γενναῖον ἵππον, ἄστομον δὲ καὶ ὑβριστὴν ἐλαύνοντι, Πασακᾶν καλούμενον, ὡς Κτησίας (FGrH 688 F 19) φησὶν, ἀντεξήλασεν ὁ Καδουσίων ἄρχων Ἀρταγέρσης, [2] μέγα βοῶν· ὧ τὸ κάλλιστον ἐν Πέρσαις ὄνομα Κύρου καταισχύνων, ἀδικώτατε ἀνδρῶν καὶ ἀφρονέστατε, κακοὺς μὲν Ἑλληνας ἔρχῃ κακὴν ὁδὸν ἄγων ἐπὶ τὰ Περσῶν ἀγαθὰ, δεσπότην δὲ σεαυτοῦ καὶ ἀδελφὸν ἐλπίζων ἀναιρήσειν, ὃς σοῦ μυριάκις μυρίους δούλους ἔχει κρείσσονας. αὐτίκα δὲ πειράσῃ· πρότερον γὰρ ἀπολεῖς ἐνταῦθα τὴν σεαυτοῦ κεφαλὴν ἢ θεάσασθαι τὸ βασιλέως πρόσωπον.

[3] ταῦτ' εἰπὼν ἐξηκόντισεν ἐπ' αὐτόν. ὁ δὲ θώραξ στερεῶς ἀντέσχε, καὶ οὐκ ἐτρώθη μὲν ὁ Κῦρος, ἐκραδάνθη δὲ τῆς πληγῆς ἰσχυρᾶς προσπεσούσης. ἀποστρέψαντος δὲ τὸν ἵππον τοῦ Ἀρταγέρσου, βαλὼν ὁ Κῦρος ἔτυχε καὶ διήλασε παρὰ τὴν κλεῖδα διὰ τοῦ τραχήλου τὴν αἰχμήν.

[4] Τὸν μὲν οὖν Ἀρταγέρσην ἀποθανεῖν ὑπὸ Κύρου σχεδὸν ἅπαντες ὁμολογοῦσι· περὶ δὲ τῆς αὐτοῦ Κύρου τελευτῆς ἐπεὶ Ξενοφῶν (an. 1, 8, 26 sq.) ἀπλῶς καὶ συντόμως, ἄτε δὴ μὴ παρῶν

αὐτός, εἶπεν, οὐδὲν ἴσως κωλύει τὰ Δείνωνος ἰδίᾳ καὶ πάλιν τὰ Κτησίου διελθεῖν.

[10] [1] Φησὶν οὖν ὁ μὲν Δείνων (FGrH 690 F 17), ὅτι τοῦ Ἀρταγέρσου πεσόντος εἰσελάσας βιαίως ὁ Κῦρος εἰς τοὺς προτεταγμένους τοῦ βασιλέως κατέτρωσεν αὐτοῦ τὸν ἵππον, ὁ δ' ἀπερρύη· Τιριβάζου δ' ἀναβαλόντος αὐτὸν ἐπ' ἄλλον ἵππον ταχὺ καὶ εἰπόντος ὧ βασιλεῦ, μέμνησο τῆς ἡμέρας ταύτης· οὐ γὰρ ἀξία λήθης ἐστί, πάλιν ὁ Κῦρος [2] ἐνσείσας τῷ ἵππῳ κατέβαλε τὸν Ἀρτοξέρην. πρὸς δὲ τὴν τρίτην ἐπέλασιν δυσανασχετήσας ὁ βασιλεὺς καὶ εἰπὼν πρὸς τοὺς παρόντας ὡς βέλτιόν ἐστι μὴ ζῆν, ἀντεξήλανε τῷ Κύρῳ, προπετῶς καὶ ἀπερισκέπτως εἰς ἐναντία βέλη φερομένῳ. καὶ βάλλει μὲν αὐτὸς ἀκοντίῳ, [3] βάλλουσι δ' οἱ περὶ αὐτόν. πίπτει δ' ὁ Κῦρος, ὡς μὲν ἔνιοι λέγουσι, πληγεὶς ὑπὸ τοῦ βασιλέως, ὡς δ' ἕτεροί τινες, Καρὸς ἀνθρώπου πατάξαντος, ὧ γέρας ἔδωκε τῆς πράξεως ταύτης ὁ βασιλεὺς ἀλεκτρυόνα χρυσοῦν ἐπὶ δόρατος ἀεὶ πρὸ τῆς τάξεως ἐν ταῖς στρατείαις κομίζειν· καὶ γὰρ αὐτοὺς τοὺς Κᾶρας ἀλεκτρυόνας οἱ Πέρσαι διὰ τοὺς λόφους οἷς κοσμοῦσι τὰ κράνη προσηγόρευον.

[11] [1] Ἡ δὲ Κτησίῳ (FGrH 688 F 20) διήγησις, ὡς ἐπιτεμόντι πολλὰ συντόμως ἀπαγγεῖλαι, τοιαύτη τίς ἐστι. Κῦρος ἀποκτείνας Ἀρταγέρσην ἤλανεν εἰς αὐτὸν βασιλέα τὸν ἵππον, καὶ αὐτὸς εἰς ἐκεῖνον, ἀμφότεροι σιωπῇ. φθάνει δὲ βαλὼν Ἀριαῖος ὁ Κύρου φίλος βασιλέα, καὶ οὐκ ἔτρωσε.

[2] βασιλεὺς δ' ἀφείλς τὸ δόρυ Κύρου μὲν οὐκ ἔτυχε, Σατιφέρνην δὲ πιστὸν ἄνδρα Κύρῳ καὶ γενναῖον ἔβαλε καὶ κατέκτεινε. Κῦρος δ' ἐπ' αὐτὸν ἐξακοντίσας διὰ τοῦ θώρακος ἔτρωσε τὸ στήθος, ὅσον ἐνδῦναι δύο δακτύλους τὸ ἀκόντιον, πεσεῖν [3] δ' αὐτὸν ὑπὸ τῆς πληγῆς ἀπὸ τοῦ ἵππου. φυγῆς δὲ καὶ ταραχῆς τῶν περὶ αὐτὸν γενομένης, ὁ μὲν ἀναστὰς μετ' ὀλίγων, ἐν οἷς καὶ Κτησίας ἦν, λόφον τινὰ πλησίον καταλαβὼν ἠσύχαξε· Κῦρον δὲ τοῖς πολεμίοις ἐνειλούμενον ὁ ἵππος ἐξέφερεν ὑπὸ θυμοῦ μακράν, ἥδη σκότους ὄντος ἀγνοούμενον ὑπὸ τῶν πολεμίων καὶ ζητούμενον ὑπὸ τῶν [4] φίλων. ἐπαιρόμενος δὲ τῇ νίκῃ καὶ μεστὸς ὢν ὀργῆς καὶ θράσους, διεξήλανε βοῶν ἐξίστασθε πενιχροί. τοῦτο δὲ περσιστὶ πολλάκις αὐτοῦ βοῶντος, οἱ μὲν ἐξίσταντο προσκυνοῦντες, ἀποπίπτει δὲ τῆς κεφαλῆς ἢ τιάρα τοῦ [5] Κύρου. καὶ παρατρέχων νεανίας Πέρσης ὄνομα Μιθριδάτης ἀκοντίῳ βάλλει τὸν κρόταφον αὐτοῦ παρὰ τὸν

ὀφθαλμόν, ἀγνοῶν ὅστις εἴη. πολὺ δ' αἷμα τοῦ τραύματος ἐκβαλόντος, [6] ἰλιγγιάσας καὶ καρῳθεὶς ὁ Κῦρος ἔπεσε. καὶ ὁ μὲν ἵππος ὑπεκφυγὼν ἐπλάζετο, τὸν δ' ἐφίππειον πῖλον ἀπορρύνετα λαμβάνει τοῦ τὸν Κῦρον βαλόντος ἀκόλουθος [7] αἵματος περίπλεω. τὸν δὲ Κῦρον ἐκ τῆς πληγῆς ἀναφέροντα χαλεπῶς καὶ μόλις εὐνοῦχοί τινες ὀλίγοι παρόντες ἐπεχείρουν ἐπ' ἄλλον ἵππον ἀναθέσθαι καὶ σῶζειν.

[8] ἀδυνάτως δ' ἔχοντα καὶ δι' αὐτοῦ προθυμούμενον βαδίζειν ὑπολαβόντες ἦγον, τῷ μὲν σώματι καρηβαροῦντα καὶ σφαλλόμενον, οἰόμενον δὲ νικᾶν, ἀκούοντα τῶν φευγόντων ἀνακαλουμένων Κῦρον βασιλέα καὶ φείδεσθαι δεομένων.

[9] ἐν δὲ τούτῳ Καύνιοί τινες ἄνθρωποι, κακόβιοι καὶ ἄποροι καὶ ταπεινῶν ὑπουργημάτων ἔνεκα τῇ τοῦ βασιλέως στρατιᾷ παρακολουθοῦντες, ἔτυχον συναναμειχθέντες ὡς φίλοις τοῖς περὶ τὸν Κῦρον. ὡς δὲ μόλις συνεῖδον τὰ ἐπιθωρακίδια φοινικᾷ, λευκοῖς χρωμένων τῶν βασιλικῶν [10] ἀπάντων, ἔγνωσαν πολεμίους ὄντας. εἷς οὖν ἐκείνων ἐτόλμησεν ἀγνοῶν ἐξόπισθεν βαλεῖν τὸν Κῦρον ἀκοντίῳ. τῆς δὲ περὶ τὴν ἰγνύαν φλεβὸς ἀναρραγείσης, πεσὼν ὁ Κῦρος ἅμα παῖει πρὸς τινι λίθῳ τὸν τετρωμένον κρόταφον, [11] καὶ ἀποθνήσκει. τοιοῦτος μὲν ὁ Κτησίῳ λόγος, ᾧ καθάπερ ἀμβλεῖ ξιφιδίῳ μόλις ἀναιρῶν τὸν ἄνθρωπον ἀνήρηκεν.

[12] [1] Ἦδη δ' αὐτοῦ τεθνηκότος, Ἀρτασύρας ὁ βασιλέως ὀφθαλμὸς ἔτυχεν ἵππῳ παρεξελαύνων. γνωρίσας οὖν τοὺς εὐνούχους ὀλοφυρομένους, ἠρώτησε τὸν πιστότατον αὐτῶν· τίνα τοῦτον ᾧ Παρίσκα κλαίεις παρακαθήμενος; ὁ δ' εἶπεν· οὐχ ὁρᾷς ᾧ Ἀρτασύρα Κῦρον [2] τεθνηκότα; θαυμάσας οὖν ὁ Ἀρτασύρας τῷ μὲν εὐνούχῳ θαρρεῖν παρεκελεύσατο καὶ φυλάττειν τὸν νεκρόν, αὐτὸς δὲ συντείνας πρὸς τὸν Ἀρτοξέρξην, ἀπεγνωκότα μὲν ἤδη τὰ πράγματα, κακῶς δὲ καὶ τὸ σῶμα διακείμενον ὑπὸ τε δίψης καὶ τοῦ τραύματος, χαίρων [3] φράζει, ὡς αὐτὸς ἴδοι τεθνηκότα Κῦρον. ὁ δὲ πρῶτον μὲν εὐθὺς ὤρμησεν αὐτὸς ἰέναι, καὶ τὸν Ἀρτασύραν ἄγειν ἐκέλευσεν ἐπὶ τὸν τόπον· ἐπεὶ δὲ πολλὺς ἦν λόγος τῶν Ἑλλήνων καὶ φόβος, ὡς διωκόντων καὶ πάντα νικόντων καὶ κρατούντων, ἔδοξε πλείονας πέμψαι τοὺς κατοφομένους, καὶ τριάκοντα λαμπάδας ἔχοντες ἐπέμφθησαν.

[4] αὐτῷ δὲ μικρὸν ἀπολείποντι τοῦ τεθνάναι διὰ τὸ διψῆν Σατιβαρζάνης ὁ εὐνούχος περιθέων ἐζήτει ποτόν· οὐ γὰρ εἶχε τὸ

χωρίον ὕδωρ, οὐδ' ἦν ἐγγὺς τὸ στρατόπεδον.

[5] μόλις οὖν ἐπιτυχάνει τῶν Καυνίων ἐκείνων τῶν κακοβίων ἐνὸς ἐν ἀσκίῳ φαύλῳ διεφθαρμένον ὕδωρ καὶ πονηρὸν ἔχοντος, ὅσον ὀκτῶ κοτύλας· καὶ λαβὼν τοῦτο [6] καὶ κομίσας τῷ βασιλεῖ δίδωσιν. ἐκπόντα δ' ἅπαν ἠρώτησεν, εἰ μὴ πάνυ δυσχεραίνει τὸ ποτόν. ὁ δ' ὤμοσε τοὺς θεοὺς μήτ' οἶνον ἡδέως οὕτως πώποτε πεπωκέναι μήθ' ὕδωρ τὸ κουφότατον καὶ καθαρώτατον, ὥστ' ἔφη τὸν δόντα σοι τοῦτ' ἄνθρωπον, ἂν ἐγὼ μὴ δυνηθῶ ζητήσας ἀμείψασθαι, τοὺς θεοὺς εὖχομαι ποιῆσαι μακάριον καὶ πλούσιον.

[13] [1] Ἐν δὲ τούτῳ προσήλαυνον οἱ τριάκοντα λαμπροὶ καὶ περιχαρεῖς, ἀναγγέλλοντες αὐτῷ τὴν ἀνέλπιστον εὐτυχίαν. ἤδη δὲ καὶ πλήθει τῶν συντρεχόντων πάλιν πρὸς αὐτὸν καὶ συνισταμένων ἐθάρρει, καὶ κατέβαινεν [2] ἀπὸ τοῦ λόφου, φωτὶ πολλῷ περιλαμπόμενος. ὥς δ' ἐπέστη τῷ νεκρῷ, καὶ κατὰ δὴ τινα νόμον Περσῶν ἡ δεξιὰ χεὶρ ἀπεκόπη καὶ ἡ κεφαλὴ τοῦ σώματος, ἐκέλευσε τὴν κεφαλὴν αὐτῷ κομισθῆναι, καὶ τῆς κόμης δραξάμενος οὔσης βαθείας καὶ λασίας, ἐπεδείκνυε τοῖς ἀμφιδοξοῦσιν [3] ἔτι καὶ φεύγουσιν. οἱ δ' ἐθαύμαζον καὶ προσεκύνουν, ὥστε ταχὺ μυριάδας ἐπτὰ περὶ αὐτὸν γενέσθαι καὶ συνεισελάσαι πάλιν εἰς τὸ στρατόπεδον. ἐξεληλάκει δ', ὥς ὁ Κτησίας (FGrH 688 F 22) φησὶν, ἐπὶ τὴν μάχην τεσσαράκοντα μυριάσιν. οἱ δὲ περὶ Δείνωνα (FGrH 690 F 16) καὶ Ξενοφῶντα (an. 1, 7, 11. 12) πολὺ πλείονας [4] γενέσθαι λέγουσι τὰς μεμαχημένας. ἀριθμὸν δὲ νεκρῶν ὁ Κτησίας (F 22) ἐνακισχιλίους ἀνενεχθῆναί φησι πρὸς τὸν Ἀρτοξέρξην, αὐτῷ δὲ δισμυρίων οὐκ ἐλάττους φανῆναι τοὺς κειμένους. ταῦτα μὲν οὖν ἔχει διαμφισβήτησιν· [5] ἐκεῖνο δὲ τοῦ Κτησίου (F 23) λαμπρὸν ἤδη ψεῦσμα, τὸ πεμφθῆναι φάναι πρὸς τοὺς Ἑλλήνας αὐτὸν μετὰ Φαλλύνου [6] τοῦ Ζακυνθίου καὶ τινων ἄλλων. ὁ γὰρ Ξενοφῶν ἠπίστατο συνδιατρίβοντα βασιλεῖ Κτησίαν· μέμνηται γὰρ αὐτοῦ (an. 1, 8, 26. 27), καὶ τοῖς βιβλίοις τούτοις ἐντετυχηκῶς δῆλός ἐστιν· οὐκ ἂν οὖν ἐλθόντα καὶ λόγων τοσοῦτων ἐρμηνέα γενόμενον παρῆκεν ἀνώνυμον, Φαλῖνον [7] δὲ τὸν Ζακύνθιον ὠνόμαζεν (an. 2, 1, 723). ἀλλὰ δαιμονίως ὁ Κτησίας ὥς ἔοικε φιλότιμος ὢν, καὶ οὐχ ἥττον φιλολάκων καὶ φιλοκλέαρχος, αἰεὶ τινὰς ἐν τῇ διηγῇσει χώρας ἑαυτῷ δίδωσιν, ἐν αἷς γενόμενος πολλὰ καὶ καλὰ μεμνήσεται Κλεάρχου καὶ τῆς Λακεδαιμόνου.

[14] [1] Μετὰ δὲ τὴν μάχην δῶρα κάλλιστα μὲν ἐξέπεμψε καὶ μέγιστα τῷ Ἀρταγέρσου παιδὶ τοῦ πεσόντος ὑπὸ Κύρου, καλῶς δὲ καὶ Κτησίαν καὶ τοὺς ἄλλους [ἐπ]έτιμῃσε.

[2] τὸν δὲ Καύνιον ἐκείνον ἐξανευρών, ὃς ἐπέδωκε τὸ ἀσκίον, ἐξ ἀδόξου καὶ πένητος ἔντιμον καὶ πλούσιον [3] ἐποίησεν. ἦν δέ τις ἐπιμέλεια καὶ περὶ τὰς τῶν ἐξαμαρτόντων δικαιώσεις. Ἀρβάκην μὲν γάρ τινα Μῆδον, ἐν τῇ μάχῃ πρὸς Κῦρον φυγόντα καὶ πάλιν ἐκείνου πεσόντος μεταστάντα, δειλίαν καὶ μαλακίαν καταγνούς, οὐ προδοσίαν οὐδὲ κακόνοιαν, ἐκέλευσε γυμνὴν ἀναλαβόντα πόρνην περιβάδην ἐπὶ τοῦ τραχήλου δι' ἡμέρας ὅλης ἐν ἀγορᾷ [4] περιφέρειν. ἑτέρου δὲ πρὸς τῷ μεταστῆναι ψευσαμένου καταβαλεῖν δύο τῶν πολεμίων, προσέταξε διαπεῖραι τρισὶ [5] βελόναις τὴν γλῶτταν. οἰόμενος δὲ καὶ βουλόμενος δοκεῖν καὶ λέγειν πάντας ἀνθρώπους, ὡς αὐτὸς ἀπεκτόνοι Κῦρον, Μιθριδάτῃ τε τῷ βαλόντι πρῶτῳ Κῦρον ἐξέπεμψε δῶρα καὶ λέγειν ἐκέλευσε τοὺς διδόντας ὡς τοῦτοις σε τιμᾷ [Ὁ] βασιλεὺς, ὅτι τὸν ἐφίππειον Κύρου πῖλον εὐρών [6] ἀνήνεγκας, τοῦ τε Καρός, ὅφ' οὗ τὴν ἰγνύαν πληγεῖς ὁ Κῦρος ἔπεσε, καὶ αὐτοῦ δωρεὰν αἰτοῦντος, ἐκέλευσεν εἰπεῖν τοὺς διδόντας ὅτι σοὶ ταῦτα δίδωσι βασιλεὺς εὐαγγελίων δευτερεῖα· πρῶτος γὰρ Ἀρτασύρας, μετ' [7] ἐκείνον δὲ σὺ τὴν Κύρου τελευτὴν ἀπήγγειλας. ὁ μὲν οὖν Μιθριδάτης ἀπῆλθε σιωπῇ λυπούμενος· τὸν δ' ἄθλιον [8] Κᾶρα κοινόν τι πάθος ἐξ ἀβελτερίας κατέσχε. διαφθαρεῖς γὰρ ὑπὸ τῶν παρόντων ὡς ἔοικεν ἀγαθῶν, καὶ ἀναπεισθεῖς εὐθὺς ἀντιποιεῖσθαι τῶν ὑπὲρ αὐτόν, οὐκ ἠξίου τὰ δοθέντα μισθὸν εὐαγγελίων ἔχειν, ἀλλ' ἡγανάκτει μαρτυρόμενος καὶ βοῶν, ὅτι Κῦρον οὐδεὶς ἕτερος ἀλλ' αὐτὸς ἀπεκτόνοι καὶ τὴν δόξαν ἀδίκως ἀποστεροῖτο.

[9] ταῦτα δ' ἀκούσας ὁ βασιλεὺς σφόδρα παρωξύνθη, καὶ τὴν κεφαλὴν ἐκέλευσεν ἀποτεμεῖν τοῦ ἀνθρώπου. παροῦσα δ' ἡ μήτηρ μὴ σύ γε εἶπεν οὕτω τὸν Κᾶρα τοῦτον ὦ βασιλεῦ τὸν ὀλεθρον ἀπαλλάξῃς, ἀλλὰ παρ' ἐμοῦ τὸν ἄξιον [10] ἀπολήφεται μισθὸν ὧν τολμᾷ λέγειν. ἐπιτρέψαντος δὲ τοῦ βασιλέως, ἐκέλευσε τοὺς ἐπὶ τῶν τιμωριῶν ἢ Παρύσατις λαβόντας τὸν ἄνθρωπον ἐφ' ἡμέρας δέκα στρεβλοῦν, εἵτα τοὺς ὀφθαλμοὺς ἐξορύξαντας εἰς τὰ ὦτα θερμὸν ἐντήκειν χαλκὸν ἕως ἀποθάνῃ.

[15] [1] Κακῶς δ' ἀπώλετο καὶ Μιθριδάτης μετ' ὀλίγον χρόνον ἐκ τῆς αὐτῆς ἀβελτερίας. κληθεὶς γὰρ ἐπὶ δεῖπνον, ἔνθα καὶ βασιλέως

καὶ τῆς μητρὸς εὐνοῦχοι παρῆσαν, ἦκεν ἐσθῆτι καὶ χρυσῷ κεκοσμημένος οἷς ἔλαβε παρὰ [2] βασιλέως. ἐπεὶ δ' εἰς τὸ πίνειν ἀφίκοντο, λέγει πρὸς αὐτὸν ὁ μέγιστον δυνάμενος τῶν Παρυσάτιδος εὐνούχων· ὡς καλὴν μὲν ἐσθῆτά σοι ταύτην ὦ Μιθριδάτα [ὁ] βασιλεὺς δέδωκε, καλὰ δὲ στρεπτά καὶ ψέλια, πολλοῦ δ' ἄξιος ὁ ἀκινάκης. ἦ μακάριόν σε καὶ περίβλεπτον [3] ἅπασι πεποίηκεν. ἤδη δὲ μεθύων ὁ Μιθριδάτης τί δὲ ταῦτ' ἔστιν εἶπεν ὦ Σπαραμίζη; μειζόνων γὰρ ἐγὼ καὶ καλλιόνων βασιλεῖ τὴν ἡμέραν ἐκείνην ἄξιον [4] ἑμαυτὸν παρέσχον. καὶ ὁ Σπαραμίζης ἐπιμειδιάσας φθόνος μὲν οὐδεὶς ὦ Μιθριδάτα εἶπεν· ἐπεὶ δέ φασιν Ἕλληνες οἶνον καὶ ἀλήθειαν εἶναι, τί λαμπρὸν ὦ τᾶν ἡ μέγα, πῖλον εὐρεῖν ἵππου περιρρυέντα καὶ τοῦτον [5] ἀνενεγκεῖν; ταῦτα δ' οὐκ ἀγνοῶν τὸ ἀληθὲς ἔλεγεν, ἀλλὰ βουλόμενος ἐκκαλύψαι πρὸς τοὺς παρόντας ὑπεκίνει τὴν κουφότητα τοῦ ἀνθρώπου, λάλου καὶ ἀκρατοῦς [6] γεγονότος διὰ τὸν οἶνον. εἶπεν οὖν μὴ κατασχών· ὑμεῖς μὲν ὅ τι βούλεσθε πῖλους λέγετε καὶ φλυάρους· ἐγὼ δ' ὑμῖν λέγω διαρρήδη ὑπὸ ταύτης ἀνηρῆσθαι Κῦρον τῆς χειρός. οὐ γὰρ ὡς Ἀρταγέρσης ἠκόντισα κενὸν καὶ μάταιον, ἀλλὰ τοῦ μὲν ὀφθαλμοῦ μικρὸν ἥμαρτον, τοῦ δὲ κροτάφου τυχὼν καὶ διελάσας κατέβαλον τὸν ἄνδρα καὶ τέθηκεν ὑπ' [7] ἐκείνου τοῦ τραύματος. οἱ μὲν οὖν ἄλλοι τὸ τέλος ἤδη τοῦ Μιθριδάτου καὶ τὴν κακοδαιμονίαν ὀρῶντες, εἰς τὴν γῆν ἔκυψαν. ὁ δ' ἐσπίων αὐτοὺς ὦ τᾶν ἔφη Μιθριδάτα, πίνωμεν ἐν τῷ παρόντι καὶ ἐσθίωμεν, τὸν βασιλέως δαίμονα προσκυνοῦντες, λόγους δὲ μείζους ἢ καθ' ἡμᾶς ἐάσωμεν.

[16] [1] Ἐκ τούτου τῇ μὲν Παρυσάτιδι φράζει τὸν λόγον ὁ εὐνούχος, ἐκείνη δὲ βασιλεῖ· βασιλεὺς δ' ἠγανάκτησεν ὥσπερ ἐξελεγχόμενος καὶ τὸ κάλλιστον καὶ ἡδιστον [2] ἀπολλύων τῆς νίκης. ἐβούλετο γὰρ βαρβάρους ἅπαντας πεπεῖσθαι καὶ Ἕλληνας, ὡς ἐν ταῖς ἐξελάσεσι καὶ συμπλοκαῖς δοὺς καὶ λαβῶν πληγὴν, ἐτρώθη μὲν αὐτός, ἔκτεινε δ' ἐκείνους. ἐκέλευσεν οὖν τὸν Μιθριδάτην ἀποθανεῖν [3] σκαφευθέντα. τὸ δὲ σκαφευθῆναι τοιοῦτόν ἐστι· σκάφας δύο πεπονημένας ἐφαρμόζειν ἀλλήλαις λαβόντες, εἰς τὴν [4] ἐτέραν κατακλίνουσι τὸν κολαζόμενον ὑπτιον· εἴτα τὴν ἐτέραν ἐπάγοντες καὶ συναρμόζοντες, ὥστε τὴν κεφαλὴν καὶ τὰς χεῖρας ἔξω καὶ τοὺς πόδας ἀπολαμβάνεσθαι, τὸ δ' ἄλλο σῶμα πᾶν ἀποκεκρύφθαι, διδόασιν ἐσθίειν τῷ ἀνθρώπῳ, κἂν μὴ

θέλη, προσβιάζονται κεντοῦντες τὰ ὄμματα· φαγόντι δὲ πιεῖν μέλι καὶ γάλα συγκεκραμένον ἐγγέουσιν εἰς τὸ στόμα καὶ κατὰ τοῦ προσώπου καταχέουσιν.

[5] εἶτα πρὸς τὸν ἥλιον ἀεὶ στρέφουσιν ἐναντία τὰ ὄμματα, καὶ μυιῶν προσκαθημένων ὑπὸ πλήθους πᾶν ἀποκρύπτεται [6] τὸ πρόσωπον. ἐντὸς δὲ ποιοῦντος ὅσα ποιεῖν ἀναγκαῖόν ἐστιν ἐσθίοντας ἀνθρώπους καὶ πίνοντας, εὐλαὶ καὶ σκώληκες ὑπὸ φθορᾶς καὶ σηπεδόνης ἐκ τοῦ περιττώματος ἀναζέουσιν, ὑφ' ὧν ἀναλίσκεται τὸ σῶμα [7] διαδυομένων εἰς τὰ ἐντὸς. ὅταν γὰρ ἤδη φανερός ᾖ τεθνηκὼς ὁ ἄνθρωπος, ἀφαιρεθείσης τῆς ἐπάνω σκάφης ὁρῶσι τὴν μὲν σάρκα κατεδεδεσμένην, περὶ δὲ τὰ σπλάγχχνα τοιούτων θηρίων ἐσμούς ἐσθιόντων καὶ προσπεφυκότων. οὕτως ὁ Μιθριδάτης ἑπτακαίδεκα ἡμέρας φθειρόμενος μόλις ἀπέθανε.

[17] [1] Λοιπὸς δ' ἦν τῇ Παρυσάτιδι σκοπὸς ὁ τὴν κεφαλὴν ἀποτεμῶν καὶ τὴν χεῖρα τοῦ Κύρου Μασαβάτης βασιλέως [2] εὐνοῦχος. ὥς οὖν αὐτὸς οὐδεμίαν καθ' ἑαυτοῦ λαβὴν παρεδίδου, τοιοῦτον ἐπιβουλῆς τρόπον ἡ Παρύσατις [3] συνέθηκεν. ἦν τὰ τ' ἄλλα θυμόσοφος γυνὴ καὶ δεινὴ κυβεύειν· διὸ καὶ βασιλεῖ πρὸ τοῦ πολέμου πολλάκις [4] συνεκύβευε· μετὰ δὲ τὸν πόλεμον διαλυθεῖσα πρὸς αὐτόν, οὐκ ἔφευγε τὰς φιλοφροσύνας, ἀλλὰ καὶ συνέπαιζε καὶ τῶν ἐρωτικῶν ἐκοινώνει συμπράττουσα καὶ παροῦσα, καὶ ὅλως μικρότατον αὐτοῦ τῇ Στατείρᾳ μετεδίδου χρῆσθαι καὶ συνεῖναι, μισοῦσά τε μάλιστα πάντων [5] ἐκείνην καὶ μέγιστον αὐτῇ βουλομένη δύνασθαι. λαβοῦσα δὴ ποτε τὸν Ἀρτοξέρξην ὠρμημένον ἀλύειν σχολῆς οὔσης, προὔκαλεῖτο περὶ χιλίων δαρεικῶν κυβεῦσαι· καὶ κυβεύοντα περιεῖδε νικῆσαι καὶ τὸ χρυσίον ἀπέδωκε. προσποιουμένη δ' ἀνιᾶσθαι καὶ φιλονικεῖν, ἐκέλευσεν αὐθις ἐξ ἀρχῆς περὶ [6] εὐνούχου διακυβεῦσαι, κἀκεῖνος ὑπήκουσε. ποιησάμενοι δὲ συνθήκας, πέντε μὲν ἐκάτερον ὑπεξελέσθαι τοὺς πιστοτάτους, ἐκ δὲ τῶν λοιπῶν, ὃν ἂν ὁ νικῶν ἔλθῃ, [7] δοῦναι τὸν ἡττώμενον, ἐπὶ τούτοις ἐκύβευον. σφόδρα δὲ γενομένη πρὸς τῷ πράγματι καὶ σπουδάσασα περὶ τὴν παιδίαν, εὐ δέ πως αὐτῇ καὶ τῶν κύβων πεσόντων, νικήσασα λαμβάνει τὸν Μασαβάτην· οὐ γὰρ ἦν ἐν τοῖς ὑπεξηρημένοις. καὶ πρὶν ἐν ὑποψίᾳ γενέσθαι βασιλέα τοῦ πράγματος, ἐγχειρίσασα τοῖς ἐπὶ τῶν τιμωριῶν προσέταξεν ἐκδεῖραι ζῶντα, καὶ τὸ μὲν σῶμα πλάγιον διὰ τριῶν σταυρῶν ἀναπῆξαι, τὸ δὲ δέρμα χωρὶς διαπατταλεῦσαι.

[8] γενομένων δὲ τούτων, καὶ βασιλέως χαλεπῶς φέροντος καὶ παροξυνομένου πρὸς αὐτήν, εἰρωνευομένη μετὰ γέλωτος ὡς ἡδύς ἔφασκεν εἶ καὶ μακάριος, εἰ χαλεπαίνεις διὰ γέροντα πονηρὸν εὐνοῦχον, ἐγὼ δὲ χιλίους [9] ἐκκυβευθεῖσα δαρεικοὺς σιωπῶ καὶ στέργω. βασιλεὺς μὲν οὖν ἐφ' οἷς ἐξηπατήθη μεταμελόμενος ἡσυχίαν ἦγεν, ἡ δὲ Στατεῖρα καὶ πρὸς τᾶλλα φανερώς ἠναντιοῦτο, καὶ τούτοις ἐδυσχέραινεν, ὡς ἄνδρας εὐνοϊκοὺς καὶ πιστοὺς βασιλεῖ διὰ Κῦρον ὡμῶς καὶ παρανόμως ἀπολλυούσης αὐτῆς.

[18] [1] Ἐπεὶ δὲ Κλέαρχον καὶ τοὺς ἄλλους στρατηγοὺς Τισσαφέρνης ἐξηπάτησε καὶ παρεσπόνδησεν ὄρκων γενομένων, καὶ συλλαβὼν ἀνέπεμψεν ἐν πέδαις δεδεμένους, δεσηθῆναί φησιν αὐτοῦ τὸν Κλέαρχον ὁ Κτησίας (FGrH 688 [2] F 28), ὅπως κτενὸς εὐπορήσειε. τυχόντα δὲ καὶ τημελήσαντα τὴν κεφαλὴν, ἡσθηναί τε τῇ χρεῖα καὶ τὸν δακτύλιον αὐτῷ δοῦναι σύμβολον φιλίας πρὸς τοὺς ἐν Λακεδαιμόνι συγγενεῖς καὶ οἰκείους. εἶναι δὲ γλυφὴν ἐν τῇ σφραγίδι [3] Καρυάτιδας ὀρχουμένας. τὰ δὲ πεμπόμενα σιτία τῷ Κλεάρχῳ τοὺς συνδεδεμένους στρατιώτας ἀφαιρεῖσθαι καὶ καταναλίσκειν, ὀλίγα τῷ Κλεάρχῳ διδόντας ἀπ' αὐτῶν. ἰάσασθαι δὲ καὶ τοῦτό φησιν ὁ Κτησίας, πλείονα τῷ Κλεάρχῳ πέμπεσθαι διαπραξάμενος, ἰδίᾳ δ' ἕτερα τοῖς στρατιώταις δίδοσθαι· καὶ ταῦτα μὲν ὑπουργῆσαι καὶ [4] παρασχεῖν χάριτι καὶ γνώμῃ τῆς Παρυσάτιδος. πεμπομένου δὲ καθ' ἡμέραν τῷ Κλεάρχῳ κωλῆνος ἐπὶ τοῖς σιτίοις, παρακαλεῖν αὐτὸν καὶ διδάσκειν, ὡς χρή μικρὸν εἰς τὸ κρέας ἐμβαλόντα μαχαίριον ἀποκρύψαντα πέμψαι, καὶ μὴ περιδεῖν ἐν τῇ βασιλέως ὡμότητι τὸ τέλος αὐτοῦ [5] γεγόμενον· αὐτὸν δὲ φοβούμενον μὴ ἐθελῆσαι. βασιλέα δὲ τῇ μὲν μητρὶ παραιτουμένη μὴ κτεῖναι τὸν Κλέαρχον ὁμολογῆσαι καὶ ὁμόσαι· πεισθέντα δ' αὖθις ὑπὸ τῆς [6] Στατείρας, ἀποκτεῖναι πάντας πλὴν Μένωνος. ἐκ δὲ τούτου τὴν Παρύσατιν ἐπιβουλεῦσαι τῇ Στατείρᾳ καὶ συσκευάσασθαι τὴν φαρμακείαν κατ' αὐτῆς, οὐκ εἰκότα λέγων ἀλλὰ πολλὴν ἀλογίαν ἔχοντα τῆς αἰτίας, εἰ δεινὸν ἔργον οὕτως ἔδρασε καὶ παρεκινδύνευσεν ἡ Παρύσατις διὰ Κλέαρχον, ἀνελεῖν τολμήσασα τὴν γνησίαν βασιλέως γυναῖκα καὶ τέκνων κοινωνὸν ἐπὶ βασιλείᾳ [7] τρεφομένων. ἀλλὰ ταῦτα μὲν οὐκ ἄδηλον ὡς ἐπιτραγωδεῖ τῇ Κλεάρχου μνήμῃ. καὶ γὰρ ἀναιρεθέντων φησὶ τῶν στρατηγῶν τοὺς μὲν ἄλλους ὑπὸ κυνῶν σπαράττεσθαι καὶ ὀρνέων, τῷ δὲ Κλεάρχου νεκρῷ θύελλαν ἀνέμου γῆς θῖνα πολλήν

φέρουσιν ἐπιχῶσαι καὶ ἐπικρύψαι [8] τὸ σῶμα· φοινίκων δὲ τινων διασπαρέντων, ὀλίγῳ χρόνῳ θαυμαστὸν ἄλσος ἀναφῦναι καὶ κατασκιᾶσαι τὸν τόπον, ὥστε καὶ βασιλεῖ σφόδρα μεταμέλιν, ὡς ἄνδρα θεοῖς φίλον ἀνηρηκότι τὸν Κλέαρχον.

[19] Ἡ δ' οὖν Παρύσατις, μίσους τε πρὸς τὴν Στάτειραν ἐξ ἀρχῆς ὑποκειμένου καὶ ζηλοτυπίας, ὁρῶσα τὴν μὲν αὐτῆς δύναμιν αἰδουμένου βασιλέως καὶ τιμῶντος οὔσαν, τὴν δ' ἐκείνης ἔρωτι καὶ πίστει βέβαιον καὶ ἰσχυράν, ἐπεβούλευσεν, ὑπὲρ τῶν μεγίστων ὡς ὤετο παραβαλλομένη.

[9] θεράπαιναν εἶχε πιστὴν καὶ δυναμένην παρ' αὐτῇ μέγιστον ὄνομα Γίγιν, ἣν ὁ μὲν Δείνων (FGrH 690 F 15b) ὑπουργῆσαι τῇ φαρμακεῖᾳ φησί, συγγινῶναι δὲ μόνον ἄκουσαν ὁ Κτησίας (FGrH 688 F 29b)· τὸν δὲ δόντα τὸ φάρμακον οὗτος μὲν ὀνομάζει Βελιτάραν, ὁ δὲ Δείνων [10] Μελάνταν. ἐκ δὲ τῆς πρόσθεν ὑποψίας καὶ διαφορᾶς ἀρξάμεναι πάλιν εἰς τὸ αὐτὸ φοιτᾶν καὶ συνδειπνεῖν ἀλλήλαις, ὅμως <διὰ> τὸ δεδιέναι καὶ φυλάττεσθαι τοῖς [11] αὐτοῖς σιτίοις καὶ ἀπὸ τῶν αὐτῶν ἐχρῶντο. γίνεται δὲ μικρὸν ἐν Πέρσαις ὀρνίθιον, ὃ περιπτώματος οὐδὲν <ἐν>εστιν, ἀλλ' ὅλον διάπλεων πιμελῆς τὰ ἐντός, ἣ καὶ νομίζουσιν ἀνέμῳ καὶ δρόσῳ τρέφεσθαι τὸ ζῶον· ὀνομάζεται [12] δὲ ῥυντάκης. τοῦτό φησιν ὁ Κτησίας (FGrH 688 F 29b) μικρᾷ μαχαιρίδι κεχρισμένη τῷ φαρμάκῳ κατὰ θάτερα τὴν Παρύσατιν διαιροῦσαν, ἐκμάξαι τῷ ἑτέρῳ μέρει τὸ φάρμακον· καὶ τὸ μὲν ἄχραντον καὶ καθαρὸν εἰς τὸ στόμα βαλοῦσαν αὐτὴν ἐσθίειν, δοῦναι δὲ τῇ Στατείρᾳ [13] τὸ πεφαρμαγμένον· ὁ δὲ Δείνων (FGrH 690 F 15b) οὐ τὴν Παρύσατιν, ἀλλὰ τὸν Μελάνταν τέμνοντα τῷ μαχαιρίῳ τὰ φαρμασσόμενα τῶν κρεῶν τιθέναι κατὰ τὴν [14] Στάτειραν. ἀποθνήσκουσα <δ'> οὖν ἡ γυνὴ μετὰ πόνων μεγάλων καὶ σπαραγμῶν, αὐτὴ τε συνησθάνετο τοῦ κακοῦ, καὶ βασιλεῖ παρέσχεν ὑποψίαν κατὰ τῆς μητρός, [15] εἰδότι τὸ θηριῶδες αὐτῆς καὶ δυσμελίκτον. ὅθεν εὐθύς ἐπὶ τὴν ζήτησιν ὀρμήσας, τοὺς μὲν ὑπηρέτας καὶ τραπεζοκόμους τῆς μητρός συνέλαβε καὶ κατεστρέβλωσε, τὴν δὲ Γίγιν ἢ Παρύσατις πολὺν χρόνον εἶχεν οἴκοι μεθ' αὐτῆς, καὶ βασιλέως ἐξαιτοῦντος οὐκ ἔδωκεν, ἀλλ' ὕστερον αὐτῆς δεηθείσης εἰς τὸν οἶκον ἀφεθῆναι νυκτός, αἰσθόμενος καὶ λόχον ὑφεῖς συνήρπασε καὶ κατέγνω θάνατον.

[16] ἀποθνήσκουσι δ' οἱ φαρμακεῖς ἐν Πέρσαις κατὰ νόμον

οὕτως· λίθος ἐστὶ πλατύς, ἐφ' οὗ τὴν κεφαλὴν καταθέντες αὐτῶν ἐτέρω λίθῳ παίουσι καὶ πῆζουσιν, ἄχρι οὗ ^[17] συνθλάσῃσι τὸ πρόσωπον καὶ τὴν κεφαλὴν. ἡ <μὲν> οὖν Γίγίς οὕτως ἀπέθανε, τὴν δὲ Παρύσατιν ὁ Ἀρτοξέρξης ἄλλο μὲν οὐδὲν οὕτ' εἶπε κακὸν οὕτ' ἐποίησεν, εἰς δὲ Βαβυλῶνα βουλομένην ἐξέπεμψε, εἰπὼν ἕως ἐκεῖνη περίεστιν αὐτὸς οὐκ ὄψεσθαι Βαβυλῶνα. τὰ μὲν οὖν κατὰ τὴν οἰκίαν οὕτως εἶχεν.

^[20] ^[1] Ἐπεὶ δὲ τοὺς Κύρω συναβάντας Ἑλλήνας σπουδάσας λαβεῖν ὁ βασιλεὺς οὐδὲν ἤττον ἢ Κύρου περιγενέσθαι καὶ τὴν βασιλείαν κατασχεῖν, οὐκ ἔλαβεν, ἀλλὰ Κύρον τὸν ἡγεμόνα καὶ τοὺς αὐτῶν στρατηγοὺς ἀποβαλόντες, ἐξ αὐτῶν μονονουχὶ τῶν βασιλείων ἐσώθησαν, ἐξελέγξαντες καὶ ἀποφῆναντες τὰ Περσῶν καὶ βασιλέως πράγματα χρυσὸν ὄντα πολὺν καὶ τρυφὴν καὶ γυναικας, ^[2] τὰ δ' ἄλλα τῦφον καὶ ἀλαζονείαν, πᾶσα μὲν ἡ Ἑλλὰς ἐξεθάρρησε καὶ κατεφρόνησε τῶν βαρβάρων, Λακεδαιμονίοις δὲ καὶ δεινὸν ἐφαίνετο, μὴ νῦν γε δουλείας ἐξελέσθαι τοὺς τὴν Ἀσίαν κατοικοῦντας Ἑλλήνας μηδὲ παῦσαι ^[3] προπηλακιζομένους ὑπ' αὐτῶν. πρότερον δὲ διὰ Θίμβρωνος, εἴτα διὰ Δερκυλλίδου πολεμοῦντες, οὐδὲν δὲ πράττοντες ἀξιόλογον, Ἀγησιλάῳ τῷ βασιλεῖ τὸν πόλεμον ἐπέτρεψαν. ὁ δὲ περαιωθεὶς ναυσὶν εἰς Ἀσίαν, εὐθύς ἦν ἐνεργὸς καὶ δόξαν εἶχε μεγάλην, καὶ Τισσαφέρνην ^[4] παραταξάμενος ἐνίκησε καὶ τὰς πόλεις ἀφίστη. τούτων δὲ γενομένων, συμφρονήσας ὁ Ἀρτοξέρξης ὃν τρόπον αὐτοῖς ἐστὶ πολεμητέον, ἔπεμψε Τιμοκράτην τὸν Ῥόδιον εἰς τὴν Ἑλλάδα χρυσίον πολὺ κομίζοντα, διδόναι καὶ διαφθεῖρειν τοὺς πλεῖστον ἐν ταῖς πόλεσι δυναμένους κελεύσας καὶ πόλεμον Ἑλληνικὸν κινεῖν ἐπὶ τὴν Λακεδαίμονα.

^[5] τοῦ δὲ Τιμοκράτους ταῦτα πράσσοντος, καὶ τῶν μεγίστων πόλεων συνισταμένων, καὶ τῆς Πελοποννήσου διαταραπτομένης, μετεπέμποντο τὸν Ἀγησίλαον ἐκ ^[6] τῆς Ἀσίας οἱ ἄρχοντες. ὅτε δὴ καὶ φασιν αὐτὸν ἀπὸντα πρὸς τοὺς φίλους εἰπεῖν, ὥς τρισμυρίοις τοξόταις ἐξελαύνοιτο τῆς Ἀσίας ὑπὸ βασιλέως· τὸ γὰρ Περσικὸν νόμισμα τοξότην ἐπίσημον εἶχεν.

^[21] ^[1] Ἐξέβαλε δὲ καὶ τῆς θαλάττης Λακεδαιμονίους, Κόνωνι τῷ Ἀθηναίῳ μετὰ Φαρναβάζου στρατηγῷ χρησάμενος. ὁ γὰρ Κόνων διέτριβε μὲν ἐν Κύπρῳ μετὰ τὴν ἐν Αἰγὸς ποταμοῖς ναυμαχίαν, οὐ τὴν ἀσφάλειαν ἀγαπῶν, ἀλλὰ τὴν τῶν πραγμάτων μεταβολὴν

ὥσπερ ἐν πελάγει [2] τροπὴν περιμένων. ὁρῶν δὲ καὶ τοὺς ἑαυτοῦ λογισμοὺς δυνάμεως καὶ τὴν βασιλέως δύναμιν ἀνδρὸς ἔμφρονος δεομένην, ἔπεμψεν ἐπιστολὴν βασιλεῖ περὶ ὧν διενоеῖτο.

[3] καὶ ταύτην ἐκέλευσε τὸν κομίζοντα μάλιστα μὲν ἀποδοῦναι διὰ Ζήνωνος τοῦ Κρητὸς ἢ Πολυκρίτου τοῦ Μενδαίου· τούτων δ' ἦν ὁ μὲν Ζήνων ὀρχηστής, ὁ δὲ Πολύκριτος ἱατρός· ἂν δ' οὗτοι μὴ παρῶσι, διὰ Κτησίου τοῦ ἱατροῦ.

[4] λέγεται δ' ὁ Κτησίας τὴν ἐπιστολὴν λαβὼν παρεγγράψαι τοῖς ὑπὸ τοῦ Κόνωνος ἐπεσταλμένοις, ὅπως καὶ Κτησίαν ἀποστείλῃ πρὸς αὐτόν, ὡς ὠφέλιμον ὄντα ταῖς ἐπὶ θαλάσῃ πράξεσιν· ὁ δὲ Κτησίας (FGrH 688 F 32) αὐτὸν ἀφ' ἑαυτοῦ βασιλέα φησὶ προσθεῖναι τὴν λειτουργίαν αὐτῷ ταύτην.

[5] Ἄλλ' ἐπεὶ κρατήσας τῇ περὶ Κνίδον ναυμαχίᾳ διὰ Φαρναβάζου καὶ Κόνωνος ἀφείλετο τὴν κατὰ θάλατταν ἀρχὴν Λακεδαιμονίους, ἐπέστρεψε πᾶσαν ὁμοῦ τὴν Ἑλλάδα πρὸς αὐτόν, ὥστε καὶ τὴν περιβόητον εἰρήνην βραβεῦσαι τοῖς Ἑλλήσι τὴν ἐπ' Ἀνταλκίδου προσαγορευομένην.

[6] ὁ δ' Ἀνταλκίδας Σπαρτιάτης ἦν Λέοντος υἱός, καὶ <συ>σπουδάσας βασιλεῖ διεπράξατο τὰς ἐν Ἀσίᾳ πόλεις Ἑλληνίδας ἀπάσας καὶ νήσους, ὅσαι προσκυροῦσιν Ἀσίᾳ, παρεῖναι Λακεδαιμονίους αὐτῷ κεκτῆσθαι φόρων ὑποτελεῖς, εἰρήνης γενομένης τοῖς Ἑλλήσιν, εἰ δεῖ τὴν τῆς Ἑλλάδος ὕβριν καὶ προδοσίαν εἰρήνην καλεῖν, ἧς πόλεμος οὐδεὶς ἀκλεέστερον ἤνεγκε τέλος τοῖς κρατηθεῖσι.

[22] [1] Διὸ καὶ τοὺς ἄλλους Σπαρτιάτας αἰεὶ βδελυττόμενος ὁ Ἀρτοξέρξης, καὶ νομίζων, ὡς φησι Δείνων (FGrH 690 F 19), ἀνθρώπων ἀπάντων ἀναιδεστάτους εἶναι, τὸν [2] Ἀνταλκίδαν ὑπερηγάπησεν εἰς Πέρσας ἀναβάντα. καὶ ποτε λαβὼν ἓνα τῶν ἀνθινῶν στεφάνων, καὶ βάψας εἰς μύρον τὸ πολυτελέστατον, ἀπὸ δείπνου ἔπεμψε τῷ [3] Ἀνταλκίδᾳ, καὶ πάντες ἐθαύμασαν τὴν φιλοφροσύνην. ἦν δ' ὡς ἔοικεν ἐπιτήδειος οὗτος ἐντρυφηθῆναι καὶ τοιοῦτον λαβεῖν στέφανον, ἐξορχησάμενος ἐν Πέρσαις τὸν Λεωνίδα [4] καὶ τὸν Καλλικρατίδαν. ὁ μὲν γὰρ Ἀγησίλαος ὡς ἔοικε πρὸς τὸν εἰπόντα· φεῦ τῆς Ἑλλάδος ὅπου μηδίζουσιν ἡμῖν οἱ Λάκωνες οὐ μᾶλλον εἶπεν οἱ Μῆδοι λακωνίζουσι; [5] τοῦ δὲ ῥήματος ἡ κομψότης τὴν τοῦ πράγματος αἰσχύνην οὐκ ἀφείλεν, ἀλλὰ τὴν μὲν ἡγεμονίαν ἀπώλεσαν ἐν Λεύκτροις ἀγωνισάμενοι

κακῶς, ἡ δὲ δόξα τῆς Σπάρτης [6] προαπώλετο ταῖς ὁμολογίαις ἐκεῖναις. ἄχρι μὲν οὖν ἐπρώτευεν ἡ Σπάρτη, ξένον ἐποιεῖτο καὶ φίλον ὠνόμαζεν ἑαυτοῦ τὸν Ἀνταλκίδαν· ἐπεὶ δ' ἡττήθησαν ἐν Λεύκτροις, ταπεινὰ πράττοντες ἐδέοντο μὲν χρημάτων καὶ τὸν Ἀγησίλαον εἰς Αἴγυπτον ἐξέπεμψαν, ὁ δ' Ἀνταλκίδας ἀνέβη πρὸς τὸν Ἀρτοξέρην, παρακαλῶν ἐπαρκέσαι τοῖς [7] Λακεδαιμονίοις. ὁ δ' οὕτως ἐξημέλησε καὶ παρῆδε καὶ ἀπέρριψεν αὐτόν, ὥστε καταβάντα καὶ χλευαζόμενον ὑπὸ τῶν ἐχθρῶν, φοβούμενον δὲ καὶ τοὺς ἐφόρους, ἀποκαρτερῆσαι.

[8] Ἀνέβη δὲ πρὸς τὸν βασιλέα καὶ Ἰσμηνίας ὁ Θηβαῖος καὶ Πελοπίδας, ἥδη τὴν ἐν Λεύκτροις μάχην νενικηκώς. ἀλλ' οὗτος μὲν οὐδὲν αἰσχρὸν ἐποίησεν· Ἰσμηνίας δὲ προσκυνῆσαι κελευόμενος ἐξέβαλε πρὸ αὐτοῦ χαμᾶζε τὸν δακτύλιον, εἴτα κύψας ἀνείλετο καὶ παρέσχε δόξαν [9] προσκυνοῦντος. Τιμαγόρα δὲ τῷ Ἀθηναίῳ, διὰ Βηλούριδος τοῦ γραμματέως εἰσπέμψαντι γραμματίδιον ἀπόρρητον, ἥσθεις μυρίους τε δαρεικοὺς ἔδωκε, καὶ γάλακτος βοείου δεομένῳ δι' ἀσθένειαν ὀγδοήκοντα βοῦς ἀμέλγεσθαι [10] παρηκολούθουν· ἔτι δὲ κλίνην καὶ στρώματα καὶ τοὺς στρωννύντας ἔπεμψεν, ὥς οὐ μεμαθηκότων Ἑλλήνων ὑποστρωννύναι, καὶ φορεῖς τοὺς κομίζοντας αὐτὸν μέχρι [11] θαλάσσης μαλακῶς ἔχοντα. παρόντι δὲ δεῖπνον ἐπέμπετο λαμπρότατον, ὥστε καὶ τὸν ἀδελφὸν τοῦ βασιλέως Ὀσάνην ὧ Τιμαγόρα φάναι μέμνησο ταύτης τῆς τραπέζης· οὐ γὰρ ἐπὶ μικροῖς οὕτω σοὶ κεκοσμημένη [12] παράκειται. τοῦτο δ' ἦν ὀνειδισμὸς εἰς προδοσίαν μᾶλλον ἢ χάριτος ὑπόμνησις. Τιμαγόρου μὲν οὖν διὰ τὴν δωροδοκίαν Ἀθηναῖοι θάνατον κατέγνωσαν.

[23] [1] Ὁ δ' Ἀρτοξέρξης ἐν ἀντὶ πάντων ὧν ἐλύπει τοὺς Ἕλληνας ἡϋφραине, Τισσαφέρην τὸν ἔχθιστον αὐτοῖς καὶ δυσμενέστατον ἀποκτείνας· ἀπέκτεινε δὲ ταῖς διαβολαῖς [2] αὐτοῦ τῆς Παρυσάτιδος συνεπιθεμένης. οὐ γὰρ ἐνέμεινε τῇ ὀργῇ πολὺν χρόνον ὁ βασιλεὺς, ἀλλὰ διηλλάγη τῇ μητρὶ καὶ μετεπέμψατο, νοῦν μὲν ὀρῶν ἔχουσαν καὶ φρόνημα βασιλείας ἄξιον, αἰτίας δὲ μηδεμιᾶς οὔσης ἐμποδῶν ἔτι δι' [3] ἦν ὑπόφονται συνόντες ἀλλήλους ἢ λυπήσουσιν. ἐκ δὲ τούτου πάντα πρὸς χάριν ὑπουργοῦσα βασιλεῖ, καὶ τῷ πρὸς μηδὲν ὧν ἐκεῖνος ἔπραττε δυσκολαίνειν ἔχουσα τὸ δύνασθαι παρ' αὐτῷ καὶ τυγχάνειν ἀπάντων, ἦσθετο τῆς ἐτέρας τῶν θυγατέρων Ἀτόσσης ἐρῶντος ἔρωτα δεινόν, ἐπικρυπτομένου δὲ δι' ἐκείνην

οὐχ ἥκιστα καὶ κολάζοντος τὸ πάθος ὥς φασιν ἔνιοι, καίτοι γεγεννημένης ἤδη πρὸς τὴν [4] παρθένον ὁμιλίας αὐτῷ λαθραίας. ὥς οὖν ὑπώπτευσεν ἡ Παρύσατις, τὴν παῖδα μᾶλλον ἢ πρότερον ἡσπάζετο, καὶ πρὸς τὸν Ἀρτοξέρξην ἐπήγει τό τε κάλλος αὐτῆς καὶ τὸ [5] ἥθος, ὥς βασιλικῆς καὶ μεγαλοπρεποῦς. τέλος δ' οὖν γῆμαι τὴν κόρην ἔπεισε καὶ γνησίαν ἀποδείξει γυναικα, χαίρειν ἔασαντα δόξας Ἑλλήνων καὶ νόμους, Πέρσαις δὲ νόμον αὐτὸν ὑπὸ τοῦ θεοῦ καὶ δικαιοτὴν αἰσχυρῶν καὶ [6] καλῶν ἀποδεδειγμένον. ἔνιοι μέντοι λέγουσιν, ὡς ἐστὶ καὶ Ἡρακλείδης ὁ Κυμαῖος (FGrH 689 F 7a), οὐ μίαν μόνον τῶν θυγατέρων, ἀλλὰ καὶ δευτέραν Ἀμηστριν γῆμαι τὸν Ἀρτοξέρξην, περὶ ἧς ὀλίγον ὕστερον ἀπαγγελοῦμεν [7] (c. 27, 7). τὴν δ' Ἄτοσσαν οὕτως ἡγάπησεν ὁ πατὴρ συνοικοῦσαν, ὥστ' ἄλφοῦ κατανεμηθέντος αὐτῆς τὸ σῶμα, δυσχερᾶναι μὲν ἐπὶ τούτῳ μὴδ' ὅτιοῦν, εὐχόμενος δὲ περὶ αὐτῆς τῇ Ἥρᾳ προσκυνῆσαι μόνην θεῶν ἐκείνην, ταῖς χερσὶ τῆς γῆς ἀψάμενος, δῶρά τε τῇ θεῷ τοσαῦτα πέμψαι τοὺς σατράπας καὶ φίλους αὐτοῦ κελεύσαντος, ὥστε τὰ μεταξὺ τοῦ ἱεροῦ καὶ τῶν βασιλείων ἐκκαίδεκα στάδια χρυσοῦ καὶ ἀργύρου καὶ πορφύρας καὶ ἵππων ἐμπλησθῆναι.

[24] [1] Πόλεμον δὲ πρὸς μὲν Αἰγυπτίους διὰ Φαρναβάζου καὶ Ἰφικράτους ἐξενεγκὼν ἀπέτυχε, στασιασάντων [2] ἐκείνων. ἐπὶ δὲ Καδουσίου αὐτὸς ἐστράτευσε τριάκοντα μυριάσι πεζῶν καὶ μυρίοις ἵππεῦσιν. ἐμβαλὼν δ' εἰς χώραν τραχύτητι χαλεπὴν καὶ ὀμιχλώδη καὶ τῶν ἀπὸ σπόρου καρπῶν ἄγονον, ἀπίοις δὲ καὶ μήλοισι καὶ τοιοῦτοις ἄλλοις ἀκροδρύοις τρέφουσιν ἀνθρώπους πολεμικοὺς καὶ θυμοειδεῖς, ἔλαθε μεγάλαις ἀπορίαις καὶ [3] κινδύνοις περιπεσών. οὐδὲν γὰρ ἐδώδιμον ἦν λαμβάνειν οὐδ' ἔξωθεν ἐπεισάγεσθαι, τὰ δ' ὑποζύγια μόνον κατέκοπτον, ὥστ' ὄνου κεφαλὴν μόλις δραχμῶν ἐξήκοντα ὥνιον εἶναι. τὸ δὲ βασιλικὸν δεῖπνον ἐξελείφθη, καὶ τῶν ἵππων ὀλίγοι περιῆσαν ἔτι, τοὺς δ' ἄλλους ἐσθίοντες [4] κατανηλώκεσαν. ἐνταῦθα Τιρίβαζος, ἀνὴρ πολλάκις μὲν ἐν πρώτῃ δι' ἀνδραγαθίαν τάξει γενόμενος, πολλάκις δ' ἀπορριφεὶς διὰ κουφότητα, καὶ τότε ταπεινὰ πράττων καὶ [5] περιορώμενος, ἔσωσε βασιλέα καὶ τὸν στρατόν. ὄντων γὰρ δυεῖν ἐν τοῖς Καδουσίοις βασιλέων, ἐκατέρου δὲ χωρὶς στρατοπεδεύοντος, ἐντυχὼν τῷ Ἀρτοξέρξῃ, καὶ φράσας περὶ ὧν διενοεῖτο πράττειν, ἐβάδιζεν αὐτὸς πρὸς τὸν ἕτερον τῶν

Καδουσίων, καὶ πρὸς τὸν ἕτερον κρύφα τὸν [6] υἱὸν ἔπεμπεν. ἐξηπάτα δ' ἑκάτερον ἑκάτερος, λέγων ὡς ἄτερος ἐπιπρεσβεύεται πρὸς τὸν Ἀρτοξέρξην, φιλίαν μόνῳ πράττων ἑαυτῷ καὶ συμμαχίαν· οὐκοῦν εἰ σωφρονεῖ, χρῆναι πρότερον ἐντυγχάνειν ἐκείνῳ, αὐτὸν δὲ συμπράξειν [7] ἅπαντα. τούτοις ἐπέισθησαν ἀμφοτέροι, καὶ φθάνειν ἀλλήλους νομίζοντες, ὁ μὲν τῷ Τιριβάζῳ συνέπεμψε [8] πρέσβεις, ὁ δὲ τῷ παιδί τοῦ Τιριβάζου. διατριβῆς δὲ γενομένης, ὑποψία καὶ διαβολαὶ κατὰ τοῦ Τιριβάζου τῷ Ἀρτοξέρξῃ προσέπιπτον· αὐτὸς δὲ δυσθύμως εἶχε καὶ μετενόει πιστεύσας τῷ Τιριβάζῳ, καὶ τοῖς φθονοῦσιν [9] ἐγκαλεῖν παρεῖχεν, ἐπεὶ δ' ἦκεν ὁ Τιριβάζος, ἦκε δ' ὁ υἱὸς αὐτοῦ, τοὺς Καδουσίους ἄγοντες, ἐγένοντο δὲ σπονδαὶ πρὸς ἀμφοτέρους καὶ εἰρήνη, μέγας ὢν ὁ Τιριβάζος ἤδη καὶ λαμπρὸς ἀνεζεύγνυε μετὰ τοῦ βασιλέως, ἐπιδεικνυμένου πᾶσαν τὴν δειλίαν καὶ τὴν μαλακίαν οὐ τρυφῆς καὶ πολυτελείας - ὥσπερ οἱ πολλοὶ νομίζουσιν - ἔκγονον οὕσαν, ἀλλὰ μοχθηρᾶς φύσεως καὶ ἀγεννοῦς καὶ δόξαις [10] πονηραῖς ἐπομένης. οὔτε γὰρ χρυσὸς οὔτε κᾶνδυσ οὐθ' ὁ τῶν μυρίων καὶ δισχιλίων ταλάντων περιεκείμενος ἀεὶ τῷ βασιλέως σώματι κόσμος ἐκεῖνον ἀπεκώλυε πονεῖν καὶ τάλαιπωρεῖν ὥσπερ οἱ τυχόντες, ἀλλὰ τὴν τε φαρέτραν ἐννημένος καὶ τὴν πέλτην φέρων αὐτὸς ἐβάδιζε πρῶτος ὁδοὺς ὀρεινὰς καὶ προσάντεις, ἀπολιπὼν τὸν ἵππον, ὥστε τοὺς ἄλλους περοῦσθαι καὶ συνεπικουφίζεσθαι, [11] τὴν ἐκείνου προθυμίαν καὶ ῥώμην ὀρῶντας· καὶ γὰρ διακοσίων καὶ πλείονων σταδίων κατήνυνεν ἡμέρας ἐκάστης πορείαν.

[25] [1] Ἐπεὶ δ' εἰς σταθμὸν κατέβη βασιλικόν, παραδείσους ἔχοντα θαυμαστοὺς καὶ κεκοσμημένους διαπρεπῶς ἐν τῷ πέριξ ἀδένδρῳ καὶ ψιλῷ χωρίῳ, κρύους ὄντος ἐπέτρεψε τοῖς στρατιώταις ἐκ τοῦ παραδείσου ξυλίζεσθαι τὰ δένδρα κόπτοντας, μήτε πεύκης μήτε κυπαρίττου [2] φειδομένους. ὀκνούντων δὲ καὶ φειδομένων διὰ τὰ κάλλη καὶ τὰ μεγέθη, λαβὼν πέλεκυν αὐτὸς ὅπερ ἦν μέγιστον καὶ κάλλιστον τῶν φυτῶν ἔκοψεν. ἐκ δὲ τούτου ξυλιζόμενοι [3] καὶ πολλὰ πυρὰ ποιοῦντες εὐμαρῶς ἐνυκτέρευσαν. οὐ μὴν ἀλλὰ πολλοὺς καὶ ἀγαθοὺς ἀποβαλὼν ἄνδρας, ἵππους δ' ὁμοῦ τι πάντας, ἐπανῆλθε, καὶ δόξας καταφρονεῖσθαι διὰ τὴν ἀτυχίαν καὶ τὴν ἀπότευξιν τῆς στρατείας, ἐν ὑποψίαις εἶχε τοὺς πρῶτους· καὶ πολλοὺς μὲν ἀνήρει δι' ὀργήν, [4] πλείονας δὲ φοβούμενος. ἡ γὰρ δειλία φονικώτατόν ἐστιν ἐν ταῖς τυραννίσιν,

ἵλεων δὲ καὶ πρᾶον καὶ ἀνύποπτον ἢ θαρραλεότης. διὸ καὶ τῶν θηρίων τὰ ἀπιθάσσευτα καὶ δυσεξημέρωτα φοφοδεῖ καὶ δειλά, τὰ δὲ γενναῖα πιστεύοντα μᾶλλον διὰ τὸ θαρρεῖν οὐ φεύγει τὰς φιλοφροσύνας.

[26] [1] Ὁ δ' Ἀρτοξέρξης ἤδη πρεσβύτερος ὢν ἡσθάνετο τοὺς υἱοὺς ἀγῶνα περὶ τῆς βασιλείας ἐν τοῖς φίλοις καὶ τοῖς δυνατοῖς ἔχοντας. οἱ μὲν γὰρ εὐγνώμονες ἤξιουν, ὥς ἔλαβεν αὐτός, οὕτως ἀπολιπεῖν πρεσβεῖα Δαρείῳ τὴν [2] ἀρχήν. ὁ δὲ νεώτατος Ὡχος ὁξὺς ὢν καὶ βίαιος, εἶχε μὲν καὶ τῶν περὶ τὸ βασίλειον οὐκ ὀλίγους σπουδαστάς, ἥλπιζε δὲ μάλιστα κατεργάσσεσθαι τὸν πατέρα διὰ τῆς Ἀτόσης.

[3] ἐκείνην γὰρ ἐθεράπευεν ὥς γαμησομένην καὶ συμβασιλεύσουσαν αὐτῷ μετὰ τὴν τοῦ πατρὸς τελευτήν. ἦν δὲ λόγος ὅτι καὶ ζῶντος ἐλάνθανεν αὐτῇ πλησιάζων· ἀλλὰ [4] τοῦτο μὲν ἡγνόησεν ὁ Ἀρτοξέρξης· ταχὺ δὲ βουλόμενος ἐκκροῦσαι τῆς ἐλπίδος τὸν Ὡχον, ὅπως μὴ τὰ αὐτὰ Κύρῳ τολμήσαντος αὐτοῦ πόλεμοι καὶ ἀγῶνες αὐθις καταλάβωσι τὴν βασιλείαν, ἀνέδειξε τὸν Δαρεῖον βασιλέα πεντηκοστὸν ἔτος γεγονότα, καὶ τὴν καλουμένην κίταριν ὀρθὴν φέρειν [5] ἔδωκε. νόμου δ' ὄντος ἐν Πέρσαις δωρεὰν αἰτεῖν τὸν ἀναδειχθέντα, καὶ διδόναι τὸν ἀναδείξαντα πᾶν τὸ αἰτηθὲν ἄνπερ ἦ δυνατόν, ἦτησεν Ἀσπασίαν ὁ Δαρεῖος τὴν μάλιστα σπουδασθεῖσαν ὑπὸ Κύρου, τότε δὲ τῷ βασιλεῖ παλλακευομένην. ἦν δὲ Φωκαῖς τὸ γένος ἀπ' Ἰωνίας, ἐλευθέρων [6] γονέων καὶ τεθραμμένη κοσμίως. ἐπεὶ δὲ Κύρου δειπνοῦντος εἰσῆχθη μεθ' ἐτέρων γυναικῶν, αἱ μὲν ἄλλαι παρακαθεζόμεναι, προσπαίζοντος αὐτοῦ καὶ ἀπτομένου καὶ σκώπτοντος, οὐκ ἀηδῶς ἐνεδέχοντο τὰς φιλοφροσύνας, [7] ἐκείνη δὲ παρὰ τὴν κλίνην εἰστήκει σιωπῇ, καὶ Κύρου καλοῦντος οὐχ ὑπήκουε· βουλομένων δὲ προσάγειν τῶν κατευναστῶν οἰμώξεται μέντοι τούτων εἶπεν ὅς ἂν ἐμοὶ προσαγάγῃ τὰς χεῖρας. ἔδοξεν οὖν [8] ἄχαρις τοῖς παροῦσιν εἶναι καὶ ἄγροικος. ὁ δὲ Κῦρος ἡσθεὶς ἐγέλασε καὶ εἶπε πρὸς τὸν ἀγαγόντα τὰς γυναῖκας ἄρ' ἤδη συνορᾷς ὅτι μοι μόνην ταύτην ἐλευθέραν [9] καὶ ἀδιάφθορον ἦκεις κομίζων; ἐκ δὲ τούτου προσεῖχεν ἀρξάμενος αὐτῇ, καὶ μάλιστα πασῶν ἔστερξε καὶ σοφὴν προσηγόρευσεν. ἐάλω δὲ Κύρου πεσόντος ἐν τῇ μάχῃ καὶ διαρπαζομένου τοῦ στρατοπέδου.

[27] [1] Ταύτην ὁ Δαρεῖος αἰτήσας, ἡνίασε τὸν πατέρα· δύσζηλα

γὰρ τὰ βαρβαρικὰ δεινῶς περὶ τὸ ἀκόλαστον, ὥστε μὴ μόνον τὸν προσελθόντα καὶ θιγόντα παλλακῆς βασιλέως, ἀλλὰ καὶ τὸν ἐν πορείᾳ παρεξελθόντα καὶ διεξελάσαντα τὰς ἀμάξας ἐφ' αἷς κομίζονται θανάτῳ [2] κολάζεσθαι. καίτοι τὴν μὲν Ἀτοσσαν εἶχεν, ἔρωτι ποιησάμενος γυναῖκα παρὰ τὸν νόμον, ἐξήκοντα δὲ καὶ τριακόσiai παρετρέφοντο κάλλει διαφέρουσαι παλλακίδες.

[3] οὐ μὴν ἀλλὰ καὶ αἰτηθεὶς ἐκείνην ἐλευθέραν ἔφησεν εἶναι, καὶ λαμβάνειν ἐκέλευσε βουλομένην, ἄκουσαν δὲ μὴ βιάζεσθαι. μεταπεμφθείσης δὲ τῆς Ἀσπασίας, καὶ παρ' ἐλπίδας τοῦ βασιλέως ἐλομένης τὸν Δαρεῖον, ἔδωκε μὲν ὑπ' ἀνάγκης τοῦ νόμου, δοὺς δ' ὀλίγον ὕστερον [4] ἀφείλετο. τῆς γὰρ Ἀρτέμιδος τῆς ἐν Ἐκβατάνοις, ἦν Ἀναΐτιν καλοῦσιν, ἰέρειαν ἀνέδειξεν αὐτήν, ὅπως ἀγνὴ διάγη τὸν ἐπίλοιπον βίον, οἰόμενος οὐ χαλεπήν, ἀλλὰ καὶ μετρίαν τινὰ καὶ παιδιᾷ μεμειγμένην ταύτην λήψεσθαι [5] δίκην παρὰ τοῦ παιδός. ὁ δ' ἥνεγκεν οὐ μετρίως, εἴτ' ἔρωτι τῆς Ἀσπασίας περιπαθῆς γεγονώς, εἴθ' ὑβρίσθαι καὶ κεχλεύασθαι νομίζων ὑπὸ τοῦ πατρός.

[6] Αἰσθόμενος δ' αὐτὸν οὕτως ἔχοντα Τιρίβαζος ἔτι μᾶλλον ἐξετράχυνεν, ἐν τοῖς ἐκείνου συνιδὼν τὰ καθ' αὐτόν.

[7] ἦν δὲ τοιαῦτα. πλειόνων οὐσῶν βασιλεῖ θυγατέρων, ὠμολόγησε Φαρναβάζῳ μὲν Ἀπάμαν δώσειν γυναῖκα, [8] Ῥοδογοῦνην δ' Ὀρόντη, Τιριβάζῳ δ' Ἀμηστριν. καὶ τοῖς μὲν ἄλλοις ἔδωκε, Τιρίβαζον δ' ἐψεύσατο, γήμας αὐτὸς τὴν Ἀμηστριν, ἀντ' ἐκείνης δὲ τῷ Τιριβάζῳ τὴν νεωτάτην [9] Ἀτοσσαν ἐνεγύησεν. ἐπεὶ δὲ καὶ ταύτην ἐρασθεὶς ἔγημεν ὥς εἴρηται, παντάπασι δυσμενῶς πρὸς αὐτὸν ὁ Τιρίβαζος εἶχεν, οὐδ' ἄλλως στάσιμος ὢν τὸ ἦθος, ἀλλ' ἀνώμαλος [10] καὶ παράφορος. διὸ καὶ νῦν μὲν εὐημερῶν ὅμοια τοῖς πρώτοις, νῦν δὲ προσκρούων καὶ σκορακιζόμενος, οὐδεμίαν ἔφερεν ἐμμελῶς μεταβολήν, ἀλλὰ καὶ τιμώμενος ἦν ἐπαχθὴς ὑπὸ χαννότητος, καὶ τὸ κολουόμενον οὐ ταπεινὸν οὐδ' ἡσυχαῖον, ἀλλὰ τραχὺ καὶ ἀγέρωχον εἶχε.

[28] [1] Πῦρ οὖν ἐπὶ πῦρ ἐγένετο τῷ νεανίσκῳ προσκείμενος ὁ Τιρίβαζος αἰεὶ καὶ λέγων, ὥς οὐδὲν ὀνίνησιν ἢ κίταρις περιστῶσα τῇ κεφαλῇ τοὺς ὑφ' αὐτῶν μὴ ζητοῦντας ὀρθοῦσθαι τοῖς πράγμασι, κάκεινον ἀβέλτερα φρονεῖν, «εἰ» τοῦ μὲν ἀδελφοῦ διὰ τῆς γυναικωνίδιδος ἐνδουομένου τοῖς πράγμασι, τοῦ δὲ πατρὸς οὕτως ἔμπληκτον ἦθος καὶ ἀβέβαιον ἔχοντος, οἶεται βέβαιον αὐτῷ τὴν διαδοχὴν [2] ὑπάρχειν. ὁ γὰρ Ἑλληνικοῦ χάριν γυναιίου τὸν

ἄψευστον ἐν Πέρσαις ψευδάμενος νόμον οὐ δὴ που πιστός ἐστι [3] τὰς περὶ τῶν μεγίστων ὁμολογίας ἐμπεδώσειν. οὐ ταὐτὸ δ' εἶναι τὸ μὴ τυχεῖν Ὡχῶ κἀκεῖνῳ τὸ στέρεσθαι τῆς βασιλείας· Ὡχον μὲν γὰρ οὐδὲν κωλύσειν ἰδιώτην βιοῦν μακαρίως, ἐκεῖνῳ δ' ἀποδεδειγμένῳ βασιλεῖ βασιλεύειν [4] ἀνάγκη ἢ μὴδὲ ζῆν εἶναι. καθόλου μὲν οὖν ἴσως, τὸ Σοφόκλειον (fr. 786 N. 2),

ταχεῖα πειθῶ τῶν κακῶν ὁδοιπορεῖ·

λεία γάρ τις ἢ πορεία καὶ κατάντης ἐπὶ τὸ βουλόμενον· βούλονται δ' οἱ πλείστοι τὰ φαῦλα δι' ἀπειρίαν τῶν καλῶν [5] καὶ ἄγνοιαν. οὐ μὴν ἀλλὰ τὸ μέγεθος [τὸ] τῆς ἀρχῆς καὶ τὸ πρὸς τὸν Ὡχον τοῦ Δαρείου δέος ὑπόθεσιν τῷ Τιριβάζῳ παρεῖχε, Κυπρογένεια δ' οὐ πάμπαν ἀναίτιος, ἢ τῆς Ἀσπασίας ἀφαίρεσις.

[29] [1] Ἐπέδωκεν οὖν ἑαυτὸν τῷ Τιριβάζῳ· καὶ πολλῶν ἤδη συνισταμένων, εὐνοῦχος ἐδήλωσε τῷ βασιλεῖ τὴν ἐπιβουλὴν καὶ τὸν τρόπον, εἰδὼς ἀκριβῶς ὅτι νυκτὸς ἐγγνώκασιν ἐν τῷ θαλάμῳ κατακείμενον ἀναιρεῖν αὐτὸν [2] ἐπεισελθόντες. ἀκούσαντι δὲ τῷ Ἄρτοξέρξει καὶ τὸ παριδεῖν κίνδυνον τηλικοῦτον ἀμελήσαντα τῆς διαβολῆς δεινὸν ἐδόκει, καὶ τὸ πιστεῦσαι μηδεὶς ἐλέγχου γενομένου [3] δεινότερον. οὕτως οὖν ἐποίει· τὸν μὲν εὐνοῦχον ἐκείνοις ἐκέλευσε παρεῖναι καὶ παρακολουθεῖν, αὐτὸς δὲ τοῦ θαλάμου τὸν ὀπισθεν τῆς κλίνης τοῖχον ἐκκόψας καὶ [4] θυρώσας, κατεκάλυψεν αὐλαίᾳ τὰς θύρας. ἐνστάσης δὲ τῆς ὥρας καὶ φράσαντος τοῦ εὐνούχου τὸν καιρόν, ἐπὶ τῆς κλίνης ὑπέμεινε καὶ οὐκ ἐξανέστη πρότερον ἢ τῶν ἐπ' αὐτὸν ἐρχομένων τὰ πρόσωπα κατιδεῖν καὶ γνωρίσαι [5] σαφῶς ἕκαστον. ὥς δ' εἶδεν ἐσπασμένους τὰ ἐγχειρίδια καὶ προσφερομένους, ταχὺ τὴν αὐλαίαν ὑπολαβὼν ἀνεχώρησεν εἰς τὸ ἐντὸς οἶκημα, καὶ τὰς θύρας ἐπήραξε [6] κρᾶζων. ὀφθέντες δ' οὖν οἱ σφαγεῖς ὑπ' αὐτοῦ, πράξαντες δὲ μηθέν, ἀπεχώρουν φυγῇ διὰ θυρῶν, καὶ τοὺς περὶ τὸν Τιρίβαζον ἐκέλευον ἀποχωρεῖν ὡς φανεροὺς γεγονότας.

[7] οἱ μὲν οὖν ἄλλοι διαλυθέντες ἔφυγον· ὁ δὲ Τιρίβαζος συλλαμβανόμενος πολλοὺς ἀπέκτεινε τῶν βασιλέως δορυφόρων, [8] καὶ μόγις ἀκοντίῳ πληγεὶς πόρρωθεν ἔπεσε. τῷ δὲ Δαρεῖῳ μετὰ τῶν τέκνων ἀναχθέντι καθίσας τοὺς βασιλείους δικαστάς, οὐ παρῶν αὐτός, ἀλλ' ἐτέρων κατηγορησάντων, ἐκέλευσεν ὑπηρέτας τὴν ἐκάστου [9] γραφάμενους ἀπόφασιν ὡς αὐτὸν ἐπανενεγκεῖν. ἀποφηνάμενων δὲ πάντων ὁμοίως καὶ καταγνόντων τοῦ Δαρείου

θάνατον, οἱ μὲν ὑπηρεῖται συλλαβόντες αὐτὸν εἰς οἶκημα πλησίον ἀπήγαγον, ὁ δὲ δῆμιος κληθεὶς ἦκε μὲν ξυρὸν ἔχων ὧ τὰς κεφαλὰς ἀποτέμνουσι τῶν κολαζομένων, ἰδὼν δὲ τὸν Δαρεῖον ἐξεπλάγη καὶ ἀνεχώρει πρὸς τὰς θύρας ἀποβλέπων, ὡς οὐ δυνησόμενος οὐδὲ τολμήσων [10] αὐτόχειρ γενέσθαι βασιλέως. ἔξωθεν δὲ τῶν δικαστῶν ἀπειλούντων καὶ διακελευομένων, ἀναστρέψας καὶ τῇ ἐτέρᾳ χειρὶ δραξάμενος τῆς κόμης αὐτοῦ καὶ καταγαγών, [11] ἀπέτεμε τῷ ξυρῷ τὸν τράχηλον. ἔνιοι δὲ φασὶ τὴν κρίσιν γενέσθαι βασιλέως αὐτοῦ παρόντος, τὸν δὲ Δαρεῖον, ὡς κατελαμβάνετο τοῖς ἐλέγχοις, ἐπὶ στόμα πεσόντα δεῖσθαι καὶ ἰκετεῦειν· τὸν δ' ὑπ' ὀργῆς ἀναστάντα καὶ σπασάμενον [12] τὸν ἀκινάκην τύπτειν ἕως ἀπέκτεινεν· εἴτ' εἰς τὴν αὐλὴν προελθόντα τὸν Ἥλιον προσκυνῆσαι καὶ εἰπεῖν· εὐφραίνεσθ' ἀπιόντες ὧ Πέρσαι, καὶ λέγετε τοῖς ἄλλοις, ὅτι τοῖς ἄθεσμα καὶ παράνομα διανοηθεῖσιν ὁ μέγας Ὡραμάζης δίκην ἐπιτέθεικεν.

[30] [1] Ἡ μὲν οὖν ἐπιβουλὴ τοιοῦτον ἔσχε τέλος, ὁ δ' Ὡχος ἤδη μὲν ἦν ταῖς ἐλπίσι λαμπρός, ὑπὸ τῆς Ἀτόσσης ἐπαιρόμενος, ἔτι δ' ἐφοβεῖτο τῶν μὲν γνησίων τὸν [2] ὑπόλοιπον Ἀριάσπην, τῶν δὲ νόθων Ἀρσάμην. ὁ μὲν γὰρ Ἀριάσσης οὐ διὰ τὸ πρεσβύτερος εἶναι τοῦ Ὡχου, πρᾶος δὲ καὶ ἀπλοῦς καὶ φιλόανθρωπος, ἡξιοῦτο βασιλεύειν ὑπὸ τῶν Περσῶν· ὁ δ' Ἀρσάμης καὶ νοῦν ἔχειν ἐδόκει, καὶ μάλιστα τῷ πατρὶ προσφιλεῖς ὢν οὐκ ἐλάνθανε [3] τὸν Ὡχον. ἐπιβουλεύων οὖν ἀμφοτέροις, καὶ δολερὸς ὢν ὁμοῦ καὶ φονικός, ἐχρήσατο τῇ μὲν ὠμότητι τῆς φύσεως πρὸς τὸν Ἀρσάμην, τῇ δὲ κακουργίᾳ καὶ δεινότητι [4] πρὸς τὸν Ἀριάσπην. ὑπέπεμψε γὰρ πρὸς αὐτὸν εὐνούχους καὶ φίλους βασιλέως, ἀπειλάς τινας αἰεὶ καὶ λόγους φοβεροὺς ἀπαγγέλλοντας, ὡς τοῦ πατρὸς ἐγνωκότος [5] ἀποκτινύνειν αὐτὸν ὠμῶς καὶ ἐφυβρίστως. οἱ δὲ ταῦτα καθ' ἡμέραν ἐκφέρειν δοκοῦντες ὡς ἀπόρρητα, καὶ τὰ μὲν μέλλειν, τὰ δ' ὅσον οὕτω πράσσειν βασιλέα λέγοντες, οὕτως ἐξέπληξαν τὸν ἄνθρωπον, καὶ τοσαύτην ἐνέβαλον πτοίαν αὐτῷ καὶ ταραχὴν καὶ δυσθυμίαν εἰς τοὺς λογισμοὺς, ὥστε φάρμακον σκευάσαντα τῶν θανασίμων [6] καὶ πόντα τοῦ ζῆν ἀπαλλαγῆναι. πυθόμενος δ' ὁ βασιλεὺς τὸν τρόπον τῆς τελευτῆς, ἐκεῖνον μὲν ἀπέκλαυσε, [7] τὴν δ' αἰτίαν ὑπώπτευσεν. ἐλέγχειν δὲ καὶ ζητεῖν ἐξαδυνατῶν διὰ γῆρας, ἔτι μᾶλλον ἡσπάζετο τὸν Ἀρσάμην καὶ δῆλος ἦν μάλιστα πιστεύων ἐκείνῳ καὶ παρρησιαζόμενος.

[8] ὅθεν οἱ περὶ τὸν Ὠχον οὐκ ἀνεβάλοντο τὴν πρᾶξιν, ἀλλ' Ἀρπάτην υἱὸν Τιριβάζου παρασκευάσαντες, ἀπέκτειναν δι' ἐκείνου τὸν ἄνθρωπον.

[9] Ἦν μὲν οὖν ἐπὶ ῥοπῆς μικρᾷς ὁ Ἀρτοξέρξης διὰ τὸ γῆρας ἤδη τότε· προσπεσόντος δ' αὐτῷ τοῦ περὶ τὸν Ἀρσάμην πάθους, οὐδ' ὀλίγον ἀντέσχευ, ἀλλ' εὐθύς ὑπὸ λύπης καὶ δυσθυμίας ἀπεσβέσθη, βιώσας μὲν ἐνενήκοντα καὶ τέσσαρ' ἔτη, βασιλεύσας δὲ δύο καὶ ἐξήκοντα, δόξας δὲ πρᾶος εἶναι καὶ φιλυπήκοος οὐχ ἥκιστα διὰ τὸν υἱὸν Ὠχον, ὡμότητι καὶ μαιφονία πάντας ὑπερβαλόμενον.

[1] [1] Ὁ μὲν Ἀθηναῖος Ἴφικράτης τὸν μισθοφόρον ἡξίου στρατιώτην καὶ φιλόπλουτον εἶναι καὶ φιλήδονον, ὅπως ταῖς ἐπιθυμίαις χορηγίαν ἐπιζητῶν ἀγωνίζεται παραβολώτερον, οἱ δὲ πλεῖστοι, καθάπερ ἔρρωμένον σῶμα, τὸ στρατιωτικὸν ἀξιοῦσιν ἰδίᾳ μηδέποτε χρώμενον ὀρμῇ συγκινεῖσθαι [2] τῇ τοῦ στρατηγοῦ. διὸ καὶ Παῦλον Αἰμίλιον λέγουσι τὴν ἐν Μακεδονίᾳ δύναμιν παραλαβόντα λαλιᾶς καὶ περιεργίας, οἷον διαστρατηγοῦσαν, ἀνάπλεων, παρεγγυῆσαι τὴν χεῖρα ποιεῖν ἐτοίμην καὶ τὴν μάχαιραν ὀξεῖαν ἕκαστον, αὐτῷ δὲ [3] τῶν ἄλλων μελήσειν. ὁ δὲ Πλάτων οὐδὲν ἔργον ὀρῶν ἄρχοντος ἀγαθοῦ καὶ στρατηγοῦ στρατιᾶς μὴ σωφρονούσης μηδὲ ὁμοπαθούσης, ἀλλὰ τὴν πειθαρχικὴν ἀρετὴν ὁμοίως τῇ βασιλικῇ νομίζων φύσεως γενναίας καὶ τροφῆς φιλοσόφου δεῖσθαι, μάλιστα τῷ πρῶν καὶ φιланθρώπῳ τὸ θυμοειδὲς καὶ δραστήριον ἐμμελῶς ἀνακεραννυμένης, ἄλλα τε πάθη πολλὰ καὶ τὰ Ῥωμαίοις συμπεσόντα μετὰ τὴν Νέρωνος τελευτὴν ἔχει μαρτύρια καὶ παραδείγματα τοῦ μηδὲν εἶναι φοβερώτερον ἀπαιδεύτοις χρωμένης καὶ ἀλόγοις ὀρμαῖς ἐν ἡγεμονίᾳ [4] στρατιωτικῆς δυνάμεως. Δημάδης μὲν γὰρ Ἀλεξάνδρου τελευτήσαντος εἵκαζε τὴν Μακεδόνων στρατιὰν ἐκτετυφλωμένῳ τῷ Κύκλωπι, πολλὰς κινουμένην ὀρῶν κινήσεις ἀτάκτους καὶ παραφόρους· τὴν δὲ Ῥωμαίων ἡγεμονίαν ὁμοία τοῖς λεγομένοις Τιτανικοῖς πάθεσι καὶ κινήμασι κατελάμβανεν, εἰς πολλὰ διασπωμένην ἅμα καὶ πολλαχόθεν αὐθις ἐαυτῇ συμπίπτουσαν, οὐχ οὕτως ὑπὸ φιλαρχίας τῶν ἀναγορευομένων αὐτοκρατόρων, ὡς φιλοπλουτίας καὶ ἀκολασίας τοῦ στρατιωτικοῦ δι' ἀλλήλων ὥσπερ ἦλους τοὺς [5] ἡγεμόνας ἐκκρούοντος. καίτοι Διονύσιος Φεραῖον ἄρξαντα Θετταλῶν δέκα μῆνας, εἴτα εὐθύς ἀναιρεθέντα, τὸν τραγικὸν ἀνεκάλει τύραννον, ἐπισκώπτων τὸ τάχος τῆς μεταβολῆς. ἡ δὲ τῶν Καισάρων ἐστία, τὸ Παλάτιον, ἐν ἐλάχιστον χρόνῳ τέσσαρας αὐτοκράτορας ὑπεδέξατο, τὸν μὲν εἰσαγόντων ὥσπερ διὰ σκηνῆς, τὸν δ' ἐξαγόντων. ἀλλ' ἦν γε παραμυθία τοῖς κακῶς πάσχουσι μία τὸ μὴ δεηθῆναι δίκης ἐτέρας ἐπὶ τοὺς αἰτίους, ἀλλ' ὅρᾱν αὐτοὺς ὑφ' ἐαυτῶν φονευομένους, πρῶτον δὲ καὶ δικαιοτάτα πάντων τὸν δελεάσαντα καὶ διδάξαντα

τοσοῦτον ἐλπίζειν ἐπὶ μεταβολῇ Καίσαρος ὅσον αὐτὸς ὑπέσχετο, κάλλιστον ἔργον διαβαλὼν τῷ μισθῷ, τὴν ἀπὸ Νέρωνος ἀποστασίαν προδοσίαν γενομένην.

[2] [1] Νυμφίδιος γὰρ Σαβῖνος ὢν ἑπαρχος, ὥσπερ εἴρηται, μετὰ Τιγελλίνου τῆς αὐλῆς, ἐπεὶ τὰ Νέρωνος ἀπέγνωστο παντάπασι καὶ δῆλος ἦν ἀποδρασόμενος εἰς Αἴγυπτον, ἔπεισε τὸ στρατιωτικόν, ὡς μηκέτι παρόντος, ἀλλ' ἤδη πεφευγότες, [2] αὐτοκράτορα Γάλβαν ἀναγορεῦσαι, καὶ δωρεὰν ὑπέσχετο κατ' ἄνδρα τοῖς αὐλικοῖς καὶ στρατηγικοῖς προσαγορευομένοις δραχμὰς ἑπτακισχιλίας πεντακοσίας, τοῖς δὲ ἐκτὸς στρατευομένοις πεντήκοντα καὶ διακοσίας ἐπὶ χιλίαις, ὅσον ἀμήχανον ἦν συναγαγεῖν μὴ πλείονα μυριάκις κακὰ παρασχόντα [3] πᾶσιν ἀνθρώποις ὢν Νέρων παρέσχε. τοῦτο γὰρ εὐθύς μὲν ἀπώλεσε Νέρωνα, μετ' ὀλίγον δὲ Γάλβαν· τὸν μὲν γὰρ ὡς ληψόμενοι προήκαντο, τὸν δὲ μὴ λαμβάνοντες ἀπέκτειναν. εἴτα τὸν τοσοῦτον δώσοντα ζητοῦντες ἔφθησαν ἐν ταῖς ἀποστάσεσι καὶ προδοσίαις ἀναλώσαντες αὐτοὺς ἢ τυχόντες ὢν ἤλπισαν. τὰ μὲν οὖν καθ' ἕκαστα τῶν γενομένων ἀπαγγέλλειν ἀκριβῶς τῆς πραγματικῆς ἱστορίας ἐστίν, ὅσα δὲ ἄξια λόγου τοῖς τῶν Καισάρων ἔργοις καὶ πάθεσι συμπέπτωκεν, οὐδὲ ἐμοὶ προσήκει παρελθεῖν.

[3] [1] Γάλβας Σουλπίκιος ὅτι μὲν ιδιώτης πλουσιώτατος ἀπάντων εἰς τὸν Καισάρων παρῆλθεν οἶκον, ὁμολογεῖται· μέγα δὲ ἔχων εὐγενείας ἀξίωμα τὸν Σερουῖων οἶκον, αὐτὸς ἐφρόνει μεῖζον ἐπὶ τῇ Κάτλου συγγενείᾳ, πρωτεύσαντος ἀνδρὸς ἀρετῇ καὶ δόξῃ τῶν καθ' ἑαυτόν, εἰ καὶ τὸ δύνασθαι [2] μᾶλλον ἐκὼν ἐτέροις παρήκεν. ἦν δέ τι καὶ Λιβία τῇ Καίσαρος γυναικὶ κατὰ γένος προσήκων ὁ Γάλβας, καὶ διὰ τοῦτο Λιβίας παρασχούσης ὑπατος ἐκ Παλατίου προῆλθε. λέγεται δὲ καὶ στρατεύματος ἐν Γερμανίᾳ καλῶς ἄρξαι καὶ Λιβύης ἀνθύπατος γενόμενος σὺν ὀλίγοις ἐπαινεθῆναι. τὸ δὲ εὐκόλον αὐτοῦ τῆς διαίτης καὶ φειδωλὸν ἐν δαπάναις καὶ ἀπέριττον αἰτίαν ἔσχεν αὐτοκράτορος γενομένου μικρολογίας, ἣν ἑωλὸν τινα δόξαν εὐταξίας ἔφερε καὶ σωφροσύνης.

[3] ἐπέμφθη δὲ ὑπὸ Νέρωνος Ἰβηρίας ἄρχων, οὕτω δεδιδαγμένου φοβεῖσθαι τοὺς ἐν ἀξιώμασι μεγάλους τῶν πολιτῶν. ἐκείνῳ δὲ καὶ φύσει δοκοῦντι πρῶτα γεγονέναι προσετίθει πίστιν εὐλαβείας τὸ γῆρας.

[4] [1] Ἐπεὶ δέ, τῶν ἀλιτηρίων ἐπιτρόπων ὡμῶς καὶ ἀγρίως τὰς

ἐπαρχίας ἐκείνῳ διαφοροούντων, ἄλλο μὲν εἶχεν οὐδὲν βοηθεῖν, αὐτῷ δὲ τῷ φανερός εἶναι συναλγῶν καὶ συναδικούμενος ἀμῶς γέ πως ἀναπνοήν τινα καὶ παραμυθίαν τοῖς καταδικαζομένοις καὶ πωλουμένοις παρέσχε· καὶ ποιημάτων εἰς Νέρωνα γινομένων καὶ πολλαχοῦ περιφερομένων καὶ ἄδομένων, οὐκ ἐκώλυεν οὐδὲ συνηγανάκει τοῖς ἐπιτρόποις· ἐφ’ οἷς ἔτι μᾶλλον ἠγαπᾶτο ὑπὸ [2] τῶν ἀνθρώπων. καὶ γὰρ ἦν ἤδη συνήθης, ἔτος ὄγδοον ἐκεῖνο τὴν ἀρχὴν ἔχων ἐν ᾧ Ἰούνιος Οὐίνδιξ ἐπανέστη Νέρωνι, Γαλατίας ὦν στρατηγός. λέγεται μὲν οὖν καὶ πρὸ τῆς ἐμφανοῦς ἀποστάσεως γράμματα πρὸς αὐτὸν ἀφικέσθαι παρὰ τοῦ Οὐίνδικος, οἷς μήτε πιστεῦσαι μήτε μηνῦσαι καὶ κατεπειν, ὡς ἕτεροι τῶν ἡγεμονικῶν ἐπιστολὰς αὐτοῖς γραφείσας ἔπεμψαν πρὸς Νέρωνα καὶ διέφθειραν ὅσον ἐπ’ αὐτοῖς τὴν πρᾶξιν, ἧς ὕστερον μετασχόντες ὠμολόγησαν αὐτῶν οὐδὲν ἦττον ἢ ἐκείνου [3] προδόται γεγονέναι. ἀλλ’ ἐπειδὴ λαμπρῶς τὸν πόλεμον ἐκφήνας ὁ Οὐίνδιξ ἔγραψε τῷ Γάλβᾳ παρακαλῶν ἀναδέξασθαι τὴν ἡγεμονίαν καὶ παρασχεῖν ἑαυτὸν ἰσχυρῷ σώματι ζητοῦντι κεφαλὴν, ταῖς Γαλατίαις δέκα μυριάδας ἀνδρῶν ὠπλισμένων ἐχούσαις ἄλλας τε πλείονας ὀπλίσας δυναμέναις, προὔθηκε βουλήν τοῖς φίλοις. ὦν οἱ μὲν ἠξίουں περιμένειν καραδοκοῦντα τίνα κίνησιν ἢ [4] Ῥώμῃ καὶ φορὰν ἔξει πρὸς τὸν νεωτερισμόν· Τίτος δὲ Οὐίνιος ὁ τοῦ στρατηγικοῦ τάγματος ἡγεμὼν αὐτοῖς εἶπεν· “ὦ Γάλβα, τίνα τρόπον βουλευέσθεις; τὸ γὰρ ζητεῖν Νέρωνι εἰ πιστοὶ μενοῦμεν, οὐκ ἤδη μενόντων ἐστίν. ὡς οὖν ὑπάρχοντος ἐχθροῦ Νέρωνος οὐ δὴ προετέον τὴν τοῦ Οὐίνδικος φιλίαν, ἢ καὶ κατηγορητέον εὐθύς αὐτοῦ καὶ πολεμητέον, ὅτι σὲ βούλεται Ῥωμαίους ἔχειν ἄρχοντα μᾶλλον ἢ Νέρωνα τύραννον.”

[5] [1] Ἐκ τούτου προγράμματι μὲν ἐδήλωσεν ὁ Γάλβας ἡμέραν ἐν ἣ τὰς κατὰ μέρος ἐλευθερώσεις ἀποδώσει τοῖς δεομένοις, λαλιά δὲ καὶ φήμη προεκπεσοῦσα πλῆθος ἀνθρώπων ἠθροισε προθύμων ἐπὶ τὸν νεωτερισμόν. οὐκ ἔφθη γοῦν φανερός ἐπὶ τοῦ βήματος γενόμενος, καὶ πάντες [2] αὐτὸν ὁμοφώνως αὐτοκράτορα προσεῖπον. ὁ δὲ ταύτην μὲν εὐθύς οὐ προσεδέξατο τὴν προσηγορίαν, κατηγορήσας δὲ τοῦ Νέρωνος, καὶ τῶν ἀνηρημένων ἀνδρῶν ὑπ’ αὐτοῦ τοὺς ἐπιφανεστάτους ὀλοφυράμενος, ὠμολόγησεν ἐπιδώσκειν τῇ πατρίδι τὴν ἑαυτοῦ πρόνοιαν, οὔτε Καῖσαρ οὔτ’ αὐτοκράτωρ, στρατηγὸς δὲ συγκλήτου καὶ δήμου

Ρωμαίων ονομαζόμενος.

[3] Ὅτι δ' ὀρθῶς ὁ Οὐίνδιξ καὶ λελογισμένως ἐξεκαλεῖτο τὸν Γάλβαν ἐπὶ τὴν ἡγεμονίαν, ἐπιστώσατο μάρτυρι τῷ Νέρωνι. προσποιούμενος γὰρ ἐκείνου καταφρονεῖν καὶ παρ' οὐδέν ἡγεῖσθαι τὰ Γαλατῶν, ἅμα τῷ πυθέσθαι τὰ περὶ Γάλβαν (ἔτυχε δὲ λελούμενος καὶ ἀριστῶν) ἀνέτρεψε τὴν [4] τράπεζαν. οὐ μὴν ἀλλὰ συγκλήτου ψηφισαμένης πολέμιον τὸν Γάλβαν αὐτός τε παίζειν καὶ θρασύνεσθαι πρὸς τοὺς φίλους βουλόμενος, οὐ φαύλην ἔφη πρόρρησιν ἐμπεπτωκέναι λογιμοῦ δεομένῳ χρημάτων αὐτῷ· καὶ τὰ μὲν Γαλατῶν, ὅταν ὑποχείριοι γένωνται, λαφυραγωγῆσθαι, ἡ δὲ Γάλβα πάρεστιν οὐσία χρῆσθαι καὶ πωλεῖν ἤδη πολεμίου πεφηνότος. οὗτός τε δὴ τὰ Γάλβα πιπράσκειν ἐκέλευε, καὶ Γάλβας ἀκούσας, ὅσα Νέρωνος ἦν ἐν Ἰβηρίᾳ κηρύττων εὕρισκε πολλοὺς προθυμότερους ὠνητάς.

[6] [1] Ἀφισταμένων δὲ πολλῶν τοῦ Νέρωνος καὶ πάντων ἐπεικῶς τῷ Γάλβᾳ προστιθεμένων, μόνος Κλώδιος Μάκρος ἐν Λιβύῃ καὶ Οὐεργίνιος Ροῦφος ἐν Γαλατίᾳ τοῦ Γερμανικοῦ στρατεύματος ἡγούμενος αὐτοὶ καθ' ἑαυτοὺς ἔπραττον, οὐ τὴν αὐτὴν [2] αἵρεσιν ἔχοντες. ἀλλ' ὁ μὲν Κλώδιος, ἐν ἀρπαγαῖς πραγμάτων γεγωνῶς καὶ φόνοις ἀνδρῶν δι' ὠμότητα καὶ πλεονεξίαν, δῆλος ἦν ἐν τῷ μῆτε κατέχειν μῆτε ἀφιέναι τὴν ἀρχὴν δύνασθαι περιφερόμενος, Οὐεργίνιος δὲ ταγμάτων ἐπιστατῶν δυνατωτάτων πολλάκις αὐτὸν ἀναγορευόντων αὐτοκράτορα καὶ βιαζομένων οὔτε αὐτὸς ἔφη λήψεσθαι τὴν ἡγεμονίαν οὔτε ἄλλῳ περιόψεσθαι διδομένην, ὃν ἂν μὴ ἡ [3] σύγκλητος ἔλθῃται. ταῦτα τὸν Γάλβαν οὐ μετρίως ἐθορύβει τὸ πρῶτον· ἐπεὶ δὲ τὰ Οὐεργινίου καὶ Οὐίνδικος στρατεύματα τρόπον τινὰ βία τοὺς ἡγεμόνας, ὥσπερ ἡνιόχους κρατῆσαι χαλινῶν μὴ δυνηθέντας, εἰς μάχην ἐξενεγκόντα μεγάλην συνέρραξαν, καὶ Οὐίνδικος ἑαυτὸν ἀνελόντος ἐπὶ δισμυρίοις Γαλατῶν πεσοῦσι, διῆλθε λόγος ὡς βουλομένων πάντων ἐπὶ νίκη τοσαύτῃ τὸν Οὐεργίνιον ἀναδέξασθαι τὴν ἡγεμονίαν ἢ πάλιν [4] μεταβαλουμένων πρὸς Νέρωνα, τότε δὴ παντάπασι περίφοβος γενόμενος ὁ Γάλβας ἔγραψε τῷ Οὐεργινίῳ, παρακαλῶν κοινοπραγεῖν καὶ διαφυλάσσειν ἅμα τὴν ἡγεμονίαν καὶ τὴν ἐλευθερίαν Ρωμαίοις· αὐθις δὲ μετὰ τῶν φίλων εἰς Κλουνίαν, Ἰβηρικὴν πόλιν, ἀναχωρήσας ἐν τῷ μετανοεῖν περὶ τῶν γεγονότων καὶ ποθεῖν τὴν συνήθη καὶ

σύντροφον ἀπραγμοσύνην μᾶλλον ἢ πράττειν τι τῶν ἀναγκαίων διέτριβεν.

[7] [1] Ἦν δὲ θέρος ἤδη, καὶ βραχὺ πρὸ δαίλης ἦκεν ἀπὸ Ῥώμης Ἴκελος ἀνὴρ ἀπελευθέρος ἐβδομαῖος. πυθόμενος δὲ τὸν Γάλβαν ἀναπαύεσθαι καθ' ἑαυτὸν ἐβάδιζε συντόνως ἐπὶ τὸ δωμάτιον αὐτοῦ, καὶ βίᾳ τῶν θαλαμηπόλων ἀνοίξας καὶ παρελθὼν [2] ἀπήγγειλεν ὅτι καὶ ζῶντος ἔτι τοῦ Νέρωνος, οὐκ ὄντος δὲ φανεροῦ, τὸ στράτευμα πρῶτον, εἶτα ὁ δῆμος καὶ ἡ σύγκλητος αὐτοκράτορα τὸν Γάλβαν ἀναγορεύσειεν, ὀλίγον δὲ ὕστερον ἀπαγγελθείη τεθνηκῶς ἐκεῖνος· οὐ μὴν αὐτός γε πιστεύσας ἔφη τοῖς ἀπαγγέλλουσιν, ἀλλὰ ἐπελθὼν τῷ νεκρῷ καὶ κείμενον θεασάμενος, οὕτως ἐξελθεῖν. [3] ταῦτα ἀπαγγελλόμενα λαμπρὸν ἦρε τὸν Γάλβαν, καὶ συνέδραμε πλῆθος ἀνδρῶν ἐπὶ θύρας ἐκτεθαρρηκτότων ὑπ' αὐτοῦ βεβαίως. καίτοι τὸ τάχος ἦν ἄπιστον. ἀλλὰ καὶ δυσὶν ἡμέραις ὕστερον Οὐίνιος Τίτος ἀπὸ στρατοπέδου μεθ' ἐτέρων ἀφίκετο τὰ δόξαντα τῇ συγκλήτῳ καθ' ἕκαστον ἀπαγγέλλων. οὗτος μὲν οὖν εἰς τάξιν ἔντιμον προήχθη· τῷ δ' ἀπελευθέρῳ δακτυλίους τε χρυσοὺς ἔδωκε καὶ Μαρκιανὸς ὁ Ἴκελος ἤδη καλούμενος εἶχε τὴν πρώτην ἐν τοῖς ἀπελευθέροις δύναμιν.

[8] [1] Ἐν δὲ Ῥώμῃ Νυμφίδιος Σαβῖνος, οὐκ ἡρέμα καὶ κατὰ μικρόν, ἀλλὰ συλλήβδην ὁμοῦ, πάντα πράγματα φέρων περιήνεγκεν εἰς ἑαυτόν, ὥς Γάλβαν μὲν ὄντα πρεσβύτην καὶ μόλις εἰς Ῥώμην ἐξαρκέσοντα φοράδην κομισθῆναι διὰ γῆρας· ἦν γὰρ ἑτῶν τριῶν καὶ ἐβδομήκοντα· τὰ δὲ αὐτόθι στρατεύματα, καὶ πάλοι πρὸς αὐτὸν εὐνῶως ἔχοντα καὶ νῦν ἐνδὸς ἐξηρητημένα μόνου, διὰ τὸ τῆς δωρεᾶς μέγεθος εὐεργέτην ἐκεῖνον ἠγεῖσθαι, [2] Γάλβαν δὲ χρεωφειλέτην. εὐθύς οὖν Τιγελλίνῳ μὲν τῷ συνάρχοντι προσέταξεν ἀποθέσθαι τὸ ξίφος, ὑποδοχὰς δὲ ποιούμενος ἐδείπνιζε τοὺς ὑπατικοὺς καὶ τοὺς ἡγεμονικοὺς, ἔτι τὸ Γάλβα προσπιθεὶς ὄνομα ταῖς κλήσεσιν, ἐν τε τῷ στρατοπέδῳ πολλοὺς παρεσκεύασε λέγειν ὥς πεμπτέον ἐστὶ πρὸς Γάλβαν αἰτουμένους ἔπαρχον εἰσαεῖ Νυμφίδιον ἄνευ συνάρχοντος.

[3] Ἄ δὲ ἡ σύγκλητος εἰς τιμὴν ἔπραττεν αὐτοῦ καὶ δύναμιν, ἀνακαλοῦσα εὐεργέτην καὶ συντρέχουσα καθ' ἡμέραν ἐπὶ θύρας καὶ παντὸς ἐξάρχειν δόγματος ἀξιούσα καὶ βεβαιοῦν, ἔτι περαιτέρω τόλμης ἀνῆγεν αὐτόν, ὥστε ὀλίγου χρόνου τοῖς

θεραπεύουσι μὴ μόνον ἐπίφθονον, ἀλλὰ καὶ φοβερόν [4] εἶναι. τῶν δ' ὑπάτων οἰκέτας δημοσίους προχειρισμένων τὰ δόγματα κομίζοντας τῷ αὐτοκράτορι, καὶ τὰ καλούμενα διπλώματα σεσημασμένα δόντων, ἃ γνωρίζοντες οἱ κατὰ πόλιν ἄρχοντες ἐν ταῖς τῶν ὀχημάτων ἀμοιβαῖς ἐπιταχύνουσι τὰς προπομπὰς τῶν γραμματηφόρων, οὐ μετρίως ἡγανάκτησεν ὅτι μὴ παρ' αὐτοῦ καὶ σφραγίδα καὶ στρατιώτας λαβόντες ἀνέπεμψαν, ἀλλὰ λέγεται καὶ βουλευσασθαι περὶ τῶν ὑπάτων, εἴτα τὴν ὀργὴν ἀπολογησαμένοις καὶ δεηθεῖσιν [5] ἀνῆκε. τῷ δὲ δήμῳ χαριζόμενος οὐκ ἐκώλυε τὸν παρατίπτοντα τῶν Νέρωνος ἀποτυμπανίζειν. Σπῖκλον μὲν οὖν τὸν μονομάχον ἀνδριάσι Νέρωνος ἐλκομένοις ὑποβαλόντες ἐν ἀγορᾷ διέφθειραν, Ἀπόνιον δὲ τινα τῶν κατηγορικῶν ἀνατρέψαντες ἀμάξας λιθοφόρους ἐπήγαγον, ἄλλους δὲ διέσπασαν πολλοὺς, ἐνίους μὴδὲν ἀδικοῦντας, ὥστε καὶ Μαύρικον, ἄνδρα τῶν ἀρίστων καὶ ὄντα καὶ δοκοῦντα, πρὸς τὴν σύγκλητον εἶπεῖν ὅτι φοβεῖται μὴ ταχὺ Νέρωνα ζητήσωσιν.

[9] [1] Οὕτω δὲ προσάγων ὁ Νυμφίδιος ἐγγυτέρω ταῖς ἐλπίσιν οὐκ ἔφευγε Γαῖου Καίσαρος υἱὸς λέγεσθαι τοῦ μετὰ Τιβέριον ἄρξαντος. ἐγνώκει γὰρ ὁ Γαῖος, ὡς ἔοικε, τὴν τεκοῦσαν αὐτὸν ἔτι μειράκιον ὦν οὐκ ἀειδῆ τὴν ὄψιν οὔσαν, ἐκ δ' ἀκεστρίας ἐπιμισθοῦ Καλλίστῳ, Καίσαρος ἀπελευθέρῳ, [2] γεγεννημένην. ἀλλ' ἦν ἡ πρὸς Γαῖον ἔντευξις αὐτῆς, ὡς ἔοικε, νεωτέρα τῆς Νυμφιδίου γενέσεως, αἰτίαν δὲ ἔσχεν ἐκ Μαρτιανοῦ τοῦ μονομάχου γεγονέναι, τῆς Νυμφιδίας ἐρασθείσης διὰ δόξαν αὐτοῦ, καὶ μᾶλλον ἐδόκει καθ' ὁμοιότητα [3] τῆς ιδέας ἐκεῖνῳ προσήκειν. ἀλλ' ὁμολογῶν γε Νυμφιδίας εἶναι μητρὸς ἔργον μὲν αὐτοῦ μόνου τὴν Νέρωνος ἐποιεῖτο κατάλυσιν, ἄθλα δὲ αὐτῆς οὐ νομίζων ἱκανὰ καρποῦσθαι τὰς τιμὰς καὶ τὰ χρήματα καὶ τὸ Σπόρῳ τοῦ Νέρωνος συγκαθεύδειν, ὃν εὐθύς ἀπὸ τῆς πυρᾶς ἔτι καιομένου τοῦ νεκροῦ μεταπεμψάμενος ἐκεῖνος ἐν γαμετῆς εἶχε τάξει καὶ Ποππαίαν προσηγόρευεν, ἐπὶ τὴν διαδοχὴν παρεδύετο [4] τῆς ἡγεμονίας. καὶ τὰ μὲν αὐτὸς ἐν Ῥώμῃ διὰ τῶν φίλων ὑπειργάζετο, καὶ γυναικῶν τινων αὐτῷ καὶ συγκλητικῶν ἀνδρῶν κρύφα συλλαμβανομένων, ἕνα δὲ τῶν φίλων, Γελλιανόν, εἰς Ἰβηρίαν ἔπεμψεν κατασκευόμενον.

[10] [1] Τῷ δὲ Γάλβᾳ μετὰ τὴν Νέρωνος τελευτὴν ἐχώρει πάντα. Οὐεργίνιος δὲ Ροῦφος ἀμφίβολος ὦν ἔτι φροντίδα παρεῖχε, μὴ τῷ

δυνάμεως πολλῆς καὶ μαχιμωτάτης ἄρχειν προσειληφώς τὸ νενικηκέναι Οὐίνδικα καὶ κεχειρῶσθαι μέγα μέρος τῆς Ῥωμαίων ἡγεμονίας, ἐν σάλῳ γενομένην ἀποστατικῶ Γαλατίαν ἄπασαν, ὑπακούσαι τοῖς παρακαλοῦσιν [2] αὐτὸν ἐπὶ τὴν ἀρχήν. οὐδενὸς γὰρ ἦν ὄνομα μεῖζον, οὐδὲ εἶχε δόξαν οὐδεὶς ὅσῃν ὁ Οὐεργίνιος, ὡς μεγίστη ῥοπή τοῖς Ῥωμαίων πράγμασι τυραννίδος ὁμοῦ χαλεπῆς καὶ Γαλατικῶν πολέμων ἀπαλλαγῇ γενόμενος. ἀλλ' ἐκεῖνος τότε τοῖς ἐξ ἀρχῆς ἐμμένων λογισμοῖς ἐφύλαττε τῇ συγκλήτῳ τὴν αἵρεσιν τοῦ αὐτοκράτορος. καίτοι φανεραῖς γε τῆς Νέρωνος τελευτῆς γενομένης τό τε πλῆθος ἐνέκειτο τῷ Οὐεργινίῳ πάλιν, καὶ τῶν χιλιάρχων τις τῶν ἐν τῇ σκηνῇ σπασάμενος τὸ ξίφος ἐκέλευε τὸν Οὐεργίνιον δέχεσθαι τὴν ἡγεμονίαν [3] ἢ τὸν σίδηρον. ἐπεὶ δὲ Φάβιος Οὐάλης ἄρχων ἐνὸς τάγματος ὥρκωσε πρῶτος εἰς Γάλβαν, καὶ γράμματα ἤκεν ἀπὸ Ῥώμης περὶ ὧν ἡ σύγκλητος ἐψηφίσατο, χαλεπῶς μὲν καὶ μόλις, ἔπεισε δ' οὖν τοὺς στρατιώτας αὐτοκράτορα τὸν Γάλβαν ἀνειπεῖν· καὶ πέμψαντος αὐτοῦ διάδοχον Φλάκκον Ὀρδεώνιον ἐδέξατο. καὶ παραδοὺς ἐκείνῳ τὴν δύναμιν αὐτὸς ἀπήντησε τῷ Γάλβᾳ πρόσω χωροῦντι, καὶ συνανέστρεφεν, οὔτε ὀργῆς οὔτε τιμῆς [4] ἐπιδήλου τυγχάνων. αἷτιος δὲ τοῦ μὲν αὐτὸς ὁ Γάλβας αἰδοῦμενος τὸν ἄνδρα, τοῦ δὲ οἱ φίλοι καὶ μάλιστα Οὐίνιος Τίτος, ὑπὸ φθόνου τὸν Οὐεργίνιον οἰόμενος μὲν κολοῦειν, ἡγνόει δὲ ἄρα τῷ Οὐεργινίου χρηστῷ δαίμονι συνεργῶν, ἥδη τὸν ἄνδρα πολέμων καὶ κακῶν, ὅσα τοὺς ἄλλους ἡγεμόνας κατέσχευε, ἐκτὸς εἰς βίον ἀκύμονα καὶ γῆρας εἰρήνης καὶ ἡσυχίας μεστὸν ὑπεκτιθεμένῳ.

[11] [1] Γάλβαν δὲ περὶ Νάρβωνα, πόλιν Γαλατικὴν, οἱ παρὰ τῆς συγκλήτου πρέσβεις ἐντυχόντες ἡσπάζοντο, καὶ παρεκάλουν ἐπιφανῆσαι τῷ δήμῳ ποθοῦντι ταχέως. ὁ δὲ τὰς τε ἄλλας παρεῖχεν ἐντεύξεις καὶ συνουσίας αὐτοῖς φιλανθρώπους καὶ δημοτικάς, πρὸς τε τὰς ἐστιάσεις πολλῆς κατασκευῆς καὶ θεραπείας βασιλικῆς παροῦσης, ἣν ἐκ τῶν Νέρωνος ὁ Νυμφίδιος αὐτῷ προσέπεμψεν, οὐδενὶ χρώμενος ἐκείνων, ἀλλὰ τοῖς ἑαυτοῦ πᾶσιν, εὐδοκίμει, μεγαλόφρων ἀνὴρ καὶ κρείττων ἀπειροκαλίας [2] φαινόμενος. ταχὺ μέντοι τὰ γενναῖα ταῦτα καὶ ἄτυφα καὶ πολιτικὰ δημαγωγίαν Οὐίνιος ἀποφαίνων καὶ κομπότητα μεγάλων ἀπαξιοῦσαν αὐτήν, ἔπεισε χρήμασί τε χρῆσθαι τοῖς Νέρωνος καὶ περὶ τὰς ὑποδοχὰς μὴ φρίδεσθαι τῆς βασιλικῆς πολυτελείας. καὶ ὅλως αἰσθησιν αὐτοῦ

κατὰ μικρὸν ὑπὸ τῷ Οὐνίῳ γενησομένου παρεῖχεν ὁ πρεσβύτες.

[12] [1] Ἦν δὲ Οὐνίσιος ἀργυρίου μὲν ἐσχάτως καὶ παρ' ὄντινον ἦττων, ἔνοχος δὲ καὶ τοῖς περὶ γυναῖκας ἀμαρτήμασιν. ἔτι γὰρ ὢν νέος καὶ στρατευόμενος ὑπὸ Καλβισίῳ Σαβίνῳ τὴν πρώτην στρατείαν ἀκόλαστον οὖσαν τὴν γυναῖκα τοῦ ἡγεμόνος παρεισήγαγε νύκτωρ εἰς τὸ στρατόπεδον ἐν ἐσθῆτι στρατιωτικῇ καὶ διέφθειρεν ἐν τοῖς [2] ἀρχείοις, ἃ πριγκίπια καλοῦσι Ῥωμαῖοι. ἐπὶ τούτῳ δὲ Γάιος Καῖσαρ ἔδρασε αὐτόν· ἐκείνου δὲ ἀποθανόντος εὐτυχία χρησάμενος ἀπελύθη. δειπνῶν δὲ παρὰ Κλαυδίῳ Καίσαρι ποτήριον ἀργυροῦν ὑφείλετο· πυθόμενος δὲ ὁ Καῖσαρ τῇ ὑστεραίᾳ πάλιν αὐτόν ἐπὶ δεῖπνον ἐκάλεσεν, ἐλθόντι δὲ ἐκέλευσεν ἐκείνῳ μηδὲν ἀργυροῦν, ἀλλὰ κεράμεα πάντα προσφέρειν καὶ παρατιθέναι τοὺς ὑπηρέτας.

[3] τοῦτο μὲν οὖν διὰ τὴν Καίσαρος μετριότητα κωμικωτέραν γενομένην γέλωτος, οὐκ ὀργῆς ἄξιον ἔδοξεν· ἃ δὲ τὸν Γάλβαν ἔχων ὑφ' αὐτῷ, καὶ δυνάμενος μέγιστον ἐπὶ χρήμασιν, ἔπραττε, τραγικῶν παθῶν καὶ συμφορῶν μεγάλων τοῖς μὲν αἰτίαν, τοῖς δὲ πρόφασιν παρέσχε.

[13] [1] Ὁ γὰρ Νυμφίδιος εὐθὺς ἐπανελθόντος τοῦ Γελλιανοῦ πρὸς αὐτόν, ὃν ἔπεμψε τοῦ Γάλβα τρόπον τινὰ κατάσκοπον, ἀκούσας τῆς μὲν αὐλῆς καὶ τῶν δορυφόρων ἔπαρχον ἀποδεδεῖχθαι Κορνήλιον Λάκωνα, τὸ δὲ σύμπαν εἶναι τοῦ Οὐνισίου κράτος, αὐτῷ δὲ μηδέποτε τοῦ Γάλβα στήναι πλησίον ἐγγεγονέναι μηδὲ ἐντυχεῖν ἰδίᾳ, πάντων αὐτόν ὑφορωμένων καὶ διαφυλαττόντων, ἐθορυβήθη· [2] καὶ συναγαγὼν τοὺς ἡγεμόνας τοῦ στρατεύματος ἔφη Γάλβαν μὲν αὐτόν εἶναι πρεσβύτερον ἐπιεικῇ καὶ μέτριον, ἐλάχιστα δὲ τοῖς αὐτοῦ χρώμενον λογισμοῖς ὑπὸ Οὐνισίου καὶ Λάκωνος οὐκ εὖ διοικεῖσθαι. πρὶν οὖν λαθεῖν αὐτοὺς ἦν ἔσχε Τιγελλῖνος ἰσχὺν ἐν τοῖς πράγμασι κτησαμένους, πεμπτέον εἶναι πρὸς τὸν ἡγεμόνα πρέσβεις ἀπὸ στρατοπέδου τοὺς διδάξοντας ὅτι τῶν φίλων δύο μόνους τούτους ἀποσκευασάμενος ἡδίων παρέσται [3] πᾶσι καὶ ποθεινότερος. ἐπεὶ δὲ ταῦτα λέγων οὐκ ἔπειθεν, ἀλλ' ἄτοπον ἔδόκει καὶ ἀλλόκοτον ἡγεμόνα πρεσβύτερον, ὥσπερ ἄρτι γευόμενον ἐξουσίας μεῖράκιον, οἷς χρήσεται φίλοις ἢ μή, ρυθμίζειν, ἑτέραν ὁδὸν τραπόμενος ἔγραφε τῷ Γάλβᾳ δεισιφύειος, νῦν μὲν ὡς ὑπουλα καὶ μετέωρα πολλὰ τῆς πόλεως ἐχοῦσης, νῦν δὲ Κλώδιον Μάκρον ἐν Λιβύῃ τὰ σιτηγὰ κατέχειν,

αὐθις δὲ παρακινεῖν τὰ Γερμανικὰ τάγματα, καὶ περὶ τῶν ἐν Συρίᾳ καὶ Ἰουδαίᾳ δυνάμεων ὅμοια πυνθάνεσθαι. [4] τοῦ δὲ Γάλβα μὴ πάνυ τὸν νοῦν προσέχοντος αὐτῷ μηδὲ πιστεύοντος ἔγνω προεπιχειρεῖν· καίτοι Κλώδιος Κέλσος Ἀντιοχεύς, ἀνὴρ ἔμφρων, εὖνους δὲ ἐκείνῳ καὶ πιστός, ἀπηγόρευε, λέγων οὐκ ἂν οἴεσθαι μίαν ἐν Ῥώμῃ συνοικίαν Καίσαρα προσεῖπεῖν Νυμφίδιον. ἀλλὰ πολλοὶ κατεγέλων, καὶ Μιθριδάτης ὁ Ποντικός ἐπισκώπτων τὴν φαλακρότητα καὶ ῥυσσότητα τοῦ Γάλβα νῦν ἔφη τινὰ δοκεῖν εἶναι Ῥωμαίοις, ὁφθέντα δὲ φανεῖσθαι τῶν ἡμερῶν τούτων ἃς καλεῖται Καῖσαρ, ὄνειδος.

[14] [1] Ἔδοξεν οὖν περὶ μέσας νύκτας εἰς τὴν παρεμβολὴν παραγαγόντας ἀναδεικνύειν αὐτοκράτορα τὸν Νυμφίδιον. πρῶτος δὲ τῶν χιλιάρχων Ἀντώνιος Ὀνωράτος ἐσπέρας γενομένης τοὺς ὑφ' ἑαυτῷ στρατιώτας συναγαγὼν ἐκάκιζε μὲν αὐτόν, ἐκάκιζε δὲ ἐκείνους ἐν ὀλίγῳ χρόνῳ τροπὰς τοσαύτας τρεπομένους κατ' οὐδένα λογισμὸν οὐδὲ αἵρεσιν ἀμεινόνων, ἀλλὰ δαίμονός τινος αὐτοὺς ἐκ προδοσίας εἰς προδοσίαν ἐλαύνοντος.

[2] καὶ τὰ μὲν πρῶτα προφάσεις ἔχειν τὰ Νέρωνος ἐγκλήματα· νῦν δὲ Γάλβαν προδιδόναι, τίνα φόνον μητρὸς ἐγκαλοῦντας ἢ σφαγὴν γυναικός, ἢ ποίαν αἰδουμένους θυμέλην ἢ τραγωδίαν τοῦ αὐτοκράτορος; “Ἄλλ' οὐδὲ ἐκείνον ἐπὶ τούτοις ὑπεμείναμεν ἐγκαταλιπεῖν, ἀλλὰ Νυμφιδίῳ πεισθέντες ὅτι πρῶτος ἡμᾶς ἐγκατέλιπε καὶ πέφευγεν εἰς [3] Αἴγυπτον. πότερον οὖν Νέρωνι Γάλβαν ἐπιθυσώμεθα, καὶ τὸν ἐκ Νυμφιδίας ἐλόμενοι Καίσαρα τὸν ἐκ Λιβίας ἀνέλωμεν, ὥς τὸν ἐξ Ἀγριππίνης ἀνείλομεν; ἢ τούτῳ δίκην ἐπιθέντες ὧν δέδρακε, τιμωροὶ μὲν Νέρωνος, Γάλβα δὲ φύλακες ἀγαθοὶ καὶ πιστοὶ φανῶμεν;”

Ταῦτα λέγοντι τῷ χιλιάρχῳ προσέθεντο πάντες οἱ στρατιῶται, καὶ τοὺς ἄλλους προσιόντες ἐμμένειν παρεκάλουν τῇ πρὸς τὸν αὐτοκράτορα πίστει· [4] καὶ τοὺς πλείους μετέστησαν. ἀρθείσης δὲ βοῆς, εἴτε πεισθεὶς ὁ Νυμφίδιος, ὥς φασιν ἔνιοι, καλεῖν αὐτὸν ἤδη τοὺς στρατιώτας, εἴτε προλαβεῖν σπεύδων τὸ θορυβοῦν ἔτι καὶ διστάζον, ὑπὸ φωτὶ πολλῷ προήει, λόγον τινὰ κομίζων ἐν βιβλίῳ γεγραμμένον ὑπὸ Κιγγωνίου Βάρρωνος, ὃν ἐκμεμελετήκει [5] πρὸς τοὺς στρατιώτας εἰπεῖν. ἰδὼν δὲ κεκλεισμένας τοῦ στρατοπέδου τὰς πύλας καὶ περὶ τὰ τεῖχη πολλοὺς ὠπλισμένους ἔδεισε· καὶ προσιῶν ἡρώτα τί βούλονται καὶ τίνος κελεύσαντος ἐν ὅπλοις

γεγόνασιν. ἀπαντώσης δ' αὐτῷ παρὰ πάντων μιᾷς φωνῆς, Γάλβαν αὐτοκράτορα γινώσκειν, κάκεϊνος ὁμόσε χωρῶν ἐπευφήμει καὶ [6] τοὺς ἐπομένους ἐκέλευε. τῶν δὲ παρὰ τὰς πύλας παρέντων αὐτὸν εἰσελθεῖν μετ' ὀλίγων αὐτὸς ἀκοντίζεται λόγχῃ· καὶ ταύτην μὲν ἐδέξατο πρὸ αὐτοῦ θυρεῷ Σεπτίμιος, ἄλλων δὲ γυμνοῖς ξίφεσιν ἐπιφερομένων φυγῶν καὶ διωχθεῖς ἐν οἰκήματι στρατιώτου σφάττεται. καὶ τὸν νεκρὸν εἰς μέσον ἐλκύσαντες καὶ περιβαλόντες κιγκλῖδα θέαμα τοῖς βουλομένοις μεθ' ἡμέραν παρέσχον.

[15] [1] Οὕτω δὲ τοῦ Νυμφιδίου καταστρέψαντος ὁ Γάλβας πυθόμενος, καὶ τῶν συνωμοτῶν αὐτοῦ κελεύσας ἀποθανεῖν ὅσοι μὴ δι' αὐτῶν εὐθὺς ἀπέθανον, ἐν οἷς ἦν καὶ Κιγγώνιος ὁ τὸν λόγον γράψας καὶ Μιθριδάτης ὁ Ποντικός, ἔδοξε μὴ νομίμως, εἰ καὶ δικαίως, μηδὲ δημοτικῶς ἀνηρεκέναι πρὸ κρίσεως ἄνδρας οὐκ ἀσήμους. ἕτερον γὰρ ἡγεμονίας σχῆμα προσεδέχοντο πάντες, ἐξαπατῶμενοι [2] συνήθως ὑπὸ τῶν ἐν ἀρχῇ λεγομένων. ἔτι δὲ μᾶλλον ἠνίασεν αὐτοὺς ἀνὴρ ὑπατικὸς καὶ Νέρωνι πιστὸς ἀποθανεῖν κελευσθεῖς, Πετρώνιος Τουρπλιανός. Μάκρον γὰρ ἐν Λιβύῃ διὰ Τρεβωνίου καὶ Φοντήϊον ἐν Γερμανίᾳ διὰ Οὐάλεντος ἀνελὼν πρόφασιν εἶχεν ἐν ὅπλοις καὶ στρατοπέδοις ὄντας φοβηθῆναι. Τουρπλιανὸν δέ, γέροντα γυμνὸν καὶ ἄνοπλον, λόγου μεταλαβεῖν οὐδὲν ἐκώλυεν, εἴ τις ἦν ἐπαγγέλλεται μετριότητα τοῖς πράγμασιν ἔργῳ φυλάξειν ἔμελλε.

[3] Ταῦτα μὲν οὖν τοιαύτας ἔχει μέμφεις. ἐπεὶ δὲ προσιῶν ἀπέιχε τῆς πόλεως περὶ πέντε καὶ εἴκοσι σταδίου, ἐνετύγχανεν ἀκοσμία καὶ θορύβῳ τῶν ἐρετῶν τὴν ὁδὸν προκατεχόντων καὶ περικεχυμένων πανταχόθεν. οὗτοι δὲ ἦσαν οὓς εἰς ἐν τάγμα [4] ὁ Νέρων συλλοχίσας ἀπέφηνε στρατιώτας· καὶ τότε παρόντες ἐκβεβαιώσασθαι τὴν στρατείαν οὗτ' ὀφθῆναι τοῖς ἀπαντῶσιν οὗτ' ἀκουσθῆναι παρίεσαν τὸν αὐτοκράτορα, ἀλλ' ἐθορύβουν βοῇ σημεῖα τῷ τάγματι καὶ χώραν αἰτοῦντες. ἐκείνου δὲ ὑπερτιθεμένου καὶ πάλιν εἰπεῖν κελεύσαντος, ἀρνήσεως σχῆμα τὴν ἀναβολὴν εἶναι φάσκοντες ἠγανάκτουν καὶ παρείποντο μὴ φειδόμενοι βοῆς. ἐνίων δὲ καὶ τὰς μαχαίρας σπασαμένων, ἐκέλευσε τοὺς ἵππεῖς ἐμβαλεῖν αὐτοῖς ὁ Γάλβας. ὑπέστη δὲ οὐδεὶς ἐκείνων, ἀλλ' οἱ μὲν εὐθὺς ἀνατραπέντες, οἱ δὲ φεύγοντες διεφθάρησαν, οὐ χρηστὸν οὐδὲ αἷσιον ποιοῦντες τῷ Γάλβᾳ τὸν οἶωνόν ἐισιόντι διὰ πολλοῦ φόνου καὶ νεκρῶν τοσοῦτων εἰς τὴν πόλιν. ἀλλ' εἰ καὶ τις αὐτοῦ

κατεφρόνει πρότερον ἀσθενοῦς καὶ γέροντος ὀρωμένου, τότε πᾶσι φρικώδης καὶ φοβερός ἐγένετο.

[16] [1] Βουλόμενος δὲ τῆς περὶ τὰς δωρεὰς ἀμετρίας καὶ πολυτελείας τοῦ Νέρωνος ἀποδεικνύναι μεγάλην μεταβολήν, ἀστοχεῖν ἐδόκει τοῦ πρέποντος. Κάνου γὰρ αὐλήσαντος αὐτῷ παρὰ δεῖπνον (ἀκρόαμα δὲ ἦν ὁ Κάνος εὐδοκιμούμενον) ἐπαινέσας καὶ ἀποδεξάμενος ἐκέλευσεν αὐτῷ κομισθῆναι τὸ γλωσσόκομον· καὶ λαβὼν χρυσοῦς τινας ἐπέδωκε τῷ Κάνῳ, φήσας ἐκ τῶν ἰδίων, οὐκ [2] ἐκ τῶν δημοσίων χαρίζεσθαι. τὰς δὲ δωρεὰς ὡς Νέρων ἔδωκε τοῖς περὶ σκηνήν καὶ παλαιίστραν, ἀπαιτεῖσθαι συντόνως κελεύσας πλὴν τοῦ δεκάτου μέρους, εἴτα μικρὰ καὶ γλίσχρα κομιζόμενος (ἀνηλώκεσαν γὰρ οἱ πλεῖστοι τῶν λαβόντων, ἐφήμεροι καὶ σατυρικοὶ τοῖς βίοις ἄνθρωποι) τοὺς πριαμένους παρ' αὐτῶν ἢ λαβόντας ὅτιοῦν [3] ἀνεζήτει καὶ παρ' ἐκείνων ἐξέπραττε. τοῦ δὲ πράγματος ὅρον οὐκ ἔχοντος, ἀλλὰ πόρρῳ νεμομένου καὶ προϊόντος ἐπὶ πολλοῦς, αὐτὸς μὲν ἠδόξει, φθόνον δὲ καὶ μῖσος εἶχεν Οὐίνιος, ὡς τοῖς μὲν ἄλλοις ἅπασιν ἀνελεύθερον παρέχων τὸν ἡγεμόνα καὶ μικρολόγον, αὐτὸς δὲ χρώμενος ἀσώτως καὶ λαμβάνων πάντα καὶ πιπράσκων.

[4] ὁ μὲν γὰρ Ἡσίοδος

ἀρχομένου τε πίθου καὶ λήγοντος κορέσασθαι

φησὶ δεῖν, ὁ δὲ Οὐίνιος ὁρῶν ἀσθενῆ καὶ γέροντα τὸν Γάλβαν ἐνεπίμπλατο τῆς τύχης, ὡς ἅμα μὲν ἀρχομένης, ἅμα δὲ φθινοῦσης.

[17] [1] Ὁ δὲ πρεσβύτης ἠδικεῖτο τὰ μὲν πρῶτα τοῦ Οὐνίου κακῶς διοικοῦντος, ἃ δὲ αὐτὸς ὀρθῶς προηρεῖτο διαβάλλοντος ἢ κωλύοντος· οἷον ἦν τὸ περὶ τὰς κολάσεις τῶν Νερωνιανῶν.

[2] ἀπέκτεινε γὰρ τοὺς πονηροὺς, ἐν οἷς ἦν ὁ Ἥλιος καὶ Πολύκλειτος καὶ Πετῖνος καὶ Πατρόβιος. ὁ δὲ δῆμος ἐκρότει, καὶ δι' ἀγορᾶς αὐτῶν ἀγομένων ἐβόα καλὴν μὲν εἶναι καὶ θεοφιλῆ πομπήν, ἀπαιτεῖν δὲ καὶ θεοὺς καὶ ἀνθρώπους τὸν διδάσκαλον καὶ παιδαγωγὸν τῆς τυραννίδος Τιγελλῖνον. ἐφθάκει δὲ ὁ γενναῖος προειληφὼς ἀρραβῶσι [3] μεγάλοις τὸν Οὐνίον. εἴτα Τουρπιλιανὸς μὲν, ὅτι μὴ προεδίδου μηδὲ ἐμίσει τὸν ἡγεμόνα τοιοῦτον ὄντα μισούμενος, ἄλλο δὲ μηδὲ ἐν μέγα συναδικήσας, ἀπέθανεν· ὁ δὲ καὶ ποιήσας ἄξιον θανάτου Νέρωνα καὶ γενόμενον τοιοῦτον ἐγκαταλιπὼν καὶ προδοὺς περιῆν, μέγα δίδαγμα τοῦ μηδὲν ἄπρακτον εἶναι παρὰ Οὐνίῳ μηδὲ [4] ἀνέλπιστον τοῖς διδοῦσιν.

οὐδενὸς γὰρ οὕτω θεάματος ἐρασθεῖς ὁ Ῥωμαίων δῆμος ὡς τοῦ Τιγελλίνου ἰδεῖν ἀπαγόμενον, οὐδὲ παυσάμενος ἐν πᾶσι θεάτροις καὶ σταδίοις αἰτούμενος ἐκεῖνον, ἐπεπλήχθη διαγράμματι τοῦ αὐτοκράτορος Τιγελλίνου μὲν οὐ πολὺν ἔτι βιώσεσθαι φάσκοντος χρόνον ὑπὸ φθινάδος νόσου δαπανώμενον, ἐκείνους δὲ παραιτουμένου μὴ διαγριαίνειν [5] μηδὲ τυραννικὴν ποιεῖν τὴν ἡγεμονίαν. ἀχθομένου δὲ τοῦ δήμου καταγελῶντες ὁ μὲν Τιγελλίνος ἔθυσσε σωτήρια καὶ παρεσκεύασε λαμπρὰν ἐστίαν, ὁ δὲ Οὐίνιος ἀναστὰς παρὰ τοῦ αὐτοκράτορος μετὰ δεῖπνον ἐκώμασεν ὡς ἐκεῖνον, ἄγων τὴν θυγατέρα χήραν οὔσαν. καὶ προὔπιεν ὁ Τιγελλίνος αὐτῇ πέντε καὶ εἴκοσι μυριάδας ἀργυρίου, καὶ τῶν παλλακίδων τὴν ἀγελαρχοῦσαν ἐκέλευσε τὸν περιδέριον κόσμον ἀφελομένην ἐκείνῃ περιάψαι, πεντεκαίδεκα μυριάδων εἶναι λεγόμενον.

[18] [1] Ἐκ δὲ τούτου καὶ τὰ μετρίως πραττόμενα διαβολὴν εἶχεν, ὡς τὰ πρὸς τοὺς Γαλάτας Οὐῖνδικι συναραμένους. ἐδόκουν γὰρ οὐ φιλανθρωπία τοῦ αὐτοκράτορος, ἀλλὰ ὠνούμενοι παρὰ Οὐίνιου τυγχάνειν ἀνέσεώς τε δασμῶν καὶ [2] πολιτείας. οἱ μὲν οὖν πολλοὶ διὰ ταῦτα πρὸς τὴν ἡγεμονίαν ἀπηχθάνοντο, τοὺς δὲ στρατιώτας τὴν δωρεὰν μὴ κομιζομένους ἐν ἀρχῇ μὲν ἐλπίς παρῆγεν ὡς, εἰ καὶ μὴ τοσοῦτον, ἀλλ' ὅσον Νέρων ἔδωκεν, ἀποδύσοντος. ἐπεὶ δὲ μεμφομένους ἀκούσας ἀφῆκε φωνὴν ἡγεμόνι μεγάλῳ πρέπουσαν, εἰπὼν εἰωθῆναι καταλέγειν στρατιώτας, οὐκ ἀγοράζειν, πυθομένοις τοῦτο δεινὸν εἰσῆλθε μῖσος καὶ ἄγριον πρὸς αὐτόν. ἐδόκει γὰρ οὐκ αὐτὸς ἀποστερεῖν μόνος, ἀλλὰ νομοθετεῖν καὶ διδάσκειν τοὺς μεθ' αὐτὸν αὐτοκράτορας.

[3] Ἀλλὰ τὸ μὲν ἐν Ῥώμῃ τυφλὸν ἦν ἔτι κίνημα, καί τις αἰδῶς ἅμα πρὸς παρόντα τὸν Γάλβαν ἀμβλύτητα καὶ μέλλουσιν ἐνεποιεῖ τῷ νεωτερισμῷ, καὶ τὸ μηδεμίαν ἀρχὴν ἐμφανῇ μεταβολῆς ὁρᾶσθαι συνέστελλε καὶ συνέκρυπτεν ἁμῶς γέ πως τὴν δυσμένειαν αὐτῶν. οἱ δὲ πρότερον ὑπὸ Οὐεργινίῳ γενόμενοι, τότε δ' ὄντες ὑπὸ Φλάκκῳ περὶ Γερμανίαν, μεγάλων μὲν ἀξιοῦντες αὐτοὺς διὰ τὴν μάχην ἣν ἐμαχέσαντο πρὸς Οὐῖνδικα, μηδενὸς δὲ τυγχάνοντες, ἀπαρηγόρητοι τοῖς [4] ἄρχουσιν ἦσαν. αὐτὸν δὲ τὸν Φλάκκον ὑπὸ συντόνου ποδάγρας ἀδύνατον ὄντα τῷ σώματι καὶ πραγμάτων ἄπειρον ἐν οὐδενὶ λόγῳ τὸ παράπαν ἐποιοῦντο. καί ποτε θέας οὔσης, καὶ τῶν χιλιάρχων καὶ λοχαγῶν τὸ Ῥωμαίοις σύνηθες

εὐτυχίαν ἐπευχομένων τῷ αὐτοκράτορι Γάλβᾳ, διεθορύβησαν οἱ πολλοὶ τὸ πρῶτον, εἶτα ταῖς εὐχαῖς ἐπιμενόντων ἐκείνων ἀντεφώνουν “Εἰ ἄξιος.”

[19] [1] Τοιαῦτα δὲ ἕτερα καὶ τῶν ὑπὸ Τιγελλίνῳ ταγμάτων ὑβριζόντων πολλάκις, ἐπέμετο γράμματα τῷ Γάλβᾳ παρὰ τῶν ἐπιτρόπων· ὁ δὲ φοβηθεὶς ὡς μὴ μόνον διὰ τὸ γῆρας, ἀλλὰ καὶ διὰ τὴν ἀπαιδίαν καταφρονούμενος, ἐβουλεύετο παῖδα θέσθαι τῶν ἐπιφανῶν τινα νεανίσκον καὶ [2] διάδοχον ἀποδεῖξαι τῆς ἀρχῆς. ἦν δὲ Μάρκος Ὅθων, ἀνὴρ γένει μὲν οὐκ ἀφανῆς, τρυφῇ δὲ καὶ φιληδονίαις εὐθύς ἐκ παίδων ἐν ὀλίγοις Ῥωμαίων διεφθαρμένος. ὡς δὲ τὸν Ἀλέξανδρον Ὅμηρος “Ἐλένης πόσιν ἠϋκόμοιο,” μὴδὲν ἔχοντα πρὸς δόξαν ἄλλο σεμνύνων ἀπὸ τῆς γυναικός, ὀνομάζει πολλάκις, οὕτως γεγωνὶς περιβόητος ἐν Ῥώμῃ διὰ τὸν Ποππαίας γάμον, ἧς ἦρα μὲν ὁ Νέρων Κρισπίνῳ συνούσης, ἔτι δ’ αἰδούμενος τὴν ἑαυτοῦ γυναῖκα καὶ τὴν μητέρα φοβούμενος ὑφῆκε τὸν [3] Ὅθωνα πειρῶντα τὴν Ποππαίαν. φίλῳ δὲ τῷ Ὅθωνι καὶ συμβιωτῇ διὰ τὴν ἀσωτίαν ἐχρῆτο, καὶ σκωπτόμενος ὑπ’ αὐτοῦ πολλάκις εἰς μικρολογίαν καὶ ἀνελευθερίαν ἔχαιρε. λέγεται δὲ ποτε μύρῳ τῶν πολυτελῶν χρισαμένου τοῦ Νέρωνος καὶ τὸν Ὅθωνα καταβρέξαντος, ἐκεῖνος πάλιν τῇ ὑστεραίᾳ δεχόμενος αὐτὸν ἅμα πολλαχόθεν ἀργυροῦς καὶ χρυσοῦς προβαλεῖν ἄφνω σωλῆνας, ὥσπερ ὕδωρ τὸ μύρον ἐκχέοντας καὶ [4] κατακλύζοντας. ἀλλὰ τὴν γε Ποππαίαν προμοιχεύσας τῷ Νέρωνι, καὶ διαφθείρας ταῖς εἰς ἐκεῖνον ἐλπίσιν, ἐπεισεν ἀποστῆναι τοῦ ἀνδρός. ἐλθούσης δὲ παρ’ αὐτὸν ὡς γαμετῆς οὐκ ἠγάπα μετέχων, ἀλλ’ ἡσχαλλε μεταδιδούς, οὐδὲ αὐτῆς ἀχθομένης, ὡς φασι, τῇ ζηλοτυπίᾳ τῆς Ποππαίας.

[5] καὶ γὰρ ἀποκλεῖσαι τὸν Νέρωνα λέγεται μὴ παρόντος τοῦ Ὅθωνος, εἴτε τῆς ἡδονῆς ἀφαιροῦσα τὸ πλήσιμον, εἴτε, ὡς φασιν ἔνιοι, βαρυνομένη τὸν Καίσαρος γάμον, ἐραστῇ δὲ μὴ φεύγουσα χρῆσθαι διὰ τὸ φιλακόλαστον. ἐκινδύνευσεν οὖν ὁ Ὅθων ἀποθανεῖν· καὶ παράλογον ἦν ὅτι τὴν γυναῖκα καὶ ἀδελφὴν ἀποκτείνας διὰ τὸν Ποππαίας γάμον ἐφείσατο τοῦ Ὅθωνος.

[20] [1] Σενέκαν δὲ εἶχεν εὖνουν· κἀκείνου τὸν Νέρωνα πείσαντος καὶ παραινέσαντος ἐξεπέμφθη Λυσιτανῶν στρατηγὸς ἐπὶ τὸν Ὀκεανόν. καὶ παρέσχεν ἑαυτὸν οὐκ ἄχαριν οὐδὲ ἐπαχθῇ τοῖς ὑπηκόοις, εἰδὼς φυγῆς ὑποκόρισμα καὶ παρακάλυμμα [2] τὴν

ἀρχὴν αὐτῷ δεδομένην. ἀποστάντος δὲ Γάλβα πρῶτος αὐτῷ προσεχώρησε τῶν ἡγεμόνων, καὶ φέρων ὅσον εἶχεν ἐν ἐκπύμασι καὶ τραπέζαις ἄργυρον καὶ χρυσὸν ἔδωκε κατακόψαι ποιουμένῳ νόμισμα, καὶ τῶν οἰκετῶν ἐδωρήσατο τοὺς εἰθισμένους περὶ δίαίταν ἡγεμόνι ἐμμελῶς ὑπουργεῖν. καὶ τὰ ἄλλα πιστὸς ἦν αὐτῷ, καὶ διδοὺς πείραν οὐδενὸς ἦττον ἐδόκει πραγμάτων ἔμπειρος εἶναι· καὶ βαδίζοντι τὴν ὁδὸν ἅπασαν ἐφ' ἡμέρας πολλὰς συνοχούμενος διετέλεσεν.

[3] ἐν δὲ τῇ συνοδίᾳ καὶ τῇ συνηθείᾳ τὸν Οὐίνιον ἐξεθεράπευσεν ὁμιλία καὶ δώροις, μάλιστα δὲ τῶν πρωτείων ὑφιέμενος αὐτῷ τό γε μετ' ἐκείνον δύνασθαι δι' ἐκείνον εἶχε βεβαίως. τῷ δὲ ἀνεπιφθόνῳ περιῆν, προῖκα συμπράττων πάντα τοῖς δεομένοις, καὶ παρέχων ἑαυτὸν εὐπροσήγορον καὶ φιλόφρονον ἅπασιν. πλεῖστα δὲ τοῖς στρατιωτικοῖς συνελάμβανε καὶ προῆγε πολλοὺς ἐφ' ἡγεμονίας, τὰ μὲν αἰτούμενος ἀπὸ τοῦ αὐτοκράτορος, [4] τὰ δὲ τὸν Οὐίνιον καὶ τοὺς ἀπελευθέρους παρακαλῶν Ἰκελὸν καὶ Ἀσιατικόν· οὗτοι γὰρ ἦσαν ἐν δυνάμει μάλιστα τῶν περὶ τὴν αὐλήν. ὅσῳ δὲ τὸν Γάλβαν εἰστία, τὴν παραφυλάττουσαν αἰὲς σπεῖραν ἐδέκαζε χρυσοῦν ἐκάστῳ διανέμων, οἷς τιμᾶν αὐτὸν ἐδόκει καταπολιτευόμενος καὶ δημαγωγῶν τὸ στρατιωτικόν.

[21] [1] Ἄλλ' οὗν βουλευομένου γε τοῦ Γάλβα περὶ διαδόχου τὸν Ὅθωνα παρειαῖον ὁ Οὐίνιος, οὐδὲ τοῦτο προῖκα πράσσων, ἀλλ' ἐπὶ γάμῳ τῆς θυγατρὸς, ὁμολογίας γενομένης γαμεῖν αὐτὴν τὸν Ὅθωνα παῖδα τοῦ Γάλβα καὶ διάδοχον ἀποδειχθέντα τῆς ἡγεμονίας. ὁ δὲ Γάλβας αἰὲς μὲν ἦν δηλὸς πρὸ τοῦ ἰδίου τὸ κοινὸν τιθέμενος καὶ ζητῶν οὐχ αὐτῷ θέσθαι τὸν ἡδιστον, ἀλλὰ Ῥωμαίοις [2] τὸν ὠφελιμώτατον. δοκεῖ δὲ μηδ' ἂν ἐπὶ τοῖς ἰδίῳις χρήμασι μόνον ἐλέσθαι τὸν Ὅθωνα κληρονόμον, ἀκόλαστον εἰδῶς καὶ πολυτελεῖ καὶ πεντακισχιλίων μυριάδων ὀφλήμασι βεβαπτισμένον. ὅθεν ἀκούσας τοῦ Οὐίνιου σιωπῇ καὶ πρῶως ὑπερέθετο τὴν διάθεσιν. ἀποδείξας δ' αὐτὸν ὑπάτον καὶ συνάρχοντα τὸν Οὐίνιον ἐπίδοξος ἦν ἔτους ἀρχῇ τὸν διάδοχον ἀναγορεύσειν· καὶ τὸ στρατιωτικὸν ἡδέως εἶχε τὸν Ὅθωνα παρ' ὀντινοῦν ἄλλον ἀναγορευθῆναι.

[22] [1] Καταλαμβάνει δ' αὐτὸν ἔτι μέλλοντα καὶ βουλευόμενον ἐκραγόντα τὰ Γερμανικά. κοινῇ γὰρ ἅπαντες οἱ στρατευόμενοι τὸν

Γάλβαν ἐμίσουν οὐκ ἀποδιδόντα τὴν δωρεάν, ἰδίας δὲ ἐκεῖνοι προφάσεις ἐποιοῦντο Οὐεργίνιον τε Ῥοῦφον ἀπερριμμένον ἀτίμως καὶ Γαλατῶν τοὺς πολεμήσαντας [2] αὐτοῖς δωρεῶν τυγχάνοντας, ὅσοι δὲ μὴ προσέθεντο Οὐῖνδικι κολαζομένους, ὧ μόνῳ τὸν Γάλβαν χάριν εἶδέναι καὶ τιμὰν τεθνηκότα καὶ γεραίρειν δημοσίοις ἐναγισμοῖς, ὡς ὑπ’ ἐκείνου Ῥωμαίων [3] ἀποδεδειγμένον αὐτοκράτορα. τοιούτων ἀναφανδὸν ἤδη λόγων ἐν τῷ στρατοπέδῳ περιφερομένων ἐπῆλθεν ἡ νουμηνία τοῦ πρώτου μηνός, ἣν καλάνδας Ἰανουαρίας καλοῦσι· τοῦ δὲ Φλάκκου συναγαγόντος αὐτοὺς ἐπὶ τὸν ὄρκον ὃν ἔθος ἐστὶν ὁμνύειν ὑπὲρ τοῦ αὐτοκράτορος, τὰς μὲν εἰκόνας τοῦ Γάλβα προσελθόντες ἀνέτρεψαν καὶ κατέσπασαν, αὐτοὶ δὲ ὁμόσαντες ὑπὲρ συγκλήτου καὶ [4] δήμου Ῥωμαίων διελύθησαν. εἴτα τοῖς ἡγεμονικοῖς παρίστατο δεδοικέναι τὴν ἀναρχίαν ὡς ἀπόστασιν. λέγει δέ τις ἐν αὐτοῖς· “Τί πάσχομεν, ὧ συστρατιῶται, μήτ’ ἄλλον ἡγεμόνα ποιοῦμενοι μήτε τὸν νῦν ὄντα φυλάττοντες, ὥσπερ οὐ Γάλβαν, ἀλλ’ ὅλως ἄρχοντα καὶ τὸ ἄρχεσθαι [5] φεύγοντες; Φλάκκον μὲν οὖν Ὀρδεώνιον οὐδὲν ἄλλο ἢ σκιὰν ὄντα Γάλβα καὶ εἰδωλον ἐατέον, ἡμέρας δὲ μιᾶς ὁδὸν ἀφέστηκεν ἡμῶν Οὐῖτέλλιος, ὁ τῆς ἐτέρας Γερμανίας ἡγούμενος, πατρός τε τιμητοῦ καὶ τρις ὑπάτου γενομένου καὶ Κλαυδίῳ Καίσαρι τρόπον τινὰ συνάρξαντος, αὐτός τε τὴν λοιδορουμένην ὑπ’ ἐνίων πενίαν δεῖγμα λαμπρὸν ἔχων χρηστότητος καὶ μεγαλοφροσύνης. φέρε, τοῦτον ἐλόμενοι δείξωμεν ἀνθρώποις πᾶσιν ὡς Ἰβήρων καὶ Λυσιτανῶν ἀμείνους ἐσμέν αὐτοκράτορα αἰρεῖσθαι.”

[6] Ταῦτα τῶν μὲν ἤδη προσιεμένων, τῶν δ’ οὐ προσιεμένων, εἰς ὑπεξελθὼν σημαιοφόρος ἀπήγγειλε τῷ Οὐῖτελλίῳ νυκτός, ἐστιωμένων πολλῶν παρ’ αὐτῷ. τοῦ δὲ λόγου διαπεσόντος εἰς τὰ στρατεύματα πρῶτος Φάβιος Οὐάλης, ἡγεμὼν ἐνὸς τάγματος, τῇ ὑστεραίᾳ μετὰ ἱππέων συχνῶν ἐλάσας αὐτοκράτορα τὸν Οὐῖτέλλιον προσεῖπεν.

[7] ὁ δὲ τὰς μὲν ἔμπροσθεν ἡμέρας ἐδόκει διωθεῖσθαι καὶ ἀναδύεσθαι, τὸ μέγεθος τῆς ἀρχῆς φοβούμενος, τότε δὲ φασιν οἴνου διάπλεων καὶ τροφῆς ὄντα μεσημβρινῆς προελθεῖν καὶ ὑπακοῦσαι Γερμανικὸν ὄνομα θεμένων αὐτῷ, τὸ δὲ Καίσαρος [8] οὐ προσδεξάμενον. εὐθύς δὲ καὶ τὸ μετὰ Φλάκκου στράτευμα τοὺς καλοὺς ἐκείνους καὶ δημοκρατικοὺς εἰς σύγκλητον ὄρκους ἀφέντες

ᾧμοσαν Οὐῖτελλίῳ τῷ αὐτοκράτορι ποιήσῃν τὸ προστασσόμενον.

[23] [1] Οὕτω μὲν ἀνηγορεύθη Οὐῖτέλλιος αὐτοκράτωρ ἐν Γερμανίᾳ. πυθόμενος δὲ τὸν ἐκεῖ νεωτερισμὸν ὁ Γάλβας οὐκέτι τὴν εἰσποίησιν ἀνεβάλλετο. γινώσκων δὲ τῶν φίλων ἐνίους μὲν ὑπὲρ Δολοβέλλα, τοὺς δὲ πλείστους ὑπὲρ Ὅθωνος ἀρχαιρεσιάζοντας, ὧν οὐδέτερον ἐδοκίμαζεν αὐτός, ἄφνω μὴδὲν προειπὼν μετεπέμψατο Πείσωνα, Κράσσου καὶ Σκριβωνίας ἔκγονον, οὓς Νέρων [2] ἀνηρήκει, νεανίαν ἐν τῇ πρὸς πᾶσαν ἀρετὴν εὐφυῖα τὸ κόσμιον καὶ αὐστηρὸν ἐμφανέστατα ἔχοντα· καὶ κατέβαινεν εἰς τὸ στρατόπεδον ἐκεῖνον ἀποδείξων Καίσαρα καὶ διάδοχον. καίτοι μεγάλαι μὲν εὐθύς ἐξίοντι διοσημῖαι παρηκολούθουν, ἀρξαμένου δὲ τὰ μὲν λέγειν ἐν τῷ στρατοπέδῳ, τὰ δὲ ἀναγινώσκειν, τοσαυτάκις ἐβρόντησε καὶ κατήστραψε, καὶ τοσοῦτος ὄμβρος καὶ ζόφος ἐξεχύθη εἰς τὸ στρατόπεδον καὶ τὴν πόλιν, ὥς κατάδηλον εἶναι μὴ προσιέμενον μηδὲ ἐπαινοῦν τὸ δαιμόνιον γινομένην οὐκ ἐπ' ἀγαθῷ τὴν εἰσποίησιν.

[3] ἦν δὲ καὶ τὰ τῶν στρατιωτῶν ὕπουλα καὶ σκυθρωπὰ μηδὲ τότε δωρεᾶς αὐτοῖς δοθείσης.

Τοῦ δὲ Πείσωνος οἱ παρόντες ἐθαύμασαν τῇ τε φωνῇ τεκμαιρόμενοι καὶ τῷ προσώπῳ τὸ τηλικαύτην χάριν ἀνεμπλήκτως, οὐ μὴν ἀναισθήτως δεχόμενον, ὥσπερ αὖ τοῦ Ὅθωνος ἐπεφαίνετο πολλὰ σημεῖα τῇ μορφῇ πικρῶς καὶ σὺν ὀργῇ τῆς ἐλπίδος τὴν ἀπότευξιν φέροντος, ἧς πρῶτος ἀξιώθεις καὶ τοῦ τυχεῖν ἐγγυτάτω γενόμενος τὸ μὴ τυχεῖν ἐποίητο σημεῖον ἔχθους ἅμα καὶ κακονοίας [4] τοῦ Γάλβα πρὸς αὐτόν. ὅθεν οὐδὲ ἄφοβος ἦν περὶ τοῦ μέλλοντος, ἀλλὰ καὶ τὸν Πείσωνα δεδιώς καὶ τὸν Γάλβαν προβαλλόμενος καὶ τῷ Οὐνίῳ χαλεπαίνων ἀπῆει πολλῶν παθῶν πλήρης. οὐδὲ γὰρ τὸ ἐλπίζον ἐκλιπεῖν οὐδὲ ἀπαγορεῦσαι παντάπασιν εἶων οἱ περὶ αὐτὸν ὄντες αἰεὶ μάντις καὶ Χαλδαῖοι, εἰς τὰ μάλιστα δὲ Πτολεμαῖος ἰσχυριζόμενος τῷ προειπεῖν πολλάκις ὥς οὐκ ἀποκτενεῖ Νέρων αὐτόν, ἀλλὰ τεθνήξεται πρότερος, αὐτὸς δὲ περιέσται καὶ ἄρξει Ῥωμαίων (ἐκεῖνο γὰρ ἀληθὲς ἀποδείξας ἡξίου μηδὲ ταῦτα ἀτελπίζειν)· οὐχ ἥκιστα δ' οἱ συναχθόμενοι κρύφα καὶ συνεπιστένοντες ὥς ἀχάριστα πεπονθότι. πλείστοι δὲ τῶν περὶ Τιγελλῖνον καὶ Νυμφίδιον ἐν τιμῇ γεγονότων ἀπερριμμένοι τότε καὶ ταπεινὰ πράττοντες ἐφθείροντο πρὸς αὐτόν καὶ συνηγανάκτουν καὶ παρώξυνον.

[24] [1] Ἐν δὲ τούτοις Οὐετούριος καὶ Βάρβιος, ὁ μὲν ὀπίων, ὁ δὲ τεσσεράριος· οὕτω γὰρ καλοῦνται οἱ διαγγέλων καὶ διοπτήρων ὑπηρεσίας τελοῦντες. μεθ' ὧν Ὅθωνος ἀπελεύθερος Ὀνόμαστος ἐπιφοιτῶν τοὺς μὲν ἀργυρίῳ, τοὺς δὲ ἐλπίσι διέφθειρεν ἤδη σαθοὺς ὄντας καὶ δεομένους προφάσεως. οὐ γὰρ ἦν ἡμερῶν τεσσάρων ἔργον ὑγιαίνοντος στρατοπέδου μεταστῆσαι πίστιν, ὅσαι μεταξὺ τῆς εἰσποίησεως ἐγένοντο καὶ τῆς σφαγῆς. ἔκτη γὰρ ἀνηρέθησαν, ἣν ἄγουσι Ῥωμαῖοι πρὸ δεκαοκτῶ καλανδῶν Φεβρουαρίων.

[2] Ἐκείνῃ γὰρ ἔωθεν εὐθύς ὁ μὲν Γάλβας ἔθυσεν ἐν Παλατίῳ τῶν φίλων παρόντων, ὁ δὲ θύτης Ὀμβρικός ἅμα τῷ λαβεῖν εἰς τὰς χεῖρας τοῦ ἱερείου τὰ σπλάγχνα καὶ προσιδεῖν οὐ δι' αἰνιγμῶν, ἀλλ' ἀντικρυς ἔφη σημεῖα μεγάλης ταραχῆς, καὶ μετὰ δόλου κίνδυνον ἐκ κεφαλῆς ἐπικείμενον τῷ αὐτοκράτορι, μονονουχὶ τὸν Ὅθωνα τοῦ θεοῦ [3] χειρὶ ληπτὸν παραδιδόντος. παρῆν γὰρ ὀπισθεν τοῦ Γάλβα, καὶ προσεῖχε τοῖς λεγομένοις καὶ δεικνυμένοις ὑπὸ τοῦ Ὀμβρικού. θορυβουμένῳ δὲ αὐτῷ καὶ χρόας ἀμείβοντι παντοδαπὰς ὑπὸ δέους παραστὰς Ὀνόμαστος ἀπελεύθερος ἤκειν ἔφη καὶ περιμένειν αὐτὸν οἴκοι τοὺς ἀρχιτέκτονας. ἦν δὲ σύμβολον καιροῦ, πρὸς ὃν ἔδει ἀπαντῆσαι [4] τὸν Ὅθωνα τοῖς στρατιώταις. εἰπὼν οὖν, ὅτι παλαιὰν ἐωνημένος οἰκίαν βούλεται τὰ ὑποπτα δεῖξαι τοῖς πωληταῖς, ἀπῆλθε, καὶ διὰ τῆς Τιβερίου καλουμένης οἰκίας καταβὰς ἐβάδιζεν εἰς ἀγοράν, οὗ χρυσοῦς εἰστήκει κίων, εἰς ὃν αἱ τετμημέναι τῆς Ἰταλίας ὁδοὶ πᾶσαι τελευτῶσιν.

[25] [1] Ἐνταῦθα τοὺς πρώτους ἐκδεξαμένους αὐτὸν καὶ προσειπόντας αὐτοκράτορά φασι μὴ πλείους τριῶν καὶ εἴκοσι γενέσθαι. διό, καίπερ οὐ κατὰ τὴν τοῦ σώματος μαλακίαν καὶ θηλύτητα τῇ ψυχῇ διατεθρυμμένος, ἀλλὰ ἰταμὸς ὢν πρὸς [2] τὰ δεινὰ καὶ ἄτρεπτος, ἀπεδειλίασεν. οἱ δὲ παρόντες οὐκ εἶων, ἀλλὰ τοῖς ξίφεσι γυμνοῖς περιϊόντες αὐτοῦ τὸ φορεῖον ἐκέλευον αἶρεσθαι, παραφθεγγομένου πολλάκις ἀπολωλέναι καὶ τοὺς φορειαφόρους ἐπιταχύνοντος. ἐξήκουον γὰρ ἔνιοι θαυμάζοντες μᾶλλον ἢ ταραττόμενοι διὰ τὴν ὀλιγότητα τῶν ἀποτετολημένων. φερομένῳ δὲ οὕτω δι' ἀγορᾶς ἀπήντησαν ἕτεροι τοσοῦτοι, καὶ πάλιν κατὰ τρεῖς καὶ τέτταρας ἄλλοι προσεπέλαζον.

[3] εἴτα συνανέστρεφον ἅπαντες ἀνακαλούμενοι Καίσαρα καὶ

γυμνὰ τὰ ξίφη προῖσχύμενοι. τῶν δὲ χιλιάρχων ὁ τὴν φυλακὴν ἔχων τοῦ στρατοπέδου Μαρτίαις, ὥς φασι, μὴ συνειδώς, ἐκπλαγεὶς δὲ τῷ ἀπροσδοκῆτῳ καὶ φοβηθεὶς ἐφῆκεν εἰσελθεῖν. γενομένῳ δὲ ἐντὸς οὐδεὶς ἀντέπεσεν. οἱ γὰρ ἀγνοοῦντες τὰ πραττόμενα τοῖς εἰδόσι καὶ συνεστῶσιν ἐκ παρασκευῆς ἐμπεριεχόμενοι καθ' ἓνα καὶ δύο σποράδες, ὑπὸ δέους τὸ πρῶτον, εἴτα πεισθέντες ἐπηκολούθησαν.

[4] Εἰς δὲ τὸ Παλάτιον εὐθὺς μὲν ἀπηγγέλη τῷ Γάλβᾳ παρόντος ἔτι τοῦ θύτου καὶ τῶν ἱερῶν ἐν χερσὶν ὄντων, ὥστε καὶ τοὺς πάνυ πρὸς τὰ τοιαῦτα δυσπειθῶς καὶ ἀτενῶς ἔχοντας ἐκπλήττεσθαι καὶ θαυμάζειν τὸ θεῖον· ὅχλου δὲ παντοδαποῦ συρρέοντος ἐξ ἀγορᾶς, αὐτῷ μὲν Οὐίνιος καὶ Λάκων καὶ τῶν ἀπελευθέρων ἔνιοι γυμνὰ τὰ ξίφη προῖσχύμενοι παρέστησαν, ὁ δὲ Πείσων προελθὼν τοῖς φυλάττουσι τὴν αὐλὴν δορυφόροις [5] ἐνετύγχανε. τοῦ δ' Ἰλλυρικοῦ τάγματος ἐν τῇ καλουμένῃ παστάδι Βιφανία στρατοπεδεύοντος ἀπεστάλη Μάριος Κέλσος, ἀνὴρ ἀγαθός, προκαταληψόμενος.

[26] [1] Βουλευομένου δὲ τοῦ Γάλβᾳ προελθεῖν, καὶ Οὐνίου μὲν οὐκ ἔωντος, Κέλσου δὲ καὶ Λάκωνος παρορμώντων καὶ σφοδρότερον τοῦ Οὐνίου καθαπτομένων, θροῦς διῆλθε πολὺς ὡς ἀνηρημένου τοῦ Ὁθωνος ἐν τῷ στρατοπέδῳ· καὶ μετὰ μικρὸν ὤφθη Ἰούλιος Ἀττικὸς τῶν οὐκ ἀσήμεων ἐν τοῖς δορυφόροις στρατευόμενος γυμνῷ τῷ ξίφει προσφερόμενος καὶ βοῶν ἀνηρηκέναι τὸν Καίσαρος πολέμιον· ὡσάμενος δὲ διὰ τῶν προεστώτων [2] ἔδειξε τῷ Γάλβᾳ τὸ ξίφος ἡμαγμένον. ὁ δὲ βλέψας πρὸς αὐτόν, “Τίς σε,” εἶπεν, “ἐκέλευσε;” τοῦ δὲ ἀνθρώπου τὴν πίστιν εἰπόντος καὶ τὸν ὄρκον ὃν ὤμοσε, καὶ τοῦ πλήθους ἐπιβοῶντος ὡς εὔ, καὶ κροτοῦντος, ἐμβὰς εἰς τὸ φορεῖον ἐκομίζετο τῷ τε Διὶ θῦσαι καὶ φανῆναι τοῖς πολίταις βουλόμενος. ἐμβalόντος δὲ εἰς τὴν ἀγοράν, ὥσπερ τροπαία πνεύματος, ἀπήντησε φήμη κρατεῖν [3] τὸν Ὁθωνα τοῦ στρατεύματος. οἷα δὲ ἐν πλήθει τοσοῦτῳ, τῶν μὲν ἀναστρέφειν, τῶν δὲ προΐεναι, τῶν δὲ θαρρεῖν, τῶν δὲ ἀπιστεῖν βοῶντων, καὶ τοῦ φορείου, καθάπερ ἐν κλύδωνι, δεῦρο κἀκεῖ διαφερομένου καὶ πυκνὸν ἀπονεύοντος, ἐφαίνοντο πρῶτον ἵππεῖς, εἴτα ὀπλῖται διὰ τῆς Παύλου βασιλικῆς προσφερόμενοι, μιᾷ φωνῇ μέγα [4] βοῶντες ἐκποδὼν ἴστασθαι τὸν ἰδιώτην. τῶν μὲν οὖν πολλῶν δρόμος ἦν, οὐ φυγῇ σκιδναμένων, ἀλλ' ἐπὶ τὰς στοὰς καὶ τὰ μετέωρα τῆς ἀγορᾶς, ὥσπερ θέαν

καταλαμβανόντων. Ἀτιλλίου δὲ Βεργελίωνος εἰκόνα Γάλβα προσουδίσαντος, ἀρχὴν τοῦ πολέμου ποιησάμενοι περιηκόντισαν τὸ φορεῖον· ὡς δ' οὐκ ἔτυχον αὐτοῦ, προσῆγον ἐσπασμένοις τοῖς ξίφεσιν. ἦμυνε δὲ οὐδείς οὐδὲ ὑπέστη πλὴν ἑνὸς ἀνδρός, ὃν μόνον ἥλιος ἐπεῖδεν ἐν μυριάσι τοσαύταις ἄξιον τῆς Ῥωμαίων ἡγεμονίας. [5] Σεμπρώνιος ἦν Δῆνσος ἑκατοντάρχης, οὐδὲν ἰδίᾳ χρηστὸν ὑπὸ Γάλβα πεπονθώς, τῷ δὲ καλῶ καὶ τῷ νόμῳ βοηθῶν προέστη τοῦ φορείου. καὶ τὸ κλῆμα πρῶτον, ᾧ κολάζουσιν ἑκατοντάρχαι τοὺς πληγῶν δεομένους, ἐπαράμενος τοῖς ἐπιφερομένοις ἐβόα καὶ διεκελεύετο φεῖδεσθαι τοῦ αὐτοκράτορος. ἔπειτα συμπλεκόμενων αὐτῷ σπασάμενος τὸ ξίφος ἡμύνατο πολὺν χρόνον, ἕως τυφθεὶς τὰς ἰγνύας ἔπεσε.

[27] [1] Τὸν δὲ Γάλβαν, ἀποκλιθέντος τοῦ φορείου περὶ τὸν Κουρτίου καλούμενον λάκκον, ἐκκυλισθέντα τεθωρακισμένον ἔτυπτον ἐπιδραμόντες. ὁ δὲ τὴν σφαγὴν προτείνας, “Δρᾶτε,” εἶπεν, “εἰ τοῦτο τῷ δήμῳ Ῥωμαίων ἄμεινόν ἐστι.”

[2] πολλὰς μὲν οὖν ἔλαβε πληγὰς εἰς τε τὰ σκέλη καὶ τοὺς βραχίονας, ἀπέσφαξε δὲ αὐτόν, ὡς οἱ πλεῖστοι λέγουσι, Καμούριός τις ἐκ τοῦ πεντεκαιδεκάτου τάγματος. ἔνιοι δὲ Τερέντιον, οἱ δὲ Λεκάνιον ἱστοροῦσιν, οἱ δὲ Φάβιον Φάβουλον, ὃν καὶ φασιν ἀποκόψαντα τὴν κεφαλὴν κομίζειν τῷ ἱματίῳ συλλαβόντα, διὰ τὴν ψιλότητα δυσπερίληπτον [3] οὖσαν· ἔπειτα τῶν σὺν αὐτῷ κρύπτειν οὐκ ἐώντων, ἀλλ' ἐκφανῇ πᾶσι ποιεῖν τὴν ἀνδραγαθίαν, περιπεύραντα περὶ λόγχην καὶ ἀναπήλанта πρεσβύτου πρόσωπον, ἄρχοντός τε κοσμοῦ καὶ ἀρχιερέως καὶ ὑπάτου, δρόμῳ χωρεῖν, ὥσπερ αἱ βάκχαι, πολλάκις μεταστρεφόμενον, καὶ κραδαίνοντα τὴν λόγχην αἵματι καταρρεομένην.

Τὸν δ' Ὅθωνα, τῆς κεφαλῆς κομισθείσης, ἀνακραγεῖν λέγουσιν· “Οὐδὲν ἐστι τοῦτο, ᾧ συστρατιῶται, [4] τὴν Πείσωνός μοι κεφαλὴν δείξατε.” μετ' ὀλίγον δὲ ἦκε κομιζομένη· τρωθεὶς γὰρ ἔφευγεν ὁ νεανίσκος, καὶ καταδιωχθεὶς ὑπὸ Μούρκου τινὸς ἀπεσφάγη πρὸς τῷ ἱερῷ τῆς Ἑστίας. ἀπεσφάττετο δὲ καὶ Οὐίνιος ὁμολογῶν κοινωνὸς γεγονέναι τῆς ἐπὶ τὸν Γάλβαν συνωμοσίας· ἐβόα γὰρ ἀποθνήσκειν παρὰ τὴν Ὅθωνος γνῶμην. ἀλλὰ γὰρ καὶ τούτου τὴν κεφαλὴν ἀποτεμόντες καὶ Λάκωνος ἐκόμισαν πρὸς τὸν Ὅθωνα δωρεὰς αἰτοῦντες.

[5] ὥς δέ φησιν Ἀρχίλοχος,
ἐπτὰ γὰρ νεκρῶν πεσόντων, οὓς ἐμάρψαμεν ποσίν,
χίλιοι φονῆες ἐσμέν,

οὕτως τότε πολλοὶ τοῦ φόνου μὴ συνεφάμενοι, χεῖρας δὲ καὶ
ξίφη καθαίμασσοντες ἐπεδείκνυντο καὶ δωρεὰς ἦτουν βιβλία
διδόντες τῷ Ὅθωνι. εἴκοσι γοῦν καὶ ἑκατὸν εὐρέθησαν ὕστερον ἐκ
τῶν γραμματίων, οὓς ὁ Οὐϊτέλλιος [6] ἀναζητήσας ἅπαντας
ἀπέκτεινεν. ἦκε δὲ καὶ Μάριος Κέλσος εἰς τὴν παρεμβολήν. καὶ
πολλῶν αὐτοῦ κατηγορούντων ὅτι τοὺς στρατιώτας ἔπειθε τῷ
Γάλβᾳ βοηθεῖν, καὶ τοῦ πλήθους ἀποκτιννύειν βοῶντος, Ὅθων οὐκ
ἐβούλετο· φοβούμενος δὲ ἀντιλέγειν οὐχ οὕτως ἔφη ταχέως
ἀποκτενεῖν αὐτόν· εἶναι γὰρ ἃ δεῖ πρότερον ἐκπυθέσθαι παρὰ τοῦ
ἀνδρός. ἐκέλευσεν οὖν δήσαντας φυλάττειν, καὶ παρέδωκε τοῖς
μάλιστα πιστευομένοις.

[28] [1] Εὐθύς δὲ βουλὴ συνεκαλεῖτο. καὶ καθάπερ ἄλλοι
γεγονότες ἢ θεῶν ἄλλων γεγονότων συνελθόντες ὠμνουν ὄρκον
ὑπὲρ τοῦ Ὅθωνος, ὃν αὐτὸς ὁμόσας οὐκ ἐτήρησε· καὶ Καίσαρα
καὶ Σεβαστὸν ἀνηγόρευον, ἔτι τῶν νεκρῶν ἀκεφάλων ἐν ταῖς
ὑπατικαῖς ἐσθῆσιν ἐρριμμένων ἐπὶ τῆς [2] ἀγορᾶς. ταῖς δὲ κεφαλαῖς
ὥς οὐδὲν εἶχον ἔτι χρῆσθαι, τὴν μὲν Οὐνίου τῇ θυγατρὶ δισχιλίων
καὶ πεντακοσίων δραχμῶν ἀπέδοντο, τὴν δὲ Πείσωνος ἡ γυνὴ
ἔλαβεν Οὐερανία δεηθεῖσα, τὴν δὲ Γάλβα τοῖς Πατροβίου δούλοις
ἐδωρήσαντο.

[3] λαβόντες δὲ ἐκεῖνοι καὶ πάντα τρόπον αἰκισάμενοι καὶ
καθυβρίσαντες ἔρριψαν ἢ τοὺς ὑπὸ τῶν Καισάρων κολαζομένους
θανатоῦσιν· ὁ δὲ τόπος Σεσσώριον καλεῖται. τὸ δὲ σῶμα τοῦ
Γάλβα Πρίσκος Ἐλβίδιος ἀνείλετο, τοῦ Ὅθωνος ἐπιτρέψαντος·
ἔθαψε δὲ νυκτὸς Ἀργεῖος ἀπελεύθερος.

[29] [1] Τοιαῦτα τὰ κατὰ τὸν Γάλβαν, ἄνδρα μήτε γένει μήτε
πλούτῳ πολλῶν ἀπολειφθέντα Ῥωμαίων, ὁμοῦ δὲ πλούτῳ καὶ
γένει πρωτεύσαντα πάντων τῶν καθ' αὐτόν, πέντε αὐτοκρατόρων
ἡγεμονίαις ἐμβίωσαντα μετὰ τιμῆς καὶ δόξης, ὥστε τῇ δόξῃ
μᾶλλον ἢ τῇ δυνάμει καθελεῖν [2] Νέρωνα. τῶν γὰρ
συνεπιτιθεμένων τότε τοὺς μὲν οὐδεὶς ἠξίωσε τῆς ἡγεμονίας, οἱ δ'
ἐαυτοὺς ἀπηξίωσαν, Γάλβας δὲ καὶ κληθεὶς καὶ ὑπακούσας
αὐτοκράτωρ καὶ τῇ Οὐϊνδικος ἐμπαρσχὼν ὄνομα τόλμη, κίνημα
καὶ νεωτερισμὸν αὐτοῦ λεγομένην τὴν ἀπόστασιν ἐποίησε

πόλεμον [3] ἐμφύλιον, ἀνδρὸς ἡγεμονικοῦ τυχοῦσαν. ὅθεν οὐχ ἑαυτῷ τὰ πράγματα λαμβάνειν, ἀλλὰ μᾶλλον. ἑαυτὸν οἰόμενος διδόναι τοῖς πράγμασιν, ἄρχειν ἡξίου τῶν ὑπὸ Τιγελλίνου καὶ Νυμφιδίου τετιθασευμένων ὡς Σκηπίων ἦρχε καὶ Φαβρίκιος καὶ [4] Κάμιλλος τῶν τότε Ῥωμαίων. ὑπερειπόμενος δὲ τῷ γήρᾳ, ἄχρι τῶν ὅπλων καὶ τῶν στρατευμάτων ἄκρατος ἦν καὶ ἀρχαῖος αὐτοκράτωρ, Οὐνίῳ δὲ καὶ Λάκωνι καὶ τοῖς ἀπελευθέροις πάντα τὰ πράγματα πωλοῦσι παρέχων ἑαυτόν, οἷον Νέρων παρείχετο τοῖς ἀπληστοτάτοις, οὐδένα ποθοῦντα τὴν ἀρχήν, οἰκτείραντας δὲ τοὺς πολλοὺς τὸν θάνατον ἀπέλιπεν.

Otho

[1] [1] Ὁ δὲ νεώτερος αὐτοκράτωρ ἅμ' ἡμέρᾳ προελθὼν εἰς τὸ Καπιτώλιον ἔθυσσε· καὶ κελεύσας Μάριον Κέλσον ἀχθῆναι πρὸς αὐτὸν ἡσπάσατο καὶ διελέχθη φιланθρωπῶς, καὶ παρεκάλεσε τῆς αἰτίας ἐπιλαθέσθαι μᾶλλον ἢ τῆς ἀφέσεως μνημονεύειν. τοῦ δὲ Κέλσου μήτ' ἀγεννῶς ἀποκριναμένου μήτ' ἀναισθήτως, ἀλλὰ φήσαντος αὐτὸ τοῦ τρόπου διδόναι τὸ ἔγκλημα πίστιν, ἐγκεκληῆσθαι γὰρ ὅτι Γάλβα βέβαιον ἑαυτὸν παρέσχε· ὥ χάριν οὐδεμίαν ὦφειλεν, ἡγάσθησαν οἱ παρόντες [2] ἀμφοτέρων καὶ τὸ στρατιωτικὸν ἐπήνεσεν. ἐν δὲ συγκλήτῳ πολλὰ δημοτικὰ καὶ φιάνθρωπα διαλεχθεῖς, ὃν μὲν αὐτὸς ὑπατεύειν χρόνον ἤμελλε, τούτου μέρος ἔνειμεν Οὐεργινίῳ Ρούφῳ, τοῖς δὲ ἀποδεδειγμένοις ὑπὸ Νέρωνος ἢ Γάλβα πᾶσιν ἐτήρησε τὰς ὑπατείας. ἱερωσύναις δὲ τοὺς καθ' [3] ἡλικίαν προήκοντας ἢ δόξαν ἐκόσμησε. τοῖς δὲ ἐπὶ Νέρωνος φυγοῦσι καὶ κατελθοῦσιν ἐπὶ Γάλβα συγκλητικοῖς πᾶσιν ἀπέδωκεν ὅσα μὴ πεπραμένα τῶν κτημάτων ἐκάστου ἐξεύρισκεν. ὅθεν οἱ πρῶτοι καὶ κράτιστοι πεφρικότες πρότερον ὥς οὐκ ἀνδρός, ἀλλὰ τινος ἢ Ποινῆς ἢ παλαμναίου δαίμονος ἄφνω τοῖς πράγμασιν ἐπιπεπτωκότος, ἡδίους ἐγένοντο ταῖς ἐλπίσι πρὸς τὴν ἡγεμονίαν ὥσπερ διαμειδιῶσαν.

[2] [1] Ὁμοῦ δὲ Ῥωμαίους πάντας οὐδὲν εὐφρανεν οὕτως οὐδὲ ὠκείωσατο πρὸς αὐτὸν ὥς τὰ περὶ Τιγελλίνον. ἐλελήθει μὲν γὰρ ἤδη κολαζόμενος αὐτῷ τῷ φόβῳ τῆς κολάσεως ἦν ὥς χρέος ἀπῆται [2] δημόσιον ἢ πόλις, καὶ νοσήμασιν ἀνηκέστοις σώματος, αὐτάς τε τὰς ἀνοσίους καὶ ἀρρήτους ἐν γυναιξὶ πόρναις καὶ ἀκαθάρτοις ἐγκυλινδήσεις, αἷς ἔτι προσέσπαιρε δυσθανατοῦντος αὐτοῦ τὸ ἀκόλαστον ἐπιδραττόμενον, ἐσχάτην τιμωρίαν ἐποιοῦντο καὶ πολλῶν ἀντάξια θανάτων οἱ σωφρονοῦντες. ἡνία δὲ τοὺς πολλοὺς ὅμως τὸν ἥλιον ὁρῶν μετὰ τοσοούτους καὶ τοιούτους δι' [3] αὐτὸν οὐχ ὁρῶντας. ἔπεμψεν οὖν ἐπ' αὐτὸν ὁ Ὅθων εἰς τοὺς περὶ Σινόεσσαν ἀγρούς· ἐκεῖ γὰρ διητᾶτο, πλοίων παρορμούντων, ὥς φευξόμενος ἀπωτέρω. καὶ τόν γε πεμφθέντα χρυσίῳ πολλῷ πείθειν ἐπεχείρησε παρῆναι· μὴ πεισθέντι δὲ δῶρα μὲν ἔδωκεν οὐδὲν ἦπτον, ἐδεήθη δὲ ὑπομεῖναι ἕως ἂν ἀποξυρῇται τὸ γένειον· καὶ λαβὼν αὐτὸς ἑαυτὸν ἐλαιμοτόμησεν.

[3] [1] Οὕτω δὲ τῷ δήμῳ τὴν δικαιοσύνην ἡδονὴν ἀποδοῦς ὁ Καῖσαρ, αὐτὸς ἰδίας ἔχθρας οὐδενὶ τοπαράπαν ἐμνησικάκησε, τοῖς δὲ πολλοῖς χαριζόμενος οὐκ ἔφευγε τὸ πρῶτον ἐν τοῖς θεάτροις Νέρων προσαγορεύεσθαι· καὶ τινων εἰκόνας Νέρωνος εἰς τοῦμφανῆς προθεμένων οὐκ ἐκώλυσε.

[2] Κλούβιος δὲ Ροῦφος εἰς Ἰβηρίαν φησὶ κομισθῆναι διπλώματα, οἷς ἐκπέμπουσι τοὺς γραμματεφόρους, τὸ τοῦ Νέρωνος θετὸν ὄνομα προσγεγραμμένον ἔχοντα τῷ τοῦ Ὁθωνος. οὐ μὴν ἀλλὰ τοὺς πρώτους καὶ κρατίστους αἰσθόμενος ἐπὶ τούτῳ δυσχεραίνοντας ἐπαύσατο.

Τοιαύτην δὲ τῆς ἡγεμονίας κατάστασιν αὐτῷ λαμβανούσης, οἱ μισθοφόροι χαλεποὺς παρῆχον ἑαυτούς, ἀπιστεῖν παρακελευόμενοι καὶ φυλάττεσθαι καὶ κολοῦειν τοὺς ἀξιολόγους, εἴτ' ἀληθῶς φοβούμενοι δι' εὐνοίαν, εἴτε προφάσει χρώμενοι [3] ταύτῃ τοῦ ταράττειν καὶ πολεμοποιεῖν. Κρισπῖνον δὲ πέμψαντος αὐτοῦ τὴν ἑπτακαιδεκάτην σπεῖραν Ὡστίας ἀπάξοντα, κἀκείνου νυκτὸς ἔτι συσκευαζομένου καὶ τὰ ὄπλα ταῖς ἀμάξαις ἐπιθέντος, οἱ θρασύτατοι πάντες ἐβόων οὐδὲν ὑγιᾶς τὸν Κρισπῖνον ἥκειν διανοούμενον, ἀλλὰ τὴν σύγκλητον ἐπιχειρεῖν πράγμασι νεωτέροις, καὶ τὰ ὄπλα [4] κατὰ Καῖσαρος, οὐ Καῖσαρι παρακομίζεσθαι. τοῦ δὲ λόγου πολλῶν ἀπτομένου καὶ παροξύνοντος, οἱ μὲν ἐπελαμβάνοντο τῶν ἀμαξῶν, οἱ δὲ τοὺς ἐνισταμένους ἑκατοντάρχας δύο καὶ τὸν Κρισπῖνον αὐτὸν ἀπέκτειναν, πάντες δὲ διασκευασάμενοι καὶ παρακαλέσαντες ἀλλήλους Καῖσαρι βοηθεῖν ἤλαινον εἰς τὴν Ρώμην· καὶ πυθόμενοι παρ' αὐτῷ δειπνεῖν ὀγδοήκοντα συγκλητικούς, ἐφέροντο πρὸς τὰ βασίλεια, νῦν καιρὸν εἶναι λέγοντες ἐν ταύτῳ [5] πάντας ἀνελεῖν τοὺς Καῖσαρος πολεμίους. ἡ μὲν οὖν πόλις ὥς αὐτίκα διαρπαγησομένη θόρυβον εἶχε πολύν, ἐν δὲ τοῖς βασιλείοις ἦσαν διαδρομαί, καὶ τὸν Ὁθωνα δεινὴ κατελάμβανεν ἀπορία. φοβούμενος γὰρ ὑπὲρ τῶν ἀνδρῶν αὐτὸς ἦν φοβερός ἐκείνοις, καὶ πρὸς αὐτὸν ἀνηρημένους ἑώρα ταῖς ὀψεσιν ἀναύδους καὶ περιδεεῖς, ἐνίους καὶ μετὰ [6] γυναικῶν ἦκοντας ἐπὶ τὸ δεῖπνον. ἅμα δὲ τοὺς ἐπάρχους ἀπέστελλε τοῖς στρατιώταις διαλέγεσθαι καὶ πρᾶννεν κελεύσας, ἅμα δὲ τοὺς κεκλημένους ἄνδρας ἀναστήσας καθ' ἑτέρας θύρας ἀφῆκε· καὶ μικρὸν ἔφθησαν ὑπεκφυγόντες, διὰ τῶν μισθοφόρων ὠθυμένων εἰς τὸν ἀνδρῶνα καὶ πυνθανομένων

τί γεγόνασιν οἱ Καίσαρος πολέμιοι.

[7] τότε μὲν οὖν ὀρθὸς ἀπὸ τῆς κλίνης πολλὰ παρηγορήσας καὶ δεηθεὶς καὶ μηδὲ δακρύων φεισάμενος μόλις ἀπέπεμψεν αὐτοῦς· τῇ δ' ὑστεραίᾳ δωρησάμενος ἅπαντας κατ' ἄνδρα χιλίαις καὶ διακοσίαις καὶ πεντήκοντα δραχμαῖς εἰσῆλθεν εἰς τὸ [8] στρατόπεδον, καὶ τὸ μὲν πλῆθος ἐπήνεσεν, ὡς πρὸς αὐτὸν εὖνουν καὶ πρόθυμον, ὀλίγους δέ τινας οὐκ ἐπ' ἀγαθῷ φήσας ὑποικουρεῖν, διαβάλλοντας αὐτοῦ τὴν μετριότητα καὶ τὴν ἐκείνων εὐστάθειαν, ἥξιου συναγανακτεῖν καὶ συγκολάζειν. ἐπαινούντων δὲ πάντων καὶ κελευόντων, δύο μόνους παραλαβὼν, οἷς οὐδεὶς ἔμελλεν ἄχθεσθαι κολασθεῖσιν, ἀπηλλάγη.

[4] [1] Ταῦτα οἱ μὲν ἀγαπῶντες ἤδη καὶ πιστεύοντες ἐθαύμαζον τὴν μεταβολήν, οἱ δ' ἀναγκαῖα πολιτεύματα πρὸς τὸν καιρὸν ἡγοῦντο, δημαγωγοῦντος αὐτοῦ διὰ τὸν πόλεμον. ἤδη γὰρ ἡγγέλλετο βεβαίως Οὐῖτέλλιος ἀξίωμα καὶ δύναμιν αὐτοκράτορος ἀνειληφώς· καὶ πτεροφόροι συνεχῶς ἐφοίτων ἀεὶ τι προσχωρεῖν ἐκείνῳ φράζοντες, ἔτεροι δὲ τὰ Παννονικὰ καὶ τὰ Δαλματικὰ καὶ τὰ περὶ Μυσίαν στρατεύματα δηλοῦντες [2] ἡρῆσθαι μετὰ τῶν ἡγεμόνων Ὅθωνα. ταχὺ δὲ ἀφίκετο καὶ παρὰ Μουκιανοῦ γράμματα καὶ παρὰ Οὐεσπεσιανοῦ φίλια, τοῦ μὲν ἐν Συρίᾳ, τοῦ δὲ ἐν Ἰουδαίᾳ μεγάλας δυνάμεις ἐχόντων. ὑφ' ὧν ἐπαιρόμενος ἔγραψεν Οὐῖτελλίῳ παραινῶν στρατιωτικὰ φρονεῖν, ὡς χρήματα πολλὰ δώσοντος αὐτοῦ καὶ πόλιν, ἐν ἣ βιώσεται ῥᾶστον καὶ ἡδιστον [3] βίον μεθ' ἡσυχίας. ἀντέγραψε δὲ κάκεῖνος αὐτῷ κατειρωνευόμενος ἡσυχῇ πρῶτον· ἐκ δὲ τούτου διερεθιζόμενοι πολλὰ βλάβσημα καὶ ἀσελγῇ χλευάζοντες ἀλλήλοις ἔγραφον, οὐ ψευδῶς μὲν, ἀνοήτως δὲ καὶ γελοίως θατέρου τὸν ἕτερον ἃ προσῆν ἀμφοτέροις ὀνειδῆ λοιδοροῦντος. ἀσωτίας γὰρ καὶ μαλακίας καὶ ἀπειρίας πολέμων καὶ τῶν πρόσθεν ἐπὶ πενία χρεῶν πλήθους ἔργον ἦν εἰπεῖν ὅποτέρῳ μεῖον αὐτῶν μέτεστι.

[4] Σημεῖων δὲ καὶ φαντασμάτων πολλῶν λεγομένων, τὰ μὲν ἄλλα φήμας ἀδεσπότους καὶ ἀμφιβόλους εἶχεν, ἐν δὲ Καπιτωλίῳ Νίκης ἐφεστώσης ἄρματι τὰς ἡνίας πάντες εἶδον ἀφειμένας ἐκ τῶν χειρῶν, ὥσπερ κρατεῖν μὴ δυναμένης, καὶ τὸν ἐν μεσοποταμίᾳ νήσῳ Γαῖου Καίσαρος ἀνδριάντα μήτε σεισμοῦ γεγονότος μήτε πνεύματος ἀφ' ἐσπέρας [5] μεταστραφέντα πρὸς τὰς ἀνατολάς· ὃ φασὶ συμβῆναι περὶ τὰς ἡμέρας ἐκείνας ἐν αἷς οἱ περὶ

Οὐεσπεσιανὸν ἐμφανῶς ἤδη τῶν πραγμάτων ἀντελαμβάνοντο. καὶ τὸ περὶ τὸν Θύμβριν δὲ σύμπτωμα σημεῖον ἐποιοῦντο οἱ πολλοὶ μοχθηρόν. ἦν μὲν γὰρ ὥρα περὶ ἣν μάλιστα οἱ ποταμοὶ πλήθουσιν, ἀλλ' οὐπω τοσοῦτος ἦρθη πρότερον, οὐδὲ ἀπώλεσε τοσαῦτα καὶ διέφθειρεν, ὑπερχυθεὶς καὶ κατακλύσας πολὺ μέρος τῆς πόλεως, πλεῖστον δὲ ἐν ᾧ τὸν ἐπὶ πράσει διαπλωοῦσι σῖτον, ὡς δεινὴν ἀπορίαν ἡμερῶν συχνῶν κατασχεῖν.

[5] [1] Ἐπεὶ δὲ τὰς Ἀλπεὶς κατέχοντες ἤδη προσηγγέλλοντο Κεκίνας καὶ Οὐάλης Οὐῖτελλίῳ στρατηγοῦντες, ἐν Ῥώμῃ Δολοβέλλας, εὐπατρίδης ἀνὴρ, ὑποψίαν παρεῖχε τοῖς μισθοφόροις νεώτερα φρονεῖν. ἐκεῖνον μὲν οὖν, εἴτε αὐτὸν εἴτε ἄλλον δεδοικώς, εἰς πόλιν Ἀκύνιον παρέπεμψε παραθαρρύνας. καταλέγων δὲ τῶν ἐν τέλει συνεκδήμους ἔταξεν ἐν τούτοις καὶ Λεύκιον τὸν Οὐῖτελλίου ἀδελφόν, οὕτε προσθεὶς οὐδὲν οὕτε ἀφελὼν ἥς [2] εἶχε τιμῆς. ἰσχυρῶς δὲ καὶ τῆς μητρὸς ἐπεμελήθη τοῦ Οὐῖτελλίου καὶ τῆς γυναικός, ὅπως μηδὲν φοβήσονται περὶ αὐτῶν. τῆς δὲ Ῥώμης φύλακα Φλαοῦιον Σαβῖνον, ἀδελφὸν Οὐεσπεσιανοῦ, κατέστησεν, εἴτε καὶ τοῦτο πράξας ἐπὶ τιμῇ Νέρωνος (παρ' ἐκείνου γὰρ εἰλήφει τὴν ἀρχὴν ὁ Σαβῖνος, ἀφείλετο δὲ Γάλβας αὐτόν), εἴτε μᾶλλον εὖνοϊαν ἐνεδείκνυτο Οὐεσπεσιανῶ καὶ πίστιν αὐξῶν Σαβῖνον.

[3] Αὐτὸς μὲν οὖν ἐν Βριξίλλῳ, πόλει τῆς Ἰταλίας περὶ τὸν Ἥριδανὸν ἀπελείφθη, στρατηγοὺς δὲ τῶν δυνάμεων ἐξέπεμψε Μάριόν τε Κέλσον καὶ Σουητῶνιον Παυλῖνον ἔτι τε Γάλλον καὶ Σπουρίναν, ἄνδρας ἐνδόξους, χρήσασθαι δὲ μὴ δυνηθέντας ἐπὶ τῶν πραγμάτων ὡς προηροῦντο τοῖς ἐαυτῶν λογισμοῖς δι' ἀταξίαν καὶ θρασυτητα τῶν [4] στρατιωτῶν. οὐ γὰρ ἠξίουσαν ἐτέρων ἀκούειν, ὡς παρ' αὐτῶν τοῦ αὐτοκράτορος τὸ ἄρχειν ἔχοντος. ἦν μὲν οὖν οὐδὲ τὰ τῶν πολεμίων ὑγιαίνοντα παντάπασιν οὐδὲ χειροήθη τοῖς ἡγεμόσιν, ἀλλ' ἔμπληκτα καὶ σοβαρὰ διὰ τὴν αὐτὴν αἰτίαν. οὐ μὴν ἀλλ' ἐκεῖνοις ἐμπειρία γε παρῆν τοῦ μάχεσθαι [5] καὶ τὸ κάμνειν ἐθάδες ὄντες οὐκ ἔφευγον, οὗτοι δὲ μαλακοὶ μὲν ἦσαν ὑπὸ σχολῆς καὶ διαίτης ἀπολέμου, πλεῖστον χρόνον ἐν θεάτροις καὶ πανηγύρεσι καὶ παρὰ σκηνὴν βεβιωκότες, ὕβρει δὲ καὶ κόμπῳ ἐπαμπέχειν ἐβούλοντο, προσποιήσασθαι τὰς λειτουργίας ὡς κρεῖττονες ἀπαξιοῦντες, οὐχ ὡς ἀδύνατοι φέρειν. ὁ δὲ Σπουρίνας προσβιαζόμενος αὐτοὺς ἐκινδύνευσεν μικρὸν ἐλθόντας ἀνελεῖν [6] αὐτόν. ὕβρεως δὲ καὶ βλασφημίας οὐδεμιᾶς ἐφείσαντο, προδότην

καὶ λυμεῶνα τῶν Καίσαρος καιρῶν καὶ πραγμάτων λέγοντες. ἔνιοι δὲ καὶ μεθυσθέντες ἤδη νυκτὸς ἦλθον ἐπὶ τὴν σκηνὴν ἐφόδιον αἰτοῦντες· εἶναι γὰρ αὐτοῖς πρὸς Καίσαρα βαδιστέον, ὅπως ἐκεῖνου κατηγορήσωσιν.

[6] [1] Ὡνησε δὲ τὰ πράγματα καὶ Σπουρίναν ἐν τῷ παραντίκα λοιδορία περὶ Πλακεντίαν γενομένη τῶν στρατιωτῶν. οἱ γὰρ Οὐῖτελλίου τοῖς τείχεσι προσβάλλοντες ἐχλεύαζον τοὺς Ὅθωνος ἐστῶτας παρὰ τὰς ἐπάλξεις, σκηنيκοὺς καὶ πυρριχιστὰς καὶ Πυθίων καὶ Ὀλυμπίων θεωροὺς, πολέμου δὲ καὶ στρατείας ἀπείρους καὶ ἀθεάτους ἀποκαλοῦντες, καὶ μέγα φρονοῦντας ἐπὶ τῷ γέροντος ἀνόπλου κεφαλὴν ἀποτεμεῖν, τὸν Γάλβαν λέγοντες, εἰς δὲ ἀγῶνα καὶ μάχην ἀνδρῶν οὐκ ἂν ἐκφανῶς [2] καταβάντας. οὕτω γὰρ ἐταράχθησαν ὑπὸ τούτων τῶν ὀνειδῶν καὶ διεκάησαν ὥστε προσπεσεῖν τῷ Σπουρίνῃ, δεόμενοι χρῆσθαι καὶ προστάττειν αὐτοῖς, οὐδένα κίνδυνον οὐδὲ πόνον ἀπολεγομένοις. ἰσχυρᾶς δὲ συστάσης τειχομαχίας καὶ μηχανημάτων πολλῶν προσαχθέντων ἐκράτησαν οἱ τοῦ Σπουρίνα, καὶ φόνῳ πολλῷ τοὺς ἐναντίους ἀποκρουσάμενοι διετήρησαν ἔνδοξον πόλιν καὶ τῶν Ἰταλῶν οὐδεμιᾶς ἦττον ἀνθοῦσαν.

[3] Ἦσαν δὲ καὶ τὰ ἄλλα τῶν Οὐῖτελλίου στρατηγῶν οἱ Ὅθωνος ἐντυχεῖν ἀλυπότεροι καὶ πόλεσι καὶ ιδιώταις· ἐκείνων δὲ Κεκίνας μὲν οὔτε φωνὴν οὔτε σχῆμα δημοτικός, ἀλλ' ἐπαχθῆς καὶ ἀλλόκοτος, σώματος μεγάλου, Γαλατικῶς ἀναξυρίσι καὶ χειρῖσιν ἐνεσκευασμένος, σημείοις καὶ ἄρχουσι [4] Ῥωμαϊκοῖς διαλεγόμενος. καὶ τὴν γυναῖκα παρέπεμπον αὐτῷ λογάδην ἱππεῖς ὀχουμένην ἵππῳ κεκοσμημένην ἐπιφανῶς. Φάβιον δὲ Οὐάλεντα τὸν ἕτερον στρατηγὸν οὔτε ἀρπαγαὶ πολεμίων οὔτε κλοπαὶ καὶ δωροδοκίαι παρὰ συμμάχων ἐνἐπίμπλασαν χρηματιζόμενον, ἀλλὰ καὶ ἐδόκει διὰ τοῦτο βραδέως ὀδεύων ὑστερεῖσθαι τῆς προτέρας [5] μάχης. οἱ δὲ τὸν Κεκίναν αἰτιῶνται, σπεύδοντα τὴν νίκην ἑαυτοῦ γενέσθαι πρὶν ἐκεῖνον ἐλθεῖν, ἄλλοις τε μικροτέροις περιπεσεῖν ἁμαρτήμασι καὶ μάχην οὐ κατὰ καιρὸν οὐδὲ γενναίως συνάψαι, μικροῦ πάντα τὰ πράγματα διαφθείρασαν αὐτοῖς.

[7] [1] Ἐπεὶ γὰρ ἀποκρουσθεὶς τῆς Πλακεντίας ὁ Κεκίνας ἐπὶ Κρεμώνην ὥρμησεν, ἑτέραν πόλιν εὐδαίμονα καὶ μεγάλην, πρῶτος μὲν Ἄννιος Γάλλος πρὸς Πλακεντίαν Σπουρίνῃ βοηθῶν, ὡς ἤκουσε καθ' ὁδὸν τοὺς Πλακεντίνους περιγεγονέναι, κινδυνεύειν δὲ τοὺς

ἐν Κρεμῶνῃ, μετήγαγεν ἐκεῖ τὸ στράτευμα καὶ κατεστρατοπέδευσε πλησίον τῶν πολεμίων· ἔπειτα καὶ τῶν ἄλλων [2] ἕκαστος ἐβοήθει τῷ στρατηγῷ. τοῦ δὲ Κεκίνα λοχίσαντος εἰς λάσια χωρία καὶ ὑλώδη πολλοὺς ὀπλίτας, ἵππεῖς δὲ προεξελάσαι κελεύσαντος, κἂν συνάψωσιν οἱ πολέμιοι κατὰ μικρὸν ἀναχωρεῖν καὶ ἀναφεύγειν, ἄχρι ἂν ὑπάγοντες οὕτως ἐμβάλωσιν αὐτοὺς εἰς τὴν ἐνέδραν, ἐξηγγειλαν αὐτόμολοι τῷ Κέλσῳ. καὶ οὗτος μὲν ἵππεῦσιν ἀγαθοῖς ἀντεξελάσας, πεφυλαγμένως δὲ χρώμενος τῇ διώξει καὶ τὴν ἐνέδραν περισχὼν καὶ συνταράξας, ἐκάλει τοὺς ὀπλίτας ἐκ τοῦ στρατοπέδου.

[3] καὶ δοκοῦσιν ἂν ἐπελθόντες ἐν καιρῷ μηδένα λιπεῖν τῶν πολεμίων, ἀλλὰ πᾶν τὸ μετὰ Κεκίνα στράτευμα συντρίψαι καὶ ἀνελεῖν ἐπισπόμενοι τοῖς ἵππεῦσι· νυνὶ δὲ ὁ Παυλῖνος ὅψε καὶ σχολῇ προσβοηθήσας αἰτίαν ἔσχεν ἐνδεέστερον [4] τῆς δόξης στρατηγήσαι δι' εὐλάβειαν. οἱ δὲ πολλοὶ τῶν στρατιωτῶν καὶ προδοσίαν ἐνεκάλουν αὐτῷ, καὶ παρώξυνον τὸν Ὅθωνα, μεγαληγοροῦντες ὡς νενικηκότων αὐτῶν, τῆς δὲ νίκης οὐκ ἐπὶ πᾶν προελθούσης κακία τῶν στρατηγῶν. ὁ δὲ Ὅθων οὐχ οὕτως ἐπίστευεν αὐτοῖς ὡς ἐβούλετο μὴ δοκεῖν ἀπιστεῖν. ἔπεμψεν οὖν Τιτιανὸν ἐπὶ τὰ στρατεύματα τὸν ἀδελφὸν καὶ Πρόκλον τὸν ἑπαρχον, ὃς εἶχεν ἔργῳ τὴν πᾶσαν ἀρχήν, [5] πρόσχημα δὲ ἦν ὁ Τιτιανός. οἱ δὲ περὶ τὸν Κέλσον καὶ Παυλῖνον ἄλλως ἐφείλκοντο συμβούλων ὄνομα καὶ φίλων, ἐξουσίαν καὶ δύναμιν ἐν τοῖς πράγμασι μηδεμίαν ἔχοντες. ἦν δὲ θορυβώδης καὶ τὰ παρὰ τοῖς πολεμίοις, μάλιστα δὲ τοῖς ὑπὸ τῷ Οὐάλεντι· καὶ τῆς περὶ τὴν ἐνέδραν μάχης ἀπαγγελθείσης ἐχαλέπαινον ὅτι μὴ παρεγένοντο μηδὲ ἤμυναν ἀνδρῶν τοσοῦτων ἀποθανόντων. μόλις δὲ πείσας καὶ παραιτησάμενος ὠρμημένους αὐτοὺς βάλλειν ἀνέξευξε καὶ συνῆψε τοῖς περὶ Κεκίνα.

[8] [1] Ὁ δὲ Ὅθων παραγενόμενος εἰς Βητριάκον εἰς τὸ στρατόπεδον (ἔστι δὲ πολίχνη πλησίον Κρεμῶνης τὸ Βητριάκόν) ἐβουλεύετο περὶ τῆς μάχης. καὶ Πρόκλῳ μὲν ἐδόκει καὶ Τιτιανῷ, τῶν στρατευμάτων ὄντων προθύμων καὶ προσφάτου τῆς νίκης, διαγωνίσασθαι καὶ μὴ καθῆσθαι τὴν ἀκμὴν ἀμβλύνοντα τῆς δυνάμεως καὶ περιμένοντα Οὐϊτέλλιον αὐτὸν ἐκ Γαλατίας ἐπελθεῖν· [2] Παυλῖνος δὲ τοῖς μὲν πολεμίοις ἔφη πάντα μεθ' ὧν μαχοῦνται παρεῖναι, καὶ μηδὲν ἐνδεῖν, Ὅθωνι δὲ τῆς ἤδη παρούσης

οὐκ ἐλάττονα προσδόκιμον εἶναι δύναμιν ἐκ Μυσίας καὶ Παννονίας, ἂν τὸν αὐτοῦ περιμένη καιρόν, ἀλλὰ μὴ στρατηγῇ πρὸς [3] τὸν τῶν πολεμίων. οὐ γὰρ ἀμβλυτέροις γε χρήσεσθαι τότε τοῖς νῦν θαρροῦσιν ἀπ' ἐλαττόνων, ἂν πλείονας τοὺς ἀγωνιζομένους προσλάβωσιν, ἀλλ' ἐκ περιουσίας ἀγωνιεῖσθαι· καὶ χωρὶς δὲ τούτου τὴν διατριβὴν εἶναι πρὸς αὐτῶν ἐν ἀφθόνοις πᾶσιν ὄντων, ἐκείνοις δὲ τὸν χρόνον ἀπορίαν παρέξειν τῶν ἀναγκαίων ἐν πολεμίᾳ καθεζομένοις.

[4] ταῦτα λέγοντι Παυλίνῳ Μάριος Κέλσος ἐγένετο σύμφηφος. Ἄννιος δὲ Γάλλος οὐ παρῆν μὲν, ἀλλ' ἐθεραπεύετο πεπτωκῶς ἀφ' ἵππου, γράψαντος δὲ Ὅθωνος αὐτῷ συνεβούλευσε μὴ σπεύδειν, ἀλλὰ τὴν ἐκ Μυσίας περιμένειν δύναμιν ἥδη καθ' ὁδὸν οὔσαν. οὐ μὴν ἐπέθετο τούτοις, ἀλλὰ ἐκράτησαν οἱ πρὸς τὴν μάχην παρορμῶντες.

[9] [1] Αἰτίαι δὲ πλείονες ἄλλαι ὑπ' ἄλλων λέγονται· προδήλως δὲ οἱ στρατηγικοὶ προσαγορευόμενοι καὶ τάξιν ἔχοντες δορυφόρων, τότε μᾶλλον ἀληθινῆς γευόμενοι στρατείας καὶ τὰς ἐν Ῥώμῃ διατριβὰς καὶ διαίτας ἀπολέμους καὶ πανηγυρικὰς ποθοῦντες, οὐκ ἦσαν καθεκτοὶ σπεύδοντες ἐπὶ τὴν μάχην, ὡς εὐθὺς ἐξ ἐπιδρομῆς ἀναρπασόμενοι [2] τοὺς ἐναντίους. δοκεῖ δὲ μηδὲ αὐτὸς Ὅθων ἐξαναφέρειν ἔτι πρὸς τὴν ἀδηλότητα μηδὲ ὑπομένειν ἀηθείᾳ καὶ μαλακότητι τοὺς περὶ τῶν δεινῶν λογισμούς, ἐκπονούμενος δὲ ταῖς φροντίσι σπεύδειν ἐγκαλυψάμενος, ὥσπερ ἀπὸ κρημνοῦ, [3] μεθεῖναι τὰ πράγματα πρὸς τὸ συντυχόν. καὶ τοῦτο μὲν διηγείτο Σεκοῦνδος ὁ ῥήτωρ ἐπὶ τῶν ἐπιστολῶν γενόμενος τοῦ Ὅθωνος. ἐτέρων δὲ ἦν ἀκοῦειν ὅτι τοῖς στρατεύμασιν ἀμφοτέροις παρίσταντο ὁρμαὶ πολλαὶ ὡς εἰς ταῦτ' ἀσυνελεῖν· καὶ μάλιστα μὲν αὐτοὺς ὁμοφρονήσαντας ἐκ τῶν παρόντων ἡγεμονικῶν ἐλέσθαι τὸν ἄριστον, εἰ δὲ μή, τὴν σύγκλητον ὁμοῦ καθίσαντας ἐφεῖναι τὴν [4] αἵρεσιν ἐκείνῃ τοῦ αὐτοκράτορος. καὶ οὐκ ἀπεικός ἐστι, μηδετέρου τότε τῶν προσαγορευομένων αὐτοκρατόρων εὐδοκимоῦντος, ἐπιπίπτειν τοιούτους διαλογισμούς τοῖς γνησίοις καὶ διαπόντοις καὶ σωφρονοῦσι τῶν στρατιωτῶν, ὡς ἔχθιστον εἶη καὶ δεινόν, ἃ πάλαι διὰ Σύλλαν καὶ Μάριον, εἴτα Καίσαρα καὶ Πομπήϊον ὠκτείροντο δρῶντες ἀλλήλους καὶ πάσχοντες οἱ πολῖται, ταῦτα νῦν ὑπομένειν ἢ Οὐῖτελλίῳ λαιμαργίας καὶ οἰνοφλυγίας ἢ τρυφῆς καὶ ἀκολασίας Ὅθωνι τὴν ἡγεμονίαν [5] χορήγημα

προθεμένους. ταῦτ' οὖν ὑπονοοῦσι τοὺς τε περὶ τὸν Κέλσον αἰσθανομένους ἐμβαλεῖν διατριβήν, ἐλπίζοντας ἄνευ μάχης καὶ πόνων κριθήσεσθαι τὰ πράγματα, καὶ τοὺς περὶ τὸν Ὅθωνα φοβουμένους ἐπιταχῦναι τὴν μάχην.

[10] [1] Αὐτὸς δὲ πάλιν εἰς Βρίξιλλον ἀνεχώρησε, καὶ τοῦτο προσεξαμαρτῶν, οὐχ ὅτι μόνον τὴν ἐν ὀφθαλμοῖς αὐτοῦ παρόντος αἰδῶ καὶ φιλοτιμίαν ἀφεῖλε τῶν ἀγωνιζομένων, ἀλλὰ καὶ τοὺς ἐρρωμενεστάτους καὶ προθυμοτάτους δι' αὐτὸν ἱππεῖς καὶ πεζοὺς ἀπαγαγὼν φυλακὴν τοῦ σώματος ὥσπερ εἰ στόμωμα τῆς δυνάμεως ἀπέκοψε.

[2] Συνέβη δὲ ταῖς ἡμέραις ἐκείναις καὶ περὶ τὸν Ἡριδανὸν ἀγῶνα γενέσθαι, τοῦ μὲν Κεκίνα ζευγνύντος τὴν διάβασιν, τῶν δὲ Ὅθωνος εἰργόντων καὶ προσμαχομένων. ὥς δὲ οὐδὲν ἐπέραινον, ἐνθεμένων εἰς τὰ πλοῖα δᾶδα θείου καὶ πίττης ἀνάπλεων, διὰ τοῦ πόρου πνεῦμα προσπεσὼν ἄφνω τὴν παρεσκευασμένην ὕλην ἐπὶ τοὺς πολεμίους [3] ἐξερρίπιζε. καπνοῦ δὲ πρῶτον, εἴτα λαμπρᾶς φλογὸς ἐκπεσούσης, ταραττόμενοι καὶ ἀποπηδῶντες εἰς τὸν ποταμὸν τὰς τε ναῦς ἀνέτρεπον καὶ τὰ σώματα τοῖς πολεμίοις μετὰ γέλωτος παρεῖχον. οἱ δὲ Γερμανοὶ τοῖς Ὅθωνος μονομάχοις περὶ νηοῖδα τοῦ ποταμοῦ προσμίζαντες ἐκράτησαν καὶ διέφθειραν αὐτῶν οὐκ ὀλίγους.

[11] [1] Γενομένων δὲ τούτων, καὶ τῶν ἐν Βητριάκῳ στρατιωτῶν τοῦ Ὅθωνος ἐκφερομένων μετ' ὀργῆς ἐπὶ τὴν μάχην, προήγαγεν αὐτοὺς ὁ Πρόκλος ἐκ τοῦ Βητριάκοῦ, καὶ κατεστρατοπέδευσεν ἀπὸ πεντήκοντα σταδίων οὕτως ἀπείρως καὶ καταγελάστως ὥστε, τῆς μὲν ὥρας ἑαρινῆς οὔσης, τῶν δὲ κύκλῳ πεδίων πολλὰ νάματα καὶ ποταμοὺς [2] ἀεννάους ἐχόντων, ὕδατος σπάνει πιέζεσθαι. τῇ δὲ ὑστεραίᾳ βουλόμενον προάγειν ἐπὶ τοὺς πολεμίους ὁδὸν οὐκ ἐλάττονα σταδίων ἑκατὸν οἱ περὶ τὸν Παυλῖνον οὐκ εἶων, ἀλλ' ὥοντο δεῖν περιμένειν καὶ μὴ προπονεῖν ἑαυτούς, μηδὲ εὐθύς ἐκ πορείας μάχην τίθεσθαι πρὸς ἄνδρας ὥπλισμένους καὶ παρατεταγμένους καθ' ἡσυχίαν, ἐν ὅσῳ χρόνῳ προΐασιν αὐτοὶ τοσαύτην ὁδὸν ἀναμειγμένων [3] ὑποζυγίων καὶ ἀκολουθῶν. οὔσης δὲ περὶ τούτων ἀντιλογίας ἐν τοῖς στρατηγοῖς ἦλθε παρ' Ὅθωνος ἱππεὺς τῶν καλουμένων Νομάδων γράμματα κομίζων κελεύοντα μὴ μένειν μηδὲ διατρίβειν, ἀλλ' ἄγειν εὐθύς ἐπὶ τοὺς πολεμίους. ἐκεῖνοι μὲν οὖν ἄραντες ἐχώρουν, ὁ δὲ Κεκίνας

πυθόμενος τὴν ἔφοδον αὐτῶν ἐθορυβήθη, καὶ κατὰ σπουδὴν ἀπολιπὼν τὰ ἔργα καὶ τὸν ποταμὸν [4] ἦκεν εἰς τὸ στρατόπεδον. ὠπλισμένων δὲ ἤδη τῶν πολλῶν, καὶ τὸ σύνθημα παραλαμβάνοντων παρὰ τοῦ Οὐάλεντος, ἐν ὧσιν τὴν τάξιν διελάχχανε τὰ τάγματα, τοὺς ἀρίστους τῶν ἱππέων προεξέπεμψαν.

[12] [1] Ἐμπύπτει δὲ τοῖς προτεταγμένοις τῶν Ὄθωνος ἐκ δὴ τινος αἰτίας δόξα καὶ λόγος ὥς μεταβαλουμένων τῶν Οὐίτελλίου στρατηγῶν πρὸς αὐτούς. ὥς οὖν ἐγγὺς ἦσαν, ἡσπάσαντο φιλίως συστρατιώτας προσαγορεύσαντες. ἐκείνων δὲ τὴν προσαγόρευσιν οὐκ εὖμενῶς, ἀλλὰ μετὰ θυμοῦ καὶ φωνῆς πολεμικῆς ἀμειψαμένων, τοῖς μὲν ἀσπασαμένοις ἀθυμία, τοῖς δὲ λοιποῖς ὑπόνοια κατὰ τῶν ἀσπασαμένων ὥς προδιδόντων [2] παρέστη. καὶ τοῦτο πρῶτον αὐτοὺς ἐτάραξεν ἤδη τῶν πολέμιων ἐν χερσὶν ὄντων. εἴτα τῶν ἄλλων οὐδὲν ἦν κόσμῳ γινόμενον, ἀλλὰ πολλὴν μὲν ἀταξίαν τὰ σκευοφόρα τοῖς μαχομένοις ἐμπλαζόμενα παρεῖχε, πολλοὺς δὲ τὰ χωρία διασπασμοὺς ἐποίει τάφρων ὄντα μεστὰ καὶ ὀρυγμάτων, ἃ φοβούμενοι καὶ περιϊόντες ἠναγκάζοντο φύρδην καὶ κατὰ μέρη πολλὰ συμπλέκεσθαι τοῖς [3] ἐναντίοις. μόναι δὲ δύο λεγεῶνες (οὕτω γὰρ τὰ τάγματα Ῥωμαῖοι καλοῦσιν), ἐπὶ κλησὶν ἢ μὲν Οὐίτελλίου Ἀρπαξ, ἢ δὲ Ὄθωνος Βοηθός, εἰς πεδίον ἐξελίξασαι ψιλὸν καὶ ἀναπεπταμένον, νόμιμόν τινα μάχην, συμπεσοῦσαι φαλαγγηδόν, ἐμάχοντο πολὺν χρόνον. οἱ μὲν οὖν Ὄθωνος ἄνδρες ἦσαν εὖρωστοι καὶ ἀγαθοί, πολέμου δὲ καὶ μάχης τότε πρῶτον πείραν λαμβάνοντες· οἱ δὲ Οὐίτελλίου πολλῶν ἀγώνων ἐθάδες, ἤδη δὲ γηραιοὶ καὶ παρακμάζοντες.

[4] Ὁρμήσαντες οὖν ἐπ' αὐτοὺς οἱ Ὄθωνος ἐώσαντο καὶ τὸν ἀετὸν ἀφείλοντο, πάντας ὁμοῦ τι τοὺς προμάχους ἀποκτείναντες· οἱ δὲ ὑπὸ αἰσχύνῃς καὶ ὀργῆς ἐμπεσόντες αὐτοῖς τὸν τε πρεσβευτὴν τοῦ τάγματος Ὀρφίδιον ἔκτειναν καὶ πολλὰ τῶν σημείων ἤρπασαν. τοῖς δὲ μονομάχοις ἐμπειρίαν τε καὶ θάρσος ἔχειν πρὸς τὰς συμπλοκάς δοκοῦσιν ἐπήγαγεν Οὐάρος Ἀλφῆνος τοὺς καλουμένους [5] Βατάβους. εἰσὶ δὲ Γερμανῶν ἱππεῖς ἄριστοι, νῆσον οἰκοῦντες ὑπὸ τοῦ Ῥήνου περιρρεομένην. τούτους ὀλίγοι μὲν τῶν μονομάχων ὑπέστησαν, οἱ δὲ πλεῖστοι φεύγοντες ἐπὶ τὸν ποταμὸν ἐμπίπτουσιν εἰς σπεύρας τῶν πολέμιων αὐτόθι τεταγμένας, ὑφ' ὧν ἀμυνόμενοι πάντες ὁμαλῶς διεφθάρησαν.

[6] αἰσχιστα δὲ ἡγωνίσαντο πάντων οἱ στρατηγικοί, μηδὲ ὅσον ἐν

χερσὶ γενέσθαι τοὺς ἐναντίους ὑπομείναντες, ἀλλὰ καὶ τοὺς ἀηττήτους ἔτι φόβου καὶ παραχῆς ἀνεπίμπλασαν φεύγοντες δι' αὐτῶν. οὐ μὴν ἀλλὰ πολλοί γε τῶν Ὅθωνος νενικηκότες τοὺς καθ' αὐτοὺς ἐβίασαντο καὶ διεξέπεσον διὰ τῶν πολεμίων κρατούντων εἰς τὸ στρατόπεδον.

[13] [1] Τῶν δὲ στρατηγῶν οὔτε Πρόκλος οὔτε Παυλῖνος συνεισελθεῖν ἐτόλμησαν, ἀλλ' ἐξέκλιναν φοβούμενοι τοὺς στρατιώτας ἥδη τὴν αἰτίαν ἐπὶ τοὺς στρατηγοὺς τρέποντας. Ἄννιος δὲ Γάλλος ἀνελάμβανεν ἐν τῇ πόλει καὶ παρεμυθεῖτο τοὺς ἐκ τῆς μάχης συλλεγομένους, ὡς ἀγχωμάλου γεγεννημένης καὶ πολλοῖς κεκρατηκότες μέρεσι [2] τῶν πολεμίων. Μάριος δὲ Κέλσος τοὺς ἐν τέλει συναγαγὼν ἐκέλευσε σκοπεῖν τὸ κοινόν, ὡς ἐπὶ συμφορᾷ τηλικαύτῃ καὶ φόνῳ τοσοῦτῳ πολιτῶν μηδὲ Ὅθωνος, εἴπερ ἀνὴρ ἀγαθός ἐστιν, ἐθελήσοντος ἔτι πειρᾶσθαι τῆς τύχης, ὅπου καὶ Κάτων καὶ Σκηπίων, Καίσαρι κρατοῦντι μετὰ Φάρσαλον εἶξαι μὴ θελήσαντες, αἰτίαν ἔχουσιν ὡς πολλοὺς καὶ ἀγαθοὺς ἄνδρας ἐν Λιβύῃ παραναλώσαντες οὐκ ἀναγκαίως, καίπερ ἀγωνιζόμενοι περὶ τῆς [3] Ῥωμαίων ἐλευθερίας. τὰ γὰρ ἄλλα κοινὴν ἢ τύχην παρέχουσα πᾶσιν ἑαυτὴν ἐν οὐκ ἀφαιρεῖται τῶν ἀγαθῶν, τὸ κἂν πταίσωσιν εὐλογιστεῖν πρὸς τὰ συντυγχάνοντα.

Ταῦτα λέγων ἔπειθε τοὺς ἡγεμονικοὺς. ἐπεὶ δὲ πειρώμενοι τοὺς στρατιώτας ἐώρων εἰρήνης δεομένους καὶ Τιτιανὸς ἐκέλευε πρεσβεύειν ὑπὲρ ὁμονοίας, ἔδοξε Κέλσῳ καὶ Γάλλῳ βαδίζειν καὶ διαλέγεσθαι τοῖς περὶ τὸν Κεκίαν καὶ Οὐάλεντα.

[4] βαδίζουσι δὲ αὐτοῖς ἀπήνησαν ἑκατοντάρχαι τὴν μὲν δύναμιν ἥδη κεκινημένην λέγοντες ἐρχομένην ἐπὶ τὸ Βητριάκον, αὐτοὶ δὲ ὑπὸ τῶν στρατηγῶν ἀπεστάλθαι περὶ ὁμονοίας. ἐπαινέσαντες οὖν οἱ περὶ τὸν Κέλσον ἐκέλευσαν αὐτοὺς ἀναστρέψαντας πάλιν ἀπαντᾶν μετ' αὐτῶν τοῖς περὶ τὸν Κεκίαν. ἐπεὶ δὲ ἐγγὺς ἦσαν, ἐκινδύνευσεν ὁ Κέλσος. ἔτυχον γὰρ οἱ περὶ τὴν ἐνέδραν ἡττημένοι [5] πρότερον ἱππεῖς προεξελαύνοντες. ὡς οὖν προσιόντα τὸν Κέλσον κατεῖδον, εὐθὺς βοήσαντες ὥρμησαν ἐπ' αὐτόν. οἱ δὲ ἑκατοντάρχαι προέστησαν ἀνείργοντες· καὶ τῶν ἄλλων λοχαγῶν φείδεσθαι βοώντων οἱ περὶ τὸν Κεκίαν πυθόμενοι καὶ προσελάσαντες τὴν ἀκοσμίαν ταχὺ τῶν ἱππέων ἔπαυσαν, τὸν δὲ Κέλσον ἀσπασάμενοι φιλοφρόνως ἐβάδιζον μετ' αὐτῶν εἰς τὸ Βητριάκον.

[6] ἐν δὲ τούτῳ μετάνοια Τιτιανὸν ἔσχεν ἐκπέμψαντα τοὺς πρέσβεις· καὶ τῶν στρατιωτῶν τοὺς θρασυνομένους αὐθις ἀνεβίβαζεν ἐπὶ τὰ τείχη καὶ τοὺς ἄλλους παρεκάλει βοηεῖν. τοῦ δὲ Κεκίνα προσελάσαντος τῷ ἵππῳ καὶ τὴν δεξιὰν ὀρέγοντος οὐδεὶς ἀντέσχεν, ἀλλ' οἱ μὲν ἀπὸ τῶν τειχῶν ἡσπάζοντο τοὺς στρατιώτας, οἱ δὲ τὰς πύλας ἀνοίξαντες ἐξήρσαν καὶ ἀνεμίγνυντο τοῖς προσήκουσιν.

[7] ἡδίκηκε δὲ οὐδεὶς, ἀλλὰ καὶ φιλοφροσύναι καὶ δεξιώσεις ἦσαν, ὥμοσαν δὲ πάντες περὶ τοῦ Οὐῖτελλίου καὶ προσεχώρησαν.

[14] [1] Οὕτω μὲν οἱ πλεῖστοι τῶν παραγενομένων ἀπαγγέλλουσι γενέσθαι τὴν μάχην, οὐδὲ αὐτοὶ σαφῶς ὁμολογοῦντες εἰδέναι τὰ καθ' ἕκαστα διὰ τὴν ἀταξίαν καὶ τὴν ἀνωμαλίαν. ἐμοὶ δὲ ὕστερον ὁδεύοντι διὰ τοῦ πεδίου Μέστριος Φλῶρος, ἀνὴρ ὑπατικὸς τῶν τότε μὴ κατὰ γνώμην, ἀλλ' ἀνάγκῃ μετὰ τοῦ Ὁθωνος γενομένων, νεῶν ὄντα παλαιὸν ἐπιδείξας διηγείτο μετὰ τὴν μάχην ἐπελθὼν ἰδεῖν νεκρῶν σωρὸν τηλικοῦτον ὥστε [2] τοὺς ἐπιπολῆς ἄπτεσθαι τῶν αἰετῶν. καὶ τὴν αἰτίαν ἔφη ζητῶν οὔτε αὐτὸς εὐρεῖν οὔτε παρ' ἄλλου του πυθέσθαι. θνήσκειν μὲν γὰρ παρὰ τοὺς ἐμφυλίου πολέμους, ὅταν τροπὴ γένηται, πλείονας εἰκὸς ἐστὶ, τῷ μηδένα ζωγεῖν, χρῆσθαι γὰρ οὐκ ἔστι τοῖς ἀλίσκομένοις, ἢ δ' ἐπὶ τοσοῦτο σωρεῖα καὶ συμφόρησις οὐκ ἔχει τὴν αἰτίαν εὐσυλλόγιστον.

[15] [1] Τῷ δὲ Ὁθωνι πρῶτον μὲν ἀσαφής, ὥσπερ εἴωθε περὶ τῶν τηλικούτων, προσέπεσε λόγος· ἐπεὶ δὲ καὶ τετρωμένοι τινὲς ἦκον ἐκ τῆς μάχης ἀπαγγέλλοντες, τοὺς μὲν φίλους ἦττον ἂν τις ἐθαύμασεν οὐκ ἐῶντας ἀπαγορεύειν, ἀλλὰ θαρρεῖν παρακελευομένους, τὸ δὲ τῶν στρατιωτῶν πάθος ἄπασαν ὑπερέβαλε πίστιν. ὥς οὐδεὶς ἀπῆλθεν, [2] οὐδὲ μετέστη πρὸς τοὺς κρατοῦντας, οὐδ' ὥφθη τὸ καθ' αὐτὸν ζητῶν ἀπεγνωσμένου τοῦ ἡγεμόνος, πάντες δ' ὁμαλῶς ἐπὶ θύρας ἦλθον, ἐκάλουν αὐτοκράτορα, προσελθόντος ἐγίνοντο προστρώπαιοι, μετὰ βοῆς καὶ ἱκεσίας χειρῶν ἦπτοντο, προσέπιπτον, ἐδάκρυν, ἐδέοντο μὴ σφᾶς ἐγκαταλιπεῖν, μὴ προδοῦναι τοῖς πολεμίοις, ἀλλὰ χρῆσθαι μέχρι ἂν ἐμπνέωσι καὶ ψυχαῖς καὶ σώμασιν ὑπὲρ [3] αὐτοῦ. ταῦτα ὁμοῦ πάντες ἰκέτευον. εἷς δὲ τῶν ἀφανεστέρων ἀνατείνας τὸ ξίφος καὶ εἰπὼν, “Ἴσθι, Καῖσαρ, οὕτως ὑπὲρ σοῦ παρατεταγμένους ἅπαντας,” ἀπέσφαξεν ἑαυτόν.

Ἀλλὰ τούτων οὐδὲν ἐπέκλασε τὸν Ὁθωνα, φαιδρῷ δὲ καὶ

καθεστῶτι προσώπῳ πανταχόσε τὰς ὄψεις περιαγαγών, “Ταύτην,” εἶπεν, “ὧ συστρατιῶται, τὴν ἡμέραν ἐκείνης, ἐν ἧ με πρῶτον ἐποιήσατε αὐτοκράτορα, μακαριωτέραν ἡγοῦμαι, τοιούτους ὁρῶν ὑμᾶς καὶ τηλικούτων [4] ἀξιούμενος. ἀλλὰ μὴ μείζονος ἀποστερεῖτε, τοῦ καλῶς ἀποθανεῖν ὑπὲρ τοσούτων καὶ τοιούτων πολιτῶν. εἰ τῆς Ῥωμαίων ἡγεμονίας ἄξιος γέγονα, δεῖ με τῆς ἐμῆς ψυχῆς ὑπὲρ τῆς πατρίδος ἀφειδεῖν. οἶδα τὴν νίκην τοῖς ἐναντίοις οὔτε βεβαίαν οὔτε ἰσχυρὰν οὔσαν. ἀπαγγέλλουσι τὴν ἐκ Μυσίας ἡμῶν δύναμιν οὐ πολλῶν ἡμερῶν ὁδὸν ἀπέχειν, [5] ἥδη καταβαίνουσιν ἐπὶ τὸν Ἀδρίαν. Ἀσία καὶ Συρία καὶ Αἴγυπτος καὶ τὰ πολεμοῦντα Ἰουδαίοις στρατεύματα μεθ’ ἡμῶν, ἢ τε σύγκλητος παρ’ ἡμῖν καὶ τέκνα τῶν ἐναντίων καὶ γυναῖκες. ἀλλ’ οὐκ ἔστι πρὸς Ἀννίβαν οὐδὲ Πύρρον οὐδὲ Κίμβρους ὁ πόλεμος ὑπὲρ τῆς Ἰταλίας, ἀλλὰ Ῥωμαίοις πολεμοῦντες ἀμφότεροι τὴν πατρίδα καὶ νικῶντες ἀδικοῦμεν καὶ νικώμενοι. καὶ γὰρ τὸ ἀγαθὸν τοῦ [6] κρατοῦντος ἐκείνῃ κακὸν ἐστι. πιστεύσατε πολλάκις ὅτι δύναμαι κάλλιον ἀποθανεῖν ἢ ἄρχειν. οὐ γὰρ ὁρῶ τί τηλικούτον Ῥωμαίοις ὄφελος ἔσομαι κρατήσας, ἢ λίκον ἐπιδοὺς ἐμαυτὸν ὑπὲρ εἰρήνης καὶ ὁμονοίας, καὶ τοῦ μὴ πάλιν ἡμέραν τοιαύτην ἐπιδεῖν τὴν Ἰταλίαν.”

[16] [1] Τοιαῦτα διαλεχθεῖς, καὶ πρὸς τοὺς ἐνίστασθαι καὶ παρακαλεῖν ἐπιχειροῦντας ἀποσχυρισάμενος, τοὺς τε φίλους ἐκέλευεν ἀπαλλάττεσθαι καὶ τῶν συγκλητικῶν τοὺς παρόντας· τοῖς δὲ μὴ παροῦσιν ἐπέστελλε καὶ γράμματα πρὸς τὰς πόλεις, ὅπως παρακομισθῶσιν ἐντίμως καὶ μετὰ [2] ἀσφαλείας. προσαγόμενος δὲ τὸν ἀδελφιδοῦν Κοκκήϊον, ἔτι μειράκιον ὄντα, θαρρεῖν παρεκάλει καὶ μὴ δεδιέναι Οὐῖτέλλιον, οὗ καὶ μητέρα καὶ γενεὰν καὶ γυναῖκα αὐτός, ὥσπερ οἰκείων κηδόμενος, διαφυλάξαι. διὰ τοῦτο γὰρ οὐδὲ θέσθαι παῖδα βουλόμενος αὐτόν, ἀλλ’ ἀναβαλέσθαι τὴν εἰσποίησιν, ὅπως συνάρχῃ κρατήσαντος αὐτοῦ, μὴ προσαπόλοιτο παῖσαντος. “Εκείνο δέ,” εἶπεν, “ὧ παῖ, παρεγγυῶμαί σοι τελευταῖον, μήτε ἐπιλαθέσθαι παντάπασι μήτε ἄγαν μνημονεύειν ὅτι Καίσαρα θεῖον ἔσχες.”

[3] Γενόμενος δὲ ἀπὸ τούτων μετὰ μικρὸν ἤκουσε θορύβου καὶ βοῆς ἐπὶ θύραις. οἱ γὰρ στρατιῶται τῶν συγκλητικῶν τοῖς ἀπιοῦσι διηπεῖλουν ἀποσφάξειν, εἰ μὴ παραμενοῦσιν, ἀλλὰ οἰχήσονται τὸν αὐτοκράτορα καταλιπόντες. πάλιν οὖν προῆλθεν ὑπὲρ τῶν ἀνδρῶν

φοβηθείς, καὶ τοὺς στρατιώτας, οὐκέτι δεητικὸς οὐδὲ πρῆξος, ἀλλὰ τραχὺς ὀφθείς, καὶ μετ’ ὀργῆς εἰς τὸ θορυβοῦν μάλιστα διαβλέψας, ἀπελθεῖν ἐποίησεν εἰζαντας καὶ διατρέσαντας.

[17] [1] Ἦδη δὲ ἐσπέρας οὔσης ἐδίψησε, καὶ πίων ὀλίγον ὕδατος, δυεῖν ὄντων αὐτῷ ξιφῶν, ἐκατέρου κατεμάνθανε τὸ σπάσμα πολὺν χρόνον, καὶ τὸ ἕτερον ἀπέδωκε, θάτερον δὲ εἰς τὰς ἀγκάλας ἀναλαβὼν τοὺς οἰκέτας προσεκαλεῖτο. καὶ φιλοφρονούμενος διένεμε τῶν χρημάτων τῷ μὲν πλεόν, τῷ δὲ ἔλαττον, οὐχ ὥσπερ ἀλλοτρίων ἀφειδῶν, ἀλλὰ τὸ κατ’ ἀξίαν καὶ τὸ μέτριον [2] ἐπιμελῶς φυλάττων. ἀποπέμψας δὲ τούτους ἤδη τὸ λοιπὸν ἀνεπαύετο τῆς νυκτός, ὥστε τοὺς κατευναστὰς αἰσθάνεσθαι βαθέως αὐτοῦ καθεύδοντος. Ὀρθρου δὲ καλέσας ἀπελεύθερον ὧ συνδιώκησε τὰ περὶ τοὺς συγκλητικούς, μαθεῖν προσέταξε· καὶ πυθόμενος γεγονέναι τοῖς ἀπερχομένοις ὧν ἕκαστος ἔχρηζεν, “Ἴθι τοῖνυν,” ἔφη, “σύ, καὶ ποίει τοῖς στρατιώταις ἐμφανῆ σεαυτόν, εἰ μὴ θέλεις κακῶς ὑπ’ αὐτῶν ἀποθανεῖν ὡς ἐμοὶ [3] συμπράξας τὸν θάνατον.” Ἐξελθόντος δὲ τοῦ ἀνθρώπου τὸ ξίφος ὑποστήσας ὀρθὸν ἀμφοτέραις ταῖς χερσί, καὶ περιπεσὼν ἄνωθεν, ὅσον ἅπαξ στενάξαι μόνον ἦσθετο τοῦ πόνου καὶ τοῖς ἐκτός αἰσθησιν παρέσχεν. ἀραμένων δὲ τῶν παίδων οἰμωγὴν εὐθύς ἅπαν τὸ στρατόπεδον καὶ τὴν πόλιν ἐπεῖχε κλαυθμός· καὶ μετὰ βοῆς οἱ στρατιῶται εἰσέπεσον ἐπὶ τὰς θύρας καὶ ὠλοφύροντο, περιπαθοῦντες καὶ λοιδοροῦντες ἑαυτοὺς μὴ φυλάξαντας τὸν αὐτοκράτορα μηδὲ κωλύσαντας ἀποθανεῖν [4] ὑπὲρ αὐτῶν. ἀπέστη δὲ οὐδεὶς τῶν κατ’ αὐτόν, ἐγγὺς ὄντων τῶν πολεμίων, ἀλλὰ κοσμήσαντες τὸ σῶμα καὶ πυρὰν κατασκευάσαντες ἐξεκόμιζον ἐν τοῖς ὄπλοις οἱ φθάσαντες ὑποδῦναι καὶ βαστάσαι τὸ λέχος ἐπιγαυρούμενοι. τῶν δὲ ἄλλων οἱ μὲν τὸ τραῦμα τοῦ νεκροῦ κατεφίλουν προσπίπτοντες, οἱ δὲ ἦπτοντο τῶν χειρῶν, οἱ δὲ προσεκύνουν πόρρωθεν. ἔνιοι δὲ τῇ πυρᾷ λαμπάδας ὑφέντες ἑαυτοὺς ἀπέσφαξαν, οὐδὲν ἐκδήλως οὔτε πεπονθότες χρηστὸν ὑπὸ τοῦ τεθνηκότος οὔτε πείσεσθαι δεινὸν ὑπὸ τοῦ κρατοῦντος δεδιότες.

[5] ἀλλ’ ἔοικε μηδενὶ τῶν πώποτε τυράννων ἢ βασιλέων δεινὸς οὕτως ἔρωσ ἐγγενέσθαι καὶ περιμανῆς τοῦ ἄρχειν, ὡς ἐκεῖνοι τοῦ ἄρχεσθαι καὶ ὑπακούειν Ὅθωνος ἠράσθησαν· οὕς γε μηδ’ ἀποθανόντος ὁ πόθος προὔλιπεν, ἀλλὰ παρέμεινεν εἰς ἀνήκεστον

ἔχθος Οὐῖτελλίῳ τελευτήσας.

[18] [1] Τὰ μὲν οὖν ἄλλα καιρὸν οἰκεῖον ἔχει λεχθῆναι· κρύψαντες δὲ τῇ γῇ τὰ λείψανα τοῦ Ὅθωνος οὔτε μεγέθει σήματος οὔτ' ἐπιγραφῆς ὄγκῳ τὸν τάφον ἐποίησαν ἐπίφθονον. εἶδον δὲ ἐν Βριξίλλῳ γενόμενος καὶ μνημα μέτριον καὶ τὴν ἐπιγραφὴν οὕτως ἔχουσαν, εἰ μεταφρασθεῖη· “Δηλώσει Μάρκου Ὅθωνος.”

[2] Ἀπέθανε δὲ Ὅθων ἔτη μὲν ἑπτὰ καὶ τριάκοντα βιώσας, ἄρξας δὲ τρεῖς μῆνας, ἀπολιπὼν δὲ μὴ χείρονας μηδ' ἐλάττους τῶν τὸν βίον αὐτοῦ ψεγόντων τοὺς ἐπαινοῦντας τὸν θάνατον. βιώσας γὰρ οὐδὲν ἐπιεικέστερον Νέρωνος ἀπέθανεν εὐγενέστερον.

[3] Οἱ δὲ στρατιῶται Πολλίωνος τοῦ ἐτέρου τῶν ἐπάρχων ὁμνύειν εὐθὺς εἰς τὸν Οὐῖτέλλιον κελεύσαντος ἐδυσχέραινον· καὶ πυθόμενοι τῶν συγκλητικῶν ἐνίους ἔτι παρεῖναι τοὺς μὲν ἄλλους ἀφῆκαν, Οὐεργινίῳ δὲ Ρούφῳ πράγματα παρεῖχον ἅμα τοῖς ὅπλοις ἐλθόντες ἐπὶ τὴν οἰκίαν καὶ κατακαλοῦντες αὐθις καὶ κελεύοντες ἄρχειν ἢ [4] πρεσβεύειν ὑπὲρ αὐτῶν. ὁ δὲ τὴν ἡγεμονίαν ἡττωμένων παραλαβεῖν, νενικηκότων πρότερον μὴ θελήσας, μανικὸν ἡγεῖτο· πρεσβεύειν δὲ πρὸς τοὺς Γερμανοὺς δεδιώς, πολλὰ βεβιάσθαι παρὰ γνώμην ὑπ' αὐτοῦ δοκοῦντας, ἔλαθε δι' ἐτέρων θυρῶν ἐκποδὼν ποιήσας ἑαυτόν. ὥς δὲ τοῦτο ἔγνωσαν οἱ στρατιῶται, τοὺς τε ὄρκους ἐδέξαντο καὶ τοῖς περὶ τὸν Κεκίαν προσέθεντο συγγνώμης τυχόντες.

Καθόλου μὲν εἰπεῖν, ὃ κατὰ τῶν τεχνῶν καὶ τῶν ἐπιστημῶν λέγειν εἰώθαμεν, ταῦτ’ οὐ κατὰ τῆς ἀρετῆς φατέον ἐστίν, ὥς εἰς τὴν παντελῆ δικαιοπραγίαν τρία δεῖ συνδραμεῖν, φύσιν καὶ λόγον καὶ ἔθος. καλῶ δὲ λόγον μὲν τὴν μάθησιν, ἔθος δὲ τὴν ἄσκησιν. εἰσὶ δ’ αἱ μὲν ἀρχαὶ τῆς φύσεως, αἱ δὲ προκοπαὶ τῆς μαθήσεως, αἱ δὲ [b] χρήσεις τῆς μελέτης, αἱ δ’ ἀκρότητες πάντων. καθ’ ὃ δ’ ἂν λειψθῇ τοῦτων, κατὰ τοῦτ’ ἀνάγκη χωλὴν γίγνεσθαι τὴν ἀρετὴν. ἡ μὲν γὰρ φύσις ἄνευ μαθήσεως τυφλόν, ἡ δὲ μάθησις δίχα φύσεως ἐλλιπές, ἡ δ’ ἄσκησις χωρὶς ἀμφοῖν ἀτελές. ὥσπερ δ’ ἐπὶ τῆς γεωργίας πρῶτον μὲν ἀγαθὴν ὑπάρξαι δεῖ τὴν γῆν, εἴτα δὲ τὸν φυτουργὸν ἐπιστήμονα, εἴτα τὰ σπέρματα σπουδαῖα, τὸν αὐτὸν τρόπον γῆ μὲν ἔοικεν ἡ φύσις, γεωργῶ δ’ ὁ παιδεύων, σπέρματι δ’ αἱ τῶν λόγων ὑποθῆκαι καὶ τὰ παραγγέλματα.

Εὐδαιμον μὲν οὖν καὶ θεοφιλὲς εἶ τῷ ταῦτα πάντα θεῶν τις ἀπέδωκεν. εἰ δέ τις οἶεται τοὺς οὐκ εὖ πεφυκότας μαθήσεως καὶ μελέτης τυχόντας ὀρθῆς πρὸς ἀρετὴν οὐκ ἂν τὴν τῆς φύσεως ἐλάττωσιν εἰς τοῦνδεχόμενον ἀναδραμεῖν, ἴστω πολλοῦ, μᾶλλον δὲ τοῦ παντὸς διαμαρτάνων. φύσεως μὲν γὰρ ἀρετὴν διαφθείρει ῥαθυμία, φαυλότης δ’ ἐπανορθοῖ διδασχὴ· καὶ τὰ μὲν ῥάδια τοὺς ἀμελοῦντας φεύγει, τὰ δὲ χαλεπὰ ταῖς ἐπιμελείαις [d] ἀλίσκεται. καταμάθοις δ’ ἂν ὥς ἀνύσιμον πρᾶγμα καὶ τελεσιουργὸν ἐπιμέλεια καὶ πόνος ἐστίν, ἐπὶ πολλὰ τῶν γιγνομένων ἐπιβλέψας. σταγόνες μὲν γὰρ ὕδατος πέτρας κοιλαίνουσι, σίδηρος δὲ καὶ χαλκὸς ταῖς ἐπαφαῖς τῶν χειρῶν ἐκτρίβονται, οἱ δ’ ἀρμάτειοι τροχοὶ πόνῳ καμφθέντες οὐδ’ ἂν εἴ τι γένοιτο τὴν ἐξ ἀρχῆς δύναιντ’ ἀναλαβεῖν εὐθυωρίαν· τὰς γε μὴν καμπύλας τῶν ὑποκριτῶν βακτηρίας ἀπευθύνειν ἀμήχανον, ἀλλὰ τὸ παρὰ φύσιν τῷ πόνῳ τοῦ κατὰ φύσιν ἐγένετο κρεῖττον. καὶ μόνα ἄρα ταῦτα τὴν τῆς ἐπιμελείας ἰσχὺν διαδείκνυσιν; οὐκ, ἀλλὰ καὶ μυρί’ ἐπὶ μυρίοις.

Λυκοῦργος γὰρ ὁ τῶν Λακεδαιμονίων νομοθέτης δύο σκύλακας τῶν αὐτῶν γονέων λαβὼν οὐδὲν ὁμοίως ἀλλήλοισι ἤγαγεν, ἀλλὰ τὸν μὲν λίχνον ἀπέφηνε καὶ σινάμωρον, τὸν δ' ἐξιχνεύειν καὶ θηρᾶν δυνατόν. εἰτά ποτε τῶν Λακεδαιμονίων εἰς ταῦτ' οὐ συνειλεγμένων, “μεγάλῃ τοι ῥοπῇ πρὸς ἀρετῆς κύησιν ἐστίν, [b] ἄνδρες,” ἔφησε, “Λακεδαιμόνιοι, καὶ ἔθῃ καὶ παιδεῖται καὶ διδασκαλῖαι καὶ βίῳ ἀγωγαί, καὶ ἐγὼ ταῦθ' ὑμῖν αὐτίκα δὴ μάλα ποιήσω φανερά.” εἰτα προσαγαγὼν τοὺς δύο σκύλακας διαφῆκε, καταθεὶς εἰς μέσον λοπάδα καὶ λαγῶν κατευθὺ τῶν σκυλάκων. καὶ ὁ μὲν ἐπὶ τὸν λαγῶν ἦξεν, ὁ δ' ἐπὶ τὴν λοπάδα ὥρμησε. τῶν δὲ Λακεδαιμονίων οὐδέπω συμβαλεῖν ἐχόντων τί ποτ' αὐτῷ τοῦτο δύναται καὶ τί βουλόμενος τοὺς σκύλακας ἐπεδείκνυνεν, “οὗτοι γονέων,” ἔφη, “τῶν αὐτῶν ἀμφότεροι, διαφόρου δὲ τυχόντες ἀγωγῆς ὁ μὲν λίχνος ὁ δὲ θηρευτῆς ἀποβέβηκε.” καὶ περὶ μὲν ἐθῶν καὶ βίῳ ἀρκεῖτω ταῦτα.

Συνελὼν τοίνυν ἐγὼ φημι (καὶ χρησιμολογεῖν

Βούλομαι δ', ἕως ἔτι μέμνημαι τῆς παιδείας ὡς ἔχω δόξης περὶ αὐτῆς, εἰπεῖν ὅτι τὸν μονόκωλον λόγον πρῶτον μὲν ἀμουσίας οὐ μικρὸν ποιοῦμαι τεκμήριον· ἔπειτα δὲ καὶ πρὸς τὴν ἄσκησιν ἀψίκορον καὶ πάντῃ ἀνεπίμονον εἶναι νομίζω. μονωδία γὰρ [c] ἐν ἅπασιν ἐστὶ πλήσιμιον καὶ πρόσαντες, ἡ δὲ ποικιλία τερπνόν, καθάπερ κἂν τοῖς ἄλλοις ἅπασιν, οἷον ἀκούσμασιν ἢ θεάμασιν.

Δεῖ τοίνυν τὸν παῖδα τὸν ἐλεύθερον μηδενὸς μηδὲ τῶν ἄλλων τῶν καλουμένων ἐγκυκλίων παιδευμάτων μήτ' ἀνήκοον μήτ' ἀθέατον ἔαν εἶναι, ἀλλὰ ταῦτα μὲν ἐκ παραδρομῆς μαθεῖν ὡς περὶ γεύματος ἔνεκεν (ἐν ἅπασιν γὰρ τὸ τέλειον ἀδύνατον), τὴν δὲ φιλοσοφίαν πρεσβεύειν. ἔχω δὲ δι' εἰκόνης παραστῆσαι τὴν ἐμαιοῦ γνώμην· ὡς περὶ γὰρ [d] περιπλεῦσαι μὲν πολλὰς πόλεις καλόν, ἐνοικῆσαι δὲ τῇ κρατίστῃ χρήσιμον· ἀστείως δὲ καὶ Βίων ἔλεγεν ὁ φιλόσοφος ὅτι ὡς περὶ οἱ μνηστῆρες τῇ Πηνελόπῃ πλησιάζειν μὴ δυνάμενοι ταῖς ταύτης ἐμίγνυντο θεραπεῖναι, οὕτω καὶ οἱ φιλοσοφίας μὴ δυνάμενοι κατατυχεῖν ἐν τοῖς ἄλλοις παιδεύμασι τοῖς οὐδενὸς ἀξίοις ἑαυτοὺς κατασκελετεύουσι. διὸ δεῖ

τῆς ἄλλης παιδείας ὥσπερ κεφάλαιον ποιεῖν τὴν φιλοσοφίαν. περὶ μὲν γὰρ τὴν τοῦ σώματος ἐπιμέλειαν διττὰς εὖρον ἐπιστήμας οἱ ἄνθρωποι, τὴν ἱατρικὴν καὶ τὴν γυμναστικὴν, ὧν ἡ μὲν τὴν ὑγίειαν, ἡ δὲ τὴν εὐεξίαν ἐντίθησι. τῶν δὲ τῆς ψυχῆς ἀρρωστημάτων καὶ παθῶν ἡ φιλοσοφία μόνη φάρμακόν ἐστι. διὰ γὰρ ταύτην ἔστι καὶ μετὰ ταύτης γινῶναι τί τὸ καλὸν τί τὸ αἰσχρόν, τί τὸ δίκαιον τί τὸ ἄδικον, τί τὸ συλλήβδην αἰρετόν, [e] τί τὸ φευκτόν· πῶς θεοῖς πῶς γονεῦσι πῶς πρεσβυτέροις πῶς νόμοις πῶς ἄλλοτρίοις πῶς ἄρχουσι πῶς φίλοις πῶς γυναιξὶ πῶς τέκνοις πῶς οἰκέταις χρηστέον ἐστὶ· ὅτι δεῖ θεοὺς μὲν σέβεσθαι, γονέας δὲ τιμᾶν, πρεσβυτέρους αἰδεῖσθαι, νόμοις πειθαρχεῖν, ἄρχουσιν ὑπείκειν, φίλους ἀγαπᾶν, πρὸς γυναῖκας σωφρονεῖν, τέκνων στερκτικοὺς εἶναι, δούλους μὴ περιυβρίζειν· τὸ δὲ μέγιστον, μήτ' ἐν ταῖς εὐπραγίαις περιχαρεῖς μήτ' ἐν ταῖς συμφοραῖς περιλύπους ὑπάρχειν, μήτ' ἐν ταῖς ἡδοναῖς ἐκλύτους εἶναι μήτ' ἐν ταῖς ὀργαῖς ἐκπαθεῖς καὶ θηριώδεις.

[f] ἅπερ ἐγὼ πάντων τῶν ἐκ φιλοσοφίας περιγιγνομένων ἀγαθῶν πρεσβύτατα κρίνω. τὸ μὲν γὰρ εὐγενῶς εὐτυχεῖν ἀνδρός, τὸ δ' ἀνεπιφθόνως εὐηνίου ἀνθρώπου, τὸ δὲ τοῖς λογισμοῖς περιεῖναι τῶν ἡδονῶν σοφοῦ, τὸ δ' ὀργῆς κατακρατεῖν ἀνδρὸς οὐ τοῦ τυχόντος ἐστὶ. τελείους δ' ἀνθρώπους ἡγοῦμαι τοὺς δυναμένους τὴν πολιτικὴν [8] [a] δύναμιν μεῖζαι καὶ κεράσαι τῇ φιλοσοφίᾳ, καὶ δυεῖν ὄντοιν μεγίστοιν ἀγαθοῖν ἐπηβόλους ὑπάρχειν ὑπολαμβάνω, τοῦ τε κοινωφελοῦς βίου πολιτευομένου, τοῦ τ' ἀκύμονος καὶ γαληνοῦ διατρίβοντος περὶ φιλοσοφίαν. τριῶν γὰρ ὄντων βίων ὧν ὁ μὲν ἐστὶ πρακτικὸς ὁ δὲ θεωρητικὸς ὁ δ' ἀπολαυστικὸς, ὁ μὲν, ἔκλυτος καὶ δοῦλος τῶν ἡδονῶν ὧν, ζωώδης καὶ μικροπρεπής ἐστίν, ὁ δὲ θεωρητικὸς, τοῦ πρακτικοῦ διαμαρτάνων, ἀνωφελής, ὁ δὲ πρακτικὸς, ἀμοιρήσας φιλοσοφίας, ἄμουσος καὶ πλημμελής. πειρατέον οὖν εἰς δύναμιν καὶ τὰ κοινὰ [b] πράττειν καὶ τῆς φιλοσοφίας ἀντιλαμβάνεσθαι κατὰ τὸ παρεῖκον τῶν καιρῶν. οὕτως ἐπολιτεύσατο Περικλῆς, οὕτως Ἀρχύτας ὁ Ταραντῖνος, οὕτω Δίων ὁ Συρακόσιος, οὕτως Ἐπαμεινώνδας ὁ Θηβαῖος, ὧν ἄτερος Πλάτωνος ἐγένετο συνουσιαστής.

Καὶ περὶ μὲν παιδείας οὐκ οἶδ' ὅ τι δεῖ πλείονα λέγοντα διατρίβειν· πρὸς δὲ τοῖς εἰρημένοις χρήσιμον, μᾶλλον δὲ

ἀναγκαῖόν ἐστι μὴδὲ τῆς τῶν παλαιῶν συγγραμμάτων κτήσεως ὀλιγώρως ἔχειν, ἀλλὰ καὶ τούτων ποιεῖσθαι συλλογὴν κατὰ τὸ γεωργῶδες. τὸν γὰρ αὐτὸν τρόπον ὄργανον τῆς παιδείας ἢ χρήσις τῶν βιβλίων ἐστί, καὶ ἀπὸ πηγῆς τὴν ἐπιστήμην τηρεῖν συμβέβηκεν.

[c] Οὐ τοίνυν ἄξιον οὐδὲ τὴν τῶν σωμάτων ἀγωνίαν παρορᾶν, ἀλλὰ πέμποντας ἐς παιδοτρίβου τοὺς παῖδας ἱκανῶς ταῦτα διαπονεῖν, ἅμα μὲν τῆς τῶν σωμάτων εὐρυθμίας ἔνεκεν, ἅμα δὲ καὶ πρὸς ῥώμην· καλοῦ γὰρ γήρως θεμέλιος ἐν παισὶν ἢ τῶν σωμάτων εὐεξία. καθάπερ οὖν ἐν εὐδία τὰ πρὸς τὸν χειμῶνα προσῆκε παρασκευάζειν, οὕτως ἐν νεότητι τὴν εὐταξίαν καὶ τὴν σωφροσύνην ἐφόδιον [d] εἰς τὸ γῆρας ἀποτίθεσθαι. οὕτω δὲ δεῖ ταμιεύεσθαι τὸν τοῦ σώματος πόνον, ὥς μὴ καταξήρους γινομένους πρὸς τὴν τῆς παιδείας ἐπιμέλειαν ἀπαγορεύειν· κατὰ γὰρ Πλάτωνα ὕπνοι καὶ κόποι μαθήμασι πολέμιοι. καὶ τί ταῦτα; ἀλλ' ὅπερ πάντων ἐστὶ κυριώτατον τῶν εἰρημένων σπεύδω λέγειν. πρὸς γὰρ τοὺς στρατιωτικοὺς ἀγῶνας τοὺς παῖδας ἀσκητέον ἐν ἀκοντισμοῖς αὐτοὺς καταθλοῦντας καὶ τοξεύαις καὶ θήραις. “τὰ” γὰρ “τῶν ἡττωμένων” ἐν ταῖς μάχαις “ἀγαθὰ τοῖς νικῶσιν ἄθλα πρόκειται.” πόλεμος δ' ἐσκιατραφημένην σωμάτων ἕξιν οὐ δέχεται, ἰσχνὸς δὲ στρατιώτης πολεμικῶν ἀγώνων ἐθαῖς ἀθλητῶν πιμελώδων φάλαγγας διωθεῖ.

[e] Τί οὖν; ἂν τις εἴποι, σὺ δὲ δὴ περὶ τῆς ἐλευθέρων ἀγωγῆς ὑποσχόμενος παραγγέλματα δώσειν ἔπειτα φαίνει τῆς μὲν τῶν πενήτων καὶ δημοτικῶν παραμελῶν ἀγωγῆς, μόνοις δὲ τοῖς πλουσίοις ὁμολογεῖς τὰς ὑποθήκας διδόναι. πρὸς οὓς οὐ χαλεπὸν ἀπαντῆσαι. ἐγὼ γὰρ μάλιστ' ἂν βουλοίμην πᾶσι κοινῇ χρησίμον εἶναι τὴν ἀγωγὴν· εἰ δὲ τινες ἐνδεῶς τοῖς ἰδίους πράττοντες ἀδυνατήσουσι τοῖς ἑμοῖς χρῆσθαι παραγγέλμασι, τὴν τύχην αἰτιάσθωσαν, οὐ τὸν ταῦτα συμβουλευόντα. πειρατέον μὲν οὖν εἰς δύναμιν τὴν κρατίστην ἀγωγὴν ποιεῖσθαι τῶν παίδων καὶ τοῖς πένησιν· εἰ δὲ μή, τῇ γε δυνατῇ [f] χρηστέον. καὶ ταῦτα μὲν δὴ τῷ λόγῳ παρεφορτισάμην, ἴν' ἐφεξῆς καὶ τᾶλλα τὰ φέροντα πρὸς τὴν ὀρθὴν τῶν νέων ἀγωγὴν συνάψω.

Κάκεῖνό φημι, δεῖν τοὺς παῖδας ἐπὶ τὰ καλὰ τῶν ἐπιτηδευμάτων ἄγειν παραινέσεσι καὶ λόγοις, μὴ μὰ Δία πληγαῖς μὴδ' αἰκισμοῖς. δοκεῖ γάρ που ταῦτα τοῖς δούλοις μᾶλλον ἢ τοῖς

ἐλευθέροις πρέπειν· ἀποναρκῶσι γὰρ καὶ φρίττουσι πρὸς τοὺς πόνους, τὰ μὲν διὰ τὰς ἀλγηδόνας τῶν πληγῶν, τὰ δὲ καὶ διὰ τὰς ὕβρεις. ἔπαινοι δὲ καὶ ψόγοι πάσης [9] [a] εἰσὶν αἰκίας ὠφελιμώτεροι τοῖς ἐλευθέροις, οἱ μὲν ἐπὶ τὰ καλὰ παρορμῶντες οἱ δ' ἀπὸ τῶν αἰσχυρῶν ἀνείργοντες.

Δεῖ δ' ἐναλλάξ καὶ ποικίλως χρῆσθαι ταῖς ἐπιπλήξεσι καὶ τοῖς ἐπαίνοις, κάπειδάν ποτε θρασύνωνται, ταῖς ἐπιπλήξεσιν ἐν αἰσχύνῃ ποιῆσθαι, καὶ πάλιν ἀνακαλεῖσθαι τοῖς ἐπαίνοις καὶ μιμεῖσθαι τὰς τίτθας, αἵτινες ἐπειδὴν τὰ παιδία κλαυθυμρίσωσιν, εἰς παρηγορίαν πάλιν τὸν μαστὸν ὑπέχουσι. δεῖ δ' αὐτοὺς μηδὲ τοῖς ἐγκωμίοις ἐπαίρειν καὶ φυσᾶν· χαυνοῦνται γὰρ ταῖς υπερβολαῖς τῶν ἐπαίνων καὶ θρύπτονται.

[b] Ἦδη δέ τινας ἐγὼ εἶδον πατέρας, οἷς τὸ λίαν φιλεῖν τοῦ μὴ φιλεῖν αἴτιον κατέστη. τί οὖν ἐστὶν ὃ βούλομαι λέγειν, ἵνα τῷ παραδείγματι φωτεινότερον ποιήσω τὸν λόγον; σπεύδοντες γὰρ τοὺς παῖδας ἐν πᾶσι τάχιον πρωτεῦσαι πόνους αὐτοῖς ὑπερμέτρους ἐπιβάλλουσιν, οἷς ἀπαυδῶντες ἐκκίππουσι, καὶ ἄλλως βαρυνόμενοι ταῖς κακοπαθείαις οὐ δέχονται τὴν μάθησιν εὐηνίως. ὥσπερ γὰρ τὰ φυτὰ τοῖς μὲν μετρίοις ὕδασι τρέφεται, τοῖς δὲ πολλοῖς πνίγεται, τὸν αὐτὸν τρόπον ψυχὴ τοῖς μὲν συμμέτροις αὔξεται πόνοις, τοῖς δ' ὑπερβάλλουσι [c] βαπτίζεται. δοτέον οὖν τοῖς παισὶν ἀναπνοὴν τῶν συνεχῶν πόνων, ἐνθυμουμένους ὅτι πᾶς ὁ βίος ἡμῶν εἰς ἄνεσιν καὶ σπουδὴν διήρηται. καὶ διὰ τοῦτ' οὐ μόνον ἐγρήγορσις ἀλλὰ καὶ ὕπνος εὐρέθη, οὐδὲ πόλεμος ἀλλὰ καὶ εἰρήνη, οὐδὲ χεიმῶν ἀλλὰ καὶ εὐδία, οὐδ' ἐνεργοὶ πράξεις ἀλλὰ καὶ ἐορταί. συνελόντι δ' εἶπεῖν ἢ ἀνάπαυσις τῶν πόνων ἐστὶν ἄρτυμα. καὶ οὐκ ἐπὶ τῶν ζώων μόνων τοῦτ' ἂν ἴδοι τις γιγνόμενον, ἀλλὰ καὶ ἐπὶ τῶν ἀψύχων· καὶ γὰρ τὰ τόξα καὶ τὰς λύρας ἀνίεμεν, ἵν' ἐπιτεῖναι δυνηθῶμεν. καθόλου δὲ σώζεται σῶμα μὲν ἐνδεία καὶ πληρώσει, ψυχὴ δ' ἀνέσει καὶ πόνῳ.

[d] Ἄξιον δ' ἐπιτιμᾶν τῶν πατέρων ἐνίοις, οἵτινες παιδαγωγοῖς καὶ διδασκάλοις ἐπιτρέψαντες τοὺς υἱεῖς αὐτοὶ τῆς τούτων μαθήσεως οὗτ' αὐτόπται γίνονται τὸ παράπαν οὗτ' αὐτήκοοι, πλεῖστον τοῦ δέοντος ἁμαρτάνοντες. αὐτοὺς γὰρ παρ' ὀλίγας ἡμέρας δεῖ δοκιμασίαν λαμβάνειν τῶν παίδων, ἀλλὰ μὴ τὰς ἐλπίδας ἔχειν ἐν μισθωτοῦ διαθέσει· καὶ γὰρ ἐκεῖνοι πλείονα ποιήσονται τὴν ἐπιμέλειαν τῶν παίδων, μέλλοντες ἐκάστοτε

διδόναι τὰς εὐθύνας. κάνταῦθα δὴ τὸ ῥηθὲν ὑπὸ τοῦ ἵπποκόμου χάριεν, ὥς οὐδὲν οὕτω παίνει τὸν ἵππον ὥς βασιλέως ὀφθαλμός.

[e] Πάντων δὲ μάλιστα τὴν μνήμην τῶν παίδων ἀσκεῖν καὶ συνεθίζειν· αὕτη γὰρ ὥσπερ τῆς παιδείας ἐστὶ ταμιεῖον, καὶ διὰ τοῦτο μητέρα τῶν Μουσῶν ἐμυθολόγησαν εἶναι τὴν Μνημοσύνην, αἰνιττόμενοι καὶ παραδηλοῦντες ὅτι οὕτως οὐδὲν γεννᾷν καὶ τρέφειν ὥς ἡ μνήμη ἐέφυκε. καὶ τοίνυν ταύτην κατ' ἀμφοτέρ' ἐστὶν ἀσκητέον, εἴτ' ἐκ φύσεως μνήμονες εἶεν οἱ παῖδες, εἴτε καὶ τοῦναντίον ἐπιλήσμονες. τὴν γὰρ πλεονεξίαν τῆς φύσεως ἐπιρρώσομεν, τὴν δ' ἔλλειψιν ἀναπληρώσομεν· καὶ οἱ μὲν τῶν ἄλλων ἔσσονται βελτίους, οἱ δ' ἐαυτῶν. τὸ γὰρ Ὑσιόδειον καλῶς εἴρηται

εἰ γὰρ κεν καὶ σμικρὸν ἐπὶ σμικρῷ καταθεῖο

[f] καὶ θαμὰ τοῦτ' ἔρδοις, τάχα κεν μέγα καὶ τὸ γένοιτο.

μὴ λανθανέτω τοίνυν μηδὲ τοῦτο τοὺς πατέρας, ὅτι τὸ μνημονικὸν τῆς μαθήσεως μέρος οὐ μόνον πρὸς τὴν παιδείαν ἀλλὰ καὶ πρὸς τὰς τοῦ βίου πράξεις οὐκ ἐλαχίστην συμβάλλεται μοῖραν. ἡ γὰρ τῶν γεγενημένων πράξεων μνήμη τῆς περὶ τῶν μελλόντων εὐβουλίας γίγνεται παράδειγμα.

Καὶ μέντοι καὶ τῆς αἰσχρολογίας ἀπακτέον

τοὺς υἱεῖς· “λόγος γὰρ ἔργου σκιή” κατὰ Δημόκριτον. [10] [a] εἴτά γε μὴν ἐντευκτικούς αὐτοὺς εἶναι παρασκευαστέον καὶ φιλοπροσηγόρους· οὐδὲν γὰρ ὥς τὰ ἀνέντευκτα τῶν ἡθῶν ἐστὶν οὕτως ἀξιομίσητον. ἔτι τοίνυν οἱ παῖδες ἀμισεῖς γίγνονται· ἂν τοῖς συνοῦσι μὴ παντελῶς ἐν ταῖς ζητήσεσιν ἀπαραχώρητοι γιγνόμενοι· οὐ γὰρ τὸ νικᾷν μόνον ἀλλὰ καὶ τὸ ἡττᾶσθαι ἐπίστασθαι καλὸν ἐν οἷς τὸ νικᾷν βλαβερόν. ἔστι γὰρ ὥς ἀληθῶς καὶ νίκη Καδμεία. ἔχω δὲ μάρτυρα τούτου Εὐριπίδην τὸν σοφὸν ἐπαγαγέσθαι λέγοντα

[b] δυοῖν λεγόντοιν, θατέρου θυμουμένου,

ὁ μὴ ἀντιτείνων τοῖς λόγοις σοφώτερος.

Ἄ τοίνυν τῶν εἰρημένων οὐδενὸς ἥττον ἐστὶν ἀλλὰ καὶ μᾶλλον ἐπιτηδευτέα τοῖς νέοις καὶ δὴ λεκτέον. ταῦτα δ' ἐστὶ τὸ τὸν βίον ἀτύφωτον ἀσκεῖν, τὸ τὴν γλῶτταν κατέχειν, τὸ τῆς ὀργῆς ὑπεράνω γίγνεσθαι, τὸ τῶν χειρῶν κρατεῖν. τούτων ἕκαστον ἡλίκον ἐστὶ σκεπτέον· ἔσται δ' ἐπὶ παραδειγμάτων γνωριμώτερα.

Οἷον ἴν' ἀπὸ τοῦ τελευταίου πρῶτον ἄρξωμαι, τὰς χεῖράς τινες ὑποσχόντες λήμμασιν ἀδίκοις τὴν δόξαν τῶν προβεβιωμένων

ἐξέχεαν· ὡς Γύλιππος [c] ὁ Λακεδαιμόνιος τὰ σακκία τῶν χρημάτων παραλύσας φυγὰς ἀπηλλάθη τῆς Σπάρτης.

Τό γε μὴν ἀόργητον ἀνδρός ἐστὶ σοφοῦ. Σωκράτης μὲν γάρ, λακτίσαντος αὐτὸν νεανίσκου θρασέος μάλα καὶ βδελυροῦ, τοὺς ἄμφ’ αὐτὸν ὀρῶν ἀγανακτοῦντας καὶ σφαδάζοντας ὡς καὶ διώκειν αὐτὸν ἐθέλειν, “ἄρ’,” ἔφησε, “καὶ εἰ μ’ ὄνος ἐλάκτισεν, ἀντιλακτίσαι τοῦτον ἡξιώσας’ ἄν;” οὐ μὴν ἐκεῖνός γε παντελῶς κατεπροιζατο, πάντων δ’ αὐτὸν ὀνειδιζόντων καὶ λακτιστὴν ἀποκαλούντων ἀπήγξατο.

Ἀριστοφάνους δέ, ὅτε τὰς Νεφέλας ἐξέφερε, παντοίως πᾶσαν ὕβριν αὐτοῦ κατασκεδαννύντος, καὶ τινος τῶν παρόντων “κῆτα τοιαῦτ’ ἀνακωμωδοῦντος οὐκ ἀγανακτεῖς” εἰπόντος “ὦ Σώκρατες;”

[d] “μὰ Δί’ οὐκ ἔγωγ’,” ἔφησεν· “ὡς γὰρ ἐν συμποσίῳ μεγάλῳ τῷ θεάτρῳ σκώπτομαι.” ἀδελφὰ τοῦτοις καὶ σύζυγα φανήσονται πεπονηκότες Ἀρχύτας ὁ Ταραντῖνος καὶ Πλάτων. ὁ μὲν γὰρ ἐπανελθὼν ἀπὸ τοῦ πολέμου (στρατηγῶν δ’ ἐτύγχανε) γῆν καταλαβὼν κεχερωσμένην, τὸν ἐπίτροπον καλέσας αὐτῆς “ὦμωξας ἄν,” ἔφησεν, “εἰ μὴ λῖαν ὠργιζόμην.” Πλάτων δὲ δούλῳ λίχνῳ καὶ βδελυρῷ θυμωθεὶς, τὸν τῆς ἀδελφῆς υἱὸν Σπεύσιππον καλέσας “τοῦτον,” ἔφησεν ἀπελθὼν, “κρότησον· ἐγὼ γὰρ πάνυ θυμοῦμαι.” χαλεπὰ δὲ ταῦτα καὶ δυσμήμητα φαίη τις ἄν.

[e] οἶδα κἀγώ. πειρατέον οὖν εἰς ὅσον οἶόν τ’ ἐστὶ τοῦτοις παραδείγμασι χρωμένους τὸ πολὺ τῆς ἀκρατοῦς καὶ μαινομένης ὑφαιρεῖν ὀργῆς· οὐδὲ γὰρ ἐς τᾶλλα ἐνάμιλλοι ταῖς ἐκείνων ἐσμὲν οὔτ’ ἐμπειρίαις οὔτε καλοκαγαθίαις. ἀλλ’ οὐδὲν ἦττον ἐκείνων, ὥσπερ θεῶν ἱεροφάνται καὶ δαδοῦχοι τῆς σοφίας ὄντες, ὅσαπέρ ἐστιν ἐν δυνατῷ, ταῦτα μιμεῖσθαι καὶ περικνίζειν ἐπιχειροῦμεν.

Τὸ τοίνυν τῆς γλώττης κρατεῖν (περὶ τούτου γάρ, ὧνπερ ὑπεθέμην, εἰπεῖν λοιπόν) εἰ τις μικρὸν καὶ φαῦλον ὑπέιληφε, πλεῖστον διαμαρτάνει τῆς ἀληθείας. σοφὸν γὰρ εὐκαιρος σιγὴ καὶ παντὸς [f] λόγου κρεῖττον. καὶ διὰ τοῦτό μοι δοκεῖ τὰς μυστηριώδεις τελετὰς οἱ παλαιοὶ κατέδειξαν, ἵν’ ἐν ταύταις σιωπᾶν ἐθισθέντες ἐπὶ τὴν τῶν ἀνθρωπίνων μυστηρίων πίστιν τὸν ἀπὸ τῶν θείων μεταφέρωμεν φόβον. καὶ γὰρ αὖ σιωπήσας μὲν οὐδεὶς μετενόησε, λαλήσαντες δὲ παμπληθεῖς. καὶ τὸ μὲν σιγηθὲν ἐξειπεῖν ῥάδιον, τὸ δὲ ῥηθὲν ἀναλαβεῖν ἀδύνατον. μυρίους δ’ ἔγωγ’ οἶδ’

ἀκούσας ταῖς μεγίσταις συμφοραῖς περιπεσόντας διὰ τὴν [11] [a] τῆς γλώττης ἀκρασίαν. ὦν τοὺς ἄλλους παραλιπὼν ἐνὸς ἢ δυεῖν τύπου ἔνεκεν ἐπιμνησθήσομαι. τοῦ γὰρ Φιλαδέλφου γήμαντος τὴν ἀδελφὴν Ἀρσινόην Σωτάδης εἰπὼν

εἰς οὐχ ὁσίην τρυμαλιὴν τὸ κέντρον ὠθεῖς

ἐν δεσμοτηρίῳ πολλοὺς κατεσάπη χρόνους καὶ τῆς ἀκαίρου λαλιᾶς οὐ μεμπτὴν ἔδωκε δίκην, ἵνα δὲ γέλωτα παράσχη τοῖς ἄλλοις, αὐτὸς πολὺν χρόνον ἔκλαυσεν. ἐνάμιλλα δὲ τούτοις καὶ σύζυγα καὶ Θεόκριτος ὁ σοφιστῆς εἶπέ τε καὶ ἔπαθε, καὶ πολὺ δεινότερα. Ἀλεξάνδρου γὰρ πορφυρᾶς ἐσθῆτας κελεύσαντος κατασκευάζειν τοὺς Ἕλληνας, ἴν' [b] ἐπανελθὼν τὰ ἐπινίκια τοῦ πολέμου τοῦ κατὰ τῶν βαρβάρων θύσειε, καὶ τῶν ἐθνῶν κατὰ κεφαλὴν εἰσφερόντων ἄργυρον “πρότερον μὲν,” ἔφησεν, “ἡμφιοβήτουν, νῦν δ' ἥσθημαι σαφῶς ὅτι ὁ ‘πορφύρεος’ Ὀμήρου ‘θάνατος’ οὗτός ἐστιν.” ἐξ ὧν ἐχθρόν ἐκτήσατο τὸν Ἀλέξανδρον. Ἀντίγονον δὲ τὸν βασιλέα τῶν Μακεδόνων ἐτερόφθαλμον ὄντα τὴν πῆρῳσιν προφέρων εἰς οὐ μετρίαν ὀργὴν κατέστησε. τὸν γὰρ ἀρχιμάγειρον Εὐτροπίωνα γεγεννημένον ἐν τάξει πέμψας παραγενέσθαι πρὸς [c] αὐτὸν ἡξίου καὶ λόγον δοῦναι καὶ λαβεῖν. ταῦτα δ' ἀπαγγέλλοντος ἐκείνου πρὸς αὐτὸν καὶ πολλάκις προσιόντος “εὖ οἶδ’,” ἔφησεν, “ὅτι ὡμόν με θέλεις τῷ Κύκλωπι παραθεῖναι,” ὀνειδίζων τὸν μὲν ὅτι πηρός, τὸν δ' ὅτι μάγειρος ἦν. κάκεῖνος “τοιγαροῦν” εἰπὼν “τὴν κεφαλὴν οὐχ ἔξεις ἀλλὰ τῆς ἀθυροστομίας ταύτης καὶ μανίας δώσεις δίκην,” ἀπήγγειλε τὰ εἰρημένα τῷ βασιλεῖ, ὁ δὲ πέμψας ἀνεῖλε τὸν Θεόκριτον.

Παρὰ πάντα δὲ ταῦτα, ὅπερ ἐστὶν ἱεροπρεπέστατον, ἐθίζειν τοὺς παῖδας τῷ τάληθῃ λέγειν· τὸ γὰρ ψεύδεσθαι δουλοπρεπὲς καὶ πᾶσιν ἀνθρώποις ἄξιον μισεῖσθαι καὶ οὐδὲ μετρίοις δούλοις συγγνωστόν.

[d] Ταῦτα μὲν οὖν οὐκ ἐνδοιάσας οὐδὲ μελλήσας περὶ τῆς τῶν παίδων εὐκοσμίας καὶ σωφροσύνης διείλεγμαι· περὶ δὲ τοῦ ῥηθῆσεσθαι μέλλοντος ἀμφίδοξός εἰμι καὶ διχογνώμων, καὶ τῇδε κάκεῖσε μετακλίνων ὥς ἐπὶ πλάστιγγος πρὸς οὐδέτερον ῥέψαι δύναμαι, πολὺς δ' ὄκνος ἔχει με καὶ τῆς εἰσηγήσεως καὶ τῆς ἀποτροπῆς τοῦ πράγματος. ἀποτολμητέον δ' οὖν ὅμως εἰπεῖν αὐτό. τί οὖν τοῦτ' ἐστί; πότερα δεῖ τοὺς ἐρῶντας τῶν παίδων [e] ἔαν τοῦτοις συνεῖναι καὶ συνδιατρίβειν, ἢ τοῦναντίον εἰργεῖν

αὐτοὺς καὶ ἀποσοβεῖν τῆς πρὸς τούτους ὁμιλίας προσῆκεν; ὅταν μὲν γὰρ ἀποβλέψω πρὸς τοὺς πατέρας τοὺς αὐθεκάστους καὶ τὸν τρόπον ὁμφακίας καὶ στρυφνούς, οἱ τῶν τέκνων ὕβριν οὐκ ἀνεκτὴν τὴν τῶν ἐρώντων ὁμιλίαν ἡγοῦνται, εὐλαβοῦμαι ταύτης εἰσηγητῆς γενέσθαι καὶ σύμβουλος. ὅταν δ' αὖ πάλιν ἐνθυμηθῶ τὸν Σωκράτη τὸν Πλάτωνα τὸν Ξενοφῶντα τὸν Αἰσχίνην τὸν Κέβητα, τὸν πάντα χορὸν ἐκείνων τῶν ἀνδρῶν οἱ τοὺς ἄρρενας ἐδοκίμασαν ἔρωτας καὶ τὰ μειράκια προήγαγον ἐπὶ τε παιδείαν καὶ δημαγωγίαν καὶ τὴν ἀρετὴν τῶν τρόπων, πάλιν ἕτερος γίγνομαι [f] καὶ κάμπτομαι πρὸς τὸν ἐκείνων τῶν ἀνδρῶν ζῆλον. μαρτυρεῖ δὲ τούτοις Εὐριπίδης οὕτω λέγων

ἀλλ' ἔστι δὴ τις ἄλλος ἐν βροτοῖς ἔρως,
ψυχῆς δικαίας σὺφρονός τε κάγαθῆς.

τὸ δὲ τοῦ Πλάτωνος σπουδῇ καὶ χαριεντισμῷ μεμιγμένον οὐ παραλείπτει. ἐξεῖναι γὰρ φησι δεῖν τοῖς ἀριστεύουσιν ὃν ἂν βούλωνται τῶν καλῶν φιλεῖν. τοὺς μὲν οὖν τῆς ὥρας ἐπιθυμοῦντας ἀπελαύνειν προσῆκε, τοὺς δὲ τῆς ψυχῆς ἐραστὰς ἐγκρίνειν κατὰ τὸ σύνολον. καὶ τοὺς μὲν Θήβησι καὶ τοὺς ἐν Ἥλιδι φευκτέον ἔρωτας καὶ τὸν ἐν [12] [a] Κρήτῃ καλούμενον ἀρπαγμόν, τοὺς δ' Ἀθήνησι καὶ τοὺς ἐν Λακεδαιμόνι ζηλωτέον.

Περὶ μὲν οὖν τούτων, ὅπως ἕκαστος αὐτὸς ἐαυτὸν πέπεικεν, οὕτως ὑπολαμβάνετω· ἐγὼ δ' ἐπειδὴ περὶ τῆς τῶν παίδων εὐταξίας εἴρηκα καὶ κοσμιότητος, καὶ ἐπὶ τὴν τῶν μεираκίων ἡλικίαν ἤδη μεταβήσομαι καὶ μικρὰ παντάπασιν λέξω. πολλάκις γὰρ κατεμεμψάμην τοὺς μοχθηρῶν ἐθῶν γεγονότας εἰσηγητάς, οἵτινες τοῖς μὲν παισὶ παιδαγωγούς καὶ διδασκάλους ἐπέστησαν, τὴν δὲ τῶν μεираκίων ὁρμὴν ἄφετον εἶασαν νέμεσθαι, [b] δέον αὖ τοῦναντίον πλείω τῶν μεираκίων ποιεῖσθαι τὴν εὐλάβειαν καὶ φυλακὴν ἢ τῶν παίδων. τίς γὰρ οὐκ οἶδεν ὅτι τὰ μὲν τῶν παίδων πλημμελήματα μικρὰ καὶ παντελῶς ἐστὶν ἰάσιμα, παιδαγωγῶν ἴσως ὀλιγωρία καὶ διδασκάλων παραγωγή καὶ ἀνηκουστία· τὰ δὲ τῶν ἤδη νεανισκευομένων ἀδικήματα πολλάκις ὑπερφυᾶ γίνεται καὶ σχέτλια, ἀμετρία γαστρὸς καὶ κλοπαὶ πατρῶων χρημάτων καὶ κύβοι καὶ κῶμοι καὶ πότοι καὶ παρθένων ἔρωτες καὶ γυναικῶν οἰκοφθοραὶ γαμετῶν. οὐκοῦν τὰς τούτων ὁρμὰς ταῖς ἐπιμελείαις δεσμεύειν [c] καὶ κατέχειν προσῆκεν. ἀταμίευτον γὰρ τῶν ἡδονῶν ἢ ἀκμὴ καὶ σκιρτητικὸν καὶ χαλινοῦ δεόμενον, ὥσθ' οἱ μὴ τῆς

ἡλικίας ταύτης ἐρρωμένως ἀντιλαμβανόμενοι τῇ δὴ ἀνοίᾳ διδόασιν ἐξουσίαν ἐπὶ τὰ ἀδικήματα. ἔδει τοίνυν τοὺς ἔμφρονας πατέρας παρὰ τοῦτον μάλιστα τὸν καιρὸν φυλάττειν ἐγρηγορέναι σωφρονίζειν τοὺς μειρακίσκους διδάσκοντας ἀπειλοῦντας δεομένους, παραδείγματα δεικνύντας τῶν διὰ φιληδονίαν μὲν συμφοραῖς περιπεσόντων διὰ δὲ καρτερίαν ἔπαινον καὶ δόξαν ἀγαθὴν περιποιησαμένων. δύο γὰρ ταῦθ' ὥσπερ εἰ στοιχεῖα τῆς ἀρετῆς ἐστίν, ἐλπίς [d] τε τιμῆς καὶ φόβος τιμωρίας· ἡ μὲν γὰρ ὀρμητικωτέρους πρὸς τὰ κάλλιστα τῶν ἐπιτηδευμάτων ἢ δ' ὀκνηροὺς πρὸς τὰ φαῦλα τῶν ἔργων ἀπεργάζεται.

Καθόλου δ' ἀπείργειν προσήκει τοὺς παῖδας τῆς πρὸς τοὺς πονηροὺς ἀνθρώπους συνουσίας· ἀποφέρονται γάρ τι τῆς τούτων κακίας. τοῦτο δὲ παρήγγειλε καὶ Πυθαγόρας αἰνίγμασιν ἅπερ ἐγὼ παραθεῖς ἐξηγήσομαι· καὶ γὰρ ταῦτα πρὸς ἀρετῆς κτῆσιν συμβάλλεται ροπήν οὐκ ἐλαχίστην. οἷον·

[e] “Μὴ γεύεσθαι μελανούρων,” τουτέστι μὴ συνδιατρίβειν μέλασιν ἀνθρώποις διὰ κακοήθειαν.

“Μὴ ζυγὸν ὑπερβαίνειν,” τουτέστιν ὅτι δεῖ τῆς δικαιοσύνης πλεῖστον ποιεῖσθαι λόγον καὶ μὴ ταύτην ὑπερβαίνειν.

“Μὴ ἐπὶ χοίνικος καθίσαι,” ἥτοι φεύγειν ἀργίαν καὶ προνοεῖν ὅπως τὴν ἀναγκαίαν παρασκευάσωμεν τροφήν.

“Μὴ παντὶ ἐμβάλλειν δεξιάν,” ἀντὶ τοῦ προχείρως οὐ δεῖ συναλλάττειν.

“Μὴ φορεῖν στενὸν δακτύλιον,” ὅτι δεῖ τὸν βίον ἐπιτηδεύειν καὶ μηδενὶ δεσμῷ προσάπτειν αὐτόν.

“Πῦρ σιδήρῳ μὴ σκαλεύειν,” ἀντὶ τοῦ θυμούμενον μὴ ἐρεθίζειν· οὐ γὰρ προσῆκεν, ἀλλ' ὑπέκειν τοῖς ὀργιζομένοις.

“Μὴ ἐσθίειν καρδίαν,” ἥτοι μὴ βλάπτειν τὴν ψυχὴν ταῖς φροντίσιν αὐτὴν κατατρύχοντα.

[f] “Κυάμων ἀπέχεσθαι,” ὅτι οὐ δεῖ πολιτεύεσθαι· κυαμευταὶ γὰρ ἦσαν ἔμπροσθεν αἱ ψηφοφορίαι δι' ὧν πέρας ἐπετίθεσαν ταῖς ἀρχαῖς.

“Σιτίον εἰς ἀμίδα μὴ ἐμβάλλειν.” ἐπισημαίνει γὰρ ὅτι εἰς πονηρὰν ψυχὴν ἀστεῖον λόγον ἐμβάλλειν οὐ προσῆκεν· ὁ μὲν γὰρ λόγος τροφὴ διανοίας ἐστί, τοῦτον δ' ἀκάθαρτον ἢ πονηρίᾳ ποιεῖ τῶν ἀνθρώπων.

“Μὴ ἐπιστρέφεσθαι ἐπὶ τοὺς ὄρους ἐλθόντας,” τουτέστι

μέλλοντας ἀποθνήσκειν καὶ τὸν ὅρον τοῦ βίου πλησίον ὄντα ὀρῶντας φέρειν εὐκόλως καὶ μὴ ἀθυμεῖν.

Ἀνακάμψω δ' ἐπὶ τὴν ἐξ ἀρχῆς τοῦ λόγου ὑπόθεσιν· ἀπάντων γὰρ ὅπερ ἔφην τῶν πονηρῶν ἀνθρώπων ἀπάγειν δεῖ τοὺς παῖδας, μάλιστα δὲ [13] [a] τῶν κολάκων. ὅπερ γὰρ πολλάκις καὶ πρὸς πολλοὺς τῶν πατέρων διατελῶ λέγων, καὶ νῦν ἂν εἴποιμι. γένος οὐδέν ἐστιν ἐξωλέστερον οὐδὲ μᾶλλον καὶ θᾶπτον ἐκτραχηλίζον νεότητα τῶν κολάκων, οἳ καὶ τοὺς πατέρας καὶ τοὺς παῖδας προρρίζους ἐκτρίβουσι, τῶν μὲν τὸ γῆρας ἐπίλυπον, τῶν δὲ τὴν νεότητα ποιοῦντες, τῶν δὲ συμβουλευμάτων δέλεαρ ἀφύλακτον προτείνοντες τὴν ἡδονήν. τοῖς παισὶ τῶν πλουσίων οἱ πατέρες νήφειν παραινοῦσιν οἱ δὲ μεθύειν, σωφρονεῖν οἱ δ' ἀσελγαίνειν, φυλάττειν οἱ δὲ δαπανᾶν, φιλεργεῖν οἱ δὲ ῥαθυμεῖν, [b] “στιγμὴ χρόνου πᾶς ἐστὶν ὁ βίος” λέγοντες, “ζῆν οὐ παραζῆν προσῆκε. τί δὲ φροντιστέον ἡμῖν τῶν τοῦ πατρὸς ἀπειλῶν; κρονόληρος καὶ σοροδαίμων ἐστί, καὶ μετέωρον αὐτὸν ἀράμενοι τὴν ταχίστην ἐξοίσομεν.” καθῆκε δὲ τις καὶ χαμαιτύπην καὶ προηγώγευσε γαμετήν, καὶ τὰ τῶν πατέρων ἐφόδια τοῦ γήρως ἐσύλησε καὶ περιέκοψε. μιὰρὸν τὸ φῦλον, ὑποκριταὶ φιλίας, ἄγευστοι παρρησίας, πλουσίων μὲν κόλακες πενήτων δ' ὑπερόπται, ὥς ἐκ λυρικῆς τέχνης ἐπὶ τοὺς νέους ἀγόμενοι, σεσηρότες ὅθ' οἱ τρέφοντες γελῶσι, καὶ ψυχῆς ὑποβολιμαῖα καὶ νόθα μέρη βίου, πρὸς δὲ [c] τὸ τῶν πλουσίων νεῦμα ζῶντες, τῇ τύχῃ μὲν ἐλεύθεροι, τῇ προαιρέσει δὲ δοῦλοι· ὅταν δὲ μὴ ὑβρίζονται, τόθ' ὑβρίζεσθαι δοκοῦντες, ὅτι μάτην παρατρέφονται. ὥστ' εἴ τω μέλει τῶν πατέρων τῆς τῶν τέκνων εὐαγωγίας, ἐκδιωκτέον τὰ μιὰρὰ ταῦτα θρέμματα, ἐκδιωκτέον δ' οὐχ ἥκιστα καὶ τὰς τῶν συμφοιτητῶν μοχθηρίας· καὶ γὰρ οὗτοι τὰς ἐπεικεστάτας φύσεις ἱκανοὶ διαφθείρειν εἰσὶ.

Ταῦτα μὲν οὖν καλὰ καὶ συμφέροντα· ἃ δὲ [d] μέλλω λέγειν, ἀνθρώπινα. οὐδὲ γὰρ αὖ πάλιν τοὺς πατέρας ἔγωγ' ἀξιῶ τελέως τραχεῖς καὶ σκληροὺς εἶναι τὴν φύσιν, ἀλλὰ πολλαχοῦ καὶ συγχωρησαί τινα τῷ νεωτέρῳ τῶν ἀμαρτημάτων, καὶ ἑαυτοὺς ἀναμιμνήσκειν ὅτι ἐγένοντο νέοι. καὶ καθάπερ ἱατροὶ τὰ πικρὰ τῶν φαρμάκων τοῖς γλυκέσι χυμοῖς καταμιγνύντες τὴν τέρψιν ἐπὶ τὸ συμφέρον πάροδον εὔρον, οὕτω δεῖ τοὺς πατέρας τὴν τῶν ἐπιτιμημάτων ἀποτομίαν τῇ πραότητι [e] μιγνύναι, καὶ τοτὲ μὲν

ταῖς ἐπιθυμίαις τῶν παίδων ἐφεῖναι καὶ χαλάσαι τὰς ἡνίας, τοτὲ δ' αὖ πάλιν ἀντιτεῖναι, καὶ μάλιστα μὲν εὐκόλως φέρειν τὰς ἁμαρτίας, εἰ δὲ μή γε, πρὸς καιρὸν ὀργισθέντας ταχέως ἀποφλεγμῆναι. μᾶλλον γὰρ ὀξὺθυμον εἶναι δεῖ τὸν πατέρα ἢ βαρύθυμον, ὡς τό γε δυσμενὲς καὶ δυσκατάλλακτον μισοτεκνίας οὐ μικρὸν τεκμήριόν ἐστι. καλὸν δὲ καὶ ἔνια τῶν ἁμαρτημάτων μηδ' εἰδέναι δοκεῖν, ἀλλὰ τὸ τοῦ γήρωος ἀμβλυῶπτον καὶ δύσκωφον ἐπὶ τὰ γιγνόμενα μεταφέρειν, ὡς ἔνια τῶν πραπτομένων ὀρῶντας μὴ ὀρᾶν καὶ μὴ ἀκοῦειν ἀκούοντας. φίλων ἁμαρτήματα φέρομεν· τί θαυμαστὸν εἰ τέκνων; δούλων πολλάκις κραιπαλῶντων μέθην οὐκ ἐξηλέγξαμεν. ἐφείσω ποτέ, ἀλλὰ καὶ χορήγησον· ἡγανάκτησάς ποτε, ἀλλὰ καὶ σύγγνωθι. ἐβουκόλησέ ποτε δι' οἰκέτου· τὴν [f] ὀργὴν κάτασχε. ἐξ ἀγροῦ ποτε ζεῦγος ἀφείλετο, ἦλθέ ποτε χιτῆρος μέθης ἀποπνέων, ἀγνόησον· μύρων ὄζων, σίγησον. οὕτω σκιρτῶσα νεότης πωλοδαμνεῖται.

Πειρατέον δὲ τοὺς τῶν ἡδονῶν ἥττους καὶ πρὸς τὰς ἐπιτιμήσεις δυσηκούς γάμῳ καταζεῦξαι, δεσμὸς γὰρ οὗτος τῆς νεότητος ἀσφαλέστατος. ἐγγυᾶσθαι δὲ δεῖ τοῖς υἱέσι γυναικας μήτ' εὐγενεστέρας πολλῶ μήτε πλουσιωτέρας· τὸ γὰρ “τὴν κατὰ σαυτὸν ἔλα” σοφόν. ὡς οἱ γε μακρῶ κρείττους ἑαυτῶν λαμβάνοντες οὐ τῶν γυναικῶν ^[14] [a] ἄνδρες, τῶν δὲ προικῶν δοῦλοι λανθάνουσι γιγνόμενοι.

Βραχέα δὲ προσθεῖς ἔτι περιγράψω τὰς ὑποθήκας. πρὸ πάντων γὰρ δεῖ τοὺς πατέρας τῷ μηδὲν ἁμαρτάνειν ἀλλὰ πάνθ' ἃ δεῖ πράττειν ἐναργὲς αὐτοὺς παράδειγμα τοῖς τέκνοις παρέχειν, ἵνα πρὸς τὸν τούτων βίον ὥσπερ κάτοπτρον ἀποβλέποντες ἀποτρέπωνται τῶν αἰσchrῶν ἔργων καὶ λόγων. ὡς οἵτινες τοῖς ἁμαρτάνουσιν υἱοῖς ἐπιτιμῶντες τοῖς αὐτοῖς ἁμαρτήμασι περιπίπτουσιν, ἐπὶ τῷ ἐκείνων ὀνόματι λανθάνουσιν ἑαυτῶν κατήγοροι γιγνόμενοι· τὸ δ' ὅλον φαύλως ζῶντες οὐδὲ τοῖς [b] δούλοις παρρησίαν ἄγουσιν ἐπιτιμᾶν, μή τί γε τοῖς υἱοῖς. χωρὶς δὲ τούτων γένοιντ' ἂν αὐτοῖς τῶν ἀδικημάτων σύμβουλοι καὶ διδάσκαλοι. ὅπου γὰρ γέροντές εἰσιν ἀναίσχυντοι, ἐνταῦθ' ἀνάγκη καὶ νέους ἀναιδεστάτους εἶναι.

Πειρατέον οὖν εἰς τὸν τῶν τέκνων σωφρονισμόν πάνθ' ὅσα προσῆκεν ἐπιτηδεύειν, ζηλώσαντας Εὐρυδίκην, ἥτις Ἰλλυρίς οὕσα καὶ τριβάρβαρος, ὅμως ἐπὶ τῇ μαθήσει τῶν τέκνων ὀψὲ τῆς

Quomodo adolescens poetas audire debeat

[14] Εἰ μὲν, ὡς Φιλόξενος ὁ ποιητῆς ἔλεγεν, ὦ [e] Μάρκε Σήδατε, τῶν κρεῶν τὰ μὴ κρέα ἡδιστά ἐστι καὶ τῶν ἰχθύων οἱ μὴ ἰχθύες, ἐκείνοις ἀποφαίνεσθαι παρῶμεν οἷς ὁ Κάτων ἔφη τῆς καρδίας τὴν ὑπερώαν εὐαισθητοτέραν ὑπάρχειν. ὅτι δὲ τῶν ἐν φιλοσοφίᾳ λεγομένων οἱ σφόδρα νέοι τοῖς μὴ δοκοῦσι φιλοσόφως μὴδ' ἀπὸ σπουδῆς λέγεσθαι χαίρουσι μᾶλλον καὶ παρέχουσιν ὑπηκόους ἑαυτοὺς καὶ χειροῖθεις, δῆλόν ἐστιν ἡμῖν. οὐ γὰρ μόνον τὰ Αἰσώπεια μυθάρια καὶ τὰς ποιητικὰς ὑποθέσεις ἀλλὰ καὶ τὸν Ἄβαριν τὸν Ἡρακλείδου καὶ τὸν Λύκωνα τὸν Ἀρίστωνος διερχόμενοι καὶ τὰ περὶ τῶν ψυχῶν δόγματα μεμιγμένα μυθολογία μεθ' [f] ἡδονῆς ἐνθουσιῶσι. διὸ δεῖ μὴ μόνον ἐν ταῖς περὶ ἐδωδὴν καὶ πόσιν ἡδοναῖς διαφυλάττειν εὐσχήμονας αὐτοὺς, ἔτι δὲ μᾶλλον ἐν ταῖς ἀκροάσεσιν καὶ ἀναγνώσεσιν ἐθίζειν, ὥσπερ ὄψω χρωμένους μετρίως τῷ τέρποντι, τὸ χρήσιμον ἀπ' αὐτοῦ καὶ τὸ σωτήριον δίδωκεν. οὔτε γὰρ πόλιν αἱ κεκλειμέναί πύλαι τηροῦσιν ἀνάλωτον, ἂν διὰ μιᾶς παραδέξῃται τοὺς πολεμίους, οὔτε νέον αἱ περὶ [15] [a] τὰς ἄλλας ἡδονὰς ἐγκράτειαι σώζουσιν, ἂν τῇ δι' ἀκοῆς λάθῃ προέμενος αὐτόν, ἀλλ' ὅσον μᾶλλον αὕτη τοῦ φρονεῖν καὶ λογίζεσθαι πεφυκός ἄπτεται, τοσοῦτο μᾶλλον ἀμεληθεῖσα βλάπτει καὶ διαφθείρει τὸν παραδεξάμενον. ἐπεὶ τοίνυν οὔτ' ἴσως δυνατόν ἐστιν οὔτ' ὠφέλιμον ποιημάτων ἀπείργειν τὸν τηλικοῦτον ἡλικίος οὐμός τε τὸ νῦν Σώκλαρός ἐστι καὶ ὁ σὸς Κλέανδρος, εὖ μάλα παραφυλάττωμεν αὐτοὺς, ὡς ἐν ταῖς ἀναγνώσεσι μᾶλλον ἢ ταῖς ὁδοῖς παιδαγωγίας δεομένους. ἂ δ' οὖν ἐμοὶ περὶ ποιημάτων εἰπεῖν πρῶν ἐπῆλθε, νῦν πρὸς σέ [b] γεγραμμένα πέμψαι διανοήθην. καὶ λαβὼν ταῦτα δίελθε, κἂν δοκῇ σοι μὴδὲν εἶναι φαυλότερα τῶν ἀμεθύστων καλουμένων, ἅτινες ἐν τοῖς πότοις περιιάπτονται καὶ προλαμβάνουσι, μεταδίδου τῷ Κλεάνδρῳ καὶ προκαταλάμβανε τὴν φύσιν αὐτοῦ διὰ τὸ μηδαμοῦ νωθρὸν ἀλλὰ πανταχοῦ σφοδρὸν καὶ δεδορκὸς εὐαγωγοτέραν ὑπὸ τῶν τοιούτων οὔσαν.

πουλύποδος κεφαλῇ ἓνι μὲν κακὸν ἐν δὲ καὶ ἐσθλόν,

ὅτι βρωθῆναι μὲν ἐστιν ἡδιστος, δυσόνειρον δ' ὕπνον ποιεῖ, φαντασίας ταραχώδεις καὶ ἀλλοκότους [c] δεχόμενον, ὡς λέγουσιν.

οὕτω δὴ καὶ ποιητικῇ πολὺ μὲν τὸ ἡδὺ καὶ τρόφιμον νέου ψυχῆς ἔνεστιν, οὐκ ἔλαττον δὲ τὸ ταρακτικὸν καὶ παράφορον, ἂν μὴ τυγχάνῃ παιδαγωγίας ὀρθῆς ἢ ἀκρόασις. οὐ γὰρ μόνον ὡς ἔοικε περὶ τῆς Αἰγυπτίων χώρας ἀλλὰ καὶ περὶ τῆς ποιητικῆς ἔστιν εἰπεῖν ὅτι

φάρμακα, πολλὰ μὲν ἐσθλὰ μεμιγμένα πολλὰ δὲ λυγρὰ τοῖς χρωμένοις ἀναδίδωσιν.

ἐνθ' ἔνι μὲν φιλότης, ἐν δ' ἴμερος, ἐν δ' ὀαριστὺς πάρφασις, ἣ τ' ἔκλεψε νόον πύκα περ φρονεόντων.

οὐ γὰρ ἄπτεται τὸ ἀπατηλὸν αὐτῆς ἀβελτέρων κομιδῇ [d] καὶ ἀνοήτων. διὸ καὶ Σιμωνίδης μὲν ἀπεκρίνατο πρὸς τὸν εἰπόντα “τί δὴ μόνους οὐκ ἐξαπατᾷς Θετταλοὺς;” “ἀμαθέστεροι γὰρ εἰσιν ἢ ὡς ὑπ' ἐμοῦ ἐξαπατᾶσθαι.” Γοργίας δὲ τὴν τραγωδίαν εἶπεν ἀπάτην, ἣν ὁ τ' ἀπατήσας δικαιότερος τοῦ μὴ ἀπατήσαντος καὶ ὁ ἀπατηθεὶς σοφώτερος τοῦ μὴ ἀπατηθέντος. πότερον οὖν τῶν νέων ὥσπερ τῶν Ἰθακησίων σκληρῶ τινι τὰ ὥτα καὶ ἀτέγκτω κηρῶ καταπλάττοντες ἀναγκάζωμεν αὐτοὺς τὸ Ἐπικούρειον ἀκάτιον ἀραμένους ποιητικὴν φεύγειν καὶ παρεξελάυνειν, ἢ μᾶλλον ὀρθῶ τινι λογισμῷ παριστάντες καὶ καταδέοντες, τὴν κρίσιν, ὅπως μὴ παραφέρηται τῷ τέρποντι πρὸς τὸ βλάπτον, ἀπευθύνωμεν καὶ παραφυλάττωμεν;

[e] οὐδὲ γὰρ οὐδὲ Δρύαντος υἱὸς κρατερὸς Λυκόοργος

ὕγιαίνοντα νοῦν εἶχεν, ὅτι πολλῶν μεθυσκομένων καὶ παροινούντων τὰς ἀμπέλους περιῶν ἐξέκοπτεν ἀντὶ τοῦ τὰς κρήνας ἐγγυτέρω προσαγαγεῖν καὶ “μαινόμενον” θεόν, ὡς φησιν ὁ Πλάτων, “ἐτέρω θεῷ νήφοντι κολαζόμενον” σωφρονίζειν. ἀφαιρεῖ γὰρ ἡ κρᾶσις τοῦ οἴνου τὸ βλάπτον, οὐ συναναιροῦσα τὸ χρήσιμον. μηδ' ἡμεῖς οὖν τὴν ποιητικὴν [f] ἡμερίδα τῶν Μουσῶν ἐκκόπτωμεν μηδ' ἀφανίζωμεν, ἀλλ' ὅπου μὲν ὑφ' ἡδονῆς ἀκράτου πρὸς δόξαν αὐθάδως θρασυνόμενον ἐξυβρίζει καὶ ὑλομανεῖ τὸ μυθῶδες αὐτῆς καὶ θεατρικόν, ἐπιλαμβανόμενοι κολοῦωμεν καὶ πιέζωμεν. ὅπου δ' ἄπτεταί τινος μούσης τῇ χάριτι καὶ τὸ γλυκὺ τοῦ λόγου καὶ ἀγωγὸν οὐκ ἄκαρπὸν ἐστὶν οὐδὲ κενόν, ἐνταῦθα φιλοσοφίαν εἰσάγωμεν καὶ καταμινύωμεν. ὥσπερ γὰρ ὁ μανδραγόρας ταῖς ἀμπέλαις παραφυόμενος καὶ διαδιδούς τὴν δύναμιν εἰς τὸν οἶνον μαλακωτέραν ποιεῖ τὴν καταφορὰν τοῖς πίνουσιν, οὕτω τοὺς λόγους ἢ ποιήσεις ἐκ φιλοσοφίας

ἀναλαμβάνουσα μίγνυμένους πρὸς τὸ μυθῶδες ἐλαφρὰν καὶ προσφιλῇ παρέχει τοῖς νέοις τὴν μάθησιν. ὅθεν οὐ φευκτέον ἐστὶ τὰ ποιήματα τοῖς φιλοσοφεῖν μέλλουσιν, ἀλλὰ προφιλοσοφητέον τοῖς ποιήμασιν [16] [a] ἐθιζομένους ἐν τῷ τέρποντι τὸ χρήσιμον ζητεῖν καὶ ἀγαπᾶν· εἰ δὲ μή, διαμάχεσθαι καὶ δυσχεραίνειν. ἀρχὴ γὰρ αὕτη παιδεύσεως,

ἔργου δὲ παντὸς ἦν τις ἄρχηται καλῶς,
καὶ τὰς τελευτὰς εἰκός ἐσθ' οὕτως ἔχειν
κατὰ τὸν Σοφοκλέα.

Πρῶτον μὲν οὖν εἰσάγειν εἰς τὰ ποιήματα δεῖ τὸν νέον μηδὲν οὕτω μεμελετημένον ἔχοντα καὶ πρόχειρον ὡς τὸ “πολλὰ ψεύδονται ἄοιδοι” τὰ μὲν ἐκόντες τὰ δ' ἄκοντες. ἐκόντες μὲν, ὅτι πρὸς ἡδονὴν ἀκοῆς καὶ χάριν, ἦν οἱ πλεῖστοι διώκουσιν, [b] αὐστηροτέραν ἡγοῦνται τὴν ἀλήθειαν τοῦ ψεύδους. ἡ μὲν γὰρ ἔργῳ γιγνομένη, κἂν ἀτερπὲς ἔχη τὸ τέλος, οὐκ ἐξίσταται· τὸ δὲ πλαττόμενον λόγῳ ῥᾶστα περιχωρεῖ καὶ τρέπεται πρὸς τὸ ἡδιον ἐκ τοῦ λυποῦντος. οὔτε γὰρ μέτρον οὔτε τρόπος οὔτε λέξεως ὄγκος οὔτ' εὐκαιρία μεταφοῶς οὔθ' ἁρμονία καὶ σύνθεσις ἔχει τοσοῦτον αἰμυλίας καὶ χάριτος ὅσον εὖ πεπλεγμένη διάθεσις μυθολογίας· ἀλλ' ὥσπερ ἐν γραφαῖς κινητικώτερόν ἐστι χρῶμα γραμμῆς διὰ τὸ ἀνδρείκελον καὶ ἀπατηλόν, οὕτως [c] ἐν ποιήμασι μεμιγμένον πιθανότητι ψεῦδος ἐκπλήττει καὶ ἀγαπᾶται μᾶλλον τῆς ἀμύθου καὶ ἀπλάστου περὶ μέτρον καὶ λέξιν κατασκευῆς. ὅθεν ὁ Σωκράτης ἐκ τινων ἐνυπνίων ποιητικῆς ἀψάμενος αὐτὸς μὲν, ἅτε δὴ γεγωνὼς ἀληθείας ἀγωνιστῆς τὸν ἅπαντα βίον, οὐ πιθανὸς ἦν οὐδ' εὐφυῆς ψευδῶν δημιουργός, τοὺς δ' Αἰσώπου μύθους ἔπεσιν ἐνήρμοζεν ὡς ποίησιν οὐκ οὔσαν ἢ ψεῦδος μὴ πρόσεστι. θυσίας μὲν γὰρ ἀχόρους καὶ ἀναύλους ἴσμεν, οὐκ ἴσμεν δ' ἄμυθον οὐδ' ἀψευδῆ ποίησιν. τὰ δ' Ἐμπεδοκλέους ἔπη καὶ Παρμενίδου καὶ θηριακὰ Νικάνδρου καὶ γνωμολογίαι Θεόγνιδος λόγοι εἰσὶ κυχράμενοι παρὰ ποιητικῆς ὥσπερ ὄχημα τὸ μέτρον καὶ τὸν ὄγκον, ἵνα τὸ πεζὸν [d] διαφύγῃσιν. ὅταν οὖν ἄτοπόν τι καὶ δυσχερὲς ἐν τοῖς ποιήμασι λέγεται περὶ θεῶν ἢ δαιμόνων ἢ ἀρετῆς ὑπ' ἀνδρὸς ἐλλογίμου καὶ δόξαν ἔχοντος, ὁ μὲν ὡς ἀληθῆ προσδεξάμενος λόγον οἴχεται φερόμενος καὶ διέφθαρται τὴν δόξαν, ὁ δὲ μεμνημένος αἰὲ καὶ κατέχων ἐναργῶς τῆς ποιητικῆς τὴν περὶ τὸ ψεῦδος γοητείαν καὶ δυνάμενος λέγειν ἐκάστοτε πρὸς αὐτὴν

“ὦ μηχανήμα λυγκδὸς αἰολώτερον,

τί παίζουσα τὰς ὀφρῦς συνάγεις, τί δ’ ἐξαπατῶσα [e] προσποιῇ διδάσκειν;” οὐδὲν πείσεται δεινὸν οὐδὲ πιστεύσει φαῦλον, ἀλλ’ ἐπιλήψεται μὲν αὐτοῦ φοβουμένου τὸν Ποσειδῶνα καὶ ταρβοῦντος μὴ τὴν γῆν ἀναρρήξῃ καὶ ἀπογυμνώσῃ τὸν Ἄϊδην, ἐπιλήψεται δὲ τῷ Ἀπόλλωνι χαλεπαίνοντος ὑπὲρ τοῦ πρώτου τῶν Ἀχαιῶν,

ὃν αὐτὸς ὑμῶν αὐτὸς ἐν δαίτῃ παρῶν

αὐτὸς τὰδ’ εἰπὼν αὐτός ἐστιν ὁ κτανών,

παύσεται δὲ τὸν φθιτὸν Ἀχιλλέα καὶ τὸν Ἀγαμέμνονα τὸν καθ’ Ἄϊδου δακρύων, ἀδυνάτους καὶ ἀσθενεῖς χεῖρας ἐπιθυμία τοῦ ζῆν ὀρέγοντας. ἂν δέ που συνταράττῃται τοῖς πάθεσι καὶ κρατῇται φαρμαπτόμενος, οὐκ ὀκνήσει πρὸς ἑαυτὸν εἰπεῖν ἀλλὰ φόωσδε τάχιστα λιλαίεο· ταῦτα δὲ πάντα [f] ἴσθ’, ἵνα καὶ μετόπισθε τεῇ εἵπῃσθα γυναικί.

καὶ γὰρ τοῦτο χαριέντως Ὅμηρος εἰς τὴν νέκυϊαν εἶπεν, ὡς γυναικὸς ἀκρόασιν οὔσαν διὰ τὸ μυθῶδες.

Τοιαῦτα γάρ ἐστιν ἃ πλάττουσιν ἐκόντες οἱ ποιηταί· πλείονα δ’ ἃ μὴ πλάττοντες ἀλλ’ οἰόμενοι καὶ δοξάζοντες αὐτοὶ προσαναχρώννυνται τὸ ψεῦδος ἡμῖν· οἷον ἐπὶ τοῦ Διὸς εἰρηκότος Ὀμήρου

τούτων γνώσιν. ἦττον γὰρ ὡς εἰδόσι τι περὶ τούτων προσέξουσιν
τοῖς ποιηταῖς ἐν οἷς τοὺς φιλοσόφους ἱλιγγιῶντας ὀρῶσιν.

Ἔτι δὲ μάλλον ἐπιστήσομεν αὐτὸν ἅμα τῷ προσάγειν τοῖς ποιήμασιν ὑπογράφοντες τὴν ποιητικὴν ὅτι μιμητικὴ τέχνη καὶ δυνάμεις ἐστὶν ἀντίστροφος τῇ ζωγραφίᾳ. καὶ μὴ μόνον ἐκεῖνο τὸ θρυλούμενον ἀκηκῶς ἔστω, ζωγραφίαν μὲν εἶναι [18] [a] φθεγγομένην τὴν ποίησιν, ποίησιν δὲ σιγῶσαν τὴν ζωγραφίαν, ἀλλὰ πρὸς τούτῳ διδάσκωμεν αὐτὸν ὅτι γεγραμμένην σαύραν ἢ πίθηκον ἢ Θερσίτου πρόσωπον ἰδόντες ἡδόμεθα καὶ θαυμάζομεν οὐχ ὡς καλὸν ἀλλ' ὡς ὁμοιον. οὐσία μὲν γὰρ οὐ δύναται καλὸν γενέσθαι τὸ αἰσχρόν· ἢ δὲ μίμησις, ἂν τε περὶ φαῦλον ἂν τε περὶ χρηστὸν ἐφίκηται τῆς ὁμοιότητος, ἐπαινεῖται. καὶ τοῦναντίον ἂν αἰσχροῦ σώματος εἰκόνα καλὴν παράσχη, τὸ πρέπον καὶ τὸ εἰκὸς οὐκ ἀπέδωκεν. γράφουσι δὲ καὶ πράξεις ἀτόπους ἔνιοι, καθάπερ Τιμόμαχος τὴν Μηδείας τεκνοκτονίαν καὶ Θέων τὴν Ὀρέστου μητροκτονίαν καὶ Παρράσιος τὴν Ὀδυσσέως προσποίητον μανίαν [b] καὶ Χαιρεφάνης ἀκολάστους ὁμιλίας γυναικῶν πρὸς ἄνδρας. ἐν οἷς μάλιστα δεῖ τὸν νέον ἐθίζεσθαι, διδασκόμενον ὅτι τὴν πρᾶξιν οὐκ ἐπαινοῦμεν ἥς γέγονεν ἢ μίμησις, ἀλλὰ τὴν τέχνην εἰ μεμίμηται προσηκόντως τὸ ὑποκείμενον. ἐπεὶ τοίνυν καὶ ποιητικὴ πολλάκις ἔργα φαῦλα καὶ πάθη μοχθηρὰ καὶ ἥθη μιμητικῶς ἀπαγγέλλει, δεῖ τὸ θαυμαζόμενον ἐν τούτοις καὶ κατορθούμενον μῆτ' ἀποδέχεσθαι τὸν νέον ὡς ἀληθὲς μῆτε δοκιμάζειν ὡς καλόν, ἀλλ' ἐπαινεῖν μόνον ὡς ἐναρμόττον τῷ ὑποκειμένῳ προσώπῳ καὶ οἰκεῖον. ὥσπερ γὰρ ὕδὸς βοὴν καὶ ψόφον τροχιλίας καὶ πνευμάτων [c] ῥοῖζον καὶ θαλάττης κτύπον ἀκούοντες ἐνοχλούμεθα καὶ δυσχεραίνομεν, ἂν δέ τις πιθανῶς ταῦτα μιμῇται, καθάπερ Παρμένων τὴν ὕν καὶ Θεόδωρος τὰς τροχιλίας, ἡδόμεθα· καὶ νοσώδη μὲν ἄνθρωπον καὶ ὑπουλον ὡς ἀτερπὲς θέαμα φεύγομεν, τὸν δ' Ἀριστοφῶντος Φιλοκτήτην καὶ τὴν Σιλανίωνος Ἰοκάστην ὁμοίους φθίνουσι καὶ ἀποθνήσκουσι πεπονημένους ὀρῶντες χαίρομεν· οὕτως ὁ νέος ἀναγιγνώσκων ἢ Θερσίτης ὁ γελωτοποιὸς ἢ Σίσυφος ὁ φθορεὺς ἢ Βάτραχος ὁ πορνοβοσκὸς λέγων [d] ἢ πράττων πεποίηται, διδασκέσθω τὴν μιμουμένην ταῦτα δύναμιν καὶ τέχνην ἐπαινεῖν, ἃς δὲ διαθέσεις καὶ πράξεις μιμεῖται καὶ προβάλλεσθαι καὶ κακίζειν. οὐ γάρ ἐστι ταῦτ' ὁ καλὸν καὶ καλῶς τι μιμεῖσθαι. καλῶς γάρ ἐστι τὸ πρεπόντως καὶ οἰκείως, οἰκεῖα δὲ καὶ πρέποντα τοῖς αἰσχροῖς τὰ αἰσγρά. καὶ γὰρ αἱ Δαμωνίδαι τοῦ χωλοῦ κρητῖδες, ἃς ἀπολέσας εὐχετο τοῖς τοῦ κλέφαντος

[b] Δεῖ δὲ μηδὲ τὰς ἐκ τῶν παρακειμένων ἢ συμφραζομένων

[c] οὐ γὰρ ἀπλῶς εἶπε καὶ πᾶσιν ἀνθρώποις ὑπὸ θεῶν ἐπικεκλῶσθαι λυπηρὸν βίον, ἀλλὰ τοῖς ἄφροσι καὶ ἀνοήτοις, οὓς δειλαίους καὶ οἰκτροὺς διὰ μοχθηρίαν ὄντας εἶωθε “δειλοὺς” καὶ “οἷζυροὺς” προσαγορεύειν.

Ἄλλος τοίνυν τρόπος ἐστὶ τὰς ἐν τοῖς ποιήμασιν ὑποψίας πρὸς τὸ βέλτιον ἐκ τοῦ χείρονος μεθιστὰς ὁ διὰ τῶν ὀνομάτων τῆς συνηθείας, περὶ ὃν δεῖ τὸν νέον γεγυμνάσθαι μᾶλλον ἢ περὶ τὰς λεγομένας γλώττας. ἐκεῖνο μὲν γὰρ φιλόλογον καὶ οὐκ ἀηδὲς ὅτι “ῥιγεδανός” κακοθάνατός ἐστιν εἰδέναι (“δάνον” γὰρ Μακεδόνες τὸν θάνατον καλοῦσι), “καμμονίαν” δὲ νίκην Αἰολεῖς τὴν ἐξ [d] ἐπιμονῆς καὶ καρτερίας, Δρύοπες δὲ “πόπους” τοὺς δαίμονας. τουτὶ δ’ ἀναγκαῖον καὶ χρήσιμον, εἰ μέλλομεν ἐκ τῶν ποιημάτων ὠφελήσεσθαι καὶ μὴ βλαβήσεσθαι, τὸ γινώσκειν πῶς τοῖς τῶν θεῶν ὀνόμασιν οἱ ποιηταὶ χρῶνται καὶ πάλιν τοῖς τῶν κακῶν καὶ ἀγαθῶν, καὶ τί τὴν Τύχην τί τὴν Μοῖραν νοοῦντες ὀνομάζουσι, καὶ πότερον ταῦτα τῶν ἀπλῶς ἢ τῶν πολλαχῶς λεγομένων ἐστὶ παρ’ αὐτοῖς, ὥσπερ ἄλλα πολλά. καὶ γὰρ “οἶκον” ποτὲ μὲν τὴν οἰκίαν καλοῦσιν

ποτὲ δ’ ἀντὶ τοῦ γαυριᾶν καὶ χαίρειν

καὶ τῷ “θοάζειν” ἢ τὸ κινεῖσθαι σημαίνουσιν, ὥς Εὐριπίδης

χάριεν δὲ καὶ τὸ τὴν χρεῖαν τῶν ὀνομάτων συνοικειοῦν τοῖς

νῆ' ὀλίγην αἰνεῖν, μεγάλη δ' ἐνὶ φορτία θέσθαι.

τῷ μὲν γὰρ “αἰνεῖν” σημαίνεται τὸ ἐπαινεῖν, αὐτῷ δὲ τῷ ἐπαινεῖν ἀντὶ τοῦ παραιτεῖσθαι νῦν κέχρηται, καθάπερ ἐν τῇ συνηθείᾳ “καλῶς” φαμὲν “ἔχειν”

Ταύτην δὴ τὴν διαίρεσιν καὶ διάκρισιν τῶν ὀνομάτων ἐν τοῖς μείζοσι καὶ σπουδαιοτέροις παραφυλάττοντες ἀπὸ τῶν θεῶν ἀρχώμεθα διδάσκειν τοὺς νέους ὅτι χρῶνται τοῖς τῶν θεῶν ὀνόμασιν οἱ ποιηταὶ ποτὲ μὲν αὐτῶν ἐκείνων ἐφαπτόμενοι τῇ ἐννοίᾳ, ποτὲ δὲ δυνάμεις τινὰς ὧν οἱ θεοὶ δοτῆρές εἰσι καὶ καθηγεμόνες ὁμωνύμως προσαγορεύοντες. οἷον εὐθύς ὁ Ἀρχίλοχος, ὅταν μὲν εὐχόμενος λέγῃ

πολλῶν οὖν οὕτω λεγομένων εἰδέναι δεῖ καὶ μνημονεύειν ὅτι καὶ τῷ τοῦ Διὸς καὶ Ζηνὸς ὀνόματι [d] ποτὲ μὲν τὸν θεὸν ποτὲ δὲ τὴν τύχην πολλάκις δὲ τὴν εἰμαρμένην προσαγορεύουσιν. ὅταν μὲν γὰρ λέγωσι

Ζεῦ πάτερ, Ἴδθ' ἐν μεδέων, κύδιστε μέγιστε,
δὸς νίκην Αἴαντι
καὶ

ὦ Ζεῦ, τίς εἶναί φησι σοῦ σοφώτερος;

τὸν θεὸν αὐτὸν λέγουσιν· ὅταν δὲ ταῖς αἰτίαις πάντων τῶν
γιγνομένων ἐπονομάζωσι τὸν Δία καὶ λέγωσι
πολλὰς δ' ἰφθίμους ψυχὰς Ἄϊδι προΐαψεν
ἡρώων, αὐτοὺς δὲ ἐλώρια τεῦχε κύνεσσιν
οἰωνοῖσί τε δαῖτα, Διὸς δ' ἐτελείετο βουλή,

τὴν εἰμαρμένην. οὐ γὰρ τὸν θεὸν ὁ ποιητῆς οἶεται κακὰ
μηχανᾶσθαι τοῖς ἀνθρώποις, ἀλλὰ τὴν [e] τῶν πραγμάτων
ἀνάγκην ὀρθῶς ὑποδείκνυσιν, ὅτι καὶ πόλεσι καὶ στρατοπέδοις καὶ
ἡγεμόσιν, ἂν μὲν σωφρονῶσιν, εὖ πράττειν πέπρωται καὶ κρατεῖν
τῶν πολέμιων, ἂν δ' εἰς πάθη καὶ ἁμαρτίας ἐμπεσόντες ὥσπερ
οὔτοι διαφέρωνται πρὸς ἀλλήλους καὶ στασιάζωσιν, ἀσχημονεῖν
καὶ ταράττεσθαι καὶ κακῶς ἀπαλλάττειν, κατὰ τὸν Σοφοκλέα·

εἰμαρμένον γὰρ τῶν κακῶν βουλευμάτων
κακὰς ἀμοιβὰς ἐστὶ καρποῦσθαι βροτοῖς.

καὶ μὴν ὁ Ἡσίοδος τὸν Προμηθέα ποιῶν τῷ Ἐπιμηθεῖ
παρακελευόμενον

μή ποτε δῶρα

δέξασθαι παρ Ζηνὸς Ὀλυμπίου ἀλλ' ἀποπέμπειν,

[f] ἐπὶ τῇ τῆς τύχης δυνάμει τῷ τοῦ Διὸς ὀνόματι κέχρηται· τὰ
γὰρ τυχερὰ τῶν ἀγαθῶν Διὸς δῶρα κέκληκε, πλούτους καὶ γάμους
καὶ ἀρχὰς καὶ πάνθ' ὅλως τὰ ἐκτός, ὧν ἡ κτῆσις ἀνόνητός ἐστι
τοῖς χρῆσθαι καλῶς μὴ δυναμένοις. διὸ καὶ τὸν Ἐπιμηθέα φαῦλον
ὄντα καὶ ἀνόητον οἶεται δεῖν φυλάττεσθαι καὶ δεδιέναι τὰς
εὐτυχίας, ὡς βλαβησόμενον καὶ διαφθαρησόμενον ὑπ' αὐτῶν. καὶ
πάλιν ὅταν λέγῃ

μηδέ ποτ' οὐλομένην πενίην θυμοφθόρον ἀνδρὶ

τέτλαθ' ὀνειδίζειν, μακάρων δόσιν αἰὲν ἐόντων,

θεόσδοτον νῦν τὸ τυχερὸν εἴρηκεν, ὡς οὐκ ἄξιον ἐγκαλεῖν τοῖς
διὰ τὴν τύχην πενομένοις, ἀλλὰ τὴν [24] [a] μετ' ἀργίας καὶ
μαλακίας καὶ πολυτελείας ἀπορίαν κακίζειν αἰσχροὺς καὶ
ἐπονειδιστοὺς οὔσαν. οὐπω γὰρ αὐτὸ τοῦνομα τῆς τύχης λέγοντες,
εἰδότες δὲ τὴν τῆς ἀτάκτως καὶ ἀορίστως περιφερομένης αἰτίας
δύναμιν ἰσχυρὰν καὶ ἀφύλακτον οὔσαν ἀνθρωπίνῳ λογισμῷ τοῖς

τῶν θεῶν ὀνόμασιν ἐξέφραζον, ὥσπερ ἡμεῖς καὶ πράγματα καὶ
ἦθη καὶ νῆ Δία καὶ λόγους καὶ ἄνδρας εἰώθαμεν δαιμονίους καὶ
θείους προσαγορεύειν. οὕτω δὴ τὰ πολλὰ τῶν ἀτόπως περὶ τοῦ
Διὸς λέγεσθαι δοκούντων ἐπανορθώτεον, ὧν ἔστι καὶ ταῦτα

δοιοὶ γάρ τε πίθοι κατακείσθαι ἐν Διὸς οὐδὲι

[b] κηρῶν ἔμπλειοι, ὁ μὲν ἐσθλῶν, αὐτὰρ ὁ δειλῶν

καὶ

τότε γάρ ῥα κυλίνδετο πῆματος ἀρχὴ

Τρωσί τε καὶ Δαναοῖσι Διὸς μεγάλου διὰ βουλὰς,

ὥς περὶ τῆς τύχης ἢ τῆς εἰμαρμένης λεγομένων, ἐν αἷς τὸ
ἀσυλλόγιστον ἡμῖν τῆς αἰτίας σημαίνεται καὶ ὅλως οὐ καθ' ἡμᾶς.
ὅπου δὲ τὸ προσῆκον καὶ κατὰ λόγον καὶ εἰκὸς ἔστιν, ἐνταῦθα
κυρίως ὀνομάζεσθαι τὸν θεὸν νομίζωμεν, ὥσπερ ἐν τούτοις

[c] αὐτὰρ ὁ τῶν ἄλλων ἐπεπωλεῖτο στίχας ἀνδρῶν,

Αἴαντος δ' ἄλλεινε μάχην Τελαμωνιάδαο·

Ζεὺς γάρ οἱ νεμέσα ὅτ' ἀμείνονι φωτὶ μάχοιτο

καὶ

Ζεὺς γὰρ τὰ μὲν μέγιστα φροντίζει βροτῶν,

τὰ μικρὰ δ' ἄλλοις δαίμοσιν παρεῖς ἔῃ.

Σφόδρα δὲ δεῖ καὶ τοῖς ἄλλοις ὀνόμασι προσέχειν, κατὰ πολλὰ
πράγματα κινουμένοις καὶ μεθισταμένοις ὑπὸ τῶν ποιητῶν. οἷόν
ἔστι καὶ τὸ τῆς ἀρετῆς. ἐπεὶ γὰρ οὐ μόνον ἔμφρονας παρέχεται καὶ
[d] δικαίους καὶ ἀγαθοὺς ἐν πράξεσι καὶ λόγοις, ἀλλὰ καὶ δόξας
ἐπικεικῶς καὶ δυνάμεις περιποιεῖται, παρὰ τοῦτο ποιοῦνται καὶ τὴν
εὐδοξίαν ἀρετὴν καὶ τὴν δύναμιν, ὀνομάζοντες ὥσπερ “ἐλαίαν”
τὸν ἀπὸ τῆς ἐλαίας, καὶ “φηγὸν” τὸν ἀπὸ τῆς φηγοῦ καρπὸν
ὁμωνύμως τοῖς φέρουσιν. οὐκοῦν ὁ νέος ἡμῖν, ὅταν μὲν λέγωσι

καὶ

εἰς ἀρετὴν καταλυσάμενους βίον,

[e] εὐθὺς οἰέσθω λέγεσθαι ταῦτα περὶ τῆς ἀρίστης καὶ

θειοτάτης ἔξεως ἐν ἡμῖν, ἣν ὀρθότητα λόγου καὶ ἀκρότητα
λογικῆς φύσεως καὶ διάθεσιν ὁμολογουμένην ψυχῆς νοοῦμεν. ὅταν
δ' ἀναγινώσκη πάλιν τό τε

Ζεὺς δ' ἀρετὴν ἀνδρεσσιν ὀφέλλει τε μινύθει τε
καὶ τὸ

πλούτῳ δ' ἀρετὴ καὶ κῦδος ὀπηδεῖ,

μὴ “καθήσθω” τοὺς πλουσίους ἐκπεπληγμένος καὶ “τεθηπὼς”
καθάπερ ὦνιον εὐθὺς ἀργυρίου τὴν ἀρετὴν ἔχοντας, μὴδ' ἐπὶ τῇ
τύχῃ κεῖσθαι τὴν αὐτοῦ φρόνησιν αὖξιν ἢ κολοῦειν νομίζων,
ἀλλ' ἀντὶ δόξης ἢ δυνάμεως ἢ εὐτυχίας ἢ τινος ὁμοίου [f] τῇ
ἀρετῇ κεχρησθαι τὸν ποιητὴν ἡγέισθω. καὶ γὰρ τῇ κακότητι ποτὲ
μὲν ἰδίως σημαίνουσι κακίαν καὶ μοχθηρίαν ψυχῆς, ὡς Ἡσίοδος

τὴν μὲν γὰρ κακότητα καὶ ἰλαδὸν ἔστιν ἐλέσθαι,

ποτὲ δ' ἄλλην τινὰ κάκωσιν ἢ δυστυχίαν, ὡς Ὅμηρος

αἶψα γὰρ ἐν κακότητι βροτοὶ καταγρηράσκουσιν.

ἐπεὶ καὶ τὴν εὐδαιμονίαν ἐξαπατηθεῖη τις ἂν οὕτω τοὺς ποιητὰς
οἰόμενος λέγειν, ὡς οἱ φιλόσοφοι λέγουσι τὴν παντελεῖ τῶν
ἀγαθῶν ἔξιν ἢ κτῆσιν ἢ [25] [a] καὶ τελειότητα βίου κατὰ φύσιν
εὐροοῦντος, ἀλλ' οὐχὶ καταχρωμένους πολλάκις τὸν πλούσιον
εὐδαίμονα καλεῖν ἢ μακάριον καὶ τὴν δύναμιν ἢ τὴν δόξαν
εὐδαιμονίαν. Ὅμηρος μὲν γὰρ ὀρθῶς κέχρηται τοῖς ὀνόμασιν

ὡς οὗτοι χαίρων τοῖσδε κτεάτεσσιν ἀνάσσω

καὶ Μένανδρος

ἔχω δὲ πολλὴν οὐσίαν καὶ πλούσιος

καλοῦμ' ὑπὸ πάντων, μακάριος δ' ὑπ' οὐδενός,

Εὐριπίδης δὲ πολλὴν ἐργάζεται ταραχὴν καὶ σύγχυσιν ὅταν
λέγῃ

[b] μή μοι γένοιτο λυπρὸς εὐδαίμων βίος

καὶ

τί τὴν τυραννίδ', ἀδικίαν εὐδαίμονα,

τιμᾶς;

ἂν μή τις, ὥσπερ εἴρηται, ταῖς μεταφοραῖς καὶ καταχρήσεσι τῶν
ὀνομάτων ἔπηται. ταῦτα μὲν οὖν ἱκανὰ περὶ τούτων.

Ἐκεῖνο δ' οὐχ ἅπαξ ἀλλὰ πολλάκις ὑπομνηστέον ἔστι τοὺς
νέους, ἐνδεικνυμένους αὐτοῖς ὅτι μιμητικὴν ἢ ποιήσεις ὑπόθεσιν
ἔχουσα κόσμῳ μὲν καὶ λαμπρότητι χρῆται περὶ τὰς ὑποκειμένας
πράξεις καὶ τὰ ἥθη, τὴν δ' ὁμοιότητα τοῦ ἀληθοῦς [c] οὐ

προλείπει, τῆς μιμήσεως ἐν τῷ πιθανῷ τὸ ἀγωγὸν ἐχούσης. διὸ καὶ κακίας καὶ ἀρετῆς σημεῖα μεμιγμένα ταῖς πράξεσιν ἢ μὴ παντάπασι τῆς ἀληθείας ὀλιγωροῦσα συνεκφέρει μίμησις, ὥσπερ ἡ Ὅμηρου πολλὰ πάνυ τοῖς Στωϊκοῖς χαίρειν φράζουσα, μήτε τι φαῦλον ἀρετῇ προσεῖναι μήτε κακία χρηστὸν ἀξιοῦσιν, ἀλλὰ πάντως μὲν ἐν πᾶσιν ἀμαρτωλὸν εἶναι τὸν ἀμαθῆ, περὶ πάντα δ' αὖ κατορθοῦν τὸν ἀστεῖον. ταῦτα γὰρ ἐν ταῖς σχολαῖς ἀκούομεν· ἐν δὲ τοῖς πράγμασι καὶ τῷ βίῳ τῶν πολλῶν κατὰ τὸν Εὐριπίδην

οὐκ ἂν γένοιτο χωρὶς ἐσθλὰ καὶ κακά,

[d] ἀλλ' ἔστι τις σύγκρασις.

ἄνευ δὲ τοῦ ἀληθοῦς μάλιστα μὲν ἡ ποιητικὴ τῷ ποικίλῳ χρῆται καὶ πολυτρόπῳ. τὸ γὰρ ἐμπαθὲς καὶ παράλογον καὶ ἀπροσδόκητον, ὃ πλείστη μὲν ἐκπληξίς ἔπεται πλείστη δὲ χάρις, αἱ μεταβολαὶ παρέχουσι τοῖς μύθοις· τὸ δ' ἀπλοῦν ἀπαθὲς καὶ ἁμουςον. ὅθεν οὔτε νικῶντας αἰεὶ πάντα ποιοῦσι τοὺς αὐτοὺς οὔτ' εὐήμεροῦντας οὔτε κατορθοῦντας. ἀλλ' οὐδὲ τοῖς θεοῖς, ὅταν εἰς ἀνθρωπίνας ἐμπέσωσι πράξεις, ἀπαθέσι χρῶνται καὶ ἀναμαρτήτοις, ἵνα μηδαμοῦ τό τε ταράττον καὶ τὸ ἐκπληττον ἀργῇ τῆς ποιήσεως ἀκίνδυνον καὶ ἀναγώνιστον γιγνόμενον.

Οὕτως οὖν τούτων ἐχόντων ἐπάγωμεν τοῖς [e] ποιήμασι τὸν νέον μὴ τοιαύτας ἔχοντα δόξας περὶ τῶν καλῶν ἐκείνων καὶ μεγάλων ὀνομάτων, ὡς ἄρα σοφοὶ καὶ δίκαιοι οἱ ἄνδρες ἦσαν, ἅκροι τε βασιλεῖς καὶ κανόνες ἀρετῆς ἀπάσης καὶ ὀρθότητος. ἔπει βλαβήσεται μέγала δοκιμάζων πάντα καὶ τεθηπῶς, μὴ δυσχεραίνων δὲ μηδὲν μηδ' ἀκούων μηδ' ἀποδεχόμενος τοῦ ψέγοντος αὖ τοὺς τοιαῦτα πράττοντας καὶ λέγοντας

αἶ γάρ, Ζεῦ τε πάτερ καὶ Ἀθηναίη καὶ Ἀπολλων,
μήτε τις οὖν Τρώων θάνατον φύγοι, ὅσσοι ἔασι,

μηδὲν οὖν ἐπαινεῖν ἐθιζέσθω τοιοῦτον ὁ νέος, μηδὲ [26] [a] προφάσεις λέγων μηδὲ παραγωγάς τινας εὐπρεπεῖς ἐπὶ πράγμασι φαύλοις μηχανώμενος πιθανὸς ἔστω καὶ πανοῦργος, ἀλλ' ἐκεῖνο μᾶλλον οἰέσθω, μίμησιν εἶναι τὴν ποίησιν ἡθῶν καὶ βίων, καὶ ἀνθρώπων οὐ τελείων οὐδὲ καθαρῶν οὐδ' ἀνεπιλήπτων παντάπασι, ἀλλὰ μεμιγμένων πάθεσι καὶ δόξαις ψευδέσι καὶ ἀγνοίαις, διὰ δ' εὐφυῖαν αὐτοῦς πολλάκις μετατιθέντων πρὸς τὸ κρεῖττον. ἡ γὰρ τοιαύτη παρασκευὴ τοῦ νέου καὶ διάνοια, τοῖς μὲν εὖ λεγομένοις καὶ πραττομένοις ἐπαιρομένου καὶ συνενθουσιῶντος, [b] τὰ δὲ φαῦλα μὴ προσιεμένου καὶ δυσχεραίνοντος, ἀβλαβῇ παρέξει τὴν ἀκρόασιν. ὁ δὲ πάντα θαυμάζων καὶ πᾶσιν ἐξοικειούμενος καὶ καταδεδουλωμένος τῇ δόξῃ τὴν κρίσιν ὑπὸ τῶν ἡρωϊκῶν ὀνομάτων, ὥσπερ οἱ τὴν Πλάτωνος ἀπομιμούμενοι κυρτότητα καὶ τὴν Ἀριστοτέλους τραυλότητα, λήσεται πρὸς πολλὰ τῶν φαύλων εὐχερῆς γενόμενος. δεῖ δὲ μὴ δειλῶς μηδ' ὥσπερ ὑπὸ δεισιδαιμονίας ἐν ἱερῷ φρίττειν ἅπαντα καὶ προσκυνεῖν, ἀλλὰ θαρραλέως ἐθιζόμενον ἐπιφωνεῖν μηδὲν ἦττον τοῦ “ὀρθῶς” καὶ “πρεπόντως” τὸ “οὐκ ὀρθῶς” καὶ “οὐ προσηκόντως.” οἷον ὁ Ἀχιλλεὺς ἐκκλησίαν συνάγει τῶν στρατιωτῶν νοσοῦντων, ἀσχάλλων [c] μὲν ἀργοῦντι τῷ πολέμῳ μάλιστα πάντων διὰ τὴν ἐν ταῖς στρατείαις ἐπιφάνειαν αὐτοῦ καὶ δόξαν, ἱατρικὸς δ' ὢν καὶ μεθ' ἡμέραν ἐνάτην ἥ ταῦτα κρίνεσθαι πέφυκεν αἰσθόμενος οὐκ οὔσαν συνήθη τὴν νόσον οὐδὲ συνεστῶσαν ἀπὸ κοινῶν αἰτιῶν, ἀναστὰς οὐ δημαγωγεῖ πρὸς τὸν ὄχλον, ἀλλὰ τῷ βασιλεῖ γίγνεται σύμβουλος

εἴτ' αὖθις μετανοήσας

δυνηθείς, ὅμως πρὶν ἀνήκεστόν τι δρᾶσαι μετέσθησε καὶ κατέσχευεν
εὐπειθεῖ τῷ λογισμῷ γενόμενον. πάλιν ὁ Ἀγαμέμνων ἐν μὲν τοῖς
περὶ τὴν ἐκκλησίαν γιγνομένοις καὶ λεγομένοις ὑπ' αὐτοῦ
καταγέλαστός ἐστιν, ἐν δὲ τοῖς περὶ Χρυσήϊδα σεμνότερος καὶ
βασιλικώτερος. ὁ μὲν γὰρ Ἀχιλλεὺς ἀγομένης τῆς Βρισηίδος

δακρύσας ἐτάρων ἄφαρ ἔξετο νόσφι λιασθείς,

οὗτος δ' αὐτὸς εἰς τὴν ναῦν ἐμβιβάζων καὶ παραδιδούς [f] καὶ
ἀποπέμπων τὴν ἄνθρωπον ἣν ὀλίγῳ πρόσθεν εἴρηκε τῆς γαμετῆς
τῇ εὐνοίᾳ προκρίνειν, οὐδὲν ἐρωτικὸν οὐδ' αἰσχροὺς ἐποίησε. καὶ
μὴν ὁ Φοῖνιξ διὰ τὴν παλλακίδα κατάρατος ὑπὸ τοῦ πατρὸς
γενόμενος

ὥς μὴ πατροφόνος μετ' Ἀχαιοῖσιν καλεοίμην.”

ὁ μὲν οὖν Ἀρίσταρχος ἐξεῖλε ταῦτα τὰ ἔπη φοβηθείς· ἔχει δὲ
πρὸς τὸν καιρὸν ὀρθῶς, τοῦ Φοῖνικος τὸν Ἀχιλλέα διδάσκοντος
οἷόν ἐστιν ὀργή καὶ ὅσα [27] [a] διὰ θυμὸν ἄνθρωποι τολμῶσι, μὴ
χρώμενοι λογισμῷ μηδὲ πειθόμενοι τοῖς παρηγοροῦσι. καὶ γὰρ τὸν

Ἐνταῦθα μὲν οὖν ἡ διαφορὰ πρόδηλος· ὅπου δ' ἀσαφῆ τὰ τῆς

Καὶ ταῦτα δὴ τοῖς νέοις ὑποδεικνύοντες οὐκ ἐάσομεν φορὰν

καὶ προαίρεσιν, [f] εὐθὺς τοῖς μὲν τὸ ψέγειν τοῖς δὲ τὸ ἐπαινεῖν
ἀποδιδόντες. μάλιστα δὲ τοῦτο ποιεῖν δεῖ ἐν ταῖς τραγωδίαις ὅσαι
λόγους ἔχουσι πιθανοὺς καὶ πανούργους ἐν πράξεσιν ἀδόξοις καὶ
πονηραῖς. οὐ πάνυ γὰρ ἀληθὲς τὸ τοῦ Σοφοκλέους λέγοντος

οὐκ ἔστ' ἀπ' ἔργων μὴ καλῶν ἔπη καλά·

καὶ γὰρ οὗτος εἶωθεν ἦθεσι φαύλοις καὶ ἀτόποις πράγμασι λόγους ἐπιγελῶντας καὶ φιλανθρώπους αἰτίας πορίζειν. καὶ ὁ σύσκηνος αὐτοῦ πάλιν ὀρθῶς [28] [a] ὅτι τήν τε Φαίδραν καὶ προσεγκαλοῦσαν τῷ Θησεῖ πεποίηκεν ὥς διὰ τὰς ἐκείνου παρανομίας ἐρασθεῖσαν τοῦ Ἱππολύτου. τοιαύτην δὲ καὶ τῇ Ἑλένῃ παρρησίαν κατὰ τῆς Ἑκάβης ἐν ταῖς Τρωάσι δίδωσιν, οἰομένη δεῖν ἐκείνην κολάζεσθαι μᾶλλον ὅτι μοιχὸν αὐτῆς ἔτεκε. μηδὲν οὖν τούτων κομψὸν ἡγεῖσθαι καὶ πανοῦργον ὁ νέος ἐθιζέσθω, μηδὲ προσμειδιάτω ταῖς τοιαύταις εὐρησιλογίαις, ἀλλὰ βδελυττέσθω τοὺς λόγους μᾶλλον ἢ τὰ ἔργα τῆς ἀκολασίας.

Ἐπὶ πᾶσι τοίνυν καὶ τὸ τὴν αἰτίαν ἐκάστου τῶν λεγομένων ἐπιζητεῖν χρήσιμόν ἐστιν. ὁ μὲν γὰρ Κάτων ἔτι παιδάριον ὦν ἔπραττε μὲν ὃ προστάξειεν ὁ παιδαγωγός, αἰτίαν δὲ καὶ λόγον ἀπῆται τοῦ προστάγματος· τοῖς δὲ ποιηταῖς οὐ πειστέον ὥσπερ παιδαγωγοῖς ἢ νομοθέταις, ἂν μὴ λόγον ἔχῃ τὸ ὑποκείμενον. ἔξει δέ, ἄνπερ χρηστὸν ἦ· ἂν δὲ μοχθηρόν, ὀφθῇσεται κενὸν καὶ μάταιον. ἀλλ' οἱ πολλοὶ τῶν μὲν τοιούτων τὰς αἰτίας πικρῶς ἀπαιτοῦσι καὶ διαπυνθάνονται πῶς λέλεκται

καίτοι ταῦτα τῶν ἡθῶν ἄπτεται καὶ τοὺς βίους διαταράττει, κρίσεις ἐμποιοῦντα φαύλας καὶ δόξας [c] ἀγενεῖς, ἂν μὴ πρὸς ἕκαστον αὐτῶν εἰθισμένοι λέγωμεν “διὰ τί σμικρὸν φρονεῖν χρή τὸν κακῶς πεπραγότα καὶ μὴ μᾶλλον ἀνταίρειν τῇ τύχῃ καὶ ποιεῖν ὑψηλὸν ἑαυτὸν καὶ ἀταπεινῶτον; διὰ τί δέ, ἂν ἐκ πατρὸς φαύλου καὶ ἀνοήτου γεγονῶς αὐτὸς ᾧ χρηστὸς καὶ φρόνιμος, οὐ προσήκει

μοι διὰ τὴν ἐμὴν ἀρετὴν μέγα φρονεῖν ἀλλὰ καταπεπληχθαι καὶ ταπεινὸν εἶναι διὰ τὴν τοῦ πατρὸς ἀμαθίαν;” ὁ γὰρ οὕτως ἀπαντῶν καὶ ἀντερείδων καὶ μὴ παντὶ λόγῳ πλάγιον ὥσπερ πνεύματι παραδιδούς ἑαυτὸν ἀλλ’ ὀρθῶς ἔχειν νομίζων τὸ “βλάξ ἄνθρωπος ἐπὶ παντὶ λόγῳ φιλεῖ ἐπτοῆσθαι,” πολλὰ διακρούσεται τῶν οὐκ ἀληθῶς οὐδ’ ὠφελίμως λεγομένων. ταῦτα μὲν οὖν ἀβλαβῇ παρέξει τὴν τῶν ποιημάτων ἀκρόασιν.

Ἐπεὶ δ’ ὥσπερ ἐν ἀμπέλου φύλλοις καὶ [d] κλήμασιν εὐθαλοῦσι πολλάκις ὁ καρπὸς ἀποκρύπτεται καὶ λανθάνει κατασκιαζόμενος, οὕτως ἐν ποιητικῇ λέξει καὶ μυθεύμασι περιεχυμένοις πολλὰ διαφεύγει τὸν νέον ὠφέλιμα καὶ χρήσιμα (δεῖ δὲ τοῦτο μὴ πάσχειν μηδ’ ἀποπλανᾶσθαι τῶν πραγμάτων, ἀλλ’ ἐμφύεσθαι μάλιστα τοῖς πρὸς ἀρετὴν φέρουσι καὶ δυναμένοις πλάττειν τὸ ἦθος), οὐ χεῖρόν ἐστι καὶ περὶ τούτων διελθεῖν ἐν βραχείσιν, ἀψάμενον ὥς ἐν τύπῳ τῶν πραγμάτων, μήκη δὲ [e] καὶ κατασκευὰς καὶ παραδειγμάτων ὅχλον ἐῶντα τοῖς ἐπιδεικτικώτερον γράφουσι. πρῶτον μὲν οὖν τὰ χρηστὰ καὶ τὰ φαῦλα γινώσκων ὁ νέος ἦθη καὶ πρόσωπα τοῖς λεγομένοις προσεχέτω καὶ ταῖς πράξεσιν ἃς ὁ ποιητὴς ἐκατέρους προσηκόντως ἀποδίδωσιν· οἷον ὁ Ἀχιλλεὺς πρὸς τὸν Ἀγαμέμνονα λέγει, καίτερ λέγων μετ’ ὀργῆς

οὐ γὰρ σοὶ ποτε ἴσον ἔχω γέρας, ὅππότε Ἀχαιοὶ

Τρώων ἐκπέρσωσ’ εὖ ναιόμενον πτολίεθρον,

ὁ δὲ Θερσίτης τῷ αὐτῷ λοιδορούμενος λέγει

πλεῖαί τοι χαλκοῦ κλισίαι, πολλαὶ δὲ γυναῖκες

εἰσὶν ἐνὶ κλισίῃς ἐξαίρετοι, ἅς τοι Ἀχαιοὶ

[29] [a] πρωτίστῳ δίδομεν, εὖτ’ ἂν πτολίεθρον ἔλωμεν,

καὶ πάλιν ὁ Ἀχιλλεὺς

αἶ κέ ποθι Ζεὺς

δῶσι πόλιν Τροίην εὐτείχεον ἐξαλαπάξαι,

ὁ δὲ Θερσίτης

ὃν κεν ἐγὼ δῆσας ἀγάγω ἢ ἄλλος Ἀχαιῶν.

πάλιν τοῦ Ἀγαμέμνονος ἐν τῇ ἐπιπωλήσει τὸν Διομήδην λοιδορήσαντος ὁ μὲν οὐδὲν ἀντεῖπεν

αἰδεσθεὶς βασιλῆος ἐνιπὴν αἰδοίοιο,

ὁ δὲ Σθένηςλος, οὐ μὴδεὶς λόγος,

“Ἀτρεΐδῃ,” φησί, “μὴ ψεύδε’ ἐπιστάμενος σάφα εἶπεῖν.

[b] ἡμεῖς τοι πατέρων μέγ’ ἀμείνονες εὐχόμεθ’ εἶναι.”

ἡ γὰρ τοιαύτη διαφορὰ μὴ παρορωμένη διδάξει τὸν νέον ἀστεῖον ἡγεῖσθαι τὴν ἀτυφίαν καὶ μετριότητα, τὴν δὲ μεγαλαυχίαν καὶ περιαιτολογίαν ὡς φαῦλον εὐλαβεῖσθαι. χρήσιμον δὲ καὶ τὸ τοῦ Ἀγαμέμνονος κατανοεῖν ἐνταῦθα· τὸν μὲν γὰρ Σθένελον ἀπροσάυδητον παρηγήθε, τοῦ δ' Ὀδυσσέως οὐκ ἡμέλησεν ἀλλ' ἡμείψατο καὶ προσηγόρευσεν,

ὥς γνῶ χωρόμενοι· πάλιν δ' ὁ γε λάζετο μῦθον·

τὸ μὲν γὰρ πᾶσιν ἀπολογεῖσθαι θεραπευτικὸν καὶ [c] οὐκ ἀξιωματικόν· τὸ δὲ πάντων καταφρονεῖν ὑπερήφανον καὶ ἀνόητον. ἄριστα δ' ὁ Διομήδης ἐν μὲν τῇ μάχῃ σιωπᾷ κακῶς ἀκούων ὑπὸ τοῦ βασιλέως, μετὰ δὲ τὴν μάχην παρρησίᾳ χρήται πρὸς αὐτόν

ἀλκὴν μὲν μοι πρῶτον ὀνειδίσας ἐν Δαναοῖσιν.

Εὖ δ' ἔχει καὶ φρονίμου διαφορὰν ἀνδρὸς καὶ μάντεως πανηγυρικοῦ μὴ παραλιπεῖν. ὁ μὲν γὰρ Κάλχας οὐ συνέιδε τὸν καιρόν, ἀλλ' ἐν πλήθει παρ' οὐδὲν ἐποιήσατο κατηγορεῖσθαι τοῦ βασιλέως ὡς τὸν λοιμὸν αὐτοῖς ἐπαγαγόντος· ὁ δὲ Νέστωρ βουλόμενος ἐμβάλλειν λόγον ὑπὲρ τῶν πρὸς τὸν [d] Ἀχιλλέα διαλλαγῶν, ἵνα μὴ διαβάλλειν δοκῇ τὸν Ἀγαμέμνονα πρὸς τὸ πλῆθος ὡς ἁμαρτόντα καὶ χρησάμενον ὀργῇ,

δαίνυ δαῖτα γέρουσιν· ἔοικέ τοι, οὐ τοι αἰεκέξ.

πολλῶν δ' ἀγρομένων τῷ πείσειαι ὅς κεν ἀρίστην

βουλὴν βουλεύσῃ.

καὶ μετὰ τὸ δεῖπνον ἐξαποστέλλει τοὺς πρέσβεις· τοῦτο γὰρ ἦν ἐπανόρθωσις ἁμαρτίας, ἐκεῖνο δὲ κατηγορία καὶ προπηλακισμός.

Ἔτι δὲ καὶ τὰς ἐν τοῖς γένεσι διαφορὰς σκεπτέον, ὧν τοιοῦτός ἐστιν ὁ τρόπος. οἱ μὲν Τρῶες ἐπίασι μετὰ κραυγῆς καὶ θράσους, οἱ δ' Ἀχαιοί

σιγῇ δειδιότες σημαντόρας.

[e] τὸ γὰρ ἐν χερσὶ τῶν πολεμίων ὄντων φοβεῖσθαι τοὺς ἄρχοντας ἀνδρείας ἅμα καὶ πειθαρχίας σημείον. ὅθεν ὁ μὲν Πλάτων ἐθίζει τοὺς ψόγους φοβεῖσθαι καὶ τὰ αἰσχροῦ μᾶλλον ἢ τοὺς πόνους καὶ τοὺς κινδύνους, ὁ δὲ Κάτων ἔλεγε φιλεῖν τοὺς ἐρυθριῶντας μᾶλλον ἢ τοὺς ὠχριῶντας.

Ἔστι δὲ καὶ τῶν ἐπαγγελιῶν ἴδιος χαρακτήρ. ὁ μὲν γὰρ Δόλων ἐπαγγέλλεται

τόφρα γὰρ ἐς στρατὸν εἴμι διαμπερές, ὄφρ' ἂν ἴκωμαι

νῆ' Ἀγαμεμνονέην,

[f] ὁ δὲ Διομήδης ἐπαγγέλλεται μὲν οὐδέν, ἦττον δ' ἂν φησι φοβηθῆναι μεθ' ἑτέρου πεμπόμενος. Ἑλληνικὸν οὖν καὶ ἀστεῖον ἢ πρόνοια, βαρβαρικὸν δὲ καὶ φαῦλον ἢ θρασύτης· καὶ δεῖ τὸ μὲν ζηλοῦν τὸ δὲ δυσχεραίνειν. ἔχεται δὲ τινος οὐκ ἀχρήστου θεωρίας καὶ τὸ περὶ τοὺς Τρῶας καὶ τὸν Ἕκτορα πάθος, τοῦ Αἴαντος αὐτῷ μονομαχεῖν μέλλοντος. ὁ μὲν γὰρ Αἰσχύλος Ἰσθμοῖ πύκτου πληγέντος εἰς τὸ πρόσωπον καὶ κραυγῆς γενομένης, “οἶον” εἶπεν “ἡ ἄσκησίς ἐστιν. οἱ θεώμενοι βοῶσιν, ὁ δὲ πληγεὶς σιωπᾷ.” τοῦ δὲ ποιητοῦ λέγοντος ὅτι τὸν Αἴαντα τῶν ὀπλων ποιούντων λαμπρὸν οἱ μὲν Ἕλληνες ἔχαιρον ὀρῶντες,

[30] [a] Τρῶας δὲ τρόμος αἰνὸς ἐπήλυθε γυῖα ἕκαστον,

Ἕκτορί τ' αὐτῷ θυμὸς ἐνὶ στήθεσσι πάτασσε,

τίς οὐκ ἂν ἀγάσαιο τὴν διαφορὰν; τοῦ μὲν κινδυνεύοντος ἡ καρδία πηδᾷ μόνον, ὥσπερ παλαίειν νῆ Δί' ἢ σταδιοδρομεῖν μέλλοντος, τῶν δὲ θεωμένων τρέμει καὶ πάλλεται τὸ σῶμα δι' εὐνοίαν καὶ φόβον ὑπὲρ τοῦ βασιλέως. ἐνταῦθα δὲ καὶ τὴν τοῦ κρατίστου πρὸς τὸν κάκιστον διαφορὰν ἀποθεωρητέον. ὁ μὲν γὰρ Θεοσίτης

ἔχιστος δ' Ἀχιλῆϊ μάλιστ' ἦν ἡδ' Ὀδυσῆϊ,

[b] ὁ δ' Αἴας ἀεὶ τε τῷ Ἀχιλλεῖ προσφιλεῖς καὶ πρὸς τὸν Ἕκτορα λέγει περὶ αὐτοῦ

νῦν μὲν δὴ σάφα εἴσεται οἰόθεν οἶος

οἷοι καὶ Δαναοῖσιν ἀριστῆες μετέασι,

καὶ μετ' Ἀχιλλῆα ῥηξήνορα θυμολέοντα.

καὶ τοῦτο μὲν Ἀχιλλέως τὸ ἐγκώμιόν ἐστι, τὰ δ' ἐξῆς ὑπὲρ ἀπάντων εἴρηται χρησίμως

ἡμεῖς δ' εἰμὲν τοῖοι οἳ ἂν σέθεν ἀντιάσαιμεν

καὶ πολέες,

οὔτε μόνον οὔτ' ἄριστον ἀποφαίνων ἑαυτὸν ἀλλὰ μετὰ πολλῶν ὁμοίως δυναμένων ἀμύνασθαι.

[c] Ταῦτα μὲν οὖν ἱκανὰ περὶ διαφορᾶς, ἂν μὴ κάκεῖνο βουλώμεθα προσλαβεῖν, ὅτι τῶν Τρῶων ἐαλώκασι καὶ πολλοὶ ζῶντες, οὐδεὶς δὲ τῶν Ἀχαιῶν, καὶ τῶν μὲν ὑποπεπτῶκασιν ἔνιοι τοῖς πολεμίοις, ὥσπερ ὁ Ἄδραστος, οἱ Ἀντιμάχου παῖδες, ὁ Λυκάων, αὐτὸς ὁ Ἕκτωρ δεόμενος περὶ ταφῆς τοῦ Ἀχιλλέως, ἐκείνων δ' οὐδεὶς, ὡς βαρβαρικοῦ τοῦ ἱκετεύειν καὶ ὑποπίπτειν ἐν τοῖς ἀγῶσιν ὄντος, Ἑλληνικοῦ δὲ τοῦ νικᾶν μαχόμενον ἢ

ἀποθνήσκειν.

Ἐπεὶ δ' ὥσπερ ἐν ταῖς νομαῖς ἡ μὲν μέλιττα [d] διώκει τὸ ἄνθος, ἡ δ' αἶξ τὸν θαλλόν, ἡ δ' ὕς τὴν ῥίζαν, ἄλλα δὲ ζῶα τὸ σπέρμα καὶ τὸν καρπὸν, οὕτως ἐν ταῖς ἀναγνώσεσι τῶν ποιημάτων ὁ μὲν ἀπανθίζεται τὴν ἱστορίαν, ὁ δ' ἐμφύεται τῷ κάλλει καὶ τῇ κατασκευῇ τῶν ὀνομάτων, καθάπερ ὁ Ἀριστοφάνης περὶ τοῦ Εὐριπίδου φησί

χρῶμαι γὰρ αὐτοῦ τοῦ στόματος τῷ στρογγύλῳ·

οἱ δὲ τῶν πρὸς τὸ ἥθος εἰρημένων ὠφελίμως ἔχονται, πρὸς οὓς δὴ νῦν ἡμῖν ὁ λόγος ἐστίν, ὑπομιμνήσκωμεν αὐτοὺς ὅτι δεινὸν ἐστὶ τὸν μὲν φιλόμυθον μὴ λανθάνειν τὰ καινῶς ἱστορούμενα καὶ περιττῶς, μηδὲ τὸν φιλόλογον ἐκφεύγειν τὰ [e] καθαρῶς πεφρασμένα καὶ ῥητορικῶς, τὸν δὲ φιλότιμον καὶ φιλόκαλον καὶ μὴ παιγνίας ἀλλὰ παιδείας ἕνεκα ποιημάτων ἀπτόμενον ἀργῶς καὶ ἀμελῶς ἀκούειν τῶν πρὸς ἀνδρείαν ἢ σωφροσύνην ἢ δικαιοσύνην ἀναπεφωνημένων, οἷα καὶ ταῦτ' ἐστὶ

Τυδείδῃ, τί παθόντε λελάσμεθα θούριδος ἀλκῆς;

ἀλλ' ἄγε δεῦρο, πέπον, παρ' ἔμ' ἴστασο· δὴ γὰρ ἔλεγχος

ἔσσεται, εἴ κεν νῆας ἔλῃ κορυθαίολος Ἑκτωρ.

τὸ γὰρ ἐν κινδύνῳ τοῦ διαφθαρῆναι καὶ ἀπολέσθαι μετὰ πάντων ὄντα τὸν φρονιμώτατον ὁρᾷν τὸ αἰσχρὸν δεδοικότα καὶ τὸ ἐπονείδιστον ἀλλὰ μὴ τὸν θάνατον, ἐμπαθῇ ποιήσῃ πρὸς ἀρετὴν τὸν νέον. καὶ τῷ

χαῖρε δ' Ἀθηναίῃ πεπνυμένῳ ἀνδρὶ δικαίῳ

[f] τοιοῦτον ἐπιλογισμὸν δίδωσι, μήτε πλουσίῳ τινὶ μήτε καλῷ τὸ σῶμα μήτ' ἰσχυρῷ τὴν θεὸν χαίρουσαν ἀλλὰ φρονίμῳ καὶ δικαίῳ ποιήσας. καὶ πάλιν τὸν Ὀδυσσεά φάσκουσα μὴ περιορᾷν μηδὲ προλείπειν

οὐνεκ' ἐπητής ἐστι καὶ ἀγχίνοος καὶ ἐχέφρων,

ἐνδείκνυται μόνον εἶναι τῶν ἡμετέρων θεοφιλὲς καὶ θεῖον ἀρετήν, εἶγε δὴ τὰ ὅμοια χαίρειν τοῖς ὁμοίοις πέφυκεν.

[31] [a] Ἐπεὶ δὲ μεγάλου δοκοῦντος εἶναι καὶ ὄντος τοῦ κρατεῖν ὀργῆς μεῖζον ἐστὶν ἡ φυλακὴ καὶ ἡ πρόνοια τοῦ μὴ περιπεσεῖν ὀργῇ μηδ' ἀλῶναι, καὶ ταῦτα δεῖ τοῖς ἀναγιγνώσκουσιν ὑποδεικνύειν μὴ παρέργως, ὅτι τὸν Πρίαμον ὁ Ἀχιλλεὺς οὐκ ἀνασχετικὸς ὢν οὐδὲ πρᾶος ἡσυχίαν ἄγειν κελεύει καὶ μὴ παροξύνειν αὐτόν, οὕτως

μηκέτι νῦν μ' ἐρέθιζε, γέρον (νοέω δὲ καὶ αὐτὸς
Ἕκτορά τοι λῦσαι, Διόθεν δέ μοι ἄγγελος ἦλθε)
μή σε, γέρον, οὐδ' αὐτὸν ἐνὶ κλισίῃσιν ἐάσω,
[b] καὶ ἰκέτην περ ἐόντα, Διὸς δ' ἀλίτῳμαι ἐφετμάς,
καὶ τὸν Ἕκτορα λούσας καὶ περιστείλας αὐτὸς ἐπὶ τὴν ἀπήνην
τίθῃσι, πρὶν ἠκισμένον ὑπὸ τοῦ πατρὸς ὀφθῆναι,
μὴ ὁ μὲν ἀχνυμένη κραδίῃ χόλον οὐκ ἐρύσαιτο,
παῖδα ἰδὼν, Ἀχιλῆϊ δ' ὀρινθείῃ φίλον ἦτορ
καὶ ἐ κατακτείνειε, Διὸς δ' ἀλίτῃται ἐφετμάς.

τὸ γὰρ ἐπισφαλῶς πρὸς ὀργὴν ἔχοντα καὶ φύσει τραχὺν ὄντα
καὶ θυμοειδῆ μὴ λανθάνειν ἑαυτὸν ἀλλ' ἐξευλαβεῖσθαι καὶ
φυλάττεσθαι τὰς αἰτίας καὶ [c] προκαταλαμβάνειν τῷ λογισμῷ
πόρρωθεν ὅπως οὐδ' ἄκων τῷ πάθει περιπεσεῖται, θαυμαστῆς ἐστὶ
προνοίας. οὕτω δὲ δεῖ καὶ πρὸς μέθην τὸν φίλοινον ἔχειν καὶ πρὸς
ἔρωτα τὸν ἐρωτικόν· ὥσπερ ὁ Ἀγησίλαος οὐχ ὑπέμεινεν ὑπὸ τοῦ
καλοῦ φιληθῆναι προσιόντος, ὁ δὲ Κῦρος οὐδ' ἰδεῖν τὴν Πάνθειαν
ἐτόλμησε, τῶν ἀπαιδευτῶν τούναντίον ὑπεκκαύματα τοῖς πάθεσι
συλλεγόντων καὶ πρὸς ἃ μάλιστα κακῶς καὶ ὀλισθηρῶς ἔχουσιν
αὐτοὺς προῖεμένων. ὁ δ' Ὀδυσσεὺς οὐ μόνον ἑαυτὸν ἀνέχει
θυμούμενον, ἀλλὰ καὶ τὸν Τηλέμαχον ἐκ [d] τοῦ λόγου συνιδὼν
χαλεπὸν ὄντα καὶ μισοπόνηρον ἀμβλύνει καὶ παρασκευάζει
πόρρωθεν ἡσυχίαν ἄγειν καὶ ἀνέχεσθαι, κελεύων

εἰ δέ μ' ἀτιμήσουσι δόμον κάτα, σὸν δὲ φίλον κῆρ
τετλάτω ἐν στήθεσσι κακῶς πάσχοντος ἐμεῖο,
ἦν περ καὶ διὰ δῶμα ποδῶν ἔλκῳσι θύραζε
ἦ βέλεσιν βάλλῳσι· σὺ δ' εἰσορόων ἀνέχεσθαι.

ὥσπερ γὰρ τοὺς ἵππους οὐκ ἐν τοῖς δρόμοις χαλινοῦσιν ἀλλὰ
πρὸ τῶν δρόμων, οὕτω τοὺς δυσκαθέκτους πρὸς τὰ δεινὰ καὶ
θυμοειδεῖς προκαταλαμβάνοντες τοῖς λογισμοῖς καὶ
προκαταρτύνοντες ἐπὶ τοὺς ἀγῶνας ἄγουσιν.

Δεῖ δὲ μηδὲ τῶν ὀνομάτων ἀμελῶς ἀκούειν, [e] ἀλλὰ τὴν μὲν
Κλεάνθους παιδιὰν παραιτεῖσθαι· κατειρωνεύεται γὰρ ἔστιν ὅτε
προσποιοῦμενος ἐξηγεῖσθαι τὸ

Ζεῦ πάτερ Ἰδηθεν μεδέων

καὶ τὸ

Ζεῦ ἄνα Δωδωναῖε

κελεύων ἀναγινώσκειν ὑφ' ἑν, ὡς τὸν ἐκ τῆς γῆς

ἀναθυμιώμενον ἀέρα διὰ τὴν ἀνάδοσιν ἀναδωδωναῖον ὄντα. καὶ Χρύσιππος δὲ πολλαχοῦ γλίσχρος ἐστίν, οὐ παίζων ἀλλ' εὐρησιλογῶν ἀπιθάνως, καὶ παραβιαζόμενος εὐρύοπα Κρονίδην εἶναι τὸν δεινὸν ἐν τῷ διαλέγεσθαι καὶ διαβεβηκότα τῇ δυνάμει τοῦ λόγου.

Βέλτιον δὲ ταῦτα τοῖς γραμματικοῖς παρέντας [f] ἐκεῖνα μᾶλλον πίεζιν οἷς ἅμα τὸ χρήσιμον καὶ πιθανὸν ἔνεστιν

οὐδέ με θυμὸς ἄνωγεν, ἐπεὶ μάθον ἔμμεναι ἐσθλὸς

καὶ

πᾶσιν γὰρ ἐπίστατο μείλιχος εἶναι.

τὴν τε γὰρ ἀνδρείαν ἀποφαίνων μάθημα καὶ τὸ προσφιλῶς ἅμα καὶ κεχαρισμένως ἀνθρώποις ὁμιλεῖν ἀπ' ἐπιστήμης καὶ κατὰ λόγον γίνεσθαι νομίζων προτρέπει μὴ ἀμελεῖν ἑαυτῶν, ἀλλὰ μανθάνειν τὰ καλὰ καὶ προσέχειν τοῖς διδάσκουσιν, ὥς καὶ τὴν σκαιότητα καὶ τὴν δειλίαν ἀμαθίαν καὶ ἄγνοιαν οὕσαν. σφόδρα δὲ τούτοις κἀκεῖνα σύμφωνά ἐστιν ἃ λέγει περὶ τοῦ Διὸς καὶ τοῦ Ποσειδῶνος

ἧ μὲν ἀμφοτέροισιν ὁμὸν γένος ἦδ' ἴα πάτερ,

θειότατον γὰρ ἀποφαίνει τὴν φρόνησιν καὶ βασιλικώτατον, ἐν ἧ τίθεται τὴν μεγίστην ὑπεροχὴν τοῦ Διός, ἅτε δὴ καὶ τὰς ἄλλας ἀρετὰς ἔπessθαι ταύτῃ νομίζων.

De recta ratione audiendi

[37] Τὴν γενομένην μοι σχολὴν περὶ τοῦ ἀκούειν, [c] ὦ Νίκανδρε, ἀπέσταλκά σοι γράψας, ὅπως εἰδῇς τοῦ πείθοντος ὀρθῶς ἀκούειν, ὅτε τῶν προσταττόντων ἀπήλλαξαι τὸ ἀνδρεῖον ἀνειληφῶς ἱμάτιον. ἀναρχία μὲν γάρ, ἣν ἔνιοι τῶν νέων ἐλευθερίαν [d] ἀπαιδευσίᾳ νομίζουσι, χαλεπωτέρους ἐκείνων τῶν ἐν παισὶ διδασκάλων καὶ παιδαγωγῶν δεσπότης ἐφίστησι τὰς ἐπιθυμίας ὥσπερ ἐκ δεσμῶν λυθείσας· καὶ καθάπερ Ἡρόδοτός φησιν ἅμα τῷ χιτῶνι συνεκδύεσθαι τὴν αἰδῶ τὰς γυναῖκας, οὕτως ἔνιοι τῶν νέων ἅμα τῷ τὸ παιδικὸν ἱμάτιον ἀποθέσθαι συναποθέμενοι τὸ αἰδεῖσθαι καὶ φοβεῖσθαι καὶ λύσαντες τὴν κατασχηματίζουσαν αὐτοὺς περιβολὴν εὐθὺς ἐμπίπλυνται τῆς ἀναγωγίας. σὺ δὲ πολλάκις ἀκηκῶς ὅτι ταυτόν ἐστι τὸ ἔπεσθαι θεῷ καὶ τὸ πείθεσθαι λόγῳ, νόμιζε τὴν εἰς ἄνδρας ἐκ παίδων ἀγωγὴν οὐκ ἀρχῆς εἶναι τοῖς εὖ φρονοῦσιν [e] ἀποβολὴν, ἀλλὰ μεταβολὴν ἄρχοντος, ἀντὶ μισθωτοῦ τινος ἢ ἀργυρωνήτου θεῖον ἡγεμόνα τοῦ βίου λαμβάνουσι τὸν λόγον, ὥς τοὺς ἐπομένους ἀξιόν ἐστι μόνους ἐλευθέρους νομίζειν. μόνοι γὰρ ἃ δεῖ βούλεσθαι μαθόντες, ὡς βούλονται ζῶσι· ταῖς δ' ἀπαιδεύτοις καὶ παραλόγοις ὁρμαῖς καὶ πράξεσιν ἀγεννῆς ἔνεστί τι καὶ μικρὸν ἐν πολλῷ τῷ μετανοοῦντι τὸ ἐκούσιον.

Ἐπεὶ δ' ὥσπερ τῶν ἐγγραφομένων εἰς τὰς πολιτείας οἱ μὲν ἄλλοδαποὶ καὶ ξένοι κομιδῇ πολλὰ [f] μέμφονται καὶ δυσκολαίνουσι τῶν γιγνομένων, οἱ δ' ἐκ μετοίκων σύντροφοι καὶ συνήθεις τῶν νόμων ὄντες οὐ χαλεπῶς προσδέχονται τὰ ἐπιβάλλοντα καὶ στέργουσιν, οὕτω σε δεῖ πολὺν χρόνον ἐν φιλοσοφίᾳ παρατρεφόμενον καὶ πᾶν μάθημα καὶ ἄκουσμα παιδικὸν ἀπ' ἀρχῆς ἐθισθέντα προσφέρεσθαι λόγῳ φιλοσόφῳ μεμιγμένον, εὖμενῇ καὶ οἰκεῖον ἥκειν εἰς φιλοσοφίαν, ἣ μόνη τὸν ἀνδρεῖον καὶ τέλειον ὡς ἀληθῶς ἐκ λόγου τοῖς νέοις περιτίθησι κόσμον.

Οὐκ ἂν ἀηδῶς δ' οἴμαί σε προακοῦσαι περὶ τῆς [38] [a] ἀκουστικῆς αἰσθήσεως, ἣν ὁ Θεόφραστος παθητικωτάτην εἶναι φησι πασῶν. οὔτε γὰρ ὀρατὸν οὐδὲν οὔτε γευστὸν οὔθ' ἀπτὸν ἐκστάσεις ἐπιφέρει καὶ ταραχὰς καὶ πτοίας τηλικαύτας ἡλίκαι καταλαμβάνουσι τὴν ψυχὴν κτύπων τινῶν καὶ πατάγων καὶ ἥχων

τῇ ἀκοῇ προσπεσόντων. ἔστι δὲ λογικωτέρα μᾶλλον ἢ παθητικωτέρα. τῇ μὲν γὰρ κακία πολλὰ χωρία καὶ μέρη τοῦ σώματος παρέχει δι' αὐτῶν ἐνδύσαν ἄψασθαι τῆς ψυχῆς, τῇ δ' ἀρετῇ [b] μία λαβὴ τὰ ὦτα τῶν νέων ἐστίν, ἃν ἡ καθαρὰ καὶ ἄθρυπτα κολακεία καὶ λόγοις ἄθικτα φαύλοις ἀπ' ἀρχῆς φυλάττηται. διὸ καὶ Ξενοκράτης τοῖς παισὶ μᾶλλον ἢ τοῖς ἀθληταῖς ἐκέλευε περιάπτειν ἀμφοτίδας, ὥς ἐκείνων μὲν τὰ ὦτα ταῖς πληγαῖς, τούτων δὲ τοῖς λόγοις τὰ ἦθη διαστρεφομένων, οὐκ ἀνηκοῖαν οὐδὲ κωφότητα προμνύμενος, ἀλλὰ τῶν λόγων τοὺς φαύλους φυλάττεσθαι παραινῶν, πρὶν ἐτέρους χρηστούς, ὥσπερ φύλακας ἐντραφέντας ὑπὸ φιλοσοφίας τῷ ἦθει, τὴν μάλιστα κινουμένην αὐτοῦ καὶ ἀναπειθομένην χώραν κατασχεῖν. καὶ Βίας ὁ παλαιὸς Ἀμάσιδι, κελευσθεὶς τὸ χρηστότατον ὁμοῦ καὶ φαυλότατον ἐκπέμψαι κρέας τοῦ ἱερείου, τὴν γλῶτταν ἐξελὼν ἀπέπεμψεν, ὥς καὶ βλάβας καὶ ὠφελείας τοῦ λέγειν ἔχοντος μεγίστας.

[c] οἱ τε πολλοὶ τὰ μικρὰ παιδία καταφιλοῦντες αὐτοῖ τε τῶν ὧτων ἄπτονται κάκεῖνα τοῦτο ποιεῖν κελεύουσιν, αἰνιττόμενοι μετὰ παιδιᾶς ὅτι δεῖ φιλεῖν μάλιστα τοὺς διὰ τῶν ὧτων ὠφελοῦντας. ἐπεὶ ὅτι γε πάσης ἀκροάσεως ἀπειργόμενος ὁ νέος καὶ λόγου μηδενὸς γευόμενος οὐ μόνον ἄκαρπος ὅλως καὶ ἀβλαστῆς διαμένει πρὸς ἀρετὴν, ἀλλὰ καὶ διαστρέφειτ' ἂν πρὸς κακίαν, ὥσπερ ἐκ χώρας ἀκινήτου καὶ ἀργῆς ἄγρια πολλὰ τῆς ψυχῆς ἀναδιδούς, δῆλόν ἐστι. τὰς γὰρ ἐφ' ἡδονὴν ὁρμὰς [d] καὶ πρὸς πόνον ὑποψίας (οὐ θυραίους οὐδ' ὑπὸ λόγων ἐπεισάκτους, ἀλλ' ὥσπερ αὐτόχθονας οὔσας μυρίων παθῶν καὶ νοσημάτων πηγάς) ἂν ἐὰν τις ἀφέτους ἢ πεφύκασι χωρεῖν καὶ μὴ λόγοις χρηστοῖς ἀφαιρῶν ἢ παρατρέπων καταρτύῃ τὴν φύσιν, οὐκ ἔστιν ὁ τῶν θηρίων οὐκ ἂν ἡμερώτερον ἀνθρώπου φανείη.

Διὸ δὴ μεγάλην μὲν ὠφέλειαν οὐκ ἐλάττω δὲ κίνδυνον τοῖς νέοις τοῦ ἀκούειν ἔχοντος, οἷμαι καλῶς ἔχειν καὶ πρὸς αὐτὸν αἰεὶ καὶ πρὸς ἕτερον [e] διαλέγεσθαι περὶ τοῦ ἀκούειν. ἐπεὶ καὶ τούτῳ κακῶς τοὺς πλείστους χρωμένους ὁρῶμεν, οἱ λέγειν ἀσκοῦσι πρὶν ἀκούειν ἐθισθῆναι· καὶ λόγων μὲν οἶονται μάθησιν εἶναι καὶ μελέτην, ἀκροάσει δὲ καὶ τοὺς ὁπωσοῦν χρωμένους ὠφελείσθαι. καίτοι τοῖς μὲν σφαιρίζουσιν ἅμα τοῦ βαλεῖν καὶ τοῦ λαβεῖν τὴν σφαῖραν ἢ μάθησις· ἐν δὲ τῇ τοῦ λόγου χρεῖα τὸ δέξασθαι καλῶς

τοῦ προέσθαι πρότερόν ἐστιν, ὥσπερ τοῦ τεκεῖν τὸ συλλαβεῖν καὶ κατασχεῖν τι τῶν γονίμων. ταῖς μὲν οὖν ὄρνισι τὰς ὑπηνεμίους λοχείας καὶ ὠδίνας ἀτελῶν τινων καὶ ἀψύχων ὑπολειμμάτων ὀχείας λέγουσιν εἶναι· τῶν δ' ἀκούειν μὴ δυναμένων νέων μηδ' [f] ὠφελεῖσθαι δι' ἀκοῆς ἐθισθέντων ὑπηνέμιος ὄντως ὁ λόγος ἐκπίπτων

ἀκλειῆς ἀίδηλος ὑπαὶ νεφέεσσι κεδάσθη.

τὰ μὲν γὰρ ἀγγεῖα πρὸς τὴν ὑποδοχὴν τῶν ἐγχεομένων ἐπικλίνουσι καὶ συνεπιστρέφουσιν, ἴν' ἐγχυσίς ἀληθῶς, μὴ ἔκχυσις γένηται, αὐτοὺς δὲ τῷ λέγοντι παρέχειν καὶ συναρμόττειν τῇ προσοχῇ τὴν ἀκρόασιν, ὡς μηδὲν ἐκφύγη τῶν χρησίμως λεγομένων, οὐ μανθάνουσιν, ἀλλ' ὁ πάντων καταγελαστότατόν [39] [a] ἐστιν, ἂν μὲν τινι προστύχῃσι διηγουμένῳ δεῖπνον ἢ πομπὴν ἢ ὄνειρον ἢ λοιδορίαν γεγεννημένην αὐτῷ πρὸς ἄλλον, ἀκροῶνται σιωπῇ καὶ προσλιπαροῦσιν· ἂν δέ τις αὐτοὺς ἐπισπασάμενος διδάσκη τι τῶν χρησίμων ἢ παραινῇ τῶν δεόντων ἢ νοθετῇ πλημμελοῦντας ἢ καταπραῦνη χαλεπαίνοντας, οὐχ ὑπομένουσιν, ἀλλ' ἂν μὲν δύνωνται, περιγενέσθαι φιλοτιμούμενοι διαμάχονται πρὸς τὸν λόγον· εἰ δὲ μή, φεύγοντες ἀπίασιν πρὸς ἑτέρους λόγους καὶ φλυάρους, ὡς ἀγγεῖα φαῦλα καὶ σαθρὰ τὰ ὥτα πάντων μᾶλλον ἢ τῶν ἀναγκαίων ἐμπιπλάντες.

[b] τοὺς μὲν οὖν ἵππους οἱ καλῶς τρέφοντες εὐστόμους τῷ χαλινῷ, τοὺς δὲ παῖδας εὐηκόους τῷ λόγῳ παρέχουσι, πολλὰ μὲν ἀκούειν μὴ πολλὰ δὲ λέγειν διδασκομένους. καὶ γὰρ τὸν Ἑπαμεινώνδαν ὁ Σπίνθαρος ἐπαινῶν ἔφη μήτε πλείονα γινώσκοντι μήτ' ἐλάττονα φθεγγομένῳ ῥαδίως ἐντυχεῖν ἑτέρῳ. καὶ τὴν φύσιν ἡμῶν ἐκάστῳ λέγουσι δύο μὲν ὥτα δοῦναι, μίαν δὲ γλῶτταν, ὡς ἐλάττονα λέγειν ἢ ἀκούειν ὀφείλονται.

Πανταχοῦ μὲν οὖν τῷ νέῳ κόσμῳ ἀσφαλῆς ἐστιν ἡ σιωπή, μάλιστα δ' ὅταν ἀκούων ἑτέρου μὴ [c] συνταράττηται μηδ' ἐξυλακτῇ πρὸς ἕκαστον, ἀλλὰ κἂν ὁ λόγος ἦ μὴ λίαν ἀρεστός, ἀνέχεται καὶ περιμένη παύσασθαι τὸν διαλεγόμενον, καὶ παυσάμενου μὴ εὐθέως ἐπιβάλλῃ τὴν ἀντίρρησην, ἀλλ' ὡς Αἰσχίνης φησί, διαλείπει χρόνον, εἴτε προσθεῖναι τι βούλοιτο τοῖς λελεγμένοις ὁ εἰρηκώς, εἴτε μεταθέσθαι καὶ ἀφελεῖν. οἱ δ' εὐθὺς ἀντικόπτοντες, οὗτ' ἀκούοντες οὗτ' ἀκουόμενοι λέγοντες δὲ πρὸς λέγοντας, ἀσχημονοῦσιν· ὁ δ' ἐγκρατῶς καὶ μετ' αἰδοῦς ἀκούειν

ἐθισθεὶς τὸν μὲν ὠφέλιμον λόγον ἐδέξατο καὶ κατέσχε, τὸν δ' ἄχρηστον ἢ ψευδῇ [d] μᾶλλον διεΐδε καὶ κατεφώρασε, φιλαλήθης φανείς, οὐ φιλόνεικος οὐδὲ προπετῆς καὶ δύσερις. ὅθεν οὐ κακῶς ἔνιοι λέγουσιν ὅτι δεῖ τῶν νέων μᾶλλον ἐκπνευματοῦν τὸ οἶημα καὶ τὸν τῦφον ἢ τῶν ἀσκῶν τὸν ἀέρα τοὺς ἐγχέαι τι βουλομένους χρήσιμον· εἰ δὲ μή, γέμοντες ὄγκου καὶ φυσήματος οὐ προσδέχονται.

Φθόνος τοίνυν μετὰ βασκανίας καὶ δυσμενείας οὐδενὶ μὲν ἔργῳ παρῶν ἀγαθόν, ἀλλὰ πᾶσιν ἐμπόδιος τοῖς καλοῖς, κάκιστος δ' ἀκρωμένῳ πάρεδρος καὶ σύμβουλος, ἀνιάρᾳ καὶ ἀηδῇ καὶ δυσπρόσδεκτα ποιῶν τὰ ὠφέλιμα διὰ τὸ πᾶσι μᾶλλον ἡδεσθαι τοὺς [e] φθονοῦντας ἢ τοῖς εὖ λεγομένοις. καίτοι πλοῦτος μὲν ὄντινα δάκνει καὶ δόξα καὶ κάλλος, ἐτέροις ὑπάρχοντα, φθονερός ἐστι μόνον· ἄχθεται γὰρ ἄλλων εὐτυχούντων· ὁ δὲ λόγῳ καλῶς λεγομένῳ δυσχεραίνων ὑπὸ τῶν ἰδίων ἀγαθῶν ἀνιᾶται. ὥς γὰρ τὸ φῶς τῶν βλεπόντων, καὶ ὁ λόγος τῶν ἀκουόντων ἀγαθόν ἐστίν, ἂν βούλωνται δέχεσθαι.

Τὸν μὲν οὖν ἐφ' ἐτέροις φθόνον ἄλλαι τινὲς ἀπαίδευτοι καὶ κακαὶ διαθέσεις ἐμποιοῦσιν, ὁ δὲ πρὸς τοὺς λέγοντας ἐκ φιλοδοξίας ἀκαίρου καὶ φιλοτιμίας ἀδίκου γεννώμενος οὐδὲ προσέχειν ἔῃ τοῖς λεγομένοις [f] τὸν οὕτω διακείμενον, ἀλλὰ θορυβεῖ καὶ περισπᾷ τὴν διάνοιαν, ἅμα μὲν τὴν ἑαυτῆς ἔξιν ἐπισκοποῦσαν εἰ λείπεται τῆς τοῦ λέγοντος, ἅμα δὲ τοὺς ἄλλους ἐπιβλέπουσαν εἰ ἄγανται καὶ θαυμάζουσιν, ἐκπληττομένην τε ὑπὸ τῶν ἐπαίνων καὶ ἀγριαίνουσιν πρὸς τοὺς παρόντας ἂν ἀποδέχωνται τὸν λέγοντα, τῶν δὲ λόγων τοὺς μὲν εἰρημένους ἐῷσαν καὶ προῖεμένην, ὅτι λυποῦσι μνημονευόμενοι, πρὸς δὲ τοὺς λείποντας ταραττομένην καὶ τρέμουσιν μὴ τῶν εἰρημένων βελτίονες γένωνται, σπεύδουσιν δὲ τάχιστα παύσασθαι τοὺς λέγοντας ὅταν κάλλιστα λέγωσι, [40] [a] λυθείσης δὲ τῆς ἀκροάσεως πρὸς οὐδενὶ τῶν εἰρημένων οὔσαν ἀλλὰ τὰς φωνὰς καὶ διαθέσεις τῶν παρόντων ἐπισηφίζουσιν, καὶ τοὺς μὲν ἐπαινοῦντας ὥσπερ ἐμμανῇ φεύγουσιν καὶ ἀποπηδῶσαν, προστρέχουσιν δὲ καὶ συναγελαζομένην τοῖς ψέγουσι τὰ εἰρημένα καὶ διαστρέφουσιν· ἂν δὲ μηδὲν ἢ διαστρέψαι, παραβάλλουσιν ἐτέρους τινὰς ὥς ἄμεινον εἰρηκότας εἰς ταῦτόν καὶ δυνατώτερον, ἕως διαφθείρῃ καὶ λυμνηναμένη τὴν ἀκρόασιν ἀχρεῖον ἑαυτῇ καὶ ἀνόνητον

[b] Διὸ δεῖ τῇ φιληκοῖᾳ πρὸς τὴν φιλοδοξίαν σπείσασθαι ἀκροᾶσθαι τοῦ λέγοντος ἴλεων καὶ πρᾶον, ὥσπερ ἐφ' ἐστίασιν ἱερὰν καὶ θυσίας ἀπαρχὴν παρειλημμένον, ἐπαινοῦντα μὲν ἐν οἷς ἐπιτυχάνει τὴν δύναμιν, ἀγαπῶντα δὲ τὴν προθυμίαν αὐτὴν τοῦ φέροντος εἰς μέσον ἃ γινώσκει καὶ πείθοντος ἐτέρους δι' ὧν αὐτὸς πέπεισται. τοῖς μὲν οὖν κατορθουμένοις ἐπιλογιστέον ὥς οὐκ ἀπὸ τύχης οὐδ' αὐτομάτως ἀλλ' ἐπιμελείᾳ καὶ πόνῳ καὶ μαθήσει κατορθοῦνται, καὶ μιμητέον γε ταῦτα θαυμάζοντάς γε δὴ καὶ ζηλοῦντας· τοῖς δ' ἁμαρτανόμενοις ἐφιστάναι χρὴ τὴν διάνοιαν, ὑφ' ὧν αἰτιῶν καὶ ὅθεν [c] ἡ παρατροπὴ γέγονεν. ὥς γὰρ ὁ Ξενοφῶν φησι τοὺς οἰκονομικοὺς καὶ ἀπὸ τῶν φίλων ὀνίνασθαι καὶ ἀπὸ τῶν ἐχθρῶν, οὕτω τοὺς ἐγρηγορότας καὶ προσέχοντας οὐ μόνον κατορθοῦντες ἀλλὰ καὶ διαμαρτάνοντες ὠφελοῦσιν οἱ λέγοντες· καὶ γὰρ διανοήματος εὐτέλεια καὶ ῥήματος κενότης καὶ σχῆμα φορτικὸν καὶ πτόησις μετὰ χαρᾶς ἀπειροκάλου πρὸς ἔπαινον καὶ ὅσα τοιαῦτα μᾶλλον ἀκρωμένοις ἐφ' ἐτέρων ἢ λέγουσιν ἐφ' ἑαυτῶν καταφαίνεται. διὸ δεῖ μεταφέρειν τὴν εὐθυνην ἐφ' ἑαυτοὺς ἀπὸ τοῦ λέγοντος, ἀνασκοποῦντας εἴ τι τοιοῦτο λανθάνομεν [d] ἁμαρτάνοντες, ῥᾶστον γάρ ἐστι τῶν ὄντων τὸ μέψασθαι τὸν πλησίον, ἀχρήστως τε καὶ κενῶς γιγνόμενον, ἂν μὴ πρὸς τινα διόρθωσιν ἢ φυλακὴν ἀναφέρηται τῶν ὁμοίων. καὶ τὸ τοῦ Πλάτωνος οὐκ ὀκνητέον αἰεὶ πρὸς αὐτὸν ἐπὶ τῶν ἁμαρτανόντων ἀναφθέγγεσθαι, “μή που ἄρ' ἐγὼ τοιοῦτος;” ὥς γὰρ ἐν τοῖς ὅμμασι τῶν πλησίων ἐλλάμποντα τὰ ἑαυτῶν ὀρώμεν, οὕτως ἐπὶ τῶν λόγων δεῖ τοὺς ἑαυτῶν ἐνεικονίζεσθαι τοῖς ἐτέρων, ἵνα μήτ' ἄγαν θρασέως καταφρονῶμεν ἄλλων, αὐτοῖς τε προσέχωμεν [e] ἐν τῷ λέγειν ἐπιμελέστερον. χρήσιμον δὲ πρὸς τοῦτο καὶ τὸ τῆς παραβολῆς, ὅταν γενόμενοι καθ' αὐτοὺς ἀπὸ τῆς ἀκροάσεως καὶ λαβόντες τι τῶν μὴ καλῶς ἢ μὴ ἱκανῶς εἰρησθαι δοκούντων ἐπιχειρῶμεν εἰς ταῦτ' αὐτὸ καὶ προάγωμεν αὐτοὺς τὰ μὲν ὥσπερ ἀναπληροῦν, τὰ δ' ἐπανορθοῦσθαι, τὰ δ' ἐτέρως φράζειν, τὰ δ' ὅλως ἐξ ὑπαρχῆς εἰσφέρειν πειρώμενοι πρὸς τὴν ὑπόθεσιν. ὁ καὶ Πλάτων ἐποίησε πρὸς τὸν Λυσίου λόγον. τὸ μὲν γὰρ ἀντειπεῖν οὐ χαλεπὸν ἀλλὰ καὶ πάνυ ῥάδιον εἰρημένῳ λόγῳ· τὸ δ' ἕτερον ἀνταναστῆσαι βελτίονα παντάπασιν ἐργῶδες. ὥσπερ ὁ Λακεδαιμόνιος ἀκούσας ὅτι Φίλιππος Ὀλυνθὸν κατέσκαψεν “ἀλλ’

οὐκ ἀνασπῆσαι γε τοιαύτην” ἔφη “πόλιν ἐκεῖνος ἂν [f] δυνηθείη.” ὅταν οὖν ἐν τῷ διαλέγεσθαι πρὸς τὴν τοιαύτην ὑπόθεσιν μὴ πολὺ φαινώμεθα τῶν εἰρηκόντων διαφέροντες, πολὺ τοῦ καταφρονεῖν ἀφαιροῦμεν, καὶ τάχιστα κολούεται τὸ αὐθαδὲς ἡμῶν καὶ φίλαυτον ἐν ταῖς τοιαύταις ἐλεγχόμενον ἀντιπαραβολαῖς.

Τῷ τοίνυν καταφρονεῖν τὸ θαυμάζειν ἀντικείμενον εὐγνωμονεστέρας μὲν ἐστὶ δῆπου καὶ ἡμερωτέρας φύσεως, δεῖται γε μὴν οὐδ’ αὐτὸ μικρᾶς εὐλαβείας, τάχα δὲ καὶ μείζονος· οἱ μὲν γὰρ καταφρονητικοὶ ^[41] [a] καὶ θρασεῖς ἦττον ὠφελοῦνται ὑπὸ τῶν λεγόντων, οἱ δὲ θαυμαστικοὶ καὶ ἄκακοι μᾶλλον βλάπτονται, καὶ τὸν Ἡράκλειτον οὐκ ἐλέγχουσιν εἰπόντα “βλάξ ἄνθρωπος ἐπὶ παντὶ λόγῳ ἐπτοῆσθαι φιλεῖ.” δεῖ δὲ τὸν μὲν ἔπαινον ἀφελῶς τοῖς λέγουσι τὴν δὲ πίστιν εὐλαβῶς προῖεσθαι τοῖς λόγοις, καὶ τῆς μὲν λέξεως καὶ προφορᾶς τῶν ἀγωνιζομένων εὐμενῇ καὶ ἀπλοῦν εἶναι θεατήν, τῆς δὲ χρείας καὶ τῆς ἀληθείας τῶν λεγομένων ἀκριβῇ καὶ πικρὸν [b] ἐξεταστήν, ἴν’ οἱ μὲν λέγοντες μὴ μισῶσιν, οἱ δὲ λόγοι μὴ βλάπτωσιν· ὥς πολλὰ ψευδῇ καὶ πονηρὰ δόγματα λανθάνομεν εὐνοίᾳ καὶ πίστει τῇ πρὸς τοὺς λέγοντας ἐνδεχόμενοι. οἱ μὲν οὖν Λακεδαιμονίων ἄρχοντες ἀνδρὸς οὐκ εὖ βεβιωκότος γνώμην δοκιμάσαντες ἐτέρῳ προσέταξαν εἰπεῖν εὐδοκιμοῦντι περὶ τὸν βίον καὶ τὸ ἦθος, ὀρθῶς πάνυ καὶ πολιτικῶς ἐθίζοντες τὸν δῆμον ὑπὸ τοῦ τρόπου μᾶλλον ἢ τοῦ λόγου τῶν συμβουλευόντων ἄγεσθαι. τοὺς δ’ ἐν φιλοσοφίᾳ λόγους ἀφαιροῦντα χρή τὴν τοῦ λέγοντος δόξαν αὐτοὺς ἐφ’ ἑαυτῶν ἐξετάζειν. ὥς γὰρ πολέμου, καὶ ἀκροάσεως πολλὰ τὰ κενὰ ἐστί. καὶ γὰρ πολιὰ τοῦ λέγοντος καὶ πλάσμα καὶ [c] ὀφρῦς καὶ περιαιτολογία, μάλιστα δ’ αἱ κραυγαὶ καὶ οἱ θόρυβοι καὶ τὰ πηδήματα τῶν παρόντων συνεκπλήττει τὸν ἄπειρον ἀκροατὴν καὶ νέον ὥσπερ ὑπὸ ῥεύματος παραφερόμενον. ἔχει δέ τι καὶ ἡ λέξις ἀπατηλόν, ὅταν ἡδεῖα καὶ πολλῇ καὶ μετ’ ὄγκου τινὸς καὶ κατασκευῆς ἐπιφέρηται τοῖς πράγμασιν. ὥς γὰρ τῶν ὑπ’ αὐλοῖς ῥδόντων αἱ πολλαὶ τοὺς ἀκούοντας ἀμαρτίαι διαφεύγουσιν, οὕτω περιττὴ καὶ σοβαρὰ λέξις ἀντιλάμπει τῷ ἀκροατῇ πρὸς τὸ [d] δηλούμενον. ὁ μὲν γὰρ Μελάνθιος, ὥς ἔοικε, περὶ τῆς Διογένους τραγωδίας ἐρωτηθεὶς οὐκ ἔφη καπιδεῖν αὐτὴν ὑπὸ τῶν ὀνομάτων ἐπιπροσθουμένην· αἱ δὲ τῶν πολλῶν διαλέξεις καὶ μελέται σοφιστῶν οὐ μόνον τοῖς ὀνόμασι παραπετάσμασι χρῶνται τῶν διανοημάτων, ἀλλὰ καὶ τὴν

φωνήν ἐμμελείαις τισὶ καὶ μαλακότησι καὶ παρισώσεσιν ἐφηδύνοντες ἐκβακχεύουσι καὶ παραφέρουσι τοὺς ἀκρωμένους, κενὴν ἡδονὴν διδόντες καὶ κενότεραν δόξαν ἀντιλαμβάνοντες. ὥστ' αὐτοῖς συμβαίνει τὸ ὑπὸ Διονυσίου ῥηθέν. ἐκεῖνος γάρ, ὡς ἔοικεν, εὐδοκιμοῦντι [ε] κιθαρωδῷ παρὰ τὴν θέαν ἐπαγγειλάμενος δωρεάς τινας μεγάλας ὕστερον οὐδὲν ἔδωκεν ὡς ἀποδεδωκώς τὴν χάριν. “ὅσον γάρ,” ἔφη, “χρόνον εὐφραινες ἄδων, τοσοῦτον ἔχαιρες ἐλπίζων.” τοῦτον δὲ τὸν ἔρανον αἱ τοιαῦται πληροῦσιν ἀκροάσεις τοῖς λέγουσι· θαυμάζονται γὰρ ἐφ' ὅσον τέρπουσιν, εἴθ' ἅμα τῆς ἀκοῆς ἐξερρήνῃ τὸ ἡδὺ κἀκείνους προέλοιπεν ἡ δόξα, καὶ μάτην τοῖς μὲν ὁ χρόνος τοῖς δὲ καὶ ὁ βίος ἀνάλωται.

Διὸ δεῖ τὸ πολὺ καὶ κενὸν ἀφαιροῦντα τῆς [f] λέξεως αὐτὸν δίδωκεν τὸν καρπὸν καὶ μιμεῖσθαι μὴ τὰς στεφανηπλόκους ἀλλὰ τὰς μελίττας. αἱ μὲν γὰρ ἐπιοῦσαι τὰ ἀνθηρὰ καὶ εὐώδη τῶν φύλλων συνείρουσι καὶ διαπλέκουσιν ἡδὺ μὲν ἐφήμερον δὲ καὶ ἄκαρπον ἔργον· αἱ δὲ πολλάκις ἴων καὶ ῥόδων καὶ ὑακίνθων διαπετόμεναι λειμῶνας ἐπὶ τὸν τραχύτατον καὶ δριμύτατον θύμον καταίρουσι καὶ τούτῳ προσκάθηνται

Ὑστερον δέ [d] που, καθάπερ οἱ πίνοντες, ὅταν παύσωνται διψῶντες, τότε τὰ τορεύματα τῶν ἐκπωμάτων ὑποθεωροῦσι καὶ στρέφουσιν, οὕτως ἐμπλησθέντι δογμάτων καὶ ἀναπνεύσαντι δοτέον τὴν λέξιν εἴ τι κομψὸν ἔχει καὶ περιττὸν ἐπισκοπεῖν. ὁ δ’ εὐθύς ἐξ ἀρχῆς μὴ τοῖς πράγμασιν ἐμφυόμενος ἀλλὰ τὴν λέξιν Ἀττικὴν ἀξιῶν εἶναι καὶ ἰσχνὴν ὁμοίός ἐστι μὴ βουλομένῳ πιεῖν ἀντίδοτον, ἃν μὴ τὸ ἀγγεῖον ἐκ τῆς Ἀττικῆς κωλιάδος ἢ κεκραμευμένον, μηδ’ ἰμάτιον περιβαλέσθαι χειμῶνος, εἰ μὴ προβάτων Ἀττικῶν εἴη τὸ ἔριον, ἀλλ’ ὥσπερ ἐν τρίβωνι Λυσιακοῦ λόγου λεπτῷ καὶ ψιλῷ καθήμενος [e] ἄπρακτος καὶ ἀκίνητος. ταῦτα γὰρ τὰ νοσήματα πολλὴν μὲν ἐρημίαν νοῦ καὶ φρενῶν ἀγαθῶν, πολλὴν δὲ τερθρείαν καὶ στωμυλίαν ἐν ταῖς σχολαῖς πεποίηκε, τῶν μεираκίων οὔτε βίον οὔτε πρᾶξιν οὔτε πολιτείαν φιλοσόφου παραφυλαττόντων ἀνδρός, ἀλλὰ λέξεις καὶ ῥήματα καὶ τὸ καλῶς ἀπαγγέλλειν ἐν ἐπαίνῳ τιθεμένων, τὸ δ’ ἀπαγγελλόμενον εἴτε χρησίμον εἴτ’ ἀχρηστον εἴτ’ ἀναγκαῖον εἴτε κενόν ἐστι καὶ περιττὸν οὐκ ἐπισταμένων οὐδὲ βουλομένων ἐξετάζειν.

Ἀκολουθεῖ δὲ τούτοις τὸ περὶ τῶν προβλημάτων [f] παράγγελμα. δεῖ γὰρ τὸν ἐπὶ δεῖπνον ἦκοντα τοῖς παρακειμένοις χρῆσθαι καὶ μηδὲν αἰτεῖν ἄλλο μηδ’ ἐξελέγχειν· ὁ δ’ ἐπὶ λόγων ἀφιγμένος ἐστίασιν, ἃν μὲν ἐπὶ ῥητοῖς, ἀκροάσθω σιωπῇ τοῦ λέγοντος (οἱ γὰρ εἰς ἄλλας ὑποθέσεις ἐξάγοντες καὶ παρεμβάλλοντες ἐρωτήματα καὶ προσδιαποροῦντες, οὐχ ἡδεῖς οὐδ’ εὐσυνάλλακτοι πρὸς ἀκρόασιν ὄντες, ὠφελοῦνται μὲν οὐδέν, τὸν δὲ λέγοντα καὶ τὸν λόγον ὁμοῦ συνταράττουσιν)· ὅταν δὲ τοὺς ἀκούοντας ὁ λέγων ἐρωτᾷ καὶ προβάλλειν κελεύσῃ, χρήσιμόν τι

Ἔτι τοίνυν ὥσπερ ἐν γράμμασι καὶ περὶ λύραν καὶ παλαίστραν αἱ πρῶται μαθήσεις πολὺν ἔχουσι θόρυβον καὶ πόνον καὶ ἀσάφειαν, εἴτα προιόντι κατὰ μικρὸν ὥσπερ πρὸς ἀνθρώπους συνήθεια πολλὴ καὶ γνῶσις ἐγγενομένη πάντα φίλα καὶ χειροήθη καὶ ῥάδια λέγειν τε καὶ πράττειν παρέσχεν, οὕτω δὴ καὶ φιλοσοφίας ἐχούσης τι καὶ γλίσχρον ἀμέλει καὶ ἀσύνηθες ἐν τοῖς πρώτοις ὀνόμασι καὶ πράγμασιν οὐ δεῖ φοβηθέντα τὰς ἀρχὰς φοφοδεῶς [c] καὶ ἀτόλμως ἐγκαταλιπεῖν, ἀλλὰ πειρώμενον ἐκάστου καὶ προσλιπαροῦντα καὶ γλιχόμενον τοῦ πρόσω τὴν πᾶν τὸ καλὸν ἡδὺ ποιοῦσαν ἀναμένειν συνήθειαν. ἥξει γὰρ οὐ διὰ μακροῦ πολὺ φῶς ἐπιφέρουσα τῇ μαθήσει καὶ δεινοὺς ἔρωτας ἐνδιδούσα πρὸς τὴν ἀρετὴν, ὧν ἄνευ πάνυ τλήμονος ἀνδρός ἐστιν ἡ δειλοῦ τὸν ἄλλον ὑπομένειν βίον, ἐκπεσόντα δι' ἀνανδρίαν φιλοσοφίας.

Ἴσως μὲν οὖν ἔχει τι καὶ τὰ πράγματα τοῖς ἀπείροις καὶ νέοις ἐν ἀρχῇ δυσκατανόητον· οὐ μὴν ἀλλὰ τῇ γε πλείστη περιπίπτουσιν ἀσαφεία καὶ ἀγνοία δι' αὐτοῦς, ἀπ' ἐναντίων φύσεων ταῦτόν ἁμαρτάνοντες.

[d] οἱ μὲν γὰρ αἰσχύνῃ τινὶ καὶ φειδοῖ τοῦ λέγοντος ὀκνοῦντες ἀνερέσθαι καὶ βεβαιώσασθαι τὸν λόγον, ὡς ἔχοντες ἐν νῶ συνεπινεύουσιν, οἱ δ' ὑπὸ φιλοτιμίας ἁώρου καὶ κενῆς πρὸς ἑτέρους ἀμίλλης ὀξύτητα καὶ δύναμιν εὐμαθείας ἐπιδεικνύμενοι, πρὶν ἢ λαβεῖν ἔχειν ὁμολογοῦντες, οὐ λαμβάνουσιν. εἴτα συμβαίνει τοῖς μὲν αἰδήμοσι καὶ σιωπηλοῖς ἐκείνοις, ὅταν ἀπέλθωσι, λυπεῖν αὐτοὺς καὶ ἀπορεῖσθαι, καὶ τέλος αὖθις ὑπ' ἀνάγκης ἐλαυνομένους σὺν αἰσχύνῃ μείζονι τοῖς εἰποῦσιν ἐνοχλεῖν ἀναπνυθανομένους καὶ μεταθέοντας, τοῖς δὲ φιλοτίμοις καὶ θρασέσιν αἰεὶ περιστέλλειν καὶ ἀποκρύπτειν συνοικοῦσαν τὴν ἀμαθίαν.

[e] Πᾶσαν οὖν ἀπωσάμενοι τὴν τοσαύτην βλακείαν καὶ ἀλαζονείαν καὶ πρὸς τὸ μαθεῖν ἰόντες καὶ περὶ τὸ λαβεῖν τῇ διανοίᾳ τὸ χρησίμως λεγόμενον ὄντες, ὑπομένωμεν τοὺς τῶν εὐφυῶν δοκούντων γέλωτας, ὥσπερ ὁ Κλεάνθης καὶ ὁ Ξενοκράτης βραδύτεροι δοκοῦντες εἶναι τῶν συσχολαστῶν οὐκ ἀπεδίδρασκον

ἐκ τοῦ μανθάνειν οὐδ' ἀπέκαμνον, ἀλλὰ φθάνοντες εἰς ἑαυτοὺς ἔπαιζον, ἀγγελίοις τε βραχυστόμοις καὶ πινακίσι χαλκαῖς ἀπεικάζοντες, ὥς μόλις μὲν παραδεχόμενοι τοὺς λόγους, ἀσφαλῶς δὲ καὶ βεβαίως τηροῦντες. οὐ γὰρ μόνον, ὥς φησι Φωκυλίδης, πόλλ' ἀπατηθῆναι διζήμενον ἔμμεναι ἐσθλόν,

[f] ἀλλὰ καὶ γελασθῆναι δεῖ πολλὰ καὶ ἀδοξῆσαι, καὶ σκώμματα καὶ βωμολοχίας ἀναδεξάμενον ὥσασθαι παντὶ τῷ θυμῷ καὶ καταθλῆσαι τὴν ἀμαθίαν.

Οὐ μὴν οὐδὲ τῆς πρὸς τοῦναντίον ἀμαρτίας ἀμελητέον, ἦν ἀμαρτάνουσιν οἱ μὲν ὑπὸ νωθείας, ἀηδεῖς [48] [a] καὶ κοπῶδεις ὄντες· οὐ γὰρ ἐθέλουσι γενόμενοι καθ' αὐτοὺς πράγματα ἔχειν, ἀλλὰ παρέχουσι τῷ λέγοντι, πολλάκις ἐκπυνθανόμενοι περὶ τῶν αὐτῶν, ὥσπερ ἀπτήνες νεοσσοὶ κεχηνότες αἰεὶ πρὸς ἀλλότριον στόμα καὶ πᾶν ἔτοιμον ἤδη καὶ διαπεπονημένον ὑπ' ἄλλων ἐκλαμβάνειν ἐθέλοντες. ἔτεροι δὲ προσοχῆς καὶ δριμύτητος ἐν οὐδέοντι θηρώμενοι δόξαν ἀποκναίουσι λαλιᾷ καὶ περιεργία τοὺς λέγοντας, αἰεὶ τι προσδιαποροῦντες τῶν οὐκ ἀναγκαίων καὶ ζητοῦντες ἀποδείξεις τῶν οὐ δεομένων·

οὕτως ὁδὸς βραχεῖα γίγνεται μακρά,

[b] ὥς φησι Σοφοκλῆς, οὐκ αὐτοῖς μόνον ἀλλὰ καὶ τοῖς ἄλλοις. ἀντιλαμβάνόμενοι γὰρ ἐκάστοτε κεναῖς καὶ περιτταῖς ἐρωτήσεσι τοῦ διδάσκοντος, ὥσπερ ἐν συνοδίᾳ, τὸ ἐνδελχεῖς ἐμποδίζουσι τῆς μαθήσεως, ἐπιστάσεις καὶ διατριβὰς λαμβανούσης. οὗτοι μὲν οὖν κατὰ τὸν Ἱερώνυμον ὥσπερ οἱ δειλοὶ καὶ γλίσχροι σκύλακες τὰ δέρματα δάκνοντες οἴκοι καὶ τὰ τίλματα τίλλοντες τῶν θηρίων αὐτῶν οὐχ ἄπτονται· τοὺς δ' ἄργοὺς ἐκείνους παρακαλῶμεν, ὅταν τὰ κεφάλαια τῇ νοήσει περιλάβωσιν, αὐτοὺς δι' αὐτῶν τὰ λοιπὰ συντιθέναι, καὶ τῇ μνήμῃ χειραγωγεῖν τὴν εὐρεσιν, καὶ τὸν [c] ἀλλότριον λόγον οἷον ἀρχὴν καὶ σπέρμα λαβόντας ἐκτρέφειν καὶ αὖξειν. οὐ γὰρ ὥς ἀγγεῖον ὁ νοῦς ἀποπληρώσεως ἀλλ' ὑπεκκαύματος μόνον ὥσπερ ὕλη δεῖται, ὁρμὴν ἐμποιοῦντος εὐρετικὴν καὶ ὄρεξιν ἐπὶ τὴν ἀλήθειαν. ὥσπερ οὖν εἴ τις ἐκ γειτόνων πυρὸς δεόμενος, εἶτα πολὺ καὶ λαμπρὸν εὐρὼν αὐτοῦ καταμένει διὰ τέλους θαλπόμενος, οὕτως εἴ τις ἦκων λόγου μεταλαβεῖν πρὸς ἄλλον οὐκ οἶεται δεῖν φῶς οἰκεῖον ἐξάπτειν καὶ νοῦν ἴδιον, ἀλλὰ χαίρων τῇ ἀκροάσει κάθηται θελγόμενος, [d] οἷον ἔρευθος ἔλκει καὶ γάνωμα τὴν δόξαν ἀπὸ τῶν λόγων, τὸν δ' ἐντὸς

εὐρώτα τῆς ψυχῆς καὶ ζόφον οὐκ ἔκτεθέρμαγκεν οὐδ' ἐξέωκε διὰ φιλοσοφίας.

Εἰ δεῖ τινος οὖν πρὸς ἀκρόασιν ἑτέρου παραγγέλματος, δεῖ καὶ τοῦ νῦν εἰρημένου μνημονεύοντας ἀσκεῖν ἅμα τῇ μαθήσει τὴν εὕρεσιν, ἵνα μὴ σοφιστικὴν ἔξιν μὴδ' ἱστορικὴν ἀλλ' ἐνδιάθετον καὶ φιλόσοφον λαμβάνωμεν, ἀρχὴν τοῦ καλῶς βιῶναι τὸ καλῶς ἀκοῦσαι νομίζοντες.

τὴν χροάν τρέπεσθαι συναφομοιοῦται τοῖς ὑποκειμένοις χρώμασι καὶ χωρίοις· ἐπεὶ δ' ἐκεῖνος ἐξαπατᾷ τε καὶ περικαλύπτεται ταῖς ὁμοιότησιν, ἡμέτερον ἔργον ἐστὶ ταῖς διαφοραῖς ἀνακαλύπτειν καὶ ἀπογυμνοῦν αὐτὸν “ἀλλοτρίοις χρώμασι καὶ σχήμασιν,” ἥ φησιν ὁ Πλάτων, “χῆται οἰκείων κοσμοῦμενον.”

Εὐθὺς οὖν ἀπὸ τῆς ἀρχῆς σκοπῶμεν. ἀρχὴν δὴ φιλίας ἔφαμεν εἶναι τοῖς πλείστοις τὴν ταῦτ'α [e] μὲν ἐπεικῶς ἀσπαζομένην ἔθῃ καὶ ἦθη τοῖς δ' αὐτοῖς χαίρουσαν ἐπιτηδεύμασι καὶ πράγμασι καὶ διατριβαῖς ὁμοιοπαθῇ διάθεσιν καὶ φύσιν, ἐφ' ἧς καὶ ταῦτ' εἴρηται· γέρων γέροντι γλῶσσαν ἡδίστην ἔχει, παῖς παιδί, καὶ γυναικὶ πρόσφορον γυνή, νοσῶν τ' ἀνὴρ νοσοῦντι, καὶ δυσπραξίᾳ ληφθεὶς ἐπωδός ἐστι τῷ πειρωμένῳ.

εἰδὼς οὖν ὁ κόλαξ ὅτι τῷ χαίρειν τοῖς ὁμοίοις καὶ τὸ χρῆσθαι καὶ ἀγαπᾶν ἔμφυτόν ἐστι, ταύτῃ πρῶτον ἐπιχειρεῖ πλησιάζειν ἐκάστω καὶ παρασκηνοῦν, ὥσπερ ἔν τισι νομαῖς τοῖς αὐτοῖς ἐπιτηδεύμασι καὶ [f] διατριβαῖς περὶ ταῦτ'α καὶ σπουδαῖς καὶ διαίταις ἀτρέμα παραβάλλων καὶ προσαναχρωννύμενος, ἄχρι οὗ λαβὴν παραδῶ καὶ ψαύοντι τιθασὸς γένηται καὶ συνήθης, ψέγων μὲν οἷς ἐκεῖνον αἰσθάνεται πράγμασι καὶ βίοις καὶ ἀνθρώποις ἀχθόμενον, ἐπαινέτης δὲ τῶν ἀρεσκόντων οὐ μέτριος ἀλλ' ὥσθ' [52] [a] ὑπερβάλλειν σὺν ἐκπλήξει καὶ θαύματι φαινόμενος, βεβαιῶν δὲ τὸ φιλοῦν καὶ τὸ μισοῦν ὡς κρίσει μᾶλλον ἢ πάθει γιγνόμενον.

Πῶς οὖν ἐλέγχεται καὶ τίσιν ἀλίσκεται διαφοραῖς, οὐκ ὦν ὁμοιος οὐδὲ γιγνόμενος ἀλλὰ μιμούμενος ὁμοιον; πρῶτον μὲν ὁρᾶν δεῖ τὴν ὁμαλότητα τῆς προαιρέσεως καὶ τὸ ἐνδελεχές, εἰ χαίρει τε τοῖς αὐτοῖς ἀεὶ καὶ ταῦτ'α ἐπαινεῖ καὶ πρὸς ἔν ἀπευθύνει καὶ καθίστησι παράδειγμα τὸν ἑαυτοῦ βίον, ὥσπερ ἐλευθέρῳ φιλίας ὁμοιοτρόπου καὶ συνηθείας ἐραστῇ προσήκει. τοιοῦτος γὰρ ὁ φίλος. ὁ δὲ κόλαξ ἄτε δὴ μίαν ἐστίαν ἦθους οὐκ ἔχων μόνιμον οὐδ' ἑαυτῷ [b] βίον ζῶν αἰρετὸν ἀλλ' ἐτέρῳ, καὶ πρὸς ἕτερον πλάττων καὶ προσαρμόττων ἑαυτὸν οὐχ ἀπλοῦς οὐδ' εἷς ἀλλὰ παντοδαπός ἐστι καὶ ποικίλος, εἰς ἄλλον ἐξ ἄλλου τόπον ὥσπερ τὸ μετερώμενον ὕδωρ περιρρέων ἀεὶ καὶ συσχηματιζόμενος τοῖς ὑποδεχομένοις.

βουλόμενον εἰπεῖν, ἀποσιωπῶν μεταξὺ καὶ παραδιδούς τὸ βῆμα καὶ τὸν λόγον ἐνδείκνυται σιωπῶν μᾶλλον τοῦ βοῶντος ὅτι κρείττονα νομίζει καὶ διαφέροντα τῷ φρονεῖν ἐκεῖνον. ὅθεν ὁρᾷν ἔστιν αὐτοὺς ἔδρας τε τὰς πρώτας ἐν ἀκροάσει καὶ θεάτροις καταλαμβάνοντας, οὐχ ὅτι τούτων ἀξιοῦσιν αὐτούς, ἀλλ’ ὅπως ὑπεξιστάμενοι τοῖς πλουσίοις κολακεύωσι, καὶ λόγου κατάρχοντας ἐν συνόδοις καὶ συνεδρίοις, εἴτα παραχωροῦντας ὡς κρείττοσι καὶ [d] μεταπιθεμένους ῥᾶστα πρὸς τοῦναντίον, ἄνπερ ἢ δυνατὸς ἢ πλούσιος ἢ ἐνδοξος ὁ ἀντιλέγων. ὧ καὶ μάλιστα δεῖ τὰς τοιαύτας ὑποκατακλίσεις καὶ ἀναχωρήσεις ἐξελέγχειν, οὐκ ἐμπειρίας οὐδ’ ἀρεταῖς οὐδ’ ἡλικίαις ὑφιμένωνν ἀλλὰ πλούτοις καὶ δόξαις. Ἀπελλῆς μὲν γὰρ ὁ ζωγράφος, Μεγαβύζου παρακαθίσαντος αὐτῷ καὶ περὶ γραμμῆς τι καὶ σκιᾶς βουλομένου λαλεῖν, “ὁρᾶς” ἔφη “τὰ παιδάρια ταυτὶ τὰ τὴν μηλίδα τρίβοντα; πάνυ σοι προσεῖχε τὸν νοῦν σιωπῶντι, καὶ τὴν πορφύραν ἐθαύμαζε καὶ τὰ [e] χρυσία· νῦν δέ σου καταγελᾷ περὶ ὧν οὐ μεμάθηκας ἀρξαμένου λαλεῖν.” καὶ Σόλων, Κροίσου περὶ εὐδαιμονίας πυνθανομένου, Τέλλον τινὰ τῶν οὐκ ἐπιφανῶν Ἀθήνησι καὶ Κλέοβιν καὶ Βίτωνα ἀπέφηνεν εὐποτμοτέρους. οἱ δὲ κόλακες τοὺς βασιλεῖς καὶ πλουσίους καὶ ἄρχοντας οὐκ ὀλβίους μόνον καὶ μακαρίους ἀλλὰ καὶ φρονήσει καὶ τέχνῃ καὶ ἀρετῇ πάσῃ πρωτεύοντας ἀναγορεύουσιν.

Εἴτα τῶν μὲν Στωϊκῶν οὐδ’ ἀκούειν ἔνιοι ὑπομένουσι τὸν σοφὸν ὁμοῦ πλούσιον καλὸν εὐγενῆ βασιλέα προσαγορευόντων, οἱ δὲ κόλακες τὸν πλούσιον ὁμοῦ καὶ ῥήτορα καὶ ποιητήν, ἂν δὲ βούληται, [f] καὶ ζωγράφον καὶ αὐλητὴν ἀποφαίνουσι καὶ ποδώκη καὶ ῥωμαλέον, ὑποπίπτοντες ἐν τῷ παλαίειν καὶ ἀπολειπόμενοι θεόντων, ὥσπερ Κρίσων ὁ Ἱμεραῖος ἀπελείφθη διαθέων πρὸς Ἀλέξανδρον, ὁ δ’ αἰσθόμενος ἡγανάκτησε. Καρνεάδης δ’ ἔλεγε ὅτι πλουσίων καὶ βασιλέων παῖδες ἵππεύειν μόνον, ἄλλο δ’ οὐδὲν εὔ καὶ καλῶς μαθάνουσι· κολακεύει γὰρ αὐτοὺς ἐν ταῖς διατριβαῖς ὁ διδάσκαλος ἐπαινῶν καὶ ὁ προσπαλαίων ὑποκατακλινόμενος, ὁ δ’ ἵππος, οὐκ εἰδῶς οὐδὲ φροντίζων ὅστις ἰδιώτης ἢ ἄρχων ἢ πλούσιος ἢ πένης, ἐκτραχηλίζει τοὺς μὴ δυναμένους ὀχεῖσθαι. [59] [a]εὐήθη τοίνυν καὶ ἀβέλτερα τὰ τοῦ Βίωνος “εἰ τὸν ἀγρὸν ἔμελλεν ἐγκωμιάζων εὐφορον ποιεῖν καὶ εὐκαρπον, εἶτ’ οὐκ ἂν ἀμαρτάνειν ἐδόκει τοῦτο μὴ ποιῶν μᾶλλον ἢ σκάπτων καὶ πράγματα ἔχων; οὐ τοίνυν οὐδ’ ἄνθρωπος ἄτοπος ἂν ἐπαίνων εἴη,

Καὶ ταυτὶ μὲν ἐλάττονά ἐστιν. ἐκεῖνα δ’ ἤδη χαλεπὰ καὶ λυμαινόμενα τοὺς ἀνοήτους, ὅταν εἰς τὰναντία πάθῃ καὶ νοσήματα κατηγορῶσιν (ὥσπερ Ἰμέριος ὁ κόλαξ τῶν πλουσίων τινὰ τὸν ἀνελευθερώτατον καὶ φιλαργυρώτατον Ἀθήνησιν ὡς ἄσωτον ἐλοιδορεῖ καὶ ἀμελῇ καὶ πεινήσοντα [e] κακῶς μετὰ τῶν τέκνων) ἢ τοὺς ἀσώτους αὖ πάλιν καὶ πολυτελεῖς εἰς μικρολογίαν καὶ ῥυπαρίαν ὀνειδίζωσιν (ὥσπερ Νέρωνα Τίτος Πετρώνιος) ἢ τοὺς ὠμῶς καὶ ἀγρίως προσφερομένους ἄρχοντας ὑπηκόοις ἀποθέσθαι κελεύωσι τὴν πολλὴν ἐπιείκειαν καὶ τὸν ἄκαιρον ἔλεον καὶ ἀσύμφορον. ὁμοῖος δὲ τοῦτοις καὶ ὁ τὸν εὐήθη καὶ βλᾶκα καὶ ἀβέλτερον ὡς δεινόν τινα καὶ πανοῦργον καὶ φυλάττεσθαι καὶ δεδιέναι προσποιούμενος, καὶ ὁ τοῦ βασκάνου δὲ καὶ τῷ κακολογεῖν ἀεὶ καὶ ψέγειν χαίροντος, ἂν ποτε προαχθεὶς ἐπαινέσῃ τινὰ τῶν ἐνδόξων, καθαπτόμενος καὶ ἀντιλέγων ὡς νόσημα [f] τοῦτ’ ἔχοντος, ἀνθρώπους ἐπαινεῖν καὶ μηδενὸς ἀξίους. “τίς γὰρ οὗτός ἐστιν ἢ τί λαμπρὸν εἶρηκεν ἢ πεποίηκε;” μάλιστα δὲ περὶ τοὺς ἔρωτας τοῖς κολακευομένοις ἐπιτίθενται καὶ προσεκκᾶουσιν. ἀδελφοῖς μὲν γὰρ ὀρῶντες διαφερομένους ἢ γονέων ὑπερφρονοῦντας ἢ πρὸς γυναῖκας αὐτῶν ὑπεροπτικῶς ἔχοντας οὔτε νοθετοῦσιν οὔτ’ ἐγκαλοῦσιν, ἀλλὰ καὶ προσεπιτείνουσι τὰς ὀργάς. “οὐ γὰρ αἰσθάνῃ σαυτοῦ” καὶ “σὺ τούτων αἷτιος, ἀεὶ θεραπευτικῶς προσφερόμενος καὶ ταπεινῶς.”

ὦ δυσχάριστε, τῶν πυκνῶν φιλημάτων.

οὕτως Ἀντώνιον οἱ φίλοι τῆς Αἰγυπτίας ἐρῶντα καὶ καόμενον ἀνέπειθον ὡς ὑπ’ ἐκείνης ἐρῶτο, καὶ λοιδοροῦντες ἐκάλουν ἀπαθῇ καὶ ὑπερήφανον. “ἡ μὲν γὰρ γυνὴ καταλιποῦσα βασιλείαν

Εἷς δέ τις ἔοικε τρόπος εἶναι φυλακῆς τὸ γινώσκειν καὶ μνημονεύειν αἰεὶ ὅτι τῆς ψυχῆς τὸ μὲν ἀληθινὸν καὶ φιλόκαλον καὶ λογικὸν ἐχούσης, τὸ δ’ ἄλογον καὶ φιλοψευδὲς καὶ παθητικόν, ὁ μὲν φίλος αἰεὶ τῷ κρείττονι πάρεστι σύμβουλος καὶ συνήγορος, ὥσπερ ἱατρὸς τὸ ὑγιαῖνον αὖξων καὶ διαφυλάττων, ὁ δὲ κόλαξ τῷ παθητικῷ καὶ ἀλόγῳ [e] παρακάθεται, καὶ τοῦτο κνᾷ καὶ γαργαλίζει καὶ ἀναπείθει, καὶ ἀφίστησι τοῦ λογισμοῦ, μηχανώμενος αὐτῷ πονηράς τινας ἡδυπαθείας. ὥσπερ οὖν τῶν σιτίων ἔστιν ἃ μὴθ’ αἵματι προσφύεται μήτε πνεύματι, μηδὲ νεύροις τινὰ τόνον ἢ μυελοῖς προστίθῃσιν, ἀλλ’ αἰδοῖα παρακινεῖ καὶ κοιλίαν ἐγείρει καὶ σάρκα ποιεῖ σαθρὰν καὶ ὕπουλον, οὕτως ὁ τοῦ κόλακος λόγος οὐδὲν τῷ φρονοῦντι καὶ λογιζομένῳ προστίθῃσιν, ἀλλ’ ἡδονὴν τινα πθασεύων ἔρωτος ἢ θυμὸν ἐντείνων ἀνόητον ἢ διερεθίζων φθόνον ἢ φρονήματος ὄγκον ἐμποιῶν ἐπαχθῇ καὶ κενὸν ἢ λύπη συνεπιθρηνῶν ἢ τὸ κακὴν [f] καὶ ἀνελεύθερον καὶ ἄπιστον αἰεὶ τισι διαβολαῖς καὶ προαισθήσεσι δριμύ καὶ ψοφοδεῆς ποιῶν καὶ ὑποπτον οὐ

διαφεύξεται τοὺς προσέχοντας. αἰεὶ γὰρ ὑφορμεῖ τινι πάθει καὶ τοῦτο παίνει, καὶ πάρεστι βουβῶνος δίκην ἐκάστοτε τοῖς ὑπούλοις καὶ φλεγμαίνουσι τῆς ψυχῆς ἐπιγινόμενος. “ὀργίζῃ; κόλασον. ἐπιθυμεῖς; ὤνησαι. φοβῇ; φύγωμεν. ὑπονοεῖς; πίστευσον.”

Ἄν δὲ περὶ ταῦτα δυσφώρατος ᾗ τὰ πάθη, διὰ σφοδρότητα καὶ μέγεθος ἐκκρουομένου τοῦ λογισμοῦ, περὶ τὰ μικρὰ λαβὴν παρέξει μᾶλλον, ὁμοιος [62] [a] ὦν. καὶ γὰρ ἐν ὑποψία κραιπάλης τινὸς ἢ πλησμονῆς γενόμενον καὶ διστάζοντα περὶ λουτροῦ καὶ τροφῆς ὁ μὲν φίλος ἐφέξει, φυλάττεσθαι καὶ προσέχειν παραινῶν, ὁ δὲ κόλαξ εἰς τὸ βαλανεῖον ἔλκει, καὶ κελεύει νεαρόν τι παρατιθέναι καὶ μὴ κακοῦν ἀνατάσει τὸ σῶμα. καὶ πρὸς ὁδὸν ἢ πλοῦν ἢ τινα πρᾶξιν ὁρῶν ἀπομαλακίζόμενον οὐ φήσει κατεπείγειν τὸν καιρόν, ἀλλὰ ταῦτ' οὖν ποιήσιν ὑπερθεμένους ἢ πέμψαντας ἕτερον. ἂν δ' ὑπεσχημένος ἀργύριον οἰκείῳ τινὶ δανείσιν ἢ ἐπιδώσιν [b] μεταμέλῃται μὲν αἰδῆται δέ, τῇ χείρονι ῥοπῇ προστιθείς ἑαυτὸν ὁ κόλαξ ἐπέρρωσε τὴν εἰς τὸ βαλλάντιον γνῶμην καὶ τὸ δυσωπούμενον ἐξέκοψεν, ὡς ἀναλίσκοντα πολλὰ καὶ πολλοῖς ἀρκεῖν ὀφείλοντα φείδεσθαι κελεύων. ὅθεν εἰ μὴ λανθάνομεν ἑαυτοὺς ἐπιθυμοῦντες ἀναισχυντοῦντες ἀποδειλιῶντες, ὁ κόλαξ ἡμᾶς οὐ λήσεται. ἔστι γὰρ συνηγορῶν αἰεὶ τούτοις τοῖς πάθεσι καὶ περὶ τὰς τούτων ἐκβάσεις παρρησιαζόμενος. ταῦτα μὲν οὖν ἱκανὰ περὶ τούτων.

Ἐπὶ δὲ τὰς χρείας καὶ τὰς ὑπουργίας ἴωμεν ἤδη· καὶ γὰρ ἐν ταύταις πολλὴν ἀπεργάζεται [c] σύγχυσιν καὶ ἀσάφειαν ὁ κόλαξ τῆς πρὸς τὸν φίλον διαφορᾶς ἄοκνος δοκῶν εἶναι καὶ πρόθυμος ἐν πᾶσι καὶ ἀπροφάσιτος. ὁ μὲν γὰρ τοῦ φίλου τρόπος ὥσπερ ὁ τῆς ἀληθείας μῦθος ἀπλοῦς ἐστὶ κατ' Εὐριπίδην καὶ ἀφελῆς καὶ ἁπλοστος, ὁ δὲ τοῦ κόλακος ὄντως

νοσῶν ἐν αὐτῷ φαρμάκων δεῖται σοφῶν

καὶ πολλῶν νῆ Δία καὶ περιττῶν. ὥσπερ οὖν ἐν ταῖς ἀπαντήσεσιν ὁ μὲν φίλος ἔστιν ὅτε μήτ' εἰπὼν μήτ' ἀκούσας μηδὲν ἀλλὰ προσβλέψας καὶ μειδιάσας τὸ εὖμενές καὶ τὸ οἰκεῖον ἔνδοθεν δοὺς ταῖς ὀψεσι [d] καὶ δεξάμενος παρῆλθεν, ὁ δὲ κόλαξ τρέχει καταδιώκει δεξιούται πόρρωθεν, ἂν προσαγορευθῇ πρότερον ὀφθείς, ἀπολογεῖται μετὰ μαρτύρων καὶ ὅρκων πολλάκις, οὕτως ἐν ταῖς πράξεσι πολλὰ παραλείπουσιν οἱ φίλοι τῶν μικρῶν, οὐκ ἐξακριβοῦντες οὐδὲ πολυπραγμονοῦντες οὐδέν, οὐδ' ἑαυτοὺς εἰς

παῖσαν ὑπουργίαν ἐμβάλλοντες. ἀλλ' ἐκεῖνος ἐνταῦθα συνεχῆς καὶ ἐνδελεχῆς καὶ ἄτρυτος, οὐ διδοὺς ἐτέρῳ τόπον οὐδὲ χώραν διακονίας, ἀλλὰ βουλόμενος κελεύεσθαι, καὶ μὴ κελευσθῆναι, δακνόμενος, μᾶλλον δ' ὅλως ἐξαθυμῶν καὶ ποτνιόμενος.

Ἔστι μὲν οὖν καὶ ταῦτα δηλώματα τοῖς [e] νοῦν ἔχουσιν οὐκ ἀληθινῆς φιλίας οὐδὲ σώφρονος ἀλλ' ἐταιροῦσης καὶ περιπλεκομένης ἐτοιμότερον τῶν δεομένων.

Οὐ μὴν ἀλλὰ δεῖ πρῶτον ἐν ταῖς ἐπαγγελίαις σκοπεῖν τὴν διαφοράν. εὔ γὰρ εἴρηται καὶ τοῖς πρὸ ἡμῶν φίλου μὲν ἐκείνην εἶναι τὴν ἐπαγγελίαν

ἀλλ’ οὐδὲ κατάκεισαι σὺ δεξιῶς,” ἅμα δὲ διακινῶν τὸ προσκεφάλαιον αὐτοῦ, λαθὼν ὑπέβαλε τὸ κερμάτιον.

[e] ὥς οὖν ἡ διακονοῦσα πρεσβῦτις εὔρε καὶ θαυμάσασα τῷ Ἀπελλῇ προσήγγειλε, γελάσας ἐκεῖνος “Ἀρκεσιλάου,” εἶπε, “τοῦτο τὸ κλέμμα.” καὶ μὴν ἐοικότα γε τέκνα φύεται γονεῦσιν ἐν φιλοσοφίᾳ. Λακύδης γοῦν ὁ Ἀρκεσιλάου γνώριμος ἀπ’ εἰσαγγελίας φεύγοντι δίκην Κηφισοκράτει μετὰ τῶν ἄλλων φίλων παρειστήκει. τοῦ δὲ κατηγόρου τὸν δακτύλιον αἰτήσαντος, ὁ μὲν ἡσυχῇ παρακαθῆκεν, αἰσθόμενος δ’ ὁ Λακύδης ἐπέβη τῷ ποδὶ καὶ ἐπέκρυπεν· ἦν γὰρ ὁ ἔλεγχος ἐν ἐκείνῳ. μετὰ δὲ τὴν ἀπόφασιν τοῦ Κηφισοκράτους δεξιουμένου τοὺς [f] δικαστὰς εἷς τις ὥς ἔοικεν ἑωρακῶς τὸ γενόμενον ἐκέλευσε Λακύδῃ χάριν ἔχειν καὶ τὸ πρᾶγμα διηγῆσάτο, τοῦ Λακύδου πρὸς μηδένα φράσαντος. οὕτως οἶμαι καὶ τοὺς θεοὺς εὐεργετεῖν τὰ πολλὰ λανθάνοντας,

αὐτῷ τῷ χαρίζεσθαι καὶ εὖ ποιεῖν φύσιν ἔχοντας ἥδεσθαι. τὸ δὲ τοῦ κόλακος ἔργον οὐδὲν ἔχει δίκαιον οὐδ' ἀληθινὸν οὐδ' ἀπλοῦν οὐδ' ἐλευθέριον, ἀλλ' ἰδρῶτα καὶ κραυγὴν καὶ διαδρομὴν καὶ σύντασιν προσώπου ποιοῦσαν ἔμφασιν καὶ δόκησιν [64] [a] ἐπιπόνου χρείας καὶ κατεσπευσμένης, ὥσπερ ζωγράφημα περίεργον ἀναιδέσι φαρμάκοις καὶ κεκλασμέναις στολίσι καὶ ῥυτίσι καὶ γωνίαις ἐναργείας φαντασίαν ἐπαγόμενον. ἔστι δὲ καὶ διηγούμενος ἐπαχθῆς ὡς ἔπραξε πλάνας τινὰς ἐπ' αὐτῷ καὶ φροντίδας, εἴτ' ἀπεχθείας πρὸς ἑτέρους εἴτα πράγματα μυρία καὶ μεγάλα πάθη διεξιὼν, ὥστ' εἰπεῖν οὐκ ἄξια ταῦτ' ἐκείνων· πᾶσα μὲν γὰρ ὀνειδιζομένη χάρις ἐπαχθῆς καὶ ἄχαρις καὶ οὐκ ἀνεκτὴ, ταῖς δὲ τῶν κολάκων οὐχ ὕστερον ἀλλὰ πραττομέναις ἐνεστιν [b] εὐθὺς τὸ ἐπονείδιστον καὶ δυσωποῦν. ὁ δὲ φίλος, ἂν εἰπεῖν δεήσῃ τὸ πρᾶγμα, μετρίως ἀπήγγειλε, περὶ αὐτοῦ δ' εἶπεν οὐδέν. ἦ δὴ καὶ Λακεδαιμόνιοι Σμυρναίοις δεομένοις σῖτον πέμψαντες, ὡς ἐθαύμαζον ἐκεῖνοι τὴν χάριν, “οὐδέν,” ἔφασαν, “μέγα· μίαν γὰρ ἡμέραν ψηφισάμενοι τὸ ἄριστον ἀφελεῖν ἑαυτῶν καὶ τῶν ὑποζυγίων ταῦτ' ἠθροίσαμεν.” οὐ γὰρ μόνον ἐλευθέριος ἢ τοιαύτη χάρις, ἀλλὰ καὶ τοῖς λαμβάνουσιν ἡδίων, ὅτι τοὺς ὠφελοῦντας οὐ μεγάλα βλάπτεσθαι νομίζουσιν.

Οὐ τοίνυν μάλιστα τῷ περὶ τὰς ὑπουργίας ἐπαχθεῖ τοῦ κόλακος οὐδὲ τῇ περὶ τὰς ἐπαγγελίας [c] εὐχερεῖα γνοίῃ τις ἂν τὴν φύσιν, ἀλλὰ μᾶλλον ἐν τῷ καλῷ τῆς χρείας ἢ αἰσχυρῷ καὶ διαφέροντι πρὸς ἡδονὴν ἢ ὠφέλειαν. ὁ μὲν γὰρ φίλος οὐχ, ὥσπερ ἀπεφαίνετο Γοργίας, αὐτῷ μὲν ἀξιῶσει τὰ δίκαια τὸν φίλον ὑπουργεῖν, ἐκείνῳ δ' αὐτὸς ὑπηρετήσῃ πολλὰ καὶ τῶν μὴ δικαίων·

συσσωφρονεῖν γάρ, οὐχὶ συννοσεῖν ἔφθ.

μᾶλλον οὖν κάκεῖνον ἀποτρέψει τῶν μὴ προσηκόντων· ἂν δὲ μὴ πείθῃ, καλὸν τὸ Φωκίωνος πρὸς Ἀντίπατρον “οὐ δύνασαί μοι καὶ φίλῳ χρῆσθαι καὶ κόλακι,” τουτέστι καὶ φίλῳ καὶ μὴ φίλῳ. συνεργεῖν γὰρ δεῖ τῷ φίλῳ μὴ συμπανουργεῖν, καὶ συμβουλεύειν μὴ συνεπιβουλεύειν, καὶ συμμαρτυρεῖν μὴ συνεξαπατᾶν, καὶ συνατυχεῖν νῆ Δία μὴ [d] συναδικεῖν. οὐδὲ γὰρ τὸ συνειδέναι τοῖς φίλοις τὰ αἰσχυρά, πόθεν γε δὴ τὸ συμπράττειν καὶ συνασχημονεῖν αἰρετόν ἐστιν; ὥσπερ οὖν Λακεδαιμόνιοι μάχη κρατηθέντες ὑπ' Ἀντιπάτρου καὶ ποιοῦμενοι διαλύσεις ἡξίουσι ὅ τι βούλεται ζημιῶδες, αἰσχυρὸν δὲ μηδὲν ἐπιτάττειν αὐτοῖς, οὕτως ὁ φίλος, ἂν

[e] ἄλλ' ἢ γε κολακεία τοῦναντίον ἐν μὲν ταῖς ἐπιπόνοις καὶ κινδυνώδεσιν ὑπουργίαις ἀπαγορεύει, κἂν διαπειρώμενος κρούσης, σαθρὸν ἔκ τινος προφάσεως ὑπηχεῖ καὶ ἀγεννές· ἐν δὲ ταῖς αἰσχυραῖς καὶ ταπειναῖς καὶ ἀδόξοις διακονίαις ἀπόχρησαι πάτησον, οὐδὲν ἡγεῖται δεινὸν οὐδ' ὑβριστικόν.

Ὅρᾳς τὸν πίθηκον; οὐ δύναται τὴν οἰκίαν φυλάττειν ὡς ὁ κύων, οὐδὲ βαστάζειν ὡς ὁ ἵππος, οὐδ' ἄροῦν τὴν γῆν ὡς οἱ βόες· ὕβριν οὖν φέρει καὶ βωμολοχίαν καὶ παιδιὰς ἀνέχεται, γέλωτος ὄργανον ἐμπαρέχων ἑαυτόν. οὕτω δὴ καὶ ὁ κόλαξ οὐ συνειπεῖν οὐ συνεισενεγκεῖν οὐ συναγωνίσασθαι δυνάμενος, πόνου τε καὶ σπουδῆς ἀπάσης ἀπολείπόμενος, [f] ἐν ταῖς ὑπὸ μάλης πράξεσιν ἀπροφασιστός ἐστι, καὶ πιστὸς ἔρωτος ὑπηρέτης καὶ περὶ λύσιν πόρνης ἀκριβῆς καὶ πότου δαπάνης ἐκκαθῆραι λογισμὸν οὐκ ἀμελής, οὐδὲ ῥάθυμος ἐν δελίνων παρασκευαῖς, θεραπευτικὸς δὲ παλλακίδων, πρὸς δὲ κηδεστὰς ἀποθρασύνεσθαι κελευσθεὶς καὶ συνεκβαλεῖν γαμετὴν ἄτεγκτος καὶ ἀδυσώπητος. ὥστε [65] [a] μηδὲ ταύτῃ δυσφώρατον εἶναι τὸν ἄνδρα· προσταττόμενος γὰρ ὅ τι βούλει τῶν ἀδόξων καὶ μὴ καλῶν ἔτοιμος ἀφειδεῖν ἑαυτοῦ, τῷ προστάττοντι χαριζόμενος.

Οὐχ ἥκιστα δ' ἂν τις αὐτὸν ἐν τῇ πρὸς τοὺς ἄλλους φίλους διαθέσει καταμάθοι πολὺ τοῦ φίλου διαφέροντα. τῷ μὲν γὰρ ἡδιστόν ἐστι μετὰ πολλῶν φιλεῖν καὶ φιλεῖσθαι, καὶ τοῦτο πράττων αἰεὶ διατελεῖ περὶ τὸν φίλον ὅπως πολύφίλος καὶ πολυτίμητος ἔσται· κοινὰ γὰρ τὰ φίλων ἡγούμενος οὐδὲν οὕτως οἷεται δεῖν κοινὸν ὡς τοὺς φίλους [b] ὑπάρχειν· ὁ δὲ ψευδὴς καὶ νόθος καὶ ὑπόχαλκος ὢν, ἅτε δὴ μάλιστα γιγνώσκων ἑαυτὸν ἀδικοῦντα τὴν φιλίαν ὥσπερ νόμισμα παράσημον ὑπ' αὐτοῦ γενομένην, ἔστι μὲν καὶ φύσει φθονερός, ἀλλὰ τῷ φθόνῳ χρῆται πρὸς τοὺς ὁμοίους, διαμιλλώμενος ὑπερβαλέσθαι βωμολοχίᾳ καὶ σπερμολογίᾳ, τὸν δὲ κρεῖττονα τρέμει καὶ δέδοικεν, οὐ μὰ Δία

“παρὰ χρυσὸν ἐφθόν,” ὥς φησι Σιμωνίδης,

“ἀκήρατον οὐδὲ μόλυβδον ἔχων.”

ὅταν οὖν ἐλαφρὸς ὢν καὶ ἐπίτηκτος καὶ ἀπατηλὸς ἐγγύθεν ἀντεξετάζεται πρὸς ἀληθινὴν καὶ ἐμβριθῆ [c] φιλίαν καὶ σφυρήλατον, οὐκ ἀναφέρων ἀλλ’ ἐξελεγχόμενος ταῦτ’ οὖν ποιεῖ τῷ ζωγραφῆσαντι τοὺς ἀλεκτρυόνας ἀθλίως. ἐκεῖνός τε γὰρ ἐκέλευε τὸν παῖδα τοὺς ἀληθινοὺς ἀλεκτρυόνας ἀποσοβεῖν ἀπωτάτω τοῦ πίνακος, οὗτός τε τοὺς ἀληθινοὺς ἀποσοβεῖ φίλους καὶ οὐκ ἐὰ πλησιάζειν· ἂν δὲ μὴ δύνηται, φανερώς μὲν ὑποσαίνει καὶ περιέπει καὶ τέθηπεν ὡς ἀμείνονας, λάθρα δ’ ὑφίησιν τινὰς καὶ ὑποσπεῖρει διαβολάς. κρυφίου δὲ λόγου κνήσαντος ἕλκος, κἂν μὴ παντελῶς εὐθὺς ἐργάσεται, τὸ τοῦ Μηδίου φυλάττει μεμνημένος. ἦν δ’ ὁ Μήδιος τοῦ περὶ τὸν Ἀλέξανδρον χοροῦ τῶν κολάκων οἷον ἔξαρχος καὶ σοφιστῆς [d] κορυφαῖος ἐπὶ τοὺς ἀρίστους συντεταγμένων. ἐκέλευεν οὖν θαρροῦντας ἄπτεσθαι καὶ δάκνειν ταῖς διαβολαῖς, διδάσκων ὅτι, κἂν θεραπεύσῃ τὸ ἕλκος ὁ δεδηγμένος, ἢ οὐλὴ μενεῖ τῆς διαβολῆς. ταύταις μέντοι ταῖς οὐλαῖς, μᾶλλον δὲ γαγγράναις καὶ καρκινώμασι διαβρωθεὶς Ἀλέξανδρος ἀπώλεσε καὶ Καλλισθένη καὶ Παρμενίωνα καὶ Φιλώταν· ἄγνωσι δὲ καὶ Βαγώαις καὶ Ἀγησίαις καὶ Δημητρίοις ἀφειδῶς ἐνέδωκεν ἑαυτὸν ὑποσκελίζεσθαι, προσκυνοῦμενον καὶ καταστολιζόμενον καὶ ἀναπλαττόμενον [e] ὑπ’ αὐτῶν ὥσπερ ἄγαλμα βαρβαρικόν. οὕτω μεγάλῃν ἔχει τὸ πρὸς χάριν δύναμιν, καὶ μεγίστην ὡς ἔοικεν ἐν τοῖς μεγίστοις εἶναι δοκοῦσι· τὸ γὰρ οἶεσθαι τὰ κάλλιστα μετὰ τοῦ βούλεσθαι πίστιν ἅμα τῷ κόλακι καὶ θάρσος δίδωσι. τῶν μὲν γὰρ τόπων τὰ ὑψηλὰ δυσπρόσοδα καὶ δυσέφικτα γίνεταί τοις ἐπιβουλεύουσι, τὸ δ’ ἐν ψυχῇ νοῦν οὐκ ἐχούσῃ δι’ εὐτυχίαν ἢ δι’ εὐφυΐαν ὕψος καὶ φρόνημα τοῖς μικροῖς καὶ ταπεινοῖς μάλιστα βάσιμόν ἐστιν.

Ὅθεν ἀρχόμενοί τε τοῦ λόγου παρεκελευσάμεθα καὶ νῦν παρακελευόμεθα τὸ φίλαυτον ἐκκόπτειν [f] ἑαυτῶν καὶ τὴν οἴησιν· αὕτη γὰρ ἡμᾶς προκολλακεύουσα μαλακωτέρους ποιεῖ τοῖς θυραίοις κόλαξιν, ὡς ἐτοίμους ὄντας. ἂν δὲ πειθόμενοι τῷ θεῷ καὶ τὸ “γνῶθι σαυτὸν” ὡς ἐκάστω τοῦ παντὸς ἄξιόν ἐστι μαθόντες ἅμα καὶ φύσιν καὶ τροφήν καὶ παιδευσιν ἑαυτῶν ἀναθεωρῶμεν ἐλλείμματα μυρία τοῦ καλοῦ καὶ πολὺ τὸ φαύλως καὶ εἰκῇ συμμεμιγμένον ἔχουσιν ἐν πράξεσιν ἐν λόγοις ἐν πάθεσιν, οὐ πάνυ ῥαδίως ἐμπεριπατεῖν τοῖς κόλαξιν ἑαυτοὺς παρέξομεν. Ἀλέξανδρος

μὲν γὰρ ἀπιστεῖν ἔφη τοῖς θεὸν αὐτὸν ἀναγορεύουσιν ἐν τῷ
καθεύδειν μάλιστα καὶ ἀφροδισιάζειν, ὡς ἀγεννέστερος περὶ ταῦτα
καὶ παθητικώτερος αὐτοῦ γιγνόμενος· [66] [a] ἡμεῖς δὲ πολλὰ
πολλαχοῦ τῶν ιδίων αἰσχροὶ καὶ λυπηρὰ καὶ ἀτελῆ καὶ
ἡμαρτημένα καθορῶντες αἰὲ φωράσομεν ἑαυτοὺς οὐκ ἐπαινοῦντος
φίλου καὶ κατευλογοῦντος δεομένους, ἀλλ' ἐλέγχοντος καὶ
παρρησιαζομένου καὶ ψέγοντος ἡμᾶς νῆ Δία κακῶς πράττοντας.
ὀλίγοι μὲν γὰρ ἐκ πολλῶν εἰσιν οἱ παρρησιάζεσθαι μᾶλλον ἢ
χαρίζεσθαι τοῖς φίλοις τολμῶντες· ἐν δὲ τοῖς ὀλίγοις αὖθις οὐ
ῥαδίως ἂν εὖροις ἐπισταμένους τοῦτο ποιεῖν, ἀλλ' οἰομένους, ἂν
λοιδορῶσι καὶ ψέγωσι, παρρησίᾳ χρῆσθαι. καίτοι [b] καθάπερ
ἄλλῳ τινὶ φαρμάκῳ, καὶ τῷ παρρησιάζεσθαι μὴ τυχόντι καιροῦ τὸ
λυπεῖν ἀχρήστως καὶ ταραττεῖν περίεστι καὶ ποιεῖν τρόπον τινὰ
μετ' ἀλγηδόνης ὃ ποιεῖ μεθ' ἡδονῆς τὸ κολακεύειν. βλάπτονται
γὰρ οὐκ ἐπαινούμενοι μόνον ἀκαίρως ἀλλὰ καὶ ψεγόμενοι· καὶ
τοῦτο μάλιστα τοῖς κόλαξιν εὐλήπτους καὶ πλαγίους παραδίδωσιν,
ἀπὸ τῶν σφόδρα προσάντων καὶ ἀντιτύπων ὥσπερ ἐπὶ τὰ κοῖλα
καὶ μαλακὰ δίκην ὕδατος ἀπολισθάνοντας. διὸ δεῖ τὴν παρρησίαν
ἥθει κεκρᾶσθαι καὶ λόγον ἔχειν ἀφαιροῦντα τὸ ἄγαν καὶ τὸ
ἄκρατον αὐτῆς ὥσπερ φωτός, ἵνα μὴ ταραττόμενοι μηδ' ἀλγοῦντες
ὑπὸ τῶν ἅπαντα μεμφομένων καὶ πᾶσιν ἐγκαλούντων
καταφεύγωσιν εἰς τὴν τοῦ κόλακος σκιάν, καὶ πρὸς τὸ μὴ λυποῦν
ἀποστρέφονται.

[c] Πᾶσαν μὲν γάρ, ὦ Φιλόπαππε, κακίαν φευκτέον ἐστὶ δι'
ἀρετῆς, οὐχὶ διὰ τῆς ἐναντίας κακίας, ὥσπερ ἔνιοι δοκοῦσιν
αἰσχυνηλίαν μὲν ἀναισχυντίᾳ φεύγειν ἀγροικίαν δὲ βωμολοχίᾳ,
δειλίας δὲ καὶ μαλακίας ἀπωτάτω τίθεσθαι τὸν τρόπον ἂν ἔγγιστα
φαίνωνται λαμυρίας καὶ θρασύτητος. ἔνιοι δὲ καὶ δεισιδαιμονίας
ἀθεότητα καὶ πανουργίαν ἀβελτερίας [d] ἀπολόγημα ποιοῦνται,
καθάπερ ξύλον τὸ ἥθος ἐκ καμπῆς εἰς τοῦναντίον ἀπειρία τοῦ
κατορθοῦν διαστρέφοντες. αἰσχίστη δὲ κολακείας ἄρνησις
ἀνωφελῶς λυπηρὸν εἶναι, καὶ κομιδῇ τινος ἀμούσου καὶ ἀτέχνου
πρὸς εὖνοιαν ὁμιλίας ἀηδία καὶ χαλεπότητι φεύγειν τὸ ἀγεννὲς ἐν
φιλίᾳ καὶ ταπεινόν, ὥσπερ ἀπελεύθερον ἐν κωμῳδίᾳ τὴν
κατηγορίαν ἰσηγορίας ἀπόλαυσιν ἡγούμενον.

Ἐπεὶ τοίνυν αἰσχρὸν μὲν ἐστὶ κολακεῖα περιπτεσεῖν διώκοντα τὸ
πρὸς χάριν, αἰσχρὸν δὲ φεύγοντα κολακεῖαν παρρησίας ἀμετρίᾳ

διαφθεῖραι τὸ φιλικὸν καὶ κηδεμονικόν, δεῖ δὲ μηδέτερον παθεῖν ἄλλ' ὥσπερ ἄλλῳ τινὶ καὶ τῇ παρρησίᾳ τὸ καλὸν ἐκ τοῦ [e] μετρίου λαβεῖν, αὐτὸς ἔοικεν ὁ λόγος ὁ τὸ ἐφεξῆς ἀπαιτῶν ἐπιτιθέναι τὴν κορωνίδα τῷ συγγράμματι.

Ὡςπερ οὖν κῆρράς τινας ἐπούσας τῇ παρρησίᾳ πλείονας ὀρῶντες πρῶτον ἀφαιρῶμεν αὐτῆς τὴν φιλαυτίαν, εὖ μάλα φυλαττόμενοι μὴ διὰ τι τῶν ἰδίων οἶον ἀδικούμενοι καὶ ἀλγοῦντες ἐξονειδίζειν δοκῶμεν. οὔτε γὰρ ὑπ' εὐνοίας ἄλλ' ὑπ' ὀργῆς οἴονται γίνεσθαι τὸν ὑπὲρ αὐτοῦ τοῦ λέγοντος γιγνόμενον λόγον, οὔτε νουθεσίαν ἀλλὰ μέμψιν εἶναι. φιλικὸν γὰρ ἡ παρρησία καὶ σεμνόν, ἡ δὲ μέμψις καὶ φίλαυτον καὶ μικρολόγον. ὅθεν αἰδοῦνται τοὺς παρρησιαζομένους καὶ θαυμάζουσι, τοῖς δὲ μεμφομένοις ἀντεγκαλοῦσι καὶ καταφρονοῦσιν.

[f] ὥσπερ ὁ Ἀγαμέμνων τὸν Ἀχιλλέα παρρησιάζεσθαι δοκοῦντα μετρίως οὐχ ὑπέμεινε, τοῦ δ' Ὀδυσσέως καθαρπτομένου πικρῶς καὶ λέγοντος

εἰκει καὶ καρτερεῖ, τῷ κηδεμονικῷ τοῦ λόγου καὶ νοῦν ἔχοντι συστελλόμενος. οὗτος μὲν γὰρ οὐκ [67] [a] ἔχων ἰδίας πρόφασιν ὀργῆς ἐπαρρησιάζετο πρὸς αὐτὸν ὑπὲρ τῆς Ἑλλάδος, ἐκεῖνος δὲ δι' αὐτὸν ἐδόκει μάλιστα χαλεπαίνειν. αὐτός γε μὴν ὁ Ἀχιλλεύς, καίπερ οὐ γλυκύθυμος ὦν οὐδ' ἀγανόφρων ἀλλὰ

δεινὸς ἀνὴρ, οἶος καὶ ἀναίτιον αἰτιάσασθαι,

παρεῖχε τῷ Πατρόκλῳ σιωπῇ καταφέρειν αὐτοῦ πολλὰ τοιαῦτα·
νηλεές, οὐκ ἄρα σοὶ γε πατήρ ἦν ἱππότης Πηλεὺς

οὐδὲ Θέτις μήτηρ· γλαυκὴ δέ σε τίκτε θάλασσα
πέτραι τ' ἡλίβατοι, ὅτι τοι νόος ἐστὶν ἀπηνής.

[b] ὥσπερ γὰρ Ὑπερείδης ὁ ῥήτωρ ἡξίου σκοπεῖν Ἀθηναίους μὴ μόνον εἰ πικρὸς ἐστίν, ἀλλ' εἰ προῖκα πικρός, οὕτως ἡ τοῦ φίλου νουθεσία καθαρεύουσα παντὸς ἰδίου πάθους αἰδεστόν ἐστι καὶ σεμνὸν καὶ ἀναντίβλεπτον. ἐὰν δὲ δὴ καὶ φανερός ᾗ τις ἐν τῷ παρρησιάζεσθαι τὰ μὲν εἰς αὐτὸν ἀμαρτήματα τοῦ φίλου κομιδῇ προῖέμενος καὶ ἀπολείπων, ἄλλας δὲ τινας αὐτοῦ πλημμελείας ἐλέγχων καὶ δάκνων ἐφ' ἐτέροις καὶ μὴ φειδόμενος, ἅμαχος ὁ τόνος τῆς παρρησίας οὗτός ἐστι καὶ τῇ γλυκύτητι τοῦ νουθετοῦντος ἐπιτείνων τὸ πικρὸν καὶ αὐστηρὸν τῆς νουθεσίας.

ὅθεν εὖ μὲν εἴρηται τὸ δεῖν ἐν ταῖς ὀργαῖς [c] καὶ ταῖς διαφοραῖς ταῖς πρὸς τοὺς φίλους μάλιστα πράττειν τι καὶ σκοπεῖν τῶν ἐκείνοις συμφερόντων ἢ πρεπόντων, οὐχ ἦττον δὲ τούτου φιλικὸν ἐστὶ τὸ παρορᾶσθαι καὶ ἀμελεῖσθαι δοκοῦντας αὐτοὺς ὑπὲρ ἄλλων ἀμελουμένων παρρησιάζεσθαι καὶ ὑπομιμνήσκειν. ὥς Πλάτων ἐν ταῖς πρὸς Διονύσιον ὑποψίαις καὶ διαφοραῖς ἠτήσατο καιρὸν ἐντυχίας· εἶθ' ὁ μὲν ἔδωκεν, οἰόμενος ὑπὲρ αὐτοῦ τι ἔχειν μέμψασθαι τὸν Πλάτωνα καὶ διελθεῖν, ὁ δὲ Πλάτων οὕτω πως διελέχθη πρὸς αὐτόν. “εἴ τινα αἴσθοιο, Διονύσιε, [d] δυσμενῇ πεπλευκότα εἰς Σικελίαν, κακὸν τί σε ποιῆσαι βουλόμενον οὐκ ἔχοντα δὲ καιρὸν, ἄρ' ἂν ἐάσειας αὐτὸν ἐκπλεῦσαι καὶ περιίδοις ἀθῶον ἀπαλλαγέντα;” “πολλοῦ δέω,” εἶπεν ὁ Διονύσιος, “ὦ Πλάτων· δεῖ γὰρ οὐ τὰ ἔργα τῶν ἐχθρῶν μόνον ἀλλὰ καὶ τὴν προαίρεσιν μισεῖν καὶ κολάζειν.” “εἰ τοίνυν,” εἶπεν ὁ Πλάτων, “ἐπ' εὐνοίᾳ τις ἀφιγμένος τῇ σῇ δεῦρο βούλεται μὲν ἀγαθοῦ τινος αἰτίος σοι γενέσθαι, σὺ δὲ καιρὸν οὐ παρέχεις, ἄξιόν ἐστι τοῦτον ἀχαρίστως προέσθαι καὶ ὀλιγώρως;” ἐρωτήσαντος δὲ τοῦ Διονυσίου τίς ἐστιν οὗτος, “Αἰσχίνης,” εἶπεν, “ἀνὴρ τῷ τε ἡθελίᾳ παρ' ὄντινον τῶν Σωκράτους ἐταίρων ἐπεικῆς καὶ τῷ λόγῳ δυνατὸς ἐπανορθοῦν οἷς συνεῖη· [e] πλεύσας δὲ δεῦρο πολλὴν θάλατταν, ὥς συγγένοιτό σοι διὰ φιλοσοφίας, ἡμέλῃται.” ταῦθ' οὕτως ἐκίνησε τὸν Διονύσιον, ὥστε τὰς μὲν χεῖρας τῷ Πλάτωνι εὐθὺς περιβαλεῖν καὶ κατασπάζεσθαι, τὴν εὐμένειαν καὶ τὴν μεγαλοφροσύνην ἀγάμενον, τοῦ δ' Αἰσχίνου καλῶς καὶ μεγαλοπρεπῶς ἐπιμεληθῆναι.

Δεύτερον τοίνυν ὥσπερ ἐκκαθαίροντες ὕβριν ἅπασαν καὶ γέλωτα καὶ σκῶμμα καὶ βωμολοχίαν ἡδύσματα πονηρὰ τῆς παρρησίας ἀφαιρῶμεν. ὥσπερ [f] γὰρ ἱατροῦ σάρκα τέμνοντος εὐρυθμίαν τινὰ δεῖ καὶ καθαριότητα τοῖς ἔργοις ἐπιτρέχειν, ὀρχηστικὴν δὲ καὶ παράβολον καὶ περιτρέχουσιν ὑγρότητα καὶ περιεργίαν ἀπεῖναι τῆς χειρός, οὕτως ἡ παρρησία δέχεται τὸ ἐπιδέξιον καὶ τὸ ἀστεῖον, ἂν ἡ χάρις τὴν σεμνότητα σώξῃ, θρασύτης δὲ καὶ βδελυρία καὶ ὕβρις προσοῦσα πάντῃ διαφθείρει καὶ ἀπόλλυσιν. ὅθεν ὁ μὲν ψάλτης οὐκ ἀπιθάνως οὐδ' ἀμούσως ἐπεστόμισε τὸν Φίλιππον ἐπιχειροῦντα περὶ κρουμάτων διαφέρεσθαι πρὸς αὐτόν, εἰπὼν “μὴ γένοιτό [68] [a] σοι οὕτως, ὦ βασιλεῦ, κακῶς, ἴν' ἐμοῦ ταῦτα σὺ βέλτιον εἰδῇς.” Ἐπίχαρμος δ'

οὐκ ὀρθῶς, τοῦ Ἰέρωνος ἀνελόντος ἐνίους τῶν συνήθων καὶ μεθ' ἡμέρας ὀλίγας καλέσαντος ἐπὶ δεῖπνον αὐτόν, “ἀλλὰ πρῶην,” ἔφη, “θύων τοὺς φίλους οὐκ ἐκάλεσας.” κακῶς δὲ καὶ Ἀντιφῶν, παρὰ Διονυσίῳ ζητήσεως οὔσης καὶ λόγου “ποῖος χαλκὸς ἄριστος,” “ἐκεῖνος,” εἶπεν, “ἔξ οὗ Ἀθήνησι κατεσκευάσαν τὰς Ἀρμοδίου καὶ Ἀριστογείτονος εἰκόνας.” οὔτε γὰρ ὠφελεῖ τούτων τὸ λυπηρὸν καὶ πικρὸν, οὔτε τέρπει τὸ βωμολόχον καὶ παιδιῶδες, ἀλλ' ἔστι κακοηθεία καὶ ὕβρει μεμιγμένης [b] ἀκρασίας μετ' ἔχθρας τὸ τοιοῦτον εἶδος, ᾧ χρώμενοι προσαπολλύουσιν αὐτούς, τὴν περὶ τὸ φρέαρ ὄρχησιν ἀτεχνῶς ὀρχοῦμενοι. καὶ γὰρ Ἀντιφῶν ἀπέθανεν ὑπὸ Διονυσίου καὶ Τιμαγένης ἐξέπεσε τῆς Καίσαρος φιλίας, ἐλευθέρῳ μὲν οὐδέποτε φωνῇ χρησάμενος, ἐν δὲ τοῖς συμποσίοις καὶ τοῖς περιπάτοις ἐκάστοτε πρὸς οὐδ' ἡντινοῦν σπουδῇν

ἀλλ' ὅ τι οἱ εἴσαιτο γελοῖον Ἀργείοισιν

αἰτίαν φιλίας ὥσπερ σόφισμα λοιδορίας προφερόμενος.

Ἐπεὶ καὶ τοῖς κωμικοῖς πολλὰ πρὸς τὸ θέατρον αὐστηρὰ καὶ πολιτικὰ πεποίητο· συμμεμιγμένον δὲ [c] τὸ γελοῖον αὐτοῖς καὶ βωμολόχον, ὥσπερ σιτίοις ὑπότριμμα μοχθηρὸν, ἐξίτηλον ἐποίει τὴν παρρησίαν καὶ ἄχρηστον, ὥστε περιῆν κακοηθείας δόξα καὶ βδελυρίας τοῖς λέγουσι, χρήσιμον δὲ τοῖς ἀκούουσιν οὐδὲν ἀπὸ τῶν λεγομένων. ἄλλως μὲν οὖν προσοιστέον ἐστὶ καὶ παιδιὰν καὶ γέλωτα τοῖς φίλοις· ἡ δὲ παρρησία σπουδῇν ἐχέτω καὶ ἦθος. ἂν δ' ὑπὲρ μειζόνων ᾗ, καὶ πάθει καὶ σχήματι καὶ τόνῳ φωνῆς ὁ λόγος ἀξιόπιστος ἔστω καὶ κινητικός.

Ὁ δὲ καιρὸς ἐν παντὶ μὲν παρεθεὶς μέγала βλάπτει, μάλιστα δὲ τῆς παρρησίας διαφθείρει τὸ χρήσιμον. ὅτι μὲν οὖν ἐν οἴνῳ καὶ μέθῃ τὸ τοιοῦτο [d] φυλακτέον, εὐδηλὸν ἐστίν. εὐδία γὰρ ἐπάγει νέφος ὁ κινῶν ἐν παιδιᾷ καὶ φιλοφροσύνῃ λόγον ὀφρῦν ἀνασπῶντα καὶ συνιστάντα τὸ πρόσωπον, ὥσπερ ἀντιπαττόμενον τῷ Λυαίῳ θεῷ καὶ “λύονται τὸ τῶν δυσφόρων σχοινίον μεριμνᾶν” κατὰ Πίνδαρον. ἔχει δὲ καὶ κίνδυνον ἡ ἀκαιρία μέγαν. ἀκροσφαλεῖς γὰρ εἰσιν αἱ ψυχαὶ πρὸς ὀργὴν διὰ τὸν οἶνον, καὶ πολλάκις ἡ μέθη παραλαβοῦσα τὴν παρρησίαν ἔχθραν ἐποίησε. καὶ ὅλως οὐκ ἔστι γενναῖον οὐδὲ θαρραλέον ἀλλ' ἀνανδρον ἐν τῷ νήφειν ἀπαρρησιάστου τὸ παρρησιάζεσθαι παρὰ τράπεζαν ὥσπερ οἱ δειλοὶ κύνες. οὐδὲν οὖν δεῖ περὶ τούτων λέγοντα μηκύνειν.

[e] Ἐπεὶ δὲ πολλοὶ τοὺς φίλους εὖ φερομένους ἐν τοῖς

πράγμασιν οὐτ' ἀξιοῦσιν οὔτε τολμῶσι ρυθμίζειν, ἀλλ' ὅλως ἀπρόσιτον καὶ ἀνέφικτον ἡγοῦνται νοθεσίᾳ τὸ εὐτυχοῦν εἶναι, σφαλλομένοις δὲ καὶ παταύουσιν ἐπιτίθενται καὶ παταύουσιν ὑπὸ χεῖρα καὶ ταπεινοὺς γεγεννημένους, ὥσπερ ῥεῦμα κεκρατημένον παρὰ φύσιν τὴν παρρησίαν ἀθρόως ἐφιέντες αὐτοῖς καὶ ἀπολαύοντες ἄσμενοι τῆς μεταβολῆς διὰ τὴν πρόσθεν ὑπεροφίαν ἐκείνων αὐτῶν δ' ἀσθένειαν, οὐ χεῖρόν ἐστι καὶ περὶ τούτων διελθεῖν καὶ ἀποκρίνασθαι τῷ Εὐριπίδῃ λέγοντι

ὅταν δ' ὁ δαίμων εὖ διδῶ, τί δεῖ φίλων;

[f] ὅτι δεῖ μάλιστα παρρησιαζομένων φίλων τοῖς εὐτυχοῦσι καὶ τὸ ἄγαν ὑφιέντων τοῦ φρονήματος. ὀλίγοι γάρ εἰσιν οἷς μετὰ τοῦ εὐτυχεῖν παραγίγνεται τὸ φρονεῖν· οἱ δὲ πολλοὶ φρενῶν ἐπεισάκτων δέονται καὶ λογισμῶν πιεζόντων ἔξωθεν αὐτοὺς ὑπὸ τῆς τύχης φυσσωμένους καὶ σαλευομένους. ὅταν δ' ὁ δαίμων καταβάλῃ καὶ περιέλῃ τὸν ὄγκον, αὐτοῖς τοῖς πράγμασιν ἔνεστι τὸ νοθετοῦν καὶ μετάνοιαν ἐμποιοῦν. ὅθεν οὐδὲν ἔργον τότε παρρησίας φιλικῆς οὐδὲ λόγων βάρος ἐχόντων καὶ δηγμόν, ἀλλ' ὥς ἀληθῶς ἐν ταῖς τοιαύταις μεταβολαῖς

[69] [a] εἰς ὅμματ' εὖνου φωτὸς ἐμβλέψαι γλυκὺ

παρηγοροῦντος καὶ παραθαρρύνοντος, ὥσπερ τοῦ Κλεάρχου τὸ πρόσωπον ὁ Ξενοφῶν ἐν ταῖς μάχαις καὶ παρὰ τὰ δεινὰ φησιν ὀρώμενον εὐμενὲς καὶ φιλάνθρωπον εὐθαρσεστέρους ποιεῖν τοὺς κινδυνεύοντας. ὁ δὲ παρρησίαν καὶ δηγμόν ἀνθρώπῳ δυστυχοῦντι προσάγων ὥσπερ ὀξυδορκικὸν ὅμματι ταραττομένῳ καὶ φλεγμαίνοντι, θεραπεύει μὲν οὐδὲν οὐδ' ἀφαιρεῖ τοῦ λυποῦντος, ὀργὴν δὲ τῇ λύπῃ [b] προστίθησι καὶ παροξύνει τὸν ἀνιῶμενον. αὐτίκα γοῦν ὑγιαίνων μὲν τις οὐ χαλεπὸς ἐστὶν οὐδ' ἄγριος παντάπασι ἀνδρὶ φίλῳ ψέγοντι μὲν συνουσίας καὶ πότους αὐτοῦ ψέγοντι δ' ἀργίαν καὶ ἀγυμνασίαν καὶ λουτρὰ συνεχῇ καὶ πλησμονὰς ἀκαίρους· νοσοῦντι δ' οὐκ ἀνεκτὸν ἀλλὰ μείζων νόσος ἀκούειν ὅτι ταῦτά σοι γέγονεν ἐξ ἀκρασίας καὶ μαλακίας καὶ δι' ὅσα καὶ γυναικάς. ὦ τῆς ἀκαιρίας, ἄνθρωπε· διαθήκη γράφω καὶ παρασκευάζεται μοι καστόριον ἢ σκαμώνιον ὑπὸ τῶν ἰατρῶν, σὺ δὲ νοθετεῖς καὶ φιλοσοφεῖς. οὕτω τοίνυν καὶ τὰ πράγματα τῶν δυστυχοῦντων οὐ παρρησίαν ἐνδέχεται καὶ γνωμολογίαν, [c] ἀλλ' ἐπεικειάς δεῖται καὶ βοηθείας. καὶ γὰρ αἱ τίτθαι τοῖς παιδίοις πεσοῦσιν οὐ λοιδορησόμεναι προστρέχουσιν, ἀλλ' ἡγειραν καὶ

περιέπλυναν καὶ κατέστειλαν, εἴθ' οὕτως ἐπιπλήττουσι καὶ κολάζουσι.

Λέγεται δὲ καὶ Δημήτριος ὁ Φαληρεὺς ὅτε τῆς πατρίδος ἐξέπεσε καὶ περὶ Θήβας ἀδοξῶν καὶ ταπεινὰ πράττων διῆγεν, οὐχ ἡδῶς ἰδεῖν προσιόντα Κράτητα, παρρησίαν κυνικὴν καὶ λόγους τραχεῖς προσδεχόμενος· ἐντυχόντος δὲ πρῶως αὐτῷ τοῦ Κράτητος καὶ διαλεχθέντος περὶ φυγῆς ὡς οὐδὲν [d] ἔχοι κακὸν οὐδ' ἄξιον φέρειν βαρέως πραγμάτων σφαλερῶν καὶ ἀβεβαίων ἀπηλλαγμένον, ἅμα δὲ θαρρεῖν ἑαυτῷ καὶ τῇ διαθέσει παρακαλοῦντος, ἡδίων γενόμενος καὶ ἀναθαρρήσας πρὸς τοὺς φίλους εἶπε “φεῦ τῶν πράξεων ἐκείνων καὶ ἀσχολιῶν δι' ἃς ἄνδρα τοιοῦτον οὐκ ἔγνωμεν.”

λυπουμένῳ γὰρ μῦθος εὐμενῆς φίλων,

ἄγαν δὲ μωραίνοντι νοθετήματα.

Οὗτος ὁ τρόπος τῶν γενναίων φίλων· οἱ δ' ἀγεννεῖς καὶ ταπεινοὶ τῶν εὐτυχοῦντων κόλακες, [e] “ὥσπερ τὰ ῥήγματα καὶ τὰ σπᾶσματά,” φησι Δημοσθένης, “ὅταν τι κακὸν τὸ σῶμα λάβῃ τότε κινεῖσθαι,” καὶ οὗτοι ταῖς μεταβολαῖς ἐπιφύονται, καθάπερ ἡδόμενοι καὶ ἀπολαύοντες. καὶ γὰρ ἂν δέηταί τινος ὑπομνήσεως ἐν οἷς δι' αὐτὸν ἔπαισε βουλευσάμενος κακῶς, ἱκανὸν ἐστὶ τὸ

οὐ τι καθ' ἡμέτερόν γε νόον· μάλα γὰρ τοι ἔγωγε

πόλλ' ἀπεμυθεόμην.

Ἐν τίσιν οὖν σφοδρὸν εἶναι δεῖ τὸν φίλον καὶ πότε τῷ τόνῳ χρῆσθαι τῆς παρρησίας; ὅταν ἡδονῆς ἢ ὀργῆς ἢ ὕβρεως ἐπιλαβέσθαι φερομένης οἱ [f] καιροὶ παρακαλῶσιν ἢ κολοῦσαι φιλαργυρίαν ἢ ἀπροσεξίαν ἀνασχεῖν ἀνόητον. οὕτως ἐπαρρησιάζετο Σόλων πρὸς Κροῖσον ὑπ' εὐτυχίας ἀβεβαίου διεφθορότα καὶ τρυφῶντα, τὸ τέλος ὁρᾶν κελεύσας· οὕτω Σωκράτης Ἀλκιβιάδην ἐκόλουε, καὶ δάκρυον ἐξῆγεν ἀληθινὸν ἐξελεγχομένου καὶ τὴν καρδίαν ἔστρεφε. τοιαῦτα τὰ Κύρου πρὸς Κυαξάρην καὶ τὰ πρὸς Δίωνα Πλάτωνος, ὅτε λαμπρότατος ἦν καὶ πάντας εἰς ἑαυτὸν ἀνθρώπους ἐπέστρεφε διὰ τὸ [70] [a] κάλλος τῶν πράξεων καὶ τὸ μέγεθος, παρακελευομένου φυλάττεσθαι καὶ δεδιέναι τὴν “αὐθάδειαν, ὡς ἐρημία ξύνοικον.” ἔγραφε δὲ καὶ Σπεύσιππος αὐτῷ μὴ μέγα φρονεῖν εἰ πολὺς αὐτοῦ λόγος ἐστὶν ἐν παιδαρίοις καὶ γυναίοις, ἀλλ' ὁρᾶν ὅπως ὁσιότητι καὶ δικαιοσύνῃ καὶ νόμοις ἀρίστοις κοσμήσας Σικελίαν “εὐκλεᾶ θήσει” τὴν

Ἀκαδήμειαν. Εὐκτος δὲ καὶ Εὐλαῖος, ἐταῖροι Περσέως, εὐτυχοῦντι μὲν αἰεὶ πρὸς χάριν ὁμιλοῦντες καὶ συνεπινεύοντες ὥσπερ οἱ λοιποὶ παρηκολούθουν· ἐπεὶ δὲ Ῥωμαίοις συμβαλὼν περὶ Πύδναν ἔπταισε καὶ ἔφυγε, προσπεσόντες ἐπετίμων πικρῶς καὶ ἀνεμίμνησκον ὧν ἐξήμαρτεν ἢ παρεῖδεν, ἕκαστον ἐξονειδίζοντες, ἄχρι οὗ [b] διαλγήσας ὁ ἄνθρωπος ὑπὸ λύπης καὶ ὀργῆς ἀμφοτέρους τῷ ξιφιδίῳ παίων ἀνεῖλεν.

Ὁ μὲν οὖν κοινὸς οὕτω προωρίσθω καιρὸς· οὗς δὲ παρέχουσιν αὐτοὶ πολλάκις οὐ χρὴ προῖεσθαι τὸν κηδόμενον φίλον ἀλλὰ χρῆσθαι· καὶ γὰρ ἐρώτησις ἐνίοις καὶ διήγησις καὶ ψόγος ὁμοίων ἐφ’ ἐτέροις ἢ ἔπαινος ὥσπερ ἐνδόσιμον εἰς παρρησίαν ἐστίν. οἷον ἐλθεῖν Δημάρατον εἰς Μακεδονίαν λέγουσι καθ’ ὃν χρόνον ἐν διαφορᾷ πρὸς τὴν γυναῖκα [c] καὶ τὸν υἱὸν ὁ Φίλιππος ἦν· ἀσπασαμένου δ’ αὐτὸν τοῦ Φιλίππου καὶ πυθομένου πῶς πρὸς ἀλλήλους ἔχουσιν ὁμονοίας οἱ Ἕλληνες, εἰπεῖν τὸν Δημάρατον εὖνουν ὄντα καὶ συνήθη “πάνυ γοῦν, ὦ Φίλιππε, καλὸν ἐστὶ σοι πυνθάνεσθαι μὲν περὶ τῆς Ἀθηναίων καὶ Πελοποννησίων ὁμοφροσύνης, τὴν δ’ οἰκίαν περιορᾷν τὴν σεαυτοῦ τοσαύτης στάσεως καὶ διχονοίας γέμουσαν.” εὖ δὲ καὶ Διογένης, ὃς ἐπεὶ παρελθὼν εἰς τὸ τοῦ Φιλίππου στρατόπεδον, ὅτε τοῖς Ἕλλησιν ἐβάδιζε μαχοῦμενος, ἀνήχθη πρὸς αὐτόν, ὁ δ’ ἀγνοῶν ἠρώτησεν εἰ κατάσκοπός ἐστι, “πάνυ μὲν οὖν,” ἔφη, “κατάσκοπος, ὦ Φίλιππε, τῆς [d] ἀβουλίας σου καὶ τῆς ἀνοίας, δι’ ἣν οὐδενὸς ἀναγκάζοντος ἔρχη περὶ βασιλείας καὶ τοῦ σώματος ὥρα μῖα διακυβεύσων.”

Τοῦτο μὲν οὖν ἴσως σφοδρότερον· ἕτερος δὲ καιρὸς ἐστὶ νουθεσίας ὅταν ὑπ’ ἄλλων λοιδορηθέντες ἐφ’ οἷς ἀμαρτάνουσι ταπεινοὶ τε γένωνται καὶ συσταλῶσιν. ὧ χρῶτ’ ἂν ἐμμελῶς ὁ χαρίεις τοὺς μὲν λοιδοροῦντας ἀνακόπτων καὶ διακρουόμενος, ἰδίᾳ δ’ αὐτὸς ἀπτόμενος τοῦ φίλου καὶ ὑπομιμνήσκων ὥς εἰ διὰ μηδὲν ἄλλο προσεκτέον αὐτῷ, ὅπως γε μὴ θρασεῖς ὦσιν οἱ ἐχθροί. “ποῦ γὰρ ἔστι τούτοις τὸ στόμα διᾶραι, τί δὲ πρὸς σέ εἰπεῖν, ἂν ἀφῆς ταῦτα [e] καὶ ρίψῃς ἐφ’ οἷς κακῶς ἀκούεις;” γίγνεται γὰρ οὕτω τὸ μὲν λυπηρὸν τοῦ λοιδοροῦντος, τὸ δ’ ὠφέλιμον τοῦ νουθετοῦντος.

Ἔνιοι δὲ κομψότερον, ἄλλους ψέγοντες, ἐπιστρέφουσι τοὺς συνήθεις κατηγοροῦσι γὰρ ἐτέρων ἢ πράττοντας ἐκείνους ἴσασιν. ὁ δ’ ἡμέτερος καθηγητῆς Ἀμμώνιος ἐν δειλινῇ διατριβῇ τῶν

ΠΩΣ ΑΝ ΤΙΣ ΥΠ' ΕΧΘΡΩΝ ΩΦΕΛΟΙΤΟ

[186] Ὅρῳ μὲν ὅτι τὸν πραότατον, ὦ Κορνήλιε Ποῦλχερ, πολιτείας ἥρησαι τρόπον, ἐν ᾧ μάλιστα τοῖς κοινοῖς ὠφέλιμος ὢν ἀλυπότατον ἰδίᾳ τοῖς ἐντυγχάνουσι [c] παρέχεις σεαυτόν. ἐπεὶ δὲ χώραν μὲν ἄθηρον ὥσπερ ἱστοροῦσι τὴν Κρήτην εὑρεῖν ἔστι, πολιτεία δὲ μήτε φθόνον ἐννοχυῖα μήτε ζῆλον ἢ φιλονεικίαν, ἔχθρας γονιμώτατα πάθη, μέχρι νῦν οὐ γέγονεν (ἀλλ' εἰ μηδὲν ἄλλο, ταῖς ἔχθραις αἱ φιλίαι συμπλέκουσιν ἡμᾶς· ὁ καὶ Χίλων ὁ σοφὸς νοήσας τὸν εἰπόντα μηδένα ἔχειν ἐχθρὸν ἠρώτησεν εἰ μηδὲ φίλον ἔχει), δοκεῖ μοι τά τ' ἄλλα περὶ ἐχθρῶν τῷ πολιτικῷ διεσκέφθαι προσήκειν καὶ τοῦ Ξενοφῶντος ἀκηκοέναι μὴ παρέργως εἰπόντος ὅτι τοῦ νοῦν ἔχοντός ἐστι καὶ “ἀπὸ τῶν ἐχθρῶν ὠφελεῖσθαι.” ἅπερ οὖν εἰς τοῦτο πρῶην εἰπεῖν μοι παρέστη, συναγαγὼν ὁμοῦ τι τοῖς αὐτοῖς ὀνόμασιν ἀπέσταλκά σοι, φεισάμενος ὥς ἐνῆν μάλιστα τῶν ἐν τοῖς Πολιτικοῖς Παραγγέλμασι γεγραμμένων, [d] ἐπεὶ κάκεῖνο τὸ βιβλίον ὁρῶ σε πρόχειρον ἔχοντα πολλάκις.

Ἐξήρκει τοῖς παλαιοῖς ὑπὸ τῶν ἀλλοφύλων καὶ ἀγρίων ζώων μὴ ἀδικεῖσθαι, καὶ τοῦτο τῶν πρὸς τὰ θηρία τέλος ἦν ἀγώνων ἐκείνοις· οἱ δ' ὕστερον ἤδη χρῆσθαι μαθόντες αὐτοῖς καὶ ὠφελοῦνται σαρεῖ τρεφόμενοι καὶ θριξὶν ἀμφιεννύμενοι καὶ χολαῖς καὶ πυτίαις ἰατρευόμενοι καὶ δέρμασιν ὀπλίζοντες ἑαυτούς, ὥστ' ἄξιον εἶναι δεδιέναι μὴ τῶν θηρίων ἐπιλιπόντων τῷ ἀνθρώπῳ θηριώδης ὁ βίος αὐτοῦ γένηται καὶ ἄπορος καὶ ἀνήμερος. ἐπεὶ τοίνυν τοῖς μὲν ἄλλοις ἱκανόν ἐστι τὸ μὴ πάσχειν [e] ὑπὸ τῶν ἐχθρῶν κακῶς, τοὺς δὲ νοῦν ἔχοντας ὁ Ξενοφῶν καὶ ὠφελεῖσθαι φησιν ἀπὸ τῶν διαφορομένων, ἀπιστεῖν μὲν οὐ χρή, ζητεῖν δὲ μέθοδον καὶ τέχνην δι' ἧς τοῦτο περιέσται τὸ καλὸν οἷς χωρὶς ἐχθροῦ ζῆν ἀδύνατόν ἐστιν.

Οὐ δύναται πᾶν ἐξημερῶσαι δένδρον ὁ γεωργὸς οὐδὲ πᾶν τιθασεῦσαι θηρίον ὁ κυνηγός· ἐζήτησαν οὖν καθ' ἐτέρας χρείας ὁ μὲν ἐκ τῶν ἀκάρπων ὁ δ' ἀπὸ τῶν ἀγρίων ὠφελεῖσθαι. τῆς θαλάττης τὸ ὕδωρ ἄποτόν ἐστι καὶ πονηρόν, ἀλλ' ἰχθυὺς τρέφει καὶ πόμπιμόν ἐστι πάντῃ καὶ πορεύσιμον ὄχημα τοῖς κομιζομένοις· τοῦ

καὶ γὰρ κᾶει τὸν ἀψάμενον, ἀλλὰ φῶς παρέχει καὶ θερμότητα καὶ τέχνης ἀπάσης ὄργανόν ἐστι τοῖς χρῆσθαι μαθοῦσι. σκοπεῖ δὴ καὶ τὸν ἐχθρόν, εἰ βλαβερός ὢν τᾶλλα καὶ δυσμεταχείριστος, ἀμωσγέπως ἀφὴν ἐνδίδωσιν αὐτοῦ καὶ χρῆσιν οἰκείαν [87] [a] καὶ ὠφέλιμός ἐστι. καὶ τῶν πραγμάτων ἄφιλα πολλὰ καὶ ἀπεχθῆ καὶ ἀντίπαλα τοῖς ἐντυγχάνουσιν· ἀλλ' ὁρᾷς ὅτι καὶ νόσοις ἔνιοι σώματος εἰς ἀπραγμοσύνην ἐχρήσαντο, καὶ πόνοι πολλοῖς προσπεσόντες ἔρρωσαν καὶ ἥσκησαν. ἔνιοι δὲ καὶ πατρίδος στέρησιν καὶ χρημάτων ἀποβολὴν ἐφόδιον σχολῆς ἐποιήσαντο καὶ φιλοσοφίας, ὡς Διογένης καὶ Κράτης· Ζήνων δέ, τῆς ναυκληρίας αὐτῷ συντριβείσης, πυθόμενος εἶπεν, “εὖ γ’, ὦ τύχη, ποιεῖς, εἰς τὸν τρίβωνα συνελεύουσα ἡμᾶς.” ὥστε γὰρ τὰ ῥωμαλέωτατα τοὺς στομάχους καὶ ὑγιεινότατα τῶν ζώων ὄφεις ἐσθίοντα καταπέττει [b] καὶ σκορπίους, ἔστι δ’ ἅ καὶ λίθοις καὶ ὀστράκοις τρέφεται (μεταβάλλουσι δὲ δι’ εὐτονίαν καὶ θερμότητα πνεύματος), οἱ δὲ σικχοὶ καὶ νοσώδεις ἄρτον καὶ οἶνον προσφερόμενοι ναυτιῶσιν, οὕτως οἱ μὲν ἀνόητοι καὶ τὰς φιλίας διαφθείρουσιν, οἱ δὲ φρόνιμοι καὶ ταῖς ἐχθραῖς ἐμμελῶς χρῆσθαι δύνανται.

Πρῶτον μὲν οὖν δοκεῖ μοι τῆς ἐχθρας τὸ βλαβερώτατον ὠφελιμώτατον ἂν γενέσθαι τοῖς προσέχουσιν. τί δὲ τοῦτ’ ἐστίν; ἐφεδρεύει σου τοῖς πράγμασιν ἐγρηγορῶς ὁ ἐχθρὸς αἰεὶ καὶ λαβὴν ζητῶν πανταχόθεν περιοδεύει τὸν βίον, οὐ διὰ δρυὸς μόνον ὁρῶν ὡς ὁ Λυγκεὺς οὐδὲ διὰ λίθων [c] καὶ ὀστράκων, ἀλλὰ καὶ διὰ φίλου καὶ οἰκέτου καὶ διὰ συνήθους παντὸς ὡς ἀνυστόν ἐστι φωρῶν τὰ πραπτόμενα καὶ τὰ βουλευόμενα διορύττων καὶ διερευνώμενος. οἱ μὲν γὰρ φίλοι καὶ νοσοῦντες ἡμᾶς πολλάκις καὶ ἀποθνήσκοντες λανθάνουσιν ἀμελοῦντας καὶ ὀλιγωροῦντας, τῶν δ’ ἐχθρῶν μονονουχὶ καὶ τοὺς ὀνείρους πολυπραγμονοῦμεν· νόσοι δὲ καὶ δανεισμοὶ καὶ διαφοραὶ πρὸς γυναῖκας αὐτοὺς ἐκείνους μᾶλλον ἢ τὸν ἐχθρόν λανθάνουσι. μάλιστα δὲ τῶν ἁμαρτιῶν ἔχεται καὶ ταύτας ἐξιχνεύει. καὶ καθάπερ οἱ γῦπες ἐπὶ τὰς ὀσμάς [d] τῶν διεφθορότων σωμάτων φέρονται, τῶν δὲ καθαρῶν καὶ ὑγιαινόντων αἰσθησιν οὐκ ἔχουσιν, οὕτω τὰ νοσοῦντα τοῦ βίου καὶ φαῦλα καὶ πεπονθότα κινεῖ τὸν ἐχθρόν, καὶ πρὸς ταῦθ’ οἱ

μισοῦντες ἄττουσι καὶ τούτων ἄπτονται καὶ σπαράττουσι. τοῦτο οὖν ὠφέλιμόν ἐστι; πάνυ μὲν οὖν, εὐλαβούμενον ζῆν καὶ προσέχειν ἑαυτῷ καὶ μήτε πράττειν μηδὲν ὀλιγώρως καὶ ἀπερισκέπτως μήτε λέγειν, ἀλλ' αἰεὶ διαφυλάττειν ὥσπερ ἐν ἀκριβεῖ διαίτη τὸν βίον ἀνεπίληπτον· ἡ γὰρ οὕτω συστέλλουσα τὰ [e] πάθη καὶ συνέχουσα τὸν λογισμόν εὐλάβεια μελέτην ἐμποιεῖ καὶ προαίρεσιν τοῦ ζῆν ἐπικεκῶς καὶ ἀνεγκλήτως. καθάπερ γὰρ αἱ πολέμοις ἀστυγειτονικοῖς καὶ στρατείαις ἐνδελεχέσι σωφρονιζόμεναι πόλεις εὐνομίαν καὶ πολιτείαν ὑγιαίνουσιν ἡγάπησαν, οὕτως οἱ δι' ἔχθρας τινὰς ἀναγκασθέντες ἐπινήφειν τῷ βίῳ καὶ φυλάττεσθαι τὸ ῥαθυμεῖν καὶ καταφρονεῖν καὶ μετ' εὐχρηστίας ἕκαστα πράττειν λανθάνουσιν εἰς τὸ ἀναμάρτητον ὑπὸ τῆς συνηθείας ἀγόμενοι καὶ κατακοσμούμενοι τὸν τρόπον, ἂν καὶ μικρὸν ὁ λόγος συνεπιλαμβάνηται. τὸ γάρ

Τῷ Καίσαρι κελεύσαντι τὰς Πομπηίου τιμὰς ἀνασταθῆναι καταβεβλημένας ὁ Κικέρων “τοὺς Πομπηίου,” φησὶν, “ἀνδριάντας ἀνέστησας, τοὺς δὲ σοὺς ἔπηξας.” ὅθεν οὐδ' ἐπαίνου φειστέον οὐδὲ τιμῆς περὶ ἄνδρὸς ἐχθροῦ δικαίως εὐδοκιμήσαντος. ἔπαινον τε γὰρ φέρει μείζονα τοῖς ἐπαινοῦσι, καὶ πίστιν ἔχει πάλιν ἐγκαλῶν, ὡς οὐ τὸν ἄνδρα μισῶν ἀλλὰ τὴν πρᾶξιν ἀποδοκιμάζων· τὸ [b] δὲ κάλλιστον καὶ χρησιμώτατον, ἀπωτάτω καθίσταται τοῦ φθονεῖν καὶ φίλοις εὐτυχοῦσι καὶ κατορθοῦσιν οἰκείοις ὁ τοὺς ἐχθροὺς ἐθισθεὶς ἐπαινεῖν καὶ μὴ δάκνεσθαι μηδὲ βασκαίνειν εὖ πραττόντων. καίτοι τίς ἄσκησις ἐτέρα μείζονα ὠφέλειαν ἐνεργάζεται ταῖς ψυχαῖς ἢ διάθεσιν κρείττονα τῆς ἀφαιρούσης τὸ δύσζηλον ἡμῶν καὶ φιλόφθονον; ὥσπερ γὰρ ἐν πολέμῳ πολλὰ τῶν ἀναγκαίων ἄλλως δὲ φαύλων ἔθους λαβόντα καὶ νόμου δύναμιν οὐκ ἔστι ραδίως ἀπώσασθαι καὶ βλαπτομένους, οὕτως ἡ ἔχθρα συνεισάγουσα τῷ μίσει φθόνον, ζηλοτυπίαν ἐπιχαιρεκακίαν μνησικακίαν ἐναπολείπει. πρὸς δὲ τούτοις καὶ πανουργία καὶ [c] ἀπάτη καὶ ἐπιβουλή, δοκοῦσα μὴ φαῦλον εἶναι μηδ' ἄδικον πρὸς ἐχθρόν, ἂν ἐγγένηται, παραμένει δυσπατάλλακτος· εἴτα χρῶνται πρὸς τοὺς φίλους αὐτοὶ ὑπὸ συνηθείας, ἂν μὴ φυλάξωνται πρὸς τοὺς ἐχθρούς. εἴπερ οὖν ὀρθῶς ὁ Πυθαγόρας, ἐν ἀλόγοις ζώοις ἐθίζων ὠμότητος ἀπέχεσθαι καὶ πλεονεξίας, ὀρνέων τε θηρευτὰς παρητεῖτο καὶ βόλους ὠνούμενος ἰχθύων ἐκέλευεν ἀφιέναι, καὶ παντὸς ἡμέρου ζώου φόνον ἀπηγόρευε, πολὺ δὴπου σεμνότερόν [d] ἐστὶν ἐν διαφοραῖς πρὸς ἀνθρώπους καὶ φιλονεικίαις, γενναῖον ἐχθρόν ὄντα καὶ δίκαιον καὶ ἀψευδῆ, τὰ μοχθηρὰ καὶ ἀγεννῆ καὶ πανοῦργα πάθη κολάζειν καὶ ταπεινὰ ποιεῖν, ὅπως ἐν τοῖς πρὸς τοὺς φίλους συμβολαίοις παντάπασιν ἀτρεμῇ καὶ ἀπέχεται τοῦ κακουργεῖν. Σκαῦρος ἐχθρὸς ἦν Δομιτίου καὶ κατήγορος. οἰκέτης οὖν τοῦ Δομιτίου πρὸ τῆς δίκης ἦκε πρὸς αὐτὸν ὡς ἔχων τι μηνῦσαι τῶν λανθανόντων ἐκεῖνον, ὁ δ' οὐκ εἴασεν εἰπεῖν, ἀλλὰ

συλλαβὼν τὸν ἄνθρωπον ἀπήγαγε πρὸς τὸν δεσπότην. Κάτωνι δὲ Μουρήναν διώκοντι δημοκοπίας καὶ συνάγοντι τοὺς ἐλέγχους ἐξ ἔθους παρηκολούθουν οἱ τὰ πραττόμενα παραφυλάττοντες.

[e] πολλάκις οὖν αὐτὸν ἡρώτων εἴ τι μέλλει σήμερον συνάγειν ἢ πραγματεύεσθαι πρὸς τὴν κατηγορίαν· εἰ δὲ μὴ φαίη, πιστεύοντες ἀπήεσαν. ταῦτα μὲν οὖν αὐτοῦ τῆς δόξης ἔχει τεκμήριον μέγιστον· ἀλλὰ μεῖζον καὶ κάλλιστον, ὅτι τῷ δικαίῳ χρῆσθαι καὶ πρὸς ἐχθροὺς ἐθισθέντες οὐδέποτε μὴ προσενεχθῶμεν ἀδίκως καὶ πανούργως τοῖς συνήθεσι καὶ φίλοις.

[f] κενεοφρόνων ἀνδρῶν ἐταῖρον,

ὥς φησι Πίνδαρος, οὐ μετρίως ἂν τις ὠφελοῖτο τῶν παθῶν τούτων ποιούμενος εἰς τοὺς ἐχθροὺς ἀποκαθάρσεις καὶ ἀποστρέφων ὥσπερ ὀχετοὺς πορρωτάτω τῶν ἐταίρων καὶ οἰκείων. καὶ τοῦτο, ὡς ἔοικε, συνιδὼν πολιτικὸς ἀνὴρ ὄνομα Δῆμος, ἐν Χίῳ τῆς κρατούσης μερίδος ἐν στάσει γενόμενος, παρήνει τοῖς ἐταίροις μὴ πάντας ἐξελάσαι τοὺς ἀντιστασιάσαντας, ἀλλ' ὑπολιπέσθαι τινάς, [92] [a] “ὅπως,” ἔφη, “μὴ πρὸς τοὺς φίλους ἀρξώμεθα διαφέρεισθαι, τῶν ἐχθρῶν παντάπασιν ἀπαλλαγέντες.” οὐκοῦν καὶ ἡμῶν καταναλισκόμενα ταῦτα τὰ πάθη πρὸς τοὺς ἐχθροὺς ἦττον ἐνοχλήσει τοῖς φίλοις. οὐ γὰρ “κεραμεῖ” δεῖ “κεραμέα φθονεῖν” οὐδ' “αἰοιδὸν αἰοιδῶ” καθ' Ἡσίοδον, οὐδὲ γείτονα ζηλοῦν οὐδ' ἀνεψιὸν οὐδ' ἀδελφὸν “εἰς ἄφενος σπεύδοντα” καὶ τυγχάνοντα χρηστῶν πραγμάτων. ἀλλ' εἰ μηδεὶς τρόπος ἐστὶν ἄλλος ἀπαλλαγῆς [b] ἐρίδων καὶ φθόνων καὶ φιλονεικίῳ, ἔθιζε σεαυτὸν δάκνεσθαι τῶν ἐχθρῶν εὐημερούντων, καὶ παρόξυνε καὶ χάραττε τὸ φιλόνηκον ἐν ἐκείνοις θηγόμενον. ὥσπερ γὰρ οἱ χαρίεντες γεωργοὶ τὰ ρόδα καὶ τὰ ἱα βελτίῳ ποιεῖν νομίζουσι σκόροδα καὶ κρόμμυα παραφυτεύοντες (ἀποκρίνεται γὰρ εἰς ἐκεῖνα πᾶν ὅσον ἔνεστι τῇ τροφῇ δριμὺ καὶ δυσῶδες), οὕτω καὶ ὁ ἐχθρὸς ἀναλαμβάνων καὶ περισπῶν τὸ κακόηθες καὶ βάσκανον, εὐμενέστερον παρῆξει σε τοῖς φίλοις εὖ πράττουσι καὶ ἀλυπότερον. διὸ καὶ τὰς ἀμίλλας πρὸς ἐκείνους ἐστὶ ποιητέον ὑπὲρ δόξης ἢ ἀρχῆς ἢ πορισμῶν δικαίων, μὴ δακνομένους μόνον, ἂν τι πλέον

Εἰ δέ τινας οἱ ἐχθροὶ κολακεύοντες ἢ πανουργοῦντες ἢ δεκάζοντες ἢ μισθαρνοῦντες αἰσχροῦς καὶ ἀνελευθέρους δοκοῦσι καρποῦσθαι δυνάμεις ἐν αὐλαῖς ἢ πολιτείαις, οὐκ ἐνοχλήσουσιν ἡμᾶς ἀλλὰ μᾶλλον εὐφρανοῦσι, τὴν αὐτῶν ἐλευθερίαν καὶ τὸ καθαρὸν τοῦ βίου καὶ ἀνύβριστον ἀντιτιθέντας· [e] “ἅπας” γὰρ “ὁ ὑπὲρ γῆς καὶ ὑπὸ γῆς χρυσὸς ἀρετῆς οὐκ ἀντάξιός” κατὰ Πλάτωνα, καὶ τὸ τοῦ Σόλωνος ἔχειν αἰεὶ δεῖ πρόχειρον

ΠΕΡΙ ΠΟΛΥΦΙΛΙΑΣ

[93] Μένωνα τὸν Θετταλὸν οἰόμενον ἐν λόγοις ἱκανῶς γεγυμνάσθαι καὶ τοῦτο δὴ τὸ ὑπὸ τοῦ [b] Ἐμπεδοκλέους λεγόμενον

σοφίης ἐπ' ἄκροισι θαμίζειν

ἠρώτησεν ὁ Σωκράτης τί ἀρετὴ ἐστίν· ἀποκριναμένου δ' ἰταμῶς ἐκείνου καὶ προχείρως ὅτι καὶ παιδός ἐστιν ἀρετὴ καὶ πρεσβύτου καὶ ἀνδρός καὶ γυναικὸς καὶ ἄρχοντος καὶ ἰδιώτου καὶ δεσπότης καὶ θεράπωντος, “εὖ γ’,” εἶπεν ὁ Σωκράτης, “ὅτι μίαν ἀρετὴν αἰτηθεὶς σμῆνος ἀρετῶν κεκίνηκας,” οὐ κακῶς τεκμαιρόμενος ὅτι μηδεμίαν εἰδὼς ἀρετὴν ὁ ἄνθρωπος πολλὰς ὠνόμαζεν. ἄρ' οὖν οὐχὶ καὶ ἡμῖν ἂν τις ἐπιχλευάσειεν ὅτι μηδέπω [c] μίαν φιλίαν κεκτημένοι βεβαίως φοβούμεθα μὴ λάθωμεν εἰς πολυφιλίαν ἐμπεσόντες; σχεδὸν γὰρ οὐδὲν διαφέρομεν ἀνθρώπου κολοβοῦ καὶ τυφλοῦ, φοβουμένου μὴ Βριάρεως ὁ ἑκατόγχειρ καὶ Ἄργος ὁ πανόπτης γένηται. καίτοι τὸν γε παρὰ τῷ Μενάνδρῳ νεανίσκον ὑπερφυῶς ἐπαινοῦμεν εἰπόντα θαυμαστὸν ὅσον νομίζειν

ἀγαθὸν ἕκαστον, ἂν ἔχῃ φίλου σκιάν.

Ἐναντίον δὲ μετὰ πολλῶν ἄλλων οὐχ ἥκιστα γ' εἰς φιλίας κτήσιν ἡμῖν ἢ τῆς πολυφιλίας ὄρεξις, ὥσπερ ἀκολάστων γυναικῶν, τῷ πολλάκις καὶ [d] πολλοῖς συμπλέκεσθαι τῶν πρώτων κρατεῖν μὴ δυναμένοις ἀμελουμένων καὶ ἀπορρεόντων· μᾶλλον δ' ὥσπερ ὁ τῆς Ὑψιπύλης τρόφιμος εἰς τὸν λειμῶνα καθίσας ἔδρεπεν

ἕτερον ἐφ' ἐτέρῳ αἰρόμενος

ἄγρευμ' ἀνθέων ἡδομένῳ ψυχᾷ

τὸ νήπιον ἅπληστον ἔχων,

οὕτως ἕκαστον ἡμῶν διὰ τὸ φιλόκαινον καὶ ἀφίκορον ὁ πρόσφατος αἰὲ καὶ ἀνθῶν ἐπάγεται, καὶ μετατίθησι πολλὰς ὁμοῦ καὶ ἀτελεῖς ἀρχὰς πράττοντας φιλίας καὶ συνηθείας, ἔρωτι τοῦ διωκομένου παρερχομένους τὸν καταλαμβανόμενον.

[e] Πρῶτον μὲν οὖν ὥσπερ ἀφ' ἐστίας ἀρξάμενοι τῆς τοῦ βίου φήμης ἦν ὑπὲρ φίλων βεβαίῳ ἀπολέλοιπεν ἡμῖν, τὸν μακρὸν καὶ παλαιὸν αἰῶνα μάρτυρα ἅμα τοῦ λόγου καὶ σύμβουλον λάβωμεν,

ἐν ᾧ κατὰ ζευγος φιλίας λέγονται Θησεὺς καὶ Πειρίθους, Ἀχιλλεὺς καὶ Πάτροκλος, Ὀρέστης καὶ Πυλάδης, Φιντίας καὶ Δάμων, Ἐπαμεινώνδας καὶ Πελοπίδας. σύννομον γὰρ ἡ φιλία ζῶων οὐκ ἀγελαῖόν ἐστιν οὐδὲ κολοιῶδες, καὶ τὸ ἄλλον αὐτὸν ἡγεῖσθαι τὸν φίλον καὶ προσαγορεύειν ἐταῖρον ὡς ἕτερον, οὐδὲν ἐστιν ἢ μέτρῳ φιλίας τῇ δυάδι χρωμένων. οὔτε γὰρ δούλους οὔτε φίλους ἔστι κτήσασθαι πολλοὺς ἀπ' ὀλίγου νομίσματος.

[f] τί οὖν νόμισμα φιλίας; εὖνοια καὶ χάρις μετ' ἀρετῆς, ὣν οὐδὲν ἔχει σπανιώτερον ἢ φύσις. ὅθεν τὸ σφόδρα φιλεῖν καὶ φιλεῖσθαι πρὸς πολλοὺς οὐκ ἔστιν, ἀλλ' ὥσπερ οἱ ποταμοὶ πολλὰς σχίσσεις καὶ κατατομὰς λαμβάνοντες ἀσθενεῖς καὶ λεπτοὶ ῥέουσιν, οὕτω τὸ φιλεῖν ἐν ψυχῇ σφοδρὸν πεφυκὸς εἰς πολλοὺς μεριζόμενον ἐξαμαυροῦται. διὸ καὶ τῶν ζώων τὸ φιλότεκνον τοῖς μονοτόκοις ἰσχυρότερον [94] [a] ἐμφύεται, καὶ Ὅμηρος ἀγαπητὸν υἱὸν ὀνομάζει “μοῦνον τηλύγετον,” τουτέστι τὸν τοῖς μήτ' ἔχουσιν ἕτερον γονεῦσι μήθ' ἔξουσι γεγεννημένον.

Τὸν δὲ φίλον ἡμεῖς “μοῦνον” μὲν οὐκ ἀξιοῦμεν εἶναι, μετ' ἄλλων δὲ “τηλύγετός” τις καὶ ὀψίγονος ἔστω, τὸν θρυλούμενον ἐκεῖνον χρόνῳ τῶν ἁλῶν συγκατεδηδοκῶς μέδιμνον, οὐχ ὥσπερ νῦν πολλοὶ φίλοι λεγόμενοι συμπιόντες ἅπαξ ἢ συσφαιρίσαντες ἢ συγκυβεύσαντες ἢ συγκαταλύσαντες, ἐκ πανδοκείου καὶ παλαίστρας καὶ ἀγορᾶς φιλίαν συλλέγουσιν.

Ἐν δὲ ταῖς τῶν πλουσίων καὶ ἡγεμονικῶν [b] οἰκίαις πολὺν ὄχλον καὶ θόρυβον ἀσπαζομένων καὶ δεξιουμένων καὶ δορυφορούντων ὁρῶντες εὐδαιμονίζουσι τοὺς πολυφίλους. καίτοι πλείονάς γε μυίας ἐν τοῖς ὀπτανίοις αὐτῶν ὁρῶσιν. ἀλλ' οὔθ' αὐταὶ τῆς λιχνείας οὔτ' ἐκεῖνοι τῆς χρείας ἐπιλιπούσης παραμένουσιν. ἐπεὶ δ' ἡ ἀληθινὴ φιλία τρία ζητεῖ μάλιστα, τὴν ἀρετὴν ὡς καλόν, καὶ τὴν συνήθειαν ὡς ἡδύ, καὶ τὴν χρεῖαν ὡς ἀναγκαῖον (δεῖ γὰρ ἀποδέξασθαι κρίναντα καὶ χαίρειν συνόντα καὶ χρῆσθαι δεόμενον, ἃ πάντα πρὸς τὴν πολυφιλίαν ὑπεναντιοῦται, καὶ μάλιστα πῶς τὸ κυριώτατον ἢ κρίσις), σκεπτέον δὴ πρῶτον εἰ δυνατόν [c] ἐστὶν ἐν βραχεῖ χρόνῳ δοκιμάσαι χορευτὰς συγχορευσομένους, ἐρέτας ὁμορροθήσοντας, οἰκέτας χρημάτων ἐπιτρόπους ἢ τέκνων παιδαγωγοὺς ἐσομένους, μήτι γε φίλους πολλοὺς εἰς ἀγῶνα πάσης τύχης συναποδυσσομένους, ὧν ἕκαστος αὐτός θ' αὐτόν

πράσσω· εὖ τίθησιν εἰς μέσον,
τοῦ δυστυχοῦς τε λαγχάνων οὐκ ἄχθεται.

οὔτε ναῦς γὰρ ἐπὶ τοσούτους ἔλκεται χειμῶνας εἰς θάλατταν,
οὔτε χωρίοις θριγχοὺς καὶ λιμέσι προβάλλουσιν ἔρηκη καὶ χῶματα
τηλικούτους προσδεχόμενοι [d] κινδύνους καὶ τοσούτους, ὅσων
ἐπαγγέλλεται φιλία καταφυγὴν καὶ βοήθειαν, ὀρθῶς καὶ βεβαίως
ἐξετασθεῖσα· τῶν δ' ἀνεξετάστως παραρρυσθέντων ὥσπερ
νομισμάτων ἀδοκίμων ἐλεγχομένων

οἱ μὲν ἐστερημένοι

χαίρουσιν, οἱ δ' ἔχοντες εὗχονται φυγεῖν.

ἔστι δὲ τοῦτο χαλεπὸν καὶ οὐ ῥάδιον τὸ φυγεῖν ἢ ἀποθέσθαι
δυσαρεστουμένην φιλίαν. ἀλλ' ὥσπερ σιτίον βλαβερόν καὶ
δυσχεραίνον οὔτε κατέχειν οἷόν τε μὴ λυποῦν καὶ διαφθεῖρον
οὔτ' ἐκβάλλειν οἷον εἰσῆλθεν ἀλλ' εἶδεχθὲς καὶ συμπεφυρμένον
καὶ ἀλλόκοτον, οὕτω φίλος πονηρὸς ἢ σύνεστι λυπῶν καὶ
λυμαινόμενος, ἢ βία μετ' [e] ἔχθρας καὶ δυσμενείας ὥσπερ χολή
τις ἐξέπεσε.

Διὸ δεῖ μὴ ῥαδίως προσδέχεσθαι μηδὲ κολλᾶσθαι τοῖς
ἐντυγχάνουσι μηδὲ φιλεῖν τοὺς διώκοντας, ἀλλὰ τοὺς ἀξίους
φιλίας διώκειν. οὐ γὰρ αἰρετέον πάντως τὸ ῥαδίως ἀλίσκόμενον.
καὶ γὰρ ἀπαρίνην καὶ βάτον ἐπιλαμβανομένην ὑπερβάντες καὶ
διωσάμενοι βαδίζομεν ἐπὶ τὴν ἐλαίαν καὶ τὴν ἄμπελον. οὕτως αἰεὶ
μὴ τὸν εὐχερῶς περιπλεκόμενον ποιεῖσθαι συνήθη καλόν, ἀλλὰ
τοῖς ἀξίοις σπουδῆς καὶ ὠφελίμοις αὐτοὺς περιπλέκεσθαι [f]
δοκιμάζοντας.

Ὡσπερ οὖν ὁ Ζεῦξις αἰτιωμένων αὐτόν τινων ὅτι ζωγραφεῖ
βραδέως, “ὁμολογῶ,” εἶπεν, “ἐν πολλῷ χρόνῳ γράφειν, καὶ γὰρ εἰς
πολὺν,” οὕτω φιλίαν δεῖ καὶ συνήθειαν σῶζειν παραλαβόντας ἐν
πολλῷ κριθεῖσαν. ἄρ' οὖν κρῖναι μὲν οὐκ ἔστι πολλοὺς φίλους
ῥάδιον, συνεῖναι δὲ πολλοῖς ὁμοῦ ῥάδιον, ἢ καὶ τοῦτο ἀδύνατον;
καὶ μὴν ἀπόλαυσις ἐστὶν ἡ συνήθεια τῆς φιλίας, καὶ τὸ ἥδιον ἐν
τῷ συνεῖναι καὶ συνδιημερεῦειν.

οὐ μὲν γὰρ ζωοί γε φίλων ἀπάνευθεν ἐταίρων
βουλὰς ἐξόμενοι βουλευόμεν.

[95] [a] καὶ περὶ τοῦ Ὀδυσσέως ὁ Μενέλαος

οὐδέ κεν ἄλλο

ἄμμε διέκρινεν φιλέοντέ τε τερπομένῳ τε,

πρίν γ' ὅτε δὴ θανάτοιο μέλαν νέφος ἀμφεκάλυψε.

τοῦναντίον οὖν ἔοικεν ἡ καλουμένη πολυφιλία ποιεῖν. ἡ μὲν γὰρ συνάγει καὶ συνίστησι καὶ συνέχει κατατυκνοῦσα ταῖς ὁμιλίαις καὶ φιλοφροσύναις

ὥς δ' ὅτ' ὁπὸς γάλα λευκὸν ἐγόμφωσεν καὶ ἔδησε

[b] κατ' Ἐμπεδοκλέα (τοιαύτην γὰρ ἡ φιλία βούλεται ποιεῖν ἐνόητα καὶ σύμπηξιν), ἡ δὲ πολυφιλία διίστησι καὶ ἀποσπᾷ καὶ ἀποστρέφει, τῷ μετακαλεῖν καὶ μεταφέρειν ἄλλοτε πρὸς ἄλλον οὐκ ἔῴσα κρᾶσιν οὐδὲ κόλλησιν εὐνοίας ἐν τῇ συνηθείᾳ περιχυθείῃ καὶ παγείῃ γενέσθαι. τοῦτο δ' εὐθύς ὑποβάλλει καὶ τὴν περὶ τὰς ὑπουργίας ἀνωμαλίαν καὶ δυσωπίαν· τὰ γὰρ εὐχρηστα τῆς φιλίας δύσχρηστα γίνονται διὰ τὴν πολυφιλίαν.

“ἄλλον τρόπον” γὰρ “ἄλλων ἐγείρει φροντὶς ἀνθρώπων.”

οὔτε γὰρ αἱ φύσεις ἡμῶν ἐπὶ ταῦτά ταῖς ὁρμαῖς ῥέπουσιν, οὔτε τύχαις ὁμοτρόποις αἰεὶ σύνεσμεν· οἱ [c] τε τῶν πράξεων καιροὶ καθάπερ τὰ πνεύματα τοὺς μὲν φέρουσι τοῖς δ' ἀντιπίπτουσι.

Καίτοι κἂν πάντες ἅμα τῶν αὐτῶν οἱ φίλοι δέωνται, χαλεπὸν ἔξαρκέσαι πᾶσι βουλευομένοις ἢ πολιτευομένοις ἢ φιλοτιμουμένοις ἢ ὑποδεχομένοις. ἂν δ' ἐνὶ καιρῷ διαφόροις πράγμασι καὶ πάθεσι προστυγχάνοντες ὁμοῦ παρακαλῶσιν ὁ μὲν πλέων συναποδημεῖν, ὁ δὲ κρινόμενος συνδικεῖν, ὁ δὲ κρίνων συνδικάζειν, ὁ δὲ πιπράσκων ἢ ἀγοράζων συνδιοικεῖν, ὁ δὲ γαμῶν συνθύειν, ὁ δὲ θάπτων συμπενθεῖν,

πόλις δ' ὁμοῦ μὲν θυμιαμάτων γέμῃ,

ὁμοῦ δὲ παιάνων τε καὶ στεναγμάτων

[d] ἡ πολυφιλία. πᾶσι μὲν ἀμήχανον παρεῖναι, μηδενὶ δ' ἄτοπον, ἐνὶ δ' ὑπουργοῦντα προσκρούειν πολλοῖς ἀνιαρόν·

οὐδεὶς γὰρ ἀγαπῶν αὐτὸς ἀμελεῖθ' ἡδέως.

Καίτοι τὰς ἀμελείας καὶ ῥαθυμίας τῶν φίλων πραότερον φέρουσι, καὶ τὰς τοιαύτας ἀπολογίας ἀμηνίτως δέχονται παρ' αὐτῶν “ἔξελαθόμην” “ἠγνόησα.” ὁ δὲ λέγων “οὐ παρέστην σοι δίκην ἔχοντι, παριστάμην γὰρ ἐτέρῳ φίλῳ,” καὶ “πυρέττοντά σ' οὐκ εἶδον, τῷ δεῖνι γὰρ φίλους ἐστιῶντι συνησχολοῦμην” αἰτίαν τῆς ἀμελείας τὴν ἐτέρων [e] ἐπιμέλειαν ποιοῦμενος οὐ λύει τὴν μέμψιν, ἀλλὰ προσεπιβάλλει ζηλοτυπίαν. ἀλλ' οἱ πολλοὶ τὰς πολυφιλίας ἃ δύνανται παρέχειν μόνον ὥς ἔοικε σκοποῦσιν, ἃ δ'

ἀνταπαιτοῦσι παρορῶσι, καὶ οὐ μνημονεύουσιν ὅτι δεῖ τὸν πολλοῖς εἰς ἃ δεῖται χρώμενον πολλοῖς δεομένοις ἀνθυπουργεῖν. ὥσπερ οὖν ὁ Βριάρεως ἑκατὸν χερσὶν εἰς πεντήκοντα φορῶν γαστέρας οὐδὲν ἡμῶν πλέον εἶχε τῶν ἀπὸ δυεῖν χεροῖν μίαν κοιλίαν διοικούντων, οὕτως ἐν τῷ φίλοις χρηῖσθαι πολλοῖς καὶ τὸ λειτουργεῖν πολλοῖς ἔνεστι καὶ τὸ συναγωνιᾶν καὶ τὸ συνασχολεῖσθαι καὶ συγκάμνειν. οὐ γὰρ Εὐριπίδῃ πειστέον λέγοντι

χρῆν γὰρ μετρίαν εἰς ἀλλήλους
φιλίαν θνητοὺς ἀνακίρνασθαι
[f] καὶ μὴ πρὸς ἄκρον μυελὸν ψυχῆς,
εὐλυτα δ' εἶναι θέλγητρα φρενῶν,
ἀπὸ τ' ὤσασθαι καὶ ξυντεῖναι,

καθάπερ πόδα νεῶς ἐνδιδόντι καὶ προσάγοντι ταῖς χρεῖαις τὴν φιλίαν. ἀλλὰ τοῦτο μέν, ὧ Εὐριπίδῃ, μεταθῶμεν ἐπὶ τὰς ἔχθρας, καὶ κελεύωμεν “μετρίας” ποιεῖσθαι τὰς διαφορὰς καὶ “μὴ πρὸς ἄκρον μυελὸν ψυχῆς, εὐλυτα δ' εἶναι” μίση καὶ ὀργὰς [96] [a] καὶ μεμψιμοιρίας καὶ ὑπονοίας. ἐκεῖνο δὲ μᾶλλον ἡμῖν παραίνει τὸ Πυθαγορικὸν “μὴ πολλοῖς ἐμβάλλειν δεξιάν,” τουτέστι μὴ πολλοὺς ποιεῖσθαι φίλους μηδὲ πολύκοινον μηδὲ πάνδημον ἀσπάζεσθαι φιλίαν, καὶ πρὸς ἕν' ἂν τις ᾗ μετὰ πολλῶν παθῶν εἰσιοῦσα, ὣν τὸ μὴ συναγωνιᾶν καὶ συνάχθεσθαι καὶ συμπονεῖν καὶ συγκινδυνεύειν πάνυ δύσοιστον τοῖς ἐλευθέροις καὶ γενναίοις ἐστίν.

Τὸ δὲ τοῦ σοφοῦ Χίλωνος ἀληθές, ὃς πρὸς τὸν εἰπόντα μηδένα ἔχειν ἐχθρόν “ἔοικας,” ἔφη, “σὺ μηδὲ φίλον ἔχειν.” αἱ γὰρ ἔχθραι ταῖς φιλίαις εὐθύς ἐπακολουθοῦσι καὶ συμπλέκονται, [b] ἐπεὶπερ οὐκ ἔστι φίλον μὴ συναδικεῖσθαι μηδὲ συναδοξεῖν μηδὲ συναπεχθάνεσθαι· οἱ γὰρ ἐχθροὶ τὸν φίλον εὐθύς ὑφορῶνται τε καὶ μισοῦσιν, οἱ δὲ φίλοι πολλάκις φθονοῦσί τε καὶ ζηλοτυποῦσι καὶ περισπῶσιν. ὥσπερ οὖν ὁ τῷ Τιμησίᾳ περὶ τῆς ἀποικίας δοθεὶς χρησμὸς προηγόρευσε

οὕτως οἱ φίλων ζητοῦντες ἐσμὸν ἔλαθον ἐχθρῶν σφηκιάς περιπεσόντες.

Καὶ οὐκ ἴσον ἄγει σταθμὸν ἐχθροῦ μνησικακία

καὶ φίλου χάρις. ὅρα δὲ τοὺς Φιλώτου καὶ [c] Παρμενίωνος φίλους καὶ οἰκέλους ἃ διέθηκεν Ἀλέξανδρος, ἃ τοὺς Δίωνος Διονύσιος τοὺς Πλαύτου Νέρων καὶ τοὺς Σηιανοῦ Τιβέριος

στρεβλοῦντες καὶ ἀποκτιννύοντες. ὥς γὰρ τὸν Κρέοντα τῆς θυγατρὸς οὐδὲν ὁ χρυσὸς οὐδ' ὁ πέπλος ὠφέλει, τὸ δὲ πῦρ ἀναφθὲν αἰφνιδίως προσδραμόντα καὶ περιπτύξαντα κατέκαυσε καὶ συναπώλεσεν, οὕτως ἔνιοι τῶν φίλων οὐδὲν ἀπολαύσαντες εὐτυχούντων συναπόλλυνται δυστυχοῦσι. καὶ τοῦτο μάλιστα πάσχουσιν οἱ φιλόσοφοι καὶ χαρίεντες, ὥς Θησεὺς τῷ Πειρίθῳ κολαζομένῳ καὶ δεδεμένῳ

αἰδοῦς ἀχαλκεύτοισιν ἔζευκται πέδαις,

[d] ἐν δὲ τῷ λοιμῷ φησιν ὁ Θουκυδίδης τοὺς ἀρετῆς μάλιστα μεταποιοιμένους συναπόλλυσθαι τοῖς φίλοις νοσοῦσιν· ἠφείδουν γὰρ σφῶν αὐτῶν ἰόντες παρὰ τοὺς ἐπιτηδείους.

Ὅθεν οὕτω τῆς ἀρετῆς ἀφειδεῖν οὐ προσῆκον ἄλλοτ' ἄλλοις συνδέοντας αὐτὴν καὶ συμπλέκοντας, ἀλλὰ τοῖς ἀξίοις τὴν αὐτὴν κοινωνίαν φυλάττειν, τουτέστι τοῖς ὁμοίως φιλεῖν καὶ κοινωνεῖν δυναμένοις. καὶ γὰρ δὴ τοῦτο πάντων μέγιστόν ἐστιν ἐναντίωμα πρὸς τὴν πολυφιλίαν, ὅτι τῇ φιλίᾳ γένεσις δι' ὁμοιότητός ἐστιν. ὅπου γὰρ καὶ τὰ ἄψυχα τὰς μίξεις πρὸς τὰ ἀνόμοια ποιεῖται μετὰ [e] βίας ἀναγκάζόμενα καὶ ὀκλᾷ καὶ ἀγανακτεῖ φεύγοντα ἀπ' ἀλλήλων, τοῖς δὲ συγγενέσι καὶ οἰκείοις ὁμοπαθεῖ κεραννύμενα καὶ προσίεται τὴν κοινωνίαν λείως καὶ μετ' εὐμενείας, πῶς οἶδόν τε φιλίαν ἦθεσι διαφόροις ἐγγενέσθαι καὶ πάθεσιν ἀνομοίοις καὶ βίοις ἐτέρας προαιρέσεις ἔχουσιν; ἡ μὲν γὰρ περὶ ψαλμοὺς καὶ φόρμιγγας ἀρμονία δι' ἀντιφώνων ἔχει τὸ σύμφωνον, ὀξύτησι καὶ βαρύτησιν ἀμωσγέπως ὁμοιότητος ἐγγιγνομένης· τῆς δὲ φιλικῆς συμφωνίας ταύτης καὶ ἀρμονίας οὐδὲν ἀνόμοιον οὐδ' ἀνώμαλον οὐδ' ἄνισον εἶναι δεῖ μέρος, ἀλλ' ἐξ ἀπάντων ὁμοίως ἐχόντων [f] ὁμολογεῖν καὶ ὁμοβουλεῖν καὶ ὁμοδοξεῖν καὶ συνομοπαθεῖν, ὥσπερ μιᾶς ψυχῆς ἐν πλείοσι διηρημένης σώμασι.

Τίς οὖν ἐστὶν οὕτως ἐπίπονος καὶ μετάβολος καὶ παντοδαπὸς ἄνθρωπος, ὥστε πολλοῖς ἑαυτὸν ἐξομοιοῦν καὶ προσαρμόττειν καὶ μὴ καταγελᾶν τοῦ Θεόγνιδος παραινούντος

πολύποδος νόον ἴσχε πολυχρόου, ὃς ποτὶ πέτρῃ,

τῇ περ ὁμιλήσῃ, τοῖος ἰδεῖν ἐφάνη;

καίτοι τοῦ πολύποδος αἱ μεταβολαὶ βάθος οὐκ ἔχουσιν, ἀλλὰ περὶ αὐτὴν γίνονται τὴν ἐπιφάνειαν, στυφότητι καὶ μανότητι τὰς ἀπορροίας τῶν [97] [a] πλησιαζόντων ἀναλαμβάνουσιν· αἱ δὲ φιλίαι τὰ ἦθη ζητοῦσι συνεξομοιοῦν καὶ τὰ πάθη καὶ τοὺς λόγους καὶ τὰ

ἐπιτηδεύματα καὶ τὰς διαθέσεις. Πρωτέως τινὸς οὐκ εὐτυχοῦς οὐδὲ πάνυ χρηστοῦ τὸ ἔργον, ἀλλ' ὑπὸ γοητείας ἑαυτὸν εἰς ἕτερον εἶδος ἐξ ἑτέρου μεταλλάττοντος ἐν ταύτῳ πολλάκις, φιλολόγοις συναναγιγνώσκοντος καὶ παλαισταῖς συγκονιομένου καὶ φιλοθήροις συγκυνηγετοῦντος καὶ φιλοπόταις συμμεθυσκομένου καὶ πολιτικοῖς συναρχαιρεσιάζοντος, ἰδίαν ἥθους ἐστίαν οὐκ ἔχοντος. ὥς δὲ τὴν ἀσχημάτιστον οἱ φυσικοὶ καὶ [b] ἀχρώματον οὐσίαν καὶ ὕλην λέγουσιν ὑποκειμένην καὶ τρεπομένην ὑφ' αὐτῆς νῦν μὲν φλέγεσθαι νῦν δ' ἐξυγραίνεσθαι, τοτὲ δ' ἐξαεροῦσθαι πῆγνυσθαι δ' αὖθις, οὕτως ἄρα τῇ πολυφιλίᾳ ψυχὴν ὑποκεῖσθαι δεήσει πολυπαθῆ καὶ πολύτροπον καὶ ὑγρὰν καὶ ῥαδίαν μεταβάλλειν. ἀλλ' ἡ φιλία στάσιμόν τι ζητεῖ καὶ βέβαιον ἦθος καὶ ἀμετάπτωτον ἐν μιᾷ χώρᾳ καὶ συνηθείᾳ· διὸ καὶ σπάνιον καὶ δυσεύρετόν ἐστι φίλος βέβαιος.

ΠΕΡΙ ΤΥΧΗΣ

[97] Τύχη τὰ θνητῶν πράγματ', οὐκ εὐβουλία.

πότερον οὐδὲ δικαιοσύνη τὰ θνητῶν πράγματα οὐδ' ἰσότης οὐδὲ σωφροσύνη οὐδὲ κοσμιότης, ἀλλ' ἐκ τύχης μὲν καὶ διὰ τύχην Ἀριστείδης ἐνεκαρτέρησε [d] τῇ πενίᾳ, πολλῶν χρημάτων κύριος γενέσθαι δυνάμενος, καὶ Σκιπίων Καρχηδόνα ἐλὼν οὐδὲν οὔτ' ἔλαβεν οὔτ' εἶδε τῶν λαφύρων, ἐκ τύχης δὲ καὶ διὰ τύχην Φιλοκράτης λαβὼν χρυσίον παρὰ Φιλίππου “πόρνας καὶ ἰχθῦς ἡγόραζε,” καὶ Λαοσθένης καὶ Εὐθυκράτης ἀπώλεσαν Ὀλυνθον, “τῇ γαστρὶ μετροῦντες καὶ τοῖς αἰσχίστοις τὴν εὐδαιμονίαν”; ἀπὸ τύχης δ' ὁ μὲν Φιλίππου Ἀλέξανδρος αὐτός τε τῶν αἰχμαλώτων ἀπείχετο γυναικῶν καὶ τοὺς ὑβρίζοντας ἐκόλαζεν, ὁ δὲ Πριάμου daίμονι κακῶ καὶ τύχῃ χρησάμενος συνεκοιμᾶτο τῇ τοῦ ξένου γυναικί, καὶ λαβὼν [e] αὐτὴν ἐνέπλησε πολέμου καὶ κακῶν τὰς δύο ἡπείρους; εἰ γὰρ ταῦτα γίνεται διὰ τύχην, τί κωλύει καὶ τὰς γαλᾶς καὶ τοὺς τράγους καὶ τοὺς πιθήκους συνέχεσθαι φάναι διὰ τύχην ταῖς λιχνείαις καὶ ταῖς ἀκρασίαις καὶ ταῖς βωμολοχίαις;

Εἰ δ' ἔστι σωφροσύνη καὶ δικαιοσύνη καὶ ἀνδρεία, πῶς λόγον ἔχει μὴ εἶναι φρόνησιν, εἰ δὲ φρόνησις, πῶς οὐ καὶ εὐβουλίαν; ἡ γὰρ σωφροσύνη φρόνησίς τίς ἐστιν ὥς φασι, καὶ ἡ δικαιοσύνη τῆς φρονήσεως δεῖται παρούσης· μᾶλλον δὲ τὴν εὐβουλίαν γέ τοι καὶ φρόνησιν ἐν μὲν ἡδοναῖς ἀγαθοὺς παρεχομένην ἐγκράτειαν καὶ σωφροσύνην καλοῦμεν, ἐν δὲ κινδύνοις καὶ πόνοις καρτερίαν καὶ ἀνδραγαθίαν, ἐν δὲ κοινωνήμασι καὶ πολιτείαις εὐνομίαν καὶ δικαιοσύνην. ὅθεν εἰ τὰ τῆς εὐβουλίας [f] ἔργα τῆς τύχης δικαιοῦμεν εἶναι, ἔστω τύχης καὶ τὰ τῆς δικαιοσύνης καὶ τὰ τῆς σωφροσύνης, καὶ νῆ Δία τὸ κλέπτειν τύχης ἔστω καὶ τὸ βαλλαντιστομεῖν καὶ τὸ ἀκολασταίνειν, καὶ μεθέμενοι τῶν οἰκείων λογισμῶν εἰς τὴν τύχην ἑαυτοὺς ἀφῶμεν ὥσπερ ὑπὸ πνεύματος πολλοῦ κονιορτὸν ἢ συρφετὸν ἐλαυνομένους καὶ διαφερομένους. εὐβουλίας τοίνυν μὴ οὔσης οὐδὲ βουλὴν εἰκὸς εἶναι περὶ πραγμάτων οὐδὲ σκέψιν οὐδὲ ζήτησιν τοῦ συμφέροντος, ἀλλ' ἐλήρησεν εἰπὼν ὁ Σοφοκλῆς ὅτι

[98] [a] πᾶν τὸ ζητούμενον

άλωτόν, ἐκφεύγει δὲ τάμελούμενον
καὶ πάλιν αὖ τὰ πράγματα διαιρῶν
τὰ μὲν διδακτὰ μανθάνω, τὰ δ' εὗρετὰ
ζητῶ, τὰ δ' εὐκτὰ παρὰ θεῶν ῥητησάμην.

τί γὰρ εὐρετόν ἢ τί μαθητόν ἐστιν ἀνθρώποις, εἰ πάντα
περαίνεται κατὰ τύχην; ποῖον δ' οὐκ ἀναιρεῖται βουλευτήριον
πόλεως ἢ ποῖον οὐ καταλύεται συνέδριον βασιλέως, εἰ ὑπὸ τῇ
τύχῃ πάντ' ἐστίν, ἣν τυφλὴν λοιδοροῦμεν, ὡς τυφλοὶ
περιπίπτοντες [b] αὐτῇ; τί δ' οὐ μέλλομεν, ὅταν ὥσπερ ὄμματα τὴν
εὐβουλίαν ἐκκόψαντες αὐτῶν τοῦ βίου τυφλὴν χειραγωγὸν
λαμβάνωμεν;

Καίτοι φέρε λέγειν τινὰ ἡμῶν ὡς τύχη τὰ τῶν βλεπόντων
πράγματα, οὐκ ὄψις οὐδ' “ὄμματα φωσφόρα,” φησὶ Πλάτων, καὶ
τύχη τὰ τῶν ἀκουόντων, οὐ δύναμις ἀντιληπτικὴ πληγῆς ἀέρος δι'
ὥτος καὶ ἐγκεφάλου προσφερομένης· καλὸν ἦν, ὡς ἔοικεν,
εὐλαβεῖσθαι τὴν αἴσθησιν. ἀλλὰ μὴν τὴν ὄψιν καὶ ἀκοὴν καὶ
γεῦσιν καὶ ὄσφρησιν καὶ τὰ λοιπὰ μέρη τοῦ σώματος τάς τε

ἤνεγκεν ἡμῖν, καὶ

“νοῦς ὁρῇ καὶ νοῦς ἀκούει, τᾶλλα” δὲ “κωφὰ
καὶ τυφλά.”

καὶ ὥσπερ ἡλίου μὴ ὄντος ἔνεκα τῶν ἄλλων ἄστρον εὐφρόνην
ἂν ἤγομεν, ὡς φησιν Ἡράκλειτος, οὕτως ἔνεκα τῶν αἰσθήσεων, εἰ
μὴ νοῦν μηδὲ λόγον ὁ ἄνθρωπος ἔσχεν, οὐδὲν ἂν διέφερε τῷ βίῳ
τῶν θηρίων. νῦν δ' οὐκ ἀπὸ τύχης οὐδ' αὐτομάτως περίεσμεν

κατορθοῦντα γράφειν τε πολλάκις καὶ ἐξαλείφειν, τέλος δ' ὑπ' ὀργῆς προσβαλεῖν τῷ πίνακι τὸν σπόγγον ὥσπερ εἶχε τῶν φαρμάκων ἀνάπλεων, τὸν δὲ προσπεσόντα θαυμαστῶς ἐναπομάξαι καὶ ποιῆσαι τὸ δέον. τοῦτ' ἔντεχνον τύχης μόνον ἱστορεῖται. κανόσι καὶ σταθμαῖς καὶ μέτροις καὶ ἀριθμοῖς πανταχοῦ χρῶνται, ἵνα μηδαμοῦ [c] τὸ εἰκῇ καὶ ὥς ἔτυχε τοῖς ἔργοις ἐγγένηται. καὶ μὴν αἱ τέχναι μικραὶ τινες εἶναι λέγονται φρονήσεις, μᾶλλον δ' ἀπόρροιαι φρονήσεως καὶ ἀποτρίμματα ἐνδiesπαρμένα ταῖς χρεῖαις περὶ τὸν βίον, ὥσπερ αἰνίττεται τὸ πῦρ ὑπὸ τοῦ Προμηθέως μερισθὲν ἄλλο ἄλλῃ διασπαρῆναι. καὶ γὰρ τῆς φρονήσεως μόρια καὶ σπάσματα μικρὰ θραυομένης καὶ κατακερματιζομένης εἰς τάξεις κεχώρηκε.

De virtute et vitio

ΠΕΡΙ ΑΡΕΤΗΣ ΚΑΙ ΚΑΚΙΑΣ

[100] Τὰ ἱμάτια δοκεῖ θερμαίνειν τὸν ἄνθρωπον, οὐκ αὐτὰ δήπου θερμαίνοντα καὶ προσβάλλοντα τὴν θερμότητα (καθ' ἑαυτὸ γὰρ ἕκαστον αὐτῶν ψυχρόν ἐστιν, ἧ καὶ πολλάκις καυματιζόμενοι καὶ πυρέττοντες [c] ἐξ ἐτέρων ἕτερα μεταλαμβάνουσιν), ἀλλ' ἦν ὁ ἄνθρωπος ἀναδίδωσιν ἐξ ἑαυτοῦ θερμότητα, ταύτην ἢ ἐσθῆς τῷ σώματι προσπεσοῦσα συνέχει καὶ περιστέλλει, καὶ καθειργνυμένην εἰς τὸ σῶμα οὐκ ἐᾷ πάλιν σκεδάννυσθαι. ταῦτ' οὖν τοῖς πράγμασιν ὑπάρχον ἐξαπατᾷ τοὺς πολλοὺς, ὥς, ἂν οἰκίας μεγάλας περιβάλονται καὶ πλῆθος ἀνδραπόδων καὶ χρημάτων συναγάγωσιν, ἡδέως βιωσόμενους. τὸ δ' ἡδέως ζῆν καὶ ἱλαρῶς οὐκ ἔξωθέν ἐστιν, ἀλλὰ τούναντίον ὁ ἄνθρωπος τοῖς περὶ αὐτὸν πράγμασιν ἡδονὴν καὶ χάριν ὥσπερ ἐκ πηγῆς τοῦ ἡθους προστίθῃσιν.

[d] αἰθομένου δὲ πυρὸς γεραρώτερος οἶκος ἰδέσθαι, καὶ πλοῦτος ἡδίων καὶ δόξα λαμπροτέρα καὶ δύναμις, ἂν τὸ ἀπὸ τῆς ψυχῆς ἔχη γῆθος· ὅπου καὶ πενίαν καὶ φυγὴν καὶ γῆρας ἐλαφρῶς καὶ προσηνῶς πρὸς εὐκολίαν καὶ πραότητα τρόπου φέρουσιν.

Ὡς γὰρ ἀρώματα τρίβοντας εὐώδεις καὶ ῥάκια ποιεῖ, τοῦ δ' Ἀγχίσου τὸ σῶμα ἰχῶρα πονηρὸν ἐξεδίδου

νώτου καταστάζοντα βύσσινον φάρος,

οὕτω μετ' ἀρετῆς καὶ δίαίτα πᾶσα καὶ βίος ἄλυστος ἐστὶ καὶ ἐπιτερπής, ἢ δὲ κακία καὶ τὰ λαμπρὰ [e] φαινόμενα καὶ πολυτελῆ καὶ σεμνὰ μιννυμένη λυπηρὰ καὶ ναυτιώδη καὶ δυσπρόσδεκτα παρέχει τοῖς κεκτημένοις.

οὗτος μακάριος ἐν ἀγορᾷ νομίζεται·

ἐπὰν δ' ἀνοίξῃ τὰς θύρας, τρισάθλιος,

γυνὴ κρατεῖ πάντων, ἐπιτάττει, μάχετ' αἰεί·

καίτοι γυναικὸς οὐ χαλεπῶς ἂν τις ἀπαλλαγείη πονηρᾶς ἀνὴρ ὢν, μὴ ἀνδράποδον· πρὸς δὲ τὴν ἑαυτοῦ κακίαν οὐκ ἔστι γραφάμενον ἀπόλειψιν ἤδη πραγμάτων ἀφεῖσθαι καὶ ἀναπαύεσθαι γενόμενον καθ' αὐτόν, ἀλλ' αἰεὶ συνοικοῦσα τοῖς σπλάγχνοις καὶ προσπεφυκυῖα νύκτωρ καὶ μεθ' ἡμέραν

εὖναι ἄτερ δαλοῖο καὶ ὠμῶ γῆραϊ δῶκεν,

σύνδειπνος ὑπὸ λιχνείας καὶ σύγκοιτος ὀδυνηρά, φροντίσι καὶ μερίμναις καὶ ζηλοτυπίαις ἐκκόπτουσα τὸν ὕπνον καὶ διαφθείρουσα. καὶ γὰρ ὁ καθεύδουσι τοῦ σώματος ὕπνος ἐστὶ καὶ ἀνάπαυσις, τῆς δὲ ψυχῆς πτοῖαι καὶ ὄνειροι καὶ ταραχαὶ διὰ δεισιδαιμονίαν.

ὅταν δὲ νυστάζοντά μ' ἡ λύπη λάβῃ,
ἀπόλλυμ' ὑπὸ τῶν ἐνυπνίων

φησί τις· οὕτω δὲ καὶ φθόνος καὶ φόβος καὶ θυμὸς καὶ ἀκολασία διατίθησι. μεθ' ἡμέραν μὲν γὰρ ἔξω βλέπουσα καὶ συσχηματιζομένη πρὸς [101] [a] ἐτέρους ἢ κακία δυσωπεῖται καὶ παρακαλύπτει τὰ πάθη, καὶ οὐ παντάπασι ταῖς ὁρμαῖς ἐκδίδωσιν ἑαυτήν ἀλλ' ἀντιτείνει καὶ μάχεται πολλάκις· ἐν δὲ τοῖς ὕπνοις ἀποφυγοῦσα δόξας καὶ νόμους καὶ πορρωτάτω γενομένη τοῦ δεδιέναι τε καὶ αἰδεῖσθαι, πᾶσαν ἐπιθυμίαν κινεῖ καὶ ἐπανεγείρει τὸ κακὴν καὶ ἀκόλαστον. “μητρί τε γὰρ ἐπιχειρεῖ μίγνυσθαι,” ὥς φησιν ὁ Πλάτων, καὶ βρώσεις ἀθέσμους προσφέρεται καὶ πράξεως οὐδεμιᾶς ἀπέχεται, ἀπολαύουσα τοῦ παρανομεῖν ὥς ἀνυστόν ἐστιν εἰδώλοις καὶ φάσμασιν εἰς οὐδεμίαν ἡδονὴν οὐδὲ τελείωσιν τοῦ ἐπιθυμοῦντος τελευτῶσιν, [b] ἀλλὰ κινεῖν μόνον καὶ διαγριαίνειν τὰ πάθη καὶ τὰ νοσήματα δυναμένοις.

Ποῦ τοίνυν τὸ ἡδὺ τῆς κακίας ἐστίν, εἰ μηδαμοῦ τὸ ἀμέριμνον καὶ τὸ ἄλυπον μηδ' αὐτάρκεια μηδ' ἀταραξία μηδ' ἡσυχία; ταῖς μὲν γὰρ τῆς σαρκὸς ἡδοναῖς ἢ τοῦ σώματος εὐκρασία καὶ ὑγίεια χώραν καὶ γένεσιν δίδωσι· τῇ δὲ ψυχῇ οὐκ ἔστιν ἐγγενέσθαι γῆθος οὐδὲ χαρὰν βέβαιον, ἂν μὴ τὸ εὖθυμον καὶ ἄφοβον καὶ θαρραλέον ὥσπερ ἔδραν ἢ γαλήνην ἄκλυστον ὑποβάληται, ἀλλὰ κἂν ὑπομειδιάσῃ τις ἐλπίς ἢ τέρψις, αὕτη ταχὺ φροντίδος ἐκραγείσης ὥσπερ ἐν εὐδία σπιλάδος συνεχύθη καὶ συνεταράχθη.

[c] Ἄθροιζε χρυσίον, σύναγε ἀργύριον, οἰκοδόμει περιπάτους, ἔμπλησον ἀνδραπόδων τὴν οἰκίαν καὶ χρεωστῶν τὴν πόλιν· ἂν μὴ τὰ πάθη τῆς ψυχῆς καταστορέσης καὶ τὴν ἀπληστίαν παύσης καὶ φόβων καὶ φροντίδων ἀπαλλάξης σαυτόν, οἶνον διηθεῖς πυρέττοντι καὶ χολικῶ μέλι προσφέρεις καὶ σιτία καὶ ὄψα κοιλιακοῖς ἐτοιμάζεις καὶ δυσεντερικοῖς, μὴ στέγουσι μηδὲ ῥωννυμένοις ἀλλὰ προσδιαφθειρομένοις ὑπ' αὐτῶν. οὐχ ὁρᾷς τοὺς νοσοῦντας ὅτι τῶν βρωμάτων τὰ καθαριώτατα καὶ πολυτελέστατα δυσχεραίνουν καὶ διαπτύουσι [d] καὶ παραιτοῦνται προσφερόντων καὶ

βιαζομένων, εἴτα, τῆς κράσεως μεταβαλοῦσης καὶ πνεύματος χρηστοῦ καὶ γλυκέος αἵματος ἐγγενομένου καὶ θερμότητος οἰκείας, ἀναστάντες ἄρτον λιτὸν ἐπὶ τυρῷ καὶ καρδάμῳ χαίρουσι καὶ ἀσμενίζουσιν ἐσθίοντες; τοιαύτην ὁ λόγος ἐμποιεῖ τῇ ψυχῇ διάθεσιν. αὐτάρκης ἔση, ἂν μάθῃς τί τὸ καλὸν καγαθὸν ἐστὶ· τρυφήσεις ἐν πενίᾳ καὶ βασιλεύσεις καὶ τὸν ἀπράγμονα βίον καὶ ἰδιώτην οὐδὲν ἤττον ἀγαπήσεις ἢ τὸν ἐπὶ στρατηγίαις καὶ ἡγεμονίαις· οὐ βιώσῃ φιλοσοφήσας ἀηδῶς, ἀλλὰ πανταχοῦ ζῆν ἡδέως μαθήσῃ καὶ ἀπὸ πάντων· εὐφρανεῖ σε [e] πλοῦτος πολλοὺς εὐεργετοῦντα καὶ πενία πολλὰ μὴ μεριμνῶντα καὶ δόξα τιμώμενον καὶ ἀδοξία μὴ φθονούμενον.

Consolatio ad Apollonium

ΠΑΡΑΜΥΘΗΤΙΚΟΣ ΠΡΟΣ ΑΠΟΛΛΩΝΙΟΝ

[101] Καὶ πάλαι σοι συνήλγησα καὶ συνηχέσθην, Ἀπολλώνιε, ἀκούσας περὶ τῆς τοῦ προσφιλεστάτου πατρὸς ἡμῶν υἱοῦ σου προώρου μεταλλαγῆς τοῦ βίου, νεανίσκου κοσμίῳ πάνυ καὶ σώφρονος καὶ διαφερόντως τὰ τε πρὸς θεοὺς καὶ τὰ πρὸς γονεῖς [102] [a] καὶ φίλους ὅσια καὶ δίκαια διαφυλάξαντος. τότε μὲν οὖν ὑπὸ τὸν τῆς τελευτῆς καιρὸν ἐντυχάνειν σοι καὶ παρακαλεῖν ἀνθρωπίνως φέρειν τὸ συμβεβηκὸς ἀνοίκειον ἦν, παρειμένῳ τό τε σῶμα καὶ τὴν ψυχὴν ὑπὸ τῆς παραλόγου συμφορᾶς, καὶ συμπαθεῖν δ' ἦν ἀναγκαῖον· οὐδὲ γὰρ οἱ βέλτιστοι τῶν ἱατρῶν πρὸς τὰς ἀθρόας τῶν ῥευμάτων ἐπιφορὰς εὐθὺς προσφέρουσι τὰς διὰ τῶν φαρμάκων βοήθειας, ἀλλ' ἐῷσι τὸ βαρὺνον τῆς φλεγμονῆς δίχα τῆς τῶν ἔξωθεν περιχρίστων ἐπιθέσεως αὐτὸ δι' αὐτοῦ λαβεῖν πέψιν.

Ἐπειδὴ οὖν καὶ χρόνος ὁ πάντα πεπαίνειν [b] εἰωθὼς ἐγγέγονε τῇ συμφορᾷ καὶ ἡ περὶ σὲ διάθεσις ἀπαιτεῖν ἔοικε τὴν παρὰ τῶν φίλων βοήθειαν, καλῶς ἔχειν ὑπέλαβον τῶν παραμυθητικῶν σοι μεταδοῦναι λόγων πρὸς ἄνεσιν τῆς λύπης καὶ παῦλαν τῶν πενθικῶν καὶ ματαίων ὁδουμῶν.

“ψυχῆς” γὰρ “νοσοῦσης εἰσὶν ἱατροὶ λόγοι,
ὅταν τις ἐν καιρῷ γε μαλθάσῃ κέαρ.”

κατὰ γὰρ τὸν σοφὸν Εὐριπίδην

ἄλλο δέ γ' ἐπ' ἄλλῃ φάρμακον κεῖται νόσῳ·

λυπουμένῳ μὲν μῦθος εὐμενῆς φίλων,

ἄγαν δὲ μωραίνοντι νοθετήματα.

[c]πολλῶν γὰρ ὄντων ψυχικῶν παθῶν, ἡ λύπη τὸ χαλεπώτατον πέφυκεν εἶναι πάντων·

“διὰ λύπην γάρ,” φασί, “καὶ μανίαν γίγνεσθαι

πολλοῖσι καὶ νοσήματ' οὐκ ἰάσιμα,

αὐτοὺς τ' ἀνηρήκασι διὰ λύπην τινές.”

Τὸ μὲν οὖν ἀλγεῖν καὶ δάκνεσθαι τελευτήσαντος υἱοῦ φυσικὴν ἔχει τὴν ἀρχὴν τῆς λύπης, καὶ οὐκ ἔφ' ἡμῖν. οὐ γὰρ ἔγωγε συμφέρομαι τοῖς ὑμνοῦσι τὴν ἄγριον καὶ σκληρὰν ἀπάθειαν, ἔξω καὶ τοῦ δυνατοῦ καὶ τοῦ συμφέροντος οὔσαν· ἀφαιρήσεται γὰρ

ἡμῶν αὕτη τὴν ἐκ τοῦ φιλεῖσθαι [d] καὶ φιλεῖν εὖνοϊαν, ἣν παντὸς μάλλον διασώζειν ἀναγκαῖον. τὸ δὲ πέρα τοῦ μέτρου παρεκφέρεσθαι καὶ συναύξειν τὰ πένθη παρὰ φύσιν εἶναί φημι καὶ ὑπὸ τῆς ἐν ἡμῖν φαύλης γίγνεσθαι δόξης. διὸ καὶ τοῦτο μὲν ἑατέον ὡς βλαβερὸν καὶ φαῦλον καὶ σπουδαίοις ἀνδράσιν ἥκιστα πρέπον, τὴν δὲ μετριοπάθειαν οὐκ ἀποδοκιμαστέον. “μὴ γὰρ νοσοῖμεν” φησὶν ὁ ἀκαδημαῖκος Κράντωρ, “νοσήσασι δὲ παρείη τις αἰσθησις, εἴτ’ οὖν τέμνοιτό τι τῶν ἡμετέρων εἴτ’ ἀποσπῶτο.” τὸ γὰρ ἀνώδυνον τοῦτ’ οὐκ ἄνευ μεγάλων ἐγγίγνεται μισθῶν τῷ ἀνθρώπῳ· τεθηριῶσθαι γὰρ εἰκὸς ἐκεῖ μὲν σῶμα [e] τοιοῦτον ἐνταῦθα δὲ ψυχὴν.

Οὐτ’ οὖν ἀπαθεῖς ἐπὶ τῶν τοιούτων συμφορῶν ὁ λόγος ἀξιοῖ γίγνεσθαι τοὺς εὖ φρονοῦντας οὔτε δυσπαθεῖς· τὸ μὲν γὰρ ἄτεγκτον καὶ θηριῶδες, τὸ δ’ ἐκλελυμένον καὶ γυναικοπρεπές. εὐλόγιστος δ’ ὁ τὸν οἰκεῖον ὄρον ἔχων καὶ δυνάμενος φέρειν δεξιῶς τὰ τε προσηνῆ καὶ τὰ λυπηρὰ τῶν ἐν τῷ βίῳ συμβαινόντων, καὶ προειληφώς ὅτι καθάπερ ἐν δημοκρατίᾳ κλῆρὸς ἐστὶ τῶν ἀρχῶν καὶ δεῖ λαχόντα μὲν ἄρχειν ἀπολαχόντα δὲ φέρειν ἀνεπαχθῶς τὴν τύχην, οὕτω καὶ τῇ διανομῇ τῶν πραγμάτων ἀνεγκλήτως καὶ πειθηνίως ἔπεσθαι. τοῦτο γὰρ οἱ μὴ δυνάμενοι ποιεῖν οὐδὲ τὰς εὐπραγίας [f] ἂν ἐμφρόνως φέρειν δύναιτο καὶ μετρίως.

Τῶν μὲν γὰρ καλῶς λεγομένων ἐστὶν ἐν ὑποθήκης μέρει καὶ τοῦτο,

μηδ’ εὐτύχημα μηδὲν ᾧδ’ ἔστω μέγα,
ὅ σ’ ἐξεπαρεῖ μεῖζον ἢ χρεῶν φρονεῖν,
μηδ’ ἂν τι συμβῇ δυσχερές, δουλοῦ πάλιν,
ἀλλ’ αὐτὸς αἰεὶ μίμνε, τὴν σαυτοῦ φύσιν
σώζων βεβαίως, ὥστε χρυσὸς ἐν πυρί.

παιδευμένων δ’ ἐστὶ καὶ σωφρόνων ἀνδρῶν πρὸς [103] [a] τε τὰς δοκούσας εὐτυχίας τὸν αὐτὸν εἶναι, καὶ πρὸς τὰς ἀτυχίας φυλάξαι γενναίως τὸ πρέπον. τῆς γὰρ εὐλογιστίας ἔργον ἐστὶν ἢ φυλάξασθαι τὸ κακὸν ἐπιφερόμενον ἢ διορθώσασθαι γενόμενον ἢ συστεῖλαι πρὸς τὸ βραχύτατον ἢ παρασκευάζειν αὐτῷ τὴν ὑπομονὴν ἄρρενα καὶ γενναίαν. καὶ γὰρ περὶ τάγαθον ἢ φρόνησις πραγματεύεται τετραχῶς, ἢ κτωμένα τάγαθα ἢ φυλάττουσα ἢ αὔξουσα ἢ χρωμένα δεξιῶς. οὗτοι τῆς φρονήσεως καὶ τῶν ἄλλων

ἀρετῶν εἰσι κανόνες, οἷς πρὸς ἀμφοτέρα χρηστέον.

[b] “οὐκ ἔστιν” γὰρ “ὅστις πάντ’ ἀνὴρ εὐδαιμονεῖ”
καὶ νῆ Δία

τό τοι χρεὼν οὐκ ἔστι μὴ χρεὼν ποιεῖν.

Ὡσπερ γὰρ ἐν φυτοῖς ποτὲ μὲν πολυκαρπίαί γίγνονται ποτὲ δ’
ἀκαρπίαί, καὶ ἐν ζῴοις ποτὲ μὲν πολυγονίαί ποτὲ δὲ καὶ ἀγονίαί,
καὶ ἐν θαλάττῃ εὐδίαί τε καὶ χειμῶνες, οὕτω καὶ ἐν βίῳ πολλαὶ καὶ
ποικίλαι περιστάσεις γιγνόμεναι πρὸς τὰς ἐναντίας περιάγουσι τοὺς
ἀνθρώπους τύχας. εἰς ἃς διαβλέψας ἂν τις οὐκ ἀπεικότως εἴποι,
οὐκ ἐπὶ πᾶσιν σ’ ἐφύτευς ἀγαθοῖς,

[c] Ἀγάμεμνον, Ἄτρεϋς.

δεῖ δέ σε χαίρειν καὶ λυπεῖσθαι·

θνητὸς γὰρ ἔφυς. κἂν μὴ σὺ θέλῃς,

καὶ μάλα δικαίως· ἀσθενέστατον γὰρ ὄν

ὅταν πέσῃ δέ, πλεῖστα συντρίβει καλὰ.

σὺ δ’ οὕθ’ ὑπερβάλλοντα, τρόφιμ’, ἀπώλεσας

[e] ἀγαθὰ, τὰ νυνὶ τ’ ἐστὶ μέτριά σοι κακὰ.

ὥστ’ ἀνὰ μέσον που καὶ τὸ λοιπὸν ὄν φέρε.

ἀλλ’ ὅμως τοιούτων ὄντων τῶν πραγμάτων ἔνιοι διὰ τὴν
ἀφροσύνην οὕτως εἰσὶν ἀβέλτεροι καὶ κενανχεῖς, ὥστε μικρὸν
ἐπαρθέντες ἢ διὰ χρημάτων περιουσίαν ἀφθονον ἢ διὰ μέγεθος

“τροχοῦ” γὰρ “περιστεύχοντος ἄλλοθ’ ἡτέρα
ἀψὶς ὑπερθε γίγνεται’ ἄλλοθ’ ἡτέρα.”

Κράτιστον δὴ πρὸς ἀλυπίαν φάρμακον ὁ λόγος καὶ ἡ διὰ τούτου παρασκευὴ πρὸς πάσας τοῦ βίου τὰς μεταβολάς. χρή γὰρ οὐ μόνον ἑαυτὸν εἰδέναι θνητὸν ὄντα τὴν φύσιν, ἀλλὰ καὶ ὅτι θνητῷ σύγκληρός ἐστι βίῳ καὶ πράγμασι ῥαδίως μεθισταμένοις [104] [a] πρὸς τοῦναντίον. ἀνθρώπων γὰρ ὄντως θνητὰ μὲν καὶ ἐφήμερα τὰ σώματα, θνηταὶ δὲ τύχαι καὶ πάθη καὶ πάνθ’ ἀπλῶς τὰ κατὰ τὸν βίον, ἅπερ

ἄνθρωπος

ἐμφαντικῶς σφόδρα καὶ φιλοτέχνως ὑπερβολῇ χρησάμενος τὸν τῶν ἀνθρώπων βίον ἐδήλωσε. τί γὰρ σκιᾶς ἀσθενέστερον; τὸ δὲ ταύτης ὄναρ οὐδ’ [c] ἂν ἐκφράσαι τις ἕτερος δυνηθείη σαφῶς. τούτοις δ’ ἐπόμενος καὶ ὁ Κράντωρ παραμυθούμενος ἐπὶ τῇ τῶν τέκνων τελευτῇ τὸν Ἰπποκλέα φησί· “ταῦτα γὰρ πᾶσα αὕτη ἡ

ἀρχαία φιλοσοφία λέγει τε καὶ παρακελεύεται. ὦν εἰ δὴ τι ἄλλο μὴ ἀποδεχόμεθα, τό γε πολλαχῇ εἶναι ἐργώδη καὶ δύσκολον τὸν βίον ἄγαν ἀληθές. καὶ γὰρ εἰ μὴ φύσει τοῦτον ἔχει τὸν τρόπον, ὑπὸ γ' ἡμῶν εἰς τοῦτ' ἀφίκται διαφθορᾶς. ἢ τ' ἄδηλος αὕτη τύχη πόρρωθεν ἡμῖν καὶ ἔτ' ἀπ' ἀρχῆς ἠκολούθηκεν οὐδ' ἐφ' ἐνὶ ὕγιῃ, φυομένοις τε μίγνυταί τις ἐν πᾶσι κακοῦ μοῖρα· τὰ γάρ τοι σπέρματα εὐθύς θνητὰ ὄντα ταύτης κοινωνεῖ τῆς αἰτίας, ἐξ ἧς ἀφυῖα μὲν ψυχῆς, νόσοι τε καὶ κήδεα καὶ μοῖρα θνητῶν ἐκεῖθεν ἡμῖν ἔρπει.”

[d] Τοῦ δὴ χάριν ἐτραπόμεθα δεῦρο; ἴν' εἰδείμεν ὅτι καινὸν ἀτυχεῖν οὐδὲν ἀνθρώπῳ ἀλλὰ πάντες ταὐτὸ πεπόνθαμεν. “ἄσκοπος γὰρ ἡ τύχη,” φησὶν ὁ Θεόφραστος, “καὶ δεινὴ παρελῆσθαι τὰ προπεπονημένα καὶ μεταρρίψαι τὴν δοκοῦσαν εὐημερίαν, οὐδένα καιρὸν ἔχουσα τακτόν.” ταῦτα δὲ καὶ ἄλλα τοιαῦτα καὶ καθ' ἑαυτὸν ἐκάστω λογίσασθαι ῥάδιον, καὶ ἄλλων ἀκοῦσαι παλαιῶν καὶ σοφῶν ἀνδρῶν· ὦν πρῶτος μὲν ἐστὶν ὁ θεῖος Ὅμηρος, εἰπών,

οὐ μὲν γάρ ποτέ φησι κακὸν πείσεσθαι ὀπίσω,

[f] ταύτῃ δ' ὅτι καλῶς ἐχρήσατο τῇ εἰκόνι τοῦ ἀνθρωπείου βίου

[105] [a] Σιμωνίδης δ' ὁ τῶν μελῶν ποιητής, Πausανίου τοῦ βασιλέως τῶν Λακεδαιμονίων μεγαλαυχουμένου συνεχῶς ἐπὶ ταῖς αὐτοῦ πράξεσι καὶ κελεύοντος ἀπαγγεῖλαι τι αὐτῷ σοφὸν μετὰ χλευασμοῦ, συνεῖς αὐτοῦ τὴν ὑπερηφανίαν συνεβούλευε μεμνησθαι ὅτι ἄνθρωπός ἐστι.

Φίλιππος δ' ὁ τῶν Μακεδόνων βασιλεὺς τριῶν αὐτῷ προσαγγελθέντων εὐτυχημάτων ὑφ' ἓνα καιρόν, πρώτου μὲν ὅτι τεθρίπῳ νενίκηκεν Ὀλύμπια, δευτέρου δ' ὅτι Παρμενίων ὁ στρατηγὸς μάχῃ [b] Δαρδανεῖς ἐνίκησε, τρίτου δ' ὅτι ἄρρεν αὐτῷ παιδίον ἐκύησεν Ὀλυμπιάς, ἀνατείνας εἰς τὸν οὐρανὸν τὰς χεῖρας “ὦ δαῖμον,” εἶπε, “μέτριόν τι τοῦτοις ἀντίθες ἐλάττωμα,” εἰδὼς ὅτι τοῖς μεγάλοις εὐτυχίμασι φθονεῖν πέφυκεν ἡ τύχη.

Θηραμένης δ' ὁ γενόμενος Ἀθήνησι τῶν τριάκοντα τυράννων, συμπεσοῦσης τῆς οἰκίας ἐν ᾗ μετὰ πλειόνων ἐδείπνει, μόνος σωθεὶς καὶ πρὸς πάντων εὐδαιμονιζόμενος, ἀναφωνήσας μεγάλη τῇ φωνῇ, “ὦ τύχη,” εἶπεν, “εἰς τίνα με καιρὸν ἄρα φυλάττεις;” μετ' οὐ πολὺν δὲ χρόνον καταστρεβλωθεὶς ὑπὸ τῶν συντυράννων ἐτελεύτησεν.

Ὑπερφυῶς δὲ φαίνεται περὶ τὴν παραμυθίαν [c] ὁ ποιητὴς εὐδοκιμεῖν, ποιήσας τὸν Ἀχιλλέα λέγοντα πρὸς τὸν Πρίαμον ἥκοντα ἐπὶ λύτρα τοῦ Ἑκτορος ταυτί·

ἀλλ' ἄγε δὴ κατ' ἄρ' ἔξευ ἐπὶ θρόνου, ἄλγεα δ' ἔμπηξ

οὐ γάρ τις πρῆξις πέλεται κρυεροῖο γόοιο.

ὥς γὰρ ἐπεκλώσαντο θεοὶ δειλοῖσι βροτοῖσι,

ὦ δέ κε τῶν λυγρῶν δώῃ, λωβητὸν ἔθηκε

καὶ ἐ κακῇ βούβρωστις ἐπὶ χθόνα διὰν ἐλαύνει,

φοιτᾷ δ' οὔτε θεοῖσι τετιμένος οὔτε βροτοῖσιν.

Ὁ δὲ μετὰ τοῦτον καὶ τῇ δόξῃ καὶ τῷ χρόνῳ, καίτοι τῶν Μουσῶν ἀναγορεύων ἑαυτὸν μαθητὴν Ἡσίοδος, καὶ οὗτος ἐν πίθῳ καθεῖρξας τὰ κακά, τὴν Πανδώραν ἀνοίξασαν ἀποφαίνει σκεδάσαι τὸ πλῆθος ἐπὶ πᾶσαν γῆν καὶ θάλατταν, λέγων ὧδε·

ἀλλὰ γυνὴ χεῖρεσσι πίθου μέγα πῶμ' ἀφελοῦσα

μούνῃ δ' αὐτόθι Ἑλπίς ἐν ἀρρήκτοισι δόμοισιν
ἔνδον ἔμεινε πίθου ὑπὸ χεῖλεσιν, οὐδὲ θύραζε
ἐξέπτη· πρόσθεν γὰρ ἐπέλλαβε πῶμα πίθοιο.
ἄλλα δὲ μυρία λυγρὰ κατ' ἀνθρώπους ἀλάληται.
πλείῃ μὲν γὰρ γαῖα κακῶν, πλείῃ δὲ θάλασσα.

[f] Ἀπηρτημένως δὲ τούτοις ὁ κωμικὸς ἐπὶ τῶν δυσπαθόντων
ἐπὶ ταῖς τοιαύταις συμφοραῖς ταυτὶ λέγει·

εἰ τὰ δάκρυ' ἡμῖν τῶν κακῶν ἦν φάρμακον,
αἰεὶ θ' ὁ κλαύσας τοῦ πονεῖν ἐπαύετο,
ἡλλαττόμεσθ' ἂν δάκρυα, δόντες χρυσίον.
νῦν δ' οὐ προσέχει τὰ πράγματα' οὐδ' ἀποβλέπει
εἰς ταῦτα, δέσποτ', ἀλλὰ τὴν αὐτὴν ὁδόν,
ἔάν τε κλάῃς ἂν τε μή, πορεύεται.

τί οὖν πλέον ποιοῦμεν; οὐδέν· ἡ λύπη δ' ἔχει

[106] [a] ὥσπερ τὰ δένδρα ταῦτα καρπὸν τὰ δάκρυα.

ὁ δὲ παραμυθούμενος τὴν Δανάην δυσπαθοῦσαν Δίκτυς φησί·
δοκεῖς τὸν Ἄϊδην σῶν τι φροντίζειν γόων
καὶ παῖδ' ἀνήσειν τὸν σόν, εἰ θέλοις στένειν;
παῦσαι· βλέπουσα δ' εἰς τὰ τῶν πέλας κακὰ
ῥάων γένοι' ἂν, εἰ λογίζεσθαι θέλοις

ὅσοι τε γηράσκουσιν ὄρφανοὶ τέκνων,

κελεύει γὰρ αὐτὴν ἐνθυμεῖσθαι τὰ τῶν ἴσα καὶ μείζω
δυστυχοῦντων, ὡς ἐσομένην ἐλαφροτέραν.

Ἐνταῦθα γὰρ ἂν τις ἐλκύσειε καὶ τὴν τοῦ Σωκράτους φωνήν,
τὴν οἰομένην, εἰ συνεισενέγκαιμεν εἰς τὸ κοινὸν τὰς ἀτυχίας, ὥστε
διελέσθαι τὸ ἴσον ἕκαστον, ἀσμένως ἂν τοὺς πλείους τὰς αὐτῶν
λαβόντας ἀπελθεῖν.

Ἐχρήσατο δὲ τῇ τοιαύτῃ ἀγωγῇ καὶ Ἀντίμαχος ὁ ποιητής.
ἀποθανούσης γὰρ τῆς γυναικὸς αὐτῷ Λύδης, πρὸς ἣν

φιλοστόργως εἶχε, παραμύθιον τῆς λύπης αὐτῷ ἐποίησε τὴν ἐλεγείαν τὴν καλουμένην [c] Λύδην, ἐξαριθμησάμενος τὰς ἡρωικὰς συμφοράς, τοῖς ἀλλοτρίοις κακοῖς ἐλάττω τὴν ἑαυτοῦ ποιῶν λύπην. ὥστε καταφανὲς εἶναι ὅτι ὁ παραμυθούμενος τὸν λελυπημένον καὶ δεικνύων κοινὸν καὶ πολλῶν τὸ συμβεβηκὸς καὶ τῶν καὶ ἑτέροις συμβεβηκότων ἔλαττον τὴν δόξαν τοῦ λελυπημένου μεθίστησι καὶ τοιαύτην τινὰ ποιεῖ πίστιν αὐτῷ, ὅτι ἔλαττον ἢ ἡλίκον ὦετο τὸ συμβεβηκὸς εἶσιν.

Ὁ δ' Αἰσχύλος καλῶς ἔοικεν ἐπιπλήττειν τοῖς νομίζουσι τὸν θάνατον εἶναι κακόν, λέγων ὧδε·

[c] δοκῶ μὲν οὕ· πόθεν γάρ; ἄλλ' ἄκουέ μου.

βροτοῖς ἅπασιν καταθανεῖν ὀφείλεται,

κοῦκ ἔστιν αὐτῶν ὅστις ἐξεπίσταται

τὴν αὔριον μέλλουσιν εἰ βιώσεται.

τὸ τῆς τύχης γὰρ ἀφανὲς οἷ προβήσεται.

τοιοῦτου δὴ τοῦ βίου τῶν ἀνθρώπων ὄντος οἷον οὕτοί φασι, πῶς οὐκ εὐδαιμονίζειν μᾶλλον προσήκει τοὺς ἀπολυθέντας τῆς ἐν αὐτῷ λατρείας ἢ κατοικτίζειν τε καὶ θρηγεῖν, ὅπερ οἱ πολλοὶ δρῶσι δι' ἀμαθίαν;

[d] Ὁ δὲ Σωκράτης παραπλήσιον ἔλεγεν εἶναι τὸν θάνατον ἥτοι τῷ βαθυτάτῳ ὕπνῳ ἢ ἀποδημία μακρᾷ καὶ πολυχρονίῳ ἢ τρίτον φθορᾷ τινι καὶ ἀφανισμῷ τοῦ τε σώματος καὶ τῆς ψυχῆς, κατ' οὐδέν δὲ τούτων κακὸν εἶναι. καὶ καθ' ἕκαστον ἐπεπορεύετο, καὶ πρῶτον τῷ πρῶτῳ. εἰ γὰρ δὴ ὕπνος τίς ἐστιν ὁ θάνατος καὶ περὶ τοὺς καθεύδοντας μηδὲν ἐστὶ κακόν, δῆλον ὡς οὐδὲ περὶ τοὺς τετελευτηκότας εἴη ἄν τι κακόν. ἀλλὰ μήν γ' ὅτι ἡδιστός ἐστιν ὁ βαθύτατος τί δεῖ καὶ λέγειν; αὐτὸ γὰρ τὸ πρᾶγμα φανερόν ἐστι πᾶσιν ἀνθρώποις, μαρτυρεῖ δὲ καὶ Ὅμηρος ἐπ' αὐτοῦ λέγων·

νήγρετος ἡδιστος, θανάτῳ ἄγχιστα ἐοικώς.

[e] ἀλλαχοῦ δὲ καὶ ταῦτα λέγει·

ἐνθ' ὕπνῳ ξύμβλητο, κασιγνήτῳ Θανάτῳ
καί·

Ὑπνῳ καὶ Θανάτῳ διδυμάοσιν,

ὅφει τὴν ὁμοιότητα αὐτῶν δηλῶν· τὰ γὰρ δίδυμα τὴν ὁμοιότητα μάλιστα παρεμφαίνει. πάλιν τέ ποῦ φησι τὸν θάνατον εἶναι “χάλκεον ὕπνον,” τὴν ἀναισθησίαν ἡμῶν αἰνιττόμενος. οὐκ ἀμούσως δ' ἔδοξεν ἀποφήνασθαι οὐδ' ὁ εἰπὼν “τὸν ὕπνον τὰ μικρὰ τοῦ θανάτου μυστήρια”· προμύησις γὰρ ὄντως ἐστὶ τοῦ θανάτου ὁ ὕπνος. πάνυ δὲ σοφῶς καὶ ὁ κυνικὸς Διογένης κατενεχθεὶς εἰς ὕπνον καὶ [f] μέλλων ἐκλείπειν τὸν βίον, διεγείραντος αὐτὸν τοῦ ἱατροῦ καὶ πυθομένου μή τι περὶ αὐτὸν εἴη χαλεπόν, “οὐδέν,” ἔφη. “ὁ γὰρ ἀδελφὸς τὸν ἀδελφὸν προλαμβάνει.”

Εἴ γε μήν ἀποδημία προσέοικεν ὁ θάνατος,

οὐδ' οὕτως ἐστὶ κακόν· μήποτε δὲ καὶ τούναντίον ἀγαθόν. τὸ γὰρ ἀδούλωτον τῇ σαρκὶ καὶ τοῖς ταύτης πάθεσι διάγειν, ὅν κατασπώμενος ὁ νοῦς τῆς θνητῆς ἀναπίμπλαται φλυαρίας, εὐδαιμόν τι ^[108] [a] καὶ μακάριον. “μυρίας μὲν γὰρ ἡμῖν,” φησὶν ὁ Πλάτων, “ἀσχολίας παρέχει τὸ σῶμα διὰ τὴν ἀναγκαίαν τροφήν· ἔτι δ' ἐάν τινες νόσοι προσπέσωσιν, ἐμποδίζουσιν ἡμῖν τὴν τοῦ ὄντος θήραν, ἐρώτων δὲ καὶ ἐπιθυμιῶν καὶ φόβων καὶ εἰδώλων παντοδαπῶν καὶ φλυαρίας ἐμπύπλησιν ἡμᾶς, ὥστε τὸ λεγόμενον ὡς ἀληθῶς τῷ ὄντι ὑπ' αὐτοῦ οὐδὲ φρονῆσαι ἡμῖν ἐγγίγνεται οὐδέποτε· οὐδέν. καὶ γὰρ πολέμους καὶ στάσεις καὶ μάχας οὐδὲν ἄλλο παρέχει ἢ τὸ σῶμα καὶ αἱ τοῦτου ἐπιθυμίαι· διὰ γὰρ τὴν τῶν χρημάτων κτῆσιν πάντες οἱ πόλεμοι [b] γίνονται· τὰ δὲ χρήματα

ἀναγκαζόμεθα κτᾶσθαι διὰ τὸ σῶμα, δουλεύοντες τῇ τούτου
θεραπείᾳ· καὶ ἐκ τούτου ἀσχολίαν ἄγομεν φιλοσοφίας πέρι διὰ
ταῦτα πάντα. τὸ δ' ἔσχατον πάντων, ὅτι ἐάν τις ἡμῖν καὶ σχολὴ
γένηται ἀπ' αὐτοῦ καὶ τραπώμεθα πρὸς τὸ σκοπεῖν τι, ἐν ταῖς
ζητήσεσι πανταχοῦ παραπίπτον θόρυβον παρέχει καὶ ταραχὴν καὶ
ἐκπλήττει, ὥστε μὴ δύνασθαι ὑπ' αὐτοῦ καθορᾶν τάληθές. ἀλλὰ
τῷ ὄντι ἡμῖν δέδεικται ὅτι εἰ μέλλομέν ποτε καθαρῶς τι εἴσεσθαι,
ἀπαλλακτέον αὐτοῦ καὶ αὐτῇ τῇ ψυχῇ θεατέον αὐτὰ τὰ πράγματα·
[c] καὶ τότε, ὡς ἔοικεν, ἡμῖν ἔσται οὗ ἐπιθυμοῦμεν καὶ οὗ φαμεν
ἐρᾶν (ἔστι δὲ φρόνησις), ἐπειδὴν τελευτήσωμεν, ὡς ὁ λόγος
σημαίνει, ζῶσι δ' οὐ. εἰ γὰρ μὴ οἷόν τε μετὰ τοῦ σώματος μηδὲν
καθαρῶς γνῶναι, δυοῖν θάτερον, ἢ οὐδαμοῦ ἔστι κτήσασθαι τὸ
εἰδέναι ἢ τελευτήσασθαι· τότε γὰρ αὐτὴ καθ' αὐτὴν ἔσται ἡ ψυχὴ
χωρὶς τοῦ σώματος, πρότερον δ' οὐ. καὶ ἐν ᾧ ἂν ζῶμεν, οὕτως, ὡς
ἔοικεν, ἐγγυτάτω ἐσόμεθα τοῦ εἰδέναι, ἐάν ὅτι μάλιστα μηδὲν
ὁμιλῶμεν τῷ σώματι μηδὲ κοινωνῶμεν, ὅτι μὴ πᾶσα ἀνάγκη, μηδὲ
ἀναπιμπλώμεθα τῆς τούτου φύσεως, ἀλλὰ καθαρεύωμεν ἀπ'
αὐτοῦ, [d] ἕως ἂν ὁ θεὸς αὐτὸς ἀπολύσῃ ἡμᾶς. καὶ οὕτω μὲν
ἀπαλλαττόμενοι τῆς τοῦ σώματος ἀφροσύνης, ὡς τὸ εἶκός, μετὰ
τοιούτων ἐσόμεθα, δι' ἡμῶν αὐτῶν πᾶν τὸ εἰλικρινές ὁρῶντες·
τοῦτο δ' ἐστὶ τὸ ἀληθές. μὴ καθαρῶ γὰρ καθαρῷ ἐφάπτεσθαι μὴ
οὐ θεμιτὸν ἦ."

"Ὡστ' εἰ καὶ προσέοικε μετάγειν εἰς ἕτερον τρόπον ὁ θάνατος,
οὐκ ἔστι κακόν· μήποτε γὰρ καὶ τῶν ἀγαθῶν ἀναφαίνεται,
καθάπερ ἀπέδειξεν ὁ Πλάτων. διὸ καὶ πάνυ δαιμονίως ὁ Σωκράτης
πρὸς [e] τοὺς δικαστὰς τοιαῦτ' ἔφη· "τὸ γὰρ δεδιέναι, ᾧ ἄνδρες,
τὸν θάνατον οὐδὲν ἄλλο ἐστὶν ἢ δοκεῖν σοφὸν εἶναι μὴ ὄντα·
δοκεῖν γὰρ εἰδέναι ἐστὶν ἃ οὐκ οἶδεν. οἶδε μὲν γὰρ οὐδεὶς τὸν
θάνατον οὐδ' εἰ τυγχάνει τῷ ἀνθρώπῳ μέγιστον πάντων ὃν τῶν
ἀγαθῶν, δεδίασθαι δ' ὡς εὔ εἰδότες ὅτι μέγιστον τῶν κακῶν ἐστίν." οὐκ
ἀπάδειν δ' ἔοικε τούτων οὐδ' ὁ εἰπών·

μηδεὶς φοβείσθω θάνατον ἀπόλυσιν πόνων,
ἀλλὰ καὶ κακῶν τῶν μεγίστων.

Λέγεται δὲ τούτοις μαρτυρεῖν καὶ τὸ θεῖον. πολλοὺς γὰρ
παρειλήφαμεν δι' εὐσέβειαν παρὰ θεῶν ταύτης τυχόντας τῆς
δωρεᾶς. ὧν τοὺς μὲν ἄλλους φειδόμενος τῆς συμμετρίας τοῦ
συγγράμματος παραλείψω· μνησθήσομαι δὲ τῶν ὄντων

ἐμφανεστάτων καὶ πᾶσι διὰ στόματος.

[f] Πρῶτα δὴ σοι τὰ περὶ Κλέοβιν καὶ Βίτωνα τοὺς Ἀργεῖους νεανίσκους διηγήσομαι. φασὶ γὰρ τῆς μητρὸς αὐτῶν ἱερείας οὕσης τῆς Ἥρας ἐπειδὴ τῆς εἰς τὸν νεῶν ἀναβάσεως ἦκεν ὁ καιρὸς, τῶν ἐλκόντων τὴν ἀπήνην ὁρέων ὑστερησάντων καὶ τῆς ὥρας ἐπειγούσης, τοὺτους ὑποδύντας ὑπὸ τὴν ἀπήνην ἀγαγεῖν εἰς τὸ ἱερὸν τὴν μητέρα, τὴν δ' ὑπερησθεῖσαν τῇ τῶν υἱῶν εὐσεβείᾳ κατεύξασθαι τὸ κράτιστον αὐτοῖς παρὰ τῆς θεοῦ δοθῆναι τῶν ἐν ἀνθρώποις, τοὺς δὲ κατακοιμηθέντας μηκέτ' ἀναστῆναι, τῆς θεοῦ τὸν θάνατον αὐτοῖς τῆς εὐσεβείας ἀμοιβὴν δωρησαμένης.

[109] [a] Καὶ περὶ Ἀγαμήδους δὲ καὶ Τροφωνίου φησὶ Πίνδαρος τὸν νεῶν τὸν ἐν Δελφοῖς οἰκοδομήσαντας αἰτεῖν παρὰ τοῦ Ἀπόλλωνος μισθόν, τὸν δ' αὐτοῖς ἐπαγγείλασθαι εἰς ἐβδόμην ἡμέραν ἀποδώσειν, ἐν τοσούτῳ δ' εὐωχεῖσθαι παρακελεύσασθαι· τοὺς δὲ ποιήσαντας τὸ προσταχθὲν τῇ ἐβδόμῃ νυκτὶ κατακοιμηθέντας τελευτῆσαι.

Λέγεται δὲ καὶ αὐτῷ Πινδάρῳ ἐπισκῆψαντι

τοῖς παρὰ τῶν Βοιωτῶν πεμφθεῖσιν εἰς θεοῦ [b] πυθέσθαι “τί ἄριστόν ἐστιν ἀνθρώποις” ἀποκρίνασθαι τὴν πρόμαντιν ὅτι οὐδ' αὐτὸς ἀγνοεῖ, εἰ γε τὰ γραφέντα περὶ Τροφωνίου καὶ Ἀγαμήδους ἐκείνου ἐστίν· εἰ δὲ καὶ πειραθῆναι βούλεται, μετ' οὐ πολὺ ἔσεσθαι αὐτῷ πρόδηλον. καὶ οὕτω πυθόμενον τὸν Πίνδαρον συλλογίζεσθαι τὰ πρὸς τὸν θάνατον, διελθόντος δ' ὀλίγου χρόνου τελευτῆσαι.

Τὰ δὲ περὶ τὸν Ἰταλὸν Εὐθύνοον τοιαῦτά φασι γενέσθαι. εἶναι μὲν γὰρ αὐτὸν Ἥλυσίου πατρὸς τοῦ Τερναίου, τῶν ἐκεῖ πρώτου καὶ ἀρετῇ καὶ πλούτῳ καὶ δόξῃ, τελευτῆσαι δ' ἐξαπίνης αἰτία τινὶ ἀδῆλῳ. τὸν οὖν Ἥλύσιον εἰσελθεῖν ὅπερ ἴσως κἂν ἄλλον εἰσῆλθε, μήποτ' εἴη φαρμάκοις ἀπολωλώς· [c] τοῦτον γὰρ εἶναι μόνον αὐτῷ ἐπ' οὐσίᾳ πολλῇ καὶ χρήμασιν. ἀποροῦντα δ' ὅτῳ τρόπῳ βάσανον λάβοι τούτων, ἀφικέσθαι ἐπὶ τι ψυχομαντεῖον, προθυσάμενον δ' ὡς νόμος ἐγκοιμᾶσθαι καὶ ἰδεῖν ὅψιν τοιάνδε. δόξαι παραγενέσθαι τὸν πατέρα τὸν ἑαυτοῦ· ἰδόντα δὲ διεξέρχεσθαι πρὸς αὐτὸν περὶ τῆς τύχης τῆς κατὰ τὸν υἱόν, καὶ ἀντιβολεῖν τε καὶ δεῖσθαι συνεξευρεῖν τὸν αἴτιον τοῦ θανάτου. καὶ τὸν “ἐπὶ τούτῳ,” φάναι, “ἦκω. ἀλλὰ δέξαι παρὰ τοῦδ' ἃ σοι φέρει, ἐκ γὰρ τούτων ἅπαντ' εἴσῃ ὧν πέρι λυπῇ.” εἶναι δ' ὃν ἐσήμηνε νεανίσκον [d] ἐπόμενον αὐτῷ, ἐμπερεῖ

τε τῷ υἱῷ καὶ τὰ τοῦ χρόνου τε καὶ τὰ τῆς ἡλικίας ἐγγύς. ἐρέσθαι οὖν ὅστις εἶη. καὶ τὸν φάναι “δαίμων τοῦ υἱέος σου,” καὶ οὕτω δὴ ὀρέξαι οἱ γραμματείδιον. ἀνείλησαντα οὖν αὐτὸ ἰδεῖν ἐγγεγραμμένα τρία ταῦτα·

ἧ που νηπιέησιν ἀλύουσιν φρένες ἀνδρῶν.

Εὐθύνοος κεῖται μοιριδίῳ θανάτῳ.

οὐκ ἦν γὰρ ζῶειν καλὸν αὐτῷ οὐδὲ γονεῦσι.

Τοιαῦτα δὴ σοι καὶ τὰ τῶν διηγημάτων τῶν παρὰ τοῖς ἀρχαίοις ἀναγεγραμμένων.

[e] Εἰ γε μὴν ὁ θάνατος τελεία τίς ἐστι φθορὰ καὶ διάλυσις τοῦ τε σώματος καὶ τῆς ψυχῆς (τὸ τρίτον γὰρ ἦν τοῦτο τῆς Σωκρατικῆς εἰκασίας), οὐδ’ οὕτω κακὸν ἐστιν· ἀναισθησία γάρ τις κατ’ αὐτὸν γίνεταί καὶ πάσης ἀπαλλαγὴ λύπης καὶ φροντίδος. ὥσπερ γὰρ οὐτ’ ἀγαθὸν ἡμῖν ἔπεστιν οὕτως οὐδὲ κακὸν· περὶ γὰρ τὸ ὄν καὶ τὸ ὑφ’ ἑσθῆτος καθάπερ τὸ ἀγαθὸν ἐφύκε γίνεσθαι, τὸν αὐτὸν τρόπον καὶ τὸ κακὸν· περὶ δὲ τὸ μὴ ὄν ἀλλ’ ἡρμένον ἐκ τῶν ὄντων οὐδέτερον τούτων ὑπάρχει. εἰς τὴν αὐτὴν οὖν τάξιν οἱ τελευτήσαντες καθίστανται [f] τῇ πρὸ τῆς γενέσεως. ὥσπερ οὖν οὐδὲν ἦν ἡμῖν πρὸ τῆς γενέσεως οὐτ’ ἀγαθὸν οὔτε κακὸν, οὕτως οὐδὲ μετὰ τὴν τελευτήν. καὶ καθάπερ τὰ πρὸ ἡμῶν οὐδὲν ἦν πρὸς ἡμᾶς, οὕτως οὐδὲ τὰ μεθ’ ἡμᾶς οὐδὲν ἔσται πρὸς ἡμᾶς·

“ἄλγος” γὰρ ὄντως “οὐδὲν ἄπτεται νεκροῦ.”

“τὸ” γὰρ “μὴ γενέσθαι τῷ θανεῖν ἴσον λέγω.”

ἡ γὰρ αὐτὴ κατάστασις ἐστι τῇ πρὸ τῆς γενέσεως ἢ μετὰ τὴν τελευτήν. ἀλλ’ οἶει σὺ διαφορὰν εἶναι μὴ γενέσθαι ἢ γενόμενον ἀπογενέσθαι; εἰ μὴ καὶ τῆς οἰκίας καὶ τῆς ἐσθῆτος ἡμῶν μετὰ τὴν φθορὰν ὑπολαμβάνεις τινὰ διαφορὰν εἶναι πρὸς τὸν ὄν [110] [a] οὐδέπω κατεσκευάσθη χρόνον. εἰ δ’ ἐπὶ τούτων οὐδὲν ἔστι, δηλὸν ὥς οὐδ’ ἐπὶ τοῦ θανάτου πρὸς τὴν πρὸ τῆς γενέσεως κατάστασιν ἔστι διαφορά. χάριεν γὰρ τὸ τοῦ Ἀρκεσιλάου. “τοῦτο,” φησί, “τὸ λεγόμενον κακὸν ὁ θάνατος μόνον τῶν ἄλλων τῶν νενομισμένων κακῶν παρὸν μὲν οὐδένα πώποτ’ ἐλύπησεν, ἀπὸν δὲ καὶ προσδοκώμενον λυπεῖ.” τῷ γὰρ ὄντι πολλοὶ διὰ τὴν οὐδένειαν καὶ τὴν πρὸς τὸν θάνατον διαβολὴν ἀποθνήσκουσιν, ἵνα μὴ ἀποθάνωσι. καλῶς οὖν ὁ Ἐπίχαρμος

“συνεκρίθη” φησί “καὶ διεκρίθη καὶ ἀπῆνθεν ὅθεν ἦνθε,”

[b] πάλιν

γᾶ μὲν εἰς γᾶν, πνεῦμ' ἄνω. τί τῶνδε χαλεπόν;
οὐδέν.

Ὁ Κρεσφόντης δέ που ὁ παρὰ τῷ Εὐριπίδῃ περὶ τοῦ Ἡρακλέους
λέγων

“εἰ μὲν γὰρ οἰκεῖ,” φησί, “νερτέρας ὑπὸ χθονός
ἐν τοῖσιν οὐκέτ' οὔσιν, οὐδὲν ἂν σθένοι.”

τοῦτο μεταποιήσας εἴποισ ἄν·

εἰ μὲν γὰρ οἰκεῖ νερτέρας ὑπὸ χθονός
ἐν τοῖσιν οὐκέτ' οὔσιν, οὐδὲν ἂν πάθοι.

πάνυ δὲ καλῶς καὶ ὁ Εὐριπίδης ἐπὶ τῶν τὰς μακρὰς νοσηλείας
ὑπομενόντων φησί·

μισῶ δ' ὅσοι χρήζουσιν ἐκτείνειν βίον,

βρωτοῖσι καὶ ποτοῖσι καὶ μαγεύμασι

παρεκτρέποντες ὀχετὸν ὥστε μὴ θανεῖν.

οὓς χρῆν, ἐπειδὴν μηδὲν ὠφελῶσι γῆν,

θανόντας ἔρρειν ἀκκοδῶν εἶναι νέοις.

[d] ἡ δὲ Μερόπη λόγους ἀνδρώδεις προφερομένη κινεῖ τὰ
θέατρα, λέγουσα τοιαῦτα·

τεθναῖσι παῖδες οὐκ ἐμοὶ μόνη βροτῶν,

οὐδ' ἀνδρὸς ἐστερήμεθ', ἀλλὰ μυρίαί

τὸν αὐτὸν ἐξήντησαν ὡς ἐγὼ βίον.

τούτοις γὰρ οἰκείως ἂν τις ταῦτα συνάψει·

ποῦ γὰρ τὰ σεμνὰ κεῖνα, ποῦ δὲ Λυδίας

μέγας δυνάστης Κροῖσος ἢ Ξέρξης βαρὺν

ζεῦξας θαλάσσης αὐχέν' Ἑλλησποντίας;

τῶν χρημάτων ἅμα τοῖς σώμασι διαφθαρέντων.

Νῆ Δί' ἀλλὰ τοὺς πολλοὺς κινεῖ πρὸς τὰ πένθη καὶ τοὺς

θρήνους ὁ ἄωρος θάνατος. ἀλλὰ καὶ οὗτος οὕτως ἐστὶν εὐπαράμυθτος, ὥστε καὶ ὑπὸ τῶν τυχόντων ποιητῶν συνεωρᾶσθαι καὶ τετυχηκέναι παραμυθίας. θέασαι γὰρ οἷα περὶ τούτου φησὶ τῶν κωμικῶν τις πρὸς τὸν ἐπὶ τῷ ἄωρῳ λυπούμενον θανάτῳ·

εἴτ' εἰ μὲν ἦδησθ' ὅτι τὸ τοῦτον τὸν βίον,
ὃν οὐκ ἐβίωσε, ζῶν διητυύχησεν ἄν,
ὁ θάνατος οὐκ εὐκαιρος· εἰ δ' ἦνεγκεν αὖ
οὗτος ὁ βίος τι τῶν ἀνηκέστων, ἴσως
ὁ θάνατος αὐτὸς σοῦ γέγονεν εὐνούστερος.

[f]ἀδῆλου οὖν ὄντος πότερον συμφερόντως ἀνεπαύσατο τὸν βίον ἐκλιπὼν καὶ μειζόνων ἀπολυθεὶς κακῶν ἢ οὐ, χρή μὴ φέρειν οὕτω βαρέως ὡς ἀπολωλεκότας πάνθ' ὅσων ὠήθημεν τεύξεσθαι παρ' αὐτοῦ. οὐ φαύλως γὰρ ἂν δόξειεν ὁ παρὰ τῷ ποιητῇ Ἀμφιάραος παραμυθεῖσθαι τὴν Ἀρχεμόρου μητέρα δυσχεραίνουσαν ὅτι νήπιος ὢν ὁ παῖς καὶ ἄγαν ἄωρος ἐτελεύτησε. φησὶ γὰρ οὕτως·

ἔφυ μὲν οὐδεὶς ὅστις οὐ πονεῖ βροτῶν.
θάπτει τε τέκνα χᾶτερ' αὖ κτᾶται νέα,
αὐτός τε θνήσκει· καὶ τάδ' ἄχθονται βροτοὶ
εἰς γῆν φέροντες γῆν. ἀναγκαίως δ' ἔχει

καὶ τὸν μὲν εἶναι τὸν δὲ μή. τί ταῦτα δεῖ
στένειν, ἅπερ δεῖ κατὰ φύσιν διεκπερᾶν;
δεινὸν γὰρ οὐδὲν τῶν ἀναγκαίων βροτοῖς.

Καθόλου γὰρ χρή διανοεῖσθαι πάντα τινὰ καὶ πρὸς αὐτὸν καὶ πρὸς ἄλλον διεξιόντα μετὰ σπουδῆς ὡς οὐχ ὁ μακρότατος βίος ἄριστος ἀλλ' ὁ σπουδαιότατος. οὐδὲ γὰρ ὁ πλεῖστα κιθαρωδήσας [b] ἢ ῥητορεύσας ἢ κυβερνήσας ἀλλ' ὁ καλῶς ἐπαινεῖται. τὸ γὰρ καλὸν οὐκ ἐν μήκει χρόνου θετέον, ἀλλ' ἐν ἀρετῇ καὶ τῇ καιρίῳ συμμετρίᾳ· τοῦτο γὰρ εὐδαιμον καὶ θεοφιλὲς εἶναι νενόμισται. διὰ τοῦτο γοῦν τοὺς ὑπεροχωτάτους τῶν ἡρώων καὶ φύντας ἀπὸ θεῶν πρὸ γήρως ἐκλιπόντας τὸν βίον οἱ ποιηταὶ παρέδοσαν ἡμῖν, ὥσπερ κάκεῖνον

ὃν περὶ κῆρι φίλει Ζεὺς τ' αἰγίοχος καὶ Ἀπόλλων
παντοίην φιλότῃτ', οὐδ' ἔκετο γήραος οὐδόν.

καρπῶν ἐν βραχεῖ φορὰς ποιούμενα, καὶ ζώων ἀφ' ὧν ἐν οὐ πολλῷ χρόνῳ πολλὴν πρὸς τὸν βίον ὠφέλειαν ἔχομεν. τό τε πολὺ δῆπουθεν ἢ μικρὸν οὐδὲν διαφέρειν δοκεῖ πρὸς τὸν ἄπειρον ἀφορῶσιν αἰῶνα. τὰ γὰρ χίλια καὶ τὰ μύρια κατὰ Σιμωνίδην ἔτη στιγμή τις ἐστὶν ἀόριστος, μᾶλλον δὲ μόριόν τι βραχύτατον στιγμής. ἐπεὶ καὶ τῶν ζώων ἐκείνων, ἅπερ ἱστοροῦσι περὶ τὸν Πόντον γιγνόμενα τὴν ζωὴν ἔχειν ἡμερησίαν, ἔωθεν μὲν γεννώμενα, μέσης δ' ἡμέρας ἀκμάζοντα, δείλης δὲ γηρῶντα καὶ τελειοῦντα τὸ ζῆν, οὐχὶ κἀκείνων ἦν ἂν τὸ καθ' ἡμᾶς πάθος τοῦτο, εἴπερ ψυχὴ τις ἀνθρωπίνη καὶ λογισμὸς ἐκάστοις ἐνῆν, [d] καὶ ταῦτά δῆπου γ' ἂν συνέπιπτεν, ὥστε τὰ πρὸ μέσης τῆς ἡμέρας ἐκλείποντα θρήνους παρέχειν καὶ δάκρυα, τὰ δὲ διημερεύσαντα πάντως ἂν εὐδαιμονίζεσθαι; μέτρον γὰρ τοῦ βίου τὸ καλόν, οὐ τὸ τοῦ χρόνου μῆκος.

Ματαιίους γὰρ καὶ πολλῆς εὐηθείας ἡγητέον εἶναι τὰς τοιαύτας ἐκφωνήσεις “ἀλλ' οὐκ ἔδει νέον ὄντα ἀναρπαγῆναι.” τίς γὰρ ἂν εἴποι ὡς ἔδει; πολλὰ δὲ καὶ ἄλλα ἐφ' ὧν ἂν τις εἴποι ὡς “οὐκ ἔδει πραχθῆναι” πέπρακται καὶ πράττεται [e] καὶ πραχθήσεται πολλάκις. οὐ γὰρ νομοθετήσαντες πάρεσμεν εἰς τὸν βίον, ἀλλὰ πεισόμενοι τοῖς διατεταγμένοις ὑπὸ τῶν τὰ ὅλα πρυτανευόντων θεῶν καὶ τοῖς τῆς εἰμαρμένης καὶ προνοίας θεσμοῖς.

Τί δ'; οἱ πενθοῦντες τοὺς οὕτως ἀποθανόντας ἑαυτῶν ἕνεκα πενθοῦσιν ἢ τῶν κατοικομένων; εἰ μὲν οὖν ἑαυτῶν, ὅτι τῆς ἀπὸ τῶν τεθνεώτων ἡδονῆς ἢ χρείας ἢ γηροβοσκίας ἐστερήθησαν, φίλαντος ἢ τῆς λύπης πρόφασις· οὐ γὰρ ἐκείνους ποθοῦντες ἀλλὰ τὰς ἀπ' αὐτῶν ὠφελείας φανήσονται. εἰ δὲ τῶν τεθνεώτων ἕνεκα πενθοῦσιν, ἐπιστήσαντες ὅτι [f] ἐν οὐδενὶ κακῷ τυγχάνουσιν ὄντες, ἀπαλλαγῇσονται τῆς λύπης, ἀρχαίῳ καὶ σοφῷ πεισθέντες λόγῳ τῷ παραινοῦντι τὰ μὲν ἀγαθὰ ποιεῖν ὡς μέγιστα, τὰ δὲ κακὰ συστέλλειν καὶ ταπεινοῦν. εἰ μὲν οὖν τὸ πένθος ἐστὶν ἀγαθόν, δεῖ ποιεῖν αὐτὸ ὡς πλεῖστον καὶ μέγιστον· εἰ δ', ὥσπερ ἡ ἀλήθεια ἔχει, κακὸν αὐτὸ ὁμολογοῦμεν εἶναι, συστέλλειν καὶ ποιεῖν ὡς ἐλάχιστον καὶ ἐξαλείφειν εἰς τὸ δυνατόν.

Ὡς δὲ τοῦτο ῥάδιον, καταφανὲς ἐκ τῆς τοιαύτης παραμυθίας. φασὶ γάρ τινα τῶν ἀρχαίων φιλοσόφων εἰσιόντα πρὸς Ἀρσινόην τὴν βασίλισσαν [112] [a] πενθοῦσαν τὸν υἱὸν τοιοῦτῳ χρῆσασθαι λόγῳ, φάμενον ὅτι καθ' ὃν χρόνον ὁ Ζεὺς ἔνεμε τοῖς δαίμοσι τὰς

τιμάς, οὐκ ἔτυχε παρὸν τὸ Πένθος, ἤδη δὲ νενεμημένων ἦλθεν ὕστερον. τὸν οὖν Δία, ὡς ἡξίου καὶ αὐτῷ τιμὴν δοθῆναι, ἀποροῦντα διὰ τὸ ἤδη κατηναλῶσθαι πάσας τοῖς ἄλλοις, ταύτην αὐτῷ δοῦναι τὴν ἐπὶ τοῖς τελευτήσασι γιγνομένην, οἷον δάκρυα καὶ λύπας. ὥσπερ οὖν τοὺς ἄλλους δαίμονας, ὅφ' ὧν τιμῶνται, τούτους ἀγαπᾶν, τὸν [b] αὐτὸν τρόπον καὶ τὸ Πένθος. “ἐὰν μὲν οὖν αὐτὸ ἀτιμάσης, ὦ γύναι, οὐ προσελεύσεταιί σοι· ἐὰν δὲ τιμᾶται ὑπὸ σοῦ ἐπιμελῶς ταῖς δοθείσαις αὐτῷ τιμαῖς, λύπαις καὶ θρήνοις, ἀγαπήσει σε καὶ αἰεὶ τί σοι παρέσται τοιοῦτον ἐφ’ ὧ τιμηθήσεται συνεχῶς ὑπὸ σοῦ.” θαυμασίως δὴ φαίνεται τῷ λόγῳ πείσας οὗτος παρελῆσθαι τῆς ἀνθρώπου τὸ πένθος καὶ τοὺς θρήνους.

Τὸ δ’ ὅλον εἴποι τις ἂν πρὸς τὸν πενθοῦντα “πότερα παύση ποτὲ δυσφορῶν ἢ αἰεὶ δεῖν οἰήσῃ λυπεῖσθαι καὶ παρ’ ὅλον τὸν βίον; εἰ μὲν γὰρ αἰεὶ μενεῖς ἐπὶ τῇ δυσπαθείᾳ ταύτῃ, τελείαν ἀθλιότητα [c] σεαυτῷ παρέξεις καὶ πικροτάτην κακοδαιμονίαν διὰ ψυχῆς ἀγέννητιαν καὶ μαλακίαν· εἰ δὲ μεταθήσῃ ποτέ, τί οὐκ ἤδη μετατίθεται καὶ σεαυτὸν ἀνέλκεις ἐκ τῆς ἀτυχίας; οἷς γὰρ λόγοις τοῦ χρόνου προϊόντος χρησάμενος ἀπολυθήσῃ, τούτοις νῦν προσσχὼν ἀπαλλάγηθι τῆς κακουχίας· καὶ γὰρ ἐπὶ τῶν σωματικῶν παθημάτων ἡ ταχίστη τῆς ἀπαλλαγῆς ὁδὸς ἀμείνων. ὁ οὖν μέλλεις τῷ χρόνῳ χαρίζεσθαι, τοῦτο τῷ λόγῳ χάρισαι καὶ τῇ παιδείᾳ, καὶ σεαυτὸν ἔκλυσαι τῶν κακῶν.”

“Ἄλλ’ οὐ γὰρ ἡλπίζον,” φησί, “ταῦτα [d] πείσεσθαι, οὐδὲ προσεδόκων.” ἄλλ’ ἐχρῆν σε προσδοκᾶν καὶ προκατακερικνέειν τῶν ἀνθρωπείων τὴν ἀδηλόγητα καὶ οὐδένειαν, καὶ οὐκ ἂν νῦν ἀπαράσκευος ὥσπερ ὑπὸ πολεμίων ἐξαίφνης ἐπελθόντων ἐλήφθης. καλῶς γὰρ ὁ παρὰ τῷ Εὐριπίδῃ Θησεὺς παρεσκευάσθαι φαίνεται πρὸς τὰ τοιαῦτα· ἐκεῖνος γάρ φησιν·

Διὸ καὶ πάνυ καλῶς ὁ Πλάτων ἔοικε παραινεῖν ἐν “ταῖς” τοιαύταις “συμφοραῖς ἡσυχίαν ἔχειν, ὥς οὔτε δήλου ὄντος τοῦ κακοῦ καὶ τοῦ [f] ἀγαθοῦ, οὗτ' εἰς τὸ πρόσθεν οὐδὲν προβαῖνον τῷ χαλεπῶς φέροντι· ἐμποδῶν γὰρ γίνεσθαι τὸ λυπεῖσθαι τῷ βουλευέσθαι περὶ τοῦ γεγονότος καὶ ὥσπερ ἐν πτώσει κύβων πρὸς τὰ πεπτωκότα τίθεσθαι τὰ ἑαυτοῦ πράγματα, ὅπη ὁ λόγος αἰρεῖ βέλτιστ' ἂν ἔχειν. οὐ δεῖν οὖν προσπταίσαντας καθάπερ παῖδας ἐχομένους τοῦ πληγέντος βοᾶν, ἀλλ' ἐθίζειν τὴν ψυχὴν ὅτι τάχιστα γίνεσθαι περὶ τὸ ἰᾶσθαι τε καὶ ἐπανορθοῦν τὸ πεσόν τε καὶ νοσήσαν, ἱατρικῇ θρηνηδίαν ἀφανίζοντας.”

[e] Οὐ χρὴ οὖν τοὺς ἀποθνήσκοντας νέους θρηνεῖν ὅτι τῶν ἐν τῷ μακρῷ βίῳ νομιζομένων ἀγαθῶν ἀπεστέρηται· τοῦτο γὰρ ἄδηλον, ὡς πολλάκις εἴπομεν, εἴτ’ ἀγαθῶν ἀπεστερημένοι τυγχάνουσιν εἴτε κακῶν· πολλῷ γὰρ πλείονα τὰ κακὰ. καὶ τὰ μὲν μόγις καὶ διὰ πολλῶν φροντίδων κτώμεθα, τὰ δὲ κακὰ πάνυ ῥαδίως· στρογγύλα γὰρ εἶναί φασι ταῦτα καὶ συνεχῇ καὶ πρὸς ἅλληλα φερόμενα κατὰ πολλὰς αἰτίας, τὰ δ’ ἀγαθὰ διεχῇ τε καὶ δυσκόλως συνερχόμενα πρὸς αὐτοῖς τοῦ βίου τοῖς τέρμασιν.

[116] [a] ἐπιλελησμένοις οὖν εἰκόκαμεν ὅτι οὐ μόνον, ὥς φησιν Εὐριπίδης,

“τὰ χρήματα” οὐκ “ἴδια κέκτηνται βροτοί,”

ἀλλ’ ἀπλῶς τῶν ἀνθρωπίνων οὐδέν. διὸ καὶ ἐπὶ πάντων λέγειν χρὴ·

τὰ τῶν θεῶν δ’ ἔχοντες ἐπιμελούμεθα.

ὅταν δὲ χρήζωσ’, αὐτ’ ἀφαιροῦνται πάλιν.

οὐ δεῖ οὖν δυσφορεῖν, ἐὰν ἃ ἔχρησαν ἡμῖν πρὸς ὀλίγον, ταῦτ' ἀπαιτῶσιν· οὐδὲ γὰρ οἱ τραπεζίται, καθάπερ εἰώθαμεν λέγειν πολλάκις, ἀπαιτούμενοι τὰ θέματα δυσχεραίνουσιν ἐπὶ τῇ ἀποδόσει, ἐάνπερ εὐγνωμονῶσι. πρὸς γὰρ τοὺς οὐκ εὐμαρῶς ἀποδιδόντας [b] εἰκότως ἂν τις εἴποι “ἐπελάθου ὅτι ταῦτ' ἔλαβες ἐπὶ τῷ ἀποδοῦναι;” τοῦτο δὴ τοῖς θνητοῖς ἅπασι συμβέβηκεν. ἔχομεν γὰρ τὸ ζῆν ὥσπερ παρακαταθεμένοις θεοῖς ἐξ ἀνάγκης, καὶ τούτου χρόνος οὐδεὶς ἐστὶν ὠρισμένος τῆς ἀποδόσεως, ὥσπερ οὐδὲ τοῖς τραπεζίταις τῆς τῶν θεμάτων, ἀλλ' ἄδηλον πόθ' ὁ δοὺς ἀπαιτήσῃ. ὁ οὖν ἢ αὐτὸς μέλλων ἀποθνήσκειν ἢ τέκνων ἀποθανόντων ὑπεραγανακτῶν πῶς οὐ καταφανῶς ἐπιλέλησται ὅτι καὶ αὐτὸς ἀνθρωπός ἐστι καὶ τὰ τέκνα θνητὰ ἐγέννησεν; οὐ γὰρ ἐστὶ φρένας ἔχοντος ἀνθρώπου ἀγνοεῖν ὅτι ὁ ἀνθρωπος ζῶν ἐστὶ θνητόν, οὐδ' ὅτι γέγονεν εἰς [c] τὸ ἀποθανεῖν. εἰ γοῦν ἡ Νιόβη κατὰ τοὺς μύθους πρόχειρον εἶχε τὴν ὑπόληψιν ταύτην ὅτι καὶ ἡ

Δύ' ἐστὶ τῶν Δελφικῶν γραμμάτων τὰ μάλιστ' ἀναγκαιότατα πρὸς τὸν βίον, τὸ “γνῶθι σαυτὸν”

[d] καὶ τὸ “μηδὲν ἄγαν”· ἐκ τούτων γὰρ ἥρτηται καὶ τᾶλλα πάντα. ταῦτα γὰρ ἐστὶν ἀλλήλοις συνωδὰ καὶ σύμφωνα, καὶ διὰ θατέρου θάτερον ἔοικε δηλοῦσθαι κατὰ δύναμιν. ἔν τε γὰρ τῷ γινώσκειν ἑαυτὸν περιέχεται τὸ μηδὲν ἄγαν, καὶ ἐν τούτῳ τὸ γινώσκειν ἑαυτόν. διὸ καὶ περὶ μὲν τούτου φησὶν ὁ Ἴων οὕτως·

τὸ “γνῶθι σαυτὸν” τοῦτ' ἔπος μὲν οὐ μέγα,

ἔργον δ' ὅσον Ζεὺς μόνος ἐπίσταται θεῶν,

ὁ δὲ Πίνδαρος·

“σοφοὶ δέ,” φησί, “καὶ τὸ ‘μηδὲν ἄγαν’ ἔπος

Ταῦτ' οὖν ἐν διανοίᾳ τις ἔχων ὥς πυθόχρηστα [e] παραγγέλματα πρὸς πάντα τὰ τοῦ βίου πράγματα ῥαδίως ἐφαρμόζειν δυνήσεται καὶ φέρειν αὐτὰ δεξιῶς, εἰς τε τὴν αὐτοῦ φύσιν ἀφορῶν καὶ εἰς τὸ

ταύτην δὲ τὴν μοῖραν ἐν ἄλλοις ὁ ποιητῆς φησι·
[b] γεινομένῳ ἐπένησε λίνῳ, ὅτε μιν τέκε μήτηρ.

Ταῦτα πρὸ διανοίας λαβόντες τῆς ἀπράκτου καὶ κενῆς ἀπαλλαγῆσόμεθα βαρυπενθείας, ὀλίγου δὲ παντάπασι τοῦ μεταξὺ χρόνου τῆς ζωῆς ὄντος. φειστέον οὖν, ὅπως εὐθυμόν τε καὶ ἀπαρενόχλητον τοῦτον ταῖς πενθικαῖς λύπαις διαγράγωμεν, τὰ τοῦ πένθους παράσημα μεθέμενοι καὶ τῆς τοῦ σώματος ἐπιμελείας φροντίσαντες καὶ τῆς τῶν συμβιούντων ἡμῖν σωτηρίας. καλὸν δὲ καὶ μεμνησθαι τῶν λόγων, οἷς κατὰ τὸ εἰκὸς ἐχρησάμεθά ποτε πρὸς συγγενεῖς ἢ φίλους ἐν ταῖς παραπλησίοις γενομένους [c] συμφοραῖς, παραμυθούμενοι καὶ πείθοντες τὰ κοινὰ τοῦ βίου συμπτώματα κοινῶς φέρειν καὶ τὰ ἀνθρώπινα ἀνθρωπίνως, καὶ μὴ τοῖς μὲν ἄλλοις ἐπαρκεῖν πρὸς ἀλυπίαν δύνασθαι, ἑαυτοῖς δὲ μηδὲν ὄφελος εἶναι τὴν τούτων ὑπόμνησιν, δι' ὧν δεῖ τὸ ἀλγοῦν τῆς ψυχῆς ἀποθεραπεύειν “παιωνίοις λόγου φαρμάκοις,” ὡς πάντων μᾶλλον ἢ ἀλυπίας ἀναβολὴν δεῖ ποιεῖσθαι. καίτοι γε τὸν ἐν ὁπωοῦν “ἀμβολιεργὸν ἄταις,” φησί, “παλαίειν,” τὸ κυκλοῦμενον τοῦτο παρὰ πᾶσιν [d] ἔπος· πολλὸ δ' οἶμαι μᾶλλον τὸν ὑπερτιθέμενον τὰ τῆς ψυχῆς ἀχθεῖν ἢ πάθη καὶ δυσάντητα πρὸς τὸν ἐπιόντα χρόνον.

Ἀποβλέπειν δὲ καὶ πρὸς τοὺς εὐγενῶς καὶ μεγαλοφρόνως τοὺς ἐπὶ τοῖς υἱοῖς γενομένους θανάτους καὶ πράως ὑποστάντας, Ἀναξαγόραν τὸν Κλαζομένιον καὶ Δημοσθένην τὸν Ἀθηναῖον καὶ Δίωνα τὸν Συρακόσιον καὶ τὸν βασιλέα Ἀντίγονον, καὶ συχνοὺς ἄλλους τῶν τε παλαιῶν καὶ τῶν καθ' ἡμᾶς.

Τούτων γὰρ Ἀναξαγόραν παρειλήφαμεν, ὥς φησι, φυσιολογοῦντα καὶ διαλεγόμενον τοῖς γνωρίμοις, ἀκούσαντα παρὰ τινος τῶν ἀναγγειλάντων αὐτῷ τὴν περὶ τὸν υἱὸν τελευτήν, μικρὸν ἐπισχόντα [e] πρὸς τοὺς παρόντας εἰπεῖν “ἦδεν ὅτι θνητὸν ἐγέννησα υἱόν.”

Περικλέα δὲ τὸν Ὀλύμπιον προσαγορευθέντα διὰ τὴν περὶ τὸν λόγον καὶ τὴν σύνεσιν ὑπερβεβλημένην δύναμιν, πυθόμενον ἀμφοτέρους αὐτοῦ τοὺς υἱοὺς μετηλλαχέναι τὸν βίον, Πάραλόν τε

καὶ Ξάνθιππον, ὥς φησι Πρωταγόρας, εἰπὼν οὕτως· “τῶν γὰρ υἱέων νενηνιέων ἐόντων καὶ καλῶν, ἐν ὀκτῶ δὲ τῇσι πάσῃσιν ἡμέρῃσι ἀποθανόντων νηπενθέως ἀνέτλη· εὐδίας γὰρ εἶχετο, ἐξ ἧς πολλὸν ὦνητο κατὰ πᾶσαν ἡμέρην εἰς εὐποτμίην καὶ ἀνωδυνίην καὶ τὴν ἐν τοῖσι πολλοῖσι δόξαν· [f] πᾶς γάρ τις μιν ὀρέων τὰ ἐωυτοῦ πένθεα ἐρρωμένως φέροντα, μεγαλόφρονά τε καὶ ἀνδρήιον ἐδόκεε εἶναι καὶ ἐωυτοῦ κρέσσω, κάρτα εἰδὼς τὴν ἐωυτοῦ ἐν τοισίδε πρήγμασι ἀμηχανίην· τοῦτον γὰρ εὐθὺς μετὰ τὴν προσαγγελίαν ἀμφοτέρων τῶν υἱέων οὐδὲν ἦττον ἐστεφανωμένον κατὰ τὸ πάτριον ἔθος καὶ λευχειμονοῦντα δημηγορεῖν ‘βουλὰς τ’ ἐξάρχοντ’ ἀγαθὰς’ πρὸς τε τὸν πόλεμον ἐπιπαρορμῶντα τοὺς Ἀθηναίους.”

Ξενοφῶντα δὲ τὸν Σωκρατικὸν θύοντά ποτε, παρὰ τῶν ἀγγέλων τῶν ἀπὸ τοῦ πολέμου πυθόμενον ὅτι ὁ υἱὸς αὐτοῦ Γρύλλος ἀγωνιζόμενος [119] [a] ἐτελεύτησε, περιελόμενον τὸν στέφανον ἐξετάζειν τίνα τρόπον ἐτελεύτησε. τῶν δὲ ἀπαγγειλάντων ὅτι γενναίως ἀριστεύων καὶ πολλοὺς τῶν πολεμίων κατακτείνας, μικρὸν παντελῶς διασιωπήσαντα χρόνον καὶ τῷ λογισμῷ τὸ πάθος παρακατασχόντα, ἐπιθέμενον πάλιν τὸν στέφανον ἐπιτελεῖν τὴν θυσίαν, καὶ πρὸς τοὺς ἀγγέλους εἰπεῖν ὅτι “θεοῖς ηὑξάμην οὐκ ἀθάνατον οὐδὲ πολυχρόνιον γενέσθαι μοι τὸν υἱόν (τὸ γὰρ τοιοῦτον ἄδηλον εἰ συμφέρει), ἀγαθὸν δὲ καὶ φιλόπατριν, ὃ δὴ καὶ γέγονεν.”

[b] Δίωνα δὲ τὸν Συρακόσιον συνεδρεύοντα μετὰ τῶν φίλων, κατὰ τὴν οἰκίαν θορύβου γενομένου καὶ μεγάλης κραυγῆς, πυθόμενον τὴν αἰτίαν καὶ τὸ συμβεβηκὸς ἀκούσαντα ὅτι ὁ υἱὸς αὐτοῦ καταπεσὼν ἀπὸ τοῦ στέγους ἐτελεύτησεν, οὐδὲν ἐκπλαγέντα τὸ μὲν σωματίον κελεῦσαι τοῦ μεταλλάξαντος ταῖς γυναιξὶ παραδοῦναι πρὸς τὴν νόμιμον ταφήν, αὐτὸν δὲ περὶ ὧν διεσκέπτετο μὴ παραλιπεῖν.

Τοῦτον ζηλῶσαι λέγεται καὶ Δημοσθένην τὸν ῥήτορα, τὴν μόνην καὶ ἀγαπητὴν ἀπολέσαντα θυγατέρα, περὶ ἧς φησιν Αἰσχίνης, κατηγορεῖν αὐτοῦ δόξας, ταυτί· “ἐβδόμην δ’ ἡμέραν τῆς [c] θυγατρὸς αὐτῷ τετελευτηκυίας, πρὶν πενθηῆσαι καὶ τὰ νομιζόμενα ποιῆσαι, στεφανωσάμενος καὶ λευκὴν ἐσθῆτα ἀναλαβὼν ἐβουθύτει καὶ παρενόμει, τὴν μόνην ὁ δαίμων καὶ πρῶτην αὐτὸν πατέρα προσειποῦσαν ἀπολέσας.” οὗτος μὲν οὖν

ῥητορικῶς προθέμενος αὐτοῦ κατηγορεῖσθαι ταῦτα διεξῆλθεν, ἀγνοῶν ὅτι διὰ τούτων αὐτὸν ἐπαινεῖ τὸ πενθεῖν παρωσάμενον καὶ τὸ φιλόπατρι πρὸ τῆς τῶν ἀναγκαίων συμπαθείας ἐπιδειξάμενον.

Ἀντίγονον δὲ τὸν βασιλέα πυθόμενον τὴν Ἀλκυονέως τοῦ υἱοῦ τελευτὴν ἐν παρατάξει γενομένην μεγαλοφρόνως τε πρὸς τοὺς ἀπαγγέιλαντας αὐτῷ τὴν συμφορὰν ἀπιδεῖν καὶ μικρὸν ἐπισχόντα καὶ κατηφιάσαντα προσεῖπεῖν “ὦ [d] Ἀλκυονεῦ, ὁψίτερον μετήλλαξας τὸν βίον, οὕτως ἀφειδῶς ἐξορμῶν πρὸς τοὺς πολεμίους καὶ οὔτε τῆς σαυτοῦ σωτηρίας οὔτε τῶν ἐμῶν παραινέσεων φροντίζων.”

Τούτους δὴ τοὺς ἄνδρας θαυμάζουσι μὲν τῆς μεγαλοφροσύνης πάντες καὶ ἄγανται, μιμεῖσθαι δ’ ἐπὶ τῶν ἔργων οὐ δύνανται διὰ τὴν ἐκ τῆς ἀπαιδευσίας ἀσθένειαν τῆς ψυχῆς. πλὴν πολλῶν ὄντων παραδειγμάτων τῶν διὰ τῆς ἱστορίας ἡμῖν παραδιδομένων τῆς τε Ἑλληνικῆς καὶ τῆς Ῥωμαϊκῆς τῶν γενναίως καὶ καλῶς ἐν ταῖς τῶν ἀναγκαίων τελευταῖς διαγενομένων ἀποχρήσει τὰ εἰρημένα πρὸς τὴν ἀπόθεσιν τοῦ πάντων ἀνισοροῦτος [e] πένθους καὶ τῆς ἐν τούτῳ πρὸς οὐδὲν χρήσιμον ματαιοπονίας.

Ὅτι γὰρ οἱ ταῖς ἀρεταῖς διενεγκόντες ὡς θεοφιλεῖς νέοι μετέστησαν πρὸς τὸ χρεῶν καὶ πάλαι μὲν διὰ τῶν πρόσθεν ὑπέμνησα λόγων, καὶ νῦν δὲ πειράσομαι διὰ βραχυτάτων ἐπιδραμεῖν, προσμαρτυρήσας τῷ καλῶς ὑπὸ Μενάνδρου ῥηθέντι τούτῳ·

Ὦν οἱ θεοὶ φιλοῦσιν ἀποθνήσκει νέος.

ἀλλ’ ἴσως ὑποτυχῶν ἂν φαίης, Ἀπολλώνιε φίλτατε, σφόδρ’ ἦν ἐπιτεταγμένος ὁ νεανίσκος Ἀπόλλωνι [f] καὶ Μοίραις, καὶ σὲ ἔδει ὑπ’ ἐκείνου τελείου γενομένου κηδευθῆναι μεταλλάξαντα τὸν βίον· τοῦτο γὰρ εἶναι κατὰ φύσιν. τὴν ἡμετέραν δηλονότι καὶ τὴν ἀνθρωπίνην, ἀλλ’ οὐ κατὰ τὴν τῶν ὅλων πρόνοιαν καὶ τὴν κοσμικὴν διάταξιν. ἐκείνῳ δὲ τῷ μακαρισθέντι οὐκ ἦν κατὰ φύσιν περαιτέρω τοῦ ἀπονεμηθέντος αὐτῷ χρόνου πρὸς τὸν ἐνθάδε βίον περιμένειν, ἀλλ’ εὐτάκτως τοῦτον ἐκπλήσαντι πρὸς τὴν εἰμαρμένην ἐπανάγειν πορείαν, καλούσης αὐτῆς, φησὶν, ἤδη πρὸς ἑαυτήν. “ἀλλ’ ἄωρος ἐτελεύτησεν.” οὐκοῦν εὐποτμότερος διὰ τοῦτο καὶ κακῶν ἀπεύρατός ἐστιν· ὁ

[120] [a] “βίος γάρ,” φησὶν Εὐριπίδης, “ὄνομ’ ἔχει μόνον πόνος γεγώς.”

ΥΓΙΕΙΝΑ ΠΑΡΑΓΓΕΛΜΑΤΑ

[122] ΜΟΣΧΙΩΝ. Σὺ δὴ Γλαῦκον χθές, ὦ Ζεύξιππε, τὸν ἱατρὸν ἀπετρίψω συμφιλοσοφεῖν ὑμῖν βουλόμενον.

ΖΕΥΞΙΠΠΟΣ. Οὐτ' ἀπετριψάμην, ὦ φίλε Μοσχίων, οὐτ' ἐβούλετο συμφιλοσοφεῖν ἐκεῖνος, ἀλλ' [c] ἔφυγον καὶ ἐφοβήθην λαβὴν φιλομαχοῦντι παρασχεῖν. ἐν μὲν γὰρ ἱατρικῇ καθ' Ὅμηρον ὁ ἀνὴρ

πολλῶν ἀντάξιος ἄλλων,

οὐκ εὐμενῆς δὲ πρὸς φιλοσοφίαν, ἀλλ' αἰεί τι τραχὺ καὶ δύσκολον ἔχων ἐν τοῖς λόγοις. καὶ νῦν ἐναντίος ἐφ' ἡμᾶς ἐχώρει, βῶν ἔτι πρόσωθεν οὐ μικρὸν οὐδ' ἐπικεκῆς ἔργον ἡμῖν σύγχυσιν ὄρων τετολμῆσθαι διαλεχθεῖσι περὶ διαίτης ὑγιεινῆς. “χωρίς” γὰρ ἔφη τὰ φιλοσόφων καὶ ἱατρῶν ὥσπερ τινῶν “Μουσῶν καὶ Φρυγῶν ὀρίσματα,” καὶ τινὰ τῶν οὐ μετὰ σπουδῆς, οὐ μὴν ἀχρήστως, [d] εἰρημένων παρ' ἡμῶν διὰ στόματος ἔχων ἐσπάραττεν.

ΜΟΣΧΙΩΝ. Ἀλλὰ καὶ τούτων ἔγωγε καὶ τῶν ἄλλων, ὦ Ζεύξιππε, πρόθυμος ἀκροατὴς ἠδέως ἂν γενοίμην.

ΖΕΥΞΙΠΠΟΣ. Φιλόσοφος γὰρ εἶ τὴν φύσιν, ὦ Μοσχίων, καὶ τῷ μὴ φιλιατροῦντι χαλεπαίνεις φιλοσόφῳ, καὶ ἀγανακτεῖς εἰ μᾶλλον αὐτὸν οἶεται προσήκειν γεωμετρίας καὶ διαλεκτικῆς καὶ μουσικῆς ὀρᾶσθαι μεταποιοούμενον ἢ ζητεῖν καὶ μανθάνειν βουλόμενον

ὅττι τοι ἐν μεγάροις κακὸν τ' ἀγαθόν τε τέτυκται

τῷ σώματι. καίτοι πλείους ἂν ἴδοις ἐκεῖ θεατάς, ὅπου θεωρικόν τι νέμεται τοῖς συνιοῦσιν, ὥσπερ [e] Ἀθήνησι· τῶν ἐλευθερίων δὲ τεχνῶν ἱατρικὴ τὸ μὲν γλαφυρὸν καὶ περιττὸν καὶ ἐπιτερπές οὐδεμιᾶς ἐνδεέστερον ἔχει, θεωρικὸν δὲ μέγα τοῖς φιλομαθοῦσι τὴν σωτηρίαν καὶ τὴν ὑγίειαν ἐπιδίδωσιν. ὥστ' οὐ παράβασιν ὄρων ἐπικαλεῖν δεῖ τοῖς περὶ ὑγιεινῶν διαλεγομένοις φιλοσόφοις, ἀλλ' εἰ μὴ παντάπασιν ἀνελόντες οἴονται δεῖν τοὺς ὄρους ὥσπερ ἐν μιᾷ χώρᾳ κοινῶς ἐμφιλοκαλεῖν, ἅμα τὸ ἡδὺ τῷ λόγῳ καὶ τὸ ἀναγκαῖον διώκοντες.

ΜΟΣΧΙΩΝ. Ἀλλὰ Γλαῦκον μὲν ἐῷμεν, ὦ Ζεύξιππε, ὑπὸ σεμνότητος αὐτοτελεῖ βουλόμενον εἶναι καὶ ἀπροσδεῖ φιλοσοφίας, σὺ δὲ τοὺς λόγους [f] ἡμῖν δῖελθε πάντας· εἰ δὲ βούλει, πρῶτους

ἐκείνους ὧν ἔφησ' οὐ πάνυ μετὰ σπουδῆς εἰρημένων ἐπιλαμβάνεσθαι τὸν Γλαῦκον.

ΖΕΥΞΙΠΠΙΟΣ. Ἐφη τοίνυν ὁ ἐταῖρος ἡμῶν ἀκοῦσαί τινος λέγοντος ὡς τὸ τὰς χεῖρας ἀεὶ θερμὰς ἔχειν καὶ μὴ περιορᾶν ψυχομένας οὐ [123] [a] μικρὸν εἴη πρὸς ὑγίειαν, καὶ τοῦναντίον ἢ τῶν ἄκρων περίψυξις εἰς τὰ μέσα συνελαύνουσα τὸ θερμὸν ὥσπερ τινὰ συνήθειαν ἢ μελέτην ἐμποιεῖ πυρετοῦ· τὸ δ' ἔξω στρέφοντα μετὰ τῆς θερμότητος ἔλκειν ἐπὶ πάντα καὶ διανέμειν τὴν ὕλην ὑγιεινόν. ἂν μὲν οὖν ἐνεργοῦντές τι ταῖς χερσὶ καὶ χρώμενοι τυγχάνωμεν, αὐτὴν τὴν κίνησιν ἐπάγειν ἐνταῦθα καὶ συνέχειν τὸ θερμόν· ἔργων δὲ τοιούτων σχολὴν ἄγοντας ἥκιστα δεῖν προσδέχεσθαι τοῖς ἄκροις τὸ ψυχρόν.

Ἐν μὲν οὖν τοῦτο τῶν γελασθέντων ἦν· δεύτερον δ' οἶμαι τὸ περὶ τὰς τροφὰς ἃς προσφέρετε [b] τοῖς κάμνουσιν. ἄπτεσθαι γὰρ αὐτῶν διὰ χρόνου παρήνει καὶ γεύεσθαι, συνεθίζοντας αὐτοὺς ἐν τῷ ὑγιαίνειν καὶ μὴ τρέμοντας ὥσπερ τὰ παιδάρια μηδὲ μισοῦντας ἐκείνην τὴν δίαιταν, ἀλλὰ ποιουμένους ἀτρέμα χειροήθη ταῖς ὀρέξεσι καὶ σύντροφον, ὅπως ἐν τῷ νοσεῖν μὴ δυσχεραίνωμεν ὡς φάρμακα τὰ σιτία μηδ' ἀσχάλλωμεν ἀπλοῦν τι καὶ ἄνοφον καὶ ἄκνισον λαμβάνοντες. ὅθεν οὐδ' ἀλούτους ποτὲ φευκτέον ἐλθεῖν ἐπὶ τροφήν οὐδ' ὕδωρ πιεῖν οἴνου παρόντος οὐδὲ θερμὸν ἐν θέρει, χιόνος παρακειμένης, τὰς μὲν ἐπιδεικτικὰς καὶ σοφιστικὰς χαίρειν ἐῶντας ἀποσχέσεις [c] τῶν τοιούτων καὶ μεγαλαυχίας ἐπὶ ταῖς ἀποσχέσεσιν, αὐτοὺς δὲ καθ' ἑαυτοὺς σιωπῇ τὴν τε ὄρεξιν ἅμα τοῦ συμφέροντος ὑπήκοον ἐθίζοντας εἶναι μετ' εὐκολίας, καὶ τῆς ψυχῆς ἀφαιροῦντας πόρρωθεν ἔτι τὴν περὶ ταῦτα μικρολογίαν ἐν ταῖς νόσοις καὶ τὸ ἐπιθρηνεῖν, ἀνοδυρομένης ὡς ἐξ ἡδονῶν μεγάλων καὶ ἀγαπητῶν εἰς ἀγεννῇ καὶ ταπεινῇ ἀπελήλαται δίαιταν.

Εὖ γὰρ εἰρημένον τὸ “ἐλοῦ βίον τὸν ἄριστον, ἡδὺν δ' αὐτὸν ἢ συνήθεια ποιήσει,” καὶ κατὰ μέρος ὡς ἕκαστα πειρωμένῳ χρήσιμόν ἐστι, μάλιστα δὲ τῶν περὶ τὸ σῶμα διαιτημάτων, ἐν τοῖς ὑγιεινοτάτοις ἐπάγοντα τὴν συνήθειαν, εὐμενῇ καὶ γνώριμα τῇ φύσει καὶ οἰκεῖα παρασκευάζειν, [d] μεμνημένον ἃ πάσχουσιν ἔνιοι καὶ ποιοῦσιν ἐν ταῖς ἀρρωστίαις, χαλεπαίνοντες καὶ δυσανασχετοῦντες ὕδατος θερμοῦ προσφερομένου καὶ ῥοφήματος ἢ ἄρτου, μιὰρὰ μὲν ταῦτα καὶ ἀηδῇ μιαροὺς δὲ καὶ χαλεποὺς τοὺς

ἀναγκάζοντας ἀποκαλοῦντες. πολλοὺς δὲ καὶ λουτρὸν ἀπώλεσεν, οὐδὲν ἐν ἀρχῇ μέγα κακὸν ἔχοντας ἀλλ' ἢ τὸ μὴ δύνασθαι μηδ' ὑπομένειν γεύσασθαι τροφῆς ἀλούτους. ὧν καὶ Τίτος ἦν ὁ αὐτοκράτωρ, ὡς φασιν οἱ νοσηλεύσαντες.

Ἐτι τοίνυν ἐλέχθη τοιοῦτον, ὡς αἰεὶ μὲν ὑγιεινότερα σώματι τὰ εὐτελέστερα, μάλιστα δὲ [e] φυλακτέον πλησμονὰς καὶ μέθας καὶ ἡδυπαθείας ἐορτὴν τινα μέλλουσιν ἢ φίλων ὑποδοχὴν ἐν χερσὶν ἔχοντας ἢ προσδοκῶντας ἐστίαισιν βασιλικὴν καὶ ἡγεμονικὴν καὶ συμπεριφορὰν ἀπαραίτητον, οἷον ἐπιόντος ἀνέμου καὶ κύματος εὐσταλὲς τὸ σῶμα καὶ κοῦφον ἐν εὐδία παρασκευάζοντας. ἔργον γάρ ἐστιν ἐν συνουσίαις καὶ φιλοφροσύναις αὐτὸν ἐπὶ τῶν μετρίων καὶ τῶν συνήθων φυλάξαι μὴ πᾶσι μετ' ἀηδίας δεινῆς ἐπαχθῇ φανέντα καὶ φορτικόν. Ἰν' οὖν μὴ πῦρ ἐπὶ πυρί, ὡς φασι, πλησμονὴ τις ἐπὶ πλησμονῇ καὶ ἄκρατος ἐπ' [f] ἀκράτῳ γένηται, τὸ παιχθὲν ἀστείως ὑπὸ Φιλίππου μετὰ σπουδῆς μιμητέον. ἦν δὲ τοιοῦτον. ἄνθρωπος αὐτὸν ἐπὶ χώρας ὡς σὺν ὀλίγοις ὄντα δειπνῆσαι παρεκάλεσεν, εἴθ' ὁρῶν πολλοὺς ἄγοντα παρεσκευασμένων οὐ πολλῶν ἐταράττετο. συναισθόμενος οὖν ὁ Φίλιππος ὑπέπεμπε τῶν φίλων ἐκάστῳ [124] [a] κελεύων πλακοῦντι καταλιπεῖν χώραν, οἱ δὲ πειθόμενοι καὶ προσδοκῶντες ἐφείδοντο τῶν παρκειμένων. ἤρκεσεν οὖν ἅπασιν τὸ δεῖπνον. οὕτω δὴ προπαρασκευαστέον αὐτοὺς τῶν ἀναγκαίων συμπεριφορῶν, καὶ ὄψῳ καὶ πέμματα καὶ νῆ Δία μέθη χώραν φυλάττοντας ἐν τῷ σώματι, καὶ πρόσφατον ἐπὶ ταῦτα καὶ βουλομένην τὴν ὄρεξιν ἄγοντας.

Ἄν δὲ τοιαῦταί τινες ἄφνω βαρεῖς ὄντας ἡμᾶς καὶ διακειμένους φαύλως ἀνάγκαι καταλάβωσιν ἡγεμόνων καλούντων ἢ ξένων ἐπιφανέντων ὑπ' αἰδοῦς βαδίζειν εἰς ταὐτὸ τοῖς ἱκανῶς ἔχουσι καὶ [b] συμπίνειν, ἐνταῦθα μάλιστα δεῖ παρατετάχθαι πρὸς “τὴν μέγα σινομένην ἄνδρας αἰδῶ” καὶ δυσωπίαν, τὰ τοῦ τραγικοῦ Κρέοντος λέγοντος

Ταῦθ' ἡμῖν ὁ Γλαῦκος ἐν γέλῳτι προὔφερεν ὡς παιδαγωγικά· τῶν δ' ἄλλων οὐ πάνυ πρόθυμος ἦν ἀκούειν, οὐδ' ἡμεῖς ἐκείνῳ διηγείσθαι. σὺ δ' ἐπισκόπει τῶν λεχθέντων ἕκαστον.

Πρῶτος μὲν ὁ Σωκράτης παρακελεύόμενος φυλάττεσθαι τῶν βρωμάτων ὅσα μὴ πεινῶντας ἐσθίειν ἀναπείθει, καὶ τῶν πωμάτων ὅσα πίνειν μὴ διψῶντας, οὐχ ἀπλῶς τὸ χρῆσθαι τούτοις ἀπηγόρευσεν, [e] ἀλλὰ χρῆσθαι δεομένους ἐδίδασκε καὶ τὸ ἡδὺ κατατάττοντας αὐτῶν εἰς τὸ ἀναγκαῖον, ὥσπερ οἱ τὰ θεωρικὰ ποιοῦντες ἐν ταῖς πόλεσι στρατιωτικά. τὸ γὰρ ἡδὺ τῇ φύσει μέχρι ἂν ἦ μέρος τοῦ τρέφοντος οἰκεῖόν ἐστι, καὶ δεῖ πεινῶντας ἔτι τῶν ἀναγκαίων ἀπολαύειν ἢ τῶν ἡδέων, ἰδίᾳ δὲ μὴ κινεῖν ἐτέρας ὀρέξεις τῶν κοινῶν ἀπηλλαγμένους. ὥσπερ γὰρ αὖ τῷ Σωκράτει γυμνάσιον ἦν οὐκ ἀηδὲς ἢ ὄρχησις, οὕτως ὥτινι τὸ πέμμα καὶ τὸ τράγημα δεῖπνόν ἐστι καὶ σιτίον, ἦττον βλάπτεται· τὸ δ' ἀπέχοντα τῇ φύσει τὸ μέτριον καὶ πεπληρωμένον ἐπιδράττεσθαι τῶν τοιούτων φυλακτέον ἐν τοῖς μάλιστα. φυλακτέον δὲ τῆς περὶ ταῦτα φιληδονίας καὶ γαστριμαργίας οὐδὲν ἦττον ἀπειροκαλίαν καὶ φιλοτιμίαν· καὶ γὰρ αὐταὶ πολλάκις συναναπείθουσι μὴ πεινῶντας ἐσθίειν ἔνια καὶ πίνειν μὴ διψῶντας, ἀνελευθέρους κομιδῇ καὶ φορτικὰς ὑποβάλλουσαι φαντασίας, ὡς ἄτοπόν ἐστι πράγματος σπανίου καὶ πολυτελοῦς μὴ ἀπολαῦσαι παρόντος, οἷον οὐθατος ἢ μυκῆτων Ἰταλικῶν ἢ Σαμίου πλακοῦντος ἢ χιόνος ἐν Αἰγύπτῳ. ταῦτα γὰρ δήπου προάγεται πολλάκις χρῆσθαι τοῖς περιβοήτοις καὶ σπανίοις, ὥσπερ ὑπὸ κνίσσης [125] [a] τῆς κενῆς δόξης ἀγομένους καὶ τὸ σῶμα κοινωνεῖν μηδὲν δεόμενον ἀναγκάζοντας, ὅπως ἔχωσιν ἐτέροις διηγείσθαι, ζηλούμενοι τῆς ἀπολαύσεως τῶν οὕτω

δυσπορίστων καὶ περιττῶν. ὅμοια δὲ καὶ πρὸς γυναικας ἐνδόξους πάσχουσιν. ἰδίαις μὲν γὰρ ἔστιν ὅτε καὶ καλαῖς καὶ ἀγαπώσαις συναναπαυόμενοι τὴν ἡσυχίαν ἄγουσι, Φρύνη δὲ τελέσαντες ἀργύριον ἢ Λαῖδι καὶ τὸ σῶμα φαύλως καὶ πρὸς συνουσίαν ἀργῶς ἔχοντες διακείμενον ἐγείρουσιν ἅμα καὶ παρακαλοῦσι τὸ ἀκόλαστον ἐπὶ τὴν ἡδονὴν ὑπὸ τῆς κενῆς δόξης. αὕτῃ γοῦν ἔλεγεν ἡ Φρύνη πρεσβυτέρα [b] γεγεννημένη τὴν τρύγα πλείονος πωλεῖν διὰ τὴν δόξαν.

Ἔστι δὲ μέγα καὶ θαυμαστόν, ἂν ὅσον ἡ φύσις δεομένη δέχεται τῶν ἡδονῶν προσιέμενοι τῷ σώματι, μᾶλλον δ' ἂν τὰ πολλὰ παρὰ τὰς ὀρέξεις αὐτῷ διαμαχόμενοι καὶ ἀναβαλλόμενοι καὶ μόλις πάνυ ταῖς ἀναγκαίαις χρηματίζοντες ἦ, ὥς φησιν ὁ Πλάτων, καὶ δάκνοντος καὶ κατατείνοντος ἐνδιδόντες ἀβλαβεῖς ἀπαλλάττωμεν. τὰς δ' ἀνάπαλιν ἐκ τῆς ψυχῆς ἐπὶ τὸ σῶμα κατιούσας ἐπιθυμίας καὶ καταβιαζομένας τοῖς ἐκείνης ὑπηρετεῖν καὶ [c] συνεξανίστασθαι πάθεσιν οὐδεμία μηχανὴ τὸ μὴ σφοδροτάτας βλάβας καὶ μεγίστας ἐφ' ἡδοναῖς ἀσθενέσι καὶ ἀμαυραῖς ἐναπολιπεῖν. ἥκιστα δὲ ψυχῆς ἐπιθυμία σῶμα πρὸς ἡδονὰς κινητέον· ἡ γὰρ ἀρχὴ παρὰ φύσιν γίγνεται. καὶ καθάπερ αἱ τῶν μασχαλῶν ψηλαφήσεις οὐκ ἴδιον οὐδὲ πρᾶον οὐδ' ἴλεων γέλωτα τῇ ψυχῇ παρέχουσιν ἀλλ' εἰκότα σπασμῷ καὶ χαλεπόν, οὕτω πάλιν ὅσας τὸ σῶμα νυττόμενον ὑπὸ τῆς ψυχῆς ἡδονὰς ἴσχει καὶ ταραττόμενον, ἐκστατικαὶ καὶ ταρακτικαὶ αὗται καὶ ἀλλότριαι τῆς φύσεώς εἰσιν. ὅταν οὖν [d] τι τῶν σπανίων ἀπολαυσμάτων ἢ ἐνδόξων παραγένηται, φιλοτιμητέον ταῖς ἀποσχέσεσι μᾶλλον ἢ ταῖς ἀπολαύσεσι, μεμνημένους ὅτι καθάπερ ὁ Σιμωνίδης ἔλεγε μηδέποτ' αὐτῷ μεταμελῆσαι σιγήσαντι, φθεγξαμένῳ δὲ πολλάκις, οὕτως ἡμῖν οὗτ' ὅψον παρωσαμένοις μετεμέλησεν οὗθ' ὕδωρ ἀντὶ Φαλερίνου πιοῦσιν, ἀλλὰ τούναντίον· οὐ μόνον οὐ προσβιαστέον ἐστὶ τὴν φύσιν, ἀλλὰ κἂν δεομένη προσφέρηται τι τῶν τοιούτων, ἐπὶ τὰ λιτὰ καὶ συνήθη πολλάκις ἀποτρεπτέον ἔθους ἔνεκα καὶ μελέτης τὴν ὀρεξιν.

ἀλλὰ μᾶλλον ἐν εὐδία σαρκὸς καὶ γαλήνῃ καὶ Κύπρις εἰς ἡδονὴν τελευτᾷ καὶ βρῶσις καὶ πόσις· [d] ἢ δ' ὑγίεια ταῖς ἡδοναῖς ὥσπερ ἡ γαλήνῃ ταῖς ἀλκυόσιν ἀσφαλῇ καὶ καλὴν γένεσιν καὶ λοχείαν ἐνδίδωσι. κομψῶς γὰρ ἔοικεν ὁ Πρόδικος εἰπεῖν ὅτι τῶν ἡδυσμάτων ἄριστόν ἐστι τὸ πῦρ· ἀληθέστερον δ' ἂν τις εἴποι τὴν ὑγίειαν ἡδυσμα θεϊότατον εἶναι καὶ προσηνέστατον· ἐφθὰ μὲν γὰρ καὶ ὀπτὰ καὶ πεπτὰ βρώματα νοσοῦσιν ἢ κραιπαλῶσιν ἢ ναυτιῶσιν οὐδεμίαν ἡδονὴν οὐδὲ χάριν ἀποδίδωσι, καθαρὰ δὲ καὶ ἀκραιφνῆς ὀρεξεις ὑγιαίνουντι σώματι πᾶν ἡδὺ ποιεῖ καὶ “ἀρπαλέον,” ὡς Ὅμηρος ἔφη, καὶ πρόσφορον.

Ἐπεὶ δ' ὥσπερ ὁ Δημάδης πολεμικοὺς ἀκαίρως [e] τοὺς Ἀθηναίους ὄντας ἔλεγε μηδέποτε χειροτονεῖν εἰρήνην ἄνευ μελάνων ἱματίων, οὕτω καὶ ἡμεῖς οὐδέποτε μεμνήμεθα λιτῆς διαίτης καὶ σώφρονος ἄνευ κλύσεων καὶ καταπλασμάτων· ἐν τε τούτοις γενόμενοι πιέζομεν σφόδρα τὰς ἁμαρτίας, ἐναπερειδόμενοι τῇ μνήμῃ καί, καθάπερ οἱ πολλοὶ νῦν μὲν ἀέρας νῦν δὲ χώρας ἐπιμεμφόμενοι νοσῶδεις ἀποδημίας δεδιέναι λέγουσι, ἐξαιρούμενοι τῆς αἰτίας τὴν ἀκρασίαν καὶ φιληδονίαν· ἀλλ' ὥσπερ ὁ Λυσίμαχος ἐν Γέταις συσχεθεὶς δίψῃ καὶ παραδοὺς ἑαυτὸν μετὰ τοῦ στρατεύματος [f] αἰχμάλωτον εἶτα πίων ὕδωρ ψυχρόν, “ὦ θεοί,” εἶπεν, “ὡς βραχείας ἡδονῆς ἔνεκα μεγάλην εὐδαιμονίαν ἀπεβαλόμην,” οὕτως ἀνοιστέον ἐν ταῖς ἀρρωστίαις πρὸς αὐτοὺς ὡς διὰ ψυχροποσίαν ἢ λουτρὸν ἄκαιρον ἢ συμπεριφορὰν πολλὰς μὲν αὐτῶν διεφθείραμεν ἡδονάς, καλὰς δὲ πράξεις ἐπιτερπεῖς τε διαγωγὰς ἀπωλέσαμεν. ὁ γὰρ ἐκ τῶν τοιούτων ἀναλογισμῶν δηγμὸς αἰμάσσει τὴν μνήμην, ὥστε οἷον οὐλήν παραμένουσιν ἐν τῷ ὑγιαίνειν εὐλαβεστέρους ποιεῖν περὶ τὴν δίαιταν.

Οὐκ ἀγνοῶ δ' ὅτι καὶ διὰ κόπους πυρέττουσιν ἄνθρωποι καὶ δι' ἐγκαύσεις καὶ διὰ περιψύξεις. ἀλλ' ὥσπερ αἱ τῶν ἀνθέων ὀσμαι καθ' ἑαυτὰς ἀσθενεῖς εἰσι, μιχθεῖσαι δὲ τῷ ἐλαίῳ ῥώμην ἰσχυοῦσι καὶ τόνον, οὕτω ταῖς ἔξωθεν αἰτίαις καὶ [c] ἀρχαῖς οἶον οὐσίαν καὶ σῶμα παρέχει τὸ πλῆθος ὑποκείμενον. ἄνευ δὲ τούτου, τούτων χαλεπὸν οὐδέν, ἀλλ' ἐξαμαυροῦνται καὶ διαχέονται ῥαδίως, αἵματος λεπτοῦ καὶ πνεύματος καθαροῦ δεχομένου τὴν κίνησιν· ἐν δὲ πλήθει καὶ περιττώματι οἶον ἰλὺς ἀναταραττομένη μιὰρὰ ποιεῖ πάντα καὶ δυσχερῇ καὶ δυσανάλλακτα. διὸ δεῖ μὴ καθάπερ οἱ ἀγαστοὶ ναύκληροι πολλὰ δι' ἀπληστίαν ἐμβαλόμενοι, τὸν τεῦθεν ἤδη διατελοῦσιν ἀντλοῦντες καὶ ὑπεξερῶντες τὴν θάλατταν, οὕτως ἐμπλήσαντας τὸ σῶμα καὶ βαρύναντας ὑποκαθαίρειν [d] αὐτοὺς καὶ ὑποκλύζειν, ἀλλὰ διατηρεῖν εὐσταλές, ὅπως, κἂν πιεσθῇ ποτε, φελλοῦ δίκην ὑπὸ κουφότητος ἀναφέρεται.

Μάλιστα δὲ προφυλακτέον ἐν ταῖς προπαθείαις καὶ προαισθήσεσιν. οὐ γὰρ ἅπασαι κατὰ τὸν Ἡσίοδον ἐπιφοιτῶσιν αἱ νόσοι

Αὐθις οὖν ἀναλαβόντες ἐξ ἀρχῆς περὶ ἐκάστου, πρῶτον δὲ περὶ γυμνασίων φιλολόγοις ἀρμοζόντων λέγωμεν ὅτι ὥσπερ ὁ φήσας μηδὲν γράφειν παραθαλαττίους περὶ ὀλκάδων ἐδίδαξε τὴν χρεῖαν, οὕτω καὶ φιλολόγοις φαίη τις ἂν μὴ γράφειν περὶ γυμνασίων. ἢ γὰρ καθ' ἡμέραν τοῦ λόγου χρεῖα διὰ φωνῆς περαινομένη θαυμαστὸν οἶόν ἐστι γυμνάσιον οὐ μόνον πρὸς ὑγίειαν ἀλλὰ καὶ πρὸς ἰσχύν, [b] οὐ παλαιστικὴν οὐδὲ σαρκοῦσαν καὶ πυκνοῦσαν τὰ ἐκτὸς ὥσπερ οἰκοδομήματος, ἀλλὰ τοῖς ζωτικωτάτοις καὶ κυριωτάτοις μέρεσι ῥώμην ἐνδιάθετον καὶ τόνον ἀληθινὸν ἐμποιοῦσαν. ὅτι μὲν γὰρ ἰσχὺν ἐνδίδωσι τὸ πνεῦμα, δηλοῦσιν οἱ ἀλεῖπται, τοὺς ἀθλητὰς κελεύοντες ἀντερεῖδειν ταῖς τρίψεσι καὶ παρεγκόπτειν τείνοντας ἀεὶ τὰ πλαττόμενα μέρη καὶ ψηλαφώμενα τοῦ σώματος· ἢ δὲ φωνή, τοῦ πνεύματος οὔσα κίνησις, οὐκ ἐπιπολαίως ἀλλ' ὥσπερ ἐν πηγαῖς περὶ τὰ σπλάγχνα ῥωννυμένη, τὸ θερμὸν αὖξει καὶ λεπτύνει τὸ αἷμα, καὶ πᾶσαν μὲν [c] ἐκκαθαίρει φλέβα, πᾶσαν δ' ἀρτηρίαν ἀνοίγει, σύστασιν δὲ καὶ πῆξιιν ὑγρότητος οὐκ ἔῃ περιττωματικῆς ὥσπερ ὑποστάθμην ἐγγενέσθαι τοῖς τὴν τροφήν παραλαμβάνουσι καὶ κατεργαζομένοις ἀγγείοις. διὸ δεῖ μάλιστα ποιεῖν ἑαυτοὺς τοῦτω τῷ γυμνασίῳ συνήθεις καὶ συντρόφους ἐνδελεχῶς λέγοντας, ἂν δ' ἢ τις ὑποψία τοῦ σώματος ἐνδεέστερον ἢ κοπωδέστερον ἔχοντος, ἀναγιγνώσκοντας ἢ ἀναφωνοῦντας. ὅπερ γὰρ αἰῶρα πρὸς γυμνάσιόν ἐστι, τοῦτο πρὸς διάλεξιν ἀνάγνωσις, ὥσπερ ἐπ' ὀχήματος ἁλλοτρίου λόγου κινουσα μαλακῶς καὶ διαφοροῦσα πρᾶως τὴν φωνήν. ἢ δὲ διάλεξις ἀγῶνα καὶ σφοδρότητα προστίθησιν, ἅμα τῆς [d] ψυχῆς τῷ σώματι συνεπιτιθεμένης. κραυγὰς μέντοι περιπαθεῖς καὶ σπαραγμῶδεις εὐλαβητέον· αἱ γὰρ ἄνῳμαλοι προβολαὶ καὶ διατάσεις τοῦ πνεύματος ῥήγματα καὶ σπάσματα ποιοῦσιν.

[b] Μετὰ τὸν πάτριον θεσμόν, ὃν ὑμῖν ἡ τῆς Δήμητρος ἰέρεια συνειργνυμένοις ἐφήρμοσεν, οἶμαι καὶ τὸν λόγον ὁμοῦ συνεφαπτόμενον ὑμῶν καὶ συνυμεναιοῦντα χρήσιμον ἂν τι ποιῆσαι καὶ τῷ νόμῳ προσωδόν.

Ἐν μὲν γὰρ τοῖς μουσικοῖς ἓνα τῶν αὐλητικῶν νόμων ἱππόθορον ἐκάλουν, μέλος τι τοῖς ἵπποις ὀρμῆς ἐπεγερτικὸν ὡς ἔοικεν ἐνδιδόν τε περὶ τὰς ὀχείας· φιλοσοφία δὲ πολλῶν λόγων καὶ καλῶν [c] ἐνόντων, οὐδενὸς ἦττον ἄξιος σπουδῆς ὁ γαμήλιός ἐστιν οὗτος, ὃ κατὰδουσα τοὺς ἐπὶ βίου κοινωνία συνιόντας εἰς ταῦτ' ὁ πρᾶνός τε παρέχει καὶ χειροθήεις ἀλλήλοις. ὧν οὖν ἀκηκόατε πολλάκις ἐν φιλοσοφίᾳ παρατρεφόμενοι κεφάλαια συντάξας ἔν τισιν ὁμοιότησι βραχείαις, ὡς εὐμνημόνευτα μᾶλλον εἶη, κοινὸν ἀμφοτέροις πέμπω δῶρον, εὐχόμενος τῇ Ἀφροδίτῃ τὰς Μούσας παρεῖναι καὶ συνεργεῖν, ὡς μήτε λύραν τινὰ μήτε κιθάραν μᾶλλον αὐταῖς ἢ τὴν περὶ γάμον καὶ οἶκον ἐμμέλειαν ἡρμοσμένην παρέχειν διὰ λόγου καὶ ἁρμονίας καὶ φιλοσοφίας προσῆκον. καὶ γὰρ οἱ παλαιοὶ τῇ Ἀφροδίτῃ τὸν Ἑρμῆν συγκαθίδρυσαν, ὡς τῆς περὶ τὸν γάμον [d] ἡδονῆς μάλιστα λόγου δεομένης, τήν τε Πειθῶ καὶ τὰς Χάριτας, ἵνα πείθοντες διαπράττωνται παρ' ἀλλήλων ἃ βούλονται, μὴ μαχόμενοι μηδὲ φιλονεικοῦντες.

Ὁ Σόλων ἐκέλευε τὴν νύμφην τῷ νυμφίῳ συγκατακλίνεσθαι μήλου κυδωνίου κατατραγοῦσαν, αἰνιττόμενος ὡς ἔοικεν ὅτι δεῖ τὴν ἀπὸ στόματος καὶ φωνῆς χάριν εὐἄρμοστον εἶναι πρῶτον καὶ ἡδεῖαν.

Ἐν Βοιωτίᾳ τὴν νύμφην κατακαλύψαντες ἀσφαραγωνῖα στεφανοῦσιν· ἐκείνη τε γὰρ ἡδιστον ἐκ τραχυτάτης ἀκάνθης καρπὸν ἀναδίδωσιν, ἥ τε νύμφη τῷ μὴ φυγόντι μηδὲ δυσχεράναντι τὴν πρώτην χαλεπότητα καὶ ἀηδίαν αὐτῆς ἡμερον καὶ [e] γλυκεῖαν παρέξει συμβίωσιν. οἱ δὲ τὰς πρώτας τῶν παρθένων διαφορὰς μὴ ὑπομείναντες οὐδὲν ἀπολείπουσι τῶν διὰ τὸν ὄμφακα τὴν σταφυλὴν ἑτέροις προῖεμένων. πολλαὶ δὲ καὶ τῶν νεογάμων

Ἐν ἀρχῇ μάλιστα δεῖ τὰς διαφορὰς καὶ τὰς προσκρούσεις φυλάττεσθαι τοὺς γεγαμηκότας, ὁρῶντας ὅτι καὶ τὰ συναρμοσθέντα τῶν σκευῶν κατ' ἀρχὰς μὲν ὑπὸ τῆς τυχοῦσης ῥαδίως διασπᾶται προφάσεως, [f] χρόνῳ δὲ τῶν ἀρμῶν σύμπηξιν λαβόντων μόλις ὑπὸ πυρὸς καὶ σιδήρου διαλύεται.

Ὡσπερ τὸ πῦρ ἐξάπτεται μὲν εὐχερῶς ἐν ἀχύροις καὶ θρυαλλίδι καὶ θριξὶ λαγώαις, σβέννυται δὲ τάχιον ἂν μὴ τινος ἐτέρου δυναμένου στέγειν ἅμα καὶ τρέφειν ἐπιλάβηται, οὕτω τὸν ἀπὸ σώματος καὶ ὥρας ὀξὺν ἔρωτα τῶν νεογάμων ἀναφλεγόμενον δεῖ μὴ διαρκῇ μηδὲ βέβαιον νομίζειν, ἂν μὴ περὶ τὸ ἦθος ἰδρυθεὶς καὶ τοῦ φρονούντος ἀψάμενος ἔμψυχον λάβῃ διάθεσιν.

[139] [a] Ἡ διὰ τῶν φαρμάκων θήρα ταχὺ μὲν αἰρεῖ καὶ λαμβάνει ῥαδίως τὸν ἰχθύν, ἄβρωτον δὲ ποιεῖ καὶ φαῦλον· οὕτως αἱ φίλτρα τινὰ καὶ γοητείας ἐπιτεχνώμεναι τοῖς ἀνδράσι καὶ χειρούμεναι δι' ἡδονῆς αὐτοὺς ἐμπλήκτοις καὶ ἀνοήτοις καὶ διεφθαρμένοις συμβιοῦσιν. οὐδὲ γὰρ τὴν Κίρκην ὦνησαν οἱ καταφαρμακευθέντες, οὐδ' ἐχρήσατο πρὸς οὐδὲν αὐτοῖς ὕσι καὶ ὄνοις γενομένοις, τὸν δ' Ὀδυσσεύα νοῦν ἔχοντα καὶ συνόντα φρονίμως ὑπερηγάπησεν.

Αἱ βουλόμεναι μᾶλλον ἀνοήτων κρατεῖν ἀνδρῶν ἢ φρονίμων ἀκούειν εἰκότασι τοῖς ἐν ὁδῷ βουλομένοις μᾶλλον ὀδηγεῖν τυφλοὺς ἢ τοῖς γιγνώσκουσιν ἀκολουθεῖν καὶ βλέπουσι.

[b] Τὴν Πασιφάην ἀπιστοῦσι βοδὸς ἐρασθῆναι βασιλεῖ συνοῦσαν, ἐνίας ὁρῶσαι τοὺς μὲν αὖστηροὺς καὶ σώφρονας βαρυνόμενας, τοῖς δ' ἐξ ἀκρασίας καὶ φιληδονίας κεκραμένοις ὥσπερ κυστὴν ἢ τράγοις ἥδιον συνούσας.

Οἱ τοῖς ἵπποις ἐφάλλεσθαι μὴ δυνάμενοι δι' ἀσθένειαν ἢ μαλακίαν αὐτοὺς ἐκείνους ὀκλάζειν καὶ ὑποπίπτειν διδάσκουσιν· οὕτως ἔνιοι τῶν λαβόντων εὐγενεῖς ἢ πλουσίας γυναικάς οὐχ ἑαυτοὺς ποιοῦσι βελτίους ἀλλ' ἐκείνας περικολοῦουσιν, ὡς μᾶλλον ἄρξοντες ταπεινῶν γενομένων. δεῖ δ' ὥσπερ ἵππου τὸ μέγεθος φυλάττοντα καὶ τὸ ἀξίωμα τῆς γυναικὸς χρῆσθαι τῷ χαλινῷ.

[c] Τὴν σελήνην, ὅταν ἀποστῇ τοῦ ἡλίου, περιφανῇ καὶ λαμπρὰν ὁρῶμεν, ἀφανίζεται δὲ καὶ κρύπτεται πλησίον γενομένη.

τὴν δὲ σὺφφρονα γυναιῖκα δεῖ τοῦναντίον ὁρᾶσθαι μάλιστα μετὰ τοῦ ἀνδρὸς οὕσαν, οἰκουρεῖν δὲ καὶ κρύπτεσθαι μὴ παρόντος.

Οὐκ ὁρθῶς Ἡρόδοτος εἶπεν ὅτι ἡ γυνὴ ἅμα τῷ χιτῶνι ἐκδύεται καὶ τὴν αἰδῶ· τοῦναντίον γὰρ ἡ σὺφφρων ἀντενδύεται τὴν αἰδῶ, καὶ τοῦ μάλιστα φιλεῖν τῷ μάλιστα αἰδεῖσθαι συμβόλῳ χρῶνται πρὸς ἀλλήλους.

Ὡσπερ ἂν φθόγγοι δύο σύμφωνοι ληφθῶσι, [d] τοῦ βαρυτέρου γίγνεται τὸ μέλος, οὕτω πᾶσα πρᾶξις ἐν οἰκίᾳ σωφρονούσῃ πράττεται μὲν ὑπ' ἀμφοτέρων ὁμονοούντων, ἐπιφαίνει δὲ τὴν τοῦ ἀνδρὸς ἡγεμονίαν καὶ προαίρεσιν.

Ὁ ἥλιος τὸν βορέαν ἐνίκησεν. ὁ γὰρ ἄνθρωπος τοῦ μὲν ἀνέμου βιαζομένου τὸ ἱμάτιον ἀφελέσθαι καὶ λαμπρὸν καταπνέοντος μᾶλλον ἔσφιγγε καὶ συνεῖχε τὴν περιβολήν· τοῦ δ' ἡλίου μετὰ τὸ πνεῦμα θερμοῦ γενομένου θαλπόμενος εἴτα καυμαπιζόμενος καὶ τὸν χιτῶνα τῷ ἱματίῳ προσασπεδύσατο. τοῦτο ποιοῦσιν αἱ πλεῖστοι γυναῖκες· ἀφαιρουμένοις [e] τοῖς ἀνδράσι βίᾳ τὴν τρυφήν καὶ τὴν πολυτέλειαν διαμάχονται καὶ χαλεπαίνουσιν· ἂν δὲ πείθονται μετὰ λόγου, πράως ἀποτίθενται καὶ μετριάζουσιν.

Ὁ Κάτων ἐξέβαλε τῆς βουλῆς τὸν φιλήσαντα τὴν ἑαυτοῦ γυναιῖκα τῆς θυγατρὸς παρούσης. τοῦτο μὲν οὖν ἴσως σφοδρότερον· εἰ δ' αἰσχρόν ἐστιν, ὥσπερ ἐστίν, ἐτέρων παρόντων ἀσπάζεσθαι καὶ φιλεῖν καὶ περιβάλλειν ἀλλήλους, πῶς οὐκ αἰσχίον ἐτέρων παρόντων λοιδορεῖσθαι καὶ διαφέρεσθαι πρὸς ἀλλήλους, καὶ τὰς μὲν ἐντεύξεις καὶ φιλοφροσύνας ἀπορρήτους πρὸς τὴν γυναιῖκα [f] ποιεῖσθαι, νουθεσίᾳ δὲ καὶ μέμψει καὶ παρρησίᾳ χρῆσθαι φανερᾷ καὶ ἀναπεπταμένη;

Ὡσπερ ἐσόπτρου κατεσκευασμένου χρυσῷ καὶ λίθοις ὄφελος οὐδὲν ἐστίν, εἰ μὴ δείκνυσι τὴν μορφήν ὁμοίαν, οὕτως οὐδὲ πλουσίας γαμετῆς ὄνησις, εἰ μὴ παρέχει τὸν βίον ὅμοιον τῷ ἀνδρὶ καὶ σύμφωνον τὸ ἦθος. εἰ χαίροντος μὲν εἰκόνα σκυθρωπὴν ἀποδίδωσι τὸ ἔσοπτρον, ἀχθομένου δὲ καὶ σκυθρωπάζοντος ἱλαρὰν καὶ σεσηρυῖαν, ἡμαρτημένον ἐστὶ καὶ φαῦλον. οὐκοῦν καὶ γυνὴ φαῦλος καὶ ἄκαιρος ἡ παίζειν μὲν ὠρμημένου καὶ φιλοφρονεῖσθαι τοῦ ἀνδρὸς ἐσκυθρωπακυῖα, σπουδάζοντος δὲ παίζουσα καὶ γελῶσα· τὸ μὲν γὰρ ἀηδίας, [140] [a] τὸ δ' ὀλιγωρίας. δεῖ δέ, ὥσπερ οἱ γεωμέτραι λέγουσι τὰς γραμμὰς καὶ τὰς ἐπιφανείας οὐ κινεῖσθαι καθ' ἑαυτὰς ἀλλὰ συγκινεῖσθαι τοῖς

σώμασιν, οὕτω τὴν γυναῖκα μηδὲν ἴδιον πάθος ἔχειν, ἀλλὰ κοινωνεῖν τῷ ἀνδρὶ καὶ σπουδῆς καὶ παιδιᾶς καὶ συννοίας καὶ γέλωτος.

Οἱ τὰς γυναῖκας μὴ ἡδέως βλέποντες ἐσθιούσας μετ' αὐτῶν διδάσκουσιν ἐμπίπλασθαι μόνας γενομένας. οὕτως οἱ μὴ συνόντες ἱλαρῶς ταῖς γυναιξὶ μηδὲ παιδιᾶς κοινωνοῦντες αὐταῖς καὶ γέλωτος ἰδίας ἡδονὰς χωρὶς αὐτῶν ζητεῖν διδάσκουσιν.

[b] Τοῖς τῶν Περσῶν βασιλεῦσιν αἱ γνήσiai γυναῖκες παρακάθηνται δειπνοῦσι καὶ συνεστιῶνται· βουλόμενοι δὲ παίζειν καὶ μεθύσκεσθαι ταύτας μὲν ἀποπέμπουσι, τὰς δὲ μουσουργοὺς καὶ παλλακίδας καλοῦσιν, ὀρθῶς τοῦτό γ' αὐτὸ ποιοῦντες, ὅτι τοῦ συνακολασταίνειν καὶ παροινεῖν οὐ μεταδιδόασι ταῖς γαμεταῖς. ἂν οὖν ἰδιώτης ἀνὴρ, ἀκρατὴς δὲ περὶ τὰς ἡδονὰς καὶ ἀνάγωγος, ἐξαμάρτη τι πρὸς ἑταίραν ἢ θεραπαινίδα, δεῖ τὴν γαμετὴν μὴ ἀγανακτεῖν μηδὲ χαλεπαίνειν, λογιζομένην ὅτι παροινίας καὶ ἀκολασίας καὶ ὕβρεως αἰδούμενος αὐτὴν ἐτέρᾳ μεταδίδωσιν.

[c] Οἱ φιλόμουσοι τῶν βασιλέων πολλοὺς μουσικοὺς ποιοῦσιν, οἱ φιλόλογοι λογίους, οἱ φιλαθληταὶ γυμναστικούς. οὕτως ἀνὴρ φιλοσώματος καλλωπίστριαν γυναῖκα ποιεῖ, φιλήδονος ἑταιρικὴν καὶ ἀκόλαστον, φιλάγαθος καὶ φιλόκαλος σώφρονα καὶ κοσμίαν.

Λάκαινα παιδίσκη, πυνθανομένου τινὸς εἰ ἤδη τάνδρῃ προσελήλυθεν, “οὐκ ἔγωγ’,” εἶπεν, “ἀλλ’ ἐμοὶ ἐκεῖνος.” οὗτος ὁ τρόπος, οἶμαι, τῆς οἰκοδεσποίνης, μήτε φεύγειν μήτε δυσχεραίνειν τὰ τοιαῦτα τοῦ ἀνδρὸς ἀρχομένου μήτ’ αὐτὴν κατάρχεσθαι. [d] τὸ μὲν γὰρ ἑταιρικὸν καὶ ἰταμόν, τὸ δ’ ὑπερήφανον καὶ ἀφιλόστοργον.

Ἰδίους οὐ δεῖ φίλους κτᾶσθαι τὴν γυναῖκα, κοινοῖς δὲ χρῆσθαι τοῖς τοῦ ἀνδρός· οἱ δὲ θεοὶ φίλοι πρῶτοι καὶ μέγιστοι. διὸ καὶ θεοὺς οὕς ὁ ἀνὴρ νομίζει σέβεσθαι τῇ γαμετῇ καὶ γινώσκειν μόνους προσήκει, περιέργοις δὲ θρησκείαις καὶ ξέναις δεισιδαιμονίαις ἀποκεκλειῆσθαι τὴν αὐλειον. οὐδενὶ γὰρ θεῶν ἱερὰ κλεπτόμενα καὶ λανθάνοντα δρᾶται κεχαρισμένως ὑπὸ γυναικός.

Ὁ Πλάτων φησὶν εὐδαίμονα καὶ μακαρίαν εἶναι πόλιν, ἐν ᾗ “τὸ ἐμὸν καὶ τὸ οὐκ ἐμὸν”

[e] ἥκιστα φθεγγομένων ἀκούουσι διὰ τὸ κοινοῖς ὥς ἔνι μάλιστα χρῆσθαι τοῖς ἀξίοις σπουδῆς τοὺς πολίτας. πολὺ δὲ μᾶλλον ἐκ γάμου δεῖ τὴν τοιαύτην φωνὴν ἀνηρῆσθαι. πλὴν ὥσπερ

οἱ ἰατροὶ λέγουσι τὰς τῶν εὐωνύμων πληγὰς τὴν αἴσθησιν ἐν τοῖς δεξιοῖς ἀναφέρειν, οὕτω τὴν γυναῖκα τοῖς τοῦ ἀνδρὸς συμπαθεῖν καλὸν καὶ τὸν ἄνδρα τοῖς τῆς γυναικὸς, ἔν' ὥσπερ οἱ δεσμοὶ κατὰ τὴν ἐπάλλαξιν ἰσχὺν δι' ἀλλήλων λαμβάνουσιν, οὕτως ἑκατέρου τὴν εὐνοίαν ἀντίστροφον ἀποδιδόντος ἡ κοινωνία σῶζεται δι' ἀμφοῖν. καὶ γὰρ ἡ φύσις [f] μίγνυσσι διὰ τῶν σωμάτων ἡμᾶς, ἔν' ἑξ ἑκατέρων μέρος λαβοῦσα καὶ συγγέασα κοινὸν ἀμφοτέροις ἀποδῶ τὸ γεννώμενον, ὥστε μηδέτερον διορίσαι μηδὲ διακρίναι τὸ ἴδιον ἢ τὸ ἀλλότριον. αὕτη τοίνυν καὶ χρημάτων κοινωνία προσήκει μάλιστα τοῖς γαμοῦσιν, εἰς μίαν οὐσίαν πάντα καταχεαμένοις καὶ ἀναμείξασι μὴ τὸ μέρος ἴδιον καὶ τὸ μέρος ἀλλότριον ἀλλὰ πᾶν ἴδιον ἡγεῖσθαι καὶ μηδὲν ἀλλότριον. ὥσπερ τὸ κρᾶμα καίτοι ὕδατος μετέχον πλείονος οἴνον καλοῦμεν, οὕτω τὴν οὐσίαν δεῖ καὶ τὸν οἶκον τοῦ ἀνδρὸς λέγεσθαι, κἂν ἡ γυνὴ πλείονα συμβάλλῃται.

Φιλόπλουτος ἡ Ἑλένη, φιλήδονος ὁ Πάρις· φρόνιμος ὁ Ὀδυσσεύς, σώφρων ἡ Πηνελόπη. διὰ τοῦτο μακάριος γάμος ὁ τούτων καὶ ζηλωτός, ὁ [141] [a] δ' ἐκείνων Ἰλιάδα κακῶν Ἑλλήσι καὶ βαρβάροις ἐποίησεν.

Ὁ Ῥωμαῖος ὑπὸ τῶν φίλων νουθετούμενος ὅτι σώφρονα γυναῖκα καὶ πλουσίαν καὶ ὠραίαν ἀπεπέμψατο, τὸν κάλτιον αὐτοῖς προτείνας “καὶ γὰρ οὗτος,” ἔφη, “καλὸς ἰδεῖν καὶ καινός, ἀλλ' οὐδεὶς οἶδεν ὅπου με θλίβει.” δεῖ τοίνυν μὴ προικὶ μηδὲ γένει μηδὲ κάλλει τὴν γυναῖκα πιστεύειν, ἀλλ' ἐν οἷς ἄπτεται μάλιστα τοῦ ἀνδρὸς, ὁμιλία τε καὶ ἥθει καὶ συμπεριφορᾷ, ταῦτα μὴ σκληρὰ μὴδ' ἀνιῶντα [b] καθ' ἡμέραν ἀλλ' εὐάρμοστα καὶ ἄλυπα καὶ προσφιλεῖ παρέχειν. ὥσπερ γὰρ οἱ ἰατροὶ τοὺς ἐξ αἰτιῶν ἀδήλων καὶ κατὰ μικρὸν συλλεγομένων γεννωμένους πυρετοὺς μᾶλλον δεδοίκασιν ἢ τοὺς ἐμφανεῖς καὶ μεγάλας προφάσεις ἔχοντας, οὕτω τὰ λανθάνοντα τοὺς πολλοὺς μικρὰ καὶ συνεχῇ καὶ καθημερινὰ προσκρούματα γυναικὸς καὶ ἀνδρὸς μᾶλλον δίστησι καὶ λυμαίνεται τὴν συμβίωσιν.

Ὁ βασιλεὺς Φίλιππος ἦρα Θεσσαλῆς γυναικὸς αἰτίαν ἐχούσης καταφαρμακεύειν αὐτόν. ἐσπούδασεν οὖν ἡ Ὀλυμπιάς λαβεῖν τὴν ἄνθρωπον ὑποχείριον. ὥς δ' εἰς ὄψιν ἔλθοῦσα τό τ' εἶδος εὐπρεπῆς ἐφάνη καὶ διελέχθη πρὸς αὐτὴν οὐκ [c] ἀγεννῶς οὐδ' ἀσυνέτως, “χαιρέτωσαν,” εἶπεν ἡ Ὀλυμπιάς, “αἱ διαβολαί. σὺ γὰρ ἐν σεαυτῇ τὰ φάρμακα ἔχεις.” ἄμαχον οὖν τι γίγνεται πρᾶγμα

γαμετή γυνή καὶ νόμιμος, ἂν ἐν αὐτῇ πάντα θεμένη, καὶ προῖκα καὶ γένος καὶ φάρμακα καὶ τὸν κεστὸν αὐτόν, ἦθει καὶ ἀρετῇ κατεργάσεται τὴν εὖνοιαν.

Πάλιν ἡ Ὀλυμπιάς, αὐλικοῦ τινος νεανίσκου γήμαντος εὐπρεπῇ γυναιῖκα κακῶς ἀκούουσας, “οὗτος,” εἶπεν, “οὐκ ἔχει λογισμόν· οὐ γὰρ ἂν τοῖς ὀφθαλμοῖς ἔγνημε.” δεῖ δὲ μὴ τοῖς ὄμμασι γαμεῖν μηδὲ τοῖς δακτύλοις, ὥσπερ ἔνιοι ψηφίσαντες [d] πόσα φέρουσας λαμβάνουσιν, οὐ κρίναντες πῶς συμβιωσομένην.

Ὁ Σωκράτης ἐκέλευε τῶν ἐσοπτριζομένων νεανίσκων τοὺς μὲν αἰσχροὺς ἐπανορθοῦσθαι τῇ ἀρετῇ, τοὺς δὲ καλοὺς μὴ κατασχύνειν τῇ κακίᾳ τὸ εἶδος. καλὸν οὖν καὶ τὴν οἰκοδέσποιναν, ὅταν ἐν ταῖς χερσὶν ἔχη τὸ ἔσοπτρον, αὐτὴν ἐν ἑαυτῇ διαλαλεῖν, τὴν μὲν αἰσχράν “τί οὖν, ἂν μὴ σώφρων γένωμαι;” τὴν δὲ καλήν “τί οὖν, ἂν καὶ σώφρων γένωμαι;” τῇ γὰρ αἰσχροῖ σμενδὸν εἰ φιλεῖται διὰ τὸ ἦθος μᾶλλον ἢ τὸ κάλλος.

Ταῖς Λυσάνδρου θυγατράσιν ὁ τύραννος ὁ Σικελικὸς ἱμάτια καὶ πλόκια τῶν πολυτελῶν ἔπεμψεν· [e] ὁ δὲ Λύσανδρος οὐκ ἔλαβεν εἰπὼν, “ταῦτα τὰ κόσμια κατασχυνεῖ μου μᾶλλον ἢ κοσμήσει τὰς θυγατέρας.” πρότερος δὲ Λυσάνδρου Σοφοκλῆς τοῦτ’ εἶπεν,

οὐ κόσμος, οὐκ, ὦ τλῆμον, ἀλλ’ ἀκοσμία
φαίνοιτ’ ἂν εἶναι σῶν τε μαργότης φρενῶν.

“κόσμος γὰρ ἐστίν,” ὥς ἔλεγε Κράτης, “τὸ κοσμοῦν.” κοσμεῖ δὲ τὸ κοσμιωτέραν τὴν γυναιῖκα ποιοῦν. ποιεῖ δὲ τοιαύτην οὔτε χρυσὸς οὔτε σμάραγδος οὔτε κόκκος, ἀλλ’ ὅσα σεμνότητος εὐταξίας αἰδοῦς ἔμφασιν περιτίθησιν.

Οἱ τῇ γαμηλίᾳ θύοντες Ἦρα τὴν χολὴν οὐ [f] συγκαθαγίζουσι τοῖς ἄλλοις ἱεροῖς, ἀλλ’ ἐξελόντες ἔρριψαν παρὰ τὸν βωμόν, αἰνιττομένου τοῦ νομοθέτου τὸ μηδέποτε δεῖν χολὴν μηδ’ ὀργὴν γάμῳ παρεῖναι. δεῖ γὰρ εἶναι τῆς οἰκοδεσποίνης ὥσπερ οἴνου τὸ αὐστηρὸν ὠφέλιμον καὶ ἡδύ, μὴ πικρὸν ὥσπερ ἀλόης μηδὲ φαρμακῶδες.

Ὁ Πλάτων τῷ Ξενοκράτει βαρυτέρῳ τὸ ἦθος ὄντι τᾶλλα δὲ καλῶ κάγαθῶ παρεκελεύετο θύειν ταῖς Χάρισιν. οἴμαι δὲ καὶ τῇ σώφρονι μάλιστα δεῖν πρὸς τὸν ἄνδρα χαρίτων, ἴν’, ὥς ἔλεγε [142] [a] Μητροδώρος, “ἡδέως συνοικῇ καὶ μὴ ὀργιζομένη ὅτι σωφρονεῖ.” δεῖ γὰρ μήτε τὴν εὐτελεῖ καθαριότητος ἀμελεῖν μήτε τὴν φίλανδρον φιλοφροσύνης· ποιεῖ γὰρ ἡ χαλεπότης ἀηδῇ τὴν

εὐταξίαν τῆς γυναικός, ὥσπερ ἡ ῥυπαρία τὴν ἀφέλειαν.

Ἡ φοβουμένη γελάσαι πρὸς τὸν ἄνδρα καὶ παῖξαί τι, μὴ φανῇ θρασεῖα καὶ ἀκόλαστος, οὐδὲν διαφέρει τῆς ἵνα μὴ δοκῇ μυρίζεσθαι τὴν κεφαλὴν μηδ' ἀλειφομένης, καὶ ἵνα μὴ φυκοῦσθαι τὸ πρόσωπον μηδὲ νιπτομένης. ὀρῶμεν δὲ καὶ ποιητὰς καὶ ῥήτορας, ὅσοι φεύγουσι τὸ περὶ τὴν λέξιν ὀχλικὸν [b] καὶ ἀνελεύθερον καὶ κακόζηλον, τοῖς πράγμασι καὶ ταῖς οἰκονομίαις καὶ τοῖς ἡθεσιν ἄγειν καὶ κινεῖν τὸν ἀκροατὴν φιλοτεχνοῦντας. διὸ δεῖ καὶ τὴν οἰκοδόσποιναν ὅτι πᾶν τὸ περιττὸν καὶ ἑταιρικὸν καὶ πανηγυρικόν, εὖ ποιοῦσα, φεύγει καὶ παραιτεῖται, μᾶλλον φιλοτεχνεῖν ἐν ταῖς ἠθικαῖς καὶ βιωτικαῖς χάρισι πρὸς τὸν ἄνδρα, τῷ καλῷ μεθ' ἡδονῆς συνεθίζουσιν αὐτόν. ἂν δ' ἄρα φύσει τις αὐστηρὰ καὶ ἄκρατος γένηται καὶ ἀνῆδυντος, εὐγνωμονεῖν δεῖ τὸν ἄνδρα, καὶ καθάπερ ὁ Φωκίων, τοῦ Ἀντιπάτρου πρᾶξιν αὐτῷ προστάττοντος οὐ [c] καλὴν οὐδὲ πρέπουσαν, εἶπεν “οὐ δύνασάι μοι καὶ φίλῳ χρῆσθαι καὶ κόλακι,” οὕτω λογίζεσθαι περὶ τῆς σώφρονος καὶ αὐστηρᾶς γυναικός “οὐ δύναμαι τῇ αὐτῇ καὶ ὡς γαμετῇ καὶ ὡς ἑταίρᾳ συνεῖναι.”

Ταῖς Αἰγυπτίαις ὑποδήμασι χρῆσθαι πάτριον οὐκ ἦν, ὅπως ἐν οἴκῳ διημερεύωσι. τῶν δὲ πλείστων γυναικῶν ἂν ὑποδήματα διάχρυσά περιέλῃς καὶ ψέλλια καὶ περισκελίδας καὶ πορφύραν καὶ μαργαρίτας, ἔνδον μένουσιν.

Ἡ Θεανὼ παρέφηνε τὴν χεῖρα περιβαλλομένη τὸ ἱμάτιον. εἰπόντος δέ τινος “καλὸς ὁ πῆχυς,” “ἄλλ’ οὐ δημόσιος,” ἔφη. δεῖ δὲ μὴ μόνον [d] τὸν πῆχυν ἀλλὰ καὶ τὸν λόγον δημόσιον εἶναι τῆς σώφρονος, καὶ τὴν φωνὴν ὡς ἀπογύμνωσιν αἰδεῖσθαι καὶ φυλάττεσθαι πρὸς τοὺς ἐκτός· ἐνορᾶται γὰρ αὐτῇ καὶ πάθος καὶ ἦθος καὶ διάθεσις λαλούσης.

Τὴν Ἥλείων ὁ Φειδίας Ἀφροδίτην ἐποίησε χελώνην πατοῦσαν, οἰκουρίας σύμβολον ταῖς γυναιξὶ καὶ σιωπῇς. δεῖ γὰρ ἢ πρὸς τὸν ἄνδρα λαλεῖν ἢ διὰ τοῦ ἀνδρός, μὴ δυσχεραίνουσιν εἰ δι’ ἄλλοτρίας γλώττης ὥσπερ αὐλητῆς φθέγγεται σεμνότερον.

Οἱ πλούσιοι καὶ οἱ βασιλεῖς τιμῶντες τοὺς φιλοσόφους αὐτοὺς τε κοσμοῦσι καὶ κείνους, οἱ δὲ φιλόσοφοι τοὺς πλουσίους θεραπεύοντες οὐκ ἐκείνους [e] ποιοῦσιν ἐνδόξους ἀλλ’ αὐτοὺς ἀδοξότερους. τοῦτο συμβαίνει καὶ περὶ τὰς γυναῖκας. ὑποτάττουσαι μὲν γὰρ ἑαυτὰς τοῖς ἀνδράσιν ἐπαινοῦνται, κρατεῖν

δὲ βουλόμεναι μᾶλλον τῶν κρατουμένων ἀσχημονοῦσι. κρατεῖν δὲ δεῖ τὸν ἄνδρα τῆς γυναικὸς οὐχ ὥς δεσπότην κτήματος ἀλλ' ὥς ψυχὴν σώματος, συμπαθοῦντα καὶ συμπεφυκότα τῇ εὐνοίᾳ. ὥσπερ οὖν σώματος ἔστι κήδεσθαι μὴ δουλεύοντα ταῖς ἡδοναῖς αὐτοῦ καὶ ταῖς ἐπιθυμίαις, οὕτω γυναικὸς ἄρχειν εὐφραίνοντα καὶ χαριζόμενον. Τῶν σωμάτων οἱ φιλόσοφοι τὰ μὲν ἐκ διεστώτων λέγουσιν εἶναι καθάπερ στόλον καὶ [f] στρατόπεδον, τὰ δ' ἐκ συναπτομένων ὥς οἰκίαν καὶ ναῦν, τὰ δ' ἡνωμένα καὶ συμφυῇ καθάπερ ἐστὶ τῶν ζώων ἕκαστον. σχεδὸν οὖν καὶ γάμος ὁ μὲν τῶν ἐρώντων ἡνωμένος καὶ συμφυῆς ἐστίν, ὁ δὲ τῶν διὰ προίikas ἢ τέκνα γαμούντων ἐκ συναπτομένων, ὁ δὲ τῶν συγκαθευδόντων ἐκ διεστώτων, οὓς συνοικεῖν ἂν τις ἀλλήλοις οὐ συμβιοῦν νομίσειε. δεῖ δέ, ὥσπερ οἱ φυσικοὶ τῶν ὑγρῶν λέγουσι δι' ὅλων γενέσθαι τὴν κρᾶσιν, ^[143] [a] οὕτω τῶν γαμούντων καὶ σώματα καὶ χρήματα καὶ φίλους καὶ οἰκέλους ἀναμειχθῆναι δι' ἀλλήλων. καὶ γὰρ ὁ Ῥωμαῖος νομοθέτης ἐκώλυσε δῶρα διδόναι καὶ λαμβάνειν παρ' ἀλλήλων τοὺς γεγαμηκότας, οὐχ ἵνα μηδενὸς μεταλαμβάνωσιν, ἀλλ' ἵνα πάντα κοινὰ νομίζωσιν.

Ἐν Λέπτει τῆς Λιβύης πόλει πάτριόν ἐστι τῇ μετὰ τὸν γάμον ἡμέρα τὴν νύμφην πρὸς τὴν τοῦ νυμφίου μητέρα πέμψασαν αἰτεῖσθαι χύτραν· ἢ δ' οὐ δίδωσιν οὐδέ φησιν ἔχειν, ὅπως ἀπ' ἀρχῆς ἐπισταμένη τὸ τῆς ἐκυρᾶς μητρνιῶδες, ἂν ὕστερόν τι συμβαίνει τραχύτερον, μὴ ἀγανακτῇ μηδὲ δυσκολαίνει. τοῦτο δεῖ γινώσκουσιν τὴν γυναῖκα θεραπεύειν τὴν πρόφασιν· ἔστι δὲ ζηλοτυπία τῆς [b] μητρὸς ὑπὲρ εὐνοίας πρὸς αὐτήν. θεραπεία δὲ μία τοῦ πάθους ἰδίᾳ μὲν εὐνοίαν τῷ ἀνδρὶ ποιεῖν πρὸς ἑαυτήν, τὴν δὲ τῆς μητρὸς μὴ περισπᾶν μηδ' ἐλαττοῦν.

Τοὺς υἱοὺς δοκοῦσι μᾶλλον ἀγαπᾶν αἱ μητέρες ὥς δυναμένους αὐταῖς βοηθεῖν, οἱ δὲ πατέρες τὰς θυγατέρας ὥς δεομένας αὐτῶν βοηθούτων· ἴσως δὲ καὶ τιμῇ τῇ πρὸς ἀλλήλους ὁ ἕτερος τὸ μᾶλλον οἰκεῖον τῷ ἑτέρῳ βούλεται μᾶλλον ἀσπαζόμενος καὶ ἀγαπῶν φανερὸς εἶναι. καὶ τοῦτο μὲν ἴσως διάφορόν ἐστιν, ἐκεῖνο δ' ἀστεῖον, ἂν ἡ γυνὴ μᾶλλον ἀποκλίνασα τῇ τιμῇ πρὸς τοὺς γονεῖς τοῦ ἀνδρὸς ἢ τοὺς ἑαυτῆς [c] βλέπεται, κἂν τι λυπῇται, πρὸς ἐκείνους ἀναφέρουσα, τοὺς δ' ἑαυτῆς λανθάνουσα. ποιεῖ γὰρ τὸ πιστεύειν δοκεῖν πιστεῦεσθαι, καὶ τὸ φιλεῖν φιλεῖσθαι.

Τοῖς περὶ τὸν Κῦρον Ἑλλησι παρήγγειλαν οἱ στρατηγοὶ τοὺς

πολεμίους, ἂν μὲν βοῶντες ἐπίωσι, δέχεσθαι μετὰ σιωπῆς, ἂν δ' ἐκεῖνοι σιωπῶσιν, αὐτοὺς μετὰ βοῆς ἀντεξελαύνειν. αἱ δὲ νοῦν ἔχουσαι γυναῖκες ἐν ταῖς ὀργαῖς τῶν ἀνδρῶν κεκραγόντων μὲν ἡσυχάζουσι, σιωπῶντας δὲ προσλαλοῦσαι καὶ παραμυθούμεναι καταπραΰνουσιν.

[d] Ὅρθῳς ὁ Εὐριπίδης αἰτιᾶται τοὺς τῇ λύρᾳ χρωμένους παρ' οἶνον· ἔδει γὰρ ἐπὶ τὰς ὀργὰς καὶ τὰ πένθη μᾶλλον τὴν μουσικὴν παρακαλεῖν ἢ προσελκύειν τοὺς ἐν ταῖς ἡδοναῖς ὄντας. νομίζετε οὖν ὑμεῖς ἀμαρτάνειν τοὺς ἡδονῆς ἕνεκα συγκαθεύδοντας ἀλλήλοις, ὅταν δ' ἐν ὀργῇ τινι γένωνται καὶ διαφορᾷ, χωρὶς ἀναπαυομένους καὶ μὴ τότε μάλιστα τὴν Ἀφροδίτην παρακαλοῦντας, ἱατρὸν οὖσαν τῶν τοιούτων ἀρίστην. ὥς που καὶ ὁ ποιητὴς διδάσκει, τὴν Ἥραν ποιῶν λέγουσαν

καὶ σφ' ἄκριτα νείκεα λύσω

[e] εἰς εὐνὴν ἀνέσασα ὁμωθῆναι φιλότῃτι.

Αἰεὶ μὲν δεῖ καὶ πανταχοῦ φεύγειν τὸ προσκροῦειν τῷ ἀνδρὶ τὴν γυναῖκα καὶ τῇ γυναικὶ τὸν ἄνδρα, μάλιστα δὲ φυλάττεσθαι τοῦτο ποιεῖν ἐν τῷ συναναπαύεσθαι καὶ συγκαθεύδειν. ἡ μὲν γὰρ ὠδίνουσα καὶ δυσφοροῦσα πρὸς τοὺς κατακλίνοντας αὐτὴν ἔλεγε, “πῶς δ' ἂν ἡ κλίνη ταῦτα θεραπεύσειεν οἷς ἐπὶ τῆς κλίνης περιέπεσον;” ἃς δ' ἡ κλίνη γεννᾷ διαφορὰς καὶ λοιδορίας καὶ ὀργὰς, οὐ ῥάδιόν ἐστιν ἐν ἄλλῳ τόπῳ καὶ χρόνῳ διαλυθῆναι.

Ἡ Ἑρμιόνη δοκεῖ τι λέγειν ἀληθὲς λέγουσα

[f] κακῶν γυναικῶν εἴσοδοί μ' ἀπώλεσαν.

τοῦτο δ' οὐχ ἀπλῶς γιγνόμενόν ἐστιν, ἀλλ' ὅταν αἱ πρὸς τοὺς ἄνδρας διαφοραὶ καὶ ζηλοτυπία ταῖς τοιαύταις γυναιξὶ μὴ τὰς θύρας μόνον ἀλλὰ καὶ τὰς ἀκοὰς ἀνοίγωσι. τότε οὖν δεῖ μάλιστα τὴν νοῦν ἔχουσαν ἀποκλείειν τὰ ὤτα καὶ φυλάττεσθαι τὸν ψιθυρισμόν, ἵνα μὴ πῦρ ἐπὶ πῦρ γένηται, καὶ πρόχειρον ἔχειν τὸ τοῦ Φιλίππου. λέγεται γὰρ ἐκεῖνος ὑπὸ τῶν φίλων παροξυνόμενος ἐπὶ τοὺς Ἑλλήνας ὥς εὔπασχοντας καὶ κακῶς αὐτὸν λέγοντας εἶπεῖν “τί οὖν, ἂν καὶ κακῶς ποιῶμεν αὐτούς;” ὅταν οὖν αἱ διαβάλλουσαι λέγωσιν ὅτι “λυπεῖ σε φιλοῦσαν ὁ ἀνὴρ καὶ [144] [a] σωφρονοῦσαν,” “τί οὖν, ἂν καὶ μισεῖν αὐτὸν ἄρξωμαι καὶ ἀδικεῖν;”

Ὁ τὸν δραπέτην ἰδὼν διὰ χρόνου καὶ διώκων, ὥς κατέφυγε φθάσας εἰς μυλῶνα, “ποῦ δ' ἂν,” ἔφη, “σὲ μᾶλλον εὐρεῖν

ἐβουλήθη γυνὴ ἐνταῦθα;” γυνὴ τοίνυν διὰ ζηλοτυπίαν ἀπόλειψιν γράφουσα καὶ χαλεπῶς ἔχουσα λεγέτω πρὸς ἑαυτήν “ποῦ δ’ ἂν ἡ ζηλοῦσά με μᾶλλον ἡσθείη θεασαμένη καὶ τί ποιοῦσαν ἡ λυπουμένην καὶ στασιάζουσιν πρὸς τὸν ἄνδρα καὶ τὸν οἶκον αὐτὸν καὶ τὸν θάλαμον προιεμένην;”

Ἀθηναῖοι τρεῖς ἀρότους ἱεροὺς ἄγουσι, [b] πρῶτον ἐπὶ Σκίρῳ, τοῦ παλαιοτάτου τῶν σπόρων ὑπόμνημα, δεῦτερον ἐν τῇ ραρία, τρίτον ὑπὸ πόλιν τὸν καλούμενον Βουζύγιον. τούτων δὲ πάντων ἱερώτατός ἐστιν ὁ γαμήλιος σπόρος καὶ ἄροτος ἐπὶ παίδων τεκνώσει. καλῶς τὴν Ἀφροδίτην ὁ Σοφοκλῆς “εὖκαρπον Κυθέρειαν” προσηγόρευσε. διὸ δεῖ μάλιστα τούτῳ χρῆσθαι μετ’ εὐλαβείας τὸν ἄνδρα καὶ τὴν γυναῖκα, τῶν ἀνιέρων καὶ παρανόμων πρὸς ἐτέρους ἀγνεύοντας ὁμιλιῶν, καὶ μὴ σπείροντας ἐξ ὧν οὐδὲν αὐτοῖς φύεσθαι θέλουσιν ἀλλὰ κἂν γένηται καρπὸς αἰσχύνονται καὶ ἀποκρύπτουσι.

Γοργίου τοῦ ῥήτορος ἀναγνόντος ἐν Ὀλυμπίᾳ λόγον περὶ ὁμονοίας τοῖς Ἑλλήσιν ὁ Μελάνθιος, [c] “οὗτος ἡμῖν,” ἔφη, “συμβουλευεῖ περὶ ὁμονοίας, ὃς αὐτὸν καὶ τὴν γυναῖκα καὶ τὴν θεράπαιναν ἰδίᾳ τρεῖς ὄντας ὁμονοεῖν οὐ πέπεικεν.” ἦν γὰρ ὡς ἔοικέ τις ἔρως τοῦ Γοργίου καὶ ζηλοτυπία τῆς γυναικὸς πρὸς τὸ θεραπεινίδιον. εὖ τοίνυν ἡρμοσμένον τὸν οἶκον εἶναι δεῖ τῷ μέλλοντι ἀρμόζεσθαι πόλιν καὶ ἀγορὰν καὶ φίλους· μᾶλλον γὰρ ἔοικε τὰ τῶν γυναικῶν ἢ τὰ πρὸς γυναῖκας ἀμαρτήματα λανθάνειν τοὺς πολλούς.

Εἰ καθάπερ τὸν αἴλουρον ὁσμῇ μύρων ἐκταράττεσθαι καὶ μαίνεσθαι λέγουσιν, οὕτω τὰς [d] γυναῖκας ἀγριαίνειν καὶ παραφρονεῖν ὑπὸ μύρων συνέβαινε, δεινὸν ἦν μὴ ἀπέχεσθαι μύρου τοὺς ἄνδρας, ἀλλὰ δι’ ἡδονὴν αὐτῶν βραχεῖαν οὕτω κακουμένας περιορᾶν. ἐπεὶ τοίνυν ταῦτα πάσχουσιν οὐ μυριζομένων τῶν ἀνδρῶν ἀλλὰ συγγιγνομένων ἐτέραις, ἄδικόν ἐστιν ἡδονῆς ἕνεκα μικρᾶς ἐπὶ τοσοῦτο λυπεῖν καὶ συνταράττειν τὰς γυναῖκας καὶ μή, καθάπερ ταῖς μελίτταις (ὅτι δοκοῦσι δυσχεραίνειν καὶ μάχεσθαι τοῖς μετὰ γυναικῶν γενομένοις), ἀγνοῦς καὶ καθαρεύοντας ἐτέρων συνουσίας προσίεναι ταῖς γυναιξίν.

Οἱ προσιόντες ἐλέφασιν ἐσθῆτα λαμπρὰν [e] οὐ λαμβάνουσιν, οὐδὲ φοινικίδας οἱ ταύροις· διαγριαίνεται γὰρ ὑπὸ τῶν χρωμάτων τούτων μάλιστα τὰ ζῶα· τὰς δὲ τίγρεις φασὶ περιτυμπανιζομένας

ἐκμαίνεσθαι παντάπασι καὶ διασπᾶν ἑαυτάς. ἐπεὶ τοίνυν καὶ τῶν ἀνδρῶν οἱ μὲν ἐσθῆτας κοκκίνας καὶ πορφυρᾶς ὀρῶντες δυσανασχετοῦσιν, οἱ δὲ κυμβάλοις καὶ τυμπάνοις ἄχθονται, τί δεινὸν ἀπέχεσθαι τούτων τὰς γυναῖκας καὶ μὴ ταράττειν μηδὲ παροξύνειν τοὺς ἄνδρας, ἀλλὰ συνεῖναι μετ’ εὐσταθείας καὶ πραότητος;

Γυνὴ τις πρὸς τὸν Φίλιππον ἄκουσαν ἐφελκόμενον αὐτήν, “ἄφες μ’,” εἶπε· “πᾶσα γυνὴ τοῦ [f] λύχνου ἀρθέντος ἢ αὐτὴ ἐστὶ.” τοῦτο πρὸς τοὺς μοιχικοὺς καὶ ἀκολάστους εἴρηται καλῶς, τὴν δὲ γαμετὴν δεῖ μάλιστα τοῦ φωτὸς ἀρθέντος εἶναι μὴ τὴν αὐτὴν ταῖς τυχούσαις γυναιξίν, ἀλλὰ φαίνεσθαι τοῦ σώματος μὴ βλεπομένου τὸ σῶφρον αὐτῆς καὶ ἴδιον τῷ ἀνδρὶ καὶ τεταγμένον καὶ φιλόστοργον.

Ὁ Πλάτων τοῖς πρεσβύταις μᾶλλον παρήνει “αἰσχύνεσθαι τοὺς νέους,” ἵνα κἀκεῖνοι πρὸς αὐτοὺς αἰδημόνως ἔχωσιν· “ὅπου” γὰρ “ἀναισχυντοῦσι γέροντες,” οὐδεμίαν αἰδῶ τοῖς νέοις οὐδ’ εὐλάβειαν ἐγγίγνεσθαι. τούτου δεῖ μεμνημένον τὸν ἄνδρα μηδένα μᾶλλον αἰδεῖσθαι τῆς [145] [a] γυναικός, ὥς τὸν θάλαμον αὐτῇ διδασκαλεῖον εὐταξίας ἢ ἀκολασίας γεννησόμενον. ὁ δὲ τῶν αὐτῶν ἡδονῶν αὐτὸς μὲν ἀπολαύων ἐκείνην δ’ ἀποτρέπων οὐδὲν διαφέρει τοῦ κελεύοντος διαμάχεσθαι τὴν γυναῖκα πρὸς τοὺς πολεμίους, οἷς αὐτὸς ἑαυτὸν παρέδωκε.

Περὶ δὲ φιλοκοσμίας σὺ μὲν, ὦ Εὐρυδίκη, τὰ πρὸς Ἀρίστουλλαν ὑπὸ Τιμοξένας γεγραμμένα ἀναγνοῦσα πειρῶ διαμνημονεύειν· σὺ δέ, ὦ Πολλιανέ, μὴ νόμιζε περιεργίας ἀφ᾽έξεσθαι τὴν γυναῖκα καὶ πολυτελείας, ἃν ὀρᾷ σε μὴ καταφρονοῦντα [b] τούτων ἐν ἑτέροις, ἀλλὰ καὶ χαίροντα χρυσώσεσιν ἐκπωμάτων καὶ γραφαῖς οἰκηματίων καὶ χλίδωσιν ἡμιόνων καὶ ἵππων περιδεραίοις. οὐ γὰρ ἔστιν ἐξελάσαι τῆς γυναικωνίτιδος ἐν μέσῃ τῇ ἀνδρωνίτιδι τὴν πολυτέλειαν ἀναστρεφομένην.

Καὶ σὺ μὲν ὥραν ἔχων ἤδη φιλοσοφεῖν τοῖς μετ’ ἀποδείξεως καὶ κατασκευῆς λεγομένοις ἐπικόσμηι τὸ ἥθος, ἐντυγχάνων καὶ πλησιάζων τοῖς ὠφελοῦσι· τῇ δὲ γυναικὶ πανταχόθεν τὸ χρήσιμον συνάγων ὥσπερ αἱ μέλιτται καὶ φέρων αὐτὸς ἐν σεαυτῷ μεταδίδου καὶ προσδιαλέγου, φίλους αὐτῇ ποιῶν καὶ συνήθεις τῶν λόγων τοὺς ἀρίστους.

[c] “πατὴρ” μὲν γάρ “ἐσσι” αὐτῇ “καὶ πότνια μήτηρ

ἡδὲ κασίγνητος”·

οὐχ ἦττον δὲ σεμνὸν ἀκοῦσαι γαμετῆς λεγούσης “ἄνερ.

ἀτὰρ σύ μοί ἐσσι

καθηγητῆς καὶ φιλόσοφος καὶ διδάσκαλος τῶν καλλίστων καὶ θειοτάτων.” τὰ δὲ τοιαῦτα μαθήματα πρῶτον ἀφίστησι τῶν ἀτόπων τὰς γυναῖκας· αἰσχυνθήσεται γὰρ ὀρχεῖσθαι γυνὴ γεωμετερεῖν μανθάνουσα, καὶ φαρμάκων ἐπωδὰς οὐ προσδέξεται τοῖς Πλάτωνος ἐπαδομένη λόγοις καὶ τοῖς Ξενοφώντος. ἂν δέ τις ἐπαγγέλληται καθαιρεῖν τὴν σελήνην, γελάσεται τὴν ἀμαθίαν καὶ τὴν ἀβελτερίαν τῶν ταῦτα πειθομένων γυναικῶν, ἀστρολογίας μὴ ἀνηκῶς ἔχουσα καὶ περὶ Ἀγλαονίκης ἀκηκουῖα τῆς Ἠγήτορος τοῦ Θετταλοῦ θυγατρὸς [d] ὅτι τῶν ἐκλειπτικῶν ἔμπειρος οὔσα πανσελήνων καὶ προειδυῖα τὸν χρόνον, ἐν ᾧ συμβαίνει τὴν σελήνην ὑπὸ γῆς σκιᾶς ἀλίσκεσθαι, παρεκρούετο καὶ συνέπειθε τὰς γυναῖκας ὡς αὐτὴ καθαιροῦσα τὴν σελήνην.

Παιδίον μὲν γὰρ οὐδεμία ποτὲ γυνὴ λέγεται ποιῆσαι δίχα κοινωνίας ἀνδρός, τὰ δ’ ἄμορφα κυήματα καὶ σαρκοειδῆ καὶ σύστασιν ἐν ἑαυτοῖς ἐκ διαφθορᾶς λαμβάνοντα μύλας καλοῦσι. τοῦτο δὴ φυλακτέον ἐν ταῖς ψυχαῖς γίνεσθαι τῶν γυναικῶν. ἂν γὰρ λόγων χρηστῶν σπέρματα μὴ δέχωνται [e] μηδὲ κοινωνῶσι παιδείας τοῖς ἀνδράσιν, αὐταὶ καθ’ αὐτὰς ἄτοπα πολλὰ καὶ φαῦλα βουλευματα καὶ πάθη κυοῦσι.

Σὺ δ’ ὦ Εὐρυδίκη μάλιστα πειρῶ τοῖς τῶν σοφῶν καὶ ἀγαθῶν ἀποφθέγμασιν ὁμιλεῖν καὶ διὰ στόματος ἀεὶ τὰς φωνὰς ἔχειν ἐκείνας ὧν καὶ παρθένος οὔσα παρ’ ἡμῖν ἀνελάμβανες, ὅπως εὐφραίνης μὲν τὸν ἄνδρα, θαυμάζῃ δ’ ὑπὸ τῶν ἄλλων γυναικῶν, οὕτω κοσμουμένη περιττῶς καὶ σεμνῶς ἀπὸ μηδενός. τοὺς μὲν γὰρ τῆσδε τῆς πλουσίας μαργαρίτας καὶ τὰ τῆσδε τῆς ξένης σηρικὰ λαβεῖν οὐκ ἔστιν οὐδὲ περιθέσθαι μὴ πολλοῦ πριαμένην, τὰ δὲ Θεανοῦς κόσμια καὶ Κλεοβουλίνης καὶ Γοργοῦς [f] τῆς Λεωνίδου γυναικὸς καὶ Τιμοκλείας τῆς Θεαγένους ἀδελφῆς καὶ Κλαυδίας τῆς παλαιᾶς καὶ Κορνηλίας τῆς Σκιπίωνος καὶ ὅσαι ἐγένοντο θαυμασταὶ καὶ περιβόητοι, ταῦτα δ’ ἔξεστι περικειμένην προῖκα καὶ κοσμουμένην αὐτοῖς ἐνδόξως ἅμα βιοῦν καὶ μακαρίως.

Εἰ γὰρ ἡ Σαπφῶ διὰ τὴν ἐν τοῖς μέλεσι καλλιγραφίαν [146] [a] ἐφρόνει τηλικοῦτον ὥστε γράψαι πρὸς τινὰ πλούσιαν, κατθάνοισα δὲ κείσεται, οὐδέ τις μναμοσύνα σέθεν

τῶν ἐκ Πιερίας,

πῶς οὐχί σοι μᾶλλον ἐξέεται μέγα φρονεῖν ἐφ' ἑαυτῇ καὶ

Μοῦσαι φέρουσι καὶ χαρίζονται τοῖς παιδείαν καὶ φιλοσοφίαν

ΤΩΝ ΕΠΤΑ ΣΟΦΩΝ ΣΥΜΠΟΣΙΟΝ

[146] Ἦ που προῖών ὁ χρόνος, ὦ Νίκαρχε, πολὺ σκότος ἐπάξει τοῖς πράγμασι καὶ πᾶσαν ἀσάφειαν, εἰ νῦν ἐπὶ προσφάτοις οὕτω καὶ νεαροῖς λόγοι ψευδεῖς συντεθέντες ἔχουσι πίστιν. οὔτε γὰρ μόνων, [c] ὡς ὑμεῖς ἀκηκόατε, τῶν ἐπτὰ γέγονε τὸ συμπόσιον, ἀλλὰ πλειόνων ἢ δις τοσούτων (ἐν οἷς καὶ αὐτὸς ἦμην, συνήθης μὲν ὢν Περιάνδρῳ διὰ τὴν τέχνην, ξένος δὲ Θάλεω· παρ' ἐμοὶ γὰρ κατέλυσεν ὁ ἀνὴρ Περιάνδρου κελεύσαντος), οὔτε τοὺς λόγους ὀρθῶς ἀπεμνημόνευσεν ὅστις ἦν ὑμῖν ὁ διηγούμενος· ἦν δ' ὡς ἔοικεν οὐδεὶς τῶν παραγεγονότων. ἀλλ' ἐπεὶ σχολή τε πάρεστι πολλή καὶ τὸ γῆρας οὐκ ἀξιόπιστον ἐγγυήσασθαι τὴν ἀναβολὴν τοῦ λόγου, προθυμουμένοις ὑμῖν ἅπ' ἀρχῆς ἅπαντα διηγήσομαι.

[d] Παρεσκευάκει μὲν γὰρ οὐκ ἐν τῇ πόλει τὴν ὑποδοχὴν ὁ Περιάνδρος, ἀλλ' ἐν τῷ περὶ τὸ Λέχαιον ἐστιατορίῳ παρὰ τὸ τῆς Ἀφροδίτης ἱερόν, ἧς ἦν καὶ ἡ θυσία. μετὰ γὰρ τὸν ἔρωτα τῆς μητρὸς αὐτοῦ προεμένης τὸν βίον ἐκουσίως οὐ τεθυκὼς τῇ Ἀφροδίτῃ, τότε πρῶτον ἔκ τινων ἐνυπνίων τῆς Μελίσσης ὥρμησε τιμᾶν καὶ θεραπεύειν τὴν θεόν.

Τῶν δὲ κεκλημένων ἐκάστῳ συνωρὶς ἱκανῶς κεκοσμημένη προσήχθη· καὶ γὰρ ὥρα θέρους ἦν, καὶ τὴν ὁδὸν ἅπασαν ὑπὸ πλήθους ἀμαξῶν καὶ ἀνθρώπων ἄχρι θαλάττης κονιορτὸς καὶ θόρυβος κατεῖχεν. ὁ μέντοι Θαλῆς τὸ ζεῦγος ἐπὶ ταῖς [e] θύραις ἰδὼν καὶ μειδιάσας ἀφῆκεν. ἐβαδίζομεν οὖν ἐκτραπόμενοι διὰ τῶν χωρίων, καθ' ἥσυχίαν, καὶ μεθ' ἡμῶν τρίτος ὁ Ναυκρατίτης Νειλόξενος, ἀνὴρ ἐπεικὴς καὶ τοῖς περὶ Σόλωνα καὶ Θαλῆν γεγωνὸς ἐν Αἰγύπτῳ συνήθης. ἐτύγχανε δὲ πρὸς Βίαντα πάλιν ἀπεσταλμένος· ὢν δὲ χάριν οὐδ' αὐτὸς ἦδει, πλὴν ὑπενόει πρόβλημα δεύτερον αὐτῷ κομίζειν ἐν βιβλίῳ κατασεσημασμένον· εἴρητο γάρ, εἰ Βίας ἀπαγορεύσειεν, ἐπιδείξαι τοῖς σοφωτάτοις Ἑλλήνων τὸ βιβλίον.

“Ερμαιον” ὁ Νειλόξενος ἔφη “μοι γέγονεν [f] ἐνταῦθα λαβεῖν ἅπαντας ὑμᾶς, καὶ κομίζω τὸ βιβλίον ὡς ὀρᾷς ἐπὶ τὸ δεῖπνον.” ἅμα δ' ἡμῖν ἐπεδείκνυε.

Καὶ ὁ Θαλῆς γελάσας “εἴ τι κακόν,” εἶπεν, “αὐθις εἰς Πριήνην·

διαλύσει γὰρ ὁ Βίας, ὡς διέλυσεν αὐτὸς τὸ πρῶτον.”

“Τί δ’ ἦν,” ἔφην ἐγώ, “τὸ πρῶτον;”

“Ἱερεῖον,” εἶπεν, “ἔπεμψεν αὐτῷ, κελεύσας τὸ

πονηρότατον ἐξελόντα καὶ χρηστότατον ἀποπέμψαι κρέας. ὁ δ’ ἡμέτερος εὖ καὶ καλῶς τὴν γλῶτταν ἐξελὼν ἔπεμψεν· ὅθεν εὐδοκιμῶν δῆλός ἐστι καὶ θαυμαζόμενος.”

[147] [a] “Οὐ διὰ ταῦτ’” ἔφη “μόνον” ὁ Νειλόξενος, “ἀλλ’ οὐ φεύγει τὸ φίλος εἶναι καὶ λέγεσθαι βασιλέων καθάπερ ὑμεῖς, ἐπεὶ σοῦ γε καὶ τᾶλλα θαυμάζει, καὶ τῆς πυραμίδος τὴν μέτρησιν ὑπερφυῶς ἠγάπησεν, ὅτι πάσης ἄνευ πραγματείας καὶ μηδενὸς ὀργάνου δεηθεὶς ἀλλὰ τὴν βακτηρίαν στήσας ἐπὶ τῷ πέρατι τῆς σκιᾶς ἦν ἡ πυραμὶς ἐποίει, γενομένων τῇ ἐπαφῇ τῆς ἀκτίνος δυεῖν τριγώνων, ἔδειξας ὃν ἡ σκιὰ πρὸς τὴν σκιὰν λόγον εἶχε τὴν πυραμίδα πρὸς τὴν βακτηρίαν ἔχουσας. ἀλλ’, ὅπερ ἔφην, διεβλήθης μισοβασιλεὺς εἶναι, [b] καὶ τινες ὑβριστικά σου περὶ τυράννων ἀποφάσεις ἀνεφέροντο πρὸς αὐτόν, ὡς ἐρωτηθεὶς ὑπὸ Μολπαγόρου τοῦ Ἰωνος τί παραδοξότατον εἴης ἑωρακώς, ἀποκρίναιο ‘τύραννον γέροντα,’ καὶ πάλιν ἔν τινι πότῳ, περὶ τῶν θηρίων λόγου γενομένου, φαίης κάκιστον εἶναι τῶν μὲν ἀγρίων θηρίων τὸν τύραννον, τῶν δ’ ἡμέρων τὸν κόλακα· ταῦτα γάρ, εἰ καὶ πάνυ προσποιοῦνται διαφέρειν οἱ βασιλεῖς τῶν τυράννων, οὐκ εὐμενῶς ἀκούουσιν.”

“Ἀλλὰ τοῦτο μὲν,” εἶπεν ὁ Θαλῆς, “Πιττακοῦ ἐστίν, εἰρημένον ἐν παιδιᾷ ποτε πρὸς Μυρσίλον· [c] ἐγὼ δὲ θαυμάσαιμ’ ἄν,” ἔφη, “οὐ τύραννον ἀλλὰ κυβερνήτην γέροντα θεασάμενος. πρὸς δὲ τὴν μετάρθεσιν τὸ τοῦ νεανίσκου πέπονθα τοῦ βαλόντος μὲν ἐπὶ τὴν κύνα πατάξαντος δὲ τὴν μητρυιάν καὶ εἰπόντος ‘οὐδ’ οὕτω κακῶς,’ διὸ καὶ Σόλωνα σοφώτατον ἠγησάμην οὐ δεξάμενον τυραννεῖν. καὶ Πιττακὸς οὗτος εἰ μοναρχίᾳ μὴ προσῆλθεν, οὐκ ἂν εἶπεν ὡς ‘χαλεπὸν ἐσθλὸν ἔμμεναι.’ Περίανδρος δ’ ἔοικεν ὥσπερ ἐν νοσήματι πατρῷῳ τῇ τυραννίδι κατειλημμένος οὐ φαύλως ἐξαναφέρειν, χρώμενος ὁμιλίαις ὑγιειναῖς ἄχρι γε νῦν καὶ συνουσίας ἀνδρῶν νοῦν ἐχόντων ἐπαγόμενος, [d] ἃς δὲ Θρασύβουλος αὐτῷ κολούσεις τῶν ἄκρων οὐμὸς πολίτης ὑφηγεῖται μὴ προσιέμενος. γεωργοῦ γὰρ αἴρας καὶ ὀνώνιδας ἀντὶ πυρῶν καὶ κριθῶν συγκομίζειν ἐθέλοντος οὐδὲν διαφέρει τύραννος ἀνδραπτόδων μᾶλλον ἄρχειν ἢ ἀνδρῶν βουλόμενος· ἐν γὰρ ἀντὶ

πολλῶν κακῶν ἀγαθὸν αἱ δυναστεῖαι τὴν τιμὴν ἔχουσι καὶ τὴν δόξαν, ἅνπερ ἀγαθῶν ὡς κρείττονες ἄρχωσι καὶ μεγάλων μείζονες εἶναι δοκῶσι· τὴν δ' ἀσφάλειαν ἀγαπῶντας ἄνευ τοῦ καλοῦ προβάτων ἔδει πολλῶν καὶ ἵππων καὶ βοῶν ἄρχειν, μὴ ἀνθρώπων. ἀλλὰ γὰρ εἰς οὐδὲν προσήκοντας [e] ἐμβέβληκεν ἡμᾶς,” ἔφη, “ὁ ξένος οὕτοσὶ λόγους, ἀμελήσας λέγειν τε καὶ ζητεῖν ἃ ἀρμόττει ἐπὶ δεῖπνον βαδίζουσιν. ἡ γὰρ οὐκ οἶει, καθάπερ ἐστιάσοντος ἔστι τις παρασκευή, καὶ δειπνήσοντος εἶναι; Συβαρίται μὲν γὰρ ὡς ἔοικε πρὸ ἐνιαυτοῦ τὰς κλήσεις ποιοῦνται τῶν γυναικῶν, ὅπως ἐκγένοιτο κατὰ σχολὴν παρασκευασαμέναις ἐσθῆτι καὶ χρυσῷ φοιτᾶν ἐπὶ τὸ δεῖπνον· ἐγὼ δὲ πλείονος οἶμαι χρόνου δεῖσθαι τὴν ἀληθινὴν τοῦ δειπνήσοντος ὀρθῶς παρασκευήν, ὅσω χαλεπώτερόν ἐστιν ἡθεὶ τὸν πρόποντα κόσμον ἢ σώματι τὸν περιττόν [f] ἐξευρεῖν καὶ ἄχρηστον. οὐ γὰρ ὡς ἀγγεῖον ἡκεὶ κομίζων ἑαυτὸν ἐμπλήσαι πρὸς τὸ δεῖπνον ὁ νοῦν ἔχων, ἀλλὰ καὶ σπουδάσαι τι καὶ παῖξαι καὶ ἀκοῦσαι καὶ εἰπεῖν ὡς ὁ καιρὸς παρακαλεῖ τοὺς συνόντας, εἰ μέλλουσι μετ' ἀλλήλων ἡδέως ἔσεσθαι. καὶ γὰρ καὶ ὄψον πονηρὸν ἔστι παρώσασθαι, κἂν οἶνος ἦ φαῦλος, ἐπὶ τὰς νύμφας καταφυγεῖν· σύνδειπνος δὲ κεφαλαλγῆς καὶ βαρὺς καὶ ἀνάγωγος παντὸς μὲν οἴνου καὶ ὄψου πάσης δὲ μουσουργοῦ χάριν ἀπόλλυσι καὶ λυμαίνεται, καὶ οὐδ' ἀπεμέσαι [148] [a] τὴν τοιαύτην ἀηδίαν ἔτοιμόν ἐστιν, ἀλλ' ἐνίοις εἰς ἅπαντα τὸν βίον ἐμμένει τὸ πρὸς ἀλλήλους δυσάρεστον, ὥσπερ ἐωλοκρασία τις ὕβρεως ἢ ὀργῆς ἐν οἴνῳ γενομένης. ὅθεν ἄριστα Χίλων, καλούμενος ἐχθές, οὐ πρότερον ὠμολόγησεν ἢ πυθέσθαι τῶν κεκλημένων ἕκαστον. ἔφη γὰρ ὅτι σύμπλουν ἀγνώμονα δεῖ φέρειν καὶ σύσκηνον οἷς πλεῖν ἀνάγκη καὶ στρατεύεσθαι· τὸ δὲ συμπόταις ἑαυτὸν ὡς ἔτυχε καταμιγνύειν οὐ νοῦν ἔχοντος ἀνδρός ἐστιν. ὁ δ' Αἰγύπτιος σκελετός, ὃν ἐπεικῶς εἰσφέροντες εἰς τὰ συμπόσια προτίθενται καὶ παρακαλοῦσι [b] μεμνησθαι τάχα δὴ τοιούτους ἐσομένους, καίπερ ἄχαρις καὶ ἄωρος ἐπίκωμος ἦκων, ὅμως ἔχει τινὰ καιρόν, καὶ εἰ μὴ πρὸς τὸ πίνειν καὶ ἡδυπαθεῖν ἀλλὰ πρὸς φιλίαν καὶ ἀγάπην ἀλλήλων προτρέπεται, καὶ παρακαλεῖ τὸν βίον μὴ τῷ χρόνῳ βραχὺν ὄντα πράγμασι κακοῖς μακρὸν ποιεῖν.”

Ἐν τοιούτοις λόγοις γενόμενοι κατὰ τὴν ὁδὸν ἀφικόμεθα πρὸς τὴν οἰκίαν, καὶ λούσασθαι μὲν ὁ Θαλῆς οὐκ ἠθέλησεν, ἀληλιμμένοι γὰρ ἦμεν· ἐπιὼν δὲ τοὺς τε δρόμους ἐθεᾶτο καὶ τὰς

παλαιίστρας καὶ τὸ ἄλσος τὸ παρὰ τὴν θάλατταν ἱκανῶς διακεκοσμημένον, ὑπ' οὐδενὸς ἐκπληττόμενος τῶν τοιούτων, [c] ἀλλ' ὅπως μὴ καταφρονεῖν δοκοίη μηδ' ὑπερορᾶν τοῦ Περιάνδρου τῆς φιλοτιμίας. τῶν δ' ἄλλων τὸν ἀλειψάμενον ἢ λουσάμενον οἱ θεράποντες εἰσήγον εἰς τὸν ἀνδρῶνα διὰ τῆς στοᾶς.

Ὁ δ' Ἀνάχαρσις ἐν τῇ στοᾷ καθῆστο, καὶ παιδίσκη προειστήκει τὴν κόμην ταῖς χερσὶ διακρίνουσα. ταύτην ὁ Θαλῆς ἐλευθεριώτατά πως αὐτῷ προσδραμοῦσαν ἐφίλησε καὶ γέλασας “οὕτως,” ἔφη, “ποίει καλὸν τὸν ξένον, ὅπως ἡμερώτατος ὦν μὴ φοβερὸς ἦ τὴν ὄψιν ἡμῖν μηδ' ἄγριος.”

Ἐμοῦ δ' ἐρομένου περὶ τῆς παιδὸς ἥτις εἶη, [d] “τὴν σοφὴν,” ἔφη, “καὶ περιβόητον ἀγνοεῖς Εὐμητιν; οὕτω γὰρ ταύτην ὁ πατήρ αὐτός, οἱ δὲ πολλοὶ πατρώθεν ὀνομάζουσι Κλεοβουλίνην.”

Καὶ ὁ Νειλόξενος εἶπεν “ἦ που τὴν περὶ τὰ αἰνίγματα δεινότητα καὶ σοφίαν,” ἔφη, “τῆς κόρης ἐπαινεῖς· καὶ γὰρ εἰς Αἴγυπτον ἔνια τῶν προβαλλομένων ὑπ' αὐτῆς διίκται.”

“Οὐκ ἔγωγ’,” εἶπεν ὁ Θαλῆς· “τούτοις γὰρ ὥσπερ ἀστραγάλοις, ὅταν τύχη, παίζουσα χρῆται καὶ διαβάλλεται πρὸς τοὺς ἐντυχόντας. ἀλλὰ καὶ φρόνημα θαυμαστὸν καὶ νοῦς ἔνεστι πολιτικὸς καὶ φιλόανθρωπον ἦθος, καὶ τὸν πατέρα τοῖς πολίταις [e] πραότερον ἄρχοντα παρέχει καὶ δημοτικώτερον.”

“Εἶεν,” ὁ Νειλόξενος ἔφη, “καὶ φαίνεται βλέποντι πρὸς τὴν λιτότητα καὶ ἀφέλειαν αὐτῆς· Ἀνάχαρσιν δὲ πόθεν οὕτω τημελεῖ φιλοστόργως;”

“Οτι,” ἔφη, “σώφρων ἀνὴρ ἐστὶ καὶ πολυμαθής, καὶ τὴν δίαίταν αὐτῇ καὶ τὸν καθαρμόν, ᾧ χρῶνται Σκύθαι περὶ τοὺς κάμνοντας, ἀφθόνως καὶ προθύμως παραδέδωκε. καὶ νῦν οἶμαι περιέπειν αὐτὴν τὸν ἄνδρα καὶ φιλοφρονεῖσθαι, μανθάνουσάν τι καὶ προσδιαλεγόμενῃν.”

Ἦδη δὲ πλησίον οὖσιν ἡμῖν τοῦ ἀνδρῶνος ἀπήντησεν Ἀλεξίδημος ὁ Μιλήσιος (ἦν δὲ Θρασυβούλου τοῦ τυράννου νόθος) καὶ ἐξήκει τεταραγμένος [f] καὶ σὺν ὀργῇ τινι πρὸς αὐτὸν οὐδὲν ἡμῖν γε σαφὲς διαλεγόμενος. ὥς δὲ τὸν Θαλῆν εἶδε, μικρὸν ἀνενεγκὼν καὶ καταστάς “οἶαν ὕβριν,” εἶπεν, “εἰς ἡμᾶς Περιάνδρος ὕβρικεν, ἐκπλεῦσαι μὲν οὐκ ἔασας ὠρμημένον ἀλλὰ προσμεῖναι δεηθεὶς τὸ δεῖπνον, ἐλθόντι δὲ νέμων κλισίαν ἄτιμον, Αἰολεῖς δὲ καὶ νησιώτας (καὶ τίνας γὰρ οὐχί;) Θρασυβούλου

προτιμῶν· Θρασύβουλον γὰρ ἐν ἐμοὶ τὸν πέμψαντα προπηλακίσαι βουλόμενος καὶ καταβαλεῖν ὡς δὴ περιοῶν δῆλός ἐστιν.”

[149] [a] “Εἴτ’,” ἔφη, “σὺ δέδicias μὴ καθάπερ Αἰγύπτιοι τοὺς ἀστέρας ὑψώματα καὶ ταπεινώματα λαμβάνοντας ἐν τοῖς τόποις οὓς διεξίσαι γίγνεσθαι βελτίονας ἢ χείρονας ἑαυτῶν λέγουσιν, οὕτως ἢ περὶ σὲ διὰ τὸν τόπον ἀμαύρωσις ἢ ταπεινώσις γένηται; καὶ τοῦ Λάκωνος ἔση φαυλότερος, ὃς ἐν χορῶ τινι κατασταθεὶς εἰς τὴν ἐσχάτην χώραν ὑπὸ τοῦ ἄρχοντος ‘εὖ γ’,” εἶπεν, “ἐξεῦρες, ὡς καὶ αὐτὰ ἐντιμος γένηται.” οὐ καταλαβόντας,” ἔφη, “τόπον μετὰ τίνας κατακείμεθα δεῖ ζητεῖν, μᾶλλον δ’ ὅπως εὐάρμοστοι τοῖς συγκατακειμένοις ὦμεν, ἀρχὴν καὶ λαβὴν φιλίας εὐθύς ἐν αὐτοῖς ζητοῦντες, [b] μᾶλλον δ’ ἔχοντες τὸ μὴ δυσκολαίνειν ἀλλ’ ἐπαινεῖν ὅτι τοιοῦτοις συγκατεκλίθημεν· ὡς ὃ γε τόπῳ κλισίας δυσχεραίνων δυσχεραίνει τῷ συγκλίτῃ μᾶλλον ἢ τῷ κεκληκότι, καὶ πρὸς ἀμφοτέρους ἀπεχθάνεται.”

“Λόγος,” ἔφη, “ταῦτ’ ἄλλως ἐστίν” ὁ Ἀλεξίδημος, “ἔργῳ δὲ καὶ τοὺς σοφοὺς ὑμᾶς ὁρῶ τὸ τιμᾶσθαι διώκοντας,” καὶ ἅμα παραμειψάμενος ἡμᾶς ἀπῆλθε.

Καὶ ὁ Θαλῆς πρὸς ἡμᾶς τὴν ἀτοπίαν τοῦ ἀνθρώπου θαυμάζοντας, “ἔμπληκτος,” ἔφη, “καὶ ἀλλόκοτος φύσει, ἐπεὶ καὶ μειράκιον ὦν ἔτι, μύρου σπουδαίου Θρασυβούλῳ κομισθέντος, εἰς ψυκτῆρα [c] κατεράσας μέγαν καὶ προσεγγέας ἄκρατον ἐξέπιεν, ἔχθραν ἀντὶ φιλίας Θρασυβούλῳ διαπεπραγμένος.”

Ἐκ τούτου περιελθὼν ὑπηρέτης “κελεύει σε Περίανδρος,” ἔφη, “καὶ Θαλῆν παραλαβόντα τοῦτον ἐπισκέψασθαι τὸ κεκομισμένον ἀρτίως αὐτῷ πότερον ἄλλως γέγονεν ἢ τι σημεῖόν ἐστι καὶ τέρας· αὐτὸς μὲν γὰρ ἔοικε τεταράχθαι σφόδρα, μίasma καὶ κηλῖδα τῆς θυσίας ἡγούμενος.” ἅμα δ’ ἀπῆγεν ἡμᾶς εἰς τι οἶκημα τῶν περὶ τὸν κῆπον. ἐνταῦθα νεανίσκος ὡς ἐφαίνετο νομευτικός, οὕπῳ γενειῶν ἄλλως τε τὸ εἶδος οὐκ ἀγεννῆς, ἀναπτύξας τινὰ διφθέραν ἔδειξεν ἡμῖν βρέφος ὡς ἔφη γεγονὸς ἐξ ἵππου, τὰ μὲν ἄνω μέχρι τοῦ τραχήλου καὶ τῶν [d] χειρῶν ἀνθρωπόμορφον, τὰ λοιπὰ δ’ ἔχον ἵππου, τῇ δὲ φωνῇ καθάπερ τὰ νεογνὰ παιδάρια κλαυθυριζόμενον. ὁ μὲν οὖν Νειλόξενος, “Ἀλεξίκακε” εἰπὼν, ἀπεστράφη τὴν ὄψιν, ὁ δὲ Θαλῆς προσέβλεπε τῷ νεανίσκῳ πολὺν χρόνον, εἶτα μειδιάσας (εἰώθει δ’ αἰεὶ παίζειν πρὸς ἐμὲ περὶ τῆς τέχνης) “ἦ που τὸν καθαρμόν, ὦ Διόκλεις,” ἔφη, “κινεῖν διανοῇ καὶ

παρέχειν πράγματα τοῖς ἀποτροπαίοις, ὥς τινος δεινοῦ καὶ μεγάλου συμβάντος;”

“Τί δ’,” εἶπον, “οὐ μέλλω; στάσεως γάρ, ὦ Θαλῆ, καὶ διαφορᾶς τὸ σημεῖον ἐστὶ, καὶ δέδια μὴ μέχρι γάμου καὶ γενεᾶς ἐξίκεται, πρὶν ἢ τὸ πρῶτον ἐξιλάσασθαι μήνιμα, τῆς θεοῦ δεῦτερον ὡς ὀρᾶς προφαινούσης.”

[e] Πρὸς τοῦτο μηδὲν ἀποκρινάμενος ὁ Θαλῆς ἀλλὰ γελῶν ἀπηλλάττετο. καὶ τοῦ Περιάνδρου πρὸς τὰς θύρας ἀπαντήσαντος ἡμῖν καὶ διαπυθομένου περὶ ὧν εἶδομεν, ἀφείς ὁ Θαλῆς με καὶ λαβόμενος τῆς ἐκείνου χειρὸς ἔφη, “ἃ μὲν Διοκλῆς κελεύει δράσεις καθ’ ἡσυχίαν· ἐγὼ δέ σοι παραινῶ νέοις οὕτω μὴ χρῆσθαι νομεῦσιν ἵππων, ἢ διδόναι γυναῖκας αὐτοῖς.”

Ἔδοξε μὲν οὖν μοι τῶν λόγων ἀκούσας ὁ Περιάνδρος ἡσθῆναι σφόδρα· καὶ γὰρ ἐξεγέλασε καὶ τὸν Θαλῆν περιβαλὼν κατησπάσατο. κάκεινος “οἴμαι δ’,” εἶπεν, “ὦ Διόκλεις, καὶ πέρας ἔσχε τὸ [f] σημεῖον· ὀρᾶς γὰρ ἡλίκον κακὸν γέγονεν ἡμῖν, Ἀλεξιδήμου συνδειπνεῖν μὴ θελήσαντος.”

Ἐπεὶ δ’ εἰσήλθομεν, ἤδη μεῖζον ὁ Θαλῆς φθεγξάμενος “ποῦ δ’” εἶπεν “ὁ ἀνὴρ κατακλινάμενος ἐδυσχέρανεν;” ἀποδειχθείσης δὲ τῆς χώρας περιελθὼν ἐκεῖ κατέκλινεν ἑαυτὸν καὶ ἡμᾶς “ἀλλὰ κἄν ἐπριάμην” εἰπὼν “Ἀρδάλω κοινωνεῖν μιᾶς τραπέζης.” ἦν δὲ Τροιζήνιος ὁ Ἀρδαλος, αὐλῳδὸς ^[150] [a] καὶ ἱερεὺς τῶν Ἀρδαλείων Μουσῶν, ἃς ὁ παλαιὸς Ἀρδαλος ἰδρύσατο ὁ Τροιζήνιος.

Ὁ δ’ Αἴσωπος (ἐτύγχανε γὰρ ὑπὸ Κροίσου νεωστὶ πρὸς τε Περιάνδρον ἅμα καὶ πρὸς τὸν θεὸν εἰς Δελφοὺς ἀπεσταλμένος, καὶ παρῆν ἐπὶ δίφρου τινὸς χαμαιζήλου παρὰ τὸν Σόλωνα καθήμενος ἄνω κατακείμενος) “ἡμίονος δ’,” ἔφη, “Λυδὸς ἐν ποταμῷ τῆς ὄψεως ἑαυτοῦ κατιδὼν εἰκόνα καὶ θαυμάσας τὸ κάλλος καὶ τὸ μέγεθος τοῦ σώματος ὥρμησε θεῖν ὥσπερ ἵππος ἀναχαιτίσας. εἶτα μέντοι συμφρονήσας ὡς ὄνου υἱὸς εἶη, κατέπαυσε [b] ταχὺ τὸν δρόμον καὶ ἀφῆκε τὸ φρύαγμα καὶ τὸν θυμόν.”

Ὁ δὲ Χίλων λακωνίσας τῇ φωνῇ, “καὶ τύνη,” ἔφη, “βραδὺς καὶ τρέχεις τὸν ἡμίονον.”

Ἐκ τούτου παρῆλθε μὲν ἡ Μέλισσα καὶ κατεκλίθη παρὰ τὸν Περιάνδρον, ἡ δ’ Εὐμητις ἐκάθισε παρὰ τὸ δεῖπνον. καὶ ὁ Θαλῆς ἐμὲ προσαγορεύσας ἐπάνω τοῦ Βίαντος κατακείμενον “τί οὐκ ἔφρασας,” εἶπεν, “ὦ Διόκλεις, Βίαντι τὸν Ναυκρατίτην ξένον

ἦκοντα μετὰ προβλημάτων βασιλικῶν αὐθις ἐπ' αὐτόν, ὅπως νήφων καὶ προσέχων ἑαυτῷ τὸν λόγον δέχεται;”

Καὶ ὁ Βίας “ἀλλ’ οὗτος μὲν,” ἔφη, “πάλαι [c] δεδίττεται ταῦτα παρακελευόμενος, ἐγὼ δὲ τὸν Διόνυσον οἶδα τὰ τ’ ἄλλα δεινὸν ὄντα καὶ Λύσιον ἀπὸ σοφίας προσαγορευόμενον, ὥστ’ οὐ δέδια τοῦ θεοῦ μεστός γενόμενος μὴ ἀθαρσέστερον ἀγωνίσωμαι.”

Τοιαῦτα μὲν ἐκεῖνοι πρὸς ἀλλήλους ἅμα δειπνοῦντες ἔπαιζον· ἐμοὶ δὲ τὸ δεῖπνον εὐτελέστερον ὀρῶντι τοῦ συνήθους ἐννοεῖν ἐπῆρει πρὸς ἑμαυτὸν ὡς σοφῶν κάγαθῶν ἀνδρῶν ὑποδοχὴ καὶ κλῆσις οὐδεμίαν προστίθησι δαπάνην ἀλλὰ συστέλλει μᾶλλον, ἀφαιροῦσα περιεργίας ὄψων καὶ μύρα ξενικὰ καὶ πέμματα καὶ πολυτελῶν οἶνων διαχύσεις, οἷς [d] καθ’ ἡμέραν χρώμενος ἐπικειῶς ὁ Περίανδρος ἐν τυραννίδι καὶ πλούτῳ καὶ πράγμασι, τότε πρὸς τοὺς ἄνδρας ἐκαλλωπίζετο λιτότητι καὶ σωφροσύνῃ δαπάνης. οὐ γὰρ μόνον τῶν ἄλλων ἀλλὰ καὶ τῆς γυναικὸς ἀφελῶν καὶ ἀποκρύφας τὸν συνήθη κόσμον ἐπεδείκνυε σὺν εὐτελείᾳ καὶ μετριότητι κεκοσμημένην.

Ἐπεὶ δ’ ἐπῆρθησαν αἱ τράπεζαι καὶ στεφάνων παρὰ τῆς Μελίσσης διαδοθέντων ἡμεῖς μὲν ἐσπέισαμεν ἢ δ’ αὐλητρίς ἐπιφθεγξαμένη μικρὰ ταῖς σπονδαῖς ἐκ μέσου μετέστη, προσαγορεύσας τὸν Ἀνάχαρσιν ὁ Ἀρδαλος ἠρώτησεν εἰ παρὰ Σκύθαις αὐλητρίδες εἰσίν.

[e] Ὁ δ’ ἐκ τοῦ προστυχόντος “οὐδ’ ἄμπελοι” εἶπε.

Τοῦ δ’ Ἀρδάλου πάλιν εἰπόντος “ἀλλὰ θεοί γε Σκύθαις εἰσί,” “πάνυ μὲν οὖν,” ἔφη, “γλώσσης ἀνθρωπίνης συνιέντες, οὐχ ὥσπερ δ’ οἱ Ἕλληνες οἰόμενοι Σκυθῶν διαλέγεσθαι βέλτιον ὅμως τοὺς θεοὺς ὁστέων καὶ ξύλων ἥδιον ἀκροᾶσθαι νομίζουσιν.”

Ὁ δ’ Αἴσωπος, “εἴ γ’,” εἶπεν, “εἰδείης, ὦ

ξένε, τοὺς νῦν αὐλοποιοὺς ὡς προέμενοι τὰ νεβρεῖα, χρώμενοι τοῖς ὀνείοις, βέλτιον ἤχειν λέγουσιν. διὸ καὶ Κλεοβουλίνη πρὸς τὸν Φρύγιον αὐλὸν ἠνίξατο.

[f] κνήμη νεκρὸς ὄνος με κερασφόρῳ οὐας ἔκρουσεν,

ὥστε θαυμάζειν τὸν ὄνον εἰ παχύτατος καὶ ἀμουσότατος ὢν τᾶλλα λεπτότατον καὶ μουσικώτατον ὅστέον παρέχεται.”

Καὶ ὁ Νειλόξενος “ἀμέλει ταῦτ’,” ἔφη, “καὶ ἡμῖν τοῖς Ναυκρατίταις ἐγκαλοῦσι Βουσιρῖται· χρώμεθα γὰρ ἤδη τοῖς ὀνείοις εἰς τὸν αὐλόν. ἐκείνοις δὲ καὶ σάλπιγγος ἀκούειν ἀθέμιτον, ὡς

ὄνῳ φθεγγομένης ὅμοιον. ὄνον δ' ὑπ' Αἰγυπτίων ἴστε δήπου διὰ Τυφῶνα προπηλακίζομενον.”

Γενομένης δὲ σιωπῆς ὁ Περίανδρος ὀρῶν βουλόμενον μὲν ὀκνοῦντα δ' ἄρξασθαι τοῦ λόγου ^[151] [a] τὸν Νειλόξενον, “ἐγώ τοι,” εἶπεν, “ὦ ἄνδρες ἐπαινῶ καὶ πόλεις καὶ ἄρχοντας, ὅσοι ξένοις πρῶτον εἶτα πολίταις χρηματίζουσι· καὶ νῦν δοκεῖ μοι τοὺς μὲν ἡμετέρους λόγους οἷον ἐπιχωρίους καὶ συνήθεις βραχὺν χρόνον ἐπισχεῖν, πρόσοδον δ' ὥσπερ ἐν ἐκκλησίᾳ δοῦναι τοῖς Αἰγυπτίοις ἐκείνοις καὶ βασιλικοῖς, οὓς ὁ βέλτιστος ἦκει κομίζων Νειλόξενος Βίαντι, Βίας δὲ βούλεται κοινῇ σκέψασθαι μεθ' ἡμῶν.”

Καὶ ὁ Βίας, “ποῦ γὰρ ἢ μετὰ τίνων,” ἔφη, “προθυμότερον ἂν τις ἀποκινδυνεύσειεν, εἰ δεῖ, πρὸς τοιαύτας ἀποκρίσεις, ἄλλως τε τοῦ βασιλέως [b] κελεύσαντος ἄρξασθαι μὲν ἀπ' ἐμοῦ, περιελθεῖν δ' εἰς ἅπαντας ὑμᾶς τὸν λόγον;”

Οὕτω δὴ παρεδίδου μὲν αὐτῷ τὸ γραμματεῖον ὁ Νειλόξενος, ὁ δ' αὐτὸν ἐκέλευσε λύσαντα παντάπασιν ἐς μέσον ἀναγνῶναι. διάνοιαν δὲ τοιαύτην εἶχε τὰ γεγραμμένα.

“Βασιλεὺς Αἰγυπτίων Ἄμασις λέγει Βίαντι σοφωτάτῳ Ἑλλήνων.

“Βασιλεὺς Αἰθιοπῶν ἔχει πρὸς ἐμὲ σοφίας ἁμιλλαν. ἡττώμενος δὲ τοῖς ἄλλοις ἐπὶ πᾶσι συντέθεικεν ἄτοπον ἐπίταγμα καὶ δεινόν, ἐκπιεῖν με κελεύων τὴν θάλατταν. ἔστι δὲ λύσαντι μὲν ἔχειν κώμας τε πολλὰς καὶ πόλεις τῶν ἐκείνου, [c] μὴ λύσαντι δ' ἄστεων τῶν περὶ Ἑλεφαντίνην ἀποσθῆναι. σκεψάμενος οὖν εὐθὺς ἀπόπεμπε Νειλόξενον. ἃ δὲ δεῖ φίλοις σοῖς ἢ πολίταις γενέσθαι παρ' ἡμῶν οὐ τὰμὰ κωλύσει.”

Τούτων ἀναγνωσθέντων οὐ πολὺν χρόνον ἐπισχὼν ὁ Βίας, ἀλλὰ μικρὰ μὲν αὐτὸς πρὸς αὐτῷ γινόμενος μικρὰ δὲ τῷ Κλεοβούλῳ προσομιλήσας ἐγγὺς κατακειμένῳ “τί λέγεις,” εἶπεν, “ὦ Ναυκρατῖτα; βασιλεύων ἀνθρώπων τοσούτων Ἄμασις, κεκτημένος δὲ χώραν ἀρίστην τοσαύτην ἐθελήσει ἐπὶ κώμαις ἀδόξοις καὶ λυπραῖς ἐκπιεῖν θάλατταν;”

Καὶ ὁ Νειλόξενος γελάσας “ὥς θελήσαντος,” εἶπεν, “ὦ Βία, σκόπει τὸ δυνατόν.”

[d] “Φραζέτω τοίνυν,” ἔφη, “τῷ Αἰθίοπι τοὺς ἐμβάλλοντας εἰς τὰ πελάγη ποταμοὺς ἐπισχεῖν, ἕως αὐτὸς ἐκπίνει τὴν νῦν οὖσαν θάλατταν· περὶ ταύτης γὰρ τὸ ἐπίταγμα γέγονεν, οὐ τῆς ὕστερον ἔσομένης.”

‘Ὡς δὲ ταῦτ’ εἶπεν ὁ Βίας, ὁ μὲν Νειλόξενος ὕψ’ ἡδονῆς ὥρμησε περιβαλεῖν τὸν Βιάντα καὶ φιλήσαι· τῶν δ’ ἄλλων ἐπαινεσάντων καὶ ἀποδεξαμένων γελάσας ὁ Χίλων, “ὦ Ναυκρατίτα,” ἔφη, “ξένε, πρὶν ἀπολέσθαι τὴν θάλατταν ἐκποθεῖσαν ἀπάγγελλε πλεῦσας Ἀμασίδι μὴ ζητεῖν ὅπως ἄλμην ἀναλώσει τοσαύτην, ἀλλὰ μᾶλλον ὅπως πότιμον καὶ γλυκεῖαν τοῖς ὑπηκόοις τὴν [e] βασιλείαν παρέξει· περὶ ταῦτα γὰρ δεινότατος Βίας καὶ διδάσκαλος τούτων ἄριστος, ἃ μαθὼν Ἀμασις οὐδὲν ἔτι τοῦ χρυσοῦ δεῖσεται ποδανιπτήρος ἐπὶ τοὺς Αἰγυπτίους, ἀλλὰ θεραπεύσουσι πάντες αὐτὸν καὶ ἀγαπήσουσι χρηστὸν ὄντα, κἂν μυριάκις ἢ νῦν ἀναφανῇ δυσγενέστερος.”

“Καὶ μήν,” ἔφη ὁ Περίανδρος, “ἄξιόν γε τοιαύτας ἀπαρχὰς τῷ βασιλεῖ συνεισενεγκεῖν ἅπαντας ‘ἄνδρακάς,’ ὥσπερ ἔφησεν Ὅμηρος· ἐκείνῳ τε γὰρ ἂν γένοιτο πλείονος ἀξία τῆς ἐμπορίας ἢ παρενθήκη, καὶ ἡμῖν ἀντὶ πάντων ὠφέλιμος.”

Εἰπόντος οὖν τοῦ Χίλωνος ὡς Σόλων κατάρχεσθαι [f] τοῦ λόγου δίκαιός ἐστιν, οὐ μόνον ὅτι πάντων προήκει καθ’ ἡλικίαν καὶ τυγχάνει κατακείμενος πρῶτος, ἀλλ’ ὅτι τὴν μεγίστην καὶ τελειοτάτην ἀρχὴν ἄρχει νόμους Ἀθηναίοις θέμενος, ὁ οὖν Νειλόξενος ἡσυχῇ πρὸς ἐμέ “πολλὰ γ’,” εἶπεν, “ὦ Διόκλεις, πιστεύεται ψευδῶς, καὶ χαίρουσιν οἱ πολλοὶ λόγους ἀνεπιτηδείους περὶ σοφῶν ἀνδρῶν αὐτοῖ τε πλάττοντες καὶ δεχόμενοι παρ’ ἐτέρων ἐτοίμως, οἷα καὶ πρὸς ἡμᾶς εἰς Αἴγυπτον ἀπηγγέλη περὶ Χίλωνος, ὡς ἄρα διαλύσαιτο τὴν πρὸς Σόλωνα φιλίαν καὶ [152] [a] ξενίαν, ὅτι τοὺς νόμους ὁ Σόλων ἔφη μετακινήτους εἶναι.”

Καὶ ἐγὼ “γελοῖος,” ἔφην, “ὁ λόγος· οὕτω γὰρ δεῖ πρῶτον ἀποποιεῖσθαι τὸν Λυκοῦργον αὐτοῖς νόμοις ὅλην μετακινήσαντα τὴν Λακεδαιμονίων πολιτείαν.”

Μικρὸν οὖν ἐπισχὼν ὁ Σόλων “ἐμοὶ μέν,” ἔφη, “δοκεῖ μάλιστα ἂν ἔνδοξος γενέσθαι καὶ βασιλεὺς καὶ τύραννος, εἰ δημοκρατίαν ἐκ μοναρχίας κατασκευάσειε τοῖς πολίταις.”

Δεύτερος δ’ ὁ Βίας εἶπεν, “εἰ πρῶτος χρῶτο τοῖς νόμοις τῆς πατρίδος.”

Ἐπὶ τούτῳ δ’ ὁ Θαλῆς ἔφησεν, εὐδαιμονίαν ἄρχοντος νομίζειν, εἰ τελευτήσῃ γεγράσας κατὰ φύσιν.

Τέταρτος Ἀνάχαρσις, “εἰ μόνον εἴη φρόνιμος.”

Πέμπτος δ’ ὁ Κλεόβουλος, “εἰ μηδενὶ πιστεύοι τῶν συνόντων.”

[b] Ἐκτος δ' ὁ Πιπτακός, “εἰ τοὺς ὑπηκόους ὁ ἄρχων παρασκευάσειε φοβεῖσθαι μὴ αὐτὸν ἀλλ' ὑπὲρ αὐτοῦ.”

Μετὰ τοῦτον ὁ Χίλων ἔφη τὸν ἄρχοντα χρῆναι μηδὲν φρονεῖν θνητόν, ἀλλὰ πάντ' ἀθάνατα.

Ῥηθέντων δὲ τούτων ἡξιοῦμεν ἡμεῖς καὶ αὐτὸν εἰπεῖν τι τὸν Περίανδρον. ὁ δ' οὐ μάλα φαιδρὸς ἀλλὰ συστήσας τὸ πρόσωπον “ἐγὼ τοίνυν,” ἔφη, “προσαποφαίνομαι τὰς εἰρημένας γνώμας ἀπάσας σχεδὸν ἀφιστάναι τοῦ ἄρχειν τὸν νοῦν ἔχοντα.”

Καὶ ὁ Αἰσωπος οἷον ἐλεγκτικῶς “ἔδει τοίνυν,” ἔφη, “τοῦτο καθ' ἑαυτοὺς περαίνειν καὶ μὴ, [c] συμβούλους φάσκοντας εἶναι καὶ φίλους, κατηγοροὺς γίνεσθαι τῶν ἀρχόντων.”

Ἀψάμενος οὖν αὐτοῦ τῆς κεφαλῆς ὁ Σόλων καὶ διαμειδιάσας εἶπεν, “οὐκ ἂν δοκεῖ σοι μετριώτερον ἄρχοντα ποιεῖν καὶ τύραννον ἐπικικέστερον ὁ πείθων ὥς ἄμεινον εἴη τὸ μὴ ἄρχειν ἢ τὸ ἄρχειν;”

“Τίς δ' ἂν,” ἔφη, “σοὶ τοῦτο πεισθεῖη μᾶλλον ἢ τῷ θεῷ φράσαντι κατὰ τὸν πρὸς σὲ χρησμόν,

εὐδαιμον πτολίεθρον ἐνὸς κήρυκος ἀκοῦον;”

Καὶ ὁ Σόλων “ἀλλὰ μήν,” ἔφη, “καὶ νῦν ἐνὸς [d] Ἀθηναῖοι κήρυκος ἀκροῶνται καὶ ἄρχοντος τοῦ νόμου, δημοκρατίαν ἔχοντες. σὺ δὲ δεινὸς εἶ κοράκων ἐπαΐειν καὶ κολοιῶν, τῆς δ' ἴσου φωνῆς οὐκ ἀκριβῶς ἐξακούεις, ἀλλὰ πόλιν μὲν οἶε κατὰ τὸν θεὸν ἄριστα πράττειν τὴν ἐνὸς ἀκούουσαν, συμποσίῳ δ' ἀρετὴν νομίζεις τὸ πάντας διαλέγεσθαι καὶ περὶ πάντων.”

“Σὺ γάρ,” ἔφη ὁ Αἰσωπος, “οὕτω γέγραφας ὅ τι ὅμοιον ἦν, οἰκέτας μὴ μεθύειν, ὥς ἔγραφας Ἀθήνησιν οἰκέτας μὴ ἐρᾶν μηδὲ ξηραλοφεῖν.”

Γελάσαντος οὖν τοῦ Σόλωνος Κλεόδωρος ὁ ἰατρός “ἀλλ' ὅμοιον,” ἔφη, “τὸ ξηραλοφεῖν τῷ λαλεῖν ἐν οἴνῳ βρεχόμενον· ἡδιστον γάρ ἐστι.”

[e] Καὶ ὁ Χίλων ὑπολαβὼν ἔφη “διὰ τοῦτό τοι μᾶλλον ἀφεκτέον αὐτοῦ.”

Πάλιν δ' ὁ Αἰσωπος, “καὶ μήν,” ἔφη, “Θαλῆς ἔδοξεν εἰπεῖν ὅτι τάχιστα γηράσαι.”

Γελάσας οὖν ὁ Περίανδρος, “ἔχομεν,” εἶπεν, “Αἰσωπε, τὴν δίκην προσηκόντως ἄτε, πρὶν ἢ τοὺς Ἀμάσιδος οὓς προειλόμεθα πάντας εἰσαγαγεῖν λόγους, εἰς ἐτέρους ἐμπεσόντες. ὅρα δὴ, Νειλόξενε, τὰ λοιπὰ τῆς ἐπιστολῆς, καὶ χρῶ παροῦσιν ἐν ταύτῳ

τοῖς ἀνδράσιν.”

“Ἀλλὰ μήν,” ὁ Νειλόξενος ἔφη, “τὴν μὲν τοῦ Αἰθίοπος ἐπίταξιν οὐδὲν ἄν τις ἄλλο πλὴν ‘ἀχνυμένην σκυτάλην’ προσείποι κατ’ Ἀρχίλοχον, [f] ὁ δὲ σὸς ξένος Ἄμασις ἡμερώτερος ἐν τοῖς τοιούτοις προβλήμασι καὶ μουσικώτερος γέγονεν· ἐκέλευσε γὰρ αὐτὸν εἰπεῖν τὸ πρεσβύτατον καὶ τὸ κάλλιστον καὶ τὸ μέγιστον καὶ τὸ σοφώτατον καὶ τὸ κοινότατον, καὶ ναὶ μὰ Δία πρὸς τοῦτοις τὸ ὠφελιμώτατον, καὶ τὸ βλαβερώτατον καὶ τὸ ἰσχυρότατον καὶ τὸ ῥᾶστον εἰπεῖν.”

“Ἄρ’ οὖν ἀπεκρίνατο καὶ διέλυσε τούτων ἕκαστον;”

“Οὕτως,” ὁ Νειλόξενος ἔφη· “κρίνετε δ’ ὑμεῖς ἀκούσαντες. περὶ πολλοῦ γὰρ ὁ βασιλεὺς [153] [a] ποιεῖται μήτε συκοφαντῶν ἀλῶναι τὰς ἀποκρίσεις, εἴ τέ τι σφάλλεται κατὰ ταύτας ὁ ἀποκρινάμενος, τοῦτο μὴ διαφυγεῖν ἀνεξέλεγκτον. ἀναγνώσομαι δ’ ὑμῖν ὥσπερ ἀπεκρίνατο·

‘Τί πρεσβύτατον;’ ‘χρόνος.’

‘Τί μέγιστον;’ ‘κόσμος.’

‘Τί σοφώτατον;’ ‘ἀλήθεια.’

‘Τί κάλλιστον;’ ‘φῶς.’

‘Τί κοινότατον;’ ‘θάνατος.’

‘Τί ὠφελιμώτατον;’ ‘θεός.’

‘Τί βλαβερώτατον;’ ‘δαίμων.’

‘Τί ῥωμαλεώτατον;’ ‘τύχη.’

‘Τί ῥᾶστον;’ ‘ἡδύ.’”

Τούτων πάλιν ἀναγνωσθέντων, ὧ Νίκαρχε, γενομένης σιωπῆς Θαλῆς ἠρώτησε τὸν Νειλόξενον εἰ προσήκατο τὰς λύσεις ὁ Ἄμασις. ἐκείνου δ’ εἰπόντος ὅτι τὰς μὲν ἀπεδέξατο ταῖς δ’ ἐδυσκόλαινε, [b] “καὶ μὴν οὐδέν,” εἶπεν ὁ Θαλῆς, “ἀνεπίληπτόν ἐστιν, ἀλλ’ ἔχει πάντα διαμαρτίας μεγάλας καὶ ἀγνοίας. οἷον εὐθύς ὁ χρόνος πῶς ἂν εἴη πρεσβύτατον, εἰ τὸ μὲν αὐτοῦ γεγονὸς τὸ δ’ ἐνεστὼς ἐστὶ τὸ δὲ μέλλον; ὁ γὰρ μεθ’ ἡμᾶς ἐσόμενος χρόνος καὶ πραγμάτων τῶν νῦν καὶ ἀνθρώπων νεώτερος ἂν φανείη. τὸ δὲ τὴν ἀλήθειαν ἡγεῖσθαι σοφίαν οὐδὲν ἐμοὶ δοκεῖ διαφέρειν τοῦ τὸ φῶς ὀφθαλμὸν ἀποφαίνειν. εἰ δὲ τὸ φῶς καλόν, ὥσπερ ἐστὶν, ἐνόμιζε, πῶς τὸν ἥλιον αὐτὸν παρεῖδε; τῶν δ’ ἄλλων ἢ μὲν περὶ θεῶν καὶ δαιμόνων ἀπόκρισις θράσος ἔχει καὶ κίνδυνον, [c] ἀλογίαν δὲ καὶ πολλὴν ἢ περὶ τῆς τύχης· οὐ γὰρ ἂν μετέπιπτε ῥαδίως οὕτως,

ἰσχυρότατον οὕσα τῶν ὄντων καὶ ῥωμαλέωτατον. οὐ μὴν οὐδ' ὁ θάνατος κοινότατόν ἐστιν· οὐ γάρ ἐστι πρὸς τοὺς ζῶντας. ἀλλ' ἵνα μὴ δοκῶμεν εὐθύνειν τὰς τῶν ἐτέρων ἀποφάσεις, ἰδίας ταῖς ἐκείνου παραβάλωμεν· ἐμαυτὸν δὲ παρέχω πρῶτον, εἰ βούλεται Νειλόξενος, ἐρωτᾶν καθ' ἕκαστον. ὥς οὖν ἐγένοντο τότε, κάγῳ νῦν διηγήσομαι τὰς ἐρωτήσεις καὶ τὰς ἀποκρίσεις·

‘Τί πρεσβύτατον;’ ‘θεός,’ ἔφη Θαλῆς· “ἀγέννητον γάρ ἐστι.”

‘Τί μέγιστον;’ ‘τόπος· τᾶλλα μὲν γὰρ ὁ [d] κόσμος, τὸν δὲ κόσμον οὗτος περιέχει.’

‘Τί κάλλιστον;’ ‘κόσμος· πᾶν γὰρ τὸ κατὰ τάξιν τούτου μέρος ἐστί.’

‘Τί σοφώτατον;’ ‘χρόνος· τὰ μὲν γὰρ εὖρηκεν οὗτος ἤδη, τὰ δ' εὐρήσει.’

‘Τί κοινότατον;’ ‘ἐλπίς· καὶ γὰρ οἷς ἄλλο μηδέν, αὕτη πάρεστι.’

‘Τί ὠφελιμώτατον;’ ‘ἀρετή· καὶ γὰρ τᾶλλα τῷ χρῆσθαι καλῶς ὠφέλιμα ποιεῖ.’

‘Τί βλαβερώτατον;’ ‘κακία· καὶ γὰρ τὰ πλεῖστα βλάπτει παραγενομένη.’

‘Τί ἰσχυρότατον;’ ‘ἀνάγκη· μόνον γὰρ ἀνίκητον.’

‘Τί ῥᾶστον;’ ‘τὸ κατὰ φύσιν, ἐπεὶ πρὸς ἡδονάς γε πολλάκις ἀπαγορεύουσιν.”

[e] Ἀποδεξαμένων δὲ πάντων τὸν Θαλῆν, ὁ Κλεόδωρος εἶπε, “τοιαῦτ' ἐρωτᾶν καὶ ἀποκρίνεσθαι βασιλεῦσιν, ὃ Νειλόξενε, προσῆκόν ἐστιν· ὁ δὲ προπίνων τὴν θάλατταν Ἀμάσιδι βάρβαρος ἐδεῖτο τῆς Πιττακοῦ βραχυλογίας, ἣ πρὸς Ἀλυσίαν ἐχρήσατο προστάττοντά τι καὶ γράφοντα Λεσβίοις ὑπερήφανον, ἀποκρινάμενος οὐδὲν ἄλλ' ἢ μόνον κελεύσας κρόμμυα καὶ θερμὸν ἄρτον ἐσθίειν.”

Υπολαβὼν οὖν ὁ Περίανδρος “ἀλλὰ μὴν,” ἔφη, “καὶ τοῖς παλαιοῖς Ἑλλήσιν ἔθος ἦν, ὃ Κλεόδωρε, [f] τοιαύτας ἀλλήλοις ἀπορίας προβάλλειν. ἀκούομεν γὰρ ὅτι καὶ πρὸς τὰς Ἀμφιδάμαντος ταφὰς εἰς Χαλκίδα τῶν τότε σοφῶν οἱ δοκιμώτατοι ποιηταὶ συνῆλθον· ἦν δ' ὁ Ἀμφιδάμας ἀνὴρ πολεμικός, καὶ πολλὰ πράγματα παρασχὼν Ἐρετριεῦσιν ἐν ταῖς περὶ Ἀηλάντου μάχαις ἔπεσεν. ἐπεὶ δὲ τὰ παρεσκευασμένα τοῖς ποιηταῖς ἔπη χαλεπήν καὶ δύσκολον ἐποίει τὴν κρίσιν διὰ τὸ ἐφάμιλλον, ἥ τε δόξα τῶν ἀγωνιστῶν, Ὀμήρου καὶ Ἡσιόδου, πολλήν [154] [a] ἀπορίαν μετ’

αἰδοῦς τοῖς κρίνουσι παρεῖχεν, ἐτράποντο πρὸς τοιαύτας ἐρωτήσεις, καὶ προέβαλ' ὁ μὲν, ὥς φησι Λέσχης,

Μοῦσά μοι ἔννεπε κεῖνα, τὰ μήτ' ἐγένοντο πάροιθε

μήτ' ἔσται μετόπισθεν,

ἀπεκρίνατο δ' Ἡσίοδος ἐκ τοῦ παρατυχόντος

ἀλλ' ὅταν ἀμφὶ Διὸς τύμβῳ καναχήποδες ἵπποι

ἄρματα συντρίψωσιν ἐπειγόμενοι περὶ νίκης.

καὶ διὰ τοῦτο λέγεται μάλιστα θαυμασθεὶς τοῦ τρίποδος τυχεῖν.”

“Τί δὲ ταῦθ’,” ὁ Κλεόδωρος εἶπε, “διαφέρει [b] τῶν Εὐμήτιδος αἰνιγμάτων; ἃ ταύτην μὲν ἴσως οὐκ ἀπρεπές ἐστι παίζουσιν καὶ διαπλέκουσιν ὥσπερ ἕτεραι ζωνία καὶ κεκρυφάλους προβάλλειν ταῖς γυναιξίν, ἄνδρας δὲ νοῦν ἔχοντας ἔν τινι σπουδῇ τίθεσθαι γελοῖον.”

Ἡ μὲν οὖν Εὐμητις ἠδέως ἂν εἰποῦσά τι πρὸς αὐτόν, ὥς ἐφαίνετο, κατέσχεν ἑαυτὴν ὑπ' αἰδοῦς, καὶ ἀνεπλήσθη τὸ πρόσωπον ἐρυθήματος· ὁ δ' Αἴσωπος οἷον ἀμυνόμενος ὑπὲρ αὐτῆς “οὐ γελοιότερον οὖν,” εἶπε, “τὸ μὴ δύνασθαι ταῦτα διαλύειν, οἷόν ἐστιν ὃ μικρὸν ἔμπροσθεν ἡμῖν τοῦ δαίτνου προέβαλεν,

ἄνδρ' εἶδον πυρὶ χαλκὸν ἐπ' ἀνέρι κολλήσαντα;

τί τοῦτ' ἐστὶν ἔχοις ἂν εἰπεῖν;”

[c] “Ἄλλ' οὐδὲ μαθεῖν δέομαι,” ἔφη ὁ Κλεόδωρος.

“Καὶ μὴν οὐδεὶς,” ἔφη, “σοῦ τοῦτο μᾶλλον οἶδεν οὐδὲ ποιεῖ βέλτιον· εἰ δ' ἄρνηϊ, μάρτυρας ἔχω σικύας.”

Ὁ μὲν οὖν Κλεόδωρος ἐγέλασε· καὶ γὰρ ἐχρήτο μάλιστα ταῖς σικύαις τῶν καθ' αὐτόν ἱατρῶν, καὶ δόξαν οὐχ ἥκιστα τὸ βοήθημα τοῦτο δι' ἐκεῖνον ἔσχηκε.

Μνησίφιλος δ' ὁ Ἀθηναῖος, ἐταῖρος ὦν καὶ ζηλωτῆς Σόλωνος, “ἐγὼ τοι,” εἶπεν, “ὦ Περίανδρε, τὸν λόγον ἀξιῶ καθάπερ τὸν οἶνον μὴ πλουτίνδην [d] μηδ' ἀριστίνδην ἀλλ' ἐξ ἴσου πᾶσιν ὥσπερ ἐν δημοκρατίᾳ νέμεσθαι καὶ κοινὸν εἶναι· τῶν δ' ἄρτι περὶ ἀρχῆς καὶ βασιλείας εἰρημένων οὐδὲν ἡμῖν τοῖς δημοτικοῖς μέτεστιν. ὅθεν οἰόμεθα δεῖν πάλιν ἕκαστον ὑμῶν περὶ πολιτείας ἰσονόμου γνώμην τινὰ συμβαλέσθαι, ἀρξαμένους αὖθις ἀπὸ Σόλωνος.”

Ἐδόκει δὴ ταῦτα ποιεῖν. καὶ πρῶτος ὁ Σόλων “ἀλλ' ἀκήκοας μὲν,” εἶπεν, “ὦ Μνησίφιλε, μετὰ πάντων Ἀθηναίων ἦν ἔχω γνώμην περὶ πολιτείας· εἰ δὲ βούλει καὶ νῦν ἀκούειν, δοκεῖ μοι πόλις

ἄριστα πράττειν καὶ μάλιστα σώζειν δημοκρατίαν, [e] ἐν ἧ τὸν ἀδικήσαντα τοῦ ἀδικηθέντος οὐδὲν ἦττον οἱ μὴ ἀδικηθέντες προβάλλονται καὶ κολάζουσι.”

Δεύτερος δ’ ὁ Βίας ἔφησε κρατίστην εἶναι δημοκρατίαν ἐν ἧ πάντες ὡς τύραννον φοβοῦνται τὸν νόμον.

Ἐπὶ τούτῳ Θαλῆς τὴν μήτε πλουσίους ἄγαν μήτε πένητας ἔχουσιν πολίτας.

Μετὰ δὲ τοῦτον ὁ Ἀνάχαρσις ἐν ἧ τῶν ἄλλων ἴσων νομιζομένων ἀρετῇ τὸ βέλτιον ὀρίζεται, καὶ κακία τὸ χεῖρον.

Πέμπτος δ’ ὁ Κλεόβουλος ἔφη μάλιστα σωφρονεῖν δῆμον ὅπου τὸν ψόγον μᾶλλον οἱ πολιτευόμενοι δεδοίκασιν ἢ τὸν νόμον.

Ἑκτος δ’ ὁ Πιπτακός, ὅπου τοῖς πονηροῖς οὐκ ἔξεστιν ἄρχειν καὶ τοῖς ἀγαθοῖς οὐκ ἔξεστι μὴ ἄρχειν.

[f] Μεταστραφεῖς δ’ ὁ Χίλων ἀπεφώνησε τὴν μάλιστα νόμων ἥκιστα δὲ ῥητόρων ἀκούουσιν πολιτείαν ἀρίστην εἶναι.

Τελευταῖος δὲ πάλιν ὁ Περίανδρος ἐπικρίνων ἔφη δοκεῖν αὐτῷ πάντας ἐπαινεῖν δημοκρατίαν τὴν ὁμοιοτάτην ἀριστοκρατία.

Τέλος δὲ καὶ τούτου τοῦ λόγου λαβόντος ἡξίου ἐγὼ καὶ περὶ οἴκου ἧ χρηστέον εἰπεῖν τοὺς ἄνδρας ἡμῖν· “βασιλείας μὲν γὰρ καὶ πόλεις ὀλίγοι κυβερνῶσιν, ἐστίας δὲ πᾶσιν ἡμῖν καὶ οἴκου μέτεστι.”

Γελάσας οὖν ὁ Αἴσωπος, “οὐκ, εἶγε τῶν πάντων,” [155] [a] ἔφη, “καὶ Ἀνάχαρσιν ἀριθμεῖς· τοῦτῳ γὰρ οἶκος οὐκ ἔστιν, ἀλλὰ καὶ σεμνύνεται τῷ ἄοικος εἶναι, χρῆσθαι δ’ ἀμάξῃ, καθάπερ τὸν ἥλιον ἐν ἄρματι λέγουσι περιπολεῖν, ἄλλοτ’ ἄλλην ἐπινεμόμενον τοῦ οὐρανοῦ χῶραν.”

Καὶ ὁ Ἀνάχαρσις, “διὰ τοῦτό τοι,” εἶπεν, “ἢ μόνος ἢ μάλιστα τῶν θεῶν ἐλευθέρος ἐστὶ καὶ αὐτόνομος, καὶ κρατεῖ πάντων, κρατεῖται δ’ ὑπ’ οὐδενός, ἀλλὰ βασιλεύει καὶ ἡνιοχεῖ. πλὴν σέ γε τὸ ἄρμα λέληθεν αὐτοῦ, ὡς ὑπερφυῆς κάλλει καὶ [b] μεγέθει θαυμάσιόν ἐστιν· οὐ γὰρ ἂν παίζων ἐπὶ γέλωτι παρέβαλες ἐκεῖνο τοῖς ἡμετέροις. οἶκον δέ μοι δοκεῖς, ὦ Αἴσωπε, ταυτὶ τὰ πῆλινα καὶ ξύλινα καὶ κεραμεῖα στεγάσματα νομίζεις, ὥσπερ εἰ κοχλίαν ἡγοῖο τὸ κέλυφος, ἀλλὰ μὴ τὸ ζῶον. εἰκότως οὖν σοι γέλωτα παρέσχεν ὁ Σόλων, ὅτι τοῦ Κροίσου τὴν οἰκίαν κεκοσμημένην πολυτελεῶς θεασάμενος οὐκ εὐθὺς ἀπεφώνησε τὸν κεκτημένον εὐδαιμόνως οἰκεῖν καὶ μακαρίως, ἅτε δὴ τῶν ἐν αὐτῷ μᾶλλον ἀγαθῶν ἢ τῶν

παρ' αὐτῷ βουλόμενος γενέσθαι θεατῆς· σὺ δ' ἔοικας οὐδὲ τῆς σεαυτοῦ μνημονεύειν ἀλώπεκος. ἐκείνη μὲν γὰρ εἰς ἀγῶνα ποικιλίας καταστᾶσα πρὸς τὴν πάρδαλιν ἡξίου τὰ ἐντὸς αὐτῆς καταμαθεῖν τὸν δικαστὴν, [c] ποικιλωτέρα γὰρ ἐκεῖθεν φανεῖσθαι· σὺ δὲ τὰ τεκτόνων καὶ λιθοξόων ἔργα περινοστεῖς, οἶκον ἡγούμενος, οὐ τὰ ἐντὸς ἐκάστου καὶ οἰκεῖα, παῖδας καὶ γάμον καὶ φίλους καὶ θεράποντας, οἷς κἄν ἐν μυρμηκιᾷ τις ἢ νεοττιᾷ νοῦν ἔχουσι καὶ σωφρονοῦσι κοινωνῇ τῶν ὑπαρχόντων, χρηστὸν οἶκον οἰκεῖ καὶ μακάριον. ἐγὼ μὲν οὖν,” ἔφη, “ταῦτα καὶ πρὸς Αἴσωπον ἀποκρίνομαι καὶ Διοκλεῖ συμβάλλομαι· τῶν δ' ἄλλων ἕκαστος ἀποφαίνεσθαι δίκαιός ἐστι τὴν ἑαυτοῦ γνώμην.”

Τοῦτον οὖν ἄριστον ὁ Σόλων εἶπεν αὐτῷ δοκεῖν οἶκον, ὅπου τὰ χρήματα μήτε κτωμένοις ἀδικία [d] μήτε φυλάττουσιν ἀπιστία μήτε δαπανῶσι μετάνοια πρόσσεστιν.

Ὁ δὲ Βίας ἐν ᾧ τοιοῦτός ἐστιν ὁ δεσπότης δι' αὐτὸν οἶος ἔξω διὰ τὸν νόμον.

Ὁ δὲ Θαλῆς ἐν ᾧ πλείστην ἄγειν τῷ δεσπότηι σχολὴν ἔξεστιν.

Ὁ δὲ Κλεόβουλος εἰ πλείονας ἔχοι τῶν φοβουμένων αὐτὸν τοὺς φιλοῦντας ὁ δεσπότης.

Ὁ δὲ Πιττακὸς εἶπεν ὡς ἄριστος οἶκός ἐστιν ὁ τῶν περιττῶν μηδενὸς δεόμενος καὶ τῶν ἀναγκαίων μηδενὸς ἐνδεόμενος.

Ὁ δὲ Χίλων ἔφη δεῖν μάλιστα βασιλευομένη πόλει προσεοικέναι τὸν οἶκον. εἶτα προσεπεῖπεν ὅτι καὶ Λυκοῦργος πρὸς τὸν κελεύοντα δημοκρατίαν [e] ἐν τῇ πόλει καταστήσαι, “πρῶτος,” ἔφη, “ποίησον ἐν τῇ οἰκίᾳ σου δημοκρατίαν.”

Ἐπεὶ δὲ καὶ οὗτος ἔσχεν ὁ λόγος τέλος, ἡ μὲν Εὐμητις ἐξῆλθε μετὰ τῆς Μελίσσης, τοῦ δὲ Περιάνδρου τῷ Χίλωνι προπιόντος εὐμεγέθη κύλिका, τῷ δὲ Βίαντι τοῦ Χίλωνος, Ἄρδαλος ἐπαναστὰς καὶ προσαγορεύσας τὸν Αἴσωπον, “σὺ δ' οὐκ ἄν,” ἔφη, “διαπέμψαιο δεῦρο τὸ ποτήριον πρὸς ἡμᾶς, ὁρῶν τούτους ὥσπερ τὴν Βαθυκλέους κύλिका διαπεμπομένους ἀλλήλοις, ἐτέρῳ δὲ μὴ μεταδιδόντας;”

[f] Καὶ ὁ Αἴσωπος, “ἀλλ' οὐδὲ τοῦτ',” ἔφη, “τὸ ποτήριον δημοτικόν ἐστι· Σόλωνι γὰρ ἔκπαλαι παράκειται μόνῳ.”

Τὸν οὖν Μνησίφιλον προσαγορεύσας ὁ Πιττακὸς ἠρώτησε τί οὐ πίνει Σόλων ἀλλὰ καταμαρτυρεῖ τῶν ποιημάτων ἐν οἷς γέγραφεν,

ἔργα δὲ Κυπρογενοῦς νῦν μοι φίλα καὶ Διονύσου

καὶ Μουσέων, ἃ τίθησ' ἀνδράσιν εὐφροσύνας.

Ὑποφθάσας δ' Ἀνάχαρις “σὲ γάρ, ὦ Πιττακέ, καὶ τὸν σὸν ἐκεῖνον τὸν χαλεπὸν φοβεῖται νόμον, ἐν ᾧ γέγραφας Ἐάν τις ὀτιοῦν μεθύων ἀμάρτη, διπλασίαν ἢ τῷ νήφοντι τὴν ζημίαν εἶναι.”

Καὶ ὁ Πιττακός, “σὺ δέ γ’,” εἶπεν, “οὕτως ἐξύβρισας εἰς τὸν νόμον, ὥστε πέρυσι παρ' Ἀλκαίου ἀδελφῷ μεθυσθεὶς ἄθλον αἰτεῖν καὶ στέφανον.”

[156] [a] “Τί δ' οὐκ ἔμελλον,” ἔφη ὁ Ἀνάχαρις, “τῷ πλεῖστον πίνοντι προκειμένων ἄθλων πρῶτος μεθυσθεὶς ἀπαιτεῖν τὸ νικητήριον; ἢ διδάξατέ μ' ὑμεῖς, τί τέλος ἐστὶ τοῦ πολὺν πιεῖν ἄκρατον ἢ τὸ μεθυσθῆναι.”

Τοῦ δὲ Πιττακοῦ γελάσαντος ὁ Αἴσωπος λόγον εἶπε τοιοῦτον· “λύκος ἰδὼν ποιμένας ἐσθίοντας ἐν σκηνῇ πρόβατον ἐγγὺς προσελθὼν, ‘ἡλίκος ἂν ᾦν,’ ἔφη, ‘θόρυβος ὑμῖν, εἰ ἐγὼ τοῦτ' ἐποίουν.’”

Καὶ ὁ Χίλων “ὀρθῶς,” ἔφη, “Αἴσωπος ἡμύνατο, μικρὸν ἔμπροσθεν ἐπιστομισθεὶς ὑφ' ἡμῶν, εἶτα νῦν ὀρῶν ἐτέρους τὸν Μνησιφίλου λόγον ὑφηρπακότας· Μνησιφίλος γὰρ ῥητήθη τὴν ὑπὲρ Σόλωνος ἀπόκρισιν.”

[b] “Καὶ λέγω,” ὁ Μνησιφίλος εἶπεν, “εἰδὼς ὅτι Σόλωνι δοκεῖ πάσης τέχνης καὶ δυνάμεως ἀνθρωπίνης τε καὶ θείας ἔργον εἶναι τὸ γιγνόμενον μᾶλλον ἢ δι' οὗ γίγνεται, καὶ τὸ τέλος ἢ τὰ πρὸς τὸ τέλος. ὑφάντης τε γὰρ ἂν οἷμαι χλαμύδα ποιήσαιτο μᾶλλον ἔργον αὐτοῦ καὶ ἱμάτιον ἢ κανόνων διάθεσιν καὶ ἀνάρτησιν ἀγνύθων, χαλκεύς τε κόλλησιν σιδήρου καὶ στόμωσιν πελέκεως μᾶλλον ἢ τι τῶν ἔνεκα τούτου γιγνομένων ἀναγκαίων, οἷον ἀνθρώκων ἐκζωπύρησιν ἢ λατύπης παρασκευήν. ἔτι δὲ μᾶλλον ἀρχιτέκτων μέμψαιτ' ἂν ἡμᾶς ἔργον αὐτοῦ μὴ ναὸν μὴδ' οἰκίαν ἀποφαίνοντας, [c] ἀλλὰ τρυπῆσαι ξύλα καὶ φυρᾶσαι πηλόν· αἱ δὲ Μοῦσαι καὶ παντάπασιν, εἰ νομίζοιμεν αὐτῶν ἔργον εἶναι κιθάραν καὶ αὐλούς, ἀλλὰ μὴ τὸ παιδεύειν τὰ ἦθη καὶ παρηγορεῖν τὰ πάθη τῶν χρωμένων μέλεσι καὶ ἀρμονίαις. οὐκοῦν οὐδὲ τῆς Ἀφροδίτης ἔργον ἐστὶ συνουσία καὶ μεῖζις, οὐδὲ τοῦ Διονύσου μέθη καὶ οἶνος, ἀλλ' ἦν ἐμποιοῦσι διὰ τούτων φιλοφροσύνην καὶ πόθον καὶ ὁμιλίαν ἡμῖν καὶ συνήθειαν πρὸς ἀλλήλους· ταῦτα γὰρ ἔργα θεῖα καλεῖ Σόλων, καὶ ταῦτά φησιν ἀγαπᾶν καὶ διώκειν μάλιστα πρεσβύτης γενόμενος. ἔστι δὲ τῆς μὲν πρὸς γυναικας ἀνδρῶν

όμοφροσύνης [d] καὶ φιλίας δημιουργὸς ἡ Ἀφροδίτη, τοῖς σώμασιν ὑφ' ἡδονῆς ἅμα συμμιγνύουσα καὶ συντήκουσα τὰς ψυχάς· τοῖς δὲ πολλοῖς καὶ μὴ πάνυ συνήθεσι μὴδ' ἄγαν γνωρίμοις ὁ Διόνυσος ὥσπερ ἐν πυρὶ τῷ οἴνῳ μαλάττων τὰ ἦθη καὶ ἀνυγραίνων ἀρχὴν τινα συγκράσεως πρὸς ἀλλήλους καὶ φιλίας ἐνδίδωσιν. ὅταν δὲ τοιοῦτοι συνέλθωσιν ἄνδρες, οἷους ὁ Περίανδρος ὑμᾶς παρακέκληκεν, οὐδὲν ἔργον ἐστὶν οἷμαι κύλικος οὐδ' οἰνοχόης, ἀλλ' αἱ Μοῦσαι καθάπερ κρατῆρα νηφάλιον ἐν μέσῳ προθέμεναι τὸν λόγον, ὧ πλεῖστον ἡδονῆς ἅμα καὶ παιδιᾶς καὶ σπουδῆς ἔνεστιν, ἐγείρουσι τούτῳ καὶ κατάρδουσι καὶ διαχέουσι τὴν φιλοφροσύνην, [e] ἐῷσαι τὰ πολλὰ τὴν 'οἰνοχόην' ἀτρέμα κεῖσθαι 'κρητῆρος ὕπερθεν,' ὅπερ ἀπηγόρευεν Ἡσίοδος ἐν τοῖς πίνειν μᾶλλον ἢ διαλέγεσθαι δυναμένοις. ἐπεὶ τὰς γε προπόσεις αὐτάς," ἔφη, "πυνθάνομαι λείπειν τοῖς παλαιοῖς, ἐν 'δαιτρόν,' ὡς Ὀμηρος ἔφη, καὶ μετρητὸν ἐκάστου πίνοντος, εἴθ' ὥσπερ Αἴας μερίδος μεταδιδόντος τῷ πλησίον."

Εἰπόντος δὲ ταῦτα τοῦ Μνησιφίλου Χερσίας ὁ [f] ποιητῆς (ἀφεῖτο γὰρ ἤδη τῆς αἰτίας καὶ διήλλακτο τῷ Περιάνδρῳ νεωστί, Χίλωνος δεηθέντος) "ἄρ' οὖν," ἔφη, "καὶ τοῖς θεοῖς ὁ Ζεὺς, ὥσπερ τοῖς ἀριστεύουσιν ὁ Ἀγαμέμνων, μετρητὸν ἐνέχει τὸ ποτόν, ὅτε προέπινον ἀλλήλοις ἐστιώμενοι παρ' αὐτῷ;"

Καὶ ὁ Κλεόδωρος, "σὺ δ', ὦ Χερσία," εἶπεν, "εἰ τὴν ἀμβροσίαν τῷ Διὶ πελειάδες τινὲς κομίζουσιν, ὡς ὑμεῖς λέγετε, τὰς Πλαγκτὰς ὑπερπετόμεναι χαλεπῶς καὶ μόλις, οὐ νομίζεις καὶ τὸ νέκταρ αὐτῷ δυσπόριστον εἶναι καὶ σπάνιον, [157] [a] ὥστε φεῖδεσθαι καὶ παρέχειν ἐκάστῳ τεταμιευμένον;"

"Ἴσως," εἶπεν ὁ Χερσίας· "ἀλλ' ἐπεὶ πάλιν οἰκονομίας λόγος γέγονε, τίς ἂν ὑμῶν φράσειεν ἡμῖν τὸ ἀπολειπόμενον; ἀπολείπεται δ' οἷμαι κτήσεώς τι λαβεῖν μέτρον αὐτάρκους καὶ ἱκανῆς ἐσομένης."

Καὶ ὁ Κλεόβουλος, "ἀλλὰ τοῖς μὲν σοφοῖς," ἔφη, "μέτρον ὁ νόμος δέδωκε, πρὸς δὲ τοὺς φαύλους ἐρῶ λόγον τῆς ἐμῆς θυγατρὸς ὃν πρὸς τὸν ἀδελφὸν εἶπεν. ἔφη γὰρ τὴν Σελήνην δεῖσθαι τῆς ἑαυτῆς μητρὸς ὅπως αὐτῇ χιτώνιον ὑφήνη [b] σύμμετρον· τὴν δ' εἶπεῖν 'καὶ πῶς σύμμετρον ὑφήνω; νῦν μὲν γὰρ ὁρῶ σε πανσέληνον, αὐθις δὲ μηνοειδῆ, τοτὲ δ' ἀμφίκυρτον.' οὕτω δὴ, ὦ φίλε Χερσία, καὶ πρὸς ἄνθρωπον ἀνόητον καὶ φαῦλον οὐδὲν

ἔστι μέτρον οὐσίας· ἄλλοτε γὰρ ἄλλος ἔστί ταῖς χρεΐαις διὰ τὰς ἐπιθυμίας καὶ τὰς τύχας, ὥσπερ ὁ Αἰσώπου κύων, ὃν οὐτοσί φησιν ἐν τῷ χειμῶνι συστρεφόμενον καὶ συσπειρώμενον διὰ τὸ ῥίγοῦν οἰκίαν ποιεῖν διανοεῖσθαι, θέρους δ' αὖ πάλιν ἐκτεταμένον καθεύδοντα φαίνεσθαι μέγαν ἑαυτῷ καὶ μήτ' ἀναγκαῖον ἡγεῖσθαι μήτε μικρὸν ἔργον οἰκίαν περιβαλέσθαι τοσαύτην. ἥ γὰρ οὐχ ὀρᾷ,” εἶπεν, “ὦ Χερσία, καὶ τοὺς [c] μιαροὺς νῦν μὲν εἰς μικρὰ κομιδῇ συστέλλοντας ἑαυτοὺς ὡς στρογγύλως καὶ Λακωνικῶς βιωσομένους, νῦν δέ, εἰ μὴ τὰ πάντων ἔχουσιν ἰδιωτῶν ἅμα καὶ βασιλέων, ὑπ' ἐνδείας ἀπολεῖσθαι νομίζοντας;”

Ὡς οὖν ὁ Χερσίας ἀπεσιώπησεν, ὑπολαβὼν ὁ Κλεόδωρος, “ἀλλὰ καὶ τοὺς σοφούς,” εἶπεν, “ὕμᾱς ὀρῶμεν ἀνίσοις μέτροις τὰς κτήσεις νενεμημένας πρὸς ἀλλήλους ἔχοντας.”

Καὶ ὁ Κλεόβουλος, “ὁ γὰρ τοι νόμος,” εἶπεν, “ὦ βέλτιστε ἀνδρῶν, ὡς ὑφάντης ἐκάστω τὸ πρέπον ἡμῶν καὶ τὸ μέτριον καὶ τὸ ἀρμόττον [d] ἀποδίδωσι. καὶ σὺ καθάπερ τῷ νόμῳ τῷ λόγῳ τρέφων καὶ διαιτῶν καὶ φαρμακεύων τοὺς κάμνοντας οὐκ ἴσον ἐκάστω, τὸ δὲ προσῆκον ἀπονέμεις ἅπασιν.”

Ὑπολαβὼν δ' ὁ Ἄρδαλος, “ἄρ' οὖν,” ἔφη, “καὶ τὸν ἐταῖρον ὑμῶν Σόλωνος δὲ ξένον Ἐπιμενίδην νόμος τις ἀπέχεσθαι τῶν ἄλλων σιτίων κελεύει, τῆς δ' ἀλίμου δυνάμεως ἦν αὐτὸς συντίθησι μικρὸν εἰς τὸ στόμα λαμβάνοντα διημερεύειν ἀνάριστον καὶ ἄδειπνον;”

Ἐπιστήσαντος δὲ τοῦ λόγου τὸ συμπόσιον ὁ μὲν Θαλῆς ἐπισκώπτων εὖ φρονεῖν ἔφη τὸν Ἐπιμενίδην ὅτι μὴ βούλεται πράγματα ἔχειν ἁλῶν τὰ σιτία καὶ πέττων ἑαυτῷ, καθάπερ [e] Πιττακός. “ἐγὼ γάρ,” εἶπε, “τῆς ξένης ἤκουον ἀδοῦσης πρὸς τὴν μύλην, ἐν Ἐρέσῳ γενόμενος,

ἄλει, μύλα, ἄλει·

καὶ γὰρ Πιττακὸς ἄλει

μεγάλας Μυτιλάνας βασιλεύων.”

Ὁ δὲ Σόλων ἔφη θαυμάζειν τὸν Ἄρδαλον εἰ τὸν νόμον οὐκ ἀνέγνωκε τῆς διαίτης τοῦ ἀνδρὸς ἐν τοῖς ἔπεσι τοῖς Ἡσιόδου γεγραμμένον· ἐκεῖνος γὰρ ἔστιν ὁ πρῶτος Ἐπιμενίδῃ σπέρματα τῆς τροφῆς ταύτης παρασχὼν καὶ ζητεῖν ὁ διδάξας

[f] ὅσον ἐν μαλάχῃ τε καὶ ἀσφοδέλῳ μέγ' ὄνειαρ.

“Οἶει γάρ,” ὁ Περίανδρος εἶπε, “τὸν Ἡσιόδον ἐννοῆσαί τι

τοιοῦτον; οὐκ ἐπαινέτην ὄντα φειδοῦς αἰεί, καὶ πρὸς τὰ λιτότατα τῶν ὄψων ὡς ἡδιστα παρακαλεῖν ἡμᾶς; ἀγαθὴ μὲν γὰρ ἡ μαλάχη βρωθῆναι, γλυκὺς δ' ὁ ἀνθέρικος· τὰ δ' ἄλιμα ταῦτα καὶ ἄδιψα φάρμακα μᾶλλον ἢ σιτία πυνθάνομαι καὶ μέλι καὶ τυρόν τινα βαρβαρικὸν δέχεσθαι καὶ σπέρματα πάμπολλα τῶν οὐκ εὐπορίστων. πῶς οὖν ἐῷμεν Ἡσιόδῳ τὸ

πηδάλιον μὲν ὑπὲρ καπνοῦ
κείμενον

ἔργα βοῶν δ' ἀπόλοιτο καὶ ἡμιόνων ταλαεργῶν,

εἰ τοσαύτης δεήσει παρασκευῆς; θαυμάζω δέ [158] [a] σου τὸν ξένον, ὦ Σόλων, εἰ Δηλίοις ἔναγχος ποιησάμενος τὸν μέγαν καθαρμὸν οὐχ ἰστόρησε παρ' αὐτοῖς εἰς τὸ ἱερὸν κοιμζόμενα τῆς πρώτης ὑπομνήματα τροφῆς καὶ δείγματα μετ' ἄλλων εὐτελῶν καὶ αὐτοφυῶν μαλάχην καὶ ἀνθέρικον, ὧν εἰκὸς ἐστὶ καὶ τὸν Ἡσιόδον προξενεῖν ἡμῖν τὴν λιτότητα καὶ τὴν ἀφέλειαν.”

“Οὐ ταῦτ’,” ἔφη, “μόνον,” ὁ Ἀνάχαρσις, “ἀλλὰ καὶ πρὸς ὑγίειαν ἐν τοῖς μάλιστα τῶν λαχάνων ἐκάτερον ἐπαινεῖται.”

Καὶ ὁ Κλεόδωρος “ὀρθῶς,” ἔφη, “λέγεις. ἰατρικὸς γὰρ Ἡσιόδος, ὡς δῆλός ἐστιν οὐκ [b] ἀμελῶς οὐδ' ἀπείρως περὶ διαίτης καὶ κράσεως οἴνου καὶ ἀρετῆς ὕδατος καὶ λουτροῦ καὶ γυναικῶν διαλεγόμενος καὶ συνουσίας καιροῦ καὶ βρεφῶν καθίσεως. ἀλλ' Ἡσιόδου μὲν ἐμοὶ δοκεῖ δικαιότερον Αἰσωπος αὐτὸν ἀποφαίνειν μαθητὴν ἢ Ἐπιμενίδης· τούτῳ γὰρ ἀρχὴν τῆς καλῆς ταύτης καὶ ποικίλης καὶ πολυγλώσσου σοφίας ὁ πρὸς τὴν ἀηδόνα λόγος τοῦ ἱέρακος παρέσχηκεν. ἐγὼ δ' ἂν ἡδέως ἀκούσαιμι Σόλωνος· εἰκὸς γὰρ αὐτὸν πεπύσθαι, πολὺν χρόνον Ἀθήνησιν Ἐπιμενίδῃ συγγενόμενον, ὃ τι δὴ παθὼν ἢ σοφιζόμενος ἐπὶ τοιαύτην ἦλθε δίαίταν.”

Καὶ ὁ Σόλων ἔφη “τί δὲ τοῦτ' ἐκείνον [c] ἐρωτᾷν ἔδει; δῆλον γὰρ ἦν ὅτι τοῦ μεγίστου τῶν ἀγαθῶν καὶ κρατίστου δεύτερόν ἐστι τὸ δεῖσθαι τροφῆς βραχυτάτης. ἢ τὸ μέγιστον οὐ δοκεῖ τὸ μηδ' ὅλως τροφῆς δεῖσθαι;”

“Οὐδαμῶς,” ὁ Κλεόδωρος, “ἔμοιγ’,” εἶπεν, “εἰ δεῖ τὸ φαινόμενον εἰπεῖν, καὶ μάλιστα παρακειμένης τραπέζης, ἦν ἀναίρουσιν αἰρομένης τροφῆς φιλίων θεῶν βωμὸν οὔσαν καὶ ξενίων. ὡς δὲ Θαλῆς λέγει τῆς γῆς ἀναιρεθείσης σύγχυσιν τὸν ὅλον ἔξειν κόσμον, οὕτως οἴκου διάλυσις ἐστὶ· συναναιρεῖται γὰρ

αὐτῇ πῦρ ἐστιοῦχον ἐστία κρατῆρες ὑποδοχαὶ ξενισμοί, φιλανθρωπότατα καὶ πρῶτα κοινωνήματα πρὸς ἀλλήλους, μᾶλλον δὲ [d] σύμπας ὁ βίος, εἴ γε διαγωγὴ τίς ἐστὶν ἀνθρώπου πράξεων ἔχουσα διέξοδον, ὧν ἡ τῆς τροφῆς χρεία καὶ παρασκευὴ τὰς πλείστας παρακαλεῖ. δεινὸν μὲν οὖν, ὧ ἑταῖρε, καὶ τὸ γεωργίας αὐτῆς· διολλυμένη γὰρ αὖθις ἀπολείπει γῆν ἡμῖν ἄμορφον καὶ ἀκάθαρτον, ὕλης ἀκάρπου καὶ ῥευμάτων πλημμελῶς φερομένων ὑπ’ ἀργίας ἀνάπλεων. συναπόλλυσι δὲ καὶ τέχνας πάσας καὶ ἐργασίας, ὧν ἕξαρχός ἐστι καὶ παρέχει βάσιν πάσαις καὶ ὕλην, καὶ τὸ [e] μηδὲν εἰσι, ταύτης ἐκποδῶν γενομένης. καταλύονται δὲ καὶ τιμαὶ θεῶν, Ἡλίῳ μὲν μικράν, ἔτι δ’ ἐλάττω Σελήνῃ χάριν αὐγῆς μόνον καὶ ἀλέας ἀνθρώπων ἐχόντων. ὀμβρίῳ δὲ Διὶ καὶ προηροσίᾳ Δήμητρι καὶ φυταλμίῳ Ποσειδῶνι ποῦ βωμός ἐστι, ποῦ δὲ θυσία; πῶς δὲ χαριδότης ὁ Διόνυσος, εἰ δεησόμεθα μηδενὸς ὧν δίδωσι; τί δὲ θύσομεν ἢ σπεῖσομεν; τίνος δ’ ἀπαρξόμεθα; πάντα γὰρ ταῦτα τῶν μεγίστων ἀνατροπὴν καὶ σύγχυσιν ἔχει πραγμάτων. ἡδονῆς δὲ πάσης μὲν περιέχεσθαι καὶ πάντως ἀλόγιστόν ἐστι, πᾶσαν δὲ φεύγειν καὶ πάντως ἀναίσθητον. τὴν μὲν οὖν ψυχὴν ἐτέραις [f] τισὶν ἡδοναῖς χρῆσθαι κρείττοσιν ὑπαρχέτω, τῷ δὲ σώματι λαβεῖν ἡδονὴν τῆς ἀπὸ τοῦ τρέφεσθαι δικαιότεραν οὐκ ἔστιν εὐρεῖν, ὅπερ οὐδένα λέληθεν ἀνθρώπων· ταύτην γὰρ ἐν μέσῳ θέμενοι κοινωνοῦσιν ἀλλήλοις δεῖπνων καὶ τραπέζης, ἀφροδισίων δὲ νύκτα καὶ πολὺ προβάλλονται σκότος, ἡγοούμενοι ταύτης τὸ κοινωνεῖν ἀναίσχυντον εἶναι καὶ θηριῶδες, ὡς τὸ μὴ κοινωνεῖν ἐκείνης.”

Ὑπολαβὼν οὖν ἐγὼ τοῦ Κλεοδώρου διαλιπόντος, “ἐκεῖνο δ’ οὐ λέγεις,” εἶπον, “ὅτι καὶ τὸν ὕπνον ἅμα τῇ τροφῇ συνεκβάλλομεν· ὕπνου δὲ μὴ ὄντος [159] [a] οὐδ’ ὄνειρός ἐστιν, ἀλλ’ οἴχεται τὸ πρεσβύτατον ἡμῖν μαντεῖον. ἔσται δὲ μονοειδὴς ὁ βίος καὶ τρόπον τινὰ μάτην τὸ σῶμα περικεῖσεται τῇ ψυχῇ· τὰ πλεῖστα γὰρ αὐτοῦ καὶ κυριώτατα τῶν μερῶν ἐπὶ τὴν τροφήν ὄργανα παρεσκευάσται, γλῶττα καὶ ὀδόντες καὶ στόμαχος καὶ ἥπαρ. ἀργὸν γὰρ οὐδὲν ἐστὶν οὐδὲ πρὸς ἄλλην συντεταγμένον χρεῖαν· ὥσθ’ ὁ μὴ δεόμενος τροφῆς οὐδὲ σώματος δεῖται. τοῦτο δ’ ἦν αὖ τὸ αὐτοῦ μὴ δεῖσθαι· σὺν σώματι γὰρ ἡμῶν ἕκαστος. ἡμεῖς μὲν οὖν,” ἔφην ἐγώ, “ταύτας τῇ γαστρὶ συμβολὰς εἰσφέρομεν· εἰ δὲ Σόλων ἢ τις ἄλλος τι κατηγορεῖ, ἀκουσόμεθα.”

Τὰ μὲν οὖν ρηθέντα περὶ τροφῆς, ὦ Νίκαρχε, ταῦτ' ἦν.

Ἔτι δὲ τοῦ Σόλωνος λέγοντος εἰσηλθε Γόργος ὁ Περιάνδρου ἀδελφός· ἐτύγχανε γὰρ εἰς [d] Ταίναρον ἀπεσταλμένος ἔκ τινων

χρησμών, τῷ Ποσειδῶνι θυσίαν καὶ θεωρίαν ἀπάγων. ἀσπασαμένων δ' αὐτὸν ἡμῶν καὶ τοῦ Περιάνδρου προσαγαγομένου καὶ φιλήσαντος καθίσας παρ' αὐτὸν ἐπὶ τῆς κλίνης ἀπήγγειλεν ἅττα δὴ πρὸς μόνον ἐκείνον, ὃ δ' ἠκροᾶτο, πολλὰ πάσχοντι πρὸς τὸν λόγον ὁμοιος ὢν. τὰ μὲν γὰρ ἀχθόμενος τὰ δ' ἀγανακτῶν ἐφαίνετο, πολλάκις δ' ἀπιστῶν, εἴτα θαυμάζων· τέλος δὲ γελάσας πρὸς ἡμᾶς “βούλομαι μὲν,” ἔφη, “πρὸς τὸ παρὸν φράσαι τὸ προσηγγελμένον· [e] ὁκνῶ δ' ἀκούσας Θαλέω ποτ' εἰπόντος ὅτι δεῖ τὰ μὲν εἰκότα λέγειν, τὰ δ' ἀμήχανα σιωπᾶν.”

Ὑπολαβὼν οὖν ὁ Βίας “ἀλλὰ καὶ τοῦτ’,” ἔφη, “Θαλέω τὸ σοφὸν ἐστίν, ὅτι δεῖ τοῖς μὲν ἐχθροῖς καὶ περὶ τῶν πιστῶν ἀπιστεῖν, τοῖς δὲ φίλοις καὶ τὰ ἄπιστα πιστεύειν, ἐχθροὺς μὲν, ἔγωγ' ἠγοῦμαι, τοὺς πονηροὺς καὶ ἀνοήτους, φίλους δὲ τοὺς χρηστοὺς καὶ φρονίμους αὐτοῦ καλοῦντος. οὐκοῦν,” ἔφη, “λεκτέον εἰς ἅπαντας, ὦ Γόργε, μᾶλλον δ' ἀκτέον ἐπὶ τοὺς νέους τούτους διθυράμβους ὑπερφθεγγόμενον ὃν ἤκεις λόγον ἡμῖν κομίζων.”

Ἐφη τοίνυν Γόργος ὅτι, τῆς θυσίας ἐφ' ἡμέρας τρεῖς συντελεσθείσης ὑπ' αὐτοῦ καὶ τῇ [f] τελευταίᾳ παννυχίδος οὔσης καὶ χορείας τινὸς καὶ παιδιᾶς παρὰ τὸν αἰγιαλόν, ἡ μὲν σελήνη κατέλαμπεν εἰς τὴν θάλατταν, οὐκ ὄντος δὲ πνεύματος ἀλλὰ νηνεμίας καὶ γαλήνης, πόρρωθεν ἀφεωρᾶτο φρίκη κατιοῦσα παρὰ τὴν ἄκραν, ἀφρόν τινα καὶ ψόφον ἄγουσα τῷ ῥοθίῳ περὶ αὐτὴν πολύν, ὥστε πάντας ἐπὶ τὸν τόπον οἱ προσώκελλε καταδραμεῖν θαυμάσαντας. πρὶν δ' εἰκάσαι τὸ προσφερόμενον ὑπὸ τάχους, δελφῖνες ὥφθησαν, οἱ μὲν ἀθρόοι πέριξ κυκλοῦντες, οἱ δ' ὑψηλοῦμενοι τοῦ αἰγιαλοῦ πρὸς τὸ λειότατον, ἄλλοι δ' ἐξόπισθεν, οἷον περιέποντες. [161] [a] ἐν μέσῳ δ' ἀνεῖχεν ὑπὲρ τῆς θαλάττης ὄγκος ἀσαφῆς καὶ ἄσημος ὀχουμένου σώματος, μέχρι οὗ συναγαγόντες εἰς ταῦτ' οὐ καὶ συνεποκείλαντες ἐξέθησαν ἐπὶ γῆν ἄνθρωπον ἔμπνουν καὶ κινούμενον, αὐτοὶ δὲ πάλιν πρὸς τὴν ἄκραν ἀναφερόμενοι μᾶλλον ἢ πρότερον ἐξήλλοντο, παίζοντες ὑφ' ἡδονῆς τινος ὡς ἔοικε καὶ σκιρτῶντες. “ἡμῶν δ',” ὁ Γόργος ἔφη, “πολλοὶ μὲν διαταραχθέντες ἔφυγον ἀπὸ τῆς θαλάττης, ὀλίγοι δὲ μετ' ἐμοῦ θαρρήσαντες προσελθεῖν ἐγνώρισαν Ἀρίονα τὸν κιθαρωδόν, [b] αὐτὸν τοῦνομα φθεγγόμενον ἑαυτοῦ, καὶ τῇ στολῇ καταφανῇ γενόμενον· τὸν γὰρ ἐναγώνιον ἐτύγχανεν ἀμπεχόμενος

κόσμον, ὃν καθαρωδῶν ἐχρήσατο.

“Κομίσαντες οὖν ἐπὶ σκηνὴν αὐτόν, ὡς οὐδὲν εἶχε κακὸν ἀλλ’ ἢ διὰ τάχος καὶ ῥοῖζον ἐφαίνετο τῆς φορᾶς ἐκκελυμένος καὶ κεκμηκώς, ἠκούσαμεν λόγον ἄπιστον ἅπασι πλὴν ἡμῶν τῶν θεασαμένων τὸ τέλος. ἔλεγε γὰρ Ἀρίων ὡς πάλαι μὲν ἐγνωκώς ἐκ τῆς Ἰταλίας ἀπαίρειν, Περιάνδρου δὲ γράψαντος αὐτῷ προθυμότερος γενόμενος ὀλκάδος Κορινθίας παραφανείσης εὐθὺς ἐπιβὰς ἀναχθείη, μετρίῳ δὲ πνεύματι χρωμένων ἡμέρας τρεῖς αἴσθοιτο τοὺς [c] ναύτας ἐπιβουλεύοντας ἀνελεῖν αὐτόν, εἴτα καὶ παρὰ τοῦ κυβερνήτου πύθοιτο κρύφα μηνύσαντος ὡς τῇ νυκτὶ τοῦτο δρᾶν αὐτοῖς εἴη δεδογμένον. ἔρημος οὖν ὦν βοηθείας καὶ ἀπορῶν ὁρμῇ τινι χρήσαιτο δαιμονίῳ τὸ μὲν σῶμα κοσμηῆσαι καὶ λαβεῖν ἐντάφιον αὐτῷ τὸν ἐναγώνιον ἔτι ζῶν κόσμον, ἐπᾶσαι δὲ τῷ βίῳ τελευτῶν καὶ μὴ γενέσθαι κατὰ τοῦτο τῶν κύκνων ἀγεννέστερος. ἐσκευασμένος οὖν καὶ προειπὼν ὅτι προθυμία τις αὐτὸν ἔχοι τῶν νόμων διελθεῖν τὸν Πυθικὸν ὑπὲρ σωτηρίας αὐτοῦ καὶ τῆς νεώς καὶ τῶν ἐμπλεόντων, [d] καταστάς παρὰ τὸν τοῖχον ἐν πρύμνῃ καὶ τινα θεῶν πελαγίων ἀνάκλησιν προανακρουσάμενος ᾄδοι τὸν νόμον. καὶ ὅσον οὕτω μεσοῦντος αὐτοῦ καταδύοιτο μὲν ὁ ἥλιος εἰς τὴν θάλατταν, ἀναφαίνοιτο δ’ ἡ Πελοπόννησος. οὐκέτ’ οὖν τῶν ναυτῶν τὴν νύκτα περιμενόντων ἀλλὰ χωρούντων ἐπὶ τὸν φόνον, ἰδὼν ξίφη γεγυμνωμένα καὶ παρακαλυπτόμενον ἤδη τὸν κυβερνήτην, ἀναδραμὼν ῥίψειεν ἑαυτὸν ὡς δυνατὸν ἦν μάλιστα πόρρω τῆς ὀλκάδος. πρὶν δ’ ὅλον καταδύναι τὸ σῶμα δελφίνων ὑποδραμόντων ἀναφέροιτο, μεστὸς ὦν ἀπορίας καὶ ἀγνοίας καὶ ταραχῆς τὸ πρῶτον· ἐπεὶ δὲ ῥαστώνῃ τῆς ὀχίσεως ἦν, καὶ πολλοὺς ἑώρα ἀθροιζομένους [e] περὶ αὐτὸν εὐμενῶς καὶ διαδεχομένους ὡς ἀναγκαῖον ἐν μέρει λειτούργημα καὶ προσῆκον πᾶσιν, ἢ δ’ ὀλκὰς ἀπολειφθεῖσα πόρρω τοῦ τάχους αἴσθησιν παρεῖχε, μήτε τοσοῦτον ἔφη δέους πρὸς θάνατον αὐτῷ μήτ’ ἐπιθυμίας τοῦ ζῆν ὅσον φιλοτιμίας ἐγγενέσθαι πρὸς τὴν σωτηρίαν, ὡς θεοφιλὴς ἀνὴρ φανείη καὶ λάβοι περὶ θεῶν δόξαν βέβαιον. ἅμα δὲ καθορῶν τὸν οὐρανὸν ἀστέρων περίπλεων καὶ τὴν σελήνην ἀνίσχουσαν εὐφεγγῇ καὶ καθαρᾷ, [f] ἐστώσης δὲ πάντῃ τῆς θαλάττης ἀκύμονος ὥσπερ τρίβον ἀνασχιζόμενον τῷ δρόμῳ, διανοεῖσθαι πρὸς αὐτὸν ὡς οὐκ ἔστιν εἷς ὁ τῆς Δίκης ὀφθαλμός, ἀλλὰ πᾶσι τούτοις ἐπισκοπεῖ κύκλῳ ὁ θεὸς τὰ πραττόμενα περὶ

γῆν τε καὶ θάλατταν. τούτοις δὲ δὴ τοῖς λογισμοῖς ἔφη τὸ κάμνον αὐτῷ καὶ βαρυνόμενον ἤδη τοῦ σώματος ἀναφέρεσθαι, καὶ τέλος ἐπεὶ τῆς ἄκρας ἀπαντώσης ἀποτόμου καὶ ὑψηλῆς εὖ πως φυλαζάμενοι καὶ κάμψαντες ἐν χρῶ παρενήχοντο τῆς γῆς ὥσπερ εἰς λιμένα σκάφος ἀσφαλῶς [162] [a] κατάγοντες, παντάπασιν αἰσθῆσθαι θεοῦ κυβερνήσει γεγονέναι τὴν κομιδὴν.

“Ταῦθ’,” ὁ Γόργος ἔφη, “τοῦ Ἀρίονος εἰπόντος, ἡρόμην αὐτὸν ὅποι τὴν ναῦν οἶεται κατασχέσειν. ὁ δὲ πάντως μὲν εἰς Κόρινθον, πολὺ μέντοι καθυστερεῖν· αὐτὸν γὰρ ἐσπέρας ἐκπεσόντα πεντακοσίων οὐ μείον οἶεσθαι σταδίων δρόμον κομισθῆναι, καὶ γαλήνην εὐθύς κατασχεῖν.” οὐ μὴν ἄλλ’ ἐαυτὸν ὁ Γόργος ἔφη πυθόμενον τοῦ τε ναυκλήρου τοὔνομα καὶ τοῦ κυβερνήτου καὶ τῆς νεῶς τὸ παράσημον ἐκπέμψαι πλοῖα καὶ στρατιώτας ἐπὶ τὰς κατάρσεις [b] παραφυλάζοντας· τὸν δ’ Ἀρίονα μετ’ αὐτοῦ κομίζειν ἀποκεκρυμμένον, ὅπως μὴ προαισθόμενοι τὴν σωτηρίαν διαφύγοιεν· ὄντως οὖν εἰκέναι θεία τύχη τὸ πρᾶγμα· παρεῖναι γὰρ αὐτοὺς ἅμα δεῦρο καὶ πυνθάνεσθαι τῆς νεῶς κεκρατημένης ὑπὸ τῶν στρατιωτῶν συνειληφθαι τοὺς ἐμπόρους καὶ ναύτας.

Ὁ μὲν οὖν Περίανδρος ἐκέλευσεν εὐθύς ἐξαναστάντα τὸν Γόργον εἰς φυλακὴν ἀποθέσθαι τοὺς ἄνδρας οὗ μηδεὶς αὐτοῖς πρόσεισι μηδὲ φράσει τὸν Ἀρίονα σεσωσμένον.

Ὁ δ’ Αἴσωπος “ἀλλ’ ὑμεῖς,” ἔφη, “τοὺς ἐμοὺς χλευάζετε κολοιοὺς καὶ κόρακας εἰ διαλέγονται· δελφῖνες δὲ τοιαῦτα νεανιεύονται;”

Κάγῳ πρὸς αὐτόν, “ἄλλο τι λέγωμεν,” ἔφην, [c] “ὦ Αἴσωπε· τούτῳ δὲ τῷ λόγῳ πιστευομένῳ καὶ γραφομένῳ παρ’ ἡμῖν πλέον ἢ χίλι’ ἔτη διαγέγονεν καὶ ἀπὸ τῶν Ἰνοῦς καὶ Ἀθάμαντος χρόνων.”

Ὁ δὲ Σόλων ὑπολαβὼν “ἀλλὰ ταῦτα μὲν, ὦ Διόκλεις, ἐγγὺς θεῶν ἔστω καὶ ὑπὲρ ἡμᾶς· ἀνθρώπινον δὲ καὶ πρὸς ἡμᾶς τὸ τοῦ Ἡσιόδου πάθος· ἀκήκοας γὰρ ἴσως τὸν λόγον.”

“Οὐκ ἔγωγ’,” εἶπον.

“Ἀλλὰ μὴν ἄξιον πυθέσθαι. [e] τοῦ δ' Ἡσιόδου τὸν νεκρὸν εὐθύς ἀπὸ γῆς ὑπολαβοῦσα δελφίνων ἀγέλη πρὸς τὸ Ῥίον κατὰ τὴν Μολύκρειαν ἐκόμιζε. ἐτύγχανε δὲ Λοκροῖς ἢ τῶν Ῥίων καθεστῶσα θυσία καὶ πανήγυρις, ἣν ἄγουσιν ἔτι νῦν ἐπιφανῶς περὶ τὸν τόπον ἐκεῖνον. ὡς δ' ὥφθη προσφερόμενον τὸ σῶμα, θαυμάσαντες ὡς εἰκὸς ἐπὶ τὴν ἀκτὴν κατέδραμον, καὶ γνωρίσαντες ἔτι πρόσφατον τὸν νεκρὸν ἅπαντα δεύτερα τοῦ ζητεῖν τὸν φόνον ἐποιοῦντο διὰ τὴν δόξαν τοῦ Ἡσιόδου. καὶ τοῦτο μὲν ταχέως ἔπραξαν, εὐρόντες τοὺς φονεῖς· αὐτοὺς τε γὰρ κατεπόντισαν ζῶντας καὶ τὴν οἰκίαν κατέσκαψαν. ἐτάφη δ' ὁ Ἡσιόδος πρὸς τῷ Νεμείῳ· τὸν δὲ τάφον οἱ πολλοὶ τῶν ξένων οὐκ ἴσασι, ἀλλ' ἀποκέκρυπται ζητούμενος ὑπ' [f] Ὅρχομενίων, ὡς φασι, βουλομένων κατὰ χρησμόν ἀνελέσθαι τὰ λείψανα καὶ θάψαι παρ' αὐτοῖς. εἴπερ οὖν οὕτως ἔχουσιν οἰκείως καὶ φιλανθρώπως πρὸς τοὺς ἀποθανόντας, ἔτι μᾶλλον εἰκὸς ἐστὶ τοῖς ζῶσι βοηθεῖν, καὶ μάλιστα κληθέντας αὐλοῖς ἢ τισι μέλεσι. τουτὶ γὰρ ἤδη πάντες ἴσμεν, ὅτι μουσικῇ τὰ ζῶα ταῦτα χαίρει καὶ διώκει, καὶ παρανήχεται τοῖς ἐλαυνομένοις πρὸς ὥδῃν καὶ αὐλὸν ἐν εὐδίᾳ πορείαις τερπόμενα. χαίρει δὲ ^[163] [a] καὶ νήξεσι παίδων καὶ κολύμβοις ἀμιλλᾶται. διὸ καὶ νόμος ἀδείας ἄγραφός ἐστιν αὐτοῖς· θηρᾷ γὰρ οὐδείς οὐδὲ λυμαίνεται, πλὴν ὅταν ἐν δικτύοις γενόμενοι κακουργῶσι περὶ τὴν ἄγραν, πληγαῖς κολάζονται καθάπερ παῖδες ἁμαρτάνοντες. μέμνημαι δὲ καὶ παρὰ Λεσβίων ἀνδρῶν ἀκούσας σωτηρίαν τινὰ κόρης ὑπὸ δελφίνος ἐκ θαλάττης γενέσθαι· ἀλλ' ἐγὼ μὲν οὐκ ἀκριβῶς τᾶλλα, ὁ δὲ Πιττακὸς ἐπεὶ γινώσκει, δίκαιός ἐστι περὶ τούτων διελθεῖν.”

Ἐφη τοίνυν ὁ Πιττακὸς ἔνδοξον εἶναι καὶ μνημονευόμενον ὑπὸ πολλῶν τὸν λόγον. χρησμοῦ γὰρ γενομένου τοῖς οἰκίζουσι Λέσβον, ὅταν ἔρματι [b] πλέοντες προστύχωσιν ὃ καλεῖται Μεσόγειον, τότε ἐνταῦθα Ποσειδῶνι μὲν ταῦρον Ἀμφιτρίτῃ δὲ καὶ Νηρηῖσι ζῶσαν καθεῖναι παρθένον· ὄντων οὖν ἀρχηγετῶν ἑπτὰ καὶ βασιλέων, ὀγδόου δὲ τοῦ Ἐχελάου πυθοχρήστου τῆς ἀποικίας ἡγεμόνος, οὗτος μὲν ἡίθεος ἦν ἔτι, τῶν δ' ἑπτὰ κληρουμένων, ὅσοις ἄγαμοι

παῖδες ἦσαν, καταλαμβάνει θυγατέρα Σμινθέως ὁ κλῆρος. ἦν ἐσθῆτι καὶ χρυσῷ κοσμήσαντες ὡς ἐγένοντο κατὰ τὸν τόπον, ἔμελλον εὐξάμενοι καθήσκειν. ἔτυχε δέ τις ἐρῶν αὐτῆς τῶν συμπλεόντων, οὐκ ἀγεννῆς ὡς ἔοικε νεανίας, [c] οὗ καὶ τοῦνομα διαμνημονεύουσιν Ἐναλον. οὗτος ἀμήχανόν τινα τοῦ βοηθεῖν τῇ παρθένῳ προθυμίαν ἐν τῷ τότε πάθει λαβὼν παρὰ τὸν καιρὸν ὥρμησε καὶ περιπλακείς ὁμοῦ συγκαθῆκεν ἑαυτὸν εἰς τὴν θάλατταν. εὐθὺς μὲν οὖν φήμη τις οὐκ ἔχουσα τὸ βέβαιον, ἄλλως δὲ πείθουσα πολλοὺς ἐν τῷ στρατοπέδῳ διηνέχθη περὶ σωτηρίας αὐτῶν καὶ κομιδῆς. ὑτέρῳ δὲ χρόνῳ τὸν Ἐναλὸν φασιν ἐν Λέσβῳ φανῆναι καὶ λέγειν ὡς ὑπὸ δελφίνων φορητοὶ διὰ θαλάττης ἐκπέσοιεν ἀβλαβεῖς εἰς τὴν ἡπειρον, ἔτι δ' ἄλλα θεϊότερα τούτων ἐκπλήττοντα καὶ κηλοῦντα τοὺς πολλοὺς διηγέισθαι, [d] πάντων δὲ πίστιν ἔργῳ παρασχεῖν. κύματος γὰρ ἡλιβάτου περὶ τὴν νῆσον αἰρομένου καὶ τῶν ἀνθρώπων δεδιότων, ἀπαντῆσαι μόνον τῇ θαλάττῃ, καὶ ἔπεσθαι πολὺποδας αὐτῷ πρὸς τὸ ἱερὸν τοῦ Ποσειδῶνος. ὢν τοῦ μεγίστου λίθον κομίζοντος λαβεῖν τὸν Ἐναλον καὶ ἀναθεῖναι, καὶ τοῦτον Ἐναλον καλοῦμεν. “Καθόλου δ’,” εἶπεν, “εἰ τις εἰδεῖη διαφορὰν ἀδυνάτου καὶ ἀσυνήθους καὶ παραλόγου καὶ παραδόξου, μάλιστ’ ἂν, ὦ Χίλων, καὶ μήτε πιστεύων ὡς ἔτυχε μήτ’ ἀπιστῶν, τὸ ‘μηδὲν ἄγαν’ ὡς σὺ προσέταξας διαφυλάττοι.”

Μετὰ δὲ τοῦτον ὁ Ἀνάχαρσις εἶπεν ὅτι τοῦ Θαλέω καλῶς ὑπολαμβάνοντος ἐν πᾶσιν εἶναι [e] τοῖς κυριωτάτοις μέρεσι τοῦ κόσμου καὶ μεγίστοις ψυχῇν, οὐκ ἄξιόν ἐστι θαυμάζειν εἰ τὰ κάλλιστα περαίνεται θεοῦ γνώμῃ. “ψυχῆς γὰρ ὄργανον τὸ σῶμα, θεοῦ δ’ ἡ ψυχὴ· καὶ καθάπερ σῶμα πολλὰς μὲν ἐξ αὐτοῦ κινήσεις ἔχει, τὰς δὲ πλείστας καὶ καλλίστας ὑπὸ ψυχῆς, οὕτως αὖ πάλιν ἡ ψυχὴ τὰ μὲν ὑφ’ ἑαυτῆς κινουμένη πράττει, τὰ δὲ τῷ θεῷ παρέχει χρωμένῳ κατευθύνειν καὶ τρέπειν ἑαυτὴν ἢ βούλοιτο, πάντων ὀργάνων εὐτρεπέστατον οὔσα. δεινὸν γάρ,” εἶπεν, “εἰ πῦρ μὲν ὀργανόν ἐστι θεοῦ καὶ πνεῦμα καὶ ὕδωρ καὶ νέφη καὶ [f] ὄμβροι, δι’ ὧν πολλὰ μὲν σώζει τε καὶ τρέφει, πολλὰ δ’ ἀπόλλυσι καὶ ἀναιρεῖ, ζώοις δὲ χρῆται πρὸς οὐδὲν ἀπλῶς οὐδέπω τῶν ὑπ’ αὐτοῦ γιγνομένων. ἀλλὰ μᾶλλον εἰκὸς ἐξηρητημένα τῆς τοῦ θεοῦ δυνάμεως ὑπουργεῖν, καὶ συμπαθεῖν ταῖς τοῦ θεοῦ κινήσεσιν ἢ Σκύθαις τόξα λύραι δ’ Ἑλλήσι καὶ αὐλοὶ συμπαθοῦσιν.”

Ἐπὶ δὲ τούτοις ὁ ποιητὴς Χερσίας ἄλλων τε σωθέντων ἀνελπίστως ἐμέμνητο καὶ Κυψέλου τοῦ Περιάνδρου πατρός, ὃν οἱ πεμφθέντες ἀνελεῖν νεογνὸν ὄντα προσμειδιάσαντ' αὐτοῖς ἀπετράποντο· καὶ πάλιν μετανοήσαντες ἐζήτουν καὶ οὐχ εὖρον [164] [a] εἰς κυψέλην ὑπὸ τῆς μητρὸς ἀποτεθέντα. διὸ καὶ τὸν οἶκον ἐν Δελφοῖς κατεσκεύασεν ὁ Κύψελος, ὥσπερ θεοῦ τότε τὸν κλαυθυρισμὸν ἐπισχόντος, ὅπως διαλάθοι τοὺς ζητοῦντας.

Καὶ ὁ Πιττακὸς προσαγορεύσας τὸν Περιάνδρου

“εὖ γ’,” ἔφη, “Περιάνδρε, Χερσίας ἐποίησε μνησθεὶς τοῦ οἴκου· πολλάκις γὰρ ἐβουλόμην ἐρέσθαι σε τῶν βατράχων τὴν αἰτίαν ἐκείνων, τί βούλονται περὶ τὸν πυθμένα τοῦ φοίνικος ἐντετορευμένοι τοσοῦτοι, καὶ τίνα πρὸς τὸν θεὸν ἢ τὸν ἀναθέντα λόγον ἔχουσι.”

Τοῦ δὲ Περιάνδρου τὸν Χερσίαν ἐρωτᾷν κελεύσαντος, εἰδέναι γὰρ ἐκεῖνον καὶ παρεῖναι τῷ Κυψέλῳ καθιεροῦντι τὸν οἶκον, ὁ Χερσίας μειδιάσας “ἄλλ’ οὐκ ἄν,” ἔφη, “φράσαιμι πρότερον ἢ πυθέσθαι παρὰ τούτων ὃ τι βούλεται τὸ ‘μηδὲν ἄγαν’ αὐτοῖς καὶ τὸ ‘γνώθι σαυτόν,’ καὶ τοῦτο δὴ τὸ πολλοὺς μὲν ἀγάμους πολλοὺς δ’ ἀπίστους ἐνίους δὲ καὶ ἀφώνους πεποιηκὸς ‘ἐγγύα πάρα δ’ ἄτα.’”

“Τί δ’,” εἶπεν ὁ Πιττακός, “ἡμῶν δέῃ ταῦτα φραζόντων; πάλαι γὰρ Αἰσώπου λόγον εἰς ἕκαστον ὡς ἔοικε τούτων συντεθεικότος ἐπαινεῖς.”

Καὶ ὁ Αἰσώπος, “ὅταν γε παίζῃ πρὸς ἐμὲ Χερσίας,” εἶπε· “σπουδάζων δὲ τούτων Ὅμηρον εὐρετὴν ἀποδείκνυσι καὶ φησι τὸν μὲν Ἑκτορα [b] γιγνώσκειν ἑαυτόν· τοῖς γὰρ ἄλλοις ἐπιτιθέμενος

Τυδείδῃ, μῆτ’ ἄρ’ με μάλ’ αἶνεε μήτε τι νείκει.

τὴν δ’ ἐγγύην οἱ μὲν ἄλλοι λοιδορεῖν αὐτὸν ὡς πρᾶγμα δέιλαιον καὶ μάταιον οἶονται λέγοντα

δειλαί τοι δειλῶν γε καὶ ἐγγύαι ἐγγυάασθαι,

Χερσίας δ’ οὕτως φησι τὴν Ἄτην ὑπὸ τοῦ Διὸς ῥιφῆναι τῇ ἐγγύῃ παραγιγνομένην ἣν ἐγγυησάμενος [c] ὁ Ζεὺς ἐσφάλη περὶ τῆς τοῦ Ἡρακλέους γενέσεως.”

Ὑπολαβὼν δ’ ὁ Σόλων “οὐκοῦν,” ἔφη, “καὶ τῷ σοφωτάτῳ

πιστευτέον Ὅμηρῳ

νύξ δ' ἤδη τελέθει· ἀγαθὸν καὶ νυκτὶ πιθέσθαι.

σπείσαντες οὔν Μούσαις καὶ Ποσειδῶνι καὶ Ἀμφιτρίτῃ
διαλύωμεν εἰ δοκεῖ τὸ συμπόσιον.”

Τοῦτ' ἔσχεν, ὦ Νίκαρχε, πέρας ἢ τότε συνουσία.

ΠΕΡΙ ΔΕΙΣΙΔΑΙΜΟΝΙΑΣ

[164] Τῆς περὶ θεῶν ἀμαθίας καὶ ἀγνοίας εὐθύς ἐξ ἀρχῆς δίχα ῥυείσης τὸ μὲν ὥσπερ ἐν χωρίοις σκληροῖς τοῖς ἀντιτύποις ἦθεσι τὴν ἀθεότητα, τὸ δ' ὥσπερ ἐν ὑγροῖς τοῖς ἀπαλοῖς τὴν δεισιδαιμονίαν πεποίηκεν. ἅπαντα μὲν οὖν κρίσις ψευδῆς, ἄλλως τε καὶ ἢ περὶ ταῦτα, μοχθηρόν· ἢ δὲ καὶ πάθος πρόσσεσι, μοχθηρότατον. πᾶν γὰρ πάθος [f] ἔοικε ἀπάτῃ φλεγμαίνουσα εἶναι· καὶ καθάπερ αἱ μετὰ τραύματος ἐκβολαὶ τῶν ἄρθρων, οὕτως αἱ μετὰ πάθους διαστροφαὶ τῆς ψυχῆς χαλεπώτεραι.

Ἀτόμους τις οἶεται καὶ κενὸν ἀρχὰς εἶναι τῶν ὅλων· ψευδῆς ἡ ὑπόληψις, ἀλλ' ἔλκος οὐ ποιεῖ οὐδὲ σφυγμὸν οὐδ' ὀδύνην ταράττουσαν.

Ὑπολαμβάνει τις τὸν πλοῦτον ἀγαθὸν εἶναι [165] [a] μέγιστον· τοῦτο τὸ ψεῦδος ἰὸν ἔχει, νέμεται τὴν ψυχὴν, ἐξίστησιν, οὐκ ἐὰ καθεύδειν, οἷστρον ἐμπλήψιν, ὠθεῖ κατὰ πετρῶν, ἄγχει, τὴν παρρησίαν ἀφαιρεῖται.

Πάλιν οἶονταί τινες εἶναι σῶμα τὴν ἀρετὴν καὶ τὴν κακίαν· αἰσχροὺς ἴσως τὸ ἀγνόημα, θρήνων δὲ καὶ ὀδυρμῶν οὐκ ἄξιον· ἀλλ' αἰτινές εἰσι τοιαῦτα κρίσεις καὶ ὑπολήψεις

ὧ τλημον ἀρετῇ, λόγος ἄρ' ἦσθ'· ἐγὼ δέ σε
ὥς ἔργον ἥσκουν

Ἄφεις τὴν πλουτοποιὸν ἀδικίαν καὶ τὴν γόνιμον ἀπάσης ἡδονῆς ἀκολασίαν, ταύτας ἄξιόν ἐστιν [b] οἰκτίρειν ὁμοῦ καὶ δυσχεραίνειν, ὅτι πολλὰ νοσήματα καὶ πάθη καθάπερ εὐλὰς καὶ σκώληκας ἐντίκτουσι ταῖς ψυχαῖς παροῦσαι.

Οὐκοῦν καὶ περὶ ὧν ὁ λόγος, ἡ μὲν ἀθεότης κρίσις οὕσα φαύλη τοῦ μηδὲν εἶναι μακάριον καὶ ἀφθαρτον εἰς ἀπάθειάν τινα δοκεῖ τῇ ἀπιστίᾳ τοῦ θείου περιφέρειν, καὶ τέλος ἐστὶν αὐτῇ τοῦ μὴ νομίζειν θεοὺς τὸ μὴ φοβεῖσθαι· τὴν δεισιδαιμονίαν δὲ μηνύει καὶ τοῦνομα δόξαν ἐμπαθῇ καὶ δέους ποιητικὴν ὑπόληψιν οὕσαν ἐκταπεινοῦντος καὶ συντρίβοντος τὸν ἄνθρωπον, οἰόμενον μὲν εἶναι θεοὺς, εἶναι δὲ λυπηροὺς καὶ βλαβερούς. ἔοικε [c] γὰρ ὁ μὲν ἄθεος ἀκίνητος εἶναι πρὸς τὸ θεῖον, ὁ δὲ δεισιδαίμων κινούμενος ὥς οὐ προσήκει διαστρέφεσθαι. ἢ γὰρ ἀγνοία τῷ μὲν ἀπιστίαν τοῦ

ώφελοῦντος ἐμπεποίηκε, τῷ δὲ καὶ δόξαν ὅτι βλάπτει προστέθεικεν. ὅθεν ἢ μὲν ἀθεότης λόγος ἐστὶ διεψευσμένος, ἢ δὲ δεισιδαιμονία πάθος ἐκ λόγου ψευδοῦς ἐγγεγενημένος.

Αἰσχροὶ μὲν δὴ πάντα τὰ τῆς ψυχῆς νοσήματα καὶ πάθη, τὸ δὲ γαῦρον ἐνίοις ὅμως καὶ ὑψηλὸν καὶ διηρμένον ἔνεστιν ὑπὸ κουφότητος, δραστηρίου δ' ὁρμῆς οὐδὲν ὡς ἔπος εἰπεῖν ἀπεστέρηται. ἀλλὰ τοῦτο δὴ τὸ κοινὸν ἔγκλημα παντὸς πάθους ἐστίν, ὅτι ταῖς πρακτικαῖς ὁρμαῖς ἐκβιαζόμενα [d] κατεπείγει καὶ συντείνει τὸν λογισμόν. μόνος δ' ὁ φόβος, οὐχ ἥττον ὢν τόλμης ἐνδεῆς ἢ λογισμοῦ, ἄπρακτον ἔχει καὶ ἄπορον καὶ ἀμήχανον τὸ ἀλόγιστον. ἥ καὶ δεῖμα καὶ τάρβος αὐτοῦ τὸ συνδέον ὁμοῦ τὴν ψυχὴν καὶ ταράττον ὠνόμασται.

Φόβων δὲ πάντων ἀπρακτότατος καὶ ἀπορώτατος ὁ τῆς δεισιδαιμονίας. οὐ φοβεῖται θάλατταν ὁ μὴ πλέων οὐδὲ πόλεμον ὁ μὴ στρατευόμενος, οὐδὲ ληστὰς ὁ οἰκουρῶν οὐδὲ συκοφάντην ὁ πένης οὐδὲ φθόνον ὁ ιδιώτης, οὐδὲ σεισμόν ὁ ἐν Γαλάταις οὐδὲ κεραυνὸν ὁ ἐν Αἰθίοψιν· ὁ δὲ θεοὺς δεδιὼς πάντα [e] δέδιδε, γῆν θάλατταν ἄερα οὐρανὸν σκότος φῶς κληδὸνα σιωπὴν ὄνειρον. οἱ δοῦλοι τῶν δεσποτῶν ἐπιλανθάνονται καθεύδοντες, τοῖς πεδῆταις ἐπελαφρύνει τὸν δεσμόν ὁ ὕπνος, φλεγμοναὶ περὶ τραύματα καὶ νομαὶ σαρκὸς θηριώδεις καὶ περιωδυναὶ κοιμωμένων ἀφίστανται·

ὦ φίλον ὕπνου θέλγητρον ἐπίκουρον νόσου,

ὥς ἡδύ μοι προσῆλθες ἐν δέοντί γε.

τοῦτ' οὐ δίδωσιν εἰπεῖν ἢ δεισιδαιμονία (μόνη γὰρ οὐ σπένδεται πρὸς τὸν ὕπνον, οὐδὲ τῇ ψυχῇ ποτε γοῦν δίδωσιν ἀναπνεῦσαι καὶ ἀναθαρρῆσαι τὰς πικρὰς [f] καὶ βαρεῖας περὶ τοῦ θεοῦ δόξας ἀπωσαμένη), ἀλλ' ὥσπερ ἐν ἀσεβῶν χώρῳ τῷ ὕπνῳ τῶν δεισιδαιμόνων εἰδῶλα φρικώδη καὶ τεράστια φάσματα καὶ ποινὰς τινὰς ἐγείρουσα καὶ στροβοῦσα τὴν ἀθλίαν ψυχὴν ἐκδιώκει τοῖς ὀνείροις ἐκ τῶν ὕπνων, μαστιζομένην καὶ κολαζομένην αὐτὴν ὑφ' αὐτῆς ὡς ὑφ' ἐτέρου, καὶ δεινὰ προστάγματα καὶ ἀλλόκοτα λαμβάνουσαν. εἴτ' ἐξαναστάντες οὐ κατεφρόνησαν οὐδὲ κατεγέλασαν, οὐδ' ἥσθοντο ὅτι τῶν παραξάντων οὐδὲν ἦν ἀληθινόν, ἀλλὰ σκιὰν [166] [a] φεύγοντες ἀπάτης οὐδὲν κακὸν ἐχούσης ὕπαρ ἐξαπατῶσιν ἑαυτοὺς καὶ δαπανῶσι καὶ ταράττουσιν, εἰς ἀγύρτας καὶ γόητας ἐμπεσόντες λέγοντας

ἀλλ' εἴτ' ἐνυπνον φάντασμα φοβῆ,

χθονίας θ' Ἐκάτης κῶμον ἐδέξω,
τὴν περιμάκτριαν κάλει γραῦν καὶ βάπτισον σεαυτὸν εἰς
θάλατταν καὶ καθίσας ἐν τῇ γῇ διημέρευσον.

ὦ βάρβαρ' ἐξευρόντες Ἑλλήνες κακὰ
τῇ δεισιδαιμονίᾳ, πηλώσεις καταβορβορώσεις βαπτισμούς,
ρίψεις ἐπὶ πρόσωπον, αἰσχρὰς προκαθίσεις, ἄλλοκότους
προσκυνήσεις. δικαίῳ τῷ στόματι τοὺς κιθαρωδοὺς ἐκέλευον
ᾄδειν οἱ τὴν [b] νόμιμον μουσικὴν σῶζειν δοκοῦντες· ἡμεῖς δὲ τοῖς
θεοῖς ἀξιοῦμεν ὀρθῶ τῷ στόματι καὶ δικαίῳ προσεύχεσθαι, καὶ μὴ
τὴν ἐπὶ τῶν σπλάγχων μὲν γλῶτταν εἰ καθαρὰ καὶ ὀρθὴ σκοπεῖν,
τὴν δ' ἐαυτῶν διαστρέφοντας καὶ μολύνοντας ἀτόποις ὀνόμασι καὶ
ρήμασι βαρβαρικοῖς καταισχύνειν καὶ παρανομεῖν τὸ θεῖον καὶ
πάτριον ἀξίωμα τῆς εὐσεβείας.

Ἄλλ' ὃ γε κωμικὸς οὐκ ἀηδῶς εἴρηκέ που πρὸς τοὺς
καταχρυσοῦντας τὰ κλινίδια καὶ καταργυροῦντας

ὃ τι μόνον ἡμῖν προῖκ' ἔδωκαν οἱ θεοὶ

ὕπνον, τί τοῦτο πολυτελὲς σαυτῷ ποιεῖς;

[c]ἔστι δὲ καὶ πρὸς τὸν δεισιδαίμονα εἰπεῖν, “ὃ τι τὸν ὕπνον οἱ
θεοὶ λήθην κακῶν ἔδωσαν ἡμῖν καὶ ἀνάπαυσιν, τί τοῦτο
κολαστήριον σαυτῷ ποιεῖς ἐπίμονον καὶ ὀδυνηρόν, τῆς ἀθλίας
ψυχῆς εἰς ἄλλον ὕπνον ἀποδρᾶναι μὴ δυναμένης;” ὁ Ἡράκλειτός
φησι τοῖς ἐγρηγορόσιν ἓνα καὶ κοινὸν κόσμον εἶναι, τῶν δὲ
κοιμωμένων ἕκαστον εἰς ἴδιον ἀναστρέφεσθαι. τῷ δὲ δεισιδαίμονι
κοινὸς οὐδεὶς ἐστι κόσμος· οὔτε γὰρ ἐγρηγορῶς τῷ φρονοῦντι
χρῆται οὔτε κοιμώμενος ἀπαλλάττεται τοῦ ταραττοντος, ἀλλ'
ὄνειρώττει μὲν ὁ λογισμὸς, ἐγρήγορε δ' ὁ φόβος αἰεὶ, φυγὴ δ' οὐκ
ἔστιν οὐδὲ μετὰστασις.

Ἦν φοβερὸς ἐν Σάμῳ Πολυκράτης τύραννος, ἦν ἐν Κορίνθῳ
Περίανδρος, ἀλλ' οὐδεὶς ἐφοβεῖτο [d] τούτους μεταστὰς εἰς πόλιν
ἐλευθέραν καὶ δημοκρατουμένην. ὁ δὲ τὴν τῶν θεῶν ἀρχὴν ὡς
τυραννίδα φοβούμενος σκυθρωπὴν καὶ ἀπαραίτητον ποῦ μεταστῆ
ποῦ φύγῃ, ποίαν γῆν ἄθεον εὖρη, ποίαν θάλατταν; εἰς τί καταδύς
τοῦ κόσμου μέρος καὶ ἀποκρύψας σεαυτόν, ὦ ταλαίπωρε,
πιστεύσεις ὅτι τὸν θεὸν ἀποπέφευγας; ἔστι καὶ δούλοις νόμος
ἐλευθερίαν ἀπογνοῦσι πρᾶσιν αἰτεῖσθαι καὶ δεσπότην μεταβάλλειν
ἐπιεικέστερον· ἡ δὲ δεισιδαιμονία θεῶν ἀλλαγὴν οὐ δίδωσιν, οὐδ'
ἔστιν εὐρεῖν ὃν οὐ φοβήσεται θεὸν ὁ φοβούμενος τοὺς πατρώους

καὶ γενεθλίου, ὁ φρίττων τοὺς σωτήρας καὶ τοὺς [e] μελιχίους
τρέμων καὶ δεδοικώς, παρ' ὧν αἰτούμεθα πλοῦτον εὐπορίαν
εἰρήνην ὁμόνοιαν ὀρθωσιν λόγων καὶ ἔργων τῶν ἀρίστων.

Εἴθ' οὗτοι τὸ δουλεύειν ἀτύχημα ἡγοῦνται καὶ λέγουσι
δεινὴ τις ἀνδρὶ καὶ γυναικὶ συμφορὰ
δούλους γενέσθαι δεσπότας τε δυσχερεῖς
λαβεῖν.

πόσω δὲ δεινότερον οἴεσθε πάσχειν αὖ τοὺς ἀνεκφεύκτους
ἀναποδράστους ἀναποστάτους; ἔστι δούλῳ φεύξιμος βωμός, ἔστι
καὶ λησταῖς ἀβέβηλα πολλὰ τῶν ἱερῶν, καὶ πολεμίους οἱ
φεύγοντες, ἂν ἀγάλατος λάβωνται ἢ ναοῦ, θαρροῦσιν· ὁ δὲ
δεισιδαίμων ταῦτα μάλιστα φρίττει καὶ φοβεῖται καὶ δέδοικεν, ἐν
οἷς οἱ φοβούμενοι τὰ δεινότατα τὰς ἐλπίδας ἔχουσι. μὴ ἀπόσπα
τὸν [f] δεισιδαίμονα τῶν ἱερῶν· ἐνταῦθα κολάζεται καὶ τιμωρεῖται.

Τί δεῖ μακρὰ λέγειν; “πέρας ἐστὶ τοῦ βίου πᾶσιν ἀνθρώποις ὁ
θάνατος,” τῆς δὲ δεισιδαιμονίας οὐδ' οὗτος, ἀλλ' ὑπερβάλλει τοὺς
ὅρους ἐπέκεινα τοῦ ζῆν, μακρότερον τοῦ βίου ποιοῦσα τὸν φόβον
καὶ συνάπτουσα τῷ θανάτῳ κακῶν ἐπίνοιαν ἀθανάτων, καὶ ὅτε
παύεται πραγμάτων, [167] [a] ἄρχεσθαι δοκοῦσα μὴ παυομένων.
Ἄιδου τινὲς ἀνοίγονται πύλαι βαθεῖαι, καὶ ποταμοὶ πυρὸς ὁμοῦ καὶ

τῇ περιττῇ πρὸς ἅπαν τὸ δοκοῦν δεινὸν εὐλαβεῖα λανθάνει ἑαυτὴν
ὑποβάλλουσα παντοίοις δεινοῖς.

Τούτων οὐδὲν τῇ ἀθεότητι πρόσσεστιν, ἀλλ' ἡ μὲν ἄγνοια
χαλεπὴ καὶ τὸ παρορᾶν καὶ τυφλώπτειν [b] περὶ τηλικαῦτα

“ὅσσα δὲ μὴ πεφίληκε Ζεὺς,” φησὶ Πίνδαρος,

“ἀτύζονται βοῶν

καὶ γὰρ διαγριαίνεται καὶ ἀγανακτεῖ, καὶ τὰς τίγρεις δέ φασι περιτυμπανιζομένας ἐκμαίνεσθαι καὶ ταράττεσθαι καὶ τέλος αὐτὰς διασπᾶν. ἔλαττον οὖν κακὸν οἷς διὰ κωφότητα καὶ πῆρῳσιν ἀκοῆς ἀπάθεια πρὸς μουσικὴν καὶ ἀναισθησία συμβέβηκεν. ὁ Τειρεσίας ἐχρῆτο δυστυχία μὴ βλέπων τὰ τέκνα μηδὲ τοὺς συνήθεις, ὁ δ’ Ἀθάμας μείζονι καὶ ἡ Ἀγαθή, βλέποντες ὡς λέοντας καὶ [d] ἐλάφους· καὶ τῷ Ἡρακλεῖ δήπου μανέντι τοὺς υἱοὺς ἐλυσιτέλει μῆτ’ ἰδεῖν μῆτ’ αἰσθέσθαι παρόντας ἢ χρῆσθαι τοῖς φιλάτοις ὡς πολεμίοις.

Τί οὖν; οὐ δοκεῖ σοι καὶ τὸ τῶν ἀθέων πρὸς τοὺς δεισιδαίμονας πάθος ἔχειν τοιαύτην διαφορὰν; οἱ μὲν οὐχ ὀρῶσι τοὺς θεοὺς τὸ παράπαν, οἱ δὲ κακοὺς ὑπάρχειν νομίζουσιν· οἱ μὲν παρορῶσιν, οἱ δὲ δοξάζουσι φοβερὸν τὸ εὐμενὲς καὶ τυραννικὸν τὸ πατρικὸν καὶ βλαβερὸν τὸ κηδεμονικὸν καὶ τὸ ἀμήνιτον ἄγριον εἶναι καὶ θηριῶδες. εἴτα χαλκοτύποις μὲν πείθονται καὶ λιθοξόοις καὶ κηροπλάσταις ἀνθρωπόμορφα τῶν θεῶν τὰ εἶδη ποιοῦσι, [e] καὶ τοιαῦτα πλάττουσι καὶ κατασκευάζουσι καὶ προσκυνοῦσι· φιλοσόφων δὲ καὶ πολιτικῶν ἀνδρῶν καταφρονοῦσιν, ἀποδεικνύντων τὴν τοῦ θεοῦ σεμνότητα μετὰ χρηστότητος καὶ μεγαλοφροσύνης καὶ εὐμενείας καὶ κηδεμονίας. περίεστιν οὖν τοῖς μὲν ἀναισθησία καὶ ἀπιστία τῶν ὠφελούντων, τοῖς δὲ ταραχὴ καὶ φόβος πρὸς τὰ ὠφελούντα. καὶ ὅλως ἢ μὲν ἀθεότης ἀπάθεια πρὸς τὸ θεῖόν ἐστι μὴ νοοῦσα τὸ ἀγαθόν, ἢ δὲ δεισιδαιμονία πολυπάθεια κακὸν τὸ ἀγαθὸν ὑπονοοῦσα. φοβοῦνται τοὺς θεοὺς καὶ καταφεύγουσιν ἐπὶ τοὺς θεοὺς, κολακεύουσι καὶ λοιδοροῦσιν, εὖχονται καὶ καταμέφονται.

τῷ δὲ δεισιδαίμονι καὶ σώματος ἀρρωστία πᾶσα [c] καὶ χρημάτων ἀποβολὴ καὶ τέκνων θάνατοι καὶ περὶ πολιτικὰς πράξεις δυσημερία καὶ ἀποτεύξεις πληγαὶ θεοῦ καὶ προσβολαὶ δαίμονος λέγονται. ὅθεν οὐδὲ τολμᾷ βοηθεῖν οὐδὲ διαλύειν τὸ συμβεβηκός οὐδὲ θεραπεύειν οὐδ' ἀντιτάττεσθαι, μὴ δόξῃ θεομαχεῖν καὶ ἀντιτείνειν κολαζόμενος, ἀλλ' ὠθεῖται μὲν ἔξω νοσοῦντος ὁ ἱατρός, ἀποκλείεται δὲ πενθοῦντος ὁ νοουθετῶν καὶ παραμυθούμενος φιλόσοφος. “ἔα με,” φησὶν, “ἄνθρωπε, διδόναι δίκην, τὸν ἀσεβῆ, τὸν ἐπάρατον, τὸν θεοῖς καὶ δαίμοσι μεμισημένον.”

ΒΑΣΙΛΕΩΝ ΑΠΟΦΘΕΓΜΑΤΑ ΚΑΙ ΣΤΡΑΤΗΓΩΝ

[172] Ἄρτοξέρξης ὁ Περσῶν βασιλεύς, ὧ μέγιστε αὐτόκρατορ Τραϊανὲ Καῖσαρ, οὐχ ἦττον οἰόμενος βασιλικὸν καὶ φιλόανθρωπον εἶναι τοῦ μεγάλα διδόναι τὸ μικρὰ λαμβάνειν εὐμενῶς καὶ προθύμως, ἐπεὶ παρελάνοντος αὐτοῦ καθ' ὁδὸν αὐτουργὸς ἄνθρωπος καὶ ἰδιώτης οὐδὲν ἔχων ἕτερον ἐκ τοῦ ποταμοῦ ταῖς χερσὶν ἀμφοτέραις ὕδωρ ὑπολαβὼν προσήνεγκεν, ἡδέως ἐδέξατο καὶ ἐμειδίασε, τῇ προθυμίᾳ τοῦ διδόντος οὐ τῇ χρεΐᾳ τοῦ διδομένου τὴν χάριν μετρήσας. ὁ δὲ Λυκοῦργος εὐτελεστάτας ἐποίησεν ἐν Σπάρτῃ [c] τὰς θυσίας, ἵνα αἰετὸς τοὺς θεοὺς τιμᾷν ἐτοίμως δύνωνται καὶ ῥαδίως ἀπὸ τῶν παρόντων. τοιαύτῃ δὴ τινι γνώμῃ κάμοῦ λιτά σοι δῶρα καὶ ξένια καὶ κοινὰς ἀπαρχὰς προσφέροντος ἀπὸ φιλοσοφίας ἅμα τῇ προθυμίᾳ καὶ τὴν χρεΐαν ἀπόδεξαι τῶν ἀπομνημονευμάτων, εἰ πρόσφορον ἔχει τι πρὸς κατανόησιν ἡθῶν καὶ προαιρέσεων ἡγεμονικῶν, ἐμφαινομένων τοῖς λόγοις μᾶλλον ἢ ταῖς πράξεσιν αὐτῶν. καίτοι καὶ βίου ἔχεις, τὸ σύνταγμα τῶν ἐπιφανεστάτων παρὰ τε Ῥωμαίοις καὶ παρ' Ἑλλήσιν ἡγεμόνων καὶ νομοθετῶν καὶ αὐτοκρατόρων· ἀλλὰ τῶν μὲν πράξεων αἱ πολλαὶ τύχην ἀναμειγμένην ἔχουσιν, αἱ [d] δὲ γινόμεναι παρὰ τὰ ἔργα καὶ τὰ πάθη καὶ τὰς τύχας ἀποφάσεις καὶ ἀναφωνήσεις ὥσπερ ἐν κατόπτροις καθαρῶς παρέχουσι τὴν ἐκάστου διάνοιαν ἀποθεωρεῖν. ἥ καὶ Σειράμνης ὁ Πέρσης πρὸς τοὺς θαυμάζοντας, ὅτι τῶν λόγων αὐτοῦ νοῦν ἐχόντων αἱ πράξεις οὐ κατορθοῦνται, τῶν μὲν λόγων ἔφη κύριος αὐτὸς εἶναι, τῶν δὲ πράξεων τὴν τύχην μετὰ τοῦ βασιλέως. ἐκεῖ μὲν οὖν ἅμα αἱ ἀποφάσεις τῶν ἀνδρῶν τὰς πράξεις παρακειμένους ἔχουσαι σχολάζουσαν φιληκοῖαν περιμένουσιν· ἐνταῦθα δὲ [καὶ] τοὺς λόγους αὐτοὺς καθ' αὐτοὺς ὥσπερ δείγματα τῶν βίων καὶ σπέρματα συνειλεγμένους οὐδὲν [e] οἶομαί σοι τὸν καιρὸν ἐνοχλήσειν, ἐν βραχείᾳ πολλῶν ἀναθεώρησιν ἀνδρῶν ἀξίων μνήμης γενομένων λαμβάνοντι.

ΚΥΡΟΣ

Πέρσαι τῶν γρυπῶν ἐρῶσι καὶ καλλίστους ὑπολαμβάνουσι διὰ τὸ Κῦρον ἀγαπηθέντα μάλιστα τῶν βασιλέων γεγονέναι γρυπὸν τὸ

εἶδος.

Ἔλεγε δὲ Κῦρος ἑτέροις <δεῖν> ἀναγκάζεσθαι τὰγαθὰ πορίζειν τοὺς αὐτοῖς μὴ θέλοντας· ἄρχειν δὲ μηδενὶ προσήκειν, ὅς οὐ κρείττων ἐστὶ τῶν ἀρχομένων.

Βουλομένους δὲ τοὺς Πέρσας ἀντὶ τῆς ἑαυτῶν

οὔσης ὀρεινῆς καὶ τραχείας πεδιάδα καὶ μαλακὴν χώραν [f] λαβεῖν οὐκ εἶασεν, εἰπὼν ὅτι καὶ τῶν φυτῶν τὰ σπέρματα καὶ τῶν ἀνθρώπων οἱ βίοι ταῖς χώραις συνεξομοιοῦνται.

ΔΑΡΕΙΟΣ

Δαρεῖος ὁ Ξέρξου πατὴρ ἑαυτὸν ἐγκωμιάζων ἔλεγεν ἐν ταῖς μάχαις καὶ παρὰ τὰ δεινὰ γίνεσθαι φρονιμώτερος.

Τοὺς δὲ φόρους τοῖς ὑπηκόοις τάξας μετεπέμψατο τοὺς πρῶτους τῶν ἐπαρχιῶν καὶ περὶ τῶν φόρων ἠρώτησε, [173] [a] μὴ βαρεῖς εἰσι· φησάντων δὲ μετρίως ἔχειν ἐκέλευσε τοὺς ἡμίσεις τελεῖν ἕκαστον.

Ῥοιὰν δὲ μεγάλην ἀνοίξας, πυθομένου τινὸς τί ἂν ἔχειν ἐβούλετο τοσοῦτον ὅσον ἐστὶ τῶν κόκκων τὸ πλῆθος, εἶπε Ζωπύρους· ἦν δ' ἀνὴρ ἀγαθὸς καὶ φίλος ὁ Ζώπυρος.

Ἐπεὶ δ' αὐτὸς αἰκισιάμενος ἑαυτὸν ὁ Ζώπυρος καὶ τὴν ῥίνα καὶ τὰ ὦτα περικόψας ἐξηπάτησε Βαβυλωνίους καὶ πιστευθεὶς ὑπ' αὐτῶν παρέδωκε Δαρείῳ τὴν πόλιν, πολλάκις ὁ Δαρεῖος εἶπεν οὐκ ἂν ἐθελῆσαι λαβεῖν ἑκατὸν Βαβυλῶνας ἐπὶ τῷ μὴ Ζώπυρον ἔχειν ὀλόκληρον.

ΣΕΜΙΡΑΜΙΣ

Σεμίραμις δὲ ἑαυτῇ κατασκευάσασα τάφον ἐπέγραψεν [b] ‘ὅστις ἂν χρημάτων δεηθῇ βασιλεὺς, διελόντα τὸ μνημεῖον ὅσα βούλεται λαβεῖν.’ Δαρεῖος οὖν διελὼν χρήματα μὲν οὐχ εὔρε, γράμμασι δὲ ἑτέροις ἐνέτυχε τάδε φράζουσιν· ‘εἰ μὴ κακὸς ᾗσθ’ ἀνὴρ καὶ χρημάτων ἄπληστος, οὐκ ἂν νεκρῶν θήκας ἐκίνεις.’

ΞΕΡΞΗΣ

Ξέρξης τῷ Δαρείῳ περὶ τῆς βασιλείας ἀμφισβητῶν ὁ ἀδελφὸς Ἀριαμένης κατέβαινεν ἐκ τῆς Βακτριανῆς· ἔπεμψεν οὖν αὐτῷ δῶρα, φράσαι κελεύσας τοὺς διδόντας ‘τούτοις σε τιμᾷ νῦν Ξέρξης ὁ ἀδελφός· ἐὰν δὲ βασιλεὺς ἀναγορευθῇ, πάντων ἕση παρ’ αὐτῷ μέγιστος.’ ἀποδειχθέντος [c] δὲ τοῦ Ξέρξου βασιλέως ὁ μὲν Ἀριαμένης εὐθὺς προσεκύνησε καὶ τὸ διάδημα περιέθηκεν, ὁ δὲ Ξέρξης ἐκείνῳ τὴν δευτέραν μεθ’ ἑαυτὸν ἔδωκε τάξιν.

Ὅργισθεις δὲ Βαβυλωνίοις ἀποστᾶσι καὶ κρατήσας προσέταξεν ὅπλα μὴ φέρειν, ἀλλὰ ψάλλειν καὶ αὐλεῖν καὶ πορνοβοσκεῖν καὶ καπηλεύειν καὶ φορεῖν κολπωτοὺς χιτῶνας.

Ἀττικὰς δ' ἰσχάδας οὐκ ἂν ἔφη φαγεῖν ὠνίους κομισθείσας, ἀλλ' ὅταν τὴν φέρουσιν κτήσεται χώραν.

Ἑλληνας δὲ κατασκόπους ἐν τῷ στρατοπέδῳ λαβὼν οὐδὲν ἠδίκησεν, ἀλλὰ τὴν στρατιὰν ἀδεῶς ἐπιδεῖν κελεύσας ἀφῆκεν.

ΑΡΤΟΞΕΡΞΗΣ

[d] Ἀρτοξέρξης ὁ Ξέρξου, ὁ μακρόχειρ προσαγορευθεὶς διὰ τὸ τὴν ἑτέραν χεῖρα μακροτέραν ἔχειν, ἔλεγεν ὅτι τὸ προσθεῖναι τοῦ ἀφελεῖν βασιλικώτερόν ἐστι.

Πρῶτος δὲ πρωτοβολεῖν ἐκέλευσε τῶν συγκυνηγετούντων τοὺς δυναμένους καὶ βουλομένους.

Πρῶτος δὲ τοῖς ἁμαρτάνουσι τῶν ἡγεμονικῶν τιμωρίαν ἔταξεν, ἀντὶ τοῦ τὸ σῶμα μαστιγοῦσθαι καὶ τὴν κεφαλὴν ἀποτίλλεσθαι μαστιγοῦσθαι μὲν ἀποδυσασμένων τὰ ἱμάτια, τίλλεσθαι δὲ τὴν τιάραν ἀποθεμένων.

Σατιβαρζάνην δὲ τὸν κατακοιμιστὴν αἰτούμενόν τι παρ' αὐτοῦ τῶν μὴ δικαίων αἰσθόμενος ἐπὶ τρισμυρίοις [e] δαρεικοῖς τοῦτο ποιοῦντα, προσέταξε τῷ ταμίᾳ τρισμυρίους δαρεικοὺς κομίσαι· καὶ διδοὺς αὐτῷ 'λάβε' εἶπεν 'ὦ Σατιβαρζάνη· ταῦτα μὲν γὰρ δοὺς οὐκ ἔσομαι πενέστερος, ἐκεῖνα δὲ πράξας ἀδικώτερος.'

ΚΥΡΟΣ Ο ΝΕΩΤΕΡΟΣ

Κῦρος ὁ νεώτερος τοὺς Λακεδαιμονίους συμμαχεῖν αὐτῷ παρακαλῶν ἔλεγε τοῦ ἀδελφοῦ καρδίαν ἔχειν βαρυτέραν καὶ πλείονα πίνειν ἄκρατον αὐτοῦ καὶ φέρειν βέλτιον· ἐκεῖνον δὲ μόλις ἐν ταῖς θήραις ἐπὶ τῶν ἵππων μένειν, ἐν δὲ τοῖς δεινοῖς μηδ' ἐπὶ τοῦ θρόνου. παρεκάλει [f] δ' ἀποστέλλειν ἄνδρας πρὸς αὐτόν, ἐπαγγελλόμενος τοῖς μὲν πεζοῖς ἵππους δώσειν, τοῖς δὲ ἵππους ἔχουσιν ἄρματα, τοῖς δὲ χωρία κεκτημένοις κώμας, τοὺς δὲ κώμας ἔχοντας πόλεων κυρίους ποιήσιν· ἀργυρίου δὲ καὶ χρυσίου οὐκ ἀριθμὸν ἀλλὰ σταθμὸν ἔσεσθαι.

ΑΡΤΟΞΕΡΞΗΣ Ο ΜΝΗΜΩΝ

Ἀρτοξέρξης ὁ τούτου μὲν ἀδελφὸς Μνήμων δὲ καλούμενος οὐ μόνον τοῖς ἐντυγχάνουσιν ἑαυτὸν ἀνέδην παρεῖχεν, ἀλλὰ καὶ τὴν γυναῖκα τὴν γνησίαν ἐκέλευσε τῆς ἄρμαμάξης τὰς αὐλαίας περιελεῖν, ὅπως οἱ δεόμενοι κατὰ τὴν ὁδὸν ἐντυγχάνωσι.

[174] [a] Πένητος δ' ἀνθρώπου μῆλον ὑπερφυῆς μεγέθει προσενέγκαντος αὐτῷ δεξάμενος ἡδέως 'νῆ τὸν Μίθραν' εἶπεν 'οὗτός μοι δοκεῖ καὶ πόλιν ἂν ἐκ μικρᾶς μεγάλην πιστευθεὶς ἀπεργάσασθαι.'

Ἐν δὲ φυγῇ τι νι τῆς ἀποσκευῆς αὐτοῦ διαρπαγείσης ξηρὰ σῦκα φαγῶν καὶ κρίθινον ἄρτον 'οἶας' εἶπεν 'ἡδονῆς ἄπειρος ἤμην.'

ΠΑΡΥΣΑΤΙΣ

Παρύσατις ἡ Κύρου καὶ Ἀρτοξέρξου μήτηρ ἐκέλευε τὸν βασιλεῖ μέλλοντα μετὰ παρρησίας διαλέγεσθαι βυσσίνοις χρῆσθαι ῥήμασιν.

ΟΡΟΝΤΗΣ

[b] Ὀρόντης, ὁ βασιλέως Ἀρτοξέρξου γαμβρός, ἀτιμία περιπεσὼν δι' ὀργὴν καὶ καταγνωσθεὶς ἔφη, καθάπερ οἱ τῶν ἀριθμητικῶν δάκτυλοι νῦν μὲν μυριάδας νῦν δὲ μονάδα [τιθέναι] δύνανται, τὸ αὐτὸ καὶ τοὺς τῶν βασιλέων φίλους, νῦν μὲν τὸ πᾶν δύνασθαι νῦν δὲ τοῦλάχιστον.

ΜΕΜΝΩΝ

Μέμνων, ὁ Ἀλεξάνδρῳ πολεμῶν ὑπὲρ Δαρείου τοῦ βασιλέως, μισθοφόρον τινὰ πολλὰ βλάβσημα καὶ ἀσελγῇ περὶ Ἀλεξάνδρου λέγοντα τῇ λόγχῃ πατάξας 'ἐγὼ σε' εἶπε 'τρέφω μαχούμενον, ἄλλ' οὐ λοιδορησόμενον Ἀλεξάνδρῳ.'

[c]

ΟΙ ΑΙΓΥΠΤΙΩΝ ΒΑΣΙΛΕΙΣ

Οἱ Αἰγυπτίων βασιλεῖς κατὰ νόμον ἑαυτῶν τοὺς δικαστὰς ἐξώρκιζον ὅτι, κἂν βασιλεύς τι προστάξῃ κρίναι τῶν μὴ δικαίων, οὐ κρινοῦσι.

ΠΟΛΤΥΣ

Πόλτυς ὁ Θρακῶν βασιλεὺς ἐν τῷ Τρωϊκῷ πολέμῳ πρεσβευσαμένων πρὸς αὐτὸν ἅμα τῶν Τρώων καὶ τῶν Ἀχαιῶν ἐκέλευσε τὸν Ἀλέξανδρον ἀποδόντα τὴν Ἑλένην δύο παρ' αὐτοῦ λαβεῖν καλὰς γυναῖκας.

ΤΗΡΗΣ

Τήρης ὁ Σιτάλκου πατήρ ἔλεγεν, ὅποτε σχολάζοι καὶ [d] μὴ στρατεύοιτο, τῶν ἱπποκόμων οἶεσθαι μηδὲν διαφέρειν.

ΚΟΤΥΣ

Κότυς τῷ δωρησαμένῳ πάρδαλιν ἀντεδωρήσατο λέοντα.

Φύσει δ' ὦν ὁξύς εἰς ὀργὴν καὶ πικρὸς τῶν ἀμαρτανόντων ἐν ταῖς διακονίαις κολαστής, σκεύη ποτὲ κεραμεῖ ξένου κομίσαντος

εὐθραυστα καὶ λεπτά, πιθανῶς δὲ καὶ περιττῶς εἰργασμένα γλυφαῖς τισι καὶ τορεῖαις, τῷ μὲν ξένῳ ἔδωκε δῶρα, τὰ δὲ σκεύη πάντα συνέτριψεν, ‘ὅπως’ εἰπὼν ‘μὴ δι’ ὀργὴν πικρότερον κολάζω τοὺς συντρίβοντας.’

ΙΔΑΝΘΥΡΣΟΣ

[e] Ἰδάνθυρσος ὁ Σκυθῶν βασιλεύς, ἐφ’ ὃν διέβη Δαρεῖος, ἔπειθε τοὺς Ἰώνων τυράννους τὸ τοῦ Ἰστρου ζεῦγμα λύσαντας ἀπαλλάττεσθαι· μὴ βουλευθέντας δὲ διὰ τὴν πρὸς Δαρεῖον πίστιν ἀνδράποδα χρηστὰ καὶ ἄδραστα ἐκάλει.

ΑΝΤΕΑΣ

Ἀντέας ἔγραφε πρὸς τὸν Φίλιππον ‘σὺ μὲν ἄρχεις Μακεδόνων ἀνθρώποις μεμαθηκότων πολεμεῖν· ἐγὼ δὲ Σκυθῶν, οἳ καὶ λιμῷ καὶ δίψει μάχεσθαι δύνανται.’

Τοὺς δὲ πρέσβεις τοῦ Φιλίππου ψήχων τὸν ἵππον ἠρώτησεν, εἰ τοῦτο ποιεῖ Φίλιππος· τῶν δ’ εἰπόντων ‘οὐ’ ‘καὶ πῶς δύνатаί’ φησι ‘πόλεμον ἄρασθαι κατ’ ἐμοῦ;’

Ἰσμηνίαν δὲ τὸν ἄριστον αὐλητὴν λαβὼν αἰχμάλωτον [f] ἐκέλευσεν αὐλῆσαι· θαυμαζόντων δὲ τῶν ἄλλων αὐτὸς ὤμοσεν ἥδιον ἀκούειν τοῦ ἵππου χρεμετίζοντος.

ΣΚΙΛΟΥΡΟΣ

Σκιλοῦρος <ὁ> ὀγδοήκοντα παῖδας ἄρρενας ἀπολιπὼν ἐπεὶ τελευτᾷ ἐμελλε, δέσμην ἀκοντίων ἐκάστῳ προτείνων ἐκέλευσε καταθραῦσαι· πάντων δ’ ἀπαγορευσάντων, <ἐν> καθ’ ἐν αὐτὸς ἐξελὼν ἀκόντιον ἅπαντα ῥαδίως συνέκλασε, διδάσκων ἐκείνους ὅτι συνεστῶτες ἰσχυροὶ διαμενοῦσιν, ἀσθενεῖς δ’ ἔσονται διαλυθέντες καὶ στασιάζαντες.

ΓΕΛΩΝ

[175] [a] Γέλων ὁ τύραννος, ὅτε Καρχηδονίους πρὸς Ἱμέρα κατεπολέμησεν, εἰρήνην ποιούμενος πρὸς αὐτοὺς ἠνάγκασεν ἐγγράφαι ταῖς ὁμολογίαις ὅτι καὶ τὰ τέκνα παύσσονται τῷ Κρόνῳ καταθύοντες.

Ἐξῆγε δὲ πολλάκις τοὺς Συρακοσίους ὡς ἐπὶ στρατείαν κατὰ φυτείαν, ὅπως ἢ τε χώρα βελτίων γένηται γεωργουμένη καὶ μὴ χείρονες αὐτοὶ σχολάζοντες.

Αἰτῶν δὲ χρήματα τοὺς πολίτας, ἐπεὶ ἐθορύβησαν,

αἰτεῖν εἶπεν ὡς ἀποδώσων, καὶ ἀπέδωκε μετὰ τὸν πόλεμον.

Ἐν δὲ συμποσίῳ λύρας περιφερομένης, ἁρμοζομένων [b] τῶν

ἄλλων ἐφεξῆς καὶ ἀδόντων, αὐτὸς τὸν ἵππον εἰσαγαγεῖν κελεύσας ἐλαφρῶς καὶ ῥαδίως ἀνεπήδησεν ἐπ’ αὐτόν.

ΙΕΡΩΝ

Ἰέρων ὁ μετὰ Γέλωνα τύραννος ἔλεγε μηδένα τῶν παρρησιαζομένων πρὸς αὐτὸν ἄκαιρον εἶναι.

Τοὺς δ’ ἀπόρρητον λόγον ἐκφέροντας ἀδικεῖν ὤετο καὶ πρὸς οὓς ἐκφέρουσι· μισοῦμεν γὰρ οὐ μόνον τοὺς ἐκφέροντας ἀλλὰ καὶ τοὺς ἀκούσαντας ἃ μὴ βουλόμεθα.

Λοιδορηθεὶς δὲ ὑπὸ τινος εἰς τὴν δυσωδίαν τοῦ στόματος ἥτι᾽ αὐτοῦ τὴν γυναῖκα μηδέποτε περὶ τούτου φράσασαν· ἡ δ’ εἶπεν ‘ὦμην γὰρ τοιοῦτον ἅπαντας τοὺς ἄνδρας ὄζειν.’

[c] Πρὸς δὲ Ξενοφάνην τὸν Κολοφώνιον εἰπόντα μόλις οἰκέτας δύο τρέφειν ‘ἀλλ’ Ὅμηρος’ εἶπεν, ‘ὄν σὺ διασύρεις, πλείονας ἢ μυρίους τρέφει τεθνηκώς.’

Ἐπίχαρμον δὲ τὸν κωμωδοποιόν, ὅτι τῆς γυναικὸς αὐτοῦ παρούσης εἶπέ τι τῶν ἀπορρήτων, ἐζημίωσε.

ΔΙΟΝΥΣΙΟΣ Ο ΠΡΕΣΒΥΤΕΡΟΣ

Διονύσιος ὁ πρεσβύτερος, κληρουμένων κατὰ γράμμα τῶν δημηγορούντων, ὡς ἔλαχε τὸ Μ, πρὸς τὸν εἰπόντα ‘μωρολογήσεις, Διονύσιε’ ‘μοναρχήσω μὲν οὖν’ εἶπε, καὶ δημηγορήσας εὐθύς ἡρέθη στρατηγὸς ὑπὸ τῶν Συρακοσίων.

[d] Ἐπεὶ δ’ ἐν ἀρχῇ τῆς τυραννίδος ἐπολιορκεῖτο συστάντων ἐπ’ αὐτὸν τῶν πολιτῶν, οἱ μὲν φίλοι συνεβούλευον ἀπαλλαγῆναι τῆς ἀρχῆς, εἰ μὴ βούλεται κρατηθεὶς ἀποθανεῖν· ὁ δὲ βοῦν ἰδὼν σφαττόμενον ὑπὸ μαγείρου καὶ πίπτοντα ταχέως ‘εἴτα οὐκ ἀεικές ἐστίν’ εἶπεν ‘οὕτω βραχὺν ὄντα τὸν θάνατον φοβηθέντας ἡμᾶς ἀρχὴν ἐγκαταλιπεῖν τηλικαύτην;’

Τὸν δὲ υἱὸν αἰσθόμενος, ὃ τὴν ἀρχὴν ἀπολείπειν ἔμελλεν, ἀνδρὸς ἐλευθέρου διαφθείραντα γύναιον, ἠρώτησε μετ’ ὀργῆς, τί τοιοῦτον αὐτῷ σύνοιδεν. εἰπόντος δὲ τοῦ νεανίσκου ‘σὺ γὰρ οὐκ εἶχες πατέρα τύραννον’ [e] ‘οὐδὲ σὺ’ εἶπεν ‘υἱὸν ἔξεις, ἐὰν μὴ παύσῃ ταῦτα ποιῶν.’

Πάλιν δὲ πρὸς αὐτὸν εἰσελθὼν καὶ θεασάμενος ἐκπωμάτων χρυσῶν καὶ ἀργυρῶν πλῆθος ἀνεβόησεν ‘οὐκ ἔστιν ἐν σοὶ τύραννος, ὃς ἀφ’ ὧν λαμβάνεις ἀπ’ ἐμοῦ ποτηρίων τοσούτων φίλον οὐδένα σεαυτῷ πεποίηκας.’

Χρήματα δ’ εἰσπράσσων τοὺς Συρακοσίους, εἴτα ὀρῶν

ὀδυρομένους καὶ δεομένους καὶ λέγοντας ὥς οὐκ ἔχουσιν, ἐκέλευσεν ἕτερα πράττειν, καὶ δις ἢ τρίς τοῦτο ἐποίησεν· ἐπεὶ δὲ προστάξας πλείονα γελᾶν ἤκουσεν αὐτοὺς καὶ σκώπτειν ἐν ἀγορᾷ περιιόντας, ἐκέλευσε παύσασθαι ‘νῦν γὰρ οὐδὲν ἔχουσιν’ εἶπεν, ‘ὅτε καταφρονοῦσιν [f] ἡμῶν.’

Τῆς δὲ μητρὸς αὐτοῦ παρήλικος μὲν οὔσης δοθῆναι δ’ ἀνδρὶ βουλομένης ἔφη τοὺς μὲν τῆς πόλεως βιάσασθαι νόμους δύνασθαι τοὺς δὲ τῆς φύσεως μὴ δύνασθαι.

Πικρῶς δὲ τοὺς ἄλλους κακούργους κολάζων ἐφείδετο τῶν λωποδυτῶν, ὅπως παύσωνται οἱ Συρακόσιοι τοῦ δειπνεῖν καὶ μεθύσκεσθαι μετ’ ἀλλήλων.

Ξένου δὲ τινος ἰδίᾳ φράσειν φάσκοντος αὐτῷ καὶ διδάξειν, ὅπως προειδῇ τοὺς ἐπιβουλεύοντας, ἐκέλευσεν [176] [a] εἰπεῖν· ἐπεὶ δὲ προσελθὼν ‘δός’ εἶπε ‘μοι τάλαντον, ἵνα δόξης ἀκηκοέναι τὰ σημεία τῶν ἐπιβουλεύόντων’, ἔδωκε προσποιούμενος ἀκηκοέναι καὶ ἐθαύμαζε τὴν μέθοδον τοῦ ἀνθρώπου.

Πρὸς δὲ τὸν πυθόμενον, εἰ σχολάζοι, ‘μηδέποτε’ εἶπεν ‘ἐμοὶ τοῦτο συμβαίη.’

Δύο δ’ ἀκούσας νεανίσκους πολλὰ βλάβημα περὶ αὐτοῦ καὶ τῆς τυρρανίδος εἰρηκέναι παρὰ πότον, ἀμφοτέρους ἐκάλεσεν ἐπὶ δεῖπνον· ὁρῶν δὲ τὸν μὲν παροινοῦντα καὶ ληροῦντα πολλὰ, τὸν δὲ σπανίως καὶ μετ’ εὐλαβείας ταῖς πόσεσι χρώμενον, ἐκεῖνον μὲν ἀπέλυσεν ὥς φύσει παροινήσαντα καὶ διὰ μέθην κακολογήσαντα, [b] τοῦτον δ’ ἀνεῖλεν ὥς δύνουν καὶ πολέμιον ἐκ προαιρέσεως.

Αἰτιωμένων δὲ τινων ὅτι τιμᾷ καὶ προάγεται πονηρὸν ἄνθρωπον καὶ δυσχεραινόμενον ὑπὸ τῶν πολιτῶν ‘ἀλλὰ καὶ βούλομαι’ εἶπεν ‘εἶναι τὸν ἐμοῦ μᾶλλον μισούμενον.’

Ἐπεὶ δὲ Κορινθίων πρέσβεις δῶρα διδόντος αὐτοῦ παρηγοῦντο διὰ τὸν νόμον, ὃς οὐκ εἶα δῶρα λαμβάνειν παρὰ δυνάστου πρεσβεύοντας, δεινὸν ἔφη πρᾶγμα ποιεῖν αὐτούς, ὃ μόνον αἱ τυρρανίδες ἔχουσιν ἀγαθὸν ἀναιροῦντας καὶ διδάσκοντας, ὅτι καὶ τὸ εὖ παθεῖν ὑπὸ τυράννου φοβερόν ἐστιν.

Ἀκούσας δὲ τινὰ τῶν πολιτῶν χρυσίον ἔχειν οἴκοι [c] κατορωρυγμένον ἐκέλευσεν ἀνενεγκεῖν πρὸς αὐτόν· ἐπεὶ δὲ παρακλέψας ὀλίγον ὁ ἄνθρωπος καὶ μεταστὰς εἰς ἑτέραν πόλιν ἐωνήσατο χωρίον, μεταπεμφάμενος αὐτὸν ἐκέλευσε πᾶν ἀπολαβεῖν, ἡργμένον χρῆσθαι τῷ πλούτῳ καὶ μηκέτι ποιοῦντα τὸ

χρήσιμον ἄχρηστον.

ΔΙΟΝΥΣΙΟΣ Ο ΝΕΩΤΕΡΟΣ

Ὁ δὲ νεώτερος Διονύσιος ἔλεγε πολλοὺς τρέφειν σοφιστάς, οὐ θαυμάζων ἐκείνους ἀλλὰ δι' ἐκείνων θαυμάζεσθαι βουλόμενος.

Πολυξένου δὲ τοῦ διαλεκτικοῦ φήσαντος αὐτὸν ἐξελέγχειν ‘ἀμέλει τοῖς λόγοις’ εἶπεν ‘ἐγὼ δέ σε τοῖς [d] ἔργοις ἐλέγχω· τὰ γὰρ σεαυτοῦ καταλιπὼν ἐμὲ καὶ τὰ ἐμὰ θεραπεύεις.’

Ἐκπεσὼν δὲ τῆς ἀρχῆς πρὸς μὲν τὸν εἰπόντα ‘τί σε Πλάτων καὶ φιλοσοφία ὠφέλησε;’ ‘τὸ τηλικαύτην’ ἔφη ‘τύχης μεταβολὴν ραδίως ὑπομένειν.’

Ἐρωτηθεὶς δὲ πῶς ὁ μὲν πατήρ αὐτοῦ πένης ὦν καὶ ιδιώτης ἐκτήσατο τὴν Συρακοσίων ἀρχήν, αὐτὸς δὲ ἔχων καὶ τυράννου παῖς ὦν [πῶς] ἀπέβαλεν, ‘ὁ μὲν πατήρ’ ἔφη ‘μισουμένης δημοκρατίας ἐνέπεσε τοῖς πράγμασιν, ἐγὼ δὲ φθονουμένης τυραννίδος.’

Ὑπ’ ἄλλου δὲ τὸ αὐτὸ τοῦτο ἐρωτηθεὶς ‘ὁ πατήρ’ ἔφη [e] ‘μοι τὴν τυραννίδα τὴν ἑαυτοῦ κατέλιπεν, οὐ τὴν τύχην.’

ΑΓΑΘΟΚΛΗΣ

Ἀγαθοκλῆς υἱὸς ἦν κεραμέως· γενόμενος δὲ κύριος Σικελίας καὶ βασιλεὺς ἀναγορευθεὶς εἰώθει κεραμεῖα ποτήρια τιθέναι παρὰ τὰ χρυσᾶ καὶ τοῖς νέοις ἐπιδεικνύμενος λέγειν ὅτι τοιαῦτα ποιῶν πρότερον νῦν ταῦτα ποιεῖ διὰ τὴν ἐπιμέλειαν καὶ τὴν ἀνδρείαν.

Πολιορκοῦντος δὲ πόλιν αὐτοῦ τῶν ἀπὸ τοῦ τείχους τινὲς ἐλοιδοροῦντο λέγοντες ὅτι ‘ὦ κεραμεῦ, τὸν μισθὸν πόθεν ἀποδώσεις τοῖς στρατιώταις;’ ὁ δὲ πράως καὶ μειδιῶν εἶπεν ‘αἶκα ταύταν ἔλω.’ λαβὼν δὲ κατὰ κράτος ἐπίπρασκε τοὺς αἰχμαλώτους λέγων ‘ἐάν με πάλιν [f] λοιδορῇτε, πρὸς τοὺς κυρίους ὑμῶν ἔσται μοι ὁ λόγος.’

Ἐγκαλούντων δὲ τοῖς ναύταις αὐτοῦ τῶν Ἰθακησίων, ὅτι τῇ νήσῳ προσβαλόντες τῶν θρεμμάτων τινὰ ἀπέσπασαν, ‘ὁ δὲ ὑμέτερος’ ἔφη ‘βασιλεὺς ἐλθὼν πρὸς ἡμᾶς οὐ μόνον τὰ πρόβατα λαβὼν ἀλλὰ καὶ τὸν ποιμένα προσεκτυφλώσας ἀπῆλθε.’

ΔΙΩΝ

Δίων ὁ Διονύσιον ἐκβαλὼν ἐκ τῆς τυραννίδος, ἀκούσας ἐπιβουλεύειν αὐτῷ Κάλλιππον, ᾧ μάλιστα τῶν φίλων καὶ ξένων ἐπίστευεν, οὐχ ὑπέμεινεν ἐλέγξαι, βέλτιον εἶναι [177] [a] φήσας ἀποθανεῖν ἢ ζῆν μὴ μόνον τοὺς πολεμίους ἀλλὰ καὶ τοὺς φίλους

φυλαττόμενον.

ΑΡΧΕΛΑΟΣ

Ἀρχέλαος αἰτηθεὶς παρὰ πότον ποτήριον χρυσοῦν ὑπό τινος τῶν συνήθων οὐ μὴν ἐπεικῶν ἐκέλευσεν Εὐριπίδῃ τὸν παῖδα δοῦναι· θαυμάσαςτος δὲ τοῦ ἀνθρώπου, ‘σὺ μὲν γάρ’ εἶπεν ‘αἰτεῖν, οὗτος δὲ λαμβάνειν ἄξιός ἐστι καὶ μὴ αἰτῶν.’

Ἀδολέσχου δὲ κουρέως ἐρωτήσαντος αὐτὸν ‘πῶς σε κείρω;’ ‘σιωπῶν’ ἔφη.

Τοῦ δ’ Εὐριπίδου τὸν καλὸν Ἀγάθωνα περιλαμβάνοντος ἐν τῷ συμποσίῳ καὶ καταφιλοῦντος ἤδη γενειῶντα, [b] πρὸς τοὺς φίλους εἶπε ‘μὴ θαυμάσητε· τῶν γὰρ καλῶν καὶ τὸ μετόπωρον καλὸν ἐστίν.’

Ἐπεὶ δὲ Τιμόθεος ὁ κιθαρωδὸς ἐλπίσας πλείονα λαβὼν δ’ ἐλάττονα δῆλος ἦν ἐγκαλῶν αὐτῷ καὶ ποτ’ ᾄδων τουτὶ τὸ κομμάτιον (Anth. lyr. II 152 D.) ‘σὺ δὲ τὸν γηγενέταν ἄργυρον αἰνεῖς’ ἀπεσήμαινεν εἰς ἐκεῖνον, ὑπέκρουσεν ὁ Ἀρχέλαος αὐτῷ ‘σὺ δὲ γε αἰτεῖς.’

Ὑδωρ δὲ τινος αὐτοῦ κατασκεδάσαντος ὑπὸ τῶν φίλων παροξυνόμενος ἐπὶ τὸν ἄνθρωπον ‘ἄλλ’ οὐκ ἐμοῦ’ φησὶν ‘ἄλλ’ ἐκείνου κατεσκεδάσεν, ὃν ἔδοξεν ἐμὲ εἶναι.’

ΦΙΛΙΠΠΟΣ Ο ΑΛΕΞΑΝΔΡΟΥ ΠΑΤΗΡ

[c] Φίλιππον τὸν Ἀλεξάνδρου πατέρα Θεόφραστος ἱστόρηκεν οὐ μόνον †μεταξὺ τῶν βασιλέων, ἀλλὰ καὶ τῇ τύχῃ καὶ τῷ τρόπῳ μέζονα γενέσθαι καὶ μετριώτερον.

Ἀθηναίους μὲν οὖν μακαρίζειν ἔλεγεν, εἰ καθ’ ἕκαστον ἐνιαυτὸν αἰρεῖσθαι δέκα στρατηγούς· εὐρίσκουσιν· αὐτὸς γὰρ ἐν πολλοῖς ἔτεσιν ἓνα μόνον στρατηγὸν εὐρηκέναι, Παρμενίωνα.

Πολλῶν δὲ κατορθωμάτων αὐτῷ καὶ καλῶν ἐν μιᾷ ἡμέρᾳ προσαγγελθέντων, ‘ὦ τύχῃ’ εἶπε, ‘μικρόν τι μοι κακὸν ἀντὶ τῶν τοσούτων καὶ τηλικούτων ἀγαθῶν ποίησον.’

Ἐπεὶ δὲ νικήσαντι τοὺς Ἕλληνας αὐτῷ συνεβούλευον [d] ἔνιοι φρουραῖς τὰς πόλεις κατέχειν, ἔφη μᾶλλον πολὺν χρόνον ἐθέλειν χρηστὸς ἢ δεσπότης ὀλίγον καλεῖσθαι.

Τὸν δὲ λοῖδορον ἐξελάσαι τῶν φίλων κελευόντων οὐκ ἔφη ποιήσιν, ἵνα μὴ περιιῶν ἐν πλείοσι κακῶς λέγοι.

Σμικύθου δὲ Νικάνορα διαβάλλοντος ὥς αἰὲ κακῶς λέγοντα τὸν Φίλιππον καὶ τῶν ἐταίρων οἰομένων δεῖν μεταπέμπεσθαι καὶ

κολάζειν, ‘ἀλλὰ μὴν’ ἔφη ‘Νικάνωρ οὐ φαυλότατός ἐστι Μακεδόνων· ἐπισκεπτέον οὖν μή τι γίνεται παρ’ ἡμᾶς.’ ὥς οὖν ἔγνω τὸν Νικάνωρα θλιβόμενον ἰσχυρῶς ὑπὸ πενίας ἡμελημένον δὲ ὑπ’ αὐτοῦ, [e] προσέταξε δωρεάν τινα αὐτῷ δοθῆναι. πάλιν οὖν τοῦ Σμικύθου λέγοντος ὅτι θαυμαστὰ περὶ αὐτοῦ πρὸς ἅπαντας ἐγκώμια λέγων ὁ Νικάνωρ διατελεῖ, ‘ὁρᾶτε οὖν’ εἶπεν ‘ὅτι παρ’ ἡμᾶς αὐτοὺς ἐστι καὶ τὸ καλῶς καὶ τὸ κακῶς ἀκούειν.’

Τοῖς δὲ τῶν Ἀθηναίων δημαγωγοῖς ἔφη χάριν ἔχειν, ὅτι λοιδοροῦντες αὐτὸν βελτίονα ποιοῦσι καὶ τῷ λόγῳ καὶ τῷ ἥθει· ‘πειρῶμαι γὰρ αὐτοὺς ἅμα καὶ τοῖς λόγοις καὶ τοῖς ἔργοις ψευδομένους ἐλέγχειν.’

Τῶν δ’ Ἀθηναίων, ὅσοι περὶ Χαιρώνειαν ἐάλωσαν, ἀφεθέντων ὑπ’ αὐτοῦ δίχα λύτρων, τὰ δὲ ἱμάτια καὶ [f] στρώματα προσσπαιτούντων καὶ τοῖς Μακεδόσιν ἐγκαλοῦντων, γελάσας ὁ Φίλιππος εἶπεν ‘οὐ δοκοῦσιν ὑμῖν Ἀθηναῖοι νομίζειν ἐν ἀστραγάλοις ὑφ’ ἡμῶν νενικῆσθαι;’

Τῆς δὲ κλειδὸς αὐτῷ κατεαγείσης ἐν πολέμῳ καὶ τοῦ θεραπεύοντος ἱατροῦ πάντως τι καθ’ ἡμέραν αἰτοῦντος, ‘λάμβανε’ ἔφη ‘ὅσα βούλει· τὴν γὰρ κλεῖν ἔχεις.’

Δυεῖν δ’ ἀδελφῶν, Ἀμφοτεροῦ καὶ Ἑκατεροῦ, τὸν μὲν Ἑκατερὸν ἔμφρονα καὶ πρακτικὸν ὁρῶν, τὸν δ’ Ἀμφοτερὸν εὐήθη καὶ ἀβέλτερον, ἔφη τὸν μὲν Ἑκατερὸν ἀμφότερον εἶναι, τὸν δ’ Ἀμφοτερὸν οὐδέτερον.

[178] [a] Τοὺς δὲ συμβουλευόντας αὐτῷ πικρῶς χρῆσθαι τοῖς Ἀθηναίοις ἀτόπους ἔλεγεν εἶναι, κελεύοντας ἄνθρωπον ὑπὲρ δόξης πάντα ποιοῦντα καὶ πάσχοντα ἀποβαλεῖν τὸ τῆς δόξης θέατρον.

Γενόμενος δὲ κριτῆς δυεῖν πονηρῶν ἐκέλευσε τὸν μὲν φεύγειν ἐκ Μακεδονίας τὸν δὲ ἕτερον διώκειν.

Μέλλων δὲ καταστρατοπεδεύειν ἐν χωρίῳ καλῷ καὶ πυθόμενος ὅτι χόρτος οὐκ ἔστι τοῖς ὑποζυγίοις, ‘οἶος’ εἶπεν ‘ἡμῶν ὁ βίος ἐστίν, εἰ καὶ πρὸς τὸν τῶν ὄνων καιρὸν ὀφείλομεν ζῆν;’

Φρούριον δὲ τι βουλόμενος λαβεῖν ὄχυρόν, ὥς [b] ἀπήγγειλαν οἱ κατάσκοποι χαλεπὸν εἶναι παντάπασι καὶ ἀνάλωτον, ἠρώτησεν εἰ χαλεπὸν οὕτως ἐστίν, ὥστε μὴδὲ ὄνον προσελθεῖν χρυσίον κομίζοντα.

Τῶν δὲ περὶ Λασθένην τὸν Ὀλύνθιον ἐγκαλοῦντων καὶ ἀγανακτούντων, ὅτι προδότας αὐτοὺς ἔνιοι τῶν περὶ τὸν Φίλιππον

ἀποκαλοῦσι, σκαιούς ἔφη φύσει καὶ ἀγροίκους εἶναι Μακεδόνας τὴν σκάφην σκάφην λέγοντας.

Τῷ δὲ υἱῷ παρήνει πρὸς χάριν ὁμιλεῖν τοῖς Μακεδόσι, κτώμενον ἑαυτῷ τὴν παρὰ τῶν πολλῶν δύναμιν, ἕως ἕξεσι βασιλεύοντος ἄλλου φιλάνθρωπον εἶναι.

Συνεβοῦλευε δὲ τῶν ἐν ταῖς πόλεσι δυνατῶν καὶ [c] τοὺς ἀγαθοὺς φίλους κτᾶσθαι καὶ τοὺς πονηροὺς, εἴτα οἷς μὲν χρῆσθαι οἷς δ' ἀποχρῆσθαι.

Πρὸς δὲ Φίλωνα τὸν Θηβαῖον εὐεργέτην αὐτοῦ γενόμενον καὶ ξένον, ὁπηνίκα διῆγεν ἐν Θήβαις ὁμηρέων, ὕστερον δὲ μηδεμίαν παρ' αὐτοῦ δωρεὰν προσδεχόμενον 'μή με' εἶπεν 'ἀφαιροῦ τὸ ἀνίκητον εὐεργεσίας καὶ χάριτος ἡττώμενον.'

Ληφθέντων δὲ πολλῶν αἰχμαλώτων ἐπίπρασκεν αὐτοὺς ἀνεσταλμένῳ τῷ χιτῶνι καθήμενος οὐκ εὐπρεπῶς· εἷς οὖν τῶν πωλουμένων ἀνεβόησε 'φεῖσαί μου, Φίλιππε, πατρικὸς γάρ εἰμί σου φίλος.' ἐρωτήσαντος δὲ τοῦ Φιλίππου 'πόθεν, ὦ ἄνθρωπε, γενόμενος καὶ πῶς;' [d] 'ἐγγύς' ἔφη 'φράσαι σοι βούλομαι προσελθών.' ὥς οὖν προσήχθη, 'μικρόν' ἔφη 'κατωτέρω τὴν χλαμύδα ποίησον, ἀσχημονεῖς γὰρ οὕτω καθήμενος.' καὶ ὁ Φίλιππος 'ἄφετε αὐτόν' εἶπεν, 'ἀληθῶς γὰρ εὖνους ὢν καὶ φίλος ἐλάνθανεν.'

Ἐπεὶ δὲ ὑπὸ τινος ξένου κληθεὶς ἐπὶ δεῖπνον ἐν ὁδῷ πολλοὺς ἐπήγετο καὶ τὸν ξένον ἐώρα θορυβούμενον (ἦν γὰρ οὐχ ἱκανὰ τὰ παρεσκευασμένα), προσπέμπων τῶν φίλων ἐκάστω, πλακοῦντι χώραν ἐκέλευεν ἀπολιπεῖν· οἱ δὲ πειθόμενοι καὶ προσδοκῶντες οὐκ ἦσθιον πολλά, καὶ πᾶσιν οὕτως ἤρκεσεν.

[e] Ἰππάρχου δὲ τοῦ Εὐβοέως ἀποθανόντος δῆλος ἦν βαρέως φέρων· εἰπόντος δὲ τινος 'ἀλλὰ μὴν ὠραῖος ὢν ἐκεῖνος ἀποτέθνηκεν', 'ἑαυτῷ γε' εἶπεν, 'ἐμοὶ δὲ ταχέως· ἔφθη γὰρ τελευτῆσαι πρὶν ἢ παρ' ἐμοῦ χάριν ἀξίαν τῆς φιλίας ἀπολαβεῖν.'

Πυθόμενος δ' ἐγκαλεῖν αὐτῷ τὸν Ἀλέξανδρον ὅτι παῖδας ἐκ πλειόνων ποιεῖται γυναικῶν, 'οὐκοῦν' ἔφη 'πολλοὺς ἔχων περὶ τῆς βασιλείας ἀνταγωνιστὰς γενοῦ καλὸς κάγαθός, ἵνα μὴ δι' ἐμὲ τῆς βασιλείας τύχῃς ἀλλὰ διὰ σεαυτόν.'

Ἐκέλευε δ' αὐτὸν Ἀριστοτέλει προσέχειν καὶ φιλοσοφεῖν, 'ὅπως' ἔφη 'μὴ πολλὰ τοιαῦτα πράξῃς, ἐφ' οἷς [f] ἐγὼ πεπραγμένοις μεταμέλομαι.'

Τῶν δ' Ἀντιπάτρου φίλων τινὰ κατατάξας εἰς τοὺς δικαστάς, εἶτα τὸν πύγωνα βαπτόμενον αἰσθόμενος καὶ τὴν κεφαλὴν, ἀνέστησεν εἰπὼν τὸν ἄπιστον ἐν θριξὶ μὴ νομίζειν ἀξιόπιστον ἐν πράγμασι.

Μαχαίτα δέ τινι κρίνων δίκην καὶ ὑπονυστάζων οὐ πάνυ προσεῖχε τοῖς δικαίοις ἀλλὰ κατέκρινεν· ἐκείνου δ' ἀναβοήσαντος ἐκκαλεῖσθαι τὴν κρίσιν διοργισθεὶς 'ἐπὶ [179] [a] τίνα;' εἶπε· καὶ ὁ Μαχαίτας 'ἐπὶ σέ, βασιλεῦ, αὐτόν, ἃν ἐγρηγορῶς καὶ προσέχων ἀκούης.' τότε μὲν οὖν ἀνέστη· γενόμενος δὲ μᾶλλον ἐφ' ἑαυτῷ καὶ γνοὺς ἀδικούμενον τὸν Μαχαίταν τὴν μὲν κρίσιν οὐκ ἔλυσε, τὸ δὲ τίμημα τῆς δίκης αὐτὸς ἐξέτισεν.

Ἐπεὶ δὲ Ἄρπαλος ὑπὲρ συγγενοῦς καὶ οἰκείου Κράτητος ἀδικημάτων δίκην ἔχοντος ἡξίου τὴν ζημίαν εἰσενεγκεῖν ἀφεθῆναι δὲ τῆς κρίσεως, ἵνα μὴ λοιδορηθῇ, 'βέλτιόν ἐστιν' εἶπε 'τοῦτον αὐτόν ἢ ἡμᾶς διὰ τοῦτον κακῶς ἀκούειν.'

Ἀγανακτούντων δὲ τῶν φίλων, ὅτι συρίπτουσιν αὐτόν ἐν Ὀλυμπίοις εὖ πεπονθότες οἱ Πελοποννήσιοι, 'τί οὖν' εἶπεν, 'ἐὰν κακῶς πάθωσι;'

[b] Κοιμηθεὶς δὲ πλείονα χρόνον ἐπὶ στρατείας, εἶτα διαναστάς 'ἀσφαλῶς' εἶπεν 'ἐκάθευδον· Ἀντίπατρος γὰρ ἐγρηγόρει.'

Πάλιν δὲ ἡμέρας καθεύδοντος αὐτοῦ καὶ τῶν ἡθορισμένων ἐπὶ θύραις Ἑλλήνων ἀγανακτούντων καὶ ἐγκαλοούντων, ὁ Παρμενίων 'μὴ θαυμάσητε' εἶπεν 'εἰ καθεύδει νῦν Φίλιππος· ὅτε γὰρ ἐκαθεύδεθ' ὑμεῖς, οὗτος ἐγρηγόρει.'

Ψάλτην δέ τινα βουλομένου παρὰ δεῖπνον ἐπανορθοῦν αὐτοῦ καὶ λαλεῖν περὶ κρουμάτων ὁ ψάλτης 'μὴ γένοιτό σοι' εἶπεν, 'ὦ βασιλεῦ, κακῶς οὕτως, ἵνα ταῦτ' ἐμοῦ βέλτιον εἰδῇς.'

Ἐπεὶ δὲ διενεχθέντος αὐτοῦ πρὸς Ὀλυμπιάδα [c] τὴν γυναῖκα καὶ τὸν υἱὸν ἦκε Δημάρατος ὁ Κορίνθιος, ἐπυνθάνετο, πῶς πρὸς ἀλλήλους ἔχουσιν <ὁμονοίας> οἱ Ἕλληνες· καὶ ὁ Δημάρατος 'πάνυ γοῦν' ἔφη 'σοὶ περὶ τῆς τῶν Ἑλλήνων ὁμονοίας ὁ λόγος ἐστίν, οὕτω πρὸς σέ τῶν οἰκειοτάτων ἐχόντων.' ὁ δὲ συμφρονήσας ἐπαύσατο τῆς ὀργῆς καὶ διηλλάγη πρὸς αὐτούς.

Πρεσβύτιδος δὲ πενιχρᾶς ἀξιούσης ἐπ' αὐτοῦ κριθῆναι καὶ πολλάκις ἐνοχλούσης ἔφη μὴ σχολάζειν. ἡ δὲ πρεσβῦτις ἐγκραγοῦσα 'καὶ μὴ βασίλευε' εἶπεν. ὁ δὲ θαυμάσας τὸ ῥηθὲν οὐ μόνον ἐκείνης ἀλλὰ καὶ τῶν ἄλλων εὐθὺς διήκουσεν.

ΑΛΕΞΑΝΔΡΟΣ

[d] Ἀλέξανδρος ἔτι παῖς ὢν, πολλὰ τοῦ Φιλίππου κατορθοῦντος, οὐκ ἔχαιρεν, ἀλλὰ πρὸς τοὺς συντρεφομένους ἔλεγε παῖδας ‘ἐμοὶ δὲ ὁ πατήρ οὐδὲν ἀπολείπει.’ τῶν δὲ παίδων λεγόντων ὅτι ‘ταῦτα σοὶ κτᾶται’, ‘τί δ’ ὄφελος’ εἶπεν ‘ἐὰν ἔχω μὲν πολλὰ πράξω δὲ μηδέν;’

Ἐλαφρὸς δ’ ὢν καὶ ποδῶκης [καὶ] παρακαλούμενος ὑπὸ τοῦ πατρὸς Ὀλυμπία<σιν> δραμεῖν στάδιον, ‘εἴγε’ ἔφη ‘βασιλεῖς ἔξειν ἔμελλον ἀνταγωνιστάς.’

Ἀχθείσης δὲ παιδίσκης πρὸς αὐτὸν ὡς συναναπαυσομένης περὶ ἐσπέραν βαθεῖαν ἠρώτησεν ‘ὅ τι τηνικαῦτα;’ [e] τῆς δὲ εἰπούσης ‘περίεμενον γὰρ τὸν ἄνδρα κατακλιν<ῆν>αι,’ πικρῶς ἐπετίμησε τοῖς παισὶν ὡς μικροῦ δι’ αὐτοὺς μοιχὸς γενόμενος.

Ἐπιθυμῶντι δὲ τοῖς θεοῖς ἀφειδῶς αὐτῷ καὶ πολλάκις ἐπιδραττομένῳ τοῦ λιβανωτοῦ παρὼν Λεωνίδης ὁ παιδαγωγός ‘οὕτως’ εἶπεν ‘ὦ παῖ, δαψιλῶς ἐπιθυμιάσεις, ὅταν τῆς λιβανωτοφόρου κρατήσης.’ ὡς οὖν ἐκράτησεν, ἔπεμψεν ἐπιστολὴν πρὸς αὐτὸν· ‘ἀπέσταλκά σοι τάλαντα λιβανωτοῦ καὶ κασίας, ἵνα μηκέτι μικρολογῇ πρὸς τοὺς θεοὺς, εἰδῶς ὅτι καὶ τῆς ἄρωματοφόρου κρατοῦμεν.’

Μέλλων δὲ τὴν ἐπὶ Γρανίκῳ μάχην μάχεσθαι παρεκάλει [f] τοὺς Μακεδόνας ἀφθόνως δειπνεῖν καὶ πάντα φέρειν εἰς μέσον, ὡς αὐρίου δειπνήσοντας τὰ τῶν πολεμίων.

Περίλλου δέ τις τῶν φίλων αἰτήσαντος προῖκα τοῖς θυγατέρισις ἐκέλευσε πεντήκοντα τάλαντα λαβεῖν· αὐτοῦ δὲ φήσαντος ἱκανὰ εἶναι δέκα, ‘σοί γε’ ἔφη ‘λαβεῖν, ἐμοὶ δ’ οὐχ ἱκανὰ δοῦναι.’

Ἀναξάρχῳ δὲ τῷ φιλοσόφῳ δοῦναι τὸν διοικητὴν ἐκέλευσεν ὅσον ἂν αἰτήσῃ· τοῦ δὲ διοικητοῦ φήσαντος ὡς ἑκατὸν αἰτεῖ τάλαντα, ‘καλῶς’ ἔφη ‘ποιεῖ γινώσκων [180] [a] ὅτι φίλον ἔχει καὶ δυνάμενον τηλικαῦτα δωρεῖσθαι καὶ βουλόμενον.’

Ἐν δὲ τῇ Μιλήτῳ πολλοὺς ἀνδριάντας ἀθλητῶν θεασάμενος Ὀλύμπια καὶ Πύθια νενικηκότων ‘καὶ ποῦ τὰ τηλικαῦτα’ ἔφη ‘ἦν σώματα, ὅτε οἱ βάρβαροι ὑμῶν τὴν πόλιν ἐπολιόρκουν;’

Τῆς δὲ τῶν Καρῶν βασιλίσσης Ἰσθίας ὅσα καὶ πέμματα παρεσκευασμένα περιττῶς διὰ δημιουργῶν καὶ μαγείρων φιλοτιμουμένης αἰεὶ πέμπειν πρὸς αὐτόν ἔφη κρείττονας ἔχειν αὐτὸς ὁποιοῦς, πρὸς μὲν ἄριστον τὴν νυκτοπορίαν πρὸς δὲ

δεῖπνον τὴν ὀλιγαριστίαν.

[b] Ἐπεὶ δὲ παρεσκευασμένων πάντων πρὸς μάχην ἡρώτησαν οἱ στρατηγοί, μή τι πρὸς τούτοις ἕτερον, οὐδέν, εἶπεν, ἢ ξῦραι τὰ γένεια τῶν Μακεδόνων· θαυμάσαντος δὲ τοῦ Παρμενίωνος ‘οὐκ οἶδας’ εἶπεν ‘ὅτι βελτίων οὐκ ἔστιν ἐν μάχῃ λαβὴ πώγωνος;’

Δαρείου δὲ διδόντος αὐτῷ μύρια τάλαντα καὶ τὸ τὴν Ἀσίαν νείμασθαι πρὸς αὐτὸν ἐπίσης, καὶ Παρμενίωνος εἰπόντος ‘ἐγὼ μὲν ἔλαβον ἂν εἰ Ἀλέξανδρος ἦμην’, ‘κἀγὼ νῆ Δία’ εἶπεν ‘εἰ Παρμενίων’. ἀπεκρίνατο δὲ Δαρείῳ μήτε τὴν γῆν ἡλίους δύο μήτε τὴν Ἀσίαν δύο βασιλεῖς ὑπομένειν.

[c] Μέλλοντι δ’ αὐτῷ περὶ τῶν ὅλων ἐν Ἀρβήλοις κινδυνεύειν πρὸς ἑκατὸν μυριάδας ἀντιτεταγμένας, προσήεσαν οἱ φίλοι τῶν στρατιωτῶν κατηγοροῦντες ὡς ἐν ταῖς σκηναῖς διαλαλούντων καὶ συντιθεμένων, ὅπως μηδὲν τῶν λαφύρων εἰς τὸ βασιλικὸν ἀνοίσουσιν, ἀλλ’ αὐτοὶ κερδανοῦσιν. ὁ δὲ μειδιάσας ‘ἀγαθὰ’ φησὶν ‘ἀγγέλλετε· νικᾶν γὰρ ἀνδρῶν οὐ φεύγειν παρεσκευασμένων ἀκούω διαλογισμούς.’ καὶ προσιόντες αὐτῷ πολλοὶ τῶν στρατιωτῶν ἔλεγον ‘ὦ βασιλεῦ, θάρρει καὶ μὴ φοβοῦ τὸ πλῆθος τῶν πολεμίων, αὐτὸν γὰρ ἡμῶν τὸν γράσον οὐχ ὑπομενοῦσι.’

Παρατασσομένου δὲ τοῦ στρατεύματος ἰδὼν τινα [d] τῶν στρατιωτῶν τὸ ἀκόντιον ἐναγκυλούμενον ἐξέωσε τῆς φάλαγγος ὡς ἄχρηστον, ὃς ‘παρασκευάζεται νῦν, ὅτε χρῆσθαι δεῖ τοῖς ὅπλοις.’

Ἐπιστολήν δὲ παρὰ τῆς μητρὸς ἀναγινώσκων αἰτίας ἀπορρήτους κατ’ Ἀντιπάτρου καὶ διαβολὰς ἔχουσιν, ἅμα τοῦ Ἡφαιστίωνος ὥσπερ εἰώθει συναναγινώσκοντος, οὐκ ἐκώλυσεν· ὡς δ’ ἀνέγνω, τὸν δακτύλιον ἀφελόμενος τὸν ἑαυτοῦ τῷ στόματι τῷ ἐκείνου τὴν σφραγίδα ἐπέθηκεν.

Ἐν δ’ Ἀμμωνος ὑπὸ τοῦ προφήτου παῖς Διὸς προσαγορευθεὶς ‘οὐδέν γε’ ἔφη ‘θαυμαστόν, πάντων μὲν γὰρ ὁ Ζεὺς φύσει πατήρ ἐστιν, ἑαυτοῦ δὲ ποιεῖται τοὺς ἀρίστους.’

[e] Τοξεύματι δὲ πληγεὶς εἰς τὸ σκέλος, ὡς πολλοὶ συνέδραμον τῶν πολλάκις αὐτὸν εἰωθότων θεὸν προσαγορεύειν, διαχυθεὶς τῷ προσώπῳ ‘τοῦτ’ ἐμὲν αἶμα’ εἶπεν ‘ὡς ὁρᾷτε καὶ οὐκ (E 340)

ἰχώρ, οἷός περ τε ῥέει μακάρεσσι θεοῖσιν.’

Ἐπαινούντων δ’ ἐνίων τοῦ Ἀντιπάτρου τὴν εὐτέλειαν ὡς

ἀθρύπτως διαιτωμένου καὶ αὐστηρῶς ἔξωθεν' εἶπεν Ἀντίπατρος λευκοπάρυφός ἐστι, τὰ δ' ἔνδον ὀλοπόρφυρος.'

Ἐν δὲ χειμῶνι καὶ ψύχει τῶν φίλων τινὸς ἐστιῶντος αὐτὸν ἐσχάραν δὲ μικρὰν καὶ πῦρ ὀλίγον εἰσενέγκαντος, ἥ ξύλα ἥ λιβανωτὸν εἰσενεγκεῖν ἐκέλευσεν.

Ἀντιπατρίδου δὲ καλὴν ψάλτριαν ἐπὶ τὸ δεῖπνον [f] ἀγαγόντος, κινήσεις τῇ ὄψει πρὸς αὐτὴν ὁ Ἀλέξανδρος ἠρώτησε τὸν Ἀντιπατρίδην, μή τι τυγχάνει τῆς γυναικὸς ἐρῶν· ἐκείνου δὲ ὁμολογήσαντος, ὧ μισαρέ' εἶπεν 'οὐκ ἀπάξεις εὐθύς ἐκ τοῦ συμποσίου τὴν γυναῖκα.'

Πάλιν δὲ Πύθωνα τὸν Εὐίου τοῦ αὐλητοῦ ἐρώμενον Κάσανδρος ἐβιάζετο φιλεῖν· τὸν οὖν Εὐίον ὀρῶν ἀχθόμενον ἀνεπήδησε μετ' ὀργῆς ἐπὶ τὸν Κάσανδρον, κεκραγώς 'ἀλλ' οὐδ' ἐρασθῆναί τινος ἔξεστι δι' ὑμᾶς.'

Ἀποστέλλοντος δ' αὐτοῦ τῶν Μακεδόνων τοὺς [181] [a] νοσώδεις καὶ ἀναπήρους ἐπὶ θάλασσαν ἐνεδείχθη τις εἰς τοὺς νοσοῦντας ἀπογεγραμμένος ἑαυτὸν οὐ νοσῶν. ἐπεὶ οὖν εἰς ὄψιν ἀχθεὶς καὶ ἀνακρινόμενος ὠμολόγησε προφασίζεσθαι δι' ἔρωτα Τελεσίππας ἀπιούσης ἐπὶ θάλασσαν, ἠρώτησεν ὁ Ἀλέξανδρος 'πρὸς τίνα δεῖ περὶ τῆς Τελεσίππας διαλέγεσθαι;' πυθόμενος δ' ἐλευθέραν οὔσαν 'οὐκοῦν' ἔφη ὧ Ἀντιγένη, πείθωμεν τὴν Τελεσίππαν, ἵνα μείνῃ μεθ' ἡμῶν· βιάζεσθαι γὰρ ἐλευθέραν οὔσαν οὐχ ἡμέτερον.'

Τῶν δὲ μισθοφορούντων Ἑλλήνων παρὰ τοῖς πολέμοις ὑποχειρίων γενομένων τοὺς μὲν Ἀθηναίους ἐκέλευσεν ἐν πέδαις φυλάττειν ὅτι τροφὴν ἔχοντες ἐκ δημοσίου [b] μισθοφοροῦσι καὶ τοὺς Θεσσαλοὺς ὅτι γῆν ἀρίστην κεκτημένοι οὐ γεωργοῦσι· τοὺς δὲ Θηβαίους ἀφῆκεν εἰπὼν ὅτι 'μόνοις τούτοις οὔτε πόλις οὔτε χώρα δι' ἡμᾶς ἀπολέλειπται.'

Τῶν δ' Ἰνδῶν τὸν ἄριστα τοξεύειν δοκοῦντα καὶ λεγόμενον διὰ δακτυλίου τὸν ὀιστὸν ἀφίενα λαβὼν αἰχμάλωτον ἐκέλευσεν ἐπιδεῖξασθαι, καὶ μὴ βουλόμενον ὀργισθεὶς ἀνελεῖν προσέταξε· ἐπεὶ δ' ἀγόμενος ὁ ἄνθρωπος ἔλεγε πρὸς τοὺς ἄγοντας ὅτι πολλῶν ἡμερῶν οὐ μεμελέτηκε καὶ ἐφοβήθη διαπεσεῖν, ἀκούσας ὁ Ἀλέξανδρος ἐθαύμασε καὶ ἀπέλυσε μετὰ δώρων αὐτόν, ὅτι μᾶλλον ἀποθανεῖν ὑπέμεινεν ἢ τῆς δόξης ἀνάξιος φανῆναι.

[c] Ἐπεὶ δὲ Ταξίλης, εἷς τῶν Ἰνδῶν βασιλεὺς ὢν, ἀπαντήσας πρὸς αὐτὸν μὴ μάχεσθαι μηδὲ πολεμεῖν Ἀλέξανδρον, ἀλλ' εἰ μὲν

ἐστὶν ἡττων, εὖ πάσχειν, εἰ δὲ βελτίων, εὖ ποιεῖν, ἀπεκρίνατο περὶ αὐτοῦ τούτου μαχητέον εἶναι, πότερος εὖ ποιῶν περιγένηται.

Περὶ δὲ τῆς λεγομένης Ἀόρνου πέτρας ἐν Ἰνδοῖς ἀκούσας, ὅτι τὸ μὲν χωρίον δυσάλωτόν ἐστιν ὁ δὲ ἔχων αὐτὸ δειλός ἐστι, ‘νῦν’ ἔφη ‘τὸ χωρίον εὐάλωτόν ἐστιν.’

Ἐπεὶ δ’ ἄλλος ἔχων πέτραν ἄληπτον δοκοῦσαν εἶναι ἐνεχείρισεν ἑαυτὸν μετὰ τῆς πέτρας τῷ Ἀλεξάνδρῳ, ἀφῆκε τῆς ἰδίας χώρας ἄρχειν καὶ προσέθηκε χώραν, εἰπὼν ὅτι ‘φρονεῖν μοι δοκεῖ ὁ ἄνθρωπος, ἀνδρὶ μᾶλλον [d] ἀγαθῷ πιστεύσας ἑαυτὸν ἢ ὀχυρῷ τόπῳ.’

Μετὰ δὲ τὴν τῆς πέτρας ἄλωσιν τῶν φίλων λεγόντων ὑπερβεβληκέναι τὸν Ἡρακλέα ταῖς πράξεσιν, ‘ἀλλ’ ἐγώ’ εἶπε ‘τὰς ἐμὰς πράξεις μετὰ τῆς ἡγεμονίας ἐνδὸς οὐ νομίζω ῥήματος ἀνταξίας εἶναι τοῦ Ἡρακλέους.’

Τῶν δὲ φίλων τινὰς αἰσθόμενος ἐν τῷ κυβεύειν οὐ παίζοντας ἐζημίωσε.

Τῶν δὲ πρώτων φίλων καὶ κρατίστων τιμᾶν μὲν ἐδόκει Κρατερόν μάλιστα πάντων, φιλεῖν δὲ Ἡφαιστίωνα. ‘Κρατερός μὲν γάρ’ ἔφη ‘φιλοβασιλεύς ἐστιν, Ἡφαιστίων δὲ φιλαλέξανδρος.’

Ξενοκράτει δὲ τῷ φιλοσόφῳ πεντήκοντα τάλαντα [e] πέμψας, ὥς οὐκ ἐδέξατο μὴ δεῖσθαι φήσας, ἠρώτησεν, εἰ μὴδὲ φίλον ἔχει Ξενοκράτης. ‘ἐμοὶ μὲν γάρ’ ἔφη ‘μόλις ὁ Δαρείου πλοῦτος εἰς τοὺς φίλους ἤρκεσεν.’

Ἐπεὶ δὲ Πῶρος ἐρωτηθεὶς ὑπ’ αὐτοῦ μετὰ τὴν μάχην ‘πῶς σοι χρήσωμαι;’ ‘βασιλικῶς’ εἶπε, καὶ προσερωτηθεὶς ‘μή τι ἄλλο;’ ‘πάντα’ εἶπεν ‘ἐν τῷ βασιλικῶς ἔνεστι,’ θαυμάσας καὶ τὴν σύνεσιν αὐτοῦ καὶ τὴν ἀνδραγαθίαν πλείονα χώραν ἥς πρῶην εἶχε προσέθηκε.

Πυθόμενος δὲ ὑπὸ τινος λοιδορεῖσθαι ‘βασιλικόν’ ἔφη ‘ἐστὶν εὖ ποιοῦντα κακῶς ἀκούειν.’

Αποθνήσκων δὲ πρὸς τοὺς ἐταίρους ἀπιδὼν ἔφη ‘μέγαν ὀρῶ μοι τὸν ἐπιτάφιον ἐσόμενον.’

[f] Τελευτήσαντος δ’ αὐτοῦ Δημάδης ὁ ῥήτωρ ‘ὅμοιον’ ἔφη ‘διὰ τὴν ἀναρχίαν ὀρᾶσθαι τὸ στρατόπεδον τῶν Μακεδόνων ἐκτετυφλωμένῳ τῷ Κύκλωπι.’

ΠΤΟΛΕΜΑΙΟΣ Ο ΛΑΓΟΥ

Πτολεμαῖος ὁ Λάγου τὰ πολλὰ παρὰ τοῖς φίλοις ἐδείπνει καὶ

ἐκάθευδεν· εἰ δέ ποτε δειπνίζοι, τοῖς ἐκείνων ἐχρῆτο μεταπεμπόμενος ἐκπώματα καὶ στρώματα καὶ τραπέζας· αὐτὸς δ' οὐκ ἐκέκτετο πλείω τῶν ἀναγκαίων, ἀλλὰ τοῦ πλουτεῖν ἔλεγε τὸ πλουτίζειν εἶναι βασιλικώτερον.

ΑΝΤΙΓΟΝΟΣ

[182] [a] Ἀντίγονος εἰσέπραττε χρήματα συντόνως· εἰπόντος δέ τινος ‘ἄλλ’ οὐκ Ἀλέξανδρος ἦν τοιοῦτος’ ‘εἰκότως’ εἶπεν, ‘ἐκεῖνος μὲν γὰρ ἐθέριζε τὴν Ἀσίαν, ἐγὼ δὲ καλαμῶμαι.’

Τῶν δὲ στρατιωτῶν ἰδὼν τινὰς ἐν τοῖς θύραξι καὶ τοῖς κράνεσι σφαιρίζοντας ἦσθη καὶ τοὺς ἡγεμόνας αὐτῶν μετεπέμπετο ἐπαινέσαι βουλόμενος· ὡς δ' ἤκουσεν ὅτι πίνουσιν, τὰς ἐκείνων ἡγεμονίας τοῖς στρατιώταις ἔδωκε.

Θαυμαζόντων δὲ πάντων ὅτι γέρων γενόμενος ἡπίως ἐχρῆτο καὶ πρῶως τοῖς πράγμασι, ‘πρότερον μὲν γάρ’ εἶπε ‘δυνάμεως ἐδεόμην, νῦν δὲ δόξης καὶ εὐνοίας.’

[b] Πρὸς δὲ τὸν υἱὸν Φίλιππον πυθόμενον πλειόνων παρόντων ‘πότε μέλλομεν ἀναzeugνύναι;’ ‘τί δέδοικας;’ εἶπε ‘μὴ μόνος τῆς σάλπιγγος οὐκ ἀκούσης;’

Σπουδάσαντος δὲ τοῦ νεανίσκου λαβεῖν κατάλυσιν παρὰ γυναικὶ χήρᾳ τρεῖς ἐχούσῃ θυγατέρας εὐπρεπεῖς, καλέσας τὸν ἐπὶ τῶν ξενίων εἶπεν ‘οὐκ ἐξάξεις μου τὸν υἱὸν ἐκ τῆς στενοχωρίας;’

Νοσήσας δὲ μακρὰν νόσον ὡς ἀνέσφηλεν, ‘οὐδέν’ ἔφη ‘χεῖρον· ὑπέμνησε γὰρ ἡμᾶς ἡ νόσος μὴ μέγα φρονεῖν ὡς ὄντας θνητούς.’

Ἑρμοδότου δ' αὐτὸν ἐν τοῖς ποιήμασιν (Bergk III 637) Ἥλιου παῖδα γράψαντος ‘οὐ ταῦτά μοι’ ἔφη ‘σύνοιδεν [c] ὁ λασανοφόρος.’

Εἰπόντος δέ τινος ὅτι ‘πάντα καλὰ καὶ δίκαια’

τοῖς βασιλεῦσι, ‘ναὶ μὰ Δία, τοῖς τῶν βαρβάρων’ εἶπεν ‘ἡμῖν δὲ μόνᾳ καλὰ τὰ καλὰ καὶ δίκαια μόνᾳ τὰ δίκαια.’

Μαρσίου τοῦ ἀδελφοῦ δίκην ἔχοντος, ἀξιοῦντος δὲ τὴν κρίσιν αὐτῷ γενέσθαι κατ' οἰκίαν, ‘ἔσται μὲν οὖν’ εἶπεν ‘ἐν τῇ ἀγορᾷ καὶ πάντων ἀκουόντων, εἰ μηδὲν ἀδικοῦμεν.’

Ἐπεὶ δὲ ποτε χειμῶνος ἐν τόποις σπανίζουσι τῶν ἐπιτηδείων ἠναγκάσθη καταξεῦξαι καὶ τῶν στρατιωτῶν τινες ἐλοιδόρουν αὐτὸν ἀγνοοῦντες ὅτι πλησίον ἐστίν, τῇ [d] βακτηρίᾳ τὴν σκηνὴν διαστείλας ‘οἰμώξετε’ εἶπεν ‘εἰ μὴ μακρότερον ἀποστάντες λοιδορήσετε ἡμᾶς.’

Ἀριστοδήμου δὲ τῶν φίλων τινὸς ἐκ μαγείρου γεγονέναι δοκοῦντος, συμβουλευόντος δ' αὐτῷ τῶν ἀναλωμάτων καὶ τῶν δωρεῶν ἀφαιρεῖν, 'οἱ λόγοι σου' εἶπεν 'ὦ Ἀριστόδημε, περιζώματος ὄζουσιν.'

Ἀθηναίων δὲ δοῦλον αὐτοῦ τιμώμενον εἰς τὴν πολιτείαν ὡς ἐλεύθερον ἐγγραφάντων, 'οὐκ ἂν' εἶπεν 'ἓνα μόνον βουλοίμην Ἀθηναῖον ὑπ' ἐμοῦ μεμαστιγῶσθαι.'

Νεανίσκου δέ τινος τῶν Ἀναξιμένους τοῦ ῥήτορος μαθητῶν λόγον ἐσκεμμένον ἐκ παρασκευῆς εἰπόντος ἐπ' [e] αὐτοῦ, βουλόμενός τι προσμαθεῖν ἠρώτησεν· ἀποσιωπήσαντος δὲ τοῦ νεανίσκου 'τί λέγεις;' εἶπεν 'ἦ

'ταῦτ' ἐστὶ τὰν δέλτοις ἐγγεγραμμένα;' (Eur. Iph. Taur. 787).

Ἐτέρου δὲ ῥήτορος ἀκούων λέγοντος ὅτι χιονοβόλος ἡ ὥρα γενομένη λιποβοτανεῖν ἐποίησε τὴν χώραν, 'οὐ παύσει μοι' εἶπεν 'ὡς ὅχλῳ χρώμενος;'

Θρασύλλου δὲ τοῦ κυνικοῦ δραχμὴν αἰτήσαντος αὐτόν, 'ἀλλ' οὐ βασιλικόν' ἔφη 'τὸ δόμα·' τοῦ δὲ εἰπόντος 'οὐκοῦν τάλαντον δός μοι', 'ἀλλ' οὐ κυνικόν' ἔφη 'τὸ λῆμμα.'

Πέμπων δὲ Δημήτριον τὸν υἱὸν μετὰ νεῶν πολλῶν καὶ δυνάμεων ἐλευθερώσοντα τοὺς Ἑλληνας ἔλεγε [f] τὴν δόξαν ὥσπερ ἀπὸ σκοπῆς τῆς Ἑλλάδος εἰς τὴν οἰκουμένην πυρσεύεσθαι.

Ἀνταγόρου δὲ τοῦ ποιητοῦ γόγγρον ἔφοντος καὶ αὐτοῦ τὴν λοπάδα σείοντος ἐπιστὰς ἐξόπισθεν 'οἶε' φησί 'τὸν Ὅμηρον, ὦ Ἀνταγόρα, γόγγρον ἔψειν τὰς τοῦ Ἀγαμέμνονος γράφοντα πράξεις;' καὶ ὁ Ἀνταγόρας 'σὺ δέ' εἶπεν, 'ὦ βασιλεῦ, τὸν Ἀγαμέμνονα νομίζεις πράττοντα τὰς πράξεις ἐκείνας πολυπραγμονεῖν, εἴ τις ἐν τῷ στρατοπέδῳ γόγγρον ἔψει;'

[183] [a] Ἐπεὶ δ' ὄναρ ἰδὼν χρυσοῦν θέρος ἐξαμῶντα Μιθριδάτην ἐβουλεύσατο κτεῖναι καὶ Δημητρίῳ τῷ υἱῷ φράσας ὥρκωσε σιωπῆσαι, [ὁ δὲ] παραλαβὼν τὸν Μιθριδάτην ὁ Δημήτριος καὶ συμπεριπατῶν παρὰ θάλασσαν ἐν τῷ αἰγιαλῷ κατέγραψε τῷ σαυρωτῇρι τοῦ δόρατος 'φεῦγε, Μιθριδᾶτα.' ἐκεῖνος δὲ νοήσας ἔφυγεν εἰς Πόντον κάκεῖ βασιλεύων διετέλεσε.

ΔΗΜΗΤΡΙΟΣ

Ῥοδίους δὲ πολιορκῶν ὁ Δημήτριος ἔλαβεν ἐν τινι προαστείῳ πίνακα Πρωτογένους τοῦ ζωγράφου τὸν [b] Ἰάλυσον γράφοντος· ἐπικηρυκευσαμένων δὲ τῶν Ῥοδίων καὶ φείσασθαι τοῦ πίνακος

παρακαλούντων, ἔφη μᾶλλον τὰς τοῦ πατρὸς εἰκόνας ἢ τὴν γραφὴν ἐκείνην διαφθερεῖν.

Σπείσάμενος δὲ τοῖς Ῥοδίοις τὴν ἐλέπολιν ἀπέλιπε παρ' αὐτοῖς, ὑπόδειγμα τῆς αὐτοῦ «μέν» μεγαλουργίας ἐκείνων δ' ἀνδρείας ἐσομένην.

Ἀποστάντων δὲ τῶν Ἀθηναίων ἐλὼν τὴν πόλιν ἤδη κακῶς ὑπὸ σιτοδείας ἔχουσαν, εὐθὺς ἐκκλησίας αὐτῷ συναχθείσης ἐπέδωκε δωρεὰν σῖτον αὐτοῖς· δημηγορῶν δὲ περὶ τούτων ἐβαρβάρισε· τῶν δὲ καθημένων τινὸς ὡς ἔδει τὸ ῥῆμα λεχθῆναι παραφωνήσαντος, «οὐκοῦν» ἔφη «καὶ τῆς ἐπανορθώσεως ταύτης ἄλλους ὑμῖν [c] πεντακισχιλίους ἐπιδίδωμι μεδίμνους.»

ΑΝΤΙΓΟΝΟΣ Ο ΔΕΥΤΕΡΟΣ

Ἀντίγονος ὁ δεύτερος, Δημητρίου τοῦ πατρὸς ἀλόντος καὶ πέμψαντός τινα τῶν φίλων κελεύοντα μὴ προσέχειν, ἄν τι γράφη βιασθεὶς ὑπὸ Σελεύκου, μηδὲ παραχωρεῖν τῶν πόλεων, αὐτὸς ἔγραψε πρὸς Σέλευκον ἐξιστάμενος αὐτῷ τῆς ἀρχῆς ἀπάσης καὶ παραδιδούς Ὀμηρον ἑαυτὸν ἐπὶ τῷ τὸν πατέρα Δημήτριον ἀπολυθῆναι.

Μέλλων δὲ ναυμαχεῖν πρὸς τοὺς Πτολεμαίου στρατηγούς, εἰπόντος τοῦ κυβερνήτου πολὺ πλείονας εἶναι τὰς τῶν πολεμίων ναῦς, «ἐμὲ δέ» ἔφη «αὐτὸν παρόντα πρὸς [d] πόσας ἀντιτάττεις;»

Ὑποχωρῶν δὲ ποτε τοῖς πολεμίοις ἐπερχομένοις οὐκ ἔφη φεύγειν, ἀλλὰ διώκειν τὸ συμφέρον ὀπίσω κείμενον. Ἐπεὶ δὲ νεανίσκος ἀνδρείου πατρός, αὐτὸς δὲ μὴ πάνυ δοκῶν ἀγαθὸς εἶναι στρατιώτης ἡξίου τὰς τοῦ πατρὸς λαμβάνειν ἀποφοράς, «ἀλλ' ἐγώ» εἶπεν «ὦ μειράκιον, ἀνδραγαθίας οὐ πατραγαθίας μισθοὺς καὶ δωρεὰς δίδωμι.»

Ζήνωνος δὲ τοῦ Κιτιέως ἀποθανόντος, ὃν μάλιστα τῶν φιλοσόφων ἐθαύμασεν, ἔλεγε τὸ θέατρον αὐτοῦ τῶν πράξεων ἀνηρῆσθαι.

ΛΥΣΙΜΑΧΟΣ

Λυσίμαχος ἐν Θράκῃ κρατηθεὶς ὑπὸ Δρομιχαίτου [e] καὶ διὰ δίψαν ἑαυτὸν καὶ τὸ στράτευμα παραδοὺς ὡς ἔπιεν αἰχμάλωτος γενόμενος, «ὦ θεοί» εἶπεν «ὡς μικρᾶς ἡδονῆς ἔνεκα δοῦλον ἑμαυτὸν ἐκ βασιλέως πεποίηκα.»

Πρὸς δὲ Φιλιππίδην τὸν κωμωδοποιὸν φίλον ὄντα καὶ συνήθη «τίνος σοι» εἶπε «τῶν ἐμῶν μεταδῶ;» κάκεῖνος «οὗ βούλει πλὴν τῶν

ἀπορρήτων.’

ΑΝΤΙΠΑΤΡΟΣ

Ἀντίπατρος ἀκούσας τὴν Παρμενίωνος ὑπ’ Ἀλεξάνδρου τελευτὴν ‘εἰ μὲν ἐπεβούλευσεν’ εἶπε ‘Παρμενίων Ἀλεξάνδρῳ, τίνι πιστευτέον; εἰ δὲ μή, τί πρακτέον;’

Δημάδου δὲ τοῦ ῥήτορος ἤδη πρεσβύτου γεγονότος [f] ἔφη καθάπερ ἱερείου διαπτεπραγμένου καταλείπεσθαι μόνην τὴν γαστέρα καὶ τὴν γλῶτταν.

ΑΝΤΙΟΧΟΣ Ο ΤΡΙΤΟΣ

Ἀντίοχος ὁ τρίτος ἔγραψε ταῖς πόλεσιν, ἅν τι γράψῃ παρὰ τοὺς νόμους κελεύων γενέσθαι, μὴ προσέχειν ὥς ἡγνοηκότι.

Τὴν δὲ τῆς Ἀρτέμιδος ἱέρεϊαν ἰδὼν ὑπερβολῇ καλὴν φανεῖσαν εὐθὺς ἀνέζευξεν ἐξ Ἐφέσου, φοβούμενος μὴ παρὰ γνώμην ἐκβιασθῇ πρᾶξαι τι τῶν οὐχ ὀσίων.

ΑΝΤΙΟΧΟΣ Ο ΙΕΡΑΞ

[184] [a] Ἀντίοχος ὁ ἐπικληθεὶς Ἰέραξ ἐπολέμει περὶ τῆς βασιλείας πρὸς τὸν ἀδελφὸν Σέλευκον· ἐπεὶ δὲ ὁ Σέλευκος ἡττηθεὶς ὑπὸ Γαλατῶν οὐδαμοῦ φανερός ἦν ἄλλ’ ἐδόκει κατακεκόφθαι, θεὶς τὴν πορφύραν ὁ Ἀντίοχος φαιδρὸν ἱμάτιον ἀντέλαβε. μετ’ ὀλίγον δὲ πυθόμενος τὸν ἀδελφὸν σῶζεσθαι, εὐαγγέλια τοῖς θεοῖς ἔθυσσε καὶ τὰς πόλεις τὰς ὑφ’ ἑαυτῷ στεφανηφορεῖν ἐποίησεν.

ΕΥΜΕΝΗΣ

Εὐμένης ἐπιβουλευθεὶς ὑπὸ Περσέως ἔδοξε τεθνάναι· τῆς δὲ φήμης εἰς Πέργαμον κοιμισθείσης Ἄτταλος ὁ [b] ἀδελφὸς αὐτοῦ περιθέμενος τὸ διάδημα καὶ τὴν γυναῖκα γήμας ἐβασίλευσε· πυθόμενος δὲ προσιόντα ζῶντα τὸν ἀδελφὸν ἀπήντησεν ὥσπερ εἰώθει μετὰ τῶν σωματοφυλάκων δοράτιον ἔχων· ὁ δ’ Εὐμένης φιλοφρόνως ἀσπασάμενος αὐτὸν καὶ πρὸς τὸ οὖς εἰπὼν (N² p. 275 Soph. 601)

‘μὴ σπεῦδε γῆμαι πρὶν τελευτήσαντ’ ἰδῆς’

οὐδὲν ἄλλο παρὰ πάντα τὸν βίον οὗτ’ εἶπεν ὕποπτον οὗτ’ ἐποίησεν, ἀλλὰ καὶ τελευτῶν ἐκείνῳ τὴν γυναῖκα καὶ τὴν βασιλείαν ἀπέλιπεν. ἀνθ’ ὧν ἐκεῖνος οὐδὲν ἐξ ἑαυτοῦ τέκνον ἔθρεψε, πολλῶν γενομένων, ἀλλὰ τῷ Εὐμένους υἱῷ τὴν βασιλείαν ἔτι ζῶν ἐνηλίκῳ γενομένῳ παρέδωκε.

[c]

ΠΥΡΡΟΣ

Πύρρον οἱ υἱοὶ παῖδες ὄντες ἡρώτων, τίνι καταλείψει τὴν βασιλείαν· καὶ ὁ Πύρρος εἶπεν ‘ὅς ἂν ὑμῶν ὀξυτέραν ἔχη τὴν μάχαιραν.’

Ἐρωτηθεὶς δὲ πότερον Πύθων ἢ Καφισίας αὐλητῆς ἀμείνων ‘Πολυπέρχων’ ἔφη ‘στρατηγός.’

Ἐπεὶ δὲ συμβαλὼν Ῥωμαίοις δις ἐνίκησε πολλοὺς τῶν φίλων καὶ τῶν ἡγεμόνων ἀπολέσας, ‘ἂν ἔτι μίαν’ ἔφη ‘μάχην Ῥωμαίους νικήσωμεν, ἀπολώλαμεν.’

Ἐπεὶ δὲ Σικελίας ἀποτυχὼν ἐξέπλει, μεταστραφεὶς ὀπίσω πρὸς τοὺς φίλους ‘οἶαν’ ἔφη ‘Ῥωμαίοις καὶ Καρχηδονίοις ἀπολείπομεν παλαίστραν.’

Τῶν δὲ στρατιωτῶν Ἀετὸν αὐτὸν προσαγορευόντων [d] ‘τί γάρ’ εἶπεν ‘οὐ μέλλω, τοῖς ὑμετέροις ὅπλοις ὥσπερ ὠκυπτέροις αἰρόμενος;’

Ακούσας δὲ ὅτι νεανίσκοι πολλὰ βλάβημα περὶ αὐτοῦ πίνοντες εἰρήκασιν, ἐκέλευσεν ἀχθῆναι μεθ’ ἡμέραν πρὸς αὐτὸν ἅπαντας· ἀχθέντων δὲ τὸν πρῶτον ἡρώτησεν, εἰ ταῦτ’ εἰρήκασιν περὶ αὐτοῦ· καὶ ὁ νεανίσκος ‘ταῦτα’ εἶπεν ‘ὦ βασιλεῦ· πλείονα δ’ ἂν τούτων εἰρήκειμεν, εἰ πλείονα οἶνον εἴχομεν.’

ΑΝΤΙΟΧΟΣ

Ἀντίοχος ὁ στρατεύσας δεύτερον ἐπὶ Πάρθους ἔν τινι κυνηγεσίῳ καὶ διωγμῷ τῶν φίλων καὶ θεραπόντων ἀποπλανηθεὶς εἰς ἔπαυλιν πενήτων ἀνθρώπων ἀγνοούμενος εἰσῆλθε καὶ παρὰ τὸ δεῖπνον ἐμβαλὼν λόγον περὶ τοῦ [e] βασιλέως ἤκουσεν, ὅτι τᾶλλα χρηστός ἐστιν, φίλοις δὲ μοχθηροῖς ἐπιτρέπων τὰ πλεῖστα παρορᾷ καὶ πολλάκις ἀμελεῖ τῶν ἀναγκαίων διὰ τὸ λίαν φιλόθηρος εἶναι. τότε μὲν οὖν ἐσιώπησεν· ἅμα δὲ ἡμέρα τῶν δορυφόρων παραγενομένων ἐπὶ τὴν ἔπαυλιν φανερὸς γενόμενος, προσφερομένης τῆς πορφύρας αὐτῷ καὶ τοῦ διαδήματος, ‘ἀλλ’ ἀφ’ ἧς ἡμέρας’ εἶπεν ‘ὑμᾶς ἀνείληφα, πρῶτον ἐχθρὸς ἀληθινῶν λόγων ἤκουσα περὶ ἑμαυτοῦ.’

Τῶν δ’ Ἰουδαίων, πολιορκοῦντος αὐτοῦ τὰ Ἱεροσόλυμα, πρὸς τὴν μεγίστην ἐορτὴν αἰτησαμένων ἑπτὰ ἡμερῶν ἀνοχὰς οὐ μόνον ἔδωκε ταύτας, ἀλλὰ καὶ ταύρους χρυσόκερως παρασκευασάμενος καὶ θυμιαμάτων καὶ ἄρωμάτων [f] πληθὺς ἄχρι τῶν πυλῶν ἐπόμπευσε· καὶ παραδοὺς τοῖς ἐκείνων ἱερεῦσι τὴν θυσίαν αὐτὸς

ἐπανῆλθεν εἰς τὸ στρατόπεδον. οἱ δ' Ἰουδαῖοι θαυμάσαντες εὐθὺς ἑαυτοὺς μετὰ τὴν ἑορτὴν ἐνεχείρισαν.

ΘΕΜΙΣΤΟΚΛΗΣ

Θεμιστοκλῆς ἔτι μειράκιον ὢν ἐν πότοις ἐκυλινδεῖτο καὶ γυναιξίν· ἐπεὶ δὲ Μιλτιάδης στρατηγῶν ἐνίκησεν ἐν Μαραθῶνι τοὺς βαρβάρους, οὐκέτι ἦν ἐντυχεῖν ^[185] [a] ἀτακτοῦντι Θεμιστοκλεῖ· πρὸς δὲ τοὺς θαυμάζοντας τὴν μεταβολὴν ἔλεγεν ὡς ‘οὐκ ἔῃ με καθεύδειν οὐδὲ ῥαθυμεῖν τὸ Μιλτιάδου τρόπαιον.’

Ἐρωτηθεὶς δὲ πότερον Ἀχιλλεὺς ἐβούλετ' ἂν ἢ Ὅμηρος εἶναι, ‘σὺ δ' αὐτός,’ ἔφη ‘πότερον <ἂν> ἤθελες ὁ νικῶν Ὀλυμπίασιν ἢ ὁ κηρύσσων τοὺς νικῶντας εἶναι;’

Ξέρξου δὲ καταβαίνοντος ἐπὶ τὴν Ἑλλάδα τῷ μεγάλῳ στόλῳ, φοβηθεὶς Ἐπικύδην τὸν δημαγωγὸν αἰσχροκερδῆ καὶ δειλὸν ὄντα, μὴ στρατηγὸς γενόμενος ἀπολέσῃ τὴν πόλιν, ἔπεισεν ἀργυρίῳ τῆς στρατηγίας ἀποσπῆναι.

Εὐρυβιάδου δὲ ναυμαχεῖν μὴ τολμῶντος, εἰπόντος δ' Ἀδεϊμάντου· πρὸς τὸν Θεμιστοκλέα τοὺς Ἑλληνας παρακαλοῦντα [b] καὶ προτρέποντα ‘ὦ Θεμιστόκλεις, τοὺς ἐν τοῖς ἀγῶσι προεξανισταμένους μαστιγοῦσιν [αἰεί], ‘ναί’ εἶπεν ‘ὦ Ἀδεϊμαντε, τοὺς δὲ λειπομένους οὐ στεφανοῦσιν.’

Ἐπαραμένοντος δὲ τοῦ Εὐρυβιάδου τὴν βακτηρίαν ὡς πατάξοντος ‘πάταξον μὲν οὖν’ εἶπεν ‘ἄκουσον δέ.’

Μὴ πείθων δὲ τὸν Εὐρυβιάδην ἐν τοῖς στενοῖς ναυμαχῆσαι κρύφα πρὸς τὸν βάρβαρον ἔπεμψε παραινῶν μὴ διεῖναι τοὺς Ἑλληνας ἀποδιδράσκοντας· ἐπεὶ δὲ πεισθεὶς ἐκεῖνος ἠττήθη ναυμαχήσας ὅπου συνέφερε τοῖς Ἑλλήσι, πάλιν ἔπεμψε πρὸς αὐτὸν κελεύων φεύγειν ἐπὶ τὸν Ἑλλήσποντον τὴν ταχίστην ὡς τῶν Ἑλλήνων διανοουμένων [c] λύειν τὴν γέφυραν, ἵνα σώζων τοὺς Ἑλληνας ἐκεῖνον δοκῇ σώζειν.

Τοῦ δὲ Σεριφίου πρὸς αὐτὸν εἰπόντος, ὡς οὐ δι' αὐτὸν ἀλλὰ διὰ τὴν πόλιν ἔνδοξός ἐστιν, ‘ἀληθῆ λέγεις’ εἶπεν ‘ἀλλ' οὐτ' ἂν ἐγὼ Σερίφιος ὢν ἐγενόμην ἔνδοξος οὔτε σὺ Ἀθηναῖος.’

Ἀντιφάτου δὲ τοῦ καλοῦ πρότερον μὲν ἐρῶντα τὸν Θεμιστοκλέα φεύγοντος καὶ καταφρονοῦντος, ἐπεὶ δὲ δόξαν ἔσχε μεγάλην καὶ δύναμιν, προσερχομένου καὶ κολακεύοντος, ‘ὦ μειράκιον’ εἶπεν ‘ὅφρ' ἐμὲν ἀμφοτέροι ἀλλ' ἅμα νοῦν ἐσχήκαμεν.’

Πρὸς δὲ Σιμωνίδην ἐξαιτούμενόν τινα κρίσιν οὐ δικαίαν ἔφη

μήτ' ἂν ἐκεῖνον γενέσθαι ποιητὴν ἀγαθὸν [d] ἄδοντα παρὰ μέλος, μήτ' αὐτὸν ἄρχοντα χρηστὸν δικάζοντα παρὰ τὸν νόμον.

Τὸν δὲ υἱὸν ἐντρυφῶντα τῇ μητρὶ πλεῖστον Ἑλλήνων ἔλεγε δύνασθαι· τῶν γὰρ Ἑλλήνων ἄρχειν Ἀθηναίους, Ἀθηναίων δ' ἑαυτόν, ἑαυτοῦ δὲ τὴν ἐκείνου μητέρα, τῆς δὲ μητρὸς ἐκεῖνον. Τῶν δὲ τὴν θυγατέρα μνωμένων αὐτοῦ τὸν ἐπεικῇ τοῦ πλουσίου προτιμήσας ἄνδρα ἔφη ζητεῖν χρημάτων δεόμενον μᾶλλον ἢ χρήματα ἀνδρός.

Χωρίον δὲ πωλῶν ἐκέλευε κηρύττειν ὅτι καὶ γείτονα χρηστὸν ἔχει.

Τῶν δ' Ἀθηναίων αὐτὸν προπηλακίζόντων 'τί κοπιᾶτε' [e] εἶπεν 'ὑπὸ τῶν αὐτῶν πολλάκις εὐχρηστούμενοι;' καὶ ταῖς πλατάνοις ἀπείκαζεν αὐτόν, αἷς ὑποτρέχουσι χειμαζόμενοι, γενομένης δ' εὐδίας τίλλουσι παρερχόμενοι καὶ κολούουσι.

Τοὺς δ' Ἑρετριεῖς ἐπισκώπτων ἔλεγεν ὥσπερ τευθίδας μάχαιραν μὲν ἔχειν καρδίαν δὲ μὴ ἔχειν.

Ἐπεὶ δ' ἐξέπεσε τῶν Ἀθηνῶν τὸ πρῶτον εἶτα καὶ τῆς Ἑλλάδος, ἀναβὰς πρὸς βασιλέα καὶ κελευόμενος λέγειν, ἔφη τὸν λόγον εὐοικέναι τοῖς ποικίλοις στρώμασιν· ὥς γὰρ ἐκεῖνα, καὶ τοῦτον ἐκτεινόμενον μὲν ἐπιδεικνύναι τὰ εἶδη συστελλόμενον δὲ κρύπτειν καὶ διαφθεῖρειν.

Ἡτήσατο δὲ καὶ χρόνον, ὅπως τὴν Περσικὴν διάλεκτον [f] καταμαθὼν δι' ἑαυτοῦ καὶ μὴ δι' ἑτέρου ποιήσαιτο τὴν πρὸς αὐτὸν ἔντευξιν.

Πολλῶν δὲ δωρεῶν ἀξιωθείς καὶ ταχὺ πλούσιος γενόμενος πρὸς τοὺς παῖδας εἶπεν 'ὦ παῖδες, ἀπωλόμεθ' ἂν, εἰ μὴ ἀπωλώλουμεν.'

ΜΥΡΩΝΙΔΗΣ

Μυρωνίδης παρήγγειλεν ἔξοδον Ἀθηναίοις ἐπὶ Βοιωτοὺς στρατεύων· ἐνστάσης δὲ τῆς ὥρας καὶ τῶν λοχαγῶν λεγόντων μηδέπω πάντας παρεῖναι, [186] [a] 'πάρεισιν' εἶπεν 'οἱ μέλλοντες μάχεσθαι·' καὶ χρησάμενος αὐτοῖς προθύμοις ἐνίκησε τοὺς πολεμίους.

ΑΡΙΣΤΕΙΔΗΣ

Ἀριστείδης δὲ ὁ δίκαιος ἀεὶ καθ' ἑαυτὸν ἐπολιτεύετο καὶ τὰς ἑταιρείας ἔφευγεν, ὥς τῆς ἀπὸ τῶν φίλων δυνάμεως ἀδικεῖν ἐπαυρούσης.

Ἐπεὶ δὲ τῶν Ἀθηναίων ὀρμωμένων ἐπὶ τὸν ἐξοστρακισμόν

ἄνθρωπος ἀγράμματος καὶ ἄγροικος ὄστρακον ἔχων προσῆλθεν αὐτῷ κελεύων ἐγγράψαι τὸ ὄνομα τοῦ Ἀριστείδου, ‘γινώσκεις γάρ’ ἔφη ‘τὸν Ἀριστείδην;’ τοῦ δ’ ἀνθρώπου γινώσκειν μὲν οὐ φήσαντος, ἄχθεσθαι [b] δὲ τῇ τοῦ δικαίου προσηγορίᾳ, σιωπήσας ἐνέγραψε τὸ ὄνομα τῷ ὀστράκῳ καὶ ἀπέδωκεν.

Ἐχθρὸς δ’ ὢν τοῦ Θεμιστοκλέους καὶ πρεσβευτῆς ἐκπεμφθεὶς σὺν αὐτῷ ‘βούλει’ φησὶν ‘ἐπὶ τῶν ὄρων, ὧς Θεμιστόκλεις, τὴν ἔχθραν ἀπολίπωμεν; ἂν γὰρ δοκῇ, πάλιν αὐτὴν ἐπανιόντες ληψόμεθα.’

Τάξας δὲ τοὺς φόρους τοῖς Ἑλλήσι τοσοῦτῳ πτωχότερος ἐπανῆλθεν, ὅσον εἰς τὴν ἀποδημίαν ἀνήλωσεν.

Αἰσχύλου δὲ ποιήσαντος εἰς Ἀμφιάραον (Sept. 592)

‘οὐ γὰρ δοκεῖν ἄριστος ἀλλ’ εἶναι θέλει,

βαθεῖαν ἄλοκα διὰ φρενὸς καρπούμενος,

ἐξ ἧς τὰ κεδνὰ βλαστάνει βουλευμάτων’

[c] καὶ λεγομένων τούτων, πάντες εἰς Ἀριστείδην ἀπέβλεψαν.

ΠΕΡΙΚΛΗΣ

Περικλῆς, ὁπότε μέλλοι στρατηγεῖν, ἀναλαμβάνων τὴν χλαμύδα πρὸς ἑαυτὸν ἔλεγε ‘πρόσεχε, Περικλείς, ἐλευθέρων μέλλεις ἄρχειν καὶ Ἑλλήνων καὶ Ἀθηναίων.’

Ἐκέλευσε δὲ τοὺς Ἀθηναίους τὴν Αἰγίνα ὥσπερ λήμην ἀφαιρεῖν τοῦ Πειραιῶς.

Πρὸς δὲ φίλον τινὰ μαρτυρίας ψευδοῦς δεόμενον, ἧ προσῆν καὶ ὄρκος, ἔφησε μέχρι τοῦ βωμοῦ φίλος εἶναι.

Μέλλων δ’ ἀποθνήσκειν αὐτὸς ἑαυτὸν ἐμακάριζεν ὅτι μηδεὶς Ἀθηναίων μέλαν ἱμάτιον δι’ αὐτὸν ἐνεδύσατο.

ΑΛΚΙΒΙΑΔΗΣ

[d] Ἀλκιβιάδης ἔτι παῖς ὢν ἐλήφθη λαβὴν ἐν παλαίστρᾳ· καὶ μὴ δυνάμενος διαφυγεῖν ἔδακε τὴν χεῖρα τοῦ καταπαλαίοντος· εἰπόντος δ’ ἐκείνου ‘δάκνεις ὥς αἱ γυναῖκες’, ‘οὐ μὲν οὔν’ εἶπεν ‘ἀλλ’ ὥς οἱ λέοντες.’

Ἐχων δὲ κύνα πάγκαλον ἐωνημένον ἐπτακισχιλίων

δραχμῶν ἀπέκοψεν αὐτοῦ τὴν οὐράν ‘ὅπως’ ἔφη ‘τοῦτο λέγωσιν Ἀθηναῖοι περὶ ἐμοῦ καὶ μηδὲν ἄλλο πολυπραγμονῶσι.’

Προσελθὼν δὲ διδασκαλείῳ ῥαψωδίαν Ἰλιάδος ἦτει· τοῦ δὲ διδασκάλου μηδὲν ἔχειν Ὀμήρου φήσαντος ἐντρίψας αὐτῷ κόνδυλον παρῆλθεν.

[ε] Ἐλθὼν δ' ἐπὶ θύρας τοῦ Περικλέους καὶ πυθόμενος αὐτὸν μὴ σχολάζειν ἀλλὰ σκοπεῖν, ὅπως ἀποδώσει λόγους Ἀθηναίοις, 'οὐ βέλτιον' ἔφη 'σκοπεῖν ἦν, ὅπως οὐκ ἀποδώσει;'

Καλούμενος δ' ἐπὶ κρίσιν θανατικὴν ὑπὸ τῶν Ἀθηναίων ἀπὸ Σικελίας ἔκρυπεν ἑαυτόν, εἰπὼν εὐηθες εἶναι τὸ δίκην ἔχοντα ζητεῖν ἀποφυγεῖν, ἐξὸν φυγεῖν.

Εἰπόντος δέ τινος 'οὐ πιστεύεις τῇ πατρίδι τὴν περὶ σεαυτοῦ κρίσιν;' 'ἐγὼ μὲν' ἔφη 'οὐδὲ τῇ μητρί, μή πως ἀγνοήσασα τὴν μέλαιναν βάλη ψῆφον ἀντὶ τῆς λευκῆς.'

Ἀκούσας δὲ ὅτι θάνατος αὐτοῦ κατέγινωσται καὶ τῶν σὺν αὐτῷ 'δείξωμεν οὖν αὐτοῖς' εἶπεν 'ὅτι ζῶμεν.' [f] καὶ πρὸς Λακεδαιμονίους τρεψάμενος τὸν Δεκελεικὸν ἡγείρεν ἐπὶ τοὺς Ἀθηναίους πόλεμον.

ΛΑΜΑΧΟΣ

Λάμαχος ἐπετίμα τινὶ τῶν λοχαγῶν ἀμαρτόντι· τοῦ δὲ φήσαντος μηκέτι τοῦτο ποιήσῃν 'οὐκ ἔστιν' εἶπεν 'ἐν πολέμῳ δις ἀμαρτεῖν.'

ΙΦΙΚΡΑΤΗΣ

Ἰφικράτης δοκῶν υἱὸς εἶναι σκυτοτόμου κατεφρο^[187]νεῖτο· [a] δόξαν δὲ τότε πρῶτον ἔσχε, ὅτε τραυματίσας πολέμιον ἄνδρα καὶ μετὰ τῶν ὅπλων ζῶντα συναρπάσας εἰς τὴν ἑαυτοῦ τριήρη μετήνεγκεν.

Ἐν δὲ φιλίᾳ καὶ συμμάχῳ χώρᾳ στρατοπεδεύων καὶ χάρακα βαλλόμενος καὶ τάφρον ὀρύττων ἐπιμελῶς πρὸς τὸν εἰπόντα 'τί γὰρ φοβούμεθα;' χειρίστην ἔφησε στρατηγοῦ φωνὴν εἶναι τὴν 'οὐκ ἂν προσεδόκησα'.

Παραταττόμενος δὲ τοῖς βαρβάροις ἔφη δεδιέναι, μὴ τὸν Ἰφικράτην οὐκ ἴσασιν, ᾧ καταπλήττεται τοὺς ἄλλους πολεμίους.

Κρινόμενος δὲ θανάτου πρὸς τὸν συκοφάντην 'οἷα ποιεῖς, ὦ ἄνθρωπε' εἶπε 'πολέμου περιστῶτος τὴν πόλιν [b] περὶ ἑμοῦ πείθων βουλευέσθαι καὶ μὴ μετ' ἑμοῦ;'

Πρὸς δὲ Ἀρμόδιον, τὸν τοῦ παλαιοῦ Ἀρμοδίου ἀπόγονον, εἰς δυσγένειαν αὐτῷ λοιδορούμενον ἔφη 'τὸ μὲν ἑμὸν ἀπ' ἑμοῦ γένος ἄρχεται, τὸ δὲ σὸν ἐν σοὶ παύεται.'

Ρῆτορος δέ τινος ἐπερωτῶντος αὐτὸν ἐν ἐκκλησίᾳ 'τίς ὦν μέγα φρονεῖς; πότερον ἵππευς ἢ ὀπλίτης ἢ τοξότης ἢ πελταστής;' 'οὐδεῖς' ἔφη 'τούτων, ἀλλ' ὁ πᾶσι τούτοις ἐπιστάμενος ἐπιτάττειν.'

ΤΙΜΟΘΕΟΣ

Τιμόθεος εὐτυχῆς ἐνομιζέτο στρατηγὸς εἶναι, καὶ φθονοῦντες αὐτῷ τινες ἐζωγράφουν τὰς πόλεις εἰς κύρτον αὐτομάτως ἐκείνου καθεύδοντος ἐνδυομένας· ἔλεγεν οὖν [c] ὁ Τιμόθεος ‘εἰ τηλικαύτας πόλεις λαμβάνω καθεύδων, τί με οἴεσθε ποιήσιν ἐγρηγορότα;’

Τῶν δὲ τολμηρῶν στρατηγῶν τινος τραῦμα τοῖς Ἀθηναίοις δεικνύοντος, ‘ἐγὼ δέ’ εἶπεν ‘ἤσχύνθην ὅτι μου στρατηγοῦντος ὑμῶν ἐν Σάμῳ καταπελτικὸν βέλος ἐγγὺς ἔπεσε.’

Τῶν δὲ ῥητόρων τὸν Χάρητα προαγόντων καὶ τοιοῦτον ἀξιούντων εἶναι τὸν Ἀθηναίων στρατηγόν, ‘οὐ τὸν στρατηγόν’ εἶπεν ὁ Τιμόθεος ‘ἀλλὰ τὸν τῷ στρατηγῷ τὰ στρώματα κομίζοντα.’

ΧΑΒΡΙΑΣ

Χαβρίας ἔλεγε κάλλιστα στρατηγεῖν τοὺς μάλιστα γινώσκοντας τὰ τῶν πολεμίων.

[d] Δίκην δὲ φεύγων προδοσίας μετ’ Ἰφικράτους, ἐπιτιμῶντος αὐτῷ τοῦ Ἰφικράτους ὅτι κινδυνεύων εἰς τὸ γυμνάσιον βαδίζει καὶ τὴν εἰωθυῖαν ὥραν ἀριστᾶ, ‘τοιγαροῦν’ εἶπεν ‘ἂν ἄλλο τι γνῶσι περὶ ἡμῶν Ἀθηναῖοι, σέ μὲν αὐχμῶντα καὶ ἄσιτον, ἐμέ δ’ ἡρισθηκότα καὶ ἀηλιμμένον ἀποκτενοῦσιν.’

Εἰώθει δὲ λέγειν ὅτι φοβερώτερόν ἐστιν ἐλάφων στρατόπεδον ἡγουμένου λέοντος ἢ λεόντων ἐλάφου.

ΗΓΗΣΙΠΠΟΣ

Ἡγησίππου τοῦ Κρωβύλου προσαγορευομένου παροξύνοντος τοὺς Ἀθηναίους ἐπὶ Φίλιππον, ὑπεφώνησέ τις ἐκ τῆς ἐκκλησίας ‘πόλεμον εἰσηγῇ;’ ‘ναὶ μὰ Δία’ εἶπε [e] ‘καὶ μέλανα ἱμάτια καὶ δημοσίας ἐκφορὰς καὶ λόγους ἐπιταφίους, εἰ μέλλομεν ἐλεύθεροι βιώσεσθαι καὶ μὴ ποιήσιν τὸ προσταττόμενον Μακεδόσι.’

ΠΥΘΕΑΣ

Πυθέας ἔτι μειράκιον ὢν παρῆλθεν ἀντερῶν τοῖς περὶ Ἀλεξάνδρου γραφομένοις ψηφίσμασιν· εἰπόντος δὲ τινος ‘σὺ νέος ὢν τολμᾷ λέγειν περὶ τηλικούτων;’ ‘καὶ μὴν Ἀλέξανδρος’ εἶπεν ‘ὄν ψηφίζεσθε θεόν, ἐμοῦ νεώτερός ἐστι.’

ΦΩΚΙΩΝ

Φωκίων ὁ Ἀθηναῖος ὑπ’ οὐδενὸς οὔτε γελῶν ὥφθη οὔτε δακρύων.

Ἐκκλησίας δὲ γενομένης πρὸς τὸν εἰπόντα ‘σκεπτομένῳ, [f] ὦ

Φωκίων, ἔοικας’, ‘ὀρθῶς’ ἔφη ‘τοπάξεις· σκέπτομαι γάρ, εἴ τι δύναμαι περιελεῖν ὧν μέλλω λέγειν πρὸς Ἀθηναίους.’

Μαντείας δὲ γενομένης Ἀθηναίοις, ὡς εἷς ἀνὴρ ἔστιν ἐν τῇ πόλει ταῖς πάντων ἐναντιούμενος γνώμαις, καὶ τῶν Ἀθηναίων ζητεῖν κελευόντων ὅστις ἐστὶ καὶ βούωντων, Φωκίων ἑαυτὸν ἔφησε τοῦτον εἶναι· μόνῳ γὰρ ἑαυτῷ μηδὲν ἀρέσκειν ὧν οἱ πολλοὶ πράττουσι καὶ λέγουσιν.

[188] [a]

Ἐπεὶ δὲ λέγων ποτὲ γνώμην πρὸς τὸν δῆμον εὐδοκίμει καὶ πάντας ὁμαλῶς ἑώρα τὸν λόγον ἀποδεχομένους, ἐπιστραφεὶς πρὸς τοὺς φίλους εἶπεν ‘οὐ δῆπου κακόν τι λέγων ἑμαυτὸν λέληθα;’

Πρὸς δὲ θυσίαν τινὰ τῶν Ἀθηναίων αἰτούντων ἐπιδόσεις καὶ τῶν ἄλλων ἐπιδιδόντων, κληθεὶς πολλάκις ‘αἰσχυνοίμην ἄν’ εἶπεν ‘ὕμῃν μὲν ἐπιδιδούς, τοῦτῳ δὲ μὴ ἀποδιδούς’, ἅμα δεικνύων τὸν δανειστήν.

Δημοσθένους δὲ τοῦ ρήτορος εἰπόντος ‘ἀποκτενοῦσί σε Ἀθηναῖοι’ ‘ἐὰν μανῶσιν [, νῆ Δία]’, εἶπε, ‘σὲ δ’ ἐὰν σωφρονῶσιν.’

Ἀριστογείτονος δὲ τοῦ συκοφάντου μέλλοντος ἀποθνήσκειν [b] ἐν τῷ δεσμωτηρίῳ κατακρίτου γεγονότος καὶ δεομένου τὸν Φωκίωνα πρὸς αὐτὸν ἐλθεῖν, τῶν δὲ φίλων οὐκ ἐώντων πρὸς ἄνθρωπον πονηρὸν βαδίζειν, ‘καὶ ποῦ τις ἄν’ εἶπεν ‘ἦδιον Ἀριστογείτονι λαλήσειεν;’

Ὀργιζομένων δὲ τοῖς Βυζαντίοις τῶν Ἀθηναίων μὴ δεξαμένοις τῇ πόλει Χάρητα πεμφθέντα μετὰ δυνάμεως βοηθὸν αὐτοῖς πρὸς Φίλιππον, εἰπὼν ὁ Φωκίων ὅτι ‘δεῖ μὴ τοῖς ἀπιστοῦσι τῶν συμμάχων, ἀλλὰ τοῖς ἀπιστουμένοις ὀργίζεσθαι τῶν στρατηγῶν’ αὐτὸς ἡρέθη στρατηγός· καὶ πιστευθεὶς ὑπὸ τῶν Βυζαντίων ἐποίησε τὸν Φίλιππον ἀπελθεῖν ἄπρακτον.

[c] Ἀλεξάνδρου δὲ τοῦ βασιλέως ἑκατὸν τάλαντα δωρεὰν πέμψαντος ἠρώτησε τοὺς κομίζοντας τί δήποτε πολλῶν ὄντων Ἀθηναίων αὐτῷ μόνῳ ταῦτα δίδωσιν Ἀλέξανδρος· εἰπόντων δ’ ἐκείνων ὡς μόνον αὐτὸν ἡγεῖται καλὸν κάγαθόν εἶναι, ‘οὐκοῦν’ ἔφη ‘ἑασάτω με καὶ δοκεῖν καὶ εἶναι τοιοῦτον.’

Αἰτοῦντος δ’ Ἀλεξάνδρου τριήρεις καὶ τοῦ δήμου κελεύοντος ὀνομαστὶ παρίεναι τὸν Φωκίωνα καὶ συμβουλεύειν, ἀναστὰς ἔφη ‘συμβουλεύω τοίνυν ὑμῖν ἢ κρατεῖν τοῖς ὅπλοις αὐτοὺς ἢ φίλους εἶναι τῶν κρατούντων.’

Λόγου δὲ περὶ τῆς Ἀλεξάνδρου τελευτῆς ἐμπεσόντος [d] ἀδεσπότου καὶ τῶν ῥητόρων ἀναπηδώντων εὐθὺς ἐπὶ τὸ βῆμα καὶ μὴ μέλλειν ἀλλὰ πολεμεῖν ἤδη κελευόντων ὁ Φωκίων ἡξίου περιμεῖναι καὶ γνῶναι βεβαίως. ‘εἰ γὰρ τήμερον’ ἔφη ‘τέθνηκε, καὶ αὖριον ἔσται καὶ εἰς τρίτην τεθνηκώς.’

Τοῦ δὲ Λεωσθένους εἰς τὸν πόλεμον ἐμβαλόντος τὴν πόλιν ἐλπίσι λαμπραῖς πρὸς τὸ τῆς ἐλευθερίας ὄνομα καὶ τῆς ἡγεμονίας ἐπαιρομένην τοὺς λόγους αὐτοῦ ταῖς κυπαρίττοις ἀπείκαζε· ‘καλοὶ γὰρ ὄντες’ ἔφη ‘καὶ ὑψηλοὶ καρπὸν οὐκ ἔχουσι.’ κατωρθωμένων δὲ τῶν πρώτων καὶ τῆς πόλεως εὐαγγέλια θυούσης, ἐρωτηθεὶς εἰ ταῦτ’ [e] <ἄν> ἤθελεν αὐτῷ πεπραῖχθαι ‘πεπραῖχθαι μὲν οὔν’ ἔφη ‘ταῦτα, βεβουλεῦσθαι δ’ ἐκεῖνα.’

Τῇ δ’ Ἀττικῇ τῶν Μακεδόνων προσβαλόντων καὶ πορθούντων τὴν παραλίαν ἐξήγαγε τοὺς ἐν ἡλικίᾳ· πολλῶν δὲ συντρεχόντων πρὸς αὐτὸν καὶ παρεγκελευομένων ἐκεῖ[νον] τὸν λόφον καταλαβεῖν, ἐνταῦθα τάξαι τὴν δύναμιν, ‘ὦ Ἡράκλεις’ εἶπεν ‘ὥς πολλοὺς ὀρῶ στρατηγούς, στρατιώτας δ’ ὀλίγους.’ οὐ μὴν ἀλλὰ συμβαλὼν ἐκράτησε καὶ διέφθειρε Νικίωνα τὸν ἄρχοντα τῶν Μακεδόνων.

Μετ’ ὀλίγον δὲ χρόνον οἱ μὲν Ἀθηναῖοι τῷ πολέμῳ κρατηθέντες ἐδέξαντο φρουρὰν ὑπ’ Ἀντιπάτρου· Μενύλλου [f] δὲ τοῦ τῆς φρουρᾶς ἄρχοντος χρήματα τῷ Φωκίῳ διδόντος ἀγανακτήσας εἶπε μήτ’ ἐκεῖνον Ἀλεξάνδρου βελτίονα εἶναι καὶ χεῖρονα τὴν αἰτίαν, ἐφ’ ἣ λήφεται νῦν τότε μὴ δεξάμενος.

Ἀντίπατρος δ’ ἔφη ὥς дуεῖν αὐτῷ φίλων Ἀθήνησιν ὄντων οὔτε Φωκίωνα λαβεῖν πέπεικεν οὔτε Δημάδην διδοὺς ἐμπέπληκεν.

Ἀξιοῦντος δ’ Ἀντιπάτρου ποιῆσαι τι τῶν μὴ δικαίων αὐτόν ‘οὐ δύνασαι,’ εἶπεν, ‘Ἀντίπατρε, καὶ φίλῳ Φωκίῳ χρῆσθαι καὶ κόλακι.’

[189] [a] Μετὰ δὲ τὴν Ἀντιπάτρου τελευτὴν δημοκρατίας Ἀθηναίοις γενομένης κατεγνώσθη θάνατος τοῦ Φωκίῳ ἐν ἐκκλησίᾳ καὶ τῶν φίλων· οἱ μὲν οὔν ἄλλοι κλαίοντες ἤγοντο, τῷ δὲ Φωκίῳ σιωπῇ βαδίζοντι τῶν ἐχθρῶν τις ἐνέπτυσεν ἀπαντήσας εἰς τὸ πρόσωπον. ὁ δὲ πρὸς τοὺς ἄρχοντας ἀποβλέψας ‘οὐ παύσει τις’ εἶπε ‘τοῦτον ἀσχημονοῦντα;’

Τῶν δὲ μελλόντων συναποθνήσκειν ἐνὸς ὀδυρομένου καὶ ἀγανακτοῦντος ‘οὐκ ἀγαπᾷς,’ εἶπεν, ‘ὦ Θούδιππε, μετὰ Φωκίῳ

ἀποθανοῦμενος·

Ἦδη δὲ τῆς κύλικος αὐτῷ προσφερομένης ἐρωτηθεὶς εἴ τι λέγει πρὸς τὸν υἱόν ‘ἔγωγε’ εἶπεν ‘ἐντέλλομαι [b] καὶ παρακαλῶ μηδὲν Ἀθηναίοις μνησικακεῖν.’

ΠΕΙΣΙΣΤΡΑΤΟΣ

Πεισίστρατος ὁ Ἀθηναίων τύραννος, ἐπεὶ τῶν φίλων τινὲς ἀποστάντες αὐτοῦ Φυλὴν κατέλαβον, ἦλθε πρὸς αὐτοὺς στρωματόδεσμον αὐτὸς κομίζων. πυνθανομένων δ’ ἐκείνων τί βούλεται, ‘πέισας ὑμᾶς’ εἶπεν ‘ἀπαγαγεῖν ἢ μὴ πείσας μένειν μεθ’ ὑμῶν, <καὶ> διὰ τοῦτο ἀφῆγμαι συνεσκευασμένος.’

Διαβληθείσης δὲ τῆς μητρὸς πρὸς αὐτόν, ὡς ἐρᾷ τινος νεανίσκου καὶ κρύφα σύνεστι φοβουμένῳ καὶ παραιτουμένῳ τὰ πολλά, καλέσας ἐπὶ δεῖπνον τὸν νεανίσκον ἠρώτησε δειπνήσαντα, πῶς γέγονεν· ‘ἡδέως’ δὲ φήσαντος, [c] ‘ταῦτά σοι’ ἔφη ‘καθ’ ἡμέραν ἔσται, ἐὰν τῇ μητρί μου ἀρέσκης.’

Ἐπεὶ δὲ Θρασύβουλος ἐρῶν αὐτοῦ τῆς θυγατρὸς ἐφίλησεν ἀπαντήσας, παροξυνόμενος ἐπ’ αὐτόν ὑπὸ τῆς γυναικὸς ‘ἂν τοὺς φιλοῦντας’ εἶπε ‘μισῶμεν, τί ποιήσομεν τοὺς μισοῦντας;’ καὶ ἔδωκε γυναιῖκα τῷ Θρασυβούλῳ τὴν παρθένον.

Κωμαστῶν δέ τινων περιτυχόντων αὐτοῦ τῇ γυναικὶ καὶ πολλὰ πραξάντων ἀσελγῇ καὶ εἰπόντων, μεθ’ ἡμέραν δὲ τοῦ Πεισιστράτου δεομένων καὶ δακρυόντων, ‘ὕμεις μὲν’ ἔφη ‘πειρᾶσθε σωφρονεῖν τὸ λοιπόν· ἢ δ’ ἐμὴ γυνὴ τὸ παράπαν ἐχθὲς οὐδαμῇ προῆλθε.’

[d] Τῶν δὲ παίδων, αὐτοῦ γαμεῖν ἐτέραν γυναιῖκα μέλλοντος, διαπυνθανομένων μή τι μεμφόμενος αὐτοῖς εἶη, ‘ἦκιστα’ εἶπεν ‘ἄλλ’ ἐπαινῶν καὶ βουλόμενος καὶ ἐτέρους μοι παῖδας τοιούτους γενέσθαι.’

ΔΗΜΗΤΡΙΟΣ Ο ΦΑΛΗΡΕΥΣ

Δημήτριος ὁ Φαληρεὺς Πτολεμαίῳ τῷ βασιλεῖ παρήνει τὰ περὶ βασιλείας καὶ ἡγεμονίας βιβλία κτᾶσθαι καὶ ἀναγινώσκειν· ‘ἃ γὰρ οἱ φίλοι τοῖς βασιλεῦσιν οὐ θαρροῦσι παραινεῖν, ταῦτα ἐν τοῖς βιβλίοις γέγραπται.’

ΛΥΚΟΥΡΓΟΣ

Λυκοῦργος ὁ Λακεδαιμόνιος εἶθισε τοὺς πολίτας [e] κομᾶν λέγων ὅτι τοὺς μὲν καλοὺς ἢ κόμη εὐπρεπεστέρους ποιεῖ, τοὺς δὲ αἰσχροὺς φοβερωτέρους.

Πρὸς δὲ τὸν κελεύοντα ποιεῖν ἐν τῇ πόλει δημοκρατίαν ‘σὺ πρῶτος’ εἶπεν ‘ἐν τῇ οἰκίᾳ σου ποιήσον δημοκρατίαν.’

Ἐκέλευε δὲ τὰς οἰκίας ποιεῖν ἀπὸ πρίονος καὶ πελέκεως μόνον· αἰσχυνεῖσθαι γὰρ εἰς οἰκίας λιτὰς ἐκπώματα καὶ στρώματα καὶ τραπέζας πολυτελεῖς εἰσφέροντας.

Πυγμῆν δὲ καὶ παγκράτιον ἀγωνίζεσθαι ἐκώλυσεν, ἵνα μὴδὲ παίζοντες ἀπαυδᾷν ἐθίζωνται.

Στρατεῦειν δὲ πολλάκις ἐπὶ τοὺς αὐτοὺς ἐκώλυσεν, ὅπως μὴ ποιῶσι μαχιμωτέρους. ὕστερον γοῦν τοῦ Ἀγησιλάου τρωθέντος ὁ Ἀνταλκίδας εἶπε καλὰ διδασκάλια [f] παρὰ Θηβαίων ἀπολαμβάνειν αὐτὸν ἐθίσαντα καὶ διδάξαντα πολεμεῖν ἄκοντας.

ΧΑΡΙΛΛΟΣ

Χάριλλος ὁ βασιλεὺς ἐρωτηθεὶς, διὰ τί νόμους ὀλίγους οὕτω Λυκοῦργος ἔθηκεν, ἀπεκρίνατο τοὺς χρωμένους ὀλίγοις λόγοις μὴ δεῖσθαι νόμων πολλῶν.

Τῶν δὲ εἰλώτων τινὸς θρασύτερον αὐτῷ προσφερομένου, ‘ναὶ τὼ σιῶ’ εἶπε ‘κατέκτανον κά τυ, αἱ μὴ ὠργιζόμαν.’

Πρὸς δὲ τὸν πυθόμενον διὰ τί κομῶσιν εἶπεν ὅτι τῶν κόσμων ἄδασπανώτατος οὗτός ἐστι.

ΤΗΛΕΚΛΟΣ

[190] [a] Τήλεκλος ὁ βασιλεὺς πρὸς τὸν ἀδελφὸν ἐγκαλοῦντα τοῖς πολίταις ὡς ἀγνωμονέστερον αὐτῷ προσφερομένοις ἢ ἐκείνῳ, ‘σὺ γάρ’ εἶπεν ‘οὐκ οἶδας ἀδικεῖσθαι.’

ΘΕΟΠΟΜΠΟΣ

Θεόπομπος ἔν τινι πόλει πρὸς τὸν ἐπιδεικνύμενον τὸ τεῖχος αὐτῷ καὶ πυνθανόμενον, εἰ δοκεῖ καλὸν καὶ ὑψηλὸν εἶναι, †‘οὐδ’ εἰ γυναικῶν’ εἶπεν <’ῆν’>.

ΑΡΧΙΔΑΜΟΣ

Ἀρχίδαμος ἐν τῷ Πελοποννησιακῷ πολέμῳ τῶν συμμάχων ἀξιούντων ὀρίσαι τοὺς φόρους αὐτοῖς, εἶπεν ‘ὁ πόλεμος οὐ τεταγμένα σιτεῖται.’

[b]

ΒΡΑΣΙΔΑΣ

Βρασίδας ἐν ἰσχύσι συλλαβὼν μῦν καὶ δηχθεὶς ἀφῆκεν· εἶτα πρὸς τοὺς παρόντας ‘οὐδὲν οὕτως’ ἔφη ‘μικρόν ἐστιν, ὃ μὴ σῶζεται τολμῶν ἀμύνεσθαι τοὺς ἐπιχειροῦντας.’

Ἐν δὲ μάχῃ διὰ τῆς ἀσπίδος ἀκοντισθεὶς καὶ τὸ δόρυ τοῦ

τραύματος ἐξελκύσας αὐτῷ τούτῳ τὸν πολέμιον ἀπέκτεινεν· ἐπερωτηθεὶς δὲ πῶς ἐτρώθη, ‘προδοῦσης με τῆς ἀσπίδος’ εἶπεν.

Ἐπεὶ δὲ συνέβη πεσεῖν αὐτὸν ἐλευθεροῦντα τοὺς ἐπὶ Θράκης Ἑλλήνας, οἱ δὲ πεμφθέντες εἰς Λακεδαίμονα πρέσβεις τῇ μητρὶ προσῆλθον αὐτοῦ, πρῶτον μὲν ἠρώτησεν εἰ καλῶς ὁ Βρασίδας ἀπέθανεν· ἐγκωμιαζόντων δὲ τῶν Θρακῶν αὐτὸν καὶ λεγόντων ὡς οὐδεὶς ἄλλος ἔσται [c] τοιοῦτος, ‘ἀγνοεῖτε’ εἶπεν ‘ὦ ξένοι· Βρασίδας μὲν γὰρ ἦν ἀνὴρ ἀγαθός, ἃ δὲ Λακεδαιμῶν πολλῶς ἔχει τήνῳ κάρρνας.’

ΑΓΙΣ

Ἄγις ὁ βασιλεὺς οὐκ ἔφη τοὺς Λακεδαιμονίους ἐρωτᾶν πόσοι εἰσὶν, ἀλλὰ ποῦ εἰσὶν οἱ πολέμιοι.

Ἐν δὲ Μαντινείᾳ κωλυόμενος διαμάχεσθαι τοῖς πολεμίοις πλείοσιν οὓσιν, εἶπεν ‘ἀνάγκη πολλοῖς μάχεσθαι τὸν ἄρχειν πολλῶν βουλόμενον.’

Ἐπαινουμένων δὲ τῶν Ἡλείων ἐπὶ τῷ τὰ Ὀλύμπια καλῶς ἄγειν ‘τί δέ’ εἶπε ‘ποιοῦσι θαυμαστόν, εἰ δι’ ἐτῶν τεσσάρων μιᾷ ἡμέρᾳ χρῶνται τῇ δικαιοσύνῃ;’ ἐπιμενόντων δὲ τοῖς ἐπαίνοις, ἔφη ‘τί θαυμαστόν, εἰ πράγματι [d] καλῶ καλῶς χρῶνται, τῇ δικαιοσύνῃ;’

Πρὸς δ’ ἄνθρωπον πονηρὸν ἐρωτῶντα πολλάκις τίς ἄριστος εἶη Σπαρτιατῶν, εἶπεν ‘ὁ τὴν ἀνομοιότητα.’

Ἐτέρου δὲ πυνθανομένου πόσοι εἰσὶ Λακεδαιμόνιοι ‘ὅσοι’ εἶπεν ‘ἱκανοὶ τοὺς κακοὺς ἀπείργειν.’

Καὶ τὸ αὐτὸ ἐτέρου πυνθανομένου, ‘πολλοί σοι’ ἔφη ‘δόξουσιν εἶναι, ἐὰν αὐτοὺς ἴδῃς μαχομένους.’

ΛΥΣΑΝΔΡΟΣ

Λύσανδρος Διονυσίου τοῦ τυράννου πέμψαντος ἱμάτια ταῖς θυγατρῶσιν αὐτοῦ τῶν πολυτελῶν οὐκ ἔλαβεν εἰπὼν δεδιέναι, μὴ διὰ ταῦτα μᾶλλον αἰσχυρὰ φανῶσιν.

Πρὸς δὲ τοὺς ψέγοντας αὐτὸν ἐπὶ τῷ δι’ ἀπάτης τὰ [e] πολλὰ πράσσειν ὡς ἀνάξιον τοῦ Ἡρακλέους ἔλεγεν, ὅπου μὴ ἐφικνεῖται ἢ λεοντῇ, προσραπτέον εἶναι τὴν ἀλωπεκῆν.

Πρὸς δ’ Ἀργείους δικαιοτέρα τῶν Λακεδαιμονίων λέγειν περὶ τῆς ἀμφισβητουμένης χώρας δοκοῦντας σπασάμενος τὴν μάχαιραν ‘ὁ ταύτης’ ἔφη ‘κρατῶν βέλτιστα περὶ γῆς ὄρων διαλέγεται.’

Τοὺς δὲ Λακεδαιμονίους ὁρῶν ὀκνοῦντας προσμάχεσθαι τοῖς τείχεσι τῶν Κορινθίων, ὡς εἶδε λαγῶν ἐξαλλόμενον ἐκ τῆς

τάφρου, ‘τοιούτους’ ἔφη ‘φοβεῖσθε πολεμίους, ὧν οἱ λαγοὶ δι’ ἀργίαν ἐν τοῖς τείχεσιν ἐγκαθεύδουσιν;’

Μεγαρέως δ’ ἄνδρὸς ἐν κοινῷ συλλόγῳ παρρησίᾳ [f] χρησαμένου πρὸς αὐτόν, ‘οἱ λόγοι σου’ εἶπε ‘πόλεως δέονται.’

ΑΓΗΣΙΛΑΟΣ

Ἀγησίλαος ἔλεγε τοὺς τὴν Ἀσίαν κατοικοῦντας ἐλευθέρους μὲν κακοὺς εἶναι, δούλους δ’ ἀγαθοὺς.

Εἰθισμένων δ’ αὐτῶν τὸν Περσῶν βασιλέα μέγαν προσαγορεύειν, ‘τί δαὶ ἐκεῖνος’ εἶπεν ‘ἐμοῦ μείζων, εἰ μὴ δικαιοτέρος καὶ σωφρονέστερος;’

Περὶ δ’ ἀνδρείας καὶ δικαιοσύνης ἐρωτηθεὶς ποτέρᾳ βελτίῳ ‘οὐδὲν ἀνδρείας’ ἔφη ‘χρήζομεν, ἐὰν πάντες ὦμεν δίκαιοι.’

[191] [a] Νυκτὸς δὲ μέλλων κατὰ τάχος ἀναζευγνύειν ἐκ τῆς πολεμίας καὶ τὸν ἐρώμενον ὁρῶν ἀπολειπόμενον δι’ ἀσθένειαν καὶ δακρύνοντα, ‘χαλεπὸν’ εἶπεν ‘ἅμα ἐλεεῖν καὶ φρονεῖν.’

Μενεκράτους δὲ τοῦ ἱατροῦ <τοῦ> Διὸς προσαγορευομένου γράψαντος ἐπιστολὴν πρὸς αὐτόν ‘Μενεκράτης Ζεὺς βασιλεῖ Ἀγησίλαῳ χαίρειν’ ἀντέγραψεν ‘βασιλεὺς Ἀγησίλαος Μενεκράτει ὑγιαίνειν.’

Λακεδαιμονίων δὲ νικησάντων Ἀθηναίους καὶ τοὺς συμμάχους ἐν Κορίνθῳ πυθόμενος τὸ πλῆθος τῶν πολεμίων νεκρῶν ‘φεῦ τᾶς Ἑλλάδος’ εἶπεν ‘ἅ τοσοῦτους ὑφ’ [b] αὐτᾶς ἀπολώλεκεν, ὅσοις ἀρκεῖ τοὺς βαρβάρους νικῆν ἅπαντας.’

Χρησμόν δὲ λαβὼν ἐν Ὀλυμπίᾳ παρὰ τοῦ Διὸς ὃν ἤθελεν, εἶτα τῶν ἐφόρων κελευόντων καὶ τὸν Πύθιον ἐρωτῆσαι περὶ τῶν αὐτῶν, εἰς Δελφοὺς παραγενόμενος ἠρώτησε τὸν θεόν, εἰ ἅπερ τῷ πατρὶ δοκεῖ καὶ αὐτῷ.

Παραιτούμενος δέ τινα τῶν φίλων παρὰ τοῦ Καρὸς Ἰδριέως ἔγραψε πρὸς αὐτόν ‘Νικίας εἰ μὲν οὐκ ἀδικεῖ, ἄφες· εἰ δ’ ἀδικεῖ, ἐμοὶ ἄφες· πάντως δ’ ἄφες.’

Τοῦ δὲ μιμουμένου τὴν τῆς ἀηδόνης φωνὴν ἀκοῦσαι παρακαλούμενος ‘αὐτᾶς’ εἶπεν ‘ἄκουκα πολλάκις.’

Μετὰ δὲ τὴν ἐν Λεύκτροις μάχην, πάντας τοὺς τρέσαντας [c] ἀτίμους εἶναι τοῦ νόμου κελεύοντος, ὁρῶντες οἱ ἔφοροι τὴν πόλιν ἀνδρῶν ἔρημον οὔσαν ἐβούλοντο τὴν ἀτιμίαν λῦσαι καὶ νομοθέτην ἀπέδειξαν τὸν Ἀγησίλαον· ὁ δὲ προελθὼν εἰς τὸ μέσον ἐκέλευσε τοὺς νόμους ἀπὸ τῆς αὔριον κυρίους εἶναι.

Ἐπεὶ δὲ πεμφθεῖς τῷ βασιλεῖ τῶν Αἰγυπτίων

σύμμαχος ἐπολιορκεῖτο μετ' αὐτοῦ πολλαπλασίων ὄντων τῶν πολεμίων καὶ περιταφρευόντων τὸ στρατόπεδον, κελεύσαντος ἐπεξιέναι καὶ διαμάχεσθαι τοῦ βασιλέως, οὐκ ἔφη διακωλύσειν τοὺς πολεμίους ἴσους αὐτοῖς γενέσθαι βουλομένους. ἔτι δὲ μικρὸν ἀπολειπούσης τῆς τάφρου [d] συνάψαι, κατὰ τοῦτο παρατάξας τὸ διαλείπον καὶ πρὸς ἴσους ἴσοις ἀγωνισάμενος ἐνίκησεν.

Ἀποθνήσκων δὲ τοὺς φίλους ἐκέλευσε μηδεμίαν πλαστὰν μηδὲ μιμηλὰν ποιήσασθαι, τὰς εἰκόνας οὕτω προσαγορεύων· 'εἰ γάρ τι καλὸν ἔργον πεποίηκα, τοῦτό μου μνημεῖον ἔσται· εἰ δὲ μηδέν, οὐδ' οἱ πάντες ἀνδριάντες.'

ΑΡΧΙΔΑΜΟΣ Ο ΑΓΗΣΙΛΑΟΥ

Ἀρχίδαμος ὁ Ἀγησιλάου καταπελτικὸν ἰδὼν βέλος τότε πρῶτον ἐκ Σικελίας ἀχθὲν ἀνεβόησεν ὧς Ἡράκλεις, ἀπόλωλεν ἀνδρὸς ἀρετά.'

ΑΓΙΣ Ο ΝΕΩΤΕΡΟΣ

[e] Ὁ δὲ νεώτερος Ἄγις, Δημάδου λέγοντος ὅτι τὰ Λακωνικὰ ξίφη διὰ μικρότητα καταπίνουσιν οἱ θαυματοποιοί, 'καὶ μήν' ἔφη 'μάλιστα οἱ Λακεδαιμόνιοι τῶν πολεμίων τοῖς ξίφεσιν ἐφικνοῦνται.'

Τῷ δὲ προδότῃ παραδοῦναι στρατιώτας τῶν ἐφόρων κελευόντων οὐκ ἔφη πιστεύειν τοὺς ἀλλοτρίους τῷ προδόντι τοὺς ἰδίους.

ΚΛΕΟΜΕΝΗΣ

Κλεομένης πρὸς τὸν ὑπισχνούμενον αὐτῷ δώσειν ἀλεκτρύονας ἀποθνήσκοντας ἐν τῷ μάχεσθαι 'μὴ σύ γε' εἶπεν 'ἀλλὰ δός μοι τοὺς κατακτέννοντας ἐν τῷ μάχεσθαι.'

ΠΕΔΑΡΙΤΟΣ

[f] Πεδάριτος οὐκ ἐγκριθεὶς εἰς τοὺς τριακοσίους, ἥ τις ἦν ἐν τῇ πόλει πρωτεύουσα τιμὴ τῇ τάξει, ἱλαρὸς καὶ μειδιῶν ἀπῆει, χαίρειν λέγων εἰ τριακοσίους ἢ πόλιν ἔχει πολίτας ἑαυτοῦ βελτίονας.

ΔΑΜΩΝΙΔΑΣ

Δαμωνίδας δὲ ταχθεὶς εἰς τὴν τελευταίαν τοῦ χοροῦ τάξιν ὑπὸ τοῦ τὸν χορὸν ἱστάντος 'εὗγε' εἶπεν 'ἔξεῦρες, πῶς καὶ αὕτη ἔντιμος γένηται.'

ΝΙΚΟΣΤΡΑΤΟΣ

[192] [a] Νικόστρατος ὁ τῶν Ἀργείων στρατηγὸς ὑπ' Ἀρχιδάμου

χωρίον τι προδοῦναι παρακαλούμενος ἐπὶ χρήμασι πολλοῖς καὶ γάμῳ Λακαίνης, ἣν βούλεται, δίχα τῶν βασιλικῶν, ἀπεκρίνατο μὴ εἶναι τὸν Ἀρχίδαμον ἀφ' Ἡρακλέους· τὸν μὲν γὰρ Ἡρακλέα περιόντα τοὺς κακοὺς κολάζειν, Ἀρχίδαμον δὲ τοὺς ἀγαθοὺς κακοὺς ποιεῖν.

ΕΥΔΑΜΙΔΑΣ

Εὐδαμίδας ἰδὼν ἐν Ἀκαδημεία Ξενοκράτην πρεσβύτερον ἤδη μετὰ τῶν μαθητῶν φιλοσοφοῦντα καὶ πυθόμενος ὅτι τὴν ἀρετὴν ζητεῖ, 'πότ' οὖν' εἶπεν 'αὐτῇ χρήσεται;'

[b]

Πάλιν ἀκούσας φιλοσόφου διαλεχθέντος ὅτι μόνος ἀγαθὸς στρατηγὸς ὁ σοφὸς ἐστίν, 'ὁ μὲν λόγος' ἔφη 'θαυμαστός, ὁ δὲ λέγων οὐ περισεσάλπισται.'

ΑΝΤΙΟΧΟΣ

Ἀντίοχος ἐφορεύων, ὡς ἤκουσεν ὅτι Μεσσηνίοις Φίλιππος τὴν χώραν ἔδωκεν, ἠρώτησεν εἰ καὶ τὸ κρατεῖν αὐτοῖς μαχομένοις περὶ τῆς χώρας ἔδωκεν.

ΑΝΤΑΛΚΙΔΑΣ

Ἀνταλκίδας πρὸς τὸν Ἀθηναῖον ἀμαθεῖς ἀποκαλοῦντα τοὺς Λακεδαιμονίους 'μόνοι γοῦν' εἶπεν 'ἡμεῖς οὐδὲν μεμαθήκαμεν κακὸν παρ' ὑμῶν.'

Ἐτέρου δ' Ἀθηναίου πρὸς αὐτὸν εἰπόντος 'ἀλλὰ μὴν [c] ἡμεῖς ἀπὸ τοῦ Κηφισοῦ πολλάκις ὑμᾶς ἐδιώξαμεν', 'ἡμεῖς δ' οὐδέποτε' εἶπεν 'ὑμᾶς ἀπὸ τοῦ Εὐρώτα.'

Σοφιστοῦ δὲ μέλλοντος ἀναγινώσκειν ἐγκώμιον Ἡρακλέους, ἔφη 'τίς γὰρ αὐτὸν ψέγει;'

ΕΠΑΜΕΙΝΩΝΔΑΣ

Ἐπαμεινώνδου τοῦ Θηβαίου στρατηγοῦντος οὐδέποτε πανικὸς θόρυβος ἐνέπεσεν εἰς τὸ στρατόπεδον.

Ἔλεγε δὲ τὸν ἐν πολέμῳ θάνατον εἶναι ἱερόθυτον.

Τῶν δὲ ὀπλιτῶν δεῖν ἀπέφαιναν εἶναι τὸ σῶμα γεγυμνασμένον οὐκ ἀθλητικῶς μόνον ἀλλὰ καὶ στρατιωτικῶς· διὸ καὶ τοῖς πολυσάρκοις ἐπολέμει, καὶ τινα τοιοῦτον [d] ἀπήλασε τῆς στρατιᾶς εἰπὼν ὅτι μόλις αὐτοῦ σκέπουσιν τὴν γαστέρα ἀσπίδες τρεῖς ἢ τέσσαρες, δι' ἣν οὐχ ἐώρακεν αὐτοῦ τὸ αἰδοῖον.

Οὕτω δ' ἦν εὐτελὴς περὶ τὴν δίαιταν, ὥστε κληθεῖς ἐπὶ δεῖπνον ὑπὸ γείτονος εὐρὼν πεμμάτων καὶ ὄψων καὶ μύρων παρασκευῇν

ἀπῆλθεν εὐθύς, εἰπὼν ‘ἐγὼ σε θύειν ὥοιμην οὐχ ὑβρίζειν.’

Τοῦ δὲ μαγείρου τοῖς συνάρχουσιν ἡμερῶν τινων δαπάνην ἀπολογιζομένου πρὸς μόνον ἠγανάκτησε τὸ πλῆθος τοῦ ἐλαίου· θαυμασάντων δὲ τῶν συναρχόντων, οὐ τὸ τῆς δαπάνης ἔφη λυπεῖν αὐτόν, ἀλλ’ εἰ τοσοῦτον ἔλαιον ἐντὸς παραδέδεκται τοῦ σώματος.

[e] Ἐορτὴν δὲ τῆς πόλεως ἀγούσης καὶ πάντων ἐν πότοις καὶ συνουσίαις ὄντων ἀπήντησέ τινα τῶν συνήθων αὐχμηρὸς καὶ σύννους βαδίζων· θαυμάζοντος δὲ καὶ πυνθανομένου τί δὴ μόνος οὕτως ἔχων περίεισιν, ‘ὅπως’ εἶπεν ‘ἐξῇ πᾶσιν ὑμῖν μεθύειν καὶ ῥαθυμεῖν.’

Ἀνθρωπον δὲ φαῦλον ἐξημαρτηκότα τι τῶν μετρίων τοῦ μὲν Πελοπίδου παρακαλοῦντος οὐκ ἀφῆκε, τῆς δ’ ἐρωμένης δεηθείσης ἀφῆκεν, εἰπὼν ὅτι τοιαῦτα πρέπει λαμβάνειν ἑταιριδίαις, ἀλλὰ μὴ στρατηγοῖς.

Ἐπεὶ δὲ Λακεδαιμονίων ἐπιστρατευομένων ἀνεφέροντο χρησιμοὶ τοῖς Θηβαίοις, οἱ μὲν ἦταν οἱ δὲ νίκην [f] φράζοντες, ἐκέλευε τοὺς μὲν ἐπὶ δεξιὰ τοῦ βήματος θεῖναι, τοὺς δ’ ἐπ’ ἀριστερά. τεθέντων δὲ πάντων ἀναστὰς εἶπεν ‘ἐὰν μὲν ἐθελήσητε τοῖς ἄρχουσι πείθεσθαι καὶ τοῖς πολεμίοις ὁμόσε χωρεῖν, οὗτοι ὑμῖν εἰσὶν οἱ χρησιμοί’ δείξας τοὺς βελτίονας· ‘ἐὰν δ’ ἀποδειλιάσητε πρὸς τὸν κίνδυνον, ἐκεῖνοι’ πρὸς τοὺς χείρονας ἰδῶν.

Πάλιν δὲ προσάγων τοῖς πολεμίοις, βροντῆς γενομένης καὶ τῶν περὶ αὐτὸν πυνθανομένων τί σημαίνειν [193] [a] οἶεται τὸν θεόν, ἐμβεβροντῆσθαι τοὺς πολεμίους εἶπεν, ὅτι τοιοῦτων χωρίων ἐγγὺς ὄντων ἐν τοιοῦτοις στρατοπεδεύουσιν.

Ἦδιστον δὲ πάντων τῶν αὐτῷ γεγονότων καλῶν καὶ ἀγαθῶν εἶναι ἔλεγε τὸ [τῶν γειναμένων αὐτὸν] τοῦ πατρὸς ἔτι ζῶντος καὶ τῆς μητρὸς ἐν Λεύκτροις νικῆσαι Λακεδαιμονίους.

Εἰωθὼς δὲ φαίνεσθαι τὸν ἄλλον χρόνον ἀλγλιμμένος τὸ σῶμα καὶ φαιδρὸς τῷ προσώπῳ μετὰ τὴν μάχην ἐκείνην τῇ ὑστεραίᾳ προῆλθεν αὐχμηρὸς καὶ ταπεινός· τῶν δὲ φίλων ἐρωτῶντων μὴ τι λυπηρὸν αὐτῷ συμπέπτωκεν, ‘οὐδέν’ εἶπεν ‘ἀλλ’ ἐχθὲς ἦσθόμην ἔμαντοῦ μείζον ἢ καλῶς ἔχει φρονήσαντος· διὸ σήμερον κολάζω τὴν [b] ἀμετρίαν τῆς χαρᾶς.’

Εἰδὼς δὲ τοὺς Σπαρτιάτας ἐπικρυπτομένους τὰ τοιαῦτα συμπτώματα καὶ βουλόμενος ἐξελέγξει τὸ μέγεθος τῆς συμφορᾶς αὐτῶν, οὐχ ὁμοῦ πᾶσι νεκρῶν ἀναίρεσιν ἀλλ’ ἐκάστοις κατὰ

πόλιν ἔδωκεν, ὥστε πλείονας ἢ χιλίους ὄντας ὀφθῆναι τοὺς Λακεδαιμονίων.

Ἰάσονος δὲ τοῦ Θεσσαλῶν μονάρχου συμμάχου μὲν εἰς Θήβας παραγενομένου, διοχιλίους δὲ χρυσοὺς τῷ Ἐπαμεινώνδᾳ πέμψαντος ἰσχυρῶς πενομένῳ τὸ μὲν χρυσίον οὐκ ἔλαβε, τὸν δὲ Ἰάσονα θεασάμενος ‘ἀδίκων’ ἔφη ‘χειρῶν ἄρχεις,’ αὐτὸς δὲ πεντήκοντα δραχμὰς δανεισάμενος [c] παρὰ τινος τῶν πολιτῶν ἐφόδιον τῆς στρατείας ἐνέβαλεν εἰς Πελοπόννησον.

Αὐθις δὲ τοῦ Περσῶν βασιλέως τρισμυρίους δαρεικοὺς ἀποστείλαντος αὐτῷ, καθήψατο πικρῶς Διομέδοντος, εἰ τοσοῦτον πλοῦν πέπλευκε διαφθερῶν Ἐπαμεινώνδαν· πρὸς δὲ τὸν βασιλέα λέγειν ἐκέλευσεν, ὅτι τὰ συμφέροντα Θηβαίοις φρονῶν ἔξει προῖκα φίλον Ἐπαμεινώνδαν, τὰ δὲ μὴ συμφέροντα πολέμιον.

Ἐπεὶ δ’ Ἀργεῖοι μὲν ἐγένοντο σύμμαχοι Θηβαίων, Ἀθηναίων δὲ πρέσβεις εἰς Ἀρκαδίαν παραγενόμενοι κατηγοροῦν ἀμφοτέρων καὶ Καλλίστρατος ὁ ῥήτωρ ὠνείδισε τὸν Ὀρέστην καὶ τὸν Οἰδίποδα ταῖς πόλεσιν, ἐπαναστὰς ὁ [d] Ἐπαμεινώνδας ‘ὁμολογοῦμεν’ ἔφη ‘καὶ παρ’ ἡμῖν πατροκτόνον γενέσθαι καὶ παρ’ Ἀργείοις μητροκτόνον· ἀλλὰ τοὺς ταῦτα δράσαντας ἡμεῖς μὲν ἐξεβάλομεν, Ἀθηναῖοι δὲ ὑπεδέξαντο.’

Πρὸς δὲ τοὺς Σπαρτιάτας πολλὰ καὶ μεγάλα τῶν

Θηβαίων κατηγοροῦντας ‘οὗτοι μέντοι’ εἶπεν ‘ὕμᾱς βραχυλογοῦντας ἔπαυσαν.’

Ἐπεὶ δ’ Ἀλέξανδρον τὸν Φεραίων τύραννον πολέμιον ὄντα Θηβαίων Ἀθηναῖοι φίλον ἐποιήσαντο καὶ σύμμαχον ὑποσχόμενον αὐτοῖς ἡμιωβολίου τὴν μνᾶν κρεῶν ὠνιον παρέξειν, ‘ἡμεῖς δέ’ ἔφη ὁ Ἐπαμεινώνδας ‘ξύλα [e] προῖκα παρέξομεν Ἀθηναίοις ἐπὶ τὰ κρέα ταῦτα· τὴν γὰρ χώραν αὐτῶν τεμοῦμεν, ἃν πολυπραγμονῶσι.’

Τοὺς δὲ Βοιωτοὺς ὑπὸ σχολῆς ἐκλυομένους αἰεὶ βουλόμενος ἐν τοῖς ὅπλοις συνέχειν, ὅποτε βοιωτάρχης αἰρεθείη, παραινῶν ἔλεγεν ‘ἔτι βουλευσασθε, ὧ ἄνδρες· ἐὰν γὰρ ἐγὼ στρατηγῶ, στρατευτέον ἐστὶν ὑμῖν·’ καὶ τὴν χώραν ὑπτίαν οὔσαν καὶ ἀναπεπταμένην ‘πολέμου ὀρχήστραν’ προσηγόρευεν, ὥς μὴ δυναμένους κρατεῖν αὐτῆς, ἃν μὴ τὴν χεῖρα διὰ πόρπακος ἔχωσι.

Τοῦ δὲ Χαβρίου περὶ Κόρινθον ὀλίγους τινὰς τῶν Θηβαίων ὑπὸ τὰ τεῖχη φιλομαχοῦντας καταβαλόντος καὶ [f] στήσαντος τρόπαιον,

ὁ Ἐπαμεινώνδας καταγελῶν ἔφη ‘ἐνταῦθα δεῖ οὐ τρόπαιον ἀλλὰ Ἑκατήσιον ἐστάναι.’ τὴν γὰρ Ἑκάτην ἐπικεικῶς ἐν ταῖς πρὸ τῶν πυλῶν ἰδρύνοντο τριόδοις.

Ἀπαγγεῖλαντος δέ τινος ὡς Ἀθηναῖοι στράτευμα καινοῖς κεκοσμημένον ὅπλοις εἰς Πελοπόννησον ἀπεστάλκασι, ‘τί οὖν;’ εἶπεν Ἀντιγενίδας στένει καινοὺς Τελλῆνος αὐλοὺς ἔχοντας;’ ἦν δ’ αὐλητὴς ὁ μὲν Τελλὴν κάκιστος, ὁ δ’ Ἀντιγενίδας κάλλιστος.

[194] [a] Τὸν δὲ ὑπασπιστὴν αἰσθόμενος εἰληφότα χρήματα πολλὰ παρ’ ἀνδρὸς αἰχμαλώτου γεγονότος ‘ἐμοὶ μὲν’ εἶπεν ‘ἀπόδος τὴν ἀσπίδα, σεαυτῷ δὲ πρῶν καπηλεῖον, ἐν ᾧ καταζήσεις· οὐκέτι γὰρ ἐθελήσεις κινδυνεύειν ὁμοίως εἰς τῶν πλουσίων γεγωνῶς καὶ μακαρίων.’

Ἐρωτηθεὶς δὲ πότερον ἑαυτὸν ἡγεῖται βελτίονα στρατηγὸν ἢ Χαβρίαν ἢ Ἴφικράτην ‘δύσκριτον’ εἶπεν ‘ἕως ζῶμεν.’

Ἐπεὶ δ’ ἐκ τῆς Λακωνικῆς ὑποστρέψας ἔφευγε θανάτου δίκην μετὰ τῶν συστρατῆγων ὡς ἐπιβαλὼν τῇ βοιωταρχίᾳ παρὰ τὸν νόμον τέσσαρας μῆνας, τοὺς μὲν συνάρχοντας ἐκέλευεν εἰς ἑαυτὸν ἀναφέρειν τὴν αἰτίαν [b] ὡς ἐκβιασθέντας, αὐτὸς δ’ οὐκ ἔφη βελτίονας ἔχειν τῶν ἔργων λόγους· εἰ δὲ δεῖ τι πάντως εἰπεῖν πρὸς τοὺς δικαστάς, ἀξιοῦν, ἂν ἀποκτείνωσιν αὐτόν, ἐπιγράψαι τῇ στήλῃ τὴν καταδίκην, ὅπως οἱ Ἕλληνες εἰδῶσιν ὅτι μὴ βουλομένους Θηβαίους Ἐπαμεινώνδας ἠνάγκασε τὴν Λακωνικὴν πυρπολῆσαι, πεντακοσίοις ἐνιαυτοῖς ἀδήωτον οὔσαν· οἰκίσαι δὲ Μεσσήνην δι’ ἐτῶν τριάκοντα καὶ διακοσίων· συντάξαι δὲ καὶ συναγαγεῖν εἰς ταῦτον Ἀρκάδας· ἀποδοῦναι δὲ τοῖς Ἕλλησι τὴν αὐτονομίαν. ταῦτα γὰρ ἐπράχθη κατ’ ἐκείνην τὴν στρατείαν. ἐξῆλθον οὖν οἱ δικασταὶ σὺν πολλῷ γέλῳι μηδὲ τὰς ψήφους ἐπ’ αὐτὸν [c] ἀναλαβόντες.

Ἐν δὲ τῇ τελευταίᾳ μάχῃ τρωθεὶς καὶ κομισθεὶς ἐπὶ τὴν σκηνὴν ἐκάλει Δαῖφαντον, εἶτα μετ’ ἐκείνον Ἰολαῖδαν· τεθνάναι δὲ τοὺς ἄνδρας πυθόμενος ἐκέλευε διαλύεσθαι πρὸς τοὺς πολεμίους, ὡς οὐκ ὄντος αὐτοῖς στρατηγοῦ. καὶ τῷ λόγῳ τὸ ἔργον ἐμαρτύρησεν, ὡς εἰδότος ἄριστα τοὺς πολίτας.

ΠΕΛΟΠΙΔΑΣ

Πελοπίδας ὁ συστράτηγος Ἐπαμεινώνδα, τῶν φίλων αὐτὸν ἀμελεῖν λεγόντων πράγματος ἀναγκαίου, χρημάτων συναγωγῆς, ‘ἀναγκαῖα τὰ χρήματα νῆ Δία’ εἶπε ‘τούτῳ’ Νικομήδῃ δείξας,

χωλὸν καὶ ἀνάπηρον ἄνθρωπον.

Τῆς δὲ γυναικός, ἐπὶ μάχην ἐξιόντος αὐτοῦ, δεομένης [d] σῶζειν ἑαυτόν, ἄλλοις ἔφη δεῖν τοῦτο παραινεῖν, ἄρχοντι δὲ καὶ στρατηγῷ σῶζειν τοὺς πολίτας.

Εἰπόντος δὲ τινος τῶν στρατιωτῶν ‘ἐμπεπτώκαμεν εἰς τοὺς πολεμίους’, ‘τί μᾶλλον’ εἶπεν ‘ἢ εἰς ἡμᾶς ἐκείνοι;’

Ἐπεὶ δὲ παρασπονδηθεὶς ὑπ’ Ἀλεξάνδρου τοῦ Φεραίων τυράννου καὶ δεθεὶς κακῶς αὐτὸν ἔλεγεν, εἰπόντος ἐκείνου ‘σπεύδεις ἀποθανεῖν;’ ‘πάνυ μὲν οὖν’ εἶπεν ‘ἵνα μᾶλλον παροξυνθῶσι Θηβαῖοι καὶ σὺ δίκην δῶς τάχιν.’

Θήβης δὲ τῆς τοῦ τυράννου γυναικός ἐλθούσης πρὸς Πελοπίδαν καὶ λεγούσης θαυμάζειν ὅτι οὕτως ἱλαρὸς ἐστὶ δεδεδεμένος, αὐτὸς ἔφη μᾶλλον θαυμάζειν [e] ἐκείνην, ὅτι μὴ δεδεδεμένη ὑπομένει Ἀλέξανδρον.

Κομισαμένου δ’ αὐτὸν τοῦ Ἐπαμεινώνδου, χάριν εἶπεν ἔχειν Ἀλεξάνδρῳ· πεπειρᾶσθαι γὰρ ἑαυτοῦ νῦν μάλιστα οὐ πρὸς πόλεμον <μόνον>, ἀλλὰ καὶ πρὸς θάνατον εὐθαρσῶς ἔχοντος.

ΡΩΜΑΙΚΑ

ΜΑΝΙΟΣ ΚΟΥΡΙΟΣ

Μάνιος Κούριος, ἐγκαλούντων αὐτῷ τινων ὅτι τῆς αἰχμαλώτου χώρας ὀλίγον ἐκάστῳ μέρος δίδειμε τὴν δὲ πολλὴν ἐποίησε δημοσίαν, ἐπηύξατο μηδένα γενέσθαι Ῥωμαίων, ὃς ὀλίγην ἠγήσεται γῆν τὴν τρέφουσιν.

Σαυνιτῶν δὲ μετὰ τὴν ἦτταν ἀφικομένων πρὸς [f] αὐτὸν καὶ χρυσίον διδόντων ἔτυχεν ἐν χύτραις ἔψων γογγυλίδας· ἀπεκρίνατο δὴ τοῖς Σαυνίταις μηδὲν χρυσίου δεῖσθαι τοιοῦτον δεῖπνων δειπνῶν, αὐτῷ δὲ βέλτιον εἶναι τοῦ χρυσίου ἔχειν τὸ κρατεῖν τῶν ἐχόντων.

ΓΑΙΟΣ ΦΑΒΡΙΚΙΟΣ

Γάιος Φαβρίκιος τὴν ὑπὸ Πύρρου Ῥωμαίων ἦτταν πυθόμενος ‘Λαιβῖνον’ εἶπε ‘Πύρρος, οὐκ Ἥπειρῶται Ῥωμαίους νενικήκασιν.’

Ἐλθὼν δὲ πρὸς Πύρρον περὶ λύσεως αἰχμαλώτων [195] [a] χρυσίον μὲν πολὺ διδόντος οὐκ ἔλαβε· τῇ δ’ ὑστεραία τὸν μέγιστον ἐλέφαντα τοῦ Πύρρου παρασκευάσαντος ἐξόπισθεν

ἀγνοοῦντι τῷ Φαβρικίῳ ῥήξαντα φωνὴν ἐπιφανῆναι καὶ τούτου γενομένου, ἐπιστραφεὶς ὁ Φαβρίκιος καὶ μειδιάσας ‘ἐμέ’ εἶπεν ‘οὔτε τὸ χρυσίον ἐχθὲς οὔτε σήμερον τὸ θηρίον ἐξέπληξε.’

Τοῦ δὲ Πύρρου παρακαλοῦντος αὐτὸν εἶναι σὺν αὐτῷ καὶ τὴν μετ’ αὐτὸν ἔχειν ἡγεμονίαν ‘οὐδὲ σοί’ ἔφη ‘τοῦτο λυσιτελὲς ἐστίν· Ἡπειρώται γὰρ ἐὰν ἀμφοτέρους γνῶσιν ἡμᾶς, ὑπ’ ἐμοῦ βασιλεύεσθαι μᾶλλον ἢ σοῦ ἐθελήσουσιν.’

Ὑπατεύοντι δὲ τῷ Φαβρικίῳ προσέπεμψεν ἐπιστολὴν [b] ὁ τοῦ Πύρρου ἰατρὸς ἐπαγγελλόμενος, ἐὰν κελεύῃ, φαρμάκοις τὸν Πύρρον ἀποκτενεῖν· ὁ δὲ Φαβρίκιος τὴν ἐπιστολὴν πρὸς τὸν Πύρρον ἔπεμψεν, αἰσθέσθαι κελεύσας ὅτι καὶ φίλων κἀκιστός ἐστι κριτὴς καὶ πολεμίων.

Ἐπεὶ δὲ φωράσας τὴν ἐπιβουλὴν ὁ Πύρρος τὸν μὲν ἰατρὸν ἐκρέμασε, τῷ δὲ Φαβρικίῳ τοὺς αἰχμαλώτους ἄνευ λύτρων ἀπέδωκεν, οὐκ ἐδέξατο δωρεὰν ἀλλ’ ἴσους ἀντέδωκε, μὴ δόξη λαμβάνειν μισθόν· οὐδὲ γὰρ χάριτι Πύρρου μεμνησκέσθαι τὴν ἐπιβουλὴν, ἀλλ’ ὅπως μὴ δοκῶσι Ῥωμαῖοι δόλῳ κτείνειν, ὡς φανερώς νικᾷν οὐ δυνάμενοι.

ΦΑΒΙΟΣ ΜΑΞΙΜΟΣ

[c] Φάβιος Μάξιμος Ἀννίβα μάχεσθαι μὴ βουλόμενος ἀλλὰ τρίβειν χρόνῳ τὴν δύναμιν αὐτοῦ καὶ χρημάτων ἐνδεᾶ καὶ σιτίων οὔσαν ἐπηκολούθει διὰ τῶν τραχέων καὶ ὀρεινῶν ἀντιπαρεξιῶν· καταγελόντων δὲ τῶν πολλῶν καὶ παιδαγωγὸν Ἀννίβα καλούντων μικρὰ φροντίζων ἐχρῆτο τοῖς αὐτοῦ λογισμοῖς· καὶ πρὸς τοὺς φίλους ἔλεγεν ὅτι τὸν σκώμματα φοβούμενον καὶ λοιδορίας δειλότερον ἡγεῖται τοῦ φεύγοντος τοὺς πολεμίους.

Ἐπεὶ δὲ τοῦ συνάρχοντος Μινουκίου καταβαλόντος τινὰς τῶν πολεμίων πολὺς ἦν λόγος ὡς ἀνδρὸς ἀξίου τῆς Ῥώμης, μᾶλλον ἔφη τὴν εὐτυχίαν ἢ τὴν ἀτυχίαν [d] τοῦ Μινουκίου φοβεῖσθαι. καὶ μετὰ μικρὸν ἐνέδρα περιπεσόντος καὶ κινδυνεύοντος ἀπολέσθαι μετὰ τῆς ἑαυτοῦ δυνάμεως ἐπιβοηθήσας τῶν τε πολεμίων πολλοὺς διέφθειρε κἀκεῖνον ἔσωσεν. ὁ μὲν οὖν Ἀννίβας εἶπε πρὸς τοὺς φίλους ‘οὐ πολλάκις ἐγὼ προὔλεγον ὑμῖν τὴν ἐπὶ τῶν ὀρῶν νεφέλην ὅτι χειμάσει ποτὲ ἐφ’ ἡμᾶς;’

Μετὰ δὲ τὴν ἐν Κάνναις ἀτυχίαν τῆς πόλεως ἄρχων

γεγονῶς μετὰ Κλαυδίου Μαρκέλλου, τόλμαν ἔχοντος ἀνδρὸς καὶ φιλομαχοῦντος αἰεὶ πρὸς τὸν Ἀννίβαν, αὐτὸς ἥλπιζεν, εἰ μηδεὶς

μάχοιτο, ταχὺ τὴν δύναμιν τοῦ Ἀννίβα [e] παρατεινομένην ἀπαγορεύσειν· ἔλεγεν οὖν ὁ Ἀννίβας ὅτι μᾶλλον φοβεῖται Μαρκέλλου μαχομένου Φάβιον μὴ μαχόμενον.

Στρατιώτου δέ τινος Λευκανοῦ κατηγορηθέντος πρὸς αὐτόν, ὡς νύκτωρ ἀπὸ τοῦ στρατοπέδου πλανῶτο πολλάκις ἐρῶν γυναικός, τὰ δ' ἄλλα θαυμαστὸν ἐν τοῖς ὅπλοις πυνθανόμενος εἶναι τὸν ἄνδρα, συλλαβεῖν ἐκέλευσε τὴν ἐρωμένην αὐτοῦ κρύφα καὶ πρὸς αὐτὸν ἀγαγεῖν· ὡς δ' ἦχθη, μεταπεμφάμενος τὸν ἄνθρωπον 'οὐ λέληθας' ἔφη 'παρὰ τὸν νόμον ἀπονυκτερεύων· ἄλλ' οὐδὲ χρηστὸς ὢν πρότερον ἐλελήθεις· τὰ μὲν οὖν ἡμαρτημένα [f] λελύσθω τοῖς ἠνδραγαθημένοις, τὸ δὲ λοιπὸν ἔσῃ μεθ' ἡμῶν· ἔχω γὰρ ἐγγυητὴν' καὶ προαγαγὼν συνέστησεν αὐτῷ τὸ γύναιον.

Ταραντίνους δὲ κατέχοντα φρουρᾷ τὸν Ἀννίβαν πλὴν τῆς ἀκροπόλεως ἀπαγαγὼν πορρωτάτῳ δι' ἀπάτης καὶ τὴν πόλιν ἐλὼν καὶ διαρπάσας, τοῦ γραμματέως ἐπερωτήσαντος τί περὶ τῶν ἱερῶν ἔγνωκεν ἀγαλμάτων, 'ἀπολίπτωμεν' ἔφη 'Ταραντίνους τοὺς θεοὺς κεχολωμένους.'

Μάρκου δὲ Λιβίου τοῦ τὴν ἀκρόπολιν φρουροῦντος δι' ἑαυτὸν ἐαλωκέναι τὴν πόλιν λέγοντος, οἱ μὲν ἄλλοι [196] [a] κατεγέλων, ὁ δὲ Φάβιος εἶπεν 'ἀληθῆ λέγεις· εἰ μὴ γὰρ σὺ τὴν πόλιν ἀπέβαλες, οὐκ ἂν ἐγὼ ἀνέλαβον.'

Ἦδη δὲ πρεσβύτερος ὢν, ὑπατεύοντος τοῦ υἱοῦ καὶ χρηματίζοντος ἐν δημοσίῳ πολλῶν παρόντων, ἀναβάς ἐφ' ἵππον προσήει· πέμψαντος δὲ τοῦ νεανίσκου ῥαβδοῦχον καὶ καταβῆναι κελεύσαντος, οἱ μὲν ἄλλοι διετράπησαν, αὐτὸς δὲ ὁ Φάβιος ἀποπηδήσας τοῦ ἵππου προσέδραμε παρ' ἡλικίαν καὶ περιβαλὼν τὸν υἱόν 'εὗγε' εἶπεν, 'ὦ παῖ, φρονεῖς, αἰσθόμενος τίνων ἄρχεις καὶ πηλίκης ἀρχῆς μέγεθος παρείληφας.'

ΣΚΙΠΙΩΝ Ο ΠΡΕΣΒΥΤΕΡΟΣ

[b] Σκιπίων δὲ ὁ πρεσβύτερος τὴν ἀπὸ τῶν στρατειῶν καὶ τῆς πολιτείας σχολὴν ἐν γράμμασι διατριβὴν ποιούμενος ἔλεγεν, ὅποτε σχολάζοι, πλείονα πράττειν.

Ἐπεὶ δὲ Καρχηδόνα κατὰ κράτος εἶλε καὶ τῶν στρατιωτῶν τινες αἰχμάλωτον λαβόντες εὐπρεπῆ παρθένον ἦκον κομίζοντες αὐτῷ τ' ἐδίδοσαν, 'ἠδέως ἂν' ἔφη 'ἔλαβον, εἴπερ ἦν ἰδιώτης καὶ μὴ ἄρχων.'

Πολιορκῶν δὲ πόλιν Βαθεῖαν, ἥς ὑπερεφαίνετο ναὸς Ἀφροδίτης,

ἐκέλευσεν ἐκεῖ τὰς ἐγγύας ὁμολογεῖν, ὡς εἰς τρίτην ἐν τῷ ἱερῷ τῆς Ἀφροδίτης ἀκουσόμενος τῶν διαδικούντων· καὶ τοῦτ' ἐποίησεν, ὡς προεῖπε, τῆς πόλεως ἀλούσης.

[c] Πυνθανομένου δέ τινος ἐν Σικελίᾳ, τίνι πεποισθῶς ἐπὶ Καρχηδὸνα μέλλοι τὸν στόλον περαιοῦν, δείξας αὐτῷ ἐνόπλους ἄνδρας τριακοσίους γυμναζομένους καὶ πύργον ὑψηλὸν ὑπὲρ θαλάττης 'οὐδεὶς' ἔφη 'τούτων ἐστίν, ὅστις ἐπὶ τὸν πύργον ἀναβὰς τοῦτον οὐκ ἂν ἑαυτὸν ῥίψειεν ἐπὶ κεφαλὴν ἑμοῦ κελεύσαντος.'

Ἐπεὶ δὲ διάρας τῆς τε γῆς ἐκράτει καὶ τὰ στρατόπεδα τῶν πολεμίων κατέκαυσεν, οἱ δὲ Καρχηδόνιοι πέμψαντες ἐποιοῦντο συνθήκας, τὰ τε θηρία καὶ τὰς ναῦς καὶ τὰ χρήματα δώσειν ὁμολογήσαντες, Ἀννίβου δὲ καταπλεύσαντος ἐξ Ἰταλίας μετεμέλοντο ταῖς ὁμολογίαις [d] διὰ τὸ θαρρεῖν, πυθόμενος Σκιπίων ἔφη μηδὲ βουλομένοις αὐτοῖς ἔτι τὰς σπονδὰς φυλάξειν, ἂν μὴ τάλαντα πεντακισχίλια προεκτίσωσιν, ὅτι μετεπέμψαντο τὸν Ἀννίβαν.

Ἐπεὶ δὲ νικηθέντες οἱ Καρχηδόνιοι κατὰ κράτος περὶ σπονδῶν καὶ εἰρήνης πρέσβεις ἀπέστειλαν πρὸς αὐτόν, ἐκέλευσεν εὐθύς ἀπέναι τοὺς ἤκοντας, ὡς οὐκ ἀκουσόμενος πρότερον αὐτῶν ἢ Λεύκιον Τερέντιον ἀναγάγωσιν· ἦν δὲ Ῥωμαῖος ὁ Τερέντιος, ἐπεικῆς ἀνὴρ, γεροντῶς αἰχμάλωτος ὑπὸ Καρχηδονίων· ἐπεὶ δὲ ἦκον ἄγοντες τὸν ἄνδρα, καθίσας ἐν τῷ συμβουλίῳ παρ' [e] αὐτὸν ἐπὶ τοῦ βήματος, οὕτως ἐχρημάτισε τοῖς Καρχηδονίοις καὶ κατέλυσε τὸν πόλεμον.

Ὁ δὲ Τερέντιος ἐπηκολούθησεν αὐτῷ θριαμβεῦντι

πυλίων ἔχων ὥσπερ ἀπελευθερός· ἀποθανόντος δὲ τοῖς ἐπὶ τὴν ἐκφορὰν παραγενομένοις ἐνέχει πίνειν οἰνόμελι καὶ τὰ ἄλλα περὶ τὴν ταφὴν ἐφιλοτιμήθη. ταῦτα μὲν οὖν ὕστερον.

Ἀντιόχου δὲ τοῦ βασιλέως μετὰ τὸ διαβῆναι Ῥωμαίους ἐπ' αὐτὸν εἰς Ἀσίαν πέμψαντος πρὸς τὸν Σκιπίωνα περὶ διαλύσεως, 'ἔδει πρότερον' εἶπεν 'ἀλλὰ μὴ νῦν, ὅποτε καὶ τὸν χαλινὸν καὶ τὸν ἀναβάτην προσδέδεξαι.'

Χρήματα δὲ τῆς συγκλήτου λαβεῖν αὐτὸν ἐκ τοῦ [f] ταμείου ψηφισαμένης, τῶν δὲ ταμιῶν οὐ βουλομένων ἀνοῖξαι τῆς ἡμέρας ἐκείνης, αὐτὸς ἀνοίξειν ἔφη· καὶ γὰρ κλείεσθαι δι' αὐτὸν πλῆσαντα χρημάτων τοσούτων τὸ ταμεῖον.

†Πετιλλίου δὲ καὶ Κοῖντου πολλὰ πρὸς τὸν δῆμον αὐτοῦ κατηγορησάντων, εἰπὼν ὅτι τῇ σήμερον ἡμέρᾳ Καρχηδονίους καὶ Ἀννίβαν ἐνίκησεν, αὐτὸς μὲν ἔφη στεφανωσάμενος ἀναβαίνειν εἰς τὸ Καπετώλιον θύσων, τὸν δὲ βουλόμενον τὴν ψῆφον ἐκέλευσε φέρειν περὶ [197] [a] αὐτοῦ· καὶ ταῦτ' εἰπὼν ἀνέβαινεν, ὁ δὲ δῆμος ἐπηκολούθησε τοὺς κατηγοροὺς ἀπολιπὼν λέγοντας.

ΤΙΤΟΣ ΚΟΙΝΤΙΟΣ

Τίτος Κοῖντιος οὕτως ἦν εὐθύς ἐξ ἀρχῆς ἐπιφανής, ὥστε πρὸ δημαρχίας καὶ στρατηγίας καὶ ἀγορανομίας ὕπατος αἰρεθῆναι. πεμφθεὶς δὲ στρατηγὸς ἐπὶ Φίλιππον εἰς λόγους ἐπέισθη συνελθεῖν αὐτῷ· τοῦ δὲ Φιλίππου λαβεῖν ὁμήρους ἀξιοῦντος, ἐκεῖνον μὲν γὰρ «παρ»εῖναι μετὰ πολλῶν [Ρωμαίων], ἑαυτὸν δὲ μόνον [Μακεδόσι], «σὺ γὰρ μόνον» ὁ Κοῖντιος ἔφη «ἑαυτὸν ἐποίησας ἀποκτείνας τοὺς φίλους καὶ συγγενεῖς.»

[b] Νικήσας δὲ μάχῃ τὸν Φίλιππον ἐκήρυξεν ἐν Ἰσθμίοις ὅτι τοὺς Ἑλλήνας ἐλευθέρους καὶ αὐτονόμους ἀφίησιν· ὅσοι δὲ Ῥωμαίων αἰχμάλωτοι γενόμενοι ἐν τοῖς κατ' Ἀννίβαν χρόνοις ἐδοῦλεον παρὰ τοῖς Ἑλλήσι, τούτων ἕκαστον οἱ Ἕλληνες ἐξωνησάμενοι δραχμῶν πεντακοσίων δωρεὰν ἔδωκαν αὐτῷ, κἀκεῖνοι θριαμβεύοντι συνηκολούθησαν ἐν Ῥώμῃ πιλία περὶ ταῖς κεφαλαῖς ἔχοντες, ὥσπερ ἔθος ἐστὶ τοῖς ἐλευθερωθεῖσι.

Τοὺς δ' Ἀχαιοὺς ἐπὶ τὴν Ζακυνθίων νῆσον διανοομένους στρατεύειν ἐκέλευε φυλάττεσθαι, μὴ καθάπερ αἱ χελῶναι τὴν κεφαλὴν προτείναντες ἔξω τῆς Πελοποννήσου κινδυνεύσωσιν.

[c] Ἀντιόχου δὲ τοῦ βασιλέως μετὰ πολλῆς δυνάμεως ἥκοντος εἰς τὴν Ἑλλάδα καὶ πάντων ἐκπεπληγμένων τὰ πλήθη καὶ τοὺς ὀπλισμούς, λόγον εἶπε τοιοῦτον πρὸς τοὺς Ἀχαιοὺς· ἔφη γὰρ ἐν Χαλκίδι παρὰ τῷ ξένῳ δειπνῶν θαυμάζειν τὸ τῶν κρεῶν πλῆθος· εἰπεῖν δὲ τὸν ξένον ὅτι ταῦτα πάντα χοίρειά ἐστιν ἡδύσμασι καὶ σκευασίαις διαφέροντα. «μὴ τοίνυν μηδὲ ὑμεῖς» ἔφη «θαυμάζετε τὴν βασιλικὴν δύναμιν, λογχοφόρους καὶ καταφράκτους καὶ πεζεταίρους καὶ ἀφιπποτοξότας ἀκούοντες· πάντες γάρ εἰσιν οὗτοι Σύροι ὀπλαρίοις ἀλλήλων διαφέροντες.»

Φιλοποίμενι δὲ τῷ στρατηγῷ τῶν Ἀχαιῶν ἵππεῖς [d] μὲν πολλοὺς καὶ ὀπλίτας ἔχοντι χρημάτων δ' οὐκ εὐποροῦντι προσπαίζων ἔλεγεν ὅτι «χεῖρας ἔχει Φιλοποίμην καὶ σκέλη, γαστέρα δ' οὐκ ἔχει.» καὶ γὰρ καὶ τῇ φύσει τοῦ σώματος ἦν ὁ

Φιλοποίμην τοιοῦτος.

ΓΑΙΟΣ ΔΟΜΙΤΙΟΣ

Γάιος Δομίτιος, ὃν Σκιπίων ὁ μέγας ἀνθ' ἑαυτοῦ τῷ ἀδελφῷ Λευκίῳ παρακατέστησεν ἐν τῷ πρὸς Ἀντίοχον πολέμῳ, κατασχεψάμενος τὴν τῶν πολεμίων φάλαγγα καὶ τῶν περὶ αὐτὸν ἡγεμονικῶν εὐθὺς ἐπιχειρεῖν κελυόντων ἔφη τὴν ὥραν οὐκ ἐπαρκεῖν, ἵνα τοσαύτας μυριάδας [e] κατακόψαντες καὶ διαρπάσαντες τὴν ἀποσκευὴν ἐπανελθόντες εἰς τὸ στρατόπεδον ἑαυτῶν ἐπιμεληθῶσι, τὸ δ' αὐτὸ ποιήσῃν αὖριον καθ' ὥραν. καὶ συμβαλὼν τῇ ὑστεραίᾳ πεντακισμυρίους τῶν πολεμίων ἀνεῖλεν.

ΠΟΠΛΙΟΣ ΛΙΚΙΝΙΟΣ

Πόπλιος Λικίνιος ὑπάτος στρατηγὸς ἡττηθεὶς ὑπὸ Περσέως τοῦ Μακεδόνων βασιλέως ἵππομαχίᾳ δισχιλίους ὀκτακοσίους ἀπέβαλε, τοὺς μὲν πεσόντας τοὺς δὲ ἀλόντας· ἐπεὶ δὲ μετὰ τὴν μάχην ἔπεμψεν ὁ Περσεὺς πρέσβεις περὶ σπονδῶν καὶ εἰρήνης, ἐκέλευσεν ὁ νενικημένος [f] τὸν νενικηκότα Ῥωμαίοις ἐπιτρέπειν τὰ καθ' αὐτόν.

ΠΑΥΛΟΣ ΑἰΜΙΛΙΟΣ

Παῦλος Αἰμίλιος δευτέραν ὑπατείαν μετελθὼν ἀπέτυχεν· ἐπεὶ δὲ τοῦ πρὸς Περσέα καὶ Μακεδόνας πολέμου μῆκος λαμβάνοντος ἀπειρία καὶ μαλακία τῶν στρατηγῶν ἐκείνον ὑπάτον ἀπέδειξαν, οὐκ ἔφη χάριν ἔχειν αὐτοῖς· οὐ γὰρ <οὕτως> αὐτὸς ἀρχῆς δεόμενος, ὥς ἐκείνων ἄρχοντας, ἡρῆσθαι στρατηγός.

Ἐλθὼν δ' εἰς οἶκον ἐξ ἀγορᾶς καὶ τὴν Τερτίαν τὸ θυγάτριον εὐρῶν δεδακρυμένον ἐπυνθάνετο τὴν αἰτίαν· [198] [a] εἰπούσης δὲ ὅτι 'Περσεὺς τέθνηκεν ἡμῖν' (κυνίδιον δ' ἦν οὕτως ὀνομαζόμενον), 'ἀγαθῇ τύχῃ,' εἶπεν, 'ὦ θύγατερ, καὶ δέχομαι τὸν οἰωνόν.'

Εὐρῶν δ' ἐπὶ στρατοπέδου πολλὴν θρασύτητα καὶ λαλίαν παραστρατηγούντων καὶ πολυπραγμονούντων ἐκέλευσεν ἡσυχίαν ἔχειν καὶ ποιεῖν ὀξείας τὰς μαχαίρας μόνον, αὐτῷ δὲ τῶν ἄλλων μελήσειν.

Τὰς δὲ νυκτερινὰς φυλακὰς ἐκέλευσεν φυλάσσειν ἄνευ λόγῃς καὶ ξίφους, ὅπως ἀμύνασθαι τοὺς πολεμίους ἀπεγνωκότες μᾶλλον διαμαχοῦνται πρὸς τὸν ὕπνον.

Ἐμβαλὼν δὲ διὰ τῶν ἄκρων εἰς Μακεδονίαν καὶ συντεταγμένους ἰδὼν τοὺς πολεμίους τοῦ Νασικᾶ παρακαλοῦντος

[b] αὐτὸν εὐθὺς ἐπιχειρεῖν ‘εἶγε τὴν σὴν’ εἶπεν ‘ἡλικίαν εἶχον· αἱ δὲ πολλάί με πεῖραι κωλύουσιν ἐκ πορείας πρὸς φάλαγγα συντεταγμένην μάχεσθαι.’

Νικήσας δὲ τὸν Περσέα καὶ τὰς ἐπινίκιους ποιοῦμενος ἐστιάσεις ἔλεγε τῆς αὐτῆς ἐμπειρίας εἶναι στράτευμα φοβερώτατον πολεμίοις καὶ συμπόσιον ἥδιστον φίλοις παρασχεῖν.

Τοῦ δὲ Περσέως αἰχμαλώτου γενομένου καὶ παραιτουμένου τὸν θριάμβον ‘ἐπὶ σοί’ εἶπε ‘τοῦτ’ ἐστίν,’ ἐξουσίαν διδοὺς αὐτῷ ἑαυτὸν ἀνελεῖν.

Χρημάτων δ’ ἀπείρων εὐρεθέντων αὐτὸς μὲν οὐκ [c] ἔλαβε, τῷ δὲ γαμβρῷ Τουβέρωνι φιάλην ἀργυρεάν ὀκτὴς πέντε λιτρῶν ἀριστεῖον ἔδωκε. καὶ τοῦτό φασι πρῶτον εἰς τὸν <τῶν> Αἰλίων οἶκον εἰσελθεῖν κειμήλιον ἀργυροῦν.

Τεσσάρων δὲ παίδων ἀρρένων αὐτῷ γεγονότων δύο μὲν πρότερον ἐτύγχανεν ἐκδεδωκὼς ἑτέροις θέσθαι· δυοῖν δ’ ὄντων ἐπὶ τῆς οἰκίας ὁ μὲν ἡμέραις πέντε πρὸ τοῦ θριάμβου, τεσσαρακαίδεκα γεγωνὼς ἔτη, ἀπέθανεν, ὁ δὲ ὕστερον πέντε τοῦ θριάμβου, δωδεκαέτης. προελθὼν δέ, τοῦ δήμου συναλγοῦντος αὐτῷ καὶ συμπενθοῦντος, νῦν ἔφη περὶ τῆς πατρίδος ἀδεῆς γεγονέναι καὶ ἀκίνδυνος, ὅποτε τῶν εὐτυχημάτων τὴν νέμεσιν εἰς τὸν οἶκον ἀπερειασμένης τῆς τύχης ὑπὲρ πάντων αὐτὸς ἀναδέδεκται.

[d]

ΚΑΤΩΝ Ο ΠΡΕΣΒΥΤΕΡΟΣ

Κάτων ὁ πρεσβύτερος ἐν τῷ δήμῳ τῆς ἀσωτίας καὶ πολυτελείας καθαπτόμενος εἶπεν ‘ὥς χαλεπὸν ἐστὶ λέγειν πρὸς γαστέρα ὧτα μὴ ἔχουσαν.’ Θαυμάζειν δὲ πῶς σώζεται πόλις, ἐν ᾗ πωλεῖται πλείονος ἰχθὺς ἢ βοῦς.

Λοιδोरῶν δὲ ποτε τὴν ἐπιπολάζουσαν γυναικοκρατίαν ‘πάντες’ εἶπεν ‘ἄνθρωποι τῶν γυναικῶν ἄρχουσιν, ἡμεῖς δὲ πάντων ἀνθρώπων, ἡμῶν δὲ αἱ γυναῖκες.’

Ἐφη δὲ βούλεσθαι μᾶλλον εὐεργετήσας μὴ κομίσασθαι χάριν ἢ μὴ ὑποσχεῖν κόλασιν ἀδικήσας, καὶ [e] πᾶσιν ἀεὶ τοῖς ἀμαρτάνουσι χωρὶς ἑαυτοῦ διδόναι συγγνώμην.

Παρορμῶν δὲ τοὺς ἄρχοντας ἐπιτιμᾶν τοῖς ἀμαρτάνουσιν ἔλεγε τοὺς δυναμένους κωλύειν τοὺς κακῶς ποιοῦντας, ἐὰν μὴ κωλύωσι, κελεύειν.

Τῶν δὲ νέων ἔφη χαίρειν τοῖς ἐρυθριῷσι μᾶλλον ἢ τοῖς ὠχριῷσι.

Στρατιώτην δὲ μισεῖν, ὃς ἐν τῷ περιπατεῖν τὰς χεῖρας, ἐν δὲ τῷ μάχεσθαι τοὺς πόδας κινεῖ, ῥέγχει δὲ μεῖζον ἢ ἀλαλάζει.

Κάκιστον δ' ἔλεγεν ἄρχοντα εἶναι τὸν ἄρχειν ἑαυτοῦ μὴ δυνάμενον.

Μάλιστα δ' ἐνόμιζε δεῖν ἕκαστον ἑαυτὸν αἰδεῖσθαι· μηδένα γὰρ ἑαυτοῦ μηδέποτε χωρὶς εἶναι.

Πολλῶν δ' ὁρῶν ἀνισταμένους ἀνδριάντας ‘περὶ ἐμοῦ [f] δ’ ἔφη ‘βούλομαι ἐρωτᾶν μᾶλλον τοὺς ἀνθρώπους, διὰ τί ἀνδριὰς οὐ κεῖται [Κάτωνος] ἢ διὰ τί κεῖται.’

Φεῖδεσθαι δὲ τῆς ἐξουσίας παρεκάλει τοὺς δυναμένους, ὅπως αἰεὶ παραμείνῃ τὸ ἐξεῖναι.

Τοὺς δὲ τῆς ἀρετῆς τὴν τιμὴν ἀφαιροῦντας ἔλεγε τὴν ἀρετὴν ἀφαιρεῖν τῆς νεότητος.

Τὸν δ' ἄρχοντα ἢ κριτὴν ἔλεγε δεῖν μήτε ὑπὲρ τῶν δικαίων λιπαρεῖσθαι μήτε ὑπὲρ τῶν ἀδίκων ἐκλιπαρεῖσθαι.

[199] [a] Τὴν δ' ἀδικίαν ἔλεγε τοῖς ἀδικοῦσιν ἂν μὴ φέρῃ κίνδυνον, ἅπανσι φέρειν.

Τῷ δὲ γήρᾳ πολλῶν αἰσχυρῶν παρόντων ἡξίου μὴ προστιθέναι τὴν ἀπὸ τῆς κακίας αἰσχύνην.

Τὸν δ' ὀργιζόμενον ἐνόμιζε τοῦ μαινομένου χρόνῳ διαφέρειν.

Ἦκιστα δὲ φθονεῖσθαι τοὺς τῇ τύχῃ χρωμένους ἐπεικῶς καὶ μετρίως· ‘οὐ γὰρ ἡμῖν ἀλλὰ τοῖς περὶ ἡμᾶς φθονοῦσι.’

Τοὺς δὲ σπουδάζοντας ἐν τοῖς γελοίοις ἔλεγεν ἐν τοῖς σπουδαίοις ἔσεσθαι καταγελάστους.

Τὰς δὲ καλὰς πράξεις ἔλεγε δεῖν καταλαμβάνειν πράξεσι καλαῖς, ἵνα μὴ τῆς δόξης ἀπορρέωσιν.

Ἐπετίμα δὲ τοῖς πολίταις αἰεὶ τοὺς αὐτοὺς αἰρουμένοις [b] ἄρχοντας· ‘δόξετε γάρ’ εἶπεν ‘ἢ μὴ πολλοῦ τὸ ἄρχειν ἄξιον ἢ μὴ πολλοῦ τοῦ ἄρχειν ἀξίους ἡγεῖσθαι.’

Τὸν δὲ τοὺς παραλίους ἀγροὺς πεπρακότα προσεποιεῖτο θαυμάζειν ὡς ἰσχυρότερον τῆς θαλάσσης· ‘ἃ γὰρ ἐκείνη μόλις ἐπικλύζει, οὗτος ῥαδίως καταπέπωκε.’

Τιμητείαν δὲ μετιῶν καὶ τοὺς ἄλλους ὁρῶν δεομένους τῶν πολλῶν καὶ κολακεύοντας, αὐτὸς ἐβόα τὸν δῆμον ἀποτόμου χρεῖαν ἔχειν ἱατροῦ καὶ μεγάλου καθαρμοῦ· δεῖν οὖν μὴ τὸν

ἥδιστον, ἀλλὰ τὸν ἀπαραίτητον αἰρεῖσθαι. καὶ ταῦτα λέγων ἡρέθη πρὸ πάντων.

Διδάσκων δὲ τοὺς νέους εὐθαρσῶς μάχεσθαι πολλάκις [c] ἔλεγε τοῦ ξίφους τὸν λόγον μᾶλλον καὶ τὴν φωνὴν τῆς χειρὸς τρέπειν καὶ καταπλήττειν τοὺς πολεμίους.

Ἐπεὶ δὲ πολεμῶν τοῖς περὶ τὸν Βαῖτιν ποταμὸν οἰκοῦσιν εἰς κίνδυνον ὑπὸ πλήθους τῶν πολεμίων κατέστη, τῶν μὲν Κελτιβήρων ἐπὶ διακοσίοις ταλάντοις βουλομένων βοηθεῖν τῶν δὲ Ῥωμαίων οὐκ ἐόντων ὁμολογεῖν μισθὸν ἀνθρώποις βαρβάροις, ἀμαρτάνειν ἔφησεν αὐτούς· νικῶντας μὲν γὰρ ἀποδώσειν οὐ παρ' αὐτῶν ἀλλὰ παρὰ τῶν πολεμίων, ἡττωμένων δὲ μήτε τοὺς ἀπαιτούμενους μήτε τοὺς ἀπαιτοῦντας ἔσσεσθαι.

Πλείονας δὲ πόλεις ἐλὼν, ὥς φησι, τῶν ἡμερῶν [d] ἃς διέτριψεν ἐν τοῖς πολεμίοις οὐδὲν αὐτὸς πλέον ἔλαβεν ὧν ἔπιδε καὶ ἔφαγεν ἐκ τῆς πολεμίας.

Τῶν δὲ στρατιωτῶν ἐκάστῳ λίτραν ἀργυρίου διανείμας φησὶ βέλτιον εἶναι πολλοὺς ἔχοντας ἀργύριον ἢ ὀλίγους χρυσίον ἀπὸ τῆς στρατείας ἐπανελθεῖν· τῶν γὰρ ἀρχόντων οὐδὲν ἄλλο δεῖν ἐν ταῖς ἐπαρχίαις ἢ τὴν δόξαν αὐξάνεσθαι.

Πέντε δ' οἰκέτας εἶχεν ἐπὶ τῆς στρατείας, ὧν εἷς αἰχμάλωτα τρία σώματα πριάμενος, ὥς οὐκ ἔλαθε τὸν Κάτωνα, πρὶν εἰς ὄψιν ἔλθεῖν, ἀπήγξατο.

Παρακληθεὶς δ' ὑπὸ Σκιπίωνος Ἀφρικανοῦ τοῖς [e] Ἀχαιῶν συλλαβέσθαι φυγᾶσιν, ὅπως εἰς τὰς πατρίδας κατέλθωσιν, προσεποιεῖτο μηδὲν αὐτῷ μέλειν τοῦ πράγματος· ἐν δὲ τῇ συγκλήτῳ πολλῶν γινομένων λόγων ἀναστάς 'ὥσπερ οὐκ ἔχοντες' εἶπεν 'ὁ πράττωμεν, καθήμεθα περὶ Γραικῶν γεροντίων ζητοῦντες πότερον ὑπὸ τῶν παρ' ἡμῖν ἢ ὑπὸ τῶν ἐκεῖ νεκροφόρων ἐξενεχθῶσι.'

Ποστούμιου δ' Ἀλβίνου γράψαντος ἱστορίας Ἑλληνιστὶ καὶ συγγνώμην παρὰ τῶν ἀκρωμένων αἰτοῦντος, εἰρωνευόμενος ὁ Κάτων ἔφη δοτέον εἶναι συγγνώμην, εἰ τῶν Ἀμφικτυόνων ψηφισαμένων ἀναγκασθεὶς ἔγραψε.

ΣΚΙΠΙΩΝ Ο ΝΕΩΤΕΡΟΣ

[f] Σκιπίωνα τὸν νεώτερον λέγουσιν ἔτεσι πεντήκοντα καὶ τέτταρσιν, οἷς ἐβίωσε, μηδὲν πρίασθαι μηδὲν ἀποδόσθαι μηδὲν οἰκοδομῆσαι, λίτρας δὲ ἀργυρίου τρεῖς καὶ τριάκοντα μόνας [ἐν

οὐσίᾳ μεγάλῃ] δύο δὲ χρυσίου καταλιπεῖν· καὶ ταῦτα Καρχηδόνος κύριον ὄντα καὶ μάλιστα τῶν στρατηγῶν πλουτίσαντα τοὺς στρατιώτας.

Τὸ δὲ Πολυβίου παράγγελμα διαφυλάττων ἐπειρᾶτο μὴ πρότερον ἐξ ἀγορᾶς ἀπελθεῖν ἢ ποιήσασθαι τινα συνήθη καὶ φίλον ἁμωσγέπως τῶν ἐντυγχανόντων.

[200] [a] Ἔτι δὲ νέος ὢν τοσαύτην εἶχε δόξαν ἀνδρείας καὶ συνέσεως, ὥστε Κάτωνα μὲν τὸν πρεσβύτερον εἶπεῖν ἐρωτηθέντα περὶ τῶν ἐν Καρχηδόνι στρατευομένων, ἐν οἷς καὶ Σκιπίων ἦν, (κ 495)

‘οἷος πέπνυται, τοὶ δὲ σκιαὶ αἰσσοῦσιν.’

Εἰς δὲ τὴν Ῥώμην ἐλθόντος ἀπὸ στρατείας <εἰς ὑπατείαν> ἐκάλουν αὐτὸν οὐκ ἐκείνῳ χαριζόμενοι, ἀλλ’ ὡς Καρχηδόνα δι’ ἐκείνου ταχὺ καὶ ῥαδίως ληψόμενοι.

Ἐπεὶ δὲ παρελθὼν εἰς τὸ τεῖχος, τῶν Καρχηδονίων ἐκ τῆς ἄκρας ἁμυνομένων, †μὴ σὺ τὴν διὰ μέσου θάλασσαν οὐ πάνυ βαθεῖαν οὔσαν· τοῦ Πολυβίου συμβουλευόντος αὐτῷ κατασπεῖραι τριβόλους σιδηροῦς ἢ [b] σανίδας ἐμβαλεῖν κεντρωτάς, ὅπως μὴ διαβαίνοντες οἱ πολέμιοι προσμάχωνται τοῖς χώμασιν, ἔφη γελοῖον εἶναι κατειληφότας τὰ τεῖχη καὶ τῆς πόλεως ἐντὸς ὄντας εἶτα πράττειν ὅπως οὐ μαχοῦνται τοῖς πολεμίοις.

Εὐρὼν δὲ τὴν πόλιν ἀνδριάντων Ἑλληνιῶν καὶ ἀναθημάτων ἀπὸ Σικελίας μεστήν οὔσαν, ἐκήρυξε τοὺς ἀπὸ τῶν πόλεων παρόντας ἐπιγινώσκειν καὶ κομίζεσθαι. Τῶν δὲ χρημάτων οὔτε δοῦλον οὔτ’ ἀπελεύθερον εἶα λαβεῖν οὐδένα, ἀλλ’ οὐδὲ πρίασθαι πάντων ἀγόντων καὶ φερόντων.

Γαῖῳ δὲ Λαίλιῳ τῷ φιλάτῳ τῶν ἐταίρων ὑπατεῖαν [c] μετιόντι συμπράττων ἐπηρώτησε Πομπήιον εἰ καὶ αὐτὸς ὑπατεῖαν μέτεισιν· ἐδόκει δ’ ὁ Πομπήιος υἱὸς αὐλητοῦ γεγονέναι· τοῦ δὲ φήσαντος μὴ μετέναι, ἀλλὰ καὶ τὸν Λαίλιον ἐπαγγελλομένου συμπεριάζειν καὶ συναρχαιρεσιάζειν, πιστεύσαντες καὶ περιμένοντες ἐκεῖνον ἐξηπατήθησαν· ἀπηγγέλλετο γὰρ αὐτὸς ἐν ἀγορᾷ περιῶν καὶ δεξιούμενος τοὺς πολίτας. ἀγανακτούντων δὲ τῶν ἄλλων ὁ Σκιπίων γελάσας ‘ἀβελτερίᾳ γε’ εἶπεν ‘ἡμῶν, <οἱ> καθάπερ οὐκ ἀνθρώπους μέλλοντες ἀλλὰ θεοὺς παρακαλεῖν πάλαι διατρίβομεν αὐλητὴν ἀναμένοντες.’

Ἀππίου δὲ Κλαυδίου περὶ τῆς τιμητικῆς ἀρχῆς [d] ἀμιλλωμένου

πρὸς αὐτὸν καὶ λέγοντος ὅτι πάντας ὀνομαστὶ Ῥωμαίους αὐτὸς ἀσπάζεται Σκιπίωνος ὀλίγου δεῖν ἀγνοοῦντος ἅπαντας, ‘ἀληθῆ λέγεις’ εἶπεν· ‘ἐμοὶ γὰρ οὐκ εἰδέναι πολλοὺς ἀλλ’ ὑπὸ μηδενὸς ἀγνοεῖσθαι μεμέληκεν.’

Ἐκέλευε δὲ τοὺς πολίτας, ἐπειδὴ ἐτύγχανον πολεμοῦντες Κελτίβηρσιν, ἀμφοτέρους ἐπὶ τὴν στρατείαν ἐκπέμψαντας ἢ πρεσβευτὰς ἢ χιλιάρχους μάρτυρας λαμβάνειν καὶ κριτὰς τῆς ἐκάστου ἀρετῆς τοὺς πολεμοῦντας.

Ἀποδειχθεὶς δὲ τιμητῆς νεανίσκου μὲν ἀφείλετο τὸν ἵππον, ὅτι δειπνῶν πολυτελῶς, ἐν ᾧ χρόνῳ Καρχηδῶν ἐπολεμεῖτο, μελίπτηκτον εἰς σχῆμα τῆς πόλεως διαπλάσας [e] καὶ τοῦτο Καρχηδόνα προσειπὼν προύθηκε διαρπάσαι τοῖς παροῦσι· καὶ πυνθανομένου τὴν αἰτίαν τοῦ νεανίσκου δι’ ἣν ἀφήρηται τὸν ἵππον ‘ἐμοῦ γάρ’ ἔφη ‘πρότερος Καρχηδόνα διήρπασας.’

Γάιον δὲ Λικίνιον ἰδὼν παρερχόμενον ‘οἶδα’ ἔφη ‘τοῦτον ἐπιωρκηκότα τὸν ἄνδρα· μηδενὸς δὲ κατηγοροῦντος οὐ δύναμαι κατήγορος <ὁ> αὐτὸς εἶναι καὶ δικαστής.’

Ἐκπεμφθέντα δὲ τρίτον αὐτὸν ὑπὸ τῆς βουλῆς, ὥς φησι Κλειτόμαχος (p 487),

ἀνθρώπων ὕβριν τε καὶ εὐνομίην ἐφορῶντα,

πόλεων ἐθνῶν βασιλέων ἐπίσκοπον, ὥς εἰς Ἀλεξάνδρειαν ἦκε καὶ τῆς νεῶς ἀποβάς ἐβάδιζε κατὰ τῆς κεφαλῆς [f] ἔχων τὸ ἱμάτιον, ἠξίου ἀποκαλύψασθαι παραθέοντες οἱ Ἀλεξανδρεῖς καὶ δεῖξαι ποθοῦσιν αὐτοῖς τὸ πρόσωπον· τοῦ δ’ ἀποκαλυψαμένου κραυγὴν καὶ κρότον ἐποίησαν. τοῦ δὲ βασιλέως μόλις ἀμιλλωμένου βαδίζουσιν αὐτοῖς δι’ ἀργίαν καὶ τρυφὴν τοῦ σώματος ὁ Σκιπίων ἀτρέμα πρὸς τὸν Παναίτιον ψιθυρίσας εἶπεν ‘ἤδη [201] [a] τι τῆς ἐπιδημίας ἡμῶν Ἀλεξανδρεῖς ἀπολελεύκασιν· δι’ ἡμᾶς γὰρ ἐωράκασιν τὸν βασιλέα περιπατοῦντα.’

Συναπεδήμει δ’ αὐτῷ φίλος μὲν εἷς φιλόσοφος Παναίτιος, οἰκέται δὲ πέντε· καὶ τοῦ ἐνὸς ἀποθανόντος ἐπὶ τῆς ξένης ἄλλον μὴ βουλόμενος πρίασθαι ἀπὸ Ῥώμης μετεπέμψατο.

Τῶν δὲ Νομαντίνων ἀμάχων εἶναι δοκούντων καὶ πολλοὺς νενικηκότων στρατηγοὺς ὕπατον ἀπέδειξε Σκιπίωνα τὸ δεύτερον ὁ δῆμος ἐπὶ τὸν πόλεμον· ὠρμημένων δὲ πολλῶν ἐπὶ τὴν στρατείαν καὶ τοῦτο διεκώλυσεν ἡ σύγκλητος, ὥς ἐρήμου τῆς Ἰταλίας ἐσομένης, καὶ χρήματα λαβεῖν τῶν ἐτοιμῶν οὐκ εἶασεν, ἀλλὰ τὰς

τελωνικὰς [b] προσόδους ἀπέταξεν οὕτω χρόνον ἐχούσας. ὁ δὲ Σκιπίων χρημάτων μὲν οὐκ ἔφη δεῖσθαι, τὰ γὰρ ἑαυτοῦ καὶ τῶν φίλων ἐξαρκέσειν, περὶ δὲ τῶν στρατιωτῶν ἐμέμψατο· χαλεπὸν γὰρ εἶναι τὸν πόλεμον, εἰ μὲν δι' ἀνδρείαν τῶν πολεμίων ἡττηνται τοσαυτάκις, ὅτι πρὸς τοιούτους, εἰ δὲ δι' ἀνανδρίαν τῶν πολιτῶν, ὅτι μετὰ τοιούτων.

Ἐπεὶ δ' ἐλθὼν εἰς τὸ στρατόπεδον πολλὴν ἀταξίαν καὶ ἀκολασίαν καὶ δεισιδαιμονίαν καὶ τρυφὴν κατέλαβε, μάντις μὲν εὐθὺς ἐξήλασε καὶ θύτας καὶ πορνοβοσκούς, σκευὴ δὲ προσέταξεν ἀποπέμπειν ἅπαντα πλὴν χύτρας, ὀβελίσκου καὶ ποτηρίου κεραμεοῦ· τῶν δ' ἀργυρέων [c] ἔκπωμα οὐ μεῖζον δύο λιτρῶν συνεχώρησε τοῖς βουλομένοις ἔχειν· λούεσθαι δ' ἀπέιπε, τῶν δ' ἀλειφομένων τρίβειν ἕκαστον ἑαυτόν· τὰ γὰρ ὑποζύγια χεῖρας μὴ ἔχοντα ἐτέρου τρίψοντος δεῖσθαι· προσέταξε δ' ἀριστὰν μὲν ἐστῶτας ἄπυρον ὄψον, δειπνεῖν δὲ κατακειμένους ἄρτον ἢ πόλτον ἀπλῶς καὶ κρέας ὅπτην ἢ ἐφθόν· αὐτὸς δὲ σάγον ἐμπεπορημένος μέλανα περιήει, πενθεῖν τὴν τοῦ στρατεύματος αἰσχύνην λέγων.

Μεμνίου δὲ τινος χιλιάρχου λαβὼν ὑποζύγια ψυκτῆρας διαλίθους παρακομίζοντα καὶ Θηρικλείους ‘έμοι μὲν’ εἶπεν ‘ἡμέρας τριάκοντα καὶ τῇ πατρίδι, [d] σαυτῷ δὲ τὸν βίον ἅπαντα τοιοῦτος ὢν ἄχρηστον πεποίηκας σεαυτόν.’

Ἐτέρου δὲ θυρεὸν ἐπιδείξαντος εὖ κεκοσμημένον ‘ὁ μὲν θυρεός,’ εἶπεν, ‘ὦ νεανία, καλός, πρέπει δὲ Ῥωμαῖον ἄνδρα μᾶλλον ἐν τῇ δεξιᾷ τὰς ἐλπίδας ἔχειν ἢ τῇ ἀριστερᾷ.’

Τοῦ δὲ τὸν χάρακα ἄραντος σφόδρα πέζεσθαι φάσκοντος ‘εἰκότως’ ἔφη· ‘τῷ γὰρ ξύλῳ τούτῳ μᾶλλον ἢ τῇ μαχαίρᾳ πιστεύεις.’

Ὅρῳ δὲ τὴν ἀπόνειαν τῶν πολεμίων ἔλεγεν ὠνεῖσθαι τοῦ χρόνου τὴν ἀσφάλειαν· τὸν γὰρ ἀγαθὸν στρατηγὸν ὥσπερ ἰατρὸν ἐσχάτης δεῖσθαι τῆς διὰ τοῦ σιδήρου θεραπείας. οὐ μὴν ἄλλ’ ἐπιθέμενος ἐν καιρῷ τοὺς Νομαντίνους ἐτρέψατο.

[e] Τῶν δὲ πρεσβυτέρων τοὺς ἡττημένους κακιζόντων, ‘ὅτι πεφεύγασιν οὕς τοσαυτάκις ἐδίωξαν, εἰπεῖν τινα λέγεται τῶν Νομαντίνων ὡς τὰ πρόβατα ταῦτά καὶ νῦν ἐστίν, ὁ δὲ ποιμὴν ἄλλος.

Ἐπεὶ δὲ τὴν Νομαντίαν ἐλὼν καὶ θριαμβεύσας τὸ δεύτερον ἐν τῇ πρὸς Γάιον Γράκχον ὑπὲρ τε τῆς βουλῆς καὶ τῶν συμμάχων

κατέστη διαφορᾷ καὶ λυπούμενος ὁ δῆμος ἐθορύβησεν αὐτὸν ἐπὶ τοῦ βήματος, ‘ἐμέ’ εἶπεν ‘οὐδέποτε στρατοπέδων ἀλαλαγμὸς ἐθορύβησεν, οὔτι γε συγκλύδων ἀνθρώπων, ὧν οὐ μητέρα τὴν Ἰταλίαν ἀλλὰ μητρὶν οὖσαν ἐπίσταμαι.’

Τῶν δὲ περὶ τὸν Γάιον βοώντων κτεῖναι τὸν [f] τύραννον ‘εἰκότως’ εἶπεν ‘οἱ τῇ πατρίδι πολεμοῦντες ἐμὲ βούλονται προανελεῖν· οὐ γὰρ οἷόν τε τὴν Ῥώμην πεσεῖν Σκιπίωνος ἐστῶτος οὐδὲ ζῆν Σκιπίωνα τῆς Ῥώμης πεσοῦσης.’

ΚΑΙΚΙΛΙΟΣ ΜΕΤΕΛΛΟΣ

Καικίλιος Μέτελλος ὀχυρῶ χωρίῳ βουλευόμενος προσαγαγεῖν, εἰπόντος ἐκατοντάρχου πρὸς αὐτὸν ὥς, ἔαν δέκα [202] [a] μόνους ἀποβάλῃ, λήφεται τὸ χωρίον, ἠρώτησεν αὐτόν, εἰ βούλοιο εἰς τῶν δέκα γενέσθαι.

Τῶν δὲ νεωτέρων τινὸς χιλιάρχου πυνθανομένου τί μέλλει ποιεῖν, ‘εἰ τοῦτ’ ἔφη ‘συνειδέναί μοι τὸν χιτωνίσκον ἐνόμιζον, ἀποδυσάμενος ἂν αὐτὸν ἐπὶ τὸ πῦρ ἐπέθηκα.’

Σκιπίωνι δὲ ζῶντι πολεμῶν ἀποθανόντος ἠχθέσθη καὶ τοὺς μὲν υἱοὺς ἐκέλευσεν ὑποδύντας ἄρασθαι τὸ λέχος, τοῖς δὲ θεοῖς ἔφη χάριν ἔχειν ὑπὲρ τῆς Ῥώμης, ὅτι παρ’ ἄλλοις οὐκ ἐγένετο Σκιπίων.

ΓΑΙΟΣ ΜΑΡΙΟΣ

Γάιος Μάριος ἐκ γένους ἀδόξου προῖων εἰς πολιτείαν [b] διὰ τῶν στρατειῶν, ἀγορανομίαν τὴν μείζονα παρήγγειλεν· αἰσθόμενος δὲ ὅτι λείπεται τῆς αὐτῆς ἡμέρας ἐπὶ τὴν ἐλάττονα μετῆλθε· κάκείνης ἀποτυχῶν ὅμως οὐκ ἀπέγνω τοῦ πρωτεύσειν Ῥωμαίων.

Ἰξίας δ’ ἔχων ἐν ἀμφοτέροις τοῖς σκέλεσι παρέσχεν ἄδετος ἐκτεμεῖν τῷ ἱατρῷ καὶ μὴ στενάξας μηδὲ τὰς ὀφρῦς συναγαγὼν ἐνεκαρτέρησε τῇ χειρουργίᾳ· τοῦ δ’ ἱατροῦ μεταβαίνοντος ἐπὶ θάτερον οὐκ ἠθέλησεν εἰπὼν οὐκ εἶναι τὸ θεράπευμα τῆς ἀλγηδόνος ἄξιον.

Ἐπεὶ δὲ Λούσιος ὁ ἀδελφιδοῦς αὐτοῦ τὸ δεύτερον ὑπατεύοντος ἐβιάζετο τῶν ἐν ὥρᾳ στρατευομένων τινὰ ὀνόματι Τρεβόνιον, ὁ δ’ ἀπέκτεινεν αὐτὸν καὶ πολλῶν [c] κατηγορούντων οὐκ ἠρνήσατο κτεῖναι τὸν ἄρχοντα, τὴν δ’ αἰτίαν εἶπε καὶ ἀπέδειξε, κελεύσας ὁ Μάριος τὸν ἐπὶ ταῖς ἀριστείαις διδόμενον στέφανον κομισθῆναι τῷ Τρεβωνίῳ περιέθηκε. Τοῖς δὲ Τεύτοσι παραστρατοπεδεύσας ἐν χωρίῳ ὀλίγον ὕδωρ ἔχοντι, τῶν στρατιωτῶν διψῆν λεγόντων, δείξας αὐτοῖς ποταμὸν ἐγγὺς παραρρέοντα τῷ χάρακι τῶν

πολεμίων ‘έκεῖθεν ὑμῖν ἔστιν’ εἶπε ‘ποτὸν ὦνιον αἵματος.’ οἱ δ’ ἄγειν παρεκάλουν, ἕως ὑγρὸν ἔχωσι τὸ αἷμα καὶ μήπω πᾶν ὑπὸ τοῦ διψῆν ἐκπεπηγός.

Ἐν δὲ τοῖς Κιμβρικοῖς πολέμοις Καμερίνων χιλίους ἄνδρας ἀγαθοὺς γενομένους ὁμοῦ Ῥωμαίους ἐποίησε, [d] κατ’ οὐδένα νόμον· πρὸς δὲ τοὺς ἐγκαλοῦντας ἔλεγε τῶν νόμων οὐκ ἐξακοῦσαι διὰ τὸν τῶν ὅπλων ψόφον.

Ἐν δὲ τῷ ἐμφυλίῳ πολέμῳ περιταφρευόμενος καὶ πολιορκούμενος ἔκαρτέρει, τὸν οἰκεῖον ἀναμένων καιρὸν. εἰπόντος δὲ Πομπαιδίου Σίλωνος πρὸς αὐτόν ‘εἰ μέγας εἶ στρατηγός, ὦ Μάριε, καταβάς διαγώνισαι’, ‘σὺ μὲν οὖν’ εἶπεν ‘εἰ μέγας εἶ στρατηγός, ἀνάγκασόν με διαγωνίσασθαι καὶ μὴ βουλόμενον.’

ΚΑΤΛΟΣ ΛΟΥΤΑΤΙΟΣ

Κάτλος Λουτάτιος ἐν τῷ Κιμβρικῷ πολέμῳ παρὰ τὸν Ναπισῶνα ποταμὸν στρατοπεδεύων, ἐπεὶ τοὺς βαρβάρους ὀρῶντες οἱ Ῥωμαῖοι διαβαίνειν ἐπιχειροῦντας [e] ἀνεχώρουν, μὴ δυνάμενος αὐτοὺς κατασχεῖν ὥρμησεν εἰς τοὺς πρῶτους τῶν ἀποτρεχόντων, ὅπως δοκῶσι μὴ φεύγειν τοὺς πολεμίους, ἀλλὰ τῷ στρατηγῷ κατακολουθεῖν.

ΣΥΛΛΑΣ

Σύλλας ὁ εὐτυχῆς ἀναγορευθεὶς τῶν μεγίστων εὐτυχιῶν ἐποιεῖτο δύο, τὴν Πίου Μετέλλου φιλίαν καὶ τὸ μὴ κατασκάψαι τὰς Ἀθήνας ἀλλὰ φείσασθαι τῆς πόλεως.

ΓΑΙΟΣ ΠΟΠΙΛΛΙΟΣ

Γάιος Ποπίλλιος ἐπέμφθη πρὸς Ἀντίοχον ἐπιστολὴν παρὰ τῆς συγκλήτου κομίζων, κελεύουσιν ἀπάγειν ἐξ Αἰγύπτου τὸ στράτευμα καὶ μὴ σφετερίζεσθαι τῶν [f] Πτολεμαίου τέκνων ὀρφανῶν ὄντων τὴν βασιλείαν· προσιόντα δ’ αὐτὸν διὰ τοῦ στρατοπέδου πόρρωθεν ἀσπασαμένου τοῦ Ἀντιόχου φιλοφρόνως οὐκ ἀντασπασάμενος τὸ γραμματεῖον ἀπέδωκεν· ἐπεὶ δ’ ἀναγνοὺς ἔφη βουλεύσεσθαι καὶ δώσειν τὴν ἀπόκρισιν, τῷ κλήματι γῦρον περὶ αὐτὸν ὁ Ποπίλλιος περιέγραψεν εἰπὼν ‘ἐνταῦθα τοίνυν ἐστὼς βούλευσαι καὶ ἀποκρίναι.’ πάντων δὲ τὸ φρόνημα τοῦ ἀνδρὸς καταπλαγέντων τοῦ τ’ Ἀντιόχου ποιήσιν [203] [a] ὁμολογοῦντος τὰ δοκοῦντα Ῥωμαίοις, οὕτως ἡσπάσατο καὶ περιέπτυσεν αὐτὸν ὁ Ποπίλλιος.

ΛΕΥΚΟΥΛΛΟΣ

Λεύκουλλος ἐν Ἀρμενίᾳ μετὰ μυρίων ὀπλιτῶν καὶ χιλίων ἵππείων ἐπὶ Τιγράνην ἐχώρει πεντεκαίδεκα μυριάδας στρατιᾶς ἔχοντα τῇ πρὸ μιᾶς νωνῶν ὀκτωβρίων, ἐν ᾗ πρότερον ὑπὸ Κίμβρων ἢ μετὰ Καίπιωνος διεφθάρη δύναμις. εἰπόντος δέ τινος ὅτι Ῥωμαῖοι τὴν ἡμέραν ἀφοσιοῦνται καὶ δεδοίκασιν, ‘οὐκοῦν’ ἔφη ‘σήμερον ἀγωνισώμεθα προθύμως, ἵνα καὶ ταύτην ἐξ ἀποφράδος καὶ σκυθρωπῆς ποιήσωμεν ἰλαρὰν καὶ προσφιλῇ Ῥωμαίοις.’

Τοὺς δὲ καταφράκτους μάλιστα φοβουμένων τῶν [b] στρατιωτῶν ἐκέλευε θαρρεῖν· πλεῖον γὰρ ἔργον εἶναι τοῦ νικῆσαι τὸ τούτους σκυλεῦσαι. προσβὰς δὲ τῷ λόφῳ πρῶτος καὶ τὸ κίνημα τῶν βαρβάρων θεασάμενος ἀνεβόησε ‘νενικήκαμεν, ὦ συστρατιῶται.’ καὶ μηδενὸς ὑποστάντος διώκων πέντε Ῥωμαίων ἀπέβαλε πεσόντας, τῶν δὲ πολεμίων ὑπὲρ δέκα μυριάδας ἀπέκτεινε.

ΓΝΑΙΟΣ ΠΟΜΠΗΙΟΣ

Γναῖος Πομπήιος ὑπὸ Ῥωμαίων ἡγαπήθη τοσοῦτον ὅσον ὁ πατήρ ἐμισήθη. νέος δ’ ὢν παντάπασιν τῇ Σύλλᾳ μερίδι προσέθηκεν αὐτόν· καὶ μήτ’ ἄρχων μήτε βουλευόν πολλοὺς ἐκ τῆς Ἰταλίας ἐστρατολόγησε. καὶ [c] Σύλλα καλοῦντος οὐκ ἔφη δίχα λαφύρων οὐδ’ ἀναίμακτον ἐπιδείξειν τῷ αὐτοκράτορι τὴν δύναμιν· οὐδ’ ἦλθε πρότερον πρὶν ἢ πολλαῖς μάχαις νικῆσαι τοὺς στρατηγοὺς τῶν πολεμίων.

Ἐπεὶ δὲ πεμφθεὶς εἰς Σικελίαν ὑπὸ Σύλλᾳ στρατηγὸς ἐπυνθάνετο τοὺς στρατιώτας ἐν ταῖς ὁδοιπορίαις ἐκτρεπομένους βιάζεσθαι καὶ ἀρπάζειν, τοὺς μὲν ἄλλως πλανωμένους καὶ περιθέοντας ἐκόλασε, τῶν δὲ πεμπομένων ὑπ’ αὐτοῦ σφραγίδας ἐπέβαλε ταῖς μαχαίραις.

Μαμερτίλους δὲ τῆς ἐναντίας γενομένους μερίδος οἷός [τε] ἦν ἀποσφάττειν ἅπαντας· Σθενίου δὲ τοῦ δημαγωγοῦ [d] φήσαντος οὐ δίκαια ποιεῖν αὐτόν ἀνθ’ ἐνὸς αἰτίου πολλοὺς ἀναιτίους κολάζοντα, τοῦτον δὲ αὐτόν εἶναι τὸν τοὺς μὲν φίλους πείσαντα τοὺς δ’ ἐχθροὺς βιασάμενον ἐλέσθαι τὰ Μαρίου, θαυμάσας ὁ Πομπήιος ἔφη συγγνώμην ἔχειν Μαμερτίνοις ὑπὸ τοιοῦτου πεισθεῖσιν ἀνδρός, ὃς τὴν πατρίδα τῆς ἑαυτοῦ ψυχῆς προτιμᾷ. καὶ τὴν τε πόλιν καὶ τὸν Σθένιον ἀπέλυσεν.

Εἰς δὲ Λιβύην διαβὰς ἐπὶ Δομίτιον καὶ μάχῃ μεγάλην κρατήσας

ἀσπασαμένων αὐτὸν αὐτοκράτορα τῶν στρατιωτῶν ἔφη μὴ δέχεσθαι τὴν τιμὴν, ἕως ὁρθὸς ἔστηκεν ὁ χάραξ τῶν πολεμίων. οἱ δέ, καίπερ ὄμβρου πολλοῦ [e] κατέχοντος, ὀρμήσαντες διεπόρθησαν τὸ στρατόπεδον.

Ἐπανελθόντα δ' αὐτὸν ὁ Σύλλας ταῖς μὲν ἄλλαις τιμαῖς ἐδέξατο φιλοφρόνως καὶ Μάγνον προσηγόρευσε πρῶτος αὐτόν, θριαμβεῦσαι δὲ βουλόμενον οὐκ εἶα μηδέπω μετέχοντα βουλῆς. εἰπόντος δὲ τοῦ Πομπηίου πρὸς τοὺς παρόντας ἀγνοεῖν τὸν Σύλλαν ὅτι καὶ τὸν ἥλιον ἀνατέλλοντα πλείονες ἢ δύνοντα προσκυνοῦσιν, ὁ μὲν Σύλλας ἀνεβόησε 'θριαμβευέτω.'

Σερουίλιος δ' ἀνὴρ ἀριστοκρατικὸς ἠγανάκτει καὶ τῶν στρατιωτῶν ἐνίσταντο πολλοὶ τῷ θριάμβῳ δωρεάς τινας ἀπαιτοῦντες. ἐπεὶ δ' ὁ Πομπήιος ἔφη μᾶλλον [f] ἀφήσειν τὸν θρίαμβον ἢ κολακεύσειν ἐκείνους, νῦν ἔφη καὶ μέγαν ἀληθῶς ὀρᾶν καὶ ἄξιον τοῦ θριάμβου τὸν Πομπήιον.

Ἔθους δ' ὄντος ἐν Ῥώμῃ τοῖς ἵππευσιν, ὅταν στρατεύωνται τὸν νόμιμον χρόνον, ἄγειν τὸν ἵππον εἰς ἀγορὰν ἐπὶ τοὺς δύο ἄνδρας, οὓς τιμητὰς καλοῦσι, καὶ καταριθμησαμένους τὰς στρατείας καὶ τοὺς στρατηγοὺς ὑφ' οἷς ἐστρατεύσαντο τυγχάνειν ἐπαίνων ἢ φόγων τῶν [204] [a] προσηκόντων, ὑπατεύων ὁ Πομπήιος κατήγαγεν αὐτὸς τὸν ἵππον ἐπὶ τοὺς τιμητὰς Γέλλιον καὶ Λέντλον· ἐκείνων δὲ ὥσπερ ἔθος ἐστὶ πυθομένων, εἰ πάσας ἐστράτευται τὰς στρατείας, 'πάσας' εἶπεν 'ὑπ' ἐμαυτῷ αὐτοκράτορι.'

Τῶν δὲ Σερτωρίου γραμμάτων κρατήσας ἐν Ἰβηρίᾳ, ἐν οἷς ἦσαν ἐπιστολαὶ πολλῶν ἠγεμόνων ἐπὶ νεωτερισμῷ καὶ μεταβολῇ τῆς πολιτείας τὸν Σερτώριον εἰς Ῥώμην καλούντων, κατέκαυσε πάσας διδοὺς μετανοῆσαι καὶ βελτίονας γενέσθαι τοὺς πονηροὺς.

Ἐπεὶ δὲ Φραάτης ὁ Πάρθων βασιλεὺς ἔπεμψε πρὸς αὐτὸν ἀξιῶν ὄρω χρῆσθαι τῷ Εὐφράτῃ, μᾶλλον ἔφη χρῆσθαι Ῥωμαίους ὄρω πρὸς Πάρθους τῷ δικαίῳ.

[b] Λευκίου δὲ Λευκούλλου μετὰ τὰς στρατείας ἀφεικότος αὐτὸν εἰς ἡδονὰς καὶ πολυτελῶς ζῶντος, τὸν δὲ Πομπήιον ὡς παρ' ἡλικίαν τοῦ πολλὰ πράσσειν ὀρεγόμενον ψέγοντος, μᾶλλον ἔφη γέροντι τὸ τρυφᾶν ἢ τὸ ἄρχειν εἶναι παρ' ἡλικίαν.

Νοσοῦντι δ' αὐτῷ κίχλην ὁ ἱατρὸς λαβεῖν προσέταξεν· οἱ δὲ ζητοῦντες οὐχ εὔρον (ἦν γὰρ παρ' ὥραν), ἔφη δὲ τις εὐρεθῆσεται παρὰ Λευκούλλῳ δι' ἔτους τρεφομένης· 'εἴτα' ἔφη 'εἰ μὴ

Λεύκουλλος ἐτρύφα, Πομπήιος οὐκ ἂν ἔζησε;’ καὶ χαίρειν ἔασας τὸν ἱατρὸν ἔλαβέ τι τῶν εὐπορίστων.

Ἰσχυρᾶς δὲ σιτοδείας ἐν Ῥώμῃ γενομένης ἀποδειχθεὶς [c] λόγῳ μὲν ἀγορᾶς ἐπιμελητῆς, ἔργῳ δὲ γῆς καὶ θαλάσσης κύριος, ἔπλευσεν εἰς Λιβύην καὶ Σαρδόνα καὶ Σικελίαν· καὶ πολλὸν ἀθροίσας σῖτον ἔσπευδεν εἰς τὴν Ῥώμην. μεγάλου δὲ χειμῶνος γενομένου καὶ τῶν κυβερνητῶν ὀκνούντων, πρῶτος ἐμβὰς καὶ τὴν ἄγκυραν ἄραι κελεύσας ἀνεβόησε ‘πλεῖν ἀνάγκη, ζῆν οὐκ ἀνάγκη.’

Τῆς δὲ πρὸς τὸν Καίσαρα διαφορᾶς ἀποκαλυπτομένης καὶ Μαρκελλίνου τινὸς τῶν ὑπὸ Πομπηίου προῆχθαι δοκούντων μεταβεβλημένου δὲ πρὸς Καίσαρα πολλὰ πρὸς αὐτὸν ἐν συγκλήτῳ λέγοντος, ‘οὐκ αἰσχύνῃ, Μαρκελλῖνε,’ εἶπεν ‘ἐμοὶ λοιδορούμενος, δι’ ὃν ἐξ ἀφώνου λόγιος ἐκ δὲ πεινατικοῦ ἐμετικὸς γέγονας;’

[d] Πρὸς δὲ Κάτωνα πικρῶς καθασάμενον, ὅτι πολλάκις αὐτοῦ προαγορεύοντος τὴν Καίσαρος δύναμιν καὶ αὕξησιν οὐκ ἐπ’ ἀγαθῷ τῆς δημοκρατίας γινομένην ἀντέπραπτεν αὐτός, ἀπεκρίνατο ‘τὰ μὲν σὰ μαντικώτερα, τὰ δ’ ἐμὰ φιλικώτερα.’

Περὶ δὲ αὐτοῦ παρρησιαζόμενος εἶπεν, ὡς πᾶσαν ἀρχὴν καὶ ἔλαβε θᾶσσον ἢ προσεδόκησε καὶ κατέθετο θᾶσσον ἢ προσεδοκήθη.

Μετὰ δὲ τὴν ἐν Φαρσάλῳ μάχην φεύγων εἰς Αἴγυπτον, ὡς ἔμελλε διαβαίνειν ἐκ τῆς τριήρους εἰς ἀλιευτικὸν πλοῖον ἀποστείλαντος τοῦ βασιλέως, ἐπιστραφεὶς πρὸς τὴν γυναιῖκα καὶ τὸν υἱὸν οὐδὲν ἕτερον ἢ τὸ τοῦ Σοφοκλέους εἶπεν (frg. 789 N.²)

[e] ‘ὅστις δὲ πρὸς τύραννον ἐμπορεύεται,

κείνου ‘στὶ δοῦλος, κἂν ἐλεύθερος μόλῃ.’

μεταβάς δὲ καὶ πληγεὶς ξίφει καὶ στενάξας ἄπαξ, εἰπὼν δὲ μηδὲν ἄλλ’ ἐγκαλυψάμενος παρέδωκεν ἑαυτόν.

ΚΙΚΕΡΩΝ

Κικέρων ὁ ῥήτωρ εἰς τοῦνομα σκωπτόμενος καὶ τῶν φίλων μεταθέσθαι κελευόντων ἔφη τὸν Κικέρωνα ποιήσιν τῶν Κατῶνων καὶ τῶν Κάτλων καὶ τῶν Σκαύρων ἐνδοξότερον.

Ἐκπωμα δ’ ἀργυροῦν τοῖς θεοῖς ἀναπιθεὶς τὰ μὲν πρῶτα τῶν ὀνομάτων γράμμασιν ἐσήμηνεν, ἀντὶ δὲ τοῦ Κικέρωνος ἐρέβινθον ἐτόρευσε.

Τῶν δὲ ῥητόρων τοὺς μέγα βοῶντας ἔλεγε δι’ [f] ἀσθένειαν ἐπὶ

τὴν κραυγὴν ὡς χλωροὺς ἀναβαίνειν ἐφ’ ἵππον.

Οὐέρρου δὲ υἱὸν ἔχοντος οὐκ εὖ κεχρημένον ἐφ’ ὥρᾳ τῷ σώματι, τὸν δὲ Κικέρωνα λοιδοροῦντος εἰς μαλακίαν καὶ κίναιδον ἀποκαλοῦντος, ‘ἀγνοεῖς’ εἶπεν ‘ὅτι προσήκει τοῖς τέκνοις ἐντὸς θυρῶν λοιδορεῖσθαι.’

Μετέλλου δὲ Νέπωτος εἰπόντος πρὸς αὐτὸν ὅτι ‘πλείονας μαρτυρῶν ἀπέκτονας ἢ συνηγορῶν σέσωκας’, [205] [a] ‘καὶ γὰρ ἔστιν’ ἔφη ‘πλεῖον ἐμοὶ πίστεως ἢ λογιότητος.’

Ἐρωτῶντος δὲ τοῦ Μετέλλου τίς αὐτοῦ πατήρ ἐστι, ‘ταύτην’ ἔφη ‘τὴν ἀπόκρισιν χαλεπωτέραν σοὶ ἢ μήτηρ πεποιήκεν.’ ἦν γὰρ ἡ τοῦ Μετέλλου ἀκόλαστος, ὃ δὲ Μέτελλος αὐτὸς ὑπόκουφος καὶ ἀβέβαιος καὶ φερόμενος ταῖς ὁρμαῖς. Διοδότην δὲ τῷ διδασκάλῳ τῶν ῥητορικῶν ἀποθανόντι κόρακα λίθινον ἐπιστήσαντος αὐτοῦ δικαίαν ἔφη τὴν ἀμοιβὴν γεγονέναι· ‘πέτεσθαι γὰρ τοῦτον οὐ λέγειν ἐδίδαξεν.’

Οὐατίνιον δ’ ἄνθρωπον ἑαυτῷ διάφορον καὶ μοχθηρὸν ἄλλως ἀκούσας ὅτι τέθνηκεν, εἶτα γνοὺς ὕστερον ὅτι [b] ζῇ, ‘κακός’ εἶπεν ‘ὅλοιτο κακῶς ὁ ψευδόμενος.’

Πρὸς δὲ τὸν δοκοῦντα Λίβυν ἀπὸ γένους εἶναι, φήσαντα δ’ αὐτοῦ μὴ ἀκούειν λέγοντος, ‘καὶ μὴν οὐκ ἀτρύπητον ἔχεις τὸ οὖς’ εἶπε.

†Κάστον δὲ Ποπίλλιον νομικὸν εἶναι βουλόμενον, ὄντα δ’ ἀμαθῆ καὶ ἀφυῆ, προσεκαλεῖτο μάρτυρα πρὸς τινα δίκην· εἰπόντος δ’ ἐκείνου μηδὲν γινώσκειν, ‘οἶει γὰρ ἴσως’ εἶπε ‘περὶ τῶν νομίμων ἐπερωτᾶσθαι.’

Ὅρτησίῳ δὲ τοῦ ῥήτορος λαβόντος μισθὸν ἀργυρᾶν σφίγγα παρὰ τοῦ Βέρρου καὶ πρὸς τὸν Κικέρωνα πλαγίως τι εἰπόντα φήσαντος αἰνιγμάτων λύσεως ἀπείρως ἔχειν, ‘καὶ μὴν ἡ σφίγξ’ ἔφη ‘παρὰ σοὶ ἐστίν.’

[c] Οὐοκωνίῳ δ’ ἀπαντήσας μετὰ τριῶν θυγατέρων ἀμορφοτάτων τὴν ὄψιν ἀτρέμα πρὸς τοὺς φίλους εἶπεν (p. 911 N.²) ‘Φοίβου ποτ’ οὐκ ἐῶντος ἔσπειρεν τέκνα.’

Φαύστου δὲ τοῦ Σύλλα παιδὸς διὰ πλῆθος δανείων ἀπαρτίαν προγράψαντος ‘ταύτην’ ἔφη ‘μᾶλλον ἀσπάζομαι τὴν προγραφὴν ἢ τὴν πατρώαν [αὐτοῦ].’

Πομπήϊου δὲ καὶ Καίσαρος διαστάντων ἔφη ‘γινώσκω ὃν φύγω, μὴ γινώσκων πρὸς ὃν φύγω,’ καὶ Πομπήϊον ἐμέμψατο τὴν πόλιν

ἐκλιπόντα καὶ Θεμιστοκλέα μᾶλλον ἢ Περικλέα μιμησάμενον, οὐκ ἐκείνοις τῶν πραγμάτων ἀλλὰ τούτοις ὁμοίων ὄντων.

Γενόμενος δ' οὖν παρὰ Πομπηίῳ καὶ πάλιν μετανοῶν, [d] ἐρωτηθεὶς ὑπὸ Πομπηίου ποῦ Πείσωνα τὸν γαμβρὸν ἀπολέλοιπεν ἔφη 'παρὰ τῷ σῷ πενθερῷ.'

Μεταβαλομένου δέ τινος ἀπὸ Καίσαρος πρὸς τὸν Πομπήιον καὶ λέγοντος ὑπὸ σπουδῆς καὶ προθυμίας ἀπολελοιπέναι τὸν ἵππον, βέλτιον ἔφη αὐτὸν περὶ τοῦ ἵππου βεβουλεῦσθαι.

Πρὸς δὲ τὸν ἀπαγγέλλοντα τοὺς Καίσαρος φίλους σκυθρωποὺς εἶναι 'λέγεις' ἔφη 'δυσνοεῖν αὐτοὺς Καίσαρι.'

Μετὰ δὲ τὴν ἐν Φαρσάλῳ μάχην Πομπηίου μὲν φυγόντος, Νωνίου δέ τινος ἔτι παρ' αὐτοῖς ἀετοὺς ἐπτὰ φήσαντος εἶναι καὶ διὰ τοῦτο θαρρεῖν παρακαλοῦντος, [e] 'καλῶς ἂν παρήνεις' εἶπεν 'εἰ κολοιοῖς ἐπολεμοῦμεν.'

Ἐπεὶ δὲ Καῖσαρ κρατήσας τὰς Πομπηίου καταβεβλημένας εἰκόνας ἀνέστησε μετὰ τιμῆς, ἔφη περὶ αὐτοῦ [λέγων ὁ Κικέρων] ὅτι 'τοὺς Πομπηίου Καῖσαρ ἰστάς ἀνδριάντας τοὺς αὐτοῦ πῆγνυσιν.'

Οὕτω δὲ πολλοῦ τὸ καλῶς λέγειν ἐτίμα τε καὶ περὶ τοῦτο μάλιστα ἠγωνία, ὥστε προκειμένης δίκης ἐπὶ τῶν ἑκατὸν ἀνδρῶν καὶ ἐπικειμένης τῆς ἡμέρας Ἔρωτα ἀπαγγείλαντα αὐτῷ τὸν οἰκέτην εἰς τὴν ἐπιούσαν ὑπερτεθῆναι τὴν δίκην ἠλευθέρωσε.

ΓΑΙΟΣ ΚΑΙΣΑΡ

Γάιος Καῖσαρ, ὅτε Σύλλαν ἔφευγεν ἔτι μειράκιον [f] ὢν, περιέπεσε πειραταῖς· καὶ πρῶτον μὲν αἰτηθεὶς ἀργυρίου πλῆθος κατεγέλασε τῶν ληστῶν ὡς ἀγνοούντων ὃν ἔχουσι καὶ διπλάσιον ὠμολόγησε δώσειν· ἔπειτα φρουρούμενος, ἕως συνῆγε τὰ χρήματα, προσέταπεν ἡσυχίαν αὐτῷ παρέχειν κοιμωμένῳ καὶ σιωπᾷν. λόγους δὲ καὶ ποιήματα γράφων ἀνεγίνωσκεν αὐτοῖς καὶ τοὺς μὴ λίαν ἐπαινοῦντας ἀναισθήτους καὶ βαρβάρους ἀπεκάλει καὶ μετὰ γέλωτος ἠπεῖλει κρεμᾶν αὐτούς· ὃ καὶ μετ' [206] [a] ὀλίγον ἐποίησεν. τῶν γὰρ λύτρων κομισθέντων ἀπολυθεὶς καὶ συναγαγὼν ἄνδρας ἐξ Ἀσίας καὶ πλοῖα συνήρπασε τοὺς ληστὰς καὶ προσήλωσεν.

Ἐν δὲ Ῥώμῃ πρὸς Κάτλον πρωτεύοντα Ῥωμαίων εἰς ἄμιλλαν ὑπὲρ τῆς ἀρχιερωσύνης καταστὰς καὶ προπεμπόμενος ὑπὸ τῆς μητρὸς ἐπὶ τὰς θύρας 'σήμερον' εἶπεν 'ὦ μῆτερ, <ῆ> ἀρχιερέα τὸν

υἰὸν ἢ φυγάδα ἔξεις.’

Πομπήϊαν δὲ τὴν γυναῖκα κακῶς ἀκούσασαν ἐπὶ Κλωδίῳ παραιτησάμενος, εἶτα τοῦ Κλωδίου φεύγοντος ἐπὶ τοῦτῳ δίκην μάρτυς εἰσαχθεὶς οὐδὲν εἶπε φαῦλον περὶ τῆς γυναικός· ἐρομένου δὲ τοῦ κατηγοροῦ ‘διὰ τί [b] τοῖνυν ἐξέβαλες αὐτήν’, ‘ὅτι τὴν Καίσαρος’ ἔφη ‘γυναῖκα καὶ διαβολῆς ἔδει καθαρὰν εἶναι.’

Τὰς δ’ Ἀλεξάνδρου πράξεις ἀναγινώσκων ἐδάκρυσε καὶ πρὸς τοὺς φίλους εἶπεν ὅτι ‘ταύτην τὴν ἡλικίαν ἔχων ἐνίκησε Δαρεῖον, ἐμοὶ δὲ μέχρι νῦν οὐδὲν πέπρακται.’

Πολίχνιον δ’ αὐτοῦ λυπρὸν ἐν ταῖς Ἀλπεσι παρερχομένου καὶ τῶν φίλων διαπορούντων εἰ καὶ ἐνταῦθ’ αἱ τινες στάσεις εἰσὶ καὶ ἄμιλλαι περὶ πρωτείων, ἐπιστὰς καὶ σύννους γενόμενος ‘μᾶλλον ἂν’ ἔφη ‘ἐβουλόμην πρῶτος ἐνταῦθα εἶναι ἢ δεύτερος ἐν Ῥώμῃ.’

Τῶν δὲ τολμημάτων τὰ παράβολα καὶ μεγάλα [c] πράττειν ἔφη δεῖν, ἀλλὰ μὴ βουλεύεσθαι. Καὶ διέβη τὸν Ῥουβίκωνα ποταμὸν ἐκ τῆς Γαλατικῆς ἐπαρχίας ἐπὶ Πομπήϊον εἰπὼν ‘πᾶς ἀνερρίφθω κύβος.’

Ἐπεὶ δὲ Πομπήϊου φυγόντος ἐπὶ θάλασσαν ἐκ τῆς Ῥώμης Μέτελλος ἔπαρχος ὢν τοῦ ταμιείου βουλόμενον αὐτὸν χρήματα λαβεῖν ἐκώλυε καὶ τὸ ταμιεῖον ἀπέκλεισεν, ἠτείλησεν ἀποκτενεῖν αὐτόν· καταπλαγέντος δὲ τοῦ Μετέλλου ‘τοῦτ’ εἶπεν ‘ὦ νεανίσκε, φῆσαι μοι χαλεπώτερον ἦν ἢ ποιῆσαι.’

Τῶν δὲ στρατιωτῶν αὐτῷ βραδέως εἰς Δυρράχιον

ἐκ Βρεντεσίου κομιζομένων λαθῶν ἅπαντας εἰς πλοῖον ἐμβὰς μικρὸν ἐπεχείρησε διαπλεῖν τὸ πέλαγος· συγκλυζομένου [d] δὲ τοῦ πλοίου ποιήσας τῷ κυβερνήτῃ φανερόν ἑαυτὸν ἀνεβόησε ‘πίστευε τῇ τύχῃ γνοῦς ὅτι Καίσαρα κομίζεις.’

Τότε μὲν οὖν ἐκωλύθη τοῦ χειμῶνος ἰσχυροῦ γενομένου καὶ τῶν στρατιωτῶν συνδραμόντων καὶ περιπαθόντων, εἰ περιμένει δύναμιν ἄλλην ὥς ἀπιστῶν αὐτοῖς· ἐπεὶ δὲ μάχης γενομένης νικῶν ὁ Πομπήϊος οὐκ ἐπεξῆλθεν, ἀλλ’ ἀνεχώρησεν εἰς τὸ στρατόπεδον, ‘τήμερον’ εἶπεν ‘ἦν ἡ νίκη παρὰ τοῖς πολεμίοις, ἀλλὰ τὸν εἰδότα νικᾶν οὐκ ἔχουσιν.’

Ἐν δὲ Φαρσάλῳ Πομπήϊου παρατεταγμένην τὴν φάλαγγα κατὰ χώραν ἐστάναι καὶ προσδέχεσθαι τοὺς [e] πολεμίους παρεγγυήσαντος ἀμαρτεῖν αὐτὸν ἔλεγε τὸν ἐξ ἐπιδρομῆς μετ’ ἐνθουσιασμοῦ τόνον καὶ ροῖζον ἐκλύσαντα τῶν στρατιωτῶν.

Φαρνάκην δὲ νικήσας τὸν Ποντικὸν ἐξ ἐφόδου πρὸς τοὺς φίλους ἔγραψεν ‘ἦλθον εἶδον ἐνίκησα.’

Μετὰ δὲ τὴν ἐν Λιβύῃ τῶν περὶ τὸν Σκιπίωνα φυγὴν καὶ ἦτταν Κάτωνος ἑαυτὸν ἀνελόντος ‘φθονῶ σοι, Κάτων,’ εἶπε ‘τοῦ θανάτου· καὶ γὰρ σὺ ἐμοὶ τῆς σῆς σωτηρίας ἐφθόνησας.’

Ἀντώνιον δὲ καὶ Δολοβέλλαν ὑφορωμένων ἐνίων καὶ φυλάττεσθαι κελεύοντων, οὐ τούτους ἔφη δεδιέναι τοὺς βαναύσους καὶ λιπῶντας, ἀλλὰ τοὺς ἰσχυροὺς καὶ ὠχροὺς ἐκείνους, δείξας Βροῦτον καὶ Κάσιον.

[f] Λόγου δὲ παρὰ δεῖπνον ἐμπεσόντος περὶ θανάτου ποῖος ἄριστος ‘ὁ ἀπροσδόκητος’ εἶπε.

ΚΑΙΣΑΡ Ο ΣΕΒΑΣΤΟΣ

Καῖσαρ ὁ πρῶτος ἐπικληθεὶς Σεβαστὸς ἔτι μεῖράκιον ὢν Ἀντώνιον ἀπῆτει <τὰς> δισχιλίας πεντακοσίας μυριάδας, ἃς τοῦ πρώτου Καίσαρος ἀναιρεθέντος ἐκ τῆς οἰκίας πρὸς αὐτὸν ὁ Ἀντώνιος μετήνεγκεν, ἀποδοῦναι Ῥωμαίοις βουλόμενος τὸ καταλειφθὲν ὑπὸ Καίσαρος, ἐκάστω δραχμὰς ἑβδομήκοντα πέντε· τοῦ δ’ Ἀντωνίου τὰ μὲν χρήματα κατέχοντας, ἐκείνους δὲ τῆς ἀπαιτήσεως [207] [a] ἀμελεῖν, εἰ σωφρονεῖ, κελεύοντος, ἐκήρυττε τὰ πατρῶα καὶ ἐπίπρασκε· καὶ τὴν δωρεὰν ἀποδοὺς εὐνοίαν μὲν αὐτῷ, μῖσος δ’ ἐκείνῳ παρὰ τῶν πολιτῶν περιεποίησεν.

Ἐπεὶ δὲ Ῥοιμητάλκης ὁ τῶν Θρακῶν βασιλεὺς ἀπ’ Ἀντωνίου μεταβαλλόμενος πρὸς αὐτὸν οὐκ ἐμετρίαζε παρὰ τοὺς πότους, ἀλλ’ ἦν ἐπαχθῆς ὄνειδίζων τὴν συμμαχίαν, προπιὼν τινι τῶν ἄλλων βασιλέων ὁ Καῖσαρ εἶπεν ‘ἐγὼ προδοσίαν φιλῶ, προδότας δ’ οὐκ ἐπαινῶ.’

Τῶν δ’ Ἀλεξανδρέων μετὰ τὴν ἄλωσιν τὰ δεινότατα πείσεσθαι προσδοκῶντων ἀναβὰς ἐπὶ τὸ βῆμα καὶ [b] παραστησάμενος Ἄρειον τὸν Ἀλεξανδρέα φείδεσθαι τῆς πόλεως ἔφη πρῶτον μὲν διὰ τὸ μέγεθος καὶ τὸ κάλλος, ἔπειτα διὰ τὸν κτίστην Ἀλέξανδρον, τρίτον δὲ δι’ Ἄρειον τὸν φίλον.

Ἀκούσας δὲ ὅτι Ἔρωσ ὁ τὰ ἐν Αἰγύπτῳ διοικῶν ὄρτυγα τὸν κρατοῦντα πάντων ἐν τῷ μάχεσθαι καὶ ἀήττητον ὄντα πριάμενος ὀπτήσας κατέφαγε, μετεπέμψατο αὐτὸν καὶ ἀνέκρινεν· ὁμολογήσαντα δ’ ἐκέλευσεν ἰσθῶ νηὸς προσηλωθῆναι.

Ἐν δὲ Σικελίᾳ Ἄρειον ἀντὶ Θεοδώρου κατέστησε διοικητὴν· ἐπιδόντος δὲ τινος αὐτῷ βιβλίον, ἐν ᾧ γεγραμμένον ἦν ‘φαλακρὸς

†ἡ κλέπτῃς Θεόδωρος ὁ Ταρσεύς· τί σοι δοκεῖ;’ ἀναγνοὺς Καῖσαρ ὑπέγραψε ‘δοκεῖ.’

[c] Παρὰ δὲ Μαικήνα τοῦ συμβιωτοῦ καθ’ ἕκαστον ἐνιαυτὸν ἐν τοῖς γενεθλίοις δῶρον ἐλάμβανε φιάλην.

Ἀθηνοδῶρῳ δὲ τῷ φιλοσόφῳ διὰ γῆρας εἰς οἶκον ἀφεθῆναι δεηθέντι συνεχώρησεν. ἐπεὶ δ’ ἀσπασάμενος αὐτὸν ὁ Ἀθηνόδωρος εἶπεν ‘ὅταν ὀργισθῇς, Καῖσαρ, μηδὲν εἴπῃς μηδὲ ποιήσῃς πρότερον ἢ τὰ εἴκοσι καὶ τέτταρα γράμματα διελθεῖν πρὸς ἑαυτόν’, ἐπιλαβόμενος αὐτοῦ τῆς χειρὸς ‘ἔτι σοῦ παρόντος’ ἔφη ‘χρεῖαν ἔχω.’ καὶ κατέσχεν αὐτὸν ὅλον ἐνιαυτόν, εἰπὼν ὅτι ‘ἔστι καὶ σιγῆς ἀκίνδυνον γέρας.’ (Simonid. fr. 66 II p. 78 D.)

Ἀκούσας δὲ ὅτι Ἀλέξανδρος δύο καὶ τριάκοντα [d] γεγωνὼς ἔτη κατεστραμμένος τὰ πλεῖστα διηπόρει τί ποιήσῃ τὸν λοιπὸν χρόνον, ἐθαύμαζεν, εἰ μὴ μεῖζον Ἀλέξανδρος ἔργον ἡγεῖτο τοῦ κτήσασθαι μεγάλην ἡγεμονίαν τὸ διατάξαι τὴν ὑπάρχουσαν.

Γράψας δὲ τὸν περὶ τῶν μοιχῶν νόμον, ἐν ᾧ διώρισται πῶς δεῖ κρίνεσθαι τοὺς ἐν αἰτίαις γενομένους καὶ πῶς δεῖ κολάζεσθαι τοὺς ἁλόντας, εἶτα προπεσὼν ὑπ’ ὀργῆς τὸν ἐπ’ Ἰουλίᾳ τῇ θυγατρὶ διαβεβλημένον νεανίσκον ἔτυπτε ταῖς χειρσίν, ἐκείνου δ’ ἀναβοῶντος ‘νόμον ἔθηκας, ᾧ Καῖσαρ,’ οὕτω μετενόησεν, ὥστε τὴν ἡμέραν ἐκείνην παραιτήσασθαι τὸ δεῖπνον.

Γάιον δὲ τὸν θυγατρίδου ἐκ τῆς Ἀρμενίαν ἀποστέλλων [e] ἠτεῖτο παρὰ τῶν θεῶν εὐνοίαν αὐτῷ τὴν Πομπηίου, τόλμαν δὲ τὴν Ἀλεξάνδρου, τύχην δὲ τὴν ἑαυτοῦ παρακολουθεῖν.

Ῥωμαίοις δὲ τῆς ἀρχῆς ἔλεγεν ἀπολείπειν διάδοχον, ὃς οὐδέποτε περὶ τοῦ αὐτοῦ πράγματος δις ἐβουλεύσατο, Τιβέριον λέγων.

Θορυβοῦντας δὲ τοὺς ἐν ἀξιώματι νέους καταστεῖλαι βουλόμενος, ὥς οὐ προσεῖχον ἄλλ’ ἐθορύβουν, ‘ἀκούσατε’ εἶπε ‘νέοι γέροντος, οὗ νέου γέροντες ἥκουον.’

Τοῦ δ’ Ἀθηναίων δήμου ἐξημαρτηκέναι τι δόξαντος ἔγραψεν ἀπ’ Αἰγίνης βούλεσθαι μὴ λανθάνειν αὐτοὺς ὀργιζόμενος, οὐ γὰρ ἂν ἐν Αἰγίνῃ διαχειμάσειεν. ἄλλο δ’ [f] οὐδὲν οὕτ’ εἶπεν αὐτοὺς οὕτ’ ἐποίησε.

Τῶν δ’ Εὐρυκλέους κατηγόρων ἐνὸς ἀφειδῶς καὶ κατακόρως παρρησιαζομένου καὶ προαχθέντος εἰπεῖν τι τοιοῦτον ‘εἰ ταῦτά σοι, Καῖσαρ, οὐ φαίνεται μεγάλα, κέλευσον αὐτὸν ἀποδοῦναί μοι

Θουκυδίδου τὴν ἐβδόμην, ὀργισθεὶς ἀπάγειν ἐκέλευσε· πυθόμενος δὲ ὅτι τῶν ἀπὸ Βρασίδου γεγονότων ὑπόλοιπος οὗτός ἐστι μετεπέμψατο καὶ μέτρια νουθετήσας ἀπέλυσε.

[208] [a] Πείσωνος δὲ τὴν οἰκίαν ἐκ θεμελίων ἄχρι τῆς στέγης ἐπιμελῶς οἰκοδομοῦντος, ἑὺθυμον ἔφη ἄνθρωπον ποιεῖς οὕτως οἰκοδομῶν, ὥς αἰδίου τῆς Πρώτης ἐσομένης.

Apophthegmata Laconica

ΑΠΟΦΘΕΓΜΑΤΑ ΛΑΚΩΝΙΚΑ

[208] ΑΓΑΣΙΚΛΗΣ

Άγασικλῆς ὁ Λακεδαιμονίων βασιλεύς, θαυμάζοντός [c] τινος ὅτι φιλήκοος ὢν οὐ προσδέχεται Φιλοφάνη τὸν σοφιστήν, ἔφη ‘τούτων χρήζω μαθητῆς εἶναι, ὧν εἶην καὶ υἱός.’

Πρὸς δὲ τὸν εἰπόντα, πῶς ἂν τις ἀδορυφόρητος ὢν <τῶν πολιτῶν> ἄρχειν ἀσφαλῶς δύναιτο, ‘ἐὰν οὕτως’ ἔφη ‘αὐτῶν ἄρχῃ, ὥσπερ οἱ πατέρες τῶν υἱῶν.’

ΑΓΗΣΙΛΑΟΣ

Άγησίλαος ὁ μέγας παρὰ πότον ποτὲ λαχὼν συμποσίαρχος, ἐρωτηθεὶς ὑπὸ τοῦ οἰνοχόου πόσον ἐκάστω προσφέροι, ‘εἰ μὲν πολὺς οἶνός ἐστιν’ ἔφη ‘παρεσκευασμένος, [d] ὅσον ἕκαστος αἰτεῖ· εἰ δ’ ὀλίγος, ἐξ ἴσου δίδου πᾶσι.’

Κακούργου δὲ τινος ἐμμόνως ὑπομείναντος βασάνους, ‘ὥς σφόδρα πονηρός’ εἶπεν ‘ἄνθρωπος, εἰς μοχθηρὰ καὶ αἰσχροὶ πράγματα τὴν ὑπομονὴν καὶ καρτερίαν κατατιθέμενος.’

Ἐπαινοῦντος δὲ τινος ῥήτορα ἐπὶ τῷ δυνατῶς αὔξειν τὰ μικρὰ πράγματα, ‘οὐδὲ σκυτοτόμον’ ἔφησεν ‘ἡγοῦμαι σπουδαῖον, ὃς μικρῷ ποδὶ ὑποδήματα μεγάλα περιτίθῃσι.’

Φαμένου δὲ τινός ποτε πρὸς αὐτόν ‘ὠμολόγηκας’, καὶ πολλάκις τὸ αὐτὸ λέγοντος, ‘ναὶ μὰ Δία, εἴ γ’ ἐστὶ δίκαιον’ ἔφη· ‘εἰ δὲ μή, ἔλεξα μὲν, ὠμολόγησα δ’ οὐ.’ [e] ἐπειπόντος δὲ ‘ἀλλὰ μὴν δεῖ τοὺς βασιλεῖς ἐπιτελεῖν ὅττι κεν κεφαλῇ κατανεύσωσιν’ ‘οὐ μᾶλλον’ ἔφη ‘ἢ τοὺς προσιόντας τοῖς βασιλεῦσιν αἰτεῖσθαι δεῖ τὰ δίκαια καὶ λέγειν, στοχαζομένους τε τοῦ καιροῦ καὶ τοῦ ἀρμόζοντος τοῖς βασιλεῦσιν.’

Ὅποτε δὲ ψεγόντων ἢ ἐπαινούντων τινῶν ἀκούοι, οὐχ ἥττον ὦρετο δεῖν καταμαρθάνειν τοὺς τῶν λεγόντων τρόπους ἢ περὶ ὧν λέγοιεν.

Ἔτι δὲ παῖδα αὐτὸν ὄντα, γυμνοπαιδίας ἀγομένης, ὁ χοροποιὸς ἔστησεν εἰς ἄσημον τόπον· ὁ δ’ ἐπέισθη καίπερ ἤδη βασιλεὺς ἀποδεδειγμένος καὶ εἶπεν ‘εὗγε· δείξω γὰρ ὅτι οὐχ οἱ τόποι τοὺς ἄνδρας ἐντίμους, ἀλλ’ οἱ ἄνδρες [f] τοὺς τόπους ἐπιδεικνύουσι.’

Προστάττοντος δὲ τινος αὐτῷ ἱατροῦ περιεργότεραν θεραπείαν

καὶ οὐχ ἀπλῆν, ‘νῆ τῷ θεῷ’ φησίν, ‘οὐ πάντως μοι πρόκειται ζῆν οὐδὲ πάντ’ ἀναδεχόμενον.’

Ἐφεστῶς δὲ ποτε τῷ βωμῷ τῆς Χαλκιοίκου βουθυτῶν, ἐπειδὴ φθεῖρ αὐτὸν ἔδακεν, οὐ διετράπη· λαβὼν δὲ περιφανῶς ἐναντίον πάντων ἀπέκτεινε καὶ προσεῖπε ‘νῆ τοὺς θεοὺς, ἡδέως τὸν ἐπίβουλον καὶ ἐπὶ τῷ βωμῷ.’

Ἄλλοτ’ ἰδὼν μῦν ἐλκόμενον ἐκ θυρίδος ὑπὸ παιδαρίου, ἐπεὶ ὁ μῦς ἐπιστραφεὶς ἔδακε τὴν χεῖρα τοῦ κρατοῦντος καὶ ἔφυγεν, ἐπιδείξας τοῖς παροῦσιν εἶπεν ‘ὅταν τὸ ἐλάχιστον ζῶον οὕτως ἀμύνηται τοὺς ἀδικοῦντας, τί τοὺς ἄνδρας προσήκει ποιεῖν λογίζεσθε;’

Βουλόμενος δὲ τὸν πρὸς τὸν Πέρσην συστήσασθαι πόλεμον ἔνεκα τοῦ ἐλευθερῶσαι τοὺς τὴν Ἀσίαν κατοικοῦντας Ἕλληνας, τῷ κατὰ Δωδώνην Διὸς ἐχρήσατο μαντεῖω· κελεύσαντος δέ, εἵπερ ἐστίν, ὧς δοκεῖ, στρατεύεσθαι, [209] [a] τὸ χρησθὲν ἀνήγγειλε τοῖς ἐφόροις· οἱ δ’ ἐκέλευσαν αὐτὸν καὶ εἰς Δελφοὺς ἀφικόμενον περὶ τῶν αὐτῶν πυθάνεσθαι. πορευθεὶς οὖν εἰς τὸ μαντεῖον ἐπηρώτησεν οὕτως ‘Ἀπολλων, ἧς δοκεῖ σοι ὁ καὶ τῷ πατρί;’ συναινέσαντος δὲ αἵρεθεὶς οὕτως ἐστρατεύσατο.

Ἐπεὶ δὲ Τισσαφέρνης ἐν ἀρχῇ μὲν φοβηθεὶς τὸν Ἀγησίλαον ἐποίησατο σπονδὰς τὰς πόλεις αὐτῷ τὰς Ἑλληνικὰς ἀφήσειν αὐτονόμους, μεταπεμπάμενος δὲ παρὰ τοῦ βασιλέως πολὺ στράτευμα πόλεμον κατήγγειλεν αὐτῷ, εἰ μὴ ἀπίοι τῆς Ἀσίας, ἄσμενος τὴν παράβασιν δεξάμενος ὥρμησε μὲν ὡς ἐπὶ Καρίαν προάξων· [b] ἐκεῖ δὲ τὴν δύναμιν τοῦ Τισσαφέρνου ἀθροίσαντος ἄρας εἰς Φρυγίαν ἐνέβαλε· καὶ λαβὼν πόλεις πλείστας καὶ χρημάτων πλῆθος εἶπε τοῖς φίλοις ὅτι σπεισάμενον μὲν ἀδικεῖν ἀσεβές, τοὺς δὲ πολεμίους παραλογίζεσθαι οὐ μόνον δίκαιον καὶ ἐπίδοξον, ἀλλὰ καὶ ἡδὺ καὶ κερδαλέον.

Τοῖς δ’ ἵππεῦσιν ἐλαττωθεὶς ἀνεχώρησεν εἰς Ἑφεσον, καὶ τοῖς εὐπόροις προσεῖπε παρέχειν ἵππον <ἕκαστον> ἀνθ’ ἑαυτοῦ καὶ ἄνδρα ἀπολυομένους τῆς στρατείας, ὥστε ταχὺ συνήχθησαν καὶ ἵπποι καὶ ἄνδρες ἐπιτήδαιοι ἀντὶ δειλῶν καὶ πλουσίων. καὶ τὸν Ἀγαμέμνονα ἔφη ζηλοῦν· καὶ γὰρ ἐκείνον θήλειαν ἵππον ἀγαθὴν λαβόντα [c] κακὸν ἄνδρα καὶ πλούσιον τῆς στρατείας ἀπολύσαι.

Ἐπεὶ δὲ κελεύσαντος αὐτοῦ τοὺς αἰχμαλῶτους γυμνοὺς [πωλεῖν] ἐπίπρασκον οἱ λαφυροπῶλαι καὶ τῆς μὲν ἐσθῆτος ἦσαν

ώνηται πολλοί, τῶν δὲ σωμάτων λευκῶν καὶ ἀπαλῶν παντάπασι διὰ τὰς σκιατροφίας κατεγέλων ὡς ἀχρήστων καὶ μηδενὸς ἀξίων, ἐπιστὰς ὁ Ἀγησίλαος ‘ταῦτα μὲν’ εἶπεν ‘ὕπὲρ ὧν μαχεῖσθε, οὗτοι δὲ οἷς μαχεῖσθε.’

Τρεψάμενος δὲ περὶ Λυδίαν Τισσαφέρνην καὶ πλείστους ἀνελών, κατέτρεχε τῆς βασιλέως χώρας. τοῦτου δὲ χρήματα αὐτῷ προσπέμφαντος καὶ ἀξιοῦντος διαλύσασθαι τὸν πόλεμον, ὁ Ἀγησίλαος τῆς μὲν εἰρήνης ἔφη [d] τὴν πόλιν εἶναι κυρίαν, τοὺς δὲ στρατιώτας πλουτίζων ἡδεσθαι μᾶλλον ἢ αὐτὸς πλουτῶν· καλὸν δὲ νομίζειν Ἑλλήνας οὐ δῶρα λαμβάνειν ἀπὸ τῶν πολεμίων, ἀλλὰ λάφυρα κτᾶσθαι.

Μεγαβάτου δὲ τοῦ Σπιθριδάτου παιδός, ὃς ἦν κάλλιστος τὴν μορφήν, προσελθόντος αὐτῷ ὡς ἀσπασομένου καὶ φιλήσοντος διὰ τὸ σφόδρα δοκεῖν ἀγαπᾶσθαι, ἐξέκλινεν· ὡς δ’ ἐπαύσατο ἐκεῖνος προσιών, ἐπεζήτησεν αὐτὸν ὁ Ἀγησίλαος. τῶν δὲ φίλων φαμένων ὡς αὐτὸς εἶη αἴτιος, τρέσας τὸ τοῦ καλοῦ φίλημα, εἰ δ’ ἐθέλει καὶ μὴ ἀποδειλιάσει, ἦξιεν ἐκεῖνον, χρόνον [οὐκ] ὀλίγον πρὸς αὐτῷ [e] γενόμενος ὁ Ἀγησίλαος καὶ διασιωπήσας ‘οὐδέν’ ἔφη ‘δεῖ πείθειν ἐκεῖνον ὑμᾶς· ἐγὼ γάρ μοι δοκῶ τῶν τοιούτων βούλεσθαι ἐπάνω εἶναι ἢ τὴν εὐανδροτάτην τῶν ἀντιτεταγμένων πόλιν κατὰ κράτος ἐλεῖν· ἄμεινον γὰρ ἑαυτῷ φυλάττειν τὴν ἐλευθερίαν τοῦ ἐτέρων ἀφαιρεῖσθαι.’

Τὰ δ’ ἄλλ’ ἀκριβῆς ὧν καὶ νόμιμος, ἐν τοῖς φιλικοῖς πράγμασιν ἐνόμιζε πρόφασιν εἶναι τὸ λίαν δίκαιον [πρὸς αὐτούς]. φέρεται γοῦν ἐπιστόλιον αὐτοῦ παραιτουμένου τινὰ τῶν φίλων πρὸς Ἰδριέα τὸν Κᾶρα, οὕτω· ‘Νικίας εἰ μὲν οὐκ ἀδικεῖ, ἄφες· εἰ δ’ ἀδικεῖ, ἐμοὶ ἄφες· πάντως δ’ ἄφες.’

Ἐν μὲν οὖν τοῖς πλείστοις τοιοῦτος ὑπὲρ τῶν φίλων [f] ὁ Ἀγησίλαος· ἔστι δὲ ὅπου πρὸς τὸ συμφέρον ἐχρήτητο τῷ καιρῷ μᾶλλον. ἀναζυγῆς γοῦν ποτε γενομένης θορυβωδεστέρας ἀσθενοῦντα καταλιπὼν τὸν ἐρώμενον, ἐκείνου δεομένου καὶ ἀνακαλοῦντος μετὰ δακρύων αὐτόν, ἀποστραφεὶς εἶπεν ‘ὡς χαλεπὸν ἔστιν ἐλεεῖν ἅμα καὶ φρονεῖν.’

Δίαιταν δὲ τὴν περὶ τὸ σῶμα οὐδὲν ἀμείνονα τῶν συνόντων εἶχε, κόρου μὲν καὶ μέθης τὸ παράπαν ἀπεχόμενος, ὕπνω δ’ οὐ δεσπότῃ ἄλλ’ ἀρχομένῳ ὑπὸ τῶν πράξεων χρώμενος· [210] [a] πρὸς δὲ θάλλπος οὕτω καὶ ψυχὸς εἶχεν, ὥστε μόνος ἀεὶ χρῆσθαι ταῖς

ῥραις. ἐν μέσοις δὲ τοῖς στρατιώταις σκηνῶν οὐδενὸς ἀμείνονα κοίτην εἶχε.

Διετελεῖ δὲ λέγων τὸν ἄρχοντα προσήκειν οὐ μαλακία καὶ τρυφῇ, καρτερία δὲ καὶ ἀνδρεία [δεῖν] τῶν ἰδιωτῶν περιεῖναι.

Πυθομένου γοῦν τινος τί περιποίησαν οἱ Λυκούργου νόμοι τῇ Σπάρτῃ, ‘καταφρονεῖν’ ἔφη ‘τῶν ἡδονῶν.’

Πρὸς δὲ τὸν ἐπιθαυμάζοντα τὴν μετριότητα τῆς ἐσθῆτος καὶ τῆς τροφῆς αὐτοῦ τε καὶ τῶν ἄλλων Λακεδαιμονίων ‘ἀντὶ ταύτης’ ἔφη ‘τῆς διαίτης, ὧς ξένε, τὴν ἐλευθερίαν ἀμώμεθα.’

[b] Ἄλλου δὲ προτρεπομένου ἀνίσθαι καὶ λέγοντος διὰ τὸ τῆς τύχης ἄδηλον μὴ ‘περιμεῖναι’, πότε καιρὸς τούτου γενήσεται, ‘ἀλλ’ ἐγώ’ εἶπεν ‘ἐμαυτὸν ἐθίζω [λέγων] ὥστ’ ἐν μηδεμιᾷ μεταβολῇ μεταβολὴν ζητεῖν.’

Καὶ πρεσβύτης δὲ γενόμενος τῇ αὐτῇ ἀγωγῇ ἐχρῆτο· πρὸς οὖν τὸν πυθόμενον διὰ τί σφοδρῶς χειμῶνος ὄντος ἀχίτων περιέρχεται εἰς τοῦτο ἡλικίας ἦκων, ‘ἵνα’ φησὶν ‘οἱ νέοι μιμῶνται, παράδειγμα ἔχοντες τοὺς πρεσβυτάτους καὶ ἄρχοντας.’

†Θάσιοι δὲ τὴν χώραν αὐτῶν διαπορευομένῳ μετὰ τοῦ στρατεύματος ἄλφιστα καὶ χῆνας καὶ τραγήματα καὶ [c] μελίπηκτα καὶ ἄλλα παντοδατὰ βρώματά τε καὶ πόματα πολυτελεῖ ἔπεμψαν· μόνα δὲ τὰ ἄλφιστα δεξάμενος τὰ λοιπὰ ἀπάγειν ἐκέλευσεν ὀπίσω τοὺς κομίζοντας, ὥς οὐδὲν αὐτοῖς ὄντα χρήσιμα. λιπαρῶντων δὲ καὶ δεομένων πάντως λαβεῖν, ἐκέλευσεν αὐτὰ τοῖς εἴλωσι διαδοῦναι. πυθομένων δὲ τὴν αἰτίαν, ἔφη ‘τοὺς ἀνδραγαθίαν ἀσκοῦντας τὰς τοιαύτας λιχνείας οὐχ ἄρμόζει προσίεσθαι· τὰ γὰρ δελεάζοντα τοὺς ἀνδραποδώδεις τῶν ἐλευθέρων ἀλλότρια.’

Πάλιν δὲ τῶν †Θασιῶν διὰ τὸ δοκεῖν μέγας ὑπ’ αὐτοῦ εὐεργετεῖσθαι ναοὺς αὐτὸν καὶ ἀποθεώσεσι τιμησάντων [d] καὶ πρεσβείαν περὶ τούτου ἀποστειλάντων, ἀναγνοὺς τὰς τιμὰς, ἃς αὐτῷ προσήνεγκαν οἱ πρέσβεις, ἠρώτησεν εἰ ἡ πατρίς αὐτῶν ἀποθεοῦν ἀνθρώπους ἔχει δύναμιν· φαμένων δέ, ‘ἄγετ’ ἔφη ‘ποιήσατε πρῶτους ἑαυτοὺς <θεοῦς>· καὶ τοῦτ’ ἂν πράξητε, τότε πιστεύσω ὑμῖν ὅτι κάμει δυνήσεσθε θεὸν ποιῆσαι.’

Τῶν δ’ ἐπὶ τῆς Ἀσίας Ἑλληνικῶν ἐθνῶν ψηφισαμένων ἐν ταῖς ἐπιφανεστάταις πόλεσιν εἰκόνας ἀνιστᾶν αὐτοῦ, προέγραψεν ‘ἐμοῦ μηδεμία εἰκὼν ἔστω μήτε γραπτὴ μήτε πλαστὴ μήτε κατασκευαστή.’

Θεασάμενος δ' ἐπὶ τῆς Ἀσίας οἰκίαν τετραγώνοις ὠροφωμένην δοκοῖς ἠρώτησε τὸν κεκτημένον εἰ τετράγωνα [e] παρ' αὐτοῖς φύεται <τὰ> ξύλα· φαμένου δὲ οὐ, ἀλλὰ στρογγύλα, 'τί οὖν;' εἶπεν 'εἰ τετράγωνα ἦν, στρογγύλ' <ἄν> ἐτελεῖτε;'

Ἐρωτηθεὶς δέ ποτε ἄχρι τίνος εἰσὶν οἱ τῆς Λακωνικῆς ὄροι, κραδάνας τὸ δόρυ εἶπεν 'ἄχρις οὗ τοῦτο φθάνει.'

Ἄλλου δ' ἐπιζητοῦντος διὰ τί ἀτείχιστος ἡ Σπάρτη, ἐπιδείξας τοὺς πολίτας ἐξωπλισμένους 'ταῦτ' ἐστίν' εἶπε 'τὰ Λακεδαιμονίων τείχη.'

Ἄλλου δὲ τὸ αὐτὸ ἐπιζητοῦντος, 'οὐ λίθοις δεῖ καὶ ξύλοις τετείχισθαι, [τὰς πόλεις] ἔφη 'ἵταῖς δὲ τῶν ἐνοικούντων ἀρεταῖς.'

Τοῖς δὲ φίλοις παρήγγειλε μὴ χρήμασιν, ἀνδρεία δὲ καὶ ἀρετῇ σπουδάζειν πλουτεῖν.

[f] Ὅποτε δὲ βούλοιο ἔργον τι ταχέως ὑπὸ τῶν στρατιωτῶν γενέσθαι, αὐτὸς πρῶτος ἐφήπτετο ἐν ὄψει ἀπάντων.

Ἐμεγαλύνετο δ' ἐπὶ τῷ μηδενὸς ἦττον πονεῖν καὶ ἐπὶ τῷ ἄρχειν ἑαυτοῦ μᾶλλον ἢ ἐπὶ τῷ βασιλεύειν.

Θεωρήσας δέ τινα Λάκωνα χωλὸν ἐπὶ πόλεμον ἐξιόντα καὶ ἵππον ζητοῦντα, 'οὐκ αἰσθάνη' ἔφη 'ὅτι οὐ φευγόντων ἀλλὰ μενόντων ὁ πόλεμος χρεῖαν ἔχει;'

Ἐρωτώμενος δὲ πῶς μεγάλην δόξαν περιεποιήσατο, 'θανάτου καταφρονήσας' ἔφη.

Ἐπιζητοῦντος δὲ τίνος διὰ τί Σπαρτιᾶται μετ' αὐλῶν ἀγωνίζονται, [211] [a] ἔφη 'ἴν', ὅταν πρὸς ῥυθμὸν βαίνωσιν, οἱ τε δειλοὶ καὶ οἱ ἀνδρεῖοι φανεροὶ ᾧσι.'

Μακαρίζοντας δὲ τίνος τὸν Περσῶν βασιλέα νέον ὄντα κομιδῇ, εἶπεν 'ἀλλ' οὐδὲ Πρίαμος ταύτην ἔχων τὴν ἡλικίαν ἠτύχησε.'

Πολλὴν δὲ τῆς Ἀσίας ὑφ' ἑαυτῷ ποιησάμενος διέγνω χωρεῖν ἐπ' αὐτὸν βασιλέα, ὅπως παύσῃ σχολὴν ἄγοντα καὶ διαφθείροντα τοὺς τῶν Ἑλλήνων δημαγωγούς.

Μεταπεμφθεὶς δὲ ὑπὸ τῶν ἐφόρων ἔνεκα [τῆς] τοῦ περιεστηκότος τὴν Σπάρτην Ἑλληνικοῦ πολέμου [αἰτίας] διὰ τὰ ὑπὸ τοῦ Πέρσου διαπεμφθέντα χρήματα, εἰπὼν [b] τὸν ἀγαθὸν ἄρχοντα δεῖν ὑπὸ τῶν νόμων ἄρχεσθαι ἀπέπλευσε τῆς Ἀσίας πολὺν ἑαυτοῦ πόθον τοῖς ἐνταῦθα Ἑλλησι καταλιπών.

Τοῦ δὲ Περσικοῦ νομίσματος χάραγμα τοξότην ἔχοντος, ἀναξευγνύων ἔφη τρισμυρίοις τοξόταις ὑπὸ τοῦ βασιλέως

ἐξελαύνεσθαι τῆς Ἀσίας· τοσούτων γὰρ εἰς Ἀθήνας καὶ Θήβας κομισθέντων διὰ Τιμοκράτους χρυσῶν δαρεικῶν καὶ διαδοθέντων τοῖς δημαγωγοῖς, ἐξεπολεμώθησαν οἱ δῆμοι πρὸς τοὺς Σπαρτιάτας.

Καὶ ἀντέγραψε τοῖς ἐφόροις ἐπιστολὴν τήνδε· Ἀγησίλαος τοῖς ἐφόροις χαίρειν· τὰν πολλὰν τᾶς Ἀσίας κατεστρεψάμεθα καὶ τῶς βαρβάρως ἐλάσαμεν καὶ ἐν [c] τᾷ Ἰωνίᾳ ὅπλα ἐποιήσαμεν πολλὰ· ἐπεὶ δὲ κέλεσθέ με κατὰ τὰν προθεσμίαν παραγίνεσθαι, ἔπομαι τᾷ ἐπιστολᾷ, σχεδὸν δ' αὐτὰν καὶ φθάσω· ἄρχω γὰρ οὐκ ἐμαυτῷ ἀρχάν, ἀλλὰ τᾷ πόλει καὶ τοῖς συμμάχοις· καὶ τότε ἄρχων ἄρχει ἀλαθέως κατὰ δίκαν, ὅταν καὶ ἄρχηται ὑπὸ τε νόμων καὶ ἐφόρων ἢ οἷοι ἂν ἄλλοι ἐν πόλει ἄρχοντες ὦσιν.'

Ὡς δὲ διαβάς τὸν Ἑλλήσποντον ἐβάδιζε διὰ τῆς Θράκης, ἐδεήθη μὲν οὐδενὸς τῶν βαρβάρων, πέμπων δὲ πρὸς ἐκάστους ἐπυνθάνετο πότερον ὥς φιλίαν ἢ ὥς πολεμίαν διαπορεύηται τὴν χώραν. οἱ μὲν οὖν ἄλλοι φιλικῶς ἐδέχοντο καὶ παρέπεμπον· οἱ δὲ καλούμενοι Τρωχαλεῖς, οἷς καὶ Ξέρξης ὥς λέγεται ἔδωκε δῶρα, τῆς διόδου μισθὸν ἦτουν τὸν Ἀγησίλαον ἑκατὸν ἀργυρίου τάλαντα καὶ τοσαύτας γυναῖκας· ὁ δὲ κατειρωνευσάμενος αὐτοὺς καὶ [d] φήσας, 'τί οὖν οὐκ εὐθύς ἦλθον ληψόμενοι;' προῆγε καὶ συμβαλὼν αὐτοῖς παρατεταγμένοις τρεψάμενος καὶ διαφθείρας πολλοὺς διῆλθε.

Τῷ δὲ τῶν Μακεδόνων βασιλεῖ τὸ αὐτὸ ἐρώτημα προσέπεμψε· φήσαντος δ' ἐκείνου βουλευέσθαι, 'βουλευέσθω τοίνυν' εἶπεν, 'ἡμεῖς δ' ἤδη πορευσόμεθα.' θαυμάσας οὖν τὴν τόλμαν καὶ δείσας ἐκέλευσεν ὥς φίλον προάγειν.

Τῶν δὲ Θετταλῶν τοῖς πολεμίοις συμμαχοῦντων [e] ἐπόρθει τὴν χώραν· εἰς δὲ Λάρισσαν ἔπεμψε Ξενοκλέα καὶ Σκύθην περὶ φιλίας. συλληφθέντων δὲ τούτων καὶ παραφυλαττομένων, οἱ μὲν ἄλλοι βαρέως φέροντες ὦντο δεῖν τὸν Ἀγησίλαον περιστρατοπεδεύσαντα πολιορκεῖν τὴν Λάρισσαν· ὁ δὲ φήσας οὐκ ἂν ἐθέλῃσαι Θεσσαλίαν ὅλην λαβεῖν ἀπολέσας τῶν ἀνδρῶν τὸν ἕτερον, ὑποσπόνδους αὐτοὺς ἀπέλαβε.

Πυθόμενος δὲ μάχην γεγονέναι περὶ Κόρινθον καὶ Σπαρτιατῶν μὲν παντάπασιν ὀλίγους τεθνάναι, Κορινθίων δὲ καὶ Ἀθηναίων καὶ τῶν ἄλλων συμμάχων αὐτοῖς παμπόλλους, οὐκ ὦφθη περιχαρὴς οὐδ' ἐπηρμένος τῇ [f] νίκῃ, ἀλλὰ καὶ πάννυ βαρὺ στενάζας 'φεῦ τᾶς Ἑλλάδος' ἔφη 'ἢ τοσούτους ὑφ' αὐτᾶς ἀπολώλεκεν, ὅσοις

ἄρκεϊ τοὺς βαρβάρους νικᾶν ἅπαντας.’

Φαρσαλίων δὲ προσκειμένων καὶ κακουργούντων αὐτοῦ τὸ στράτευμα, πεντακοσίοις ἵππεῦσι τρεψάμενος αὐτοὺς τρόπαιον ἔστησεν ὑπὸ τῷ Ναρθακίῳ· καὶ τὴν νίκην ἐκείνην πάντων ὑπερηγάπησεν, ὅτι συστησάμενος τὸ ἵππικὸν αὐτὸς δι’ ἑαυτοῦ τούτῳ μόνῳ τοὺς μέγιστον ἐφ’ ἵππικῇ φρονοῦντας ἐκράτησε.

[212] [a] Διφρίδα δ’ οἴκοθεν ἀπαγγείλαντος αὐτῷ εὐθύς ἐκ παρόδου ἐμβαλεῖν εἰς τὴν Βοιωτίαν, καίτοι ἐκ μείζονος παρασκευῆς ὕστερον τοῦτο ποιῆσαι διανοούμενος, οὐκ ἀπειθήσας τοῖς ἄρχουσι, μεταπεμφάμενος δύο μόρας τῶν περὶ Κόρινθον στρατευομένων ἐπέβη τῆς Βοιωτίας. καὶ συμβαλὼν ἐν Κορωνεῖα Θηβαίοις Ἀθηναίοις Ἀργείοις Κορινθίοις Λοκροῖς ἀμφοτέροις ἐνίκησε, καίτοι ὑπὸ πολλῶν τραυμάτων κακῶς τὸ σῶμα διακείμενος, τὴν μεγίστην μάχην ὥς φησι Ξενοφῶν (Hell. IV 3, 16 Ages. II 9) τῶν καθ’ ἑαυτὸν γενομένων.

Οὐδὲν δὲ τῶν περὶ τὸν βίον καὶ τὴν δίαιταν διὰ τὰς τοσαύτας εὐτυχίας καὶ νίκας ἥλλαξεν οἴκαδ’ ἐπανελθών.

Ὅρων δ’ ἐνίους τῶν πολιτῶν ἀφ’ ἵπποτροφίας [b] δοκοῦντας εἶναι τινὰς καὶ μεγαλοφρονοῦντας, ἔπεισε τὴν ἀδελφὴν Κυνίσκαν ἄρμα καθεῖσαν Ὀλυμπίασιν ἀγωνίσασθαι, βουλόμενος ἐνδείξασθαι τοῖς Ἑλλήσιν ὡς οὐδεμιᾶς ἐστὶν ἀρετῆς πλούτου δὲ καὶ δαπάνης τὰ τοιαῦτα.

Ξενοφῶντα δὲ τὸν σοφὸν ἔχων μεθ’ ἑαυτοῦ σπουδαζόμενον, ἐκέλευε τοὺς παῖδας ἐν Λακεδαίμονι τρέφειν μεταπεμφάμενον, <ὥς> τὸ κάλλιστον τῶν μαθημάτων παιδευθησομένους, ἄρχειν τε καὶ ἄρχεσθαι.

Ἄλλοτε δ’ ἐρωτῶμενος διὰ τί μάλιστα παρὰ τοὺς [c] ἄλλους εὐδαιμονοῦσιν οἱ Σπαρτιάται, ‘διότι’ εἶπε ‘παρὰ τοὺς ἄλλους ἀσκοῦσιν ἄρχειν τε καὶ ἄρχεσθαι.’

Λυσάνδρου δὲ τελευτήσαντος εὐρὼν ἑταιρείαν πολλὴν συνεστῶσαν, ἣν ἐκεῖνος εὐθύς ἐπανελθὼν ἀπὸ τῆς Ἀσίας συνέστησεν ἐπὶ τὸν Ἀγησίλαον, ὥρμησεν αὐτὸν ἐξελέγχειν οἶος ἦν ζῶν πολίτης. καὶ λόγον ἀναγνοὺς ἐν βιβλίῳ ἀπολελειμμένον, ὃν ἔγραψε μὲν Κλέων ὁ Ἀλικαρνασσεύς, ἔμελλε δὲ λέγειν ἀναλαβὼν ὁ Λύσανδρος ἐν τῷ δήμῳ περὶ πραγμάτων καινῶν καὶ μεταστάσεως τοῦ πολιτεύματος, ἠθέλησεν εἰς μέσον ἐξενεγκεῖν· ἐπεὶ δὲ τις τῶν γερόντων τὸν λόγον ἐπελθὼν καὶ φοβηθεὶς τὴν

δεινότητα [d] συνεβούλευσε μὴ τὸν Λύσανδρον ἀνορύττειν, ἀλλὰ τὸν λόγον μᾶλλον αὐτῷ συγκατορύττειν, ἐπέισθη καὶ ἡσύχασε.

Τοὺς δὲ ὑπεναντιούμενους αὐτῷ φανερώς μὲν οὐκ ἐτάραττε· διαπραττόμενος δὲ πέμπεσθαι τινὰς αἰεὶ στρατηγοὺς καὶ ἄρχοντας ἐξ αὐτῶν ἐπεδείκνυε γινόμενους ἐν ταῖς ἐξουσίαις πονηροὺς καὶ πλεονέκτας· εἶτα κρινομένοις πάλιν αὖ βοηθῶν καὶ συναγωνιζόμενος οἰκείους ἐποιεῖτο καὶ μεθίστη πρὸς ἑαυτόν, ὥστε μηδὲνα ἀντίπαλον εἶναι.

Ἐδεήθη τις αὐτοῦ γράψαι πρὸς τοὺς ἐπ’ Ἀσίας ξένους, ὅπως τύχη τοῦ δικαίου· ‘ἀλλ’ οἱ ἐμοὶ ξένοι’ εἶπε ‘τὰ δίκαια δι’ ἑαυτῶν, κἄν ἐγὼ μὴ γράψω, ποιοῦσιν.’

[e] Ἐπεδείκνυε τις αὐτῷ τῆς πόλεως τὸ τεῖχος ὀχυρὸν καὶ καρτερῶς ἄγαν ἐξωκοδομημένον καὶ ἡρώτα εἰ καλὸν αὐτῷ φαίνεται· ‘νὴ Δί’ ἔφη ‘καλὸν, οὐχ ὡς ἀνδράσι δὲ ἄλλ’ ὡς γυναιξὶν ἐνοικεῖν.’

Μεγαρέως δὲ τινος περὶ τῆς πόλεως πρὸς αὐτὸν μεγαλαυχουμένου, ‘μειράκιον’ ἔφη, ‘οἱ λόγοι σου πολλῆς δυνάμεως δέονται.’

Ἄ δὲ τοὺς ἄλλους ἑώρα θαυμάζοντας ἐδόκει μηδὲ γινώσκειν. καὶ ποτε Καλλιππίδας ὁ τῶν τραγωδιῶν ὑποκριτής, ὄνομα καὶ δόξαν ἔχων ἐν τοῖς Ἑλλήσι καὶ σπουδαζόμενος ὑπὸ πάντων, πρῶτον μὲν ἀπήντησεν αὐτῷ καὶ [f] προσεῖπεν, ἔπειτα σοβαρῶς εἰς τοὺς συμπεριπατοῦντας ἐμβαλὼν ἑαυτὸν ἐπεδείκνυτο, νομίζων ἐκεῖνον ἄρξειν τινὸς φιλοφρονήσεως· τέλος δ’ εἶπεν ‘οὐκ ἐπιγινώσκεις με, ὦ βασιλεῦ, οὐδ’ ἤκουσας ὅστις εἰμί;’ ὁ δ’ Ἀγησίλαος ἀποβλέψας εἰς αὐτὸν· ‘ἀλλ’ οὐ τὴν ἐσοί Καλλιππίδας ὁ δεικηλίκτας;’ οὕτω δὲ Λακεδαιμόνιοι τοὺς μίμους καλοῦσι.

Τοῦ δὲ μιμουμένου τὴν τῆς ἀηδόνης φωνὴν ἀκοῦσαι παρακαλούμενος παρητήσατο φήσας ‘αὐτᾶς ἄκουκα πολλάκις.’

[213] [a] Μενεκράτους δὲ τοῦ ἱατροῦ, ἐπεὶ κατατυχὼν ἐν τισὶν ἀπεγνωσμέναις θεραπείαις Ζεὺς ἐπεκλήθη, φορτικῶς ταύτη χρωμένου τῇ προσωνομίᾳ, καὶ δὴ πρὸς τὸν Ἀγησίλαον ἐπιστεῖλαι τολμήσαντος οὕτως ‘Μενεκράτης Ζεὺς Ἀγησίλαῷ βασιλεῖ χαίρειν’, οὐκ ἀναγνοὺς τὰ λοιπὰ ἀντέγραψε ‘βασιλεὺς Ἀγησίλαος Μενεκράτει ὑγιαίνειν.’

Ἐπεὶ δὲ Κόνων καὶ Φαρνάβαζος τῷ βασιλέως ναυτικῷ θαλαττοκρατοῦντες ἐπολιόρκουν τὰ παράλια τῆς Λακωνικῆς,

ἔτειχίσθη δὲ τὸ ἄστυ τῶν Ἀθηναίων Φαρναβάζου χρήματα δόντος, εἰρήνην ἐποιήσαντο Λακεδαιμόνιοι [b] πρὸς βασιλέα· καὶ πέμπουσι πολίτην Ἀνταλκίδαν πρὸς Τιρίβαζον, τοὺς ἐν τῇ Ἀσίᾳ Ἕλληνας, ὑπὲρ ὧν ἐπολέμησεν Ἀγησίλαος, βασιλεῖ παραδιδόντες. ὅθεν δὴ ἥκιστα συνέβη τῆς κακοδοξίας ταύτης Ἀγησιλάῳ μετασχεῖν· ὁ γὰρ Ἀνταλκίδας ἐχθρὸς ἦν αὐτῷ, καὶ τὴν εἰρήνην ἐξ ἅπαντος ἔπραττεν, ὡς τοῦ πολέμου τὸν Ἀγησίλαον αὖξοντος καὶ ποιοῦντος ἐνδοξότατον καὶ μέγιστον.

Οὐ μὴν ἀλλὰ καὶ πρὸς τὸν εἰπόντα μηδίζειν τοὺς Λακεδαιμονίους ἀπεκρίθη μᾶλλον τοὺς Μήδους λακωνίζειν.

Ἐρωτηθεὶς δέ ποτε ὁποτέρα βελτίων τῶν ἀρετῶν, ἀνδρεία ἢ δικαιοσύνη, οὐδὲν ὄφελος ἀνδρείας ἔφασκεν [c] εἶναι μὴ παρούσης δικαιοσύνης· εἰ δὲ δίκαιοι πάντες γένοιτο, μηδέν' ἀνδρείας δεηθήσεσθαι.

Εἰθισμένων δὲ τῶν τὴν Ἀσίαν κατοικούντων τὸν Περσῶν βασιλέα μέγαν προσαγορεύειν, 'τί δαὶ ἐκείνος ἐμοῦ μείζων' ἔφη, 'εἰ μὴ καὶ δικαιότερος καὶ σωφρονέστερος·'

Ἐλεγε δὲ τοὺς τὴν Ἀσίαν κατοικούντας ἐλευθέρους μὲν κακοῦς, δούλους δ' ἀγαθοὺς εἶναι.

Ἐρωτηθεὶς δὲ πῶς ἂν τις μάλιστα εὐδοκιμοίῃ παρ' ἀνθρώποις 'εἰ λέγοι' εἶπε 'τὰ ἄριστα, πράττοι δὲ τὰ κάλλιστα.'

Τὸν δὲ στρατηγὸν δεῖν ἔφασκε πρὸς μὲν τοὺς ἐναντίους τόλμαν, πρὸς δὲ τοὺς ὑποτεταγμένους εὐνοίαν ἔχειν, πρὸς δὲ τοὺς καιροὺς λογισμόν.

Ἐπιζητοῦντος δὲ τινος τίνα δεῖ μανθάνειν τοὺς [d] παῖδας, 'ταῦτ' εἶπεν 'οἷς καὶ ἄνδρες γενόμενοι χρήσονται.'

Δικάζοντος δὲ [τινος] δίκην αὐτοῦ καὶ τοῦ μὲν κατηγοροῦ εὖ εἰρηκότος τοῦ δ' ἀπολογουμένου φαύλως, λέγοντος δὲ πρὸς ἕκαστα 'Ἀγησίλαε, δεῖ τὸν βασιλέα τοῖς νόμοις βοηθεῖν,' 'καὶ τὴν οἰκίαν' ἔφη 'εἰ τίς σοι διέσκαπτε καὶ τὸ ἱμάτιον εἰ ἀφηρεῖτο, προσεδέχου ἂν τὸν οἰκοδόμον ἢ τὸν τὸ ἱμάτιον ὑφάναντα ἐπικουρήσειν σοι;'

Ἐπιστολῆς δ' αὐτῷ παρὰ τοῦ Περσῶν βασιλέως κοιμισθείσης - τῆς εἰρήνης γενομένης - , ἣν ὁ μετὰ Καλλίου τοῦ Λακεδαιμονίου Πέρσης ἦνεγκε, περὶ ξενίας καὶ φιλίας, οὐκ ἔλαβεν εἰπὼν ἀπαγγεῖλαι βασιλεῖ ὡς [e] ἰδίᾳ μὲν πρὸς αὐτὸν οὐδὲν δέοι ἐπιστολὰς πέμπειν· ἣν δὲ φίλος τῇ Λακεδαίμονι καὶ τῇ Ἑλλάδι

εὔνους ὧν φαίνεται, ὅτι καὶ αὐτὸς φίλος αὐτῷ κατὰ κράτος ἔσοιτο· ‘ἐὰν μέντοι ἐπιβουλεύων ἀλίσκηται, μηδ’ ἂν πάνυ πολλὰς δέχωμαι ἐπιστολάς, πιστεύετω ἔξω με φίλον.’

Φιλοτεκνότητος δ’ ὧν διαφερόντως λέγεται ὅτι μικροῖς τοῖς παιδίοις κάλαμον περιβεβηκῶς ὥσπερ ἵππον οἴκοι συνέπαιζεν· ὀφθεῖς δὲ ὑπὸ τινος τῶν φίλων παρεκάλει μηδενὶ φράζειν, πρὶν καὶ αὐτὸς πατὴρ παίδων γένηται.

Συνεχῶς δ’ αὐτοῦ τοῖς Θηβαίοις πολεμοῦντος καὶ τρωθέντος ἐν τῇ μάχῃ, φασὶ τὸν Ἀνταλκίδαν εἶπεῖν [f] ‘καλὰ τὰ διδασκάλια παρὰ Θηβαίων ἀπολαμβάνεις, μὴ βουλομένους αὐτοὺς μηδ’ ἐπισταμένους μάχεσθαι διδάξας.’ τῷ γὰρ ὄντι Θηβαίους αὐτοὺς ἐαυτῶν πολεμικωτάτους τότε φασὶ γενέσθαι ταῖς πολλαῖς στρατείαις τῶν Λακεδαιμονίων ἐπ’ αὐτούς. διὸ καὶ Λυκοῦργος ὁ παλαιὸς ἐν ταῖς καλουμέναις Ῥήτραις ἀπέιπε πολλάκις ἐπὶ τοὺς αὐτοὺς στρατεύειν, ὅπως πολεμεῖν μὴ μανθάνωσιν.

Ἐπεὶ δ’ ἤκουσέ ποτε δυσχερᾶναι τοὺς συμμάχους [214] [a] διὰ τὰς συνεχεῖς στρατείας, ὀλίγοις οὕσι τοῖς Λακεδαιμονίοις πολλοὺς ἀκολουθοῦντας, ἐλέγξει βουλόμενος αὐτῶν τὸ πλῆθος ἐκέλευσεν ἅπαντας τοὺς συμμάχους καθίσαι μετ’ ἀλλήλων ἀναμεμιγμένους, ἰδίᾳ δὲ τοὺς Λακεδαιμονίους ἐφ’ ἐαυτῶν· εἴτα ἐκήρυττε τοὺς κεραμεῖς ἀνίστασθαι πρῶτους, ὥς δ’ ἀνέστησαν οὕτοι, δευτέρους ἐκήρυττε τοὺς χαλκεῖς, εἴτα τέκτονας ἐφεξῆς καὶ οἰκοδόμους, καὶ τῶν ἄλλων τεχνῶν ἐκάστην. πάντες οὖν ὀλίγου δεῖν ἀνέστησαν οἱ σύμμαχοι, τῶν δὲ Λακεδαιμονίων οὐδεῖς· ἀπείρητο γὰρ αὐτοῖς τέχνην ἐργάζεσθαι ἢ μανθάνειν βάνανσον. οὕτω δὲ γελάσας ὁ Ἀγησίλαος ‘ὀρᾶτε’ [b] εἶπεν ‘ὦ ἄνδρες, ὅσω πλείονας ὑμῶν στρατιώτας ἐκπέμπομεν ἡμεῖς;’

Ἐν δὲ τῇ περὶ Λεῦκτρα μάχῃ πολλῶν Λακεδαιμονίων φυγόντων καὶ τούτων ταῖς ἐκ τοῦ νόμου ἀτιμίαις ὑπευθύνων ὄντων, οἱ ἔφοροι ἔρημον ἀνδρῶν τὴν πόλιν ὀρῶντες δεομένην στρατιωτῶν ἐβούλοντο τὴν ἀτιμίαν λῦσαι καὶ τοὺς νόμους τηρεῖν. αἰροῦνται οὖν νομοθέτην τὸν Ἀγησίλαον· ὁ δὲ προελθὼν εἰς τὸ δημόσιον ‘νομοθέτης μὲν οὐκ ἂν γενοίμην ἐτέρων νόμων’ εἶπε, ‘τοῖς γὰρ οὕσιν οὕτ’ ἂν προσθείην τι οὕτ’ ἂν ἀφέλοιμι οὔτε μεταποιήσαιμι· τοὺς δ’ ὄντας ἡμῖν νόμους κυρίους εἶναι καλῶς ἔχον ἐστὶν ἀπὸ τῆς αὔριον.’

[c] Τὸν δ’ Ἐπαμεινώνδαν ἐπελθόντα μετὰ τοσοῦτου ῥεύματος

καὶ κλύδωνος, τῶν Θηβαίων καὶ συμμάχων μεγαλαυχουμένων ἐπὶ τῇ νίκῃ, ὅμως εἶρξε τῆς πόλεως καὶ ἀναστρέψαι ἐποίησεν, ὀλίγων ὄντων τῶν ἐν τῇ πόλει.

Ἐν δὲ τῇ περὶ Μαντίνειαν μάχῃ παρεκελεύσατο τοῖς Λακεδαιμονίοις τοὺς ἄλλους ἐάσαντας πάντας Ἐπαμεινώνδῃ μάχεσθαι, μόνους λέγων τοὺς ἔμφρονας ἀνδρείους εἶναι καὶ μόνους νίκης αἰτίους ὑπάρχειν· εἰ οὖν τοῦτον ἀνέλοιεν, ῥᾶστα τοὺς ἄλλους ὑποχειρίους ποιήσιν· ἄφρονες γὰρ εἶναι καὶ οὐδενὸς ἀξιους. ὃ καὶ συνέβη· τῆς γὰρ νίκης σὺν Ἐπαμεινώνδῃ οὔσης καὶ φυγῆς γενομένης, [d] ἐπιστραφέντ' αὐτὸν καὶ ἀνακαλούμενον τοὺς ἰδίους τῶν Λακεδαιμονίων τις καιρίως ἐπάταξε, καὶ πεσόντος ἀναστρέψαντες ἀπὸ τῆς φυγῆς οἱ σὺν Ἀγησιλάῳ ἐφάμιλλον τὴν νίκην ἐποίησαν, παρὰ πολὺ μὲν τῶν Θηβαίων χειρόνων παρὰ πολὺ δὲ τῶν Λακεδαιμονίων ἀμεινόνων φανέντων.

Χρημάτων δὲ δεομένης τῆς Σπάρτης πρὸς πόλεμον καὶ ξενотροφούσης ἐπορεύθη ὁ Ἀγησίλαος εἰς Αἴγυπτον μεταπεμφθεὶς ὑπὸ τοῦ βασιλέως Αἰγυπτίων ἐπὶ μισθῷ, διὰ δὲ τὸ λιτὸν τῆς ἐσθῆτος εἰς καταφρόνησιν ἦλθε τοῖς ἐγχωρίοις· προσεδόκων γὰρ τὸν Σπάρτης βασιλέα [e] καθάπερ τὸν Περσῶν κεκοσμημένον ὄψεσθαι διαπρεπῶς τὸ σῶμα, φαύλην ἔχοντες περὶ βασιλέων δόξαν. ἔδειξε γοῦν αὐτοῖς μεταξύ, ὥς τὸ μεγαλεῖον καὶ ἀξιόλογον νοήσῃ καὶ ἀνδρεῖα κτᾶσθαι προσήκει.

Ἐπεὶ δὲ τοὺς παρ' αὐτῷ παραστήσεσθαι μέλλοντας ἑώρα δεδιότας τὸν ἐπὶόντα κίνδυνον διὰ τὸ τῶν πολεμίων πλῆθος (εἵκοσι γὰρ ἦσαν μυριάδες) καὶ τὴν τῶν περὶ αὐτὸν ὀλιγότητα, πρὸ τῆς παρατάξεως ἔγνω προθύσασθαι· καὶ ἀσυνειδήτως τοῖς ἄλλοις ἐπὶ τὴν ἀριστερὰν ὑπεστραμμένην τῇ χειρὶ 'νίκην' προσέγραψε, λαβὼν [f] δὲ παρὰ τοῦ μάντεως τὸ ἦπαρ ἐπέθηκε μὲν ἐπὶ τὴν ὑπογεγραμμένην χεῖρα, κρατῶν δ' ἐφ' ἱκανὸν χρόνον ὑπέφαινε δισταγμὸν καὶ προσποίησιν εἶχεν ἀποροῦντος, μέχρι τῷ ἦπατι συναναλειφθέντες ἐτυπώθησαν οἱ τῶν γραμμάτων χαρακτῆρες. καὶ τότε τοῖς συναγωνίζεσθαι μέλλουσιν ἐπεδείκνυε, φάμενος τοὺς θεοὺς διὰ τῶν γεγραμμένων ἐκφῆναι νίκην. ἀσφαλὲς οὖν τεκμήριον δόξαντες ἔχειν τοῦ κρατῆσαι ἐθάρρησαν πρὸς τὴν μάχην.

Περιταφρευόντων δὲ τῶν πολεμίων τὸ στρατόπεδον αὐτοῦ διὰ τὸ πλῆθος, καὶ Νεκτανάβιος, ᾧ συνεμάχει, ἀξιοῦντος ἐπεξιέναι καὶ

διαμάχεσθαι, οὐκ ἔφη διακωλύειν τοὺς πολεμίους ἴσους αὐτοῖς γενέσθαι βουλομένους. [215] [a] ἔτι δὲ μικρὸν ἀπολειπούσης τῆς τάφρου συνάψαι, κατὰ τοῦτο παρατάξας τὸ διαλεῖπον καὶ πρὸς ἴσους ἴσοις ἀγωνισάμενος τροπὴν ἐποιήσατο καὶ πολὺν φόνον τῶν πολεμίων ὀλίγοις τοῖς περὶ αὐτὸν στρατιώταις καὶ χρήματα πολλὰ τῇ πόλει διεπέμψατο.

Κατὰ δὲ τὸν <ἀπ'> Αἰγύπτου ἀπόπλουν ἀποθνήσκων ἐνετείλατο τοῖς περὶ αὐτὸν μήτε πλαστὰν μήτε γραπτὰν [μήτε] μιμηλὰν τοῦ σώματος [εἰκόνα] ποιήσασθαι, 'εἰ γάρ τι καλὸν ἔργον πεποίηκα, τοῦτό μου μνημεῖον ἔσται· εἰ δὲ μή, οὐδ' οἱ πάντες ἀνδριάντες, βαναύσων καὶ οὐδενὸς ἀξίων ἔργα ὄντες.'

Ὀνειδιζόμενος δ’ ἐπὶ τῇ παραβάσει τῶν ὀρκων, οὐκ ἔφη προσομωμοκέναι ταῖς ἡμέραις τὰς νύκτας· ἄλλως τε [καί], ὅτι ἂν κακὸν τις ποιῇ τοὺς πολεμίους, τοῦτο καὶ παρὰ θεοῖς καὶ παρ’ ἀνθρώποις δίκης ὑπέρτερον νομίζεσθαι.

Συνέβη δ’ αὐτῷ τοῦ μὲν Ἀργους, δι’ ὃ παρεσπόνδησεν, ἀποπεσεῖν διὰ τὸ τὰς γυναῖκας τὰ ἀπὸ τῶν ἱερῶν καθελούσας ὅπλα τοῦτοις αὐτὸν ἀμύνεσθαι· καὶ ὕστερον δὲ τῶν φρενῶν ἔξω γενόμενον δράξασθαι τινος μαχαίριου [c] καὶ αὐτὸν ἀνατεμεῖν ἀπὸ τῶν σφυρῶν ἕως ἐπὶ τοὺς καιρίους τόπους, καὶ οὕτως ἐκλιπεῖν τὸν βίον γελῶντα καὶ σεσηρότα.

Τοῦ δὲ μάντεως ἀποτρέποντος μὴ ἄγειν ἐπὶ τὴν Ἀργείων πόλιν τὸ στράτευμα (τὴν γὰρ ἐπάνοδον αἰσχροὺς γενήσεσθαι) προσελθὼν τῇ πόλει ὡς τὰς μὲν πύλας κεκλεισμένας εἶδε, τὰς δὲ γυναῖκας ἐπὶ τῶν τειχῶν, ‘αὕτη σοι’ ἔφη ‘ἡ ἐπάνοδος αἰσχροὺς φαίνεται εἶναι, ἐν ᾗ τῶν ἀνδρῶν τεθηγκότων αἱ γυναῖκες τὰς πύλας κεκλείκασι;’

Πρὸς δὲ τοὺς λοιδοροῦντας αὐτὸν τῶν Ἀργείων ὡς ἐπίορκον καὶ ἀσεβῆ ‘τοῦ μὲν κακῶς λέγειν’ ἔφη ‘ὕμεῖς κύριοι, τοῦ δὲ κακῶς ὑμᾶς ποιεῖν ἐγώ.’

[d] Τοῖς δ’ ἀπὸ τῆς Σάμου πρέσβεσι παρακαλοῦσιν αὐτὸν Πολυκράτει τῷ τυράννῳ πολεμεῖν καὶ διὰ τοῦτο μακρολογοῦσιν, ‘ὦν εἰρήκατε’ ἔφη ‘τὰ μὲν ἐξ ἀρχῆς οὐ μέμνημαι, διὰ τοῦτο δὲ καὶ τὰ μέσα οὐ συνίημι· τὰ δ’ ἐπὶ πᾶσιν οὐ δοκιμάζω.’

Πειρατοῦ δὲ καταδραμόντος τὴν χώραν καί, ὡς ἐάλω, λέγοντος ὅτι ‘τροφὴν οὐκ εἶχον τοῖς στρατιώταις παρέχειν, πρὸς τοὺς ἔχοντας οὖν ἐκοντὶ δ’ οὐκ ἂν διδόντας βίᾳ ληψόμενος ἦλθον’ ‘νὴ τοὺς θεοὺς’ ἔφη ‘σύντομος ἢ πονηρία.’

Φαύλου δὲ τινος αὐτὸν κακῶς λέγοντος ‘ἄρα διὰ τοῦτο’ ἔφη ‘πάντας σὺ κακῶς λέγεις, ἵνα ἀπολογούμενοι [e] μὴ εὐκαιρῶμεν περὶ τῆς σῆς κακίας λέγειν;’

Τῶν δὲ πολιτῶν τινος λέγοντος, ὅτι τὸν ἀγαθὸν βασιλέα πάντη πάντως πρῶτον εἶναι δεῖ, ‘οὐκοῦν’ ἔφη ‘ἄχρι τοῦ μὴ εὐκαταφρόνητον εἶναι.’

Ἐλकुσθεῖς δὲ νόσῳ μακρᾷ, ἐπεὶ καθαρταῖς καὶ μάντεσι προσεῖχε τὸ πρὶν οὐ προσέχων, θαυμάζοντός τινος, ‘τί θαυμάζεις;’ ἔφη ‘οὐ γάρ εἰμι ὁ αὐτὸς νῦν καὶ τότε· οὐκ ὦν δὲ ὁ αὐτὸς οὐδὲ τὰ αὐτὰ δοκιμάζω.’

Σοφιστοῦ δὲ τινος περὶ ἀνδρείας λέγοντος πλείω, ἐγέλασε· τοῦ δ’ εἰπόντος ‘τί γελαῖς, Κλεόμενες, περὶ ἀνδρείας λέγοντος ἀκούων, καὶ ταῦτα βασιλεὺς ὦν;’ [f] ‘ὅτι’ ἔφη, ‘ὦ ξέने, καὶ ἡ χελιδὼν εἰ περὶ αὐτῆς ἔλεγε, τὸ αὐτὸ τοῦτ’ ἂν ἐποίουν· εἰ δ’ ἀετός, πολλὴν ἂν εἶχον ἡρεμίαν.’

Τῶν δ’ Ἀργείων τὴν προτέραν ἦτταν φασκόντων ἀναμαχεῖσθαι, ‘θαυμάζω’ ἔφη ‘εἰ δύο συλλαβῶν προσθήκη νῦν κρείσσονες ἐγένεσθε ἢ πρόσθεν ἦτε.’

Λοιδοδοῦντος δὲ τινος αὐτὸν καὶ φήσαντος ‘θρυπτικὸς εἶ, ὦ Κλεόμενες,’ ‘ἀλλὰ κρεῖσσον’ ἔφη ‘ἢ ἄδικον εἶναι· σὺ δὲ φιλοχρήματος καίπερ ἱκανὰ κεκτημένος.’

[Ψάλτην δέ τις αὐτῷ βουλόμενος συστήσαι τὰ τ’ [224] [a] ἄλλα τὸν ἄνδρα ἐπήγει καὶ ψάλτην αὐτὸν ἔφη κράτιστον εἶναι τῶν Ἑλλήνων· ὁ δὲ δεῖξας τινὰ τῶν πλησίον ‘νῆ τοὺς θεοὺς’ ἔφη ‘ὥς οὗτος παρ’ ἐμοὶ ζωμποῖός.]

Μαιανδρ<ί>ου δὲ τοῦ τῆς Σάμου τυράννου διὰ τὴν Περσῶν ἔφοδον εἰς Σπάρτην φυγόντος καὶ ἐπιδείξαντος ὅσα κεκομῖκει χρύσεά τε καὶ ἀργύρεα ἐκπώματα χαριζομένου τε ὅσα βούλεται, ἔλαβε μὲν οὐδέν, εὐλαβοῦμενος δὲ μὴ ἐτέροις πσι τῶν ἀστῶν διαδῶ, πορευθεὶς ἐπὶ τοὺς ἐφόρους ἄμεινον εἶναι ἔφη τῇ Σπάρτῃ τὸν ξένον ἑαυτοῦ <τὸν> Σάμιον ἀπαλλάττεσθαι τῆς Πελοποννήσου, ἵνα μὴ πείσῃ τινὰ τῶν Σπαρτιατῶν κακὸν γενέσθαι. οἱ δὲ ὑπακούσαντες [b] ἐξεκέρυξαν τὸν Μαιάνδρ<ι>ον αὐτῆς ἡμέρας.

Εἰπόντος δὲ τινος ‘διὰ τί πολεμοῦντας ὑμῖν Ἀργεῖους πολλάκις κρατήσαντες οὐκ ἀνηρήκατε;’ ‘οὐδ’ ἂν ἀνέλοιμεν’ ἔφη, ‘ὥς ἂν γυμναστὰς τοῖς νέοισιν ἔχωμεν.’

Πυνθανομένου δὲ τινος αὐτοῦ διὰ τί Σπαρτιάται τοῖς θεοῖς οὐκ ἀνατιθέασι τὰ ἀπὸ τῶν πολέμιων σκῦλα, ‘ὅτι’ ἔφη ‘ἀπὸ δειλῶν ἐστι.’

ΚΛΕΟΜΕΝΗΣ Ο ΚΛΕΟΜΒΡΟΤΟΥ

Κλεομένης ὁ Κλεομβρότου, διδόντος αὐτῷ τινος μαχίμους [c] ἀλεκτρούνας καὶ λέγοντος ὅτι μαχόμενοι ἀποθνήσκουσι περὶ νίκης, ‘τῶν κατακτεινόντων τοίνυν αὐτούς’ ἔφη ‘τινὰς δὸς μοι, ἐκεῖνοι γὰρ τούτων ἀμείνους.’

ΛΑΒΩΤΑΣ

Λαβώτας, μακρολογοῦντός τινος, εἶπε ‘τί μοι μικρῶν πέρι μεγάλα φροιμιάζῃ; ὅσον γὰρ εἴη πρᾶγμα, τοσοῦτος καὶ ὁ λόγος, ὧς χρῆσαι.’

ΛΕΩΤΥΧΙΔΑΣ

Λεωτυχίδας ὁ πρῶτος, λέγοντός τινος ὡς ἔστιν εὐμετάβολος, ‘διὰ τοὺς καιρούς’ ἔφη, ‘οὐχ ὡς ὑμεῖς διὰ τὴν αὐτῶν κακίαν.’

Πρὸς δὲ τὸν ἐρωτῶντα πῶς ἂν τις μάλιστα διαφυλάσσοι [d] τὰ παρόντα τῶν ἀγαθῶν, εἶπεν ‘εἰ μὴ πάντα τῇ τύχῃ πιστεύοι.’

Ἐρωτηθεὶς δὲ τί δεῖ μάλιστα μανθάνειν τοὺς ἐλευθέρους παῖδας, ‘ταῦτ’ ἔφη ‘ὅσαπερ ἂν αὐτοὺς ὠφελήσκειν ἄνδρας γενομένους.’

Πυνθανομένου δὲ τινος διὰ τίνα αἰτίαν ὀλιγοποτοῦσιν οἱ Σπαρτιᾶται, ἔφη ‘ἵνα μὴ ἄλλοι ὑπὲρ ἡμῶν βουλευώνται, ἀλλ’ ἡμεῖς ὑπὲρ ἄλλων.’

ΛΕΩΤΥΧΙΔΑΣ Ο ΑΡΙΣΤΩΝΟΣ

Λεωτυχίδας ὁ Ἀρίστωνος πρὸς τὸν εἰπόντα ὅτι κακῶς αὐτὸν οἱ τοῦ Δημαράτου λέγουσι ‘μὰ τοὺς θεοὺς’ ἔφη ‘οὐ θαυμάζω, καλῶς γὰρ λέγειν οὐδεὶς ἂν αὐτῶν δυνηθεῖη.’

[e] Τῇ δ’ ἐνδοτέρω πύλῃ δράκοντος περὶ τὴν κλεῖν ἐλιχθέντος καὶ τῶν μάντεων τέρας ἀποφαινομένων εἶναι, ‘οὐτι ἔμοιγ’ ἔφη ‘δοκεῖ, ἀλλ’ εἰ ἡ κλεῖς τῷ δράκοντι περιειλίχθη, τέρας ἂν ᾦν.’

Πρὸς δὲ Φίλιππον τὸν ὀρφεοτελεστὴν παντελῶς πτωχὸν ὄντα, λέγοντα δ’ ὅτι οἱ παρ’ αὐτῷ μνηθέντες μετὰ τὴν τοῦ βίου τελευτὴν εὐδαιμονοῦσι, ‘τί οὖν, ὧς ἀνόητε’ εἶπεν, ‘οὐ τὴν ταχίστην ἀποθνήσκεις, ἴν’ ἅμα παύσῃ κακοδαιμονίαν καὶ πενίαν κλαίων;’

Πυθομένου δὲ τινος διὰ τί τὰ ἀπὸ τῶν πολεμίων ὄπλα τοῖς θεοῖς οὐκ ἀνατιθέασιν, ‘ὅτι’ ἔφη ‘τὰ διὰ τὴν δειλίαν τῶν κεκτημένων θηραθέντα οὔτε τοὺς νέους ὀρᾷν καλὸν οὔτε τοῖς θεοῖς ἀνατιθέναι.’

ΛΕΩΝ Ο ΕΥΡΥΚΡΑΤΙΔΑ

Λέων ὁ Εὐρυκρατίδα ἐρωτηθεὶς, ποίαν τις ἂν πόλιν [f] οἰκήσας ἀσφαλῶς οἰκοίη, ‘ὅπου’ ἔφη ‘μήτε πλείω μήτε ἐλάσσονα κεκτήσονται οἱ ἐνοικοῦντες· καὶ ὅπου τὸ μὲν δίκαιον ἰσχύσει, τὸ δ’

ἄδικον ἀσθενὲς ἔσται.’

Ὅρων δὲ τοὺς ἐν Ὀλυμπίᾳ δρομεῖς σπουδάζοντας περὶ τὴν ἄφρουν ἵνα πλεονεκτήσωσιν, ‘ὅσῳ μᾶλλον’ ἔφη ‘οἱ δρομεῖς σπουδάζουσι περὶ τῆς ταχυτήτος ἢ περὶ τῆς δικαιοσύνης.’

Ἀκαίρως δὲ τινος περὶ πραγμάτων οὐκ ἀχρήστων διαλεχθέντος, ‘ὦ ξένε’ εἶπεν, ‘οὐκ ἐν δέοντι χρῆ τῷ δέοντι.’

ΛΕΩΝΙΔΑΣ Ο ΑΝΑΞΑΝΔΡΙΔΑ

Λεωνίδαο ὁ Ἀναξανδρίδα, ἀδελφὸς δὲ Κλεομένους, [225] [a] πρὸς τινὰ εἰπόντα ‘πλὴν τοῦ βασιλεύειν οὐδὲν ἡμῶν διαφέρει’ ‘ἄλλ’ οὐκ ἂν’ ἔφη, ‘εἰ μὴ βελτίων ὑμῶν ἡμην, ἐβασίλευον.’

Τῆς δὲ γυναικὸς αὐτοῦ Γοργοῦς πυνθανομένης, ὅτε εἰς Θερμοπύλας ἐξῆι τῷ Πέρσῃ μαχοῦμενος, εἴ τι αὐτῇ ἐντέλλεται, ἔφη ‘ἀγαθοῖς γαμεῖσθαι καὶ ἀγαθὰ τίττειν.’

Λεγόντων δὲ τῶν ἐφόρων ὀλίγους ἄγειν αὐτὸν εἰς Θερμοπύλας, †’οὐκ ἄλλας’ ἔφη ‘πρὸς ἣν βαδίζομεν πρᾶξιν.’

Πάλιν δ’ αὐτῶν εἰπόντων ‘μή τι ἕτερον διέγνωκας ποιεῖν ἢ τὰς παρόδους τῶν βαρβάρων κωλύειν;’ τῷ λόγῳ ἔφη ‘τῷ δ’ ἔργῳ ἀποθανοῦμενος ὑπὲρ τῶν Ἑλλήνων.’

[b] Γενόμενος δ’ ἐν Θερμοπύλαις πρὸς τοὺς συστρατιώτας εἶπε ‘λέγοντι τὸν βάρβαρον ἐγγύθι γενόμενον, ἅμμε δὲ χρονοτριβέειν· ἦδη γὰρ ἡ κτάμεν τῶς βαρβάρως ἢ αὐτοὶ τεθνάμεν θέλομες.’

Λέγοντος δὲ τινος ‘ἀπὸ τῶν ὀπιστευμάτων τῶν βαρβάρων οὐδὲ τὸν ἥλιον ἰδεῖν ἔστιν,’ ‘οὐκοῦν’ ἔφη ‘χάριεν, εἰ ὑπὸ σκιᾷ αὐτοῖς μαχεσόμεθα.’

Ἄλλου δ’ εἰπόντος ‘πάρεισιν ἐγγὺς ἡμῶν,’ ‘οὐκοῦν’ ἔφη ‘καὶ ἡμεῖς αὐτῶν [ἐγγύς].’

Εἰπόντος δὲ τινος ‘ὦ Λεωνίδα, πρὸς πολλοὺς μετ’ ὀλίγων διακινδυνεύων οὕτως πάρει;’ ‘εἰ μὲν οἴεσθέ με’ ἔφη ‘τῷ πλήθει <δεῖν πιστεύειν>, οὐδ’ ἡ πᾶσα Ἑλλὰς ἀρκεῖ· [c] βραχεῖα γὰρ μοῖρα τοῦ ἐκείνων πλήθους ἐστίν· εἰ δὲ ταῖς ἀφεταῖς, καὶ οὗτος ὁ ἀριθμὸς ἱκανός.’

Ἄλλου δὲ τὰ αὐτὰ λέγοντος, ‘καὶ μήν’ εἶπεν ‘πολλοὺς ἐπάγομαι ὥς ἀποθανομένους.’

Ξέρξου δὲ γράψαντος αὐτῷ ‘ἔξεστί σοι μὴ θεομαχοῦντι, μετ’ ἐμοῦ δὲ τασσομένῳ τῆς Ἑλλάδος μοναρχεῖν’ ἀντέγραψεν ‘εἰ τὰ καλὰ τοῦ βίου γινώσκεις, ἀπέστης ἂν τῆς τῶν ἀλλοτρίων ἐπιθυμίας· ἐμοὶ δὲ κρείσσων ὁ ὑπὲρ τῆς Ἑλλάδος θάνατος τοῦ

μοναρχεῖν τῶν ὁμοφύλων.’

Πάλιν δὲ τοῦ Ξέρξου γράψαντος ‘πέμψον τὰ ὄπλα’, ἀντέγραψε ‘μολὼν λαβέ.’

[d] Βουλομένου δ’ αὐτοῦ ἤδη τοῖς πολεμίοις ἐπιτίθεσθαι, <ἐπεὶ> οἱ πολέμαρχοι πρὸς αὐτὸν ἔφασαν ὅτι δεῖ προσμένειν αὐτὸν τοὺς ἄλλους συμμαχούς, ‘οὐ γάρ’ ἔφη ‘πάρεισιν οἱ μέλλοντες μάχεσθαι; ἢ οὐκ ἴστε, ὅτι μόνοι πρὸς τοὺς πολεμίους μάχονται οἱ τοὺς βασιλέας αἰδούμενοι καὶ φοβούμενοι;’

Τοῖς δὲ στρατιώταις παρήγγειλεν ἀριστοποιεῖσθαι ὡς ἐν Ἀίδου δειπνοποιησόμενους.

Ἐρωτηθεὶς δὲ διὰ τί οἱ ἄριστοι τὸν ἔνδοξον θάνατον τῆς ἀδόξου προκρίνουσι ζωῆς, ‘ὅτι’ ἔφη ‘τὸ μὲν τῆς φύσεως ἴδιον, τὸ δὲ αὐτῶν εἶναι νομίζουσιν.’

Τοὺς δ’ ἠιθέους βουλόμενος σῶσαι καὶ ἐπιστάμενος ἄντικρυς οὐκ ἀνεξομένους, σκυτάλας δοὺς καθ’ [e] ἓνα αὐτῶν πρὸς τοὺς ἐφόρους ἔπεμψε. καὶ τῶν τελείων δὲ τρεῖς ἐβουλήθη διασῶσαι· οἱ δὲ συννόησαντες οὐκ ἠνέσχοντο λαβεῖν τὰς σκυτάλας· ὧν ὁ μὲν εἶπεν ‘οὐ κῆρυξ ἀλλὰ μαχητὰς ἀκολούθησα’· ὁ δὲ δεύτερος ‘αὐτοῦ μένων κρέσσω ἂν εἶην’· ὁ δὲ τρίτος ‘οὐχ ὕστερος τούτων, πρῶτος δὲ μαχήσομαι.’

ΛΟΧΑΓΟΣ

Λόχαγος ὁ Πολυαινίδου καὶ Σείρωνος πατήρ, ἀπαγγέιλαντός τινος αὐτῷ ὅτι τῶν υἱῶν τεθνήκοι ὁ ἕτερος, ‘πάλαι ἦδεν’ ἔφη ‘ὅτι ἀποθανεῖν αὐτὸν ἔδει.’

ΛΥΚΟΥΡΓΟΣ

Λυκοῦργος ὁ νομοθέτης βουλόμενος ἐκ τῆς προϋπαρχούσης [f] διαίτης τοὺς πολίτας εἰς σωφρονεστέραν βίου τάξιν μετὰγειν καὶ καλοκαγαθικοὺς ἀπεργάζεσθαι (ἀβροδίατοι γὰρ ἦσαν) δύο σκύλακας ἀνέθρεψε ταῦτοῦ πατρὸς καὶ μητρὸς γενομένους· καὶ τὸν μὲν εἶθισε περὶ λιχνείας οἴκοι ἐάσας· τὸν δ’ ἀπαγόμενος ἤσκησε περὶ κυνηγεία. ἔπειτα ἀγαγὼν εἰς τὴν ἐκκλησίαν ἔθηκε ῥάκάνθας καὶ λιχνείας τινάς, ἀφῆκε δὲ καὶ λαγῷ· ἐκατέρου δ’ ἐπὶ τὰ συνήθη ὁρμήσαντος καὶ θατέρου τὸν λαγὼ χειρωσαμένου, εἶπεν ‘ὁρᾶτε, ὦ πολῖται, ὅτι ταῦτοῦ γένους ὑπάρχοντες ἐν τῇ τοῦ βίου ἀγωγῇ παρὰ πολὺ ἀλλήλων διάφοροι ἀπέβησαν, [226] [a] καὶ ποιητικωτέρα τῆς φύσεως ἢ ἄσκησις πρὸς τὰ καλὰ τυγχάνει;’ τινὲς δὲ φασιν, <ὡς> οὐ παρῆγε σκύλακας, οἱ ἐκ τῶν αὐτῶν γεγονότες

ἐτύγχανον, ἀλλ' ὁ μὲν ἐξ οἰκουρῶν, ἄτερος δ' ἐκ κυνηγετικῶν· κᾶπειτα τὸν μὲν ἐκ τοῦ χείρονος γένους πρὸς τὰ κυνηγέσια ἤσκησε, τὸν δ' ἐκ τοῦ ἀμείνονος περὶ λιχνείας μόνον εἴθισεν· εἴθ' ἑκατέρου ἐφ' ᾧ εἴθιστο ὀρμήσαντος, φανερόν ποιήσας ὅσον ἡ ἀγωγή πρὸς τὸ ἄμεινον καὶ χεῖρον συλλαμβάνει, εἶπεν 'οὐκοῦν καὶ ἡμᾶς, ὧ πολῖται, οὐδὲν ἢ παρὰ τοῖς πολλοῖς θαυματοζομένη εὐγένεια καὶ τὸ ἀφ' Ἡρακλέους εἶναι ὀνίνησιν, εἰ μὴ πράττοιμεν δι' ᾧ [b] ἐκεῖνος ἀπάντων ἀνθρώπων ἐπιδοξότερος καὶ εὐγενέστερος ἐφάνη, ἀσκούμενοι καὶ μανθάνοντες καλὰ δι' ὅλου τοῦ βίου.'

Ἀναδασμόν δὲ τῆς γῆς ποιήσας καὶ ἅπασιν ἴσον κλῆρον τοῖς πολίταις νείμας, λέγεται ὕστερόν ποτε χρόνῳ τὴν χώραν διερχόμενος ἐξ ἀποδημίας ἄρτι τεθερισμένην, ἰδὼν δὲ τοὺς σωροὺς κειμένους παραλλήλους καὶ ὁμαλοὺς ἡσθῆναι, καὶ μειδιάσας εἶπεῖν πρὸς τοὺς παρόντας ὡς ἡ Λακωνικὴ φαίνεται πᾶσα πολλῶν ἀδελφῶν εἶναι νεωστὶ νενεμημένων.

Καὶ τῶν χρερῶν δ' ἀποκοπὰς εἰσηγησάμενος ἐπεχείρησε καὶ τὰ κατ' οἶκον ὄντα πάντα ἐξ ἴσου διαρεῖν, [c] ὅπως παντάπασιν ἐξέλοι τὸ ἄνισον καὶ ἀνώμαλον. ἐπεὶ δὲ χαλεπῶς ἑώρα προσδεχομένους τὴν ἀντικρυς ἀφαίρεσιν, τό τε χρυσοῦν καὶ ἀργυροῦν νόμισμα ἠκύρωσε, μόνῳ δὲ τῷ σιδηρῷ προσέταξε χρῆσθαι· καὶ μέχρις οὗ δεῖ ἔχειν τὴν ὅλην ὑπαρξιν πρὸς ἀμοιβὴν τούτου, περιώρισε. τούτου δὲ γενομένου ἐξέπεσε τῆς Λακεδαιμόνος ἀδικία πᾶσα· οὔτε γὰρ κλέπτειν οὔτε δωροδοκεῖν οὔτε ἀποστερεῖν ἢ ἀρπάζειν ἔτι ἐδύνατό τις, ὃ μήτε κατακρύψαι δυνατόν ἦν μήτε κτήσασθαι ζηλωτὸν μήτε χρήσασθαι ἀκίνδυνον μήτε ἐξάγειν ἢ ἐπάγειν ἀσφαλές. πρὸς δὲ [d] τούτοις καὶ ἀπάντων τῶν περισσῶν ξενηλασίαν ἐποίησατο· διὸ οὗτ' ἔμπορος οὔτε σοφιστὴς οὔτε μάντις ἢ ἀγύρτης οὔτε τῶν κατασκευασμάτων δημιουργὸς εἰσῆι εἰς τὴν Σπάρτην. οὐδὲ γὰρ νόμισμα παρ' αὐτοῖς εὖχρηστον εἶασε, μόνον δὲ τὸ σιδηροῦν εἰσηγήσατο, ὃ ἐστὶ μνᾷ ὀλκῇ Αἰγιναία, δυνάμει δὲ χαλκοῖ τέσσαρες.

Ἐπιθέσθαι δὲ τῇ τρυφῇ καὶ τὸν ζῆλον ἀφελέσθαι τοῦ πλούτου διανοηθεὶς τὰ συσσίτια εἰσηγήσατο. πρὸς γοῦν τοὺς ἐπιζητοῦντας, διὰ τί ταῦτα συνεστήσατο καὶ μεθ' ὅπλων κατ' ὀλίγους τοὺς πολίτας διήρηκεν, 'ὅπως' [e] εἶπεν 'ἐξ ἐτοίμου τὰ παραγγελλόμενα δέχωνται, καὶ ἑάν τι νεωτερίζωσιν, ἐν ὀλίγοις ἢ τὸ ἀμπλάκημα,

ίσομοιρία τε τῆς τροφῆς καὶ πόσεως ἦ, καὶ μήτε πόσει τινὶ ἢ βρώσει ἀλλὰ μηδὲ στρωμνῇ ἢ σκεύεσιν ἢ ἄλλῳ τινὶ τὸ σύνολον πλεον ἔχη ὁ πλούσιος τοῦ πένητος.’

Ἀζηλον δὲ ποιήσας τὸν πλοῦτον, οὐδενὸς οὔτε χρῆσθαι οὔτ’ ἐπιδείξει δυνάμενον, ἔλεγε πρὸς τοὺς συνήθεις ‘ὥς καλὸν ἐστίν, ὧ ἐταῖροι, διὰ τῶν ἔργων ἐπιδείξει τὸν πλοῦτον ὁποῖός ἐστι τῇ ἀληθείᾳ, ὅτι τυφλός.’

Παραφύλαξε δὲ ὥστε μηδὲ οἴκοι προδειπνήσαντας ἐξεῖναι βαδίζειν ἐπὶ τὰ συσσίτια, πεπληρωμένους ἐτέρων [f] ἐδεσμάτων ἢ πομάτων· ἐκάκιζον δὲ οἱ λοιποὶ τὸν μὴ πίνοντα ἢ φαγόντα μετ’ αὐτῶν, ὡς ἀκρατῇ καὶ πρὸς τὴν κοινὴν ἀπομαλακίζομενον δίαιταν· ἐξημιοῦτο δὲ καὶ ὁ φανερὸς γενόμενος. Ἄγιδος γοῦν μετὰ πολὺν χρόνον τοῦ βασιλέως ἐпанελθόντος ἀπὸ στρατείας (καταπεπολεμήκει δ’ Ἀθηναίους), βουλομένου παρὰ τῇ γυναικὶ μιᾷ [227] ἡμέρᾳ δειπνῆσαι καὶ μεταπεμπομένου τὰς μερίδας, οὐκ ἔπεμψαν οἱ πολέμαρχοι· μεθ’ ἡμέραν δὲ φανεροῦ γενομένου τοῖς ἐφόροις, ἐξημιώθη ὑπ’ αὐτῶν.

Πρὸς οὖν τὰ τοιαῦτα τῶν νομοθετημάτων χαλεπήναντες οἱ εὖποροι ἐπισυνέστησαν καὶ ἐβλασφήμουν αὐτὸν καὶ ἔβαλλον, καταλεῦσαι βουλόμενοι· διωκόμενος δὲ διέπεσε διὰ τῆς ἀγορᾶς· καὶ τοὺς μὲν ἄλλους ἔφθασεν εἰς τὸ ἱερὸν τῆς χαλκιοίκου Ἀθηνᾶς καταφυγών· Ἄλκανδρος δ’ ἐπιστραφέντος αὐτοῦ διώκων τῇ βακτηρίᾳ τὸν ὀφθαλμὸν ἐξέκοψεν [αὐτοῦ]. τοῦτον δὲ κοινῶ δόγματι παραλαβὼν ἐπὶ τιμωρίᾳ οὔτε κακῶς διέθηκεν οὔτε ἐμέμψατο, [7] συνδιαιτῶμενον δ’ ἔχων ἀπέδειξεν ἐπαινέτην αὐτοῦ τε καὶ τῆς διαίτης ἣν εἶχε [σὺν αὐτῷ] καὶ καθόλου τῆς ἀγωγῆς ἐραστήν. τοῦ δὲ πάθους ὑπόμνημα ἰδρύσατο ἐν τῷ τῆς Χαλκιοίκου τεμένει ἱερὸν Ἀθηνᾶς, Ὅπτιλλέτιν προσαγορεύσας· τοὺς γὰρ ὀφθαλμοὺς ὀπτίλλους οἱ τῇδε Δωριεῖς λέγουσιν.

Ἐρωτηθεὶς δὲ διὰ τί οὐκ ἐχρήσατο νόμοις ἐγγράφοις, ‘ὅτι’ ἔφη ‘οἱ πεπαιδευμένοι καὶ ἀχθέντες τῇ προσηκούσῃ ἀγωγῇ τὸ τοῦ καιροῦ χρήσιμον δοκιμάζουσι.’

Πάλιν δ’ ἐπιζητούντων τινῶν, διὰ τί ὀροφὴν ἀπὸ πελέκεως ταῖς οἰκίαις ἐπιτιθέναι προσέταξε, θύραν δ’ ἀπὸ πρίονος μόνου καὶ μηδενὸς τῶν ἄλλων ἐργαλείων, [8] ‘ὅπως ἄν’ ἔφη ‘μετριάξωσιν οἱ πολῖται περὶ πάντα, ὅσα εἰς τὴν οἰκίαν εἰσάγουσι, καὶ μηδὲν τῶν παρ’ ἄλλοις ζηλουμένων ἔχωσιν.’

Ἐκ δὲ ταύτης τῆς συνηθείας φασὶ καὶ Λεωτυχίδην τὸν πρῶτον βασιλέα δειπνοῦντα παρὰ τινι καὶ θεασάμενον τῆς στέγης τοῦ οἴκου τὴν παρασκευὴν πολυτελεῖ καὶ φατνωματικὴν ἐρωτῆσαι τὸν ξένον, εἰ τετράγωνα παρ' αὐτοῖς ξύλα φύεται.

Ἐρωτηθεὶς δὲ διὰ τί ἐκώλυσεν ἐπὶ τοὺς αὐτοὺς πολεμίους πολλάκις στρατεῦσθαι, ἔφη 'ἵνα μὴ πολλάκις ἀμύνεσθαι συνεπιζόμενοι ἔμπειροι πολέμου γένωνται.' διὸ [9] καὶ Ἀγησιλάου ἔγκλημα οὐ βραχὺ ἔδοξεν εἶναι, ταῖς εἰς τὴν Βοιωτίαν συνεχέσιν εἰσβολαῖς καὶ στρατείαις τοὺς Θηβαίους ἀντιπάλους <τοῖς> Λακεδαιμονίοις κατασκευάσαντος. τετρωμένον γοῦν ἰδὼν αὐτὸν Ἀνταλκίδας 'καλά' εἶπε 'τροφεῖα ἀπέχεις, μὴ βουλομένους αὐτοὺς μῆτ' εἰδότας μάχεσθαι διδάξας.'

Ἄλλου δ' ἐπιζητοῦντος, διὰ τί τὰ σώματα τῶν παρθένων δρόμοις καὶ πάλαις καὶ βολαῖς δίσκων καὶ ἀκοντίων διεπόνησεν, 'ἴν' ἔφη 'ἡ τῶν γεννωμένων ρίζωσις ἰσχυρὰν ἐν ἰσχυροῖς σώμασιν ἀρχὴν λαβοῦσα καλῶς βλαστάνη, αὐταὶ τε μετὰ ῥώμης τοὺς τόκους ὑπομένουσαι ῥαδίως τε ἅμα καὶ καλῶς ἀγωνίζονται πρὸς τὰς ὠδῖνας, καὶ εἴ τις ἀνάγκη γένοιτο, δύνωνται ὑπὲρ αὐτῶν καὶ τέκνων καὶ τῆς πατρίδος μάχεσθαι.'

[10] Μεμφομένων δέ τινων τὴν γύμνωσιν τῶν παρθένων ἐν ταῖς πομπαῖς καὶ τὴν αἰτίαν ζητούντων, 'ἴν' ἔφη 'τὰ αὐτὰ τοῖς ἀνδράσιν ἐπιτηδεύουσαι μηδὲν μείον ἔχωσι μῆτε κατὰ σώματος ἰσχὺν καὶ ὑγίειαν μῆτε κατὰ ψυχῆς φιλοτιμίαν καὶ ἀρετὴν, δόξης δὲ τῆς παρὰ τοῖς πολλοῖς ὑπερφρονῶσιν.' ὅθεν καὶ περὶ Γοργοῦς ἱστορεῖται τῆς Λεωνίδου γυναικὸς τοιοῦτον· εἰπούσης γάρ τινος, ὡς ἔοικε, ξένης πρὸς αὐτὴν ὡς 'μόναι τῶν ἀνδρῶν ἄρχετε ὑμεῖς αἱ Λάκαιναι' ἀπεκρίνατο 'μόναι γὰρ ἡμεῖς ἄνδρας τίκτομεν.'

Εἵρξας δὲ τοὺς ἀγάμους τῆς ἐν ταῖς γυμνοπαιδίαις θέας καὶ ἀτιμίαν προσθεὶς πολλὴν πρόνοιαν [11] ἐποίησατο τῆς παιδοποιίας· τιμῆς δὲ καὶ θεραπείας, ἣν νέοι πρεσβυτέροις παρεῖχον, ἐστέρησε. καὶ τὸ πρὸς Δερκυλλίδαν ῥηθὲν οὐδεὶς ἐμέμψατο, καίπερ εὐδόκιμον ὄντα στρατηγόν· ἐπιόντι γὰρ αὐτῷ τῶν νεωτέρων τις ἔδρας οὐχ ὑπεῖξεν εἰπὼν 'οὐδὲ γὰρ ἐμοὶ σὺ τὸν ὑπεῖξοντα ἐγέννησας.'

Πυνθανομένου δέ τινος, διὰ τί τὰς κόρας ἐνομοθέτησεν ἀπρόϊκους ἐκδίδοσθαι, 'ὅπως' ἔφη 'μῆτε δι' ἔνδειαν ἀγαμοὶ τινες ἐαθῶσι μῆτε διὰ περισυσίαν σπουδάζωνται, ἕκαστος δ' εἰς τὸν

τρόπον τῆς παιδὸς ἀφορῶν [228] [a] ἀρετῇ τὴν αἵρεσιν ποιῶνται.’ διὰ τοῦτο δὲ καὶ τὸν καλλωπισμὸν τῆς πόλεως ἀπῆλασεν.

Ὅρισαντος δ’ αὐτοῦ καὶ τὸν χρόνον τῶν τε γαμουμένων καὶ τῶν γαμούντων, πρὸς τὸν ζητοῦντα <τὴν αἰτίαν> ‘ἴν’ ἔφη ‘τὰ γεννώμενα ἰσχυρὰ ἢ ἐκ τελείων γεννώμενα.’

Πρὸς δὲ τὸν θαυμάζοντα, διότι τὸν γεγαμηκότα ἀπεῖρξε μὴ συγκοιμᾶσθαι τῇ γεγαμημένῃ, προσέταξε δὲ τὸ πλεῖστον τῆς ἡμέρας συνεῖναι τοῖς ἡλικιώταις καὶ τὰς νύκτας ὅλας συναναπαύεσθαι, τῇ δὲ νύμφῃ κρύφα καὶ μετ’ εὐλαβείας συνεῖναι, ‘ὅπως’ ἔφη ‘καὶ τοῖς σώμασιν ἰσχυροὶ ὣσι διακορεῖς μὴ γινόμενοι, καὶ τῷ φιλεῖν αἰεὶ [b] καινοὶ ὑπάρχωσι καὶ τὰ ἔγγονα ἐρρωμενέστερα παρέχωσι.’

Καὶ τὸ μὲν μύρον ἐξήλασεν ὡς τοῦ ἐλαίου φθορὰν καὶ ὄλεθρον, τὴν δὲ βαφικὴν ὡς κολακείαν αἰσθήσεως.

Πᾶσι δὲ τοῖς περὶ τὸν τοῦ σώματος καλλωπισμὸν δημιουργοῖς ἀνεπίβατον ἐποίησε τὴν Σπάρτην, ὡς διὰ τῆς κακοτεχνίας τὰς τέχνας λυμαινομένοις.

Τοσαύτη δ’ ἦν κατ’ ἐκείνους τοὺς χρόνους σωφροσύνη τῶν γυναικῶν καὶ τοσοῦτον ἀπεῖχε τῆς ὕστερον περὶ αὐτὰς εὐχερείας, ὡς πρότερον ἄπιστον εἶναι τὸ τῆς μοιχείας παρ’ αὐταῖς. καὶ λόγος ἀπομνημονεύεται Γεραδάτα τινὸς Σπαρτιάτου τῶν σφόδρα παλαιῶν, ὃς ἐρωτηθεὶς [c] ὑπὸ ξένου, τί πάσχουσιν οἱ μοιχοὶ παρ’ αὐτοῖς (οὐδὲν γὰρ ὀρᾶν περὶ τούτου νενομοθετημένον ὑπὸ Λυκούργου), εἶπεν ‘οὐδεὶς, ὧ ξέने, γίνεται μοιχὸς παρ’ ἡμῖν.’ ἐκείνου δὲ ὑπολαβόντος ‘ἂν οὖν γένηται;’ ‘ταῦρον’ ἔφη ὁ Γεραδάτας <ἐκτίνει μέγαν, ὃς ὑπερκύψας τὸ Ταῦγετον ἀπὸ τοῦ Εὐρώτα πίεται.> θαυμάσαντος δ’ ἐκείνου καὶ φήσαντος ‘πῶς δ’ ἂν γένοιτο βοῦς τηλικοῦτος;’ γελάσας ὁ Γεραδάτας <‘πῶς γὰρ ἂν’ ἔφη ‘μοιχὸς ἐν Σπάρτῃ γένοιτο, ἐν ἣ ὑλοῦτος μὲν καὶ τρυφὴ καὶ καλλωπισμὸς ἀτιμάζονται, αἰδῶς δὲ καὶ εὐκοσμία καὶ τῶν ἡγουμένων πειθὼ πρεσβεύονται;’

Πρὸς δὲ τὸν ἀξιοῦντα δημοκρατίαν ἐν τῇ πόλει καταστήσασθαι ὁ Λυκούργος ‘σὺ πρῶτος’ ἔφη ‘ἐν τῇ οἰκίᾳ σου ποίησον δημοκρατίαν.’

Πυνθανομένου δὲ τινος διὰ τί μικρὰς οὕτω καὶ [d] εὐτελεῖς ἔταξε τῶν θεῶν τὰς θυσίας, ‘ὅπως’ ἔφη ‘μηδέποτε τιμῶντες τὸ θεῖον διαλείπωμεν.’

Μόνα δὲ ταῦτα τῶν ἀθλημάτων ἐφέντος αὐτοῦ τοὺς πολίτας ἀγωνίζεσθαι, ὅπου ἡ χεὶρ οὐκ ἀνατείνεται, ἐπύθετό τις τὴν αἰτίαν· ὁ δὲ ‘ὅπως’ εἶπε ‘μηδεὶς αὐτῶν ἐν τῷ πονεῖν ἀπαυδᾷν ἐθίζεται.’

Ἐρωτῶντος δὲ τινος, διὰ τί πυκνὰ μεταστρατοπεδεύειν κελεύει, ‘ὅπως’ εἶπε ‘πλείω τοὺς ἐχθροὺς βλάπτωμεν.’

Ἄλλου δ’ ἐπιζητοῦντος διὰ τί πυργομαχεῖν ἀπέλπε, ‘ἴν’ ἔφη ‘μὴ ὑπὸ γυναικὸς ἢ παιδὸς ἢ τινος παραπλησίου ἀνθρώπου οἱ ἀμείνονες ἀποθνήσκωσιν.’

Τοῖς δὲ συμβουλευομένοις τῶν Θηβαίων περὶ τῆς [e] ἱερουργίας καὶ τοῦ πένθους, ἣν ποιοῦνται τῇ Λευκοθέᾳ, συνεβούλευσεν ‘εἰ μὲν θεὸν ἡγοῦνται, μὴ θρηνεῖν· εἰ δ’ ἀνθρωπον, μὴ ἱερουργεῖν ὡς θεῷ.’

Πρὸς δὲ τοὺς ἐπιζητοῦντας τῶν πολιτῶν ‘πῶς ἂν πολεμίων ἔφοδον ἀλεξοίμεθα;’ ‘ἐὰν πτωχοί’ ἔφη ‘ἥτε καὶ μὴ μείζων ἄτερος θατέρου ἐρᾷ εἶναι.’

Καὶ πάλιν ἐπιζητούντων περὶ τειχῶν, ‘οὐκ’ ἔφη ‘πόλιν εἶναι ἀτειχιστον, ἣτις ἀνδράσι καὶ οὐ πλίνθοις ἐστεφάνωται.’

Ἐπεμέλοντο δὲ οἱ Σπαρτιάται καὶ τῆς κόμης, ἀπομνημονεύοντές τινα Λυκούργου λόγον περὶ τούτου, ὅτι τοὺς μὲν καλοὺς ἢ κόμη εὐπρεπεστέρους ποιεῖ, τοὺς δ’ αἰσχροὺς φοβερωτέρους.

[f] Παρήγγειλε δ’ ἐν τοῖς πολέμοις τρεψαμένους καὶ νικήσαντας μέχρι τοῦ βεβαιώσασθαι τὸ νίκημα ἐπιδιώκειν, εἴτ’ εὐθὺς ἀναχωρεῖν· <οὔτε γενναῖον> οὔτε Ἑλληνικὸν φονεῦειν τοὺς παρακεχωρηκότας φάσκων. <εἶναι δ’ οὐ μόνον καλὸν τοῦτο καὶ μεγαλόψυχον> ἀλλὰ καὶ χρήσιμον· εἰδότας γὰρ τοὺς μαχομένους πρὸς αὐτοὺς ὅτι φείδονται μὲν τῶν ἐνδιδόντων, ἀναιροῦσι δὲ τοὺς ὑφισταμένους, τοῦ μένειν τὸ φεύγειν ὠφελιμώτερον ἡγήσεσθαι.

Πυνθανομένου δὲ τινος, διὰ τί τοὺς τῶν πολεμίων νεκροὺς ἀπηγόρευσε σκυλεύειν, ‘ὅπως’ ἔφη ‘μὴ κυπτάζοντες περὶ [229] [a] τὰ σκυῖλα τῆς μάχης ἀμελῶσιν, ἀλλὰ καὶ τὴν πενίαν ἅμα τῇ τάξει διασώζωσι.’

ΛΥΣΑΝΔΡΟΣ

Λύσανδρος, Διονυσίου τοῦ τῆς Σικελίας τυράννου πέμπαντος αὐτοῦ ταῖς θυγατράσιν ἱμάτια πολυτελεῖ, οὐκ ἔλαβεν εἰπὼν δεδιέναι, μὴ διὰ ταῦτα μᾶλλον αἰσχροὶ φανῶσιν. ἀλλ’ ὀλίγον ὕστερον πρὸς τὸν αὐτὸν τύραννον ἐκ τῆς αὐτῆς πόλεως ἀποσταλεῖς πρεσβευτῆς, προσπέμπαντος αὐτῷ τοῦ Διονυσίου δύο

στολὰς καὶ κελεύσαντος ἦν βούλεται ταύτην ἐλόμενον τῇ θυγατρὶ κομίζειν, αὐτὴν ἐκείνην ἔφη βέλτιον αἰρήσεσθαι· καὶ λαβὼν ἀμφοτέρας ἀπῆλθεν.

Σοφιστὴς δὲ δεινὸς γενόμενος ὁ Λύσανδρος καὶ ἀπάταις τὰ πολλὰ ποικίλων, τὸ δίκαιον ἐν μόνῳ τῷ λυσιτελεῖ τιθέμενος καὶ τὸ καλὸν ἐν τῷ συμφέροντι, τὸ ἀληθὲς ἔλεγε τοῦ ψεύδους κρεῖττον εἶναι, ἐκατέρου δὲ [b] τῇ χρεῖα τὴν ἀξίαν καὶ τὴν τιμὴν ὀρίζεσθαι.

Πρὸς δὲ τοὺς ψέγοντας αὐτὸν ἐπὶ τῷ δι' ἀπάτης τὰ πλεῖστα πράττειν ὡς ἀνάξιον τοῦ Ἡρακλέους καὶ δόλῳ, οὐκ ἄντικρυς κατορθοῦντα, γελῶν ἔλεγεν, ὅπου μὴ ἐφικνεῖται ἡ λεοντῇ, προσραπτέον εἶναι τὴν ἀλωπεκῇν.

Ἐπιμεμφομένων δ' ἐτέρων αὐτὸν ἐπὶ ταῖς παραβάσεσι τῶν ὄρκων, οὓς ἐν Μιλήτῳ ἐποίησατο, ἔλεγε 'τοὺς μὲν παῖδας τοῖς ἀστραγάλοις δεῖ ἐξαπατᾶν, τοὺς δὲ ἄνδρας τοῖς ὅρκοις.'

Νικήσας δὲ τοὺς Ἀθηναίους ἐξ ἐνέδρας περὶ Αἰγὸς ποταμοὺς καὶ λιμῷ πιέσας αὐτοὺς παρεστήσατο τὴν πόλιν καὶ ἔγραψε τοῖς ἐφόροις 'ἐαλώκασιν αἱ Ἀθῆναι.'

[c] Πρὸς Ἀργείους δὲ περὶ γῆς ὄρων ἀμφισβητοῦντας πρὸς Λακεδαιμονίους καὶ δικαιοτέρα λέγειν αὐτῶν φάσκοντας σπασάμενος τὴν μάχαιραν 'ὁ ταύτης' ἔφη 'κρατῶν βέλτιστα περὶ γῆς ὄρων διαλέγεται.'

Τοὺς δὲ Βοιωτοὺς ἐπαμφοτερίζοντας, ὅτε διήει τὴν χώραν, ὁρῶν προσέπεμψε πυνθανόμενος πότερον ὀρθοῖς τοῖς δόρασιν ἢ κεκλιμένοις διαπορεύηται τὴν χώραν αὐτῶν.

Μεγαρέως δ' ἀνδρὸς ἐν τῷ κοινῷ συλλόγῳ παρρησίᾳ χρησαμένου πρὸς αὐτόν, 'οἱ λόγοι σου' εἶπεν 'ὦ ξένε, πόλεως δέονται.'

Ἐπεὶ δὲ Κορινθίων ἀφεστώτων διερχόμενος παρὰ [d] τὰ τεῖχη τοὺς Λακεδαιμονίους ἐώρα προσβάλλειν ὀκνοῦντας, καὶ λαγῶς τις ὦφθη διατηδῶν τὴν τάφρον, 'οὐκ αἰσχύνεσθε' εἶπεν, 'ὦ Σπαρτιᾶται, τοιοῦτους φοβοῦμενοι πολεμίους, ὧν δι' ἀργίαν οἱ λαγωὶ τοῖς τείχεσιν ἐγκαθεύδουσιν;'

Ἐν δὲ Σαμοθράκῃ χρηστηριαζομένῳ αὐτῷ ὁ ἱερεὺς ἐκέλευσεν εἰπεῖν, ὅ τι ἀνομώτατον ἔργον αὐτῷ ἐν τῷ βίῳ πέπρακται. ἐπηρώτησεν οὖν 'πότερον σοῦ κελεύοντος ἢ τῶν θεῶν τοῦτο δεῖ ποιεῖν;' φαμένου δὲ 'τῶν θεῶν,' 'σὺ τοίνυν' ἔφη 'ἐκποδῶν μοι

μετάσθηθι, κάκείνοις ἐρῶ, ἔὰν πυνθάνωνται.’

Πέρσου δ’ ἐρωτήσαντος ποίαν μάλιστα ἐπαινεῖ [e] πολιτείαν, ‘ἦ τις’ ἔφη ‘τοῖς ἀνδρείοις καὶ <τοῖς> δειλοῖς τὰ προσήκοντα ἀποδίδωσι.’

Πρὸς δὲ τὸν εἰπόντα, ὅτι ἐπαινοίη αὐτὸν καὶ ὑπερασπάζοιτο, ‘δύο βοῦς’ ἔφη ‘ἔχω ἐν ἀργῷ· σιγώντων δ’ ἀμφοτέρων, ἀκριβῶς ἐπίσταμαι τὸν τ’ ἀργὸν καὶ τὸν ἐργαζόμενον.’

Λοιδορουμένου δέ τινος αὐτῷ, εἶπε ‘λέγε πυκνῶς, ὦ ξενύλλιον, λέγε μηδὲν ἐλλείπων, ἄν σου δύνῃ τὰν ψυχὰν κενῶσαι κακῶν, ὧν ἔοικας πλήρης εἶναι.’

Χρόνῳ δ’ ὕστερον μετὰ τὴν τελευτὴν ἀντιλογίας συμμαχικῆς γενομένης, Ἀγησίλαος ἦλθεν ἐπὶ τὴν τοῦ Λυσάνδρου οἰκίαν, ὅπως τὰ περὶ αὐτῆς γράμματα διασκέψηται. [f] ταῦτα γὰρ παρ’ αὐτῷ κατέσχεν ὁ Λύσανδρος. εὔρε δὲ καὶ βιβλίον γεγραμμένον τῷ Λυσάνδρῳ περὶ τῆς πολιτείας, ὡς χρή τῶν Εὐρυπωντιδῶν καὶ Ἀγιαδῶν τὴν βασιλείαν ἀφελομένους εἰς μέσον θεῖναι καὶ ποιεῖσθαι τὴν αἵρεσιν ἐκ τῶν ἀρίστων, ἵνα μὴ τῶν ἀφ’ Ἡρακλέους, ἀλλὰ <τῶν> οἷος Ἡρακλῆς τῇ ἀρετῇ κρινομένων τὸ γέρας ἦ, ἢ κάκείνος εἰς θεῶν τιμὰς ἀνήχθη. καὶ τοῦτον τὸν λόγον ὥρμησε μὲν εἰς τοὺς πολίτας ἐξενεγκεῖν καὶ παραδεικνύναι τὸν Λύσανδρον οἷος ὦν πολίτης διαλανθάνοι καὶ ἐπὶ διαβολῇ τῶν Λυσάνδρου φίλων. <Λα>κρατίδην δὲ φασὶ τότε προεστῶτα τῶν ἐφόρων, εὐλαβηθέντα μὴ πείσῃ <τιν’> ἀναγνωσθεῖς ὁ λόγος, ἐπιλαβέσθαι τοῦ Ἀγησιλάου καὶ εἰπεῖν ὡς οὐ δεῖ ἀνορύττειν τὸν Λύσανδρον, [230] [a] ἀλλὰ καὶ τὸν λόγον αὐτῷ συγκατορύττειν, πανούργως καὶ πιθανῶς συντεταγμένον.

Τοὺς δὲ μνηστεύσαντας αὐτοῦ τὰς θυγατέρας, εἶτα μετὰ τὴν τελευτὴν πένητος εὐρεθέντος ἀπειπαμένους ἐζημίωσαν οἱ ἔφοροι, ὅτι πλούσιον μὲν νομίζοντες ἐθεράπευον, δίκαιον δὲ καὶ χρηστὸν ἐκ τῆς πενίας ἐπιγνόντες ὑπερεῖδον.

[e] Λάκων ἐρωτηθεὶς, δι’ ἣν αἰτίαν τὰς τοῦ πύργωνος τρίχας ἐπὶ πολὺ κομᾷ, εἶπεν ‘ἵνα βλέπων τὰς πολιὰς μηδὲν ἀνάξιον αὐτῶν πράττω.’

Ἄλλος πυθομένου τινός ‘διὰ τί ἐγχειριδίῳ βραχέσι χρῆσθε;’ ‘ἵνα πλησίον’ εἶπε ‘τοῖς πολεμίοις εἰς χεῖρας ἵκωμεν.’ Ἐπαινοῦντός τινος τοὺς Ἀργεῖους ὡς ἀρίστους μαχητάς, Λάκων εἶπεν ‘ἐν Τροίᾳ.’

Ἄλλος ἀκούσας δειπνήσαντάς τινας βιάζεσθαι πίνειν ‘μὴ καὶ ἐσοθίειν’ εἶπε ‘βιάζονται;’

Πινδάρου δὲ γράφαντος (dith. 4 fr. 76 Schr.)

Ἑλλάδος ἔρεισμα Ἀθῆναι

Λάκων ἔφη καταπεσεῖν ἂν τὴν Ἑλλάδα ὀχουμένην ἐρείσματι τοιούτῳ.

Ἐπεὶ δ’ ἰδὼν τις ἐν πίνακι γραπτῷ Λάκωνας ὑπ’ Ἀθηναίων σφαττομένους ἔλεγεν ‘ἀνδρεῖοί γ’ Ἀθηναῖοι’, Λάκων ὑποτυχὼν ‘ἐν τῷ πίνακι’ εἶπε.

[f] Πρὸς δὲ τινὰ προσιέμενον τὰς ἐκ διαβολῆς βλασφημίας Λάκων εἶπε ‘παῦσαι κατ’ ἐμοῦ τὰ ὦτα χορηγῶν.’

Πρὸς δὲ τὸν κολαζόμενον καὶ λέγοντα ἄκων ἡμαρτον' εἶπέ τις ἄκων τοίνυν καὶ κολάζου.'

Ἰδὼν τις ἐν ἀποχωρήσει θακεύοντας ἐπὶ δίφρων ἀνθρώπους 'μὴ γένοιτο' εἶπεν 'ἐνταῦθα καθίσαι, ὅθεν οὐκ ἔστιν ὑπεξαναστῆναι πρεσβυτέρῳ.'

Χίων ποτὲ κατ' ἐπιδημίαν ἀπὸ δείπνου ἐμεσάντων ἐν τῷ ἐφορείῳ καὶ χεσάντων ἐπὶ τῶν δίφρων, ἔνθα [233] [a] οἱ ἔφοροι ἐκάθηντο, τὸ μὲν πρῶτον ἰσχυρῶς ἀνεζήτουν τοὺς ποιήσαντας μὴ πολῖται τυγχάνουσιν· ὡς δ' ἦσθοντο ὅτι Χῖοι ἦσαν, ἐκήρυξαν <ὅτι> τοῖς Χίοις ἐφιᾶσιν ἀσελγαίνειν.

Ἐπεὶ δὲ τις τῶν ἀμυγδαλῶν τὰς σκληρὰς ἐώρα διπλασίου πωλουμένας, 'μὴ σπάνιοι' ἔφη 'οἱ λίθοι·'

Τίλας τις ἀηδόνα καὶ βραχεῖαν πάνυ σάρκα εὐρῶν εἶπε 'φωναὶ τὴν τίς ἐσσι καὶ οὐδὲν ἄλλο.'

Ἰδὼν τις τῶν Λακώνων Διογένη τὸν κύνα περιλαμβάνοντα ἀνδριάντα χάλκεον, ψύχους ὄντος σφοδροῦ, ἐπύθετο εἰ ῥιγοῖ· ἀρνησαμένου δέ, 'τί οὖν' ἔφη 'μέγα ποιεῖς·'

Ὀνειδισθεὶς τις τῶν Μεταποντίων εἰς δειλίαν ὑπὸ [b] Λάκωνος, 'ἀλλὰ μὴν' ἔφη 'οὐκ ὀλίγα τῆς ἀλλοτρίας ἔχομεν·' ὁ δὲ 'οὐ μόνον ἄρα' ἔφη 'δειλοὶ ἀλλὰ καὶ ἄδικοί ἐστε.'

Κατ' ἐπιδημίαν τις ἐν Σπάρτῃ κρηπιδούμενος ὀρθὸς ἐπὶ θατέρου σκέλους εἶπε πρὸς Λάκωνα 'οὐκ ἂν οἴμαι σε, ὦ Λάκων, τοσοῦτον χρόνον ἐπὶ τοῦ ποδὸς ὅσον ἐγὼ στῆναι.' καὶ ὁς ὑπολαβὼν 'οὐ γάρ' ἔφη· 'τῶν μέντοι χηνῶν οὐκ ἔστιν ὅστις οὔ.'

Μεγαλυνομένου τινὸς ἐπὶ τῇ ῥητορικῇ τέχνῃ, εἶπέ

τις Λάκων 'ἀλλὰ νῆ τῷ σίῳ τέχνη ἄνευ τοῦ ἀληθείας ἥφθαι οὔτε ἐστὶν οὔτε μήποτε γένηται.'

Ἀργείου ποτὲ εἰπόντος 'πολλοὶ τάφοι παρ' ἡμῖν εἰσὶ Σπαρτιατῶν', Λάκων εἶπεν 'ἀλλὰ μὴν παρ' ἡμῖν [c] Ἀργείων οὐδὲ εἷς', ὡς αὐτῶν μὲν πολλάκις Ἀργους ἐπιβεβηκότων Ἀργείων δὲ τῆς Σπάρτης οὐδέποτε.

Λάκων αἰχμαλωτισθεὶς καὶ πιπρασκόμενος, τοῦ κήρυκος λέγοντος 'Λάκωνα πωλῶ', ἐπεστόμισεν εἰπὼν 'αἰχμάλωτον κήρυσσε.'

Τῶν παρὰ Λυσιμάχῳ στρατευομένων ἐρωτηθεὶς τις ὑπ' αὐτοῦ, μήτι τῶν εἰλώτων ἐστί, 'σὺ δ' οἶει' ἔφη 'ἐπὶ τὸ παρὰ σοῦ τετρώβολον Λάκωνα ἤξειν·'

Ὅτε Θηβαῖοι νικήσαντες τοὺς Λάκωνας ἐν Λεύκτροις πρὸς αὐτὸν παρήσαν τὸν Εὐρώταν, καὶ τις μεγαλαυχῶν εἶπε ‘ποῦ νῦν εἰσὶν οἱ Λάκωνες;’ Σπαρτιάτης [d] ληφθεὶς ὑπ’ αὐτῶν ‘οὐ πάρειςιν’ ἔφη· ‘οὐ γὰρ ἂν ὑμεῖς δεῦρο ἦλθετε.’

Ἀθηναίων ἀξιούντων, ὅτε παρέδωκαν τὸ ἄστυ, Σάμον αὐτοῖς μόνην ἑᾶσαι, εἶπον ‘ὅταν αὐτῶν ἦτε, τότε καὶ ἄλλους ἔχειν ζητεῖτε.’ ἄφ’ οὗ καὶ ἡ παροιμία (Par. gr. II 571)

‘ὅς αὐτὸς αὐτὸν οὐκ ἔχει, Σάμον θέλει.’

Πόλιν τινὰ κατὰ κράτος ἐλόντων Λακεδαιμονίων, οἱ ἔφοροι εἶπον ‘οἷχεται τὸ πάλαισμα τῶν νέων· [οὐκέτι ἔξουσιν ἀνταγωνιστὰς οἱ νέοι].’

Ἄλλην πόλιν ὑποσχουμένου τοῦ βασιλέως αὐτῶν τέλεον ἀφανιεῖν ἦν συμβεβήκει πράγματα πολλάκις παρεσχῆσθαι τοῖς Λάκωσιν, οὐκ ἐπέτρεψαν, φάμενοι ‘μηδαμῶς ἀφανίσης μηδ’ ἀνέλης τὴν ἀκόνην τῶν νέων.’

[e] Τοῖς παλαίοις παιδοτρίβας οὐκ ἐφίστανον, ἵνα μὴ τέχνης ἀλλ’ ἀρετῆς ἡ φιλοτιμία γένηται. διὸ καὶ Λύσανδρος ἐρωτώμενος, ὅπως ὁ Χάρων ἐνίκησεν αὐτόν, ‘τᾷ πολυμηχανίᾳ’ εἶπε.

Φιλίππου γράφοντος, ὅτε εἰς τὴν χώραν αὐτῶν παρεγένετο, πότερον βούλονται φίλιον ἐλθεῖν ἢ πολέμιον αὐτόν, ἀντεφώνησαν ‘οὐδέτερον.’

Πρεσβευτὴν τινα διαπεμφάμενοι πρὸς Ἀντίγονον τὸν Δημητρίου, πυθόμενοι ὅτι ἐκάλεσεν αὐτὸν βασιλέα, ἐζημίωσαν, καίτοι μέδιμνον πυρῶν ἐκάστω παρ’ αὐτοῦ σιτοδείας οὔσης κομίζοντα.

Δημητρίου ἐγκαλοῦντος ὅτι ἓνα πρεσβευτὴν ἔπεμψαν πρὸς αὐτόν, ‘οὐχ ἱκανὸς οὖν’ εἶπον, ‘εἰ πρὸς ἓνα εἷς;’

[f] Ἐνέγκαντός τινος ἀρίστην γνώμην μοχθηροῦ, ταύτην μὲν ἀπεδέξαντο, περιελόμενοι δὲ τούτου περίεθηκαν ἐτέρῳ καλῶς βεβιωκότι.

Ἀδελφῶν πρὸς ἀλλήλους διαφορομένων τὸν πατέρα ἐζημίωσαν, ὅτι τοὺς υἱεῖς στασιάζοντας περιορᾷ.

Ψάλτην ἐπιδημήσαντα ἐζημίωσαν, ὅτι δακτύλοις κιθαρίζει.

Δύο παῖδες ἐμάχοντο, ἄτερος δ’ αὐτῶν τὸν ἕτερον ἔτρωσε δρεπάνῳ πληγῇ θανασίμῳ· τῶν δὲ συνήθων παίδων, ἐπεὶ διαλύεσθαι ἔμελλεν, ἐπαγγελλομένων ἀμυνεῖσθαι καὶ ἀναιρήσειν τὸν πλήξαντα, ‘μηδαμῶς’ εἶπε [234] [a] ‘πρὸς θεῶν, οὐ γὰρ δίκαιον·

καὶ γὰρ ἂν ἐγὼ ἐποίησα τοῦτο, εἰ ἔφθασα καὶ ἀγαθὸς ἐγενόμην.’

Ἔτερον παιδάριον, ἐπεὶ παρῆν ὁ καιρὸς, ἐν ᾧ κλέπτειν νενόμιστο τοὺς ἐλευθέρους παῖδας ὃ τι τις δύναται καὶ μὴ λαθεῖν αἰσχροὺς ἦν, ὡς οἱ σὺν αὐτῷ παῖδες ζῶν ἔκλεψαν ἄλωπέκιον καὶ ἔδοσαν αὐτῷ φυλάττειν, παραγενομένων τῶν ἀπολωλεκότων ἐπὶ ζήτησιν, ἔτυχε μὲν ὑποβαλὼν τὸ ἄλωπέκιον ὑπὸ τὸ αὐτοῦ ἱμάτιον, ἀγριαίνοντος δὲ τοῦ θηρίου καὶ τὴν αὐτοῦ πλευρὰν κατεσθίοντος μέχρι τῶν σπλάγχνων ἡρέμει, ἵνα μὴ γένηται καταφανής.

[b] ὡς δ’ ὕστερον ἐκείνων ἀπελθόντων ἐθεάσαντο τὸ γεγονὸς οἱ παῖδες καὶ ἐμέμφοτο, λέγοντες ἄμεινον εἶναι φανερόν ποιῆσαι τὸ ἄλωπέκιον ἢ μέχρι θανάτου κρύπτειν, ‘οὐ μὲν οὖν’ εἶπεν, ‘ἀλλὰ κρεῖττον ταῖς ἀλγηδόσι μὴ ἐνδόντα τελευτᾶν ἢ περίφωρον γενόμενον διὰ μαλακίαν τὸ ζῆν αἰσχροῶς περιποιήσασθαι.’

Περιτυχόντες τινὲς Λάκωσι καθ’ ὁδὸν εἶπον ‘εὐτυχήκατε, ἀρτίως ἐντεῦθεν ληστῶν ἀπιόντων.’ οἱ δέ ‘οὐ μὰ τὸν Ἐνυάλιον, ἀλλ’ ἐκεῖνοι μὴ περιτυχόντες ἡμῖν.’

Λάκων ἐρωτηθεὶς τί ἐπίσταται, εἶπεν ‘ἐλεύθερος εἶναι.’

Παῖς Σπαρτιάτης αἰχμαλωτισθεὶς ὑπ’ Ἀντιγόνου τοῦ βασιλέως καὶ πρᾶθεὶς τὰ μὲν ἄλλα πάντα ὑπήκοος [c] ἦν τῷ πριαμένῳ, ὅσα ᾧετο προσήκειν ἐλευθέρῳ ποιεῖν· ὡς δὲ προσέταξεν ἀμίδα κομίζειν, οὐκ ἠνέσχετο εἰπὼν ‘οὐ δουλεύσω.’ ἐνισταμένου δ’ ἐκείνου, ἀναβὰς ἐπὶ τὸν κέραμον καὶ εἰπὼν ‘†εἴση τῆς ὠνῆς’ ἔβαλεν ἑαυτὸν κάτω καὶ ἐτελεύτα.

Ἔτερος πωλούμενος, εἰπόντος τινός ‘ἐὰν ἀγοράσω σε, χρήσιμος ἔσῃ;’ ‘κἂν μὴ ἀγοράσῃς’ εἶπεν.

Ἄλλος αἰχμάλωτος πιπρασκόμενος, τοῦ κήρυκος ἐπιλέγοντος ἀνδράποδον πωλεῖν, ‘κατάρατε’ εἶπεν, ‘οὐκ ἐρεῖς αἰχμάλωτον;’

Λάκων ἐπὶ τῆς ἀσπίδος μυῖαν ἔχων ἐπίσημον καὶ ταύτην οὐ μείζω τῆς ἀληθινῆς, ὡς καταγελῶντές τινες [d] ἔλεγον ‘ὅτι’ ὑπὲρ τοῦ λανθάνειν τοῦτο πεποιήκει, ‘ἵνα μὲν οὖν’ εἶπε ‘φανερός ὦ· οὕτω γὰρ τοῖς πολεμίοις πλησίον προσέρχομαι, ὥστε τὸ ἐπίσημον ἡλίκον ἐστὶν ὑπ’ αὐτῶν ὀρᾶσθαι.’

Ἔτερος, ἐν συμποσίῳ προσενεχθείσης λύρας, ‘οὐ Λακωνικόν’ εἶπε ‘τὸ φλυαρεῖν.’

Σπαρτιάτης ἐρωτηθεὶς εἰ ἀσφαλῆς ἢ εἰς Σπάρτην ὁδὸς εἶπεν ‘ὅποῖος †καθίσῃς· οἱ μὲν γὰρ λέοντες βαδίζοντι ὅπα κα λέωντι,

τὼς δὲ λαγῶς ἐπὶ τῇ σκηνᾷ θηρεύομες·

Ἐν χειραφίᾳ περικρούοντος τοῦ προστραχηλίζοντος κενοσπούδως καὶ κατασπῶντος ἐπὶ τὴν γῆν, ἐπειδὴ τῷ σώματι ἐλείπετο ὁ προσπεσών, ἔδακε τὸν βραχίονα· καὶ ὁ ἕτερος εἶπε ‘δάκνεις, ὦ Λάκων, ὥσπερ αἱ γυναικες·’ ‘οὐ μὲν οὖν’ εἶπεν ἄτερος, ‘ἀλλ’ ὥσπερ οἱ λέοντες·’

Χωλὸς ἐπὶ πόλεμον ἐξιών, ἐπακολουθούντων αὐτῷ τινων καὶ διαγελόντων, ἐπιστραφεὶς εἶπε ‘κακαὶ κεφαλαί, οὐ φεύγοντα δεῖ τοῖς πολεμίοις μάχεσθαι, ἀλλὰ μένοντα καὶ τὴν τάξιν φυλάττοντα·’

Ἄτερος τοξευθεὶς καὶ ἐκλείπων τὸν βίον οὐχὶ τοῦτο ἔφησεν αὐτῷ μέλειν, ὅτι ἀποθανεῖται, ἀλλ’ ὅτι ὑπὸ γύννιδος τοξότου καὶ μηδὲν πράξας.

Εἰς πανδοκεῖόν τις καταλύσας καὶ δοὺς ὄψον τῷ

πανδοκεῖ κατασκευάσαι, ὡς ἄτερος τυρὸν ῥῖται καὶ ἔλαιον, ‘εἴτ’ ἔφη ‘εἰ τυρὸν εἶχον, ἔτι ἂν ἐδεόμην ὄψου;’

Πρὸς δὲ τὸν μακαρίζοντα Λάμπιν τὸν Αἰγινήτην, [e] διότι ἐδόκει πλουσιώτατος εἶναι ναυκλήρια πολλὰ ἔχων, Λάκων εἶπεν ‘οὐ προσέχω εὐδαιμονία ἐκ σχοινίων ἀπηρητημένη·’

Εἰπόντος δέ τινος Λάκωνι ὅτι ψεύδεται, ἀπεκρίνατο ‘ἐλεύθεροι γάρ εἰμες· οἱ δ’ ἄλλοι, αἵκα μὴ τάληθῇ λέγωντι, οἰμώζονται·’

Προθέμενός τις νεκρὸν στήσαι ὀρθόν, ὡς πάντα ποιῶν οὐκ ἐδύνατο, ‘νῆ τῷ σιώ’ εἶπεν, ‘ἔνδον τι εἶναι δεῖ·’

Τύννιχος, Θρασυβούλου τοῦ παιδὸς ἀποθανόντος, εὐρώστως ἦνεγκε· καὶ ἐπίγραμμα εἰς τοῦτον ἐγένετο· (Dioscorides Anth. Pal. VII 229)

[235] [a] τὰν Πιτάναν Θρασύβουλος ἐπ’ ἀσπίδος ἦλυθεν ἄπνους

ἐπτὰ πρὸς Ἀργείων τραύματα δεξάμενος,

δεικνὺς ἀντία πάντα· τὸν αἱματόεντα δ’ ὁ πρέσβυς

θεὶς ἐπὶ πυρκαϊῇν Τύννιχος εἶπε τάδε·

‘Δειλοὶ κλαιέσθωσαν· ἐγὼ δέ σε τέκνον ἄδακρυς

θάψω, τὸν καὶ ἐμὸν καὶ Λακεδαιμόνιον·’

Ἀλκιβιάδῃ τῷ Ἀθηναίῳ βαλανέως ἐπὶ πλεῖστον παραχέοντος ὕδωρ, Λάκων εἶπε ‘τί τοῦτο ὡς οὐ καθαρῷ, σφόδρα δὲ ῥυπαρῷ; πλεῖον παράχει·’

Φιλίππου τοῦ Μακεδόνοιο προστάσσοντός τινα δι’ ἐπιστολῆς, ἀντέγραψαν οἱ Λακεδαιμόνιοι ‘Φιλίππῳ· περὶ ὧν ἄμμιν ἔγραψας, οὐ’. ὅτε δ’ ἐνέβαλεν εἰς τὴν Λακωνικὴν ὁ Φίλιππος καὶ ἐδόκουν

ἅπαντες ἀπολεῖσθαι, [b] εἶπε πρὸς τινὰ τῶν Σπαρτιατῶν ‘τί νῦν ποιήσετε, ὦ Λάκωνες;’ ‘τί γάρ’ ἔφη ‘ἄλλο ἢ ἀνδρείως ἀποθανοῦμεθα; μόνοι γὰρ ἡμεῖς Ἑλλήνων ἐλεύθεροι εἶναι καὶ μὴ ὑπακούειν ἄλλοις ἐμάθομεν.’

Μετὰ δὲ τὴν Ἀγιδος ἦτταν, ὁμήρους αἰτοῦντος Ἀντιπάτρου πεντήκοντα παῖδας, Ἐτεοκλῆς ἐφορεύων εἶπε παῖδας μὲν οὐ δώσειν, ἵνα μὴ ἀπαίδευτοι γένωνται, τῆς πατρίου ἀγωγῆς ἀτευκτῆσαντες· οὐδὲ πολῖται γὰρ ἂν εἴησαν· πρεσβύτας δ’ ἢ γυναικάς, εἰ βούλοιτο, διπλασίους δώσειν. ἀπειλοῦντος δ’ αὐτοῦ δεινά, εἰ μὴ λάβοι, ἀπεκρίναντο κοινῇ ‘ἐὰν χαλεπώτερα θανάτου ἐπιτάτῃς, εὐκολώτερον ἀποθανοῦμεθα.’

[c] Πρεσβύτης ἐν Ὀλυμπίᾳ συντελουμένου τοῦ ἀγῶνος προθυμούμενος θεάσασθαι, καθέδρας ἠπόρει· πολλοὺς δ’ ἐπιπορευόμενος τόπους ὑβρίζετο καὶ ἐσκώπτετο, μηδενὸς αὐτὸν παραδεχομένου· ὡς δὲ κατὰ τοὺς Λακεδαιμονίους ἦκεν, ἀνέστησαν πάντες οἱ παῖδες καὶ πολλοὶ τῶν ἀνδρῶν τοῦ τόπου ἐκχωροῦντες· τῶν δὲ Πανελλήνων ἐπισημειωσαμένων κρότῳ τὸ ἔθος καὶ ὑπερεπαινούντων, ὁ πρεσβύτης κινήσας ‘πολίον τε κάρη πολίον τε γένειον’ (X 74 Ω 516) καὶ δακρύσας ‘οἴμοι τῶν κακῶν’ φησίν, ‘ὡς ἅπαντες μὲν οἱ Ἕλληνες ἐπίστανται τὰ καλά, χρῶνται δ’ αὐτοῖς μόνοι Λακεδαιμόνιοι.’

[d] φασὶ δὲ τινες, ὅτι καὶ Ἀθήνησι τὸ αὐτὸ ἐγένετο· Παναθηναίων γὰρ ὄντων οἱ Ἀττικοὶ γέροντα προεπηλάκιζον, προσκαλούμενοι μὲν ὡς παραδεξόμενοι, εἰ δὲ παραγένοιτο, οὐ προσδεχόμενοι· ὡς δὲ διεξιὼν σχεδὸν ἅπαντας ἐγένετο κατὰ τοὺς τῶν Λακεδαιμονίων θεωροῦς, ἅπαντες τῶν βάθρων ἀναστάντες τοῦ τόπου παρεχώρουν· ἀγασθεῖς δὲ ὁ ὄχλος ἐπὶ τῷ γεγονότι ἐκρότησε μετὰ πολλῆς ἐπισημασίας, καὶ τις εἶπε τῶν Σπαρτιατῶν ‘νῆ τῷ σιώ, ἴσασι μὲν οἱ Ἀθηναῖοι τὰ καλά, οὐ πρᾶσσουσι δέ.’

Ἐπαίτης ἦττησε Λάκωνα· ‘ἀλλ’ εἰ δοίην σοι’ ἔφη ‘μᾶλλον πτωχεύσεις, τῆς δ’ ἀσχημοσύνης σου ταύτης ὁ [e] πρῶτος μεταδοὺς αἴτιος, ἀργόν σε ποιήσας.’

Λάκων ἰδὼν ἀγείροντά τινὰ θεοῖς ‘οὐδέν’ εἶπε ‘φροντίζειν θεῶν πτωχοτέρων ἑαυτοῦ.’

Λαβὼν τις μοιχὸν ἐπ’ αἰσχρᾷ γυναικί ‘ἄθλιε’ εἶπε ‘τίς τοι ἀνάγκα;’

Ἄλλος ἀκούων ῥήτορος μεγάλας στρέφοντος περιόδους, ‘ἀλλὰ

νή τῷ σιώ' εἶπεν 'ἀνδρεῖός γε ὁ ἄνθρωπος, <ὅς> πρὸς οὐδὲν ὑποκείμενον εὖ στροβιλοῖ τὰν γλῶσσαν.'

Εἰς Λακεδαίμονα παραγενόμενός τις καὶ τὴν πρὸς τοὺς πρεσβύτας τῶν νέων τιμὴν θεασάμενος, 'ἐν Σπάρτῃ μόνῃ' εἶπε 'λυσitteλεῖ γηράσκειν.'

Ἐρωτηθεὶς Λάκων ὁποῖός ἐστι Τυρταῖος ὁ ποιητής, [f] 'ἀγαθός' εἶπε 'κακκονῆν νέων ψυχάς.'

'Ἐτερος ἀλγῶν τοὺς ὀφθαλμοὺς ἐξήρει ἐπὶ πόλεμον· λεγόντων δ' αὐτῷ πινων 'ποῖ ἄπει οὕτως ἔχων ἢ τί ποιήσων;' 'κἂν μηδὲν ἕτερον πράξω' ἔφη 'πολεμίου γε μάχαιραν ἀμβλυνῶ.'

Βοῦλις καὶ Σπέρχης Λακεδαιμόνιοι πορευθέντες ἐθέλονται πρὸς Ξέρξην τὸν Περσῶν βασιλέα ἐπὶ τιμωρίᾳ, ἣν ὤφλεν ἡ Λακεδαίμων κατὰ χρησμόν, διότι κήρυκας [236] [a] πεμφθέντας ὑπὸ τοῦ Πέρσου ὡς αὐτοὺς ἀπέκτειναν, ἐλθόντες πρὸς τὸν Ξέρξην ἐκέλευον ὧ βούλεται τρόπῳ διακρήσασθαι αὐτοὺς ὑπὲρ Λακεδαιμονίων. ὡς δ' ἐκεῖνος ἀγασθεὶς ἀπέλυσε τοὺς ἄνδρας καὶ ἡξίου μένειν παρ' αὐτῷ, 'καὶ πῶς ἂν' ἔφασαν 'δυναίμεθα ζῆν ἐνταῦθα, πατρίδα καταλιπόντες καὶ νόμους καὶ τούτους τοὺς ἄνδρας, ὑπὲρ ὧν τοσαύτην ἦλθομεν ὁδὸν ἀποθανούμενοι;' Ἰνδάρνου δὲ τοῦ στρατηγοῦ ἐπὶ πλεον δεομένου καὶ λέγοντος τεύξεσθαι αὐτοὺς τῆς ἴσης τιμῆς τοῖς μάλιστα ἐν προαγωγῇ φίλοις τοῦ βασιλέως, ἔφασαν 'ἀγνοεῖν ἡμῖν δοκεῖς, ἡλίκον ἐστὶ τὸ τῆς ἐλευθερίας, ἧς οὐκ ἂν ἀλλάξαιτό τις νοῦν ἔχων τὴν Περσῶν βασιλείαν.'

[b] Λάκων, ἐπεὶ τῇ μὲν προτέρᾳ ἡμέρᾳ ὁ ξένος αὐτὸν ἐξέκλινε, τῇ δ' ἐξῆς στρώματα χρησάμενος δαψιλῶς ὑπεδέχετο, ἐπιβὰς τοῖς στρώμασι κατεπάτει, ἐπιλέγων διὰ ταῦτα ἐχθρὸς οὐδ' ἐπὶ ψιάθου ὑπνωκέναι.

'Ἐτερος ἐλθὼν εἰς Ἀθήνας καὶ ὁρῶν τοὺς Ἀθηναίους τὸ τάριχος ἀποκηρύττοντας καὶ τὸ ὄψον καὶ τελωνοῦντας καὶ πορνοβοσκοῦντας καὶ ἕτερα ἔργα ἀσχήμονα πράττοντας καὶ μηδὲν αἰσχρὸν ἡγουμένους, ὅτε ἐπανῆλθεν εἰς τὴν πατρίδα, τῶν πολιτῶν πυνθανομένων αὐτοῦ ποῖά [c] τινά ἐστι τὰ ἐν Ἀθήναις, 'πάντα' εἶπε 'καλά,' εἰρωνευόμενος καὶ παριστὰς ὅτι πάντα παρὰ τοῖς Ἀθηναίοις καλὰ νομίζεται, αἰσχρὸν δ' οὐδέν.

Ἄλλος ἐρωτώμενος περὶ τίνος ἀπεκρίνατο 'οὐ·' ὡς δ' ὁ ἐρωτήσας ἀπεκρίνατο ὅτι 'ψεύδῃ', 'ὁρᾷς οὐν' ἔφη 'ὅτι μάταιος εἶ

περὶ ὧν ἐπίστασαι ἐρωτῶν·

Ἦκόν ποτε κατὰ πρεσβείαν Λάκωνες πρὸς Λύγδαμιν τὸν τύραννον· ὡς δ' ἐκεῖνος ὑπερτιθέμενος πολλάκις συντυχεῖν ἀνεβάλλετο, τὸ δ' ἐπὶ πᾶσι μαλακῶς ἔχειν αὐτὸν ἔφη τις, οἱ πρέσβεις 'λέγε αὐτῷ' εἶπον 'ὅτι μὰ τοὺς θεοὺς οὐ παλαισόμενοι πρὸς αὐτὸν ἐληλύθαμεν, ἀλλὰ διαλεχθῆσόμενοι.'

[d] Λάκωνά τινά τις μυσταγωγῶν ἡρώτα τί πράξας ἑαυτῷ σύνοιδεν ἀσεβέστατον, ὃ δέ 'γινώσκουσιν οἱ θεοί' ἔφη· ἐπικειμένου δέ μᾶλλον καὶ λέγοντος 'πάντως σε δεῖ εἰπεῖν', ὁ Λάκων ἀντηρώπησε 'τίνι με δεῖ εἰπεῖν, σοὶ ἢ τῷ θεῷ;' τοῦ δ' εἰπόντος 'τῷ θεῷ', 'σὺ τοίνυν' ἔφη 'ἀποχώρησον.'

Ἐτερος νυκτὸς μνημα παριῶν καὶ φαντασιωθεὶς δαιμόνιον τι ἐπέδραμε τῇ λόγχῃ διαράμενος, καὶ ἐναπερείδων εἶπε 'πῇ με φεύγεις, δις ἀποθανουμένη ψυχή;'

Ἄλλος εὐξάμενος ἀπὸ τοῦ Λευκάτα ῥίπτειν ἑαυτὸν

ἀνέβη καὶ ὑπέστρεφεν ἰδὼν τὸ ὕψος· ὄνειδιζόμενος δ' εἶπεν 'οὐκ ὦμαν τὰν εὐχὰν ἄλλας μείζονος εὐχᾶς δεῖσθαι.'

[e] Ἄλλος ἐπὶ παρατάξεως τῷ πολεμῷ τὸ ξίφος καταφέρειν μέλλων, ἐπεὶ τὸ ἀνακλητικὸν ἐσήμηνεν, οὐκέτι κατήνεγκε· πυθομένου δέ τινος, διὰ τί τὸν ἐχθρὸν ἔχων ὑποχείριον οὐκ ἀπέκτεινεν, 'ὅτι' ἔφη 'βέλτιόν ἐστι τοῦ φονεύειν τὸ πείθεσθαι τῷ ἄρχοντι.'

Λάκωνί τινι ἡττωμένῳ ἐν Ὀλυμπίᾳ πάλην εἶπέ τις 'ὁ ἀνταγωνιστής, ὦ Λάκων, ἐγένετό σου κρείσσων·' 'οὐ μὲν οὖν' ἔφη 'ἀλλὰ καββαλικώτερος.'

[f] Τῶν εἰσιόντων εἰς τὰ συσσίτια ἐκάστῳ δεικνύων ὁ πρεσβύτατος τὰς θύρας, 'διὰ τούτων' φησὶν 'οὐδεὶς ἐξέρχεται λόγος.'

Δοκιμαζομένου μάλιστα παρ' αὐτοῖς τοῦ μέλανος λεγομένου ζωμοῦ, ὥστε μὴ κρεαδίου δεῖσθαι τοὺς πρεσβυτέρους, παραχωρεῖν δὲ τοῖς νεανίσκοις, λέγεται Διονύσιος ὁ τῆς Σικελίας τύραννος τούτου χάριν Λακωνικὸν μάγειρον πρίασθαι καὶ προστάξαι σκεύασαι αὐτῷ μηδενὸς φειδόμενον ἀναλώματος· ἔπειτα γευσάμενον καὶ δυσχεράναντα^[237] [a] ἀποπτύσαι, καὶ τὸν μάγειρον εἰπεῖν 'ὦ βασιλεῦ, τοῦτον δεῖ τὸν ζωμὸν γυμνασάμενον Λακωνικῶς <έν> τῷ Εὐρώτᾳ λελουμένον ἐποψᾶσθαι.'

Πιόντες οἱ Λάκωνες ἐν τοῖς συσσιτίοις μετρίως

ἀπίασι δίχα λαμπάδος· οὐ γὰρ ἔξεστι πρὸς φῶς βαδίζειν οὔτε ταύτην οὔτ' ἄλλην ὁδόν, ὅπως ἐθίζωνται σκοτούς καὶ νυκτὸς εὐθαρσῶς καὶ ἀδεῶς ὁδεύειν.

Γράμματα ἔνεκα τῆς χρείας ἐμάνθανον· τῶν δ' ἄλλων παιδευμάτων ξενηλασίαν ἐποιοῦντο, οὐ μᾶλλον ἀνθρώπων ἢ λόγων. ἡ δὲ παιδεία ἦν αὐτοῖς πρὸς τὸ ἄρχεσθαι καλῶς καὶ καρτερεῖν πονοῦντα καὶ μαχόμενον νικᾶν ἢ ἀποθνήσκειν.

[b] Διετέλουν δὲ καὶ ἄνευ χιτῶνος, ἐν ἱμάτιον εἰς τὸν ἐνιαυτὸν λαμβάνοντες, αὐχμηροὶ τὰ σώματα καὶ λουτρῶν καὶ ἀλειμμάτων κατὰ τὸ πλεῖστον ἀπεχόμενοι.

Ἐκάθευδον δὲ οἱ νέοι ὁμοῦ κατ' ἵλην καὶ κατ' ἀγέλην ἐπὶ στιβάδων, ἃς αὐτοὶ συνεφόρουν, τοῦ παρὰ τῷ Εὐρώτᾳ πεφυκὸς καλάμου τὰ ἄκρα ταῖς χερσὶν ἄνευ σιδήρου κατακλάσαντες· ἐν δὲ τῷ χειμῶνι τοὺς λεγομένους λυκοφάνους ὑπεβάλλοντο καὶ κατεμίγνυσαν ταῖς στιβάσι, θερμαντικὸν ἔχειν τι τῆς ὕλης δοκούσης.

Ἐρᾶν τῶν τὴν ψυχὴν σπουδαίων παίδων ἐφεῖτο· τὸ δὲ πλησιάζειν αἰσχρὸν νενόμιστο, ὡς τοῦ σώματος ἐρῶντας [c] ἀλλ' οὐ τῆς ψυχῆς· ὁ δ' ἐγκληθεὶς ὡς ἐπ' αἰσχύνῃ πλησιάζων ἄτιμος διὰ βίου ἦν.

Ἔθος ἦν καὶ τοὺς νεωτέρους ὑπὸ τῶν πρεσβυτέρων ἐρωτᾶσθαι, ποτὶ πορεύονται καὶ ἐπὶ τί, καὶ τὸν μὴ ἀποκρινόμενον ἢ προφάσεις πλέκοντα ἐπιπλήττειν· ὁ δὲ μὴ ἐπιπλήττων παρόντος αὐτοῦ ἁμαρτάνοντα ἔνοχος ἦν τῷ ἴσῳ ἐπιτιμῷ ὥπερ καὶ ὁ ἁμαρτῶν· καὶ ὁ δυσχεραίνων δέ, εἰ ἐπιτιμῶτο, ἐν μεγάλῳ ὀνειδίζει ἦν.

Εἴ τις φωραθείη ἁμαρτάνων, ἔδει τοῦτον βωμόν τινα τῶν ἐν τῇ πόλει κύκλῳ περιέναι, ψόγον ἄδοντα πεποιημένον εἰς ἑαυτόν· ὅπερ ἦν οὐδὲν ἕτερον ἢ ἐπιπλήττειν αὐτὸν αὐτῷ.

Καὶ τοὺς νέους δ' οὐ μόνον τοὺς ἰδίους αἰδεῖσθαι [d] πατέρας καὶ ὑπηκόους τούτοις εἶναι, ἀλλὰ πάντας τοὺς πρεσβυτέρους ἐντρέπεσθαι, καὶ ὁδῶν ὑποχωροῦντας καὶ καθέδρας ὑπεξανισταμένους καὶ παρόντων ἡσυχάζοντας. διὸ καὶ ἦρχεν ἕκαστος οὐχ ὥσπερ ἐν ταῖς ἄλλαις πόλεσι τῶν αὐτοῦ καὶ τῶν τοῦ πλησίον, ὅπως ὅτι μάλιστα κοιτῶν αὐτοῦ καὶ τῶν τοῦ πλησίον, ὅπως ὅτι μάλιστα κοινωνῶσι καὶ φροντίζωσιν ὡς οἰκέων.

Παῖς δὲ ὑπὸ τινος κολασθεὶς, εἰ τῷ πατρὶ ἐξήγγειλεν, αἰσχρὸν ἦν τῷ πατρὶ μὴ προσεντεῖναι ἀκούσαντα πάλιν ἐτέρας· ἐπίστευον

γὰρ ἑαυτοῖς ἐκ τῆς πατρίου ἀγωγῆς μηδὲν αἰσχροὺς προστάξει τοῖς τέκνοις.

Κλέπτουσι δὲ οἱ νέοι καὶ τῶν σιτίων ὃ τι ἂν δύνωνται, [e] μανθάνοντες εὐφυῶς ἐπιτίθεσθαι τοῖς καθεύδουσιν ἢ ῥαθύμως φυλάσσουσι· τῷ δὲ ἁλόντι ζημία πληγαὶ καὶ τὸ πεινῆν. γλίσχρον γὰρ αὐτοῖς ἐστὶ δεῖπνον, ὅπως δι' αὐτῶν ἀμυνόμενοι τὴν ἔνδειαν ἀναγκάζονται τολμᾶν καὶ πανουργεῖν.

Τὸ δ' ἔργον τῆς συσσιτίας διὰ τε ταῦτα γλίσχρον ἦν καὶ ἴν' ἐθίζωνται μηδέποτε γίνεσθαι πλήρεις, δύνασθαι δὲ πεινῆν· οὕτω γὰρ ὦντο καὶ εἰς τὸν πόλεμον χρησιμωτέρους ἔσεσθαι, εἰ δύναιτο καὶ ἀσιτήσαντες ἐπιπονῆσαι, καὶ ἐγκρατεστέρους δὲ καὶ εὐτελεστέρους, εἰ πλείω χρόνον διάγοιεν ἀπὸ μικρᾶς δαπάνης· τὸ δ' [f] ἀνοψίαν ὑποφέρειν καὶ βρῶμα τὸ τυχὸν προσφέρεισθαι ὦντο ὑγιεινότερα τὰ σώματα καὶ εὐαυξῆ ἀπὸ τῆς ἐλλειπούσης ποιεῖν τροφῆς, νομίζοντες εἰς βάθος τε καὶ πλάτος μὴ πιεζόμενον ἐπαίρειν εἰς ὕψος τὰ σώματα· καὶ καλὰ δὲ ποιεῖν· τὰς γὰρ ἰσχνὰς καὶ διακένους ἔξεις ὑπακούειν πρὸς τὴν διάρθρωσιν, τὰς δὲ πολυτρόφους διὰ βάρους ἀντιβαίνειν.

Ἐσπούδαζον δὲ καὶ περὶ τὰ μέλη καὶ τὰς ὥδὰς [238] [a] οὐδενὸς ἥττον· κέντρον δ' εἶχε ταῦτα ἐγερτικὸν θυμοῦ καὶ φρονήματος καὶ παραστατικὸν ὁρμῆς ἐνθουσιώδους καὶ πρακτικῆς. καὶ ἡ λέξις ἦν ἀφελῆς καὶ ἄθρυπτος· οὐδὲν δ' ἕτερον εἶχεν ἢ ἐπαίνους τῶν γεννικῶς ζησάντων καὶ ὑπὲρ τῆς Σπάρτης ἀποθανόντων καὶ εὐδαιμονιζομένων καὶ ψόγους τῶν τρεσάντων ὡς ἀλγεινὸν καὶ κακοδαίμονα βιούντων βίον· ἐπαγγελία τε καὶ μεγαλαυχία πρὸς ἀρετὴν πρέπουσα ταῖς ἡλικίαις.

Τριῶν οὖν χορῶν ὄντων κατὰ τὰς τρεῖς ἡλικίας καὶ συνισταμένων ἐν ταῖς ἐορταῖς, ὁ μὲν τῶν γερόντων ἀρχόμενος ἦδεν (PLGr III 4 4 661 6 II 197 Diehl)

‘ἀμέες ποτ’ ἦμες ἄλκιμοι νεανίαι·’

[b] εἶτα ὁ τῶν ἀκμαζόντων ἀνδρῶν ἀμειβόμενος [ἔλεγεν]

‘ἀμέες δέ γ’ εἰμέες· αἱ δὲ λῆς, αὐγάσδεο·’

ὁ δὲ τρίτος ὁ τῶν παίδων

‘ἀμέες δέ γ’ ἐσσόμεσθα πολλῶ κάρρονες·’

Καὶ οἱ ἐμβατήριοι δὲ ῥυθμοὶ παρορμητικοὶ ἦσαν πρὸς ἀνδρείαν καὶ θαρραλεότητα καὶ ὑπερφρόνησιν θανάτου, οἷς ἐχρῶντο ἐν τε χοροῖς καὶ πρὸς αὐλὸν ἐπάγοντες τοῖς πολεμίοις. ὁ γὰρ Λυκοῦργος

παρέξευξε τῇ κατὰ πόλεμον ἀσκήσει τὴν φιλομουσίαν, ὅπως τὸ ἄγαν πολεμικὸν τῷ ἐμμελεῖ κερασθὲν συμφωνίαν καὶ ἁρμονίαν ἔχη· διὸ καὶ ἐν ταῖς μάχαις προεθύετο ταῖς Μούσαις ὁ βασιλεύς, ἵνα λόγου ἀξίας παρέχῃσι τὰς πράξεις οἱ [c] μαχόμενοι καὶ μνήμης εὐκλεοῦς.

Εἰ δέ τις παραβαίνοι τι τῆς ἀρχαίας μουσικῆς, οὐκ ἐπέτρεπον· ἀλλὰ καὶ τὸν Τέρπανδρον ἀρχαϊκώτατον ὄντα καὶ ἄριστον τῶν καθ' ἑαυτὸν κιθαρωδῶν καὶ τῶν ἡρωικῶν πράξεων ἐπαινέτην ὁμῶς οἱ ἔφοροι ἐζημίωσαν καὶ τὴν κιθάραν αὐτοῦ προσεπαττάλευσαν φέροντες, ὅτι μίαν μόνην χορδὴν ἐνέτεινε περισσοτέραν τοῦ ποικίλου τῆς φωνῆς χάριν· μόνα γὰρ τὰ ἀπλούστερα τῶν μελῶν ἐδοκίμαζον. Τιμοθέου δ' ἀγωνιζομένου τὰ Κάρνεια, εἷς τῶν ἐφόρων μάχαιραν λαβὼν ἠρώτησεν αὐτόν, ἐκ ποτέρου τῶν μερῶν ἀποτέμῃ τὰς πλείους τῶν ἐπτὰ χορδῶν.

[d] Τῶν δὲ ταφῶν ἀνεῖλε τὴν δεισιδαιμονίαν ἅπασαν ὁ Λυκοῦργος, ἐν τῇ πόλει θάπτειν τοὺς νεκροὺς καὶ πλησίον ἔχειν τὰ μνημεῖα τῶν ἱερῶν συγχωρήσας. περιεῖλε δὲ καὶ τοὺς μiasμούς, συνθάπτειν δ' οὐδὲν ἐπέτρεψεν, ἀλλ' ἐν φοινικίδι καὶ φύλλοις ἐλαίας θέντας τὸ σῶμα περιστέλλειν κατ' ἴσον ἅπαντας.

ἀνεῖλε καὶ τὰς ἐπιγραφὰς τὰς ἐπὶ τῶν μνημείων, πλὴν τῶν ἐν πολέμῳ τελευτησάντων, καὶ τὰ πένθη καὶ τοὺς ὀδυρμοὺς.

Ἀποδημεῖν δ' οὐκ ἐξῆν αὐτοῖς, ἵνα μὴ ξενικῶν ἐθῶν καὶ βίων ἀπαιδεύτων μετάσχωσι.

Καὶ ξενηλασίας δ' εἰσηγήσατο, ὅπως οἱ παρεισρέοντες [e] μὴ διδάσκαλοι κακοῦ τινος τοῖς πολίταις ὑπάρχωσι.

Τῶν πολιτῶν ὃς ἂν μὴ ὑπομείνῃ τὴν τῶν παίδων ἀγωγὴν οὐ μετεῖχε τῶν τῆς πόλεως δικαίων.

Ἔνιοι δ' ἔφασαν, ὅτι καὶ τῶν ξένων ὃς ἂν ὑπομείνῃ ταύτην τὴν ἄσκησιν τῆς πολιτείας κατὰ τὸ βούλημα τοῦ Λυκοῦργου μετεῖχε τῆς ἀρχῆθεν διατεταγμένης μοίρας· πωλεῖν δ' οὐκ ἐξῆν.

Τοῖς τῶν πλησίον οἰκέταις ὡς ἰδίοις χρῆσθαι ἔθος ἦν, εἴ που δέοιντο, καὶ κυσὶ καὶ ἵπποις, εἰ μὴ οἱ δεσπότες χρῆζοιεν· καὶ ἐν ἀγρῷ δ' εἴ τίς τινος ἐλλιπὲς γενόμενος δεηθείη, ἀνοίξας καὶ βαστάσας τὰ ἐπιτήδεια τοῦ ἔχοντος, τὰ ταμιεῖα σημενόμενος κατέλειπεν.

[f] Ἐν τοῖς πολέμοις φοινικίσιν ἐχρῶντο· ἅμα μὲν γὰρ ἡ χροὰ ἐδόκει αὐτοῖς ἀνδρική εἶναι, ἅμα δὲ τὸ αἵματῶδες τοῦ χρώματος

πλείονα τοῖς ἀπείροις φόβον παρέχειν· καὶ τὸ μὴ εὐπερίφωρον δὲ τοῖς πολεμίοις εἶναι, ἐάν τις αὐτῶν πληγῇ, ἀλλὰ διαλανθάνειν διὰ τὸ ὁμόχρουν χρήσιμον.

Ὅταν στρατηγήματι τοὺς πολεμίους νικήσωσι, βοῦν τῷ Ἄρει θύουσιν· ὅταν δ' ἐκ τοῦ φανεροῦ, ἀλεκτρυόνα· ἐθίζοντες τοὺς ἡγούμενους οὐ μόνον πολεμικοὺς ἀλλὰ καὶ στρατηγικοὺς εἶναι.

[239] [a] Ταῖς εὐχαῖς προσπιθέασι τὸ ἀδικεῖσθαι δύνασθαι.

Εὐχὴ δ' αὐτῶν διδόναι τὰ καλὰ ἐπὶ τοῖς ἀγαθοῖς, καὶ πλεον οὐδέν.

Ἀφροδίτην σέβουσι τὴν ἐνόπλιον· καὶ πάντας δὲ τοὺς θεοὺς θήλεις καὶ ἄρρενας λόγχας ἔχοντας ποιοῦνται, ὡς ἀπάντων τὴν πολεμικὴν ἀρετὴν ἐχόντων.

Ἐπιλέγουσι δὲ καὶ [οἱ] παροιμιαζόμενοι (Apost. XV 92 Paroem. Gr. II 653)

‘τὰν χεῖρα ποτιφέροντα τὰν τύχαν καλεῖν,’

ὡς δέον ἐπικαλεῖσθαι τοὺς θεοὺς μετὰ τοῦ ἐγχειρεῖν τι καὶ πράττειν, ἄλλως δὲ μή.

Τοῖς παισὶν ἐπεδείκνυν τοὺς εἴλωτας μεθύσαντες εἰς ἀποτροπὴν πολυοινίας.

Ἔθος ἦν αὐτοῖς μηδὲ κόπτειν τὰς αὐλείους ἀλλ' ἐξωθεν βοᾶν.

[b] Στλεγγίσιν οὐ σιδηραῖς ἀλλὰ καλαμίναις ἐχρῶντο.

Κωμωδίας καὶ τραγωδίας οὐκ ἤκροῶντο, ὅπως μήτ' ἐν σπουδῇ μήτ' ἐν παιδιᾷ ἀκούωσι τῶν ἀντιλεγόντων τοῖς νόμοις.

Ἀρχίλοχον τὸν ποιητὴν ἐν Λακεδαίμονι γενόμενον αὐτῆς ὥρας ἐδίωξαν, διότι ἐπέγνωσαν αὐτὸν πεποηκότα ὡς κρεῖττον ἐστὶν ἀποβαλεῖν τὰ ὄπλα ἢ ἀποθανεῖν· (I 213 D.)

‘ἀσπίδι μὲν Σαῖων τις ἀγάλλεται, ἦν περὶ θάμνω

ἔντος ἀμώμητον κάλλιπον οὐκ ἐθέλων·

ἄντ' οὗτος δ' ἐξέφυγον θανάτου τέλος·’ ἀσπὶς ἐκείνη

ἔρρέτω· ἐξαῦθις κτήσομαι οὐ κακίω.’

[c] Κόραις καὶ κόροις κοινὰ τὰ ἱερά.

Σκιραφίδαν ἐξημίωσαν οἱ ἔφοροι, ὅτι ὑπὸ πολέμιων ἡδικοῖτο.

Σακκοφόρον ἀνεῖλον, διότι παρυφὴν εἰς τὸν σάκκον ἐνέβαλε.

Τὸν ἐκ τοῦ γυμνασίου νεανίσκον ἐπετίμων, ὅτι τὴν εἰς Πυλαίαν ὁδὸν ἥπιστατο.

Κηφισοφῶντα, εἰπόντα περὶ τοῦ τυχόντος δύνασθαι ὅλην τὴν ἡμέραν λέγειν, ἐξέβαλον, φάμενοι τὸν ἀγαθὸν μυθικτὰν δεῖν τοῖς

πράγμασιν ἴσον τὸν λόγον ἔχειν.

Οἱ παῖδες παρ' αὐτοῖς ξαινόμενοι μάστιγι δι' ὅλης τῆς ἡμέρας ἐπὶ τοῦ βωμοῦ τῆς Ὀρθίας Ἀρτέμιδος μέχρι θανάτου πολλάκις διακαρτεροῦσιν ἱεροὶ καὶ γαῦροι, [d] ἀμιλλώμενοι περὶ νίκης πρὸς ἀλλήλους, ὅστις αὐτῶν ἐπὶ πλεόν τε καὶ μᾶλλον καρτερήσῃ τυπτόμενος· καὶ ὁ περιγενόμενος ἐν τοῖς μάλιστα ἐπίδοξός ἐστι. καλεῖται δὲ ἡ ἄμιλλα διαμαστίγωσις· γίνεται δὲ καθ' ἕκαστον ἔτος.

Ἐν δέ τι τῶν καλῶν καὶ μακαρίων ἐδόκει παρσκευακέναι τοῖς πολίταις ὁ Λυκοῦργος ἀφθονίαν σχολῆς· τέχνης μὲν γὰρ ἄψασθαι βαναύσου τὸ παράπαν οὐκ ἐξῆν· χρηματισμοῦ δὲ συναγωγὴν ἔχοντος ἐργώδη καὶ πραγματείας οὐδ' ὅτιοῦν ἔδει διὰ τὸ κομιδῇ τὸν πλοῦτον ἄζηλον πεποικέναι καὶ ἄτιμον. οἱ δὲ εἰλωτες αὐτοῖς εἰργάζοντο [e] τὴν γῆν ἀποφορὰν τὴν ἄνωθεν ἱσταμένην <τελοῦντες>. ἐπάρατον δ' ἦν πλείονός τινα μισθῶσαι, ἵν' ἐκείνοι μὲν κερδαίνοντες ἡδέως ὑπηρετῶσιν, αὐτοὶ δὲ μὴ πλεόν ἐπιζητῶσιν.

Ἀπείρητο δ' αὐτοῖς ναύταις εἶναι καὶ ναυμαχεῖν· ὕστερον μέντοι ἐναυμάχησαν, καὶ τῆς θαλάσσης κρατήσαντες πάλιν ἀπέστησαν, διαφθειρόμενα τὰ ἦθη τῶν πολιτῶν θεωροῦντες. ἀλλὰ πάλιν μετεβάλοντο καθάπερ ἐν τοῖς ἄλλοις πᾶσι· καὶ γὰρ χρημάτων συναχθέντων τοῖς Λακεδαιμονίοις οἱ συναγαγόντες θανάτῳ κατεδικάσθησαν. Ἀλκαμένει γὰρ καὶ Θεοπόμπῳ τοῖς βασιλεῦσι χρησμός ἐδόθη (Pseudoem. Gr. I 39. 201. 327 II 150)

‘ἅ φιλοχρηματία Σπάρταν ὀλεῖ.’

[f] ἀλλ' ὅμως Λύσανδρος ἐλὼν Ἀθηναίους πολλὸν χρυσὸν καὶ ἄργυρον εἰσήγαγε, καὶ παρεδέξαντο καὶ ἐτίμησαν τὸν ἄνδρα.

τοῖς μὲν οὖν Λυκούργου χρωμένη νόμοις ἡ πόλις καὶ τοῖς ὄρκοις ἐμμείνασα ἐπρώτευσεν τῆς Ἑλλάδος εὐνομία καὶ δόξη χρόνον ἐτῶν πεντακοσίων· κατ' ὀλίγον δὲ παραβαινομένων καὶ πλεονεξίας καὶ φιλοπλουτίας παρεισδυομένης [240] [a] καὶ τὰ τῆς δυνάμεως ἡλαττοῦτο· καὶ οἱ σύμμαχοι διὰ ταῦτα δυσμενῶς εἶχον πρὸς αὐτούς. ἀλλ' ὅμως οὕτως ἔχοντες μετὰ τὴν Φιλίππου τοῦ Μακεδόνοιο ἐν Χαιρωνεῖα νίκην, πάντων αὐτὸν τῶν Ἑλλήνων ἡγεμόνα κατὰ τε γῆν καὶ κατὰ θάλασσαν ἀναγορευσάντων, καὶ μεταξὺ δ' Ἀλέξανδρον τὸν υἱὸν μετὰ τὴν Θηβαίων καταστροφὴν, μόνοι Λακεδαιμόνιοι, καίπερ ἀτείχιστον πόλιν ἔχοντες καὶ ὀλίγοι πάνυ ὄντες διὰ τοὺς συνεχεῖς πολέμους καὶ πολὺ ἀσθενέστεροι καὶ

εὐχείρωτοι γινόμενοι, πάνυ βραχέα τινὰ ζώπυρα διασώζοντες τῆς Λυκούργου νομοθεσίας, [b] οὔτε συνεστράτευσαν οὔτε τούτοις οὔτε τοῖς μεταξὺ Μακεδονικοῖς βασιλεῦσιν, οὔτ' εἰς συνέδριον κοινὸν εἰσῆλθον οὔτε φόρον ἤνεγκαν· ἕως οὗ παντάπασιν ὑπεριδόντες τὴν Λυκούργου νομοθεσίαν ὑπὸ τῶν ιδίων πολιτῶν ἐτυραννεύθησαν μηδὲν ἔτι σώζοντες τῆς πατρίου ἀγωγῆς, καὶ παραπλήσιοι τοῖς ἄλλοις γινόμενοι τὴν πρόσθεν εὐκλειαν καὶ παρρησίαν ἀπέθεντο καὶ εἰς δουλείαν μετέστησαν, καὶ νῦν ὑπὸ Ῥωμαίοις καθάπερ οἱ ἄλλοι Ἕλληνες ἐγένοντο.

[c]

ΑΡΧΙΛΕΩΝΙΣ

Ἀρχιλεωνὶς ἡ Βρασιίδου μήτηρ, τελευτήσαντος αὐτῇ τοῦ υἱοῦ, ὡς παραγενόμενοί τινες τῶν Ἀμφιπολιτῶν εἰς Σπάρτην ἦκον πρὸς αὐτήν, ἠρώτησεν εἰ καλῶς καὶ ἀξίως τῆς Σπάρτης ὁ υἱὸς ἐτελεύτα· μεγαλυνόντων δ' ἐκείνων καὶ λεγόντων ἄριστον ἐν τοῖς ἔργοις ἀπάντων Λακεδαιμονίων εἶναι, εἶπεν· ὦ ξένοι, καλὸς μὲν ἦν κάγαθός ὁ παῖς μου, πολλοὺς δ' ἄνδρας Λακεδαίμων ἔχει τήνου κάρρονας.'

ΓΟΡΓΩ

[d] Γοργώ, βασιλέως Κλεομένους θυγάτηρ, Ἀρισταγόρου τοῦ Μιλησίου παρακαλοῦντος αὐτὸν ἐπὶ τὸν πρὸς βασιλέα πόλεμον ὑπὲρ Ἰώνων καὶ ὑπισχνουμένου χρημάτων πλῆθος καὶ ὅσω ἀντέλεγε πλείονα προστιθέντος, 'καταφθερεῖ σε' ἔφη, 'ὦ πάτερ, τὸ ξενύλλιον, ἐὰν μὴ τάχιον αὐτὸν τῆς οἰκίας ἐκβάλῃς.'

Προστάξαντος δέ ποτ' αὐτῇ τοῦ πατρὸς δοῦναί τι σῖτον εἰς μισθοῦ λόγον καὶ προστιθέντος 'ἐδίδαξε γάρ με τὸν οἶνον χρηστὸν ποιεῖν', 'οὐκοῦν, ὦ πάτερ' ἔφη, 'ὁ τ' οἶνος πλείων ἐκποθήσεται καὶ οἱ πίνοντες θρυπτικώτεροι καὶ χείρονες ἔσονται.'

Τὸν δ' Ἀρισταγόραν ὑπὸ τινος τῶν οἰκετῶν ὑποδοῦμενον [e] θεασαμένη 'πάτερ' ἔφη, 'ὁ ξένος χεῖρας οὐκ ἔχει.'

Ξένου δέ τινος μάλα <κε>κοσμημένη> στολῇ προσάγοντος, παρωσαμένη αὐτόν 'οὐκ ἄπει ἐντεῦθεν' εἶπεν 'οὐδὲ τὰ τῆς γυναικὸς δυνάμενος;'

Ἐρωτηθεῖσα δὲ ὑπὸ τινος Ἀττικῆς 'διὰ τί ὑμεῖς ἄρχετε μόναι τῶν ἀνδρῶν αἱ Λάκαιναι;', 'ὅτι' ἔφη 'καὶ τίκτομεν μόναι ἄνδρας.'

Προτρεπομένη δὲ τὸν ἄνδρα Λεωνίδα ἐξιόντα εἰς Θερμοπύλας ἄξιον τῆς Σπάρτης φανῆναι, ἠρώτα τί χρὴ πράττειν· ὁ δ' ἔφη

‘ἀγαθὸν γαμεῖν καὶ ἀγαθὰ τίκτειν.’

ΓΥΡΤΙΑΣ

Γυρτιάς, Ἀκροτάτου ποτὲ τοῦ θυγατρίδοῦ αὐτῆς ἕκ τινος τῶν παίδων μάχης πολλὰς πληγὰς λαβόντος καὶ ἀπενεχθέντος οἴκαδε ὡς τεθνηκός, κλαίοντων τῶν οἰκείων τε καὶ γνωρίμων, ‘οὐ σιωπήσετε,’ ἔφη· ‘ἔδειξε γὰρ οἴου αἵματος ἦν,’ καὶ οὐκ ἔφη δεῖν τοὺς ἀγαθοὺς βοᾷσθαι ἀλλ’ ἰατρεύεσθαι.

[f] ‘Ὅτε δ’ ἄγγελος ἦλθεν ἐκ Κρήτης τὸν Ἀκροτάτου θάνατον ἀπαγγέλλων, ‘οὐκ ἔμελλεν’ ἔφη ‘πρὸς τοὺς πολεμίους ἦκων ἢ αὐτὸς ὑπ’ ἐκείνων ἀποθανεῖσθαι ἢ κατακατεῖν ἐκείνους; ἦδιον δ’ ἀκούειν ὅτι ἀπέθανε καὶ ἑαυτῆς καὶ τῆς πόλεως ἀξίως καὶ τῶν προγόνων, ἢ εἰ ἔζη τὸν ἅπαντα χρόνον κακὸς ὢν.’

ΔΑΜΑΤΡΙΑ

Δαματρία τὸν υἱὸν δειλὸν καὶ ἀνάξιον ἑαυτῆς ἀκούσασα, παραγενόμενον ἀνεῖλε· τὸ δ’ ἐπίγραμμα ἐπ’ αὐτῆς τόδε· (Anth. Pal. VII 433)

‘τὸν παραβάντα νόμους Δαμάτριον ἔκτανε μάτηρ,
ἅ Λακεδαιμονία τὸν Λακεδαιμόνιον.’

[241] [a] ‘Ἐτέρα Λάκαινα τὸν υἱὸν λιποτακτήσαντα ὡς ἀνάξιον τῆς πατρίδος ἀνεῖλεν, εἶποῦσα ‘οὐκ ἐμὸν τὸ φίτυμα.’ ἔφ’ ἧς τὸ ἐπίγραμμα τόδε· (Anth. Pal. VII 433)

‘ἔρρε κακὸν φίτυμα διὰ σκότος, οὔ διὰ μῖσος

Εὐρώτας δειλαῖς μηδ’ ἐλάφοισι ῥέοι.

ἄχρεϊον σκυλάκευμα, κακὰ μερίς, ἔρρε ποθ’ Ἄιδαν,

ἔρρε· τὸ μὴ Σπάρτας ἄξιον οὐδ’ ἔτεκον.’

Ἄλλη τὸν υἱὸν ἐν παρατάξει μαθοῦσα πεσόντα ἔφη· (Anth. Pal. 229)

‘δειλοὶ κλαῖεσθωσαν· ἐγὼ δέ σε, τέκνον, ἄδακρυς

θάπτω τὸν καὶ ἐμὸν καὶ Λακεδαιμόνιον.’

Ἀκούσασά τις τὸν υἱὸν σεσωσμένον καὶ πεφευγότα ἐκ τῶν πολεμίων, γράφει αὐτῷ ‘κακὰ φάμα τευ κακκέχυται· ἢ ταύταν νῦν ἔκνιψαι ἢ μὴ ἔσο.’

[b] Ἄλλη, τῶν υἱῶν φυγόντων ἐκ μάχης καὶ παραγενομένων ὡς αὐτήν, ‘ποῖ’ φησὶν ‘ἦκετε δραπετεύσαντες, κακὰ ἀνδράποδα; ἢ δεῦρο ὅθεν ἐξέδυτε καταδυσόμενοι;’ ἀνασυραμένη καὶ ἐπιδείξασα αὐτοῖς τὴν κοιλίαν.

Προσάγοντά τις τὸν υἱὸν θεασαμένη ἐπύθετο τί πράσσει ἢ

πατρίς· εἰπόντος δέ ‘πάντες ἀπολώλασι’, κεραμίδα ἄρασα ἐπαφῆκεν αὐτῷ καὶ ἀνεῖλεν, εἰποῦσα ‘σὲ οὖν κακάγγελον ἔπεμψαν ἡμῖν;’

Διηγούμενου τινὸς τῇ μητρὶ γενναῖον θάνατον τοῦ ἀδελφοῦ, ‘εἶτ’ οὐκ αἰσχρόν’ εἶπε ‘τῆς τοιαύτης συνοδίας ἀτυχῆσαι;’

Ἐκπέμψασά τις τοὺς υἱοὺς αὐτῆς πέντε ὄντας ἐπὶ [c] πόλεμον, ἐν τοῖς προαστείοις εἰστήκει καραδοκοῦσα τί ἐκ τῆς μάχης ἀποβήσοιτο· ὡς δὲ παραγενόμενός τις πυθομένη αὐτῇ ἀπήγγειλε τοὺς παῖδας ἅπαντας τετελευτηκέναι, ‘ἀλλ’ οὐ τοῦτ’ ἐπυθόμην’ εἶπε, ‘κακὸν ἀνδράποδον, ἀλλὰ τί πρᾶσσει ἡ πατρίς.’ φήσαντος δὲ ὅτι νικᾷ, ‘ἀσμένη τοίνυν’ εἶπε ‘δέχομαι καὶ τὸν τῶν παίδων θάνατον.’

Θάπτουσά τις τὸν υἱόν, ὡς γραῖδιον εὐτελὲς προσελθὼν αὐτῇ ‘ὦ γύναι, τᾶς τύχας’ εἶπε, ‘νῆ τῷ σιῷ, ἀλλὰ τᾶς καλᾶς γ’ ἔφη· ‘οὐ γὰρ αὐτὸν ἔνεκεν ἔτεκον, ἵν’ ὑπὲρ τᾶς Σπάρτας ἀποθάνῃ, τοῦτό μοι συνέβη.’

Σεμνυνομένης γυναικὸς τινος Ἰωνικῆς ἐπὶ τινι τῶν [d] ἑαυτῆς ὑφασμάτων ὄντι πολυτελεῖ, Λάκαινα ἐπιδείξασα τοὺς τέσσαρας υἱοὺς ὄντας κοσμιωτάτους, τοιαῦτα ἔφη δεῖν εἶναι τὰ τῆς καλῆς καὶ ἀγαθῆς γυναικὸς ἔργα καὶ μεγαλαυχεῖν ἐπὶ τούτοις καὶ ἐπαίρεσθαι.

Ἄλλη ἀκούσασα περὶ τοῦ υἱοῦ, ὡς κακῶς ἐπὶ τῆς ξένης ἀναστρέφοιτο, ἔγραψε ‘κακά τευ φάμα κακκέχυται· ἢ ταύταν ἀπόθευ ἢ μὴ ἔσο.’

Παραπλησιῶς δὲ καὶ Χίων φυγάδες ἐλθόντες εἰς

Σπάρτην πολλὰ Πεδαρίτου κατηγοροῦν· μεταπεμψαμένη δ’ αὐτοὺς ἡ μήτηρ αὐτοῦ Τελευτία καὶ ἀκούσασα ὧν ἐνεκάλουν, ἐπεὶ ἐδόκει αὐτῇ ἀμαρτάνειν ὁ υἱός, ἐπέστειλεν [e] αὐτῷ ‘ἂ μάτηρ Πεδαρίτῳ· ἡ βελτίονα πρᾶσσε ἢ αὖθι μένε, ἀπογνοὺς τὰν ἐς Σπάρταν σωτηρίαν.’

Ἐτέρα ἐπ’ ἀδικήματι τῷ παιδὶ κρινομένῳ ‘τέκνον’ εἶπεν, ‘ἢ τᾶς αἰτίας σεαυτὸν ἢ τοῦ ζῆν ἀπόλυσον.’

Ἄλλη χωλὸν υἱὸν ἐπὶ παράταξιν προπέμπουσα, ‘τέκνον’ εἶπε, ‘κατὰ βῆμα τῆς ἀρετῆς μέμνησο.’

Ἄλλη, τοῦ παιδὸς αὐτῇ ἀφικομένου ἀπὸ παρατάξεως τετρωμένου τὸν πόδα καὶ σφόδρα ἀλγοῦντος, ‘ἐὰν τῆς ἀρετῆς’ εἶπε ‘μέμνη, ὦ τέκνον, καὶ ἄπονος ἔσῃ καὶ θαρρήσεις.’

Λάκων τρωθεὶς ἐν πολέμῳ καὶ βαδίζειν μὴ δυνάμενος, τετραποδιστὶ ὤδευεν. αἰσχυνομένῳ δ' αὐτῷ ἐπὶ [f] τῷ γελοίῳ ἢ μήτηρ 'καὶ πόσω βέλτιον, ὦ τέκνον' εἶπε, 'μᾶλλον ἐπὶ τῇ ἀνδρείᾳ γεγηθέναι ἢ αἰσχύνεσθαι ἐπὶ γέλῳτι ἀνοήτων·'

Ἄλλη προσαναδιδούσα τῷ παιδὶ τὴν ἀσπίδα

καὶ παρακελευομένη 'τέκνον' ἔφη, 'ἢ ταύταν ἢ ἐπὶ ταύτας.'

Ἄλλη προϊόντι τῷ υἱῷ ἐπὶ πόλεμον ἀναδιδούσα τὴν ἀσπίδα 'ταύτην' ἔφη 'ὁ πατήρ σοι ἀεὶ ἔσωζε· καὶ σὺ οὖν ἢ ταύτην σῶζε ἢ μὴ ἔσο.'

Ἄλλη πρὸς τὸν υἱὸν λέγοντα μικρὸν ἔχειν τὸ ξίφος εἶπε '[καὶ] βῆμα πρόσθες.'

[242] [a] Ἄλλη ἀκούσασα, ὅτι ὁ υἱὸς αὐτῆς ἐν παρατάξει ἀνδραγαθήσας ἀπέθανεν, 'ἐμὸς γὰρ ἦς' εἶπε. περὶ δὲ τοῦ ἑτέρου πυθομένη ὅτι ἀποδειλιάσας σώζεται, 'οὐ γὰρ ἦς ἐμός' ἔφη.

Ἐτέρα ἀκούσασα τεθνηκέναι τὸν υἱὸν ἐν μάχῃ καθάπερ ἐτέτακτο 'κάθ'ετ' αὐτόν' ἔφη, 'ἀναπληρωσάτω δὲ τὴν ἐκείνου τάξιν ὁ ἀδελφός.'

Ἄλλη πομπὴν τελοῦσα πάνδημον ἤκουσεν ἐπὶ τῆς παρατάξεως νικᾶν τὸν υἱόν, ἐκ δὲ τῶν τραυμάτων πολλῶν γενομένων θνήσκειν. οὐ περιελομένη οὖν τὸν στέφανον, ἀλλὰ σεμνυνθεῖσα πρὸς τὰς πλησίον εἶπεν 'ὥς πολλῷ [b] κάλλιον, ὦ φίλοι, ἐστὶν ἐν παρατάξει νικῶντα τελευτᾶν ἢ τὰ Ὀλύμπια περιγενόμενον ζῆν.'

Διηγούμενου τινὸς τῇ ἀδελφῇ γενναῖον θάνατον

τοῦ παιδὸς αὐτῆς, ἐκείνη εἶπεν ὅτι 'ὅσον ἐπ' ἐκείνῳ γέγηθα, τοσοῦτον ἐπὶ σοὶ ἄχθομαι, ἐναρέτου συνοδίᾳ ἀπολειφθέντι.'

Λακαίνῃ τις προσέπεμψεν, εἰ φθορᾷ συνεπινεύει. ἢ δ' ἔφη 'παῖς μὲν οὖσα ἔμαθον τῷ πατρὶ πείθεσθαι, καὶ τοῦτο ἔπραξα· γυνὴ δὲ γενομένη τῷ ἀνδρί· εἰ οὖν δίκαιά με παρακαλεῖ, τούτῳ φανερόν ποιησάτω πρῶτον.'

Παρθένος πενιχρὰ ἐρωτηθεῖσα τίνα δίδωσι τῷ γαμοῦντι προῖκα, 'τὴν πάτριον' εἶπε 'σωφροσύνην.'

[c] Λάκαινα ἐρωτηθεῖσα εἰ ἀνδρὶ προσελήλυθεν 'οὐκ ἐγώ' εἶπεν 'ἀλλ' ὁ ἀνὴρ ἐμοί.'

Κρύφα τις διαπαρθενευθεῖσα καὶ διαφθείρασα τὸ βρέφος οὕτως ἐνεκαρτέρησε μηδεμίαν προενεγκαμένη φωνήν, ὥστε καὶ τὸν πατέρα καὶ ἄλλους πολλοὺς πλησίον ὄντας λαθεῖν ἀποκυήσασα· τὸ γὰρ μέγεθος τῶν ἀλγηδόνων τῇ ἀσχημοσύνῃ τὸ εὖσχημον

προσπεσὸν ἐνίκησε.

Λάκαινα πιπρασκομένη καὶ ἐρωτωμένη τί ἐπίσταται ἔφη ‘πιστὰ ἦμεν.’

Ἄλλη αἰχμαλωτισθεῖσα καὶ ἐρωτωμένη παραπλησίως ‘εὖ οἴκεῖν οἶκον’ ἔφη.

Ἐρωτηθεῖσά τις ὑπὸ τινος, εἰ ἔσται ἀγαθή, ἂν αὐτὴν ἀγοράσῃ, εἶπε ‘κἂν μὴ ἀγοράσῃς.’

[d] Ἄλλη πιπρασκομένη, τοῦ κήρυκος πυνθανομένου τί ἐπίσταται, ‘ἐλευθέρα’ εἶπεν ‘ἦμεν.’ ὥς δὲ ὁ ὠνησάμενος προσέτασσε τινα αὐτῇ οὐχ ἀρμόζοντα ἐλευθέρα, εἰποῦσα ‘οἰμῶξη φθονήσας σεαυτῷ τοιούτου κτήματος’ ἐξήγαγεν ἐαυτήν.

ΓΥΝΑΙΚΩΝ ΑΡΕΤΑΙ

[242] Περὶ ἀρετῆς, ὦ Κλέα, γυναικῶν οὐ τὴν αὐτὴν τῷ Θουκυδίδῃ γνώμην ἔχομεν. ὁ μὲν γάρ, ἥς ἂν ἐλάχιστος ἦ παρὰ τοῖς ἐκτὸς ψόγου πέρι ἢ ἐπαίνου λόγος, ἀρίστην ἀποφαίνεται, καθάπερ τὸ σῶμα καὶ τοῦνομα τῆς ἀγαθῆς γυναικὸς οἰόμενος δεῖν κατάκλειστον εἶναι καὶ ἀνέξοδον. ἡμῖν δὲ κομψότερος μὲν ὁ Γοργίας φαίνεται, κελεύων μὴ τὸ εἶδος ἀλλὰ τὴν δόξαν εἶναι πολλοῖς γνώριμον τῆς γυναικός· ἄριστα δ' ὁ Ῥωμαίων δοκεῖ νόμος ἔχειν, [f] ὥσπερ ἀνδράσι καὶ γυναιξὶ δημοσίᾳ μετὰ τὴν τελευτὴν τοὺς προσήκοντας ἀποδιδούς ἐπαίνους. διὸ καὶ Λεοντίδος τῆς ἀρίστης ἀποθανούσης, εὐθύς τε μετὰ σοῦ τότε πολὺν λόγον εἶχομεν οὐκ ἀμοιροῦντα παραμυθίας φιλοσόφου καὶ νῦν, ὡς ἡβουλήθης, τὰ ὑπόλοιπα τῶν λεγομένων εἰς τὸ μίαν εἶναι καὶ τὴν αὐτὴν ἀνδρός τε καὶ γυναικὸς ἀρετὴν [243] [a] προσανέγραψά σοι, τὸ ἱστορικὸν ἀποδεικτικὸν ἔχοντα καὶ πρὸς ἡδονὴν μὲν ἀκοῆς οὐ συντεταγμένον, εἰ δὲ τῷ πείθοντι καὶ τὸ τέρπον ἔνεστι φύσει τοῦ παραδείγματος, οὐ φεύγει χάριν ἀποδείξεως συνεργὸν ὁ λόγος οὐδ' αἰσχύνεται 'ταῖς Μούσαις τὰς Χάριτας συγκαταμινύς καλλίστην συζυγίαν' ὡς Εὐριπίδης φησὶν (Herc. 673), ἐκ τοῦ φιλοκάλου μάλιστα τῆς ψυχῆς ἀναδόμενος τὴν πίστιν.

Φέρε γάρ, εἰ λέγοντες τὴν αὐτὴν εἶναι ζωγραφίαν ἀνδρῶν καὶ γυναικῶν παρειχόμεθα τοιαύτας γραφὰς γυναικῶν, οἷας Ἀπελλῆς ἀπολέλοιπεν ἢ Ζεῦξις ἢ Νικόμαχος, [b] ἄρ' ἂν τις ἐπετίμησεν ἡμῖν, ὡς τοῦ χαρίζεσθαι καὶ ψυχαγωγεῖν μᾶλλον ἢ τοῦ πείθειν στοχαζομένοις; ἐγὼ μὲν οὐκ οἶμαι. τί δέ; ἐὰν ποιητικὴν πάλιν ἢ μαντικὴν ἀποφαίνοντες οὐχ ἑτέραν μὲν ἀνδρῶν ἑτέραν δὲ γυναικῶν οὔσαν, ἀλλὰ τὴν αὐτὴν, τὰ Σαπφοῦς μέλη τοῖς Ἀνακρέοντος ἢ τὰ Σιβύλλης λόγια τοῖς Βάκιδος ἀντιπαραβάλλωμεν, ἔξει τις αἰτιάσασθαι δικαίως τὴν ἀπόδειξιν, ὅτι χαίροντα καὶ τερπόμενον ἐπάγει τῇ πίστει τὸν ἀκροατὴν; οὐδὲ τοῦτ' ἂν εἴποις. καὶ μὴν οὐκ ἔστιν ἀρετῆς γυναικείας καὶ ἀνδρείας ὁμοιότητα καὶ διαφορὰν ἄλλοθεν καταμαθεῖν μᾶλλον, ἢ βίους βίοις καὶ πράξεσι [c] πράξεις ὥσπερ ἔργα μεγάλης τέχνης παρατιθέντας ἅμα καὶ σκοποῦντας, εἰ τὸν αὐτὸν ἔχει χαρακτῆρα

καὶ τύπον ἢ Σεμιράμεως μεγαλοπραγμοσύνη τῇ Σεσώστριος ἢ ἡ Τανακυλλίδος σύνεσις τῇ Σερουίου τοῦ βασιλέως ἢ τὸ Πορκίας φρόνημα τῷ Βρούτου καὶ τῷ Πελοπίδου τὸ Τιμοκλείας, κατὰ τὴν κυριωτάτην κοινότητα καὶ δύναμιν· ἐπεὶ δὲ διαφορὰς γέ τινας ἐτέρας ὥσπερ χροιάς ἰδίας αἱ ἀρεταὶ διὰ τὰς φύσεις λαμβάνουσι καὶ συνεξομοιοῦνται τοῖς ὑποκειμένοις ἔθεσι καὶ κράσεσι σωμάτων καὶ τροφαῖς καὶ διαίταις· ἄλλως γὰρ ἀνδρεῖος ὁ Ἀχιλλεὺς ἄλλως ὁ Αἴας· καὶ φρόνησις Ὀδυσσέως οὐχ ὁμοία [d] τῇ Νέστορος, οὐδὲ δίκαιος ὡσαύτως Κάτων καὶ Ἀγησίλαος, οὐδ' Εἰρήνη φίλανδρος ὡς Ἀλκηστis οὐδὲ Κορνηλία μεγαλόφρων ὡς Ὀλυμπιάς. ἀλλὰ μὴ παρὰ τοῦτο πολλὰς καὶ διαφόρους ποιῶμεν ἀνδρείας καὶ φρονήσεις καὶ δικαιοσύνας, ἂν μόνον τοῦ λόγου τοῦ οἰκείου μηδεμίαν αἱ καθ' ἕκαστον ἀνομοιότητες ἐκβιβάζωσι. τὰ μὲν οὖν ἄγαν περιβόητα καὶ ὅσων οἴμαί σε βεβαίαν <ἄλλοις> βιβλίοις ἐντυχοῦσαν ἱστορίαν ἔχειν καὶ γνῶσιν ἤδη, παρήσω· πλὴν εἰ μὴ τινα τοὺς τὰ κοινὰ καὶ δεδημευμένα πρὸ ἡμῶν ἱστορήσαντας ἀκοῆς ἄξια διαπέφευγεν. ἐπεὶ δὲ πολλὰ καὶ κοινῇ καὶ ἰδίᾳ γυναιξὶν ἄξια λόγου πέπρακται, [e] βραχέα τῶν κοινῶν οὐ χεῖρόν ἐστι προῖστορησαι.

ΤΡΩΙΑΔΕΣ

Τῶν ἀπ' Ἰλίου περὶ τὴν ἄλωσιν ἐκφυγόντων οἱ πλεῖστοι χειμῶνι χρυσάμενοι καὶ δι' ἀπειρίαν τοῦ πλοῦ καὶ ἄγνοιαν τῆς θαλάττης ἀπενεχθέντες εἰς τὴν Ἰταλίαν καὶ περὶ τὸν Θύμβριν ποταμὸν ὄρμοις καὶ ναυλόχοις ἀναγκαίοις μόλις ὑποδραμόντες, αὐτοὶ μὲν ἐπλανῶντο περὶ τὴν χώραν φραστήρων δεόμενοι, ταῖς δὲ γυναιξὶν ἐμπίπτει λογισμός, ὡς ἡτισοῦν ἴδρυσις ἐν γῇ πάσης πλάνης καὶ ναυτιλίας τε καὶ καλῶς πράττουσιν ἀνθρώποις ἀμείνων ἐστί, καὶ πατρίδα δεῖ ποιεῖν αὐτοῖς <τοὺς> ἀπολαβεῖν [f] ἣν ἀπολωλέκασι μὴ δυναμένους. ἐκ δὲ τούτου συμφρονήσασαι κατέφλεξαν τὰ πλοῖα, μιᾷς καταρξαμένης ὡς φασὶ Πρώμης. πράξασαι δὲ ταῦτα τοῖς ἀνδράσιν ἀπῆντων βοηθοῦσι πρὸς τὴν θάλασσαν, καὶ φοβούμεναι τὴν ὀργὴν αἱ μὲν ἀνδρῶν αἱ δ' οἰκείων ἀντιλαμβάνόμεναι [244] [a] καὶ καταφιλοῦσαι λιπαρῶς, ἐξεπράνναν τῷ τρόπῳ τῆς φιλοφροσύνης. διὸ καὶ γέγονε καὶ παραμένει ταῖς Ρωμαίων γυναιξὶν ἔτι νῦν ἔθος ἀσπάζεσθαι μετὰ τοῦ καταφιλεῖν τοὺς κατὰ γένος προσήκοντας αὐταῖς. συνιδόντες γὰρ ὡς ἔοικε τὴν ἀνάγκην οἱ Τρῶες καὶ ἅμα πειρώμενοι τῶν ἐγχωρίων, εὐμενῶς καὶ

φιλανθρώπως προσδεχομένων, ἠγάπησαν τὸ πραχθὲν ὑπὸ τῶν γυναικῶν καὶ συγκατώκησαν αὐτόθι τοῖς Λατίνοις.

ΦΩΚΙΔΕΣ

Τὸ δὲ τῶν Φωκίδων ἐνδόξου μὲν οὐ τετύχηκε συγγραφέως, οὐδενὸς δὲ τῶν γυναικείων ἔλαττον εἰς ἀρετὴν ἐστὶ μαρτυρούμενον ἱεροῖς τε μεγάλοις, ἃ δρῶσι Φωκεῖς [b] ἔτι νῦν περὶ Ὑάμπολιν, καὶ δόγμασι παλαιοῖς, ὧν τὸ μὲν καθ' ἕκαστον τῆς πράξεως ἐν τῷ Δαΐφάντου βίῳ γέγραπται, τὸ δὲ τῶν γυναικῶν τοιοῦτόν ἐστιν. ἄσπονδος ἦν Θετταλοῖς πρὸς Φωκέας πόλεμος· οἱ μὲν γὰρ ἄρχοντας αὐτῶν καὶ τυράννους ἐν ταῖς Φωκικαῖς πόλεσιν ἡμέρα μιᾷ πάντας ἀπέκτειναν, οἱ δὲ πεντήκοντα καὶ διακοσίους ἐκείνων ὁμήρους κατηλόησαν· εἴτα πανστρατιᾷ διὰ Λοκρῶν ἐνέβαλον, δόγμα θέμενοι μηδενὸς φείδεσθαι τῶν ἐν ἡλικίᾳ, παῖδας δὲ καὶ γυναῖκας ἀνδραποδίσασθαι. Δαΐφαντος οὖν ὁ Βαθυλλίου, τρίτος αὐτὸς ἄρχων, ἔπεισε [c] τοὺς Φωκεῖς αὐτοὺς μὲν ἀπαντήσαντας τοῖς Θετταλοῖς μάχεσθαι, τὰς δὲ γυναῖκας ἅμα τοῖς τέκνοις εἰς ἓνα που τόπον συναγαγόντας ἐξ ἀπάσης τῆς Φωκίδος, ὕλην τε περινηῆσαι ξύλων καὶ φυλακὰς καταλιπεῖν, πρόσταγμα δόντας, ἃν αἰσθωνται νικωμένους αὐτούς, κατὰ τάχος τὴν ὕλην ἀνάσαι καὶ καταπρῆσαι τὰ σώματα. ψηφισαμένων δὲ ταῦτα τῶν ἄλλων, εἷς ἐξαναστὰς ἔφη δίκαιον εἶναι ταῦτα συνδοκεῖν καὶ ταῖς γυναιξίν· εἰ δὲ μή, χαίρειν ἔαν καὶ μὴ προσβιάζεσθαι. τούτου τοῦ λόγου διελθόντος εἰς τὰς γυναῖκας, αὐταὶ καθ' ἑαυτὰς συνελθοῦσαι ταῦτά ἐψηφίσαντο [d] καὶ τὸν Δαΐφαντον ἀνέδησαν, ὥς τὰ ἄριστα τῇ Φωκίδι βεβουλευμένον· τὰ δ' αὐτὰ καὶ τοὺς παῖδας ἰδίᾳ φασὶν ἐκκλησιάσαντας ἐπιψηφίσασθαι. πραχθέντων δὲ τούτων, συμβαλόντες οἱ Φωκεῖς περὶ Κλεωνὰς τῆς Ὑαμπόλιδος ἐνίκησαν. τὸ μὲν οὖν ψήφισμα Φωκῶν Ἀπόνοιαν οἱ Ἕλληνες ὠνόμασαν· ἐορτὴν δ' ἐκ πασῶν μεγίστην τὰ Ἐλαφηβόλια μέχρι νῦν τῇ Ἀρτέμιδι τῆς νίκης ἐκείνης ἐν Ὑαμπόλιδι τελοῦσιν.

ΧΙΑΙ

Χῖοι Λευκωνίαν ἐπώκησαν ἐκ τοιαύτης αἰτίας. ἐγάμει τις ἐν Χίῳ τῶν δοκούντων γνωρίμων εἶναι· ἀγομένης [e] δὲ τῆς νύμφης ἐπὶ ζεύγους ὁ βασιλεὺς Ἴπποκλος, ἐπιτήδειος ὢν τῷ γαμοῦντι καὶ παρῶν ὥσπερ οἱ λοιποί, μέθης οὔσης καὶ γέλωτος, ἀνεπήδησεν ἐπὶ τὸ ζεῦγος, οὐδὲν ὑβριστικὸν πράξων, ἀλλ' ἔθει κοινῶ καὶ παιδιᾷ χρώμενος· οἱ δὲ φίλοι τοῦ γαμοῦντος ἀπέκτειναν αὐτόν.

μηνιμάτων δὲ τοῖς Χίοις προφαινομένων καὶ τοῦ θεοῦ κελεύσαντος τοὺς Ἴπποκλον ἀνελόντας ἀνελεῖν, ἅπαντες ἔφασαν Ἴπποκλον ἀνηρηκέναι. πάντας οὖν αὖθις ὁ θεὸς ἐκέλευσε τὴν πόλιν ἐκλιπεῖν, εἰ πᾶσι τοῦ ἄγους μέτεστιν. οὕτω δὴ τοὺς αἰτίους καὶ μετασχόντας τοῦ φόνου καὶ [f] συνεπαινέσαντας ἀμωσγέπως, οὐκ ὀλίγους γενομένους οὐδ' ἀδυνάτους ὄντας, ἀπώκισαν εἰς Λευκωνίαν, ἣν Κορωνεῖς ἀφελόμενοι πρότερον ἐκτήσαντο μετ' Ἑρυθραίων. ὕστερον δὲ πολέμου πρὸς τοὺς Ἑρυθραίους αὐτοῖς γενομένου, μέγιστον Ἰώνων δυναμένους τότε, κάκείνων ἐπὶ τὴν Λευκωνίαν στρατευσάντων ἀντέχειν μὴ δυνάμενοι [245] [a] συνεχώρησαν ἐξελεθεῖν ὑπόσπονδοι, χλαῖναν μίαν ἐκάστου καὶ ἱμάτιον ἄλλο δὲ μηδὲν ἔχοντος. αἱ δὲ γυναῖκες ἐκάκιζον αὐτούς, εἰ προέμενοι τὰ ὄπλα γυμνοὶ διὰ τῶν πολεμίων ἐξίσαιεν· ὁμωμοκέναι δὲ φασκόντων, ἐκέλευον αὐτοὺς τὰ μὲν ὄπλα μὴ καταλιπεῖν, λέγειν δὲ πρὸς τοὺς πολεμίους ὅτι χλαῖνα μὲν ἐστὶ τὸ ξυστόν, χιτῶν δ' ἡ ἀσπίς ἀνδρὶ θυμὸν ἔχοντι. πεισθέντων δὲ ταῦτα τῶν Χίων καὶ πρὸς τοὺς Ἑρυθραίους παρρησιαζομένων καὶ τὰ ὄπλα δεικνύντων, ἐφοβήθησαν οἱ Ἑρυθραῖοι τὴν τόλμαν αὐτῶν καὶ οὐδεὶς προσῆλθεν οὐδ' ἐκώλυσεν, ἀλλ' ἠγάπησαν ἀπαλλαγέντων. οὗτοι μὲν οὖν θαρρεῖν διδαχθέντες [b] ὑπὸ τῶν γυναικῶν οὕτως ἐσώθησαν.

Τούτου δ' οὐδέν τι λειπόμενον ἔργον ἀρετῇ καὶ χρόνοις ὕστερον πολλοῖς ἐπράχθη ταῖς Χίων γυναῖξιν, ὀπηνίκα Φίλιππος ὁ Δημητρίου πολιορκῶν τὴν πόλιν ἐκήρυξε κήρυγμα βάρβαρον καὶ ὑπερήφανον, ἀφίστασθαι τοὺς οἰκέτας πρὸς ἑαυτὸν ἐπ' ἐλευθερίᾳ καὶ γάμῳ τῆς κεκτημένης, ὥς συνοικιῶν αὐτοὺς ταῖς τῶν δεσποτῶν γυναῖξί. δεινὸν δ' αἱ γυναῖκες καὶ ἄγριον θυμὸν λαβοῦσαι, μετὰ τῶν οἰκετῶν καὶ αὐτῶν συναγανακτούντων καὶ συμπαρόντων ὥρμησαν ἀναβαίνειν ἐπὶ τὰ τείχη, καὶ λίθους καὶ βέλη προσφέρουσαι καὶ παρακελευόμεναι καὶ προσλιπαροῦσαι [c] τοῖς μαχομένοις, τέλος δ' ἀμυνόμεναι καὶ βάλλουσαι τοὺς πολεμίους, ἀπώσαντο τὸν Φίλιππον, οὐδενὸς δούλου τὸ παράπαν ἀποστάντος πρὸς αὐτόν.

ΑΡΓΕΙΑΙ

Οὐδενὸς δ' ἦττον ἔνδοξόν ἐστὶ τῶν κοινῇ διαπεπραγμένων γυναιξὶν ἔργων ὁ πρὸς Κλεομένη περὶ Ἄργους ἀγών, ὃν ἠγωνίσαντο Τελεσίλλης τῆς ποιητρίας προτρεψαμένης. ταύτην δὲ

φασιν οἰκίας οὔσαν ἐνδόξου τῷ δὲ σώματι νοσηματικὴν εἰς θεοῦ πέμψαι περὶ ὑγείας· καὶ χρησθὲν αὐτῇ Μούσας θεραπεύειν, πειθομένην τῷ θεῷ καὶ ἐπιθεμένην ὥδῃ καὶ ἁρμονίᾳ τοῦ τε πάθους ἀπαλλαγῆναι ταχὺ καὶ θαυμάζεσθαι διὰ ποιητικὴν ὑπὸ τῶν [d] γυναικῶν. ἔπει δὲ Κλεομένης ὁ βασιλεὺς τῶν Σπαρτιατῶν πολλοὺς ἀποκτείνας (οὐ μὴν, ὡς ἔνιοι μυθολογοῦσιν, ἑπτὰ καὶ ἑβδομήκοντα καὶ ἑπτακοσίους πρὸς ἑπτακισχιλίοις) ἐβάδιζε πρὸς τὴν πόλιν, ὀρμὴ καὶ τόλμα δαιμόνιος παρέστη ταῖς ἀκμαζούσαις τῶν γυναικῶν ἀμύνεσθαι τοὺς πολεμίους ὑπὲρ τῆς πατρίδος. ἡγουμένης δὲ τῆς Τελεσίλλης ὄπλα λαμβάνουσαι καὶ παρ' ἑπαλξιν ἰστάμεναι κύκλῳ τὰ τεῖχη περιέστεψαν, ὥστε θαυμάζειν τοὺς πολεμίους. τὸν μὲν οὖν Κλεομένη πολλῶν πεσόντων ἀπεκροῦσαντο· [e] τὸν δ' ἕτερον βασιλέα Δημάρατον, ὡς Σωκράτης φησὶν (FHG IV p. 497), ἐντὸς γενόμενον καὶ κατασχόντα τὸ Παμφυλιακὸν ἐξέωσαν. οὕτω δὲ τῆς πόλεως περιγενομένης, τὰς μὲν πεσοῦσας ἐν τῇ μάχῃ τῶν γυναικῶν ἐπὶ τῆς ὁδοῦ τῆς Ἀργείας ἔθαψαν, ταῖς δὲ σωθείσαις ὑπόμνημα τῆς ἀριστείας ἔδωσαν ἰδρύσασθαι τὸν Ἐνυάλιον. τὴν δὲ μάχην οἱ μὲν ἐβδόμη λέγουσιν ἰσταμένου μηνός, οἱ δὲ νουμηνία γενέσθαι τοῦ νῦν μὲν τετάρτου, πάλαι δ' Ἑρμαίου παρ' Ἀργείοις, καθ' ἣν μέχρι νῦν τὰ Ὑβριστικὰ τελοῦσι, γυναῖκας μὲν ἀνδρείοις χιτῶσι καὶ χλαμύσιν, [f] ἄνδρας δὲ πέπλοις γυναικῶν καὶ καλύπτραις ἀμφιεννύντες. ἐπανορθούμενοι δὲ τὴν ὀλιγανδρίαν οὐχ, ὡς Ἡρόδοτος ἱστορεῖ (VI 83), τοῖς δούλοις, ἀλλὰ τῶν περιοίκων ποιησάμενοι πολίτας τοὺς ἀρίστους, συνώκισαν τὰς γυναῖκας· ἐδόκουν δὲ καὶ τοὺτους ἀτιμάζειν καὶ περιορᾶν ἐν τῷ συγκαθεύδειν ὡς χείρονας. ὅθεν ἔθεντο νόμον τὸν κελεύοντα πώγωνα δεῖν ἐχούσας συναναπαύεσθαι τοῖς ἀνδράσι τὰς γεγαμημένας.

ΠΕΡΣΙΔΕΣ

[246] [a] Πέρσας Ἀστυάγου βασιλέως καὶ Μήδων ἀποστήσας Κῦρος ἡττήθη μάχῃ· φεύγουσι δὲ τοῖς Πέρσαις εἰς τὴν πόλιν, ὀλίγον ἀπεχόντων συνεισπεσεῖν τῶν πολεμίων, ἀπῆντησαν αἱ γυναῖκες πρὸ τῆς πόλεως καὶ τοὺς πέπλους ἐκ τῶν κάτω μερῶν ἐπάρασαι 'ποῖ φέρεσθε' εἶπον, 'ὦ κάκιστοι πάντων ἀνθρώπων; οὐ γὰρ ἐνταῦθ' αὖ γε δύνασθε καταδῦναι φεύγοντες, ὅθεν ἐξεγένεσθε.' ταύτην τὴν ὄψιν ἅμα καὶ τὴν φωνὴν αἰδεσθέντες οἱ Πέρσαι καὶ

κακίσαντες ἑαυτοὺς ἀνεστρέψαντο καὶ συμβαλόντες ἐξ ἀρχῆς [b] ἐτρέψαντο τοὺς πολεμίους. ἐκ τούτου κατέστη νόμος, εἰσελάσαντος βασιλέως εἰς τὴν πόλιν ἐκάστην γυναῖκα χρυσοῦν λαμβάνειν, Κύρου νομοθετήσαντος. Ὡχον δέ φασι, τά τ' ἄλλα μοχθηρὸν καὶ φιλοκερδέστατον βασιλέων ὄντα, περικάμψαι τὴν πόλιν αἰὲ καὶ μὴ παρελθεῖν ἄλλ' ἀποστερῆσαι τῆς δωρεᾶς τὰς γυναῖκας. Ἀλέξανδρος δὲ καὶ δις εἰσῆλθε καὶ ταῖς κυούσαις διπλοῦν ἔδωκε.

ΚΕΛΤΑΙ

Κελτοῖς, πρὶν ὑπερβαλεῖν Ἄλπεις καὶ κατοικῆσαι τῆς Ἰταλίας ἦν νῦν νέμονται χώραν, στάσις ἐμπεσοῦσα δεινὴ [c] καὶ δυσκατάπαυστος εἰς πόλεμον ἐμφύλιον προῆλθεν. αἱ δὲ γυναῖκες ἐν μέσῳ τῶν ὅπλων γενόμεναι καὶ παραλαβοῦσαι τὰ νείκη διήτησαν οὕτως ἀμέμπτως καὶ διέκριναν, ὥστε φιλίαν πᾶσι θαυμαστὴν καὶ κατὰ πόλεις καὶ κατ' οἴκους γενέσθαι πρὸς πάντας. ἐκ τούτου διετέλουν περὶ τε πολέμου καὶ εἰρήνης βουλευόμενοι μετὰ τῶν γυναικῶν καὶ τὰ πρὸς τοὺς συμμάχους ἀμφίβολα δι' ἐκείνων βραβεύοντες. ἐν γοῦν ταῖς πρὸς Ἀννίβαν συνθήκαις ἐγράψαντο, Κελτῶν μὲν ἐγκαλούντων Καρχηδονίοις τοὺς ἐν Ἰβηρίᾳ Καρχηδονίων ἐπάρχους καὶ στρατηγοὺς εἶναι δικαστάς· ἂν δὲ Καρχηδόνιοι Κελτοῖς ἐγκαλῶσι, [d] τὰς Κελτῶν γυναῖκας.

ΜΗΛΙΑΙ

Μήλιοι γῆς χρήζοντες ἀμφιλαφοῦς Νυμφαῖον ἡγεμόνα τῆς ἀποικίας ἐποιήσαντο, νέον ἄνδρα καὶ κάλλει διαφέροντα· τοῦ <δὲ> θεοῦ πλεῖν κελεύσαντος αὐτοῦς, ὅπου δ' ἂν ἀποβάλῃσι τοὺς κομιστῆρας, ἐκεῖ κατοικεῖν, συνέπεσε τῇ Καρίᾳ προσβαλοῦσιν αὐτοῖς καὶ ἀποβᾶσι τὰς ναῦς ὑπὸ χειμῶνος διαφθαρῆναι. τῶν δὲ Καρῶν οἱ Κρύασσαν οἰκοῦντες, εἴτε τὴν ἀπορίαν οἰκτείραντες εἴτε δείσαντες αὐτῶν τὴν τόλμαν, ἐκέλευον οἰκεῖν παρ' αὐτοῖς καὶ τῆς χώρας μετέδωκαν· εἴτα πολλὴν ἐν ὀλίγῳ χρόνῳ [e] λαμβάνοντας αὕξησιν ὀρῶντες, ἐπεβούλευον ἀνελεῖν εὐωχίαν τινὰ καὶ θοίνην παρασκευάσαντες. ἔτυχε δὲ Καρίνη παρθένος ἐρῶσα τοῦ Νυμφαίου [καὶ] λανθάνουσα τοὺς ἄλλους· ἐκαλεῖτο δὲ Καφένη· πραττομένων δὲ τούτων οὐ δυναμένη τὸν Νυμφαῖον περιορᾶν ἀπολλύμενον ἐξήγγειλε τὴν διάνοιαν αὐτῷ τῶν πολιτῶν. ὥς οὖν ἦκον οἱ Κρυασσεῖς καλοῦντες αὐτούς, οὐκ ἔφη νόμον ὁ Νυμφαῖος Ἑλλήσιν εἶναι βαδίζειν ἐπὶ δεῖπνον ἄνευ γυναικῶν· ἀκούσαντες δ'

οἱ Κᾶρες ἐκέλευον ἄγειν καὶ τὰς γυναῖκας. οὕτω δὴ φράσας τὰ πεπραγμένα Μηλίοις ἐκέλευσεν [f] αὐτοὺς μὲν ἀνόπλους ἐν ἱματίοις βαδίζειν, τῶν δὲ γυναικῶν ἐκάστην ξίφος ἐν τῷ κόλπῳ κομίζειν καὶ καθέζεσθαι παρὰ τὸν αὐτῆς. ἐπεὶ δὲ τοῦ δειπνοῦ μεσοῦντος ἐδόθη τὸ σύνθημα τοῖς Καροῖ καὶ συνήσθοντο τὸν καιρὸν οἱ Ἕλληνες, αἱ μὲν γυναῖκες ἅμα πᾶσαι τοὺς κόλπους διέσχον, οἱ δὲ τὰ ξίφη λαβόντες ἐπέθεντο τοῖς βαρβάροις καὶ διέφθειραν αὐτοὺς ἅμα πάντας· κτησάμενοι δὲ τὴν χώραν καὶ τὴν πόλιν ἐκείνην καταβαλόντες ὥκισαν ἐτέραν, ^[247] [a] ἣν Νέαν Κρύασσαν ὠνόμασαν. ἡ δὲ Καφένη τῷ Νυμφαίῳ γαμηθεῖσα τιμὴν καὶ χάριν ἔσχε ταῖς εὐεργεσίαις πρέπουσαν. ἄξιον οὖν ἄγασθαι τῶν γυναικῶν καὶ τὴν σιωπὴν καὶ τὸ θάρσος καὶ τὸ μηδεμίαν ἐν πολλαῖς μηδ' ἄκουσαν ὑπὸ δειλίας κακὴν γενέσθαι.

ΤΥΡΡΗΝΙΔΕΣ

Τυρρηνῶν τοίνυν τῶν Λῆμνον καὶ Ἴμβρον κατασχόντων, ἄρπασάντων δὲ Βραυρωνόθεν τὰς Ἀθηναίων γυναῖκας, ἐγένοντο παῖδες, οὓς ἐξήλασαν Ἀθηναῖοι μιζοβαρβάρους ὄντας ἐκ τῶν νήσων. οἱ δ' εἰς Ταίναρον κατάραντες ἐγένοντο χρήσιμοι Σπαρτιάταις περὶ τὸν εἰλωτικὸν [b] πόλεμον, καὶ διὰ τοῦτο πολιτείας καὶ γάμων τυχόντες, οὐκ ἀξιούμενοι δ' ἀρχείων καὶ βουλῆς, ὑπόνοιαν ἔσχον ὥς ἐπὶ νεωτερισμῷ συνερχόμενοι καὶ διανοοῦμενοι τὰ καθεστῶτα κινεῖν. συλλαβόντες οὖν αὐτοὺς οἱ Λακεδαιμόνιοι καὶ καθείρξαντες ἐφύλαττον ἰσχυρῶς, ζητοῦντες ἐλεῖν σαφέσι καὶ βεβαίοις ἐλέγχοις· αἱ δὲ τῶν καθειργμένων γυναῖκες ἐπὶ τὴν εἰρκτὴν παραγενόμεναι, πολλὰς ἱκεσίαις καὶ δεήσεσι παρεῖθον ὑπὸ τῶν φυλάκων ὅσον ἀσπᾶσασθαι καὶ προσεῖπεῖν τοὺς ἄνδρας. ἐπεὶ δ' εἰσῆλθον, ἐκέλευον αὐτοὺς μεταμφιέννυσθαι ταχὺ τὰ ἱμάτια καὶ τὰ μὲν αὐτῶν ἐκείναις ἀπολιπεῖν, τὰ δ' [c] ἐκείνων ἐνδύντας αὐτοὺς ἀπέναι περικαλυψαμένους. γενομένων δὲ τούτων, αἱ μὲν ὑπέμειναν αὐτοῦ παραταξάμεναι πρὸς πάντα τὰ δεινά, τοὺς δ' ἄνδρας ἐξαπατηθέντες οἱ φύλακες παρῆκαν ὥς δὴ γυναῖκας. ἐκ δὲ τούτου καταλαβομένων αὐτῶν τὰ Ταῦγετα καὶ τὸ εἰλωτικὸν ἀφιστάντων καὶ προσδεχομένων, οἱ Σπαρτιάταις εἰς πολὺν φόβον καταστάντες ἐπεκηρυκεύσαντο καὶ διηλλάγησαν ἐπὶ τῷ κομίσασθαι μὲν αὐτοὺς τὰς γυναῖκας, χρήματα δὲ καὶ ναῦς λαβόντας ἐκπλεῦσαι καὶ γῆς τυχόντας ἀλλαχόθι καὶ πόλεως ἀποίκους Λακεδαιμονίων καὶ

συγγενεῖς νομίζεσθαι.

[d] ταῦτ' ἔπραττον οἱ Πελασγοὶ Πόλλιν ἡγεμόνα καὶ Δελφὸν καὶ Κραταΐδαν Λακεδαιμονίους λαβόντες· καὶ μέρος μὲν αὐτῶν ἐν Μήλῳ κατώκησαν· τοὺς δὲ πλείστους οἱ περὶ Πόλλιν ἔχοντες εἰς Κρήτην ἔπλευσαν, ἀποπειρώμενοι τῶν λογίων. ἐχρήσθη γὰρ αὐτοῖς, ὅταν τὴν θεὸν καὶ τὴν ἄγκυραν ἀπολέσωσι, παύσασθαι πλάνης καὶ πόλιν ἐκεῖ συνοικίζειν. ὀρμισθεῖσιν οὖν πρὸς τῇ λεγομένῃ Χερρονήσῳ θόρυβοι πανικοὶ προσέπεσον νύκτωρ, ὑφ' ὧν διαπτοηθέντες ἐνεπήδησαν εἰς τὰς ναῦς ἀκόσμως, ἀπολιπόντες ἐν τῇ γῇ ξόανον τῆς Ἀρτέμιδος, [e] ὁ πατρῶον ἦν αὐτοῖς εἰς Λῆμνον ἐκ Βραῦρωνος κομισθέν, ἐκ δὲ Λήμνου πανταχοῦ συμπεριαγόμενον. ἐπεὶ δὲ τοῦ θορύβου λήξαντος ἐπόθησαν αὐτὸ κατὰ πλοῦν, ἅμα δ' ὁ Πόλλις κατέμαθε τῇ ἀγκύρᾳ τὸν ὄνυχά μὴ προσόντα (βίᾳ γὰρ ἐλκομένης ὡς ἔοικεν ἐν τόποις ὑποπέτροις ἀποσπασθεὶς ἔλαθε), περαίνεσθαι τὰ πυθόχρηστα φήσας ἐσήμαινεν ἀναστρέφειν· καὶ κατέσχε τὴν χώραν, καὶ μάχαις πολλαῖς τῶν ἀντιταξαμένων ἐπικρατήσας Λύκτον ὥκησε καὶ πόλεις ἄλλας ἔλαβεν ὑποχειρίους. διὸ καὶ νομίζουσιν αὐτοὺς Ἀθηναίοις τε διὰ τὰς μητέρας κατὰ γένος προσήκειν καὶ Σπαρτιατῶν ἀποίκους εἶναι.

ΛΥΚΙΑΙ

Τὸ δ' ἐν Λυκίᾳ γενέσθαι λεγόμενον μυθῶδες μὲν ἐστίν, ἔχει δὲ τινα φήμην ὁμοῦ μαρτυροῦσαν. Ἀμισώδαρος γάρ, ὡς φασιν, ὃν Ἰσάραν Λύκιοι καλοῦσιν, ἦκεν ἐκ τῆς περὶ Ζέλειαν ἀποικίας Λυκίων, ληστρίδας ἄγων ναῦς, ὧν Χίμαρρος ἡγεῖτο, πολεμιστῆς μὲν ἀνὴρ ὠμὸς δὲ καὶ θηριώδης. ἔπλει δὲ πλοίῳ λέοντα μὲν ἔχοντι πρῶραθεν [248] [a] ἐπίσημον, ἐκ δὲ πρύμνης δράκοντα, καὶ πολλὰ κακὰ τοὺς Λυκίους ἐποίει, καὶ πλεῦσαι τὴν θάλατταν οὐκ ἦν οὐδὲ τὰς ἐγγύς θαλάττης πόλεις οἰκεῖν. τοῦτον οὖν ἀποκτείνας ὁ Βελλεροφόντης φεύγοντα τῷ Πηγάσῳ διώξας, ἐκβαλὼν δὲ καὶ τὰς Ἀμαζόνας, οὐδενὸς ἐτύγχανε τῶν δικαίων, ἀλλ' ἦν ἀδικώτατος περὶ αὐτὸν Ἰοβάτης· ὅθεν εἰς τὴν θάλατταν ἐμβὰς ἠϋξάτο κατ' αὐτοῦ τῷ Ποσειδῶνι τὴν χώραν ἄκαρπον γενέσθαι καὶ ἀνόνητον. εἴθ' ὁ μὲν ἀπῆει κατευξάμενος, κῦμα δὲ διαρθὲν ἐπέκλυζε τὴν γῆν, καὶ θέαμα δεινὸν ἦν ἐπομένης μετεώρου τῆς θαλάττης καὶ ἀποκρυπτούσης τὸ πεδῖον. ἐπεὶ δὲ τῶν [b] ἀνδρῶν δεομένων τὸν Βελλεροφόντην ἐπισχεῖν οὐδὲν ἔπειθον, αἱ γυναῖκες ἀνασυράμεναι

τοὺς χιτωνίσκους ἀπήντησαν αὐτῷ· πάλιν οὖν ὑπ' αἰσχύνης ἀναχωροῦντος ὀπίσω καὶ τὸ κῦμα λέγεται συνυποχωρῆσαι. τινὲς δὲ τοῦ λόγου τούτου παραμυθούμενοι τὸ μυθῶδες οὗ φασὶ κατάραις ὑπαγαγέσθαι τὴν θάλασσαν αὐτόν, ἀλλὰ τοῦ πεδίου τὸ πióτατον ὑποκεῖσθαι τῇ θαλάσῃ ταπεινότερον· ὀφρὺν δὲ παρατείνουσιν ἀκτῆς, ἣ διεῖργε τὴν θάλασσαν, ἐκρῆξαι τὸν Βελλεροφόντην, καὶ βία τοῦ πελάγους ἐπιφερομένου καὶ κατακλύζοντος τὸ πεδίον τοὺς μὲν ἄνδρας οὐδὲν [c] περαίνειν δεομένους αὐτοῦ, τὰς δὲ γυναῖκας ἀθρόας περιχυθείσας αἰδοῦς τυχεῖν καὶ ἀποπαῦσαι τὴν ὀργήν. οἱ δ' ὅλως τὴν λεγομένην Χίμαιραν ὄρος ἀντήλιον γεγονέναι φασὶ καὶ ποιεῖν ἀνακλάσεις [καὶ ἀνακαύσεις] ἐν τῷ θέρει χαλεπὰς καὶ πυρώδεις, ὑφ' ὧν ἀνὰ τὸ πεδίον σκεδαννυμένων μαραίνεσθαι τοὺς καρπούς. τὸν δὲ Βελλεροφόντην συμφρονήσαντα διακόψαι τοῦ κρημοῦ τὸ λειότατον καὶ μάλιστα τὰς ἀνακλάσεις ἀνταποστέλλον· ἐπεὶ δ' οὐκ ἐτύγχανε χάριτος, ὀργῇ πρὸς ἄμυναν τραπέσθαι τῶν Λυκίων, πεισθῆναι δ' ὑπὸ τῶν γυναικῶν. ἦν [d] δὲ Νύμφις ἐν τῷ τετάρτῳ περὶ Ἡρακλείας (FHG III p. 14) αἰτίαν εἶρηκεν, ἥκιστα μυθώδης ἐστὶ· λέγει γάρ, ὅτι σὺν ἄγριον ἐν τῇ Ξανθίων χώρᾳ καὶ ζῶα καὶ καρπούς λυμαινόμενον ἀνελών ὁ Βελλεροφόντης οὐδεμιᾶς ἐτύγχανεν ἀμοιβῆς· καταρασαμένου δὲ τῶν Ξανθίων αὐτοῦ πρὸς τὸν Ποσειδῶνα πᾶν τὸ πεδίον ἐξήνθησεν ἀλμυρίδα καὶ διέφθαρτο παντάπασι, τῆς γῆς πικρᾶς γενομένης· μέχρι οὗ τὰς γυναῖκας αἰδεσθεῖς δεομένας εὗξατο τῷ Ποσειδῶνι τὴν ὀργὴν ἀφεῖναι. διὸ καὶ νόμος ἦν τοῖς Ξανθίοις μὴ πατρόθεν ἀλλ' ἀπὸ μητέρων χρηματίζειν.

ΣΑΛΜΑΤΙΔΕΣ

[e] Ἀννίβα δὲ τοῦ Βάρκα, πρὶν ἐπὶ Ῥωμαίους στρατεῦειν, ἐν Ἰβηρίᾳ πόλει μεγάλη Σαλματικῇ προσμαχομένου, πρῶτον μὲν ἔδεισαν οἱ πολιορκούμενοι καὶ συνέθεντο ποιήσιν τὸ προσταττόμενον Ἀννίβα τριακόσια δόντες ἀργυρίου τάλαντα καὶ τριακοσίους ὁμήρους. ἀνέντος δὲ τὴν πολιορκίαν ἐκείνου μεταγνόντες οὐδὲν ἔπραττον ὧν ὠμολόγησαν. αὗθις οὖν ἐπιστρέψαντος αὐτοῦ καὶ τοὺς στρατιώτας ἐπὶ διαρπαγῇ χρημάτων κελεύσαντος ἐπιχειρεῖν τῇ πόλει, παντάπασι καταπλαγέντες οἱ βάρβαροι συνεχώρησαν ἐξελθεῖν ἐν ἱματίῳ τοὺς ἐλευθέρους, [f] ὅπλα καὶ χρήματα καὶ ἀνδράποδα καὶ τὴν πόλιν καταλιπόντας. αἱ

δὲ γυναῖκες οἰόμεναι τῶν μὲν ἀνδρῶν φωράσειν ἕκαστον ἐξίοντα τοὺς πολεμίους, αὐτῶν δ' οὐκ ἂν ἄψασθαι, ξίφη λαβοῦσαι καὶ ἀποκρῦψασαι συνεξέπιπτον τοῖς ἀνδράσιν. ἐξελθόντων δὲ πάντων ὁ Ἀννίβας φρουρὰν Μασαισυλίων ἐπιστήσας ἐν τῷ προαστείῳ συνεῖχεν αὐτούς, οἱ δ' ἄλλοι τὴν πόλιν ἀτάκτως ἐμπεσόντες διήρπαζον. πολλῶν δ' ἀγομένων οἱ Μασαισύλιοι καρτερεῖν οὐκ ἠδύναντο βλέποντες [249] [a] οὐδὲ τῇ φυλακῇ τὸν νοῦν προσεῖχον, ἀλλ' ἠγανάκτουν καὶ ἀπεχώρουν ὡς μεθέξοντες τῆς ὠφελείας. ἐν τούτῳ δ' αἱ γυναῖκες ἐμβοήσασαι τοῖς ἀνδράσι τὰ ξίφη παρέδωκαν, ἔνιαι δὲ καὶ δι' ἑαυτῶν ἐπετίθεντο τοῖς φρουροῦσι· μία δὲ καὶ λόγῃ ἐξαρπάσασα Βάνωνος τοῦ ἐρμηνέως αὐτὸν ἐκείνον ἔπαισεν· ἔτυχε δὲ τεθωρακισμένος· τῶν δ' ἄλλων τοὺς μὲν καταβαλόντες, τοὺς δὲ τρεψάμενοι διεξέπεσον ἄθροοι μετὰ τῶν γυναικῶν. πυθόμενος δ' ὁ Ἀννίβας καὶ διώξας τοὺς μὲν καταληφθέντας ἀνεῖλεν· οἱ δὲ τῶν ὁρῶν ἐπιλαβόμενοι παραχρῆμα μὲν διέφυγον, ὕστερον δὲ πέμψαντες ἱκετηρίαν εἰς [b] τὴν πόλιν ὑπ' αὐτοῦ κατήχθησαν, ἀδείας καὶ φιланθρωπίας τυχόντες.

ΜΙΛΗΣΙΑΙ

Τὰς Μιλησίων ποτὲ παρθένους δεινὸν πάθος καὶ ἀλλόκοτον κατέσχευεν ἐκ δὴ τινος αἰτίας ἀδήλου· μάλιστα δ' εἰκάζετο κρᾶσιν ἐκστατικὴν καὶ φαρμακώδη λαβὼν ὁ ἀῆρ τροπὴν αὐταῖς καὶ παραφορὰν τῆς διανοίας ἐνεργάσασθαι. πάσαις μὲν γὰρ ἐξαίφνης ἐπιθυμία θανάτου καὶ πρὸς ἀγχόνην ὁρμὴ περιμανῆς ἐνέπιπτε, πολλαὶ δ' ἀπήγχοντο λανθάνουσαι· λόγοι δὲ καὶ δάκρυα γονέων καὶ παρηγορίαι φίλων οὐδὲν ἐπέβαινον, ἀλλὰ περιῆσαν [c] ἐπινοίας καὶ πανουργίας ἀπάσης τῶν φυλαττόντων ἑαυτὰς διαχρῶμεναι. καὶ τὸ κακὸν ἐδόκει δαιμόνιον εἶναι καὶ κρεῖττον ἀνθρωπίνης βοηθείας, ἄχρις οὔ γνῶμη νοῦν ἔχοντος ἀνδρὸς ἐγγράφη προβούλευμα, τὰς ἀπαγχομένας γυνὰς ἐκκομίζεσθαι διὰ τῆς ἀγορᾶς· καὶ τοῦτο κυρωθὲν οὐ μόνον ἐπέσχευεν, ἀλλὰ καὶ παντελῶς ἔπαυσε θανατώσας τὰς παρθένους. μέγα δὲ τεκμήριον εὐφυΐας καὶ ἀρετῆς ἢ τῆς ἀδοξίας εὐλάβεια καὶ τὸ πρὸς τὰ δεινότατα τῶν ὄντων, θάνατον καὶ πόνον, ἀδεῶς ἐχούσας αἰσχροῦ φαντασίαν μὴ ὑπομεῖναι μηδ' ἐνεγκεῖν αἰσχύνην μετὰ θάνατον ἔσομένην.

KIAI

Ταῖς Κίων παρθένους ἔθος ἦν εἰς ἱερὰ δημόσια συμπορεύεσθαι καὶ διημερεύειν μετ' ἀλλήλων, οἱ δὲ μνηστῆρες ἐθεῶντο παιζούσας καὶ χορευούσας· ἐσπέρας δὲ πρὸς ἐκάστην ἀνὰ μέρος βαδίζουσαι διηκονοῦντο τοῖς ἀλλήλων γονεῦσι καὶ ἀδελφοῖς ἄχρι τοῦ καὶ τοὺς πόδας ἀπονίζειν. «τῶν δὲ μνηστήρων» ἤρων πολλάκις μιᾶς πλείονες οὕτω κόσμιον ἔρωτα καὶ νόμιμον, ὥστε τῆς κόρης ἐγγυηθείσης ἐνὶ τοὺς ἄλλους εὐθὺς πεπαῦσθαι. κεφάλαιον δὲ τῆς εὐταξίας τῶν γυναικῶν τὸ μήτε μοιχεῖαν μήτε φθορὰν ἀνέγγυον ἐτῶν ἑπτακοσίων μνημονεύεσθαι παρ' αὐτοῖς γενομένην.

ΦΩΚΙΔΕΣ

Τῶν ἐν Φωκεῦσι τυράννων κατελιηφότων Δελφοὺς καὶ τὸν ἱερὸν κληθέντα πόλεμον Θηβαίων πολεμοῦντων πρὸς αὐτούς, αἱ περὶ τὸν Διόνυσον γυναῖκες, αἷς Θυιάδας ὀνομάζουσιν, ἐκμανεῖσαι καὶ περιπλανηθεῖσαι νυκτὸς ἔλαθον ἐν Ἀμφίσσῃ γενόμεναι· κατάκοποι δ' οὔσαι καὶ μηδέπω τοῦ φρονεῖν παρόντος αὐταῖς ἐν τῇ ἀγορᾷ προέμεναι τὰ σώματα σποράδην ἔκειντο καθεύδουσαι. τῶν δ' Ἀμφισσέων αἱ γυναῖκες, φοβηθεῖσαι μὴ διὰ τὸ σύμμαχον τὴν πόλιν Φωκέων γεγονέναι καὶ συχνοὺς στρατιώτας παρεῖναι τῶν τυράννων ἀγνωμονηθῶσιν αἱ Θυιάδες, ἐξέδραμον [f] εἰς τὴν ἀγορὰν ἅπασαι καὶ κύκλῳ περιστᾶσαι σιωπῇ κοιμωμέναις μὲν οὐ προσήεσαν, ἐπεὶ δ' ἐξανέστησαν, ἄλλαι περὶ ἄλλας ἐγίνοντο θεραπεύουσαι καὶ τροφήν προσφέρουσαι· τέλος δὲ πείσασαι τοὺς ἄνδρας ἐπηκολούθησαν αὐταῖς ἄχρι τῶν ὄρων ἀσφαλῶς προπεμπομέναις.

ΟΥΑΛΕΡΙΑ ΚΑΙ ΚΛΟΙΛΙΑ

Ταρκύνιον Σούπερβον, ἑβδομον ἀπὸ Ῥωμύλου βασιλεύοντα Ῥωμαίων, ἐξήλασεν ὕβρις καὶ ἀρετὴ Λουκρητίας, γυναικὸς ἀνδρὶ γεγαμημένης λαμπρῷ καὶ κατὰ γένος προσήκοντι τοῖς βασιλεῦσιν. ἐβιάσθη μὲν γὰρ ὕφ' ἐνὸς τῶν Ταρκυνίου παίδων ἐπιξενωθέντος αὐτῇ· φράσασα δὲ τοῖς φίλοις καὶ οἰκείοις τὸ πάθος εὐθὺς ἀπέσφαξεν ἑαυτήν. ἐκπεσὼν δὲ τῆς ἀρχῆς ὁ Ταρκύνιος ἄλλους τε πολλοὺς ἐπολέμησε πολέμους, πειρώμενος ἀναλαβεῖν τὴν ἡγεμονίαν, καὶ τέλος ἄρχοντα Τυρρηγῶν Πορσίναν ἔπεισεν ἐπὶ τὴν Ῥώμην στρατεῦσαι μετὰ [b] πολλῆς δυνάμεως. ἅμα δὲ τῷ πολέμῳ καὶ λιμοῦ συνεπιτιθεμένου τοῖς Ῥωμαίοις, πυνθανόμενοι τὸν

Πορσίναν οὐ πολεμικὸν εἶναι μόνον, ἀλλὰ καὶ δίκαιον ἄνδρα καὶ χρηστόν, ἐβούλοντο χρῆσθαι <τούτῳ> δικαστῇ πρὸς τὸν Ταρκύνιον. ἀπαυθαδισαμένου δὲ τοῦ Ταρκυνίου καὶ τὸν Πορσίναν, εἰ μὴ μενεῖ σύμμαχος βέβαιος, οὐδὲ κριτὴν δίκαιον ἔσσεσθαι φάσκοντος, ἀφείς ἐκεῖνον ὁ Πορσίνας ἔπραττεν, ὅπως φίλος ἄπεισι Ῥωμαίων, τῆς τε χώρας ὅσῃν ἀπετέμνητο Τυρρηνῶν καὶ τοὺς αἰχμαλώτους κομισάμενος. ἐπὶ τούτοις ὁμήρων αὐτῷ δοθέντων δέκα [c] μὲν ἀρρένων παίδων δέκα δὲ θηλειῶν (ἐν αῖς ἦν ἡ Ποπλικόλα τοῦ ὑπάτου θυγάτηρ Οὐαλερία), πᾶσαν εὐθὺς ἀνῆκε τὴν πρὸς τὸν πόλεμον παρασκευήν, καίπερ οὕτω τέλος ἐχούσης τῆς ὁμολογίας. αἱ δὲ παρθέναι κατέβησαν μὲν ἐπὶ τὸν ποταμὸν ὡς λουσόμεναι μικρὸν ἀπωτέρω τοῦ στρατοπέδου· μιᾶς δ' αὐτῶν ὄνομα Κλοιλίας προτρεψαμένης ἀναδυσάμεναι περὶ τὰς κεφαλὰς τοὺς χιτωνίσκους παρεβάλλοντο πρὸς ῥεῦμα πολὺ καὶ δίνας βαθείας νέουσαι <καὶ> διεπέρασαν ἀλλήλων ἐχόμεναι πολυπόνως καὶ μόλις. εἰσὶ δ' οἱ λέγοντες ἵππου τὴν Κλοιλίαν εὐπορήσασαν αὐτὴν μὲν ἐπιβῆναι καὶ διεξελαύνειν [d] ἡρέμα, ταῖς δ' ἄλλαις ὑψηγεῖσθαι παραθαρσύνουσαν νηχομένας καὶ παραβοηθοῦσαν. ᾧ δὲ τεκμηρίῳ χρώνται, μετ' ὀλίγον ἐροῦμεν. ἐπεὶ δὲ σωθείσας εἶδον οἱ Ῥωμαῖοι, τὴν μὲν ἀρετὴν καὶ τὴν τόλμαν ἐθαύμασαν, τὴν δὲ κομιδὴν οὐκ ἡγάπησαν οὐδ' ὑπέμειναν ἐν πίστει χεῖρονες ἀνδρὸς ἐνὸς γενέσθαι. πάλιν οὖν τὰς κόρας ἐκέλευσαν ἀπέναι καὶ συνέπεμψαν αὐταῖς ἀγωγούς, οἷς διαβᾶσι τὸν ποταμὸν ἐνέδραν ὑφεῖς ὁ Ταρκύνιος ὀλίγον ἐδέησεν ἐγκρατὴς γενέσθαι τῶν παρθένων. ἡ μὲν οὖν τοῦ ὑπάτου Ποπλικόλα θυγάτηρ Οὐαλερία μετὰ τριῶν προεξέφυγεν [e] οἰκετῶν εἰς τὸ τοῦ Πορσίνα στρατόπεδον, τὰς δ' ἄλλας ὁ τοῦ Πορσίνα υἱὸς Ἄρρους ταχὺ προσβοηθήσας ἐξείλετο τῶν πολεμίων. ἐπεὶ δ' ἤχθησαν, ἰδὼν αὐτὰς ὁ Πορσίνας ἐκέλευσεν εἰπεῖν, ἣτις ἐστὶν ἡ προτρεψαμένη καὶ κατάρξασα τοῦ βουλευματος. αἱ μὲν οὖν ἄλλαι φοβηθεῖσαι περὶ τῆς Κλοιλίας ἐσιώπησαν· αὐτῆς δὲ τῆς Κλοιλίας εἰπούσης ἑαυτήν, ἀγασθεὶς ὁ Πορσίνας ἐκέλευσεν ἵππον ἀχθῆναι κεκοσμημένον εὐπρεπῶς, καὶ τῇ Κλοιλίᾳ δωρησάμενος ἀπέπεμψεν εὐμενῶς καὶ φιλανθρώπως πᾶσας. τοῦτο ποιοῦνται σημεῖον οἱ πολλοὶ τοῦ τὴν Κλοιλίαν ἵππῳ διεξελᾶσαι τὸν ποταμόν· οἱ δ' οὐ [f] φασιν, ἀλλὰ τὴν ῥώμην θαυμάσαντα καὶ τὴν τόλμαν αὐτῆς ὡς κρείττονα γυναικὸς ἀξιῶσαι δωρεᾶς ἀνδρὶ πολεμιστῇ πρεπούσης. ἀνέκειτο γοῦν ἔφιππος εἰκὼν

γυναικὸς ἐπὶ τῆς ὁδοῦ τῆς ἱερᾶς λεγομένης, ἣν οἱ μὲν τῆς Κλοιλίας οἱ δὲ τῆς Οὐαλερίας λέγουσιν εἶναι.

ΜΙΚΚΑ ΚΑΙ ΜΕΓΙΣΤΩ

Ἀριστότιμος Ἡλείοις ἐπαναστὰς τύραννος ἴσχυε μὲν δι' Ἀντιγόνου τοῦ βασιλέως, ἐχρῆτο δὲ τῇ δυνάμει πρὸς οὐδὲν ἐπικτές οὐδὲ μέτριον· καὶ γὰρ αὐτὸς ἦν φύσει [251] [a] θηριώδης, καὶ τοῖς φυλάττουσι τὴν ἀρχὴν καὶ τὸ σῶμα βαρβάροις μιγάσι δουλεύων ὑπὸ φόβου, πολλὰ μὲν ὑβριστικὰ πολλὰ δ' ὠμὰ τοὺς πολίτας ὑπ' αὐτῶν περιεώρα πάσχοντας· οἷον ἦν καὶ τὸ Φιλοδήμου πάθος. ἔχοντας γὰρ αὐτοῦ θυγατέρα καλὴν ὄνομα Μίκκαν ἐπεχείρησέ τις τῶν περὶ τὸν τύραννον ξεναγῶν ὄνομα Λεύκιος ὕβρει μᾶλλον ἢ ἔρωτι συγγενέσθαι· καὶ πέμψας ἐκάλει τὴν παρθένον. οἱ μὲν οὖν γονεῖς τὴν ἀνάγκην ὀρῶντες ἐκέλευον βαδίζειν· ἡ δὲ παῖς οὔσα γενναία καὶ μεγαλόφρων ἐδεῖτο τοῦ πατρὸς περιπλεκομένη καὶ καθικετεύουσα [b] μᾶλλον αὐτὴν περιδεῖν ἀποθανοῦσαν ἢ τὴν παρθενίαν αἰσχυρῶς καὶ παρανόμως ἀφαιρεθεῖσαν. καὶ διατριβῆς γενομένης σπαργῶν καὶ μεθύων ὁ Λεύκιος αὐτὸς ἐξανέστη μεταξὺ πίνων πρὸς ὀργήν· καὶ τὴν Μίκκαν εὐρῶν ἐν τοῖς γόνασι τοῦ πατρὸς τὴν κεφαλὴν ἔχουσιν ἐκέλευεν αὐτῷ συνακολουθεῖν· οὐ βουλομένης δὲ τὸ χιτῶνιον περιρρήξας ἐμαστίγου γυμνήν, αὐτὴν μὲν ἐγκαρτεροῦσαν σιωπῇ ταῖς ἀλγηδόσιν· ὁ δὲ πατὴρ καὶ ἡ μήτηρ, ὡς οὐδὲν ἀντιβολοῦντες καὶ δακρύοντες ἐπέραινον, ἐτράποντο πρὸς θεῶν καὶ ἀνθρώπων ἀνάκλησιν ὡς δεινὰ καὶ παράνομα πάσχοντες. ὁ δὲ βάρβαρος ἐκμανεῖς παντάπασιν [c] ὑπὸ τοῦ θυμοῦ καὶ μέθης ἀποσφάττει τὴν παρθένον, ὡς ἔτυχεν ἐν τοῖς κόλποις τοῦ πατρὸς ἔχουσα τὸ πρόσωπον.

Ἄλλ' οὐδὲ τούτοις ὁ τύραννος ἐκάμπτετο, πολλοὺς δ' ἀνήρει καὶ πλείονας ἐφυγάδευεν· ὁκτακόσιοι γοῦν λέγονται καταφυγεῖν ἐπ' Αἰτωλοὺς δεόμενοι τὰς γυναῖκας αὐτοῖς καὶ τὰ νήπια τῶν τέκνων κομίσασθαι παρὰ τοῦ τυράννου. ὀλίγῳ δ' ὕστερον αὐτὸς ἐκήρυξε τὰς βουλομένας γυναῖκας ἀπέναι πρὸς τοὺς ἄνδρας, ὅσα βούλονται τῶν γυναικείων χρημάτων ἐπιφερομένας. ἐπεὶ δὲ πάσας ἦσθετο μεθ' ἡδονῆς τὸ κήρυγμα δεδεγμένας (ἐγένοντο [d] γὰρ ὑπερεξακόσιαι τὸ πλῆθος), ἐκέλευσεν ἄθρόας ἡμέρα ῥητῇ βαδίζειν, ὡς τὴν ἀσφάλειαν αὐτὸς παρέξων. ἐνστάσης δὲ τῆς ἡμέρας αἱ μὲν ἐπὶ τὰς πύλας ἡθορίζοντο τὰ χρήματα

συσκευασάμεναι, καὶ τῶν τέκνων τὰ μὲν ἐν ταῖς ἀγκάλαις φέρουσαι τὰ δ' ἐπὶ τῶν ἀμαξῶν ἔχουσαι, καὶ περιέμενον ἀλλήλας· ἄφνω δὲ πολλοὶ τῶν τοῦ τυράννου ἐπεφέροντο, μένειν βοῶντες ἔτι πόρρωθεν. ὥς δ' ἐγγὺς ἐγένοντο, τὰς μὲν γυναῖκας ἐκέλευον ἀναχωρεῖν ὀπίσω, τὰ δὲ ζεύγη καὶ τὰς ἀμάξας ὑποστρέψαντες ἔωσαν εἰς αὐτὰς καὶ διὰ μέσων ἀφειδῶς διήλαυνον, οὗτ' ἀκολουθεῖν οὔτε μένειν ἐῶντες οὔτε τοῖς νηπίοις βοηθεῖν [e] ἀπολλυμένοις (τὰ μὲν γὰρ ἐκπύπτοντα τῶν ἀμαξῶν τὰ δ' ὑποπίπτοντα διεφθείροντο), βοῇ καὶ μάστιξιν ὥσπερ πρόβατα τῶν μισθοφόρων ἐπειγόντων ἀνατρεπομένας ὑπ' ἀλλήλων, ἔως εἰς τὸ δεσμοτῆριον ἐνέβαλον ἀπάσας, τὰ δὲ χρήματα πρὸς τὸν Ἀριστότιμον ἀπεκομίσθη. χαλεπῶς δὲ τῶν Ἡλείων ἐπὶ τούτοις ἔχόντων αἱ περὶ τὸν Διόνυσον ἱεραὶ γυναῖκες, αἱ <τὰς> ἐκκαίδεκα καλοῦσιν, ἱκετηρίας καὶ στέμματα τῶν ἀπὸ τοῦ θεοῦ λαβοῦσαι περὶ τὴν ἀγορὰν ἀπήντησαν τῷ Ἀριστοτίμῳ, καὶ τῶν δορυφόρων ὑπ' αἰδοῦς διαστάντων, ἔστησαν τὸ πρῶτον σιωπῇ [f] <καὶ> ὁσίως προῖσχύμεναι τὰς ἱκετηρίας. ἐπεὶ δ' ἐγένοντο φανεραὶ δεόμεναι καὶ παραιτούμεναι τὴν ὀργὴν ὑπὲρ τῶν γυναικῶν, παροξυνθεῖς πρὸς τοὺς δορυφόρους καὶ κεκραγῶς ὅτι προσελθεῖν εἶασαν αὐτὰς ἐποίησε τὰς μὲν ὠθοῦντας τὰς δὲ τύπτοντας ἐξελάσαι [ἐκ] τῆς ἀγορᾶς, ἐκάστην δὲ δυσὶ ταλάντοις ἐζημίωσε.

Γενομένων δὲ τούτων, ἐν μὲν τῇ πόλει συνέστηκε πρᾶξιν ἐπὶ τὸν τύραννον Ἑλλάνικος, ἀνὴρ διὰ γῆρας ἤδη καὶ δύο τέκνων θάνατον ὥς οὐδὲν ἂν πράξας ὑπὸ τοῦ [252] [a] τυράννου περιορώμενος. ἐκ δ' Αἰτωλίας διαπεράσαντες οἱ φυγάδες καταλαμβάνουσι τῆς χώρας ἐπιτήδειον ἐμπολεμεῖν ἔρυμα τὴν Ἀμυμώνην, καὶ συχνοὺς προσεδέχοντο τῶν πολιτῶν ἐκ τῆς Ἥλιδος ἀποδιδράσκοντας. ταῦτα δὲ δείσας ὁ Ἀριστότιμος εἰσῆλθε πρὸς τὰς γυναῖκας, καὶ νομίζων φόβῳ μᾶλλον ἢ χάριτι διαπράξεσθαι προσέταττε πέμπειν καὶ γράφειν αὐτὰς τοῖς ἀνδράσιν ὅπως ἀπίωσιν ἐκ τῆς χώρας· εἰ δὲ μή, κατασφάξειν ἠπέλπει πάσας αἰκισάμενος καὶ προανελὼν τοὺς παῖδας. αἱ μὲν οὖν ἄλλαι, πολὺν χρόνον ἐφεστῶτος καὶ κελεύοντος εἰπεῖν [b] εἴ τι πράξουσι τούτων, οὐδὲν ἀπεκρίναντο πρὸς ἐκεῖνον, ἀλλὰ προσέβλεψαν ἀλλήλαις σιωπῇ καὶ διένευσαν, ἀνθομολογούμεναι τὸ μὴ δεδιέναι μηδ' ἐκπεπλῆσθαι τὴν ἀπειλήν. Μεγιστῶ δ' ἡ Τιμολέοντος γυνὴ καὶ διὰ τὸν ἄνδρα καὶ τὴν ἀρετὴν ἡγεμονικὴν ἔχουσα τάξιν,

διαναστῆναι μὲν οὐκ ἠξίωσεν οὐδ' εἶασε τὰς ἄλλας· καθεζομένη δ' ἀπεκρίνατο πρὸς αὐτόν· 'εἰ μὲν ἦς ἀνὴρ φρόνιμος, οὐκ ἂν διελέγου γυναιξὶ περὶ ἀνδρῶν, ἀλλὰ πρὸς ἐκείνους ἂν ὡς κυρίου ἡμῶν ἔπεμπες, ἀμείνονας λόγους εὐρῶν ἢ δι' ὧν ἡμᾶς ἐξηπάτησας· εἰ δ' αὐτὸς ἐκείνους πείσαι [c] ἀπεγνῶκώς δι' ἡμῶν ἐπιχειρεῖς παραλογίζεσθαι, μήθ' ἡμᾶς ἔλπιζε πάλιν ἐξαπατήσῃν μήτ' ἐκεῖνοι κακῶς οὕτω φρονήσῃαν, ὥστε φειδόμενοι παιδαρίων καὶ γυναικῶν ἐγκαταλιπεῖν τὴν τῆς πατρίδος ἐλευθερίαν· οὐ γὰρ τοσοῦτο κακὸν αὐτοῖς ἡμᾶς ἀπολέσαι μηδὲ νῦν ἔχοντας, ὅσον ἀγαθὸν ἐξελέσθαι τῆς σῆς ὠμότητος καὶ ὕβρεως τοὺς πολίτας.' ταῦτα τῆς Μεγιστοῦς λεγούσης, οὐκ ἀνασχόμενος ὁ Ἀριστότιμος ἐκέλευσε τὸ παιδίον αὐτῆς ὡς ἀποκτενῶν ἐν ὄψει κομισθῆναι. ζητούντων δὲ τῶν ὑπηρετῶν ἀναμειγμένον ἐν τοῖς ἄλλοις παίζουσι καὶ διαπαλαίουσιν, ἡ μήτηρ ὀνομαστὶ προσκαλεσαμένη 'δεῦρο' [d] ἔφη 'τέκνον, πρὶν αἰσθῆσθαι καὶ φρονεῖν ἀπαλλάγηθι τῆς πικρᾶς τυραννίδος· ὡς ἐμοὶ βαρύτερόν ἐστι δουλεύοντά σε παρ' ἀξίαν ἐφορᾶν ἢ ἀποθνήσκοντα.' τοῦ δ' Ἀριστοτίμου σπασαμένου τὴν μάχαιραν ἐπ' αὐτὴν ἐκείνην καὶ μετ' ὀργῆς ἐπιφερομένου, τῶν συνήθων τις αὐτῷ Κύλ<λ>ων ὄνομα πιστὸς δοκῶν εἶναι, μισῶν δὲ καὶ μετέχων τῆς συνωμοσίας τοῖς περὶ τὸν Ἑλλάνικον, ἀντέστη καὶ ἀπέστρεψε δεόμενος καὶ λέγων ἀγεννὲς εἶναι καὶ γυναικῶδες, οὐκ ἀνδρὸς ἡγεμονικοῦ καὶ πράγμασι χρῆσθαι μεμαθηκότος τὸ ἔργον· ὥστε μόλις ἔννουν γενόμενον τὸν Ἀριστότιμον ἀπελθεῖν. γίγνεται δὲ σημεῖον [e] αὐτῷ μέγα· μεσημβρία μὲν γὰρ ἦν καὶ μετὰ τῆς γυναικὸς ἀνεπαύετο· παρασκευαζομένων δὲ τῶν περὶ τὸ δεῖπνον, αἰτὸς μετέωρος ὥφθη δινούμενος ὑπὲρ τῆς οἰκίας, εἶθ' ὥσπερ ἐκ προνοίας καὶ στοχασμοῦ λίθον ἀφῆκεν εὐμεγέθη κατ' ἐκεῖνο τῆς στέγης τὸ μέρος, οὗ τὸ δωμάτιον ἦν, ἐν ᾧ κατακείμενος ἐτύγχανεν ὁ Ἀριστότιμος. ἅμα δ' ἄνωθεν ψόφου μεγάλου καὶ κραυγῆς ἔξωθεν ὑπὸ τῶν ἰδόντων τὸν ὄρνιν γενομένης, ἐκπλαγεὶς καὶ πυθόμενος τὸ γεγονός μετεπέμψατο μάντιν, ᾧ χρώμενος διετέλει κατ' ἀγοράν, καὶ διηρώτα περὶ τοῦ σημείου συντεταραγμένος.

[f] ὁ δ' ἐκεῖνον μὲν παρεκάλει ὡς τοῦ Διὸς αὐτὸν ἐξεγείροντος καὶ βοηθοῦντος, οἷς δ' ἐπίστευε τῶν πολιτῶν ἔφρασεν ὅσον οὕτω τὴν δίκην αἰωρουμένην ὑπὲρ κεφαλῆς ἐμπεσεῖσθαι τῷ τυράννῳ. διὸ καὶ τοῖς περὶ τὸν Ἑλλάνικον ἔδοξε μὴ μέλλειν, ἀλλ' ἐπιτίθεσθαι τῇ ὑστεραίᾳ. τῆς δὲ νυκτὸς Ἑλλάνικος ἐδόκει κατὰ

τοὺς ὕπνου τῶν τεθνηκότων υἱῶν τὸν ἕτερον λέγειν αὐτῷ

τὸν καιρὸν Ἑλλάνικος, ὃ μὲν ἦν σημεῖον αὐτῷ πρὸς τοὺς
μέλλοντας ἐπιχειρεῖν συγκείμενον οὐκ ἔδωκε, λαμπρᾷ δὲ τῇ φωνῇ
καὶ ἅμα τὰς χεῖρας προτείνων ἀμφοτέρας ‘τί μέλλετ’,
<ἀνεβόησεν,> ‘ἄνδρες ἀγαθοί; καλὸν τὸ θέατρον ἐν μέσῳ τῆς

τὸ ξίφος παίει τινὰ τῶν ἐπομένων τῷ Ἀριστοτίμῳ. Θρασυβοῦλου
δὲ καὶ Λάμπιδος ἐξ ἐναντίας ἐπιφερομένων, ἔφθη μὲν ὁ
Ἀριστότιμος εἰς τὸ τοῦ Διὸς ἱερὸν καταφυγών· ἐκεῖ δ’
ἀποκτείναντες αὐτὸν καὶ τὸ σῶμα προβαλόντες εἰς τὴν ἀγορὰν
ἐκάλουν τοὺς πολίτας ἐπὶ τὴν ἐλευθερίαν. οὐ μὴν ἔφθησάν γε
πολλῷ τὰς γυναῖκας· εὐθὺς γὰρ ἐξέδραμον μετὰ χαρᾶς καὶ
ὀλολυγμοῦ, καὶ περιστᾶσαι τοὺς ἄνδρας ἀνέδουν καὶ κατέστεφον.
εἴτα τοῦ πλήθους ἐπὶ τὴν οἰκίαν τοῦ τυράννου ῥυέντος, ἥ μὲν
γυνὴ συγκλείσασα τὸν θάλαμον αὐτὴν [c] ἀνήρτησε. δύο δ’ ἦσαν
αὐτῷ θυγατέρες, παρθένοι μὲν ἔτι, κάλλιστα δὲ τὴν ὄψιν, ἥδη
γάμων ὥραν ἔχουσαι· ταύτας συλλαβόντες εἶλκον ἔξω πάντως μὲν
ἀνελεῖν, αἰκίσασθαι δὲ καὶ καθυβρίσαι πρότερον ἐγνωκότες.
ἀπαντήσασα δ’ ἡ Μεγιστὴ μετὰ τῶν ἄλλων ἐβόα δεινὰ ποιεῖν
αὐτούς, εἰ δῆμος ἀξιοῦντες εἶναι ταῦτα τολμῶσι καὶ ἀσελγαίνουσι
τοῖς τυράννοις ὅμοια. ἐντρεπομένων δὲ πολλῶν τὸ ἀξίωμα τῆς
γυναικὸς παρρησιαζομένης καὶ δακρυούσης, ἔδοξεν ἀφελεῖν τὴν
ὕβριν, αὐτὰς δ’ ἑᾶσαι δι’ αὐτῶν ἀποθανεῖν. ὥς δ’ οὖν
ἀναστρέψαντες ἔνδον ἐκέλευον εὐθὺς ἀποθνήσκειν τὰς
παρθένους, ἥ πρεσβυτέρα Μυρῶ [d] λύσασα τὴν ζώνην καὶ βρόχον
ἄψασα τὴν ἀδελφὴν κατησπάζετο καὶ παρεκάλει προσέχειν καὶ

δεομένης αὐτῇ παρεῖναι πρότερον ἀποθανεῖν καὶ τῆς ζώνης
ἀντιλαμβάνομένης ‘οὐδ’ ἄλλο πῶποτ’ ἔλεπεν ‘οὐδὲν ἡρνημαί σοι

Τῶν μὲν οὖν κοινῇ πεπραγμένων γυναιξὶ μυρίων ὄντων ἱκανὰ ταῦτα παραδείγματα· τὰς δὲ καθ’ ἐκάστην ἀρετὰς, ὅπως ἂν ἐπίῃ, σποράδην ἀναγράφομεν, οὐδὲν οἰόμενοι τῆς κατὰ χρόνον τάξεως δεῖσθαι τὴν ὑποκειμένην ἱστορίαν.

ΠΙΕΡΙΑ

Τῶν εἰς Μίλητον ἀφικομένων Ἰώνων στασιάσαντες ἔνιοι πρὸς τοὺς Νεῖλεω παῖδας ἀπεχώρησαν εἰς Μυοῦντα κάκεῖ κατώκουν, πολλὰ κακὰ πάσχοντες ὑπὸ τῶν Μιλησίων· ἐπολέμουν γὰρ αὐτοῖς διὰ τὴν ἀποστασίαν. οὐ μὴν ἀκήρυκτος ἦν οὐδ’ ἀνεπίμικτος ὁ πόλεμος, ἀλλ’ ἔν τισιν ἑορταῖς ἐφοίτων εἰς Μίλητον ἐκ τοῦ Μυοῦντος αἱ γυναῖκες. ἦν δὲ Πύθης ἀνὴρ ἐν αὐτοῖς ἐμφανής, γυναῖκα μὲν ἔχων Ἰαπυγίαν, θυγατέρα δὲ Πιερίαν. οὔσης οὖν ἑορτῆς Ἀρτέμιδι [254][a] καὶ θυσίας παρὰ Μιλησίοις, ἦν Νηληίδα προσαγορεύουσιν, ἔπεμψε τὴν γυναῖκα καὶ τὴν θυγατέρα, δεηθείσας ὅπως τῆς ἑορτῆς μετάσχωσι· τῶν δὲ Νεῖλεω παίδων ὁ δυνατώτατος ὄνομα Φρύγιος τῆς Πιερίας ἐρασθεὶς ἐνενόει, τί ἂν αὐτῇ μάλιστα γένοιτο παρ’ αὐτοῦ κεχαρισμένον. εἰπούσης δ’ ἐκείνης ‘εἰ διαπράξαιό μοι τὸ πολλάκις ἐνταῦθα καὶ μετὰ πολλῶν βαδίζειν’, συνεῖς [οὔν] ὁ Φρύγιος δεομένην φιλίας καὶ εἰρήνης τοῖς πολίταις κατέπαυσε τὸν πόλεμον. ἦν οὖν ἐν ἀμφοτέραις ταῖς πόλεσι δόξα καὶ τιμὴ τῆς Πιερίας, ὥστε καὶ τὰς Μιλησίων εὖχεσθαι γυναῖκας ἄχρι νῦν οὕτως ἐρᾶν <τοὺς [b] ἄνδρας> αὐτῶν, ὥς Φρύγιος ἡράσθη Πιερίας.

ΠΟΛΥΚΡΙΤΗ

Ναξίοις καὶ Μιλησίοις συνέστη πόλεμος διὰ τὴν Ὑψικρέοντος τοῦ Μιλησίου γυναῖκα Νέαιραν. αὕτη γὰρ ἡράσθη Προμέδοντος Ναξίου καὶ συνεπένευσεν· ὅς ἦν μὲν ξένος τοῦ Ὑψικρέοντος, ἐρασθείση δὲ τῇ Νεαίρᾳ συνῆλθε, καὶ τὸν ἄνδρα φοβουμένην

ἀπαγαγὼν εἰς Νάξον ἰκέτιν τῆς Ἑστίας ἐκάθισεν. τῶν δὲ Ναξίων οὐκ ἐκδιδόντων χάριν τοῦ Προμέδοντος, ἄλλως δὲ ποιουμένων πρόφασιν τὴν ἰκετείαν ὁ πόλεμος συνέστη. τοῖς δὲ Μιλησίοις ἄλλοι τε πολλοὶ καὶ προθυμότατα τῶν Ἰώνων [c] Ἑρυθραῖοι συνεμάχουν, καὶ μῆκος ἔσχε καὶ συμφορὰς ἤνεγκε μεγάλας ὁ πόλεμος· εἴτ' ἐπαύσατο δι' ἀρετὴν γυναικός, ὡς συνέστη διὰ μοχθηρίαν. Διόγνητος γὰρ ὁ τῶν Ἑρυθραίων στρατηγὸς [ἐχων καὶ] πεπιστευμένος ἔρυμα κατὰ τῆς Ναξίων πόλεως εὖ πεφυκὸς καὶ κατεσκευασμένον, ἠλάσατο λείαν τῶν Ναξίων πολλὴν καὶ γυναικας ἐλευθέρας καὶ παρθένους ἔλαβεν. ὧν μιᾶς Πολυκρίτης ἐρασθεὶς εἶχεν αὐτὴν οὐχ ὡς αἰχμάλωτον ἀλλ' ἐν τάξει γαμετῆς γυναικός. ἐορτῆς δὲ τοῖς Μιλησίοις καθηκούσης ἐν τῇ στρατιᾷ καὶ πρὸς πόσιν ἀπάντων καὶ συνουσίας τραπομένων, ἠρώτησε τὸν Διόγνητον [d] ἢ Πολυκρίτη, μή τι κωλύοι πεμμάτων μερίδας ἀποπέμψαι τοῖς ἀδελφοῖς αὐτῆς. ἐπιτρέψαντος δ' ἐκείνου καὶ κελεύσαντος, ἐνέβαλε μολίβδινον γραμματίδιον εἰς πλακοῦντα, κελεύσασα φράσαι τὸν κομίζοντα τοῖς ἀδελφοῖς, ὅπως αὐτοὶ μόνοι καταναλώσωσιν ἃ ἔπεμψε. οἱ δ' ἐντυχόντες τῷ μολίβδῳ καὶ τὰ γράμματα τῆς Πολυκρίτης ἀναγνόντες, κελευούσης νυκτὸς ἐπιθέσθαι τοῖς πολεμίοις, ὡς ὑπὸ μέθης διὰ τὴν ἐορτὴν ἐξημελημένων πάντων, προσήγγειλαν τοῖς στρατηγοῖς καὶ παρώρμησαν ἐξελθεῖν μετ' αὐτῶν. ἀλόντος δὲ τοῦ χωρίου καὶ πολλῶν διαφθαρέντων, [e] ἐξητήσατο τὸν Διόγνητον ἢ Πολυκρίτη παρὰ τῶν πολιτῶν καὶ διέσωσεν. αὐτὴ δὲ πρὸς ταῖς πύλαις γενομένη <καὶ θεασαμένη> τοὺς πολίτας ἀπαντῶντας αὐτῇ, μετὰ χαρᾶς καὶ στεφάνων ὑποδεχομένους καὶ θαυμάζοντας, οὐκ ἤνεγκε τὸ μέγεθος τῆς χαρᾶς, ἀλλ' ἀπέθανεν αὐτοῦ πεσοῦσα παρὰ τὴν πύλην, ὅπου τέθαιπται, καὶ καλεῖται βασκάνου τάφος, ὡς βασκάνῳ τινὶ τύχη τὴν Πολυκρίτην φθονηθεῖσαν <οὐκ> ἀπολαῦσαι τῶν τιμῶν.

Οὕτω μὲν οἱ Ναξίων συγγραφεῖς ἱστοροῦσιν· ὁ δ' Ἀριστοτέλης φησὶν (fr. 511) οὐχ ἀλούσης τῆς Πολυκρίτης, ἄλλως δὲ πως ἰδόντα τὸν Διόγνητον ἐρασθῆναι [f] καὶ πάντα διδόναι καὶ ποιεῖν ἔτοιμον εἶναι· τὴν δ' ὁμολογεῖν ἀφίξεσθαι πρὸς αὐτόν, ἐνδὸς μόνου τυχοῦσαν, περὶ οὗ τὸν Διόγνητον, ὡς φησιν ὁ φιλόσοφος, ὅρκον ἦτησεν· ἐπεὶ δ' ὤμοσεν, ἠξίου τὸ Δῆλιον αὐτῇ δοθῆναι (Δῆλιον γὰρ ἐκαλεῖτο τὸ χωρίον), ἄλλως δ' οὐκ ἂν ἔφη συνελθεῖν. ὁ δὲ καὶ

διὰ τὴν ἐπιθυμίαν καὶ διὰ τὸν ὄρκον ἐξέστη καὶ παρέδωκε τῇ Πολυκρίτῃ τὸν τόπον, ἐκείνη δὲ τοῖς πολίταις. ἐκ δὲ τοῦτου πάλιν εἰς ἴσον καταστάντες, ἐφ' οἷς ἠβούλοντο πρὸς τοὺς Μιλησίους διελύθησαν.

ΛΑΜΨΑΚΗ

Ἐκ Φωκαίας τοῦ Κοδριδῶν γένους ἦσαν ἀδελφοὶ δίδυμοι Φόξος καὶ Βλέφος· ὧν ὁ Φόξος ἀπὸ τῶν Λευκάδων πετρῶν πρῶτος ἀφῆκεν ἑαυτὸν εἰς θάλασσαν, ὡς Χάρων ὁ Λαμψακηνὸς (fr. 7 M.) ἱστόρηκεν. ἔχων δὲ δύναμιν καὶ βασιλικὸν ἀξίωμα παρέπλευσεν εἰς Πάριον ἰδίῳν ἔνεκα πραγμάτων· καὶ γενόμενος φίλος καὶ ξένος Μάνδρῳνι, βασιλεύοντι Βεβρύκων τῶν Πιτυοεσσηνῶν προσαγορευομένων, ἐβοήθησε καὶ συνεπολέμησεν αὐτοῖς ὑπὸ τῶν προσοίκων ἐνοχλουμένοις. ὁ δὲ Μάνδρων ἄλλην τε πολλὴν ἐνεδειξάτο τῷ Φόξῳ φιλοφροσύνην ἀποπλέοντι [b] καὶ μέρος τῆς τε χώρας καὶ τῆς πόλεως ὑποσχενίτο δώσειν, εἰ βούλοιο Φωκαεῖς ἔχων ἐποίκους εἰς τὴν Πιτυόεσσαν ἀφικέσθαι. πείσας οὖν τοὺς πολίτας ὁ Φόξος ἐξέπεμψε τὸν ἀδελφὸν ἄγοντα τοὺς ἐποίκους. καὶ τὰ μὲν παρὰ τοῦ Μάνδρωνος ὑπῆρχεν αὐτοῖς, ὥσπερ προσεδόκησαν· ὠφελείας δὲ μεγάλας καὶ λάφυρα [καὶ λείας] ἀπὸ τῶν προσοίκων βαρβάρων λαμβάνοντες, ἐπίφθονοι τὸ πρῶτον εἶτα καὶ φοβεροὶ τοῖς Βέβρυξιν ἦσαν. ἐπιθυμοῦντες οὖν αὐτῶν ἀπαλλαγῆναι, τὸν μὲν Μάνδρωνα, χρηστὸν ὄντα καὶ δίκαιον ἄνδρα περὶ τοὺς Ἕλληνας, οὐκ [c] ἔπεισαν, ἀποδημήσαντος δ' ἐκείνου παρεσκευάζοντο τοὺς Φωκαεῖς δόλῳ διαφθεῖραι. τοῦ δὲ Μάνδρωνος ἡ θυγάτηρ Λαμψάκη παρθένος οὔσα τὴν ἐπιβουλήν προέγνω, καὶ πρῶτον μὲν ἐπεχείρει τοὺς φίλους καὶ οἰκείους ἀποτρέπειν καὶ διδάσκειν, ὡς ἔργον δεινὸν καὶ ἀσεβὲς ἐγχειροῦσι πράττειν, εὐεργέτας καὶ συμμάχους ἄνδρας νῦν δὲ καὶ πολίτας ἀποκτινύντες. ὡς δ' οὐκ ἔπειθε, τοῖς Ἕλλησιν ἔφρασε κρύφα τὰ πραττόμενα καὶ παρεκελεύσατο φυλάττεσθαι. οἱ δὲ θυσίαν τινὰ παρασκευασάμενοι καὶ θοίνην ἐξεκαλέσαντο τοὺς Πιτυοεσσηνοὺς εἰς τὸ προάστειον· αὐτοὺς δὲ διελόντες δίχα, τοῖς μὲν τὰ τείχη [d] κατελάβοντο τοῖς δὲ τοὺς ἀνθρώπους ἀνέϊλον. οὕτω δὲ τὴν πόλιν κατασχόντες τὸν τε Μάνδρωνα μετεπέμποντο, συμβασιλεύειν τοῖς παρ' αὐτῶν κελεύοντες· καὶ τὴν Λαμψάκην ἐξ ἄρρωστίας ἀποθανοῦσαν ἔθαψαν ἐν τῇ πόλει μεγαλοπρεπῶς καὶ τὴν πόλιν ἀπ'

αὐτῆς Λάμψακον προσηγόρευσαν. ἐπεὶ δ' ὁ Μάνδρων προδοσίας ὑποψίαν φεύγων τὸ μὲν οἰκεῖν μετ' αὐτῶν παρητήσατο, παῖδας δὲ τῶν τεθνηκότων καὶ γυναῖκας ἠξίωσε κομίσασθαι, καὶ ταῦτα προθύμως οὐδὲν ἀδικήσαντες ἐξέπεμψαν καὶ τῇ Λαμφάκῃ πρότερον ἥρωικὰς τιμὰς ἀποδιδόντες, ὕστερον [e] ὡς θεῶ θύειν ἐψηφίσαντο καὶ διατελοῦσιν οὕτω θύοντες.

ΑΡΕΤΑΦΙΛΑ

Ἀρεταφίλα δ' ἡ Κυρηναία παλαιὰ μὲν οὐ γέγονεν ἀλλ' ἐν τοῖς Μιθριδατικοῖς καιροῖς, ἀρετὴν δὲ καὶ πρᾶξιν ἐνάμιλλον τῇ [βουλῇ] τῶν ἡρώιδων παρέσχεν. ἦν δὲ θυγάτηρ μὲν Αἰγλάνορος Φαιδίμου δὲ γυνή, γνωρίμων ἀνδρῶν· καλὴ δὲ τὴν ὄψιν οὔσα καὶ τὸ φρονεῖν ἐδόκει περιττὴ τις εἶναι καὶ πολιτικῆς δεινότητος οὐκ ἄμοιρος· ἐπιφανῇ δ' αὐτὴν αἱ κοιναὶ τύχαι τῆς πατρίδος ἐποίησαν. Νικοκράτης γὰρ ἐπαναστὰς Κυρηναίοις τύραννος ἄλλους τε πολλοὺς ἐφόνευσεν τῶν πολιτῶν καὶ τὸν ἱερέα τοῦ [f] Ἀπόλλωνος αὐτόχειρ ἀνελὼν Μελάνιππον εἶχε τὴν ἱερωσύνην· ἀνέϊλε δὲ καὶ Φαίδιμον τὸν τῆς Ἀρεταφίλας ἄνδρα καὶ τὴν Ἀρεταφίλαν ἔγνημεν ἄκουσαν. πρὸς δὲ μυρίοις ἄλλοις παρανομήμασι φύλακας ἐπὶ τῶν πυλῶν κατέστησεν, οἱ τοὺς ἐκφερομένους νεκροὺς ἐλυμαίνοντο νύττοντες ξιφιδίοις καὶ καυτήρια προσβάλλοντες ὑπὲρ τοῦ μηδένα τῶν πολιτῶν ὡς νεκρὸν λαθεῖν ἐκκομιζόμενον. δύσφορα μὲν οὖν ἦν τῇ Ἀρεταφίλᾳ τὰ οἰκεῖα κακά, καίπερ ἐνδιδόντος αὐτῇ δι' ἔρωτα τοῦ τυράννου [256] [a] πλεῖστον ἀπολαύειν τῆς δυνάμεως (ἦττητο γὰρ ἐκείνης καὶ μόνη χειροῆθη παρεῖχεν αὐτὸν ἄτεγκτος ὢν τᾶλλα καὶ θηριώδης)· ἡνία δὲ μᾶλλον αὐτὴν ἡ πατρὶς οἰκτρά πάσχουσα παρ' ἀξίαν. ἄλλος γὰρ ἐπ' ἄλλῳ τῶν πολιτῶν ἐσφάττετο, τιμωρία δ' ἀπ' οὐδενὸς ἡλπίζετο· καὶ γὰρ οἱ φυγάδες, ἀσθενεῖς παντάπασιν ὄντες καὶ περίφοβοι, διεσπάρησαν. αὐτὴν οὖν ἡ Ἀρεταφίλα ὑποθεῖσα μόνην τοῖς κοινοῖς ἐλπίδα καὶ τὰ Θήβης ζηλώσασα τῆς Φεραίας καλὰ καὶ περιβόητα τολμήματα, συμμαχῶν δὲ πιστῶν καὶ οἰκείων, οἷους ἐκείνη τὰ πράγματα παρέσχεν, ἔρημος οὔσα, φαρμάκοις ἐπεχείρησε διεργάσασθαι τὸν ἄνδρα.

[b] παρασκευαζομένη δὲ καὶ πορίζουσα καὶ διαπειρωμένη πολλῶν δυνάμεων οὐκ ἔλαθεν ἀλλ' ἐμηνύθη· καὶ γινομένων ἐλέγχων, Καλβία μὲν ἡ τοῦ Νικοκράτους μήτηρ, φύσει φονικὴ γυνὴ καὶ ἀπαραίτητος, εὐθύς ᾤετο δεῖν ἀναιρεῖν αἰκισαμένην τὴν

Ἀρεταφίλαν· τοῦ δὲ Νικοκράτους μέλλησιν ἐνεποιεῖ τῇ ὀργῇ καὶ ἀσθένειαν ὁ ἔρως, καὶ τὸ τὴν Ἀρεταφίλαν ἐρρωμένως ὁμόσε χωρεῖν ταῖς κατηγορίαις ἀμύνουσιν ἐαυτῇ πρόφασιν τινα τῷ πάθει παρεῖχεν. ἐπεὶ δὲ κατελαμβάνετο τοῖς ἐλέγχοις καὶ τὴν παρασκευὴν τῆς φαρμακείας ἐώρα μὴ δεχομένην ἄρνησιν, ὠμολόγει, παρασκευάσασθαι δ' οὐκ ὀλέθριον φαρμακείαν, [c] 'ἀλλ' ὑπὲρ μεγάλων' εἶπεν, 'ὦ ἄνερ, ἀγωνίζομαι, τῆς σῆς εὐνοίας πρὸς ἐμὲ καὶ δόξης καὶ δυνάμεως, ἦν διὰ σέ καρποῦμαι πολλαῖς ἐπίφθονος οὔσα κακαῖς γυναιξίν· ὧν φάρμακα δεδοικυῖα καὶ μηχανὰς ἐπέισθην ἀντιμηχανήσασθαι, μωρὰ μὲν ἴσως καὶ γυναικεῖα, θανάτου δ' οὐκ ἄξια· πλὴν εἰ κριτῇ σοι δόξειε φίλτρων ἔνεκα καὶ γοητείας κτεῖναι γυναῖκα, πλεῖον ἢ σὺ βούλει φιλεῖσθαι δεομένην.' τοιαῦτα τὴν Ἀρεταφίλαν ἀπολογουμένην ἔδοξε τῷ Νικοκράτει βασανίσαι· καὶ τῆς Καλβίας ἐφεστώσης ἀτέγκτου καὶ [d] ἀπαραιτήτου, ταῖς βασάνοις ἀνέκρινε· καὶ διεφύλαττεν αὐτὴν ἀήττητον ἐν ταῖς ἀνάγκαις ἄχρι καὶ τὴν Καλβίαν ἀποκαμεῖν ἄκουσαν. ὁ δὲ Νικοκράτης ἀφῆκε πεισθεὶς καὶ μετενόει βασανίσας· καὶ χρόνον οὐ πολὺν διαλιπὼν αὖθις ἦκεν ὑπὸ τοῦ πάθους εἰς αὐτὴν φερόμενος, καὶ συνῆν αὖθις ἀναλαμβάνων τιμαῖς καὶ φιλοφροσύναις τὴν εὖνοιαν. ἡ δ' οὐκ ἔμελλε χάριτος ἡττᾶσθαι κρατήσασα βασάνων καὶ πόνων, ἀλλὰ τῷ φιλοκάλῳ φιλονεικίας προσγενομένης ἐτέρας ἤπτετο μηχανῆς. ἦν γὰρ αὐτῇ θυγάτηρ ἀνδρὸς ὥραν ἔχουσα καὶ τὴν [e] ὄψιν ἱκανή· ταύτην ὑφῆκε τὰδελεφῶ τοῦ τυράννου δέλεαρ, ὄντι μειρακίῳ πρὸς ἡδονὰς εὐαλώτῳ. πολὺς δὲ λόγος ἐστὶ χρησαμένην γοητεία καὶ φαρμάκοις ἐπὶ τῇ κόρῃ τὴν Ἀρεταφίλαν χειρῶσασθαι καὶ διαφθεῖραι τοῦ νεανίσκου τὸν λογισμόν· ἐκαλεῖτο δὲ Λάανδρος. ἐπεὶ δ' ἡλώκει καὶ λιπαρήσας τὸν ἀδελφὸν ἔτυχε τοῦ γάμου, τὰ μὲν ἡ κόρη παρῆγεν αὐτὸν ὑπὸ τῆς μητρὸς διδασκομένη καὶ ἀνέπειθεν ἐλευθεροῦν τὴν πόλιν, ὡς μηδ' αὐτὸν ἐλεύθερον ἐν τυραννίδι ζῶντα μηδὲ τοῦ λαβεῖν γάμον ἢ φυλάξαι κύριον ὄντα, τὰ δ' οἱ φίλοι τῇ Ἀρεταφίλᾳ χαριζόμενοι [f] διαβολὰς τινὰς αἰεὶ καὶ ὑπονοίας κατεσκευάζον αὐτῷ πρὸς τὸν ἀδελφόν. ὡς δ' ἦσθετο καὶ τὴν Ἀρεταφίλαν τὰ αὐτὰ βουλευομένην καὶ σπουδάζουσιν, ἐπεχείρει τὸ ἔργον, καὶ Δάφνιν οἰκέτην παρορμήσας ἀπέκτεινε δι' ἐκείνου τὸν Νικοκράτην. τὰ λοιπὰ δ' οὐκέτι τῇ Ἀρεταφίλᾳ προσεῖχεν, ἀλλ' εὐθύς ἔδειξε τοῖς ἔργοις ἀδελφοκτόνος οὐ

ΚΑΜΜΑ

Ἦσαν ἐν Γαλατίᾳ δυνατώτατοι τῶν τετραρχῶν καὶ τι καὶ κατὰ γένος προσήκοντες ἀλλήλοις Σινάτος τε καὶ Σινόριξ. ὧν ὁ Σινάτος γυναικὰ παρθένον ἔσχε Κάμμαν ὄνομα, περιβλεπτον μὲν ἰδέα σώματος καὶ ὥρα, θαυμαζομένην δὲ μᾶλλον δι' ἀρετῇ· οὐ γὰρ μόνον σώφρων καὶ φίλανδρος, ἀλλὰ καὶ συνετὴ καὶ μεγαλόφρων καὶ ποθεινὴ τοῖς ὑπηκόοις ἦν διαφερόντως ὑπ' εὐμενείας καὶ χρηστότητος· ἐπιφανεστέραν δ' αὐτὴν ἐποίει καὶ τὸ τῆς Ἀρτέμιδος [f] ἰέρειαν εἶναι, ἣν μάλιστα Γαλάται σέβουσι, περὶ τε πομπὰς αἰεὶ καὶ θυσίας κεκοσμημένην ὁρᾶσθαι μεγαλοπρεπῶς. ἐρασθεῖς οὖν αὐτῆς ὁ Σινόριξ, καὶ μήτε πείσαι μήτε βιάσασθαι ζῶντος τοῦ ἀνδρὸς δυνατὸς ὧν, ἔργον εἰργάσατο δεινόν· ἀπέκτεινε γὰρ δόλῳ τὸν Σινάτον, καὶ χρόνον οὐ πολὺν διαλιπὼν ἐμνᾶτο τὴν Κάμμαν ἐν τῷ [258] [a] ἱερῷ ποιουμένην τὰς διατριβὰς καὶ φέρουσαν οὐκ οἰκτρῶς καὶ ταπεινῶς ἀλλὰ θυμῷ νοῦν ἔχοντι καὶ καιρὸν περιμένοντι τὴν τοῦ Σινόριγος παρανομίαν. ὁ δὲ λιπαρῆς ἦν περὶ τὰς δεήσεις, καὶ λόγων ἐδόκει μὴ παντάπασιν ἀπορεῖν εὐπρέπειαν ἐχόντων, ὡς τὰ μὲν ἄλλα Σινάτου βελτίονα παρεσχικῶς ἑαυτὸν ἀνελὼν δ' ἐκεῖνον ἔρωτι τῆς Κάμμας, μὴ δι' ἑτέραν τινὰ πονηρίαν. ἦσαν οὖν τὸ πρῶτον ἀρνήσεις οὐκ ἄγαν ἀπηνεῖς τῆς γυναικός, εἴτα κατὰ μικρὸν ἐδόκει μαλάσσεσθαι· καὶ γὰρ οἰκεῖοι καὶ φίλοι προσέκειντο θεραπείᾳ καὶ χάριτι τοῦ Σινόριγος μέγιστον δυναμένου, πείθοντες αὐτὴν καὶ καταβιαζόμενοι· [b] τέλος δὲ συνεχώρει καὶ μετεπέμπετο πρὸς ἑαυτὴν ἐκεῖνον, ὡς παρὰ τῇ θεῷ τῆς συναιρέσεως καὶ καταπιστώσεως γενησομένης. ἐλθόντα δὲ δεξαμένη φιλοφρόνως καὶ προσαγαγοῦσα τῷ βωμῷ κατέσπεισεν ἐκ φιάλης, καὶ τὸ μὲν ἐξέπιεν αὐτὴ τὸ δ' ἐκεῖνον ἐκέλευσεν· ἦν δὲ πεφαρμαγμένον μελίκρατον. ὡς δ' εἶδε πεπωκότα, λαμπρὸν ἀνωλόλυξε καὶ τὴν θεὸν προσκυνήσασα ‘μαρτύρομαί σε’ εἶπεν, ‘ὦ πολυτίμητε δαῖμον, ὅτι ταύτης ἕνεκα τῆς ἡμέρας ἐπέζησα τῷ Σινάτου φόνῳ, χρόνον τοσοῦτον οὐδὲν ἀπολαύουσα τοῦ βίου χρηστὸν ἀλλ' ἢ τὴν ἐλπίδα τῆς δίκης, ἣν ἔχουσα καταβαίνω πρὸς τὸν [c] ἐμὸν ἄνδρα. σοὶ δ', ὦ πάντων ἀνοσιώτατε ἀνθρώπων,

τάφον ἀντὶ θαλάμου καὶ γάμου παρασκευαζέτωσαν οἱ προσήκοντες.’ ταῦτα δ’ ἀκούσας ὁ Γαλάτης καὶ τοῦ φαρμάκου δρῶντος ἤδη καὶ διακινουῦντος τὸ σῶμα συναισθόμενος ἐπέβη μὲν ὀχήματος ὡς σάλῳ καὶ τιναγμῷ χρησόμενος, ἐξέστη δὲ παραχρῆμα καὶ μεταβάς εἰς φορεῖον ἐσπέρας ἀπέθανεν. ἡ δὲ Κάμμα διενεγκοῦσα τὴν νύκτα καὶ πυθομένη τέλος ἔχειν ἐκείνον, εὐθύμως καὶ ἰλαρῶς κατέστρεψεν.

ΣΤΡΑΤΟΝΙΚΗ

[d] Παρέσχε δ’ ἡ Γαλατία καὶ Στρατονίκη τὴν Δηιοτάρου καὶ Χιομάραν τὴν Ὀρτιάγοντος ἀξίας μνήμης γυναῖκας· ἡ μὲν οὖν Στρατονίκη δεόμενον γνησίων παίδων ἐπὶ διαδοχῇ τῆς βασιλείας ἐπισταμένη τὸν ἄνδρα, μὴ τίκτουςα δ’ αὐτὴ συνέπεισεν ἐξ ἐτέρας γυναικὸς παιδοποιησάμενον αὐτῇ τὸ παιδίον περιδεῖν ὑποβαλλόμενον. τοῦ δὲ Δηιοτάρου τὴν τε γνώμην θαυμάσαντος καὶ πᾶν ἐπ’ αὐτῇ ποιησαμένου, παρθένον εὐπρεπῇ παρασκευάσασα τῶν αἰχμαλώτων ὄνομα Ἥλεκτραν συνεῖρξε τῷ Δηιοτάρῳ καὶ τοὺς γενομένους παῖδας ὥσπερ γνησίους αὐτῆς ἔθρεψε φιλοστόργως καὶ μεγαλοπρεπῶς.

ΧΙΟΜΑΡΑ

Χιομάραν δὲ συνέβη τὴν Ὀρτιάγοντος αἰχμάλωτον γενέσθαι μετὰ τῶν ἄλλων γυναικῶν, ὅτε Ῥωμαῖοι καὶ Γναῖος ἐνίκησαν μάχῃ τοὺς ἐν Ἀσίᾳ Γαλάτας. ὁ δὲ λαβὼν αὐτὴν ταξίαρχος ἐχρήσατο τῇ τύχῃ στρατιωτικῶς καὶ κατήσχυνεν. ἦν δ’ ἄρα καὶ πρὸς ἡδονὴν καὶ ἀργύριον ἐμπαθῆς καὶ ἀκρατῆς ἄνθρωπος, ἡττήθη δ’ ὅμως ὑπὸ τῆς φιλαργυρίας, καὶ χρυσοῦ συχνοῦ διομολογηθέντος ὑπὲρ τῆς γυναικὸς ἦγεν αὐτὴν ἀπολυτρώσων, ποταμοῦ τινος ἐν μέσῳ διείργοντος. ὡς δὲ διαβάντες οἱ Γαλάται τὸ χρυσίον ἔδωκαν αὐτῷ καὶ παρελάβανον τὴν Χιομάραν, [f] ἡ μὲν ἀπὸ νεύματος προσέταξεν ἐνὶ παῖσαι τὸν Ῥωμαῖον ἀσπαζόμενον αὐτὴν καὶ φιλοφρονούμενον· ἐκείνου δὲ πεισθέντος καὶ τὴν κεφαλὴν ἀποκόψαντος, ἀραμένη καὶ περιστείλασα τοῖς κόλποις ἀπήλυνεν. ὡς δ’ ἦλθε πρὸς τὸν ἄνδρα καὶ τὴν κεφαλὴν αὐτῷ προύβαλεν, ἐκείνου θαυμάσαντος καὶ εἰπόντος ‘ὦ γύναι, καλὸν ἡ πίστις’, ‘ναί’ εἶπεν ‘ἀλλὰ κάλλιον ἓνα μόνον ζῆν ἐμοὶ συγγεγεννημένον.’ ταῦτη μὲν ὁ Πολύβιός φησι διὰ λόγων ἐν Σάρδεσι γενόμενος θαυμάσαι τό τε φρόνημα καὶ τὴν σύνεσιν.

«ΓΥΝΑΙΟΝ ΠΕΡΓΑΜΗΝΟΝ»

Ἐπεὶ δὲ Μιθριδάτης ἐξήκοντα Γαλατῶν τοὺς ἀρίστους μεταπεμψάμενος εἰς Πέργαμον ὡς φίλους ὑβριστικῶς ἐδόκει καὶ δεσποτικῶς προσφέρεσθαι καὶ πάντες ἡγανάκτουν, Ἐπορηδόριξ, ἀνὴρ τό τε σῶμα ῥωμαλέος καὶ τὴν ψυχὴν διαφέρων (ἦν δὲ Ἰουσιωπῶν τετράρχης), ἀνεδέξατο τὸν Μιθριδάτην, ὅταν ἐν τῷ βήματι <τοῦ> γυμνασίου χρηματίζῃ, συναρπάσας ὥσειν ἅμα σὺν αὐτῷ κατὰ τῆς φάραγγος. τύχη δὲ τινι τῆς ἡμέρας ἐκείνης οὐκ ἀναβάντος εἰς τὸ γυμνάσιον αὐτοῦ, μεταπεμπομένου δὲ τοὺς Γαλάτας οἴκαδε, θαρρεῖν παρεκάλει, καὶ ὅταν ἐν [b] ταύτῳ γένωνται, διασπάσαι τὸ σῶμα καὶ διαφθεῖραι πανταχόθεν προσπεσόντας. τοῦτ' οὐκ ἔλαθε τὸν Μιθριδάτην, ἀλλὰ μηνύσεως γενομένης, καθ' ἓνα τῶν Γαλατῶν παρεδίδου σφαγησόμενον· εἰτά πως ἀναμνησθεὶς νεανίσκου πολὺ προέχοντος ὥρα καὶ κάλλει τῶν καθ' αὐτὸν ὥκτειρε καὶ μετενόει, καὶ δῆλος ἦν ἀχθόμενος ὡς ἐν πρώτοις ἀπολωλὸς, ὅμως δ' ἔπεμψεν, εἰ ζῶν εὐρεθείη, μεθεῖναι κελεύων· ἦν δ' ὄνομα τῷ νεανίσκῳ Βηπολιτανός. καὶ τις αὐτῷ τύχη θαυμαστὴ συνέπεσε· καλὴν γὰρ ἐσθῆτα καὶ πολυτελεῖ συνελήφθη φορῶν· ἦν ὁ δῆμιος ἀναίμακτον αὐτῷ καὶ καθαρὰν διαφυλάξαι [c] βουλόμενος, καὶ ἀποδύων ἀτρέμα τὸν νεανίσκον, εἶδε τοὺς παρὰ τοῦ βασιλέως προσθέντας ἅμα καὶ τοῦνομα τοῦ μειρακίου βοῶντας. τὸν μὲν οὖν Βηπολιτανὸν ἢ πολλοὺς ἀπολέσασα φιλαργυρία διέσωσεν ἀπροσδοκῆτως. ὁ δ' Ἐπορηδόριξ κατακοπεὶς ἄταφος ἐξεβέβλητο, καὶ τῶν φίλων οὐδεὶς ἐτόλμησε προσελθεῖν· γύναιον δὲ Περγαμηνὸν ἐγνωσμένον ἀφ' ὥρας ζῶν [τι] τῷ Γαλάτῃ παρεκινδύνευσε θάψαι καὶ περιστέλλαι τὸν νεκρόν· ἦσθοντο δ' οἱ φύλακες καὶ συλλαβόντες ἀνήγαγον πρὸς τὸν βασιλέα. λέγεται μὲν οὖν τι καὶ πρὸς τὴν ὄψιν αὐτῆς παθεῖν ὁ Μιθριδάτης, νέας παντάπασι καὶ ἀκάκου τῆς παιδίσκης [d] φανείσης· ἔτι δὲ μᾶλλον ὡς ἔοικε τὴν αἰτίαν γνοὺς ἐρωτικὴν οὖσαν ἐπεκλάσθη καὶ συνεχώρησεν ἀνελεσθαι καὶ θάψαι τὸν νεκρὸν ἐσθῆτα καὶ κόσμον ἐκ τῶν ἐκείνου λαβοῦσαν.

ΤΙΜΟΚΛΕΙΑ

Θεαγένης ὁ Θηβαῖος, Ἐπαμεινώνδα καὶ Πελοπίδα καὶ τοῖς ἀρίστοις ἀνδράσι τὴν αὐτὴν ὑπὲρ τῆς πόλεως λαβὼν διάνοιαν, ἔπταισε περὶ τὴν κοινὴν τύχην τῆς Ἑλλάδος ἐν Χαιρωνείᾳ, κρατῶν

ΕΡΥΞΩ

Βάττου τοῦ ἐπικληθέντος Εὐδαίμονος υἱὸς Ἀρκεσίλαος ἦν οὐδὲν ὅμοιος τῷ πατρὶ τοὺς τρόπους· καὶ γὰρ ζῶντος [e] ἔτι περὶ τὴν οἰκίαν περιθεὶς ἐπάλξεις ὑπὸ τοῦ πατρὸς ἐζημιώθη ταλάντῳ· καὶ τελευτήσαντος ἐκείνου, τοῦτο μὲν φύσει χαλεπὸς ὢν (ὅπερ καὶ ἐπεκλήθη), τοῦτο δὲ φύλῳ πονηρῷ, Λάαρχῳ, χρώμενος ἀντὶ βασιλέως ἐγεγόνει τύραννος. ὁ δὲ Λάαρχος ἐπιβουλεύων τῇ τυραννίδι καὶ τοὺς ἀρίστους τῶν Κυρηναίων ἐξελαύνων ἢ φονεύων ἐπὶ τὸν Ἀρκεσίλαον τὰς αἰτίας ἔτρεπε· καὶ τέλος ἐκείνον μὲν εἰς νόσον ἐμβάλων φθινάδα καὶ χαλεπὴν λαγὼν πίνοντα θαλάσσιον διέφθειρεν, αὐτὸς δὲ τὴν ἀρχὴν εἶχεν ὥς τῷ παιδί τῷ ἐκείνου Βάττῳ διαφυλάττων. ὁ μὲν οὖν παῖς καὶ διὰ τὴν χωλότητα καὶ διὰ τὴν ἡλικίαν [f] κατεφρονεῖτο, τῇ δὲ μητρὶ πολλοὶ προσεῖχον αὐτοῦ· σῶφρων τε γὰρ ἦν καὶ φιλόανθρωπος οἰκείους τε πολλοὺς καὶ δυνατοὺς εἶχε. διὸ καὶ θεραπεύων αὐτὴν ὁ Λάαρχος ἐμνηστεύετο καὶ τὸν Βάττον ἡξίου παῖδα θέσθαι γήμας ἐκείνην καὶ κοινωνὸν ἀποδεῖξαι τῆς ἀρχῆς· ἡ δ' Ἐρυξὼ (τοῦτο γὰρ ἦν ὄνομα τῇ γυναικὶ) βουλευσαμένη μετὰ τῶν ἀδελφῶν ἐκέλευε τὸν Λάαρχον ἐντυγχάνειν ἐκείνοισι, ὡς [261] [a] αὐτῆς προσιεμένης τὸν γάμον. ἐπεὶ δ' ὁ Λάαρχος ἐνετύγχανε τοῖς ἀδελφοῖς, ἐκείνοι δ'

διανοουμένου πολεμεῖν τοῖς Κυρηναίοις συνέβη τὴν μητέρα
τελευτῆσαι, καὶ ταφὰς αὐτῆς ἐπιτελοῦντος <τοῦς> ἀπαγγέλλοντας
ἐλθεῖν παρὰ τοῦ Ἀμάσιδος. ἔδοξεν οὖν τῷ Πολυάρχῳ βαδίζειν
ἀπολογησομένων· τῆς δ' Ἐρυξοῦς μὴ ἀπολειπομένης, ἀλλ' ἔπεσθαι
καὶ συγκινδυνεύειν βουλομένης οὐδ' ἡ μήτηρ Κριτόλα, καίπερ
οὔσα πρεσβῦτις, ἀπελείπετο. μέγιστον [d] δ' αὐτῆς ἦν ἀξίωμα,
Βάττου γεγεννημένης ἀδελφῆς τοῦ Εὐδαίμονος. ὥς οὖν ἦλθον εἰς
Αἴγυπτον, οἱ τ' ἄλλοι θαυμαστῶς ἀπεδέξαντο τὴν πρᾶξιν αὐτῶν,
καὶ ὁ Ἀμασις οὐ μετρίως ἀπεδέξατο τὴν τε σωφροσύνην καὶ τὴν
ἀνδρείαν τῆς Ἐρυξοῦς· δώροις δὲ τιμήσας καὶ θεραπεία βασιλικῇ
τόν τε Πολύαρχον καὶ τὰς γυναῖκας εἰς Κυρήνην ἀπέστειλεν.

ΞΕΝΟΚΡΙΤΗ

Οὐχ ἦττον δ' ἂν τις ἀγάσαιτο τὴν Κυμαίαν Ξενοκρίτην ἐπὶ τοῖς
πραχθεῖσι περὶ Ἀριστόδημον τὸν τύραννον, ᾧ τινες Μαλακὸν
ἐπὶ κλήσιν οἶονται γεγονέναι, τὸ [e] ἀληθὲς ἀγνοοῦντες. ἐπεκλήθη

γὰρ ὑπὸ τῶν βαρβάρων Μαλακός, ὅπερ ἐστὶν ἀντίπαις, ὅτι
μειράκιον ὢν παντάπασι μετὰ τῶν ἡλίκων ἔτι κομώντων (οὗς
κορωνιστὰς ὡς ἔοικεν ἀπὸ τῆς κόμης ὠνόμαζον) ἐν τοῖς πρὸς τοὺς
βαρβάρους πολέμοις ἐπιφανῆς ἦν καὶ λαμπρὸς οὐ τόλμη μόνον
οὐδὲ χειρὸς ἔργοις, ἀλλὰ καὶ συνέσει καὶ προνοίᾳ φανεῖς περιττός.
ὄθεν εἰς τὰς μεγίστας προῆλθεν ἀρχὰς θαυμαζόμενος ὑπὸ τῶν
πολιτῶν, καὶ Ῥωμαίοις ἐπικουρίαν ἄγων ἐπέμφθη πολεμουμένοις
ὑπὸ τῶν Τυρρηνῶν, Ταρκύνιον Σούπερβον ἐπὶ τὴν βασιλείαν
καταγόντων. ἐν ταύτῃ δὲ τῇ στρατείᾳ μακρὰ γενομένη πάντα [f]
πρὸς χάριν ἐνδιδούς τοῖς στρατευομένοις τῶν πολιτῶν καὶ
δημαγωγῶν μᾶλλον ἢ στρατηγῶν ἔπεισεν αὐτοὺς συνεπιθέσθαι τῇ
βουλῇ καὶ συνεκβαλεῖν τοὺς ἀρίστους καὶ δυνατωτάτους. ἐκ δὲ
τούτου γενόμενος τύραννος ἦν μὲν ἐν ταῖς περὶ γυναῖκας καὶ
παῖδας ἐλευθέρους ἀδικίαις αὐτὸς ἐαυτοῦ μοχθηρότατος.
ιστόρηται γάρ, ὅτι τοὺς μὲν ἄρρενας παῖδας ἥσκει κομᾶν καὶ
χρυσοφορεῖν, τὰς δὲ θηλείας ἠνάγκαζε περιτρόχαλα κείρεσθαι καὶ
φορεῖν ἐφηβικὰς χλαμύδας κατὰ τῶν ἀνακώλων χιτωνίσκων. [262]
[a] οὐ μὴν ἀλλ' ἐξαιρέτως ἐρασθεὶς τῆς Ξενοκρίτης εἶχεν αὐτὴν
φυγάδος οὔσαν πατρός, οὐ καταγαγὼν οὐδὲ πείσας ἐκεῖνον, ἀλλ'
ὅπως οὖν ἡγούμενος ἀγαπᾶν συνοῦσαν αὐτῷ τὴν κόρην, ἅτε δὴ
ζηλουμένην καὶ μακαριζομένην ὑπὸ τῶν πολιτῶν. τὴν δὲ ταῦτα
μὲν οὐκ ἐξέπληττεν· ἀχθομένη δ' ἐπὶ τῷ συνοικεῖν ἀνέκδοτος καὶ
ἀνέγγυος οὐδενὸς ἦττον ἐπόθει τῶν μισουμένων ὑπὸ τοῦ
τυράννου τὴν τῆς πατρίδος ἐλευθερίαν. ἔτυχε δὲ κατ' ἐκεῖνο
καιροῦ τάφρον ἄγων κύκλῳ περὶ τὴν χώραν ὁ Ἀριστόδημος, οὗτ'
ἀναγκαῖον ἔργον οὔτε χρήσιμον, ἄλλως δὲ τρίβειν καὶ ἀποκναίνειν
πόνοις καὶ ἀσχολίαις [b] τοὺς πολίτας βουλόμενος· ἦν γὰρ
προστεταγμένον ἐκάστω μέτρων τινῶν ἀριθμὸν ἐκφέρειν τῆς γῆς.
ὡς εἶδεν ἐπιόντα τὸν Ἀριστόδημον, ἐξέκλινε καὶ παρεκαλύψατο τῷ
χιτωνίσκῳ τὸ πρόσωπον. ἀπελθόντος οὖν τοῦ Ἀριστοδήμου,
σκώπτοντες οἱ νεανίσκοι καὶ παῖζοντες ἡρώτων, ὅ τι δὴ μόνον ὑπ'
αἰδοῦς φύγοι τὸν Ἀριστόδημον, πρὸς δὲ τοὺς ἄλλους οὐδὲν πάθοι
τοιοῦτον· ἡ δὲ καὶ μάλα μετὰ σπουδῆς ἀπεκρίνατο 'μόνος γάρ'
ἔφη 'Κυμαίων Ἀριστόδημος ἀνὴρ ἐστί.' τοῦτο γὰρ λεχθὲν τὸ ῥῆμα
πάντων μὲν ἠψατο, τοὺς δὲ γενναίους καὶ παρῳξυνεν αἰσχύνῃ τῆς
ἐλευθερίας ἀντέχεσθαι. λέγεται [c] δὲ καὶ Ξενοκρίτην ἀκούσασαν
εἰπεῖν, ὡς ἐβούλετ' ἂν καὶ αὐτὴ γῆν ὑπὲρ τοῦ πατρὸς φέρειν

παρόντος ἢ τρυφῆς συμμετέχειν Ἀριστοδήμῳ καὶ δυνάμεως τοσαύτης. ἐπέρρωσεν οὖν ταῦτα τοὺς συνισταμένους ἐπὶ τὸν Ἀριστόδημον, ὧν ἡγεῖτο Θυμοτέλης· καὶ τῆς Ξενοκρίτης εἰσόδου παρεχούσης αὐτοῖς ἄδειαν καὶ τὸν Ἀριστόδημον ἄοπλον καὶ ἀφύλακτον, οὐ χαλεπῶς παρεισπεσόντες διαφθείρουσιν αὐτόν. οὕτω μὲν ἡ Κυμαίων πόλις ἡλευθερώθη дуεῖν ἀρετῇ γυναικῶν, τῆς μὲν ἐπίνοιαν αὐτοῖς καὶ ὁρμὴν ἐμβαλούσης τοῦ ἔργου, τῆς δὲ πρὸς τὸ τέλος συλλαβομένης. τιμῶν δὲ καὶ δωρεῶν μεγάλων τῇ Ξενοκρίτῃ προτεινομένων ἐάσασα πάσας ἐν ἡτήσατο, θάψαι [d] τὸ σῶμα τοῦ Ἀριστοδήμου· καὶ τοῦτ' οὖν ἔδοσαν αὐτῇ καὶ Δήμητρος ἰέρειαν αὐτὴν εἵλοντο, οὐχ ἥττον οἰόμενοι τῇ θεῷ κεχαρισμένην ἢ πρέπουσαν ἐκείνῃ τιμὴν ἔσεσθαι.

ΠΥΘΕΩ ΓΥΝΗ

Λέγεται δὲ καὶ τὴν Πύθεω τοῦ κατὰ Ξέρξην γυναῖκα σοφὴν γενέσθαι καὶ χρηστήν. αὐτὸς μὲν γὰρ ὁ Πύθης ὡς ἔοικε χρυσείοις ἐντυχὼν μετάλλοις καὶ ἀγαπήσας τὸν ἐξ αὐτῶν πλοῦτον οὐ μετρίως ἀλλ' ἀπλήστως καὶ περιττῶς, αὐτός τε περὶ ταῦτα διέτριβε καὶ τοὺς πολίτας καταβιβάζων ἅπαντας ὁμαλῶς ὀρύττειν ἢ φορεῖν ἢ καθαίρειν ἡνάγκαζε τὸ χρυσίον, ἄλλο μηδὲν [e] ἐργαζομένους τὸ παράπαν μηδὲ πράττοντας. ἀπολλυμένων δὲ πολλῶν πάντων δ' ἀπαγορευόντων αἱ γυναῖκες ἱκετηρίαν ἔθεσαν ἐπὶ τὰς θύρας ἐλθοῦσαι τῆς τοῦ Πύθεω γυναικός. ἡ δ' ἐκείνας μὲν ἀπέναι καὶ θαρρεῖν ἐκέλευσεν, αὐτὴ δὲ τῶν περὶ τὸ χρυσίον τεχνιτῶν οἷς ἐπίστευε μάλιστα καλέσασα καὶ καθεῖρξασα, ποιεῖν ἐκέλευεν ἄρτους τε χρυσοῦς καὶ πέμματα παντοδαπὰ καὶ ὀπώρας, καὶ ὅσοις δὴ μάλιστα τὸν Πύθην ἐγίνωσκεν ἡδόμενον ὅσοις καὶ βρώμασι. ποιηθέντων δὲ πάντων ὁ μὲν Πύθης ἦκεν ἀπὸ τῆς ξένης· ἐτύγχανε γὰρ ἀποδημῶν· ἡ δὲ γυνὴ δεῖπνον αἰτοῦντι παρέθηκε χρυσοῦν τράπεζαν [f] οὐδὲν ἐδώδιμον ἔχουσαν ἀλλὰ πάντα χρυσᾶ. τὸ μὲν οὖν πρῶτον ἔχαιρε Πύθης τοῖς μιμήμασιν, ἐμπλησθεὶς δὲ τῆς ὀψεως ἦτει φαγεῖν· ἡ δὲ χρυσοῦν ὃ τι τύχοι ποθήσας προσέφερε. δυσχεραίνοντος δ' αὐτοῦ καὶ πεινῆν βοῶντος, 'ἀλλὰ σύ γε τούτων' εἶπεν 'ἄλλου δ' οὐδενός [263] [a] εὐπορίαν πεποίηκας ἡμῖν· καὶ γὰρ ἐμπειρία καὶ τέχνη πᾶσα φροῦδος, γεωργεῖ δ' οὐδεὶς, ἀλλὰ τὰ σπειρόμενα καὶ φυτευόμενα καὶ τρέφοντα τῆς γῆς ὀπίσω καταλιπόντες ὀρύσσομεν ἄχρηστα καὶ ζητοῦμεν, ἀποκναίοντες αὐτοὺς καὶ τοὺς πολίτας.' ἐκίνησε ταῦτα τὸν Πύθην, καὶ πᾶσαν

μὲν οὐ κατέλυσε τὴν περὶ τὰ μέταλλα πραγματείαν, ἀνὰ μέρος δὲ τὸ πέμπτον ἐργάζεσθαι κελεύσας τῶν πολιτῶν τοὺς λοιποὺς ἐπὶ γεωργίαν καὶ τὰς τέχνας ἔτρεψε.

Ξέρξου δὲ καταβαίνοντος ἐπὶ τὴν Ἑλλάδα λαμπρότατος ἐν ταῖς ὑποδοχαῖς καὶ ταῖς δωρεαῖς γενόμενος χάριν ἡτήσατο παρὰ τοῦ βασιλέως, πλειόνων αὐτῷ [b] παίδων ὄντων, ἕνα παρεῖναι τῆς στρατείας καὶ καταλιπεῖν αὐτῷ γηροβοσκόν. ὁ δὲ Ξέρξης ὑπ' ὀργῆς τοῦτον μὲν, ὃν ἐξητήσατο, σφάξας καὶ διατεμὼν ἐκέλευσε τὸν στρατὸν διελθεῖν, τοὺς δ' ἄλλους ἀπηγάγετο, καὶ πάντες ἀπώλonton κατὰ τὰς μάχας. ἐφ' οἷς ὁ Πύθης ἀθυμήσας ἔπαθεν ὅμοια πολλοῖς τῶν κακῶν καὶ ἀνοήτων· τὸν μὲν γὰρ θάνατον ἐφοβεῖτο, τῷ βίῳ δ' ἤχθετο. βουλόμενος δὲ μὴ ζῆν, προέσθαι δὲ τὸ ζῆν μὴ δυνάμενος, χῶματος ὄντος ἐν τῇ πόλει μεγάλου καὶ ποταμοῦ διαρρέοντος, ὃν Πυθοπολίτην ὠνόμαζον, ἐν μὲν τῷ χῶματι κατεσκεύασε μνημεῖον, ἐκτρέψας δὲ τὸ ρεῖθρον, [c] ὥστε διὰ τοῦ χῶματος φέρεσθαι ψαύοντα τοῦ τάφου τὸν ποταμόν, ἐπὶ τούτοις συντελεσθεῖσιν αὐτὸς μὲν εἰς τὸ μνημεῖον κατῆλθε, τῇ δὲ γυναικὶ τὴν ἀρχὴν καὶ τὴν πόλιν ἀναθεὶς ἅπασαν ἐκέλευσε μὴ προσιέναι, πέμπειν δὲ τὸ δεῖπνον αὐτῷ καθ' ἐκάστην ἡμέραν εἰς βᾶριν ἐντιθεῖσαν, ἄχρις οὔ τὸν τάφον ἢ βᾶρις παρέλθῃ τὸ δεῖπνον ἀκέραιον ἔχουσα, τότε δὲ παύσασθαι πέμπουσας, ὥς αὐτοῦ τεθνηκότος. ἐκεῖνος μὲν οὕτω τὸν λοιπὸν βίον διῆγεν, ἡ δὲ γυνὴ τῆς ἀρχῆς καλῶς ἐπεμελήθη καὶ μεταβολὴν κακῶν τοῖς ἀνθρώποις παρέσχευεν.

ΑΙΤΙΑ ΡΩΜΑΙΚΑ

‘Διὰ τί τὴν γαμουμένην ἄπτεσθαι πυρὸς καὶ [e] ὕδατος κελεύουσι;’ πότερον τούτων ὡς ἐν στοιχείοις καὶ ἀρχαῖς τὸ μὲν ἄρρεν ἐστὶ τὸ δὲ θῆλυ, καὶ τὸ μὲν ἀρχὰς κινήσεως ἐνίησι τὸ δ’ ὑποκειμένου καὶ ὕλης δύναμιν· ἢ διότι τὸ πῦρ καθαίρει καὶ τὸ ὕδωρ ἀγνίζει, δεῖ δὲ καθαρὰν καὶ ἀγνὴν διαμένειν τὴν γαμηθεῖσαν; ἢ ὅτι, καθάπερ τὸ πῦρ χωρὶς ὑγρότητος ἄτροφόν ἐστι καὶ ξηρὸν τὸ δὲ ὕδωρ ἄνευ θερμότητος ἄγονον καὶ ἀργόν, οὕτω καὶ τὸ ἄρρεν ἀδρανὲς καὶ τὸ θῆλυ χωρὶς ἀλλήλων, ἢ δὲ σύνοδος ἀμφοῖν ἐπιτελεῖ τοῖς γήμασι τὴν συμβίωσιν, ἣν οὐκ ἀπολειπτέον καὶ κοινωνητέον ἀπάσης τύχης, [f] καὶ ἄλλου μηδενὸς ἢ πυρὸς καὶ ὕδατος μέλλωσι κοινωνεῖν ἀλλήλοις;

‘Διὰ τί οὐ πλείονας οὐδ’ ἐλάττονας ἀλλὰ πέντε λαμπάδας ἄπτουσιν ἐν τοῖς γάμοις, ἃς κηρίωνας ὀνομάζουσιν;’ πότερον, ὡς Βάρρων ἔλεγεν, ὅτι τῶν στρατηγῶν τρισὶ χρωμένων, †σὺν τοῖς ἀγορανόμοις πλείονας, παρὰ δὲ τῶν ἀγορανόμων ἄπτουσι τὸ πῦρ οἱ γαμοῦντες; [264] [a] ἢ διότι πλείοσι χρωμένων ἀριθμοῖς πρὸς τὰ ἄλλα βελτίων καὶ τελειότερος ὁ περιττός ἐνομιζέτο καὶ πρὸς γάμον ἀρμοδιώτερος; ὁ γὰρ ἄρτιος διάστασίν τε δέχεται καὶ τὸ ἴσον αὐτοῦ μάχιμόν ἐστι καὶ ἀντίπαλον, ὁ δὲ περιττός οὐ δύναται διασχισθῆναι παντάπασιν, ἀλλ’ ὑπολείπει τι κοινὸν αἰὲν μεριζόμενος. τοῦ δὲ περιττοῦ μάλιστα γαμήλιος ἢ πεντάς ἐστι· τὰ γὰρ τρία πρῶτος περιττός καὶ τὰ δύο πρῶτος ἄρτιος· ἐκ δὲ τούτων ὥσπερ ἄρρενος καὶ θήλεος ἢ πεντάς μέμικται. ἢ μᾶλλον, ἐπεὶ τὸ φῶς [b] γενέσεώς ἐστι σημεῖον, γυνὴ δ’ ἄχρι πέντε τίκτειν ὁμοῦ τὰ πλεῖστα πέφυκε, τοσαύταις χρῶνται λαμπάσιν; ἢ ὅτι πέντε δεῖσθαι θεῶν τοὺς γαμοῦντας οἶονται, Διὸς τελείου καὶ Ἥρας τελείας καὶ Ἀφροδίτης καὶ Πειθοῦς, ἐπὶ πᾶσι δ’ Ἀρτέμιδος, ἣν ταῖς λοχείαις καὶ ταῖς ὠδίσιν αἱ γυναῖκες ἐπικαλοῦνται;

[c] ‘Διὰ τί, πολλῶν ὄντων ἐν Ῥώμῃ ναῶν Ἀρτέμιδος, εἰς μόνον τὸν ἐν τῷ καλουμένῳ Πατρικίῳ στενωπῷ ἄνδρες οὐκ εἰσίσαιν;’ ἢ διὰ τὸν λεγόμενον μῦθον; γυναῖκα γὰρ αὐτόθι τὴν θεὸν σεβομένην βιαζόμενός τις ὑπὸ τῶν κυνῶν διεσπάρθη, καὶ ἀπὸ τούτου δεισιδαιμονίας γενομένης ἄνδρες οὐκ εἰσίσαισι.

‘Διὰ τί τοῖς ἄλλοις Ἀρτεμισίοις ἐπιεικῶς ἐλάφων κέρατα προσπατταλεύουσι, τῷ δ’ ἐν Ἀβεντίνῳ βοῶν;’ ἡ τοῦ παλαιοῦ συμπτώματος ἀπομνημονεύοντες; λέγεται γὰρ ἐν Σαβίνοις Ἄντρωνι Κορατίῳ βοῦς ἐκπρεπῆς ὄψει καὶ μεγέθει διαφέρουσα τῶν ἄλλων γενέσθαι· μάντεως δέ τινος αὐτῷ φράσαντος, ὅτι τοῦ καθιερεύσαντος Ἀρτέμιδι τὴν βοῦν ἐκείνην ἐν Ἀβεντίνῳ πέπρωται μεγίστην γενέσθαι καὶ βασιλεῦσαι τῆς Ἰταλίας ἀπάσης τὴν πόλιν, [d] ἐλθεῖν μὲν εἰς Ῥώμην τὸν ἄνθρωπον ὡς θύσοντα τὴν βοῦν· οἰκέτου δὲ κρύφα τῷ βασιλεῖ Σερουίῳ τὸ μάντευμα φράσαντος ἐκείνου δὲ Κορνηλίῳ τῷ ἱερεῖ, προστάξει τὸν Κορνήλιον τῷ Ἄντρωνι λούσασθαι πρὸ τῆς θυσίας ἀπὸ τοῦ Θύμβρεως· νενομίσθαι γὰρ οὕτω τοὺς καλλιεροῦντας. ἐκεῖνον μὲν οὖν ἀπελθόντα λούεσθαι, τὸν δὲ Σερούιον φθάσαντα θῦσαι τῇ θεῷ τὴν βοῦν καὶ τῷ ἱερῷ τὰ κέρατα προσπατταλεῦσαι. ταῦτα καὶ Ἰόβας (FHG III p. 470) ἱστορήκε καὶ Βάρρων (Antiqu. 6 Merkel), πλὴν ὅτι τοῦνομα τοῦ Ἄντρωνος Βάρρων οὐ γέγραφεν, οὐδ’ ὑπὸ Κορνηλίου φησὶ τοῦ ἱερέως ἀλλ’ ὑπὸ τοῦ νεωκόρου παρακρουσθῆναι τὸν Σαβῖνον.

‘Διὰ τί τοὺς τεθνάναι φημισθέντας ἐπὶ ξένης [e] ψευδῶς, κἂν ἐπανεέλθωσιν, οὐ δέχονται κατὰ θύρας, ἀλλὰ τῷ κεράμῳ προσβαίνοντες εἴσω καθιμῶσιν αὐτούς;’ ὁ μὲν γὰρ Βάρρων αἰτίαν μυθικὴν ὅλως ἀποδίδωσι. φησὶ γὰρ ἐν τῷ περὶ Σικελίαν πολέμῳ ναυμαχίας μεγάλης γενομένης καὶ κατὰ πολλῶν φήμης οὐκ ἀληθοῦς ὡς ἀπολωλότων ῥυείσης ἐπανελθόντας αὐτοὺς ὀλίγῳ χρόνῳ πάντας τελευτῆσαι, ἐνὶ δ’ εἰσιόντι τὰς θύρας ἀπαντῆσαι κλειομένας ἀπ’ αὐτομάτου καὶ μὴ χαλᾶν ἐπιχειροῦντων ἀνοίγειν. τὸν δ’ ἄνθρωπον αὐτοῦ [f] καταδαρθόντα πρὸ τῶν θυρῶν ἰδεῖν κατὰ τοὺς ὕπνους ὄψιν ὑφηγουμένην αὐτῷ τὴν ὑπὲρ τὸ τέγος εἰς τὴν οἰκίαν καθίμῃσιν· ποιήσαντα δ’ οὕτως εὐτυχῇ γενέσθαι καὶ γηραιόν· ἐκ δὲ τούτου τὸ ἔθος καταστῆναι τοῖς ὕστερον. ὅρα δὲ μὴ καὶ ταῦτα τρόπον τινὰ τοῖς Ἑλληνικοῖς ἔοικεν· οὐ γὰρ ἐνόμιζον ἄγνοὺς οὐδὲ κατεμίγνυσαν· ἑαυτοῖς οὐδ’ εἶων ἱεροῖς πλησιάζειν, οἷς ἐκφορὰ γεγόνοι καὶ τάφος ὡς τεθνηκόσι. λέγεται δὲ τινα τῶν ἐνόχων ταύτῃ τῇ δεισιδαιμονίᾳ γεγονότων Ἀριστίνον εἰς Δελφοὺς ἀποστείλαντα δεῖσθαι τοῦ θεοῦ καὶ παραιτεῖσθαι τὰς παρούσας αὐτῷ διὰ τὸν νόμον ἀπορίας· τὴν δὲ Πυθίαν ἀνειπεῖν

[265] [a] ‘ὅσσα περ ἐν λεχέεσσι γυνὴ τίκτουσα τελεῖται,

τὸν οὖν Ἀριστίνον συμφρονήσαντα παρασχεῖν ἑαυτὸν ὥσπερ ἐξ ἀρχῆς τικτόμενον ταῖς γυναιξὶν ἀπολοῦσαι καὶ σπαργανῶσαι καὶ θηλὴν ἐπιοχεῖν, οὕτω τε δρᾶν καὶ τοὺς ἄλλους ἅπαντας, ὑστεροπότους προσαγορευομένους. ἔνιοι δὲ καὶ πρὸ τοῦ Ἀριστίνου ταῦτα γενέσθαι περὶ τοὺς ὑστεροπότους καὶ τὸ ἔθος εἶναι παλαιόν. οὐδὲν οὖν θαυμαστόν, εἰ καὶ Ῥωμαῖοι τοῖς δοκοῦσιν ἅπαξ τεθάφθαι καὶ γεγονέναι τῆς τῶν φθιτῶν μερίδος οὐκ ὦντο δεῖν παρίεναι τὴν αὖλειον, ἧ θύσοντες ἐξίασι καὶ θύσαντες [b] εἰσίασιν, ἀλλ' ἄνωθεν ἐκέλευον εἰς τὰ ὑπαιθρα καταβαίνειν ἐκ τοῦ περιέχοντος· καὶ γὰρ τοὺς καθαρμοὺς ἐπεικῶς πάντας ἐν ὑπαίθρῳ τελοῦσι.

‘Διὰ τί τοὺς συγγενεῖς τῷ στόματι φιλοῦσιν αἱ γυναῖκες;’ πότερον, ὥς οἱ πλεῖστοι νομίζουσιν, ἀπειρημένον ἦν πίνειν οἶνον ταῖς γυναιξὶν· ὅπως οὖν αἱ ποιοῦσαι μὴ λανθάνωσιν ἀλλ' ἐλέγχωνται περιτυγχάνουσαι τοῖς οἰκείοις, ἐνομίσθη καταφιλεῖν; ἢ δι' ἣν Ἀριστοτέλης (fr. 609) ὁ φιλόσοφος αἰτίαν ἰστόρηκε; τὸ γὰρ πολυθρύλλητον [c] ἐκεῖνο καὶ πολλαχοῦ γενέσθαι λεγόμενον ὥς ἔοικεν ἐτολήθη καὶ ταῖς Τρώασι περὶ τὴν Ἰταλίαν. τῶν γὰρ ἀνδρῶν, ὥς προσέπλευσαν, ἀποβάντων ἐνέπρησαν τὰ πλοῖα, πάντως ἀπαλλαγῆναι τῆς πλάνης δεόμεναι καὶ τῆς θαλάττης· φοβηθεῖσαι δὲ τοὺς ἄνδρας ἡσπάζοντο τῶν συγγενῶν καὶ οἰκείων μετὰ τοῦ καταφιλεῖν καὶ περιπλέκεσθαι τοὺς προστυγχάνοντας. παυσαμένων δὲ τῆς ὀργῆς καὶ διαλλαγέντων ἐχρῶντο καὶ τὸ λοιπὸν [d] ταύτῃ τῇ φιλοφροσύνῃ πρὸς αὐτούς. ἢ μᾶλλον ἐδόθη τοῦτο ταῖς γυναιξὶν ὥς τιμὴν ἅμα καὶ δύναμιν αὐταῖς φέρον, εἰ φαίνοντο πολλοὺς καὶ ἀγαθοὺς ἔχουσαι συγγενεῖς καὶ οἰκείους; ἢ, μὴ νενομισμένου συγγενίδας γαμεῖν, ἄχρι φιλήματος ἢ φιλοφροσύνῃ προῆλθεν καὶ τοῦτο μόνον ἀπελείφθη σύμβολον καὶ κοινώνημα τῆς συγγενείας; πρότερον γὰρ οὐκ ἐγάμουν τὰς ἀφ' αἵματος, ὥσπερ οὐδὲ νῦν τιθίδας οὐδ' ἀδελφὰς γαμοῦσιν, ἀλλ' ὁπὲρ συνεχώρησαν ἀνεψιαῖς συνοικεῖν ἐκ τοιαύτης αἰτίας· ἀνὴρ χρημάτων ἐνδεὴς τὰ δ' ἄλλα χρηστὸς καὶ παρ' ὄντινον τῷ δήμῳ τῶν πολιτευομένων ἀρέσκων ἐπὶ κληρον [e] ἀνεψιὰν ἔχειν ἔδοξε καὶ πλουτεῖν ἀπ' αὐτῆς· ἐπὶ τούτῳ δὲ γενομένης αὐτοῦ κατηγορίας ὁ δῆμος ἀφείλ τὴν αἰτίαν ἐλέγχειν ἔλυσεν τὸ ἔγκλημα, ψηφισάμενος πᾶσιν ἐξεῖναι γαμεῖν ἄχρις ἀνεψιῶν, τὰ δ' ἀνωτέρω

κεκωλῦσθαι.

‘Διὰ τί δὲ δῶρον λαβεῖν ἀνδρὶ παρὰ γυναικὸς καὶ γυναικὶ παρ’ ἀνδρὸς ἀπείρηται;’ πότερον, ὡς Σόλων γράψας τὰς δόσεις κυρίας εἶναι τῶν τελευτώντων, πλὴν εἰ μὴ τις ἀνάγκη συνεχόμενος ἢ γυναικὶ πειθόμενος τὴν [f] μὲν ἀνάγκην ὡς βιαζομένην ὑπεξείλετο, τὴν δ’ ἡδονὴν ὡς παραλογιζομένην, οὕτως ὑπενοήθησαν αἱ γυναικῶν καὶ ἀνδρῶν δόσεις; ἢ φαυλότατον ἡγούμενοι σημεῖον εὐνοίας τὸ διδόναι (διδόασι γὰρ καὶ ἀλλότριοι καὶ μὴ φιλοῦντες) ἐκ τοῦ γάμου τὴν τοιαύτην ἀρέσκειαν ἀνέϊλον, ὅπως ἄμισθον ἢ καὶ προῖκα καὶ δι’ αὐτὸ μὴ δι’ ἄλλο τὸ φιλεῖσθαι καὶ φιλεῖν; ἢ, ὅτι τῷ λαμβάνειν διαφθειρόμεναι μάλιστα προσίενται τοὺς ἀλλοτρίους, σεμνὸν ἐφάνη τὸ μὴ διδόντας ἀγαπᾶν τοὺς ἰδίους; ἢ μᾶλλον ὅτι δεῖ κοινὰ καὶ γυναιξὶν εἶναι τὰ ἀνδρῶν καὶ ἀνδράσι [266] [a] τὰ γυναικῶν; μανθάνει γὰρ ὁ λαβὼν τὸ δοθὲν ἀλλότριον ἡγεῖσθαι τὸ μὴ δοθέν, ὥστ’ ὀλίγον διδόντες ἀλλήλοις τὸ πᾶν ἀφαιροῦνται.

‘Διὰ τί δὲ παρὰ γαμβροῦ καὶ παρὰ πενθεροῦ λαβεῖν ἐκείνοις κεκώλυται δῶρον;’ ἢ παρὰ γαμβροῦ μὲν, ἵνα μὴ δόξη διὰ τοῦ πατρὸς εἰς τὴν γυναικᾶ περιχωρεῖν τὸ δῶρον· παρὰ πενθεροῦ δέ, ὅτι τὸν μὴ διδόντα δίκαιον ἐφάνη μηδὲ λαμβάνειν;

[b] ‘Διὰ τί, κἂν ἐξ ἀγροῦ κἂν ἀπὸ ξένης ἐπανίωσιν, ἔχοντες οἴκοι γυναικας προπέμπουσι δηλοῦντες αὐταῖς ὅτι παραγίνονται;’ πότερον ὅτι τοῦτο πιστεῦοντός ἐστι τὴν γυναικᾶ μηδὲν ῥαδιουργεῖν, τὸ δ’ ἐξαίφνης καὶ ἀπροσδοκῆτως οἶον ἐνέδρα καὶ παρατήρησις; ἢ σπεύδουσιν ὡς ποθοῦσαις καὶ προσδεχομέναις εὐαγγελίξεσθαι περὶ αὐτῶν; ἢ μᾶλλον αὐτοὶ περὶ ἐκείνων πυθέσθαι ποθοῦσιν, εἰ σφωζομένας καὶ ποθοῦσας ἐπὶ τῆς οἰκίας καταλαμβάνουσιν; ἢ πλείονες ταῖς γυναιξὶν οἰκονομίαι καὶ ἀσχολαίαι τῶν ἀνδρῶν ἀπόντων τυγχάνουσι καὶ διαφοραὶ καὶ ὀρμαὶ πρὸς τοὺς ἔνδον· ἵν’ οὖν ἀπαλλαγείσα τούτων ἀθόρυβον τῷ ἀνδρὶ παρέχη τὴν ὑποδοχὴν καὶ ἡδεῖαν, ἢ προδῆλωσις γίνεται;

[c] ‘Διὰ τί τοὺς θεοὺς προσκυνοῦντες ἐπικαλύπτονται τὴν κεφαλὴν, τῶν δ’ ἀνθρώπων τοῖς ἀξίοις τιμῆς ἀπαντῶντες, κἂν τύχωσιν ἐπὶ τῆς κεφαλῆς ἔχοντες τὸ ἱμάτιον, ἀποκαλύπτονται;’ τοῦτο γὰρ ἔοικε κάκείνην ἐπιτείνειν τὴν ἀπορίαν. εἰ μὲν οὖν ὁ περὶ Αἰνείου λεγόμενος λόγος ἀληθής ἐστι καὶ τοῦ Διομήδους παρεξιόντος ἐπικαλυψάμενος τὴν θυσίαν ἐπετέλεσε, λόγον ἔχει καὶ

ἀκολουθεῖ τῷ συγκαλύπτεσθαι πρὸς τοὺς πολεμίους τὸ τοῖς φίλοις καὶ ἀγαθοῖς ἐντυγχάνοντας ἀποκαλύπτεσθαι· τὸ γὰρ πρὸς τοὺς θεοὺς οὐκ ἰδιὸν ἐστὶν ἀλλὰ κατὰ συμβεβηκός, καὶ ἀπ' ἐκείνου μεμένηκε τηρούμενον. εἰ δ' ἄλλο τι λέγειν χρή, σκόπει μὴ μόνον ἐκεῖνο δεῖ ζητεῖν, δι' ὃ τοὺς θεοὺς προσκυνοῦντες ἐπικαλύπτονται, θάτερον δ' ἀκόλουθόν ἐστι· τῶν γὰρ ἀνθρώπων ἀποκαλύπτονται [d] τοῖς δυνατωτέροις οὐ τιμὴν αὐτοῖς προστιθέντες, ἀλλὰ τὸν φθόνον αὐτῶν μᾶλλον ἀφαιροῦντες, ἵνα μὴ δόξωσι τὰς αὐτὰς τοῖς θεοῖς τιμὰς ἀπαιτεῖν μηδ' ὑπομένειν μηδὲ χαίρειν θεραπευόμενοι παραπλησίως ἐκείνοις. τοὺς δὲ θεοὺς οὕτω προσεκύνουν ἢ ταπεινοῦντες ἑαυτοὺς τῇ ἐπικρύψει τῆς κεφαλῆς, ἢ μᾶλλον εὐλαβούμενοί τινα φωνὴν προσπεσεῖν αὐτοῖς ἔξωθεν εὐχομένοις ἀπαίσιον καὶ δύσφημον ἄχρι τῶν ὠτων ἀνελάμβανον τὸ ἱμάτιον· ὅτι γὰρ ἰσχυρῶς ἐφυλάττοντο ταῦτα, δῆλόν ἐστι τῷ προσιόντας ἐπὶ μαντείαν χαλκωμάτων πατάγω περιφοφεισθαι.

[e] ἢ ὡς Κάστωρ (Fr. Gr. Hist. 250 F 15) λέγει τὰ Ῥωμαῖκὰ τοῖς Πυθαγορικοῖς συνοικειῶν, τὸν ἐν ἡμῖν δαίμονα δεῖσθαι τῶν ἐκτὸς θεῶν καὶ ἱκετεύειν τῇ τῆς κεφαλῆς ἐπικαλύψει τὴν τῆς ψυχῆς αἰνιττόμενον ὑπὸ τοῦ σώματος ἐγκάλυψιν καὶ ἀπόκρισιν.

‘Διὰ τί δὲ τῷ Κρόνῳ θύουσιν ἀπαρακαλύπτῳ τῇ κεφαλῇ;’ πότερον ὅτι τὴν ἐγκάλυψιν Αἰνείας παρέδωκεν, ἢ δὲ τοῦ Κρόνου θυσία παμπάλαιός ἐστιν· ἢ ὅτι τοῖς οὐρανίοις ἐπικαλύπτονται, τὸν δὲ Κρόνον ἡγοῦνται θεὸν ὑπουδαῖον καὶ χθόνιον; ἢ ὅτι τῆς ἀληθείας οὐδὲν ἐπίκρυφον ἢ ἐπίσκιον, ἀληθείας δὲ νομίζουσι Ῥωμαῖοι πατέρα τὸν Κρόνον εἶναι;

‘Διὰ τί δὲ τὸν Κρόνον πατέρα τῆς ἀληθείας νομίζουσι;’ πότερον, ὥσπερ ἔνιοι τῶν φιλοσόφων, χρόνον [f] οἶονται τὸν Κρόνον εἶναι, τὸ δ' ἀληθὲς εὐρίσκει χρόνος; ἢ τὸν μυθολογούμενον ἐπὶ Κρόνου βίον, εἰ δικαιοτάτος ἦν, εἰκός ἐστι μάλιστα μετέχειν ἀληθείας;

‘Διὰ τί καὶ τῷ λεγομένῳ Ὀνώρει θύουσιν ἀκαλύπτῳ τῇ κεφαλῇ (τὸν δὲ Ὀνώρεμ δόξαν ἄν τις ἢ τιμὴν μεθερμηνεύσειε);’ πότερον [δὲ] ὅτι λαμπρὸν ἢ δόξα καὶ περιφανὲς καὶ ἀναπεπταμένον· δι' ἣν αἰτίαν τοῖς ἀγαθοῖς ^[267] [a] καὶ τιμωμένοις ἀνδράσιν ἀποκαλύπτονται, διὰ ταύτην καὶ τὸν ἐπώνυμον τῆς τιμῆς θεὸν οὕτω προσκυνοῦσι;

‘Διὰ τί τοὺς γονεῖς ἐκκομίζουσιν οἱ μὲν υἱοὶ συγκεκαλυμμέναις,

αἱ δὲ θυγατέρες γυμναῖς ταῖς κεφαλαῖς καὶ ταῖς κόμαις λελυμέναις; ὅτερον, ὅτι τιμᾶσθαι μὲν ὑπὸ τῶν ἀρρένων δεῖ τοὺς πατέρας ὡς θεοὺς πενθεῖσθαι δ' ὑπὸ τῶν θυγατέρων ὡς τεθνηκότας, ἑκατέρω τὸ οἰκεῖον ὁ νόμος ἀποδοῦς ἐξ ἀμφοτέρων ἐποίησε τὸ ἀρμόττον; ἢ πένθους μὲν οἰκεῖον τὸ μὴ σύνηθες, συνηθέστερον δὲ ταῖς μὲν γυναιξὶν ἐγκεκαλυμμέναις, τοῖς δ' [b] ἀνδράσιν ἀκαλύπτους εἰς τὸ δημόσιον προΐεναι; καὶ γὰρ παρ' Ἑλλήσιν ὅταν δυστυχία τις γένηται, κείρονται μὲν αἱ γυναῖκες κομῶσι δ' οἱ ἄνδρες, ὅτι τοῖς μὲν τὸ κείρεσθαι ταῖς δὲ τὸ κομᾶν σύνηθές ἐστιν. ἢ τοὺς μὲν υἱοὺς ἐπικαλύπτεσθαι δι' ἣν εἰρήκαμεν αἰτίαν ἐνομήσθη (καὶ γὰρ ἐπὶ τῶν τάφων ὡς φησι Βάρρων περιστρέφονται, καθάπερ θεῶν ἱερὰ τιμῶντες τὰ τῶν πατέρων μνήματα, καὶ καύσαντες τοὺς γονεῖς, ὅταν ὁστέω πρῶτον ἐντύχῃσι, θεὸν γεγονέναι τὸν τεθνηκότα λέγουσι). ταῖς δὲ γυναιξὶν οὐδ' ὅλως ἐξῆν ἐπικαλύπτεσθαι τὴν κεφαλὴν; ἰστορεῖται [c] γοῦν ὅτι πρῶτος μὲν ἐξέβαλε γυναῖκα Σπόριος Καρβίλιος ἐπ' ἀτεκνία, δεύτερος δὲ Σουλπίκιος Γάλλος ἐφελκυσσάμενην ἰδὼν κατὰ κεφαλῆς τὸ ἱμάτιον, τρίτος δὲ Πόπλιος Σεμπρώνιος ἀγῶνα θεωρήσασαν ἐπιτάφιον.

‘Διὰ τί τὸν Τέρμινον, ὃν τὰ Τερμινάλια ποιοῦσι, θεὸν νομίζοντες οὐδὲν ἔθνον αὐτῷ ζῶον;’ ἢ Ῥωμύλος μὲν ὄρους οὐκ ἔθηκε τῆς χώρας, ὅπως ἐξῆν προΐεναι καὶ ἀποτέμνεσθαι καὶ νομίζειν πᾶσαν ἰδίαν, ὥσπερ ὁ Λάκων εἶπεν, ἧς ἂν τὸ δόρυ ἐφικνῆται. Νομᾶς δὲ Πομπίλιος, ἀνὴρ δίκαιος καὶ πολιτικὸς ὢν καὶ φιλόσοφος γενόμενος, τὴν τε χώραν ὠρίσατο πρὸς τοὺς γειτνιῶντας καὶ τοῖς ὅροις ἐπιφημίσας τὸν Τέρμινον ὡς ἐπίσκοπον καὶ φύλακα φιλίας καὶ εἰρήνης ὦετο δεῖν αἵματος καὶ φόνου καθαρὸν καὶ ἀμίαντον διαφυλάττειν;

[d] ‘Διὰ τί δούλαις τὸ τῆς Λευκοθέας ἱερὸν ἄβατόν ἐστι, μίαν δὲ μόνην αἱ γυναῖκες εἰσάγουσαι παῖδουσιν ἐπὶ κόρρης καὶ ῥαπίζουσιν;’ ἢ τὸ μὲν ταύτην ῥαπίζεσθαι σύμβολόν ἐστι τοῦ μὴ ἐξεῖναι, κωλύουσι δὲ τὰς ἄλλας διὰ τὸν μῦθον; ἢ γὰρ Ἰνὼ ζηλοτυπήσασα δούλην ἐπὶ τῷ ἀνδρὶ λέγεται περὶ τὸν υἱὸν ἐκμανῆναι. τὴν δὲ δούλην Ἑλληνες Αἰτωλίδα γένει φασὶν εἶναι, καλεῖσθαι δ' Ἀντιφέραν. διὸ καὶ παρ' ἡμῖν ἐν Χαιρωνείᾳ πρὸ τοῦ σηκοῦ τῆς Λευκοθέας ὁ νεωκόρος λαβὼν μάστιγα κηρύσσει ‘μὴ δοῦλον εἰσεῖναι μὴ δούλαν, μὴ Αἰτωλὸν μὴ Αἰτωλάν.’

[e] ‘Διὰ τί παρὰ τῇ θεῷ ταύτῃ τοῖς μὲν ἰδίῳις τέκνοις οὐκ

εὕχονται τάγαθὰ τοῖς δὲ τῶν ἀδελφῶν;’ πότερον ὅτι φιλάδελφος μέν τις ἢ Ἰνὼ καὶ τὸν ἐκ τῆς ἀδελφῆς ἐπιθηνήσατο, αὐτὴ δὲ περὶ τοὺς ἑαυτῆς παῖδας ἐδυστύχησεν; ἢ καὶ ἄλλως ἠθικὸν καὶ καλὸν τὸ ἔθος καὶ πολλὴν παρασκευάζον εὖνοϊαν ταῖς οἰκειότησι;

‘Διὰ τί τῷ Ἡρακλεῖ πολλοὶ τῶν πλουσίων ἐδεκάτευον τὰς οὐσίας;’ πότερον ὅτι κάκεῖνος ἐν Ῥώμῃ [f] τῶν Γηρυόνου βοῶν ἀπέθυσσε τὴν δεκάτην; ἢ ὅτι Ῥωμαίους ὑπὸ Τυρρηνῶν δεκατευομένους ἀπήλλαξεν; ἢ ταῦτα μὲν οὐκ ἔχει τὴν ἱστορίαν ἀξιόπιστον, ὥς δ’ ἀδηφάγῳ τινὶ τῷ Ἡρακλεῖ καὶ εὐθοίνῳ δαφυλῶς καὶ ἀφθόνως ἀπέθυσεν; ἢ μᾶλλον ὥς ἐπαχθῇ τοῖς πολίταις τὸν ὑπερβάλλοντα πλοῦτον κολοῦντες καὶ καθάπερ εὐεξίας ἐπ’ ἄκρον εὐσωματούσης ἀφαιροῦντες ὦντο μάλιστα τιμᾶσθαι τὸν Ἡρακλέα καὶ χαίρειν ταῖς τοιαύταις ἀποχρήσεσι καὶ συστολαῖς τῶν περιττῶν, εὐτελεῖ καὶ αὐτάρκη καὶ ἀπέριττον τῷ βίῳ γενόμενον;

‘Διὰ τί τὸν Ἰανουάριον μῆνα νέου ἔτους ἀρχὴν [268] [a] λαμβάνουσι;’ τὸ γὰρ παλαιὸν ὁ Μάρτιος ἡριθμεῖτο πρότερος, ὥς ἄλλοις τε πολλοῖς δῆλόν ἐστι τεκμηρίοις καὶ μάλιστα τῷ τὸν πέμπτον ἀπὸ τοῦ Μαρτίου Πέμπτον καὶ τὸν ἕκτον Ἑκτον ὀνομάζεσθαι, καὶ τοὺς ἄλλους ἐφεξῆς ἄχρι τοῦ τελευταίου, ὃν Δεκέμβριον καλοῦσιν ἀπὸ τοῦ Μαρτίου δέκατον ἀριθμούμενον. ἐξ οὗ δὴ καὶ παρέστη πρὸς οἶεσθαι καὶ λέγειν, ὥς οὐ δώδεκα μηνὶν ἀλλὰ δέκα συνεπλήρουν οἱ τότε Ῥωμαῖοι τὸν ἐνιαυτὸν ἐνίοις τῶν μηνῶν ἡμέρας πλείονας τῶν τριάκοντα προστιθέντες.

[b] ἄλλοι δ’ ἱστοροῦσι τὸν μὲν Δεκέμβριον ἀπὸ τοῦ Μαρτίου δέκατον εἶναι, τὸν δ’ Ἰανουάριον ἐνδέκατον, τὸν δὲ Φεβρουάριον δωδέκατον, ἐν ᾧ καθαρμοῖς τε χρῶνται καὶ τοῖς φθιμένοις ἐναγίζουσι τοῦ ἐνιαυτοῦ τελευτῶντος. μετατεθῆναι δὲ τούτους καὶ γενέσθαι τὸν Ἰανουάριον πρῶτον, ὅτι τῇ νουμηνίᾳ τούτου τοῦ μηνός, ἣν ἡμέραν καλάνδας Ἰανουαρίας καλοῦσιν, οἱ πρῶτοι κατεστάθησαν ὕπατοι τῶν βασιλέων ἐκπεσόντων. πιθανώτεροι δ’ εἰσὶν οἱ λέγοντες, ὅτι τὸν μὲν Μάρτιον ὁ Ῥωμύλος πολεμικὸς καὶ ἀρειμάνιος ὢν καὶ δοκῶν ἐξ Ἄρεος γεγονέναι προέταξε τῶν μηνῶν ἐπώνυμον ὄντα τοῦ Ἄρεος, Νομᾶς δ’ αὖθις εἰρηνικὸς γενόμενος καὶ [c] πρὸς ἔργα τῆς γῆς φιλοτιμούμενος τρέψαι τὴν πόλιν ἀποστῆσαι δὲ τῶν πολεμικῶν, τῷ Ἰανουαρίῳ τὴν ἡγεμονίαν ἔδωκε καὶ τὸν Ἰανὸν εἰς τιμὰς προήγαγε μεγάλας, ὥς πολιτικὸν καὶ

γεωργικὸν μᾶλλον ἢ πολεμικὸν γενόμενον. ὅρα δὲ μὴ μᾶλλον ὁ Νομᾶς τῇ φύσει προσήκουσαν ἀρχὴν ἔλαβε τοῦ ἔτους ὡς πρὸς ἡμᾶς. καθόλου μὲν γὰρ οὐδέν ἐστι φύσει τῶν ἐν κύκλῳ περιφερομένων οὗτ' ἔσχατον οὔτε πρῶτον, νόμῳ δ' ἄλλην ἄλλοι τοῦ [d] χρόνου λαμβάνουσιν ἀρχήν· ἄριστα δ' οἱ τὴν μετὰ τροπὰς χειμερίας λαμβάνοντες, ὁπηνίκα τοῦ πρόσω βαδίζειν πεπαυμένος ὁ ἥλιος ἐπιστρέφει καὶ ἀνακάμπει πάλιν πρὸς ἡμᾶς· γίνεται γὰρ αὐτοῖς τρόπον τινὰ καὶ φύσει, τὸν μὲν τοῦ φωτὸς αὖξουσα χρόνον ἡμῖν, μειοῦσα δὲ τὸν τοῦ σκότους, ἐγγυτέρω δὲ ποιοῦσα τὸν κύριον καὶ ἡγεμόνα τῆς ῥευστῆς οὐσίας ἀπάσης.

‘Διὰ τί τῇ γυναικεῖα θεῷ, ἣν Ἀγαθὴν καλοῦσιν, κοσμοῦσαι σηκὸν αἱ γυναῖκες οἴκοι μυρσίνας οὐκ εἰσφέρουσι, καίτοι πᾶσι φιλοτιμούμεναι χρῆσθαι τοῖς βλαστάνουσι καὶ ἀνθοῦσι;’ πότερον ὡς οἱ μυθολογοῦντες ἱστοροῦσι, Φαύνου μὲν ἦν γυνὴ τοῦ μάντεως, οἶνω δὲ χρησαμένη [e] κρύφα καὶ μὴ λαθοῦσα ῥάβδοις ὑπὸ τοῦ ἀνδρὸς ἐκολάσθη μυρσίνης (ὅθεν μυρσίνην μὲν οὐκ εἰσφέρουσιν, οἶνον δ' αὐτῇ σπένδουσι, γάλα προσαγορεύουσαι); ἢ πολλῶν μὲν ἀγναὶ μάλιστα δ' ἀφροδισίων τὴν ἱεουργίαν ἐκείνην ἐπιτελοῦσιν; οὐ γὰρ μόνον ἐξοικίζουσι τοὺς ἀνδρας, ἀλλὰ καὶ πᾶν ἄρρεν ἐξελεύνουσι τῆς οἰκίας, ὅταν τὰ νενομισμένα τῇ θεῷ ποιῶσι. τὴν οὖν μυρσίνην ὡς ἱερὰν Ἀφροδίτης ἀφοσιοῦνται· καὶ γὰρ ἦν νῦν Μουρκίαν Ἀφροδίτην καλοῦσι, Μυρτίαν τὸ παλαιὸν ὡς ἔοικεν ὠνόμαζον.

‘Διὰ τί τὸν δρυοκολάπτην οἱ Λατῖνοι σέβονται, [f] καὶ ἀπέχονται πάντες ἰσχυρῶς τοῦ ὄρνιθος;’ πότερον ὅτι τὸν Πῖκον λέγουσιν ὑπὸ φαρμάκων τῆς γυναικὸς μεταβαλεῖν τὴν φύσιν καὶ γενόμενον δρυοκολάπτην ἀποφθέγγεσθαι λόγια καὶ χρησιμωδεῖν τοῖς ἐρωτῶσιν; ἢ τοῦτο μὲν ἄπιστόν ἐστιν ὅλως καὶ τερατῶδες, ἄτερος δὲ τῶν μύθων πιθανώτερος, ὡς ἄρα τοῖς περὶ Ῥωμύλον καὶ Ῥώμον ἐκτεθεῖσιν οὐ μόνον ἡ λύκαινα θηλὴν ἐπεῖχεν, ἀλλὰ δρυοκολάπτης τις ἐπιφοιτῶν ἐψώμιζεν; ἐπιεικῶς γὰρ ἔτι καὶ νῦν <ἐν> τοῖς ὑπωρείοις καὶ δρυμώδεσι τόποις ὅπου φαίνεται δρυοκολάπτης, ἐκεῖ καὶ λύκος, ὡς Νιγίδιος (fr. 119. p. 132 Swoboda) ἱστορεῖ. ἢ μᾶλλον, ὡς ἄλλον ἄλλου θεοῦ, καὶ τοῦτον Ἄρεος ἱερὸν νομίζουσι [269] [a] τὸν ὄρνιν; καὶ γὰρ εὐθαρσῆς καὶ γαῦρός ἐστι καὶ τὸ ῥύγχος οὕτως ἔχει κραταιόν, ὥστε δρυὶς ἀνατρέπειν, ὅταν κόπτων πρὸς τὴν ἐντεριώνην ἐξίκηται.

‘Διὰ τί τὸν Ἰανὸν διπρόσωπον οἴονται γεγονέναι καὶ γράφουσιν οὕτω καὶ πλάττουσιν;’ πότερον ὅτι τῷ μὲν γένει Ἑλλήν ἐκ Περραιβίας ἦν, ὡς ἱστοροῦσι, διαβὰς δ’ εἰς Ἰταλίαν καὶ συνοικήσας τοῖς αὐτόθι βαρβάροις μετέβαλε καὶ γλώτταν καὶ δίαίταν; ἢ μᾶλλον ὅτι τοὺς περὶ τὴν Ἰταλίαν αὐτὸς ἀγρίοις καὶ ἀνόμοις χρωμένους ἔθεσιν εἰς ἕτερον βίου σχῆμα, πείσας γεωργεῖν καὶ πολιτεύεσθαι, μετέβαλε καὶ μετεκόσμησε;

‘Διὰ τί τὰ πρὸς τὰς ταφὰς πιπράσκουσιν ἐν τῷ [b] τεμένει τῷ Λιβιτίνης, νομίζοντες Ἀφροδίτην εἶναι τὴν Λιβιτίνην;’ πότερον καὶ τοῦτο τῶν Νομᾶ τοῦ βασιλέως φιλοσοφημάτων ἔν ἐστιν, ὅπως μανθάνωσι μὴ δυσχεραίνειν τὰ τοιαῦτα μηδὲ φεύγειν ὡς μiasμόν; ἢ μᾶλλον ὑπόμνησίς ἐστι τοῦ φθαρτὸν εἶναι τὸ γεννητόν, ὡς μιᾶς θεοῦ τὰς γενέσεις καὶ τὰς τελευτὰς ἐπισκοπούσης; καὶ γὰρ ἐν Δελφοῖς Ἀφροδίτης ἐπιτυμβίας ἀγαλμάτιόν ἐστι πρὸς ὃ τοὺς κατοικομένους ἐπὶ τὰς χοὰς ἀνακαλοῦνται.

‘Διὰ τί τρεῖς τοῦ μηνὸς ἀρχὰς καὶ προθεσμίας ἔχουσιν, οὐ ταῦτὸ διάστημα τῶν ἡμερῶν μεταξὺ λαμβάνοντες;’ πότερον ὡς οἱ περὶ τὸν Ἰόβαν (FHG III p. 470) [c] ἱστοροῦσιν ὅτι ταῖς καλάνδαις ἐκάλουν τὸν δῆμον οἱ ἄρχοντες καὶ κατήγγελλον εἰς πέμπτην τὰς νόννας, εἰδούς δ’ ἡμέραν ἱερὰν ἐνόμιζον· ἢ μᾶλλον ὅτι ταῖς τῆς σελήνης διαφοραῖς ὀρίζοντες τὸν χρόνον, ἐώρων ἐν τρισὶ γινομένην διαφοραῖς τὴν σελήνην κατὰ μῆνα ταῖς μεγίσταις, πρώτη μὲν ὅτε κρύπτεται σύνοδον ποιησαμένη πρὸς ἥλιον, δευτέρα δ’ ὅταν ἐκφυγοῦσα τὰς αὐγὰς τοῦ ἡλίου καταφανῆς πρῶτον ἀπὸ δυσμῶν γένηται, τρίτη δὲ τῇ περὶ τὴν πλήρωσιν αὐτῆς πανσελήνου γενομένης; ὀνομάζουσι [d] δὲ τὸν μὲν ἀφανισμόν αὐτῆς καὶ τὴν κρύψιν ‘καλάνδας’, ὅτι πᾶν τὸ κρύφα καὶ λάθρα ‘κλάμ’ καὶ ‘κηλάρι’ τὸ λανθάνειν· τὴν δὲ πρώτην φάσιν ‘νόννας’ τῷ δικαιολόγῳ τῶν ὀνομάτων, νομηνίαν οὔσαν· καὶ γὰρ αὐτοὶ τὸ νέον καὶ καινὸν ὥσπερ ἡμεῖς προσαγορεύουσι· τὰς δ’ ‘εἰδούς’ ἢ διὰ τὸ κάλλος καὶ τὸ εἶδος ὀλοκλήρου καθισταμένης τῆς σελήνης ἢ τῷ Διὶ τὴν ἐπωνυμίαν ἀποδιδόντες. οὐ δεῖ δὲ τῶν ἡμερῶν τὸν ἀκριβέστατον ἀριθμὸν διώκειν οὐδὲ τὸ παρ’ ὀλίγον συκοφαντεῖν, ὅπου καὶ νῦν ἐπίδοσιν τοσαύτην ἀστρολογίας ἐχούσης περιγίνεται τῆς ἐμπειρίας τῶν μαθηματικῶν ἢ τῆς κινήσεως ἀνωμαλία διαφεύγουσα τὸν λόγον.

[e] ‘Διὰ τί τὴν μετὰ καλάνδας ἡμέραν καὶ νόννας καὶ εἰδούς

ἀνέξοδον καὶ ἀνεκδήμητον τίθενται· πότερον, ὥς οἱ πλεῖστοι νομίζουσι καὶ Λίβιος (VI 1, 2) ἱστορεῖ, μετὰ τὰς Κυνιντίας εἰδούς, ἃς νῦν Ἰουλίας καλοῦσιν, ἐξάγοντες οἱ χιλιάρχοι τὸ στράτευμα περὶ τὸν Ἀλλίαν ποταμὸν ἐκρατήθησαν ὑπὸ Κελτῶν μάχῃ καὶ τὴν πόλιν ἀπώλεσαν, νομισθείσης δὲ τῆς μετὰ τὰς εἰδούς ἀποφράδος προήγαγεν ὥσπερ φιλεῖ πορρωτέρω τὸ ἔθος ἢ δεισιδαιμονία καὶ κατέστησεν εἰς τὴν αὐτὴν εὐλάβειαν τὴν τε μετὰ νόννας καὶ τὴν μετὰ καλάνδας· ἢ τοῦτο [f] μὲν ἔχει πολλὰς ἀλογίας· ἄλλῃ τε γὰρ ἡμέρᾳ τὴν μάχην ἡττήθησαν, ἣν Ἀλλιᾶδα διὰ τὸν ποταμὸν καλοῦντες ἀφοσιοῦνται, καὶ πολλῶν ἀποφράδων οὐσῶν οὐκ ἐν παντὶ μηνὶ τὰς ὁμωνύμους παραφυλάττουσιν, ἀλλ' ἐκάστην ἐν ᾧ συνέτυχε, τό τε ταῖς μετὰ νόννας καὶ καλάνδας ἀπλῶς ἀπάσαις προστρίψασθαι τὴν δεισιδαιμονίαν ἀπιθανώτατον. ὅρα δὴ μή, καθάπερ τῶν μηνῶν τὸν μὲν πρῶτον Ὀλυμπίοις θεοῖς ἰέρωσαν, τὸν δὲ δεύτερον χθονίοις ἐν ᾧ καὶ καθαρμούς τινας τελοῦσι καὶ τοῖς κατοικομένοις [270] [a] ἐναγίζουσιν, οὕτω τῶν ἡμερῶν τὰς μὲν οἷον ἀρχὰς καὶ κυρίας ὥσπερ εἴρηται τρεῖς οὔσας ἑορτασίμους καὶ ἱεράς ἔθεντο, τὰς δ' ἐφεξῆς δαίμοσι καὶ φθιτοῖς ἐπιφημίσαντες ἀποφράδας καὶ ἀπράκτους ἐνόμισαν. καὶ γὰρ Ἕλληνες ἐν τῇ νουμηνίᾳ τοὺς θεοὺς σεβόμενοι τὴν δευτέραν ἡρῶσι καὶ δαίμοσιν ἀποδεδώκασιν καὶ τῶν κρατήρων ὁ δεύτερος ἡρῶσιν ἐπικίρνεται καὶ ἡρωίσι. καὶ ὅλως ἀριθμός τις ὁ χρόνος, ἀριθμοῦ δὲ θεῖον ἢ ἀρχή· μονὰς γάρ ἐστιν· ἢ δὲ μετ' αὐτὴν δυὰς ἀντίπαλος τῇ ἀρχῇ καὶ ἀρτίων πρώτη.

[b] τὸ δ' ἄρτιον ἐνδεὲς καὶ ἀτελὲς καὶ ἀόριστον, ὥσπερ αὖ τὸ περιττὸν ὠρίσται καὶ περαίνει καὶ τέλειόν ἐστι. διὸ καὶ νόνναι μὲν ἐπιβάλλουσι διὰ πέμπτης καλάνδαις, νόνναις δ' εἰδοὶ δι' ἐνάτης. ὀρίζουσι γὰρ οἱ περισσοὶ τὰς ἀρχάς· οἱ δὲ μετὰ τὰς ἀρχὰς ἄρτιοι ὄντες οὐκ ἔχουσι τάξιν οὐδὲ δύναμιν, ὅθεν οὐκ ἄρχονται πράξεως οὐδ' ἀποδημίας ἐν ταύταις. ἢ καὶ τὸ τοῦ Θεμιστοκλέους ἔχει λόγον, ἐρίσαι ποτὲ τὴν ὑστεραίαν πρὸς τὴν ἑορτήν, ἐκείνης μὲν ἀσχολίαν καὶ κόπον ἐχούσης πολύν, αὐτὴ δὲ παρέχουσα μετὰ σχολῆς καὶ ἡσυχίας ἀπολαῦσαι τῶν παρεσκευασμένων πρὸς τὴν ἑορτήν· ἀποκρίνασθαι δὲ [c] πρὸς ταῦτα τὴν ἑορτήν 'ἀληθῆ λέγεις, ἀλλ' ἐμοῦ μὴ γενομένης οὐδ' ἂν σὺ ᾔς;' ταῦτα δ' ὁ Θεμιστοκλῆς πρὸς τοὺς αὖθις ἔλεγε στρατηγοὺς τῶν Ἀθηναίων ὥς οὐκ ἂν οὐδαμοῦ φανέντας, εἰ μὴ τὴν πόλιν αὐτὸς ἔσωσεν. ἐπεὶ

τοίνυν πᾶσα μὲν ἀξία σπουδῆς ἀποδημία καὶ πρᾶξις οἰκονομίας
δεῖται καὶ παρασκευῆς, Ῥωμαῖοι δὲ τὸ παλαιὸν ἐν ταῖς ἐορταῖς
οὐδὲν ὠκονόμουν οὐδ' ἐφρόντιζον ἀλλ' ἢ περὶ τοὺς θεοὺς
ἡσχολοῦντο καὶ τοῦτ' ἔπραττον, ὥσπερ ἔτι νῦν προκηρύττουσιν οἱ
ἱερεῖς ἐπὶ τὰς θυσίας βαδίζοντες, εἰκότως εὐθὺς οὐκ ἐξεδήμουν
μετὰ τὰς ἐορτὰς οὐδ' ἔπραττον (ἀπαράσκευοι γὰρ ἦσαν), ἀλλ'
ἐκφροντίζοντες [d] οἴκοι καὶ παρασκευαζόμενοι τὴν ἡμέραν
ἐκείνην διετέλουν. ἢ καθάπερ ἔτι νῦν προσευξάμενοι καὶ
προσκυνήσαντες ἐν τοῖς ἱεροῖς ἐπιμένειν καὶ καθίζειν εἰώθασιν,
οὕτως οὐκ εὐθὺς ἐπέβαλλον ταῖς ἱεραῖς ἡμέραις τὰς ἐνεργούς,
ἀλλ' ἐποίουν τι διάλειμμα καὶ διάστημα, πολλὰ τῶν πραγμάτων
δυσχερῆ καὶ ἀβούλητα φερόντων;

‘Διὰ τί λευκὰ φοροῦσιν ἐν τοῖς πένθεσιν αἱ γυναῖκες ἱμάτια καὶ
λευκοὺς κεκρυφάλους;’ πότερον ὡς τοὺς μάγους φασὶν πρὸς τὸν
Ἄϊδην καὶ τὸ σκότος ἀντιπαττομένους τῷ δὲ φωτεινῷ καὶ λαμπρῷ
συνεξομοιοῦντας ἑαυτοὺς τοῦτο ποιεῖν; ἢ, καθάπερ τὸ σῶμα τοῦ
τεθνηκότος [e] ἀμφιεννύουσι λευκοῖς, καὶ τοὺς προσήκοντας
ἀξιοῦσι; τὸ δὲ σῶμα κοσμοῦσιν οὕτως, ἐπεὶ μὴ δύνανται τὴν
ψυχὴν· βούλονται δ' ἐκείνην λαμπρὰν καὶ καθαρὰν προπέμπειν, ὡς
ἀφειμένην ἤδη καὶ διηγωνισμένην μέγαν ἀγῶνα καὶ ποικίλον. ἢ τὸ
μὲν λιτὸν ἐν τούτοις μάλιστα καὶ τὸ ἀπλοῦν πρέπει; τῶν δὲ
βαπτῶν τὰ μὲν καὶ πολυτέλειαν ἐμφαίνει τὰ δὲ περιεργίαν· οὐ γὰρ
ἦττον ἔστι πρὸς τὸ μέλαν ἢ τὸ ἀλουργὸν εἰπεῖν ‘δολερὰ μὲν τὰ
εἴματα, [f] δολερὰ δὲ τὰ χρώματα.’ τὸ δ' αὐτόχροον μέλαν οὐχ
ὑπὸ τέχνης ἀλλὰ φύσει βαπτὸν ἔστι, καὶ μεμιγμένον τῷ σκιώδει
κεκράτηται. μόνον οὖν τὸ λευκὸν εἰλικρινὲς καὶ ἀμιγὲς καὶ
ἀμίαντόν ἔστι βαφῇ καὶ ἀμίμητον· οἰκειότατον οὖν τοῖς
θαπτομένοις. καὶ γὰρ ὁ τεθνηκῶς ἀπλοῦν τι γέγονε καὶ ἀμιγὲς καὶ
καθαρὸν ἀτεχνῶς οὐδὲν ἀλλ' ἢ φαρμάκου δευσοποιοῦ τοῦ
σώματος ἀππλλαγμένος. ἐν δ' Ἄργει λευκὰ φοροῦσιν ἐν τοῖς
πένθεσιν, ὡς Σωκράτης (FHG IV p. 498) φησίν, ὑδατόκλυστα.

‘Διὰ τί πᾶν τεῖχος ἀβέβηλον καὶ ἱερὸν νομίζουσι, [271] [a] τὰς δὲ
πύλας οὐ νομίζουσιν;’ ἢ καθάπερ ἔγραψε Βάρρων, τὸ μὲν τεῖχος
ἱερὸν δεῖ νομίζειν, ὅπως ὑπὲρ αὐτοῦ μάχωνται προθύμως καὶ
ἀποθνήσκουσιν; οὕτω γὰρ δοκεῖ καὶ Ῥωμύλος ἀποκτεῖναι τὸν
ἀδελφὸν ὡς ἄβατον καὶ ἱερὸν τόπον ἐπιχειροῦντα διατηρᾶν καὶ
ποιεῖν ὑπερβατὸν καὶ βέβηλον. τὰς δὲ πύλας οὐχ οἷόν τ' ἦν

ἀφιερῶσαι, δι' ὧν ἄλλα τε πολλὰ τῶν ἀναγκαίων καὶ τοὺς νεκροὺς ἐκκομίζουσιν. ὅθεν οἱ πόλιν ἀπ' ἀρχῆς κτίζοντες ὅσον ἂν μέλλωσι τόπον ἀνοικοδομεῖν, ἐπίαςιν ἀρότρῳ, βοῦν ἄρρενα καὶ θήλειαν ὑποζεύξαντες· ὅταν δὲ τὰ τεῖχη περιορίζωσι, τὰς τῶν πυλῶν χώρας διαμετροῦντες τὴν [b] ὕννιν ὑφαίρουσι, καὶ μεταφέρουσιν οὕτω τὸ ἄροτρον, ὡς τὴν ἀρουμένην πᾶσαν ἱερὰν καὶ ἄσυλον ἔσομένην.

‘Διὰ τί τοὺς παῖδας, ὅταν ὁμνύωσι τὸν Ἡρακλέα,

‘Διὰ τί δ’ οἱ πρεσβεύοντες εἰς Ῥώμην ὀποθενοῦν ἐπὶ τὸν τοῦ Κρόνου ναὸν βαδίζοντες ἀπογράφονται πρὸς [c] τοὺς ἐπάρχους τοῦ ταμείου;’ πότερον ὡς ξένου τοῦ Κρόνου γενομένου καὶ διὰ τοῦτο τοῖς ξένοις χαίροντος; ἢ καὶ τοῦτο λύεται τῇ ἱστορίᾳ; τὸ γὰρ παλαιὸν ὡς ἔοικεν οἱ ταμίαι ξένια τοῖς πρεσβεύουσιν ἔπεμπον (ἐκαλεῖτο δὲ ‘λαύτια’ τὰ πεμπόμενα) καὶ νοσοῦντων ἐπεμέλοντο καὶ τελευτήσαντας ἔθαπτον ἐκ δημοσίου, νῦν δ’ ὑπὸ πλήθους τῶν ἀφικνουμένων πρέσβων ἐκλείπεται τὸ τῆς δαπάνης μένει δ’ ἔτι τὸ τοῖς ἐπάρχοις τοῦ ταμείου προεντυγχάνειν διὰ τῆς ἀπογραφῆς.

‘Διὰ τί τῷ ἱερεῖ τοῦ Διὸς οὐκ ἔξεστιν ὁμόσαι;’ πότερον ὅτι βάσανός τις ἐλευθέρων ὁ ὄρκος ἐστί, δεῖ δ’ ἀβασάνιστον εἶναι καὶ τὸ σῶμα καὶ τὴν ψυχὴν τοῦ [d] ἱερέως; ἢ ὅτι περὶ μικρῶν ἀπιστεῖσθαι τὸν τὰ θεῖα καὶ μέγιστα πεπιστευμένον οὐκ εἰκός ἐστιν; ἢ ὅτι πᾶς ὄρκος εἰς κατάραν τελευτᾷ τῆς ἐπιορκίας, κατάρα δὲ δύσφημον καὶ σκυθρωπόν; ὅθεν οὐδ’ ἄλλοις ἐπαρᾶσθαι νομίζεται τοὺς ἱερεῖς. ἐπὶ τῇ γοῦν Ἀθήνῃσιν ἡ ἰέρεια μὴ θελήσασα καταράσασθαι τῷ Ἀλκιβιάδῃ τοῦ δήμου κελεύοντος· ἔφη γὰρ εὐχῆς οὐ κατάρας ἰέρεια γεγονέναι. ἢ κοινὸς ὁ τῆς ἐπιορκίας κίνδυνος, ἂν ἀνὴρ ἀσεβῆς καὶ ἐπίορκος εὐχῶν κατάρχηται καὶ ἱερῶν ὑπὲρ τῆς πόλεως;

[e] ‘Διὰ τί τῶν Οὐενεραλίων τῇ ἑορτῇ πολὺν οἶνον ἐκχέουσιν ἐκ τοῦ ἱεροῦ τῆς Ἀφροδίτης;’ πότερον, ὡς οἱ πλεῖστοι λέγουσι, Μεζέντιος ὁ Τυρρηνῶν στρατηγὸς ἔπεμψε πρὸς Αἰνείαν σπενδόμενος ἐπὶ τῷ λαβεῖν τὸν ἐπέτειον οἶνον· ἀρνησαμένου δ’

ἐκείνου τοῖς Τυρρηνοῖς ὑπέσχετο κρατήσας μάχη δώσειν τὸν οἶνον· Αἰνείας δὲ τὴν ὑπόσχεσιν αὐτοῦ πυθόμενος τοῖς θεοῖς τὸν οἶνον καθιέρωσε, καὶ μετὰ τὸ νικῆσαι συναγαγὼν τὸ καρπευθὲν ἐξέχεε πρὸ τοῦ ἱεροῦ τῆς Ἀφροδίτης· ἢ καὶ τοῦτο σύμβολόν ἐστι τοῦ χρῆναι νήφοντας ἐορτάζειν ἀλλὰ μὴ μεθύοντας, ὡς τῶν θεῶν μᾶλλον τοῖς ἐκχέουσι χαιρόντων τὸν πολὺν ἄκρατον ἢ τοῖς πίνουσι;

[f] ‘Διὰ τί τὸν τῆς Ὅρτας ναὸν ἀνεωγμένον εἶχον οἱ παλαιοὶ διὰ παντός;’ πότερον, ὡς Ἀντίστιος Λαβεῶν (Huschke 4`6 p. 58 fr. 20) ἱστορήκε, τοῦ παρορμᾶν ‘ὀρτάρι’ λεγομένου, τὴν οἶον ἐγκελευομένην πρὸς τὰ καλὰ καὶ παρορμῶσαν θεὸν Ὅρταν λεγομένην ὦντο δεῖν ὡς ἐνεργὸν αἰεὶ μηδέποτε μέλλειν μηδ’ ἀποκεκλεῖσθαι μηδ’ ἐλιννύειν· ἢ μᾶλλον ὡς νῦν ὀνομάζουσιν αὐτὴν Ὠραν μηκυνομένης τῆς προτέρας συλλαβῆς, ἐπιστρεφῇ τινα καὶ πολυωρητικὴν θεόν, ^[276] [a] ἦν διαφυλακτικὴν καὶ φροντιστικὴν οὔσαν οὐδέποτε ῥάθυμον οὐδ’ ὀλίγωρον εἶναι τῶν ἀνθρωπίνων ἐνόμιζον; ἢ, καθάπερ ἄλλα πολλὰ, καὶ τοῦτο τῶν Ἑλληνικῶν ὀνομάτων ἐστὶ καὶ δηλοῖ θεὸν ἐπισκοποῦσαν καὶ ἐφορῶσαν; ὅθεν ὡς ἀκοιμήτου καὶ ἀύπνου διὰ παντός ἀνεωγμένον ἦν τὸ ἱερὸν αὐτῆς. εἰ μέντοι τὴν ὦραν ὀρθῶς ὁ Λαβεῶν ἀπὸ τοῦ παρορμᾶν ὠνομάσθαι δέδεκται, σκόπει μὴ τὸν ‘ὠράτορα’ προτρεπτικὸν τινα καὶ παρορμητικὸν ὄντα σύμβουλον ἢ δημαγωγὸν οὕτως ὠνομάσθαι φατέον, οὐκ ἀπὸ τῆς ἀρᾶς καὶ εὐχῆς ὡς ἔνιοι λέγουσι.

[b] ‘Διὰ τί τὸ τοῦ Ἡφαίστου ἱερὸν ἔξω πόλεως ὁ Ῥωμύλος ἰδρύσατο;’ πότερον διὰ τὴν μυθολογουμένην πρὸς Ἄρη ζηλοτυπίαν τοῦ Ἡφαίστου δι’ Ἀφροδίτην υἱὸς εἶναι δοκῶν Ἄρεος οὐκ ἐποιήσατο σύνοικον οὐδ’ ὁμόπολιν αὐτόν; ἢ τοῦτο μὲν ἀβέλτερον, ὠκοδομήθη δ’ ὁ ναὸς ἐξ ἀρχῆς συνέδριον καὶ βουλευτήριον ἀπόρρητον αὐτῷ μετὰ Τατίου τοῦ συμβασιλεύσαντος, ὅπως συνιόντες ἐνταῦθα μετὰ τῶν γερόντων ἄνευ τοῦ παρενοχλεῖσθαι καθ’ ἡσυχίαν βουλευοῖντο περὶ τῶν πραγμάτων; ἢ πρὸς ἐμπρησμόν ἄνωθεν ἐπισφαλῶς τῆς Ῥώμης ἐχούσης ἔδοξε τιμᾶν μὲν ἐξοικίσαι δὲ τῆς πόλεως τὸν θεόν;

[c] ‘Διὰ τί τῇ τῶν Κωνσυχάλων ἐορτῇ καὶ τοὺς ἵππους καὶ τοὺς ὄνους στεφανοῦσι καὶ σχολάζειν ἔωσι;’ πότερον ὅτι Ποσειδῶνι μὲν ἄγουσιν Ἴππεῖά τὴν ἐορτὴν ὁ δ’ ὄνος τῷ ἵππῳ συναπολαύει

καὶ συμμετέχει τῆς ἀδείας; ἢ ὅτι ναυτιλίας φανείσης καὶ κομιδῆς κατὰ θάλατταν ὑπῆρξέ τις ἀμωσγέπως ῥαστώνη καὶ ἀνάπαυσις τοῖς ὑποζυγίοις;

‘Διὰ τί τοὺς παραγγέλλοντας ἀρχὴν ἔθος ἦν ἐν ἱματίῳ τοῦτο ποιεῖν ἀχίτωνας, ὡς Κάτων (Orig. VII 11 J.) ἱστόρηκε;’ πότερον ἵνα μὴ δεκάζωσιν ἀργύριον ἐν τῷ κόλπῳ [d] κομίζοντες; ἢ μᾶλλον ὅτι τοὺς ἀξιόους ἄρχειν οὐ γένεσιν οὐδὲ χρήμασιν οὐδὲ δόξαις ἀλλὰ τραύμασι καὶ ὤτειλαῖς ἔκρινον; ὅπως οὖν ταῦτα καθορῶτο τοῖς ἐντυγχάνουσιν, ἀχίτωνες ἐπὶ τὰς παραγγελίας κατήεσαν; ἢ καθάπερ τῷ δεξιοῦσθαι καὶ παρακαλεῖν καὶ ὑποπίπτειν, οὕτω τῇ γυμνότητι ταπεινοῦντες ἐαυτοὺς ἐδημαγώγουν;

‘Διὰ τί ὁ ἱερεὺς τοῦ Διὸς ἀποθανούσης αὐτῷ τῆς γυναικὸς ἀπετίθετο τὴν ἀρχήν, ὡς Ἀτήιος (Huschke 4`6 p. 66 fr. 12) ἱστόρηκε;’ πότερον ὅτι τοῦ μὴ λαβόντος ὁ λαβὼν εἴτ’ ἀποβαλὼν γυναῖκα γαμετὴν ἀτυχεστέρος; ὁ μὲν γὰρ τοῦ γεγαμηκότος οἶκος τέλειος, ὁ δὲ τοῦ γήμαντος εἴτ’ ἀποβαλόντος οὐκ ἀτελὴς μόνον ἀλλὰ καὶ πεπηρωμένος· ἢ συνιεῖται μὲν ἡ γυνὴ τῷ ἀνδρί (ὡς [e] καὶ πολλὰ τῶν ἱερῶν οὐκ ἔστι δρᾶσαι μὴ γαμετῆς συμπαρούσης), τὸ δὲ γαμεῖν εὐθύς ἐτέραν ἀποβαλόντα τὴν προτέραν οὕτ’ ἴσως δυνατὸν οὕτ’ ἄλλως ἐπιεικέες; ὅθεν οὐδ’ ἀποπέμψασθαι πρότερον ἐξῆν, οὐδὲ νῦν ὡς ἔοικεν ἔξεστιν, ἀλλ’ ἔφ’ ἡμῶν ἐπέτρεψεν ἐντευχθεὶς Δομετιανός· οἱ δ’ ἱερεῖς παρεγένοντο τῇ τοῦ γάμου διαλύσει, πολλὰ φρικώδη καὶ ἀλλόκοτα καὶ σκυθρωπὰ δρῶντες. ἦττον δ’ ἂν τις τοῦτο θαυμάσειε προσιστορήσας, ὅτι καὶ τῶν τιμητῶν θατέρου τελευτήσαντος ἔδει [f] καὶ τὸν ἕτερον πεπαῦσθαι τῆς ἀρχῆς· ἀποθανόντος δὲ τιμητοῦ Λιβίου Δρούσου, Σκαῦρος Αἰμίλιος συνάρχων οὐκ ἐβούλετο τὴν ἀρχὴν ἀπέλπασθαι, μέχρι οὗ τῶν δημάρχων τινὲς αὐτὸν ἐκέλευον εἰς τὸ δεσμωτήριον ἀπάγεσθαι.

‘Διὰ τί τῶν Λαρητῶν, οὓς ἰδίως ‘πραισιτίταις’ καλοῦσι, τούτοις κύων παρέστηκεν, αὐτοὶ δὲ κυνῶν διφθέραις ἀμπεχονται;’ ἢ πραισιτίταις μὲν οἱ προεστῶτές εἰσι, τοὺς δὲ προεστῶτας οἴκου φυλακτικοὺς εἶναι προσήκει, καὶ φοβεροὺς μὲν τοῖς ἀλλοτρίοις, ὥσπερ ὁ κύων ἐστίν, ἡπίους δὲ καὶ πρᾶους τοῖς συνοικοῦσιν; ἢ μᾶλλον, ὃ λέγουσιν ἔνιοι Ρωμαίων, ἀληθὲς ἐστὶ καί, καθάπερ οἱ περὶ Χρύσιππον (deest in St. V. Fr.) οἶονται φιλόσοφοι [277] [a]

φαῦλα δαιμόνια περινοστεῖν, οἷς οἱ θεοὶ δημίους χρῶνται <καὶ> κολασταῖς ἐπὶ τοὺς ἀνοσίους καὶ ἀδίκους ἀνθρώπους, οὕτως οἱ Λάρητες ἐριννυώδεις τινές εἰσι καὶ ποίνιμοι δαίμονες, ἐπίσκοποι βίων καὶ οἴκων· διὸ καὶ κυνῶν δέρμασιν ἀμπέχονται, καὶ κύων πάρεδρός ἐστιν, ὡς δεινοῖς οὕσιν ἐξιχνεῦσαι καὶ μετελθεῖν τοὺς πονηροὺς;

‘Διὰ τί τῇ καλουμένῃ Γενεΐτῃ Μάνῃ κύνα θύουσι καὶ κατεύχονται μηδένα χρηστὸν ἀποβῆναι τῶν οἰκογενῶν;’ ἢ ὅτι daίμων ἐστὶν ἡ Γενεΐτα περὶ τὰς γενέσεις καὶ τὰς λοχείας τῶν φθαρτῶν; ῥύσιν γάρ τινα σημαίνει τοῦνομα καὶ γένεσιν ἢ ῥέουσιν γένεσιν. ὥσπερ οὖν οἱ [b] Ἑλληνες τῇ Ἑκάτῃ, καὶ τῇ Γενεΐτῃ κύνα Ῥωμαῖοι θύουσιν ὑπὲρ τῶν οἰκογενῶν. Ἀργεῖους δὲ Σωκράτης (FHG IV p. 498) φησὶ τῇ Εἰλιονείᾳ κύνα θύειν διὰ τὴν ῥαστώνην τῆς λοχείας. τὸ δὲ τῆς εὐχῆς πότερον οὐκ ἐπ’ ἀνθρώπων ἐστὶν οἰκογενῶν, μηδένα χρηστὸν γενέσθαι [ἀλλὰ κυνῶν]· χαλεποὺς γὰρ εἶναι δεῖ καὶ φοβεροὺς τοὺς κύνας· ἢ διὰ τὸ χρηστοὺς κομφῶς λέγεσθαι τοὺς τελευτῶντας αἰνιττόμενοι διὰ τῆς εὐχῆς αἰτοῦνται μηδένα τῶν συνοίκων ἀποθανεῖν; οὐ δεῖ δὲ τοῦτο θαυμάζειν· καὶ γὰρ Ἀριστοτέλης (fr. 592) ἐν ταῖς Ἀρκάδων πρὸς [c] Λακεδαιμονίους συνθήκαις γεγράφθαι φησὶ μηδένα χρηστὸν ποιεῖν βοηθείας χάριν τοῖς λακωνίζουσι τῶν Τεγεατῶν, ὅπερ εἶναι μηδένα ἀποκτινύναι.

‘Διὰ τί τοῖς Καπιτωλίοις θέας ἄγοντες ἔτι νῦν κηρύττουσι Σαρδιανούς ὠνίους, καὶ γέρων τις ἐπὶ χλευασμῷ προάγεται παιδικὸν ἐναψάμενος περιδέραιον, ὃ καλοῦσι βοῦλλαν;’ ἢ ὅτι Ῥωμύλῳ πολὺν χρόνον ἐπολέμησαν οἱ λεγόμενοι Οὐήιοι Τυρρηγῶν, καὶ ταύτην τὴν πόλιν ἐσχάτην εἶλε, καὶ πολλοὺς αἰχμαλώτους ἀπεκήρυξε μετὰ τοῦ βασιλέως ἐπισκώπτων αὐτοῦ τὴν ἡλιθιότητα [d] καὶ τὴν ἀβελτερίαν; ἐπεὶ δὲ Λυδοὶ μὲν ἦσαν οἱ Τυρρηνοὶ ἐξ ἀρχῆς Λυδῶν δὲ μητρόπολις αἱ Σάρδεις, οὕτω τοὺς Οὐήιους ἀπεκήρυττον· καὶ μέχρι νῦν ἐν παιδιᾷ τὸ ἔθος διαφυλάττουσι.

‘Διὰ τί τὰ κρεωπώλια ‘μάκελλα’ καὶ ‘μακέλλους’ καλοῦσι;’ πότερον ἀπὸ τῶν μαγείρων τοῦνομα διαφθαρέν, ὥσπερ ἄλλα πολλά, τῇ συνηθείᾳ κεκράτηκε (καὶ γὰρ τὸ κάππα πρὸς τὸ γάμμα συγγένειαν ἔχει παρ’ αὐτοῖς· ὅψε γὰρ ἐχρήσαντο τῷ γάμμα

Καρβιλίου Σπορίου (Gramm. Rom. Fr. p. IX 2) προσεξευρόντος· καὶ τὸ λάμβδα πάλιν τοῖς ἀπολισθαίνουσι τοῦ ρ δι' ἀμβλύτητα τῆς γλώττης ὑπόκειται τραυλιζόμενον)· ἢ καὶ τοῦτο [e] λυτέον τῇ ἱστορίᾳ; λέγεται γὰρ ἐν Ῥώμῃ βίαιον ἄνδρα καὶ ληστρικὸν γενόμενον καὶ περικόψαντα πολλοὺς μόγις ἀλῶναι καὶ κολασθῆναι, τοῦνομα Μάκελλον· ἐκ δὲ τῶν χρημάτων αὐτοῦ δημόσιον οἰκοδομηθῆναι κρεωπώλιον ἀπ' ἐκείνου κτησάμενον τὴν προσηγορίαν.

‘Διὰ τί ταῖς Ἰανουαρίαις εἰδοῖς περιέναι δέδοται τοῖς αὐληταῖς τὴν πόλιν ἐσθῆτας γυναικείας φοροῦντας;’ ἢ διὰ τὴν λεγομένην αἰτίαν; μεγάλας γὰρ ὡς ἔοικε τιμὰς [f] ἐκαρποῦντο τοῦ βασιλέως Νομᾶ δόντος αὐτοῖς διὰ τὴν πρὸς τὸ θεῖον ὁσιότητα· ταύτας δ' ὕστερον ἀφαιρεθέντες ὑπὸ τῆς ἀνθυπατικῆς δεκαδαρχίας ἀπεχώρησαν ἐκ τῆς πόλεως. ἦν οὖν ἐπιζήτησις αὐτῶν καὶ τις ἤπτετο δεισιδαιμονία τῶν ἱερέων ἄναυλα θυόντων. ἐπεὶ δ' οὐκ ἐπέιθοντο μεταπεμπομένοις ἀλλ' ἐν Τιβοῦρι διέτριβον, ἀνὴρ ἀπελεύθερος κρύφα τοῖς ἄρχουσιν ἐπηγγείλατο κατάξειν αὐτούς. καὶ παρασκευάσας θοίνην ἄφθονον ὡς τεθυκὼς θεοῖς ἐκάλεσε τοὺς αὐλητάς· καὶ γύναια παρῆν ἅμα τῷ πότῳ καὶ παννυχὶς συνεκροτεῖτο παιζόντων καὶ χορευόντων. εἴτ' ἐξαίφνης ὁ ἄνθρωπος ἐμβαλὼν λόγον ὡς τοῦ [278] [a] πάτρωνος ἐπιόντος αὐτῷ καὶ παραττόμενος συνέπεισε τοὺς αὐλητὰς ἀναβάντας ἐφ' ἀμάξας δέρρεσι κύκλῳ περικαλυπτομένας εἰς τὸ Τιβοῦρ κομίζεσθαι. τοῦτο δ' ἦν ἀπάτη· περιαγαγὼν γὰρ τὰς ἀμάξας οὐ συνωρῶντας αὐτοὺς διὰ τὸν οἶνον καὶ τὸ σκότος ἔλαθεν εἰς Ῥώμην καταγαγὼν ἅπαντας ἔωθεν· ἐτύγχανον δ' οἱ πολλοὶ διὰ τὴν παννυχίδα καὶ τὸν πότον ἐν ἐσθῆσιν ἀνθινᾶς καὶ γυναικείαις ὄντες. ὡς οὖν ἐπέισθησαν ὑπὸ τῶν ἀρχόντων [b] καὶ διηλλάγησαν, ἐνομίσθη τὴν ἡμέραν ἐκείνην οὕτως ἀμπεχομένους σοβεῖν διὰ τῆς πόλεως.

‘Διὰ τί τὸ τῆς Καρμέντης ἱερὸν ἐξ ἀρχῆς δοκοῦσιν αἱ μητέρες ἰδρῦσασθαι καὶ νῦν μάλιστα σέβονται;’ λέγεται γάρ τις λόγος, ὡς ἐκωλύθησαν ὑπὸ τῆς βουλῆς αἱ γυναῖκες ὀχήμασι χρῆσθαι ζευκτοῖς· συνέθεντο οὖν ἀλλήλαις μὴ κυῖσκεσθαι μηδὲ τίκτειν ἀμυνόμεναι τοὺς ἄνδρας, ἄχρις οὔ μετέγνωσαν καὶ συνεχώρησαν αὐταῖς· γενομένων δὲ παίδων εὐτεκνοῦσαι καὶ πολυτεκνοῦσαι τὸ τῆς Καρμέντης ἱερὸν ἰδρῦσαντο. τὴν δὲ Καρμένταν οἱ μὲν Εὐάνδρου μητέρα λέγουσιν οὕσαν ἐλθεῖν εἰς Ἰταλίαν [c]

ὀνομαζομένην Θέμιν, ὡς δ' ἔνιοι, Νικοστράτην· ἐμμέτρους δὲ χρησμοὺς ἄδουσαν ὑπὸ τῶν Λατίνων Καρμένταν ὀνομάζεσθαι· τὰ γὰρ ἔπη ‘κάρμινα’ καλοῦσιν. οἱ δὲ Μοῖραν ἡγοῦνται τὴν Καρμένταν εἶναι καὶ διὰ τοῦτο θύειν αὐτῇ τὰς μητέρας. ἔστι δὲ τοῦ ὀνόματος τὸ ἔτυμον ‘ὑστερημένη νοῦ’ διὰ τὰς θεοφορήσεις. ὅθεν οὐ τὰ κάρμινα τῇ Καρμέντῃ τοῦνομα παρέσχεν, ἀλλὰ μᾶλλον ἀπ’ ἐκείνης ἐκλήθη διὰ τὸ τοὺς χρησμοὺς ἐν ἔπεσι καὶ μέτροις ἐνθουσιῶσαν ἄδειν.

‘Διὰ τί τῇ Ῥουμῖνᾳ θύουσαι γάλα κατασπένδουσι τῶν ἱερῶν, οἶνον δ’ οὐ προσφέρουσιν;’ ἡ Ῥοῦμαν Λατῖνοι τὴν θηλὴν καλοῦσι, καὶ Ῥουμινᾶλιν ὀνομασθῆναι λέγουσιν, παρ’ ὅσον ἡ λύκαινα τῷ Ῥωμύλῳ τὴν θηλὴν παρέσχεν· [d] ὥσπερ οὖν ἡμεῖς τὰς τρεφούσας τὰ παιδία γάλακτι θηλονὰς ἀπὸ τῆς θηλῆς καλοῦμεν, οὕτως ἡ Ῥουμῖνα θηλώ τις οὔσα καὶ τιθήνη καὶ κουροτρόφος οὐ προσίεται τὸν ἄκρατον ὡς βλαβερὸν ὄντα τοῖς νηπίοις;

‘Διὰ τί τῶν συγκλητικῶν τοὺς μὲν πατέρας συγγεγραμμένους, τοὺς δ’ ἀπλῶς πατέρας προσηγόρευον;’ ἡ τοὺς μὲν ἐξ ἀρχῆς κατανεμηθέντας ὑπὸ τοῦ Ῥωμύλου πατέρας ἐκάλουν καὶ πατρικίους, οἷον εὐπατρίδας ὄντας, πατέρας αὐτῶν ἔχοντας ἀποδεῖξαι· τοὺς δ’ ὕστερον ἐπεγγραφέντας ἐκ τῶν δημοτικῶν συγγεγραμμένους πατέρας ὠνόμασαν;

‘Διὰ τί κοινὸς ἦν βωμὸς Ἡρακλέους καὶ Μουσῶν;’ [e] ἡ ὅτι γράμματα τοὺς περὶ Εὐάνδρον ἐδίδαξεν Ἡρακλῆς, ὡς Ἰόβας (FHG III p. 470) ἱστόρηκε; καὶ τὸ πρᾶγμα σεμνὸν ἐνομιζέτο, φίλους καὶ συγγενεῖς διδασκόντων· ὅψὲ δ’ ἥρξαντο μισθοῦ διδάσκειν, καὶ πρῶτος ἀνέωξε γραμματοδιδασκαλεῖον Σπόριος Καρβίλιος, ἀπελεύθερος Καρβιλίου τοῦ πρώτου γαμετῆν ἐκβαλόντος.

‘Διὰ τί, δυεῖν βωμῶν Ἡρακλέους ὄντων, οὐ μεταλαμβάνουσι γυναιῖκες οὐδὲ γεύονται τῶν ἐπὶ τοῦ μείζονος θυομένων;’ πότερον ὅτι τῶν ἱερῶν αἱ περὶ τὴν Καρμένταν ὑστέρησαν, ὑστέρησε δὲ καὶ τὸ Πιναρίων [f] γένος; ὅθεν εἰργόμενοι τῆς θοίνης ἐστιωμένων τῶν ἄλλων Πινάριοι προσηγορεύθησαν· ἡ διὰ τὰ μυθολογούμενα περὶ τοῦ χιτῶνος καὶ τῆς Διανείρας;

‘Διὰ τί τὸν θεὸν ἐκείνον, ᾧ μάλιστα τὴν Ῥώμην σώζειν προσήκει καὶ φυλάττειν, εἶτ’ ἐστὶν ἄρρην εἴτε θήλειαν, καὶ λέγειν ἀπείρηται καὶ ζητεῖν καὶ ὀνομάζειν· ταύτην δὲ τὴν ἀπόρρησιν ἐξάπτουσι δεισιδαμονίας, ἱστοροῦντες Οὐαλέριον Σωρανὸν

ἀπολέσθαι κακῶς διὰ τὸ ἐξειπεῖν;’ πότερον, ὡς τῶν Ῥωμαϊκῶν
τινες ἱστορήκασιν, ἐκκλήσεις εἰσὶ καὶ γοητεῖαι θεῶν, αἷς
νομίζοντες καὶ αὐτοὶ θεοὺς τινὰς ἐκκεκληῖσθαι παρὰ τῶν πολεμίων
[279] [a] καὶ μετωκηκέναι πρὸς αὐτοὺς ἐφοβοῦντο τὸ αὐτὸ παθεῖν
ὑφ’ ἐτέρων; ὥσπερ οὖν Τύριοι δεσμοὺς ἀγάλμασι λέγονται
περιβαλεῖν, ἕτεροι δ’ αἰτεῖν ἐγγυητὰς ἐπὶ λουτρὸν ἢ καθαρόν τινα
προπέμποντες, οὕτως ὦντο Ῥωμαῖοι τὸ ἄρρητον καὶ τὸ ἄγνωστον
ἀσφαλεστάτην εἶναι θεοῦ καὶ βεβαιοτάτην φρουράν· ἢ καθάπερ
Ὅμηρῳ (Ο 193) πεποίηται τὸ ‘γαῖα δ’ ἐστὶ ξυνὴ πάντων’, ὅπως οἱ
ἄνθρωποι τοὺς θεοὺς πάντα σέβωνται καὶ τιμῶσι τὴν γῆν κοινῶς
ἔχοντας, οὕτως ἀπεκρῦψαντο τὸν κύριον τῆς σωτηρίας οἱ παλαιοὶ
Ῥωμαῖοι, βουλόμενοι μὴ μόνον τοῦτον ἀλλὰ πάντας ὑπὸ τῶν
πολιτῶν τοὺς θεοὺς τιμᾶσθαι;

[b] ‘Διὰ τί τῶν λεγομένων Φιτιαλέων, Ἑλληνιστὶ δ’ οἶον
εἰρηνοποιῶν <καὶ> σπονδοφόρων, ὁ καλούμενος ‘πάτερ πατρῴος’
ἐνομίζετο μέγιστος (ἐστὶ δ’ οὗτος, ὃ πατήρ ζῆ καὶ παῖδες εἰσὶν·
ἔχει δὲ καὶ νῦν προνομίαν τινὰ καὶ πίστιν· οἱ γὰρ στρατηγοὶ τὰ δι’
εὐμορφίαν καὶ ὥραν ἐπιμελοῦς δεόμενα καὶ σώφρονος φυλακῆς
σώματα τούτοις παρακατατίθενται)’; πότερον ὅτι τὸ αἰδεῖσθαι τοὺς
παῖδας αὐτοῖς καὶ τὸ φοβεῖσθαι τοὺς πατέρας πρόσσεστιν; ἢ
τοῦνομα τὴν αἰτίαν ὑπαγορεύει; βούλεται γὰρ εἶναι τὸ ‘πατρῴον’
οἶονεὶ συμπεπερασμένον καὶ πεπερατωμένον, ὡς τελειοτέρου τῶν
ἄλλων ὄντος ὃ [c] συμβέβηκε πατέρα κεκτημένῳ πατρὶ γενέσθαι.
ἢ δεῖ τὸν ὅρκων καὶ εἰρήνης προιστάμενον ‘ἅμα πρόσω καὶ ὀπίσω’
καθ’ Ὅμηρον (Α 343 ω 452) ὀρᾶν; εἴη δ’ ἂν μάλιστα τοιοῦτος, ὃ
παῖς ἔστιν ὑπὲρ οὗ βουλευέται, καὶ πατήρ μεθ’ οὗ βουλευέται.

‘Διὰ τί τῷ καλουμένῳ ‘ῥῆγι σακρώρουμ’ (οὗτος δ’ ἐστὶ
βασιλεὺς ἱερῶν) ἀπειρήται καὶ ἄρχειν καὶ δημηγορεῖν;’ ἢ τὸ
παλαιὸν οἱ βασιλεῖς τὰ πλεῖστα καὶ μέγιστα τῶν ἱερῶν ἔδρων καὶ
τὰς θυσίας ἔθνον αὐτοὶ μετὰ τῶν ἱερέων, ἐπεὶ δ’ οὐκ ἐμετρίαζον
ἀλλ’ ἦσαν [d] ὑπερήφανοι καὶ βαρεῖς, τῶν μὲν Ἑλλήνων οἱ
πλεῖστοι τὴν ἐξουσίαν αὐτῶν περιελόμενοι μόνον τὸ θύειν τοῖς
θεοῖς ἀπέλιπον, Ῥωμαῖοι δὲ παντάπασιν τοὺς βασιλεῖς ἐκβαλόντες
ἄλλον ἐπὶ τὰς θυσίας ἔταξαν, οὗτ’ ἄρχειν ἐάσαντες οὔτε
δημαγωγεῖν, ὅπως μόνον ἐν τοῖς ἱεροῖς βασιλεύεσθαι δοκῶσι καὶ
βασιλείαν διὰ τοὺς θεοὺς ὑπομένειν; ἔστι γοῦν τις ἐν ἀγορᾷ θυσία
πρὸς τῷ λεγομένῳ Κομιτίῳ πάτριος, ἣν θύσας ὁ βασιλεὺς κατὰ

τάχος ἅπεισι φεύγων ἐξ ἀγορᾶς.

‘Διὰ τί τὴν τράπεζαν οὐκ εἶων ἀναιρεῖσθαι κενήν, ἀλλὰ πάντως τινὸς ἐπόντος;’ πότερον αἰνιττόμενοι τὸ [e] δεῖν αἰεὶ τι τοῦ παρόντος εἰς τὸ μέλλον ὑπολιπεῖν καὶ τῆς αὔριον ἐν τῇ σήμερον μνημονεύειν, ἢ νομίζοντες ἀστεῖον εἶναι τὸ συστέλλειν καὶ ἀνέχειν τὴν ὄρεξιν ἔτι παρούσης τῆς ἀπολαύσεως; ἦττον γὰρ ἐπιθυμοῦσι τῶν ἀπόντων ἐθισθέντες ἀπέχεσθαι τῶν παρόντων. ἢ καὶ πρὸς οἰκέτας φιλάνθρωπον τὸ ἔθος; οὐ γὰρ οὕτω λαμβάνοντες ὡς μεταλαμβάνοντες ἀγαπῶσι, κοινωνεῖν τρόπον τινὰ τραπέζης ἡγούμενοι τοῖς δεσπόταις. ἢ τῶν ἱερῶν οὐδέποτε δεῖν κενὸν οὐθὲν περιορᾶν, ἱερὸν δ’ ἢ τράπεζα;

‘Διὰ τί τῇ νύμφῃ τὸ πρῶτον οὐκ ἐντυγχάνει μετὰ [f] φωτὸς ὁ ἀνὴρ ἀλλὰ διὰ σκότους;’ πότερον ὅτι αἰδεῖται πρὶν ἢ συνελθεῖν ἄλλοτρίαν νομίζων, ἢ καὶ πρὸς ἰδίαν προσιέναι μετ’ αἰδοῦς ἐθιζόμενος; ἢ, καθάπερ ὁ Σόλων ἔγραψε μήλου κυδωνίου τὴν νύμφην ἐντραγοῦσαν εἰς τὸν θάλαμον βαδίζειν, ὅπως τὸ πρῶτον ἄσπασμα μὴ δυσχερὲς γένηται μηδ’ ἀχάριστον, οὕτως ὁ Ῥωμαῖος νομοθέτης, εἰ δὴ τι προσῆν ἄτοπον τῷ σώματι καὶ δυσχερὲς, ἔκρυπεν; ἢ διαβολὴ τίς ἐστὶν ἀφροδισίων παρανόμων τὸ γινόμενον, ὡς καὶ τοῖς νομίμοις αἰσχύνῃς τινὸς προσοῦσης;

‘Διὰ τί τῶν ἵπποδρόμων εἷς Φλαμίνιος καλεῖται;’ [280] [a] ἢ ὅτι Φλαμίνιου τινὸς τῶν παλαιῶν τῇ πόλει χώραν ἐπιδόντος ἐχρῶντο ταῖς προσόδοις εἰς τοὺς ἵππικοὺς ἀγῶνας, ἔτι δὲ περιόντων χρημάτων κατεσκεύασαν ὁδόν, ἣν καὶ αὐτὴν Φλαμινίαν προσηγόρευσαν;

‘Διὰ τί ‘λικτώρεις’ τοὺς ῥαβδούχους ὀνομάζουσι;’ πότερον ὅτι καὶ συνέδεον τοὺς ἀκολασταίνοντας οὗτοι καὶ τῷ Ῥωμύλῳ παρηκολούθουν ἱμάντας ἐν τοῖς κόλποις κομίζοντες (τὸ δὲ δεσμεύειν ‘ἀλλιγᾶρε’ λέγουσιν οἱ πολλοὶ Ῥωμαίων, οἱ δὲ καθαρεύοντες ἐν τῷ διαλέγεσθαι ‘λιγᾶρε’); ἢ νῦν μὲν παρέγκειται τὸ κ, πρότερον δὲ ‘λιτώρεις’ ἐκαλοῦντο, λειτουργοὶ τινες ὄντες περὶ τὸ δημόσιον; ὅτι γὰρ λῆττον ἄχρι νῦν τὸ δημόσιον ἐν πολλοῖς [b] τῶν Ἑλλήνων νόμων γέγραπται, οὐδένα ὡς ἔπος εἰπεῖν ἐλήθε.

‘Διὰ τί κύνα θύουσιν οἱ Λούπερκοι (Λούπερκοι δ’ εἰσὶν οἱ τοῖς Λουπερκαλίοις γυμνοὶ διαθέοντες ἐν περιζώμασι καὶ καθικνούμενοι σκύτει τῶν ἀπαντῶντων);’ πότερον ὅτι καθαρμός ἐστι τῆς πόλεως τὰ δρώμενα; καὶ γὰρ τὸν μῆνα ‘Φεβρουάριον’

‘Διὰ τί τοῦ Μαΐου μηνὸς οὐκ ἄγονται γυναῖκας;’ πότερον ὅτι μέσος ἐστὶ τοῦ Ἀπριλλίου καὶ τοῦ Ἰουνίου [285] [a] μηνός, ὧν τὸν μὲν Ἀφροδίτης τὸν δ' Ἥρας, γαμηλίων θεῶν, ἱερὸν νομίζοντες προλαμβάνουσι μικρὸν ἢ περιμένουσιν; ἢ ὅτι τῷ μηνὶ τούτῳ τὸν μέγιστον ποιοῦνται τῶν καθαρμῶν, νῦν μὲν εἰδῶλα ῥιπτοῦντες ἀπὸ τῆς γεφύρας εἰς τὸν ποταμὸν πάλαι δ' ἀνθρώπους; διὸ καὶ τὴν Φλαμινίκαν, ἱερὰν τῆς Ἥρας εἶναι δοκοῦσαν, νενόμισται σκυθρωπάζειν, μήτε λουομένην τηνικαῦτα μήτε κοσμουμένην. ἢ ὅτι πολλοὶ Λατίνων ἐν τῷ μηνὶ τούτῳ [b] τοῖς κατοικομένοις ἐναγίζουσι; καὶ διὰ τοῦτ' ἴσως Ἑρμῆν ἐν αὐτῷ σέβονται καὶ Μαίας ἐπώνυμός ἐστιν. ἢ, καθάπερ ἔνιοι λέγουσιν, ὁ μὲν Μάιος ἀπὸ τῆς πρεσβυτέρας, ὁ δ' Ἰούνιος ἀπὸ τῆς νεωτέρας ἡλικίας ὠνόμασται; γάμῳ δ' ἀρμοδιώτερον τὸ νέον, ὡς καὶ Εὐριπίδης (fr. 23) φησὶν

‘ἀλλ' ἢ τὸ γῆρας τὴν Κύπριν χαίρειν ἐᾷ,

ἢ τ' Ἀφροδίτῃ τοῖς γέρουσιν ἄχθεται.’

οὐ γαμοῦσιν οὖν ἐν τῷ Μαΐῳ, περιμένοντες τὸν Ἰούνιον, ὃς εὐθύς ἐστι μετὰ τὸν Μάιον.

‘Διὰ τί τῶν γαμουμένων αἰχμῇ δορατίου τὴν κόμην διακρίνουσιν;’ ἄρα σύμβολόν ἐστι τοῦτο τοῦ βίᾳ [c] καὶ μετὰ πολέμου γαμηθῆναι τὰς πρώτας; ἢ μανθάνουσιν ἀνδράσι συνοικοῦσαι μαχίμοις καὶ πολεμικοῖς ἄθρυπτον καὶ ἄθηλυν καὶ ἀφελῇ προσίεσθαι καλλωπισμόν; ὥσπερ ὁ Λυκοῦργος ἀπὸ πρίονος καὶ πελέκεως κελεύσας τὰ θυρώματα ταῖς οἰκίαις ποιεῖν καὶ τὰς ὀροφάς, ἄλλῳ δὲ μὴ χρῆσθαι τὸ παράπαν ἐργαλείῳ, πᾶσαν ἐξέβαλε περιεργίαν καὶ πολυτέλειαν. ἢ τὴν διάστασιν αἰνίττεται τὸ γινόμενον, ὡς μόνῳ σιδήρῳ τοῦ γάμου διακριθησομένου; ἢ τὰ μὲν πλεῖστα τῶν γαμικῶν εἰς τὴν Ἥραν ἀνῆπτο, Ἥρας δ' ἱερὸν τὸ δόρυ νενόμισται, καὶ τῶν ἀγαλμάτων αὐτῆς δόρατι στηρίζεται τὰ πλεῖστα καὶ Κυρῖτις ἡ θεὸς ἐπωνόμασται; τὸ γὰρ δόρυ ‘κύριν’ ἐκάλουν [d] οἱ παλαιοί· διὸ καὶ φασὶ Κυρῖνον ὀνομασθῆναι τὸν Ἐνυάλιον.

‘Διὰ τί τὸ τελούμενον εἰς θέας Λοῦκαρ καλοῦσιν;’ ἢ ὅτι πολλὰ ἐστὶν ἄλση περὶ τὴν πόλιν ἀνειμένα θεοῖς, ἃ καλοῦσι ‘λούκους’,

καὶ τὴν ἀπὸ τούτων πρόσοδον εἰς τὰς θεάς ἀνήλiskon;

‘Διὰ τί τὰ Κυρινάλια μωρῶν ἑορτὴν ὀνομάζουσιν;’ ἢ ὅτι τὴν ἡμέραν ταύτην ἀποδεδώκεσαν, ὡς Ἰόβας (FHG III p. 470) φησί, τοῖς τὰς αὐτῶν πατρίας ἀγνοοῦσιν; ἢ τοῖς μὴ θύσασιν, ὥσπερ οἱ λοιποί, κατὰ φυλὰς ἐν τοῖς Φουρνικαλίοις δι’ ἀσχολίαν ἢ ἀποδημίαν ἢ ἄγνοιαν ἐδόθη τῇ ἡμέρᾳ ταύτῃ τὴν ἑορτὴν ἐκείνην ἀπολαβεῖν;

[e] ‘Διὰ τί τῷ Ἡρακλεῖ γινομένης θυσίας ἄλλον οὐδένα θεῶν ὀνομάζουσιν οὐδὲ φαίνεται κύων ἐντὸς τῶν περιβόλων, ὡς Βάρρων (13, 1 Merkel) ἱστόρηκεν;’ ἢ θεὸν μὲν ἄλλον οὐκ ὀνομάζουσι διὰ τὸ τοῦτον ἡμίθειον νομίζουσιν, ὡς δὲ φασιν ἔνιοι, καὶ μετὰ τῶν ἀνθρώπων ὄντος ἔτι βωμὸν ἰδρύσασθαι τὸν Εὐάνδρον αὐτοῦ καὶ θυσίαν προσαγαγεῖν; κυνὶ δὲ πάντων μάλιστα τῶν ζώων ἐπολέμησε· καὶ γὰρ ὁ Ὅρθος αὐτῷ [ἀεὶ] πολλὰ πράγματα [f] παρέσχε καὶ ὁ Κέρβερος· καὶ ἐπὶ πᾶσι, τοῦ Λικυμνίου παιδὸς Οἰωνοῦ διὰ κύνα φονευθέντος ὑπὸ τῶν Ἱπποκοωντιδῶν, ἀναγκασθεὶς μάχην συνάψαι τῶν τ’ ἄλλων φίλων πολλοὺς ἀπέβαλε καὶ τὸν ἀδελφὸν Ἰφικλέα.

‘Διὰ τί τοῖς πατρικίοις οὐκ ἐξῆν περὶ τὸ Καπετώλιον κατοικεῖν;’ πότερον ὅτι Μᾶρκος Μάλλιος αὐτόθι κατοικῶν ἐπεχείρησε τυραννίδι, <δι> ὃν ἀπώμοτόν φασιν εἶναι τῷ οἴκῳ μηδενὶ Μαλλίων ὄνομα Μᾶρκον γενέσθαι; ἢ παλαιὸς ἦν φόβος οὗτος; Ποπλικόλαν γοῦν ἄνδρα δημοτικώτατον οὐκ ἐπαύσαντο διαβάλλοντες μὲν οἱ δυνατοὶ δεδιότες δ’ οἱ πολλοί, μέχρι οὗ τὴν οἰκίαν αὐτὸς κατέσκαψεν ἐπικεῖσθαι τῇ ἀγορᾷ δοκοῦσαν.

‘Διὰ τί τῷ σώσαντι πόλιν ἐν πολέμῳ δρύινον [286] [a] διδόασιν στέφανον;’ πότερον ὅτι πανταχοῦ καὶ ῥαδίως ἔστιν εὐπορεῖσθαι δρυὸς ἐπὶ στρατείαις; ἢ ὅτι Διὸς καὶ Ἥρας ἱερὸς ὁ στέφανός ἐστιν, οὓς πολιούχους νομίζουσιν; ἢ παλαιὸν ἀπ’ Ἀρκάδων τὸ ἔθος, οἷς ἔστι τις συγγένεια πρὸς τὴν δρῦν; πρῶτοι γὰρ ἀνθρώπων γεγενῆσθαι δοκοῦσιν ἐκ γῆς, ὥσπερ ἡ δρῦς τῶν φυτῶν.

‘Διὰ τί γυψὶ χρῶνται μάλιστα πρὸς τοὺς οἰωνισμοὺς;’ πότερον ὅτι καὶ Ῥωμύλῳ δώδεκα γῦπες ἐφάνησαν ἐπὶ τῇ κτίσει τῆς Ῥώμης; ἢ ὅτι τῶν ὀρνίθων ἥκιστα συνεχῆς καὶ συνήθης οὗτος; οὐδὲ γὰρ νεοττιᾷ γυπὸς ἐντυχεῖν ῥαδίως ἔστιν, ἀλλὰ πόρρωθέν ποθεν ἐξαπίνης [b] καταίρουσι· διὸ καὶ σημειώδης ἡ ὄψις αὐτῶν ἐστιν. ἢ καὶ τοῦτο παρ’ Ἡρακλέους ἔμαθον; εἰ λέγει ἀληθῶς

Ἡρόδωρος (Fr. Gr. Hist. 31 F. 22), ὅτι πάντων μάλιστα γυψὶν ἐπὶ πράξεως ἀρχῇ φανεῖσιν ἔχαιρεν Ἡρακλῆς, ἡγούμενος δικαιοτάτον εἶναι τὸν γῦπα τῶν σαρκοφάγων πάντων· πρῶτον μὲν γὰρ οὐδενὸς ἄπτεται ζῶντος οὐδ' ἀποκτίνουσιν ἔμψυχον οὐδὲν ὡς ἀετοὶ καὶ ἰέρακες καὶ τὰ νυκτίνομα, χρῆται δὲ τοῖς ἄλλως ἀποθανοῦσιν· ἔπειτα καὶ τούτων τὰ ὁμόφυλα παρίησι· πετεινοῦ γὰρ οὐδεὶς ἐώρακε γῦπα γεγόμενον, ὡς ἀετοὶ καὶ ἰέρακες [c] μάλιστα τὰ συγγενῇ διώκουσι καὶ κόπτουσι. καίτοι κατ' Αἰσχύλον (Suppl. 226)

‘ὄρνιθος ὄρνις πῶς ἂν ἀγνεύοι φαγών;’

ἀνθρώποις τε πάντων ὡς ἔπος εἰπεῖν ἀβλαβέστατός ἐστιν, οὔτε καρπὸν ἀφανίζων οὔτε φυτὸν οὔτε ζῶον ἡμερον κακουργῶν. εἰ δ' ὡς Αἰγύπτιοι μυθολογοῦσι, θῆλυ πᾶν τὸ γένος ἐστὶ καὶ κυῖσκονται δεχόμενοι καταπνέοντα τὸν ἀπηλιώτην ὥσπερ τὰ δένδρα τὸν ζέφυρον, καὶ παντάπασιν ἀπλανῇ τὰ σημεῖα καὶ βέβαια γίνεσθαι πιθανόν ἐστιν ἀπ' αὐτῶν, ἐν δὲ τοῖς ἄλλοις αἱ περὶ τὰς ὀχείας σοβήσεις ἔτι δ' ἀρπαγαὶ καὶ φυγαὶ καὶ διώξεις πολὺ τὸ θορυβῶδες καὶ ἀκατάστατον ἔχουσι.

[d] ‘Διὰ τί τοῦ Ἀσκληπιοῦ τὸ ἱερὸν ἔξω πόλεώς ἐστι;’ πότερον ὅτι τὰς ἔξω διατριβὰς ὑγιεινότερας ἐνόμιζον εἶναι τῶν ἐν ἄστει; καὶ γὰρ Ἕλληνες ἐν τόποις καθαροῖς καὶ ὑψηλοῖς ἐπιεικῶς ἰδρυμένα τὰ Ἀσκληπιεῖα ἔχουσιν· ἢ ὅτι τὸν θεὸν ἐξ Ἐπιδαύρου μετάπεμπτον ἤκειν νομίζουσιν; Ἐπιδαυρίοις δ' οὐ κατὰ πόλιν ἀλλὰ πόρρω τὸ Ἀσκληπιεῖόν ἐστιν. ἢ ὅτι τοῦ δράκοντος ἐκ τῆς τριήρους κατὰ τὴν νῆσον ἀποβάντος καὶ ἀφανισθέντος αὐτὸν ὦντο τὴν ἰδρυσιν ὑφηγεῖσθαι τὸν θεόν;

‘Διὰ τί νερόμισται τοὺς ἀγνεύοντας ὀσπρίων ἀπέχεσθαι;’ πότερον, ὡς οἱ Πυθαγορικοὶ τοὺς μὲν κυάμους ἀφωσιοῦντο διὰ τὰς λεγομένας αἰτίας, τὸν δὲ λάθυρον [e] καὶ τὸν ἐρέβινθον ὡς παρωνύμους τοῦ ἐρέβους καὶ τῆς λήθης; ἢ ὅτι πρὸς τὰ περίδειπνα καὶ τὰς προκλήσεις τῶν νεκρῶν μάλιστα χρῶνται τοῖς ὀσπρίοις; ἢ μᾶλλον ὅτι δεῖ πρὸς τὰς ἀγνείας καὶ ἀγιστείας καθαρὰ καὶ λιτὰ τὰ σώματα ἔχειν; ἐστὶ δὲ τὰ ὀσπρια πνευματώδη καὶ περισσευμα ποιεῖ πολλῆς καθάρσεως δεόμενον. ἢ ὅτι καὶ πρὸς συνουσίαν παρορμᾷ διὰ τὸ φυσῶδες καὶ πνευματικόν;

‘Διὰ τί τῶν παναγῶν παρθένων τὰς διαφθαρείσας [f] ἄλλως οὐ κολάζουσιν, ἀλλὰ ζώσας κατορύττουσι;’ πότερον ὅτι καίουσι τοὺς ἀποθανόντας, θάπτειν δὲ πυρὶ τὴν τὸ πῦρ τὸ θεῖον ὁσίως μὴ

‘Διὰ τί ταῖς Δεκεμβρίαις εἰδοῖς ἵπποδρομίας γενομένης ὁ νικήσας δεξιόσειρος Ἄρει θύεται, καὶ τὴν μὲν οὐρὰν ἀποκόψας τις ἐπὶ τὴν Ῥηγίαν καλουμένην κομίζει καὶ τὸν βωμὸν αἱμάσσει, περὶ δὲ τῆς κεφαλῆς οἱ μὲν ἀπὸ τῆς ἱερᾶς ὁδοῦ λεγομένης οἱ δ’ ἀπὸ τῆς Συβούρης καταβάντες διαμάχονται;’ πότερον, ὥς ἔνιοι λέγουσιν, ἵππῳ τὴν Τροίαν ἠλωκέναι νομίζοντες ἵππον κολάζουσιν, ἅτε δὴ καὶ γεγονότες

‘Διὰ τί οἱ τιμηταὶ τὴν ἀρχὴν παραλαβόντες οὐδὲν ἄλλο πράττουσι πρότερον ἢ τὴν τροφὴν ἀπομισθοῦσι [c] τῶν ἱερῶν χηνῶν καὶ τὴν γάνωσιν τοῦ ἀγάλματος;’ πότερον ἀπὸ τῶν εὐτελεστάτων ἀρχόμενοι καὶ μὴ πολλῆς δεομένων δαπάνης μηδὲ πραγματείας; ἢ παλαιὰ τις αὕτη χάρις ἀπομνημονεύεται τοῖς ζῶοις ἀπὸ τῶν Κελτικῶν, ὅτι τοὺς βαρβάρους ὑπερβαίνοντας ἤδη τὸ περιτεῖχισμα τοῦ Καπετωλίου νύκτωρ οἱ χῆνες ἦσθοντο τῶν κυνῶν καθευδόντων καὶ βοῇ τοὺς φύλακας ἐπήγειραν; ἢ φύλακες ὄντες οἱ τιμηταὶ τῶν μεγίστων, καὶ προσῆκον ἐπισκοπεῖν καὶ πολυπραγμονεῖν αὐτοῖς ἱερὰ καὶ δημόσια καὶ βίους καὶ ἥθη καὶ διαίτας, τὸ φυλακτικώτατον ζῶον εὐθὺς ἐν λόγῳ τίθενται, καὶ ἅμα τῇ τούτων ἐπιμελείᾳ προτρέπονται τοὺς πολίτας μὴ ἀμελεῖν μηδὲ [d] ῥαθυμεῖν τῶν ἱερῶν; ἢ δὲ γάνωσις τοῦ ἀγάλματος ἀναγκαία· ταχὺ γὰρ ἔξανθεῖ τὸ μίλτινον, ὧς τὰ παλαιὰ τῶν ἀγαλμάτων

ἔχρωζον.

‘Διὰ τί τῶν ἄλλων ἱερέων τὸν καταδικασθέντα καὶ φυγόντα παύοντες ἕτερον αἰροῦνται, τοῦ δ’ ‘αὔγουρος’, ἕως ζῆ, κἂν ἐπὶ τοῖς μεγίστοις ἀδικήμασι καταγνῶσιν, οὐκ ἀφαιροῦνται τὴν ἱερωσύνην (‘αὔγουρας’ δὲ τοὺς ἐπὶ τῶν οἰωνῶν καλοῦσι);’ πότερον, ὥς ἔνιοι λέγουσι, βούλονται μηδὲνα τὰ τῶν ἱερῶν ἀπόρρητα γινώσκειν, ὃς οὐκ ἔστιν ἱερεὺς; ἢ κατελιγμένον ὄρκοις τὸν αὔγουρα μηδενὶ φράσειν τὰ τῶν ἱερέων ἀπολῦσαι τῶν [e] ὄρκων οὐ θέλουσιν ἰδιώτην γενόμενον; ἢ τιμῆς οὐκ ἔστιν οὐδ’ ἀρχῆς ἀλλ’ ἐπιστήμης ὄνομα καὶ τέχνης ὁ αὔγουρ; ὁμοιον οὖν τῷ τὸν μουσικὸν ἀποψηφίσασθαι μουσικὸν μὴ εἶναι καὶ τὸν ἱατρὸν ἱατρὸν τὸ κωλύειν μάντιν εἶναι τὸν μάντιν, ἀφελέσθαι μὴ δυναμένους τὴν δύναμιν αὐτοῦ, κἂν ἀφέλονται τὴν προσηγορίαν. ἄλλον δ’ οὐ καθιστᾶσιν, εἰκότως τὸν ἐξ ἀρχῆς ἀριθμὸν τῶν αὐγούρων φυλάττοντες.

‘Διὰ τί ταῖς Αὐγούσταις εἰδοῖς, Σεκσιλίαις δὲ πρότερον λεγομέναις, ἐορτάζουσιν αἱ τε δοῦλαι καὶ οἱ [f] δοῦλοι πάντες, αἱ δὲ γυναῖκες μάλιστα ῥύπτεσθαι τὰς κεφαλὰς καὶ καθαίρειν ἐπιτηδεύουσιν;’ ἢ διὰ τὸ Σερούιον τὸν βασιλέα κατὰ ταύτην τὴν ἡμέραν ἐξ αἰχμαλώτου γενέσθαι θεραπαινίδος ἄδειαν ἔργων ἔχουσιν οἱ θεράποντες, τὸ δὲ πλύνειν τὰς κεφαλὰς ἀρξάμενον ἀπὸ τῶν θεραπαινίδων διὰ τὴν ἐορτὴν ἄχρι τῶν ἐλευθέρων προῆλθεν;

‘Διὰ τί κοσμοῦσι τοὺς παῖδας τοῖς περιδεραίοις, ἃ βούλλας καλοῦσι;’ πότερον ἐπὶ τιμῇ τῶν ἡρπασμένων γυναικῶν ὥσπερ ἄλλα πολλὰ καὶ τοῦτ’ ἐψηφίσαντο τοῖς ἐξ αὐτῶν γεννωμένοις ὑπάρχειν; ἢ τὴν Ταρκυνίου τιμῶντες ἀνδραγαθίαν; λέγεται γὰρ ἔτι παῖς ὢν ἐν τῇ ^[288] [a] μάχῃ τῇ πρὸς Λατίνους ἅμα καὶ Τυρρηνοὺς ἐμβαλεῖν εἰς τοὺς πολεμίους, ἀπορρνεῖς δὲ τοῦ ἵππου καὶ τοὺς ἐπιφερομένους ἰταμῶς ὑποστὰς ἐπιρρῶσαι τοὺς Ῥωμαίους, γενομένης δὲ λαμπρᾶς τροπῆς τῶν πολέμιων καὶ μυρίων ἐξακισχιλίων ἀναιρεθέντων τοῦτο λαβεῖν ἀριστεῖον παρὰ τοῦ πατρὸς καὶ βασιλέως. ἢ τοῖς παλαιοῖς οἰκετῶν μὲν ἐρᾶν ὥραν ἐχόντων οὐκ ἦν ἄδοξον οὐδ’ αἰσχρόν, ὥς ἔτι νῦν αἱ κωμωδίαι μαρτυροῦσιν· ἐλευθέρων δὲ παίδων ἰσχυρῶς ἀπείχοντο, καὶ ὅπως μὴδὲ γυμνοῖς ἐντυχόντες [b] ἀμφιγνοήσειαν, ἐφόρουν οἱ παῖδες τὸ παράσημον; ἢ καὶ πρὸς ἀταξίαν ἐστὶ φυλακτήριον τοῦτο, καὶ τρόπον τινὰ τοῦ ἀκολάστου χαλινός, αἰσχυνομένων ἀνδροῦσθαι

πρὶν ἢ τὸ παιδικὸν ἀποθέσθαι παράσημον; ὁ μὲν γὰρ οἱ περὶ Βάρρωνα λέγουσιν οὐ πιθανόν ἐστί, τῆς βούλλης ὑπ' Αἰολέων βόλλας προσαγορευομένης, τοῦτο σύμβολον εὐβουλίας περιτίθεσθαι τοὺς παῖδας. ἀλλ' ὅρα μὴ καὶ τοῦτο διὰ τὴν σελήνην φοροῦσι. τὸ γὰρ φαινόμενον σχῆμα τῆς σελήνης, ὅταν ἢ διχόμηνος, οὐ σφαιροειδὲς ἀλλὰ φακοειδὲς ἐστί καὶ δισκοειδὲς, ὡς δ' Ἐμπεδοκλῆς (Vorsokr. 4 4 21 A 60) οἶεται, καὶ τὸ ὑποκείμενον.

‘Διὰ τί τοὺς ἀπάτορας ‘σπορίους’ υἱοὺς καλοῦσιν;’ οὐ γάρ, ὡς Ἕλληνες νομίζουσι καὶ λέγουσιν οἱ ῥήτορες ἐν ταῖς δίκαις, συμφορητοῦ τινος καὶ κοινοῦ σπέρματος γεγόνασιν, ἀλλ' ἔστιν ὁ Σπόριος τῶν πρῶτων ὀνομάτων, ὡς ὁ Σέξτος καὶ ὁ Δέκιμος καὶ ὁ Γάιος. τὰ δὲ πρῶτα τῶν ὀνομάτων οὐχ ὀλογραφοῦσιν ἀλλ' ἢ δι' ἐνὸς γράμματος, ὡς τὸν Τίτον καὶ τὸν Λούκιον καὶ τὸν Μᾶρκον, ἢ διὰ δυεῖν, ὡς τὸν Τιβέριον καὶ τὸν Γναῖον, ἢ διὰ τριῶν, ὡς τὸν Σέξτον καὶ τὸν Σερούιον. ἔστιν οὖν καὶ ὁ Σπόριος τῶν διὰ δυεῖν γραφομένων, τοῦ σ [f] καὶ τοῦ π. γράφουσι δὲ διὰ τούτων καὶ τοὺς

‘Διὰ τί τὸν Διόνυσον ‘Λίβερουμ πάτρεμ’ καλοῦσι;’ πότερον ὡς ἐλευθερίας πατέρα τοῖς ποιῶσι γενόμενον; [289] [a] γίνονται γὰρ οἱ πολλοὶ θρασεῖς καὶ παρρησίας ὑποπιμπλῶνται περὶ τὰς μέθας. ἢ ὅτι τὴν λοιβὴν παρέσχε; ἢ, ὡς Ἀλέξανδρός (FHG III p. 244) φησιν, ἀπὸ τοῦ παρ’ Ἐλευθεράς τῆς Βοιωτίας Ἐλευθερέως Διονύσου προσαγορευομένου;

‘Διὰ τίνα αἰτίαν ἐν ταῖς δημοσίαις ἐορταῖς ἔθος οὐκ ἔστι γαμεῖσθαι παρθένους, αἱ δὲ χῆραι γαμοῦνται;’ πότερον, ὡς ὁ Βάρρων (8, 3 Merkel) εἴρηκεν, ὅτι λυπούμεναι μὲν αἱ παρθένοι γαμοῦνται, χαίρουσι δ’ αἱ γυναῖκες, ἐορτῇ δὲ <δεῦ’ >μηθὲν λυπούμενους ποιεῖν μηδὲ πρὸς ἀνάγκην; ἢ μᾶλλον ὅτι ταῖς μὲν παρθένοις καλὸν [b] μὴ ὀλίγων, ταῖς δὲ χήραις αἰσχροὺς πολλῶν <παρ>όντων γαμεῖσθαι; ζηλωτὸς γὰρ ὁ πρῶτος γάμος ὁ δὲ δεύτερος ἀπευκταῖος· αἰσχύνονται γὰρ, ἂν ζώντων τῶν προτέρων ἐτέρους λαμβάνωσιν, ὀδύρονται δέ, ἂν ἀποθανόντων. ὅθεν ἡσυχία χαίρουσι μᾶλλον ἢ θορύβοις καὶ προπομπαῖς. αἱ δ’ ἐορταὶ περισπῶσι τοὺς πολλοὺς, ὥστε τοῖς τοιοῦτοις μὴ σχολάζειν. ἢ ὅτι καὶ τὰς Σαβίνων θυγατέρας ἀρπάσαντες ἐν ἐορτῇ παρθένους οὕσας εἰς πόλεμον κατέστησαν, ἐξοιωνίσαντο τὸ γαμεῖν παρθένους ἐν ἱεραῖς ἡμέραις;

‘Διὰ τί Ῥωμαῖοι Τύχην σέβονται Πριμιγένειαν, ἣν ἂν τις εἴποι πρωτογένειαν;’ ἄρ’ ὅτι Σερουίῳ κατὰ [c] τύχην, ὡς φασιν, ἐκ θεραπαινίδος γενομένῳ βασιλεῦσαι τῆς Ῥώμης ἐπιφανῶς ὑπῆρξεν (οὕτω γὰρ οἱ πολλοὶ Ῥωμαίων ὑπειλήφασιν); ἢ μᾶλλον, ὅτι τῆς Ῥώμης ἡ τύχη παρέσχε τὴν ἀρχὴν καὶ τὴν γένεσιν; ἢ φυσικώτερον ἔχει λόγον τὸ πρᾶγμα καὶ φιλοσοφώτερον, ὡς τὴν τύχην πάντων οὕσαν ἀρχὴν καὶ τὴν φύσιν ἐκ τοῦ κατὰ τύχην συνισταμένην, ὅταν πῶς ὥς ἔτυχεν ὑποκειμένοις τάξιν ἐγγένηται;

‘Διὰ τί τοὺς περὶ τὸν Διόνυσον τεχνίτας ‘ιστρίωνας’ Ῥωμαῖοι καλοῦσιν;’ ἢ δι’ ἣν αἰτίαν Κλούβιος Ροῦφος (fr. 4 Peter) ἱστόρηκε;

φησὶ γὰρ ἐν τοῖς [d] πάνυ παλαιοῖς χρόνοις Γαῖου τε Σουλπικίου καὶ Λικινίου Στόλωνος ὑπατευόντων λοιμώδη νόσον ἐν Ῥώμῃ γενομένην πάντας ὁμαλῶς διαφθεῖραι τοὺς ἐπὶ σκηνὴν προερχομένους· δεηθεῖσιν οὖν αὐτοῖς ἐκ Τυρρηνίας ἐλθεῖν πολλοὺς καὶ ἀγαθοὺς τεχνίτας, ὧν τὸν πρωτεύοντα δόξῃ καὶ χρόνον πλεῖστον ἐνευημεροῦντα τοῖς θεάτροις Ἴστρον ὀνομάζεσθαι· καὶ διὰ τοῦτο πάντας ‘ιστρίωνας’ ἀπ’ ἐκείνου προσαγορεύεσθαι.

‘Διὰ τί δὲ τὰς ἐγγυς γένους οὐ γαμοῦσι;’ πότερον αὖξιν τοῖς γάμοις βουλόμενοι τὰς οἰκειότητος καὶ συγγενεῖς πολλοὺς ἐπικτᾶσθαι, διδόντες ἑτέροις καὶ [e] λαμβάνοντες παρ’ ἑτέρων γυναικας; ἢ φοβούμενοι τὰς ἐν τοῖς γάμοις τῶν συγγενῶν διαφορὰς ὡς καὶ τὰ φύσει δίκαια προσαπολλυούσας; ἢ πολλῶν βοηθῶν τὰς γυναικας ὀρῶντες δι’ ἀσθένειαν δεομένας οὐκ ἐβούλοντο τὰς ἐγγυς γένους συνοικίζειν, ὅπως, ἂν οἱ ἄνδρες ἀδικῶσιν αὐτάς, οἱ συγγενεῖς βοηθῶσιν;

‘Διὰ τί τῷ ἱερεῖ τοῦ Διός, ὃν Φλάμινα Διᾶλιν καλοῦσιν, οὐκ ἐξῆν ἀλεύρου θιγεῖν οὐδὲ ζύμης;’ ἢ τὸ μὲν ἄλευρον ἀτελὲς τροφὴ καὶ ἄπεπτός ἐστιν; οὔτε γὰρ ὃ ἦν μεμένηκεν ὁ πυρὸς οὐθ’ ὃ δεῖ γενέσθαι γέγονεν, ὁ ἄρτος, ἀλλὰ καὶ τὴν σπέρματος δύναμιν ἀπολώλεκεν [f] ἅμα καὶ τὴν σιτίου χρεῖαν οὐκ ἔσχηκε· διὸ καὶ ‘μυλήφατον’ ὁ ποιητὴς ‘ἄλφιτον’ ἐκ μεταφορᾶς ὠνόμακεν (β 355) ὥσπερ φονευόμενον ἐν τῷ ἀλέτῳ καὶ φθειρόμενον. ἡ δὲ ζύμη καὶ γέγονεν ἐκ φθορᾶς αὐτὴ καὶ φθείρει τὸ φύραμα μιγνυμένη· γίνεται γὰρ ἄτονον καὶ ἀδρανὲς καὶ ὅλως ἔοικε σῆψις ἢ ζύμωσις εἶναι· πλεονάσασα γοῦν ἀποξύνει παντάπασι καὶ φθείρει τὸ ἄλευρον.

‘Διὰ τί καὶ σαρκὸς ὠμῆς ἀπείρηται τῷ ἱερεῖ ψαύειν;’ πότερον ὠμοφαγίας πάνυ πόρρωθεν ἀποτρέπει τὸ ἔθος; ἢ δι’ ἢν τὸ ἄλευρον αἰτίαν ἀφοσιοῦνται καὶ τὸ [290] [a] κρέας; οὔτε γὰρ ἐστι ζῶον οὔτ’ ὄψον ἤδη γέγονεν. ἡ γὰρ ἔψησις καὶ ὀπτησις ἀλλοίωσις οὔσα καὶ μετακόσμησις ἐξίστησι τὴν μορφήν, τὸ δὲ πρόσφατον καὶ ὠμὸν οὐδὲ τὴν ὄψιν ἔχει καθαρὰν καὶ ἀμίαντον, ἀλλ’ εἶδεχθῇ καὶ ἐλκώδη.

‘Διὰ τί δὲ καὶ κυνὸς καὶ αἰγὸς ἐκέλευον ἀπέχεσθαι τὸν ἱερέα, μήθ’ ἀπτόμενον μήτ’ ὀνομάζοντα;’ πότερον τῆς μὲν αἰγὸς βδελυττόμενοι τὸ ἀκόλαστον καὶ δυσῶδες; ἢ φοβούμενοι τὸ νοσηματικόν; δοκεῖ γὰρ ἐπιληψία καταλαμβάνεσθαι μάλιστα τῶν

ζῶων καὶ προσαναχρῶννυσθαι τοῖς φαγοῦσιν ἢ θιγοῦσιν ὑπὸ τοῦ πάθους ἐχομένης. αἰτίαν δὲ λέγουσι τὴν στενότητα τῶν [b] πνευματικῶν πόρων πολλάκις ἐπιλαμβανομένην, τεκμαιρόμενοι τῇ λεπτότητι τῆς φωνῆς· καὶ γὰρ ἀνθρώπων ὅσοις ἐπιληπτίζουσι συμβαίνει φθέγγεσθαι μηκασμῷ παραπλησίαν φωνὴν ἀφιᾶσι. τῷ δὲ κυνὶ τοῦ μὲν ἀκολάστου καὶ δυσώδους ἦττον ἴσως μέτεστι· καίτοι φασὶν ἔνιοι μήτε τῆς Ἀθηναίων ἀκροπόλεως ἐπιβαίνειν κύνα μήτε τῆς Δηλίων νήσου διὰ τὴν ἐμφανῆ μῖξιν, ὥσπερ βοῶν καὶ συῶν καὶ ἵππων ἐν θαλάμοις ἄλλ’ οὐκ ἐμφανῶς καὶ ἀνέδην ὀχεύοντων. τὴν γὰρ ἀληθινὴν αἰτίαν ἀγνοοῦσιν, ὅτι μάχιμον ὄντα τὸν κύνα τῶν ἀσύλων καὶ [c] ἀγίων ἐξείργουσιν ἱερῶν, ἀσφαλῆ καταφυγὴν τοῖς ἰκέταις διδόντες. εἰκὸς μὲν οὖν ἐστὶ καὶ τὸν ἱερέα τοῦ Διὸς ὥσπερ ἔμψυχον καὶ ἱερὸν ἄγαλμα καὶ καταφύξιμον ἀνεῖσθαι τοῖς δεομένοις καὶ ἰκετεύουσι, μηδενὸς ἀπείργοντος μηδ’ ἐκφοβοῦντος. διὸ κλινίδιον μὲν ἦν αὐτοῦ κείμενον ἐν τῷ θυρῶνι τῆς οἰκίας· ὁ δὲ προσπεσὼν τοῖς γόνασι τὴν ἡμέραν ἐκείνην ἄδειαν εἶχε πληγῶν καὶ κολάσεως· εἰ δὲ δεσμώτης φθαίῃ προσελθὼν, ἐλύετο· τοὺς δὲ δεσμοὺς ἐκτὸς οὐ κατὰ θύρας ἀλλ’ ὑπὲρ τοῦ στέγους ἀπερρίπτουν. οὐδὲν οὖν ὄφελος ἦν οὕτως αὐτὸν ἡμερον παρέχειν καὶ φιλάνθρωπον, εἰ κύων προειστήκει δεδιττόμενος καὶ ἀπερύκων τοὺς προσφυγεῖν δεομένους.

[d] οὐ μὴν οὐδὲ καθαρεύειν ὥοντο παντάπασιν οἱ παλαιοὶ τὸ ζῶον· Ὀλυμπίων μὲν γὰρ οὐδενὶ θεῶν καθιέρωται, χθονία δὲ δεῖπνον Ἑκάτῃ πεμπόμενος εἰς τριόδους ἀποτροπαίων καὶ καθαρσίων ἐπέχει μοῖραν. ἐν δὲ Λακεδαιμόνι τῷ φονικωτάτῳ θεῶν Ἐνυαλίῳ σκύλακας ἐντέμνουσι· Βοιωτοῖς δὲ δημοσίᾳ καθαρμός ἐστὶ κυνὸς διχοτομηθέντος <διὰ> τῶν μερῶν διεξελθεῖν· αὐτοὶ δὲ Ῥωμαῖοι τοῖς Λυκαίοις, ἃ Λουπερκάλια καλοῦσιν, ἐν τῷ καθαρσίῳ μὴνὶ κύνα θύουσιν. ὅθεν οὐκ ἀπὸ τρόπου τοῖς τὸν ὑπέρτατον καὶ καθαρώτατον εἰληφόσι θεραπεύειν θεὸν ἀπειρηθῆσθαι κύνα ποιεῖσθαι συνήθη καὶ σύνοικον.

[e] ‘Διὰ τίνα δ’ αἰτίαν οὐδὲ κιττοῦ θιγεῖν ἐφίετο τῷ ἱερεῖ τοῦ Διός, οὐδ’ ὁδὸν διελθεῖν ἀναδενδράδος ἄνωθεν διατεταμένης;’ ἡ τοῦτο μὲν ὅμοιον ἐστὶ τῷ ‘μὴ ἐσθίειν ἀπὸ δίφρου’ ‘μηδ’ ἐπὶ χοίνικος καθῆσθαι’ ‘μηδὲ σάρον ὑπερβαίνειν’, οὐ ταῦτα τῶν Πυθαγορικῶν δεδιότων καὶ φυλαττομένων, ἀλλ’ ἕτερα τούτοις ἀπαγορευόντων; καὶ γὰρ τὸ ὑπ’ ἄμπελον ὑποπορεύεσθαι τὴν

ἀναφορὰν ἐπὶ τὸν οἶνον εἶχεν, ὥς οὐ θεμιτὸν τῷ ἱερεῖ μεθύσκεσθαι. τῶν γὰρ μεθυσκομένων ὑπὲρ κεφαλῆς ὁ οἶνός ἐστι καὶ πιεζοῦνται καὶ ταπεινοῦνται, δέον ὑπερτέρους [f] εἶναι καὶ κρατεῖν αἰεὶ τῆς ἡδονῆς ταύτης ἀλλὰ μὴ κρατεῖσθαι. τὸν δὲ κιττὸν πότερον ὡς ἄκαρπον καὶ ἄχρηστον ἀνθρώποις, ἀδρανῆ δὲ καὶ δι' ἀσθένειαν ἐτέρων ὀχοῦντων δεόμενον, σκιᾶ δὲ καὶ χλωρότητος ὄψει γοητεύοντα τοὺς πολλοὺς οὐκ ὦντο δεῖν ἀσύμβολον ἐν ταῖς οἰκίαις μάτην ἐντρέφεσθαι καὶ περιπλέκεσθαι βλαβερὸν ὄντα τοῖς προσδεχομένοις φυτοῖς; <ἢ ὡς> τῆς γῆς ἐχόμενον; [291] [a] διὸ τῶν μὲν Ὀλυμπίων ἱερῶν εἴργεται, καὶ οὗτ' ἐν Ἥρας Ἀθήνησιν οὔτε Θήβησιν ἐν Ἀφροδίτῃς ἴδοι τις ἂν κιττόν· Ἀγριωνίοις δὲ καὶ Νυκτελίοις, ὧν τὰ πολλὰ διὰ σκότους δρᾶται, πάρεσθιν. ἢ καὶ τοῦτο συμβολικὴ θιάσων καὶ βακχευμάτων ἀπαγόρευσις ἦν; αἱ γὰρ ἔνοχοι τοῖς βακχικοῖς πάθεσι γυναικες εὐθύς ἐπὶ τὸν κιττὸν φέρονται, καὶ σπαράττουσι δραττόμεναι ταῖς χερσὶ καὶ διεσθίουσαι τοῖς στόμασιν· ὥστε μὴ παντελῶς ἀπιθάνους εἶναι τοὺς λέγοντας, ὅτι καὶ πνεῦμα μανίας ἔχων ἐγερτικὸν καὶ παρακινητικὸν ἐξίστησι καὶ σπαράττει, καὶ [b] ὅλως ἄοινον ἐπάγει μέθην καὶ χάριν τοῖς ἐπισφαλῶς πρὸς ἐνθουσιασμόν ἔχουσι.

‘Διὰ τί τοῖς ἱερεῦσι τούτοις ἀρχὴν οὐκ ἐφεῖτο λαβεῖν οὐδὲ μετελθεῖν, ἀλλὰ ῥαβδούχῳ τε χρῶνται καὶ δίφρον ἡγεμονικὸν ἐπὶ τιμῇ καὶ παραμυθία τοῦ μὴ ἄρχειν ἔχουσι;’ πότερον, ὡς ἐνιαχοῦ τῆς Ἑλλάδος ἀντίρροπον ἦν τὸ τῆς ἱερωσύνης ἀξίωμα πρὸς τὸ τῆς βασιλείας, <τοὺς> μὴ τυχόντας ἱερεῖς ἀπεδείκνυσαν; ἢ μᾶλλον ὅτι, τῶν μὲν ἱερέων ὠρισμένας πράξεις ἐχόντων τῶν δ' [c] ἀρχόντων ἀτάκτους καὶ ἀορίστους, οὐκ ἦν δυνατόν εἰς ἐν ἅμα τῶν καιρῶν συμπεσόντων ἐκατέρῳ παρεῖναι τὸν αὐτόν, ἀλλ' ἔδει θάτερα πολλάκις ἀμφοτέρων ἐπειγόντων ἀπολείποντα νῦν μὲν ἀσεβεῖν τοὺς θεοὺς, νῦν δὲ βλάπτειν τοὺς πολίτας; ἢ ταῖς ἀνθρωπίναις ἐνορῶντες ἀρχαῖς οὐκ ἐλάττονα τῆς ἐξουσίας τὴν ἀνάγκην προσοῦσαν καὶ τὸν ἄρχοντα δήμου, καθάπερ Ἰπποκράτης (π. φυσ. 1 p. 91 H.) ἔφη τὸν ἱατρόν, δεινὰ μὲν ὀρῶντα δεινῶν δ' ἀπτόμενον, ἐπ' ἀλλοτρίοις δὲ κακοῖς ἰδίας λύπας καρπούμενον, οὐχ ὅσιον ἡγοῦντο θύειν θεοῖς καὶ ἱερῶν κατάρχεσθαι γενόμενον ἐν καταδίκαις καὶ θανατώσεσι πολιτῶν, πολλάκις δὲ καὶ συγγενῶν καὶ οἰκείων, οἷα καὶ Βροῦτῳ συνέτυχε;

ΑΙΤΙΑ ΕΛΛΗΝΙΚΑ

‘Τίνες οἱ ἐν Ἐπιδαύρῳ κονίποδες καὶ ἄρτυνοι;’ οἱ [e] μὲν τὸ πολίτευμα ... ὀγδοήκοντα καὶ ἑκατὸν ἄνδρες ἦσαν· ἐκ δὲ τούτων ἤρουντο βουλευτάς, οὓς ‘ἀρτύνους’ ἐκάλουν. τοῦ δὲ δήμου τὸ πλεῖστον ἐν ἀγρῷ διέτριβεν· ἐκαλοῦντο δὲ ‘κονίποδες’, ὡς συμβαλεῖν ἔστιν ἀπὸ τῶν ποδῶν γνωριζόμενοι κεκοιμένων, ὅποτε κατέλθοιεν εἰς τὴν πόλιν.

‘Τίς ἡ παρὰ Κυμαίοις ὀνοβάτις;’ τῶν γυναικῶν [f] τὴν ἐπὶ μοιχείᾳ ληφθεῖσαν ἀγαγόντες εἰς ἀγορὰν ἐπὶ λίθου τινὸς ἐμφανῇ πᾶσι καθίστασαν· εἴθ’ οὕτως ἀνεβίβαζον ἐπ’ ὄνον, καὶ τὴν πόλιν κύκλῳ περιαχθεῖσαν ἔδει πάλιν ἐπὶ τὸν αὐτὸν λίθον κατασταθῆναι καὶ τὸ λοιπὸν ἄτιμον διατελεῖν, ‘ὀνοβάτιν’ προσαγορευομένην. τὸν δὲ λίθον ἀπὸ τούτου καθαρὸν οὐ νομίζοντες ἀφωσιοῦντο. ἦν δὲ καὶ φυλάκτου τις ἀρχὴ παρ’ αὐτοῖς· ὁ δὲ ταύτην ἔχων τὸν μὲν ἄλλον χρόνον ἐτήρει τὸ δεσμοπήριον, εἰς [292] [a] δὲ τὴν βουλὴν ἐν τῷ νυκτερινῷ συλλόγῳ παριῶν ἐξῆγε τοὺς βασιλεῖς τῆς χειρὸς καὶ κατεῖχε, μέχρι περὶ αὐτῶν ἡ βουλὴ διαγνοίῃ, πότερον ἀδικοῦσιν ἢ οὐ, κρύβδην φέρουσα τὴν ψῆφον.

‘Τίς ἡ παρὰ Σόλοις ὑπεκκαύστρια;’ τὴν τῆς Ἀθηνᾶς ἰέρειαν οὕτω καλοῦσιν, ὅτι ποιεῖται τινὰς θυσίας καὶ ἱερουργίας ἀποτροπαίους.

‘Τίνες ἐν Κνίδῳ οἱ ἀμνήμονες καὶ τίς ὁ ἀφεστήρ;’ ἐξήκοντα προκρίτοις ἀνδράσιν ἐκ τῶν ἀρίστων οἷον ἐπισκόποις ἐχρῶντο διὰ βίου καὶ προβούλοις τῶν μεγίστων· ἐκαλοῦντο δ’ ‘ἀμνήμονες’ ὡς ἂν τις εἰκάσειε διὰ τὸ [b] ἀνυπεύθυνον, εἰ μὴ νῆ Δία πολυμνήμονές τινες ὄντες. ὁ δὲ τὰς γνώμας ἐρωτῶν ‘ἀφεστήρ’.

‘Τίνες οἱ παρ’ Ἀρκάσι καὶ Λακεδαιμονίοις χρηστοί;’ Λακεδαιμόνιοι Τεγεάταις διαλλαγέντες ἐποιήσαντο συνθήκας καὶ στήλην ἐπ’ Ἀλφειῷ κοινὴν ἀνέστησαν, ἐν ἣ μετὰ τῶν ἄλλων γέγραπται ‘Μεσσηνίους ἐκβαλεῖν ἐκ τῆς χώρας καὶ μὴ ἐξεῖναι ‘χρηστούς’ ποιεῖν.’ ἐξηγούμενος οὖν ὁ Ἀριστοτέλης (fr. 592) τοῦτο φησι δύνασθαι τὸ μὴ ἀποκτινύναι βοηθείας χάριν τοῖς λακωνίζουσι τῶν Τεγεατῶν.

‘Τίς ὁ παρ’ Ὀπουντίοις κριθολόγος;’ οἱ πλεῖστοι τῶν Ἑλλήνων πρὸς τὰς πάνυ παλαιὰς θυσίας ἐχρῶντο [c] ταῖς κριθαῖς, ἀπαρχομένων τῶν πολιτῶν. τὸν μὲν οὖν ἐπὶ τῶν θυσιῶν ἄρχοντα καὶ ταύτας κομιζόμενον τὰς ἀπαρχάς ‘κριθολόγον’ ὠνόμαζον. δύο

δ' ἦσαν ἱερεῖς παρ' αὐτοῖς, ὁ μὲν περὶ τὰ θεῖα τεταγμένος, ὁ δὲ περὶ τὰ δαιμόνια.

‘Τίνες αἱ πλωιάδες νεφέλαι;’ τὰς ὑπόμβρους μάλιστα καὶ περιφερομένας ἐκάλουν ‘πλωιάδας’, ὡς Θεόφραστος ἐν τετάρτῃ περὶ μεταρσίων εἶρηκε κατὰ λέξιν ‘ἐπεὶ καὶ αἱ πλωιάδες αὗται νεφέλαι καὶ αἱ συνεστῶσαι, ἀκίνητοι δὲ καὶ τοῖς χρώμασιν ἔκλευκοι, δηλοῦσι διαφορὰν [d] τινα τῆς ὕλης, ὡς οὕτ' ἐξυδατουμένης οὕτ' ἐκπνευματουμένης.’

‘Τίς ὁ παρὰ Βοιωτοῖς πλατυχαίτας;’ τοὺς οἰκία γειτνιῶντας ἢ χωρίοις ὁμοροῦντας αἰολίζοντες οὕτω καλοῦσιν ὡς τὸ πλησίον ἔχοντας. παραθῆσομαι δὲ λέξιν μίαν ἐκ τοῦ θεσμοφυλακίου νόμου, πλειόνων οὐσῶν

‘Τίς ὁ παρὰ Δελφοῖς ὀσιωτῆρ καὶ διὰ τί βύσιον ἓνα τῶν μηνῶν καλοῦσιν;’ ‘ὀσιωτῆρα’ μὲν καλοῦσι τὸν θυόμενον ἱερεῖον, ὅταν ‘ὅσιος’ ἀποδειχθῇ. πέντε δ' εἰσὶν ὅσοι διὰ βίου, καὶ τὰ πολλὰ μετὰ τῶν προφητῶν δρῶσιν οὗτοι καὶ συνιερουργοῦσιν, ἅτε γεγενέναι δοκοῦντες ἀπὸ [e] Δευκαλίωνος. ὁ δὲ ‘βύσιος’ μῆν, ὡς μὲν οἱ πολλοὶ νομίζουσι, φύσιός ἐστιν· ἕαρος γὰρ ἄρχει καὶ τὰ πολλὰ φύεται τηνικαῦτα καὶ διαβλαστάνει. τὸ δ' ἄληθές οὐκ ἔχει οὕτως· οὐ γὰρ ἀντὶ τοῦ φ τῷ β χρῶνται Δελφοί, καθάπερ Μακεδόνες ‘Βίλιππον’ καὶ ‘βαλακρόν’ καὶ ‘Βερονίκην’ λέγοντες, ἀλλ' ἀντὶ τοῦ π· καὶ γὰρ τὸ πατεῖν ‘βατεῖν’ καὶ τὸ πικρόν ‘βικρόν’ ἐπικεικῶς καλοῦσιν. ἔστιν οὖν πύσιος ὁ ‘βύσιος’, ἐν ᾧ πυστιῶνται καὶ πυνθάνονται τοῦ θεοῦ· †τὸ γὰρ ἐννοεῖν καὶ πάτριον. ἐν τῷ μηνὶ γὰρ τούτῳ χρηστήριον ἐγίγνετο καὶ ἐβδόμην ταύτην νομίζουσι τοῦ [f] θεοῦ γενέσθλιον, καὶ πολύφθοον ὀνομάζουσιν οὐ διὰ τὸ πέττεσθαι φθόις, ἀλλὰ πολυπευθῇ καὶ πολυμάντευτον οὔσαν. ὁπὲ γὰρ ἀνείθησαν αἱ κατὰ μῆνα μαντεῖαι τοῖς δεομένοις, πρότερον δ' ἅπαξ ἐθεμίστευσεν ἡ Πυθία τοῦ ἐνιαυτοῦ κατὰ ταύτην τὴν ἡμέραν, ὡς Καλλισθένους [293] [a] (Fr. Gr. Hist. 124 F. 49) καὶ Ἀναξανδρίδης ἱστορήκασι.

‘Τί τὸ φυξίμηλον;’ τῶν μικρῶν ἐστὶ καὶ χαμαιζήλων φυτῶν, ὧν ἐπιόντα τοὺς βλαστοὺς τὰ βοσκήματα κολοῦει καὶ ἀδικεῖ καὶ λυμαίνεται τὴν αὐξησιν· ὅταν οὖν ἀναδραμόντα μέγεθος λάβῃ καὶ διαφύγῃ τὸ βλάπτεσθαι ὑπὸ τῶν ἐπινεμομένων, ‘φυξίμηλα’ καλεῖται. τὸ δὲ μαρτύριον Αἰσχύλος (fr. 447).

‘Τίνες οἱ ἀποσφενδόνητοι;’ Κέρκυραν τὴν νῆσον Ἑρετριεῖς

κατώκουν· Χαρικράτους δὲ πλεύσαντος ἐκ Κορίνθου μετὰ δυνάμεως καὶ τῷ πολέμῳ κρατοῦντος ἐμβάντες εἰς τὰς ναῦς οἱ Ἑρετριεῖς ἀπέπλευσαν οἴκαδε.

[b] προαισθόμενοι δ' οἱ πολῖται τῆς χώρας εἶργον αὐτοὺς καὶ ἀποβαίνειν ἐκώλυνον σφενδονῶντες. μὴ δυνάμενοι δὲ μήτε πεῖσαι μήτε βιάσασθαι πολλοὺς καὶ ἀπαραιτήτους ὄντας ἐπὶ Θράκης ἔπλευσαν καὶ κατασχόντες χωρίον, ἐν ᾧ πρότερον οἰκῆσαι Μέθωνα τὸν Ὀρφέως πρόγονον ἱστοροῦσι, τὴν μὲν πόλιν ὠνόμασαν Μεθώνην, ὑπὸ δὲ τῶν προσοίκων 'ἀποσφενδόνητοι' προσωνομάσθησαν.

‘Τίς ἢ παρὰ Δελφοῖς Χάριλα;’ τρεῖς ἄγουσι Δελφοὶ ἐνναετηρίδας κατὰ τὸ ἐξῆς, ὧν τὴν μὲν Σεπτήριον [c] καλοῦσι, τὴν δ' Ἡρώιδα, τὴν δὲ Χάριλαν. τὸ μὲν οὖν Σεπτήριον ἔοικε μίμημα τῆς πρὸς τὸν Πύθωνα τοῦ θεοῦ μάχης εἶναι καὶ τῆς μετὰ τὴν μάχην ἐπὶ τὰ Τέμπη φυγῆς καὶ ἐκδιώξεως. οἱ μὲν γὰρ φυγεῖν ἐπὶ τῷ φόνῳ φασὶ χρῆζοντα καθαρσίῳ, οἱ δὲ τῷ Πύθωνι τετρωμένῳ καὶ φεύγοντι κατὰ τὴν ὁδόν, ἣν νῦν ἱερὰν καλοῦμεν, ἐπακολουθεῖν καὶ μικρὸν ἀπολειφθῆναι τῆς τελευτῆς· κατέλαβε γὰρ αὐτὸν ἐκ τοῦ τραύματος ἄρτι τεθνηκότα καὶ κεκηδευμένον ὑπὸ τοῦ παιδός, ᾧ ὄνομα ἦν Αἰξ, ὡς λέγουσι. τὸ μὲν οὖν Σεπτήριον τούτων ἢ τοιούτων τινῶν ἀπομίμησίς ἐστιν ἐτέρων. τῆς δ' Ἡρώιδος τὰ πλεῖστα μυστικὸν ἔχει λόγον, ὃν ἴσασι αἱ Θυιάδες, ἐκ δὲ τῶν [d] δρωμένων φανερώς Σεμέλης ἂν τις ἀναγωγὴν εἰκάσειε. περὶ δὲ τῆς Χαρίλας τοιαῦτά τινα μυθολογοῦσι. λιμὸς ἐξ αὐχμοῦ τοὺς Δελφοὺς κατέσχε, καὶ πρὸς τὰς θύρας τοῦ βασιλέως ἐλθόντες μετὰ τέκνων καὶ γυναικῶν ἰκέτευον. ὁ δὲ τῶν ἀλφίτων καὶ τῶν χεδρόπων μετεδίδου τοῖς γνωριμωτέροις αὐτῶν· οὐ γὰρ ἦν ἱκανὰ πᾶσιν. ἐλθούσης δὲ παιδὸς ἔτι μικρᾶς ὀρφανῆς γονέων καὶ προσλιπαρούσης ἐρράπισεν αὐτὴν ὑποδήματι καὶ τῷ προσώπῳ τὸ ὑπόδημα προσέρριπεν· ἡ δέ, πενιχρά τις οὖσα καὶ ἔρημος οὐκ ἀγεννῆς δὲ τὸ ἦθος, ἐκποδὼν γενομένη [e] καὶ λύσασα τὴν ζώνην ἀνήρτησεν ἐαυτήν. ἐπιτείνοντος δὲ τοῦ λιμοῦ καὶ νοσημάτων προσγενομένων ἀνεῖλεν ἡ Πυθία τῷ βασιλεῖ Χάριλαν ἰλάσκεσθαι παρθένον αὐτοθάνατον. μόλις οὖν ἀνευρόντες, ὅτι τοῦνομα τοῦτ' ἦν τῇ ραπισθείῃ παιδί, μεμιγμένην τινὰ καθαρυῶ θυσίαν ἀπετέλεσαν, ἣν ἐπιτελοῦσιν ἔτι καὶ νῦν δι' ἐννέα ἐτῶν. προκάζεται μὲν γὰρ ὁ βασιλεὺς τῶν ἀλφίτων καὶ τῶν χεδρόπων

ἐπιδιδούς πᾶσι καὶ ξένοις καὶ πολίταις, κομίζεται [f] δὲ τῆς Χαρίλας παιδικὸν εἶδωλον· ὅταν οὖν πάντες λάβωσιν, ὁ μὲν βασιλεὺς ῥαπίζει τῷ ὑποδήματι τὸ εἶδωλον, ἡ δὲ τῶν Θυιάδων ἀρχηγὸς ἀραμένη κομίζει πρὸς τινα τόπον φαραγγώδη, ἧκεῖ σχοινίον περιάψαντες τῷ τραχήλῳ τοῦ εἰδώλου κατορύττουσιν, ὅπου τὴν Χάριλαν ἀπαγξαμένην ἔθαψαν.

‘Τί τὸ πτωχικὸν κρέας παρ’ Αἰνιάσι;’ πλείονες γεγόνασιν Αἰνιάνων μεταναστάσεις. πρῶτον μὲν γὰρ οἰκοῦντες περὶ τὸ Δώτιον πεδίον ἐξέπεσον ὑπὸ Λαπιθῶν εἰς Αἶθικας. ἐκεῖθεν τῆς Μολοσσίας τὴν περὶ τὸν Ἀραοῦαν χώραν κατέσχον, ὅθεν ὠνομάσθησαν Παραοῦαι.

[294] [a] μετὰ ταῦτα Κίρραν κατέσχον· ἐν δὲ Κίρρῃ καταλεύσαντες Οἶνοκλον τὸν βασιλέα τοῦ θεοῦ προστάξαντος, εἰς τὴν περὶ τὸν Ἰναχον χώραν κατέβησαν οἰκουμένην ὑπ’ Ἰναχίεων καὶ Ἀχαιῶν. γενομένου δὲ χρημοῦ τοῖς μὲν ἂν μεταδῶσι τῆς χώρας ἀποβαλεῖν ἅπασαν, τοῖς δ’ ἂν λάβωσι παρ’ ἐκόντων καθέξειν, Τέμων, ἀνὴρ ἐλλόγιμος τῶν Αἰνιάνων, ἀναλαβὼν ῥάκια καὶ πήραν ὡς προσαίτης ὦν ἀφίκετο πρὸς τοὺς Ἰναχιεῖς· ὕβρει δὲ καὶ πρὸς γέλωτα [b] τοῦ βασιλέως βῶλον ἐπιδόντος αὐτῷ, δεξάμενος εἰς τὴν πήραν ἐνέβαλε καὶ ἀφανῆς ἦν ἡγαπηκῶς τὸ δῶρον· ἀπεχώρησε γὰρ εὐθύς οὐδὲν προσαιτήσας. οἱ δὲ πρεσβύτεροι θαυμάσαντες ἀνεμιμνήσκοντο τοῦ χρημοῦ, καὶ τῷ βασιλεῖ προσιόντες ἔλεγον μὴ καταφρονῆσαι μηδὲ προέσθαι τὸν ἄνθρωπον. αἰσθόμενος οὖν ὁ Τέμων τὴν διάνοιαν αὐτῶν ὥρμησε φεύγειν, καὶ διέφυγεν εὐξάμενος τῷ Ἀπόλλωνι καθ’ ἐκατόμβης. ἐκ δὲ τούτου μονομαχοῦσιν οἱ βασιλεῖς, καὶ τὸν τῶν Ἰναχίεων Ὑπέροχον ὁ τῶν Αἰνιάνων [c] Φήμιος ὀρῶν μετὰ κυνὸς αὐτῷ προσφερόμενον οὐκ ἔφη δίκαια ποιεῖν, δεύτερον ἐπάγοντα μαχόμενον, ἀπελαύνοντος δὲ τοῦ Ὑπερόχου τὸν κύνα καὶ μεταστρεφομένου, λίθῳ βαλὼν ὁ Φήμιος ἀναιρεῖ. κτησάμενοι δὲ τὴν χώραν, τοὺς Ἰναχιεῖς μετὰ τῶν Ἀχαιῶν ἐκβαλόντες, τὸν μὲν λίθον ἐκείνον ὡς ἱερὸν σέβονται καὶ θύουσιν αὐτῷ καὶ τοῦ ἱερείου τῷ δημῷ περικαλύπτουσιν. ὅταν δὲ τῷ Ἀπόλλωνι τὴν ἐκατόμβην ἀποδιδῶσι, τῷ Διὶ βοῦν καθιερεύσαντες, μερίδα τοῖς Τέμωνος ἀπογόνους ἐξαίρετον νέμουσι καὶ ‘πτωχικὸν κρέας’ ἐπονομάζουσι.

‘Τίνες οἱ παρ’ Ἰθακησίοις Κολιάδαι καὶ τίς ὁ φάγιλος;’ τῷ

Ὀδυσσεῖ μετὰ τὴν μνηστηροφονίαν οἱ ἐπιτήδαιοι τῶν τεθνηκότων ἐπανεστήσαν, μεταπεμφθεὶς δ' ὑπ' ἀμφοτέρων διαιτητῆς Νεοπτόλεμος ἐδικαίωσε τὸν [d] μὲν Ὀδυσσέα μεταναστῆναι καὶ φεύγειν ἐκ τῆς Κεφαλληνίας καὶ Ζακύνθου καὶ Ἰθάκης ἐφ' αἵματι, τοὺς δὲ τῶν μνηστήρων ἐταίρους καὶ οἰκείους ἀποφέρειν ποινὴν Ὀδυσσεῖ τῶν εἰς τὸν οἶκον ἀδικημάτων καθ' ἕκαστον ἐνιαυτόν. αὐτὸς μὲν οὖν εἰς Ἰταλίαν μετέστη· τὴν δὲ ποινὴν τῷ υἱεῖ καθιερώσας ἀποφέρειν ἐκέλευσε τοὺς Ἰθακησίους. ἦν δ' ἄλφιτα οἶνος κηρία ἔλαιον ἄλλες ἱερεῖα πρεσβύτερα 'φαγίλων'· 'φάγιλον' δέ φησιν Ἀριστοτέλης (fr. 507) τὸν ἀμνὸν εἶναι. τοὺς δὲ περὶ Εὐμαῖον ἐλευθερώσας ὁ Τηλέμαχος κατέμιξεν εἰς τοὺς πολίτας, καὶ τὸ γένος ἐστὶ Κολιαδῶν ἀπ' Εὐμαίου καὶ Βουκολιδῶν ἀπὸ Φιλοτίου.

‘Τίς ἡ ξυλίνη κύων παρὰ Λοκροῖς;’ Φυσκίου τοῦ [e] Ἀμφικτύονος υἱὸς ἦν Λοκρός· ἐκ δὲ τούτου καὶ Καβύης Ὀποῦς. πρὸς ὃν ὁ πατὴρ διενεχθεὶς καὶ συχνοὺς τῶν πολιτῶν ἀναλαβὼν περὶ ἀποικίας ἐμαντεύετο. τοῦ δὲ θεοῦ φήσαντος κτίζειν πόλιν ὅπου περ ἂν τύχῃ δηχθεὶς ὑπὸ κυνὸς ξυλίνης, ὑπερβαίνων εἰς τὴν ἐτέραν θάλασσαν ἐπάτησε κυνόσβατον. ἐνοχληθεὶς δὲ τῇ πληγῇ διέτριψεν ἡμέρας αὐτόθι πλείονας, ἐν αἷς καταμαθὼν τὸ χωρίον ἔκτισε πόλεις Φυσκεῖς καὶ Ὑάντειαν καὶ τὰς ἄλλας, ὅσας [f] οἱ κληθέντες Ὀζόλαι Λοκροὶ κατώκησαν. ‘Τίς ὁ δορύξενος;’ τὸ παλαιὸν ἡ Μεγαρὶς ὤκειτο κατὰ κώμας, εἰς πέντε μέρη νενεμημένων τῶν πολιτῶν. ἐκαλοῦντο δ’ Ἡραεῖς καὶ Πιραεῖς καὶ Μεγαρεῖς καὶ Κυνοσουρεῖς καὶ Τριποδίσκοιοι. τῶν δὲ Κορινθίων πόλεμον αὐτοῖς ἐξεργασαμένων πρὸς ἀλλήλους (αἰὶ γὰρ ἐπεβούλευον ὑφ’ αὐτοῖς ποιήσασθαι τὴν Μεγαρικὴν), ὅμως δι’ [c] ἐπιείκειαν ἡμέρως ἐπολέμουν καὶ συγγενικῶς. τοὺς μὲν γὰρ γεωργοῦντας οὐδεὶς ἠδίκηι τὸ παράπων, τοὺς δ’ ἀλισκομένους λύττρον τι τεταγμένον ἔδει καταβαλεῖν, καὶ τοῦτ’ ἐλάμβανον ἀφέντες. πρότερον δ’ οὐκ εἰσέπραττον, ἀλλ’ ὁ λαβὼν αἰχμάλωτον ἀπῆγεν οἴκαδε, καὶ μεταδοὺς ἄλῶν καὶ τραπέζης ἀπέπεμπεν οἴκαδε. ὁ μὲν οὖν τὰ λύτρα κομίσας ἐπηνεῖτο καὶ φίλος αἰὶ διετέλει τοῦ λαβόντος ἐκ δορυαλώτου ‘δορύξενος’ προσαγορευόμενος. ὁ δ’ ἀποστερήσας οὐ μόνον παρὰ τοῖς πολεμίοις ἀλλὰ καὶ παρὰ τοῖς πολίταις ὡς ἄδικος καὶ ἄπιστος ἠδόξει.

‘Τίς ἡ παλιντοκία;’ Μεγαρεῖς Θεαγένῃ τὸν τύραννον ἐκβαλόντες ὀλίγον χρόνον ἐσωφρόνησαν κατὰ τὴν [d] πολιτείαν· εἴτα πολλὴν κατὰ Πλάτωνα (Rep. 562d) καὶ ἄκρατον αὐτοῖς ἐλευθερίαν τῶν δημαγωγῶν οἰνοχοοῦντων διαφθαρέντες παντάπασι τὰ τ’ ἄλλα τοῖς πλουσίοις ἀσελγῶς προσεφέροντο, καὶ παριόντες εἰς τὰς οἰκίας αὐτῶν οἱ πένητες ἠξίουσαν ἐστιᾶσθαι καὶ δεῖπνεῖν πολυτελῶς· εἰ δὲ μὴ τυγχάνοιεν, πρὸς βίαν καὶ μεθ’ ὕβρεως ἐχρῶντο πᾶσι. τέλος δὲ δόγμα θέμενοι τοὺς τόκους ἀνεπράττοντο παρὰ τῶν δανειστῶν οὓς δεδωκότες ἐτύγχανον, ‘παλιντοκίαν’ τὸ γινόμενον προσαγορεύσαντες.

‘Τίς ὁ λεγόμενος ἐν Πριήνῃ παρὰ δρυῖ σκότος;’ [296] [a] Σάμιοι καὶ Πριηνεῖς πολεμοῦντες ἀλλήλοις τὰ μὲν ἄλλα μετρίως ἐβλάπτοντο καὶ ἔβλαπτον, μάχης δὲ μεγάλης γενομένης χιλίους Σαμίων οἱ Πριηνεῖς ἀπέκτειναν· ἐβδόμῳ δ’ ὕστερον ἔτει Μιλησίοις συμβαλόντες παρὰ τὴν καλουμένην δρυῖν τοὺς ἀρίστους ὁμοῦ τι καὶ πρῶτους ἀπέβαλον τῶν πολιτῶν· ὅτε καὶ Βίας ὁ σοφὸς εἰς Σάμον ἐκ Πριήνης πρεσβεύσας εὐδοκίμησε. ταῖς δὲ Πριηνέων γυναιξὶν ὡμοῦ τοῦ πάθους τούτου καὶ τῆς συμφορᾶς ἐλεεινῆς γενομένης, ἀρὰ κατέστη καὶ ὄρκος περὶ τῶν μεγίστων [b] ‘ὁ παρὰ δρυῖ σκότος’ διὰ τὸ παῖδας αὐτῶν καὶ πατέρας καὶ ἄνδρας ἐκεῖ φρονεῦθῆναι.

‘Τίς ὁ παίδων τάφος παρὰ Χαλκιδεῦσι;’ Κόθος καὶ Αἴκλος οἱ Εοῦθου παῖδες εἰς Εὐβοίαν ἦκον οἰκήσοντες, Αἰολέων τότε τὰ πλεῖστα τῆς νήσου κατεχόντων. ἦν δὲ τῷ Κόθῳ λόγιον εὖ πράξειν καὶ περιέσεσθαι τῶν πολεμίων, ἐὰν πρίηται τὴν χώραν. ἀποβάς οὖν μετ’ ὀλίγον ἐνέτυχε παίζουσι παιδαρίοις παρὰ τὴν θάλασσαν· συμπαίζων [e] οὖν αὐτοῖς καὶ φιλοφρονούμενος ἔδειξε παίγνια πολλὰ τῶν ξενικῶν. ὥς δ’ ἑώρα τοὺς παῖδας ἐπιθυμοῦντας λαβεῖν, οὐκ ἔφησεν αὐτοῖς δώσειν ἄλλως, εἰ μὴ τῆς γῆς λάβοι παρ’ αὐτῶν· οἱ δὲ παῖδες οὕτως ἀναιρούμενοι χαμαῖθεν ἰδίδοσαν καὶ τὸ παίγνια λαβόντες ἀπηλλάγησαν. οἱ δ’ Αἰολεῖς αἰσθόμενοι τὸ γεγονός, καὶ τῶν πολεμίων αὐτοῖς ἐπιπλεόντων, ὑπ’ ὀργῆς καὶ λύπης διεκρήσαντο τοὺς παῖδας. ἐτάφησαν δὲ παρὰ τὴν ὁδόν, ἣ βαδίζουσιν ἐκ πόλεως ἐπὶ τὸν Εὐριπον, καὶ ὁ τόπος ‘τάφος παίδων’ καλεῖται.

‘Τίς ὁ μιξαρχαγέτας ἐν Ἀργεὶ καὶ τίνες οἱ ἐλάσιοι;’ [f] ‘μιξαρχαγέταν’ τὸν Κάστορα καλοῦσι καὶ νομίζουνσι παρ’ αὐτοῖς τεθᾶφθαι· τὸν δὲ Πολυδεύκην ὥς ἓνα τῶν Ὀλυμπίων σέβονται. τοὺς δὲ τὰς ἐπιληψίας ἀποτρέπειν δοκοῦντας ‘ἐλασίους’ μὲν ὀνομάζουσι, δοκοῦσι δὲ τῶν Ἀλεξίδας τῆς Ἀμφιαράου θυγατρὸς ἀπογόνων εἶναι.

Κολωνοῦ δὲ δικάσαντος οἱ μὲν ἀδελφοὶ τῆς Ὀχνης ἔφυγον, αὐτὴ δὲ κατεκρήμνισεν ἑαυτήν, ὡς Μυρτίς (PLG III p. 542) ἡ Ἀνθηδονία ποιήτρια μελῶν ιστόρηκε. τοῦ δ' Εὐνόστου τὸ ἡρῶν καὶ τὸ ἄλσος οὕτως ἀνέμβατον ἐτρηεῖτο καὶ ἀπροσπέλαστον γυναιξίν, ὥστε πολλάκις σεισμῶν ἢ αὐχμῶν ἢ διοσημιῶν ἄλλων γενομένων ἀναζητεῖν καὶ πολυπραγμονεῖν ἐπιμελῶς τοὺς [301] [a] Ταναγραίους, μὴ λέληθε γυνὴ τῷ τόπῳ πλησιάσασα, καὶ λέγειν ἐνίους, ὧν ὁ Κλείδαμος ἦν, ἀνὴρ ἐπιφανής, ἀπηντηκέναι αὐτοῖς τὸν Εὐνόστον ἐπὶ θάλατταν βαδίζοντα λουσόμενον, ὡς γυναικὸς ἐμβεβηκυίας εἰς τὸ τέμενος. ἀναφέρει δὲ καὶ Διοκλῆς (FHG III p. 78) ἐν τῷ περὶ ἡρώων συντάγματι δόγμα Ταναγραίων, περὶ ὧν ὁ Κλείδαμος ἀπήγγειλεν.

‘Διὰ τί πρὸς τὸ τοῦ Ἀγῆνορος τέμενος τὰς οἷς προσελαύνοντες οἱ Ἀργεῖοι βιβάζουσιν;’ ἥ ὅτι κάλλιστα προβάτων ὁ Ἀγῆνωρ ἐπεμελήθη καὶ πλεῖστα ποίμνια τῶν βασιλέων ἐκτήσατο;

‘Διὰ τί Βαλλαχράδας ἑαυτοὺς Ἀργείων παῖδες ἐν ἐορτῇ τινι παίζοντες ἀποκαλοῦσιν;’ ἥ ὅτι τοὺς πρώτους ὑπ' Ἰνάχου καταχθέντας ἐκ τῶν ἄκρων εἰς τὰ πεδία ἀχράσι διατραφεῖναι λέγουσιν; ἀχράδας δὲ πρῶτον ἐν Πελοποννήσῳ φανῆναι τοῖς Ἑλλήσιν, ἔτι τῆς χώρας [b] ἐκείνης Ἀπίας προσαγορευομένης· ὅθεν ἅπιοι αἱ ἀχράδες μετωνομάσθησαν.

‘Τίς ἡ αἰτία, δι’ ἣν Ἥλεῖοι τὰς †ἐνόδας †ῥίππους ἐκτὸς ὄρων ἀπάγοντες βιβάζουσιν;’ ἥ ὅτι πάντων τῶν βασιλέων φιλιππότατος ὁ Οἰνόμαος καὶ μάλιστα τὸ ζῶον ἀγαπήσας τοῦτ’ ἐπηράσατο πολλὰ καὶ δεινὰ κατὰ τῶν ἵππων ὀχευόντων ἐν Ἥλιδι, καὶ φοβούμενοι τὴν κατάραν ἐκείνην ἀφοσιοῦνται;

‘Διὰ τί παρὰ Κνωσίοις ἔθος ἦν ἀρπάζειν τοῖς δανειζομένοις τὸ ἀργύριον;’ ἥ ὅπως ἀποστεροῦντες ἔνοχοι τοῖς βιαίοις ὥσι καὶ μᾶλλον κολάζονται;

[c] ‘Τίς ἡ αἰτία, δι’ ἣν ἐν Σάμῳ τὴν Δεξικρέοντος Ἀφροδίτην καλοῦσι;’ πότερον ὅτι τὰς γυναῖκας αὐτῶν ὑπὸ τρυφῆς καὶ ὕβρεως ἀκόλαστα ποιοῦσας Δεξικρέων ἀνὴρ ἀγύρτης καθαρυῶ χρησάμενος ἀπήλλαξεν· ἥ ὅτι ναύκληρος ὢν ὁ Δεξικρέων ἐπλευσεν εἰς Κύπρον ἐπ’ ἐμπορίαν καὶ μέλλοντα γεμίζειν τὴν Ἀφροδίτην κελεύειν ὕδωρ ἐμβαλόμενον καὶ μηδὲν ἄλλο πλεῖν τὴν

ταχίστην· πεισθεὶς δὲ καὶ πολὺ ὕδωρ ἐνθέμενος ἐξέπλευσεν, εἴτα νηνεμίας καὶ γαλήνης ἐν τῷ πελάγει κατασχούσης, διψῶσι τοῖς ἄλλοις ἐμπόροις καὶ ναυκλήροις ὕδωρ πιπράσκων ἀργύριον πολὺ συνήθροισεν, ἐκ δὲ τούτου [d] κατασκευάσας τὴν θεὸν ἄφ' ἑαυτοῦ προσηγόρευσεν; εἰ δὴ τοῦτ' ἀληθές ἐστι, φαίνεται οὐχ ἓνα πλουτίσαι, πολλοὺς δὲ σῶσαι δι' ἐνὸς ἢ θεοῦ θελήσασα.

‘Διὰ τί τοῖς Σαμίοις, ὅταν τῷ Ἑρμῇ τῷ χαριδότηι θύωσι, κλέπτειν ἐφεῖται τῷ βουλομένῳ καὶ λωποδυτεῖν;’ ὅτι κατὰ χρησμὸν ἐκ τῆς νήσου μεταστάντες εἰς Μυκάλην ἀπὸ ληστείας δέκα ἔτη διεγέγοντο, καὶ μετὰ ταῦτα πλεύσαντες αὖθις εἰς τὴν νῆσον ἐκράτησαν τῶν πολεμίων οἱ Σάμιοι.

‘Ἀπὸ τίνος Πάναιμα τόπος ἐν τῇ Σαμίων νήσῳ καλεῖται;’ ἢ ὅτι φεύγουσαι Διόνυσον αἱ Ἀμαζόνες ἐκ [e] τῆς Ἑφεσίων χώρας εἰς Σάμον διέπεσον· ὁ δὲ ποιησάμενος πλοῖα καὶ διαβάς μάχην συνῆψε καὶ πολλὰς αὐτῶν ἀπέκτεινε περὶ τὸν τόπον τοῦτον, ὃν διὰ τὸ πλῆθος τοῦ ῥυέντος αἵματος οἱ θεώμενοι Πάναιμα θαυμάζοντες ἐκάλουν; τῶν δ' ἐλεφάντων ἀποθανεῖν τινες λέγονται περὶ τὸ Φλοιὸν καὶ τὰ ὅστ' αἰδύονται αὐτῶν· τινὲς δὲ λέγουσι καὶ τὸ Φλοιὸν ὑπ' ἐκείνων ῥαγῆναι, φθεγγομένων μέγα τι καὶ διάτορον.

‘Ἀπὸ ποίας αἰτίας ὁ ἀνδρῶν ἐν Σάμῳ πεδῆτης καλεῖται;’ τῶν γεωμόρων ἐχόντων τὴν πολιτείαν μετὰ τὴν Δημοτέλους σφαγὴν καὶ τὴν κατάλυσιν τῆς ἐκείνου μοναρχίας οἱ Μεγαρεῖς Περινθίοις ἐπεστράτευσαν ἀποίκους [f] οὗσι Σαμίων, πέδας κομίζοντες ὡς λέγεται ἐπὶ τοὺς αἰχμαλώτους. ταῦτα δ' οἱ γεωμόροι πυνθανόμενοι βοήθειαν ἔπεμπον κατὰ τάχος, στρατηγοὺς μὲν ἀποδείξαντες ἐννέα, ναῦς δὲ πληρώσαντες τριάκοντα. τούτων [304] [a] ἐκπλέουσαι δύο πρὸ τοῦ λιμένος ὑπὸ κεραυνοῦ διεφθάρησαν· οἱ δὲ στρατηγοὶ ταῖς ἄλλαις πλεύσαντες ἐνίκων τοὺς Μεγαρέας καὶ ζῶντας αὐτῶν ἔλαβον ἐξακοσίους. ἐπαρθέντες δὲ τῇ νίκῃ διενοοῦντο καταλύειν τὴν οἴκοι γεωμόρων ὀλιγαρχίαν. ἀφορμὴν δὲ παρέσχον οἱ προεστῶτες τῆς πολιτείας, γράψαντες αὐτοῖς ὅπως τοὺς αἰχμαλώτους τῶν Μεγαρέων κομίσωσι ταῖς αὐτῶν ἐκείνων πέδαις δεδεμένους. λαβόντες οὖν τὰ γράμματα ταῦτα καὶ δείξαντες [b] κρύφα τισὶ τῶν Μεγαρέων ἔπεισαν αὐτοὺς συστῆναι μεθ' αὐτῶν καὶ τὴν πόλιν ἐλευθερώσαι· βουλευομένοις δὲ κοινῇ περὶ τῆς πράξεως ἔδοξε τῶν πεδῶν τοὺς κρίκους διακροτῆσαι, καὶ περιθέντας οὕτω τοῖς σκέλεσι τῶν Μεγαρέων ἀναλαβεῖν πρὸς τὰς

ζώνας ἱμάσιν, ὅπως μὴ περιρρέωσι μηδ' ἐκβαίνωσιν αὐτῶν ἐν τῷ βαδίζειν χαλαρῶν γενομένων. οὕτω δὲ τοὺς ἄνδρας ἐνσκευάσαντες καὶ ξίφος ἐκάστω δόντες, ἐπεὶ κατέπλευσαν εἰς Σάμον καὶ ἀπέβησαν, ἦγον αὐτοὺς δι' ἀγορᾶς εἰς τὸ βουλευτήριον, ὁμοῦ τι πάντων τῶν γεωμόρων συγκαθεζομένων. εἷτα σημείου δοθέντος οἱ Μεγαρεῖς προσπεσόντες ἔκτεινον τοὺς ἄνδρας. οὕτω δὲ τῆς πόλεως ἐλευθερωθείσης [c] τοὺς τε βουλομένους τῶν Μεγαρέων πολίτας ἐποίησαντο καὶ κατασκευάσαντες οἶκον εὐμεγέθη τὰς πέδας ἀνέθηκαν, καὶ ἀπὸ τούτου 'πεδήτης' ὁ οἶκος ὠνομάσθη.

Ἐπὶ τί παρὰ Κῳοις ὁ τοῦ Ἡρακλέους ἱερεὺς ἐν Ἀντιμαχείᾳ γυναικίαν ἐνδεδυμένος ἐσθῆτα καὶ τὴν κεφαλὴν ἀναδούμενος μίτρᾳ κατάρχεται τῆς θυσίας; Ἡρακλῆς ταῖς ἑξ ναυσὶν ἀπὸ Τροίας ἀναχθεὶς ἐχειμάσθη, καὶ τῶν νεῶν διαφθαρεισῶν μιᾷ μόνῃ πρὸς τὴν Κῷν ὑπὸ τοῦ πνεύματος ἐλαυνόμενος ἐξέπεσε κατὰ τὸν Λακητῆρα καλούμενον, οὐδὲν ἄλλο περισώσας ἢ τὰ ὄπλα καὶ τοὺς [d] ἄνδρας. ἐντυχὼν δὲ προβάτοις ἦται κριὸν ἓνα παρὰ τοῦ νέμοντος· ὁ δ' ἄνθρωπος ἐκαλεῖτο μὲν Ἀνταγόρας, ἀκμάζων δὲ τῇ ῥώμῃ τοῦ σώματος ἐκέλευσεν αὐτῷ διαπαλαῖσαι τὸν Ἡερακλέα, καὶ ἀν καταβάλῃ, τὸν κριὸν φέρεσθαι. καὶ συμπεσόντος αὐτῷ τοῦ Ἡρακλέους ἐς χεῖρας οἱ Μέρωπες τῷ Ἀνταγόρᾳ παραβοηθοῦντες, οἱ δ' Ἕλληνες τῷ Ἡρακλεῖ μάχην καρτερὰν συνῆψαν. ἐν ἣ λέγεται τῷ πλήθει καταπονούμεος ὁ Ἡρακλῆς καταφυγεῖν πρὸς γυναιῖκα Θοῤῃτταν καὶ διαλαθεῖν ἐσθῆτι γυναικεῖα κατακρύψας ἑαυτόν. ἐπεὶ δὲ τῶν Μερόπων αὖθις κρατήσας [e] καὶ καθαρθεὶς ἐγάμει τὴν Χαλκιοπὴν, ἀνέλαβε στολὴν ἀνθήνην. διὸ θύει μὲν ὁ ἱερεὺς ὅπου τὴν μάχην συνέβη γενέσθαι, τὰς δὲ νύμφας οἱ γαμοῦντες δεξιοῦνται γυναικίαν στολὴν περιθέμενοι.

Ἐπὶ πόθεν ἐν Μεγάροις γένος ἀμαξοκυλιστῶν; ἐπὶ τῆς ἀκολάστου δημοκρατίας, ἣ καὶ τὴν παλιντοκίαν ἐποίησε καὶ τὴν ἱεροσυλίαν, ἐπορεύετο θεωρία Πελοποννησίων εἰς Δελφοὺς διὰ τῆς Μεγαρικῆς καὶ κατηγλίσθησαν [f] ἐν Αἰγείροις παρὰ τὴν λίμνην μετὰ παίδων καὶ γυναικῶν ὥς ἔτυχεν ἐν ταῖς ἀμάξαις. τῶν δὲ Μεγαρέων οἱ θρασυτάτοι μεθυσθέντες, ὕβρει καὶ ὠμότητι τὰς ἀμάξας ἀνακυλίσαντες εἰς τὴν λίμνην ἐνέώσαντο, ὥστε πολλοὺς ἀποπνιγῆναι τῶν θεωρῶν. οἱ μὲν οὖν Μεγαρεῖς δι' ἀταξίαν τῆς πολιτείας ἡμέλυσαν τοῦ ἀδικήματος, οἱ δ' Ἀμφικτύονες, ἱερᾶς τῆς θεωρίας οὐσίας, ἐπιστραφέντες τοὺς μὲν φυγῇ τοὺς δὲ θανάτῳ τῶν

ἐναγῶν ἐζημίωσαν. οἱ δ' ἀπὸ τοῦ γένους 'ἀμαξοκυλισταί'
προσηγορεύθησαν.

ΣΥΝΑΓΩΓΗ ΙΣΤΟΡΙΩΝ ΠΑΡΑΛΛΗΛΩΝ ΕΛΛΗΝΙΚΩΝ ΚΑΙ ΡΩΜΑΙΚΩΝ

[305] Τὰς ἀρχαίας ιστορίας διὰ τὰ παράδοξα τῆς πράξεως οἱ πλεῖστοι νομίζουσι πλάσματα καὶ μύθους τυγχάνειν· [b] εὐρὼν δ' ἐγὼ καὶ ἐν τοῖς νῦν χρόνοις γεγονότα ὅμοια τὰ ἐν τοῖς Ῥωμαϊκοῖς καιροῖς συμβεβηκότα ἐξελεξάμην καὶ ἐκάστω πράγματι ἀρχαίῳ νεωτέραν ὁμοίαν διήγησιν ὑπέταξα, ἀναγράφας καὶ τοὺς ιστορήσαντας ἄνδρας.

ΔΑΤΙΣ ὁ Περσῶν σατράπης μετὰ τριάκοντα μυριάδων εἰς Μαραθῶνα παραγενόμενος, πεδῖον τῆς Ἀττικῆς, καὶ στρατοπεδευσάμενος πόλεμον τοῖς ἐγχωρίοις κατήγγειλεν· Ἀθηναῖοι δὲ τοῦ βαρβαρικοῦ πλήθους καταφρονήσαντες ἐνακισχιλίους ἔπεμψαν, στρατηγούς ποιήσαντες [c] Κυνέγειρον Πολύζηλον Καλλίμαχον Μιλτιάδην. συμβληθείσης δὲ τῆς παρατάξεως Πολύζηλος μὲν ὑπεράνθρωπον φαντασίαν θεασάμενος τὴν ὄρασιν ἀπέβαλε καὶ τυφλὸς ἐγένετο· Καλλίμαχος δὲ πολλοῖς περιπεπαρμένος δόρασι καὶ νεκρὸς ἐστάθη· Κυνέγειρος δὲ Περσικὴν ἀναγομένην ναῦν κατασχὼν ἐχειροκοπήθη.

ΑΣΔΡΟΥΒΑΣ βασιλεὺς Σικελίαν καταλαβόμενος πόλεμον Ῥωμαίοις κατήγγειλε· Μέτελλος δ' ὑπὸ τῆς συγκλήτου στρατηγὸς χειροτονηθεὶς ἐγκρατὴς ἐγένετο τῆς νίκης ταύτης, ἐν ἧ Ἀεύκιος Γλαύκων εὐγενὴς ἀνὴρ τὴν Ἀσδρούβα κατέχων ναῦν ἀμφοτέρας ἀπέβαλε τὰς [d] χεῖρας· καθάπερ ἱστορεῖ Ἀριστείδης Μιλήσιος ἐν πρώτῃ Σικελικῶν (FHGr. IV 324), παρ' οὗ τὴν ὑπόθεσιν ἔμαθε Διονύσιος ὁ Σικελιώτης.

ΞΕΡΞΗΣ μετὰ πεντακοσίων μυριάδων Ἀρτεμισίῳ προσορμίσας πόλεμον τοῖς ἐγχωρίοις κατήγγειλεν· Ἀθηναῖοι δὲ συγκεχυμένοι κατάσκοπον ἔπεμψαν Ἀγησίλαον, τὸν Θεμιστοκλέους ἀδελφόν, καίπερ Νεοκλέους τοῦ πατρὸς αὐτοῦ κατ' ὄναρ ἐωρακότος ἀμφοτέρας ἀποβεβληκότα τὰς χεῖρας. παραγενόμενος δ' εἰς τοὺς βαρβάρους ἐν σχήματι Περσικῶ Μαρδόνιον, ἓνα τῶν σωματοφυλάκων, ἀνεῖλεν ὑπολαμβάνων Ξέρξην εἶναι. συλληφθεὶς δὲ [e] πρὸς τῶν πέριξ δέσμιος ἦχθη πρὸς τὸν βασιλέα. βουθυτεῖν δὲ τοῦ προειρημένου μέλλοντος ἐπὶ τῷ τοῦ Ἥλιου βωμῷ τὴν

δεξιὰν ἐπέθηκε χεῖρα, καὶ ἀστένακτος ὑπομείνας τὴν ἀνάγκην τῶν βασάνων ἡλευθερώθη τῶν δεσμῶν εἰπὼν ‘πάντες ἐσμὲν τοιοῦτοι Ἀθηναῖοι· εἰ δ’ ἀπιστεῖς, καὶ τὴν ἀριστερὰν ἐπιθήσω.’ φοβηθεὶς δ’ ὁ Ξέρξης φρουρεῖσθαι αὐτὸν προσέταξε· καθάπερ ἱστορεῖ Ἀγαθαρχίδης Σάμιος ἐν δευτέρᾳ τῶν Περσικῶν (FHGr. III 197).

ΠΟΡΣΙΝΑΣ Τούσκων βασιλεὺς πέραν ποταμοῦ Θύμβρεως στρατεύσας ἐπολέμησε Ῥωμαίοις καὶ τὴν ἀπὸ σιτίων φερομένην εὐθηνίαν Ῥωμαίοις μέσῃ λαβὼν [f] λιμῶ τοὺς προειρημένους ἔτρυχε. τῆς δὲ συγκλήτου συγκεχυμένης Μούκιος τῶν ἐπισήμων ἀνὴρ λαβὼν τετρακοσίους ἀπὸ τῶν ὑπάτων ὁμήλικας ἐν ἰδιωτικῷ σχήματι τὸν ποταμὸν διήλθεν. ἰδὼν δὲ τὸν σωματοφύλακα τοῦ τυράννου τὰ ἐπιτήδεια διαδιδόντα τοῖς στρατηγοῖς, ὑπολαβὼν αὐτὸν τὸν Πορσίναν εἶναι ἀνεῖλεν. ἀχθεὶς δ’ ἐπὶ τὸν βασιλέα τοῖς ἐμπύροις ἐπέθηκε τὴν δεξιὰν χεῖρα καὶ [306] [a] στέξας τὰς ἀλγυδόνας εὐψύχως ἐμεδίασεν εἰπὼν ‘βάρβαρε, λέλυμαι, κἂν μὴ θέλῃς· καὶ ἴσθι ἡμᾶς κατὰ σοῦ τετρακοσίους ὄντας ἐν τῷ στρατοπέδῳ, οἳ σε ἀνελεῖν ζητοῦμεν.’ ὁ δὲ φοβηθεὶς σπονδὰς πρὸς Ῥωμαίους ἐποιήσατο· καθάπερ ἱστορεῖ Ἀριστείδης ὁ Μιλήσιος ἐν τρίτῃ ἱστοριῶν (FHGr. IV 320).

ΑΡΓΕΙΩΝ καὶ Λακεδαιμονίων ὑπὲρ Θυρεάτιδος χώρας πολемоῦντων οἱ Ἀμφικτύονες ἔκριναν πολεμῆσαι ἐκατέρων τριακοσίους καὶ τῶν νικησάντων εἶναι τὴν χώραν. Λακεδαιμόνιοι μὲν οὖν Ὀθρυάδην ἐποίησαν στρατηγὸν Ἀργεῖοι δὲ Θέρσανδρον. πολемоῦντων δὲ δύο [b] ἐκ τῶν Ἀργείων περιελείφθησαν, Ἀγὴνωρ καὶ Χρόμιος, οἵτινες εἰς τὴν πόλιν ἤγγειλαν τὴν νίκην. ἡρεμίας δ’ ὑπαρχούσης ὁ Ὀθρυάδης ἐπιζήσας καὶ ἡμικλάστοις δόρασιν ἐπερειδόμενος τὰς τῶν νεκρῶν ἀπάντων ἀσπίδας περιείλετο· καὶ τρόπαιον στήσας ἐκ τοῦ ἰδίου αἵματος ἐπέγραψε ‘Διὶ τροπαιούχῳ.’ καὶ τῶν δήμων στάσιν ἐχόντων οἱ Ἀμφικτύονες αὐτόπται γενόμενοι Λακεδαιμονίους προκρίνουσι· καθάπερ Χρύσερμος ἐν τρίτῳ Πελοποννησιακῶν (FHGr. IV 361).

ΡΩΜΑΙΟΙ πρὸς Σαμνίτας πόλεμον ἔχοντες στρατηγὸν ἐχειροτόνησαν Μινούκιον Αὐγουρίνον. οὗτος κατὰ τὰς καλουμένας φορκούλας Καυδίνας (ἔστι δὲ τόπος [c] στενώτατος) ἐνεδρευθεὶς τρεῖς ἀπέβαλε λεγεῶνας καὶ αὐτὸς καιρίως τρωθεὶς ἔπεσε. βαθείας δὲ νυκτὸς ὀλίγον ἐπιζήσας περιείλετο τῶν ἀνηρημένων πολεμίων τὰς ἀσπίδας καὶ εἰς τὸ αἷμα τὴν χεῖρα

βαπτίσας ἔσθησε τρόπαιον ἐπιγράψας ‘Ρωμαῖοι κατὰ Σαμνιτῶν Διὶ τροπαιούχῳ.’ Μάξιμος δὲ ὁ ἐπικληθεὶς Λαίμαργος, στρατηγὸς πεμφθεὶς καὶ παραγενόμενος ἐπὶ τὸν τόπον, ἰδὼν τὸ τρόπαιον τὸν οἰωνὸν ἀσμένως ἐδέξατο· καὶ συμβαλὼν ἐνίκησε καὶ αἰχμάλωτον λαβὼν τὸν βασιλέα εἰς Ῥώμην ἔπεμψεν· ὡς Ἀριστείδης ὁ Μιλήσιος ἐν τρίτῃ Ἰταλικῶν (FHGr. IV 321).

ΠΕΡΣΩΝ μετὰ πεντακοσίων μυριάδων ἐπὶ [d] τὴν Ἑλλάδα ἐρχομένων Λεωνίδας ἅμα τριακοσίοις ἐπέμφθη εἰς Θερμοπύλας ὑπὸ Λακεδαιμονίων. εὖωχουμένων δ’ ἐκεῖ ἐπέκειτο τὸ τῶν βαρβάρων πλῆθος· καὶ ὁ Λεωνίδας εἶπεν ἰδὼν τοὺς βαρβάρους ‘οὕτως ἀριστᾶτε ὡς ἐν Αἰδοῦ δειπνήσοντες.’ καὶ ὁρμήσας κατὰ τῶν βαρβάρων καὶ πολλοῖς περιπαρεῖς δόρασιν ἀνέβη ἐπὶ τὸν Ξέρξην καὶ τὸ διάδημα ἀφείλετο. οὗ ἀποθανόντος ὁ βάρβαρος τέμνει τὴν καρδίαν καὶ εὗρε δασεῖαν· ὡς Ἀριστείδης ἐν πρώτῃ Περσικῶν (FHGr. IV 324).

ΡΩΜΑΙΟΙ πρὸς Ποινοὺς πόλεμον ἔχοντες ἔπεμψαν τριακοσίους καὶ στρατηγὸν Φάβιον Μάξιμον.

[e] συμβαλὼν δ’ ἀπέβαλε πάντας, αὐτὸς δὲ καιρίως τρωθεὶς μεθ’ ὁρμῆς ἐπὶ τὸν Ἀννίβαν ἠνέχθη, καὶ καθελὼν τὸ διάδημα συναπέθανεν αὐτῷ, καθάπερ ἱστορεῖ Ἀριστείδης ὁ Μιλήσιος (FHGr. IV 322).

ΚΑΤΑ Κελαιναῖς πόλιν τῆς Φρυγίας χάσμα μεθ’ ὕδατος γενόμενον πολλὰς οἰκίας αὐτάνδρους εἰς τὸν βυθὸν εἴλκυσε. Μίδας δ’ ὁ βασιλεὺς χρησμὸν ἔλαβεν, ἔάν τὸ τιμιώτατον ἐμβάλῃ, συνελεύσεσθαι· ὁ δὲ χρυσὸν καὶ ἄργυρον ἐμβαλὼν οὐδὲν ἐβοήθησεν. Ἀγχουρος δ’ υἱὸς τοῦ Μίδα λογισάμενος μηδὲν εἶναι τιμιώτερον ἐν βίῳ ψυχῆς ἀνθρωπίνης, δοὺς περιπλοκάς τῷ γεννήσαντι καὶ τῇ [f] γυναικὶ Τιμοθέᾳ ἔφιππος εἰς τὸν τόπον τοῦ χάσματος ἠνέχθη. συνελθούσης δὲ τῆς γῆς χρύσειον βωμὸν ἐποίησεν Ἰδαίου Διὸς ἀψάμενος τῇ χειρί. οὗτος ὁ βωμὸς περὶ ἐκεῖνον τὸν καιρὸν, ἐν ᾧ τὸ χάσμα συνέβη γενέσθαι, λίθος γίνεται· τῆς δὲ ὠρισμένης προθεσμίας παρελθούσης, χρύσεος ὁρᾶται· ὡς Καλλισθένης ἐν δευτέρῳ Μεταμορφώσεων (Scr. rer. Alex. M. ed. M. fr. 45).

ΔΙΑ μέσης τῆς ἀγορᾶς ῥέων ὁ Τίβερις διὰ μῆνιν Ταρπενίου Διὸς μέγιστον ἀπέρρηξε χάσμα καὶ πολλὰς οἰκίας ἐβύθισε· χρησμὸς δ’ ἐδόθη λήξεσθαι, ἔάν τὸ τίμιώτατον ἐμβάλωσι. τῶν

δὲ χρυσὸν καὶ ἄργυρον ἐμβαλόντων, [307] [a] Κούρτιος τῶν ἐπισήμων νέος τὸν χρησμὸν νοήσας καὶ λογισάμενος τὴν ψυχὴν τιμωτέραν, ἔφιππον ἑαυτὸν ἔρριπεν εἰς τὸ χάσμα καὶ τοὺς οἰκείους ἐξέσωσε τῶν κακῶν· ὡς Ἀριστείδης ἐν τεσσαρακοστῷ Ἰταλικῶν (FHGr. IV 321).

ΤΩΝ ἅμα Πολυνείκει εὐωχουμένων λοχαγῶν ἀετὸς καταπὰς τὸ Ἀμφιάρω ἐβάστασε δόρυ εἰς ὕψος καὶ εἶασε· τὸ δὲ παγὲν ἐν γῇ δάφνη ἐγένετο. τῇ δ' ὕστεραίᾳ πολεμοῦντων κατ' ἐκεῖνο κατεπόθη ὁ Ἀμφιάρως <αὐτῷ> τῷ ἄρματι, ἔνθα νῦν πόλις Ἄρμα καλεῖται· ὡς Τεισίμαχος ἐν τρίτῳ Κτίσεων (FHGr. IV 471).

ΡΩΜΑΙΩΝ πρὸς Πύρρον Ἑπειρώτην πολεμοῦντων, [b] Αἰμίλιος Παῦλος χρησμὸν ἔλαβε νικῆσαι, βωμὸν ἐὰν ποιήσῃ, ἔνθα ἂν ἴδῃ χάσματι κρυπτόμενον ἄνδρα τῶν ἐπισήμων μετὰ ἄρματος· μετὰ τρεῖς ἡμέρας Οὐαλέριος <Τορ>κουᾶτος κατ' ὄναρ ἰδὼν ἀναλαβεῖν ἱερέως κόσμον (καὶ γὰρ ἦν μαντικῆς ἔμπειρος), στρατηγήσας καὶ πολλοὺς φονεύσας ὑπὸ γῆς κατεπόθη. ὁ Αἰμίλιος δὲ βωμὸν ἰδρύσας ἐνίκησε καὶ ἑκατὸν ἐξήκοντα πυργοφόρους ἐλέφαντας εἰς Ῥώμην κατέπεμψεν. ὁ δὲ βωμὸς μαντεύεται κατ' ἐκεῖνον τὸν καιρὸν, καθ' ὃν ἐνίκηθη Πύρρος· ὡς ἱστορεῖ Κριτόλας ἐν τρίτῃ Ἑπειρωτικῶν (FHGr. IV 372).

ΠΥΡΑΙΧΜΗΣ βασιλεὺς Εὐβοέων ἐπολέμει [c] Βοιωτοῖς. ὃν Ἑρακλῆς ἔτι νέος ὢν ἐνίκησε· πῶλοις δὲ προσδήσας καὶ εἰς δύο μέρη διελὼν τὸν Πυραίχμην ἄταφον ἔρριπεν. ὁ δὲ τόπος προσαγορεύεται 'πῶλοι Πυραίχμου', κεῖται δὲ παρὰ ποταμὸν Ἑράκλειον, χρεμετισμὸν δ' ἀναδίδωσι πινόντων ἵππων· ὡς ... ἐν τρίτῳ περὶ Ποταμῶν.

ΤΟΥΛΛΟΣ Ὀστίλιος βασιλεὺς Ῥωμαίων ἐπολέμησεν Ἀλβανοῖς, βασιλέως ὄντος Μετίου Φουφετίου, καὶ τὴν μάχην πολλάκις ὑπερέθετο. οἱ δ' <ὡς> ἡττωμένου εἰς εὐωχίαν ἐτράπησαν· οἰνωμένοις δ' ἐπέθετο καὶ τὸν βασιλέα δύο πῶλοις συζεύξας διεσπάραξεν· ὡς Ἀλέξαρχος ἐν τετάρτῃ Ἰταλικῶν (FHGr. IV 298).

[d] ΦΙΛΙΠΠΟΣ Μεθώνην καὶ Ὀλυνθὸν βουλόμενος πορθῆσαι καὶ βιαζόμενος ἐπὶ τῷ Σανδάνῳ ποταμῷ διαβῆναι πέραν ὑπὸ τινος τῶν Ὀλυνθίων Ἀστέρος ὀνόματι ἐτοξεύθη τὸν ὀφθαλμόν, εἰπόντος Ἀσθῆρ Φιλίππῳ θανάσιμον πέμπει βέλος·

ὁ δ' ὀπίσω διανηξάμενος πρὸς τοὺς οἰκείους σῴζεται ἀπολέσας τὸν ὀφθαλμόν· ὡς Καλλισθένης ἐν τρίτῳ Μακεδονικῶν (Scr. rer.

Alex. M. ed. M. fr. 42).

ΠΟΡΣΙΝΑΣ Τούσκων βασιλεὺς πέραν Θύμβρεος ποταμοῦ στρατεύσας ἐπολέμησε Ῥωμαίοις καὶ τὴν ἀπὸ σιτίων φερομένην εὐθηνίαν μέσῃ λαβὼν λιμῷ τοὺς προειρημένους ἔτρυχεν. Ὀράτιος δὲ Κάτλος στρατηγὸς [e] χειροτονηθεὶς τὴν ξυλίνην κατελάβετο γέφυραν καὶ τὸ πλῆθος τῶν βαρβάρων διαβῆναι βουλόμενον ἐπέιχε. πλεονεκτούμενος δ' ὑπὸ τῶν πολεμίων προσέταξε τοῖς ὑποτεταγμένοις κόπτειν τὴν γέφυραν καὶ τὸ πλῆθος τῶν βαρβάρων διαβῆναι βουλόμενον ἐκώλυσε. βέλει δὲ τὸν ὀφθαλμὸν πληγείς, ῥίψας ἑαυτὸν εἰς τὸν ποταμὸν διενήξατο εἰς τοὺς οἰκείους· ὡς Θεότιμος ἐν δευτέρῳ Ἰταλικῶν (FHGr. IV 517).

Ὁ περὶ τοῦ ἸΚΑΡΙΟΥ μῦθος, ᾧ Διόνυσος ἐπεξενώθη· ὡς Ἑρατοσθένης ἐν τῇ Ἡριγόνῃ.

ΚΡΟΝΟΣ ἐπιξενωθείς γεωργῷ, ᾧ ἦν θυγάτηρ καλὴ Κλειτορία, ταύτην ἐβιάσατο καὶ ἐτέκνωσεν υἱοὺς Ἰανὸν Ὑμνον Φαῦστον Φήλικα. διδάξας οὖν τὸν τρόπον [f] τῆς τοῦ οἴνου πόσεως καὶ τῆς ἀμπέλου ἡξίωσε καὶ τοῖς γείτοσι μεταδοῦναι. ποιήσαντος δ' αὐτὸ οἱ πόντες παρὰ τὸ σύνηθες εἰς ὕπνον κατηνέχθησαν βαρύτερον τοῦ δέοντος· οἱ δὲ πεφαρμακῶσθαι δόξαντες, λίθοις βάλλοντες τὸν Ἰκάριον ἀπέκτειναν· οἱ δὲ θυγατρίδοι ἀθυμήσαντες [308] [a] βρόχῳ τὸν βίον κατέστρεψαν. λοιμοῦ δὲ κατασχόντος Ῥωμαίους ἔχρησεν ὁ Πύθιος λωφήσειν, ἐὰν ἐξιλάσωνται τοῦ Κρόνου τὴν μῆνιν καὶ τοὺς δαίμονας τῶν ἀνόμως ἀπολομένων. Λουτάτιος δὲ Κάτλος, ἀνὴρ τῶν ἐπισήμων, κατεσκεύασε τῷ θεῷ τέμενος τὸ κείμενον σύνεγγυς τοῦ Ταρπηίου ὄρους καὶ τὸν ἄνω βωμὸν ἰδρύσατο τετραπρόσωπον ἢ διὰ τοὺς θυγατρίδοις ἢ ὅτι τετραμερὴς ὁ ἐνιαυτός ἐστι, καὶ μῆνα κατέδειξεν Ἰανουάριον. ὁ δὲ Κρόνος πάντας κατηστέρισεν. καὶ οἱ μὲν καλοῦνται προτρογητῆρες, ὁ δ' Ἰανὸς προανατέλλων· δείκνυται ὁ ἀστήρ πρὸ τῶν ποδῶν τῆς παρθένου· ὡς Κριτόλαος ἐν τετάρτῃ Φαινομένων (FHGr. IV 372).

[b] ΠΕΡΣΩΝ τὴν Ἑλλάδα λεηλατούντων Πανσανίας ὁ τῶν Λακεδαιμονίων στρατηγὸς πεντακόσια χρυσοῦ τάλαντα παρὰ Ξέρξου λαβὼν ἔμελλε προδιδόναι τὴν Σπάρτην. φωραθέντος δὲ τούτου Ἀγησίλαος ὁ πατὴρ μέχρι τοῦ ναοῦ τῆς Χαλκιοίκου συνεδίωξεν Ἀθηναῖς καὶ τὰς θύρας τοῦ τεμένους πλίνθω φράξας λιμῷ ἀπέκτεινεν· ἡ δὲ μήτηρ καὶ ἄταφον ἔρριψεν· ὡς Χρύσερμος ἐν δευτέρῳ Ἱστορικῶν (FHGr. IV 361).

ΡΩΜΑΙΟΙ πρὸς Λατίνους πολεμοῦντες ἐχειροτόνησαν στρατηγὸν Πόπλιον Δέκιον· νεανίσκος δέ τις τῶν ἐπισήμων πένης τοῦνομα Κάσσιος Βροῦτος ἐπὶ [c] ῥητῷ μισθῷ νυκτὸς τὰς πύλας ἀνοῖξαι ἐβουλήθη. φωραθεὶς δ' εἰς ναὸν ἔφυγεν Ἀθηνᾶς Αὐξιλιαρίας. Κάσσιος δὲ Σίγνιφερ ὁ πατὴρ αὐτοῦ κατέκλεισε καὶ λιμῷ διέφθειρε καὶ ἄταφον ἔρριπεν· ὡς Κλειτώνυμος ἐν Ἰταλικῶν (FHGr. IV 366).

ΔΑΡΕΙΟΣ ὁ Πέρσης ἐπὶ Γρανικῷ πολεμήσας Ἀλεξάνδρῳ καὶ ἑπτὰ σατράπας ἀποβαλὼν καὶ ἄρματα δρεπανηφόρα δύο καὶ πεντακόσια συμβαλεῖν ἔμελλε τῇ ἐξῆς. Ἀριοβαρζάνης δ' ὁ υἱὸς συμπαθῶς διακείμενος πρὸς Ἀλέξανδρον ὑπισχνεῖτο τὸν πατέρα προδώσειν. ἀγανακτήσας δ' ὁ πατὴρ ἐτραχηλοκόπησεν· ὡς Ἀρητάδης Κνίδιος ἐν τρίτῳ Μακεδονικῶν (FHGr. IV 316).

[d] ΒΡΟΥΤΟΣ ὑπὸ πάντων ὑπατος χειροτονηθεὶς ἐφυγάδευσε τὸν Ὑπερήφανον Ταρκύνιον τυραννικῶς ἀναστρεφόμενον. ὁ δ' ἐλθὼν εἰς Τοῦσκους ἐπολέμει Ῥωμαίοις. οἱ δὲ <Βρού>του υἱοὶ τὸν πατέρα προδοῦναι ἠβουλήθησαν. ἐμπεσόντων δὲ τραχηλοκοπῆσαι· ὡς Ἀριστείδης Μιλήσιος ἐν τοῖς Ἰταλικοῖς (FHGr. IV 323).

(ΦΠ) ΕΠΑΜΕΙΝΩΝΔΑΣ ὁ τῶν Θηβαίων στρατηγὸς ἔχων πρὸς Λακεδαιμονίους πόλεμον καὶ ἀρχαιρεσιῶν ἀγομένων ἦκεν ἐς πατρίδα, παραγγείλας τῷ παιδί Σησιμβρότῳ μὴ συμβάλλειν. Λακεδαιμόνιοι μαθόντες τὴν ἀπουσίαν ἐβλασφήμουν τὸν νεανίαν ὡς ἄνανδρον· ὁ δ' [e] ἀγανακτήσας καὶ ἐπιλαθόμενος τοῦ πατρὸς συνέβαλε καὶ ἐνίκησεν· ὁ δὲ πατὴρ βαρέως ἐνέγκας στεφανώσας ἐτραχηλοκόπησεν, ὡς Κτησιφῶν ἱστορεῖ ἐν τρίτῳ Βοιωτιακῶν (FHGr. IV 375).

(ΦΠ) ΡΩΜΑΙΟΙ πρὸς Σαμνίτας πόλεμον ἔχοντες ἐχειροτόνησαν Μάλλιον τὸν Ἐπιτάκτην ἐπικληθέντα. οὗτος διὰ χειροτονίαν ὑπατικὴν εἰς Ῥώμην πορευόμενος τῷ υἱῷ προσέταξε μὴ συμβαλεῖν. οἱ δὲ Σαμνῖται μαθόντες βλασφημίαις ἐξουδένιζον τὸν νεανίαν· ὁ δὲ ταραχθεὶς ἐνίκησεν· Μάλλιος δ' ἐτραχηλοκόπησεν· καθάπερ ἱστορεῖ Ἀριστείδης Μιλήσιος (FHGr. IV 323).

ΗΡΑΚΛΗΣ τοῦ Ἰόλης γάμου ἀποτυχὼν τὴν [f] Οἰχαλίαν ἐπόρθησεν. ἡ δ' Ἰόλη ἀπὸ τοῦ τείχους ἔρριπεν ἑαυτήν. συνέβη δὲ κολπωθείσης ὑπ' ἀνέμου τῆς ἐσθῆτος μηδὲν αὐτὴν παθεῖν· καθάπερ ἱστορεῖ Νικίας Μαλλώτης (FHGr. M IV 463 6 Iac. I 60 F 1 K. p. 534).

ΡΩΜΑΙΟΙ πολεμοῦντες πρὸς Τοῦσκον ἐχειροτόνησαν Οὐαλέριον Τορκουᾶτον. οὗτος θεασάμενος τοῦ βασιλέως τὴν θυγατέρα τοῦνομα Κλουσίαν ἤτεῖτο παρὰ τοῦ Τούσκου τὴν θυγατέρα, μὴ τυχὼν δ' ἐπόρθει τὴν [309] [a] πόλιν. ἡ δὲ Κλουσία ἀπὸ τῶν πύργων ἔρριπεν ἑαυτήν· προνοία δ' Ἀφροδίτης κολπωθείσης τῆς ἐσθῆτος διεσώθη ἐπὶ τὴν γῆν· ἦν ὁ στρατηγὸς ἔφθειρε, καὶ τούτων πάντων ἔνεκα ἐξωρίσθη κοινῶ δόγματι ὑπὸ Ῥωμαίων εἰς Κόρσικαν νῆσον πρὸ τῆς Ἰταλίας· ὡς Θεόφιλος ἐν τρίτῳ Ἰταλικῶν (FHGr. IV 515).

ΠΟΙΝΩΝ καὶ Σικελιωτῶν τὴν κατὰ Ῥωμαίων συμμαχίαν ἐτοιμαζόντων Μέτελλος στρατηγὸς μόνη τῇ Ἑστίᾳ οὐκ ἔθυσεν· ἡ δὲ πνεῦμα ἀντέπνευσε ταῖς ναυσί. Γάιος δ' Ἰούλιος μάντις εἶπε λωφῆσαι, ἐὰν προθύσῃ τὴν θυγατέρα. ὁ δ' ἀναγκασθεὶς Μετέλλαν τὴν θυγατέρα [b] προσῆγεν· ἡ δ' Ἑστία ἐλέησασα δάμαλιν ὑπέβαλε καὶ αὐτὴν ἐκόμισεν εἰς Λανούιον καὶ ἰέρειαν τοῦ σεβομένου παρ' αὐτοῖς δράκοντος ἀπέδειξεν· ὡς Πυθοκλῆς ἐν τρίτῳ Ἰταλικῶν (FHGr. Θησεὺς δὲ πιστεύσας ἠτήσατο παρὰ Ποσειδῶνος ἀπολέσθαι τὸν Ἱππόλυτον, ἐκ τῶν τριῶν εὐχῶν ἃς εἶχε παρ' αὐτοῦ. ὁ δὲ παρ' αἰγιαλὸν ἐπὶ ἄρματος τυχόντι ταῦρον ἔπεμψε καὶ ἐπτόησε τοὺς ἵππους, οἳ συνέτριψαν τὸν Ἱππόλυτον.

ΚΟΜΜΙΝΙΟΣ Σουπέρ<στης> Λαυρεντίνος ἔχων υἱὸν ἐξ Ἐγερίας νύμφης Κομμίνιον ἐπήγαγε μητρὶαν †Γινδίκαν· ἣτις ἐρασθεῖσα τοῦ προγόνου καὶ ἀποτυχοῦσα βρόχω κατέστρεψε τὸν βίον,

ἐπιστολὰς καταλείψασα ψευδεῖς. ὁ δὲ Κομμίνιος ἀναγνοὺς τὰ ἐκγλήματα καὶ τῷ [c] ζήλῳ πιστεύσας ἐπεκαλέσατο τὸν Ποσειδῶνα. ὁ δὲ τῷ παιδί ἐπὶ ἄρματος ὀχουμένῳ ταῦρον ἔδειξε, καὶ οἱ ἵπποι τὸν νέον σύραντες ἀπώλεσαν· ὡς Δοσίθεος ἐν τρίτῳ Ἱταλικῶν (FHGr. IV 400).

ΛΟΙΜΟΥ κατασχόντος Λακεδαίμονα ἔχρησεν ὁ θεὸς παύσασθαι, ἐὰν παρθένον εὐγενῇ κατ' ἔτος θύωσιν. Ἐλένης δὲ ποτε κληρωθείσης καὶ προαχθείσης κεκοσμημένης αἰτὸς καταπτὰς ἦρπασε τὸ ξίφος καὶ ἐς τὰ βουκόλια κομίσας ἐπὶ δάμαλιν κατέθηκεν· ὅθεν ἀπέσχοντο τῆς παρθενοκτονίας· ὡς Ἀριστόδημος ἐν τρίτῃ μυθικῇ συναγωγῇ (FHGr. M. III 311. FGH Jac. I 22 F 1a K. 498).

[d] ΛΟΙΜΟΥ κατασχόντος Φαλερίους καὶ φθορᾶς γενομένης χρησμὸς ἐδόθη λωφῆσαι τὸ δεινόν, ἐὰν παρθένον τῇ Ἥρᾳ θύωσιν κατ' ἐνιαυτόν. αἰεὶ δὲ τῆς δεισιδαιμονίας μενούσης κατὰ κλῆρον καλουμένη Οὐαλερία Λουπέρκα ἵσπασαμένη δὲ τὸ ξίφος αἰτὸς καταπτὰς ἦρπασε καὶ ἐπὶ τῶν ἐμπύρων ἔθηκε ράβδον μικρὰν ἔχουσαν σφῦραν, τὸ δὲ ξίφος ἐπέβαλε δαμάλει τινὶ παρὰ τὸν ναὸν βοσκομένη. νοήσασα δ' ἡ παρθένος καὶ τὴν βοῦν θύσασα καὶ τὴν σφῦραν ἄρασα κατ' οἰκίαν περιῆλθε καὶ τοὺς ἀσθενοῦντας ἡρέμα πλήττουσα διηγείρειν, ἐρρῶσθαι ἐνὶ ἐκάστῳ λέγουσα. ὅθεν καὶ νῦν τὸ μυστήριον τελεῖται· [e] ὡς Ἀριστείδης ἐν ἐννεακαιδεκάτῳ Ἱταλικῶν (FHGr. IV 322).

ΦΥΛΟΝΟΜΗ Νυκτίμου καὶ Ἀρκαδίας θυγάτηρ ἐκυνήγει σὺν τῇ Ἀρτέμιδι· Ἄρης δ' ἐν σχήματι ποιμένος ἔγκυνον ἐποίησεν. ἡ δὲ τεκοῦσα διδύμους παῖδας καὶ φοβουμένη τὸν πατέρα ἔρριπεν εἰς τὸν Ἐρύμανθον. οἱ δὲ κατὰ πρόνοιαν ἀκινδύνως περιφερόμενοι προσηνέχθησαν ἐν κοίλῃ δρυϊ· λύκαινα δ' ἐμφωλεύουσα τοὺς μὲν ἰδίους σκύμνους εἰς τὸν ροῦν ἔρριψε, τοῖς δὲ βρέφεσι θηλὴν παρέσχε. Τύλιφος δὲ ποιμὴν αὐτόπτης γενόμενος καὶ ἀναλαβὼν τοὺς παῖδας ὡς ἰδίους ἔθρεψε, τὸν μὲν καλέσας Λύκαστον τὸν δὲ Παρράσιον, τοὺς διαδεξαμένους τὴν [f] βασιλείαν τῶν Ἀρκάδων· ὡς Ζώπυρος Βυζάντιος ἐν τρίτῳ Ἱστορικῶν (FHGr. M. IV 531).

ΑΜΟΥΛΙΟΣ πρὸς Νομίτορα τὸν ἀδελφὸν τυραννικῶς διακείμενος τὸν μὲν υἱὸν Αἴνιτον ἐπὶ κυνηγία ἀνεῖλε, τὴν δὲ θυγατέρα Σιλουίαν ἢ Ἰλίαν τῆς Ἥρας ἰέρειαν ἐποίησατο. ταύτην Ἄρης ἐγκύμονα ποιεῖ· ἡ δ' ἔτεκε διδύμους ὠμολόγησέ τε τῷ

τυράννω τὴν ἀλήθειαν. ὁ δὲ φοβηθεὶς ἀμφοτέρους κατεπόντισε, βαλὼν παρὰ τὰς ὄχθας [315] [a] τοῦ Θύμβρεως. οἱ δὲ προσηνέχθησαν ἐν τόπῳ, ἔνθα λύκαινα ἦν φωλεύουσα νεοτόκος· καὶ τοὺς μὲν σκύμνους ἔρριψε, τὰ δὲ βρέφη ἔτρεφε. Φαῦστος δὲ ποιμὴν αὐτόπτης γενόμενος τοὺς παῖδας ἀνέθρεψε καὶ τὸν μὲν Ῥῶμον τὸν δὲ Ῥωμύλον προσηγόρευσε, τοὺς κτίστας Ῥώμης· ὡς Ἀριστείδης Μιλήσιος ἐν τοῖς Ἰταλικοῖς (FHGr. M. IV 323).

ΜΕΤΑ τὴν Ἰλίου ἄλωσιν Ἀγαμέμνων μετὰ Κασάνδρας ἀνηρέθη. Ὀρέστης δὲ παρὰ Στροφίῳ ἀνατραφεὶς τοὺς φονεῖς τοῦ πατρὸς ἐτιμωρήσατο· ὡς Πύρανδρος ἐν τετάρτῳ Πελοποννησιακῶν (FHGr. M. IV 486).

ΦΑΒΙΟΣ ΦΑΒΡΙΚΙΑΝΟΣ τοῦ μεγάλου συγγενῆς Φαβίου, πορθήσας Τούξιον μητρόπολιν Σαυνιτῶν, [b] τὴν παρ' αὐτοῖς τιμωμένην νικηφόρον Ἀφροδίτην ἔπεμψεν εἰς Ῥώμην. τούτου γυνὴ Πετρωνία μοιχευθεῖσα ὑπὸ τινος εὐπρεποῦς νεανίου τοῦνομα [Πετρωνίου] Οὐαλεντίνου, τὸν ἄνδρα ἐδολοφόνησε. Φαβία δὲ τὸν ἀδελφὸν ἔτι νήπιον Φαβρικιανὸν τῶν κινδύνων ἐρρύσατο καὶ ἔπεμψε κρύφα τραφησόμενον. ἀκμάσας δ' ὁ νεανίας τήν τε μητέρα καὶ τὸν μοιχὸν ἀπέκτεινε καὶ ἀπελύθη ὑπὸ τῆς συγκλήτου· ὡς ἱστορεῖ Δοσίθεος ἐν τρίτῳ Ἰταλικῶν (FHGr. IV 401).

ΒΟΥΣΙΡΙΣ, παῖς Ποσειδῶνος καὶ Ἀντίπης τῆς Νείλου, τοὺς παριόντας ὑποῦλῳ φιλοξενίᾳ κατέθυε· μετῆλθε δ' αὐτὸν ἡ τῶν τετελευτηκότων νέμεσις· [c] Ἡρακλῆς γὰρ ἐπιτεθεὶς τῷ ῥοπάλῳ διεχρήσατο· ὡς Ἀγάθων Σάμιος (FHGr. IV 291).

ΗΡΑΚΛΗΣ τὰς Γηρυόνου βοῦς ἐλαύνων δι' Ἰταλίας ἐπεξενώθη Φαύνῳ βασιλεῖ, ὃς ἦν Ἑρμοῦ παῖς καὶ τοὺς ξένους τῷ γεννήσαντι ἔθυεν· ἐπιχειρήσας δὲ τῷ Ἡρακλεῖ ἀνηρέθη· ὡς Δέρκυλλος ἐν τρίτῳ Ἰταλικῶν (FHGr. IV 387).

ΦΑΛΑΡΙΣ Ἀκραγαντίνων τύραννος ἀποτόμως τοὺς παριόντας ξένους ἐστρέβλου καὶ ἐκόλαζε. Πέριλλος δὲ τῇ τέχνῃ χαλκουργὸς δάμαλιν κατασκευάσας χαλκῆν ἔδωκε τῷ βασιλεῖ, ὡς ἂν τοὺς ξένους κατακαίῃ ζῶντας ἐν αὐτῇ· ὁ δὲ τότε μόνον γενόμενος δίκαιος αὐτὸν ἐνέβαλεν. ἐδόκει δὲ μυκηθμὸν ἀναδιδόναι ἢ δάμαλιν· ὡς ἐν [d] δευτέρῳ Αἰτίων.

ΕΝ ΑΙΓΕΣΤΗΙ [τῇ] πόλει τῆς Σικελίας ἐγένετό τις ὥμῶς τύραννος Αἰμίλιος Κενσωρῖνος. οὗτος τοὺς καινότερα βασανιστήρια κατασκευάσαντας ἔδωροδόκει. εἰς δέ τις

Ἀρ<ρ>ούντιος Πατέρκουλος δημιουργήσας ἵππον χαλκοῦν τῷ προειρημένῳ δῶρον ἔδωκεν, ἵνα βάλλῃ αὐτούς. ὁ δὲ τότε πρῶτον νομίμως ἀναστραφεὶς τὸν χαρισάμενον πρότερον ἔβαλεν, ὡς ἄν, ἣν ἐπενόησε βάσανον ἄλλοις, αὐτὸς πάθῃ πρῶτος. [τοῦτον συλλαβὼν ἀπὸ τοῦ Ταρ<η>ίου ὄρους ἔρριψε.] καὶ δοκοῦσιν οἱ ἀποτόμως βασιλεύσαντες ἀπ' ἐκείνου Αἰμίλιοι προσαγορεύεσθαι· ὡς [e] Ἀριστείδης ἐν τετάρτῳ Ἰταλικῶν (FHGr. IV 322).

ΕΥΗΝΟΣ Ἄρεος καὶ Στερόπης τὴν Οἰνομάου γήμας Ἀλκίπην ἐγέννησε θυγατέρα Μάρπησαν, ἣν παρθένον ἐφρούρει. <ιδὼν δ'> Ἴδας ὁ Ἀφαρήϊος καὶ ἀρπάσας ἐκ χοροῦ ἔφυγεν. ὁ δὲ πατήρ διώξας καὶ μὴ συλλαβὼν εἰς τὸν Λυκόρμαν ἔρριπεν ἑαυτὸν ποταμὸν καὶ ἀθάνατος ἐγένετο· ὡς Δοσίθεος ἐν πρώτῳ Αἰτωλικῶν (FHGr. IV 401).

ΑΝΙΟΣ δὲ Τούσκων βασιλεὺς ἔχων θυγατέρα εὖμορφον τοῦνομα Σαλίαν παρθένον ἐτήρει. Κάθητος δ' ἐκ τῶν ἐπισήμων ἰδὼν τὴν παρθένον παίζουσαν ἠράσθη, καὶ μὴ στέγων τὸν ἔρωτα ἦρπασε καὶ ἦγεν εἰς Ῥώμην.

[f] ὁ δὲ πατήρ ἐπιδιώξας καὶ μὴ συλλαβὼν ἤλατο εἰς τὸν Περεούσιον ποταμόν, ὃς Ἀνίων μετωνομάσθη· τῇ δὲ Σαλία συγγενόμενος Κάθητος ἐποιήσατο Λατῖνον καὶ Σάλιον, ἀφ' ὧν οἱ εὐγενέστατοι κατῆγον τὸ γένος· ὡς Ἀριστείδης Μιλήσιος καὶ Ἀλέξανδρος ὁ Πολυῖστωρ ἐν τρίτῳ Ἰταλικῶν (FHGr. III 230).

ΗΓΗΣΙΣΤΡΑΤΟΣ ἀνὴρ Ἐφέσιος ἐμφύλιον φόνον δράσας ἔφυγεν εἰς Δελφοὺς καὶ ἠρώτα τὸν θεὸν ποῦ οἰκήσειεν. ὁ δ' Ἀπόλλων ἀνεῖλεν, ἔνθα ἂν ἴδῃ χορεύοντας [316] [a] ἀγροίκους θαλλοῖς ἐλαίας ἐστεφανωμένους. γενόμενος δὲ κατὰ τινὰ τόπον τῆς Ἀσίας καὶ θεασάμενος γεωργοὺς φύλλοις ἐλαίας ἐστεφανωμένους καὶ χορεύοντας, ἔκτισεν αὐτοῦ πόλιν καὶ ἐκάλεσεν Ἐλαιοῦντα· ὡς Πυθοκλῆς Σάμιος ἐν τρίτῳ Γεωργικῶν (FHGr. IV 488).

ΤΗΛΕΓΟΝΟΣ Ὀδυσσέως καὶ Κίρκης ἐπ' ἀναζήτησιν τοῦ πατρὸς πεμφθεὶς ἔμαθε πόλιν κτίσαι, ἔνθα ἂν ἴδῃ γεωργοὺς ἐστεφανωμένους καὶ χορεύοντας. γενόμενος δὲ κατὰ τινὰ τόπον τῆς Ἰταλίας καὶ θεασάμενος ἀγροίκους πρηνέσις κλάδοις ἐστεφανωμένους καὶ ὀρχήσῃ προσευκαιροῦντας, ἔκτισε πόλιν, ἀπὸ τοῦ συγκυρήματος [b] Πρίνιστον ὀνομάσας, ἣν Ῥωμαῖοι παραγώγως Πραίνεστον καλοῦσιν· ὡς ἱστορεῖ Ἀριστοκλῆς ἐν τρίτῳ Ἰταλικῶν (FHGr. IV 330).

De fortuna Romanorum

ΠΕΡΙ ΤΗΣ ΡΩΜΑΙΩΝ ΤΥΧΗΣ

[316] Αἱ πολλοὺς πολλὰκις ἡγωνισμέναι καὶ μεγάλους ἀγῶνας Ἀρετὴ καὶ Τύχη πρὸς ἀλλήλας μέγιστον ἀγωνίζονται τὸν παρόντα, περὶ τῆς Ῥωμαίων ἡγεμονίας διαδικαζόμεναι ποτέρας γέγονεν ἔργον καὶ ποτέρα τὴν τηλικαύτην δύναμιν γεγέννηκεν. οὐ γὰρ μικρὸν ἔσται τῇ περιγενομένῃ τοῦτο μαρτύριον, μᾶλλον δ' ἀπολόγημα πρὸς κατηγορίαν. κατηγορεῖται δ' Ἀρετὴ μὲν ὡς καλὸν μὲν ἀνωφελὲς δέ, Τύχη δ' ὡς ἀβέβαιον μὲν ἀγαθὸν δέ· καὶ τὴν μὲν ἄκαρπα πονεῖν λέγουσι, τὴν δ' ἄπιστα δωρεῖσθαι. τίς οὖν οὐχὶ λέξει, τῇ ἐτέρᾳ τῆς Ῥώμης προστεθείσης, ἢ λυσιτελέστατον [d] Ἀρετὴν, εἰ τηλικαῦτα τοὺς ἀγαθοὺς δέδρακεν ἀγαθὰ, ἢ βεβαιότατον Εὐτυχίαν, χρόνον ἤδη τοσοῦτον ἃ δέδωκε τηροῦσαν; Ἴων μὲν οὖν ὁ ποιητὴς ἐν τοῖς δίσχαι μέτρου καὶ καταλογάδην αὐτῷ γεγραμμένοις φησὶν ἀνομοιότατον πρᾶγμα τῇ σοφίᾳ τὴν τύχην οὖσαν ὁμοιοτάτων πραγμάτων γίνεσθαι δημιουργόν· αὖξουσιν ἀμφοτέραι πόλεις, κοσμοῦσιν ἄνδρας, εἰς δόξαν ἀνάγουσιν εἰς δύναμιν εἰς ἡγεμονίαν. τί δεῖ τὰ πολλὰ μηκύνειν ἐξαριθμούμενον; αὐτὴν τὴν τὰ πάντα γεννῶσαν ἡμῖν καὶ φέρουσαν φύσιν οἱ μὲν τύχην εἶναι νομίζουσιν, οἱ δὲ σοφίαν. διὸ καλόν τι τῇ Ῥώμῃ καὶ ζηλωτὸν ὁ [e] ἐνεστὼς λόγος ἀξίωμα περιτίθῃσιν, εἰ διαποροῦμεν περὶ αὐτῆς, ὡς ὑπὲρ γῆς καὶ θαλάσσης καὶ οὐρανοῦ καὶ ἄστρον, πότερον κατὰ τύχην συνέσθηκεν ἢ κατὰ πρόνοιαν.

Ἐγὼ δέ, ὅτι μὲν, εἰ καὶ πάνυ πρὸς ἀλλήλας αἰεὶ πολέμοισι καὶ διαφέρονται Τύχη καὶ Ἀρετὴ, πρὸς γε τηλικαύτην σύμπληξιν ἀρχῆς καὶ δυνάμεως εἰκὸς ἐστὶν αὐτὰς σπεισάμενας συνελθεῖν καὶ συνελθούσας ἐπιτελειῶσαι καὶ συναπεργάσασθαι τῶν ἀνθρωπίνων ἔργων τὸ κάλλιστον, ὀρθῶς ὑπονοεῖν οἶομαι. καὶ νομίζω, καθάπερ Πλάτων (Tim. p. 28b 32b) φησὶν ἐκ πυρὸς καὶ γῆς ὡς ἀναγκαίων τε καὶ πρώτων γεγονέναι τὸν σύμπαντα κόσμον, ἴν' ὁρατός τε γένηται καὶ [f] ἀπτός, γῆς μὲν τὸ ἐμβριθὲς καὶ στάσιμον αὐτῷ συμβαλλομένης, πυρὸς δὲ χρῶμα καὶ μορφὴν καὶ κίνησιν, αἱ δ' ἐν μέσῳ φύσεις, ὕδωρ καὶ ἀήρ, μαλάξασαι καὶ σβέσασαι τὴν ἑκατέρου τῶν ἄκρων ἀνομοιότητα συνήγαγον καὶ ἀνεμίξαντο τὴν ὕλην δι' αὐτῶν, οὕτως ἄρα καὶ ὁ τὴν Ῥώμην ὑποβαλόμενος

χρόνος μετὰ θεοῦ [317] [a] τύχην καὶ ἀρετὴν ἐκέρασε καὶ συνέχευεν, ἴν' ἑκατέρας λαβὼν τὸ οἰκεῖον ἀπεργάσῃται πᾶσιν ἀνθρώποις ἐστίαν ἱερὰν ὡς ἀληθῶς καὶ ἀνησιδώραν καὶ 'πεῖσμα' μόνιμον καὶ στοιχεῖον αἰδίου, ὑποφερομένοις τοῖς πράγμασιν 'ἀγκυρηβόλιον· σάλου καὶ πλάνης' ὡς φησι Δημόκριτος (B 148). ὡς γὰρ οἱ φυσικοὶ τὸν κόσμον λέγουσιν οὐκ εἶναι κόσμον οὐδ' ἐθέλειν τὰ σώματα συνελθόντα καὶ συμμιγέντα κοινὸν ἐκ πάντων εἶδος τῇ φύσει παρασχεῖν, ἀλλὰ τῶν μὲν ἔτι μικρῶν καὶ σποράδην φερομένων [καὶ] διολισθανόντων καὶ ὑποφευγόντων τὰς ἐναπολήψεις καὶ περιπλοκάς, τῶν δ' ἀδροτέρων καὶ συνεσθηκόντων ἤδη δεινοῦς ἀγῶνας πρὸς ἀλλήλα καὶ διατραχηλισμοῦς λαμβανόντων κλύδωνα καὶ βρασμὸν εἶναι καὶ φθόρου καὶ πλάνης καὶ ναυαγίων μεστὰ πάντα, πρὶν γε τὴν γῆν μέγεθος λαβοῦσαν ἐκ τῶν συνισταμένων καὶ φερομένων ἰδρυθῆναι πῶς αὐτὴν καὶ τοῖς ἄλλοις ἰδρυσιν ἐν αὐτῇ καὶ περὶ αὐτὴν παρασχεῖν, οὕτω τῶν μεγίστων ἐν ἀνθρώποις δυνάμεων καὶ ἡγεμονιῶν κατὰ τύχας ἐλαυνομένων καὶ συφερομένων ὑπὸ τοῦ μηδένα κρατεῖν βούλεσθαι δὲ πάντας, ἀμήχανος <ῆν> ἡ φθορὰ καὶ πλάνη καὶ μεταβολὴ πᾶσα πάντων, μέχρις οὗ τῆς Πρώτης ἰσχὺν καὶ αὔξῃσιν λαβούσης καὶ ἀναδησαμένης [b] τοῦτο μὲν ἔθνη καὶ δήμους ἐν αὐτῇ τοῦτο δ' ἄλλοφύλους καὶ διαποντίους βασιλέων ἡγεμονίας ἔδραν ἔσχε τὰ μέγιστα καὶ ἀσφάλειαν, εἰς κόσμον εἰρήνης καὶ ἕνα κύκλον τῆς ἡγεμονίας ἄπταιστον περιφερομένης, πάσης μὲν ἀρετῆς ἐγγενομένης τοῖς ταῦτα μηχανησαμένοις, πολλῆς δὲ καὶ τύχης συνελθούσης, ὡς ἐνέσται τοῦ λόγου προϊόντος ἐνδείξασθαι.

Νυνὶ δέ μοι δοκῶ τοῦ προβλήματος <ἀρχόμενος> ὥσπερ ἀπὸ σκοπῆς καθορᾶν ἐπὶ τὴν σύγκρισιν καὶ τὸν ἀγῶνα τήν τε Τύχην καὶ τὴν Ἀρετὴν βαδίζουσας. ἀλλὰ τῆς μὲν Ἀρετῆς πρᾶδόν τε τὸ βάδισμα καὶ τὸ βλέμμα καθεσθηκός, ἐπιτρέχει δέ τι καὶ τῷ προσώπῳ πρὸς τὴν [c] ἄμιλλαν ἐρύθημα τῆς φιλοτιμίας· καὶ πολὺ μὲν ὑστερεῖ σπευδούσης τῆς Τύχης, ἄγουσι δ' αὐτὴν καὶ δορυφοροῦσι κατὰ πλῆθος (Od. λ 41)

‘ἄνδρες ἀρηίφατοι βεβρωτῶμένα τεύχε’ ἔχοντες,’

ἐναντίων τραυμάτων ἀνάπλεω, αἷμα συμμεμιγμένον ἰδρῶτι σταλάζοντες, ἡμικλάστοις ἐπιβεβηκότες λαφύροις. βούλεσθε δὲ πυθώμεθα, τίνες ποτ' εἰσὶν οὗτοι; Φαβρίκιοί φασιν εἶναι καὶ Κάμιλλοι καὶ Λούκιοι [καὶ] Κικιννᾶτοι καὶ Μάξιμοι Φάβιοι καὶ

Κλαύδιοι Μάρκελλοι καὶ Σκιπίωνες. ὁρῶ δὲ καὶ Γάιον Μάριον ὀργιζόμενον τῇ Τύχῃ, καὶ Μούκιος ἐκεῖ Σκαιόλας τὴν φλεγομένην [d] χεῖρα δείκνυσι βοῶν ‘μὴ καὶ ταύτην τῇ Τύχῃ χαρίζῃ;’ καὶ Κόκλιος Μάρκος ἀριστευὲς παραποτάμιος Τυρρηνικοῖς βέλεσι βαρυνόμενος καὶ σκάζοντα μηρὸν παρέχων, ἐκ βαθείας ὑποφθέγγεται δίνης ‘οὐκοῦν κἀγὼ κατὰ τύχην πεπήρωμαι;’ τοιοῦτος ὁ τῆς Ἀρετῆς χορὸς πρόσσεισιν ἐπὶ τὴν σύγκρισιν,

Τῆς δὲ Τύχης ὁξὺ μὲν τὸ κίνημα καὶ θρασὺ τὸ φρόνημα καὶ μεγάλαυχον ἢ ἐλπίς, φθάνουσα δὲ τὴν Ἀρετὴν ἐγγύς ἐστιν, οὐ ‘πτεροῖς ἐλαφρίζουσα κούφοις ἑαυτὴν’ οὐδ’ ‘ἀκρώνυχον ὑπὲρ σφαίρας’ τινὸς ‘ἵχνος καθεῖσα’ περισφαλῆς καὶ ἀμφίβολος πρόσσεισιν, εἴτ’ [e] ἄπεισιν ἀειδής· ἀλλ’ ὥσπερ οἱ Σπαρτιᾶται τὴν Ἀφροδίτην λέγουσι διαβαίνουσιν τὸν Εὐρώταν τὰ μὲν ἔσοπτρα καὶ τοὺς χλιδῶνας καὶ τὸν κεστὸν ἀποθέσθαι, δόρυ δὲ καὶ ἀσπίδα λαβεῖν κοσμουμένην τῷ Λυκούργῳ· οὕτως ἡ Τύχῃ καταλιποῦσα Πέρσας καὶ Ἀσσυρίους Μακεδονίαν μὲν ἐλαφρὰ διέπτῃ καὶ ἀπεσεύσατο ταχέως Ἀλέξανδρον, καὶ δι’ Αἰγύπτου καὶ Συρίας περιφέρουσα βασιλείας διώδευσε, καὶ Καρχηδονίους στρεφομένη πολλάκις [318] [a] ἐβάστασε· τῷ δὲ Παλατίῳ προσερχομένη καὶ διαβαίνουσα τὸν Θύμβριν ὡς ἔοικεν ἀπ’ ἐθήκε τὰς πτέρυγας, ἐξέβη τῶν πεδίλων, ἀπέλιπε τὴν ἄπιστον καὶ παλίμβολον σφαῖραν. οὕτως εἰσῆλθεν εἰς Ῥώμην ὡς μενοῦσα καὶ τοιαύτη πάρεστιν [ὡς] ἐπὶ τὴν δίκην. οὐ μὲν γάρ ‘ἀπειθής’ κατὰ Πίνδαρον (fr. 40 `15)) οὐδὲ ‘δίδυμον στρέφουσα πηδάλιον’, ἀλλὰ μᾶλλον ‘Εὐνομίας καὶ Πειθοῦς ἀδελφὰ καὶ Προμαθείας θυγάτηρ’ ὡς γενεαλογεῖ Ἀλκμάν (III 58 B. II 24 D.). τὸ δ’ ὑμνούμενον ἐκεῖνο τοῦ πλούτου κέρας ἔχει διὰ χειρός, οὐκ ὁπώρας ἀεὶ θαλλούσης μεστόν, ἀλλ’ ὅσα φέρει πᾶσα γῆ πᾶσα δὲ θάλασσα καὶ ποταμοὶ καὶ μέταλλα [b] καὶ λιμένες, ἄφθονα καὶ ῥύδην ἐπιχεαμένη. λαμπροὶ δὲ καὶ διαπρεπεῖς ἄνδρες οὐκ ὀλίγοι μετ’ αὐτῆς ὀρῶνται, Πομπίλιος Νομᾶς ἐκ Σαβίνων καὶ Πρῖσκος ἐκ Ταρκυνίων, οὓς ἐπήλυδας βασιλεῖς καὶ ξένους ἐνιδρύσατο τοῖς Ῥωμύλου θρόνοις· καὶ Παῦλος Αἰμίλιος ἀπὸ Περσέως καὶ Μακεδόνων ἄτρωτον στρατὸν ἄγων καὶ νίκην ἄδακρυν θριαμβεύων μεγαλύνει τὴν Τύχην· μεγαλύνει δὲ καὶ Κεκίλιος Μέτελλος ὁ Μακεδονικός, γέρων ὑπὸ τεσσάρων παίδων ὑπατικῶν ἐκκομιζόμενος, Κοῖντου Βαλαρικοῦ καὶ Λευκίου

καὶ ταπεινοτέρου γένους καινὸς ἄνθρωπος ἀρθεὶς ὑπ’ αὐτῆς
προγράφεται τοῦ μεγάλου συνεδρίου. Κορνήλιον δὲ Σύλλαν ἐκ

Οἰδίποδα τὸν Σοφοκλέους (OR 1090)

[d] ‘ἐγὼ δ’ ἑμαυτὸν παῖδα τῆς Τύχης νέμω.’

καὶ Ῥωμαῖστί μὲν Φήλιξ ὠνομάζετο, τοῖς δ’ Ἑλλήσιν οὕτως
ἔγραφε ‘Λούκιος Κορνήλιος Σύλλας Ἐπαφρόδιτος.’ καὶ τὰ παρ’
ἡμῖν ἐν Χαιρωνείᾳ τρόπαια κατὰ τῶν Μιθριδατικῶν οὕτως
ἐπιγέγραπται, καὶ εἰκότως· ‘πλεῖστον γὰρ Ἀφροδίτης’ οὐ ‘νύξ’
κατὰ Μένανδρον (fr. 739 K.), ἀλλὰ τύχη μετέσχηκεν.

Ἄρ’ οὖν ταύτην τις ἀρχὴν ποιησάμενος οἰκείαν ὑπὲρ τῆς Τύχης
ἐπάγοιτ’ ἂν μάρτυρας αὐτοὺς Ῥωμαίους, ὡς τῇ Τύχῃ πλεόν ἢ τῇ
Ἀρετῇ νέμοντας; Ἀρετῆς μὲν γε παρ’ αὐτοῖς ὅψε καὶ μετὰ πολλοὺς
χρόνους ἱερὸν ἰδρύσατο Σκιπίων ὁ Νομαντῖνος, εἴτα Μάριος τὸ
Οὐίρτοῦτίς [e] τε καὶ Ὀνώρις προσαγορευόμενον· καὶ τὸ τῆς
Μέντις καλουμένης (Γνώμης ἂν νομίζοιτο) Σκαῦρος Αἰμίλιος, περὶ
τὰ Κιμβρικά τοῖς χρόνοις γεγονώς· ἤδη τότε λόγων καὶ
σοφισμῶν καὶ στωμυλίας παρεισρυσείσης εἰς τὴν πόλιν ἦρχοντο
σεμνύνειν τὰ τοιαῦτα. Σοφίας δὲ μέχρι καὶ νῦν ἱερὸν οὐκ ἔστιν
οὐδὲ Σωφροσύνης ἢ Μεγαλοψυχίας ἢ Καρτερίας ἢ Ἐγκρατείας·
ἀλλὰ τά γε τῆς Τύχης ἱερὰ λαμπρὰ καὶ παλαιὰ καὶ ὁμοῦ τι τοῖς
πρώτοις καταμεμιγμένα τῆς πόλεως θεμελίους γέγονε. πρῶτος μὲν
γὰρ ἰδρύσατο Τύχης ἱερὸν Μάρκ^κιος Ἄγκος, ὁ Νομᾶ θυγατρίδοϋς
καὶ τέταρτος ἀπὸ Ῥωμύλου [f] βασιλεὺς γενόμενος· καὶ τάχα που
τῇ τύχῃ τὴν Ἀνδρείαν παρωνόμασεν, ἥ πλεῖστον εἰς τὸ νικᾶν τύχης
μέτεστι. τὸ δὲ τῆς Γυναικείας Τύχης κατεσκευάσαντο πρὸ
Καμίλλου, ὅτε Μάρκιον Κοριόλανον ἐπάγοντα τῇ πόλει
Οὐολούσκους ἀπεστρέψαντο διὰ τῶν γυναικῶν. πρεσβευσάμεναι
γὰρ αὗται πρὸς τὸν ἄνδρα μετὰ τῆς μητρὸς αὐτοῦ καὶ τῆς
γυναικὸς ἐξελιπάρησαν καὶ κατειργάσαντο φείσασθαι τῆς πόλεως
καὶ τὴν στρατιὰν τῶν [319] [a] βαρβάρων ἀπαγαγεῖν. τότε λέγεται τὸ

ἄγαλμα τῆς Τύχης ἅμα τῷ καθιερωθῆναι φωνὴν ἀφεῖναι καὶ εἰπεῖν ‘ὁσίως με πόλεως νόμῳ, γυναῖκες ἀσταί, καθιδρύσασθε’. καὶ μὴν καὶ Φούριος Κάμιλλος, ὅτε τὸ Κελτικὸν ἔσβεσε πῦρ καὶ τὴν Ῥώμην ἀντίρροπον χρυσῷ κεκλιμένην ἀπὸ τοῦ ζυγοῦ καὶ τῆς πλάστιγγος καθεῖλεν, οὗτ’ Εὐβουλίας οὗτ’ Ἀνδρείας, ἀλλὰ Φήμης ἰδρύσατο καὶ Κληδόνος ἔδῃ παρὰ τὴν Καινὴν ὁδόν, ὅπου φασὶ πρὸ τοῦ πολέμου Μάρκῳ Καιδικίῳ βαδίζοντι νύκτωρ φωνὴν γενέσθαι κελεύουσιν ὀλίγῳ χρόνῳ Γαλατικὸν πόλεμον προσδέχεσθαι. τὴν δὲ πρὸς τῷ ποταμῷ Τύχην ‘φόρτιν’ [b] καλοῦσιν (ὅπερ ἐστὶν ἰσχυρὰν ἢ ἀριστευτικὴν ἢ ἀνδρείαν), ὡς τὸ νικητικὸν ἀπάντων κράτος ἔχουσιν. καὶ τὸν γε ναὸν αὐτῆς ἐν τοῖς ὑπὸ Καίσαρος τῷ δήμῳ καταλειφθεῖσι κήποις ὠκοδόμησαν, ἡγούμενοι κάκεῖνον εὐτυχίᾳ γενέσθαι μέγιστον, ὡς αὐτὸς ἐμαρτύρησε.

Περὶ δὲ Γαῖου Καίσαρος ἡδέσθην ἂν εἰπεῖν, ὡς ὑπ’ εὐτυχίας ἦρθη μέγιστος, εἰ μὴ τοῦτ’ αὐτὸς ἐμαρτύρησεν. ἐπεὶ γὰρ ἀπὸ Βρεντεσίου Πομπήιον διώκων ἀνῆλθε πρὸ μιᾶς ἡμέρας νωνῶν Ἰανουαρίων, χειμῶνος ἐν τροπαῖς ὄντος, τὸ μὲν πέλαγος ἀσφαλῶς διεπέρασε, τῆς Τύχης τὸν καιρὸν ὑπερθεμένης· εὐρὼν δὲ τὸν [c] Πομπήιον ἄθρουν καὶ πολὺν μὲν ἐν γῇ πολὺν δ’ ἐν θαλάσῃ μετὰ πασῶν ἅμα τῶν δυνάμεων καθεζόμενον αὐτὸς ὀλιγοστος ὢν τῆς μετ’ Ἀντωνίου καὶ Σαβίνου στρατιᾶς αὐτῷ βραδυνοῦσης, ἐτόλμησεν εἰς ἀκάτιον μικρὸν ἐμβὰς καὶ λαθὼν τὸν τε ναύκληρον καὶ τὸν κυβερνήτην ὥς τινας θεράπων ἀναχθῆναι. σκληρᾶς δὲ πρὸς τὸ ρεῦμα τοῦ ποταμοῦ γενομένης ἀντιβάσεως καὶ κλύδωνος ἰσχυροῦ, μεταβαλλόμενον ὁρῶν τὸν κυβερνήτην ἀφείλεν ἀπὸ τῆς κεφαλῆς τὸ ἱμάτιον καὶ ἀναδείξας ἑαυτὸν ‘ἴθι’ ἔφη ‘γενναῖε, τόλμα καὶ δέδιθι μηδέν, [d] ἀλλ’ ἐπιδίδου τῇ Τύχῃ τὰ ἰστία καὶ δέχου τὸ πνεῦμα, πιστεύων ὅτι Καίσαρα φέρεις καὶ τὴν Καίσαρος Τύχην.’ οὕτως ἐπέπειστο τὴν Τύχην αὐτῷ συμπλεῖν, συναποδημεῖν, συστρατεύεσθαι, συστρατηγεῖν· ἥς ἔργον ἦν γαλήνην μὲν ἐπιτάξαι θαλάσῃ, θέρος δὲ χειμῶνι, τάχος δὲ τοῖς βραδυτάτοις, ἀλκὴν δὲ τοῖς ἀθυμοτάτοις· τὸ δὲ τούτων ἀπιστότερον, φυγὴν Πομπηίῳ καὶ Πτολεμαίῳ ξενοκτονίαν, ἵνα καὶ Πομπήιος πέσῃ καὶ Καῖσαρ μὴ μιανθῇ.

Τί δέ; ὁ τοῦτου μὲν υἱός, πρῶτος δ’ ἀναγορευθεὶς Σεβαστός, ἄρξας δὲ τέσσαρα καὶ πεντήκοντα ἔτη, οὐκ [e] αὐτὸς ἐκπέμπων

ΠΕΡΙ ΤΗΣ ΑΛΕΞΑΝΔΡΟΥ ΤΥΧΗΣ Η ΑΡΕΤΗΣ

ΛΟΓΟΣ Α'

Οὗτος ὁ τῆς Τύχης λόγος ἐστίν, ἴδιον καὶ μόνης αὐτῆς ἔργον ἀποφαινομένης Ἀλέξανδρον. δεῖ δ' ἀντειπεῖν ὑπὲρ φιλοσοφίας, μᾶλλον δ' ὑπὲρ Ἀλεξάνδρου δυσχεραίνοντος καὶ ἀγανακτοῦντος, εἰ προῖκα δόξει καὶ παρὰ τῆς Τύχης λαβεῖν τὴν ἡγεμονίαν, ἣν ὦνιον αἵματος πολλοῦ καὶ τραυμάτων ἐπαλλήλων κτώμενος (Hom. I 325)

[e] 'πολλὰς μὲν ἀύπνους νύκτας ἴαυεν,

ἥματα δ' αἵματόεντα διέπρησεν πολεμίζων'

πρὸς ἀμάχους δυνάμεις καὶ ἄπειρα φύλα καὶ ποταμοὺς ἀπεράτους καὶ πέτρας ἀτοξεύτους, εὐβουλία καὶ ἀνδρεία καὶ καρτερία καὶ σωφροσύνη παραπεμπόμενος.

Οἷμαι δ' ἂν αὐτὸν εἰπεῖν πρὸς τὴν Τύχην τοῖς κατορθώμασιν αὐτὴν ἐπιγράφουσαν 'μή μου διάβαλλε τὴν ἀρετὴν μηδ' ἀφαιροῦ περισπῶσα τὴν δόξαν. Δαρεῖος ἦν σὸν ἔργον, ὃν ἐκ δούλου καὶ ἀστάνδου βασιλέως κύριον Περσῶν ἐποίησας· καὶ Σαρδανάπαλος, ὃ τὸ διάδημα [f] τῆς βασιλείας πορφύραν ξαίνοντι περιέθηκας. ἐγὼ δ' εἰς Σοῦσα νικῶν δι' Ἀρβήλων ἀναβέβηκα, καὶ Κιλικία μοι πλατεῖαν ἀνέωξεν Αἴγυπτον, Κιλικίαν δὲ Γράνικος, ὃν Μιθριδάτῃ καὶ Σπιθριδάτῃ νεκροῖς ἐπιβὰς διεπέρασα. κόσμει σεαυτὴν καὶ σεμνύνου βασιλεῦσιν ἀτρώτοις καὶ ἀναιμάκτοις· ἐκεῖνοι γὰρ εὐτυχεῖς ἦσαν, [327] [a] Ὡχοι καὶ Ἀρτοξέρεξαι, οὓς εὐθὺς ἐκ γενετῆς τῷ Κύρου θρόνῳ ἐνίδρυσας. τοῦμόν δὲ σῶμα πολλὰ σύμβολα φέρει Τύχης ἀνταγωνιζομένης οὐ συμμαχούσης. πρῶτον ἐν Ἰλλυριοῖς λίθῳ τὴν κεφαλὴν ὑπέρω δὲ τὸν τράχηλον ἠλοήθην· ἔπειτα περὶ Γράνικον τὴν κεφαλὴν βαρβαρικῇ μαχαίρᾳ διεκόπην, ἐν δ' Ἰσσοῦ ξίφει τὸν μηρόν· πρὸς δὲ Γάζῃ τὸ μὲν σφυρὸν ἐτοξεύθην, τὸν δ' ὦμον ἐμπεσὼν βῶλος ἐξ ἔδρας περιεδίνησε· πρὸς δὲ Μαρακανδάνοις τοξεύμασι τὸ τῆς κνήμης ὀστέον διεσχίσθην· τὰ λοιπὰ δ' Ἰνδῶν πληγαὶ καὶ βίαι θυμῶν· ἐν Ἀσπασίοις [b] ἐτοξεύθην τὸν ὦμον, ἐν δὲ Γανδρίδαις τὸ σκέλος· ἐν Μαλλοῖς βέλει μὲν ἀπὸ τόξου τὸ στέρνον ἐνερεισθέντι καὶ καταδύσαντι τὸν σίδηρον, ὑπέρου δὲ πληγῇ παρὰ τὸν τράχηλον,

ὅτε προστεθεῖσαι τοῖς τείχεσιν αἱ κλίμακες ἐκλάσθησαν, ἐμὲ δ' ἡ Τύχη μόνον συνείρξεν οὐδὲ λαμπροῖς ἀνταγωνισταῖς, ἀλλὰ βαρβάροις ἀσήμεοις χαριζομένη τηλικοῦτον ἔργον· εἰ δὲ μὴ Πτολεμαῖος ὑπερέσχε τὴν πέλτην, Λιμναῖος δὲ πρὸ ἐμοῦ τοῖς μυρίοις ἀπαντήσας βέλεσιν ἔπεσεν, ἤρειψαν δὲ θυμῷ καὶ βία Μακεδόνες τὸ τεῖχος, ἔδει τάφον Ἀλεξάνδρου τὴν βάρβαρον ἐκείνην καὶ ἀνώνυμον κώμην γενέσθαι.'

[c] Καὶ μὴν τὰ μὲν αὐτῆς τῆς στρατείας χειμῶνες, αὐχμοί, βάθη ποταμῶν, ἄορνα ὕψη, θηρίων ὑπερφυεῖς ὄψεις, ἄγριοι δίαται, μεταβολαὶ δυναστῶν, παλιμπροδοσίαι· τὰ δὲ πρὸ τῆς στρατείας, ἐπεὶ τοῖς Φιλίπποϊς πολέμοις ἐπέσπαιρεν ἡ Ἑλλάς, ἀπεσεῖοντο δ' αἱ Θῆβαι τῶν ὀπλῶν τὴν Χαιρωνικὴν κόνιν ἐκ τοῦ πτώματος ἀνιστάμεναι, καὶ συνῆπτον αἱ Ἀθῆναι τὰς χεῖρας ὀρέγουσαι, πᾶσα δ' ὕπουλος <ῆν> ἡ Μακεδονία πρὸς Ἀμύνταν ἀποβλέπουσα καὶ τοὺς Ἀερόπου παῖδας, ἀνερρήγνυντο δ' Ἴλλυριοί, καὶ τὰ Σκυθῶν ἐπηρωεῖτο τοῖς προσοίκις νεωτερίζουσι, τὸ δὲ Περσικὸν χρυσίον διὰ τῶν ἐκασταχοῦ [d] δημαγωγῶν ῥέον ἐκίνει τὴν Πελοπόννησον, κενοὶ δ' οἱ Φιλίππου θησαυροὶ χρημάτων, καὶ προσῆν ἔτι δάνειον, ὥς Ὀνησίκριτος ἱστορεῖ, διακοσίων ταλάντων. ἐν τοσαύτῃ πενίᾳ καὶ πράγμασι ταραχὰς ἔχουσι μεῖράκιον ἄρτι τὴν παιδικὴν παραλλάττον ἡλικίαν ἐθάρρησεν ἐλπίσαι Βαβυλῶνα καὶ Σοῦσα, μᾶλλον δὲ τὴν πάντων ἀνθρώπων ἀρχὴν εἰς νοῦν ἐμβαλέσθαι, τοῖς τρισμυρίοις, οἷμαι, πεζοῖς καὶ τετρακισχιλίοις ἵππεῦσι πιστεύσας· τοσοῦτοι γὰρ ἦσαν, ὥς Ἀριστόβουλος φησιν (fr. 1c)· ὥς δὲ Πτολεμαῖος (fr. 4) ὁ βασιλεύς, τρισμῦριοι πεζοὶ πεντακισχίλιοι δ' ἵππεῖς· ὥς δ' Ἀναξιμένης (fr. 15), τετρακισμῦριοι πεζοὶ καὶ τρισχίλιοι, πεντακισχίλιοι δὲ καὶ πεντακόσιοι ἵππεῖς. τὸ δὲ λαμπρὸν αὐτῷ καὶ μέγα παρασκευασθὲν ὑπὸ τῆς Τύχης ἐφόδιον ἐβδομήκοντα τάλαντ' ἦν, ὥς φησιν Ἀριστόβουλος· ὥς δὲ Δοῦρις (FHGr II 472), τριάκοντα μόνον ἡμερῶν ἐπισιτισμός.

Ἄβουλος οὖν καὶ προπετὴς Ἀλέξανδρος ἐξ εὐτελῶν οὕτως ἐπὶ τηλικαύτην δύναμιν ὁρμώμενος; οὐ μὲν οὖν. τίς γὰρ ἀπὸ μειζόνων ἢ καλλίωνων ἀφορμῶν ἀνήγετο μεγαλοψυχίας, συνέσεως, σωφροσύνης, ἀνδραγαθίας, αἷς αὐτὸν ἐφωδίαζε φιλοσοφία πρὸς τὴν στρατείαν; καὶ πλείονας παρ' Ἀριστοτέλους τοῦ καθηγητοῦ ἢ παρὰ [e] Φιλίππου τοῦ πατρὸς ἀφορμὰς ἔχων διέβαινεν ἐπὶ Πέρσας. ἀλλὰ τοῖς μὲν γράφουσιν, ὥς Ἀλέξανδρος ἔφη ποτὲ τὴν

Ἰλιάδα καὶ τὴν Ὀδύσσειαν ἀκολουθεῖν αὐτῷ τῆς στρατείας ἐφόδιον, πιστεύομεν, Ὅμηρον σεμνύνοντες· ἂν δέ τις φῇ τὴν Ἰλιάδα καὶ τὴν Ὀδύσσειαν παραμύθια [328] [a] πόνου καὶ διατριβὴν ἔπεσθαι σχολῆς γλυκείας, ἐφόδιον δ' ἀληθῶς γεγονέναι τὸν ἐκ φιλοσοφίας λόγον καὶ τοὺς περὶ ἀφοβίας καὶ ἀνδρείας ἔτι δὲ σωφροσύνης καὶ μεγαλοφυχίας ὑπομνηματισμούς, καταφρονοῦμεν· ὅτι δηλαδὴ περὶ συλλογισμῶν οὐδὲν οὐδὲ περὶ ἀξιωματῶν ἔγραψεν, οὐδ' ἐν Λυκείῳ περίπατον συνέσχεν οὐδ' ἐν Ἀκαδημείᾳ θέσεις εἶπεν· τοῦτοις γὰρ ὀρίζουσι φιλοσοφίαν οἱ λόγον αὐτὴν οὐκ ἔργον νομίζοντες, καίτοι γ' οὐδὲ Πυθαγόρας ἔγραψεν οὐδὲν οὐδὲ Σωκράτης οὐδ' Ἀρκεσίλαος οὐδὲ Καρνεάδης, οἱ δοκιμώτατοι τῶν φιλοσόφων· καὶ οὐκ ἡσυχολοῦντο περὶ πολέμους ἐκεῖνοι τηλικούτους, οὐδὲ [b] βασιλεῖς βαρβάρους ἡμεροῦντες οὐδὲ πόλεις Ἑλληνίδας ἐγκτίζοντες ἀγρίοις ἔθνεσιν οὐδ' ἄθεσμα καὶ ἀνήκοα φύλα νόμους διδάσκοντες καὶ εἰρήνην «τὴν γῆν» ἐπήεσαν, ἀλλὰ καὶ σχολάζοντες τὸ γράφειν παρίεσαν τοῖς σοφισταῖς. πόθεν οὖν ἐπιστεύθησαν ἐκεῖνοι φιλοσοφεῖν; ἀφ' ὧν εἶπον ἢ ἀφ' ὧν ἐβίωσαν ἢ ἀφ' ὧν ἐδίδαξαν. ἀπὸ τούτων κρινέσθω καὶ Ἀλέξανδρος· ὀφθῆσεται γὰρ οἷς εἶπεν οἷς ἔπραξεν οἷς ἐπαίδευσεν φιλόσοφος.

Καὶ πρῶτον τὸ παραδοξότατον, εἰ βούλει, σκόπει, τοὺς Ἀλεξάνδρου μαθητὰς τοῖς Πλάτωνος, τοῖς Σωκράτους ἀντιπαραβάλλων. εὐφυεῖς οὗτοι καὶ ὁμογλώσσους [c] ἐπαίδευσεν, εἰ μηδὲν ἄλλο, φωνῆς Ἑλληνίδος συνιέντας· καὶ πολλοὺς οὐκ ἔπεισαν, ἀλλὰ Κριτίαι καὶ Ἀλκιβιάδαι καὶ Κλειτοφῶντες, ὥσπερ χαλινὸν τὸν λόγον ἐκπτύσαντες, ἄλλη πη παρετράπησαν. τὴν δ' Ἀλεξάνδρου παιδείαν ἂν ἐπιβλέψῃς, Ὑρκανοὺς γαμεῖν ἐπαίδευσεν καὶ γεωργεῖν ἐδίδαξεν Ἀραχωσίους, καὶ Σογδιανοὺς ἔπεισε πατέρας τρέφειν καὶ μὴ φονεύειν, καὶ Πέρσας σέβεσθαι μητέρας ἀλλὰ μὴ γαμεῖν. ὦ θαυμαστῆς φιλοσοφίας, δι' ἣν Ἴνδοι θεοὺς Ἑλληνικοὺς προσκυνοῦσι, Σκύθαι θάπτουσι τοὺς ἀποθανόντας οὐ κατεσθίουσι. θαυμάζομεν τὴν Καρνεάδου [d] δύναμιν, εἰ Κλειτόμαχον, Ἀσδρούβαν καλούμενον πρότερον καὶ Καρχηδόνιον τὸ γένος, ἐλληνίζειν ἐποίησε, θαυμάζομεν τὴν διάθεσιν Ζήνωνος, εἰ Διογένη τὸν Βαβυλώνιον ἔπεισε φιλοσοφεῖν· ἀλλ' Ἀλεξάνδρου τὴν Ἀσίαν ἐξημεροῦντος Ὅμηρος ἦν ἀνάγνωσμα, Περσῶν καὶ Σουσιανῶν καὶ Γεδρωσίων παῖδες τὰς Εὐριπίδου καὶ Σοφοκλέους τραγωδίας ᾗδον. καὶ Σωκράτης μὲν ξένα παρεισάγων δαιμόνια δίκην τοῖς Ἀθήνησιν

ὠφλίσκανε συκοφάνταις· διὰ δ' Ἀλέξανδρον τοὺς Ἑλλήνων θεοὺς Βάκτρα καὶ Καύκασος προσεκύνησε. Πλάτων μὲν γὰρ μίαν γράφας [e] πολιτείαν οὐδένα πέπεικεν αὐτῇ χρῆσθαι διὰ τὸ αὐστηρόν, Ἀλέξανδρος δ' ὑπὲρ ἐβδομήκοντα πόλεις βαρβάροις ἔθνεσιν ἐγκτίσας καὶ κατασπείρας τὴν Ἀσίαν Ἑλληνικοῖς ἑτέλεσι τῆς ἀνημέρου καὶ θηριώδους ἐκράτησε διαίτης. καὶ τοὺς μὲν Πλάτωνος ὀλίγοι νόμους ἀναγιγνώσκομεν, τοῖς δ' Ἀλεξάνδρου μυριάδες ἀνθρώπων ἐχρήσαντο καὶ χρῶνται, μακαριώτεροι τῶν διαφυγόντων Ἀλέξανδρον οἱ κρατηθέντες γενόμενοι· τοὺς μὲν γὰρ οὐδεὶς ἔπαυσεν ἀθλίως ζῶντας, τοὺς δ' ἠνάγκασεν εὐδαιμονεῖν ὁ νικήσας. ὥσθ' ὅπερ εἶπε Θεμιστοκλῆς, ὀπηνίκα φυγῶν ἔτuche δωρεῶν μεγάλων παρὰ βασιλέως καὶ τρεῖς πόλεις ὑποφόρους [f] ἔλαβε, τὴν μὲν εἰς σῖτον τὴν δ' εἰς οἶνον τὴν δ' εἰς ὄψον, ὧ παῖδες, ἀπωλόμεθ' ἂν, εἰ μὴ ἀπωλόμεθα,' τοῦτο περὶ τῶν ἀλόντων ὑπ' Ἀλεξάνδρου δικαιοτέρον ἐστὶν εἰπεῖν· οὐκ ἂν ἡμερώθησαν, εἰ μὴ ἐκρατήθησαν.' οὐκ ἂν εἶχεν Ἀλεξάνδρειαν Αἴγυπτος οὐδὲ Μεσοποταμία Σελεύκειαν οὐδὲ Προφθασίαν Σογδιανὴ οὐδ' Ἰνδία Βουκεφαλίαν οὐδὲ πόλιν Ἑλλάδα Καύκασος παροικοῦσαν, [329] [a] αἷς ἐμπολισθείσαις ἐσβέσθη τὸ ἄγριον καὶ μετέβαλε τὸ χεῖρον ὑπὸ τοῦ κρείττονος ἐθιζόμενον. εἰ τοίνυν μέγιστον μὲν οἱ φιλόσοφοι φρονοῦσιν ἐπὶ τῷ τὰ σκληρὰ καὶ ἀπαίδευτα τῶν ἡθῶν ἐξημεροῦν καὶ μεθαρμόζειν, μυρία δὲ φαίνεται γένη καὶ φύσεις θηριώδεις μεταβαλὼν Ἀλέξανδρος, εἰκότως ἂν φιλοσοφώτατος νομίζοιτο.

Καὶ μὴν ἡ πολὺ θαυμαζομένη πολιτεία τοῦ τὴν Στωικῶν αἵρεσιν καταβαλομένου Ζήνωνος (fr. 262) εἰς ἓν τοῦτο συντείνει κεφάλαιον, ἵνα μὴ κατὰ πόλεις μηδὲ δήμους οἰκῶμεν ἰδίους ἕκαστοι διωρισμένοι δικαίοις, ἀλλὰ [b] πάντας ἀνθρώπους ἡγώμεθα δημότας καὶ πολίτας, εἷς δὲ βίος ἦ καὶ κόσμος, ὥσπερ ἀγέλης συννόμου νόμῳ κοινῷ συντρεφομένης. τοῦτο Ζήνων μὲν ἔγραψεν ὥσπερ ὄναρ ἢ εἰδωλον εὐνομίας φιλοσόφου καὶ πολιτείας ἀνατυπωσάμενος, Ἀλέξανδρος δὲ τῷ λόγῳ τὸ ἔργον παρέσχεν. οὐ γάρ, ὡς Ἀριστοτέλης (fr. 658) συνεβούλευεν αὐτῷ, τοῖς μὲν Ἑλλήσιν ἡγεμονικῶς τοῖς δὲ βαρβάροις δεσποτικῶς χρώμενος, καὶ τῶν μὲν ὡς φίλων καὶ οἰκείων ἐπιμελόμενος τοῖς δ' ὡς ζώοις ἢ φυτοῖς προσφερόμενος, πολέμων πολλῶν <καὶ> φυγῶν ἐνέπλησε καὶ στάσεων ὑποούλων τὴν ἡγεμονίαν, ἀλλὰ κοινὸς ἦκειν θεόθεν ἁρμοστής [c] καὶ διαλλακτὴς τῶν ὄλων νομίζων, οὗς τῷ λόγῳ μὴ

Δημάρατος μὲν οὖν ὁ Κορίνθιος εἷς ὢν τῶν Φιλίππου ξένων καὶ φίλων, ὅτ' Ἀλέξανδρον εἶδεν ἐν Σούσοις, περιχαρὴς γενόμενος καὶ δακρύσας μεγάλης ἔφη χαρᾶς ἐστερῆσθαι τοὺς ἔμπροσθεν τεθνηκότας Ἑλλήνας, ὅτι Ἀλέξανδρον οὐκ εἶδον ἐν τῷ Δαρείου θρόνῳ καθεζόμενον· ἐγὼ δ' οὐδὲ τούτου μὰ Δία τοῦ θεάματος ζηλῶ τοὺς ἰδόντας, ὃ καὶ τύχης ἦν καὶ κοινὸν ἐτέρων βασιλέων· ἀλλ' ἐκείνης ἡδέως ἂν μοι δοκῶ γενέσθαι τῆς καλῆς καὶ ἱερᾶς νυμφαγωγίας θεατῆς, ὅτε μιᾷ σκηνῇ χρυσωρόφῳ περιλαβὼν, [e] ἐφ' ἐστίας κοινῆς καὶ τραπέζης, ἑκατὸν Περσίδας νύμφας <καὶ> ἑκατὸν νυμφίους Μακεδόνας καὶ Ἑλλήνας, αὐτὸς ἐστεφανωμένος πρῶτος ἀναμέλπων τὸν ὑμέναιον, ὥσπερ φιλοτήσιον ἐπάδων μέλος εἰς κοινωνίαν συνιοῦσι τοῖς μεγίστοις καὶ δυνατωτάτοις γένεσι, μιᾶς νυμφίος, πασῶν δὲ νυμφαγωγὸς ἅμα καὶ πατήρ καὶ ἀρμοστής κατὰ ζυγὰ συνῆπτεν. ἡδέως γὰρ ἂν εἶπον ὧ βάρβαρε Ξέρξη καὶ ἀνόητε καὶ μάτην πολλὰ περὶ τὴν Ἑλλησποντίαν πονηθεὶς γέφυραν, οὕτως ἔμφρονες βασιλεῖς Ἀσίαν Εὐρώπῃ συνάπτουσιν, οὐ ξύλοις οὐδὲ σχεδίαῖς οὐδ' ἀψύχοις καὶ [f] ἀσυμπαθέσι δεσμοῖς, ἀλλ' ἔρωτι νομίμῳ καὶ γάμοις σῶφροσι καὶ κοινωνίαις παίδων τὰ γένη συνάπτοντες.

Πρὸς τοῦτον ἀποβλέπων τὸν κόσμον Ἀλέξανδρος οὐ τὴν ἐσθῆτα προσήκατο τὴν Μηδικήν, ἀλλὰ τὴν Περσικὴν πολλῷ τῆς Μηδικῆς εὐτελεστέραν οὔσαν. τὰ γὰρ ἑξαλλὰ καὶ τραγικὰ τοῦ βαρβαρικοῦ κόσμου παραιτησάμενος, [330] [a] οἷον τῖάραν καὶ κἀνδυν καὶ ἀναξυρίδας, ἐκ τοῦ Περσικοῦ καὶ Μακεδονικοῦ τρόπου μεμιγμένην τινὰ στολὴν ἐφόρει, καθάπερ Ἐρατοσθένης ἱστορήκεν, ὡς μὲν φιλόσοφος τοῖς ἀδιαφόροις χρώμενος, ὡς δ' ἡγεμὼν κοινὸς καὶ βασιλεὺς φιλάνθρωπος τῇ περὶ τὴν ἐσθῆτα τιμῇ τὴν τῶν

ΠΕΡΙ ΤΗΣ ΑΛΕΞΑΝΔΡΟΥ ΤΥΧΗΣ Η ΑΡΕΤΗΣ ΛΟΓΟΣ Β'

Διέφυγεν ἡμᾶς, ὡς ἔοικε, χθὲς εἰπεῖν, ὅτι καὶ τέχνας πολλὰς καὶ φύσεις μεγάλας ὁ κατ' Ἀλέξανδρον χρόνος ἐνεγκεῖν εὐτύχησεν· ἢ τοῦτο μὲν οὐ τῆς Ἀλεξάνδρου [e] τύχης γέγονεν ἀλλὰ τῆς ἐκείνων, μάρτυρα λαβεῖν καὶ θεατὴν τὸν ἄριστα κρῖναι τὸ κατορθούμενον

καὶ μάλιστα ἀμείψασθαι δυνάμενον; λέγεται γοῦν, ὅτι χρόνοις ὕστερον, Ἀρχεστράτου γενομένου ποιητοῦ χαρίεντος ἐν δὲ πενία καὶ ἀδοξία διάγοντος, εἶπέ τις πρὸς αὐτόν ‘ἄλλ’ εἰ κατ’ Ἀλέξανδρον ἐγένου, κατὰ στίχον ἂν σοι Κύπρον ἢ Φοινίκην ἔδωκεν.’ οἶμαι δὲ καὶ τῶν τότε τεχνιτῶν οὐ κατ’ Ἀλέξανδρον ἀλλὰ δι’ Ἀλέξανδρον τοὺς πρώτους γενέσθαι. καρπῶν μὲν γὰρ εὐφορίαν εὐκρασία ποιεῖ καὶ λεπτότης τοῦ περιέχοντος ἀέρος, τεχνῶν δὲ καὶ φύσεων ἀγαθῶν αὖξισιν εὐμένεια καὶ τιμὴ καὶ φιланθρωπία βασιλέως ἐκκαλεῖται· καὶ [f] τοῦναντίον ὑπὸ φθόνου καὶ σμικρολογίας ἢ φιλονεικίας τῶν κρατούντων σβέννυται καὶ φθίνει πᾶν τὸ τοιοῦτον. Διονύσιος γοῦν ὁ τύραννος, ὡς φασι, κιθαρωδοῦ τινος ἀκούων εὐδοκιμοῦντος ἐπηγγέλατο δωρεὰν αὐτῷ τάλαντον· τῇ δ’ ὑστεραία τοῦ ἀνθρώπου τὴν ὑπόσχεσιν ἀπαιτοῦντος [334] [a] ‘χθές’ εἶπεν ‘εὐφραίνόμενος ὑπὸ σοῦ παρ’ ὃν ἦδες χρόνον εὐφρανα κάγω σε ταῖς ἐλπίσιν· ὥστ’ ἀπέχεις τὸν μισθὸν ὧν ἔτερπες ἀντιτερόμενος.’ Ἀλέξανδρος δ’ ὁ Φεραίων τύραννος (ἔδει δὲ τοῦτο μόνον αὐτὸν καλεῖσθαι καὶ μὴ κατασιχύνειν τὴν ἐπωνυμίαν) θεώμενος τραγωδὸν ἐμπαθέστερον ὑφ’ ἡδονῆς διετέθη πρὸς τὸν οἶκτον. ἀναπηδήσας οὖν ἐκ τοῦ θεάτρου θᾶπτον ἢ βάδην ἀπήει, δεινὸν εἶναι λέγων, εἰ τοσούτους ἀποσφάπτων πολίτας ὀφθήσεται τοῖς Ἑκάβης καὶ Πολυξένης πάθεσιν ἐπιδακρῶν. οὗτος μὲν οὖν μικροῦ καὶ δίκην ἐπράξατο τὸν [b] τραγωδόν, ὅτι τὴν ψυχὴν αὐτοῦ καθάπερ σίδηρον ἐμάλαξεν. Ἀρχελάω δὲ δοκοῦντι γλισχροτέρῳ περὶ τὰς δωρεὰς εἶναι Τιμόθεος ἄδων ἐνεσήμαινε πολλάκις τουτὶ τὸ κομμάτιον (II 152 D.)

‘σὺ δὲ τὸν γηγενέταν ἄργυρον αἰνεῖς.’

ὁ δ’ Ἀρχέλαος οὐκ ἀμούσως ἀντεφώνησε ‘σὺ δέ γ’ αἰτεῖς.’ ὁ δὲ τῶν Σκυθῶν βασιλεὺς Ἀντέας Ἰσμηνίαν τὸν αὐλητὴν λαβὼν αἰχμάλωτον ἐκέλευσεν αὐλῆσαι παρὰ πότον. θαυμαζόντων δὲ τῶν ἄλλων καὶ κροτούντων, αὐτὸς ὥμοσεν ἀκροᾶσθαι τοῦ ἵππου χρεμετίζοντος ἥδιον. οὕτω μακρὰν ἀπεσκηνώκει τὰ ὦτα τῶν Μουσῶν, καὶ τὴν ψυχὴν ἐν ταῖς φάτναις εἶχεν, οὐχ ἵππων ἄλλ’ ὄνων ἐπιτηδειοτέραν [c] ἀκούειν. τίς ἂν οὖν παρὰ τοιούτοις βασιλεῦσιν αὖξισις ἢ τιμὴ τέχνης γένοιτο καὶ Μούσης τοιαύτης; ἀλλ’ οὐδὲ παρὰ τοῖς κακοτέχνοις ἐθέλουσιν εἶναι καὶ διὰ τοῦτο βασκανία καὶ δυσμενεία τοὺς ἀληθῶς τεχνίτας καθαιροῦσιν. οἷος ἦν πάλιν αὖ Διονύσιος ὁ τὸν ποιητὴν Φιλόξενον εἰς τὰς λατομίας

ἐμβαλῶν, ὅτι τραγωδίαν αὐτοῦ διορθῶσαι κελευσθεὶς εὐθὺς ἀπὸ τῆς ἀρχῆς ὅλην μέχρι τῆς κορωνίδος περιέγραψεν. ἦν δὲ καὶ Φίλιππος ἐν τούτοις ὑπ' ὀψιμαθίας ἑαυτοῦ μικρότερος καὶ νεοπρεπέστερος· ὅθεν καὶ φασὶ πρὸς τινὰ ψάλτην περὶ κρουμάτων αὐτοῦ [d] διαφερομένου καὶ δοκοῦντος ἐξελέγχειν, ἀτρέμα μειδιάσαντα τὸν ἄνθρωπον εἰπεῖν ‘μὴ γένοιτό σοι, βασιλεῦ, ἀθλίως οὕτως, ἴνα ταῦτ’ ἐμοῦ βέλτιον εἰδῆς.’ Ἀλλ’ Ἀλέξανδρος εἰδὼς τίνων δεῖ θεατὴν εἶναι καὶ ἀκροατὴν καὶ τίνων ἀγωνιστὴν καὶ αὐτουργόν, ἥσκει μὲν αἰεὶ διὰ τῶν ὄπλων δεινὸς εἶναι καὶ κατὰ τὸν Αἰσχύλον (Bgk. II p. 242)

‘βριθὺς ὀπλιτοπάλας, δάιος ἀντιπάλοις.’

ταύτην τέχνην ἔχων προγονικὴν ἀπ’ Αἰακιδῶν, ἀφ’ Ἡρακλέους, ταῖς δ’ ἄλλαις τέχναις τὸ τιμᾶν ἄνευ τοῦ ζηλοῦν ἀπεδίδου κατὰ τὸ ἔνδοξον αὐτῶν καὶ χαρίεν, τῷ τέρπειν δ’ οὐκ ἦν εὐάλωτος εἰς τὸ μιμεῖσθαι. γεγόνاسι [e] δὲ κατ’ αὐτὸν τραγωδοὶ μὲν οἱ περὶ Θετταλὸν καὶ Ἀθηνόδωρον, ὧν ἀνταγωνιζομένων ἀλλήλοις, ἐχορήγουν μὲν οἱ Κύπριοι βασιλεῖς ἔκρινον δ’ οἱ δοκιμώτατοι τῶν στρατηγῶν. ἐπεὶ δ’ ἐνίκησεν Ἀθηνόδωρος, ‘ἐβουλόμην ἄν’ ἔφη ‘μᾶλλον ἀπολωλεκέναι μέρος τῆς βασιλείας ἢ Θετταλὸν ἐπιδεῖν ἡττημένον.’ ἄλλ’ οὐτ’ ἐνέτυχε τοῖς κριταῖς οὐτε τὴν κρίσιν ἐμέμψατο, πάντων οἰόμενος δεῖν περιεῖναι, τοῦ δικαίου δ’ ἡττᾶσθαι. κωμωδοὶ δ’ ἦσαν οἱ περὶ Λύκωνα τὸν Σκαρφέα· τούτῳ δ’ εἷς τινὰ κωμωδίαν ἐμβαλόντι στίχον αἰτητικὸν γελάσας ἔδωκε δέκα τάλαντα. κιθαρωδοὶ δ’ ἄλλοι τε καὶ Ἀριστόνικος, ὃς ἐν μάχῃ τινὶ προσβοηθήσας [f] ἔπεσε λαμπρῶς ἀγωνισάμενος. ἐκέλευσεν οὖν αὐτοῦ γενέσθαι χαλκοῦν ἀνδριάντα καὶ σταθῆναι Πυθοῖ, κιθάραν ἔχοντα καὶ δόρυ προβεβλημένον, οὐ τὸν ἄνδρα τιμῶν μόνον, ἀλλὰ καὶ μουσικὴν κοσμῶν ὡς ἀνδροποιὸν καὶ μάλιστα δὴ πληροῦσαν ἐνθουσιασμοῦ καὶ ὁρμῆς τοὺς [335] [a] γνησίως ἐντρεφομένους. καὶ γὰρ αὐτός, Ἀντιγενίδου ποτὲ τὸν ἀρμάτειον αὐλοῦντος νόμον, οὕτω παρεξέστη καὶ διεφλέγη τὸν θυμὸν ὑπὸ τῶν μελῶν, ὥστε τοῖς ὄπλοις ἄξας ἐπιβαλεῖν τὰς χεῖρας ἐγγὺς παρακειμένοις καὶ μαρτυρῆσαι τοῖς Σπαρτιάταις ἄδουσιν (Bgk. III p. 51 Alcman. fr. 100 D)

‘ἔρπει γὰρ ἅντα τῷ σιδάρῳ τὸ καλῶς κιθαρίδδειν.’

ἦν δὲ καὶ Ἀπελλῆς ὁ ζωγράφος καὶ Λύσιππος ὁ πλάστης κατ’ Ἀλέξανδρον· ὧν ὁ μὲν ἔγραψε τὸν κεραυνοφόρον οὕτως ἐναργῶς

καὶ κεκραμένως, ὥστε λέγειν, ὅτι δυεῖν Ἀλεξάνδρων ὁ μὲν Φιλίππου γέγονεν ἀνίκητος, ὁ δ' Ἀπελλοῦ ἀμίμητος. Λυσίππου δὲ τὸ πρῶτον Ἀλέξανδρον [b] πλάσαντος ἄνω βλέποντα τῷ προσώπῳ πρὸς τὸν οὐρανὸν (ὥσπερ αὐτὸς εἰώθει βλέπειν Ἀλέξανδρος ἡσυχῇ παρεγκλίνων τὸν τράχηλον) ἐπέγραψέ τις οὐκ ἀπιθάνως (Anth. Pal. XVI 120)

‘αὐδοασοῦντι δ’ ἔοικεν ὁ χάλκεος εἰς Δία λεύσσω·

Γὰν ὑπ’ ἐμοὶ τίθεται· Ζεῦ, σὺ δ’ Ὀλυμπον ἔχε.’

διὸ καὶ μόνον Ἀλέξανδρος ἐκέλευε Λύσιππον εἰκόνας αὐτοῦ δημιουργεῖν. μόνος γὰρ οὗτος, ὡς ἔοικε, κατεμήνυε τῷ χαλκῷ τὸ ἦθος αὐτοῦ καὶ συνεξέφαινε τῇ μορφῇ τὴν ἀρετήν· οἱ δ’ ἄλλοι τὴν ἀποστροφὴν τοῦ τραχήλου καὶ τῶν ὀμμάτων τὴν διάχυσιν καὶ ὑγρότητα μιμεῖσθαι [c] θέλοντες οὐ διεφύλαττον αὐτοῦ τὸ ἀρρενωπὸν καὶ λεοντῶδες. ἐν δ’ οὖν τοῖς ἄλλοις τεχνίταις καὶ Στασικράτης ἦν ἀρχιτέκτων, οὐδὲν ἀνθηρὸν οὐδ’ ἡδὺ καὶ πθανὸν τῇ ὄψει διώκων, ἀλλὰ καὶ χειρὶ μεγαλουργῶ καὶ διαθέσει χορηγίας βασιλικῆς οὐκ ἀποδεοῦση χρώμενος. οὗτος ἀναβάς πρὸς Ἀλέξανδρον ἐμέμφετο τὰς γραφομένας εἰκόνας αὐτοῦ καὶ πλαττομένας καὶ γλυφομένας, ὡς ἔργα δειλῶν καὶ ἀγεννῶν τεχνιτῶν· ‘ἐγὼ δ’ εἶπεν ‘εἰς ἄφθαρτον, ὦ βασιλεῦ, καὶ ζῶσαν ὕλην καὶ ῥίζας ἔχουσαν αἰδίους καὶ βάρος ἀκίνητον καὶ ἀσάλευτον ἔγνωκά σου τὴν [d] ὁμοιότητα καταθέσθαι τοῦ σώματος. ὁ γὰρ Θράκιος Ἄθως, ἧ μέγιστος <αὐτὸς> αὐτοῦ καὶ περιφανέστατος ἐξανέστηκεν, ἔχων ἑαυτῷ σύμμετρα πλάτη καὶ ὕψη καὶ μέλη καὶ ἄρθρα καὶ διαστήματα μορφοειδῆ, δύναται κατεργασθεῖς καὶ σχηματισθεῖς εἰκὼν Ἀλεξάνδρου καλεῖσθαι καὶ εἶναι, ταῖς μὲν βάσεσιν ἀπτομένου τῆς θαλάσσης, τῶν δὲ χειρῶν τῇ μὲν ἐναγκαλιζομένου καὶ φέροντος πόλιν ἐνοικουμένην μυριάνδρον, τῇ δὲ δεξιᾷ ποταμὸν ἀέναον ἐκ φιάλης σπένδοντος εἰς τὴν θάλασσαν ἐκχεόμενον. χρυσὸν δὲ καὶ χαλκὸν καὶ ἐλέφαντα καὶ ξύλα καὶ [e] βαφάς, ἐκμαγεῖα μικρὰ καὶ ὠνητὰ καὶ κλεπτόμενα καὶ συγγεόμενα, καταβάλωμεν.’ ταῦτ’ ἀκούσας Ἀλέξανδρος τὸ μὲν φρόνημα τοῦ τεχνίτου καὶ τὸ θάρσος ἀγασθεῖς ἐπήνεσεν, ‘ἔα δὲ κατὰ χώραν’ ἔφη ‘τὸν Ἄθω μένειν· ἀρκεῖ γὰρ ἐνὸς βασιλέως ἐνυβρίσαντος εἶναι μνημεῖον· ἐμὲ δ’ ὁ Καύκασος δείξει καὶ τὰ Ἡμῶδὰ καὶ Τάναϊς καὶ τὸ Κάσπιον πέλαγος· αὗται τῶν ἐμῶν ἔργων εἰκόνες.’

Ἀλλὰ φέρε πρὸς θεῶν ἐκτελεσθῆναι καὶ φανῆναι τοιοῦτον ἔργον· ἔσθ' ὅστις ἂν ἰδὼν ὑπέλαβε κατὰ τύχην γεγονέναι καὶ αὐτομάτως τὸ σχῆμα καὶ τὴν διάθεσιν καὶ [f] τὸ εἶδος; οὐδεὶς ἂν οἶμαι. τί δέ; τὸν κεραυνοφόρον; τί δέ; τὸν ἐπὶ τῆς αἰχμῆς προσαγορευόμενον; εἴτ' ἀνδριάντος μὲν μέγεθος οὐκ ἂν ἄνευ τέχνης ὑπὸ τύχης γένοιτο χρυσὸν καὶ χαλκὸν καὶ ἐλέφαντα καὶ πολλήν καὶ πλουσίαν ὕλην καταχεαμένης καὶ παραβαλούσης, ἄνδρα δὲ μέγαν, μᾶλλον δὲ τῶν γεγονότων ἀπάντων μέγιστον, ἐνδέχεται χωρὶς ἀρετῆς ἀποτελεσθῆναι διὰ τύχην, ὅπλα [336] [a] καὶ χρήματα καὶ στόλους καὶ ἵππους παρασκευάσασαν; ἃ τῷ μὴ μαθόντι χρῆσθαι κίνδυνός ἐστιν οὐ δύναμις, οὐδὲ κόσμος ἀλλ' ἔλεγχος τῆς ἀσθενείας καὶ μικρότητος. ὀρθῶς γὰρ Ἀντισθένης ἔλεγεν ὅτι 'πάντα δεῖ τοῖς πολεμίοις εὐχεσθαι τάγαθὰ πλὴν ἀνδρείας· γίνεται γὰρ οὕτως οὐ τῶν ἐχόντων, ἀλλὰ τῶν κρατούντων.' διὰ τοῦτό φασι καὶ τὴν φύσιν ἀγεννεστάτῳ ζῷῳ τῷ ἐλάφῳ κέρατα θαυμαστὰ τῷ μεγέθει καὶ τραχύτητι πρὸς ἄμυναν ἐμφῦσαι, διδάσκουσιν ἡμᾶς ὥς οὐδὲν ὠφελεῖ τὸ ἰσχύειν καὶ ὠπλίσθαι τοὺς μένειν καὶ θαρρεῖν μὴ δυναμένους. οὕτως [b] καὶ ἡ τύχη πολλάκις ἀτόλμοις καὶ ἀνοήτοις προσάπτουσα δυνάμεις καὶ ἀρχάς, αἷς ἐνασχημονοῦσι, κοσμεῖ καὶ συνίστησι τὴν ἀρετὴν ὥς μόνην μέγεθος ἀνδρὸς καὶ κάλλος οὔσαν. εἰ μὲν γάρ, ὥς φησιν Ἐπίχαρμος (fr. 249), 'νοῦς ὀρῇ καὶ νοῦς ἀκούει, τᾶλλα δὲ τυφλὰ καὶ κωφά', λόγου τυγχάνει δεόμενα. αἱ γὰρ αἰσθήσεις ἰδίας ἔχειν ἀφορμὰς δοκοῦσιν, ὅτι δὲ νοῦς ὠφελεῖ καὶ νοῦς κοσμεῖ καὶ νοῦς τὸ νικῶν καὶ κρατοῦν καὶ βασιλεῦον, τὰ δ' ἄλλα τυφλὰ καὶ κωφὰ καὶ ἄψυχα παρέλκει καὶ βαρύνει καὶ καταισχύνει χωρὶς ἀρετῆς τοὺς ἔχοντας, ἀπὸ τῶν πραγμάτων λαβεῖν ἔστι. τῆς γὰρ αὐτῆς δυνάμεως ὑποκειμένης [c] καὶ ἡγεμονίας Σεμίραμις μὲν οὔσα γυνὴ στόλους ἐπλήρου καὶ φάλαγγας ὠπλιζε καὶ Βαβυλῶνας ἔκτιζε, καὶ περιέπλει τὴν Ἐρυθρὰν θάλασσαν Αἰθίοπας καταστρεφομένη καὶ Ἄραβας, Σαρδανάπαλος δ' ἀνὴρ πεφυκῶς ἔξαιεν οἴκοι πορφύραν, ἀναβάδην ἐν ταῖς παλλακαῖς καθήμενος· ἀποθανόντος δ' αὐτοῦ, λιθίνην εἰκόνα κατασκευάσαντες ἐπορχουμένην ἑαυτῇ βαρβαριστὶ καὶ τοῖς δακτύλοις ὑπὲρ κεφαλῆς οἶον ὑποφοφοῦσαν, ἐπέγραψαν 'ἔσθιε, πῖνε, ἀφροδισίαζε· τᾶλλα δ' οὐδέν' (Aristobul. fr. 6). ὁ μὲν οὖν Κράτης ἰδὼν χρυσοῖν εἰκόνα Φρύνης τῆς [d] ἐταίρας ἐστῶσαν ἐν Δελφοῖς ἀνέκραγεν, ὅτι τοῦτο τῆς τῶν Ἑλλήνων ἀκρασίας

τρόπαιον ἔστηκε· τὸν δὲ Σαρδαναπάλου βίον ἂν τις ἦ τάφον (οὐδὲν γάρ, οἶμαι, διαφέρει) θεασάμενος εἴποι τοῦτο τῶν τῆς Τύχης ἀγαθῶν τρόπαιον εἶναι. τί οὖν; ἐάσωμεν τὴν Τύχην Ἀλεξάνδρου μετὰ Σαρδανάπαλον ἄψασθαι καὶ τοῦ μεγέθους ἐκείνου καὶ τῆς δυνάμεως ἀντιποιεῖσθαι; τί γὰρ αὐτῷ πλέον ἔδωκεν ὢν οἱ λοιποὶ βασιλεῖς ἔλαβον παρ' αὐτῆς; ὄπλων, ἵππων, βελῶν, χρημάτων, δορυφόρων; ποιησάτω τούτοις ἡ Τύχη μέγαν Ἀριδαῖον, εἰ δύναται· ποιησάτω τούτοις μέγαν [Ἀμασιν ἢ] Ὡχον ἢ Ὀάρσην ἢ Τιγράνην τὸν Ἀρμένιον ἢ [e] τὸν Βιθυνὸν Νικομήδην· ὢν ὁ μὲν τὸ διάδημα τοῖς Πομπηίου ποσὶν ὑπορρίψας αἰσχυρῶς τὴν βασιλείαν ἀνέλαβε, λάφυρον γενομένην· Νικομήδης δὲ τὴν κεφαλὴν ξυράμενος καὶ πιλὸν ἐπιθέμενος ἀπελεύθερον ἑαυτὸν Ῥωμαίων ἀνηγόρευσε.

Εἰπωμεν οὖν, ὅτι μικροὺς ἡ Τύχη ποιεῖ καὶ περιδεεῖς καὶ ταπεινόφρονας - ἀλλ' οὐ δίκαιον οὔτε κακίαν εἰς ἀτυχίαν οὔτ' ἀνδρείαν καὶ φρόνησιν εἰς εὐτυχίαν τινὰ τίθεσθαι - , μέγα<ν> δὲ τῷ ἄρχειν Ἀλέξανδρον; ἡ Τύχη; καὶ γὰρ ἔνδοξος ἐν ἐκείνῳ καὶ αἰήττητος καὶ μεγαλόφρων καὶ ἀνύβριστος καὶ φιλόανθρωπος· εἴτ' [f] ἐκλιπόντος εὐθύς ὁ Λεωσθένης ἔλεγε τὴν δύναμιν ἐμπλανωμένην ἑαυτῇ καὶ περιπίπτουσαν εἰσκέειν τῷ Κύκλωπι μετὰ τὴν τύφλωσιν ἐκτείνοντι πανταχοῖ τὰς χεῖρας ἐπ' οὐδένα σκοπὸν φερομένας· οὕτως ἐρρέμβετο κενεμβατοῦν καὶ σφαλλόμενον ὑπ' ἀναρχίας τὸ μέγεθος αὐτῆς. μᾶλλον δ' ὥσπερ τὰ νεκρὰ σώματα, τῆς ψυχῆς ἐκλιπούσης, οὐκέτι συνέστηκεν οὐδὲ συμπέφυκεν, ἀλλ' ἐξίσταται καὶ διαλύεται [ἀπ' ἀλλήλων] καὶ ἄπεισι καὶ φεύγει, οὕτως ἀφεῖσα τὸν Ἀλέξανδρον ἡ δύναμις ἡσπαρην, ἐπάλλετο, [337] [a] ἐφλέγγμινε Περδίκκαις καὶ Μελεάγροις καὶ Σελεύκοις καὶ Ἀντιγόνοις ὥσπερ πνεύμασι θερμοῖς ἔτι καὶ σφυγμοῖς διάττουσι καὶ διαφορομένοις· τέλος δ' ἀπομαραινόμενη καὶ φθίνουσα περὶ αὐτὴν οἷον εὐλὰς τινὰς ἀνέξεσεν ἀγεννῶν βασιλέων καὶ ἡγεμόνων ψυχorroαγούντων. αὐτὸς μὲν οὖν ταῦθ' ὥς ἔοικεν Ἡφαιστίῳ διενεχθέντι πρὸς Κρατερὸν ἐπιτιμῶν 'τίς δ' ἔστιν' εἶπεν 'ἡ σὴ δύναμις ἢ πρᾶξις, ἂν σοὺ τις ἀφέλῃ τὸν Ἀλέξανδρον;' ἐγὼ δὲ τοῦτ' εἰπεῖν πρὸς τὴν τότε Τύχην οὐκ ὀκνήσω 'τί σου τὸ μέγεθος, τίς δ' ἡ δόξα, ποῦ δ' ἡ δύναμις, ποῦ δὲ τὸ ἀνίκητον, ἂν [b] σοὺ τις ἀφέλῃ τὸν Ἀλέξανδρον;' τουτέστιν 'ἂν σοὺ τις ἀφέλῃ τῶν ὄπλων τὴν ἐμπειρίαν, τοῦ πλοῦτου τὴν φιλοτιμίαν, τῆς πολυτελείας τὴν

‘Ὅθεν οὐκ ἐν τῇ κτήσει τῶν ἀγαθῶν ἀλλ’ ἐν τῇ [d] χρήσει τὸ μέγ’ ἐστίν, ἐπεὶ καὶ νήπια βρέφη κληρονομεῖ βασιλείας πατρῶας καὶ ἀρχάς, ὡς Χάριλλος, ὃν Λυκοῦργος ἅμα τῷ σπαργάνῳ κομίσας εἰς τὸ φιδίτιον ἀνθ’ ἑαυτοῦ βασιλέα τῆς Σπάρτης ἀνηγόρευσε· καὶ οὐκ ἦν μέγας ὁ νήπιος, ἀλλ’ ὁ τῷ νηπίῳ τὸ πατρῶον ἀποδοὺς γέρας καὶ μὴ σφετερισάμενος μηδ’ ἀποστερήσας. Ἀριδαῖον δὲ τίς ἂν ἐποίησε μέγαν, ὃν οὐδὲν νηπίου διαφέροντα μονοноῦ σπαργανώσας τῇ πορφύρᾳ Μελέαγρος εἰς τὸν Ἀλεξάνδρου θρόνον ἔθηκεν, εὖ γε ποιῶν, ἴν’ ὀφθῇ παρ’ ἡμέρας ὀλίγας, πῶς ἀρετῇ βασιλεύουσιν ἄνθρωποι καὶ πῶς τύχη. ἀγωνιστῇ γὰρ ἡγεμονίας ὑποκριτὴν ἐπεισήγαγε, μᾶλλον [e] δ’ ὡς ἐπὶ σκηνῆς δορυφόρημα κωφὸν διεξῆλθε τῆς οἰκουμένης.

‘καὶ κε γυνὴ φέροι ἄχθος, ἐπεὶ κεν ἀνὴρ ἀναθείη.’

(Aristoph. Equ. 1056) τοῦναντίον μὲν οὖν εἴποι τις ἂν, ὅτι λαβεῖν καὶ ἀναθέσθαι δύναμιν καὶ πλοῦτον καὶ ἀρχὴν καὶ γυναικός ἐστι καὶ παιδός· (Οἶσση καὶ Δαρείῳ Βαγῶας ὁ εὐνοῦχος ἀράμενος ἐπέθηκε τὴν Περσῶν βασιλείαν·) τὸ δὲ λαβόντα μεγάλην ἐξουσίαν ἐνεγκεῖν καὶ μεταχειρίσασθαι καὶ μὴ συντριβῆναι μηδὲ διαστραφῆναι τῷ βάρει καὶ μεγέθει τῶν πραγμάτων, ἀνδρός ἐστιν ἀρετὴν καὶ φρόνημα καὶ νοῦν ἔχοντος· ἦν Ἀλέξανδρος ἔσχεν, ὧ [f] μέθην τινὲς ἐγκαλοῦσι καὶ οἴνωσιν. ὁ δ’ ἦν μέγας, ἐν τοῖς πράγμασι νήφων καὶ μὴ μεθυσθεὶς μηδὲ βακχευθεὶς ὑπ’ ἐξουσίας

καὶ δυνάμεως, ἥς μικρὸν ἕτεροι μεταλαμβάνοντες καὶ ἀπογευσάμενοι κρατεῖν ἑαυτῶν οὐ δύνανται (Eur. Erechth. fr. 362, 29).

‘κακοὶ γὰρ ἐμπλησθέντες ἢ νομίσματος,

Δημήτριος δέ, ὥς τῆς Ἀλεξάνδρου δυνάμεως ἡ Τύχη σμικρὸν ἀποσπάσασα προσέθηκε, Καταιβάτης καλούμενος ἐπήκουε, καὶ πρέσβεις πρὸς αὐτὸν οὐκ ἔπεμπον ἀλλὰ θεωροὺς αἱ πόλεις, καὶ τὰς ἀποκρίσεις χρησμοὺς προσηγόρευον. Λυσίμαχος τὰ περὶ Θράκην ὥσπερ ἐσχατίας τινος τῆς βασιλείας κατασχὼν εἰς τοσοῦτον ὑπεροψίας ἔφθασε καὶ θρασύτητος, ὥστ’ εἰπεῖν ‘νῦν Βυζάντιοι πρὸς ἐμὲ ἤκουσιν, ὅτε τῇ λόγχῃ τοῦ οὐρανοῦ ἄπτομαι.’ [b] παρῶν δὲ Πασιάδης ὁ Βυζάντιος ‘ὑπάγωμεν’ ἔφη ‘μὴ τῇ ἐπιδορατίδι τὸν οὐρανὸν τρυπήσῃ.’ καὶ τί ἂν περὶ τούτων λέγοι τις, οἷς ἐξῆν δι’ Ἀλέξανδρον μέγα φρονεῖν, ὅπου Κλέαρχος Ἡρακλείας τύραννος γενόμενος σκηπτὸν ἐφόρει καὶ τῶν υἱῶν ἕνα Κεραυνὸν ὠνόμασε; Διονύσιος δ’ Ἀπόλλωνος υἱὸν ἑαυτὸν ὠνόμασεν, ἐπιγράψας

ὅμως τῶν θυγατέρων τὴν μὲν Ἀρετὴν τὴν δὲ Σωφροσύνην ὠνόμασε τὴν δὲ Δικαιοσύνην. οἱ δ’ Εὐεργέτας οἱ δὲ Καλλινίκους οἱ δὲ Σωτῆρας οἱ δὲ Μεγάλους ἀνηγόρευσαν ἑαυτούς. γάμους δ’ αὐτῶν ἐπαλλήλους ὥσπερ ἵππων ἐν ἀγέλαις γυναικῶν ἀνέδην διημερευόντων καὶ φθορὰς παίδων καὶ τυμπανισμοὺς ἐν ἀνδρογύνοις καὶ κυβείας μεθημερινὰς καὶ αὐλήσεις ἐν θεάτροις καὶ νύκτα μὲν ἐν δείπνοις ἡμέραν δ’ ἐν ἀρίστοις ἐπιλείπουσαν οὐδεὶς ἂν ἐφίκοιτο τῷ λόγῳ διελθεῖν.

[d] Ἀλλ’ Ἀλέξανδρος ἡρίστα μὲν ὄρθρου καθεζόμενος, ἐδείπνει

δὲ πρὸς ἐσπέραν βαθεῖαν, ἔπινε δὲ θύσας τοῖς θεοῖς, ἐκύβευε δὲ πρὸς Μῆδιον πυρέττων, ἔπαιζε δ' ὁδοιπορῶν ἅμα καὶ μανθάνων τοξεύειν καὶ ἀποβαίνειν ἄρματος. ἔγημε δὲ Ῥωξάνην ἐαυτῷ μόνην ἐρασθείς, τὴν δὲ Δαρείου Στάτειραν τῇ βασιλείᾳ καὶ τοῖς πράγμασι (συνέφερε γὰρ ἡ τῶν γενῶν ἀνάμιξις), τῶν δ' ἄλλων Περσίδων ἐκράτησε τοσοῦτον σωφροσύνη, ὅσον ἀνδρεία Περσῶν· ἄκουσαν μὲν γὰρ οὐδεμίαν εἶδεν, ἃς δ' εἶδε μᾶλλον ἢ ἃς οὐκ εἶδε παρῆλθε. καὶ πᾶσιν ὦν τοῖς ἄλλοις φιλάνθρωπος, μόνοις ὑπερηφάνως τοῖς καλοῖς ἐχρῆτο.

[e] περὶ δὲ τῆς Δαρείου γυναικός, εὐπρεπεστάτης γενομένης, οὐδὲ φωνὴν ἐπαινοῦσαν τὸ κάλλος ἤκουσεν· ἀποθανοῦσαν δ' οὕτω βασιλικῶς ἐκόσμησε καὶ συμπαθῶς ἐδάκρυσεν, ὥστ' ἄπιστον αὐτοῦ τὸ σῶφρον ἐν τῷ φιλανθρώπῳ γενέσθαι καὶ λαβεῖν ἀδικίας ἔγκλημα τὴν χρηστότητα. Δαρεῖος γὰρ οὕτως ἐκινήθη πρὸς τὴν ἐξουσίαν αὐτοῦ καὶ τὴν ἡλικίαν (εἷς γὰρ ἦν καὶ αὐτὸς ἔτι τῶν νομιζόντων διὰ Τύχην κρατεῖν Ἀλέξανδρον)· ἐπεὶ δὲ τάληθες ἔγνω βασανίσας πανταχόθεν, 'οὐ πάντως' εἶπεν 'ἄρα φαύλως ἔχει τὰ Περσῶν, οὐδέ τις ἐρεῖ παντάπασι κακοὺς ἡμᾶς [f] οὐδ' ἀνάνδρους ὑπὸ τοιοῦτου κρατηθέντας. ἐγὼ δ' εὐτυχίαν μὲν εὖχομαι καὶ κράτος πολέμου παρὰ θεῶν, ἴν' εὖ ποιῶν Ἀλέξανδρον ὑπερβάλωμαι· καὶ μέ τις ἔχει φιλοτιμία καὶ ζῆλος ἡμερώτερον αὐτοῦ φανῆναι· εἰ δ' οἴχεται τὰ ἐμά, Ζεῦ πατρῷε Περσῶν καὶ βασιλῆιοι θεοί, μηδεὶς εἰς τὸν Κύρου θρόνον ἄλλος ἢ Ἀλέξανδρος καθίσσειε.' τοῦτ' εἰσποίησις ἦν Ἀλεξάνδρου διὰ θεῶν [339] [a] μαρτύρων. οὕτω νικῶσιν ἀρετῇ.

Πρόσγραφον, εἰ βούλει, τῇ Τύχῃ τὰ Ἀρβηλα καὶ τὴν Κιλικίαν, καὶ τᾶλλα, ἃ γέγονε βίας ἔργα καὶ πολέμου· Τύχη τὴν Τύρον ἔσεισεν αὐτῷ, καὶ Τύχη τὴν Αἴγυπτον ἀνέωξε· διὰ Τύχην Ἀλικαρνασσὸς ἔπεσε καὶ Μίλητος ἐάλω καὶ Μαζαῖος Εὐφράτην ἔρημον ἀπέλιπε καὶ νεκρῶν τὸ Βαβυλώνιον ἐπλήσθη πεδίων· ἄλλ' οὕτι γε σώφρων ἀπὸ Τύχης οὕτ' ἐγκρατὴς διὰ Τύχην, οὕτ' ἀνάλωτον ὑφ' ἡδονῆς ἢ Τύχη καὶ ἄτρωτον ἐπιθυμίαις κατακλείσασα τὴν ψυχὴν ἐφροῦρει. καὶ μὴν ταῦτ' ἦν, οἷς αὐτὸν ἐτρέψατο Δαρεῖον· τᾶλλα δ' ὅπλων ἦσαν ἦτται καὶ ἵππων καὶ [b] μάχαι καὶ φόνοι καὶ φυγαὶ ἀνδρῶν. τὴν δὲ μεγάλην καὶ ἀναντίρρητον ἦτταν ἠτήθη Δαρεῖος καὶ ἐνέκλινεν ἀρετῇ καὶ μεγαλοφροσύνῃ καὶ ἀνδρεία καὶ δικαιοσύνῃ, θαυμάσας τὸ ἐν

Ἀντιγένης δὲ τοῖς ἀποπεμφθεῖσιν εἰς Μακεδονίαν διὰ νόσον καὶ πῆρωσιν ἀναμίξας ἑαυτὸν καὶ ἀπογραφάμενος, ὡς ἐλήφθη μηδὲν κακὸν ἔχων, ἀλλὰ προσποιοῦμενος [d] ἄρρωστίαν τινά, ἀνὴρ πολεμικὸς καὶ τραυμάτων τὸ σῶμα μεστὸς ὄφθεις ἠνίασε τὸν Ἀλέξανδρον· πυνθανομένου δὲ τὴν αἰτίαν ὠμολόγησε Τελεσίππας ἐρᾶν καὶ συνακολουθεῖν ἐπὶ θάλασσαν ἀπιούσῃ μὴ δυνάμενος ἀπολειφθῆναι. 'καὶ τίνος' ἔφη 'τὸ γυναιὸν ἐστίν' ὁ Ἀλέξανδρος 'καὶ πρὸς τίνα δεῖ διαλέγεσθαι;' τοῦ δ' Ἀντιγένους εἰπόντος ὡς ἔλευθέρα ἐστίν, 'οὐκοῦν' εἶπε 'πέιθωμεν αὐτὴν καταμένειν, ἐπαγγελλόμενοι καὶ διδόντες.' οὕτω παντὶ μᾶλλον ἐρῶντι συγγνώμην εἶχεν ἢ αὐτῷ. καὶ μὴν καὶ Φιλώτας ὁ Παρμενίωνος τροφὸν τινα τῶν κακῶν ἔσχε τὴν ἀκρασίαν.

Ἄτοπόν τι δόξω λέγειν, ἐρῶ δ’ ἀληθές· μικροῦ διὰ τὴν Τύχην Ἀλέξανδρος ἀπώλεσε τὸ δοκεῖν Ἀμωνός εἶναι. τίς γὰρ ἐκ θεῶν γεγωνῶς ἐπισφαλεῖς οὔτῳ καὶ πολυπόνους καὶ τλήμονας ἐξεμόχθησεν ἄθλους πλὴν ὁ [342] [a] Διὸς Ἡρακλῆς; ἀλλ’ ἐκείνῳ

[b] τοῦτον ἐκ παιδὸς ἔμφυτον ἔχων ἔρωτα συντρεφόμενον καὶ συναυξανόμενον, ὡς ἀφίκοντο πρέσβεις παρὰ τοῦ Περσῶν βασιλέως πρὸς Φίλιππον, ὁ δ' οὐκ ἔνδημος ἦν, φιλοφρονούμενος καὶ ξενίζων αὐτοὺς Ἀλέξανδρος οὐδὲν ἡρώτα παιδικόν, οἷον οἱ ἄλλοι, περὶ τῆς χρυσῆς ἀναδενδράδος ἢ τῶν κρεμαστῶν κήπων ἢ πῶς ὁ βασιλεὺς κεκόσμηται, ἀλλ' ὅλος ἐν τοῖς κυριωτάτοις ἦν τῆς ἡγεμονίας, διαπνυθανόμενος πόση δύναμις ἡ Περσῶν, ποῦ τεταγμένος βασιλεὺς ἐν ταῖς μάχαις διαγωνίζεται (καθάπερ Ὀδυσσεὺς ἐκεῖνος (Hom. Τίνες οὖν ἦσαν <αἱ> ἐλπίδες, ἐφ' αἷς διέβαιναν εἰς Ἀσίαν Ἀλέξανδρος; οὐ τείχεσι πόλεων μυριάδων ἐκμετρομένη δύναμις οὐδὲ στόλοι δι' ὁρῶν πλέοντες, οὐδὲ μάστιγες οὐδὲ πέδαι, μακρικὰ καὶ βάρβαρα κολαστήρια θαλάσσης, ἀλλὰ τὰ μὲν ἐκτὸς ἐν ὀλίγοις ὅπλοις φιλοτιμία πολλή καὶ ζῆλος ἡλικίας παραλλήλου καὶ ἄμιλλα περὶ δόξης καὶ ἀρετῆς ἐταίρων· αὐτὸς δ' εἶχεν ἐν ἑαυτῷ [f] τὰς μεγάλας ἐλπίδας, εὐσέβειαν περὶ θεοὺς πίστιν πρὸς φίλους, εὐτέλειαν ἐγκράτειαν εὐποίαν, ἀφοβίαν πρὸς θάνατον εὐψυχίαν, φιλανθρωπίαν ὁμιλίαν εὐάρμοστον, ἀψευδὲς ἦθος εὐστάθειαν ἐν βουλαῖς τάχος ἐν πράξεσιν, ἔρωτα δόξης προαίρεσιν ἐν τῷ καλῷ τελεσιουργόν. Σόλων χρεῶν ἀποκοπὴν ἐν Ἀθήναις ἐποίησε, [d] σεισάχθειαν προσαγορεύσας· Ἀλέξανδρος δὲ τὰ χρέα τοῖς δανείσασιν ὑπὲρ τῶν ὀφειλόντων αὐτὸς ἐξέτισε. Περικλῆς φορολογήσας τοὺς Ἑλληνας ἐκ τῶν χρημάτων ἐκόσμησεν ἱεροῖς τὴν ἀκρόπολιν· Ἀλέξανδρος δὲ τὰ τῶν Βαρβάρων χρήματα λαβὼν ἔπεμψεν εἰς τὴν Ἑλλάδα, ναοὺς τοῖς θεοῖς ἀπὸ μυρίων ταλάντων οἰκοδομῆσαι κελεύσας. Καὶ γὰρ ἡ ποιητικὴ χάριν ἔσχε καὶ τιμὴν <τῷ> τοῖς πεπραγμένοις εὐοκίῳτά λέγειν, ὥς Ὅμηρος ἔφη (Od. τ 203)

‘Ἰσκε ψεύδεα πολλὰ λέγων ἐτύμοισιν ὁμοῖα.’

λέγεται δὲ καὶ Μενάνδρῳ τῶν συνήθων τις εἶπεῖν ‘ἐγγὺς οὖν Μένανδρε τὰ Διονύσια, καὶ σὺ τὴν κωμωδίαν οὐ πεποίηκας,’ τὸν δ’ ἀποκρίνασθαι ‘νὴ τοὺς θεοὺς ἔγωγε πεποίηκα τὴν κωμωδίαν· ὥκονόμηται γὰρ ἡ διάθεσις· [f] δεῖ δ’ αὐτῇ τὰ στιχίδια ἐπᾶσαι’, ὅτι καὶ αὐτοὶ τὰ πράγματα τῶν λόγων ἀναγκαιότερα καὶ κυριώτερα νομίζουσιν. ἡ δὲ Κόριννα τὸν Πίνδαρον, ὄντα νέον ἔτι καὶ τῇ λογιότητι σοβαρῶς χρώμενον, ἐνουθέτησεν ὥς ἄμουσον ὄντα [καί] μὴ ποιοῦντα μύθους, ὃ τῆς ποιητικῆς ἔργον εἶναι συμβέβηκε, γλώσσας δὲ καὶ καταχρήσεις καὶ μεταφορὰς καὶ μέλη καὶ ῥυθμοὺς ἡδύσματα τοῖς πράγμασιν [348] [a] ὑποτιθέντα. σφόδρ’ οὖν ὁ Πίνδαρος ἐπιστήσας τοῖς λεγομένοις ἐποίησεν ἐκεῖνο τὸ μέρος (fr. 29 Schr.)

‘Ἰσμενὸν ἢ χρυσαλάκατον Μελίαν,
ἢ Κάδμον ἢ Σπαρτῶν ἱερὸν γένος ἀνδρῶν,

δειξαμένου δὲ τῇ Κορίνῃ, γελάσασα ἐκείνη τῇ χειρὶ δεῖν ἔφη σπεῖρειν, ἀλλὰ μὴ ὄλῳ τῷ θυλάκῳ. τῷ γὰρ ὄντι συγκεράσας καὶ συμφορήσας πανσπερμίαν τινὰ μύθων ὁ Πίνδαρος εἰς τὸ μέλος ἐξέχεεν. ἄλλ' ὅτι μὲν ἡ ποιητικὴ περὶ μυθοποιίαν ἐστί, καὶ Πλάτων εἶρηκεν (Phaedo 61b). ὁ δὲ μῦθος εἶναι βούλεται λόγος ψευδὴς ἐοικώς ἀληθινῷ· διὸ καὶ πολὺ τῶν ἔργων ἀφέστηκεν, εἰ λόγος μὲν ἔργου, [b] [καὶ] λόγου δὲ μῦθος εἰκὼν καὶ εἰδωλὸν ἐστί. καὶ τοσοῦτον τῶν ἱστορούντων οἱ πλάττοντες τὰς πράξεις ὑστεροῦσιν, ὅσον ἀπολείπονται τῶν πραττόντων οἱ λέγοντες.

Ἐπικῆς μὲν οὖν ποιήσεως ἡ πόλις οὐκ ἔσχηκεν ἔνδοξον δημιουργὸν οὐδὲ μελικῆς· ὁ γὰρ Κινησίας ἀργαλέος ἔοικε ποιητὴς γεγονέναι διθυράμβων· καὶ αὐτὸς μὲν ἄγονος καὶ ἀκλεὴς γέγονε, σκωπτόμενος δὲ καὶ χλευαζόμενος ὑπὸ τῶν κωμωδιοποιῶν οὐκ εὐτυχοῦς δόξης μετέσχκε. τῶν δὲ δραματοποιῶν τὴν μὲν κωμωδιοποιίαν οὕτως ἄσμενον ἡγοῦντο καὶ φορτικόν, ὥστε νόμος ἦν μηδὲνα ποιεῖν κωμωδίας Ἀρεοπαγίτην. ἦνθησε δ' ἡ [c] τραγωδία καὶ διεβοήθη, θαυμαστὸν ἀκρόαμα καὶ θέαμα τῶν τότε ἀνθρώπων γενομένη καὶ παρασχοῦσα τοῖς μύθοις καὶ τοῖς πάθεσιν ἀπάτην, ὡς Γοργίας φησὶν (Vorsokr. 76 B 23), ἦν ὁ τ' ἀπατήσας δικαιότερος τοῦ μὴ ἀπατήσαντος, καὶ ὁ ἀπατηθεὶς σοφώτερος τοῦ μὴ ἀπατηθέντος. ὁ μὲν γὰρ ἀπατήσας δικαιότερος, ὅτι τοῦθ' ὑποσχόμενος πεποίηκεν· ὁ δ' ἀπατηθεὶς σοφώτερος· εὐάλωτον γὰρ ὑφ' ἡδονῆς λόγων τὸ μὴ ἀναίσθητον. τίς οὖν αἱ καλαὶ τραγωδίαὶ ταῖς Ἀθήναις ὄνῃσιν ἦνεγκαν; ὡς ἡ Θεμιστοκλέους δεινότης ἐτείχισε τὴν πόλιν, ὡς ἡ Περικλέους ἐπιμέλεια τὴν ἄκραν ἐκόσμησεν, ὡς Μιλτιάδης [d] ἠλευθέρωσεν, ὡς Κίμων προῆγεν εἰς τὴν ἡγεμονίαν. εἰ οὕτως ἡ Εὐριπίδου σοφία καὶ ἡ Σοφοκλέους λογιότης καὶ τὸ Αἰσχύλου στόμα τι τῶν δυσχερῶν ἀπῆλλαξεν ἢ τι τῶν λαμπρῶν περιποίησεν, ἄξιόν γε τὰ δράματα τοῖς τροπαίοις ἀντιπαραθεῖναι καὶ τῷ στρατηγίῳ τὸ θέατρον ἀνταναστῆσαι καὶ ταῖς ἀριστεταῖς τὰς διδασκαλίας ἀντιπαραβαλεῖν.

Βούλεσθε τοὺς ἄνδρας εἰσάγωμεν αὐτοὺς τὰ σύμβολα καὶ τὰ παράσημα τῶν ἔργων κομίζοντας, ἰδίαν ἐκατέρῳ πάροδον ἀποδόντες; ἔνθεν μὲν δὴ προσίτωσαν ὑπ' αὐλοῖς καὶ λύραις ποιηταὶ λέγοντες καὶ ἄδοντες (Arist. Ran. 353)

ΠΕΡΙ ΙΣΙΔΟΣ ΚΑΙ ΟΣΙΡΙΔΟΣ

[351] Πάντα μέν, ὦ Κλέα, δεῖ τάγαθὰ τοὺς νοῦν ἔχοντας αἰτεῖσθαι παρὰ τῶν θεῶν, μάλιστα δὲ τῆς περὶ αὐτῶν ἐπιστήμης ὅσον ἐφικτόν ἐστιν ἀνθρώποις μετιόντες εὐχόμεθα τυγχάνειν παρ' αὐτῶν ἐκείνων· ὥς οὐθὲν [d] ἀνθρώπῳ λαβεῖν μεῖζον, οὐ χαρίσασθαι θεῷ σεμνότερον ἀληθείας. τᾶλλα μὲν γὰρ ἀνθρώποις ὁ θεὸς ὧν δέονται δίδωσιν, <νοῦ δὲ καὶ φρονήσεως μεταδίδωσιν,> οἰκεῖα κεκτημένος ταῦτα καὶ χρώμενος. οὐ γὰρ ἀργύρῳ καὶ χρυσῷ μακάριον τὸ θεῖον οὐδὲ βρονταῖς καὶ κεραυνοῖς ἰσχυρόν, ἀλλ' ἐπιστήμη καὶ φρονήσῃ, καὶ τοῦτο κάλλιστα πάντων Ὅμηρος ὧν εἶρηκε περὶ θεῶν ἀναφθεγξάμενος (N 354)

ἥ μὲν ἀμφοτέροισιν ὁμὸν γένος ἡδ' ἴα πάτρη,
ἀλλὰ Ζεὺς πρότερος γεγόνει καὶ πλείονα ἦδει'

σεμνοτέραν ἀπέφηνε τὴν τοῦ Διὸς ἡγεμονίαν ἐπιστήμη [e] καὶ σοφία πρεσβυτέραν οὖσαν. οἶμαι δὲ καὶ τῆς αἰωνίου ζωῆς, ἣν ὁ θεὸς εἴληχεν, εὐδαιμον εἶναι τὸ τῇ γνώσει μὴ προαπολείπειν τὰ γινόμενα· τοῦ δὲ γινώσκειν τὰ ὄντα καὶ φρονεῖν ἀφαιρεθέντος οὐ βίον ἀλλὰ χρόνον εἶναι τὴν ἀθανασίαν. διὸ θειότητος ὄρεξις ἐστὶν ἢ τῆς ἀληθείας μάλιστα δὲ τῆς περὶ θεῶν ἔφεσις, ὥσπερ ἀνάληψιν ἱερῶν τὴν μάθησιν ἔχουσα καὶ τὴν ζήτησιν, ἀγνείας τε πάσης καὶ νεωκορίας ἔργον ὀσιώτερον, οὐχ ἥκιστα δὲ τῇ θεῷ ταύτῃ κεχαρισμένον, ἣν σὺ θεραπεύεις ἐξαιρέτως σοφὴν καὶ φιλόσοφον οὖσαν, ὥς τοῦνομά γε φράζειν ἔοικε παντὸς μᾶλλον αὐτῇ τὸ εἰδέναι καὶ τὴν ἐπιστήμην [f] προσήκουσαν. Ἑλληνικὸν γὰρ ἡ Ἰσίς ἐστὶ καὶ ὁ Τυφὼν πολέμιος <ὦν> τῇ θεῷ καὶ δι' ἄγνοιαν καὶ ἀπάτην τετυφωμένος καὶ διασπῶν καὶ ἀφανίζων τὸν ἱερὸν λόγον, ὃν ἡ θεὸς συνάγει καὶ συντίθησι καὶ παραδίδωσι τοῖς τελουμένοις <διὰ> θειώσεως σώφρονι μὲν ἐνδελεχῶς διαίτη καὶ βρωμάτων πολλῶν καὶ ἀφροδισίων ἀποχαῖς κολουούσης [352] [a] τὸ ἀκόλαστον καὶ φιλήδονον, ἀθρύπτους δὲ καὶ στερρὰς ἐν ἱεροῖς λατρείας ἐθιζούσης ὑπομένειν, ὧν τέλος ἐστὶν ἢ τοῦ πρώτου καὶ κυρίου καὶ νοητοῦ γνῶσις[, ὃν ἡ θεὸς παρακαλεῖ ζητεῖν παρ' αὐτῇ καὶ μετ' αὐτῆς ὄντα καὶ συνόντα]. τοῦ δ' ἱεροῦ τοῦνομα καὶ σαφῶς ἐπαγγέλλεται καὶ γνῶσιν καὶ εἰδήσιν τοῦ ὄντος· ὀνομάζεται

γὰρ Ἰσεῖον ὡς εἰσομένων τὸ ὄν, ἂν μετὰ λόγου καὶ ὁσίως εἰς τὰ ἱερὰ τῆς θεοῦ παρέλθωμεν.

Ἐτι πολλοὶ μὲν Ἑρμοῦ, πολλοὶ δὲ Προμηθέως ἱστορήκασιν αὐτὴν θυγατέρα, [ὦν] τὸν μὲν ἕτερον σοφίας καὶ προνοίας, Ἑρμῆν δὲ γραμματικῆς καὶ μουσικῆς εὕρετὴν νομίζοντες. διὸ καὶ τῶν <έν> Ἑρμοῦ πόλει [b] Μουσῶν τὴν προτέραν Ἰσιν ἅμα καὶ Δικαιοσύνην καλοῦσι, σοφὴν οὖσαν, ὥσπερ εἴρηται (351e), καὶ δεικνύουσιν τὰ θεῖα τοῖς ἀληθῶς καὶ δικαίως ἱεραφόροις καὶ ἱεροστόλοις προσαγορευομένοις· οὗτοι δ' εἰσὶν οἱ τὸν ἱερὸν λόγον περὶ θεῶν πάσης καθαρεύοντα δεισιδαιμονίας καὶ περιεργίας ἐν τῇ ψυχῇ φέροντες ὥσπερ ἐν κίστῃ καὶ περιστέλλοντες, τὰ μὲν μέλανα καὶ σκιώδη τὰ δὲ φανερά καὶ λαμπρά τῆς περὶ θεῶν ὑποδηλοῦντες οἰήσεως, οἷα καὶ περὶ τὴν ἐσθῆτα τὴν ἱερὰν ἀποφαίνεται. διὸ καὶ τὸ κοσμεῖσθαι τούτοις τοὺς ἀποθανόντας Ἰσιακοὺς σύμβολόν ἐστι τοῦτον τὸν λόγον εἶναι μετ' αὐτῶν, καὶ τοῦτον [c] ἔχοντας ἄλλο δὲ μηδὲν ἐκεῖ βαδίζειν. οὔτε γὰρ φιλοσόφους πωγωνοτροφίαι, ὦ Κλέα, καὶ τριβωνοφορίαι ποιοῦσιν οὗτ' Ἰσιακοὺς αἱ λινοστολῖαι καὶ ξυρήσεις· ἀλλ' Ἰσιακός ἐστιν ὡς ἀληθῶς ὁ τὰ δεικνύμενα καὶ δρώμενα περὶ τοὺς θεοὺς τούτους, ὅταν νόμῳ παραλάβῃ, λόγῳ ζητῶν καὶ φιλοσοφῶν περὶ τῆς ἐν αὐτοῖς ἀληθείας. ἐπεὶ τοὺς γε πολλοὺς καὶ τὸ κοινότατον τοῦτο καὶ μικρότατον λέληθεν, ἐφ' ὧν τὰς τρίχας οἱ ἱερεῖς ἀποτίθενται καὶ λινᾶς ἐσθῆτας φοροῦσιν· οἱ μὲν οὐδ' ὅλως φροντίζουσιν εἰδέναι περὶ τούτων, οἱ δὲ τῶν μὲν ἐρίων ὥσπερ τῶν κρεῶν σεβομένους τὸ πρόβατον ἀπέχεσθαι λέγουσι, [d] ξύρεσθαι δὲ τὰς κεφαλὰς διὰ τὸ πένθος, φορεῖν δὲ τὰ λινᾶ διὰ τὴν χροάν, ἣν τὸ λίνον ἀνθοῦν ἀνίησι τῇ περιεχοῦσῃ τὸν κόσμον αἰθερίῳ χαροπότῃ προσεικυῖαν. ἡ δ' ἀληθὴς αἰτία μία πάντων ἐστί· ‘καθαροῦ γάρ’ ἦ φησιν ὁ Πλάτων (Phaedo 67b) ‘οὐ θεμιτὸν ἅπτεσθαι μὴ καθαρώ·’ περίσσωμα δὲ τροφῆς καὶ σκύβαλον οὐδὲν ἄγνόν οὐδὲ καθαρὸν ἐστίν· ἐκ δὲ περιττωμάτων ἔρια καὶ λάχλαι καὶ τρίχες καὶ ὄνυχες ἀναφύονται καὶ βλαστάνουσι. γελοῖον οὖν ἦν τὰς μὲν αὐτῶν τρίχας ἐν ταῖς ἀγνείαις ἀποτίθεσθαι ξυρωμένους καὶ λειαινομένους πᾶν ὁμαλῶς τὸ σῶμα, τὰς δὲ τῶν [e] θρεμμάτων ἀμπέχεσθαι καὶ φορεῖν· καὶ γὰρ τὸν Ἡσίοδον οἶεσθαι δεῖ λέγοντα (OD 742)

‘μηδ’ ἀπὸ πεντόζοιο θεῶν ἐν δαιτὶ θαλεῖν
αὔον ἀπὸ χλωροῦ τάμνειν αἰθωνι σιδήρῳ’

διδάσκειν ὅτι δεῖ καθαροὺς τῶν τοιούτων γενομένους ἑορτάζειν, οὐκ ἐν αὐταῖς ταῖς ἱερουργίαις χρῆσθαι καθάρσει καὶ ἀφαιρέσει τῶν περιττωμάτων. τὸ δὲ λίνον φύεται μὲν ἐξ ἀθανάτου τῆς γῆς καὶ καρπὸν ἐδώδιμον ἀναδίδωσι, λιτὴν δὲ παρέχει καὶ καθαρὰν ἐσθῆτα καὶ τῷ σκέποντι μὴ βαρύνουσιν, εὐάρμοστον δὲ πρὸς πᾶσαν ὥραν, ἥκιστα δὲ φθειροποιόν, ὡς λέγουσι· περὶ ὧν ἕτερος [f] λόγος. οἱ δ' ἱερεῖς οὕτω δυσχεραίνουσι τὴν τῶν περιττωμάτων φύσιν, ὥστε μὴ μόνον παραιτεῖσθαι τῶν ὀσπρίων τὰ πολλὰ καὶ τῶν κρεῶν τὰ μήλεια καὶ ὕεια πολλὴν ποιοῦντα περίττωσιν, ἀλλὰ καὶ τοὺς ἄλλας τῶν σιτίων ἐν ταῖς ἀγνεύαις ἀφαιρεῖν, ἄλλας τε πλείονας αἰτίας ἔχοντας καὶ <τὸ> ποτικωτέρους καὶ βρωτικωτέρους ποιεῖν ἐπιθήγοντας τὴν ὀρεξιν. τὸ γάρ, ὡς Ἀρισταγόρας (FHG II 99) ἔλεγε, διὰ τὸ πηγνυμένοις πολλὰ τῶν μικρῶν ζῶων ἐναποθνήσκειν ἀλίσκόμενα μὴ καθαροὺς λογίζεσθαι τοὺς [353] [a] ἄλλας εὐηθὲς ἐστὶ. λέγονται δὲ καὶ τὸν Ἄπιν ἐκ φρέατος ἰδίου ποτίζειν, τοῦ δὲ Νείλου παντάπασιν ἀπείργειν, οὐ μισρὸν ἡγούμενοι τὸ ὕδωρ διὰ τὸν κροκόδειλον, ὡς ἔνιοι νομίζουσιν (οὐδὲν γὰρ οὕτως τίμιον Αἰγυπτίοις ὡς ὁ Νεῖλος)· ἀλλὰ παίνειν δοκεῖ καὶ μάλιστα πολυσαρκίαν ποιεῖν τὸ Νειλῶον ὕδωρ πινόμενον· οὐ βούλονται δὲ τὸν Ἄπιν οὕτως ἔχειν οὐδ' ἑαυτούς, ἀλλ' εὐσταλῇ καὶ κοῦφα ταῖς ψυχαῖς περικεῖσθαι τὰ σώματα καὶ μὴ πιέζειν μηδὲ καταθλίβειν ἰσχύοντι τῷ θνητῷ καὶ βαρύνοντι τὸ θεῖον.

Οἶνον δ' οἱ μὲν ἐν Ἡλίου πόλει θεραπεύοντες τὸν θεὸν οὐκ εἰσφέρουσι τὸ παράπαν εἰς τὸ ἱερόν, ὡς οὐ [b] προσῆκον ὑπηρέτας πίνειν τοῦ κυρίου καὶ βασιλέως ἐφορῶντος· οἱ δ' ἄλλοι χρῶνται μὲν ὀλίγῳ δέ. πολλὰς δ' αἰνους ἀγνεύας ἔχουσιν, ἐν αἷς φιλοσοφοῦντες καὶ μανθάνοντες καὶ διδάσκοντες τὰ θεῖα διατελοῦσιν. οἱ δὲ βασιλεῖς καὶ μετρητὸν ἔπινον ἐκ τῶν ἱερῶν γραμμάτων, ὡς Ἐκαταῖος (Vors. 60 B 11) ἰστόρηκεν, ἱερεῖς ὄντες· ἤρξαντο δὲ πίνειν ἀπὸ Ψαμμητίχου, πρότερον δ' οὐκ ἔπινον οἶνον οὐδ' ἔσπενδον ὡς φίλιον θεοῖς ἀλλ' ὡς αἷμα τῶν πολεμησάντων ποτὲ τοῖς θεοῖς, ἐξ ὧν οἶνται πεσόντων καὶ τῇ γῇ συμμιγέντων ἀμπέλους γενέσθαι· διὸ καὶ τὸ μεθύειν [c] ἔκφρονας ποιεῖν καὶ παραπλήγας, ἅτε δὴ τῶν προγόνων τοῦ αἵματος ἐμπιπλάμενους. ταῦτα μὲν οὖν Εὐδοξος ἐν τῇ δευτέρᾳ τῆς περιόδου (fr. 17 Br.) λέγεσθαι φησιν οὕτως ὑπὸ τῶν ἱερέων.

Ταῦτα μὲν οὖν τοιαύτας ὑπονοίας δίδωσιν· ἀπ' ἄλλης δ' ἀρχῆς τῶν φιλοσοφώτερόν τι λέγειν δοκούντων τοὺς ἀπλουστάτους σκεψώμεθα πρῶτον. οὗτοι δ' εἰσὶν οἱ λέγοντες, ὥσπερ Ἕλληνες Κρόνον ἀλληγοροῦσι τὸν χρόνον, Ἦραν δὲ τὸν ἄερα, γένεσιν δὲ Ἥφαιστου τὴν εἰς πῦρ ἀέρος μεταβολήν, οὕτω παρ' Αἰγυπτίοις Νεῖλον εἶναι τὸν Ὅσιριν Ἰσιδι συνόντα τῇ γῇ, Τυφῶνα δὲ τὴν θάλασσαν, εἰς ἣν ὁ Νεῖλος ἐμπύπτων ἀφανίζεται καὶ διασπᾶται, πλὴν ὅσον ἡ γῆ μέρος ἀναλαμβάνουσα καὶ δεχομένη γίγνεται γόνιμος ὑπ' αὐτοῦ. καὶ θρηνός ἐστιν [e] ἱερὸς ἐπ' αὐτοῦ [Κρόνου] γενόμενος, θρηνεῖ δὲ τὸν ἐν τοῖς ἀριστεροῖς γινόμενον μέροςιν, ἐν δὲ τοῖς δεξιοῖς φθειρόμενον. Αἰγύπτιοι γὰρ οἶονται τὰ μὲν ἐῷα τοῦ κόσμου πρόσωπον εἶναι, τὰ δὲ πρὸς βορρᾶν δεξιὰ, τὰ δὲ πρὸς νότον ἀριστερά· φερόμενος οὖν ἐκ τῶν νοτίων ὁ Νεῖλος, ἐν δὲ τοῖς βορείοις ὑπὸ τῆς θαλάσσης καταναλισκόμενος εἰκότως λέγεται τὴν μὲν γένεσιν ἐν τοῖς ἀριστεροῖς ἔχειν, τὴν δὲ φθορὰν ἐν τοῖς δεξιοῖς. διὸ τὴν τε θάλασσαν οἱ ἱερεῖς ἀφοσιοῦνται καὶ τὸν ἄλλα Τυφῶνος ἀφρὸν καλοῦσι, καὶ τῶν ἀπαγορευομένων ἐν ἐστὶν αὐτοῖς ἐπὶ τραπέζης ἄλλα μὴ προτίθεσθαι· καὶ κυβερνήτας οὐ [f] προσαγορεύουσιν, ὅτι χρώνται θαλάττῃ καὶ τὸν βίον ἀπὸ τῆς θαλάττης ἔχουσιν· οὐχ ἥκιστα δὲ καὶ τὸν ἰχθύν ἀπὸ ταύτης προβάλλονται τῆς αἰτίας καὶ τὸ μισεῖν ἰχθύι γράφουσιν. ἐν Σαί γοῦν ἐν τῷ προπύλῳ τοῦ ἱεροῦ τῆς Ἀθηνᾶς ἦν γεγλυμμένον βρέφος, γέρων καὶ μετὰ τοῦτον ἰέραξ, ἐφεξῆς δ' ἰχθύς, ἐπὶ πᾶσι δ' ἵππος ποτάμιος. ἐδήλου δὲ συμβολικῶς ὧ γινόμενοι καὶ ἀπογινόμενοι, <θεὸς ἀναΐδειαν μισεῖ>. τὸ μὲν γὰρ βρέφος γενέσεως σύμβολον, <φθορᾶς> δ' ὁ γέρων· ἰέρακι δὲ τὸν θεὸν φράζουσιν, ἰχθύι δὲ μῖσος, ὥσπερ εἴρηται, [364] [a] διὰ τὴν θάλατταν, ἵππῳ ποταμίῳ δ' ἀναΐδειαν· λέγεται γὰρ ἀποκτείνας τὸν πατέρα τῇ μητρὶ βία μίγνυσθαι. δόξειε δ' ἂν καὶ τὸ ὑπὸ τῶν Πυθαγορικῶν λεγόμενον, ὡς ἡ θάλαττα Κρόνου δάκρυόν ἐστιν, αἰνίττεσθαι τὸ μὴ καθαρὸν μηδὲ σύμφυλον αὐτῆς.

Ταῦτα μὲν οὖν ἔξωθεν εἰρήσθω κοινήν ἔχοντα τὴν ἱστορίαν· οἱ δὲ σοφώτεροι τῶν ἱερέων οὐ μόνον τὸν Νεῖλον Ὅσιριν καλοῦσιν οὐδὲ Τυφῶνα τὴν θάλασσαν, ἀλλ' Ὅσιριν μὲν ἀπλῆς ἅπασαν τὴν ὑγροποιὸν ἀρχὴν καὶ δύναμιν, αἰτίαν γενέσεως καὶ σπέρματος οὐσίαν νομίζοντες, Τυφῶνα δὲ πᾶν τὸ αὐχμηρὸν καὶ πυρῶδες καὶ ξηραντικὸν ὅλως καὶ πολέμιον τῇ ὑγρότητι· [b] διὸ καὶ

πυρρόχρουν γεγονέναι τῷ σώματι καὶ πάρωχρον νομίζοντες οὐ πάνυ προθύμως ἐντυγχάνουσιν οὐδ' ἡδέως ὁμιλοῦσι τοῖς τοιοῦτοις τὴν ὄψιν ἀνθρώποις. τὸν δ' Ὅσιριν αὖ πάλιν μελάγχρουν γεγονέναι μυθολογοῦσιν, ὅτι πᾶν ὕδωρ καὶ γῆν καὶ ἱμάτια καὶ νέφη μελαίνει μινύμενον, καὶ τῶν νέων ὑγρότης ἐνοῦσα παρέχει τὰς τρίχας μελαίνας, ἡ δὲ πολίωσις οἷον ὠχρίασις ὑπὸ ξηρότητος ἐπιγίνεται τοῖς παρακμάζουσι. καὶ τὸ μὲν ἔαρ θαλερὸν καὶ γόνιμον καὶ προσηγές, τὸ δὲ φθινόπωρον ὑγρότητος ἐνδεία καὶ φυτοῖς πολέμιον καὶ ζώοις νοσῶδες. ὁ δ' ἐν Ἡλίου πόλει τρεφόμενος βοῦς, ὃν [c] Μνεῦιν καλοῦσιν (Ὀσίριδος δ' ἱερὸν, ἔνιοι δὲ καὶ τοῦ Ἄπιδος πατέρα νομίζουσι), μέλας ἐστὶ καὶ δευτέρας ἔχει τιμὰς μετὰ τὸν Ἄπιν. ἔτι τὴν Αἴγυπτον ἐν τοῖς μάλιστα μελάγγειον οὔσαν, ὥσπερ τὸ μέλαν τοῦ ὀφθαλμοῦ, Χημίαν καλοῦσι καὶ καρδία παρεικάζουσι· θερμὴ γάρ ἐστι καὶ ὑγρὰ καὶ τοῖς νοτίοις μέρεσι τῆς οἰκουμένης, ὥσπερ ἡ καρδία τοῖς εὐωνύμοις τοῦ ἀνθρώπου, μάλιστα ἐγκέκλεισται καὶ προσκεχώρηκεν. Ἥλιον δὲ καὶ Σελήνην οὐχ ἄρμασιν ἀλλὰ πλοίοις ὀχήμασι χρωμένους περιπολεῖν φασιν αἰνιττόμενοι τὴν ἀφ' ὑδροῦ τροφὴν αὐτῶν καὶ γένεσιν. οἷονται δὲ καὶ Ὅμηρον ὥσπερ Θαλῆν [d] μαθόντα παρ' Αἰγυπτίων ὕδωρ ἀρχὴν ἀπάντων καὶ γένεσιν τίθεσθαι (Ξ 201)· τὸν γὰρ Ὠκεανὸν Ὅσιριν εἶναι, τὴν δὲ Τηθὺν Ἴσιν ὡς τιθηνουμένην πάντα καὶ συνεκτρέφουσιν. καὶ γὰρ Ἕλληνες τὴν τοῦ σπέρματος πρῶεσιν ἀπουσίαν καλοῦσι καὶ συνουσίαν τὴν μῆξιν, καὶ τὸν υἱὸν ἀπὸ τοῦ ὕδατος καὶ τοῦ ὕσαι, καὶ τὸν Διόνυσον ὕην' ὡς κύριον τῆς ὑγρᾶς φύσεως οὐχ ἕτερον ὄντα τοῦ Ὀσίριδος· καὶ γὰρ τὸν Ὅσιριν Ἑλλάνικος (FGrHist. 3 fr. 176) Ὅσιριν ἔοικεν ἀκηκοέναι ὑπὸ τῶν ἱερέων λεγόμενον· οὕτω γὰρ ὀνομάζων διατελεῖ τὸν θεόν, εἰκότως ἀπὸ τῆς φύσεως καὶ τῆς εὐρέσεως.

Ὅτι μὲν οὖν ὁ αὐτός ἐστι Διονύσω, τίνα μᾶλλον [e] ἢ σὲ γινώσκειν, ὧ Κλέα, δὴ προσῆκόν ἐστιν, ἀρχήϊδα μὲν οὔσαν ἐν Δελφοῖς τῶν Θυιάδων, τοῖς δ' Ὀσιριακοῖς καθωσιωμένην ἱεροῖς ἀπὸ πατρὸς καὶ μητρός; εἰ δὲ τῶν ἄλλων ἔνεκα δεῖ μαρτύρια παραθέσθαι, τὰ μὲν ἀπόρρητα κατὰ χώραν ἐῷμεν, ἃ δ' ἐμφανῶς δρῶσι θάπτοντες τὸν Ἄπιν οἱ ἱερεῖς, ὅταν παρακομίζωσιν ἐπὶ σχεδίας τὸ σῶμα, βακχείας οὐδὲν ἀποδεῖ· καὶ γὰρ νεβρίδας περικαθάπτονται καὶ θύρσους φοροῦσι καὶ βοαῖς χρῶνται καὶ κινήσεσιν ὥσπερ οἱ κάτοχοι τοῖς περὶ τὸν Διόνυσον ὀργιασμοῖς.

διὸ καὶ ταυρόμορφα Διονύσου ποιοῦσιν ἀγάλματα πολλοὶ τῶν Ἑλλήνων· αἱ δ' Ἥλειων γυναῖκες καὶ παρακαλοῦσιν [f] εὐχόμεναι ‘ποδὶ βοεῖω τὸν θεὸν ἐλθεῖν’ πρὸς αὐτάς. Ἀργείοις δὲ βουγενῆς Διόνυσος ἐπὶ κλην ἐστίν· ἀνακαλοῦνται δ' αὐτὸν ὑπὸ σαλπίγγων ἐξ ὕδατος ἐμβάλλοντες εἰς τὴν ἄβυσσον ἄρνα τῷ Πυλαόχῳ· τὰς δὲ σάλπιγγας ἐν θύρσοις ἀποκρύπτουσιν, ὡς Σωκράτης ἐν τοῖς περὶ ὀσίων (fr. 5 M.) εἴρηκεν. ὁμολογεῖ δὲ καὶ τὰ Τιτανικὰ καὶ Νυκτέλια τοῖς λεγομένοις Ὀσίριδος διασπασμοῖς καὶ ταῖς ἀναβιώσεσι καὶ παλιγγενεσίαις· ὁμοίως [365] [a] δὲ καὶ τὰ περὶ τὰς ταφάς. Αἰγύπτιοί τε γὰρ Ὀσίριδος πολλαχοῦ θήκας, ὥσπερ εἴρηται (358a 359a), δεικνύουσι, καὶ Δελφοὶ τὰ τοῦ Διονύσου λείψανα παρ' αὐτοῖς παρὰ τὸ χρηστήριον ἀποκεῖσθαι νομίζουσι, καὶ θύουσιν οἱ ὅσοι θυσίαν ἀπόρρητον ἐν τῷ ἱερῷ τοῦ Ἀπόλλωνος, ὅταν αἱ Θυιάδες ἐγείρωσι τὸν Λικνίτην. ὅτι δ' οὐ μόνον τοῦ οἴνου Διόνυσον, ἀλλὰ καὶ πάσης ὑγρᾶς φύσεως Ἕλληνες ἡγοῦνται κύριον καὶ ἀρχηγόν, ἀρκεῖ Πίνδαρος μάρτυς εἶναι λέγων (fr. 153) ‘δενδρέων δὲ νομὸν Διόνυσος πολυγαθῆς αὐξάνοι, ἀγνὸν φέγγος ὀπώρας·’ διὸ καὶ τοῖς τὸν Ὀσίριν σεβομένοις ἀπαγορεύεται δένδρον ἡμερον ἀπολλύναι καὶ πηγὴν ὕδατος ἐμφράττειν.

[b] Οὐ μόνον δὲ τὸν Νεῖλον, ἀλλὰ πᾶν ὑγρὸν ἀπλῶς Ὀσίριδος ἀπορροὴν καλοῦσι, καὶ τῶν ἱερῶν αἰὲν προπομπεῦει τὸ ὕδρεϊον ἐπὶ τιμῇ τοῦ θεοῦ. καὶ θρύψ βασιλέα καὶ τὸ νότιον κλίμα τοῦ κόσμου γράφουσι, καὶ μεθερμηνεύεται τὸ θρύον ποτισμὸς καὶ κύησις πάντων καὶ δοκεῖ γεννητικῷ μορίῳ τὴν φύσιν ἐοικέναι. τὴν δὲ τῶν Παμυλίων ἑορτὴν ἄγοντες, ὥσπερ εἴρηται (355e), φαλλικὴν οὔσαν ἄγαλμα προτίθενται καὶ περιφέρουσιν, οὔ τὸ αἰδοῖον τριπλάσιόν ἐστιν· ἀρχὴ γὰρ ὁ θεός, ἀρχὴ δὲ πᾶσα τῷ γονίμῳ πολλαπλασιάζει τὸ ἐξ αὐτῆς. τὸ δὲ πολλάκις εἰώθαμεν καὶ τρεῖς λέγειν, ὡς τὸ ‘τρισμάκαρες’ [c] καὶ (θ 340) ‘δεσμοὶ μὲν τρεῖς τόσσοι ἀπείρονες’, εἰ μὴ νῆ Δία κυρίως ἐμφαίνεται τὸ τριπλάσιον ὑπὸ τῶν παλαιῶν· ἡ γὰρ ὑγρὰ φύσις ἀρχὴ καὶ γένεσις οὔσα πάντων ἐξ αὐτῆς τὰ πρῶτα τρία σώματα, γῆν ἀέρα καὶ πῦρ, ἐποίησε. καὶ γὰρ ὁ προστιθέμενος τῷ μύθῳ λόγος, ὡς τοῦ Ὀσίριδος ὁ Τυφὼν τὸ αἰδοῖον ἔρριπεν εἰς τὸν ποταμόν, ἡ δ' Ἴσις οὐχ εὔρεν, ἀλλ' ἐμπερὲς ἄγαλμα θεμένη καὶ κατασκευάσασα τιμᾶν καὶ φαλληφορεῖν ἔταξεν, ἐνταῦθα δὴ περιχωρεῖ διδάσκων, ὅτι τὸ γόνιμον καὶ τὸ σπερματικὸν τοῦ θεοῦ πρῶτην ἔσχεν ὕλην τὴν ὑγρότητα καὶ δι' ὑγρότητος [d] ἐνεκράθη

τοῖς πεφυκόσι μετέχειν γενέσεως. ἄλλος δὲ λόγος ἐστὶν Αἰγυπτίων, ὡς Ἀποπιδ Ἡλίου ὦν ἀδελφὸς ἐπολέμει τῷ Δίῃ, τὸν δ' Ὅσιριν ὁ Ζεὺς συμμαχήσαντα καὶ συγκαταστρεφάμενον αὐτῷ τὸν πολέμιον παῖδα θέμενος Διόνυσον προσηγόρευσε. καὶ τούτου δὲ τοῦ λόγου τὸ μυθῶδες ἔστιν ἀποδειξαι τῆς περὶ φύσιν ἀληθείας ἀπτόμενον. Δία μὲν γὰρ Αἰγύπτιοι τὸ πνεῦμα καλοῦσιν, ᾧ πολέμιον τὸ αὐχμηρὸν καὶ πυρῶδες· τοῦτο δ' ἥλιος μὲν οὐκ ἔστι, πρὸς δ' ἥλιον ἔχει τινὰ συγγένειαν· ἡ δ' ὑγρότης σβεννύουσα τὴν ὑπερβολὴν τῆς ξηρότητος αὐξεί καὶ ῥώννυσι τὰς ἀναθυμιάσεις, ὅφ' ὦν τὸ πνεῦμα τρέφεται [e] καὶ τέθηλεν.

Ἔτι τε τὸν κιττὸν [δν] Ἑλληνές τε καθιεροῦσι Διονύσω καὶ παρ' Αἰγυπτίοις λέγεται 'χενόσιρις' ὀνομάζεσθαι σημαίνοντος τοῦ ὀνόματος, ὡς φασι, φυτὸν Ὀσίριδος. Ἀρίστων τοίνυν ὁ γεγραφὼς Ἀθηναίων ἀποικίας (FHG III 324) ἐπιστολῇ τινι Ἀλεξάρχου περιέπεσεν, ἐν ἣ Διὸς ἱστορεῖται [δὲ] καὶ Ἰσιδος υἱὸς ὦν ὁ Διόνυσος ὑπ' Αἰγυπτίων οὐκ Ὅσιρις ἀλλ' Ἀρσαφῆς [ἐν τῷ ἄλφα γράμματι] λέγεσθαι δηλοῦντος τὸ ἀνδρεῖον τοῦ ὀνόματος. ἐμφαίνει δὲ τοῦτο καὶ ὁ Ἑρμαῖος (FHG IV 427) ἐν τῇ πρώτῃ περὶ τῶν Αἰγυπτίων <ἐορτῶν> ὄβριμον γάρ φησι μεθερμηνευόμενον εἶναι τὸν Ὅσιριν. ἐῷ δὲ [f] Μνασέαν (FHG III 155) τῷ Ἐπάφῳ προστιθέντα τὸν Διόνυσον καὶ τὸν Ὅσιριν καὶ τὸν Σάραπιν, ἐῷ καὶ Ἀντικλείδην (FGrHist. 140 fr. 13) λέγοντα τὴν Ἰσιν Προμηθέως οὔσαν θυγατέρα Διονύσω συνοικεῖν· αἱ γὰρ εἰρημέναι περὶ τὰς ἐορτὰς καὶ τὰς θυσίας οἰκειότητες ἐναργεστέραν τῶν μαρτύρων τὴν πίστιν ἔχουσι.

Τῶν τ' ἄστρον τὸν σείριον Ὀσίριδος νομίζουσιν [366] [a] ὑδραγωγὸν ὄντα καὶ τὸν λέοντα τιμῶσι καὶ χάσμασι λεοντείσις τὰ τῶν ἱερῶν θυρώματα κοσμοῦσιν, ὅτι πλημμυρεῖ Νεῖλος (Ag. Phaen. 151)

‘ἡελίου τὰ πρῶτα συνερχομένοιο λέοντι.’

ὡς δὲ Νεῖλον Ὀσίριδος ἀπορροήν, οὕτως Ἰσιδος σῶμα γῆν λέγουσι καὶ νομίζουσιν οὐ πᾶσαν, ἀλλ' ἥς ὁ Νεῖλος ἐπιβαίνει σπερμαίνων καὶ μιγνύμενος· ἐκ δὲ τῆς συνουσίας ταύτης γεννῶσι τὸν Ὠρον. ἔστι δ' Ὠρος ἡ πάντα σῶζουσα καὶ τρέφουσα τοῦ περιέχοντος ὥρα καὶ κρᾶσις ἀέρος, ὃν ἐν τοῖς ἔλεσι τοῖς περὶ Βοῦτον ὑπὸ Λητοῦς τραφῆναι λέγουσιν· ἡ γὰρ ὑδατώδης καὶ διάβροχος γῇ μάλιστα τὰς σβεννυούσας καὶ χαλώσας τὴν ξηρότητα

[b] καὶ τὸν αὐχμὸν ἀναθυμιάσεις τιθηνεῖται. Νέφθυν δὲ καλοῦσι τῆς γῆς τὰ ἔσχατα καὶ παρόρια καὶ ψαύοντα τῆς θαλάττης· διὸ καὶ Τελευτήν ἐπονομάζουσι τὴν Νέφθυν καὶ Τυφῶνι δὲ συνοικεῖν λέγουσιν. ὅταν δ' ὑπερβαλὼν καὶ πλεονάσας ὁ Νεῖλος ἐπέκεινα πλησιάσῃ τοῖς ἔσχατεύουσι, τοῦτο μῖξιν Ὀσίριδος πρὸς Νέφθυν καλοῦσιν ὑπὸ τῶν ἀναβλαστανόντων φυτῶν ἐλεγχομένην· ὧν καὶ τὸ μελίλωτόν ἐστιν, οὗ φησι μῦθος ἀπορρυέντος καὶ ὑπολειφθέντος αἰσθησιν γενέσθαι Τυφῶνι τῆς περὶ τὸν γάμον ἀδικίας. ὅθεν ἡ μὲν Ἰσις ἔτεκε γνησίως τὸν [c] Ὄρον, ἡ δὲ Νέφθυς σκότιον τὸν Ἄνουβιν. ἐν μέντοι ταῖς διαδοχαῖς τῶν βασιλέων ἀναγράφουσι τὴν Νέφθυν Τυφῶνι γημαμένην πρῶτην γενέσθαι στεῖραν· εἰ δὲ τοῦτο μὴ περὶ γυναικὸς ἀλλὰ περὶ τῆς θεοῦ λέγουσιν, αἰνίττονται τὸ παντελῶς τῆς γῆς ἄγονον καὶ ἄκαρπον ὑπὸ στερρότητος.

Ἡ δὲ Τυφῶνος ἐπιβουλὴ καὶ τυραννὶς αὐχμοῦ δύναμις ἦν ἐπικρατήσαντος καὶ διαφορήσαντος τὴν τε γεννῶσαν ὑγρότητα τὸν Νεῖλον καὶ αὔξουσιν, ἡ δὲ συνεργὸς αὐτοῦ βασιλὶς Αἰθιόπων αἰνίττεται πνοᾶς νοτίους ἐξ Αἰθιοπίας· ὅταν γὰρ αὗται τῶν ἐτησίων ἐπικρατήσωσι τὰ νέφη πρὸς τὴν Αἰθιοπίαν ἐλαυνόντων καὶ [d] κωλύσωσι τοὺς τὸν Νεῖλον αὔξοντας ὄμβρους καταρραγεῖν, κατέχων ὁ Τυφὼν ἐπιφλέγει, καὶ τότε κρατήσας παντάπασι τὸν Νεῖλον εἰς ἑαυτὸν ὑπ' ἀσθενείας συσταλέντα καὶ ῥυέντα κοῦλον καὶ ταπεινὸν ἐξέωσεν εἰς τὴν θάλασσαν. ἡ γὰρ λεγομένη κάθειρξις εἰς τὴν σορὸν Ὀσίριδος οὐδὲν ὅμοιον ἀλλ' ἡ κρύψιν ὕδατος καὶ ἀφανισμόν αἰνίττεσθαι· διὸ μηνὸς Ἀθὺρ ἀφανισθῆναι τὸν Ὀσίριν λέγουσιν, ὅτε τῶν ἐτησίων ἀπολειπόντων παντάπασι ὁ μὲν Νεῖλος ὑπονοστεῖ, γυμνοῦται δ' ἡ χώρα, μηκυνομένης δὲ τῆς νυκτὸς αὔξεται τὸ σκότος, ἡ δὲ τοῦ φωτὸς μαραίνεται καὶ κρατεῖται δύναμις, οἱ <δ> ἱερεῖς [e] ἄλλα τε δρῶσι σκυθρωπὰ καὶ βοῦν διάχρυσον ἱματίῳ μέλανι βυσσίνῳ περιβάλλοντες ἐπὶ πένθει τῆς θεοῦ δεικνύουσι (βοῦν γὰρ Ἰσιδος εἰκόνα καὶ γῆς νομίζουσιν) ἐπὶ τέσσαρας ἡμέρας ἀπὸ τῆς ἐβδόμης ἐπὶ δέκα ἐξῆς· καὶ γὰρ τὰ πενθούμενα τέσσαρα, πρῶτον μὲν ὁ Νεῖλος ἀπολείπων καὶ ὑπονοστών, δεύτερον δὲ τὰ βόρεια πνεύματα κατασβευνόμενα κομιδῇ τῶν νοτίων ἐπικρατούντων, τρίτον δὲ τὸ τὴν ἡμέραν ἐλάττονα γίνεσθαι τῆς νυκτός, ἐπὶ πᾶσι δ' ἡ τῆς γῆς ἀπογύμνωσις ἅμα τῇ τῶν φυτῶν ψιλότητι τηνικαῦτα

φυλλορροούντων. τῇ δ' ἐνάτῃ ἐπὶ [f] δέκα νυκτὸς ἐπὶ θάλασσαν κατίασι, καὶ τὴν ἱερὰν κίστην οἱ στολισταὶ καὶ οἱ ἱερεῖς ἐκφέρουσι χρυσοῦν ἐντὸς ἔχουσιν κιβώτιον, εἰς ὃ ποτίμου λαβόντες ὕδατος ἐγχέουσι, καὶ γίνεται κραυγὴ τῶν παρόντων ὡς εὐρημένου τοῦ Ὀσίριδος· εἶτα γῆν κάρπιμον φυρῶσι τῷ ὕδατι καὶ συμμίζαντες ἀρώματα καὶ θυμιάματα τῶν πολυτελῶν ἀναπλάττουσι μνηοειδὲς ἀγαλμάτιον καὶ τοῦτο στολίζουσι καὶ κοσμοῦσιν ἐμφαίνοντες ὅτι γῆς οὐσίαν καὶ ὕδατος τοὺς θεοὺς τούτους νομίζουσι.

Τῆς δ' Ἰσιδος πάλιν ἀναλαμβάνουσιν τὸν Ὀσίριν ^[367] [a] καὶ αὐξανούσης τὸν Ὄρον ἀναθυμιάσει καὶ ὁμίχλαις καὶ νέφεσι ῥωννύμενον ἐκρατήθη μὲν, οὐκ ἀνῆρέθη δ' ὁ Τυφών· οὐ γὰρ εἶασεν ἡ κυρία τῆς γῆς θεὸς ἀναιρεθῆναι παντάπασι τὴν ἀντικειμένην τῇ ὑγρότητι φύσιν, ἀλλ' ἐχάλασε καὶ ἀνῆκε βουλομένη διαμένειν τὴν κρᾶσιν· οὐ γὰρ ἦν κόσμον εἶναι τέλειον ἐκλιπόντος καὶ ἀφανισθέντος τοῦ πυρώδους. εἰ δὲ ταῦτα μὴ λέγεται παρὰ τὸ εἶκός, οὐδ' ἐκεῖνον ἂν τις ἀπορρίψειε τὸν λόγον, ὡς Τυφών μὲν ἐκράτει πάλαι τῆς Ὀσίριδος μοίρας· θάλασσα γὰρ ἦν ἡ Αἴγυπτος. διὸ πολλὰ μὲν ἐν τοῖς μετάλλοις καὶ τοῖς ὄρεσιν εὐρίσκεται μέχρι νῦν κογχύλια [ἔχειν]· πᾶσαι δὲ πηγαὶ καὶ φρέατα πάντα πολλῶν ὑπαρχόντων [b] ἁλμυρὸν ὕδωρ καὶ πικρὸν ἔχουσιν, ὡς ἂν ὑπόλειμμα τῆς πάλαι θαλάσσης ἔωλον ἐνταυθοῖ συνερρηγκός. ὁ δ' Ὄρος χρόνῳ τοῦ Τυφῶνος ἐπεκράτησε, τουτέστιν εὐκαιρίας ὁμβρίων γενομένης ὁ Νεῖλος ἐξώσας τὴν θάλασσαν ἀνέφηνε τὸ πεδίον καὶ ἀνεπλήρωσε ταῖς προσχώσεσιν. ὁ δὲ μαρτυροῦσαν ἔχει τὴν αἴσθησιν· ὁρῶμεν γὰρ ἔτι νῦν ἐπιφέροντι τῷ ποταμῷ νέαν ἰλὺν καὶ προάγοντι τὴν γῆν κατὰ μικρὸν ὑποχωροῦν ὀπίσω τὸ πέλαγος καὶ τὴν θάλασσαν [τὸ] ὕψος τῶν ἐν βάθει λαμβανόντων διὰ τὰς προσχώσεις ἀπορρέουσιν· τὴν δὲ Φάρον, ἣν Ὀμηρος (δ 354 sq.) ἥδει δρόμον ἡμέρας ἀπέχουσιν Αἰγύπτου, [c] νῦν μέρος οὖσαν αὐτῆς, οὐκ αὐτὴν ἀναδραμοῦσαν οὐδὲ προσαναβᾶσαν, ἀλλὰ τῆς μεταξὺ θαλάττης ἀναπλάττοντι τῷ ποταμῷ καὶ τρέφοντι τὴν ἡπειρὸν ἀνασταλείσης.

Ἀλλὰ ταῦτα μὲν ὅμοια τοῖς ὑπὸ τῶν Στωικῶν (StVFr. II 1093) θεολογουμένοις ἐστί· καὶ γὰρ ἐκεῖνοι τὸ μὲν γόνιμον πνεῦμα καὶ τρόφιμον Διόνυσον εἶναι λέγουσι, τὸ πληκτικὸν δὲ καὶ διαιρετικὸν Ἥρακλέα, τὸ δὲ δεκτικὸν Ἄμμωνα, Δήμητρα δὲ καὶ Κόρην τὸ διὰ τῆς γῆς καὶ τῶν καρπῶν διῆκον, Ποσειδῶνα δὲ τὸ διὰ τῆς

θαλάττης. οἱ δὲ τοῖσδε τοῖς φυσικοῖς καὶ τῶν ἀπ' ἀστρολογίας μαθηματικῶν ἔνια μιγνύντες Τυφῶνα μὲν οἶονται [d] τὸν ἡλιακὸν κόσμον, Ὅσιριν δὲ τὸν σεληνιακὸν λέγεσθαι· τὴν μὲν γὰρ σελήνην γόνιμον τὸ φῶς καὶ ὑγροποιὸν ἔχουσιν εὐμενῇ καὶ γοναῖς ζώων καὶ φυτῶν εἶναι βλαστήσει· τὸν δ' ἥλιον ἀκράτῳ πυρὶ καὶ σκληρῷ καταθάλλειν [τε] καὶ καταναίνειν τὰ φύομενα καὶ τεθηλότα καὶ τὸ πολὺ μέρος τῆς γῆς παντάπασιν ὑπὸ φλογμοῦ ποιεῖν ἀοίκητον καὶ κατακρατεῖν πολλαχοῦ καὶ τῆς σελήνης. διὸ τὸν Τυφῶνα Σὴθ [ἀεὶ] Αἰγύπτιοι καλοῦσιν, ὅπερ ἐστὶ καταδυναστεῦον ἢ καταβιαζόμενον, καὶ τῷ μὲν ἡλίῳ τὸν Ἡρακλέα μυθολογοῦσιν ἐνιδρυμένον συμπεριπολεῖν, τῇ δὲ σελήνῃ τὸν Ἑρμῆν· λόγου γὰρ ἔργοις ἔοικε καὶ [e] [περὶ] σοφίας τὰ τῆς σελήνης, τὰ δ' ἡλίου πληγαῖς ὑπὸ βίας καὶ ῥώμης περαινομέναις. οἱ δὲ Στωικοὶ (StVFr. II 663) τὸν μὲν ἥλιον ἐκ θαλάττης ἀνάπτεσθαι καὶ τρέφεσθαι φασί, τῇ δὲ σελήνῃ τὰ κρηναῖα καὶ λιμναῖα νάματα γλυκεῖαν ἀναπέμπειν καὶ μαλακὴν ἀναθυμίασιν.

Ἐβδόμη ἐπὶ δέκα τὴν Ὀσίριδος γενέσθαι τελευτὴν Αἰγύπτιοι μυθολογοῦσιν, ἐν ᾗ μάλιστα γίνεται μειουμένη κατάδηλος ἢ πανσέληνος. διὸ καὶ τὴν ἡμέραν ταύτην ἀντίφραξιν οἱ Πυθαγόρειοι καλοῦσι, καὶ ὅλως τὸν ἀριθμὸν τοῦτον ἀφοσιοῦνται· τοῦ γὰρ ἐξκαίδεκα τετραγώνου καὶ τοῦ ὀκτωκαίδεκα ἑτερομήκους, οἷς μόνοις [f] ἀριθμῶν ἐπιπέδων συμβέβηκε τὰς περιμέτρους ἴσας ἔχειν τοῖς περιεχομένοις ὑπ' αὐτῶν χωρίοις, μέσος ὁ τῶν ἑπτακαίδεκα παρεμπίπτων ἀντιφράττει καὶ διαζεύγνυσιν ἀπ' ἀλλήλων καὶ διαιρεῖ, «κατὰ» τὸν ἐπὶ γόδοον λόγον εἰς ἄνισα διαστήματα τεμνόμενος. ἐτῶν δ' ἀριθμὸν οἱ μὲν βιώσαι τὸν Ὅσιριν οἱ δὲ βασιλεῦσαι λέγουσιν ὀκτῶ καὶ [368] [a] εἴκοσι· τοσαῦτα γὰρ ἔστι φῶτα τῆς σελήνης καὶ τοσαύταις ἡμέραις τὸν αὐτῆς κύκλον ἐξελίσσει. τὸ δὲ ξύλον ἐν ταῖς λεγομέναις Ὀσίριδος ταφαῖς τέμνοντες κατασκευάζουσι λάρνακα μηνοειδῇ διὰ τὸ τὴν σελήνην, ὅταν τῷ ἡλίῳ πλησιάζῃ, μηνοειδῇ γινομένην ἀποκρύπτεσθαι. τὸν δ' εἰς δεκατέσσαρα μέρη τοῦ Ὀσίριδος διασπασμὸν αἰνίττονται πρὸς τὰς ἡμέρας, ἐν αἷς φθίνει μετὰ πανσέληνον ἄχρι νομηνίας τὸ ἄστρον. ἡμέραν δέ, ἐν ᾗ φαίνεται πρῶτον ἐκφυγοῦσα τὰς αὐγὰς καὶ παρελθοῦσα τὸν ἥλιον, «ἄτελές ἀγαθόν» προσαγορεύουσιν· ὁ γὰρ Ὅσιρις ἀγαθοποιός, [b] καὶ τοῦνομα πολλὰ φράζειν, οὐχ ἥκιστα δὲ κράτος ἐνεργοῦν καὶ

ἀγαθοποιὸν [δ] λέγουσι. τὸ δ' ἕτερον ὄνομα τοῦ θεοῦ τὸν Ὅμφιν εὐεργέτην ὁ Ἑρμαῖός (FHG IV 427) φησι δηλοῦν ἐρμηνευόμενον.

Οἶονται δὲ πρὸς τὰ φῶτα τῆς σελήνης ἔχειν τινὰ λόγον τοῦ Νείλου τὰς ἀναβάσεις. ἡ μὲν γὰρ μεγίστη περὶ τὴν Ἐλεφαντίνην ὀκτὼ γίνεται καὶ εἴκοσι πῆχεων, ὅσα φῶτα καὶ μέτρα τῶν ἐμμήνων περιόδων ἐκάστης ἔστιν· ἡ δὲ περὶ Μένδητα καὶ Ξοῖν βραχυτάτη πῆχεων ἕξ πρὸς τὴν διχότομον· ἡ δὲ μέση περὶ Μέμφιν, ὅταν ᾗ δικαία, δεκατεσσάρων πῆχεων πρὸς τὴν πανσέληνον. τὸν [c] δ' Ἄπιν εἰκόνα μὲν Ὀσίριδος ἔμψυχον εἶναι, γίνεσθαι δέ, ὅταν φῶς ἐρείσῃ γόνιμον ἀπὸ τῆς σελήνης καὶ καθάψηται βοδὸς ὀργώσης. διὸ καὶ τοῖς τῆς σελήνης σχήμασιν ἔοικε πολλὰ τοῦ Ἄπιδος περιμελαινομένου τὰ λαμπρὰ τοῖς σκιεροῖς. ἔτι <δ> τῇ νουμηνίᾳ τοῦ Φαμενώθ μηνὸς ἐορτὴν ἄγουσιν ἔμβασιν Ὀσίριδος εἰς τὴν σελήνην ὀνομάζοντες, ἕαρος ἀρχὴν οὔσαν. οὕτω τὴν Ὀσίριδος δύναμιν ἐν τῇ σελήνῃ τιθέντες τὴν Ἰσιν αὐτῷ γένεσιν οὔσαν συνεῖναι λέγουσι. διὸ καὶ μητέρα τὴν σελήνην τοῦ κόσμου καλοῦσι καὶ φύσιν ἔχειν ἀρσενόθηλυν οἶονται πληρουμένην [d] ὑφ' ἡλίου καὶ κυσκομένην, αὐτὴν δὲ πάλιν εἰς τὸν ἀέρα προῖεμένην γεννητικὰς ἀρχὰς καὶ κατασπεύρουσαν· οὐ γὰρ αἰετὴν τὴν φθορὰν ἐπικρατεῖν τὴν Τυφῶνειον, πολλάκις δὲ κρατουμένην ὑπὸ τῆς γενέσεως καὶ συνδεομένην αὐθις ἀναλύεσθαι καὶ διαμάχεσθαι πρὸς τὸν Ὠρον. ἔστι δ' οὗτος ὁ περίγειος κόσμος οὔτε φθορᾶς ἀπαλλαττόμενος παντάπασιν οὔτε γενέσεως.

Ἔνιοι δὲ καὶ τῶν ἐκλείπτικῶν αἰνιγμα ποιοῦνται τὸν μῦθον· ἐκλείπει μὲν γὰρ ἡ σελήνη πανσέληνος ἐναντίαν τοῦ ἡλίου στάσιν ἔχοντος πρὸς αὐτὴν εἰς τὴν σκιὰν ἐμπίπτουσα τῆς γῆς, ὥσπερ φασὶ τὸν Ὀσιριν εἰς τὴν σορόν. αὐτὴ δὲ πάλιν ἀποκρύπτει καὶ ἀφανίζει ταῖς [e] τριακάσιν, οὐ μὴν ἀναιρεῖται παντάπασιν τὸν ἥλιον, ὥσπερ οὐδὲ τὸν Τυφῶνα ἡ Ἰσις.

γεννώσης τῆς Νέφθυς τὸν Ἄνουβιν Ἰσις ὑποβάλλεται· Νέφθυς γάρ ἐστι τὸ ὑπὸ γῆν καὶ ἀφανές, Ἰσις δὲ τὸ ὑπὲρ τὴν γῆν καὶ φανερόν, ὁ δὲ τούτων ὑποφαύων καὶ καλούμενος ὀρίζων κύκλος ἐπίκοινος ὦν ἀμφοῖν Ἄνουβις κέκληται καὶ κυνὶ τὸ εἶδος ἀπεικάζεται· καὶ γὰρ ὁ κύων χρῆται τῇ ὄψει νυκτός τε καὶ ἡμέρας ὁμοίως. καὶ τοιαύτην ἔχειν δοκεῖ παρ' Αἰγυπτίοις τὴν δύναμιν ὁ Ἄνουβις, οἷαν ἡ Ἐκάτη παρ' Ἑλλήσι, χθόνιος ὦν ὁμοῦ καὶ Ὀλύμπιος. ἐνίοις δὲ δοκεῖ Κρόνος ὁ Ἄνουβις εἶναι· διὸ [f] πάντα

τίκτων ἐξ ἑαυτοῦ καὶ κύων ἐν ἑαυτῷ τὴν τοῦ κυνὸς ἐπὶ κλησιν ἔσχευεν. ἔστι δ' οὖν τοῖς σεβομένοις τὸν Ἄνουβιν ἀπόρρητόν τι, καὶ πάλαι μὲν τὰς μεγίστας ἐν Αἰγύπτῳ τιμὰς ὁ κύων ἔσχευεν· ἐπεὶ δὲ Καμβύσου τὸν Ἄπιν ἀνελόντος καὶ ῥίψαντος οὐδὲν προσῆλθεν οὐδ' ἐγεύσατο τοῦ σώματος ἀλλ' ἢ μόνος ὁ κύων, ἀπώλεσε τὸ πρῶτος εἶναι καὶ μάλιστα τιμᾶσθαι τῶν ἐτέρων ζώων.

Εἰσὶ δὲ τινες οἱ τὸ σκίασμα τῆς γῆς, εἰς ὃ τὴν σελήνην ὀλισθάνουσαν ἐκλείπειν νομίζουσι, Τυφῶνα καλοῦντες· [369] [a] ὅθεν οὐκ ἀπέοικεν εἰπεῖν, ὡς ἰδίᾳ μὲν οὐκ ὀρθῶς ἕκαστος, ὁμοῦ δὲ πάντες ὀρθῶς λέγουσιν· οὐ γὰρ αὐχμὸν «μόνον» οὐδ' ἄνεμον οὐδὲ θάλατταν οὐδὲ σκότος, ἀλλὰ πᾶν ὅσον ἢ φύσις βλαβερόν καὶ φθαρτικὸν ἔχει, μόνιον τοῦ Τυφῶνος ἔστιν «εἰπεῖν». οὔτε γὰρ ἐν ἀψύχοις σώμασι τὰς τοῦ παντὸς ἀρχὰς θετέον, ὡς Δημόκριτος καὶ Ἐπίκουρος, οὔτ' ἀποίου δημιουργὸν ὕλης ἓνα λόγον καὶ μίαν πρόνοιαν, ὡς οἱ Στωικοί (StVFr. II 1108), περιγινόμενην ἀπάντων καὶ κρατοῦσαν· ἀδύνατον γὰρ ἢ φλαῦρον ὅτιοῦν, ὅπου πάντων, ἢ χρηστόν, ὅπου μηδενὸς ὁ θεὸς αἴτιος, [b] ἐγγενέσθαι. «παλίντονος» γὰρ «ἁρμονίη κόσμου, ὅκωσπερ λύρης καὶ τόξου» καθ' Ἡράκλειτον (B 51)· καὶ κατ' Εὐριπίδην (fr. 21)

‘οὐκ ἂν γένοιτο χωρὶς ἐσθλὰ καὶ κακά,
ἀλλ' ἔστι τις σύγκρασις ὥστ' ἔχειν καλῶς.’

διὸ καὶ παμπάλαιος αὕτη κἀτεισιν ἐκ θεολόγων καὶ νομοθετῶν εἷς τε ποιητὰς καὶ φιλοσόφους δόξα, τὴν ἀρχὴν ἀδέσποτον ἔχουσα, τὴν δὲ πίστιν ἰσχυρὰν καὶ δυσεξάλειπτον, οὐκ ἐν λόγοις μόνον οὐδ' ἐν φήμαις, ἀλλ' ἐν τε τελεταῖς ἐν τε θυσίαις καὶ βαρβάροις καὶ Ἑλλήσι πολλαχοῦ περιφερομένη, ὡς οὔτ' ἄνουν καὶ ἄλογον καὶ [c] ἀκυβέρνητον αἰωρεῖται τῷ αὐτομάτῳ τὸ πᾶν, οὔθ' εἷς ἔστιν ὁ κρατῶν καὶ κατευθύνων ὥσπερ οἶαξιν ἢ τισι πειθηνίοις χαλινοῖς λόγος, ἀλλὰ πολλὰ καὶ μεμιγμένα κακοῖς καὶ ἀγαθοῖς μᾶλλον δὲ μηδὲν ὡς ἀπλῶς εἰπεῖν ἄκρατον ἐνταῦθα τῆς φύσεως φεροῦσης οὐ δεῖν πίθων εἷς ταμίης ὥσπερ νάματα τὰ πράγματα καπηλικῶς διανέμων ἀνακεράννυσιν ἡμῖν, ἀλλ' ἀπὸ δεῖν ἐναντίων ἀρχῶν καὶ δεῖν ἀντιπάλων δυνάμεων, τῆς μὲν ἐπὶ τὰ δεξιὰ καὶ κατ' εὐθεΐαν ὑφηγουμένης, τῆς δ' ἔμπαλιν ἀναστρεφούσης καὶ ἀνακλώσης ὃ τε βίος μικτὸς ὃ τε κόσμος, εἰ καὶ μὴ πᾶς, ἀλλ' ὁ περίγειος οὗτος καὶ [d] μετὰ σελήνην ἀνώμαλος καὶ ποικίλος γέγονε καὶ μεταβολὰς πάσας δεχόμενος. εἰ

γὰρ οὐδὲν ἀναιτίως πέφυκε γίνεσθαι, αἰτίαν δὲ κακοῦ τὰγαθὸν οὐκ ἂν παράσχοι, δεῖ γένεσιν ἰδίαν καὶ ἀρχὴν ὥσπερ ἀγαθοῦ καὶ κακοῦ τὴν φύσιν ἔχειν.

Καὶ δοκεῖ τοῦτο τοῖς πλείστοις καὶ σοφωτάτοις· νομίζουσι γὰρ οἱ μὲν θεοὺς εἶναι δύο καθάπερ ἀντιτέχνους, τὸν μὲν ἀγαθῶν, τὸν δὲ φαύλων δημιουργόν· οἱ δὲ τὸν μὲν [γὰρ] ἀμείνονα θεόν, τὸν δ' ἕτερον δαίμονα καλοῦσιν, ὥσπερ Ζωροάστρης ὁ μάγος, ὃν πεντακισχιλίοις ἔτεσι τῶν Τρωικῶν γεγονέναι πρεσβύτερον ἱστοροῦσιν.

[e] οὗτος οὖν ἐκάλει τὸν μὲν Ὠρομάζην, τὸν δ' Ἀρειμάνιον· καὶ προσαπεφαίνετο τὸν μὲν εἰκέναι φωτὶ μάλιστα τῶν αἰσθητῶν, τὸν δ' ἔμπαλιν σκότῳ καὶ ἀγνοίᾳ, μέσον δ' ἀμφοῖν τὸν Μίθρην εἶναι· διὸ καὶ Μίθρην Πέρσαι τὸν μεσίτην ὀνομάζουσιν· ἐδίδαξε <δὲ> τῷ μὲν εὐκταῖα θύειν καὶ χαριστήρια, τῷ δ' ἀποτρόπαια καὶ σκυθρωπά· πόαν γάρ τινα κόπτοντες ὁμῶμι καλουμένην ἐν ὄλμῳ τὸν Ἄϊδην ἀνακαλοῦνται καὶ τὸν σκότον, εἶτα μίξαντες αἵματι λύκου σφαγέντος εἰς τόπον ἀνήλιον ἐκφέρουσι καὶ ῥίπτουσι· καὶ γὰρ τῶν φυτῶν νομίζουσι τὰ μὲν τοῦ ἀγαθοῦ θεοῦ, τὰ δὲ τοῦ κακοῦ δαίμονος εἶναι, καὶ τῶν [f] ζώων ὥσπερ κύνας καὶ ὄρνιθας καὶ χερσαίους ἐχίνους τοῦ ἀγαθοῦ, τοῦ [δὲ] φαύλου μῦς ἐνύδρους εἶναι· διὸ καὶ τὸν κτείναντα πλείστους εὐδαιμονίζουσιν. οὐ μὴν <ἀλλὰ> κἀκεῖνοι πολλὰ μυθώδη περὶ τῶν θεῶν λέγουσιν, οἷα καὶ ταῦτ' ἐστίν· ὁ μὲν Ὠρομάζης ἐκ τοῦ καθαρωτάτου φάους ὁ δ' Ἀρειμάνιος ἐκ τοῦ ζόφου γεγονώς πολεμοῦσιν ^[370] [a] ἀλλήλοισ· καὶ ὁ μὲν ἔξ θεοῦς ἐποίησε, τὸν μὲν πρῶτον εὐνοίας, τὸν δὲ δεύτερον ἀληθείας, τὸν δὲ τρίτον εὐνομίας, τῶν δὲ λοιπῶν τὸν μὲν σοφίας, τὸν δὲ πλούτου, τὸν δὲ τῶν ἐπὶ τοῖς καλοῖς ἡδέων δημιουργόν· ὁ δὲ τούτοις ὥσπερ ἀντιτέχνους ἴσους τὸν ἀριθμόν· εἴθ' ὁ μὲν Ὠρομάζης τρεῖς ἐαυτὸν αὐξήσας ἀπέστη τοῦ ἡλίου τοσοῦτον, ὅσον ὁ ἥλιος τῆς γῆς ἀφέστηκε, καὶ τὸν οὐρανὸν ἄστροις ἐκόσμησεν· ἓνα δ' ἀστέρα πρὸ πάντων οἷον φύλακα καὶ προόπτην ἐγκατέστησε τὸν σείριον· ἄλλους δὲ ποιήσας τέσσαρας καὶ εἴκοσι θεοὺς εἰς ὥδον ἔθηκεν· οἱ δ' ἀπὸ τοῦ Ἀρειμανίου γενόμενοι καὶ αὐτοὶ τοσοῦτοι [b] διατρήσαντες τὸ ὥδον γαν, ὅθεν ἀναμέμικται τὰ κακὰ τοῖς ἀγαθοῖς· ἔπεισι δὲ χρόνος εἰμαρμένος, ἐν ᾧ τὸν Ἀρειμάνιον λοιμὸν ἐπάγοντα καὶ λιμὸν ὑπὸ τούτων ἀνάγκη φθαρῆναι παντάπασι καὶ ἀφανισθῆναι, τῆς δὲ γῆς

ἐπιπέδου καὶ ὁμαλῆς γενομένης ἓνα βίον καὶ μίαν πολιτείαν ἀνθρώπων μακαρίων καὶ ὁμογλώσσων ἀπάντων γενέσθαι. Θεόπομπος δέ φησι (fr. 65 FGrHist.) κατὰ τοὺς μάγους ἀνὰ μέρος τρισχίλια ἔτη τὸν μὲν κρατεῖν τὸν δὲ κρατεῖσθαι τῶν θεῶν, ἄλλα δὲ τρισχίλια μάχεσθαι καὶ πολεμεῖν καὶ ἀναλύειν τὰ τοῦ ἑτέρου τὸν ἕτερον, τέλος δ' ἀπολείπεσθαι τὸν Ἄϊδην· καὶ τοὺς μὲν ἀνθρώπους [c] εὐδαίμονας ἔσεσθαι μήτε τροφῆς δεομένους μήτε σκιὰν ποιοῦντας, τὸν δὲ ταῦτα μηχανησάμενον θεὸν ἡρεμεῖν καὶ ἀναπαύεσθαι χρόνον [καλῶς] μὲν οὐ πολὺν [τῷ θεῷ], ὥσπερ ἀνθρώπῳ κοιμωμένῳ μέτριον.

Ἡ μὲν οὖν μάγων μυθολογία τοιοῦτον ἔχει τρόπον· Χαλδαῖοι δὲ τῶν πλανήτων, οὓς θεοὺς γενεθλίους καλοῦσι, δύο μὲν ἀγαθουργοὺς, δύο δὲ κακοποιούς, μέσους δὲ τοὺς τρεῖς ἀποφαίνουσι καὶ κοινούς. τὰ δ' Ἑλλήνων πᾶσί που δῆλα, τὴν μὲν ἀγαθὴν Διὸς Ὀλυμπίου μερίδα, τὴν δ' ἀποτρόπαιον Ἄϊδου ποιουμένων, ἐκ δ' Ἀφροδίτης καὶ Ἄρεος Ἀρμονίαν γεγονέναι μυθολογούντων, [d] ὧν ὁ μὲν ἀπηνῆς καὶ φιλόνεικος, ἡ δὲ μειλίχιος καὶ γενέθλιος. σκόπει δὲ τοὺς φιλοσόφους τούτοις συμφερομένους. Ἡράκλειτος μὲν γὰρ ἄντικρυς (B 53) 'πόλεμον' ὀνομάζει 'πατέρα καὶ βασιλέα καὶ κύριον πάντων', καὶ τὸν μὲν Ὅμηρον εὐχόμενον (Σ 107) 'ἔκ τε θεῶν ἔριν ἔκ τ' ἀνθρώπων ἀπολέσθαι' 'λανθάνειν' φησί (B 94) 'τῇ πάντων γενέσει καταρῶμενον ἐκ μάχης καὶ ἀντιπαθείας τὴν γένεσιν ἐχόντων, ἥλιον δὲ μὴ ὑπερβῆσσεσθαι τοὺς προσήκοντας ὅρους· εἰ δὲ μή, Κλωθὰς μιν Δίκης ἐπικούρους ἐξευρήσειν'. Ἐμπεδοκλῆς δὲ (B 18) τὴν μὲν ἀγαθουργὸν ἀρχὴν 'Φιλότητα' καὶ 'Φιλίαν' πολλάκις, <ἔτι> δ' 'Ἀρμονίαν' καλεῖ 'θεμερῶπιν', τὴν δὲ χεῖρονα (B 17 [e] v. 19) 'Νεῖκος οὐλόμενον' καὶ (B 122 v. 2) 'Δῆριν αἱματόεσσαν'. <καὶ> οἱ μὲν Πυθαγορικοὶ διὰ πλειόνων ὀνομάτων κατηγοροῦσι τοῦ μὲν ἀγαθοῦ τὸ ἐν τὸ πεπερασμένον τὸ μένον τὸ εὐθὺ τὸ περισσὸν τὸ τετράγωνον <τὸ ἴσον> τὸ δεξιὸν τὸ λαμπρόν, τοῦ δὲ κακοῦ τὴν δυάδα τὸ ἄπειρον τὸ φερόμενον τὸ καμπύλον τὸ ἄρτιον τὸ ἑτερόμηκες τὸ ἄνισον τὸ ἀριστερόν τὸ σκοτεινόν, ὡς ταύτας ἀρχὰς γενέσεως ὑποκειμένας· Ἀναξαγόρας δὲ νοῦν καὶ ἄπειρον, Ἀριστοτέλης δὲ τὸ μὲν εἶδος τὸ δὲ στέρησιν, Πλάτων δὲ πολλαχοῦ μὲν οἶον ἐπηλυγαζόμενος καὶ παρακαλυπτόμενος τῶν ἐναντίων ἀρχῶν τὴν μὲν ταύτην ὀνομάζει, τὴν δὲ θάτερον (Tim. 35a)· ἐν δὲ

[f] τοῖς Νόμοις (896d sqq.) ἤδη πρεσβύτερος ὢν οὐ δι' αἰνιγμῶν οὐδὲ συμβολικῶς, ἀλλὰ κυρίοις ὀνόμασιν οὐ μιᾷ ψυχῇ φησι κινεῖσθαι τὸν κόσμον, ἀλλὰ πλείοσιν ἴσως δεῖν δὲ πάντως οὐκ ἐλάττωσιν· ὢν τὴν μὲν ἀγαθουργὸν εἶναι, τὴν δ' ἐναντίαν ταύτῃ καὶ τῶν ἐναντίων δημιουργόν· ἀπολείπει δὲ καὶ τρίτην τινὰ μεταξὺ φύσιν οὐκ ἄψυχον οὐδ' ἄλογον οὐδ' ἀκίνητον ἐξ αὐτῆς, ὥσπερ ἔνιοι νομίζουσιν, ἀλλ' ἀνακειμένην ἀμφοῖν ἐκείναις, [371] [a] ἐφιεμένην δὲ τῆς ἀμείνονος ἀεὶ καὶ ποθοῦσαν καὶ διώκουσαν, ὡς τὰ ἐπὶόντα δηλώσει τοῦ λόγου τὴν Αἰγυπτίων θεολογίαν μάλιστα ταύτῃ τῇ φιλοσοφίᾳ συννοικειοῦντος.

Μεμιγμένη γὰρ ἡ τοῦδε τοῦ κόσμου γένεσις καὶ σύστασις ἐξ ἐναντίων, οὐ μὴν ἰσοσθενῶν, δυνάμεων, ἀλλὰ τῆς βελτίονος τὸ κράτος ἐστίν· ἀπολέσθαι δὲ τὴν φαύλην παντάπασιν ἀδύνατον, πολλὴν μὲν ἐμπεφυκυῖαν τῷ σώματι, πολλὴν δὲ τῇ ψυχῇ τοῦ παντὸς καὶ πρὸς τὴν βελτίονα ἀεὶ δυσμαχοῦσαν. ἐν μὲν οὖν τῇ ψυχῇ νοῦς καὶ λόγος ὁ τῶν ἀρίστων πάντων ἡγεμὼν καὶ κύριος Ὅσιρις ἐστίν, ἐν δὲ γῇ καὶ πνεύμασι καὶ ὕδασι καὶ [b] οὐρανῷ καὶ ἄστροις τὸ τεταγμένον καὶ καθεστηκὸς καὶ ὑγιαῖνον ὥραις καὶ κράσεσι καὶ περιόδοις Ὅσίριδος ἀπορροή καὶ εἰκὼν ἐμφαινόμενη· Τυφῶν δὲ τῆς ψυχῆς τὸ παθητικὸν καὶ τιτανικὸν καὶ ἄλογον καὶ ἔμπληκτον, τοῦ δὲ σωματικοῦ τὸ ἐπίκληρον καὶ νοσῶδες καὶ παρακτικὸν ἁωρίαις καὶ δυσκρασίαις καὶ κρύψεσιν ἡλίου καὶ ἀφανισμοῖς σελήνης οἷον ἐκδρομαὶ καὶ ἀφηνιασμοὶ [καὶ] Τυφῶνος· καὶ τοῦνομα κατηγορεῖ τὸ Σήθ, ὃ τὸν Τυφῶνα καλοῦσι· φράζει μὲν τὸ <κατα>δυναστεῦον καὶ καταβιαζόμενον, φράζει δὲ τὴν πολλάκις ἀναστροφὴν καὶ πάλιν ὑπεκπήδησιν. Βέβωνα δὲ τινὲς μὲν ἔνα τῶν τοῦ Τυφῶνος [c] ἐταίρων γεγονέναι λέγουσιν, Μανεθῶς <δ> αὐτὸν τὸν Τυφῶνα καὶ Βέβωνα καλεῖσθαι (fr. 76 M.)· σημαίνει δὲ τοῦνομα κάθεξιν ἢ κώλυσιν, ὡς τοῖς πράγμασιν ὁδῷ βαδίζουσι καὶ πρὸς ὃ χρή φερομένοις ἐνισταμένης τῆς τοῦ Τυφῶνος δυνάμεως. διὸ καὶ τῶν μὲν ἡμέρων ζώων ἀπονέμουσιν αὐτῷ τὸ ἀμαθέστατον, ὄνον· τῶν δ' ἀγρίων τὰ θηριωδέστατα, κροκόδειλον καὶ τὸν ποτάμιον ἵππον· περὶ μὲν <οὔν> τοῦ ὄνου προδεδηλώκαμεν (362f)· ἐν Ἑρμοῦ πόλει δὲ Τυφῶνος ἄγαλμα δεικνύουσιν ἵππον ποτάμιον, ἐφ' οὗ βέβηκεν ἰέραξ ὄφει μαχόμενος, τῷ μὲν ἵππῳ τὸν Τυφῶνα δεικνύντες, τῷ δ' ἰέρακι δύναμιν καὶ [d] ἀρχήν, ἣν βίᾳ κτώμενος ὁ Τυφῶν πολλάκις οὐκ

ἀνίεται ταραπτόμενος ὑπὸ τῆς κακίας καὶ ταραάπτων. διὸ καὶ θύοντες ἐβδόμη τοῦ Τυβὶ μηνός, ἣν καλοῦσιν ἄφιξιν Ἰσιδος ἐκ Φοινίκης, ἐπιπλάττουσι τοῖς ποπάνοις ἵππον ποτάμιον δεδεμένον. ἐν δ' Ἀπόλλωνος πόλει νενομισμένον ἐστὶ κροκοδείλου φαγεῖν πάντως ἕκαστον· ἡμέρα δὲ μιᾷ θηρεύσαντες ὄσους ἂν δύνωνται καὶ κτείναντες ἀπαντικρὺ τοῦ ἱεροῦ προβάλλουσι καὶ λέγουσιν ὡς ὁ Τυφὼν τὸν Ὠρον ἀπέδρα κροκόδειλος γενόμενος, πάντα καὶ ζῶα καὶ φυτὰ καὶ πάθη τὰ φαῦλα καὶ βλαβερὰ Τυφῶνος [e] ἔργα καὶ μέρη <καὶ> κινήματα ποιοῦμενοι.

Τὸν δ' Ὅσιριν αὖ πάλιν ὀφθαλμῷ καὶ σκῆπτρῳ γράφουσιν, ὣν τὸ μὲν τὴν πρόνοιαν ἐμφαίνειν, τὸ δὲ τὴν δύναμιν, ὡς Ὅμηρος (Θ 22) τὸν ἄρχοντα καὶ βασιλεύοντα πάντων 'Ζῆν' ὕπατον καὶ μήστωρα' καλῶν [καὶ] ἔοικε τῷ μὲν ὑπάτῳ τὸ κράτος αὐτοῦ, τῷ δὲ μήστωρι τὴν εὐβουλίαν καὶ τὴν φρόνησιν σημαίνειν. γράφουσι <δὲ> καὶ ἱέρακι τὸν θεὸν τοῦτον πολλάκις· εὐτονία γὰρ ὄψεως ὑπερβάλλει καὶ πτήσεως ὀξύτητι καὶ διοικεῖν αὐτὸν ἐλαχίστη τροφῇ πέφυκε. λέγεται δὲ καὶ νεκρῶν ἀτάφων ὄμμασι γῆν ὑπερπετόμενος ἐπιβάλλειν· [f] ὅταν δὲ πόμενος ἐπὶ τὸν ποταμὸν καταίρῃ, τὸ πτερὸν ἴστησιν ὀρθόν· πῶν δὲ κλίνει τοῦτο πάλιν· ὧ δῆλός ἐστι σεσωσμένος καὶ διασφευγὼς τὸν κροκόδειλον· ἂν γὰρ ἀρπασθῇ, μένει τὸ πτερὸν ὥσπερ ἔστη πεπηγός. πανταχοῦ δὲ καὶ ἀνθρωπόμορφον Ὀσίριδος ἄγαλμα δεικνύουσιν ἐξορθιάζον τῷ αἰδοίῳ διὰ τὸ γόνιμον καὶ τὸ τρόφιμον. ἀμπεχόνη δὲ φλογοειδεῖ στέλλουσιν αὐτοῦ τὰς [372] [a] εἰκόνας, ἥλιον σῶμα τῆς τάγαθοῦ δυνάμεως [ὡς] ὁρατὸν οὐσίας νοητῆς ἡγούμενοι. διὸ καὶ καταφρονεῖν ἄξιόν ἐστι τῶν τὴν ἡλίου σφαῖραν Τυφῶνι προσνεμόντων, ὧ λαμπρὸν οὐδὲν οὐδὲ σωτήριον οὐδὲ τάξις οὐδὲ γένεσις οὐδὲ κίνησις μέτρον ἔχουσα καὶ λόγον, ἀλλὰ τάναντία προσήκει· καὶ <ξηρότητα καὶ> αὐχμόν, οἷς φθείρει πολλὰ τῶν ζώων καὶ βλαστανόντων, οὐχ ἡλίου θετέον ἔργον, ἀλλὰ τῶν ἐν γῇ καὶ ἀέρι μὴ καθ' ὥραν κεραννυμένων πνευμάτων καὶ ὑδάτων, ὅταν ἡ τῆς ἀτάκτου καὶ ἀορίστου δυνάμεως ἀρχὴ πλημμελήσασα κατασβέσῃ τὰς ἀναθυμιάσεις.

οὐτε τῶν τεθνηκότων ἄρχειν δυνάμενον. ἐνὶ γὰρ λόγῳ κοινῷ τοὺς θεοὺς τούτους περὶ πᾶσαν ἀγαθοῦ μοῖραν ἡγούμεθα τετάχθαι καὶ πᾶν ὅσον ἔνεστι τῇ φύσει καλὸν καὶ ἀγαθὸν διὰ τούτους ὑπάρχειν, τὸν μὲν [b] διδόντα τὰς ἀρχάς, τὴν δ' ὑποδεχομένην καὶ διανέμουσαν.

Οὕτω δὲ καὶ τοῖς πολλοῖς καὶ φορτικοῖς ἐπιχειρήσομεν, εἴτε ταῖς καθ' ὥραν μεταβολαῖς τοῦ περιέχοντος εἴτε ταῖς καρπῶν γενέσεσι καὶ σποραῖς καὶ ἀρότοις χαίρουσι τὰ περὶ τοὺς θεοὺς τούτοις συνοικειοῦντες καὶ λέγοντες θάπτεσθαι μὲν τὸν Ὅσιριν, ὅτε κρύπτεται τῇ γῇ σπειρόμενος ὁ καρπός, αὐθις δ' ἀναβιοῦσθαι καὶ ἀναφαίνεσθαι, ὅτε βλαστήσεως ἀρχή· διὸ καὶ λέγεσθαι τὴν Ἴσιν αἰσθομένην ὅτι κύει περιάψασθαι φυλακτῆριον ἔκτη μηνὸς ἱσταμένου Φαωφί, τίκτεσθαι δὲ τὸν Ἀρποκράτην περὶ τροπὰς χειμερινὰς ἀτελῇ καὶ νεαρὸν ἐν τοῖς [c] προανθοῦσι καὶ προβλαστάνουσι (διὸ καὶ φακῶν αὐτῷ φυομένων ἀπαρχὰς ἐπιφέρουσι), τὰς δὲ λοχείους ἡμέρας ἐορτάζειν μετὰ τὴν ἐαρινὴν ἰσημερίαν. ταῦτα γὰρ ἀκούοντες ἀγαπῶσι καὶ πιστεύουσιν, αὐτόθεν ἐκ τῶν προχείρων καὶ συνήθων τὸ πιθανὸν ἔλκοντες.

Καὶ δεινὸν οὐδέν, ἂν πρῶτον μὲν ἡμῖν τοὺς θεοὺς φυλάττωσι κοινούς καὶ μὴ ποιῶσιν Αἰγυπτίων ἰδίους μηδὲ Νεῖλον ἦν τε Νεῖλος ἄρδει μόνην χώραν τοῖς ὀνόμασι τούτοις καταλαμβάνοντες μηδ' ἔλη μηδὲ λωτοὺς †μη θεοποιίαν λέγοντες ἀποστερῶσι μεγάλων θεῶν τοὺς ἄλλους ἀνθρώπους, οἷς Νεῖλος μὲν οὐκ ἔστιν οὐδὲ Βοῦτος [d] οὐδὲ Μέμφις, Ἴσιν δὲ καὶ τοὺς περὶ αὐτὴν θεοὺς ἔχουσι καὶ γινώσκουσιν ἅπαντες, ἐνίους μὲν οὐ πάλαι τοῖς παρ' Αἰγυπτίων ὀνόμασι καλεῖν μεμαθηκότες, ἐκάστου δὲ τὴν δύναμιν ἐξ ἀρχῆς ἐπιστάμενοι καὶ τιμῶντες· δεύτερον, ὃ μεῖζόν ἐστιν, ὅπως σφόδρα προσέξουσιν καὶ φοβήσονται, μὴ λάθωσιν εἰς πνεύματα καὶ ῥεύματα καὶ σπόρους καὶ ἀρότους καὶ πάθη γῆς καὶ μεταβολὰς ὥρῶν διαγράφοντες τὰ θεῖα καὶ διαλύοντες, ὥσπερ οἱ Διόνυσον τὸν οἶνον, Ἥφαιστον δὲ τὴν φλόγα· Φερσεφόνην δὲ φησί που Κλεάνθης (fr. 547) τὸ διὰ τῶν καρπῶν φερόμενον καὶ φονευόμενον πνεῦμα, ποιητῆς δέ τις ἐπὶ τῶν θεριζόντων (EGF p. 73)

[e] 'τῆμος ὅτ' αἰζηοὶ Δημήτερα κωλοτομεῦσιν·' οὐδὲν γὰρ οὔτοι διαφέρουσι τῶν ἰστία καὶ κάλους καὶ ἄγκυραν ἡγουμένων κυβερνήτην καὶ νήματα καὶ κρόκας ὑφάντην καὶ σπονδεῖον ἢ

Διὸ δεῖ μάλιστα πρὸς ταῦτα λόγον ἐκ φιλοσοφίας μυσταγωγὸν ἀναλαβόντας ὁσίως διανοεῖσθαι τῶν λεγομένων καὶ δρωμένων ἕκαστον, ἵνα μή, καθάπερ Θεόδωρος [b] εἶπε τοὺς λόγους αὐτοῦ τῇ δεξιᾷ προτείνοντος ἐνίους τῇ ἀριστερᾷ δέχεσθαι τῶν ἀκρωμένων, οὕτως ἡμεῖς ἃ καλῶς οἱ νόμοι περὶ τὰς θυσίας καὶ τὰς ἐορτὰς ἔταξαν ἐτέρως ὑπολαμβάνοντες ἐξαμάρτωμεν. ὅτι γὰρ ἐπὶ τὸν λόγον ἀνοιστέον ἅπαντα, καὶ παρ' αὐτῶν ἐκείνων ἔστι λαβεῖν. τῇ μὲν γὰρ ἐνάτῃ ἐπὶ δέκα τοῦ πρώτου μηνὸς ἐορτάζοντες τῷ Ἑρμῇ μέλι καὶ σῦκον ἐσθίουσιν ἐπιλέγοντες 'γλυκὺ ἢ ἀλήθεια'· τὸ δὲ τῆς Ἰσιδος φυλακτήριον, ὃ περιάπτεσθαι μυθολογοῦσιν αὐτήν, ἐξερμηνεύεται 'φωνὴ ἀληθείας'· τὸν δ' Ἀρποκράτην οὐτε θεὸν ἀτελῆ καὶ νήπιον [c] οὐτε χεδρόπων τινὰ νομιστέον, ἀλλὰ τοῦ περὶ θεῶν ἐν ἀνθρώποις λόγου νεαροῦ καὶ ἀτελοῦς καὶ ἀδιαρθρώτου προστάτην καὶ σωφρονιστήν· διὸ τῷ στόματι τὸν δάκτυλον ἔχει προσκείμενον ἐχεμυθίας καὶ σιωπῆς σύμβολον, ἐν δὲ τῷ Μεσορῇ μηνὶ τῶν χεδρόπων ἐπιφέροντες λέγουσιν 'γλῶσσα τύχη, γλῶσσα daίμων'· τῶν δ' ἐν Αἰγύπτῳ φυτῶν μάλιστα τῇ θεῷ καθιερωθῆναι λέγουσι τὴν περσέαν, ὅτι

καρδία μὲν ὁ καρπὸς αὐτῆς, γλώττη δὲ τὸ φύλλον ἔοικεν. οὐδὲν γὰρ ὢν ἄνθρωπος ἔχειν πέφυκε θεϊότερον λόγου καὶ μάλιστα τοῦ περὶ θεῶν οὐδὲ μείζονα ῥοπήν ἔχει πρὸς εὐδαιμονίαν. διὸ τῷ μὲν εἰς τὸ χρηστήριον [d] ἐνταῦθα κατιόντι παρεγγυῶμεν ὅσια φρονεῖν, εὖφημα λέγειν· οἱ δὲ πολλοὶ γελοῖα δρῶσιν ἐν ταῖς πομπαῖς καὶ ταῖς ἐορταῖς εὖφημίαν προκηρύττοντες, εἴτα περὶ τῶν θεῶν αὐτῶν τὰ δυσφημώτατα καὶ λέγοντες καὶ διανοοῦμενοι.

Πῶς οὖν χρηστὸν ἐστὶ ταῖς σκυθρωπαῖς καὶ ἀγελάστοις καὶ πενθίμοις θυσίαις, εἰ μήτε παραλείπειν τὰ νενομισμένα καλῶς ἔχει μήτε φύρειν τὰς περὶ θεῶν δόξας καὶ συνταράττειν ὑποψίας ἀτόποις; καὶ παρ' Ἑλλήσιν ὅμοια πολλὰ γίνεται περὶ τὸν αὐτὸν ὁμοῦ τι χρόνον, οἷς Αἰγύπτιοι δρῶσιν ἐν τοῖς Ἰσείοις. καὶ γὰρ Ἀθήνησι νηστεύουσιν αἱ γυναῖκες ἐν Θεσμοφορίοις χαμαὶ [e] καθήμεναι, καὶ Βοιωτοὶ τὰ τῆς Ἀχαΐας μέγαρον κινουσί· ἐπαχθὴ τὴν ἐορτὴν ἐκείνην ὀνομάζοντες, ὡς διὰ τὴν τῆς Κόρης κάθοδον ἐν ἄξει τῆς Δήμητρος οὕσης. ἔστι δ' ὁ μὴν οὗτος περὶ Πλειάδας σπώριμος, ὃν Ἀθῦρ Αἰγύπτιοι, Πυανεσιῶνα δ' Ἀθηναῖοι, Βοιωτοὶ δὲ Δαμάτριον καλοῦσι. τοὺς δὲ πρὸς ἐσπέραν οἰκοῦντας ἱστορεῖ Θεόπομπος (fr. 335 FGrHist.) ἡγεῖσθαι καὶ καλεῖν τὸν μὲν χειμῶνα Κρόνον, τὸ δὲ θέρος Ἀφροδίτην, τὸ δ' ἔαρ Περσεφόνην· ἐκ δὲ Κρόνου καὶ Ἀφροδίτης γεννᾶσθαι πάντα. Οἱ δὲ Πυθαγόρειοι καὶ ἀριθμοὺς καὶ σχήματα θεῶν ἐκόσμησαν προσηγορίαις. τὸ μὲν γὰρ ἰσόπλευρον τρίγωνον ἐκάλουν Ἀθηνᾶν κορυφαγενῇ καὶ τριτογένειαν, ὅτι τρισὶ [f] καθέτοις ἀπὸ τῶν τριῶν γωνιῶν ἀγομέναις διαιρεῖται· τὸ δ' ἐν Ἀπόλλωνα πλήθους ἀποφάσει καὶ δι' ἀπλότητα τῆς μονάδος· ἔριν δὲ τὴν δυάδα καὶ ἑτόλμαν, δίκην δὲ τὴν τριάδα· τοῦ γὰρ ἀδικεῖν καὶ ἀδικεῖσθαι κατ' ἔλλειψιν καὶ ὑπερβολὴν ὄντος <τὸ> ἰσότητι δίκαιον ἐν μέσῳ γέγονεν· ἡ δὲ καλουμένη τετρακτὺς, τὰ ἕξ καὶ τριάκοντα, [382] [a]

μέγιστος ἦν ὄρκος, ὡς τεθρύληται, καὶ κόσμος ὠνόμασται, τεσσάρων μὲν ἀρτίων τῶν πρώτων, τεσσάρων δὲ τῶν περισσῶν εἰς ταὐτὸ συντιθεμένων ἀποτελούμενος. εἴπερ οὖν οἱ δοκιμώτατοι τῶν φιλοσόφων οὐδ' ἐν ἀψύχοις καὶ ἀσωμάτοις πράγμασιν αἰνίγμα τοῦ θείου καπιδόντες ἡξίου ἀμελεῖν οὐδὲν οὐδ' ἀτιμάζειν, ἔτι μᾶλλον, οἶμαι, τὰς ἐν αἰσθανομέναις καὶ ψυχὴν ἐχούσαις καὶ πάθος καὶ ἡθος φύσεσιν ιδιότητος [κατὰ τὸ ἡθος] ἀγαπητέον [οὖν] οὐ ταῦτα τιμῶντας, ἀλλὰ διὰ τούτων τὸ θεῖον ὡς ἐναργεστέρων ἐσόπτρων καὶ φύσει γεγονότων. <ἀληθὲς δὲ καὶ τοῦτ' ἔστιν,> ὡς ὄργανον τὴν ψυχὴν δεῖ τοῦ πάντα [b] κοσμοῦντος θεοῦ νομίζειν καὶ ὅλως ἀξιοῦν γε μηδὲν ἄψυχον ἐμψύχου μηδ' ἀναίσθητον αἰσθανομένου κρεῖττον εἶναι μηδ' ἂν τὸν σύμπαντά τις χρυσὸν ὁμοῦ καὶ σμάραγδον εἰς ταὐτὸ συμφορήσῃ. οὐκ ἐν χρόαις γὰρ οὐδ' ἐν σχήμασιν οὐδ' ἐν λειότησιν ἐγγίνεται τὸ θεῖον, ἀλλ' ἀτιμοτέραν ἔχει νεκρῶν μοῖραν, ὅσα μὴ μετέσχε μηδὲ μετέχειν τοῦ ζῆν πέφυκεν. ἡ δὲ ζῶσα καὶ βλέπουσα καὶ κινήσεως ἀρχὴν ἐξ αὐτῆς ἔχουσα καὶ γνῶσιν οἰκείων καὶ ἀλλοτρίων φύσις κάλλους τ' ἔσπακεν ἀπορροὴν καὶ μοῖραν ἐκ τοῦ φρονούντος, ὅτω κυβερνᾶται τὸ [τε] σύμπαν' καθ' Ἡράκλειτον (B 41). ὅθεν οὐ χεῖρον ἐν τούτοις εἰκάζεται τὸ θεῖον ἢ χαλκοῖς καὶ λιθίνοις [c] δημιουργήμασιν, ἃ φθορὰς μὲν ὁμοίως δέχεται καὶ ἐπιχρώσεις, αἰσθήσεως δὲ πάσης φύσει καὶ συνέσεως ἐστέρηται.

Περὶ μὲν οὖν τῶν τιμωμένων ζώων ταῦτα δοκιμάζω μάλιστα τῶν λεγομένων· στολαὶ δ' αἱ μὲν Ἰσιδος ποικίλαι ταῖς βαφαῖς (περὶ γὰρ ὕλην ἢ δύναμιν αὐτῆς πάντα γινομένην καὶ δεχομένην, φῶς σκότος, ἡμέραν νύκτα, πῦρ ὕδωρ, ζωὴν θάνατον, ἀρχὴν τελευτήν)· ἡ δ' Ὀσίριδος οὐκ ἔχει σκιὰν οὐδὲ ποικιλμόν, ἀλλ' ἐν ἀπλοῦν τὸ φωτοειδές· ἄκρατον γὰρ ἡ ἀρχὴ καὶ ἀμιγὲς τὸ πρῶτον καὶ νοητόν. ὅθεν ἅπαξ ταύτην ἀναλαβόντες ἀποτίθενται [d] καὶ φυλάττουσιν ἀόρατον καὶ ἄψαυστον, ταῖς δ' Ἰσιακαῖς χρῶνται πολλάκις. ἐν χρήσει γὰρ τὰ αἰσθητὰ καὶ πρόχειρα ὄντα πολλὰς ἀναπτύξεις καὶ θέας αὐτῶν ἄλλοτ' ἄλλως ἀμειβομένων δίδωσιν· ἡ δὲ τοῦ νοητοῦ καὶ εἰλικρινοῦς καὶ ἀπλοῦ νόησις ὥσπερ ἀστραπὴ διαλάμψασα τῆς ψυχῆς ἅπαξ ποτὲ θιγεῖν καὶ προσιδεῖν παρέσχε. διὸ καὶ Πλάτων (Covv. 210a) καὶ Ἀριστοτέλης ἐποπτικὸν τοῦτο τὸ μέρος τῆς φιλοσοφίας καλοῦσιν, καθ' ὅσον οἱ τὰ δοξαστὰ καὶ μικτὰ καὶ παντοδαπὰ ταῦτα παραμειψάμενοι τῷ λόγῳ πρὸς τὸ πρῶτον

ἐκεῖνο καὶ ἀπλοῦν καὶ ἄυλον ἐξάλλονται καὶ θιγόντες ἀληθῶς [e] τῆς περὶ αὐτὸ καθαρᾶς ἀληθείας οἷον ἐν τελετῇ τέλος ἔχειν φιλοσοφίας νομίζουσι.

Καὶ τοῦθ' ὅπερ οἱ νῦν ἱερεῖς ἀφοσιούμενοι καὶ παρακαλυπτόμενοι μετ' εὐλαβείας ὑποδηλοῦσιν, ὡς ὁ θεὸς οὗτος ἄρχει καὶ βασιλεύει τῶν τεθνηκότων οὐχ ἕτερος ὢν τοῦ καλουμένου παρ' Ἑλλήσιν Ἄιδου καὶ Πλούτωνος, ἀγνοούμενον ὅπως ἀληθές ἐστι, διαταράττει τοὺς πολλοὺς ὑπονοοῦντας ἐν γῇ καὶ ὑπὸ γῆν τὸν ἱερὸν καὶ ὅσιον ὡς ἀληθῶς Ὅσιριν οἰκεῖν, ὅπου τὰ σώματα κρύπτεται τῶν τέλος ἔχειν δοκούντων. ὁ δ' ἐστὶ μὲν αὐτὸς ἀπωτάτω τῆς γῆς ἄχραντος καὶ ἀμίαντος [f] καὶ καθαρὸς οὐσίας ἀπάσης φθορὰν δεχομένης καὶ θάνατον, ἀνθρώπων δὲ ψυχαῖς ἐνταυθοῖ μὲν ὑπὸ σωμάτων καὶ παθῶν περιεχομέναις οὐκ ἐστὶ μετουσία τοῦ θεοῦ πλήν ὅσον ὀνείρατος ἀμαυροῦ θιγεῖν νοήσει διὰ φιλοσοφίας· ὅταν δ' ἀπολυθεῖσαι μεταστῶσιν εἰς τὸ [383] [a] αἰδῆς καὶ ἀόρατον καὶ ἀπαθὲς καὶ ἀγνόν, οὗτος αὐταῖς ἡγεμὼν ἐστὶ καὶ βασιλεὺς ὁ θεὸς ἐξηρητημέναις ὡς ἂν ἀπ' αὐτοῦ καὶ θεωμέναις ἀπλήστως καὶ ποθούσαις τὸ μὴ φατὸν μηδὲ ῥητὸν ἀνθρώποις κάλλος· οὗ τὴν Ἰσιν ὁ παλαιὸς ἀποφαίνει λόγος ἐρώσαν ἀεὶ καὶ διώκουσαν καὶ συνοῦσαν ἀναπιμπλάναι τὰ ἐνταῦθα πάντων καλῶν καὶ ἀγαθῶν, ὅσα γενέσεως μετέσχηκε.

Ταῦτα μὲν οὖν οὕτως ἔχει τὸν μάλιστα θεοῖς πρέποντα λόγον· εἰ δὲ δεῖ καὶ περὶ τῶν θυμιωμένων ἡμέρας ἐκάστης εἰπεῖν, ὥσπερ ὑπεσχόμην (372c), ἐκεῖνο διανοηθεῖη τις <ἂν> πρότερον, ὡς ἀεὶ μὲν οἱ ἄνδρες ἐν σπουδῇ μεγίστῃ τίθενται τὰ πρὸς ὑγίειαν ἐπιτηδεύματα, [b] μάλιστα δὲ ταῖς ἱεουργίαις καὶ ταῖς ἀγνείαις καὶ διαίταις οὐχ ἥττον ἔνεστι [τουτὶ] τοῦ ὁσίου τὸ ὑγιεινόν. οὐ γὰρ ὦντο καλῶς ἔχειν οὔτε σώμασιν οὔτε ψυχαῖς ὑπούλοις καὶ νοσώδεσι θεραπεύειν τὸ καθαρὸν καὶ ἀβλαβὲς πάντη καὶ ἀμίαντον. ἐπεὶ τοίνυν ὁ ἄῃρ, ᾧ πλεῖστα χρώμεθα καὶ σύνεσμεν, οὐκ ἀεὶ τὴν αὐτὴν ἔχει διάθεσιν καὶ κρᾶσιν, ἀλλὰ νύκτωρ πυκνοῦται καὶ πῆζει τὸ σῶμα καὶ συνάγει τὴν ψυχὴν εἰς τὸ δύσθυμον καὶ πεφροντικὸς οἷον ἀχλὺδὴ γινομένην καὶ βαρεῖαν, ἀναστάντες εὐθύς ἐπιθυμῶσι ῥητίνην θεραπεύοντες καὶ καθαίροντες τὸν ἀέρα τῇ διακρίσει καὶ τὸ σύμφυτον τῷ [c] σώματι πνεῦμα μεμαρασμένον ἀναρριπίζοντες ἐχούσης τι τῆς ὁσμῆς σφοδρὸν καὶ καταπληκτικόν. αὕθις δὲ μεσημβρίας αἰσθανόμενοι

σφόδρα πολλήν καὶ βαρεῖαν ἀναθυμίασιν ἀπὸ γῆς ἔλκοντα βία τὸν ἥλιον καὶ καταμινύοντα τῷ ἀέρι τὴν σμύρναν ἐπιθυμιῶσι· διαλύει γὰρ ἡ θερμότης καὶ σκίδνησι τὸ συνιστάμενον ἐν τῷ περιέχοντι θολερὸν καὶ ἰλυῶδες. καὶ γὰρ οἱ ἰατροὶ πρὸς τὰ λοιμικὰ πάθη βοηθεῖν δοκοῦσι φλόγα πολλήν ποιοῦντες ὥς λεπτύνουσιν τὸν ἀέρα· λεπτύνει δὲ βέλτιον, ἐὰν εὐώδη ξύλα καίωσιν, οἷα κυπαρίττου καὶ ἀρκεύθου καὶ πεύκης.

ΠΕΡΙ ΤΟΥ ΕΙ ΤΟΥ ΕΝ ΔΕΛΦΟΙΣ

[384] Σπχιδίοις τισὶν οὐ φαύλως ἔχουσιν, ὦ φίλε Σαραπίων, ἐνέτυχον πρῶην, ἃ Δικαίαρχος (fr. 40 M.) Εὐριπίδην οἶεται πρὸς Ἀρχέλαον εἰπεῖν (fr. 969)·

‘οὐ βούλομαι πλουτοῦντι δωρεῖσθαι πένης,
μή μ’ ἄφρονα κρίνης ἢ διδοὺς αἰτεῖν δοκῶ.’

χαρίζεται μὲν γὰρ οὐδὲν ὁ διδοὺς ἀπ’ ὀλίγων μικρὰ τοῖς πολλὰ κεκτημένοις, ἀπιστούμενος δ’ ἀντὶ μηδενὸς διδόναι κακοηθείας καὶ ἀνελευθερίας προσλαμβάνει δόξαν. ὅρα δ’ [e] ὅσον ἐλευθεριότητι καὶ κάλλει τὰ χρηματικὰ δῶρα λείπεται τῶν ἀπὸ λόγου καὶ σοφίας, <ἃ> καὶ διδόναι καλὸν ἐστὶ καὶ διδόντας ἀνταιτεῖν ὅμοια παρὰ τῶν λαμβανόντων. ἐγὼ γοῦν πρὸς σέ καὶ διὰ σοῦ τοῖς αὐτόθι φίλοις τῶν Πυθικῶν λόγων ἐνίους ὥσπερ ἀπαρχὰς ἀποστέλλων ὁμολογῶ προσδοκᾶν ἑτέρους καὶ πλείονας καὶ βελτίονας παρ’ ὑμῶν, ἅτε δὴ καὶ πόλει χρωμένων μεγάλῃ καὶ σχολῇς μᾶλλον ἐν βιβλίοις πολλοῖς καὶ παντοδαπαῖς διατριβαῖς εὐποροῦντων. ὁ δ’ οὖν φίλος Ἀπόλλων ἔοικε τὰς μὲν περὶ τὸν βίον ἀπορίας ἰᾶσθαι καὶ διαλύειν θεμιστευόν τοῖς χρωμένοις, [f] τὰς δὲ περὶ τὸν λόγον αὐτὸς ἐνιέναι καὶ προβάλλειν τῷ φύσει φιλοσόφῳ τῆς ψυχῆς ὄρεξιν ἐμποιῶν ἀγωγὸν ἐπὶ τὴν ἀλήθειαν, ὡς ἄλλοις τε πολλοῖς δηλὸν ἐστὶ καὶ τῇ [περὶ] τοῦ εἶ καθιερώσει. τοῦτο γὰρ εἰκὸς οὐ κατὰ τύχην οὐδ’ οἷον ἀπὸ κλήρου τῶν γραμμάτων μόνον ἐν προεδρίᾳ [385] [a] παρὰ τῷ θεῷ γενέσθαι καὶ λαβεῖν ἀναθήματος τάξιν ἱεροῦ καὶ θεάματος, ἀλλ’ ἢ δύναμιν αὐτοῦ κατιδόντας ἰδίαν καὶ περιττὴν ἢ συμβόλῳ χρωμένους πρὸς ἕτερόν τι τῶν ἀξίων σπουδῆς τοὺς ἐν ἀρχῇ περὶ τὸν θεὸν φιλοσοφήσαντας οὕτω προσέσθαι. πολλάκις οὖν ἄλλοτε τὸν λόγον ἐν τῇ σχολῇ προβαλλόμενον ἐκκλίνας ἀτρέμα καὶ παρελθὼν ἔναγχος ὑπὸ τῶν υἱῶν ἐλήφθην ξένοις τισὶ συμφιλοτιμουμένων, οὓς εὐθὺς ἐκ Δελφῶν ἀπαίρειν μέλλοντας οὐκ ἦν εὐπρεπὲς παράγειν οὐδὲ παραιτεῖσθαι πάντως ἀκοῦσαί τι προθυμουμένους. ὡς δὲ καθίσας παρὰ τὸν νεῶν τὰ μὲν αὐτὸς [b] ἡρξάμην ζητεῖν τὰ δ’ ἐκείνους ἐρωτᾶν, ὑπὸ τοῦ τόπου καὶ τῶν λόγων αὐτῶν <ἀνεμνήσθην> ἃ πάλαι ποτὲ καθ’ ὃν καιρὸν ἐπεδήμει Νέρων ἠκούσαμεν Ἀμμωνίου

καί τινων ἄλλων διεξιόντων ἐνταῦθα τῆς αὐτῆς ἀπορίας ὁμοίως ἐμπεσοῦσης.

Ὅτι μὲν γὰρ οὐχ ἦττον ὁ θεὸς φιλόσοφος ἢ μάντις, ἐδόκει πᾶσιν ὀρθῶς πρὸς τοῦτο τῶν ὀνομάτων ἕκαστον Ἀμμώνιος τίθεσθαι καὶ διδάσκειν, ὡς Πύθιος μὲν ἐστὶ τοῖς ἀρχομένοις μανθάνειν καὶ διαπυνθάνεσθαι, Δῆλιος δὲ καὶ Φαναῖος οἷς ἤδη τι δηλοῦται καὶ ὑποφαίνεται τῆς ἀληθείας, Ἰσμήνιος δὲ τοῖς ἔχουσι τὴν ἐπιστήμην, καὶ [c] Λεσχηνόριος ὅταν ἐνεργῶσι καὶ ἀπολαύωσι χρώμενοι τῷ διαλέγεσθαι καὶ φιλοσοφεῖν πρὸς ἀλλήλους. Ἐπεὶ δὲ τοῦ φιλοσοφεῖν ἔφη τὸ ζητεῖν ἀρχή, τοῦ δὲ ζητεῖν τὸ θαυμάζειν καὶ ἀπορεῖν, εἰκότως τὰ πολλὰ τῶν περὶ τὸν θεὸν ὅικεν αἰνίγμασι κατακεκρύφθαι [καὶ] λόγον τινὰ ποθοῦντα διὰ τί καὶ διδασκαλίαν τῆς αἰτίας· οἷον ἐπὶ τοῦ πυρὸς τοῦ ἀθανάτου τὸ καίεσθαι μόνον αὐτόθι τῶν ξύλων ἐλάτην καὶ δάφνην ἐπιθυμιᾶσθαι, καὶ τὸ δύο Μοίρας ἰδρῦσθαι πανταχοῦ τριῶν νομιζομένων, καὶ τὸ μηδεμιᾶ γυναικὶ πρὸς τὸ χρηστήριον εἶναι προσελθεῖν, καὶ τὸ τοῦ τρίποδος, καὶ ὅσα τοιαῦτα, τοῖς μὴ παντάπασιν ἀλόγοις [d] καὶ ἀψύχοις ὑφειμένα δελεάζει καὶ παρακαλεῖ πρὸς τὸ σκοπεῖν τι καὶ ἀκούειν καὶ διαλέγεσθαι περὶ αὐτῶν. ὅρα δὲ καὶ ταυτὶ τὰ προγράμματα, τὸ ἄνῳθι σαυτόν καὶ τὸ ἄμῃδεν ἄγαν, ὅσας ζητήσεις κεκίνηκε φιλοσόφοις καὶ ὅσον λόγων πλῆθος ἀφ' ἑκάστου καθάπερ ἀπὸ σπέρματος ἀναπέφυκεν· ὧν οὐδενὸς ἦττον οἶμαι γόνιμον λόγων εἶναι τὸ νῦν ζητούμενον.'

Εἰπόντος δὲ ταῦτα τοῦ Ἀμμωνίου Λαμπρίας ὁ ἀδελφὸς εἶπε ἄλλο καὶ μὴν ὃν ἡμεῖς ἀκηκόαμεν λόγον ἀπλοῦς τίς ἐστὶ καὶ κομιδῇ βραχύς. λέγουσι γὰρ ἐκείνους τοὺς σοφοὺς ὑπ' ἐνίων δὲ σοφιστὰς προσαγορευθέντας αὐτοὺς μὲν [e] εἶναι πέντε, Χίλωνα καὶ Θαλῆν καὶ Σόλωνα καὶ Βίαντα καὶ Πιπτακόν· ἐπεὶ δὲ Κλεόβουλος ὁ Λινδίων τύραννος, εἶτα Περίανδρος ὁ Κορίνθιος, οὐδὲν αὐτοῖς ἀρετῆς μετὸν οὐδὲ σοφίας, ἀλλὰ δυνάμει καὶ φίλοις καὶ χάρισι καταβιαζόμενοι τὴν δόξαν ἐνέβαλλον εἰς τοῦτομα τῶν σοφῶν καὶ τινὰς γνώμας καὶ λόγους ἐξέπεμπον καὶ διέσπειρον εἰς τὴν Ἑλλάδα τοῖς ὑπ' ἐκείνων λεγομένοις ὁμοίους· δυσχεράναντας ἄρα τοὺς ἄνδρας ἐξελέγχειν μὲν οὐκ ἐθέλειν τὴν ἀλαζονείαν οὐδὲ φανερώς ὑπὲρ δόξης ἀπεχθάνεσθαι καὶ διαμάχεσθαι πρὸς ἀνθρώπους μέγα δυναμένους, ἐνταῦθα [f] δὲ συνελθόντας αὐτοὺς καθ' αὐτοὺς καὶ διαλεχθέντας ἀλλήλοις ἀναθεῖναι τῶν γραμμάτων ὃ τῇ τε τάξει

πέμπτον ἐστὶ καὶ τοῦ ἀριθμοῦ τὰ πέντε δηλοῖ, μαρτυρομένους μὲν ὑπὲρ αὐτῶν πρὸς τὸν θεὸν ὅτι πέντ' εἰσὶ, τὸν δ' ἑβδομον καὶ τὸν ἕκτον ἀποποιουμένους καὶ ἀποβάλλοντας ὡς οὐ προσήκοντας αὐτοῖς. ὅτι δ' οὐκ ἀπὸ σκοποῦ ταῦτα λέγεται, γνοίη τις ἂν ἀκούσας τῶν κατὰ τὸ ἱερὸν τὸ μὲν χρυσοῦν εἶ Λιβίας τῆς Καίσαρος γυναικὸς ὀνομαζόντων, τὸ δὲ [386] [a] χαλκοῦν Ἀθηναίων· τὸ δὲ πρῶτον καὶ παλαιότατον τῇ δ' οὐσίᾳ ξύλινον ἔτι νῦν τῶν σοφῶν καλοῦσιν, ὡς οὐχ ἑνὸς ἀλλὰ κοινὸν ἀνάθημα πάντων γενόμενον.'

Ὁ μὲν οὖν Ἀμμώνιος ἡσυχῇ διεμειδίασεν, ὑπονοήσας ἰδίᾳ τὸν Λαμπρίαν δόξῃ κεχρῆσθαι, πλάττεσθαι δ' ἱστορίαν καὶ ἀκοὴν ἑτέρων πρὸς τὸ ἀνυπεύθυνον· ἕτερος δὲ τις ἔφη τῶν παρόντων, ὡς ὅμοια ταῦτ' ἐστὶν οἷς πρῶην ὁ Χαλδαῖος ἐφλυάρει ξένος, ἐπτὰ μὲν εἶναι τὰ φωνὴν ἰδίαν ἀφιέντα τῶν γραμμάτων, ἐπτὰ δὲ τοὺς κίνησιν αὐτοτελῇ καὶ ἀσύνδετον ἐν οὐρανῷ κινουμένους ἀστέρας· εἶναι δὲ τῇ [b] τάξει δεύτερον τό τ' εἶ τῶν φωνηέντων ἀπ' ἀρχῆς καὶ τὸν ἥλιον ἀπὸ σελήνης τῶν πλανήτων· ἡλίῳ δ' Ἀπόλλωνα τὸν αὐτὸν ὡς ἔπος εἰπεῖν πάντας Ἑλλήνας νομίζειν. 'ἀλλὰ ταυτὶ μὲν' ἔφη 'παντάπασιν ἐκ πίνακος καὶ πυλαίας.'

Ὁ δὲ Λαμπρίας ἔλαθεν, ὡς ἔοικε, τοὺς ἀφ' ἱεροῦ κινήσας ἐπὶ τὸν αὐτοῦ λόγον. ἃ μὲν γὰρ ἐκεῖνος εἶπεν, οὐδεὶς ἐγίνγνωκε Δελφῶν· τὴν δὲ κοινὴν καὶ περιηγητικὴν δόξαν εἰς τὸ μέσον προῆγον, οὔτε τὴν ὅψιν ἀξιοῦντες οὔτε τὸν φθόγγον ἀλλὰ τοῦνομα μόνον τοῦ γράμματος ἔχειν τι σύμβολον. 'ἔστι γάρ' ὡς ὑπολαμβάνουσι Δελφοὶ καὶ τότε προηγορῶν ἔλεγε Νίκανδρος ὁ ἱερεὺς 'σχῆμα καὶ μορφή τῆς πρὸς τὸν θεὸν ἐντεύξεως καὶ τάξιν ἡγεμονικὴν [c] ἐν τοῖς ἐρωτήμασιν ἔχει τῶν χρωμένων ἐκάστοτε διαπυνθανομένων, εἰ νικήσουσιν, εἰ γαμήσουσιν, εἰ συμφέρει πλεῖν, εἰ γεωργεῖν, εἰ ἀποδημεῖν. τοῖς δὲ διαλεκτικοῖς χαίρειν ἔλεγε σοφὸς ὢν ὁ θεὸς οὐδὲν οἰομένοις ἐκ τοῦ 'εἰ' μορίου καὶ τοῦ μετ' αὐτοῦ <ταχθέντος> ἀξιώματος πρᾶγμα γίνεσθαι, πάσας τὰς ἐρωτήσεις ὑποτεταγμένας τούτῳ καὶ νοῶν ὡς πράγματα καὶ προσιέμενος. ἐπεὶ δ' ἴδιον τὸ ἐρωτᾶν ὡς μάντιν ἐστὶν ἡμῖν καὶ τὸ εὐχεσθαι κοινὸν ὡς πρὸς θεὸν, οὐχ ἥττον οἶονται τῆς [d] πευστικῆς τὴν εὐκτικὴν τὸ γράμμα περιέχειν δύναμιν· 'εἰ γάρ' [ὠφελον] φησὶν ἕκαστος τῶν εὐχομένων. καὶ Ἀρχίλοχος (fr. 71)

ΠΕΡΙ ΤΟΥ ΜΗ ΧΡΑΝ ΕΜΜΕΤΡΑ ΝΥΝ ΤΗΝ ΠΥΘΙΑΝ

[394] Β. Ἐσπέραν ἐποιήσατε βαθεΐαν, ὦ Φιλῖνε, διὰ τῶν [e] ἀναθημάτων παραπέμποντες τὸν ξένον· ἐγὼ γὰρ ὑμᾶς ἀναμένων ἀπηγόρευσα.

Φ. Βραδέως γὰρ ὠδεύομεν, ὦ Βασιλόκλεις, σπεύροντες λόγους καὶ θερίζοντες εὐθύς μετὰ μάχης ὑπόουλους καὶ πολεμικούς, ὥσπερ οἱ Σπαρτοί, βλαστάνοντας ἡμῖν καὶ ὑποφυομένους κατὰ τὴν ὁδόν.

Β. Ἐτερον οὖν τινα δεήσει παρακαλεῖν τῶν παραγεγονότων, ἢ σὺ βούλει χαριζόμενος ἡμῖν διελθεῖν, τίνες ἦσαν οἱ λόγοι καὶ τίνες οἱ λέγοντες;

Φ. Ἐμόν, ὡς ἔοικεν, ὦ Βασιλόκλεις, τὸ ἔργον. τῶν γὰρ ἄλλων οὐδενὶ ῥαδίως ἂν ἐντύχοις κατὰ πόλιν· τοὺς γὰρ [f] πλείστους ἐώρων αὖθις εἰς τὸ Κωρύκιον τῷ ξένῳ καὶ τὴν Λυκώρειαν συναναβαίνοντας.

Β. Ἡ φιλοθεάμων τις ἡμῖν καὶ περιττῶς φιλήκοός ἐστιν ὁ ξένος.

Φ. Φιλόλογος δὲ καὶ φιλομαθὴς ἔτι μᾶλλον. οὐ μὴν ταῦτα μάλιστα θαυμάζειν ἄξια, ἀλλὰ πραότης τε πολλὴν [395] [a] χάριν ἔχουσα, καὶ τὸ μάχιμον καὶ διαπορητικὸν ὑπὸ συνέσεως, οὔτε δύσκολον οὔτ' ἀντίτυπον πρὸς τὰς ἀποκρίσεις· ὥστε καὶ βραχὺ συγγενόμενον εὐθύς εἰπεῖν †'τέκος <ἀγαθόν> ἀγαθοῦ πατρός.' οἴσθα γὰρ Διογενιανὸν ἀνδρῶν ἄριστον.

Β. Αὐτὸς μὲν οὐκ εἶδον, ὦ Φιλῖνε, πολλοῖς δ' ἐντετύχηκα καὶ τὸν λόγον καὶ τὸ ἦθος τοῦ ἀνδρὸς ἰσχυρῶς ἀποδεχομένοις, ὅμοια δὲ τούτοις ἕτερα περὶ τοῦ νεανίσκου λέγουσιν. ἀλλὰ τίνα, ὦ ἑταῖρε, ἀρχὴν ἔσχον οἱ λόγοι καὶ πρόφασιν;

Φ. Ἐπέραινον οἱ περιηγηταὶ τὰ συντεταγμένα μηδὲν ἡμῶν φροντίσαντες δεηθέντων ἐπιτεμεῖν τὰς ῥήσεις καὶ τὰ πολλὰ τῶν ἐπιγραμμάτων. τὸν δὲ ξένον ἢ μὲν ἰδέα καὶ τὸ τεχνικὸν τῶν ἀνδριάντων μετρίως προσήγετο πολλῶν καὶ [b] καλῶν ἔργων ὡς ἔοικε θεατὴν γεγεννημένον· ἐθαύμαζε δὲ τοῦ χαλκοῦ τὸ ἀνθηρὸν ὡς οὐ πίνῳ προσεοικὸς οὐδ' ἰῶ, βαφῇ δὲ κυάνου στίλβοντος, ὥστε καὶ παῖξάι τι πρὸς τοὺς ναυάρχους (ἀπ' ἐκείνων γὰρ ἦρκετο τῆς θέας) οἷον ἀτεχνῶς θαλαττίους τῇ χροῇ καὶ βυθίους ἐστῶτας. [396] [a] 'Ὡς οὖν ἐκελεύομεν καὶ συνεχωροῦμεν, ἔφη τὸν ἀέρα τὸν ἐν Δελφοῖς πυκνὸν ὄντα καὶ συνεχῇ καὶ τόνον ἔχοντα διὰ τὴν ἀπὸ τῶν ὀρῶν ἀνάκλασιν καὶ ἀντέρεισιν ἔτι καὶ λεπτὸν εἶναι καὶ δηκτικόν, ὥς που μαρτυρεῖ καὶ τὰ περὶ τὰς πέψεις τῆς τροφῆς· ἐνδύόμενον οὖν ὑπὸ λεπτότητος καὶ τέμνοντα τὸν χαλκὸν ἀναχαράσσειν πολὺν ἰὸν ἐξ αὐτοῦ καὶ γεώδη, στέγειν δὲ τοῦτον αὖ πάλιν καὶ πιέζειν τῆς πυκνότητος <διάχυσιν> μὴ διδούσης, τὸν δ' ὑφιστάμενον αὐτῷ διὰ πλῆθος ἐξανθεῖν καὶ λαμβάνειν αὐγὴν καὶ γάνωμα περὶ τὴν ἐπιφάνειαν. ἀποδεξαμένων δ' ἡμῶν ὁ ξένος ἔφη τὴν ἐτέραν ἀρκεῖν ὑπόθεσιν πρὸς τὸν λόγον.

[b] 'ἡ δὲ λεπτότης' ἔφη 'δόξει μὲν ὑπεναντιοῦσθαι καὶ πρὸς τὴν λεγομένην πυκνότητα τοῦ ἀέρος, λαμβάνεται δ' οὐκ ἀναγκαίως· αὐτὸς γὰρ ὑφ' ἑαυτοῦ παλαιούμενος ὁ χαλκὸς ἀποπνεῖ καὶ μεθίησι τὸν ἰόν, ὃν ἡ πυκνότης συνέχουσα καὶ παχνοῦσα ποιεῖ ἐκφανῆ διὰ τὸ πλῆθος.' ὑπολαβὼν δ' ὁ Θέων 'τί γάρ' εἶπεν 'ὦ ξένε, κωλύει ταῦτόν εἶναι καὶ λεπτὸν καὶ πυκνόν, ὥσπερ τὰ σηρικὰ καὶ τὰ βύσσινά τῶν ὑφασμάτων, ἐφ' ὧν καὶ Ὅμηρος (η 107) εἶπε

Ἐκ τούτου γενομένης σιωπῆς πάλιν οἱ περιηγηταὶ προεχειρίζοντο τὰς ῥήσεις. χρημοῦ δέ τινος ἐμμέτρου λεχθέντος, οἶμαι, περὶ τῆς Αἰγῶνος τοῦ Ἀργείου βασιλείας πολλάκις ἔφη θαυμάσαι τῶν ἐπῶν ὁ Διογενιανός, ἐν οἷς οἱ χρημοὶ λέγονται, τὴν φαυλότητα καὶ τὴν εὐτέλειαν. [e] Ὑπολαβὼν οὖν Βόηθος ὁ γεωμέτρης (οἶσθα γὰρ τὸν ἄνδρα μεταπαττόμενον ἤδη πρὸς τὸν Ἐπίκουρον), ‘ἄρ’ οὖν’ ἔφη ‘τὸ τοῦ ζωγράφου Παύσωνος ἀκήκοας;’ ‘οὐκ ἔγωγε’ εἶπεν ὁ Σαραπίων. ‘ἀλλὰ μὴν ἄξιον. ἐκλαβὼν γὰρ ὡς ἔοικεν ἵππον ἀλινδούμενον γράψαι τρέχοντα ἔγραψεν· ἀγανακτοῦντος δὲ τοῦ ἀνθρώπου γελάσας ὁ Παύσων κατέστρεψε τὸν πίνακα, καὶ γενομένων ἄνω τῶν κάτω πάλιν ὁ ἵππος οὐ τρέχων ἀλλ’ ἀλινδούμενος ἐφαίνετο. τοῦτό φησιν ὁ Βίων ἐνίους τῶν λόγων πάσχειν, ὅταν ἀναστραφῶσι. διὸ καὶ τοὺς χρησμοὺς ἔνιοι φήσουσιν οὐ καλῶς ἔχειν, ὅτι τοῦ θεοῦ εἰσιν, ἀλλὰ τοῦ θεοῦ μὴ εἶναι, ὅτι φαύλως ἔχουσιν.

Καὶ ὁ Σαραπίων ‘νοσοῦμεν γάρ’ εἶπεν ‘ὦ Βόηθε, καὶ τὰ ὦτα καὶ τὰ ὄμματα, συνειθισμένοι διὰ τρυφήν καὶ ³⁹⁷ [a] μαλακίαν τὰ ἡδῖω καλὰ νομίζειν καὶ ἀποφαίνεσθαι. τάχα δὴ μεμψόμεθα τὴν Πυθίαν, ὅτι Γλαύκης οὐ φθέγγεται τῆς κιθαρωδοῦ λιγυρώτερον οὐδὲ χριομένη μύροις οὐδ’ ἀλουργίδας ἀμπεχομένη κάτεισιν εἰς τὸ <χρηστήριον> οὐδ’ ἐπιθυμιᾷ κασσίαν ἢ λήδανον ἢ λιβανωτὸν ἀλλὰ δάφνην καὶ κρίθινον ἄλευρον. οὐχ ὀρᾶς’, εἶπεν, ‘ὅσην χάριν ἔχει τὰ Σαπφικὰ μέλη κηλοῦντα καὶ καταθέλγοντα τοὺς ἀκρωμένους; ‘Σίβυλλα δὲ μαινομένῳ στόματι’ καθ’ Ἡράκλειτον (fr. 92) ‘ἀγέλαστα καὶ ἀκαλλώπιστα καὶ ἀμύριστα φθειγγομένη χιλίων ἐτῶν ἐξικνεῖται τῇ φωνῇ διὰ τὸν θεόν.’ ὁ δὲ Πίνδαρος (fr. 32) ‘ἀκοῦσαι’ φησὶ ‘τοῦ θεοῦ τὸν Κάδμον [οὐ] μουσικὰν ὀρθάν’, οὐχ ἡδεῖαν οὐδὲ [b] τρυφερὰν οὐδ’ ἐπικεκλασμένην τοῖς μέλεσιν. Εἰπόντος δὲ ταῦτα τοῦ Σαραπίωνος ὁ Θέων μειδιάσας ‘ὁ Σαραπίων μὲν’ εἶπε ‘τὸ εἰωθὸς ἀποδέδωκε τῷ τρόπῳ, λόγου περὶ Ἄτης καὶ Ἥδονῆς παραπτερόντος ἀπολαύσας· ἡμεῖς δ’, ὦ Βόηθε, καὶ ἡ <μῆ> φαυλότερα τῶν Ὀμήρου ταῦτα τὰ ἔπη, μὴ νομίσωμεν αὐτὰ πεποικέναι τὸν θεόν, ἀλλ’ ἐκείνου τὴν ἀρχὴν τῆς κινήσεως ἐνδιδόντος ὡς ἐκάστη [c] πέφυκε κινεῖσθαι τῶν προφητῶν. καὶ γὰρ εἰ γράφειν ἔδει μὴ λέγειν τοὺς χρησμούς, οὐκ ἂν οἶμαι τοῦ θεοῦ τὰ γράμματα νομίζοντες ἐψέγομεν, ὅτι λείπεται καλλιγραφία τῶν βασιλικῶν. οὐ γὰρ ἔστι θεοῦ <γ>’ ἢ γῆρυς οὐδ’ ὁ φθόγγος οὐδ’ ἢ λέξεις οὐδὲ τὸ μέτρον ἀλλὰ τῆς γυναικός· ἐκεῖνος δὲ μόνας τὰς φαντασίας παρίσθησι καὶ φῶς ἐν τῇ ψυχῇ ποιεῖ πρὸς τὸ μέλλον· ὁ γὰρ ἐνθουσιασμὸς τοιοῦτόν ἐστι. καθόλου δ’ εἰπεῖν ὑμᾶς τοὺς τοῦ Ἐπικούρου (fr. 395) προφήτας (δῆλος γὰρ εἶ καὶ αὐτὸς ὑποφερόμενος) οὐκ ἔστι διαφυγεῖν, ἀλλὰ κάκεινας αἰτιᾶσθε τὰς πάλαι προφήτιδας [d] ὡς φαύλοις ποιήμασι χρωμένας καὶ τὰς νῦν καταλογάδην καὶ διὰ τῶν ἐπιτυχόντων ὀνομάτων τοὺς χρησμούς λεγούσας, ὅπως ὑμῖν ἀκεφάλων καὶ λαγαρῶν μέτρων καὶ μειούρων εὐθύνας μὴ ὑπέχωσι.’ καὶ ὁ Διογενιανὸς ‘μὴ παῖς’ εἶπεν ‘ὦ πρὸς θεῶν, ἀλλὰ διάλυσον ἡμῖν ταύτην τὴν ἀπορίαν κοινήν οὔσαν. οὐδεὶς γὰρ ἔστιν ἡμῶν ὃς οὐκ αἰτίαν ἐπιζητεῖ καὶ λόγον, πῶς πέπανται τὸ μαντεῖον ἔπεσι καὶ ἐλεγείοις χρώμενον.’ ὑπολαβὼν οὖν ὁ Θέων ‘ἀλλὰ καὶ νῦν’, εἶπεν, ‘ὦ παῖ, δοκοῦμεν ἐπηρεῖα τινὶ τοὺς περιγητὰς ἀφαιρεῖσθαι τὸ οἰκεῖον ἔργον. ἔασον οὖν [e] γενέσθαι τὸ τούτων πρότερον, εἴτα περὶ ὧν βούλει καθ’ ἡσυχίαν διαπορήσεις.’

Ἦδη δὲ προϊόντες ἦμεν κατὰ τὸν Ἰέρωνος ἀνδριάντα τοῦ τυράννου· καὶ τῶν μὲν ἄλλων ὁ ξένος εἰδὼς ἅπαντα παρῆχεν ὁμως ὑπ’ εὐκολίας ἀκροατὴν αὐτόν· ἀκούσας δ’ ὅτι κίων τις ἐστὼς ἄνω χαλκοῦς Ἰέρωνος ἔπεσεν αὐτομάτως τῆς ἡμέρας ἐκείνης, ἡ τὸν Ἰέρωνα συνέβαινε ἐν Συρακούσαις τελευτᾶν, ἐθαύμασε. καὶ γὰρ τῶν ὁμοίων ἅμα συνανεμίνησκον, οἷα δὴ τοῦ Ἑρμῶνος μὲν τοῦ Σπαρτιάτου, ὅτι πρὸ τῆς ἐν Λεύκτροις αὐτῷ γενομένης τελευτῆς ἐξέπεσον οἱ ὀφθαλμοὶ τοῦ ἀνδριάντος, οἱ δ’ ἀστέρες ἠφανίσθησαν [f] οὓς Λύσανδρος ἀνέθηκεν ἀπὸ τῆς ἐν Αἰγὸς ποταμοῖς ναυμαχίας, ὁ δ’ αὐτοῦ <τοῦ> Λυσάνδρου λίθινος ἀνδριὰς

Ἀριστοτέλης (fr. 130) μὲν οὖν μόνον Ὅμηρον ἔλεγε κινούμενα ποιεῖν ὀνόματα διὰ τὴν ἐνέργειαν, ἐγὼ δὲ φαίην ἂν καὶ τῶν ἀναθημάτων τὰ ἐνταυθοῖ μάλιστα συγκινεῖσθαι καὶ συνεπισημαίνειν τῇ τοῦ θεοῦ προνοίᾳ, καὶ τούτων μέρος μὴδὲν εἶναι κενὸν μὴδ' ἀναίσθητον, ἀλλὰ πεπλησθαι πάντα θεϊότητος. καὶ ὁ Βόηθος 'ναί' εἶπεν· 'οὐ γὰρ ἀρκεῖ τὸν θεὸν εἰς σῶμα καθειργνύναι θνητὸν ἅπαξ ἐκάστου μηνός, ἀλλὰ καὶ λίθῳ παντὶ καὶ χαλκῷ συμφυράσομεν αὐτόν, ὥσπερ οὐκ ἔχοντες [b] ἀξιόχρεων τῶν τοιούτων συμπτωμάτων τὴν τύχην δημιουργὸν καὶ ταυτόματον.' Τοιαῦτα μὲν ἐγὼ πρὸς τὸν Βόηthon ἀπεκρινάμην, ὅμοια δὲ περὶ τῶν Σιβυλλείων. ἐπειδὴ γὰρ ἔστημεν κατὰ τὴν πέτραν γενόμενοι τὴν κατὰ τὸ βουλευτήριον, ἐφ' ἧς λέγεται καθίζεσθαι τὴν πρώτην Σίβυλλαν ἐκ τοῦ Ἑλικῶνος παραγενομένην ὑπὸ τῶν Μουσῶν τραφεῖσαν (ἐνιοὶ δὲ φασιν ἐκ Μαλιέων ἀφικέσθαι Λαμίας οὔσαν θυγατέρα τῆς Ποσειδῶνος), ὁ μὲν Σαραπίων ἐμνήσθη τῶν ἐπῶν, ἐν οἷς ὕμνησεν ἑαυτήν, ὡς οὐδ' ἀποθανοῦσα λήξει μαντικῆς, ἀλλ' αὐτὴ μὲν ἐν τῇ σελήνῃ περίεισι τὸ [καλούμενον] φαινόμενον γενομένη πρόσωπον, τῷ δ' ἀέρι [d] τὸ πνεῦμα συγκραθὲν ἐν φήμαις αἰεὶ φορήσεται καὶ κληδόσιν· ἐκ δὲ τοῦ σώματος

Καὶ ὁ Βόηθος 'ποῖον γάρ' εἶπεν 'ὦ δαιμόνιε, τῇ [f] φύσει πάθος ὁ χρόνος οὐκ ὀφείλει; τί δ' ἔστι τῶν ἀτόπων καὶ ἀπροσδοκῆτων περὶ γῆν ἢ θάλατταν ἢ πόλεις ἢ ἄνδρας, ὅ τις ἂν προειπὼν οὐ τύχοι γενομένου; καίτοι τοῦτό γε σχεδὸν οὐδὲ προειπεῖν ἔστιν ἄλλ' εἰπεῖν, μᾶλλον δὲ ῥῖψαι καὶ διασπεῖραι λόγους οὐκ ἔχοντας ἀρχὴν εἰς τὸ ἄπειρον· οἷς πλανωμένοις ἀπήντησε πολλάκις ἡ τύχη καὶ συνέπεσεν αὐτομάτως. διαφέρει γὰρ οἷμαι γενέσθαι τὸ ῥηθὲν ἢ ῥηθῆναι τὸ γεννησόμενον. ὁ γὰρ εἰπὼν τὰ μὴ ὑπάρχοντα λόγος ἐν ἑαυτῷ τὸ ἡμαρτημένον ἔχων οὐ [399] [a] δικαίως ἀναμένει τὴν ἐκ τοῦ αὐτομάτου πίστιν οὐδ' ἀληθεῖ τεκμηρίῳ χρῆται τοῦ προειπεῖν ἐπιστάμενος <τῷ> μετὰ τὸ εἰπεῖν γενομένῳ, πάντα τῆς ἀπειρίας φεροῦσης· μᾶλλον δ' ὁ μὲν 'εἰκάζων καλῶς', ὃν 'ἄριστον μάντιν' ἀνηγόρευκεν ἢ παροιμία (Eur. fr. 973), ἰχνοσκοποῦντι καὶ στιβεύοντι διὰ τῶν εὐλόγων τὸ μέλλον ὁμοίός ἐστι, Σίβυλλαι δ' αὖται καὶ Βάκιδες ὥσπερ εἰς πόντον ἀτεκμάρτως τὸν χρόνον κατέβαλον καὶ διέσπειραν ὡς ἔτυχε παντοδαπῶν ὀνόματα καὶ ῥήματα παθῶν καὶ συμπτωμάτων· <ἐν> οἷς γιγνομένων ἐνίων ἀπὸ τύχης ὁμοίως ψευδός ἐστι τὸ νῦν λεγόμενον, κἂν ὕστερον ἀληθές, εἰ τύχοι, γένηται.'

Τοιαῦτα τοῦ Βοήθου διελθόντος ὁ Σαραπίων 'δίκαιον' [b] ἔφη 'τὸ ἀξίωμα περὶ τῶν οὕτως, <ὡς> λέγει Βόηθος, ἀορίστως καὶ

‘οὐκ ἄρ’ ἔην γαίης μέσος ὀμφαλὸς οὐδὲ θαλάσσης·

εἰ δέ τις ἔστι, θεοῖς δῆλος θνητοῖσι δ’ ἄφαντος.’

ἐκεῖνον μὲν οὖν εἰκότως ὁ θεὸς ἡμύνατο μύθου παλαιοῦ [410] [a] καθάπερ ζωγραφήματος ἀφῆ διαπειρώμενον· ὀλίγον δὲ πρὸ Πυθίων τῶν ἐπὶ Καλλιστράτου <τοῦ> καθ’ ἡμᾶς ἀπὸ τῶν ἐναντίων τῆς οἰκουμένης περάτων ἔτυχον ἄνδρες ἱεροὶ δύο συνδραμόντες εἰς Δελφούς, Δημήτριος μὲν ὁ γραμματικὸς ἐκ Βρεττανίας εἰς Ταρσὸν ἀνακομιζόμενος οἴκαδε, Κλεόμβροτος δ’ ὁ Λακεδαιμόνιος, πολλὰ μὲν ἐν Αἰγύπτῳ καὶ περὶ τὴν Τρωγλοδυτικὴν πεπλανημένος, πόρρω δὲ τῆς Ἐρυθρᾶς θαλάσσης ἀναπεπλευκῶς οὐ κατ’ ἐμπορίαν, ἀλλ’ ἀνὴρ φιλοθεάμων καὶ φιλομαθὴς οὐσίαν δ’ ἔχων [b] ἱκανὴν καὶ τὸ πλείονα τῶν ἱκανῶν ἔχειν οὐκ ἄξιον πολλοῦ ποιούμενος ἐχρῆτο τῇ σχολῇ πρὸς τὰ τοιαῦτα καὶ συνῆγεν ἱστορίαν οἷον ὕλην φιλοσοφίας θεολογίαν ὥσπερ αὐτὸς ἐκάλει τέλος ἐχοῦσης. νεωστὶ δὲ γεγονῶς παρ’ Ἀμμωνα τὰ μὲν ἄλλα τῶν ἐκεῖ δῆλος ἦν μὴ πάνυ τεθαυμακῶς, περὶ δὲ τοῦ λύχνου τοῦ ἀσβέστου διηγεῖτο λόγον ἄξιον σπουδῆς λεγόμενον ὑπὸ τῶν ἱερέων. αἰεὶ γὰρ ἔλαττον ἀναλίσκειν ἔλαιον ἔτους ἐκάστου, καὶ τοῦτο ποιεῖσθαι τεκμήριον ἐκείνους τῆς τῶν ἐνιαυτῶν ἀνωμαλίας τὸν ὕστερον τοῦ προάγοντος αἰεὶ τῷ χρόνῳ βραχύτερον ποιούσης· εἰκὸς γὰρ ἐν ἐλάττονι χρόνῳ τὸ δαπανώμενον ἔλαττον εἶναι.

Θαυμασάντων δὲ τῶν παρόντων, τοῦ δὲ Δημητρίου [c] καὶ γελοῖον φήσαντος εἶναι ἀπὸ μικρῶν πραγμάτων οὕτω μεγάλα θηρᾶν, οὐ κατ’ Ἀλκαῖον (fr. 113) ‘ἐξ ὄνυχος τὸν λέοντα’ γράφοντας, ἀλλὰ θρυαλλίδι καὶ λύχνῳ τὸν οὐρανὸν ὁμοῦ καὶ τὰ σύμπαντα μεθιστάντας καὶ τὴν μαθηματικὴν ἄρδην ἀναιροῦντας, ὁ Κλεόμβροτος ‘οὐδέτερον’ ἔφη ‘τούτων διαταράξει τοὺς ἄνδρας· ἀλλὰ τοῖς μαθηματικοῖς οὐχ ὑφήσονται τῆς ἀκριβείας, ὥς μᾶλλον

οὐκ ἐμπλέοντες αὐτοὶ καὶ συγκινδυνεύοντες ἀλλ' ἄνωθεν ἐπιφαινόμενοι καὶ σώζοντες, οὕτως ἐπιέναι τῶν κόσμων ἄλλοτ' ἄλλον ἡδονῇ τε τῆς θέας ἀγομένους καὶ τῇ φύσει συναπευθύνοντας ἕκαστον. ὁ μὲν γὰρ Ὀμηρικὸς Ζεὺς (N 3) οὐ πάνυ πρόσω μετέθηκε τὴν ὄψιν ἀπὸ Τροίας ἐπὶ τὰ Θράκια καὶ τοὺς περὶ τὸν Ἰστρον νομάδας, ὁ δ' [d] ἀληθινὸς ἔχει καλὰς καὶ πρεπούσας ἐν πλείοσι κόσμοις μεταβολάς, οὐκ ἐπὶ κενὸν ἄπειρον ἕξω βλέπων οὐδ' ἑαυτὸν ἄλλο δ' οὐδὲν (ὡς ᾤήθησαν ἔνιοι) νοῶν, ἀλλ' ἔργα τε θεῶν καὶ ἀνθρώπων πολλὰ κινήσεις τε καὶ φορὰς ἄστρον ἐν περιόδοις καταθεώμενος. οὐ γὰρ ἀπεχθάνεται μεταβολαῖς ἀλλὰ καὶ πάνυ χαίρει τὸ θεῖον, εἰ δεῖ τῶν φαινομένων τεκμαίρεσθαι ταῖς κατ' οὐρανὸν ἑξαμείψεσι καὶ περιόδοις. ἡ μὲν οὖν ἀπειρία παντάπασιν ἀγνώμων καὶ ἄλογος καὶ μηδαμῇ προσιεμένη θεόν, ἀλλὰ χρωμένη πρὸς πάντα τῷ κατὰ τύχην καὶ αὐτομάτως· ἡ δ' ἐν ὠρισμένῳ [e] πλήθει καὶ ἀριθμῷ κόσμων ἐπιμέλεια καὶ πρόνοια τῆς εἰς ἓν δεδουκυίας σῶμα καὶ προσηρτημένης ἐνὶ καὶ τοῦτο μετασχηματιζούσης καὶ

Ἐγὼ μὲν οὖν τοσαῦτ' εἰπὼν ἐπέσχον. ὁ δὲ Φίλιππος οὐ πολὺν χρόνον διαλιπὼν 'τὸ μὲν ἀληθές' ἔφη 'περὶ τούτων οὕτως ἔχειν ἢ ἐτέρως οὐκ ἂν ἔγωγε διισχυρισάμην· εἰ δὲ τὸν θεὸν ἐκβιβάζομεν ἐνὸς κόσμου, διὰ τί πέντε μόνων ποιοῦμεν οὐ πλειόνων δημιουργόν, καὶ τίς ἐστι τοῦ ἀριθμοῦ τούτου πρὸς τὸ πλῆθος λόγος, ἥδιον ἂν μοι δοκῶ μαθεῖν ἢ τῆς ἐνταῦθα τοῦ Ε καθερώσεως τὴν διάνοιαν.

'Καὶ μὴν' ἔφην ἐγὼ 'δοκεῖ Θεόδωρος ὁ Σολεὺς οὐ φαύλως μετιέναι τὸν λόγον, ἐξηγούμενος τὰ μαθηματικὰ τοῦ Πλάτωνος. μέτεισι δ' οὕτως. πυραμὶς καὶ ὀκτάεδρον καὶ εἰκοσάεδρον καὶ δωδεκάεδρον, ἃ πρῶτα τίθεται Πλάτων, καλὰ μὲν ἐστὶ πάντα συμμετρίαις λόγων καὶ ἰσότησι, καὶ κρεῖσσον οὐδὲν αὐτῶν οὐδ' ὅμοιον ἄλλο συνθεῖναι τῇ φύσει καὶ συναρμόσαι λέλειπται. μιᾶς γε [b] μὴν πάντα συστάσεως οὐκ εἴληχεν οὐδ' ὁμοίαν ἔχει τὴν γένεσιν, ἀλλὰ λεπτότατον μὲν ἐστὶ καὶ μικρότατον ἢ πυραμὶς, μέγιστον δὲ καὶ πολυμερέστατον τὸ δωδεκάεδρον. τῶν δὲ λειπομένων δυεῖν τοῦ ὀκταέδρου μεῖζον ἢ διπλάσιον πλήθει τριγώνων τὸ εἰκοσάεδρον. διὸ τὴν γένεσιν ἅμα πάντα λαμβάνειν ἐκ μιᾶς ὕλης ἀδύνατόν ἐστι. τὰ γὰρ λεπτὰ καὶ μικρὰ καὶ ταῖς κατασκευαῖς ἀπλούστερα πρῶτα τῷ κινεῦντι καὶ διαπλάττοντι τὴν ὕλην ὑπακούειν ἀνάγκη καὶ συντελεῖσθαι καὶ προϋφίστασθαι τῶν ἀδρομερῶν καὶ πολυσωμάτων καὶ τὴν σύστασιν ἐργωδεστέραν ἐχόντων, ἐξ ὧν τὸ δωδεκάεδρον. ἔπεται δὲ τούτῳ τὸ [c] μόνον εἶναι σῶμα πρῶτον τὴν πυραμίδα, τῶν δ' ἄλλων μηδέν, ἀπολειπομένων τῇ φύσει τῆς γενέσεως. ἔστιν οὖν ἴαμα καὶ ταύτης τῆς ἀτοπίας ἢ τῆς ὕλης εἰς πέντε κόσμους διαίρεσις καὶ διάστασις. ὅπου μὲν γὰρ πυραμὶς ὑποστήσεται πρῶτον, ὅπου δ' ὀκτάεδρον,

ΕΙ ΔΙΔΑΚΤΟΝ Η ΑΡΕΤΗ

[439] Περὶ τῆς ἀρετῆς βουλευόμεθα καὶ διαποροῦμεν, εἰ διδακτόν ἐστι τὸ φρονεῖν τὸ δικαιοπραγεῖν τὸ εὖ ζῆν· εἴτα θαυμάζομεν, εἰ ῥητόρων μὲν ἔργα καὶ κυβερνητῶν καὶ ἀρμονικῶν καὶ οἰκοδόμων καὶ γεωργῶν μυρί' ἐστίν, [b] ἀγαθοὶ δ' ἄνδρες ὀνομάζονται καὶ λέγονται μόνον, ὡς ἵπποκένταυροι καὶ γίγαντες καὶ κύκλωπες, ἔργον δ' ἀμεμφές εἰς ἀρετὴν [καὶ ἀκέραιον] οὐκ ἔστιν εὖρεῖν οὐδὲ πάθους ἀκέραιον ἦθος οὐδ' ἄθικτον αἰσχροῦ βίον, ἀλλ' εἰ καὶ τι καλὸν ἢ φύσις αὐτομάτως ἐκφέρει, τοῦτο πολλῷ τῷ ἄλλοτρίῳ, καθάπερ ὕλη καρπὸς ἀγρία καὶ ἀκαθάρτῳ μινγνύμενος, ἐξαμαυροῦται; ψάλλειν μανθάνουσιν οἱ ἄνθρωποι καὶ ὀρχεῖσθαι καὶ ἀναγινώσκειν γράμματα καὶ γεωργεῖν καὶ ἵππεύειν· καὶ τί δεινόν; ὑποδεῖσθαι μανθάνουσι περιβάλλεσθαι, οἶνοχοεῖν διδάσκουσιν ὀψοποιεῖν· ταῦτ' [c] ἄνευ τοῦ μαθεῖν οὐκ ἔστι χρησίμως ποιεῖν, δι' ὃ δὲ ταῦτα πάντα, τὸ εὖ βιοῦν, ἀδίδακτον καὶ ἄλογον καὶ ἄτεχνον καὶ αὐτόματον;

Ὡς ἄνθρωποι, τί τὴν ἀρετὴν λέγοντες ἀδίδακτον εἶναι ποιοῦμεν ἀνὺπαρκτον; εἰ γὰρ ἡ μάθησις γένεσις ἐστίν, ἡ τοῦ μαθεῖν κώλυσις ἀναίρεσις· καίτοι γ', ὡς φησιν ὁ Πλάτων (Clit. 407c), διὰ τὴν τοῦ ποδὸς πρὸς τὴν λύραν ἀμετρίαν καὶ ἀναρμοστίαν οὗτ' ἀδελφὸς ἀδελφῷ πολεμεῖ οὕτε φίλος φίλῳ διαφέρεται οὕτε πόλεις πόλεσι δι' ἀπεχθείας γινόμεναι τὰ ἔσχατα [κακὰ] δρῶσί τε καὶ [d] πάσχουσιν ὑπ' ἀλλήλων, οὐδὲ περὶ προσωδίας ἔχει τις εἰπεῖν στάσιν ἐν πόλει γενομένην, ποτέρως Τελχίνας ἀναγνωστέον, οὐδ' ἐν οἰκίᾳ διαφορὰν ἀνδρὸς καὶ γυναικὸς ὑπὲρ κρόκης ἢ στήμονος· ἀλλ' ὅμως οὗτ' ἂν ἰστὸν οὕτε βιβλίον ἢ λύραν ὃ μὴ μαθὼν μεταχειρίσαιοτο, καίπερ εἰς οὐδὲν μέγα βλαβησόμενος, ἀλλ' αἰδεῖται γενέσθαι καταγέλαστος ('ἀμαθίην' γὰρ Ἡράκλειτός (B 95) φησι 'κρύπτειν ἄμεινον'), οἶκον δὲ καὶ γάμον καὶ πολιτείαν καὶ ἀρχὴν οἶεται καλῶς μεταχειρίσασθαι <μὴ παισὶ μαθὼν ὀρθῶς συμφέρεσθαι> μὴ γυναικὶ μὴ θεράποντι μὴ πολίτῃ μὴ ἀρχομένῳ μὴ ἄρχοντι; παιδὸς ὀψοφαγοῦντος ὁ Διογένης τῷ παιδαγωγῷ κόνδυλον ἔδωκεν, ὀρθῶς οὐ τοῦ μὴ μαθόντος [e] ἀλλὰ τοῦ μὴ διδάξαντος τὸ ἀμάρτημα ποιήσας. εἴτα παροψίδος μὲν ἢ κύλικος

ΠΕΡΙ ΗΘΙΚΗΣ ΑΡΕΤΗΣ

[440] Περὶ τῆς ἠθικῆς λεγομένης ἀρετῆς καὶ δοκούσης, ὧ δὴ μάλιστα τῆς θεωρητικῆς διαφέρει, τῷ τὸ μὲν πάθος ὕλην ἔχειν τὸν δὲ λόγον εἶδος, εἰπεῖν πρόκειται τίνα τ' οὐσίαν ἔχει καὶ πῶς ὑφίστασθαι πέφυκε· καὶ πότερον οἰκείῳ λόγῳ κεκόσμηται τὸ δεδεγμένον μόνον αὐτὴν τῆς ψυχῆς ἢ μετέσχηκεν ἀλλοτρίου· καὶ εἰ μετέσχηκε, πότερον ὡς τὰ μεμιγμένα πρὸς τὸ βέλτιον ἢ μᾶλλον ὡς ἐπιστάσις τινὶ χρώμενον καὶ ἀρχῇ μετέχειν λέγεται τῆς τοῦ ἀρχοντος δυνάμεως. ὅτι μὲν γὰρ δύναται καὶ ἀρετὴ γεγονέναι [e] καὶ μένειν παντάπασιν αὐλος καὶ ἄκρατος, οἷμαι δὴλον εἶναι.

Βέλτιον δὲ βραχέως ἐπιδραμεῖν καὶ τὰ τῶν ἐτέρων, οὐχ ἱστορίας ἔνεκα μᾶλλον ἢ τοῦ σαφέστερα γενέσθαι τὰ οἰκεία καὶ βεβαιότερα προεκτεθέντων ἐκείνων.

Μενέδημος μὲν ὁ ἐξ Ἐρετρίας ἀνῆρει τῶν ἀρετῶν καὶ τὸ πλῆθος καὶ τὰς διαφοράς, ὡς μιᾶς οὐσης καὶ χρωμένης πολλοῖς ὀνόμασι· τὸ γὰρ αὐτὸ σωφροσύνην καὶ ἀνδρείαν καὶ δικαιοσύνην λέγεσθαι, καθάπερ βροτὸν καὶ ἄνθρωπον. Ἀρίστων δ' ὁ Χῖος (fr. 375) τῇ μὲν οὐσίᾳ μίαν [f] καὶ αὐτὸς ἀρετὴν ἐποίει καὶ ὑγίειαν ὠνόμαζε· τῷ δὲ πρὸς τί πως διαφόρους καὶ πλείονας, ὡς εἰ τις ἐθέλοι τὴν ὄρασιν ἡμῶν λευκῶν μὲν ἀντιλαμβανομένην λευκοθέαν καλεῖν, μελάνων δὲ μελανοθέαν ἢ τι τοιοῦτον ἕτερον. καὶ γὰρ ἡ ἀρετὴ ποιητέα μὲν ἐπισκοποῦσα καὶ μὴ ποιητέα [441] [a] κέκληται φρόνησις, ἐπιθυμίαν δὲ κοσμοῦσα καὶ τὸ μέτριον καὶ τὸ εὐκαιρον ἐν ἡδοναῖς ὀρίζουσα σωφροσύνη, κοινωνήμασι δὲ καὶ συμβολαίοις ὁμιλοῦσα τοῖς πρὸς ἐτέρους δικαιοσύνη· καθάπερ τὸ μαχαίριον ἐν μὲν ἐστὶν ἄλλοτε δ' ἄλλο διαιρεῖ, καὶ τὸ πῦρ ἐνεργεῖ περὶ ὕλας διαφόρους μὴ φύσει χρώμενον. ἔοικε δὲ καὶ Ζήνων εἰς τοῦτό πως ὑποφέρεσθαι ὁ Κιτιεύς (fr. 201), ὀριζόμενος τὴν φρόνησιν ἐν μὲν ἀπονεμητέοις δικαιοσύνην ἐν δ' αἰρετέοις σωφροσύνην ἐν δ' ὑπομενετέοις ἀνδρείαν· ἀπολογούμενοι δ' ἀξιοῦσιν ἐν τούτοις τὴν ἐπιστήμην φρόνησιν ὑπὸ τοῦ Ζήνωνος ὠνομάσθαι. Χρύσιππος δὲ (fr. eth. 255) κατὰ [b] τὸν ποιὸν ἀρετὴν ἰδίᾳ ποιότητι συνίστασθαι νομίζων ἔλαθεν αὐτὸν κατὰ τὸν Πλάτωνα (Men. 72a) 'σμήνος ἀρετῶν' οὐ σύνηθες οὐδὲ γνώριμον ἐγείρας· ὡς γὰρ παρὰ τὸν

ἀνδρεῖον ἀνδρείαν καὶ παρὰ τὸν πρᾶον πραότητα καὶ δικαιοσύνην παρὰ τὸν δίκαιον, οὕτω παρὰ τὸν χαρίεντα χαριεντότητας καὶ παρὰ τὸν ἐσθλὸν ἐσθλότητας καὶ παρὰ τὸν μέγαν μεγαλότητας καὶ παρὰ τὸν καλὸν καλότητας ἐτέρας τε τοιαύτας ἐπιδεξιότηας εὐαπαντησίας εὐτραπείας ἀρετὰς τιθέμενος πολλῶν καὶ ἀτόπων ὀνομάτων οὐδὲν δεομένην ἐμπέπληκε <τὴν> φιλοσοφίαν.

Διὸ καὶ καλῶς ὠνόμασται τὸ ἦθος. ἔστι μὲν γάρ, ὡς τύπῳ εἴπεῖν, ποιότης τοῦ ἀλόγου τὸ ἦθος, ὠνόμασται δ' ὅτι τὴν ποιότητα ταύτην καὶ τὴν διαφορὰν ἔθει λαμβάνει τὸ ἄλογον ὑπὸ τοῦ λόγου πλαττόμενον, οὐ βουλομένου τὸ πάθος ἐξαιρεῖν παντάπασιν (οὔτε γὰρ δυνατὸν οὕτ' ἄμεινον), ἀλλ' ὅρον τινὰ καὶ τάξιν ἐπιτιθέντος αὐτῷ καὶ τὰς ἠθικὰς ἀρετάς, οὐκ ἀπαθείας οὔσας ἀλλὰ συμμετρίας [d] παθῶν καὶ μεσότητος, ἐμποιοῦντος· ἐμποιεῖ δὲ τῇ φρονήσει τὴν τοῦ παθητικοῦ δύναμιν εἰς ἕξιν ἀστείαν καθιστάς. τρία γὰρ δὴ ταῦτά φασι περὶ τὴν ψυχὴν ὑπάρχειν, δύναμιν πάθος ἕξιν. ἡ μὲν οὖν δύναμις ἀρχὴ καὶ ὕλη τοῦ πάθους, οἷον ὀργιλότης αἰσχυνηγλία θαρραλεότης· τὸ δὲ πάθος κίνησίς τις ἥδη τῆς δυνάμεως, οἷον ὀργὴ θάρσος αἰδώς [θράσος]· ἡ δ' ἕξις ἰσχύς καὶ κατασκευὴ τῆς περὶ τὸ ἄλογον δυνάμεως ἐξ ἔθους ἐγγενομένη, κακία μὲν, ἂν φαύλως, ἀρετὴ δ', ἂν καλῶς ὑπὸ τοῦ λόγου παιδαγωγηθῇ τὸ πάθος.

Ἐπεὶ δ' οὐ πᾶσαν ἀρετὴν μεσότητα ποιοῦσιν οὐδ' [e] ἠθικὴν καλοῦσι, λεκτέον ἂν εἴη περὶ τῆς διαφορᾶς ἀρξαμένοις ἄνωθεν. ἔστι τοίνυν τῶν πραγμάτων τὰ μὲν ἀπλῶς ἔχοντα τὰ δὲ πῶς ἔχοντα πρὸς ἡμᾶς· ἀπλῶς μὲν οὖν ἔχοντα γῇ οὐρανὸς ἄστρο θάλασσα, πῶς δ' ἔχοντα πρὸς ἡμᾶς ἀγαθὸν κακόν, αἰρετὸν φευκτόν, ἡδὺ ἀλγεινόν. ἀμφοῖν δὲ τοῦ λόγου θεωρητικοῦ ὄντος τὸ μὲν περὶ τὰ ἀπλῶς ἔχοντα μόνον ἐπιστημονικὸν καὶ θεωρητικόν ἐστι, τὸ δ' ἐν τοῖς πῶς ἔχουσι πρὸς ἡμᾶς βουλευτικὸν καὶ πρακτικόν· ἀρετὴ δὲ τούτου μὲν ἡ φρόνησις ἐκείνου δ' ἡ σοφία. διαφέρει δὲ σοφίας φρόνησις, ἥ τοῦ θεωρητικοῦ πρὸς τὸ [f] πρακτικὸν καὶ παθητικὸν ἐπιστροφῆς καὶ σχέσεώς τινος γενομένης ὑφίσταται κατὰ λόγον ἢ φρόνησις. διὸ φρόνησις μὲν τύχης δεῖται σοφία δ' οὐ δεῖται πρὸς τὸ οἰκεῖον τέλος οὐδὲ βουλῆς· ἔστι γὰρ περὶ τὰ ἀεὶ κατὰ ταῦτά καὶ ὡσαύτως ἔχοντα. καὶ καθάπερ ὁ γεωμέτρης οὐ βουλεύεται περὶ [444] [a] τοῦ τριγώνου, εἰ δεῖν ὀρθαῖς ἴσας ἔχει τὰς ἐντὸς γωνίας ἀλλ' οἶδεν (αἱ γὰρ βουλαὶ περὶ τῶν ἄλλοτ' ἄλλως ἐχόντων, οὐ περὶ τῶν βεβαίων καὶ ἀμεταπτῶν), οὕτως ὁ θεωρητικὸς νοῦς περὶ τὰ πρῶτα καὶ

μόνιμα καὶ μίαν αἰὲ φύσιν ἔχοντα μὴ δεχομένην μεταβολὰς ἐνεργῶν ἀπήλλακται τοῦ βουλευέσθαι· τὴν δὲ φρόνησιν εἰς πράγματα πλάνης μεστὰ καὶ ταραχῆς καθιεῖσαν ἐπιμύγνυσθαι τοῖς τυχηροῖς πολλάκις ἀναγκαῖόν ἐστι καὶ τῷ βουλευτικῷ χρῆσθαι περὶ τῶν ἀδηλοτέρων, τῷ δὲ πρακτικῷ τὸ βουλευτικὸν ἐκδεχομένην ἐνεργεῖν ἥδη καὶ τοῦ ἀλόγου συμπάροντος καὶ συνεφελκομένου [b] ταῖς κρίσεσιν. ὁρμῆς γὰρ δέονται· τὴν δ' ὁρμὴν τῷ πάθει ποιεῖ τὸ ἦθος, λόγου δεομένην ὀρίζοντος, ὅπως μετρία παρῇ καὶ μήθ' ὑπερβάλλῃ μήτ' ἐγκαταλείπῃ τὸν καιρόν. τὸ γὰρ διῆ παθητικὸν καὶ ἄλογον κινήσεισι χρήται ταῖς μὲν ἄγαν σφοδραῖς καὶ ὀξείαις ταῖς δὲ μαλακωτέραις ἢ προσήκει καὶ ἀργότεραις. ὅθεν ἕκαστον ὧν πράττομεν αἰὲ μοναχῶς μὲν κατορθοῦται πλεοναχῶς δ' ἀμαρτάνεται· τὸ γὰρ βαλεῖν τὸν σκοπὸν ἓν ἐστι καὶ ἀπλοῦν, ἀστοχοῦσι δ' ἄλλοι· ἄλλως, ὑπερβάλλοντες τὸ μέτριον ἢ προαπολείποντες. τοῦτ' οὖν τοῦ πρακτικοῦ λόγου κατὰ [c] φύσιν ἔργον ἐστί, τὸ ἐξαίρειν τὰς ἀμετρίας τῶν παθῶν καὶ πλημμελείας. ὅπου μὲν γὰρ ὑπ' ἀρρωστίας καὶ μαλακίας ἢ δέους καὶ ὅκνου προενδίδωσιν ἢ ὁρμὴ καὶ προαπολείπει τὸ καλόν, ἐνταῦθα πάρεστιν ἐξεγείρων καὶ ἀναρριπίζων, ὅπου δὲ πάλιν ἐκφέρεται ρυεῖσα πολλὴ καὶ ἄτακτος, ἐκεῖ τὸ σφοδρὸν ἀφαιρεῖ καὶ ἴσθησιν. οὕτως δ' ὀρίζων τὴν παθητικὴν κίνησιν ἐμποιεῖ τὰς ἠθικὰς ἀρετὰς περὶ τὸ ἄλογον, ἐλλείψεως καὶ ὑπερβολῆς μεσότητος οὕσας. οὐ γὰρ ἅπασαν ἀρετὴν μεσότητι γίνεσθαι ῥητέον· ἀλλ' ἢ μὲν ἀπροσδεῆς τοῦ ἀλόγου καὶ περὶ τὸν εἰλικρινῆ [d] καὶ ἀπαθῆ νοῦν συνισταμένη σοφία καὶ φρόνησις αὐτοτελὴς τίς ἐστιν ἀκρότης τοῦ λόγου καὶ δύνამις, ἣ τὸ θειότατον ἐγγίνεται τῆς ἐπιστήμης καὶ μακαριώτατον, ἢ δ' ἀναγκαῖα διὰ τὸ σῶμα καὶ δεομένη τῆς παθητικῆς ὥσπερ ὀργανικῆς ὑπηρεσίας ἐπὶ τὸ πρακτικόν, οὐκ οὕσα φθορὰ τοῦ ἀλόγου τῆς ψυχῆς οὐδ' ἀναίρεσις ἀλλὰ τάξις καὶ διακόσμησις, ἀκρότης μὲν ἐστὶ τῇ δυνάμει καὶ τῇ ποιότητι, τῷ ποσῷ δὲ μεσότης γίνεται τὸ ὑπερβάλλον ἐξαιρουῖσα καὶ τὸ ἐλλείπον.

Ἐπεὶ δὲ πολλαχῶς τὸ μέσον (καὶ γὰρ τὸ κεκραμένον τῶν ἀκράτων μέσον, ὡς λευκοῦ καὶ μέλανος τὸ [e] φαῖόν· καὶ τὸ περιέχον καὶ περιεχόμενον τοῦ περιεχομένου καὶ περιέχοντος, ὡς τῶν δώδεκα καὶ τεττάρων τὰ ὀκτώ· καὶ τὸ μηδετέρου τῶν ἄκρων μετέχον, ὡς ἀγαθοῦ καὶ κακοῦ τὸ ἀδιάφορον), τούτων μὲν οὐδενὶ

Ἐν ᾧ δὴ καὶ μάλιστα δοκεῖ τὸ ἄλογον τῆς πρὸς τὸ [b] λογικὸν διαφορᾶς αὐτοῦ παρέχειν κατανόησιν, καὶ δεικνύειν τὸ πάθος ὡς ἕτερόν τι κομιδῇ τοῦ λόγου ἐστίν. οὐ γὰρ ἂν διέφερε σωφροσύνης ἐγκράτεια, καὶ ἀκολασίας ἀκρασία περὶ τὰς ἡδονὰς καὶ τὰς ἐπιθυμίας, εἰ ταῦτόν ἦν τῆς ψυχῆς ᾧ ἐπιθυμεῖν ᾧ τε κρίνειν πέφυκε. νῦν δὲ σωφροσύνη μὲν ἐστίν, οὗ τὸ παθητικὸν ὥσπερ εὐήνιον θρέμμα καὶ πρᾶον ὁ λογισμὸς ἡνιοχεῖ καὶ μεταχειρίζεται, περὶ τὰς ἐπιθυμίας χρώμενος ὑπείκοντι καὶ δεχομένῳ τὸ μέτριον καὶ τὸ εὐσχημον ἐκουσίως, ὁ δ' ἐγκρατὴς ἄγει μὲν ἐρρωμένῳ τῷ λογισμῷ καὶ κρατοῦντι τὴν ἐπιθυμίαν, ἄγει δ' οὐκ ἀλύπως οὐδὲ πειθομένην ἀλλὰ [c] πλαγίαν καὶ ἀντιτείνουσαν, οἷον ὑπὸ πληγῆς καὶ χαλινοῦ καταβιαζόμενος καὶ ἀνακρούων, ἀγῶνος ὧν ἐν ἑαυτῷ καὶ θορύβου μεστός· οἷον ὁ Πλάτων (Phaedr. 254 sqq.) ἐξεικονίζει περὶ τὰ τῆς ψυχῆς ὑποζύγια, τοῦ χείρονος πρὸς τὸ βέλτιον ζυγομαχοῦντος ἅμα καὶ τὸν ἡνίοχον διαταράττοντος ἀντέχειν ὀπίσω καὶ κατατείνειν ὑπὸ σπουδῆς ἀναγκαζόμενον αἰεὶ, 'μὴ βάλη φοίνικας ἐκ χειρῶν ἱμάντας' κατὰ Σιμωνίδην (fr. 17). ὅθεν οὐδ' ἀρετὴν ἀξιοῦσιν αὐτοτελεῖν τὴν ἐγκράτειαν ἀλλ' ἔλαττον ἀρετῆς εἶναι· μεσότης γὰρ οὐ γέγονεν ἐκ συμφωνίας τοῦ χείρονος πρὸς τὸ

ὁμοπαθῆ καὶ ὑπήκοα καὶ φίλα καὶ συνεργὰ πεποιημένου ταῖς

πρακτικαῖς προαιρέσεσιν, ὥστε μὴ προεκθεῖν τοῦ λογισμοῦ μηδ' ὑπενδιδόναι μηδ' ἀτακτεῖν [e] μηδ' ἀπειθεῖν, ἀλλὰ πᾶσαν ὀρμὴν εὐάγωνον οὔσαν 'ἄθλητον ἵππῳ πῶλον ὥς ἅμα τρέχειν' (Semon. fr. 5), ἐπιβεβαιοῦσαν τὸν Ξενοκράτους (fr. 3) λόγον, ὃν ἐκεῖνος εἶπε περὶ τῶν ἀληθῶς φιλοσοφούντων, ὅτι μόνοι ποιοῦσιν ἐκουσίως ἃ ποιοῦσιν ἄκοντες οἱ λοιποὶ διὰ τὸν νόμον, ὥσπερ ὑπὸ πληγῆς κύνες ἢ γαλαῖ ψόφῳ τῶν ἡδονῶν ἀποτρεπόμενοι καὶ πρὸς τὸ δεινὸν ὑποβλέποντες.

Ὅτι μὲν οὖν γίνεται τις ἐν τῇ ψυχῇ τοιαύτης ἐτερότητος αἰσθησις καὶ διαφορᾶς περὶ τὰς ἐπιθυμίας, ὥς τινος μαχομένου καὶ τάναντία λέγοντος αὐταῖς, οὐκ ἄδηλόν [f] ἔστιν. ἔνιοι δέ φασιν (St. V. Fr. III 459) οὐχ ἕτερον εἶναι τοῦ λόγου τὸ πάθος οὐδὲ δυεῖν διαφορὰν καὶ στάσιν, ἀλλ' ἐνὸς λόγου τροπὴν ἐπ' ἀμφοτέρα, λανθάνουσιν ἡμᾶς ^[447] [a] ὀξύτητι καὶ τάχει μεταβολῆς, οὐ συνορῶντας ὅτι ταυτόν ἐστι τῆς ψυχῆς ὥς πέφυκεν ἐπιθυμεῖν καὶ μετανοεῖν, ὀργίζεσθαι καὶ δεδιέναι, φέρεσθαι πρὸς τὸ αἰσχροὺς ὑφ' ἡδονῆς καὶ φερομένης πάλιν αὐτῆς ἐπιλαμβάνεσθαι· καὶ γὰρ ἐπιθυμίαν καὶ ὀργὴν καὶ φόβον καὶ τὰ τοιαῦτα πάντα δόξας εἶναι καὶ κρίσεις πονηράς, οὐ περὶ ἓν τι γινομένης τῆς ψυχῆς μέρος, ἀλλ' ὅλου τοῦ ἡγεμονικοῦ ῥοπαῆς καὶ εἴξεις καὶ συγκαταθέσεις καὶ ὁρμᾶς καὶ ὅλως ἐνεργείας τινὰς οὔσας ἐν ὀλίγῳ μεταπτωτάς, ὥσπερ αἱ τῶν παίδων ἐπιδρομαὶ τὸ ῥαγδαῖον καὶ τὸ σφοδρὸν ἐπισφαλὲς ὑπ' ἀσθενείας καὶ ἀβέβαιον ἔχουσι.

Ταῦτα δὲ πρῶτον μὲν παρὰ τὴν ἐνάργειάν ἐστι καὶ τὴν [b] αἰσθησιν. οὐδεὶς γὰρ ἐν ἑαυτῷ τοῦ ἐπιθυμοῦντος αἰσθάνεται μεταβολὴν εἰς τὸ κρίνον οὐδὲ τοῦ κρίνοντος αὖ πάλιν εἰς τὸ ἐπιθυμοῦν, οὐδὲ παύεται μὲν ἐρῶν, ὅτε λογίζεται καθεκτέον εἶναι τὸν ἔρωτα καὶ διαμαχετέον πρὸς αὐτόν, ἐξίσταται δὲ πάλιν τοῦ λογίζεσθαι καὶ κρίνειν, ὅταν ἐνδιδῷ μαλασσόμενος ὑπὸ τῆς ἐπιθυμίας· ἀλλὰ καὶ τῷ λόγῳ πρὸς τὸ πάθος ἀντιβαίνων ἐν τῷ πάθει ἐστὶν ἔτι καὶ πάλιν κρατούμενος ὑπὸ τοῦ πάθους διορᾷ τῷ λογισμῷ τὸ ἀμαρτανόμενον, καὶ οὔτε τῷ πάθει τὸν λόγον ἀνῆρηκεν οὔτε τῷ λογίζεσθαι τοῦ πάθους ἀπήλλακται, φερόμενος δ' ἐκατέρωσε μέσος ἀμφοῖν καὶ κοινός ἐστιν.

[c] οἱ δὲ νῦν μὲν ἐπιθυμίαν γίνεσθαι τὸ ἡγεμονικὸν νῦν δὲ τὸν ἀντιπαττόμενον τῇ ἐπιθυμίᾳ λογισμὸν ὑπολαμβάνοντες οὐδὲν ἀπέχουσι τῶν μὴ δύο τὸν κυνηγὸν εἶναι καὶ τὸ θηρίον

ὑπολαμβάνοντων, ἀλλὰ ταῦτό σῶμα χρώμενον μεταβολῇ νῦν μὲν εἶναι θηρίον νῦν δὲ γίνεσθαι κυνηγόν· ἐκεῖνοί τε γὰρ ἐμφανές τι παρορῶσιν οὗτοί τε πρὸς τὴν αἴσθησιν ἀντιμαρτυροῦσιν, οὐχ ἑνός τινος μεταβολῆς ἀλλὰ δυεῖν ἅμα μάχης καὶ διαφορᾶς ἐν αὐτοῖς αἰσθανομένην.

‘Τί οὖν;’ φασίν, ‘οὐχὶ καὶ τὸ βουλευόμενον τοῦ ἀνθρώπου πολλάκις διχοφορεῖ καὶ πρὸς ἐναντίας ἀνθέλκεται [d] δόξας περὶ τοῦ συμφέροντος ἀλλ’ ἓν ἐστι;’ ‘πάνυ μὲν οὖν’ φήσομεν, ‘ἀλλὰ τὸ συμβαῖνον οὐχ ὁμοιον.’ οὐ γὰρ μάχεται πρὸς ἑαυτὸ τῆς ψυχῆς τὸ φρονοῦν, ἀλλὰ μιᾷ χρώμενον δυνάμει διαφόρων ἐφάπτεται λογισμῶν· μᾶλλον δ’ εἷς λογισμὸς ἔστιν ἐν πράγμασι γινόμενος ἑτέροις ὥσπερ ὕλαις διαφερούσαις. ὅθεν οὐτε λύπη τοῖς ἄνευ πάθους λογισμοῖς ἔνεστιν, οὐθ’ ὥσπερ ἐκβιαζόμενοι παρὰ γνώμην αἰροῦνται θάτερον, ἂν μὴ νῆ Δία λανθάνῃ πάθος τι προσηρτημένον ὥσπερ ἐπὶ ζυγοῦ. καὶ γὰρ τοῦτο συμβαίνει πολλάκις, οὐ λογισμοῦ τινος πρὸς λογισμὸν ἀλλὰ φιλοτιμίας ἢ φιλονεικίας ἢ χάριτος ἢ ζηλοτυπίας ἢ δέους [e] ἀντιβαίνοντος οἶεσθαι λόγων εἶναι δυεῖν διαφοράν· ὥσπερ ἐν τούτοις (H 93).

‘αἰδεσθεν μὲν ἀνήνασθαι, δεῖσαν δ’ ὑποδέχθαι.’

καὶ (Eur. fr. 854)

‘τὸ μὲν σφαγήναι δεινὸν εὐκλειαν δ’ ἔχει,

τὸ μὴ θανεῖν δὲ δειλὸν ἡδονὴ δ’ ἔνι’.

καὶ περὶ τὰς κρίσεις τῶν συμβολαίων ὑποτρέχοντα τὰ πάθη τὴν πλείστην ἐμποιεῖ διατριβήν· καὶ περὶ τὰ συμβούλια τῶν βασιλέων οἱ πρὸς χάριν λέγοντες οὐ δυεῖν κρίσεων τῇ ἑτέρᾳ συναγορεύουσιν, ἀλλὰ πάθει τινὶ προστίθενται παρὰ τὸν τοῦ συμφέροντος λογισμόν. διὸ τοὺς ῥήτορας ἐν ταῖς ἀριστοκρατίαις οἱ ἄρχοντες οὐκ ἔωσι [f] παθαίνεσθαι· ῥέπει γὰρ εὐθεῖαν ῥοπὴν ὁ ἀπαθὴς λογισμὸς ἐπὶ τὸ δίκαιον, ἂν δὲ πάθος ἐγγένηται, μάχην ποιεῖ καὶ διαφορὰν τὸ ἡδόμενον καὶ τὸ ἀλγοῦν πρὸς τὸ κρῖνον καὶ τὸ βουλευόμενον. ἐπεὶ διὰ τί τοῖς ἐν φιλοσοφίᾳ σκέμμασιν οὐ πρόσεστι τὸ μετὰ λύπης ὑπὸ τῶν ἐτέρων ἄγεσθαι καὶ [448] [a] μετατίθεσθαι πολλάκις, ἀλλ’ αὐτός τ’ Ἀριστοτέλης Δημόκριτός τε καὶ Χρύσιππος ἔνια τῶν πρόσθεν αὐτοῖς ἀρεσκόντων ἀθορύβως καὶ ἀδήκτως καὶ μεθ’ ἡδονῆς ἀφεῖσαν; ὅτι τῷ θεωρητικῷ καὶ μαθηματικῷ τῆς ψυχῆς πάθος οὐδὲν ἀνθέστηκεν ἀλλ’ ἀτρεμεῖ καὶ οὐ πολυπραγμονεῖ τὸ ἄλογον ἐν τούτοις· διὸ πρὸς τὸ ἀληθές ὁ

λογισμός, ὅταν φανῇ, προέμενος τὸ ψεῦδος ἀσμένως ἀπέκλινεν· ἐν αὐτῷ γὰρ ἔστιν οὐκ ἐν ἐτέρῳ τὸ πειθόμενον καὶ μεταπειθόμενον. αἱ δὲ πραγματικαὶ βουλαὶ καὶ κρίσεις καὶ δίδεται τῶν πολλῶν ἐμπαθεῖς οὕσαι δυσοδίαν τῷ λόγῳ παρέχουσι καὶ δυσκολίαν, ἐνισχομένῳ καὶ ταραπτομένῳ [b] περὶ τὸ ἄλογον, ἀνταῖρον αὐτῷ μεθ' ἡδονῆς τινος ἢ δέους ἢ λύπης ἢ ἐπιθυμίας. καὶ τούτων κριτήριον ἡ αἴσθησίς ἐστιν ἀμφοτέρων ἐφαπτομένη· καὶ γὰρ ἂν περιγένηται θάτερον, οὐκ ἀνήρηκε θάτερον, ἀλλ' ἐφέλκεται καταβιαζόμενον καὶ ἀντιτεῖνον. ὁ γὰρ νουθετῶν αὐτὸν ἐρῶντα χρῆται τῷ λογισμῷ πρὸς τὸ πάθος, ὡς ἀμφοτέρων ἐνόντων ἅμα τῇ ψυχῇ, καθάπερ χειρὶ φλεγμαῖνον ἕτερον μέρος πιέζων καὶ δυεῖν ὄντων καὶ διαφερόντων ἐπαισθανόμενος. ἐν μέντοι ταῖς ἀπαθέσει βουλαῖς καὶ σκέψεσιν, οἷας ἔχει μάλιστα τὸ θεωρητικόν, ἂν μὲν [c] ἴσαι μένωσιν, οὐ γέγονε κρίσις ἀλλ' ἀπορία, στάσις οὕσα καὶ μονή διανοίας ὑπ' ἐναντίων πιθανῶν· ἂν δὲ ῥοπή γένηται πρὸς θάτερον, ἢ κρατήσασα τὴν ἐτέραν λέλυκεν, ὥστε μὴ λυπεῖν μηδ' ὑπεναντιοῦσθαι πρὸς τὴν δόξαν. ὅλως δὲ λογισμοῦ μὲν ἀντικεῖσθαι λογισμῷ δοκοῦντος οὐ γίνεται δυεῖν καὶ ἐτέρων αἴσθησις ἀλλ' ἐνός τινος ἐν διαφόροις γινομένου φαντασίαις· ὅταν δὲ τὸ ἄλογον μάχηται τῷ λογισμῷ, μήτε κρατεῖν ἀλύπως μήτε κρατεῖσθαι πεφυκὸς εὐθύς εἰς δύο διίστησι τῇ μάχῃ τὴν ψυχὴν καὶ ποιεῖ τὴν διαφορὰν πρόδηλον.

[d] Οὐ μόνον τοίνυν ἀπὸ τῆς μάχης ἀλλ' οὐδὲν ἦττον ἀπὸ τῆς ἀκολουθίας κατίδοι τις ἂν τὴν παθητικὴν ἀρχὴν τῆς λογιστικῆς ἐτέραν οὕσαν. ἐπεὶ γὰρ ἔστι μὲν ἐρᾶν εὐφυοῦς πρὸς ἀρετὴν καὶ γενναίου παιδὸς ἔστι δὲ φαύλου καὶ ἀκολάστου, συμβαίνει δὲ θυμῷ χρῆσθαι μὲν ἀλόγως πρὸς παῖδας αὐτοῦ καὶ γονεῖς χρῆσθαι δ' ὑπὲρ γονέων καὶ παίδων δικαίως πρὸς πολεμίους καὶ τυράννους, ὥσπερ ἐκεῖ μάχης καὶ διαφορᾶς τοῦ πάθους πρὸς τὸν λογισμὸν αἴσθησις ἔστιν, οὕτως ἐνταῦθα πειθοῦς καὶ ἀκολουθίας, οἷον ἐπιρρέποντος καὶ συνεπιδιδόντος. ἔτι τοίνυν καὶ [e] γυναικὰ γήμας κατὰ νόμους ἀνὴρ ἐπεικῆς διανοεῖται περιέπειν καὶ συνεῖναι δικαίως καὶ σωφρόνως, χρόνῳ δὲ τῆς συνηθείας ἐντεκούσης πάθος αἰσθάνεται τῷ λογισμῷ τὸ φιλεῖν καὶ τὸ ἀγαπᾶν ἐπιτεινόμενον. ὥσπερ αὖ καὶ νέοι διδασκάλοις ἐπιτυχόντες ἀστείοις ὑπὸ χρείας τὸ πρῶτον ἔπονται καὶ ζηλοῦσιν, ὕστερον δὲ καὶ φιλοῦσιν, ἀντὶ γνωρίμων καὶ μαθητῶν ἐρασταὶ καλούμενοι καὶ ὄντες. τὸ δ' αὐτὸ

‘αἰδῶς τε· δισσαὶ δ’ εἰσίν, ἡ μὲν οὐ κακὴ

ἄρ’ οὐ δηλὸς ἐστὶ συνησθημένος ἐν ἑαυτῷ τοῦτο τὸ πάθος πολλάκις μὲν ἀκολουθοῦν τῷ λόγῳ καὶ συγκατακοσμούμενον, πολλάκις δὲ παρὰ τὸν λόγον ὄκνοις καὶ μελλήσεσι [449] [a] καιροὺς καὶ πράγματα λυμαινόμενον;

Οἷς καὶ αὐτοὶ τρόπον τινὰ διὰ τὴν ἐνάργειαν ὑπεύκοντες αἰδεῖσθαι τὸ αἰσχύνεσθαι καλοῦσι (St. V. Fr. Fr. ἀκολουθητικὰς τῷ αἰροῦντι λόγῳ, δῆλός ἐστιν ὑπὸ τῶν πραγμάτων ὁμολογεῖν ἀναγκαζόμενος, ὡς ἕτερόν ἐστι τὸ ἀκολουθοῦν ἐν ἡμῖν τοῦ [d] ὧ ἀκολουθεῖ πειθόμενον ἢ πάλιν μάχεται μὴ πειθόμενον.

Ἰσα τοίνυν τὰ ἁμαρτήματα πάντα καὶ πάσας τιθέμενοι τὰς ἁμαρτίας (St. V. Fr. III 468), εἰ μὲν ἄλλη πη παρορῶσι τὸ ἀληθές, οὐκ ἔστι καιρὸς ἐν τῷ παρόντι διελέγχειν, ἐν δὲ τοῖς πάθεσι φαίνονται κοιμῶν παρὰ τὴν ἐνάργειαν ἐνιστάμενοι τῷ λόγῳ. πᾶν μὲν γὰρ πάθος ἁμαρτία κατ' αὐτούς ἐστι, καὶ πᾶς ὁ λυπούμενος ἢ φοβούμενος ἢ ἐπιθυμῶν ἁμαρτάνει· μεγάλαι δὲ τῶν παθῶν διαφοραὶ κατὰ τὸ μᾶλλον καὶ τὸ ἥττον ὀρῶνται. τίς γὰρ ἂν φαίη τὸν Δόλωνος φόβον ἴσον εἶναι τῷ Αἴαντος 'ἐντροπαλιζομένου' καὶ βάδην ἀπιόντος ἐκ τῶν πολεμίων 'ὀλίγον γόνυ γουνὸς ἀμείβοντος' (Λ 547); ἢ τῇ [e] Πλάτωνος ἐπὶ Σωκράτει τελευτήσαντι λύπη τὴν Ἀλεξάνδρου διὰ Κλεῖτον αὐτὸν ἀνελεῖν ὀρμήσαντος; ἐπιτείνονται γὰρ οὐ μετρίως καὶ τῷ παρὰ λόγον αἱ λῦπαι, καὶ τὸ παρ' ἐλπίδα σύμπτωμα τοῦ κατὰ λόγον ὀδυνηρότερον· εἰ προσδοκῶν εὐημεροῦντα καὶ θαυμαζόμενον ὄψεσθαι πύθοιτο κατεστρεβλωμένον, ὡς Φιλώταν Παρμενίων. θυμῷ δὲ τίς ἂν εἴποι πρὸς Ἀνάξαρχον ἴσῳ κεχρηῆσθαι Νικοκρέοντα καὶ πρὸς Φιλῆμονα Μάγαν, ἀμφοτέρους λοιδορηθέντας ὑπ' αὐτῶν; ὁ μὲν γὰρ ὑπέροις σιδηροῖς κατέπτισε καὶ κατέκοψεν ἐκεῖνον· ὁ δὲ τῷ Φιλῆμονι τὸν [f] δῆμιον ἐκέλευσεν ἐπὶ τὸν τράχηλον ἐπιθεῖναι γυμνὴν τὴν μάχαιραν εἴτ' ἀφεῖναι. διὸ καὶ νεῦρα τῆς ψυχῆς τὸν θυμὸν ὁ Πλάτων προσεῖπεν (Rep. 411b) ὡς ἐπιτεινόμενόν τε πικρία καὶ πρᾶττι χαλῶμενον.

Ταῦτα τοίνυν καὶ τὰ τοιαῦτα διακρούμενοι τὰς ἐπιτάσεις τῶν παθῶν καὶ τὰς σφοδρότητας οὗ φασι γίνεσθαι (St. V. Fr.

Ἐπεὶ καὶ γελοῖόν ἐστιν, ἣ Πλάτων φησὶν (Resp. 430e), αὐτόν τινα λέγειν αὐτοῦ κρείττονα καὶ πάλιν χεῖρονα, καὶ τὸν μὲν κρατοῦνθ’ ἑαυτοῦ τὸν δὲ μὴ κρατοῦντα.

ΠΕΡΙ ΑΟΡΓΗΣΙΑΣ

[452] ΣΥΛ. Καλῶς μοι δοκοῦσιν, ὦ Φουνδάνε, ποιεῖν οἱ ζωγράφοι διὰ χρόνου τὰ ἔργα πρὶν ἢ συντελεῖν ἐπισκοποῦντες· ὅτι τὴν ὄψιν αὐτῶν ἀφιστάντες τῇ πολλάκις κρίσει ποιοῦσι καινὴν καὶ μᾶλλον ἀπτομένην τῆς παρὰ μικρὸν διαφορᾶς, ἣν ἀποκρύπτει τὸ συνεχές καὶ τὸ [453] [a] σύνηθες. ἐπεὶ τοίνυν οὐκ ἔστιν αὐτὸν αὐτῷ διὰ χρόνου προσελθεῖν χωρὶς γενόμενον καὶ διαστήσαντα τῆς συνεχείας τὴν αἴσθησιν, ἀλλὰ τοῦτ' ἐστὶ τὸ μάλιστα ποιοῦν ἕκαστον αὐτοῦ φαυλότερον κριτὴν ἢ ἐτέρων, δεύτερον ἂν εἴη τὸ τοὺς φίλους ἐφορᾶν διὰ χρόνου καὶ παρέχειν ὁμοίως ἐκείνοις ἑαυτόν, οὐκ εἰ γέρων γέγονε ταχὺ καὶ τὸ σῶμα βέλτιον ἢ χεῖρον ἔσχηκεν, ἀλλὰ τὸν τρόπον καὶ τὸ ἦθος ἐπισκοπεῖν, εἴ τι χρηστὸν ὁ χρόνος προσθέθεικεν ἢ τῶν φαύλων ἀφήρηκεν. ἐγὼ γοῦν ἐνι αὐτῷ μὲν ἀφιγμένος εἰς Ῥώμην δευτέρῳ, συνὼν δέ σοι μῆνα τουτονὶ πέμπτον τὸ μὲν ἐξ ὑπαρχόντων δι' εὐφυΐαν ἀγαθῶν ἐπίδοσιν γεγονέναι [b] τοσαύτην καὶ αὖξισιν οὐ πάνυ θαυμαστὸν ἡγοῦμαι, τὸ δὲ σφοδρὸν ἐκείνο καὶ διάπυρον πρὸς ὀργὴν ὀρῶντί μοι πρᾶον οὕτως καὶ χειρόηθες τῷ λογισμῷ γεγεννημένον ἐπέρχεται πρὸς τὸν θυμὸν εἰπεῖν (X 373)

‘ὦ πόποι, ἦ μάλα δὴ μαλακώτερος.’

αὕτη δ' ἡ μαλακότης οὐκ ἀργίαν οὐδ' ἔκλυσιν, ἀλλ' ὥσπερ ἡ κατειργασμένη γῆ λειότητα καὶ βάθος ἐνεργὸν ἐπὶ τὰς πράξεις ἔσχηκεν ἀντὶ τῆς φορᾶς ἐκείνης καὶ τῆς ὀξύτητος. διὸ καὶ δῆλόν ἐστιν οὐ παρακμῇ τινι δι' ἡλικίαν τὸ θυμοειδές οὐδ' αὐτομάτως ἀπομαραινόμενον, ἀλλ' ὑπὸ λόγων τινῶν χρηστῶν θεραπευόμενον. καίτοι (τὸ γὰρ ἀληθές εἰρήσεται πρὸς σέ) ταῦθ' ἡμῖν Ἔρωσ ὁ ἐταῖρος [c] ἀπαγγέλλων ὑποπτος ἦν τὰ μὴ προσόντα πρέποντα δὲ προσεῖναι τοῖς καλοῖς κάγαθοῖς δι' εὖνοιαν ἐπιμαρτυρεῖν, καίτερ, ὡς οἶσθα, οὐδαμῇ πιθανὸς ὢν τῷ πρὸς χάριν ὑφίεσθαι τοῦ δοκοῦντος. ἀλλὰ νῦν ἐκεῖνός τε τῶν ψευδομαρτυριῶν ἀφεῖται, καὶ σύ, τῆς ὁδοιπορίας σχολὴν διδούσης, ὥσπερ ἰατροῦ τινὰ σεαυτοῦ δῖελθ' ἡμῖν, ἢ χρησάμενος οὕτως εὐήνιον καὶ ἀπαλὸν καὶ τῷ λόγῳ πρᾶον καὶ ὑπήκοον ἐποιήσω τὸν θυμόν.

ΦΟΥΝΔ. Εἴτ' οὐ σκοπεῖς, ὦ προθυμότατε Σύλλα, μὴ καὶ αὐτὸς

εὐνοία καὶ φιλία τῇ πρὸς ἡμᾶς παρορᾷς τι τῶν ἡμετέρων; Ἐρωτι μὲν γὰρ οὐδ' αὐτῷ πολλάκις ἔχοντι [d] κατὰ χώραν ἐν τῇ Ὀμηρικῇ πείσῃ (υ 23) μένοντα τὸν θυμόν, ἀλλὰ τραχύτερον ὑπὸ μισοπονηρίας εἰκὸς ἐστὶ πραοτέρους ἡμᾶς φανῆναι, καθάπερ ἐν διαγραμμαμάτων μεταβολαῖς νῆταί τινες πρὸς ἑτέρας νήτας τάξιν ὑπάτων λαμβάνουσιν.

ΣΥΛ. Οὐδέτερα τούτων ἔστιν, ὦ Φουνδάνε· ποίει δ' ὡς λέγω, χαριζόμενος ἡμῖν.

ΦΟΥΝΔ. Καὶ μὴν ὦν γε μεμνήμεθα Μουσωνίου (fr. 36) καλῶν ἐν ἐστίν, ὦ Σύλλα, τὸ δεῖν αἰεὶ θεραπευομένους βιοῦν τοὺς σῶζεσθαι μέλλοντας. οὐ γὰρ ὡς ἐλλέβορον, οἶμαι, δεῖ θεραπεύσαντα συνεκφέρεσθαι τῷ νοσήματι τὸν λόγον, ἀλλ' ἐμμένοντα τῇ ψυχῇ συνέχειν τὰς κρίσεις καὶ [e] φυλάσσειν. φαρμάκοις γὰρ οὐκ ἔοικεν ἀλλὰ σιτίοις ὑγιεινοῖς ἢ δύναμις αὐτοῦ, μετ' εὐτονίας ἔξιν ἐμποιοῦσα χρηστὴν οἷς ἂν γένηται συνήθης· αἱ δὲ πρὸς ἀκμάζοντα τὰ πάθη καὶ οἰδοῦντα παραινέσεις καὶ νοουθεσίαι σχολῇ μὲν ἀνύτουσι καὶ μόλις, οὐδενὶ δὲ τῶν ὁσφραντῶν διαφέρουσιν, ἃ τοὺς ἐπιληπτικοὺς ἐγείροντα πίπτοντας οὐκ ἀπαλλάττει τοῦ νοσήματος. ὅμως δὲ τὰ μὲν ἄλλα καὶ παρ' ὄν ἀκμάζει καιρὸν ἀμωσγέπως ὑπέκει καὶ παρήσι βοηθοῦντα λόγον ἔξωθεν εἰς τὴν ψυχὴν, ὃ δὲ θυμὸς οὐχ ἧ φησιν ὁ Μελάνθιος (Tr. fr. p. 760)

‘τὰ δεινὰ πράσσει τὰς φρένας μετοικίσας,’

ἀλλ' ἐξοικίσας τελείως καὶ ἀποκλείσας, ὥσπερ οἱ συνεμπιπράντες [f] ἑαυτοὺς ταῖς οἰκίαις, πάντα ταραχῆς καὶ καπνοῦ καὶ φόφου μεστὰ ποιεῖ τὰ ἐντός, ὥστε μήτ' ἰδεῖν μήτ' ἀκοῦσαι τῶν ὠφελούντων. διὸ μᾶλλον ἐν πελάγει καὶ χειμῶνι ναῦς ἔρημος ἀναλήψεται κυβερνήτην ἔξωθεν [454] [a] ἢ προσδέξεται λόγον ἀλλότριον ἄνθρωπος ἐν θυμῷ καὶ ὀργῇ σαλεύων, ἂν μὴ παρεσκευασμένον ἔχη τὸν οἰκεῖον λογισμόν. ἀλλ' ὥσπερ οἱ πολιορκίαν προσδεχόμενοι συνάγουσι καὶ παρατίθενται τὰ χρήσιμα τὰς ἔξωθεν ἐλπίδας ἀπεγνωκότες, οὕτω μάλιστα δεῖ τὰ πρὸς τὸν θυμὸν βοηθήματα πόρρωθεν λαμβάνοντας ἐκ φιλοσοφίας κατακομίζειν εἰς τὴν ψυχὴν, ὡς, ὅταν ὁ τῆς χρείας ἀφίκηται καιρὸς, μὴ ῥαδίως παρεισάγειν δυνησομένους. οὐδὲ γὰρ ἀκούει τῶν ἐκτὸς ἡ ψυχὴ διὰ τὸν θόρυβον, ἐὰν μὴ καθάπερ κελευστήν ἔνδοθεν ἔχη τὸν αὐτῆς λόγον ὁξέως δεχόμενον [b] καὶ συνιέντα

τῶν παραγγελλομένων ἕκαστον· ἀκούσασα δὲ τῶν μὲν ἡρέμα καὶ πρῶως λεγομένων καταφρονεῖ, πρὸς δὲ τοὺς ἐνισταμένους τραχύτερον ἐρεθίζεται. καὶ γὰρ ὑπερήφανος καὶ αὐθάδης καὶ ὅλως ὑφ' ἐτέρου δυσκίνητος ὁ θυμὸς ὧν ὥσπερ ὀχυρὰ τυραννὶς ἐξ ἑαυτῆς ἔχειν ὀφείλει σύνοικον καὶ συγγενὲς τὸ καταλῦον.

Ἡ μὲν οὖν συνέχεια τῆς ὀργῆς καὶ τὸ προσκρούειν πολλάκις ἔξιν ἐμποιεῖ πονηρὰν τῇ ψυχῇ, ἣν ὀργιλότητα καλοῦσιν, εἰς ἀκραχολίαν καὶ πικρίαν καὶ δυσκολίαν τελευτῶσαν, ὅταν ἐλκώδης καὶ μικρόλυπος ὁ θυμὸς γένηται [c] καὶ φιλαίτιος ὑπὸ τῶν τυχόντων ὡς σίδηρος ἀσθενὴς καὶ λεπτὸς ἀναχαρασσόμενος, ἡ δὲ παραχρῆμα ταῖς ὀργαῖς ἐνισταμένη καὶ πιέζουσα κρίσις οὐ τὸ παρὸν ἰᾶται μόνον, ἀλλὰ καὶ πρὸς τὸ λοιπὸν εὖτονον ποιεῖ καὶ δυσπαθῇ τὴν ψυχὴν. ἐμοὶ γοῦν συνέβη δις ἢ τρίς ἐνστάντι πρὸς ὀργὴν τὸ τῶν Θηβαίων παθεῖν, οἱ τὸ πρῶτον ὠσάμενοι Λακεδαιμονίους ἀηττήτους εἶναι δοκοῦντας οὐδεμίαν ὕστερον ἡττήθησαν ὑπ' αὐτῶν μάχην· φρόνημα γὰρ ἔσχον ὡς κρατεῖν ἔστι τῷ λογισμῷ. ἐώρων δ' οὐ μόνον ψυχροῦ κατασκεδαννυμένου λήγουσαν ὀργὴν ὡς Ἀριστοτέλης ἱστόρησεν, ἀλλὰ καὶ φόβου προσαχθέντος ἀποσβεννυμένην· [d] καὶ νῆ Δία χαρᾶς ἐπιγενομένης ἄφνω καθ' Ὅμηρον 'ἰάνθη' (Ψ 598. 600 al.) καὶ διεχύθη πολλοῖς ὁ θυμός. ὥστε μοι παρίστατο μὴ παντελῶς ἀβοήθητον εἶναι τοῖς γε βουλομένοις τὸ πάθος.

Οὐδὲ γὰρ ἀρχὰς ἔχει μεγάλας ἀεὶ καὶ ἰσχυράς, ἀλλὰ καὶ σκῶμμα καὶ παιδιὰ καὶ τὸ γελάσαι τινὰ καὶ τὸ διανεῦσαι καὶ πολλὰ τοιαῦτα πολλοὺς εἰς ὀργὴν καθίστησιν, ὥσπερ ἡ Ἑλένη τὴν ἀδελφιδὴν προσαγορεύσασα (Eurip. Or. 72)

‘παρθένε μακρὸν δὴ μῆκος Ἥλέκτρα χρόνου’

παρώξυνεν εἰπεῖν (ib. 99)

‘ὄψέ γε φρονεῖς εὔ, τότε λιποῦς’ αἰσchrῶς δόμους·’

καὶ τὸν Ἀλέξανδρον ὁ Καλλιस्थένης εἰπὼν τῆς μεγάλης [e] κύλικος περιφερομένης ‘οὐ βούλομαι πιὼν Ἀλεξάνδρου Ἀσκληπιοῦ δεῖσθαι.’ καθάπερ οὖν τὴν φλόγα θριξὶ λαγῶναις ἀναπτομένην καὶ θρυαλλίσιν καὶ συρφετῷ ῥάδιόν ἐστιν ἐπισχεῖν, ἐὰν δ' ἐπιλάβηται τῶν στερεῶν καὶ βάθος ἔχόντων, ταχὺ διέφθειρε καὶ συνεῖλεν ‘ὑψηλὸν ἠβήσασα τεκτόνων πόνον’ ὡς φησιν Αἰσχύλος (fr. 357), οὕτως ὁ τῷ θυμῷ προσέχων ἐν ἀρχῇ καὶ κατὰ μικρὸν ἐκ τινος λαλιᾶς καὶ βωμολοχίας συρφετώδους ὀρῶν

καπνιῶντα καὶ διακαιόμενον οὐ μεγάλης δεῖται πραγματείας, ἀλλὰ πολλάκις αὐτῷ τῷ σιωπῆσαι καὶ καταμελῆσαι κατέπαυσε.

[f] καὶ γὰρ τὸ πῦρ ὃ μὴ παρασχὼν ὕλην ἔσβεσε, καὶ ὀργὴν ὃ μὴ θρέψας ἐν ἀρχῇ καὶ μὴ φυσῆσας ἐαυτὸν ἐφυλάξατο καὶ καθεῖλεν. οὐκ ἤρεσκεν οὖν μοι, καίτερ ἄλλα χρήσιμα λέγων καὶ παραινῶν, ὃ Ἰερώνυμος (Sat. Saupp. p. 103), ἐν οἷς οὐ φησι γινομένης ἀλλὰ γεγενημένης καὶ οὔσης αἰσθησιν ὀργῆς εἶναι διὰ τὸ τάχος. οὐθὲν γὰρ οὕτω τῶν παθῶν συλλεγόμενον καὶ διακινούμενον ἔχει τὴν γένεσιν [455] [a] ἐμφανῇ καὶ τὴν αὔξησιν. ὥς δὴ καὶ Ὅμηρος ἐμπείρως διδάσκει, λυπηθέντα μὲν εὐθύς ἐξαίφνης ποιῶν τὸν Ἀχιλλεῖα τοῦ λόγου προσπεσόντος, ἐν οἷς λέγει (Σ 22)

‘ὥς φάτο· τὸν δ’ ἄχεος νεφέλη ἐκάλυψε μέλαινα,’

θυμούμενον δὲ βραδέως τῷ Ἀγαμέμνονι καὶ διὰ λόγων πολλῶν ἐκκαίόμενον (A 101 sqq.)· οὐς εἰ τις ὑφεῖλεν αὐτῶν ἐν ἀρχῇ καὶ διεκώλυσεν, οὐκ ἂν ἔσχεν αὔξησιν ἢ διαφορὰ τηλικαύτην καὶ μέγεθος. ὅθεν ὁ Σωκράτης ὁσάκις αἰσθοίτο κινουμένου τραχύτερον αὐτοῦ πρὸς τινὰ τῶν φίλων (PLG. III 721), ‘πρὸ χείματος ὥστ’ ἀνὰ ποντίαν ἄκραν’ στελλόμενος, ἐνεδίδου τε τῇ φωνῇ καὶ [b] διεμειδία τῷ προσώπῳ καὶ τὸ βλέμμα πραότερον παρεῖχε, τῷ ῥέπειν ἐπὶ θάτερα καὶ πρὸς τοῦναντίον ἀντικινεῖσθαι τῷ πάθει διαφυλάττων ἐαυτὸν ἀπτῶτα καὶ ἀήττητον.

Ἔστι γάρ τις, ᾧ ἐταῖρε, πρώτη καθάπερ τυράννου κατάλυσις τοῦ θυμοῦ, μὴ πείθεσθαι μηδ’ ὑπακούειν προστάττοντος αὐτοῦ μέγα βοᾶν καὶ δεινὸν βλέπειν καὶ κόπτειν ἐαυτόν, ἀλλ’ ἡσυχάζειν καὶ μὴ συνεπιτείνειν ὥσπερ νόσημα ῥιπτασμῷ καὶ διαβοήσῃ τὸ πάθος. αἱ μὲν γὰρ ἐρωτικαὶ πράξεις, οἷον ἐπικωμάσαι καὶ ἔσαι καὶ στεφανῶσαι θύραν, ἔχουσιν ἀμωσγέπως κουφισμὸν οὐκ ἄχαριν οὐδ’ ἄμουσον·

‘ἐλθὼν δ’ οὐκ ἐβόησα τίς ἦ τίνας, ἀλλ’ ἐφίλησα

[c] τὴν φλιήν. εἰ τοῦτ’ ἔστ’ ἀδίκημ’, ἀδικῶ’

(Callim. ep. 42, 5. 6),

αἶ τε τοῖς πενθοῦσιν ἐφέσεις τοῦ ἀποκλαῦσαι καὶ ἀποδύρασθαι πολὺ τι τῆς λύπης ἅμα τῷ δακρύῳ συνεξάγουσιν· ὁ δὲ θυμὸς ἐκριπίζεται μᾶλλον οἷς πράττουσι καὶ λέγουσιν οἱ ἐν αὐτῷ καθεστῶτες. ἀτρεμεῖν οὖν κράτιστον ἢ φεύγειν καὶ ἀποκρύπτειν καὶ καθορμίζειν ἐαυτὸν εἰς ἡσυχίαν, ὥσπερ ἐπιληψίας ἀρχομένης συναισθανομένων, ἵνα μὴ πέσωμεν μᾶλλον δ’ ἐπιπέσωμεν·

ἐπιπίπτομεν δὲ τοῖς φίλοις μάλιστα γὰρ καὶ πλειστάκις, οὐ γὰρ πάντων ἐρῶμεν οὐδὲ πᾶσι φθονοῦμεν οὐδὲ πάντας φοβούμεθα, θυμῷ δ' ἄθικτον οὐδὲν οὐδ' ἀνεπιχείρητον, ἀλλ' ὀργιζόμεθα καὶ [d] πολέμοις καὶ φίλοις καὶ τέκνοις καὶ γονεῦσι καὶ θεοῖς νῆ Δία καὶ θηρίοις καὶ ἀψύχοις σκεύεσιν, ὡς ὁ Θαμύρας (Soph. fr. 223)

‘ῥηγνὺς χρυσόδετον κέρας,

ῥηγνὺς ἁρμονίαν χορδοτόνου λύρας,’

καὶ ὁ Πάνδαρος αὐτῷ καταρῶμενος, εἰ μὴ τὰ τόξα καταπρήσειε ‘χερσὶ διακλάσας’ (E 215). ὁ δὲ Ξέρξης καὶ τῇ θαλάττῃ στίγματα καὶ πληγὰς ἐνέβαλλε καὶ πρὸς τὸ ὄρος ἐξέπεμπεν ἐπιστολάς ‘Ἄθω δαιμόνιε οὐρανόμηκες, μὴ ποιεῖν ἐν ἐμοῖς ἔργοις λίθους μεγάλους καὶ δυσκατεργάστους· εἰ δὲ μή, τεμῶν ῥίψω σ’ αὐτὸν εἰς θάλασσαν.’ πολλὰ γὰρ ἐστι τοῦ θυμοῦ φοβερὰ, πολλὰ δὲ καὶ γελοῖα· [e] διὸ καὶ μισεῖται καὶ καταφρονεῖται μάλιστα τῶν παθῶν. ἀμφότερα δ’ ἐσκέφθαι χρήσιμον.

Ἐγὼ γοῦν, εἰ μὲν ὀρθῶς, οὐκ οἶδα, ταύτην δὲ τῆς ἰατρείας ἀρχὴν ποιησάμενος, ὥσπερ οἱ Λάκωνες ἐν τοῖς εἰλῳσι τὸ μεθύειν οἷόν ἐστι, κατεμάνθανον τὴν ὀργὴν ἐν ἑτέροις. καὶ πρῶτον μὲν, ἣ φησιν Ἱπποκράτης (Progn. 2) χαλεπωτάτην εἶναι νόσον ἐν ἣ τοῦ νοσοῦντος ἀνομοιότατον αὐτῷ γίνεται τὸ πρόσωπον, οὕτως ὀρῶν ὑπ’ ὀργῆς ἐξισταμένους μάλιστα καὶ μεταβάλλοντας ὄψιν χρῶαν βάδισμα φωνὴν οἷον εἰκόνα τοῦ πάθους ἀπεματτόμενη ἐμαυτῷ, πάνυ δυσχεραίνων εἰ φοβερὸς οὕτως καὶ παρακεκινηκῶς [f] ὀρῶμαί ποτε τοῖς φίλοις καὶ τῇ γυναικὶ καὶ τοῖς θυγατρίοις, οὐ μόνον ἰδεῖν ἄγριος καὶ ἀσυνήθης ἀλλὰ καὶ φωνὴν ἀπηνῆ καὶ τραχεῖαν ἀφιεῖς· ὥσπερ ἑτέροις τῶν συνήθων ἐνετύγχανον οὐκ ἦθος οὐ μορφὴν οὐ λόγου χάριν οὐ τὸ πιθανὸν καὶ προσηνὲς ἐν ὁμιλίᾳ δυναμένοις ὑπ’ [456] [a] ὀργῆς διαφυλάττειν. Γαῖω μὲν οὖν Γράκῳ τῷ ῥήτορι καὶ τὸν τρόπον ὄντι χαλεπῷ καὶ περιπαθέστερον λέγοντι διηρμωσμένον ἦν συρίγγιον, ὃ τὴν φωνὴν οἱ ἁρμονικοὶ σχέδην ἐπ’ ἀμφότερα διὰ τῶν τόνων ἄγουσι, καὶ τοῦτ’ ἔχων οἰκέτης αὐτοῦ λέγοντος ὀπισθεν ἐστὼς ἐνεδίδου τόνον ἐπιεικῇ καὶ πρᾶον, ὃ τὴν κραυγὴν ἀνεκαλεῖτο καὶ τὸ τραχὺ καὶ τὸ θυμικὸν ἀφήρει τῆς φωνῆς, ὥσπερ ὁ τῶν βουκόλων (Aisch. Prom. 575)

‘κηρόπλαστος ὀτοβεῖ δόναξ

ἀχέτας ὑπνοδόταν νόμον,’

ἐπιθέλγων καὶ καθιστὰς τὴν ὀργὴν τοῦ ῥήτορος· ἐμοὶ δ' εἴ τις ἐμμελῆς καὶ κομψὸς ἀκόλουθος ἦν, οὐκ ἂν ἡχθόμην [b] αὐτοῦ προσφέροντος ἐπὶ ταῖς ὀργαῖς ἔσοπτρον, ὥσπερ ἐνίοις προσφέρουσι λουσαμένοις ἐπ' οὐδενὶ χρησίμῳ. τὸ γὰρ αὐτὸν ἰδεῖν παρὰ φύσιν ἔχοντα καὶ συντεταραγμένον οὐ μικρόν ἐστιν εἰς διαβολὴν τοῦ πάθους. καὶ γὰρ τὴν Ἀθηναίων λέγουσιν οἱ παίζοντες αὐλοῦσαν ὑπὸ τοῦ σατύρου νουθετεῖσθαι καὶ μὴ προσέχειν (Tr. ad. 381).

θεασαμένην δὲ τοῦ προσώπου τὴν ὄψιν ἐν ποταμῷ τινὶ δυσχερᾶναι καὶ προέσθαι τοὺς αὐλοὺς· καίτοι παραμυθίαν ἢ τέχνη τῆς ἀμορφίας ἔχει τὴν ἐμμέλειαν. καὶ ὁ Μαρσύας, ὡς ἔοικε, φορβεῖα τινὶ καὶ περιστομίῳ [βίβλ.] τοῦ [c] πνεύματος τὸ ῥαγδαῖον ἐγκαθεῖρξε καὶ τοῦ προσώπου κατεκόσμησε καὶ ἀπέκρυψε τὴν ἀνωμαλίαν,

‘χρυσῷ δ' αἰγλήεντι συνήρμοσεν ἀμφιδασείας

ἡ δ' ὀργὴ φυσῶσα καὶ διατείνουσα τὸ πρόσωπον ἀπρεπῶς ἔτι μᾶλλον αἰσχροὺς ἀφίησι καὶ ἀτερπῆ φωνὴν (Tr. ad. 361)

τὴν μὲν γὰρ θάλασσαν, ὅταν ἐκταραχθεῖσα τοῖς πνεύμασι τὰ βρύα καὶ τὸ φῦκος ἀναβάλλῃ, καθαίρεσθαι λέγουσιν· ἃ δ' ὁ θυμὸς ἐκβράσσει τῆς ψυχῆς περιτρεπομένης ἀκόλαστα καὶ πικρὰ καὶ σπερμολόγα ῥήματα, τοὺς λέγοντας πρῶτους καταρρυπαίνει καὶ κατατίμπλησιν ἀδοξίας, [d] ὡς αἰὲν ἔχοντας ἐν αὐτοῖς ταῦτα καὶ πλήρεις ὄντας ὑπὸ δὲ τῆς ὀργῆς ἀνακαλυπτομένους. διὸ ‘κουφοτάτου πράγματος’ ὥς φησι Πλάτων ‘λόγου βαρυτάτην ζημίαν’ τίνουσιν, ἐχθροὶ καὶ κακολόγοι καὶ κακοήθεις δοκοῦντες εἶναι. ταῦτ' οὖν ὀργῶντί μοι καὶ παραφυλάττοντι συμβαίνει τίθεσθαι καὶ διαμνημονεύειν ἐπικεικῶς πρὸς ἑμαυτόν, ὡς ἀγαθὸν μὲν ἐστὶν ἐν πυρετῷ κρεῖττον δ' ἐν ὀργῇ τὴν γλῶτταν ἀπαλὴν ἔχειν καὶ λείαν. ἡ μὲν γὰρ τῶν πυρεττόντων ἐὰν μὴ κατὰ φύσιν σχῆ, σημειῶν ἐστὶ πονηρὸν οὐκ αἴτιον, ἡ δὲ τῶν θυμουμένων τραχεῖα καὶ ῥυπαρὰ γενομένη καὶ [e] ῥυεῖσα πρὸς λόγους ἀτόπους ἔχθρας ἀνηκέστου δημιουργὸν ὕβριν ἐκφέρει καὶ δυσμενείας ὑπούλου κατήγορον. οὐδὲν γὰρ ὁ ἄκρατος ἀκόλαστον οὕτω καὶ

δυσχερὲς ὡς ὁ θυμὸς ἀναδίδωσι, κάκεῖνα μὲν γέλωτι καὶ παιδιᾷ μέλει, ταῦτα δὲ χολῇ κέκραται· καὶ παρὰ πότον μὲν ὁ σιωπῶν ἐπαχθὴς τοῖς συνοῦσι καὶ φορτικός, ἐν ὀργῇ δὲ σεμνότερον οὐδὲν ἡσυχίας, ὡς ἡ Σαπφὼ παραινεῖ (PLG. III fr. 27) ‘σκιδναμένης ἐν στήθεσιν ὀργῆς πεφυλάχθαι γλῶσσαν μαφυλάκαν.’

Οὐ ταῦτα δὲ μόνον ἐπιλογίζεσθαι δίδωσι τὸ προσέχειν αἰεὶ τοῖς ἀλισκομένοις ὑπ’ ὀργῆς, ἀλλὰ καὶ τὴν ἄλλην [f] τοῦ θυμοῦ κατανοεῖν φύσιν, ὡς οὐκ εὐγενὴς οὐδ’ ἀνδρώδης οὐδ’ ἔχουσα φρόνημα καὶ μέγεθος ἐστίν, ἀλλὰ δοκεῖ τοῖς πολλοῖς τὸ ταρακτικὸν αὐτοῦ πρακτικὸν καὶ τὸ ἀπειλητικὸν εὐθαρσὲς εἶναι καὶ τὸ ἀπειθὲς ἰσχυρόν. ἔνιοι δὲ καὶ τὴν ὠμότητα μεγαλουργίαν καὶ τὸ δυσπαραίτητον εὐτονίαν καὶ μισοπονηρίαν τὸ δύσκολον οὐκ ὀρθῶς τίθενται· τὰ γὰρ ἔργα καὶ τὰ κινήματα καὶ τὰ σχήματα μικρότητα ^[457] [a] πολλὴν καὶ ἀσθένειαν κατηγορεῖ, οὐ μόνον ἐν οἷς παιδάρια σπαράττουσι καὶ πρὸς γύναια διαπικραίνονται καὶ κύνας καὶ ἵππους καὶ ἡμιόνους οἶονται δεῖν κολάζειν, ὡς Κτησιφῶν ὁ παγκρατιαστής ἀντιλακτίσαι τὴν ἡμίονον ἀξιῶν, ἀλλὰ καὶ περὶ τὰς τυραννικὰς μισαιφονίας τῷ πικρῷ τὸ μικρόψυχον αὐτῶν καὶ τῷ δρῶντι τὸ πεπονθὸς ἐνορώμενον ἔοικε τοῖς δῆγμασι τῶν ἐρπετῶν, ὅταν διακαῇ καὶ περιώδυνα γένηται, τὴν φλεγμονὴν ἀπερειδομένων σφοδρὰν τοῖς λελυπηκόσιν. ὡς γὰρ οἷδημα μεγάλης ἐστὶν ἐν σαρκὶ πληγῆς πάθος, οὕτως ἐν ταῖς μαλακωτάταις [b] ψυχαῖς ἢ πρὸς τὸ λυπῆσαι ἔνδοσις ἐκφέρει μείζονα θυμὸν ἀπὸ μείζονος ἀσθενείας. διὸ καὶ γυναῖκες ἀνδρῶν ὀργιλώτεραι καὶ νοσοῦντες ὑγιαινόντων καὶ γέροντες ἀκμαζόντων καὶ κακῶς πράττοντες εὐτυχούντων. ὀργιλώτατος γὰρ ὁ φιλάργυρος πρὸς τὸν οἰκονόμον, ὁ γαστρίμαργος πρὸς τὸν ὀψοποιόν, ὁ ζηλότυπος πρὸς τὸ γύναιον, ὁ κενόδοξος κακῶς ἀκούσας· χαλεπώτατοι δ’ ‘ἄγαν φιλοτιμίαν μνῶμενοι ἐν πόλεσιν ἄνδρες· ἰστᾷσιν ἄλγος ἐμφανές’ κατὰ Πίνδαρον (fr. 210). οὕτως ἐκ τοῦ λυπουμένου μάλιστα τῆς ψυχῆς καὶ πάσχοντος ἀνίσταται μάλιστα δι’ ἀσθένειαν ὁ θυμὸς, οὐχὶ νεύροις, ὡς τις εἶπε (Plato [c] Rep. 411b), τῆς ψυχῆς ἐοικώς, ἀλλ’ ἐπιτάμασι καὶ σπάσμασιν ἐν ταῖς ἀμυντικαῖς ὁρμαῖς σφοδρότερον ἐξανισταμένης.

Πτολεμαῖος δὲ γραμματικὸν εἰς ἀμαθίαν ἐπισκώπτων ἠρώτησε τίς ὁ τοῦ Πηλέως πατήρ ἦν· κἀκεῖνος ‘ἂν σὺ [b] πρότερον εἴπῃς’ ἔφη ‘τίς ὁ τοῦ Λάγου·’ τὸ δὲ σκῶμμα τῆς δυσγενείας ἦπτετο τοῦ βασιλέως, καὶ πάντες ἠγανάκτησαν ὡς οὐκ ἐπιτήδειον ὄν καὶ ἄκαιρον· ὁ δὲ Πτολεμαῖος ‘εἰ μὴ τὸ φέρειν’ ἔφη ‘σκωπτόμενον, οὐδὲ τὸ σκώπτειν βασιλικὸν ἐστίν.’ Ἀλέξανδρος δὲ πικρότερος αὐτοῦ γέγονεν ἐν τοῖς περὶ Καλλισθένη καὶ Κλεῖτον. ἦ καὶ Πῶρος ἀλοὺς παρεκάλει χρήσασθαι βασιλικῶς αὐτῷ· καὶ πυθομένου ‘μή τι πλέον;’ ‘ἐν τῷ βασιλικῶς’ ἔφη ‘πάντ’ ἔνεστι.’ διὸ καὶ τῶν θεῶν τὸν βασιλέα ‘Μειλίχιον’ Ἀθηναῖοι δὲ ‘Μαιμάκτην’ οἴμαι καλοῦσι· τὸ δὲ κολαστικὸν ἐρινυῶδες καὶ [c] δαιμονικόν, οὐ θεῖον οὐδ’ ὀλύμπιον.

Πάντων δὲ τῶν παθῶν ἐθισμοῦ δεομένων οἷον δαμάζοντος καὶ καταθλοῦντος ἀσκήσει τὸ ἄλογον καὶ δυσπειθὲς οὐ πρὸς ἄλλο μᾶλλον ἔστιν ἐγγυμνάσασθαι τοῖς οἰκέταις ἢ πρὸς τὸν θυμόν. οὔτε γὰρ φθόνος οὔτε φόβος οὔτε φιλοτιμία τις ἐγγίνεται πρὸς αὐτοὺς, ὀργαὶ δὲ συνεχεῖς πολλὰ ποιοῦσαι προσκρούματα καὶ σφάλματα, διὰ τὴν ἐξουσίαν ὥσπερ ἐν ὀλισθηρῷ χωρίῳ μηδενὸς ἐνισταμένου μηδὲ κωλύοντος ὑποφέρουσαι. οὐ γὰρ ἔστιν ἀναμάρτητον ἐν πάθει τὸ ἀνυπεύθυνον κατασχεῖν μὴ πολλῇ τὴν ἐξουσίαν [c] ἐμπεριλαβόντα πραότητι μηδὲ πολλὰς ὑπομείναντα φωνὰς γυναικὸς καὶ φίλων ἐγκαλούντων ἀτονίαν καὶ ῥαθυμίαν. οἷς μάλιστα παρωξυνόμην καὶ αὐτὸς ἐπὶ τοὺς οἰκέτας ὡς τῷ μὴ κολάζεσθαι διαφθειρομένους. ὅψὲ μέντοι συνεῖδον, ὅτι πρῶτον μὲν ἐκείνους ἀνεξικακία χείρονας ποιεῖν βέλτιόν ἐστιν ἢ πικρία καὶ θυμῷ διαστρέφειν ἑαυτὸν εἰς ἐτέρων ἐπανόρθωσιν· ἔπειτα πολλοὺς

οὐδὲν γὰρ οὕτως αἰτιόν ἐστι τοῦ παρούσης ὀργῆς [b] κολάζειν, ὡς τὸ παυσαμένης μὴ κολάζειν ἀλλ' ἐκκλύσθαι καὶ ταῦτὸν πεπονθέναι τοῖς ἀργοῖς κωπηλάταις, οἱ γαλήνης ὄρμουσιν εἴτα κινδυνεύουσιν ἀνέμῳ πλέοντες. καὶ γὰρ ἡμεῖς τοῦ λογισμοῦ κατεγνωκότες ἀτονίαν καὶ μαλακίαν ἐν τῷ κολάζειν σπεύδομεν παρόντι τῷ θυμῷ καθάπερ πνεύματι παραβόλως. τροφῇ μὲν γὰρ ὁ πεινῶν κατὰ φύσιν χρῆται τιμωρία δ' ὁ μὴ πεινῶν μηδὲ διψῶν αὐτῆς μηδ' ὥσπερ ὄψου πρὸς τὸ κολάσαι τοῦ θυμοῦ δεόμενος, ἀλλ' ὅταν πορρωτάτῳ τοῦ ὀρέγεσθαι γένηται προσάγων τὸν λογισμὸν ἀναγκαίως. οὐ γάρ, ὡς Ἀριστοτέλης [c] ἱστορεῖ (fr. 608) κατ' αὐτὸν ἐν Τυρρηνίᾳ μαστιγοῦσθαι τοὺς οἰκέτας πρὸς αὐλόν, οὕτω πρὸς ἡδονὴν δεῖ καθάπερ ἀπολαύσματος ὀρέξει τῆς τιμωρίας ἐμπορεῖσθαι καὶ χαίρειν κολάζοντας <κολάσαντας δὲ> μετανοεῖν ὧν τὸ μὲν θηριῶδες τὸ δὲ γυναικῶδες· ἀλλὰ καὶ λύπης καὶ ἡδονῆς χωρὶς ἐν τῷ τοῦ λογισμοῦ χρόνῳ τὴν δίκην κομίζεσθαι μὴ ὑπολείποντας τῷ θυμῷ πρόφασιν.

Αὕτη μὲν οὖν ἴσως οὐκ ὀργῆς ἰατρεία φανεῖται, διάκρουσις δὲ καὶ φυλακὴ τῶν ἐν ὀργῇ τινος ἁμαρτημάτων. καίτοι καὶ σπληνὸς οἶδημα σύμπτωμα μὲν ἐστὶ πυρετοῦ πραϋνόμενον δὲ κουφίζει τὸν πυρετόν, ὡς φησὶν Ἰερώννυμος [d] (Sat. ΠΕΡΙ ΕΥΘΥΜΙΑΣ

[464] Πλούταρχος Πακκίῳ εὖ πράττειν.

Ὅφέ σου τὴν ἐπιστολὴν ἐκομισάμην, ἐν ἣ παρεκάλεις περὶ εὐθυμίας σοί τι γραφῆναι καὶ περὶ τῶν ἐν Τιμαίῳ δεομένων ἐπιμελεστέρας ἐξηγήσεως. ἅμα δέ πως τὸν ἐταῖρον ἡμῶν Ἔρωτα κατελάμβανεν αἰτία τοῦ πλεῖν εὐθὺς εἰς Ῥώμην, παρὰ Φουνδάνου τοῦ κρατίστου γράμματα δεδεγμένον, οἷος ἐκεῖνος, ἐπιταχύνοντα. μήτε δὲ [f] χρόνον ἔχων, ὥς προηρούμην, γενέσθαι πρὸς οἷς ἐβούλου μήθ' ὑπομένων κεναῖς παντάπασιν τὸν ἄνδρα χερσὶν ὀφθῆναι σοι παρ' ἡμῶν ἀφιγμένον, ἀνελεξάμην περὶ εὐθυμίας ἐκ τῶν ὑπομνημάτων ὧν ἑμαυτῷ πεποιημένος ἐτύγχανον, ἡγούμενος καὶ σὲ τὸν λόγον τοῦτον οὐκ ἀκροάσεως ἔνεκα [465] [a] θηρωμένης καλλιγραφίαν ἀλλὰ χρείας βοηθητικῆς ἐπιζητεῖν καὶ συνηδόμενος, ὅτι καὶ φιλίας ἔχων ἡγεμονικὰς καὶ δόξαν οὐδενὸς ἐλάττονα τῶν ἐν ἀγορᾷ λεγόντων τὸ τοῦ τραγικοῦ Μέροπος οὐ πέπονθας, οὐδ' ὥς ἐκεῖνον (Eurip. fr. 778) 'εὐδαιμονίζων σ' ὄχλος ἐξέπληξε' τῶν φυσικῶν παθῶν, ἀλλὰ πολλάκις ἀκηκῶς μνημονεύεις ὥς οὔτε ποδάγρας ἀπαλλάττει κάλτιος οὔτε δακτύλιος πολυτελῆς παρωνυχίας οὐδὲ διάδημα κεφαλαλγίας. πόθεν γε δὴ πρὸς ἀλυπίαν ψυχῆς καὶ βίον ἀκύμονα χρημάτων ὄφελος ἢ δόξης ἢ δυνάμεως ἐν αὐλαῖς, ἂν μὴ τὸ χρώμενον [b] εὐχάριστον ἦ τοῖς ἔχουσι καὶ τὸ τῶν ἀπόντων μὴ δεόμενον αἰεὶ παρακολουθῇ; τί δὲ τοῦτ' ἐστὶν ἄλλο ἢ λόγος εἰθισμένους καὶ μεμελετηκῶς τοῦ παθητικοῦ καὶ ἀλόγου τῆς ψυχῆς ἐξισταμένου πολλάκις ἐπιλαμβάνεσθαι ταχὺ καὶ μὴ περιορᾶν ἀπορρέον καὶ καταφερόμενον ἀπὸ τῶν παρόντων; ὥσπερ οὖν ὁ Ξενοφῶν (Cyr. I 6, 3) παρῆνει τῶν θεῶν εὐτυχοῦντας μάλιστα μεμνησθαι καὶ τιμᾶν, ὅπως, ὅταν ἐν χρεῖα γενώμεθα, θαρροῦντες αὐτοὺς παρακαλῶμεν ὥς εὐμενεῖς ὄντας ἤδη καὶ φίλους, οὕτω καὶ τῶν λόγων, ὅσοι πρὸς τὰ πάθη βοηθοῦσι, δεῖ πρὸ τῶν παθῶν ἐπιμελεῖσθαι τοὺς νοῦν ἔχοντας, ἴν' ἐκ πολλοῦ παρεσκευασμένοι [c] μᾶλλον ὠφελῶσιν. ὥς γὰρ οἱ χαλεποὶ κύνες πρὸς πᾶσαν ἐκταραπτόμενοι βοῇν ὑπὸ μόνης καταπραϋνόνται τῆς συνήθους, οὕτω καὶ τὰ πάθη τὰ τῆς ψυχῆς διαγριαίνόμενα καταπαῦσαι ῥαδίως οὐκ ἔστιν, ἂν μὴ λόγοι παρόντες οἰκεῖοι καὶ

συνήθεις ἐπιλαμβάνονται τῶν ταραπτομένων.

Ὁ μὲν οὖν εἰπὼν (Democrit. B 3) ὅτι ‘δεῖ τὸν εὐθυμεῖσθαι μέλλοντα μὴ πολλὰ πρήσσειν μήτε ἰδίῃ μήτε ξυνῇ,’ πρῶτον μὲν ἡμῖν πολυτελεῖ τὴν εὐθυμίαν καθίστησι, γινομένην ὦνιον ἀπραξίας· οἷον ἀρρώστῳ παραινῶν ἐκάστῳ (Eurip. Or. 258)

καίτοι κακὸν μὲν ἀναισθησία σώματι φάρμακον ἀπονίας, [d] οὐδὲν δὲ βελτίων ψυχῆς ἰατρὸς ὁ ῥαθυμία καὶ μαλακία καὶ προδοσία φίλων καὶ οἰκείων καὶ πατρίδος ἐξαιρῶν τὸ ταραχῶδες αὐτῆς καὶ λυπηρόν. ἔπειτα καὶ ψευδὸς ἐστὶ τὸ εὐθυμεῖν τοὺς μὴ πολλὰ πράσσοντας. ἔδει γὰρ εὐθυμοτέρας εἶναι γυναῖκας ἀνδρῶν οἰκουρία τὰ πολλὰ συννούσας· νυνὶ δ’ ὁ μὲν βορέας

‘διὰ παρθενικῆς ἀπαλόχροος οὐ διάησιν’

ὥς φησιν Ἡσίοδος (OD 519), λῦπαι δὲ καὶ ταραχαὶ καὶ κακοθυμίαι διὰ ζηλοτυπίας καὶ δεισιδαιμονίας καὶ φιλοτιμίας καὶ κενῶν δοξῶν, ὅσας οὐκ ἂν εἴποι τις, εἰς τὴν γυναικωνίτιν ὑπορρέουσιν· ὁ δὲ Λαέρτης εἴκοσιν ἔτη καθ’ [e] αὐτὸν ἐν ἀγρῷ διατῶμενος ‘γρηὶ σὺν ἀμφιπόλῳ, ἧ οἱ βρῶσίν τε πόσιν τε παρτίθει’ (α 191), τὴν μὲν πατρίδα καὶ τὸν οἶκον καὶ τὴν βασιλείαν ἔφυγε, τὴν δὲ λύπην μετ’ ἀπραξίας καὶ κατηφείας ἀεὶ συνοικοῦσαν εἶχεν. ἐνίους δὲ καὶ τὸ μὴ πράσσειν αὐτὸ πολλάκις εἰς ἀθυμίαν καθίστησιν, ὥς τοῦτον (A 488).

‘αὐτὰρ ὁ μήνιε νηυσὶ παρήμενος ὠκυπόροισι
διογενῆς Πηλέως υἱός, πόδας ὠκὺς Ἀχιλλεύς·
οὔτε ποτ’ εἰς ἀγορὴν πωλέσκετο κυδιάνειραν,
οὔτε ποτ’ ἐς πόλεμον, ἀλλὰ φθινύθεσκε φίλον κῆρ
αὔθι μένων, ποθέεσκε δ’ αὐτὴν τε πτόλεμόν τε.’

[f] καὶ λέγει περιπαθῶν ἐπὶ τούτῳ καὶ ἀσχάλλων αὐτός (Σ 104)
‘ἀλλ’ ἦμαι παρὰ νηυσὶν ἐτώσιον ἄχθος ἀρούρης.’

ὅθεν οὐδ’ Ἐπίκουρος (fr. 555) οἶεται δεῖν ἡσυχάζειν, ἀλλὰ τῇ φύσει χρῆσθαι πολιτευομένους καὶ πράσσοντας τὰ κοινὰ τοὺς φιλοτίμους καὶ φιλοδόξους, ὥς μᾶλλον ὑπ’ [466] [a] ἀπραγμοσύνης ταράττεσθαι καὶ κακοῦσθαι πεφυκότας, ἂν ὦν ὀρέγονται μὴ τυγχάνωσιν. ἀλλ’ ἐκεῖνος μὲν ἄτοπος οὐ τοὺς δυναμένους τὰ κοινὰ πράσσειν προτρεπόμενος ἀλλὰ τοὺς ἡσυχίαν ἄγειν μὴ δυναμένους· δεῖ δὲ μὴ πλήθει μῆδ’ ὀλιγότητι πραγμάτων, ἀλλὰ τῷ καλῷ καὶ τῷ αἰσχυρῷ τὸ εὐθυμον ὀρίζειν καὶ τὸ δύσθυμον· τῶν γὰρ καλῶν ἡ

παράλειψις οὐχ ἦττον ἢ τῶν φαύλων ἢ πρᾶξις ἀνιαρόν ἐστι καὶ
ταραχῶδες, ὡς εἴρηται.

Τοὺς μὲν γὰρ ἀφωρισμένως ἓνα βίον ἄλυτον νομίζοντας, ὡς
ἔνιοι τὸν τῶν γεωργῶν ἢ τὸν τῶν ἡιθέων ἢ τὸν τῶν βασιλέων,
ικανῶς ὁ Μένανδρος ὑπομιμνήσκει λέγων (fr. 281)

[b] ‘ὦμην ἐγὼ τοὺς πλουσίους, ὦ Φανία,
οἷς μὴ τὸ δανείζεσθαι πρόσεστιν, οὐ στένειν
τὰς νύκτας οὐδὲ στρεφομένους ἄνω κάτω
‘οἷμοι’ λέγειν, ἡδὺν δὲ καὶ πρᾶόν τινα
ὑπνον καθεύδειν.’

εἶτα προσδιελθὼν ὡς καὶ τοὺς πλουσίους ὁρᾷ ταῦτὰ πάσχοντας
τοῖς πένησιν

‘ἄρ’ ἐστί’ φησί ‘συγγενές τι λύπη καὶ βίος;
τρυφερῷ βίῳ σύνεστιν, ἐνδόξῳ βίῳ
πάρεστιν, ἀπόρῳ συγκαταγερᾷσκει βίῳ.’

ἀλλ’ ὥσπερ οἱ δειλοὶ καὶ ναυτιῶντες ἐν τῷ πλεῖν, εἶτα ῥᾶον
οἰόμενοι διάξειν, ἐὰν εἰς γαῦλον ἐξ ἀκάτου καὶ πάλιν [c] ἐὰν εἰς
τριήρη μεταβῶσιν, οὐδὲν περαίνουσι τὴν χολὴν καὶ τὴν δειλίαν
συμμεταφέροντες αὐτοῖς, οὕτως αἱ τῶν βίων ἀντιμεταλήψεις οὐκ
ἐξαιροῦσι τῆς ψυχῆς τὰ λυποῦντα καὶ ταραττοντα· ταῦτα δ’ ἐστὶν
ἀπειρία πραγμάτων, ἀλογιστία, τὸ μὴ δύνασθαι μηδ’ ἐπίστασθαι
χρηῖσθαι τοῖς παροῦσιν ὀρθῶς. ταῦτα καὶ πλουσίους χειμᾷζει καὶ
πένητας, ταῦτα καὶ γεγαμηκότας ἀνιᾷ καὶ ἀγάμους· διὰ ταῦτα
φεύγουσι τὴν ἀγορὰν εἶτα τὴν ἡσυχίαν οὐ φέρουσι, διὰ ταῦτα
προαγωγὰς ἐν αὐλαῖς διώκουσι καὶ παρελθόντες εὐθύς
βαρύνονται.

‘δυσάρεστον οἱ νοσοῦντες ἀπορίας ὑπο’ (Eur. Or. 232)·

καὶ γὰρ ἡ γυνὴ λυπεῖ καὶ τὸν ἱατρὸν αἰτιῶνται καὶ
δυσχεραίνουσι τὸ κλινίδιον,

[d] ‘φίλων δ’ ὅ τ’ ἐλθὼν λυπρὸς ὅ τ’ ἀπιὼν βαρὺς’

ὡς ὁ Ἴων φησὶν (fr. 56 N.). εἶτα τῆς νόσου διαλυθείσης καὶ
κράσεως ἐτέρας ἐγγενομένης ἦλθεν ἡ ὑγίεια φίλα πάντα ποιοῦσα
καὶ προσηνῇ. ὁ γὰρ ἐχθρὸς ὡὰ καὶ ἀμύλια καὶ σητάνειον ἄρτον
διαπτύων τήμερον αὐτόπυρον ἐπ’ ἐλαίαις ἢ καρδαμίδι σιτεῖται
προσφιλῶς καὶ προθύμως.

Τοιαύτην ὁ λογισμὸς εὐκολίαν καὶ μεταβολὴν ἐγγενόμενος
ποιεῖ πρὸς ἕκαστον βίον. Ἀλέξανδρος Ἀναξάρχου (Vors. 59 A 11)

περὶ κόσμων ἀπειρίας ἀκούων ἐδάκρυε, καὶ τῶν φίλων ἐρωτῶντων ὅ τι πέπονθεν, ‘οὐκ ἄξιον’ ἔφη ‘δακρύειν, εἰ κόσμων ὄντων ἀπείρων ἐνὸς οὐδέπω [e] κύριοι γεγόναμεν;’ Κράτης δὲ πῆραν ἔχων καὶ τριβώνιον παίζων καὶ γελῶν ὥσπερ ἐν ἑορτῇ τῷ βίῳ διετέλεσε. καὶ μὴν καὶ τὸν Ἀγαμέμνονα τὸ πολλῶν βασιλεύειν ἐλύπει (Κ 88)

‘γνώσεται Ἀτρείδην Ἀγαμέμνονα, τὸν περὶ πάντων Ζεὺς ἐνέηκε πόνοισι διαμπερές.’

Διογένης δὲ πωλούμενος ἔσκωπτε τὸν κήρυκα κατακείμενος· ἀνασπῆναι δ’ οὐκ ἐβούλετο κελεύοντος, ἀλλὰ παίζων καὶ καταγελῶν ἔλεγεν ‘εἰ δ’ ἰχθὺν ἐπίπρασκες, - ;’ καὶ Σωκράτης μὲν ἐν δεσμοτηρίῳ φιλοσοφῶν διελέγετο τοῖς ἐταίροις, ὁ δὲ Φαέθων ἀναβὰς εἰς τὸν οὐρανὸν ἔκλαιεν, εἰ [f] μηδεὶς αὐτῷ τοὺς τοῦ πατρὸς ἵππους καὶ τὰ ἄρματα παραδίδωσιν. ὥσπερ οὖν τὸ ὑπόδημα τῷ ποδὶ συνδιαστρέφεται καὶ οὐ τοῦναντίον, οὕτω τοὺς βίους αἱ διαθέσεις συνεξομοιοῦσιν αὐταῖς. οὐ γὰρ ἡ συνήθεια ποιεῖ τοῖς ἐλομένοις τὸν ἄριστον βίον ἢ δὴ ὥς τις εἶπεν, ἀλλὰ τὸ φρονεῖν ἅμα^[467] [a] τὸν αὐτὸν βίον ποιεῖ καὶ ἄριστον καὶ ἥδιστον. διὸ τὴν πηγὴν τῆς εὐθυμίας ἐν αὐτοῖς οὔσαν ἡμῖν ἐκκαθαίρωμεν, ἵνα καὶ τὰ ἐκτὸς ὡς οἰκεῖα καὶ φίλια μὴ χαλεπῶς χρωμένοις συμφέρηται·

(Eurip. Bell. fr. 287).

Κυβεῖα γὰρ ὁ Πλάτων (Resp. 604c) τὸν βίον ἀπείκασεν, ἐν ᾧ καὶ βάλλειν δεῖ τὰ πρόσφορα, καὶ βαλόντα χρῆσθαι καλῶς τοῖς πεσοῦσι. τούτων δὲ τὸ μὲν βάλλειν οὐκ ἐφ’ ἡμῖν, τὸ δὲ προσηκόντως δέχεσθαι τὰ γινόμενα [b] παρὰ τῆς τύχης καὶ νέμειν ἐκάστῳ τόπον, ἐν ᾧ καὶ τὸ οἰκεῖον ὠφελήσει μάλιστα καὶ τὸ ἀβούλητον ἥκιστα λυπήσει τοὺς ἐπιτυγχάνοντας, ἡμέτερον ἔργον ἐστίν, ἂν εὖ φρονῶμεν. τοὺς μὲν γὰρ ἀτέχνους καὶ ἀνοήτους περὶ τὸν βίον, ὥσπερ τοὺς νοσῶδεις τοῖς σώμασι μῆτε καῦμα φέρειν μῆτε κρύος δυναμένους, ἐξίστησι μὲν εὐτυχία συστέλλει δὲ δυστυχία, ταραττονται δ’ ὑπ’ ἀμφοτέρων, μᾶλλον δ’ ὑφ’ αὐτῶν ἐν ἀμφοτέροις καὶ οὐχ ἥττον ἐν τοῖς λεγομένοις ἀγαθοῖς. Θεόδωρος μὲν γὰρ ὁ κληθεὶς ἄθεος ἔλεγε τῇ δεξιᾷ τοὺς λόγους ὀρέγοντος αὐτοῦ τῇ ἀριστερᾷ δέχεσθαι τοὺς ἀκρωμένους, οἱ δ’ ἀπαίδευτοι

πολλάκις τὴν τύχην [c] δεξιὰν παρισταμένην ἐπαριστέρως μεταλαμβάνοντες ἀσχημονοῦσιν. οἱ δὲ φρόνιμοι, καθάπερ ταῖς μελίτταις μέλι φέρει τὸ δριμύτατον καὶ ξηρότατον ὁ θύμος, οὕτως ἀπὸ τῶν δυσχερεστάτων πολλάκις πραγμάτων οἰκεῖόν τι καὶ χρήσιμον αὐτοῖς λαμβάνουσι.

Τοῦτ' οὖν δεῖ πρῶτον ἀσκεῖν καὶ μελετᾶν, ὥσπερ ὁ τῆς κυνὸς ἀμαρτῶν τῷ λίθῳ καὶ τὴν μητριὰν πατάξας 'οὐδ' οὕτως' ἔφη 'κακῶς·' ἔξεστι γὰρ μεθιστάναι τὴν τύχην ἐκ τῶν ἀβουλήτων. ἐφυγαδεύθη Διογένης· 'οὐδ' οὕτως κακῶς·' ἤρξατο γὰρ φιλοσοφεῖν μετὰ τὴν φυγὴν.

[d] Ζήνωνι τῷ Κιτιεῖ μία ναῦς περιῆν φορτηγός· πυθόμενος δὲ ταύτην αὐτόφορτον ἀπολωλέναι συγκλυσθεῖσαν 'εὖγ' ἔλεπεν (fr. 277) 'ὦ τύχη ποιεῖς, εἰς τὸν τρίβωνα καὶ τὴν στοὰν συνελαύνουσ' ἡμᾶς.' τί οὖν κωλύει μιμεῖσθαι τούτους; ἀρχὴν παραγγέλλων διήμαρτες; ἐν ἀγρῷ διάξεις ἐπιμελόμενος τῶν ιδίων. ἀλλὰ φιλίαν μνώμενος ἡγεμόνος ἀπώσθης; ἀκινδύνως καὶ ἀπραγμόνως βιώσῃ. πάλιν ἐν πράγμασιν ἀσχολίας ἔχουσι καὶ φροντίδας γέγονας;

'οὐδὲ θερμὸν ὕδωρ τόσον γε τεύξει μαλθακὰ γυῖα'

κατὰ Πίνδαρον (Nem. 4, 4), ὡς δόξα ποιεῖ καὶ τὸ τιμᾶσθαι μετὰ τινος δυνάμεως 'πόνον ἡδὺν κάματόν τ' εὐκάματον' [e] (Eur. Bacch. 66). ἀλλὰ τις ἀπήντηκεν ἐκ διαβολῆς ἢ φθόνου δυσημερία καὶ σκορακισμός; ἐπὶ τὰς Μούσας οὖριον τὸ πνεῦμα καὶ τὴν Ἀκαδήμειαν, ὥσπερ Πλάτωνι χειμασθέντι περὶ τὴν Διονυσίου φιλίαν.

Διὸ καὶ τοῦτο πρὸς εὐθυμίαν μέγα, τὸ τοὺς ἐνδόξους ἀποθεωρεῖν, εἰ μηδὲν ὑπὸ τῶν αὐτῶν πεπόνθασιν. οἷον ἀπαιδία τὸ λυποῦν ἐστι; τοὺς Ῥωμαίων ὄρα βασιλεῖς, ὧν οὐδεὶς υἱῷ τὴν ἀρχὴν ἀπέλιπε. πενία δυσφορεῖς παρούσῃ; καὶ τίς ἂν ἐβούλου μᾶλλον εἶναι Βοιωτῶν ἢ Ἐπαμεινώνδας; τίς δὲ Ῥωμαίων ἢ Φαβρίκιος; 'ἀλλὰ διέφθαρταί μου τὸ γύναιον.' οὐκ ἀνέγνωκας οὖν τὸ ἐπίγραμμα τὸ ἐν Δελφοῖς

ἀλλὰ καὶ Μητροκλέους ὄνειδίσαντος ‘ἐμὸν οὖν’ ἔφη ‘ἁμάρτημα τοῦτ’ ἐστὶν ἢ ἐκείνης;’ εἰπόντος δὲ τοῦ Μητροκλέους ‘ἐκείνης μὲν ἁμάρτημα σὸν δ’ ἀτύχημα’ ‘πῶς λέγεις;’ εἶπεν ‘οὐχὶ τὰ ἁμαρτήματα καὶ διαπτώματ’ ἐστί;’ ‘πάνυ μὲν οὖν’ ἔφη. ‘τὰ δὲ διαπτώματ’ οὐχ ὦν διαπτώματα, καὶ ἀποτεύγματα;’ συνωμολόγησεν ὁ Μητροκλῆς. ‘τὰ δ’ ἀποτεύγματα’ οὐχ ὦν ἀποτεύγματα, ἀτυχήματα;’ πρῶν λόγῳ καὶ φιλοσόφῳ κενὸν ἀποδείξας ὕλαγμα τὴν τοῦ κυνικοῦ βλασφημίαν.

Διονύσιος ὁ πρεσβύτερος οὐκ ἡγάπα μέγιστος ὢν τῶν τότε τυράννων, ἀλλ’ ὅτι Φιλοξένου τοῦ ποιητοῦ μὴ βέλτιον ἦδε μηδὲ περιῆν ἐν τῷ διαλέγεσθαι Πλάτωνος, ὀργισθεὶς καὶ παροξυνθεὶς τὸν μὲν εἰς τὰς λατομίας ἐνέβαλε τὸν δ’ ἀπέδοτο πέμψας εἰς Αἴγιναν. οὐ τοιοῦτος ὁ Ἀλέξανδρος, ἀλλ’ ἐπεὶ Κρίσων ὁ σταδιοδρόμος ἀμιλλώμενος αὐτῷ περὶ τάχους ἔδοξεν ἐκὼν παρεῖναι, [f] σφόδρα διηγανάκτησεν. εἴ δὲ καὶ ὁ ποιητικὸς Ἀχιλλεὺς ὑπειπὼν ‘τοῖος ἐὼν οἷος οὐ τις Ἀχαιῶν χαλκοχιτώνων’ ἐπήνεγκεν ‘ἐν πολέμῳ· ἀγορῇ δέ τ’ ἀμείνονές εἰσι καὶ ἄλλοι’ (Σ 105. 6). Μεγάβυζον δὲ τὸν Πέρσην εἰς τὸ [472] [a] ζωγραφεῖον ἀναβάντα τὸ Ἀπελλοῦ καὶ λαλεῖν ἐπιχειρήσαντα περὶ τῆς τέχνης ἐπεστόμισεν ὁ Ἀπελλῆς εἰπὼν ‘ἕως μὲν ἡσυχίαν ἦγες, ἐδόκεις τις εἶναι διὰ τὰ χρυσία καὶ τὴν πορφύραν, νυνὶ δὲ καὶ ταυτὶ τὰ

Fr. Τινὰ γὰρ οὐδὲ συνυπάρχειν ἀλλὰ μᾶλλον ὑπεναντιοῦσθαι πέφυκεν ἀλλήλοις τῶν σπουδαζομένων. οἷον ἄσκησις λόγων καὶ μαθημάτων ἀνάληψις ἀπραγμοσύνης δεῖται καὶ σχολῆς, δυνάμεις δὲ πολιτικαὶ καὶ φιλῖαι βασιλέων οὐκ ἄνευ πραγμάτων οὐδ’ ἀσχολιῶν περιγίγνονται. καὶ μὴν ‘οἶνός τε καὶ σαρκῶν ἐμφορήσεις σῶμα μὲν ἰσχυρὸν ποιοῦσι καὶ ῥωμαλέον, ψυχὴν δ’ ἀσθενῆ.’ καὶ χρημάτων ἐπιμέλεια μὲν συνεχῆς καὶ τήρησις αὕξει πλοῦτον, [c] ὑπεροψία δὲ καὶ περιφρόνησις μέγα πρὸς φιλοσοφίαν ἐφόδιον. ὅθεν οὐ πάντα πάντων ἐστίν, ἀλλὰ δεῖ τῷ Πυθικῷ γράμματι πειθόμενον αὐτὸν καταμαθεῖν, εἴτα χρῆσθαι πρὸς ἕν ὃ πέφυκε, καὶ μὴ πρὸς ἄλλον ἄλλοτε βίου ζῆλον ἔλκειν καὶ παραβιάζεσθαι τὴν φύσιν·

ὁ δ’ ἀσχάλλων καὶ λυπούμενος, ὅτι μὴ καὶ λέων ἐστίν ‘ὄρεσίτροφος ἀλκὶ πεποιθὺς’ (ζ 130) ἅμα καὶ κυνίδιον Μελιταῖον ἐν κόλπῳ χήρας γυναικὸς τιθηνούμενον, ἀπόπληκτός [d] ἐστι. τούτου δ’ οὐδέν τι βελτίων ὁ βουλόμενος ἅμα μὲν Ἐμπεδοκλῆς ἢ Πλάτων ἢ Δημόκριτος εἶναι περὶ κόσμου γράφων καὶ τῆς τῶν ὄντων ἀληθείας, ἅμα δὲ πλουσίᾳ γραῖ συγκαθεύδειν ὡς Εὐφορίων, ἢ τῶν ἐπικώμων <ῶν> Ἀλεξάνδρῳ συμπίνειν ὡς Μήδειος, ἀγανακτῶν δὲ καὶ λυπούμενος, εἰ μὴ θαυμάζεται διὰ πλοῦτον ὡς Ἰσμηνίας καὶ δι’ ἀρετὴν ὡς Ἐπαμεινώνδας. οὐδὲ γὰρ οἱ δρομεῖς, ὅτι μὴ τοὺς τῶν παλαιστῶν φέρονται στεφάνους, ἀθυμοῦσιν ἀλλὰ τοῖς αὐτῶν ἀγάλλονται καὶ χαίρουσι. ‘Σπάρταν ἔλαχες, ταύταν

Καὶ τοῦτ' οὖν τὴν εὐθυμίαν ἐπιταράσσει κάκεῖνο μᾶλλον, ὅταν, ὥσπερ αἱ μυῖαι τῶν λείων τόπων ἐν τοῖς κατόπτροις ἀπολισθάνουσι ταῖς δὲ τραχύτησι προσέχονται καὶ ταῖς ἀμυχαῖς, οὕτως ἄνθρωποι τῶν ἱλαρῶν καὶ προσηνῶν ἀπορρέοντες ἐμπλέκονται ταῖς τῶν ἀηδῶν ἀναμνήσεσι, μᾶλλον δ' ὥσπερ ἐν Ὀλύμπῳ τοὺς κανθάρους λέγουσιν εἷς τι χωρίον ἐμβαλόντας ὃ καλεῖται 'κανθαρώλεθρον', ἐκβῆναι μὴ δυναμένους ἀλλ' ἐκεῖ στρεφομένους καὶ κυκλοῦντας [f] ἐναποθνήσκειν, οὕτως εἰς τὴν τῶν κακῶν μνήμην ὑπορρυέντες ἀνενεγκεῖν μὴ θέλωσι μηδ' ἀναπνεῦσαι. δεῖ δ' ὥσπερ ἐν πινακίῳ χρωμάτων ἐν τῇ ψυχῇ τῶν πραγμάτων τὰ λαμπρὰ καὶ φαιδρὰ προβάλλοντας ἀποκρύπτειν τὰ σκυθρωπὰ καὶ πιέζειν. ἐξαλείψαι γὰρ οὐκ ἔστι παντάπασιν οὐδ' ἀπαλλαγῆναι· παλίντροπος γὰρ ἁρμονίη κόσμου, [474] [a] ὅκωσπερ

λύρης καὶ τόξου' (Heracl. ‘οὐκ ἂν γένοιτο χωρὶς ἐσθλὰ καὶ κακά,
ἀλλ' ἔστι τις σύγκρασις, ὥστ' ἔχειν καλῶς'),

οὐ δεῖ τοῖς ἐτέροις ἐξαθυμεῖν οὐδ' ἀπαγορεύειν, ἀλλ' [b] ὥσπερ ἁρμονικοὺς ἀμβλύνοντας αἰεὶ τοῖς κρείττοσι τὰ χείρονα καὶ τὰ φαῦλα τοῖς χρηστοῖς ἐμπεριλαμβάνοντας ἐμμελές τὸ τοῦ βίου μῖγμα ποιεῖν καὶ οἰκεῖον αὐτοῖς.

Οὐ γάρ, ὥς ὁ Μένανδρός φησιν (fr. 551),

‘ἅπαντι δαίμων ἀνδρὶ συμπαρίσταται
εὐθύς γενομένῳ, μυσταγωγὸς τοῦ βίου
ἀγαθός,’

ἀλλὰ μᾶλλον, ὥς Ἐμπεδοκλῆς (B 122), διτταί τινες ἕκαστον ἡμῶν γινόμενον παραλαμβάνουσι καὶ κατάρχονται μοῖραι καὶ daίμονες:

‘ἐνθ' ἧσαν Χθονίη τε καὶ Ἡλιόπη ταναῶπις,
Δῆρις θ' αἵματόεσσα καὶ Ἀρμονίη θεμερῶπις,
Καλλιστώ τ' Αἴσχροι τε Θόωσά τε Διηναίη τε,

ὥστε τούτων ἑκάστου σπέρματα τῶν παθῶν ἀνακεκραμένα δεδεγμένης ἡμῶν τῆς γενέσεως καὶ διὰ τοῦτο πολλὴν ἀνωμαλίαν ἐχούσης, εὐχεται μὲν ὁ νοῦν ἔχων τὰ βελτίονα προσδοκᾷ δὲ καὶ θάτερα, χρῆται δ' ἀμφοτέροις τὸ ἅγαν ἀφαιρῶν. οὐ γὰρ μόνον ‘ὁ τῆς αὔριον ἦκιστα δεόμενος’ ὥς φησιν Ἐπίκουρος (fr. 490) ‘ἦδιστα πρόσσεισι πρὸς τὴν αὔριον,’ ἀλλὰ καὶ πλοῦτος εὐφραίνει καὶ δόξα καὶ δύναμις καὶ ἀρχή [καὶ] μάλιστα τοὺς ἦκιστα τάναντία ταρβοῦντας. ἡ γὰρ σφοδρὰ περὶ ἕκαστον ἐπιθυμία σφοδρότατον [d] φόβον ἐμποιοῦσα τοῦ μὴ παραμένειν ἀσθενῇ τὴν χάριν ποιεῖ καὶ ἀβέβαιον ὥσπερ φλόγα καταπνεομένην· ὧ δὲ δίδωσι πρὸς τὴν τύχην ἀδεῶς καὶ ἀτρόμως εἰπεῖν ὁ λογισμὸς

‘ἡδὺ μὲν ἂν τι φέρῃς, ὀλίγον δ' ἄχος ἂν ἀπολείπῃς,’

τοῦτον ἦδιστα ποιεῖ χρῆσθαι τοῖς παροῦσι τὸ θαρραλέον καὶ μὴ

δεδιὸς αὐτῶν τὴν ἀποβολὴν ὡς ἀφόρητον. ἔξεστι γὰρ τὴν Ἀναξαγόρου διάθεσιν, ἀφ' ἧς ἐπὶ τῇ τελευτῇ τοῦ παιδὸς ἀνεφώνησεν 'ἦδειν θνητὸν γεννήσας' (A 33), μὴ θαυμάζοντας μόνον ἀλλὰ καὶ μιμουμένους ἐπιλέγειν ἐκάστῳ τῶν τυχηρῶν 'οἶδα τὸν πλοῦτον ἐφήμερον ἔχων καὶ [ε] οὐ βέβαιον·' 'οἶδα τὴν ἀρχὴν ἀφελέσθαι δυναμένους τοὺς δεδωκότας·' 'οἶδα τὴν γυναῖκα χρηστὴν γυναῖκα δ' οὖσαν· καὶ τὸν φίλον ἄνθρωπον ὄντα', 'ζῶον φύσει εὐμετάβολον' ὡς ὁ Πλάτων εἶπεν (ep. XIII 360d). αἱ γὰρ τοιαῦται παρασκευαὶ καὶ διαθέσεις, ἐάν τι συμβῇ τῶν ἀβουλήτων μὲν οὐκ ἀπροσδοκῆτων δέ, μὴ δεχόμεναι τὸ 'οὐκ ἂν ὦμην' καὶ τὸ 'ἀλλ' ἥλπιζον' καὶ τὸ 'ταῦτ' οὐ προσεδόκων,' οἷον πηδῆματα καρδίας καὶ σφυγμοὺς ἀφαιροῦσι καὶ ταχὺ πάλιν τὸ μανιῶδες καὶ ταραπτόμενον ἰδρύουσιν. ὁ μὲν οὖν Καρνεάδης ἐπὶ πραγμάτων μεγάλων ὑπεμίμησεν, ὅτι [f] πᾶν καὶ ὅλον ἐστὶν εἰς λύπην καὶ ἀθυμίαν τὸ ἀπροσδόκητον. ἡ γὰρ Μακεδόνων βασιλεία τῆς Ῥωμαίων ἡγεμονίας πολλοστημόριον ἦν· ἀλλὰ Περσεὺς μὲν ἀποβαλὼν Μακεδονίαν αὐτὸς τε κατεθρήγει τὸν ἑαυτοῦ δαίμονα καὶ πᾶσιν ἐδόκει δυστυχέστατος ἀνθρώπων γεγενῆσθαι καὶ βαρυποτμότατος, [475] [a] ὁ δὲ τοῦτου κρατήσας Αἰμίλιος ἐτέρῳ παραδιδούς τὴν ὁμοῦ τι γῆς καὶ θαλάττης ἄρχουσαν δύναμιν ἐστεφανοῦτο καὶ ἔθυσεν εὐδαιμονιζόμενος, εἰκότως. οὗτος μὲν γὰρ ἦδει λαμβάνων ἀρχὴν ἀποδοθησομένην, ἐκεῖνος δ' ἀπέβαλε μὴ προσδοκήσας. εὖ δὲ καὶ ὁ ποιητὴς οἷόν ἐστι τὸ παρὰ προσδοκίαν ἐδίδαξεν· ὁ γὰρ Ὀδυσσεὺς τοῦ μὲν κυνὸς σαίνοντος ἐξεδάκρυσεν (ρ 302. 304), τῇ δὲ γυναικὶ κλαιούσῃ παρακαθήμενος οὐδὲν ἔπαθε τοιοῦτον (τ 211)· ἐνταῦθα μὲν γὰρ ἀφῆκτο τῷ λογισμῷ τὸ πάθος ὑποχείριον ἔχων καὶ προκατεilhμμένον, εἰς δ' ἐκεῖνον μὴ προσδοκήσας ἀλλ' ἐξαίφνης διὰ τὸ παράδοξον ἐνέπεσε.

[b] Καθόλου δ' ἐπεὶ τῶν ἀβουλήτων τὰ μὲν φύσει τὸ λυποῦν καὶ βαρὺνον ἐπιφέρει, τὰ δὲ πλεῖστα δόξη δυσχεραίνειν ἐθίζόμεθα καὶ μανθάνομεν, [καὶ] οὐκ ἄχρηστόν ἐστι πρὸς ταῦτα μὲν ἔχειν αἰεὶ τὸ τοῦ Μενάνδρου πρόχειρον (Epitr. fr. 179)

‘οὐδὲν πέπονθας δεινὸν ἂν μὴ προσποιῇ’

(τί γὰρ πρὸς σέ ἐστι, φησὶν, ἂν μήτε σαρκὸς ἄπτηται μήτε ψυχῆς, οἷόν ἐστι δυσγένεια πατρὸς ἢ μοιχεία γυναικὸς ἢ στεφάνου τινὸς ἢ προεδρίας ἀφαίρεσις, ὧν οὐ κωλύεται παρόντων ἄνθρωπος καὶ τὸ σῶμα βέλτιστα διακείμενον ἔχειν καὶ τὴν ψυχὴν;), πρὸς δὲ

‘οἴμοι· - τί δ’ οἴμοι; θνητά τοι πεπόνθαμεν.’

οὐδεὶς γὰρ οὕτω τοῦ παθητικοῦ καταφερομένου καὶ ὀλισθάνοντος ἀντιλαμβάνεται λόγος ὡς ὁ τῆς κοινῆς καὶ φυσικῆς ἀνάμνησιν ποιῶν ἀνάγκης, ἥ διὰ τὸ σῶμα μεμειγμένος ὁ ἄνθρωπος μόνην ταύτην τῇ τύχῃ λαβὴν δίδωσιν, ἐν δὲ τοῖς κυριωτάτοις καὶ μεγίστοις ἀσφαλῆς ἔστηκεν. ὁ Δημήτριος τὴν Μεγαρέων πόλιν καταλαβὼν ἠρώτησε τὸν Στίλπωνα, μή τι τῶν ἐκείνου διήρπασται· καὶ ὁ Στίλπων ἔφη μηδέν’ ἰδεῖν ‘τάμά’ φέροντα. καὶ τοίνυν τῆς τύχης πάντα τᾶλλα λεηλατούσης καὶ περιαιρουμένης, ἔχομέν τι [d] τοιοῦτον ἐν ἑαυτοῖς (E 484)

‘οἷόν κ’ οὕτε φέροιεν Ἀχαιοὶ οὗτ’ ἂν ἄγοιεν.’

ὅθεν οὐ δεῖ παντάπασιν ἐκταπεινοῦν οὐδὲ καταβάλλειν τὴν φύσιν ὡς μηδὲν ἰσχυρὸν μηδὲ μόνιμον μηδ’ ὑπὲρ τὴν τύχην ἔχουσιν, ἀλλὰ τοῦναντίον εἰδότας, ὅτι μικρὸν ἐστὶ μέρος τοῦ ἀνθρώπου τὸ σαθρὸν καὶ τὸ ἐπὶ κηρον, ὃ δέχεται τὴν τύχην, τῆς δὲ βελτίονος μερίδος αὐτοὶ κρατοῦμεν, ἐν ἧ τὰ μέγιστα τῶν ἀγαθῶν ἰδρυθέντα, δόξαι τε χρηστὰ καὶ μαθήματα καὶ λόγοι τελευτῶντες εἰς ἀρετὴν, ἀναφαίρετον ἔχουσι τὴν οὐσίαν καὶ ἀδιάφθορον, ἀνεκπλήκτους πρὸς τὸ μέλλον εἶναι καὶ θαρραλέους, πρὸς τὴν τύχην [e] λέγοντας, ἃ Σωκράτης δοκῶν πρὸς τοὺς κατηγοροὺς [Ἄνυτον καὶ Μέλητον] λέγειν πρὸς τοὺς δικαστὰς ἔλεγεν, ὡς ἀποκεῖναι μὲν Ἄνυτος καὶ Μέλητος δύνανται, βλάψαι δ’ οὐ δύνανται (Plato Apol. 30c). καὶ γὰρ ἡ τύχη δύναται νόσω περιβαλεῖν, ἀφελέσθαι χρήματα, διαβαλεῖν πρὸς δῆμον ἢ τύραννον· κακὸν δὲ καὶ δειλὸν καὶ ταπεινόφρονα καὶ ἀγεννῆ καὶ φθονερὸν οὐ δύναται ποιῆσαι τὸν ἀγαθὸν καὶ ἀνδρώδη καὶ μεγαλόψυχον οὐδὲ παρελέσθαι τὴν διάθεσιν, ἥς αἰεὶ παρούσης πλεον ἢ κυβερνήτου πρὸς θάλατταν ὄφελός ἐστι πρὸς τὸν βίον. κυβερνήτῃ γὰρ οὕτε [f] κῦμα πραῦναι τραχὺ καὶ πνεῦμα δυνατόν ἐστίν, οὕθ’ ὅποι βούλεται δεομένῳ λιμένος τυχεῖν οὕτε θαρραλέως καὶ ἀτρόμως ὑπομεῖναι τὸ συμβαῖνον· ἀλλ’ ἕως οὐκ ἀπέγνωκε τῇ τέχνῃ χρώμενος,

Ἀρίσταρχος μὲν οὖν ὁ Θεοδέκτου πατήρ ἐπισκώπτων τὸ πλῆθος τῶν σοφιστῶν ἔλεγε [c] πάλαι μὲν ἐπὶ σοφιστὰς μόλις γενέσθαι, τότε δὲ μὴ ῥαδίως ἂν ιδιώτας τοσοῦτους εὐρεθῇ· ἐγὼ δ’ ὁρῶ καθ’ ἡμᾶς τὴν φιλαδελφίαν οὕτω σπάνιον οὔσαν ὥς τὴν μισαδελφίαν ἐπὶ τῶν παλαιῶν· ἥς γε τὰ φανέντα παραδείγματα τραγωδίαις καὶ θεάτροις ὁ βίος ἐξέδωκε διὰ τὸ παράδοξον· οἱ δὲ νῦν ἄνθρωποι πάντες, ὅταν ἐντυγχάνωσι χρηστοῖς ἀδελφοῖς, θαυμάζουσιν οὐδὲν ἥττον ἢ τοὺς Μολιονίδας ἐκείνους, συμφυεῖς τοῖς σώμασι γεγονέναι δοκοῦντας, καὶ τὸ χρῆσθαι κοινῶς τοῖς πατρώοις χρήμασι καὶ φίλοις καὶ δούλοις οὕτως ἄπιστον ἡγοῦνται καὶ τερατῶδες ὥς [d] τὸ χρῆσθαι μίαν ψυχὴν δυεῖν σωμάτων χερσὶ καὶ ποσὶ καὶ ὀφθαλμοῖς.

γηδίου μερίδος οὐδ' ἐπ' ἀνδραπόδοις ἢ προβατίοις [d] γενομένην ἀλλὰ περὶ τῆς Περσῶν ἡγεμονίας. Δαρείου γὰρ ἀποθανόντος οἱ μὲν ἡξίουσαν Ἀριαμένην βασιλεύειν, πρεσβύτατον ὄντα τῆς γενεᾶς, οἱ δὲ Ξέρξην, Ἀτόσσης τε μητρὸς ὄντα τῆς Κύρου θυγατρὸς ἕκ τε Δαρείου βασιλεύοντος ἤδη γεγεννημένον. Ἄτοσσα δ' ἡ μήτηρ ἐπέπληξεν [f] αὐτῷ 'τί φεύγεις Ἀρτάβανον, ὃ παῖ, θεῖον ὄντα καὶ Περσῶν ἄριστον; τί δ' οὕτως τὸν ἀγῶνα δέδοικας, ἐν ᾧ καλὰ καὶ τὰ δευτερεῖα, Περσῶν βασιλέως ἀδελφὸν κριθῆναι;' πεισθέντος οὖν Ξέρξου καὶ γενομένων λόγων Ἀρτάβανος μὲν ἀπεφάνετο Ξέρξῃ τὴν βασιλείαν προσήκειν, Ἀριαμένης δ' εὐθὺς ἀναπηδήσας προσεκύνησε τὸν ἀδελφὸν καὶ λαβόμενος τῆς δεξιᾶς εἰς τὸν θρόνον ἐκάθισε τὸν βασιλεῖον. ἐκ τούτου μέγιστος ἦν παρ' αὐτῷ καὶ παρεῖχεν εὖνουν ἑαυτόν, ὥστ' ἀριστεύων ἐν τῇ περὶ Σαλαμῖνα ναυμαχίᾳ [489] [a] πεσεῖν ὑπὲρ τῆς ἐκείνου δόξης. τοῦτο μὲν οὖν ὥσπερ ἀρχέτυπον ἐκκείσθω καθαρὸν καὶ ἀμώμητον εὐμενείας καὶ μεγαλοφροσύνης· Ἀντιόχου δὲ τὴν μὲν φιλαρχίαν ψέξειεν ἂν τις, ὅτι δ' οὐ παντάπασιν αὐτῇ τὸ φιλάδελφον ἐνηφανίσθη, θαυμάσειεν. ἐπολέμει γὰρ ὑπὲρ τῆς βασιλείας Σελεύκῳ νεώτερος ὢν ἀδελφός καὶ τὴν μητέρα συλλαμβάνουσαν εἶχεν· ἀκμάζοντος δὲ τοῦ πολέμου μάχην ὁ Σέλευκος Γαλάταις συνάψας καὶ ἡττηθεὶς οὐδαμοῦ φανερός ἦν ἀλλ' ἔδοξε τεθνάναι, πάσης ὁμοῦ τι τῆς στρατιᾶς ὑπὸ τῶν βαρβάρων κατακοπίσης. πυθόμενος οὖν ὁ Ἀντιόχος τὴν πορφύραν ἔθηκε καὶ φαιὸν ἱμάτιον ἔλαβε, καὶ [b] τὰ βασιλεία κλείσας ἐπένθει τὸν ἀδελφόν· ὀλίγῳ δ' ὕστερον

Ἀθηναῖοι δὲ τὸν περὶ τῆς ἔριδος τῶν θεῶν μῦθον ἀτόπως πλάσαντες ἐπανόρθωμα τῆς ἀτοπίας οὐ φαῦλον ἐνέμιξαν αὐτῷ· τὴν γὰρ δευτέραν ἐξαίρουσιν αἰὶ τοῦ Βοηδρομιῶνος, ὡς ἐν ἐκείνῃ τῷ Ποσειδῶνι πρὸς τὴν Ἀθηνᾶν γενομένης τῆς διαφορᾶς. τί οὖν κωλύει καὶ ἡμᾶς ἐν διαφορᾷ ποτε πρὸς οἰκείους καὶ συγγενεῖς γενομένους ἐν ἀμνηστία τὴν ἡμέραν [c] ἐκείνην τίθεσθαι καὶ μίαν τῶν ἀποφράδων νομίζειν, ἀλλὰ μὴ πολλῶν καὶ ἀγαθῶν ἐν αἷς συνετράφημεν καὶ συνεβιώσαμεν ἡμερῶν διὰ μίαν ἐπιλανθάνεσθαι; ἢ γὰρ μάτην καὶ πρὸς οὐθὲν ἡ φύσις ἡμῖν ἔδωκε πραότητα καὶ μετριοπαθείας ἔκγονον ἀνεξικακίαν, ἢ μάλιστα χρηστέον τούτοις πρὸς συγγενεῖς καὶ οἰκείους. οὐχ ἦττον δὲ τοῦ διδόναι συγγνώμην ἁμαρτοῦσι τὸ αἰτεῖσθαι καὶ λαμβάνειν αὐτοὺς ἁμαρτόντας εὖνοίαν ἐμφαίνει καὶ φιλοστοργίαν. ὅθεν ὀργιζομένων τε δεῖ μὴ ἀμελεῖν καὶ παραιτούμενοις μὴ ἀντιτείνειν, ἀλλὰ καὶ φθάνειν πολλάκις ἁμαρτόντας αὐτοὺς τῇ παραιτήσει [d] τὴν ὀργὴν ἀδικηθέντας τε πάλιν αὖ τῇ συγγνώμῃ τὴν παραίτησιν.

Ὁ μὲν οὖν Σωκρατικὸς Εὐκλείδης ἐν ταῖς σχολαῖς περιβόητός ἐστιν, ὅτι φωνὴν ἀκούσας ἀγνώμονα καὶ θηριώδη τοῦ ἀδελφοῦ πρὸς αὐτὸν εἰπόντος ‘ἀπολοίμην, εἰ μὴ σε τιμωρησαίμην’ ‘ἐγὼ δ’,’ εἶπεν ‘εἰ μὴ σε πείσαιμι παύσασθαι τῆς ὀργῆς καὶ φιλεῖν ἡμᾶς ὡς πρότερον ἐφίλεις.’ τὸ δ’ Εὐμένους τοῦ βασιλέως ἔργον οὐ λόγος ὑπερβολὴν οὐδενὶ πραότητος ἀπολέλοιπεν. Περσεὺς γὰρ ὁ τῶν Μακεδόνων βασιλεὺς ἐχθρὸς ὢν αὐτῷ παρεσκεύασε τοὺς ἀποκτενοῦντας· οἱ δὲ περὶ Δελφοὺς ἐνήδρευον [e] αἰσθόμενοι βαδίζοντα πρὸς τὸν θεὸν ἀπὸ θαλάσσης. γενόμενοι δ’ ὀπισθεν αὐτοῦ λίθους μεγάλους ἐμβάλλουσιν εἰς τε τὴν κεφαλὴν καὶ τὸν τράχηλον, ὑφ’ ὧν σκοτωθεὶς καὶ πεσὼν ἔδοξε τεθνάναι· καὶ περιῆλθε φήμη πανταχόσε, καὶ φίλοι τινὲς ἀφίκοντο καὶ θεράποντες εἰς Πέργαμον αὐτάγγελοι τοῦ πάθους ἦκειν δοκοῦντες. Ἄτταλος οὖν ὁ πρεσβύτατος αὐτοῦ τῶν ἀδελφῶν, ἀνὴρ ἐπαικῆς καὶ περὶ τὸν Εὐμένη πάντων ἄριστος, οὐ μόνον βασιλεὺς ἀνηγορεύθη διαδησάμενος, ἀλλὰ καὶ τὴν γυναῖκα τοῦ ἀδελφοῦ Στρατονίκην ἔγημε καὶ συνῆλθεν· ἐπεὶ δ’ ἀπηγγέλη ζῶν ὁ [f] Εὐμένης καὶ προσῆι, θεὸς τὸ διάδημα καὶ λαβὼν ὥσπερ εἰώθει τὰ

Διὸ τοῦ λόγου τὸ συνεχὲς ὑπαγορεύοντος, εὖ μὲν εἶπε Θεόφραστος (fr. 75) ὡς ‘εἰ κοινὰ τὰ φίλων ἐστί, μάλιστα δεῖ κοινούς τῶν φίλων εἶναι τοὺς φίλους.’ οὐχ ἥκιστα δ’ ἂν τις ἀδελφοῖς τοῦτο παραινέσειεν. αἱ γὰρ ἰδίαι καὶ χωρὶς ὁμιλίας καὶ συνήθειας πρὸς ἄλλους ἀποστρέφουσι καὶ ἀπάγουσιν ἀπ’ ἀλλήλων· τῷ γὰρ φιλεῖν ἑτέρους εὐθύς ἔπεται τὸ χαίρειν ἑτέροις καὶ ζηλοῦν ἑτέρους καὶ ἄγεσθαι ὑφ’ ἑτέρων. ἡθοιοιοῦσι γὰρ αἱ φιλίας, καὶ μεῖζον οὐθέν ἐστιν ἡθῶν διαφορᾶς σημεῖον ἢ φίλων αἰρέσεις διαφερόντων.

[f] ὅθεν οὐτε τὸ συνεσθίειν ἀδελφῶ καὶ συμπίνειν οὐτε τὸ συμπαίζειν καὶ συνδιημερεύειν οὕτω συνεκτικόν ἐστιν ὁμονοίας ὡς τὸ συμφιλεῖν καὶ συνεχθραίνειν ἡδεσθαι τε τοῖς αὐτοῖς συνόντα καὶ πάλιν βδελύττεσθαι καὶ φεύγειν. οὐδὲ γὰρ διαβολὰς αἱ κοιναὶ φιλίας φέρουσιν οὐδὲ συγκρούσεις· ἀλλὰ κἂν γένηται τις ὀργή καὶ μέμψις, ἐκλύεται διὰ μέσου τῶν φίλων ἐκδεχομένων καὶ διασκεδαννύντων, ἅνπερ ἀμφοτέροις οἰκείως ἔχωσι καὶ πρὸς ἀμφοτέρους [491] [a] ὁμοῦ τῇ εὐνοίᾳ συννεύωσιν. ὡς γὰρ ὁ κασσίτερος ῥαγέντα τὸν χαλκὸν συναρμόττει καὶ συγκεράννουσι τῷ ψαύειν ἑκατέρου πέρατος οἰκείως ὁμοπαθῆς γινόμενος, οὕτως δεῖ τὸν φίλον εὐάρμοστον ὄντα καὶ κοινὸν ἀμφοτέροις τοῖς ἀδελφοῖς προσκαταπυκνοῦν τὴν εὖνοϊαν· οἱ δ’ ἄνισοι καὶ ἄμικτοι καθάπερ ἐν διαγράμματι μουσικῷ φθόγγοι διάζευξιν οὐ συναφὴν ποιοῦσιν. ἔστιν οὖν διαπορῆσαι πότερον ὀρθῶς ἢ τοῦναντίον ὁ Ἡσίοδος εἶπε (OD 707)

‘μηδὲ κασιγνήτῳ ἴσον ποιεῖσθαι ἑταῖρον.’

ὁ μὲν γὰρ εὐγνώμων καὶ κοινός, ὥσπερ εἴρηται, μᾶλλον ἐγκραθεὶς δι’ ἀμφοτέρων σύνδεσμος ἔσται τῆς φιλαδελφίας· [b] ὁ δ’ Ἡσίοδος ὡς ἔοικεν ἐφοβήθη τοὺς πολλοὺς καὶ φαύλους διὰ τὸ δύσζηλον καὶ φίλαυτον. ὁ δὴ καλῶς ἔχει φυλαττομένους, κἂν

εὐνοίαν ἴσῃν φίλῳ νέμῃ τις, αἰεὶ τὰ πρωτεῖα τῷ ἀδελφῷ φυλάττειν ἐν ἀρχαῖς καὶ πολιτείαις ἐν τε κλήσεσι καὶ γνωρίσεσιν ἡγεμόνων καὶ ὅσα τοῖς πολλοῖς ἐπιφανῇ καὶ πρὸς δόξαν ἐστί, τὸ προσῆκον ἀξίωμα τῇ φύσει καὶ γέρας ἀποδιδόντας. οὐ γὰρ οὕτως τῷ φίλῳ τὸ πλεον ἐν τοῦτοις σεμνόν, ὥς ἀδελφῷ τοῦλαττον αἰσχρὸν γίνεται καὶ ἄδοξον.

Ἀλλὰ περὶ ταύτης μὲν ἐτέρωθι τῆς γνώμης γέγραπται [c] τὰ δοκοῦντα διὰ πλειόνων· τὸ δὲ Μενάνδρειον ὀρθῶς ἔχον, ὥς ‘οὐδεὶς ἀγαπῶν αὐτὸς ἀμελεῖθ’ ἡδέως’ (fr. 757), ὑπομιμνήσκει καὶ διδάσκει τῶν ἀδελφῶν ἐπιμελεῖσθαι καὶ μὴ τῇ φύσει πιστεύοντας ὀλιγωρεῖν. καὶ γὰρ ἵππος τῇ φύσει φιλόανθρωπον καὶ κύων φιλοδέσποτον, ἀλλὰ μὴ τυγχάνοντα θεραπείας μὴδ’ ἐπιμελείας ἀπόστοργα γίνεται καὶ ἀλλότρια· καὶ τὸ σῶμα τῆς ψυχῆς συγγενέστατόν ἐστιν, ἀμελούμενον δὲ καὶ παρορώμενον ὑπ’ αὐτῆς οὐκ ἐθέλει συνεργεῖν ἀλλὰ λυμαίνεται καὶ προλείπει τὰς πράξεις. ἐπιμέλεια δὲ καλὴ μὲν αὐτῶν [d] τῶν ἀδελφῶν, ἔτι δὲ καλλίων πενθεροῖς καὶ γαμβροῖς τοῖς ἐκείνων εὖνουν αἰεὶ παρέχειν εἰς ἅπαντα καὶ πρόθυμον ἑαυτόν, οἰκέτας τε φιλοδεσπότους ἀσπάζεσθαι καὶ φιλοφρονεῖσθαι, καὶ χάριν ἔχειν ἰατροῖς θεραπεύσασιν αὐτοὺς καὶ φίλοις πιστοῖς καὶ προθύμως συνδιενεγκοῦσιν ἀποδημίαν ἢ στρατείαν· γυναῖκα δ’ ἀδελφοῦ γαμετὴν ὥς ἀπάντων ἱερῶν ἀγιώτατον προσορῶντα καὶ σεβόμενον, τιμᾶν τὸν ἄνδρα καὶ εὐφημεῖν, ἀμελουμένην δὲ συναγανακτεῖν χαλεπαίνουσιν δὲ πραῦναι, ἂν δ’ ἀμάρτη τι τῶν μετρίων, συνδιαλλάττειν καὶ συμπαρακαλεῖν τὸν ἄνδρα, κἂν αὐτῷ τις ἰδίᾳ γένηται διαφορὰ πρὸς τὸν ἀδελφόν, αἰτιᾶσθαι παρ’ [e] ἐκείνῃ καὶ διαλύεσθαι τὴν μέμψιν. ἀγαμίαν δ’ ἀδελφοῦ καὶ ἀπαιδίαν μάλιστα δυσχεραίνειν καὶ παρακαλοῦντα καὶ λοιδοροῦντα συνελαύνειν πανταχόθεν εἰς γάμον καὶ συνειργύνειν νομίμοις κηδεύμασι· κτησαμένου δὲ παῖδας ἐμφανέστερον χρῆσθαι τῇ τε πρὸς αὐτὸν εὐνοίᾳ καὶ τῇ πρὸς τὴν γυναῖκα τιμῇ· τοῖς δὲ παισὶν εὖνουν μὲν ὥσπερ ἰδίῳις ἥπιον δὲ μᾶλλον εἶναι καὶ μέλιχον, ὅπως ἀμαρτάνοντες οἷα νέοι μὴ δραπετεύωσι μὴδὲ καταδύωνται διὰ φόβον πατρὸς ἢ μητρὸς εἰς ὁμιλίας φαύλας καὶ ὀλιγώρους, ἀλλ’ ἀποστροφὴν καὶ καταφυγὴν ἅμα νουθετοῦσαν εὐνοίᾳ καὶ [f] παραιτουμένην ἔχωσιν. οὕτω καὶ Πλάτων ἀδελφιδοῦν ὄντα Σπεύσιππον ἐκ πολλῆς ἀνέσεως καὶ ἀκολασίας ἐπέστρεψεν, οὐδὲν

οὐτ' εἰπὼν ἀνιαρὸν οὔτε ποιήσας πρὸς αὐτόν, ἀλλὰ φεύγοντι τοὺς γονεῖς ἐλέγχοντας αἰεὶ καὶ λοιδοροῦντας [492] [a] ἐνδιδούς ἐαυτὸν εὐμενῇ καὶ ἀμῆνιτον αἰδῶ τε πολλὴν ἐνειργάσατο καὶ ζῆλον ἐαυτοῦ καὶ φιλοσοφίας. καίτοι πολλοὶ τῶν φίλων ἐνεκάλουν ὡς μὴ νουθετοῦντι τὸ μεῖράκιον· ὁ δὲ καὶ πάννυ νουθετεῖν ἔλεγε, τῷ βίῳ καὶ τῇ διαίτῃ τῆς πρὸς τὰ αἰσχροῦ τῶν καλῶν διαφορᾶς παρέχων κατανόησιν. Ἀλεύαν δὲ τὸν Θεσσαλὸν ὁ μὲν πατήρ ἀγέρωχον ὄντα καὶ ὑβριστὴν ἐκόλουε καὶ χαλεπὸς ἦν, ὁ δὲ θεῖος ἀνελάμβανε καὶ προσήγετο· πεμπόντων δὲ τῶν Θεσσαλῶν φρυκτοὺς περὶ βασιλέως πρὸς τὸν θεὸν εἰς Δελφοὺς ἐνέβαλε [b] κρύφα τοῦ πατρὸς ὁ θεῖος ὑπὲρ τοῦ Ἀλεύα· καὶ τῆς Πυθίας τοῦτον ἀνελούσης ὃ τε πατήρ ἀπέφησεν ἐμβεβληκέναι τὸν φρυκτὸν ὑπὲρ αὐτοῦ, καὶ πᾶσιν ἐδόκει πλάνη τις ἐν ταῖς καταγραφαῖς τῶν ὀνομάτων γεγενῆσθαι. διὸ καὶ πέμψαντες αὐθις ἐπανήροντο τὸν θεόν· ἡ δὲ Πυθία καθάπερ ἐκβεβαιουμένη τὴν προτέραν ἀναγόρευσιν εἶπε

‘τὸν πυρρόν τοί φημι, τὸν Ἀρχεδίκη τέκε παῖδα.’

καὶ τοῦτον τὸν τρόπον ὁ Ἀλεύας ὑπὸ τοῦ θεοῦ βασιλεὺς διὰ τὸν τοῦ πατρὸς ἀδελφὸν ἀποδειχθεὶς αὐτός τε πολὺ πάντων ἐπρώτευσεν τῶν πρὸ αὐτοῦ καὶ τὸ ἔθνος εἰς δόξαν προήγαγε μεγάλην καὶ δύναμιν. ἀλλὰ μὴν εὐπραξίαις τε [c] καὶ τιμαῖς καὶ ἀρχαῖς παίδων ἀδελφοῦ χαίροντα καὶ σεμνυνόμενον αὖξιν προσήκει καὶ συνεξορμᾶν πρὸς τὰ καλὰ καὶ κατορθοῦντας ἀφειδῶς ἐπαινεῖν· αὐτοῦ γὰρ υἱὸν ἐπαχθὲς ἴσως ἐγκωμιάζειν, ἀδελφοῦ δὲ σεμνὸν καὶ οὐ φίλαυτον ἀλλὰ φιλόκαλον καὶ θεῖον ὡς ἀληθῶς· δοκεῖ γάρ μοι καὶ τοῦνομα καλῶς ὑψηλεῖσθαι πρὸς εὐνοίαν ἀδελφιδῶν καὶ ἀγάπης. δεῖ δὲ καὶ τὰ τῶν κρειττόνων ζηλοῦν. Ἡρακλῆς τε γὰρ δυεῖν δέοντας ἐβδομήκοντα γεννήσας παῖδας οὐδενὸς ἦπτον αὐτῶν τὸν ἀδελφιδοῦν ἡγάπησεν· ἀλλὰ καὶ νῦν πολλαχοῦ σύμβωμός ἐστιν Ἰόλαος αὐτῷ, καὶ συγκατεύχονται παραστάτην Ἡρακλέους ὀνομάζοντες· [d] Ἴφικλέους δὲ τοῦ ἀδελφοῦ πεσόντος ἐν τῇ περὶ Λακεδαιμόνα μάχῃ περίλυπος γενόμενος πᾶσαν ἐξέλιπε Πελοπόννησον. ἡ τε Λευκοθέα τῆς ἀδελφῆς ἀποθανούσης ἔθρεψε τὸ βρέφος καὶ συνεξεθείασεν· ὅθεν αἱ Ῥωμαίων γυναῖκες ἐν ταῖς τῆς Λευκοθέας ἑορταῖς, ἣν Ματοῦταν ὀνομάζουσιν, οὐ τοὺς ἐαυτῶν παῖδας ἀλλὰ τοὺς τῶν ἀδελφῶν ἐναγκαλίζονται καὶ τιμῶσιν.

ΠΕΡΙ ΤΗΣ ΕΙΣ ΤΑ ΕΓΓΟΝΑ ΦΙΛΟΣΤΟΡΓΙΑΣ

πρωτεῖον οὐκ εὐτυχὲς εἰς κακῶν ὑπεροχὴν ἀποδιδούς τῷ [c] ἀνθρώπῳ· ἡμεῖς δ’ ὥσπερ ἤδη νικῶντα κακοδαιμονία τὸν ἄνθρωπον καὶ τῶν ἄλλων ἀθλιώτατον ζώων ἀνηγορευμένον αὐτὸν αὐτῷ συγκρίνωμεν, εἰς ἰδίων κακῶν ἀγῶνα σῶμα καὶ ψυχὴν διαιροῦντες, οὐκ ἀχρήστως ἀλλὰ καὶ πάνυ δεόντως, ἵνα μάθωμεν πότερον διὰ τὴν τύχην ἢ δι’ ἑαυτοὺς ἀθλιώτερον ζῶμεν. νόσος μὲν γὰρ ἐν σώματι φύεται διὰ τύχην, κακία δὲ καὶ μοχθηρία περὶ ψυχὴν ἔργον ἐστὶ πρῶτον εἶτα πάθος αὐτῆς. οὐ μικρὸν δὲ πρὸς εὐθυμίαν ὄφελος, ἂν ἰάσιμον ᾗ τὸ χεῖρον καὶ κουφότερον καὶ ἄσφυκτον.

τῶν μὲν γὰρ περὶ τὸ σῶμα νοσημάτων ἐρρωμένος ὁ λογισμὸς αἰσθάνεται, τοῖς δὲ τῆς ψυχῆς συννοσῶν αὐτὸς οὐκ ἔχει κρίσιν ἐν οἷς πάσχει, πάσχει γὰρ ὧ κρίνει· καὶ δεῖ τῶν ψυχικῶν πρῶτον καὶ μέγιστον ἀριθμεῖν τὴν ἄνοιαν, δι' [f] ἧς ἀνήκεστος ἡ κακία τοῖς πολλοῖς συνοικεῖ καὶ συγκαταβιοῖ καὶ συναποθνήσκει. ἀρχὴ γὰρ ἀπαλλαγῆς νόσου μὲν αἰσθησις εἰς χρεῖαν ἄγουσα τοῦ βοηθοῦντος τὸ πάσχον· ὁ δ' ἀπιστία τοῦ νοσεῖν οὐκ εἰδῶς ὧν δεῖται, κἂν παρῇ τὸ θεραπεῦον, ἀρνεῖται. καὶ γὰρ τῶν περὶ τὸ σῶμα νοσημάτων [501]

Τῶν δ' ἄλλων παθῶν καὶ νοσημάτων τὰ μὲν ἐστὶν [f] ἐπικίνδυνα τὰ δὲ μισητὰ τὰ δὲ καταγέλαστα, τῇ δ' ἀδολεσχία πάντα συμβέβηκε· χλευάζονται μὲν γὰρ ἐν ταῖς κοιναῖς διηγήσεσι, μισοῦνται δὲ διὰ τὰς τῶν κακῶν προσαγγελίας, κινδυνεύουσι δὲ τῶν ἀπορρήτων μὴ κρατοῦντες. ‘νήπιος, ὃς τὰ ἔτοιμα λιπῶν ἀνέτοιμα διώκει,’

τὴν βεβαιότεραν εἴλετο σωτηρίαν πρὸ τῆς δικαιοτέρας. ἐμήνυσε γὰρ τῷ Νέρωνι τὴν φωνὴν τοῦ ἀνθρώπου· κἀκεῖνος εὐθὺς ἀνῆρπαστο, καὶ βάσανοι καὶ πῦρ καὶ μάστιγες ἐπ’ αὐτόν, ἀρνούμενον πρὸς τὴν ἀνάγκην ἃ χωρὶς ἀνάγκης ἐμήνυσε. Ζήνων δ’ ὁ φιλόσοφος, ἵνα μὴδ’ ἄκοντος αὐτοῦ πρόηται τι τῶν ἀπορρήτων ἐκβιαζόμενον τὸ σῶμα ταῖς ἀνάγκαις, διαφαγὼν τὴν γλῶτταν προσέπτυσσε τῷ τυράννῳ. καλὸν δὲ καὶ Λέαινα τῆς ἐγκρατείας [e] ἔχει γέρας. ἐταῖρα τῶν περὶ Ἀρμόδιον ἦν καὶ Ἀριστογείτονα καὶ τῆς ἐπὶ τοὺς τυράννους συνωμοσίας ἐκοινώνει ταῖς ἐλπίσιν ὡς γυνή· καὶ γὰρ αὕτη περὶ τὸν καλὸν ἐκεῖνον ἐβάκχευσε κρατῆρα τοῦ ἔρωτος καὶ κατωργίαστο [διὰ] τοῦ θεοῦ τοῖς ἀπορρήτοις. ὡς οὖν ἐκεῖνοι παῖσαντες ἀνῆρέθησαν, ἀνακρινομένη καὶ κελευομένη φράσαι τοὺς ἔτι λανθάνοντας οὐκ ἔφρασεν, ἀλλ’ ἐνεκαρτέρησεν, ἐπιδείξασα τοὺς ἄνδρας οὐδὲν ἀνάξιον ἑαυτῶν παθόντας, εἰ τοιαύτην ἠγάπησαν. Ἀθηναῖοι δὲ χαλκῆν ποιησάμενοι λέαιναν ἄγλωσσον ἐν πύλαις τῆς ἀκροπόλεως ἀνέθηκαν, τῷ μὲν θυμοειδεῖ τοῦ ζώου τὸ ἀήττητον αὐτῆς τῷ δ’ [f] ἀγλώσσω τὸ σιωπηρὸν καὶ μυστηριῶδες ἐμφαίνοντες.

οὐδεὶς γὰρ οὕτω λόγος ὠφέλησε ῥηθεὶς ὡς πολλοὶ σιωπηθέντες. ἔστι γὰρ εἰπεῖν ποτε τὸ σιγηθέν, οὐ μὴν σιωπῆσαι γε τὸ λεχθέν, ἀλλ’ ἐκκέχυται καὶ διαπεφοίτηκεν. ὅθεν οἶμαι τοῦ μὲν λέγειν ἀνθρώπους τοῦ δὲ σιωπᾶν θεοὺς διδασκάλους ἔχομεν, ἐν τελεταῖς καὶ μυστηρίοις σιωπῇν [506] [a] παραλαμβάνοντες. ὁ δὲ ποιητὴς τὸν λογιώτατον Ὀδυσσεά σιωπηλότατον πεποίηκε καὶ τὸν υἱὸν αὐτοῦ καὶ τὴν γυναῖκα καὶ τὴν τροφόν· ἀκούεις γὰρ λεγούσης (τ 494)

Καίτοι γ’ ὥσπερ οἱ τὰ πικρὰ καὶ τὰ δυσώδη φάρμακα πίνοντες δυσχεραίνουσι καὶ τὰς κύλικας, οὕτως οἱ τὰ κακὰ προσαγγέλλοντες ὑπὸ τῶν ἀκουόντων δυσχεραίνονται καὶ μισοῦνται. ὅθεν χαριέντως ὁ Σοφοκλῆς διηπόρηκεν (Ant. 317)·

‘οὐ γάρ τι βουλῆς ταῦτό καὶ δρόμου τέλος’

ὡς φησιν ὁ Σοφοκλῆς (fr. 772), οὐδέ γε φωνῆς καὶ ἀποκρίσεως· ἀλλ' ἐκεῖ μὲν ἡ νίκη τοῦ φθάσαντός ἐστιν, ἐνταῦθα δέ, ἐὰν μὲν ἱκανῶς ἕτερος ἀποκρίνηται, καλῶς ἔχει συνεπαινέσαντα καὶ συνεπιφήσαντα δόξαν εὐμενοῦς ἀνθρώπου [512] [a] λαβεῖν· ἐὰν δὲ μή, τότε καὶ διδάξαι τὸ ἡγνοημένον καὶ ἀναπληρῶσαι τὸ ἐλλεῖπον ἀνεπίφθονον καὶ οὐκ ἄκαιρόν ἐστι. μάλιστα δὲ φυλάττωμεν ἑαυτούς, ὅπως μὴ ἐτέρου τινὸς ἐρωτηθέντος αὐτοὶ προλαμβάνωμεν ὑποφθάνοντες τὴν ἀπόκρισιν. ἴσως μὲν γὰρ οὐδ' ἄλλοτε καλῶς ἔχον ἐστὶν αἰτηθέντος ἐτέρου παρωσαμένους ἐκεῖνον αὐτοὺς ἐπαγγέλλεσθαι (δόξομεν γὰρ ἅμα καὶ τοῦτον ὡς παρασχεῖν ὃ αἰτεῖται μὴ δυνάμενον, κάκεινον ὡς αἰτεῖν παρ' ὧν δύναται λαβεῖν οὐκ ἐπιστάμενον ὀνειδίζειν)· μάλιστα δ' ὕβριν φέρει περὶ τὰς ἀποκρίσεις ἢ τοιαύτη προπέτεια καὶ θρασυτής. συνεμφαίνει γὰρ ὁ φθάνων ἐν τῷ [b] ἀποκρίνασθαι τὸν ἐρωτώμενον τὸ 'τί τούτου δέη;' καὶ 'τί οὗτος οἶδεν;' καὶ 'ἐμοῦ παρόντος περὶ τούτων οὐδένα δεῖ ἄλλον ἐρωτᾶν.' καίτοι πολλάκις τινὰς ἐρωτῶμεν οὐ τοῦ λόγου δεόμενοι, φωνὴν δέ τινα καὶ φιλοφροσύνην ἐκκαλούμενοι παρ' αὐτῶν καὶ προαγαγεῖν εἰς ὁμιλίαν ἐθέλοντες, ὡς Σωκράτης Θεαίτητον καὶ Χαρμίδην. ὅμοιον οὖν τῷ τὸν ὑφ' ἐτέρου βουλόμενον φιληθῆναι προσδραμόντα φιλεῖν αὐτὸν ἢ τὸν ἐτέρῳ προσβλέποντα μεταστρέφειν εἰς ἑαυτὸν τὸ προλαμβάνειν τὰς ἀποκρίσεις καὶ τὰ ὦτα μετάγειν καὶ τὴν διάνοιαν ἔλκειν καὶ ἀποστρέφειν πρὸς ἑαυτόν· [c] ὅπου, κἂν

ἀπείληται τὸν λόγον ὁ αἰτηθεὶς, ἐπισχόντα καλῶς ἔχει καὶ πρὸς τὸ βουλόμενον τοῦ ἐρωτῶντος ἀρμοσάμενον ὡς ἐπὶ κλῆσιν ἀλλοτρίαν [τὴν ἀπόκρισιν] αἰδημόνως καὶ κοσμίως ἀπαντᾷ. καὶ γὰρ οἱ μὲν ἐρωτηθέντες, ἂν σφαλῶσιν ἐν τῷ ἀποκρίνασθαι, συγγνώμης δικαίας τυγχάνουσιν, ὁ δ' αὐθαιρέτως ὑφιστάμενος καὶ προλαμβάνων τὸν λόγον ἀηδῆς μὲν ἐστὶ καὶ κατορθῶν, διαμαρτάνων δὲ παντάπασιν ἐπίχαρτος γίνεται καὶ καταγέλαστος.

Δεύτερον τοίνυν ἄσκημα πρὸς τὰς ἰδίας ἀποκρίσεις ἐστίν, αἷς οὐχ ἥκιστα δεῖ προσέχειν τὸν ἀδόλεσχον. πρῶτον [d] μὲν, ἵνα μὴ λάθῃ τοῖς ἐπὶ γέλῳ καὶ ὕβρει προκαλουμένοις εἰς λόγους αὐτὸν ἀποκρινόμενος μετὰ σπουδῆς. ἔνιοι γὰρ οὐδὲν δεόμενοι, διατριβῆς δὲ καὶ παιδιᾶς ἔνεκα συνθέντες τινὰς ἐρωτήσεις προβάλλουσι τοῖς τοιοῦτοις καὶ ἀνακινοῦσιν αὐτῶν τὸν λῆρον· ὁ δεῖ φυλάττεσθαι καὶ μὴ ταχὺ τῷ λόγῳ μηδ' ὥσπερ χάριν ἔχοντας ἐπιπηδᾶν, ἀλλὰ καὶ τὸν τρόπον τοῦ πυνθανομένου σκοπεῖν καὶ τὴν χρεῖαν. ὅταν δὲ φαίνεται τῷ ὄντι βουλόμενος μαθεῖν, ἐθιστέον ἐφιστάναι καὶ ποιεῖν τι διάλειμμα μεταξὺ τῆς ἐρωτήσεως καὶ τῆς ἀποκρίσεως, ἐν ᾧ προσθεῖναι μὲν ὁ ἐρωτῶν, εἴ τι βούλεται, δύναται, σκέψασθαι δ' αὐτὸς περὶ ὧν ἀποκρίνεται, [e] καὶ μὴ κατατρέχειν μηδὲ καταχωννύναι τὴν ἐρώτησιν, ἔτι πυνθανομένοις πολλάκις ὑπὸ σπουδῆς ἄλλας ἀντ' ἄλλων ἀποκρίσεις διδόντα. ἡ μὲν γὰρ Πυθία καὶ πρὸ ἐρωτήσεως αὐθωρὶ χρησμοὺς εἴωθέ τις ἐκφέρειν· ὁ γὰρ θεός, ᾧ λατρεύει,

‘καὶ κωφοῦ ξυνίησι καὶ οὐ λαλέοντος ἀκούει,’

τὸν δὲ βουλόμενον ἐμμελῶς ἀποκρίνασθαι δεῖ τὴν διάνοιαν ἀναμεῖναι καὶ τὴν προαίρεσιν ἀκριβῶς καταμαθεῖν τοῦ πυνθανομένου, μὴ γένηται τὸ κατὰ τὴν παροιμίαν ‘ἄμας ἀπῆτουν ...’. ἄλλως δὲ τὸ λάβρον τοῦτο καὶ πρὸς [f] τοὺς λόγους ὀξύπεινον ἀνακρουστέον, ἵνα μὴ δοκῇ καθάπερ ῥεῦμα τῇ γλώττῃ πάλαι προσιστάμενον ἀσμένως ὑπὸ τῆς ἐρωτήσεως ἐξερεῖσθαι. καὶ γὰρ ὁ Σωκράτης οὕτως ἐκόλουε τὴν δίψαν, οὐκ ἐφίεις ἐαυτῷ πιεῖν μετὰ γυμνάσιον, εἰ μὴ τὸν πρῶτον ἐκχέαι κάδον ἀνιμήσας, ὅπως ἐθίζηται τὸν τοῦ λόγου καιρὸν ἀναμένειν τὸ ἄλογον.

[513] [a] Ἔστι τοίνυν τρία γένη τῶν πρὸς τὰς ἐρωτήσεις ἀποκρίσεων, τὸ μὲν ἀναγκαῖον τὸ δὲ φιλόφρονον τὸ δὲ περισσόν. οἷον πυθομένου τινὸς εἰ Σωκράτης ἔνδον, ὁ μὲν ὥσπερ ἄκων καὶ ἀπροθύμως ἀποκρίνεται τὸ ‘οὐκ ἔνδον’, ἐὰν δὲ βούληται

λακωνίζειν, καὶ τὸ 'ἔνδον' ἀφελὼν αὐτὴν μόνην φθέγγεται τὴν ἀπόφασιν· ὡς ἐκεῖνοι, Φιλίππου γράφαντος εἰ δέχονται τῇ πόλει αὐτόν, εἰς χάρτην 'οὐ' μέγα γράψαντες ἀπέστειλαν. ὁ δὲ φιλανθρωπότερον ἀποκρίνεται 'οὐκ ἔνδον ἀλλ' ἐπὶ ταῖς τραπέζαις', κἂν βούληται προσεπιμετρηῆσαι, 'ξένους τινὰς ἐκεῖ περιμένωνν.' ὁ δὲ [b] περιττὸς καὶ ἀδολέσχης, ἂν γε δὴ τύχη καὶ τὸν Κολοφώνιον ἀνεγνωκὼς Ἀντίμαχον, 'οὐκ ἔνδον' φησὶν 'ἀλλ' ἐπὶ ταῖς τραπέζαις, ξένους ἀναμένωνν Ἴωνας, ὑπὲρ ὧν αὐτῷ γέγραφεν Ἀλκιβιάδης περὶ Μίλητον ὧν καὶ παρὰ Τισσαφέρνῃ διατρίβων, τῷ τοῦ μεγάλου σατράπῃ βασιλέως, ὃς πάλαι μὲν ἐβοήθει Λακεδαιμονίοις, νῦν δὲ προστίθεται δι' Ἀλκιβιάδην Ἀθηναίοις· ὁ γὰρ Ἀλκιβιάδης ἐπιθυμῶν κατελθεῖν εἰς τὴν πατρίδα τὸν Τισσαφέρνην μετατίθῃσι', καὶ ὅλως τὴν ὀγδόην Θουκυδίδου κατατεινόμενος ἐρεῖ καὶ κατακλύσει τὸν ἄνθρωπον, ἕως φθάσει καὶ Μίλητος [c] ἐκπολεμωθεῖσα καὶ φυγαδευθεῖς τὸ δεύτερον Ἀλκιβιάδης. μάλιστα δὴ περὶ τοῦτο δεῖ τὴν ἀδολεσχίαν συνέχειν ὥσπερ εἰς ἶχνος ἐμβιβάζοντα τὴν ἐρώτησιν καὶ κέντρῳ καὶ διαστήματι τῇ χρεῖα τοῦ πυνθανομένου περιγράφαντα τὴν ἀπόκρισιν. Καρνεάδην μὲν γὰρ οὕτω μεγάλην ἔχοντα δόξαν ἐν τῷ γυμνασίῳ διαλεγόμενον πέμψας ὁ γυμνασίαρχος ἐκέλευσεν ὑφεῖναι τὸ μέγεθος τῆς φωνῆς (ἦν γὰρ μεγαλοφωνότατος)· εἰπόντος δ' ἐκείνου 'δὸς μοι μέτρον φωνῆς' οὐ φαύλως ὑπέτυχε 'δίδωμι τὸν προσδιαλεγόμενον.' τῷ δ' ἀποκρινομένῳ μέτρον [ἔστω] ἢ τοῦ ἐρωτῶντος βούλησις.

Καὶ μὴν ὥσπερ ὁ Σωκράτης (Xen. Mem. I 3, 6) [d] ἐκέλευε φυλάττεσθαι τῶν σιτίων ὅσα μὴ πεινῶντας ἐσθίειν ἀναπέιθει καὶ τῶν πομάτων ὅσα πίνειν μὴ διψῶντας, οὕτω χρὴ καὶ τῶν λόγων τὸν ἀδολέσχην, οἷς ἥδεται μάλιστα καὶ κέχρηται κατακόρως, τούτους φοβεῖσθαι καὶ πρὸς τούτους ἐπιρρέοντας ἀντιβαίνειν. οἷον οἱ στρατιωτικοὶ πολέμων εἰσὶ διηγητικοί, καὶ τὸν Νέστορα τοιοῦτον ὁ ποιητὴς εἰσάγει, τὰς αὐτοῦ πολλάκις ἀριστείας καὶ πράξεις διηγούμενον. ἐπεικῶς δὲ καὶ τοῖς περὶ δίκας εὐστοχήσασιν ἢ παρ' ἡγεμόσι καὶ βασιλεῦσιν ἀπροσδοκίτως εὐημερήσασιν ὥσπερ νόσημά τι προσπίπτει καὶ [e] παρακολουθεῖ τὸ μεμνησθαι καὶ διηγεῖσθαι πολλάκις, ὃν τρόπον εἰσηλθὼν προσήχθησαν ἡγωνίσαντο διελέχθησαν, ἐξήλεγξαν ἀντιδίκους τινὰς ἢ κατηγορούς, ἐπληρέθησαν. πολλῷ γάρ ἐστιν ἡ χαρὰ τῆς

κωμικῆς ἐκείνης ἀγρυπνίας λαλίστερον (Men. fr. 164), ἀναρριπίζουσα πολλάκις ἑαυτὴν καὶ πρόσφατον ποιοῦσα τοῖς διηγήμασιν. ὅθεν ὀλισθηροὶ πρὸς τοὺς τοιοῦτους τῶν λόγων εἰσὶν ἐκ πάσης προφάσεως· οὐ γὰρ μόνον ‘ὅπου τις ἀλγεῖ, κείθι καὶ τὴν χεῖρ’ ἔχει,’ ἀλλὰ καὶ τὸ ἡδόμενον ἔλκει τὴν φωνὴν ἐφ’ ἑαυτὸ καὶ περιάγει τὴν γλῶτταν ἐπερείδειν ἀεὶ τῇ μνήμῃ βουλόμενον. οὕτω καὶ τοῖς ἐρωτικοῖς ἢ πλείστη διατριβὴ περὶ [f] λόγους μνήμην τινὰ τῶν ἐρωμένων ἀναδιδόντας· οἳ γε καὶ μὴ πρὸς ἀνθρώπους, πρὸς ἄψυχα περὶ αὐτῶν διαλέγονται·

‘ὦ φιλότατη κλίνη’

καὶ

‘Βακχίς θεόν σ’ ἐνόμισεν, εὐδαιμον λύχνε·

καὶ τῶν θεῶν μέγιστος, εἰ ταύτῃ δοκεῖς’

(Com. adesp. 151. 2).

ἔστι μὲν οὖν ἀτεχνῶς ἡ λευκὴ στάθμη πρὸς τοὺς λόγους^[514] [a] ὁ ἀδόλεσχος, οὐ μὴν ἀλλ’ <ὁ> μᾶλλον ἐτέρων ἐτέροις προσπεπονθῶς ὀφείλει τούτους φυλάττεσθαι καὶ ἀνέχειν ἑαυτὸν ἀπὸ τούτων καὶ ἀνακρούειν ὡς πορρωτάτω, προαγαγεῖν καὶ ἀπομηκῦναι δι’ ἡδονὴν ἀεὶ δυναμένων. τὸ δ’ αὐτὸ τοῦτο καὶ πρὸς τοὺς λόγους ἐκείνους πεπόνθασιν, ἐν οἷς κατ’ ἐμπειρίαν ἢ ἔξιν τινὰ τῶν ἄλλων διαφέρειν νομίζουσι. φίλαυτος γὰρ ὢν καὶ φιλόδοξος ὁ τοιοῦτος (Eur. fr. 183)

‘νέμει τὸ πλεῖστον ἡμέρας τούτῳ μέρος,

ἴν’ αὐτὸς αὐτοῦ τυγχάνει κράτιστος ὢν,’

ἐν ἱστορίαις ὁ ἀναγνωστικός, ἐν τεχνολογίαις ὁ γραμματικός, [b] ἐν διηγήμασι ξενικοῖς ὁ πολλὴν χώραν ἐπεληλυθὼς καὶ πεπλανημένος. ὥστε καὶ ταῦτα δεῖ φυλάττεσθαι· δελεαζομένη γὰρ ὑπ’ αὐτῶν ἡ ἀδολεσχία καθάπερ ζῶον ἐπὶ νομὰς συνήθεις πρόεισι. θαυμαστὸς δ’ ὁ Κῦρος (Xen. Cyr. I 4, 4), ὅτι καὶ τὰς ἀμίλλας ἐποιεῖτο πρὸς τοὺς ἡλικας, οὐκ ἐν οἷς κρείττων ἀλλ’ ἐν οἷς ἀπειρότερος ἦν ἐκείνων, εἰς ταῦτα προκαλούμενος, ἵνα μήτε λυπῇ παρευδοκιμῶν καὶ μανθάνων ὠφελῇται. ὁ δ’ ἀδολέσχης τοῦναντίον, ἂν μὲν τις ἐμπέσῃ λόγος, ἐξ οὗ μαθεῖν τι δύναται καὶ πυθέσθαι τῶν ἀγνωσμένων, τοῦτον ἐξωθεῖ καὶ ἐκκρούει, μισθὸν οὕτω βραχὺν δοῦναι τὸ σιωπῆσαι μὴ [c] δυνάμενος· εἰς δὲ τὰς ἐώλους καὶ πολυπατήτους κύκλῳ περιῶν εἰσελαύνει ῥαφιδίας τὸν λόγον. ὡς τῶν παρ’ ἡμῖν τις κατὰ τύχην ἀνεγνωκῶς δύο τῶν

Ἐφόρου βιβλίων ἢ τρία πάντας ἀνθρώπους κατέτριβε καὶ πᾶν ἀνάστατον ἐποίει συμπόσιον, αἰεὶ τὴν ἐν Λεύκτροις μάχην καὶ τὰ συνεχῇ διηγούμενος· ὅθεν Ἑπαμεινώνδας παρωνύμιον ἔσχεν.

Οὐ μὴν ἀλλὰ τοῦτό γε τῶν κακῶν ἐλάχιστόν ἐστι, καὶ δεῖ παρατρέπειν εἰς ταῦτα τὴν ἀδολεσχίαν· ἥττον γὰρ ἀηδὲς ἔσται τὸ λάλον ἐν τῷ φιλολόγῳ πλεονάζον. ἐθιστέον δὲ καὶ γράφειν τι τοὺς τοιούτους καὶ διαλέγεσθαι κατ' ἰδίαν.

[d] ὁ μὲν γὰρ Στωικὸς Ἀντίπατρος (fr. 5), ὡς ἔοικε, μὴ δυνάμενος μηδὲ βουλόμενος ὁμόσε χωρεῖν τῷ Καρνεάδῃ μετὰ πολλοῦ ρεύματος εἰς τὴν Στοᾶν φερομένῳ, γράφων δὲ καὶ πληρῶν τὰ βιβλία τῶν πρὸς αὐτὸν ἀντιλογιῶν 'καλαμοβόας' ἐπεκλήθη· τὸν δ' ἀδολέσχην ἴσως ἂν ἢ πρὸς τὸ γραφεῖον σκιαμαχία καὶ βοή τοῦ πλήθους ἀπερύκουσα καθ' ἡμέραν ἐλαφρότερον παρασκευάσειε τοῖς συνοῦσιν, ὥσπερ οἱ κύνες εἰς λίθους καὶ ξύλα τὸν θυμὸν ἀφέντες ἥττόν εἰσι χαλεποὶ τοῖς ἀνθρώποις. ἀρμόσει δ' αὐτοῖς σφόδρα καὶ τὸ μετὰ κρειττόνων αἰεὶ καὶ πρεσβυτέρων [e] ὁμιλεῖν· αἰσχυρόμενοι γὰρ αὐτῶν τὴν δόξαν ἐν ἔθει γενήσονται τοῦ σιωπᾶν.

Τούτοις δ' αἰεὶ δεῖ καταμεμῖχθαι καὶ συμπεπλέχθαι τοῖς ἐθισμοῖς τὴν προσοχὴν ἐκείνην καὶ τὸν ἐπιλογισμόν, ὅταν τι μέλλωμεν λαλεῖν καὶ τὰ ῥήματα τῷ στόματι προστρέχῃ, 'τίς οὗτος ὁ λόγος ὁ ἐφεστὼς καὶ καταβιαζόμενος; ἐπὶ τί δ' ἢ γλῶσσ' ἀσπαίρει; τί δ' εἰπόντι περιγίγνεται καλὸν ἢ τί σιωπήσαντι δυσχερές;' οὐ γὰρ ὡς βάρος τι δεῖ πιέζον ἀποθέσθαι τὸν λόγον (ἐπεὶ παραμένει γε καὶ ῥηθεὶς ὁμοίως), ἀλλ' ἢ δι' αὐτοὺς ἄνθρωποι δεόμενοί τινος λαλοῦσιν ἢ τοὺς ἀκούοντας ὠφελοῦντες ἢ χάριν τινὰ παρασκευάζοντες ἀλλήλοις ὥσπερ ἄλσι τοῖς [f] λόγοις ἐφηδύνουσι τὴν διατριβὴν καὶ τὴν πρᾶξιν, ἐν ἧς τυγχάνουσιν ὄντες. εἰ δὲ μήτε τῷ λέγοντι χρήσιμον μήτ' ἀναγκαῖον τοῖς ἀκούουσι τὸ λεγόμενον ἡδονὴ δὲ καὶ χάρις οὐ πρόσεστι, διὰ τί λέγεται; τὸ γὰρ μάτην καὶ διακενῆς οὐχ ἥττον ἐν τοῖς λόγοις ἢ τοῖς ἔργοις ἐστίν. ἐπὶ πᾶσι δὲ καὶ παρὰ ταῦτα πάντα δεῖ πρόχειρον ἔχειν καὶ μνημονεύειν [515] [a] τὸ Σιμωνίδειον, ὅτι λαλήσας μὲν πολλάκις μετενόησε σιωπήσας δ' οὐδέποτε, καὶ τὴν ἄσκησιν, ὅτι πάντων ἐπικρατεῖ καὶ ἰσχυρότερόν ἐστιν· ὅπου καὶ λυγμὸν καὶ βῆχ' ἄνθρωποι τῷ προσέχειν ἀποβιαζόμενοι μετὰ πόνου καὶ ἀλγηδόνης ἐξεκρούσαντο. σιγὴ δ' οὐ μόνον ἄδιψον, ὡς φησιν Ἱπποκράτης (ubi?), ἀλλὰ καὶ ἄλυπον

καὶ ἀνώδυνον.

ΠΕΡΙ ΠΟΛΥΠΡΑΓΜΟΣΥΝΗΣ

[515] Ἄπνουν ἢ σκοτεινὴν ἢ δυσχείμερον οἰκίαν ἢ νοσώδη φυγεῖν μὲν ἴσως ἄριστον· ἂν δὲ φιλοχωρῇ τις ὑπὸ συνηθείας, ἔστι καὶ φῶτα μεταθέντα καὶ κλίμακα μεταβαλόντα καὶ θύρας τινὰς ἀνοίξαντα τὰς δὲ κλείσαντα λαμπροτέραν εὐπνουστέραν ὑγιεινοτέραν μηχανήσασθαι. καὶ πόλεις τινὲς [c] οὕτω μεταθέντες ὠφέλησαν· ὥσπερ τὴν ἐμὴν πατρίδα πρὸς ζέφυρον ἄνεμον κεκλιμένην καὶ τὸν ἥλιον ἐρείδοντα δειλῆς ἀπὸ τοῦ Παρνασσοῦ δεχομένην ἐπὶ τὰς ἀνατολὰς τραπῆναι λέγουσιν ὑπὸ τοῦ Χαίρωνος. ὁ δὲ φυσικὸς Ἑμπεδοκλῆς (A 14) ὄρους τινὰ διασφάγα βαρὺν καὶ νοσώδη κατὰ τῶν πεδίων τὸν νότον ἐμπνέουσιν ἐμφράξας λοιμὸν ἔδοξεν ἐκκλεῖσαι τῆς χώρας. ἐπεὶ τοίνυν ἔστι τινὰ πάθη νοσώδη καὶ βλαβερὰ καὶ χειμῶνα παρέχοντα τῇ ψυχῇ καὶ σκότος, ἄριστον μὲν ἐξωθεῖν ταῦτα καὶ καταλύειν εἰς ἔδαφος, αἰθρίαν καὶ φῶς καὶ πνεῦμα καθαρὸν [d] διδόντας ἑαυτοῖς· εἰ δὲ μή, μεταλαμβάνειν γε καὶ μεθαρμόττειν ἀμωσγέπως περιάγοντας ἢ στρέφοντας.

Οἷον εὐθύς ἡ πολυπραγμοσύνη φιλομάθειά τις ἐστὶν ἀλλοτρίων κακῶν, οὔτε φθόνου δοκοῦσα καθαρεύειν νόσος οὔτε κακοηθείας·

‘τί τάλλότριον, ἄνθρωπε βασκανώτατε,

(Com. adesp. 359)

μετάθες ἔξωθεν καὶ μετάστρεψον εἴσω τὴν πολυπραγμοσύνην· εἰ χαίρεις κακῶν μεταχειριζόμενος ἱστορίαν, ἔχεις οἴκοι πολλὴν διατριβήν· ‘ὅσσον ὕδωρ †κατ’ Ἀλιζόνος ἢ δρυὸς ἀμφὶ πέτηλα,’ τοσοῦτον πλῆθος εὐρήσεις ἀμαρτημάτων [e] ἐν τῷ βίῳ καὶ παθῶν ἐν τῇ ψυχῇ καὶ παροραμάτων ἐν τοῖς καθήκουσιν. ὥς γὰρ ὁ Ξενοφῶν (Oecon. 8, 19) λέγει τοῖς οἰκονομικοῖς ἴδιον εἶναι τῶν ἀμφὶ θυσίαν σκευῶν, ἴδιον τῶν ἀμφὶ δεῖπνα τόπον, ἀλλαχοῦ κεῖσθαι τὰ γεωργικά, χωρὶς τὰ πρὸς πόλεμον, οὕτω σοὶ τὰ μὲν ἐστὶν ἀπὸ φθόνου κακὰ κείμενα τὰ δ’ ἀπὸ ζηλοτυπίας τὰ δ’ ἀπὸ δειλίας τὰ δ’ ἀπὸ μικρολογίας· ταῦτ’ ἔπελθε, ταῦτ’ ἀναθεώρησον· τὰς εἰς γειτόνων θυρίδας καὶ [τὰς] παρόδους τῆς πολυπραγμοσύνης ἔμφραξον, ἑτέρας δ’ ἀνοίξον εἰς τὴν ἀνδρωνίτιν τὴν σεαυτοῦ

φερούσας, εἰς τὴν γυναικωνῖτιν, εἰς τὰς τῶν θεραπόντων διαίτας· ἐνταῦθ' ἔχει διατριβὰς [f] οὐκ ἀχρήστους οὐδὲ κακοήθεις ἀλλ' ὠφελίμους καὶ σωτηρίους τὸ φιλοπευθὲς τοῦτο καὶ φιλόπραγμον, ἐκάστου πρὸς ἑαυτὸν λέγοντος (Carm. aug. 42)

‘πῇ τραπόμην; τί δ' ἔρξῃ; τί μοι δέον οὐκ ἐτελέσθη;’

νῦν δ' ὥσπερ ἐν τῷ μύθῳ τὴν Λάμιαν λέγουσιν οἴκοι μὲν εὐδελν τυφλήν, ἐν ἀγγείῳ τινὶ τοὺς ὀφθαλμοὺς ἔχουσιν [516] [a] ἀποκειμένους, ἔξω δὲ προϊοῦσαν ἐντίθεσθαι καὶ βλέπειν, οὕτως ἡμῶν ἕκαστος ἔξω καὶ πρὸς ἑτέρους τῇ κακονοίᾳ τὴν περιεργίαν ὥσπερ ὀφθαλμὸν ἐντίθησι, τοῖς δ' ἑαυτῶν ἁμαρτήμασι καὶ κακοῖς πολλάκις περιπταίμεν ὑπ' ἀγνοίας, ὅψιν ἐπ' αὐτὰ καὶ φῶς οὐ πορίζομενοι. διὸ καὶ τοῖς ἐχθροῖς ὠφελιμώτερός ἐστιν ὁ πολυπραγμονῶν· τὰ γὰρ ἐκείνων ἐλέγχει καὶ προφέρεται καὶ δείκνυσιν αὐτοῖς ἃ δεῖ φυλάξασθαι καὶ διορθῶσαι, τῶν δ' οἴκοι τὰ πλεῖστα παρορᾷ διὰ τὴν περὶ τὰ ἔξω πτόησιν. ὁ μὲν γὰρ Ὀδυσσεὺς (λ 84 sqq.) οὐδὲ τῇ μητρὶ διαλεχθῆναι πρότερον ὑπέμεινεν ἢ πυθέσθαι παρὰ τοῦ μάντεως, ὧν ἕνεκ' [b] ἦλθεν εἰς Ἄιδου, πυθόμενος δὲ οὕτω πρὸς τε ταύτην ἔτρεψεν αὐτόν, καὶ τὰς ἄλλας γυναικας ἀνέκρινε, τίς ἢ Τυρῶ καὶ τίς ἢ καλὴ Χλωρίς καὶ διὰ τί ἢ Ἐπικάστη ἀπέθανεν (λ 278) ‘ἁψαμένη βρόχον αἰπὺν ἄφ' ὑψηλοῖο μελάρου’· ἡμεῖς δὲ τὰ καθ' αὐτοὺς ἐν πολλῇ ῥαθυμίᾳ καὶ ἀγνοίᾳ θέμενοι καὶ ἀμελήσαντες ἑτέρους γενεαλογοῦμεν, ὅτι τοῦ γείτονος ὁ πάππος ἦν Σύρος, Θοῤῃα δ' ἡ τήθη, ὁ δεῖνα δ' ὀφείλει τάλαντα τρία καὶ τοὺς τόκους οὐκ ἀποδέδωκεν· ἐξετάζομεν δὲ καὶ τὰ τοιαῦτα, πόθεν ἡ γυνὴ τοῦ δεῖνος ἐπανήρχετο, τί δ' ὁ δεῖνα καὶ ὁ δεῖνα καθ' ἑαυτοὺς [c] ἐν τῇ γωνίᾳ διελέγοντο. Σωκράτης δὲ περιῆει διαπορῶν, τί Πυθαγόρας λέγων ἔπειθε· καὶ Ἀρίστιππος Ὀλυμπίασιν Ἰσομάχῳ συμβαλὼν ἡρώτα τί Σωκράτης διαλεγόμενος οὕτω τοὺς νέους διατίθησι, καὶ μίκρ' ἄττα τῶν λόγων αὐτοῦ σπέρματα καὶ δείγματα λαβὼν οὕτως ἐμπαθῶς ἔσχεν, ὥστε τῷ σώματι συμπεσεῖν καὶ γενέσθαι παντάπασιν ὠχρὸς καὶ ἰσχνός· ἄχρις οὗ πλεύσας Ἀθήναζε διψῶν καὶ διακεκαυμένος ἡρύσατο τῆς πηγῆς καὶ τὸν ἄνδρα καὶ τοὺς λόγους αὐτοῦ καὶ τὴν φιλοσοφίαν ἱστόρησεν, ἧς ἦν τέλος ἐπιγνῶναι τὰ ἑαυτοῦ κακὰ καὶ ἀπαλλαγῆναι.

‘τὼ χεῖρ’ ἐν Αἰτωλοῖς, ὁ νοῦς ἐν Κλωπιδῶν,’

οὕτω τοῦ πολυπράγμονος ὁ νοῦς ἅμ’ ἐν πλουσίων οἴκοις ἐστὶν ἐν δωματίοις πενήτων ἐν αὐλαῖς βασιλέων ἐν θαλάμοις νεογάμων· πάντα πράγματα ζητεῖ, τὰ ξένων τὰ ἡγεμόνων, οὐδ’ ἀκινδύνως ταῦτα ζητῶν, ἀλλ’ οἷον, εἴ τις ἀκονίτου γεύοιτο πολυπραγμονῶν τὴν ποιότητα, φθάσει τῆς αἰσθήσεως προανελὼν τὸ αἰσθανόμενον, οὕτως οἱ τὰ τῶν μειζόνων κακὰ ζητοῦντες προαναλίσκουσι τῆς γνώσεως [b] ἑαυτοῦς. καὶ γὰρ οἱ τοῦ ἡλίου τὴν ἄφθονόν γε ταύτην

καὶ κατακεχυμένην ἅπασιν ἀκτῖνα παρορῶντες, αὐτὸν δὲ τὸν κύκλον ἀναιδῶς καταβλέπειν καὶ διαστελλεῖν τὸ φῶς εἴσω βιαζόμενοι καὶ τολμῶντες ἀποτυφλοῦνται. διὸ καλῶς Φιλιππίδης ὁ κωμωδιοποιὸς εἰπόντος αὐτῷ ποτε Λυσιμάχου τοῦ βασιλέως ‘τίνος σοι τῶν ἐμῶν μεταδῶ;’ ‘μόνον’ εἶπεν, ‘ὦ βασιλεῦ, μὴ τῶν ἀπορρήτων.’ τὰ γὰρ ἡδιστα καὶ κάλλιστα τῶν βασιλέων ἔξω πρόκειται, τὰ δεῖπνα οἱ πλοῦτοι αἱ πανηγύρεις αἱ χάριτες· εἰ δέ τι ἀπόρρητόν ἐστι, μὴ προσέλθῃς μηδὲ κινήσῃς. οὐ κρύπτεται χαρὰ βασιλέως [c] εὐτυχοῦντος οὐδὲ γέλως παίζοντος οὐδὲ φιλανθρωπίας παρασκευὴ καὶ χάριτος· φοβερόν ἐστι τὸ κρυπτόμενον, σκυθρωπὸν ἀγέλαστον δυσπρόσιτον, ὀργῆς τινος ὑποῦλου θησαυρὸς ἢ τιμωρίας βαρυθύμου σκέψις ἢ ζηλοτυπία γυναικὸς ἢ πρὸς υἱὸν ὑποψία τις ἢ πρὸς φίλον ἀπιστία. φεῦγε τὸ μελαῖνον τοῦτο καὶ συνιστάμενον νέφος· οὐ λήσεται σε βροντῆσαν οὐδ’ ἀστράψαν, ὅταν ἐκραγῇ τὸ νῦν κρυπτόμενον.

Τίς οὖν ἡ φυγὴ; περισπασμός, ὡς εἴρηται (p. 515d), καὶ μεθολκὴ τῆς πολυπραγμοσύνης μάλιστα μὲν ἐπὶ τὰ βελτίω καὶ τὰ ἡδίω τρέψαντι τὴν ψυχὴν. τὰ ἐν οὐρανῷ πολυπραγμόνει, τὰ ἐν γῇ τὰ ἐν ἀέρι τὰ ἐν θαλάττῃ. μικρῶν [d] πέφυκας ἢ μεγάλων φιλοθεάμων; εἰ μεγάλων, ἥλιον πολυπραγμόνει ποῦ κάτεισι καὶ πόθεν ἄνεισι· ζήτει τὰς ἐν σελήνῃ καθάπερ ἀνθρώπῳ μεταβολάς, ποῦ τοσοῦτον κατανήλωσε φῶς πόθεν αὐθις ἐκτήσατο, πῶς (Soph. fr. 787)

‘ἐξ ἀδήλου πρῶτον ἔρχεται νέα

πρόσωπα καλλύνουσα καὶ πληρουμένη,

χῶταν περ αὐτῆς εὐγενεστάτη φανῇ,

πάλιν διαρρεῖ κάπῃ μηδὲν ἔρχεται.’

καὶ ταῦτ’ ἀπόρρητ’ ἐστὶ φύσεως, ἀλλ’ οὐκ ἄχθεται τοῖς ἐλέγχουσιν. ἀλλὰ τῶν μεγάλων ἀπέγνωκας; πολυπραγμόνει τὰ μικρότερα, πῶς τῶν φυτῶν τὰ μὲν αἰεὶ τέθηλε καὶ χλοάζει καὶ ἀγάλλεται παντὶ καιρῷ τὸν ἑαυτῶν ἐπιδεικνύμενα [e] πλοῦτον, τὰ δὲ νῦν μὲν ἐστὶν ὅμοια τοῦτοις νῦν δ’ ὥσπερ ἀνοικονόμητος ἄνθρωπος ἀθρόως ἐκχέαντα τὴν περιουσίαν γυμνὰ καὶ πτωχὰ καταλείπεται, διὰ τί δὲ τὰ μὲν προμήκεις τὰ δὲ γωνιώδεις τὰ δὲ στρογγύλους καὶ περιφερεῖς ἐκδίδωσι καρπούς. ἴσως δὲ ταῦτ’ οὐ πολυπραγμονήσεις, ὅτι τούτοις οὐθὲν κακὸν ἔνεστιν. ἀλλ’ εἰ δεῖ πάντως τὸ περίεργον ἐν φαύλοις πσιὶν ὥσπερ ἔρπετόν ἐν θανασίμοις ὕλαις αἰεὶ νέμεσθαι καὶ διατρίβειν, ἐπὶ τὰς ἱστορίας

Ἔστι γὰρ ἡ πολυπραγμοσύνη φιλοπευστία τῶν ἐν ἀποκρύψει

οὕτω δ' ἐκάστῳ λυπηρόν ἐστιν ἢ τῶν περὶ αὐτόν

[d]κακῶν ἀνακάλυψις, ὥστε πολλοὺς ἀποθανεῖν πρότερον ἢ δεῖξαι τι τῶν ἀπορρήτων νοσημάτων ἰατροῖς. φέρε γὰρ Ἡρόφιλον ἢ Ἐρασίστρατον ἢ τὸν Ἀσκληπιὸν αὐτόν, ὅτ' ἦν ἄνθρωπος, ἔχοντα τὰ φάρμακα καὶ τὰ ὄργανα κατ' οἰκίαν προσιστάμενον ἀνακρίνειν, μή τις ἔχει σύριγγα παρὰ δακτύλιον ἢ γυνὴ καρκίνον ἐν ὑστέρα· καίτοι σωτήριόν ἐστι τῆς τέχνης ταύτης τὸ πολὺπραγμον· ἀλλὰ πᾶς ἂν τις, οἶμαι, τὸν τοιοῦτον ἀπήλασεν, ὅτι τὴν χρεῖαν οὐ περιμένων ἄκλητος ἐπ' ἄλλοτρίων κακῶν ἔρχεται κατανόησιν. οἱ δὲ πολυπράγμονες αὐτὰ ταῦτα καὶ τὰ τούτων ἔτι χεῖρονα ζητοῦσιν, οὐ θεραπεύοντες ἀλλὰ μόνον ἀνακαλύπτοντες. ὅθεν μισοῦνται δικαίως. καὶ γὰρ τοὺς τελώνας βαρυνόμεθα καὶ δυσχεραίνομεν, οὐχ ὅταν τὰ ἐμφανῆ τῶν εἰσαγομένων ἐκλέγωσιν, ἀλλ' ὅταν τὰ κεκρυμμένα ζητοῦντες ἐν ἄλλοτρίοις σκεύεσι καὶ φορτίοις ἀναστρέφονται. καίτοι τοῦτο ποιεῖν ὁ νόμος δίδωσιν αὐτοῖς, καὶ βλάπτονται μὴ ποιοῦντες· οἱ δὲ πολυπράγμονες ἀπολλύουσι καὶ προΐενται τὰ αὐτῶν ἀσχολούμενοι περὶ τὰ ἀλλότρια, καὶ σπανίως μὲν εἰς ἀγρὸν βαδίζουσι τὸ ἥσυχον καὶ σιωπηρὸν τῆς ἐρημίας οὐ φέροντες, ἐὰν δὲ καὶ παραβάλωσι διὰ [e] χρόνου, ταῖς τῶν γειτόνων ἀμπέλοις μᾶλλον ἐμβλέπουσιν ἢ ταῖς ἰδίαις καὶ πυνθάνονται πόσοι βόες τοῦ γείτονος ἀποτεθνήκασιν ἢ πόσος οἶνος ὀξίνης γέγονε· ταχὺ δὲ τούτων ἐμπλησθέντες ἀποτρέχουσιν. ὁ μὲν γὰρ ἀληθινὸς ἐκεῖνος γεωργὸς οὐδὲ τὸν αὐτομάτως ἐρχόμενον ἐκ πόλεως λόγον ἡδέως προσδέχεται, λέγων (Com. adesp. 347)

ἐφ' οἷς γεγόνασιν αἱ διαλύσεις· ταῦτα γὰρ

πολυπραγμονῶν νῦν ὁ κατάρατος περιπατεῖ,'

οἱ δὲ πολυπράγμονες ὡς ἔωλόν τι πρᾶγμα καὶ ψυχρὸν καὶ ἀτράγωδον φεύγοντες τὴν ἀγροικίαν εἰς τὸ δεῖγμα καὶ τὴν ἀγορὰν καὶ τοὺς λιμένας ὠθοῦνται· 'μή τι καινόν;' - 'οὐ γὰρ ἦς πρῶτ' κατ' ἀγοράν;' - 'τί οὖν; ἐν ὥραις τρισὶν οἶει τὴν πόλιν μετακεκοσμηθῆναι;' οὐ μὴν ἀλλ' ἂν μὲν τις ἔχη τι τοιοῦτον εἰπεῖν, καταβὰς ἀπὸ τοῦ ἵππου δεξιωσάμενος καταφιλήσας ἔστηκεν

ἀκροώμενος· ἐὰν δ' ἀπαντήσας εἴπῃ τις ὅτι οὐθὲν καινόν, ὥσπερ ἀχθόμενος 'τί [b] λέγεις;' φησὶν 'οὐ γέγονας κατ' ἀγοράν; οὐ παρελήλυθας τὸ στρατήγιον; οὐδὲ τοῖς ἐξ Ἰταλίας ἤκουσιν ἐντετύχκας;' διὸ καλῶς οἱ τῶν Λοκρῶν ἄρχοντες· ἐπεὶ γάρ τις ἐξ ἀποδημίας προσιὼν ἠρώτησε 'μή τι καινόν;' ἐζημίωσαν αὐτόν. ὥς γὰρ οἱ μάγειροι φορὰν εὖχονται βοσκημάτων οἱ δ' ἁλιεῖς ἰχθύων, οὕτως οἱ πολυπράγμονες εὖχονται φορὰν κακῶν καὶ πλῆθος πραγμάτων καὶ καινότητος καὶ μεταβολάς, ἵν' αἰεὶ τι θηρεύειν καὶ κατακόπτειν ἔχωσιν. εὖ δὲ καὶ ὁ τῶν Θουρίων νομοθέτης· κωμωδεῖσθαι γὰρ ἐκώλυσε τοὺς πολίτας πλὴν μοιχοὺς καὶ πολυπράγμονας. ἔοικε γὰρ ἢ τε μοιχεία πολυπραγμοσύνη τις ἀλλοτρίας [c] ἡδονῆς εἶναι καὶ ζήτησις καὶ ἔρευνα τῶν φυλαττομένων καὶ λανθανόντων τοὺς πολλούς, ἢ τε πολυπραγμοσύνη παράδυσίς ἐστι καὶ φθορὰ καὶ ἀπογύμνωσις τῶν ἀπορρήτων.

Τῇ μὲν οὖν πολυμαθείᾳ τὴν πολυλογίαν ἔπεσθαι συμβαίνει (διὸ καὶ Πυθαγόρας ἔταξε τοῖς νέοις πενταετῇ σιωπῇ, ἔχεμυθίαν προσαγορεύσας), τῇ δὲ περιεργίᾳ τὴν κακολογίαν ἀνάγκη συνακολουθεῖν· ἃ γὰρ ἡδέως ἀκούουσιν ἡδέως λαλοῦσι, καὶ ἃ παρ' ἄλλων σπουδῇ συλλέγουσι πρὸς ἑτέρους μετὰ χαρᾶς ἐκφέρουσιν. ὅθεν αὐτοῖς μετὰ τῶν ἄλλων κακῶν τὸ νόσημα καὶ πρὸς τὴν ἐπιθυμίαν [d] ἐμποδὼν ἐστι. πάντες γὰρ αὐτοὺς φυλάττονται καὶ ἀποκρύπτονται, καὶ οὔτε πρᾶξαί τι πολυπράγμονος ὀρῶντος οὔτ' εἰπεῖν ἀκούοντος ἡδέως ἔχουσιν, ἀλλὰ καὶ βουλὰς ἀνατίθενται καὶ σκέψεις πραγμάτων ὑπερβάλλονται, μέχρις ἂν ἐκποδὼν ὁ τοιοῦτος γένηται· κἂν ἢ λόγου τινὸς ἀπορρήτου παρόντος ἢ πράξεως σπουδαίας περαιομένης ἀνὴρ πολυπράγμων ἐπιφανῇ, καθάπερ ὄψον γαλῆς παραδραμούσης αἴρουσιν ἐκ μέσου καὶ ἀποκρύπτουσιν· ὥστε πολλάκις τὰ τοῖς ἄλλοις ῥητὰ καὶ θεατὰ τούτοις μόνοις ἄρρητα καὶ ἀθέατα γίνεσθαι.

Διὸ καὶ πίστεως πάσης ἔρημος ὁ πολυπράγμων ἐστίν· [e] οἰκέταις γοῦν καὶ ξένοις πιστεύομεν μᾶλλον ἐπιστολὰς καὶ γράμματα καὶ σφραγίδας ἢ φίλοις καὶ οἰκείοις πολυπράγμοσιν. ὁ δὲ Βελλεροφόντης ἐκεῖνος (Z 155 sqq.) οὐδὲ καθ' ἑαυτοῦ γράμματα κομίζων ἔλυσεν, ἀλλ' ἀπέσχετο τῆς ἐπιστολῆς τοῦ βασιλέως ὡς τῆς γυναικὸς διὰ τὴν αὐτὴν ἐγκράτειαν. ἀκρασίας

γὰρ τὸ πολυπραγμονεῖν ὥς καὶ τὸ μοιχεύειν, καὶ πρὸς τῇ ἀκρασίᾳ δεινῆς ἀνοίας καὶ ἀφροσύνης· τὸ γὰρ τοσαύτας παρελθόντα κοινὰς καὶ δεδημοσιωμένας γυναῖκας ἐπὶ τὴν κατάκλειστον ὠθεῖσθαι καὶ πολυτελεῖ, πολλάκις ἂν οὕτω τύχη καὶ ἄμορφον οὔσαν, ὑπερβολὴ μανίας καὶ παραφροσύνης.

[f] ταῦτ' οἱ πολυπράγμονες ποιοῦσι· πολλὰ καὶ καλὰ θεάματα καὶ ἀκούσματα καὶ σχολὰς καὶ διατριβὰς παρελθόντες ἐπιστόλια διορύττουσιν ἀλλότρια καὶ παραβάλλουσι γειτόνων τοίχοις τὰ ὧτα καὶ συμψιθυρίζουσιν οἰκέταις καὶ γυναίκοις, πολλάκις μὲν οὐδ' ἀκινδύνως αἰεὶ δ' ἀδόξως.

Διὸ καὶ χρήσιμον ὥς ἔνι μάλιστα πρὸς τὴν ἀποτροπὴν τοῖς πολυπράγμοισιν ἡ τῶν προεγνωσμένων ἀνάμνησις. [520] [a] ἂν γάρ, ὥσπερ ὁ Σιμωνίδης ἔλεγε τὰς κιβωτοὺς ἀνοίγων διὰ χρόνου τὴν μὲν τῶν μισθῶν αἰεὶ μεστὴν τὴν δὲ τῶν χαρίτων εὕρισκεν κενήν, οὕτως τῆς πολυπραγμοσύνης τὴν ἀποθήκην ἀνοίγῃ διὰ χρόνου καὶ κατασκέπτεται πολλῶν ἀχρήστων καὶ ματαίων καὶ ἀτερπῶν γέμουσαν, ἴσως ἂν αὐτῷ τὸ πρᾶγμα προσταίῃ, φανέν ἡδὲς παντάπασι καὶ φλυαρῶδες. φέρε γάρ, εἴ τις ἐπιὼν τὰ συγγράμματα τῶν παλαιῶν ἐκλαμβάνοι τὰ κάκιστα τῶν ἐν αὐτοῖς καὶ βιβλίον ἔχοι συντεταγμένον οἷον Ὀμηρικῶν στίχων ἀκεφάλων καὶ τραγικῶν σολοικισμῶν καὶ τῶν ὑπ' Ἀρχιλόχου [b] πρὸς τὰς γυναῖκας ἀπρεπῶς καὶ ἀκολάστως εἰρημένων, ἑαυτὸν παραδειγματίζοντος, ἄρ' οὐκ ἔστι τῆς τραγικῆς κατάρας ἄξιος (Tr. adesp. 388)

‘ὄλοιο θνητῶν ἐκλέγων τὰς συμφοράς’;

καὶ ἄνευ δὲ τῆς κατάρας ἀπρεπῆς καὶ ἀνωφελῆς ὁ θησαυρισμὸς αὐτοῦ τῶν ἀλλοτρίων ἀμαρτημάτων· ὥσπερ ἡ πόλις, ἣν ἐκ τῶν κακίστων καὶ ἀναγωγοτάτων κτίσας ὁ Φίλιππος Πονηρόπολιν προσηγόρευσεν. οἱ τοίνυν πολυπράγμονες οὐ στίχων οὐδὲ ποιημάτων, ἀλλὰ βίων ἀστοχήματα καὶ πλημμελήματα καὶ σολοικισμοὺς ἀναλεγόμενοι καὶ συνάγοντες ἀμουσώτατον καὶ ἀτερπέστατον κακῶν γραμματοφυλακεῖον τὴν ἑαυτῶν μνήμην περιφέρουσιν. ὥσπερ [c] οὖν ἐν Ῥώμῃ τινὲς τὰς γραφὰς καὶ τοὺς ἀνδριάντας καὶ νῆ Δία τὰ κάλλη τῶν ὠνίων παίδων καὶ γυναικῶν ἐν μηδενὶ λόγῳ τιθέμενοι περὶ τὴν τῶν τεράτων ἀγορὰν ἀναστρέφονται, τοὺς ἀκνήμους καὶ τοὺς γαλεάγκωνας καὶ τοὺς τριοφθάλμους καὶ τοὺς στρουθοκεφάλους καταμανθάνοντες καὶ

ζητοῦντες εἴ τι γεγένηται ‘σύμμικτον εἶδος καὶ ἀποφώλιον τέρας’ (Eur. fr. 996), ἀλλ’ ἐὰν συνεχῶς τις ἐπαγάγη τοῖς τοιούτοις αὐτοὺς θεάμασι, ταχὺ πλησμονὴν καὶ ναυτίαν παρέξει, οὕτως οἱ τὰ περὶ τὸν βίον ἀστοχήματα καὶ γενῶν αἴσχη καὶ διαστροφάς τινες ἐν οἴκοις ἀλλοτρίοις καὶ πλημμελείας πολυπραγμονοῦντες τῶν πρώτων [d] ἀναμνησκέτωσαν ἑαυτοὺς ὅτι χάριν καὶ ὄνησιν οὐδεμίαν ἤνεγκε.

Μέγιστον μέντοι πρὸς τὴν τοῦ πάθους ἀποτροπὴν ὁ ἐθισμός, ἐὰν πόρρωθεν ἀρξάμενοι γυμνάζωμεν ἑαυτοὺς καὶ διδάσκωμεν ἐπὶ ταύτῃ τὴν ἐγκράτειαν· καὶ γὰρ ἡ αὐξήσις ἔθει γέγονε τοῦ νοσήματος κατὰ μικρὸν εἰς τὸ πρόσω χωροῦντος. ὃν δὲ τρόπον, εἰσόμεθα περὶ τῆς ἀσκήσεως ὁμοῦ διαλεγόμενοι. πρῶτον μὲν οὖν ἀπὸ τῶν βραχυτάτων καὶ φαυλοτάτων ἀρξώμεθα. τί γὰρ χαλεπὸν ἐστὶν ἐν ταῖς ὁδοῖς τὰς ἐπὶ τῶν τάφων ἐπιγραφάς μὴ ἀναγινώσκειν, ἢ τί δυσχερὲς ἐν τοῖς περιπάτοις τὰ κατὰ τῶν τοίχων [e] γράμματα τῇ ὄψει παρατρέχειν, ὑποβάλλοντας αὐτοῖς ὅτι χρήσιμον οὐθὲν οὐδ’ ἐπιτερπὲς ἐν τούτοις γέγραπται, ἀλλ’ ‘ἐμνήσθη’ ὁ δεῖνα τοῦ δεῖνος ‘ἐπ’ ἀγαθῷ’ καὶ ‘φίλων ἄριστος’ ὅδε τις, καὶ πολλὰ τοιαύτης γέμοντα φλυαρίας; ἃ δοκεῖ μὲν οὐ βλάπτειν ἀναγινωσκόμενα, βλάπτει δὲ λεληθότως τῷ μελέτην παρεμποιεῖν τοῦ ζητεῖν τὰ μὴ προσήκοντα. καὶ καθάπερ οἱ κυνηγοὶ τοὺς σκύλακας οὐκ ἐῷσιν ἐκτρέπεσθαι καὶ διώκειν πᾶσαν ὁδμήν, ἀλλὰ τοῖς ῥυτῆρσιν ἔλκουσι καὶ ἀνακρούουσι καθαρὸν αὐτῶν καὶ ἄκρατον φυλάττοντες τὸ αἰσθητήριον ἐπὶ τὸ οἰκεῖον ἔργον, ἵν’ εὐτονώτερον ἐμφύηται τοῖς ἴχνεσι

οὕτω δεῖ τὰς ἐπὶ πᾶν θέαμα καὶ πᾶν ἄκουσμα τοῦ πολυπράγμονος ἐκδρομὰς καὶ περιπλανήσεις ἀφαιρεῖν καὶ ἀντισπᾶν ἐπὶ τὰ χρήσιμα φυλάττοντας. ὥσπερ γὰρ οἱ ἱάετοὶ καὶ οἱ λέοντες ἐν τῷ περιπατεῖν συστρέφουσιν εἴσω τοὺς ὄνυχας, ἵνα μὴ τὴν ἀκμὴν αὐτῶν καὶ τὴν ὀξύτητα [521] [a] κατατρίβωσιν, οὕτω τὸ πολυπραγμον τοῦ φιλομαθοῦς ἀκμὴν τινὰ καὶ στόμωμα νομίζοντες ἔχειν μὴ καταναλίσκωμεν μηδ’ ἀπαμβλύνωμεν ἐν τοῖς ἀχρήστοις.

ΠΕΡΙ ΦΙΛΟΠΛΟΥΤΙΑΣ

[523] Ἰππόμαχος ὁ ἀλείπτης ἐπαινούντων τινῶν ἄνθρωπον εὐμήκη καὶ μακρὰς ἔχοντα χεῖρας ὡς πυκτικὸν ‘εἴπερ’ [d] ἔφη ‘καθελεῖν ἔδει τὸν στέφανον ἠωρημένον.’ τοῦτ’ ἔστιν εἰπεῖν πρὸς τοὺς τὰ καλὰ χωρία καὶ τὰς μεγάλας οἰκίας καὶ τὸ πολὺ ἀργύριον ὑπερεκπεπληγμένους καὶ μακαρίζοντας· ‘εἰ γ’ ἔδει πωλουμένην πρίασθαι τὴν εὐδαιμονίαν’ (καίτοι πολλοὺς ἂν εἴποι τις ὅτι μᾶλλον ἐθέλουσι πλουτεῖν [καὶ] κακοδαιμονοῦντες ἢ μακάριοι γενέσθαι δόντες ἀργύριον). ἀλλ’ οὐκ ἔστι γε χρημάτων ὦνιον ἀλυπία μεγαλοφροσύνη εὐστάθεια θαρραλεότης αὐτάρκεια.

Τῷ πλουτεῖν οὐκ ἔνεστι τὸ πλούτου καταφρονεῖν οὐδὲ τῷ τὰ περιττὰ κεκτηῖσθαι τὸ μὴ δεῖσθαι τῶν περιττῶν.

[e] τίνος οὖν ἀπαλλάττει τῶν ἄλλων κακῶν ὁ πλοῦτος, εἰ μὴδὲ φιλοπλουτίας; ἀλλὰ ποτὸν μὲν ἔσβεσε τὴν ποτοῦ ὄρεξιν καὶ τροφὴ τὴν τροφῆς ἐπιθυμίαν ἠκέσατο· κἀκεῖνος ὁ λέγων

παρώδευται· κἂν εἴπῃ τις ‘οὐκ ἀκούσῃ τοῦ φιλοσόφου;’ ‘πόθεν ἐμοί;’ φησὶν ‘οὐ σχολάζω τοῦ πατρὸς τεθνηκότος.’ ὦ ταλαίπωρε, τί σοι τοιοῦτο καταλέλοιπεν οἷον ἀφήρηται, τὴν σχολὴν καὶ τὴν ἐλευθερίαν; μᾶλλον δ' οὐκ ἐκεῖνος ἀλλ' ὁ πλοῦτος περιχυθεὶς καὶ κρατήσας, ὥσπερ ἡ παρ' Ἡσιόδῳ γυνή (OD 705) [527] [a] ‘εὖει ἄτερ δαλοῖο καὶ ὠμῷ γήραϊ δῶκεν,’ ὥσπερ ῥυτίδας ἄωρους ἢ πολιὰς ἐπαγαγὼν τῇ ψυχῇ τὰς φροντίδας ἐκ τῆς φιλαργυρίας καὶ τὰς ἀσχολίας, ὕφ' ὧν μαραίνεται τὸ γαῦρον καὶ τὸ φιλότιμον καὶ τὸ φιλόανθρωπον.

‘Τί οὖν;’ φήσῃ τις, ‘οὐχ ὀρᾷς καὶ χρωμένους ἐνίους δαφιλῶς τοῖς χρήμασι;’ σὺ δ' οὐκ ἀκούεις, φήσομεν, Ἀριστοτέλους λέγοντος ὅτι οἱ μὲν οὐ χρῶνται οἱ δὲ παραχρῶνται, καθάπερ οὐδετέρου προσήκοντος; ἀλλ' ἐκείνους μὲν οὐκ ὠφελεῖ τὸ οἰκεῖον οὐδὲ κοσμεῖ, τούτους δὲ καὶ βλάπτει καὶ καταισχύνει. φέρε δὴ σκεψώμεθα τὸ πρῶτον, [b] ἡ χρῆσις αὕτη, δι' ἣν θαυμάζεται ὁ πλοῦτος, πότερον τῶν ἀρκούντων; οὐδὲν οὖν πλέον ἔχουσιν οἱ πλούσιοι τῶν μέτρια κεκτημένων, ἀλλ' ‘ἄπλουτος ὁ πλοῦτός ἐστιν’ ὥς φησι Θεόφραστος (fr. 78), καὶ ἄζηλος ἀληθῶς, εἰ Καλλίας ὁ πλουσιώτατος Ἀθηναίων καὶ Ἰσμηνίας ὁ Θηβαίων εὐπορώτατος ἐχρῶντο τούτοις, οἷς Σωκράτης καὶ Ἐπαμεινώνδας. ὥς γὰρ Ἀγάθων τὸν αὐλὸν ἀπέπεμψεν ἐκ τοῦ συμποσίου πρὸς τὰς γυναικας οἰόμενος ἀρκεῖν τοὺς λόγους τῶν παρόντων, οὕτως ἀποπέμψεως ἂν καὶ στρωμνὰς ἀλουργεῖς καὶ τραπέζας πολυτελεῖς καὶ τὰ περιττὰ πάντα, τοὺς πλουσίους ὀρῶν χρωμένους οἷς οἱ πένητες· καὶ ‘αἰψά κε πηδάλιον μὲν ὑπὲρ καπνοῦ καταθεῖο, ἔργα’ [c] δ' οὐ ‘βοῶν ἀπόλοιτο καὶ ἡμιόνων ταλαεργῶν,’ ἀλλὰ χρυσοχόων καὶ τορευτῶν καὶ μυρεψῶν καὶ μεγείρων, καλῆς καὶ

σώφρονος γενομένης ξενηλασίας τῶν ἀχρήστων. εἰ δὲ τὰ μὲν ἀρκοῦντα κοινὰ καὶ τῶν μὴ πλουσίων ἐστί, σεμνύνεται δ' ὁ πλοῦτος ἐπὶ τοῖς περιττοῖς καὶ τὸν Σκόπαν τὸν Θεσσαλὸν ἐπαινεῖς, ὃς αἰτηθεὶς τι τῶν κατὰ τὴν οἰκίαν ὡς περιττὸν αὐτῷ καὶ ἄχρηστον 'ἀλλὰ μήν' ἔφη 'τούτοις ἐσμέν ἡμεῖς εὐδαιμόνες καὶ μακάριοι τοῖς περιττοῖς, ἀλλ' οὐκ ἐκείνοις τοῖς ἀναγκαίοις', ὅρα μὴ πομπὴν ἐπαινοῦντι καὶ πανήγυριν μᾶλλον ἢ βίον ἔοικας.

[d] Ἡ πάτριος τῶν Διονυσίων ἐορτὴ τὸ παλαιὸν ἐπέμπετο δημοτικῶς καὶ ἱλαρῶς· ἀμφορεὺς οἴνου καὶ κληματίς, εἴτα τράγον τις εἴλκεν, ἄλλος ἰσχάδων ἄρριχον ἠκολούθει κομίζων, ἐπὶ πᾶσι δ' ὁ φαλλός. ἀλλὰ νῦν ταῦτα παρεώραται καὶ ἠφάνισται χρυσωμάτων παραφερομένων καὶ ἱματίων πολυτελῶν καὶ ζευγῶν ἐλαυνομένων καὶ προσωπείων· οὕτω τὰ ἀναγκαῖα τοῦ πλούτου καὶ χρήσιμα τοῖς ἀχρήστοις κατακέχωσται καὶ τοῖς περιττοῖς. οἱ δὲ πολλοὶ τὸ τοῦ Τηλεμάχου πάσχομεν· καὶ γὰρ ἐκεῖνος ὑπ' ἀπειρίας μᾶλλον δ' ἀπειροκαλίας τὴν μὲν Νέστορος ἰδὼν οἰκίαν κλίνας [e] ἔχουσαν τραπέζας ἱμάτια στρώματα οἶνον ἠδὺν οὐκ ἐμακάριζε τὸν εὐποροῦντα τῶν ἀναγκαίων ἢ καὶ χρησίμων, παρὰ δὲ τῷ Μενελάῳ θεασάμενος ἐλέφαντα καὶ χρυσὸν καὶ ἤλεκτρον ἐξεπλάγη καὶ εἶπε (δ 74)

‘Ζηνός που τοιήδε γ’ Ὀλυμπίου ἔνδοθεν αὐλή·

ὅσσα τάδ’ ἄσπετα πολλά· σέβας μ’ ἔχει εἰσορόωντα.’

Σωκράτης δ' ἂν εἶπεν ἢ καὶ Διογένης ‘ὅσσα τάδ’ ἄθλια πολλὰ καὶ ἄχρηστα καὶ μάταια· ‘γέλως μ’ ἔχει εἰσορόωντα.’ ‘τί λέγεις, ἀβέλτερε; τῆς γυναικὸς ὀφείλων παρελῖν [f] τὴν πορφύραν καὶ τὸν κόσμον, ἵνα παύσῃται τρυφῶσα καὶ ξενομανοῦσα, τὴν οἰκίαν πάλιν καλλωπίζεις ὡς θέατρον ἢ θυμέλην τοῖς εἰσιοῦσι;’

Τοιαύτην ὁ πλοῦτος εὐδαιμονίαν ἔχει, θεατῶν <δίχῃ> καὶ μαρτύρων [ἦ] τὸ μηδὲν οὔσαν. ὁμοίον γε τὸ σωφρονεῖν τὸ φιλοσοφεῖν τὸ γινώσκειν ἃ δεῖ περὶ θεῶν, <ἅ>, κἄν [528] [a] λανθάνῃ πάντας ἀνθρώπους, ἴδιον σέλας ἔχει καὶ φέγγος ἐν τῇ ψυχῇ μέγα καὶ χαρὰν ποιεῖ σύνοικον αὐτῇ δι’ ἐαυτῆς ἀντιλαμβανομένη τάγαθοῦ, ἂν τ’ ἴδῃ τις ἂν τε λανθάνῃ καὶ θεοὺς καὶ ἀνθρώπους ἅπαντας. τοιοῦτόν ἐστιν ἀρετὴ ἀλήθεια μαθημάτων κάλλος [τε] γεωμετρικῶν ἀστρολογικῶν· ὧν τίνι τὰ τοῦ πλούτου φάλαρα ταῦτα καὶ περιδέραια καὶ ἀνθίσματα κορασιώδη παραβαλεῖν ἄξιον; μηδενὸς ὀρῶντος μηδὲ προσβλέποντος ὄντως τυφλὸς γίνεται καὶ

ἀφεγγής ὁ πλοῦτος. μόνος γὰρ ὁ πλούσιος δειπνῶν μετὰ τῆς
γυναικὸς ἢ τῶν συνήθων οὔτε ταῖς θυνίαις παρέχει πράγματα
τραπέζαις οὔτε τοῖς χρυσοῖς [b] ἐκπώμασιν ἀλλὰ χρήται τοῖς
προστυχοῦσι, καὶ ἡ γυνὴ ἄχρυσος καὶ ἀπόρφυρος καὶ ἀφελὴς
πάρεστιν· ὅταν δὲ σύνδειπνον, τουτέστι πομπὴ καὶ θέατρον,
συγκροτῇται καὶ δρᾶμα πλουσιακὸν εἰσάγηται, ‘νηῶν δ’ ἔκφερε
λέβητάς τε τρίποδάς τε’ (Ψ 259), τῶν τε λύχνων αἱ θῆκαι
περισμῶνται, τὰς κύλικας ἀλλάσσουσι, τοὺς οἶνοχόους
μεταμφιεχνύουσι, πάντα κινουῖσι, χρυσὸν ἄργυρον λιθοκόλλητα,
ἄλλοις πλουτεῖν ὁμολογοῦντες. ἀλλὰ σωφροσύνης γε, κἄν μόνος
δειπνῇ, δεῖται, κἄν εὐωχίας.

ΠΕΡΙ ΔΥΣΩΠΙΑΣ

[528] Ἔνια τῶν ἐκ τῆς γῆς φυομένων αὐτὰ μὲν ἐστὶν ἄγρια τῇ φύσει καὶ ἄκαρπα καὶ βλαβεράν τοῖς ἡμέροις [c] σπέρμασι καὶ φυτοῖς τὴν αὕξησιν ἔχοντα, σημεία δ' αὐτὰ ποιοῦνται χώρας οἱ γεωργοῦντες οὐ πονηρᾶς ἀλλὰ γενναίας καὶ πίονος· οὕτω δὴ καὶ πάθη ψυχῆς ἐστὶν οὐ χρηστά, χρηστῆς δὲ φύσεως οἷον ἐξανθήματα καὶ λόγῳ παρασχεῖν ἐργάσιμον ἐαυτὴν ἐπιεικῶς δυναμένης. ἐν τούτοις τίθεμαι καὶ τὴν λεγομένην δυσωπίαν, σημείον μὲν οὐ φαῦλον αἰτίαν δὲ μοχθηρίας οὔσαν. τὰ γὰρ αὐτὰ τοῖς ἀναισχύντοις οἱ αἰσχυνόμενοι πολλάκις ἀμαρτάνουσι, πλὴν ὅτι τὸ λυπεῖσθαι καὶ ἀλγεῖν ἐφ' οἷς διαμαρτάνουσι τούτοις πρόσεστιν οὐχ ὥς ἐκείνοις τὸ ἡδεσθαι. ἀναλγῆς μὲν γὰρ [d] ὁ ἀναιδὴς πρὸς τὸ αἰσχρόν, εὐπαθὴς δὲ καὶ πρὸς τὸ φαινόμενον αἰσχρόν ὁ εὐδυσώπητος. ὑπερβολὴ γὰρ τοῦ αἰσχύνεσθαι τὸ δυσωπεῖσθαι. διὸ καὶ οὕτως κέκληται, τρόπον τινὰ τοῦ προσώπου τῇ ψυχῇ συνδιατρεπομένου καὶ συνεξατονοῦντος. ὥς γὰρ τὴν κατήφειαν ὀρίζονται λύπην κάτω βλέπειν ποιοῦσαν, οὕτω τὴν αἰσχυντηλίαν μέχρι τοῦ μηδ' ἀντιβλέπειν τοῖς δεομένοις ὑπεΐκουσαν δυσωπίαν ὠνόμασαν. ὅθεν ὁ μὲν ῥήτωρ τὸν ἀναισχυντον οὐκ ἔφη κόρας ἐν τοῖς ὄμμασιν ἔχειν ἀλλὰ πόρνας· ὁ δ' εὐδυσώπητος αὖ πάλιν ἄγαν τὸ θῆλυ τῆς ψυχῆς καὶ τρυφερὸν ἐμφαίνει διὰ τῆς ὀψεως, τὴν ὑπὸ τῶν ἀναισχύντων ἦτταν αἰσχύνην [e] ὑποκοριζόμενος. ὁ μὲν οὖν Κάτων ἔλεγε τῶν νέων μᾶλλον ἀγαπᾶν τοὺς ἐρυθριῶντας ἢ τοὺς ὠχριῶντας, ὀρθῶς ἐθίζων καὶ διδάσκων τὸν ψόγον μᾶλλον ἢ τὸν πόνον δεδιέναι καὶ τὴν ὑποψίαν μᾶλλον ἢ τὸν κίνδυνον· οὐ μὴν ἀλλὰ καὶ τοῦ πρὸς τὸν ψόγον ὑπόπτου καὶ φοφοδεοῦς τὸ ἄγαν [529] [a] ἀφαιρετέον, ὥς οὐχ ἦττον ἔνιοι πολλάκις ἀκοῦσαι κακῶς ἢ παθεῖν δεισαντες ἀπεδειλίασαν καὶ προήκαντο τὸ καλὸν οὐ δυνηθέντες ὑπομεῖναι τὸ ἄδοξον. οὕτε δὴ τούτους περιοπτέον οὕτως ἀσθενῶς ἔχοντας οὗτ' αὖ πάλιν ἐκείνην ἐπαινετέον τὴν ἄτρεπτον καὶ ἀτενῇ διάθεσιν

ΠΕΡΙ ΦΘΟΝΟΥ ΚΑΙ ΜΙΣΟΥΣ

[536] Οὕτω δὴ καὶ δοκεῖ μὴθὲν τοῦ μίσους διαφέρειν ἄλλ' ὁ αὐτὸς εἶναι. καθόλου μὲν γὰρ ὥσπερ πολυάγκιστρον ἢ κακία τοῖς ἐξηρητημένοις αὐτῆς πάθεσι κινουμένη δεῦρο κἀκεῖσε πολλὰς πρὸς ἄλληλα συναφὰς καὶ περιπλοκὰς ἐνδίδωσι, ταῦτα δ' ὥσπερ νοσήματα συμπαθεῖ ταῖς ἀλλήλων φλεγμοναῖς. ὁ γὰρ εὐτυχῶν ὁμοίως καὶ τὸν μισοῦντα λυπεῖ καὶ τὸν φθονοῦντα. διὸ καὶ τὴν εὖνοιαν ἀμφοτέροις νομίζομεν ἀντικεισθαι, βούλησιν οὖσαν ἀγαθῶν τοῖς πλησίον, [f] καὶ τὸ μισεῖν τῷ φθονεῖν ταῦτόν εἶναι, ὅτι τὴν ἐναντίαν τῷ φιλεῖν ἔχει προαίρεσιν. ἐπεὶ δ' οὐχ οὕτω ταῦτόν αἱ ὁμοιότητες ὥς ἕτερον αἱ διαφοραὶ ποιοῦσι, κατὰ ταύτας τὸ ζητούμενον μεταδιώξωμεν, ἀπὸ τῆς γενέσεως ἀρξάμενοι τῶν παθῶν.

Γεννᾶται τοίνυν τὸ μῖσος ἐκ φαντασίας τοῦ ὅτι [537] [a] πονηρὸς ἢ κοινῶς ἢ πρὸς αὐτόν ἐστιν ὁ μισούμενος (καὶ γὰρ ἀδικεῖσθαι δόξαντες αὐτοὶ πεφύκασιν μισεῖν καὶ τοὺς ἄλλως ἀδικητικοὺς ἢ πονηροὺς προβάλλονται καὶ δυσχεραίνουσι)· φθονοῦσι δ' ἀπλῶς τοῖς εὖ πράττειν δοκοῦσιν. ὅθεν ἔοικεν ὁ μὲν φθόνος ἀόριστος εἶναι, καθάπερ ὀφθαλμία πρὸς ἅπαν τὸ λαμπρὸν ἐκταρασσόμενος, τὸ δὲ μῖσος ὠρισταί, καθ' ὑποκειμένων αἰεί τινων ἀπερειδόμενον προσώπων.

Δεύτερον δὲ τὸ μισεῖν γίνεται καὶ πρὸς ἄλογα ζῶα (καὶ γὰρ γαλαῖς καὶ κανθαρίδας ἔνιοι μισοῦσι καὶ φρύνους καὶ ὄφεις· Γερμανικὸς δ' ἀλεκτρυόνος οὔτε φωνὴν οὔτ' ὄψιν ὑπέμεινεν· οἱ δὲ Περσῶν μάγοι τοὺς μῦς ἀπεκτίννυσαν, [b] ὥς αὐτοὶ τε μισοῦντες καὶ τοῦ θεοῦ δυσχεραίνοντος τὸ ζῶον· ὁμοῦ τι γὰρ πάντες Ἄραβες καὶ Αἰθίοπες μυσάττονται)· τὸ μέντοι φθονεῖν πρὸς μόνον ἄνθρωπον ἀνθρώπῳ γίνεται.

Ἐν τοῖς θηρίοις φθόνον μὲν οὐκ εἰκὸς ἐγγίνεσθαι πρὸς ἄλληλα (τοῦ γὰρ εὖ πράττειν ἢ κακῶς ἕτερον φαντασίαν οὐ λαμβάνουσιν, οὐδ' ἄπτεται τὸ ἐνδοξον ἢ ἄδοξον αὐτῶν, οἷς ὁ φθόνος ἐκτραχύνεται μάλιστα)· μισοῦσι δ' ἄλληλα καὶ ἀπεχθάνονται καὶ πολεμοῦσιν ὥσπερ ἀσπείστους τινὰς πολέμους ἀετοὶ καὶ δράκοντες, κορῶναι καὶ γλαῦκες, αἰγιθαλλοὶ καὶ ἀκανθυλλίδες,

ὥστε τούτων γέ φασι μηδὲ τὸ αἷμα κίρνασθαι σφαττομένων, ἀλλὰ κἄν [c] μίξις, ἰδίᾳ πάλιν ἀπορρεῖν διακρινόμενον. εἰκὸς δὲ καὶ τῷ λέοντι πρὸς τὸν ἀλεκτρυόνα καὶ τῷ ἐλέφαντι πρὸς τὴν ὕν μῖσος ἰσχυρὸν γεγεννηκέναι τὸν φόβον· ὃ γὰρ δεδίασι, καὶ μισεῖν πεφύκασιν. ὥστε καὶ ταύτῃ φαίνεσθαι διαφέροντα τοῦ μίσους τὸν φθόνον, τὸ μὲν δεχομένης τῆς τῶν θηρίων φύσεως τὸν δὲ μὴ δεχομένης.

Ἔτι τοίνυν τὸ μὲν φθονεῖν πρὸς οὐδένα γίνεται δικαίως (οὐδεὶς γὰρ ἀδικεῖ τῷ εὐτυχεῖν, ἐπὶ τούτῳ δὲ φθονοῦνται)· μισοῦνται δὲ πολλοὶ δικαίως, [ὥς] οὐς ἀξιομισήτους καλοῦμεν, «ὥστε καὶ τοῖς ἄλλοις ἐγκαλοῦμεν», ἂν μὴ φεύγωσι τοὺς τοιούτους μηδὲ βδελύττωνται [d] καὶ δυσχεραίνωσι. μέγα δὲ τούτου τεκμήριον, ὅτι μισεῖν μὲν πολλοὺς ὁμολογοῦσιν ἔνιοι, φθονεῖν δ' οὐδενὶ λέγουσι. καὶ γὰρ ἡ μισοπονηρία τῶν ἐπαινουμένων ἐστὶ· καὶ τὸν ἀδελφιδοῦν τοῦ Λυκούργου Χάριλλον, βασιλεύοντα τῆς Σπάρτης ἐπεικῇ δ' ὄντα καὶ πρᾶον, ἐπαινούντων τινῶν ὁ συνάρχων «καὶ πῶς» ἔφη «χρηστός ἐστι Χάριλλος, ὃς οὐδὲ τοῖς πονηροῖς χαλεπὸς ἐστι;» καὶ τοῦ Θεραΐτου ὁ ποιητῆς τὴν μὲν τοῦ σώματος κακίαν πολυμερῶς καὶ περιωδευμένως ἐξεμόρφησε, τὴν δὲ τοῦ ἥθους μοχθηρίαν συντομώτατα καὶ δι' ἑνὸς ἔφρασεν.

ἔχθιστος δ' Ἀχιλλεὺς μάλιστα· ἦν ἡδ' Ὀδυσσεύς (B 220).

[e]ὐπερβολὴ γὰρ τις φαυλότητος τὸ τοῖς κρατίστοις ἐχθρὸν εἶναι. [καὶ] φθονεῖν δ' ἄρνοῦνται· κἄν ἐλέγχωνται, μυρίας σκῆψεις προῖσχονται, ὀργίζεσθαι λέγοντες ἢ φοβεῖσθαι τὸν ἄνθρωπον ἢ μισεῖν ἢ ὃ τι ἂν τύχωσιν ἄλλο [τῷ φθόνῳ] τοῦ πάθους ὄνομα περιβάλλοντες καὶ καλύπτοντες ὥς μόνον τοῦτο τῶν τῆς ψυχῆς νοσημάτων ἀπόρρητον.

Ἀνάγκη τοίνυν τὰ πάθη ταῦτα τοῖς αὐτοῖς ὥσπερ τὰ φυτὰ καὶ τρέφεσθαι καὶ αὔξεσθαι, «ὄθεν» καὶ ἐπιτείνεσθαι πέφυκεν ἰάλλήλοισι. μισοῦμέν γε μᾶλλον τοὺς μᾶλλον εἰς πονηρίαν ἐπιδιδόντας, φθονοῦσι δὲ μᾶλλον τοῖς μᾶλλον ἐπ' ἀρετῇ προϊέναι δοκοῦσι. διὸ καὶ Θεμιστοκλῆς [f] ἔτι μειράκιον ὦν οὐδὲν ἔφη πράττειν λαμπρόν· οὐπω γὰρ φθονεῖσθαι. καθάπερ γὰρ αἱ κανθαρίδες ἐμφύονται μάλιστα τῷ ἀκμάζοντι σίτῳ καὶ τοῖς εὐθαλέσι ρόδοις, οὕτως ὁ φθόνος ἄπτεται μάλιστα τῶν χρηστῶν καὶ αὐξομένων πρὸς ἀρετὴν καὶ δόξαν ἡθῶν καὶ προσώπων. καὶ τοῦναντίον αὖ πάλιν αἱ μὲν ἄκρατοι πονηρίαι συνεπιτείνουσι τὸ

Ἦδη τοίνυν καὶ τὴν προαίρεσιν αὐτὴν ἐκατέρου πάθους

σκοπῶμεν. ἔστι δὲ μισοῦντος μὲν προαίρεσις [ε] κακῶς ποιῆσαι κατὰ δύναμιν (οὕτως ὀρίζονται, διάθεσίν τινα καὶ προαίρεσιν ἐπιτηρητικὴν τοῦ κακῶς ποιῆσαι), τῷ φθόνῳ δὲ τοῦτο γοῦν ἄπεστι. πολλοὺς <γὰρ> οἱ φθονοῦντες τῶν συνήθων καὶ οἰκείων ἀπολέσθαι μὲν οὐκ ἂν ἐθέλοιεν οὐδὲ δυστυχεῖν, βαρύνονται δ' εὐτυχοῦντας· καὶ κολοῦουσι μὲν, εἰ δύνανται, τὴν δόξαν αὐτῶν καὶ λαμπρότητα, συμφορὰς δ' ἀνηκέστους οὐκ ἂν προσβάλειεν, ἀλλ' ὥσπερ οἰκίας ὑπερεχούσης τὸ ἐπισκοτοῦν αὐτοῖς καθελόντες ἄρκοῦνται.

εἰκότως δυσχεραίνομεν ὥς ἀμούσως καὶ παρανόμως ἀνακηρύττοντα [d] τὴν ἑαυτοῦ νίκην. αὐτῷ μὲν γὰρ ὁ παρ’ ἄλλων ἔπαινος ἡδιστον ἀκουσμάτων ἐστίν, ὥσπερ ὁ Ξενοφῶν εἴρηκεν (Mem. II 1, 31), ἑτέροις δ’ ὁ περὶ αὐτοῦ λυπηρότατον. πρῶτον μὲν γὰρ ἀναισχύντους ἡγοῦμεθα τοὺς ἑαυτοὺς ἐπαινοῦντας, αἰδεῖσθαι προσῆκον αὐτοῖς κἂν ὑπ’ ἄλλων ἐπαινῶνται· δεύτερον δ’ ἀδίκους, ἃ λαμβάνειν ἔδει παρ’ ἐτέρων, <αὐτοὺς> αὐτοῖς διδόντας· τρίτον ἢ σιωπῶντες ἄχθεσθαι καὶ φθονεῖν δοκοῦμεν, ἢ τοῦτο δεδοικότες ἀναγκαζόμεθα συνεφάπτεσθαι παρὰ γνώμην τῶν ἐπαίνων καὶ συνεπιμαρτυρεῖν, πρᾶγμα κολακεία μᾶλλον ἀνελευθέρῳ προσῆκον ἢ τιμῇ τὸ ἐπαινεῖν παρόντας ὑπομένοντες.

[e] Οὐ μὴν ἀλλὰ καίπερ οὕτω τούτων ἐχόντων ἔστιν ἡ παρακινδυνεύσειεν ἂν ὁ πολιτικὸς ἀνὴρ ἄψασθαι τῆς καλουμένης περιαιτολογίας πρὸς οὐδεμίαν αὐτοῦ δόξαν ἢ χάριν, ἀλλὰ καιροῦ καὶ πράξεως ἀπαιτούσης ὡς περὶ ἄλλου τι λεχθῆναι καὶ περὶ αὐτοῦ τῶν ἀληθῶν· μάλιστα δ' ὅταν ἦ, τὰ πεπραγμένα καὶ προσόντα χρηστὰ [τὸ] μὴ φεισάμενον εἰπεῖν [ἦ] διαπράξασθαί τι τῶν ὁμοίων. καλὸν γὰρ ὁ τοιοῦτος ἔπαινος ἐκφέρει καρπὸν, ὥσπερ ἀπὸ σπέρματος πλειόνων ἐτέρων ἀπ' αὐτοῦ καὶ κρειττόνων φυομένων ἐπαίνων. καὶ γὰρ τὴν δόξαν ὁ πολιτικὸς ἀνὴρ οὐχ ὡς τινα μισθὸν ἢ παραμυθίαν τῆς ἀρετῆς ἀπαιτεῖ [f] καὶ ἀγαπᾷ ταῖς πράξεσι παροῦσαν, ἀλλ' ὅτι τὸ πιστεῦσθαι καὶ δοκεῖν χρηστὸν εἶναι πλειόνων καὶ καλλιόνων πράξεων ἀφορμὰς δίδωσι. πειθομένους γὰρ ἅμα καὶ φιλοῦντας ἡδὺ καὶ ῥάδιον ὠφελεῖν, πρὸς δ' ὑποψίαν καὶ διαβολὴν οὐκ ἔστι χρήσασθαι τῇ ἀρετῇ, φεύγοντας εὖ παθεῖν προσβιαζόμενον.

Εἰ δὲ καὶ δι' ἐτέρας αἰτίας ὁ πολιτικὸς ἂν αὐτὸν ἐπαινέσειε, [540]

[a] [τίνες εἰσὶν αὗται] σκεπτέον, ὅπως ἐξευλαβούμενοι τὸ κενὸν καὶ δυσχεραινόμενον, εἴ τι χρήσιμον ἔχει, μὴ παραλίπωμεν.

Ἔστιν οὖν κενὸς ἔπαινος ὁ τῶν ἑαυτοῦς ἐπαινεῖν,

ὅπως ἐπαινεθῶσι, δοκούντων· καὶ καταφρονεῖται μάλιστα, φιλοτιμίας ἔνεκα γίνεσθαι καὶ δόξης ἀκαίρου φαινόμενος. ὡς γὰρ οἱ τροφῆς ἀποροῦντες ἐξ αὐτοῦ τοῦ σώματος ἀναγκάζονται παρὰ φύσιν τρέφεσθαι, καὶ τοῦτο τοῦ λιμοῦ τέλος ἐστίν, οὕτως οἱ πεινῶντες ἐπαίνων, ἂν μὴ τυγχάνωσιν ἐτέρων ἐπαινούντων, αὐτοὶ τῇ φιλοδοξίᾳ παρ' αὐτῶν ἐπαρκεῖν τι βούλεσθαι καὶ συνεισφέρειν δοκοῦντες ἀσχημονοῦσιν.

[b] ὅταν δὲ μὴδ' ἀπλῶς καὶ καθ' ἑαυτοῦς ἐπαινέσθαι ζητῶσιν, ἀλλ' ἀμιλλώμενοι πρὸς ἄλλοτρίους ἐπαίνους ἔργα καὶ πράξεις ἀντιπαραβάλλωσιν αὐτῶν ὡς ἀμαυρώσοντες ἐτέρους, πρὸς τῷ κενῷ βάσκανον πρᾶγμα καὶ κακότηδες ποιοῦσι. τὸν μὲν γὰρ ἐν ἄλλοτρίῳ χορῷ πόδα τιθέντα περίεργον ἢ παροιμία καὶ γελοῖον ἀποδείκνυσι, τὴν δ' ἐν ἄλλοτρίοις ἐπαίνοις εἰς μέσον ὑπὸ φθόνου καὶ ζηλοτυπίας ἐξωθυομένην περιαιτολογίαν εὖ μάλα δεῖ φυλάττεσθαι, καὶ μὴδ' ἐτέρων ὑπομένειν ἐπαινούντων αὐτόν, ἀλλὰ παραχωρεῖν τοῖς τιμωμένοις ἀξίοις οὖσιν· ἂν δ' ἀνάξιοι καὶ φαῦλοι δόξωσιν εἶναι, μὴ τοῖς ἰδίοις ἐπαίνοις [c] ἀφαιρώμεθα τοὺς ἐκείνων, ἀλλ' ἄντικρυς ἐλέγχοντες καὶ δεικνύντες οὐ προσηκόντως

Ταῦτα μὲν οὖν δῆλον ὅτι φυλακτέον. αὐτὸν δ' ἐπαινεῖν ἀμέμπτως ἔστι πρῶτον μὲν, ἂν ἀπολογούμενος τοῦτο ποιῇς πρὸς διαβολὴν ἢ κατηγορίαν, ὡς ὁ Περικλῆς (Thuc. II 60, 5): 'καίτοι ἔμοι τοιοῦτῳ ἀνδρὶ ὀργίζεσθε, ὃς οὐδενὸς ἥσσω οἶομαι εἶναι γνῶναί τε τὰ δέοντα καὶ ἐρμηνεῦσαι ταῦτα, φιλόπολιν τε καὶ χρημάτων κρείσσων.' οὐ γὰρ μόνον ἀλαζονείαν καὶ κενότητα καὶ φιλοτιμίαν ἐκπέφευγε τὸ λέγειν τι τληνικαῦτα περὶ αὐτοῦ σεμνόν, ἀλλὰ καὶ φρόνημα καὶ μέγεθος ἀρετῆς διαδείκνυσι τῷ μὴ ταπεινοῦσθαι ταπεινότητος [d] καὶ χειρουμένης τὸν φθόνον. οὐδὲ γὰρ κρίνειν ἔτι τοὺς τοιούτους ἀξιοῦσιν, ἀλλ' ἐπαίρονται καὶ γάνυνται καὶ συνενθουσιῶσι ταῖς μεγαλαυχίαις, ἅνπερ ὥσι βέβαιοι καὶ ἀληθεῖς· ὡς ἐπιμαρτυρεῖ τὰ γινόμενα. Θηβαῖοι γοῦν, ἐγκαλουμένων τῶν στρατηγῶν ὅτι τοῦ χρόνου τῆς βοιωταρχίας ἐξήκοντος αὐτοῖς οὐκ εὐθὺς ἐπανῆλθον ἀλλ' εἰς τὴν Λακωνικὴν ἐνέβαλον καὶ τὰ περὶ Μεσσήνην διώκησαν, Πελοπίδαν μὲν ὑποπλῖπτοντα καὶ δεόμενον μόλις ἀπέλυσαν, Ἐπαμεινώνδου δὲ πολλὰ περὶ τῶν πεπραγμένων μεγαληγορήσαντος, τέλος δὲ φήσαντος ὡς ἔτοιμός ἐστιν ἀποθνήσκειν, [e] ἂν ὁμολογήσωσιν, ὅτι τὴν Λακωνικὴν διεπόρθησε καὶ Μεσσήνην ὥκισε καὶ συνέστησεν Ἀρκαδίαν ἀκόντων ἐκείνων, οὐδὲ τὰς ψήφους ἀναλαβεῖν ἐπ' αὐτὸν ὑπέμειναν, ἀλλὰ θαυμάζοντες τὸν ἄνδρα καὶ χαίροντες ἅμα καὶ γελῶντες ἀπηλλάγησαν. ὅθεν οὐδὲ τοῦ Ὀμηρικοῦ Σθενέλου παντάπασιν αἰτιατέον τὸ (Δ 405)

‘ὦ μοι, Τυδέος υἱὲ δαΐφρονος ἵπποδάμοιο,

τί πτώσσεις; τί δ’ ὀπιτεύεις πολέμοιο γεφύρας;’

οὐδὲ γὰρ αὐτὸς ἀκούσας κακῶς ἀλλ' ὑπὲρ τοῦ φίλου λοιδορηθέντος [f] ἡμύνατο, τῇ περιαιτολογίᾳ παρρησίαν συγγνώμονα τῆς αἰτίας διδούσης. ἀλλὰ μὴν καὶ Ῥωμαῖοι Κικέρωνι μὲν ἐδυσχέραινον ἐγκωμιάζοντι πολλάκις ἑαυτοῦ τὰς περὶ Κατιλίαν πράξεις, Σκιπίωνι δ' εἰπόντι μὴ πρέπειν αὐτοῖς κρίνειν περὶ Σκιπίωνος, δι' ὃν ἔχουσι τὸ κρίνειν πᾶσιν ἀνθρώποις, στεφανωσάμενοι συνανέβησαν εἰς τὸ [541] [a] Καπιτώλιον καὶ συνέθυσαν. ὁ μὲν γὰρ οὐκ ἀναγκαίως ἀλλ' ὑπὲρ δόξης ἐχρῆτο τοῖς ἐπαίνοις, τοῦ δ' ἀφήρει τὸν φθόνον ὁ κίνδυνος.

Οὐ μόνον δὲ κρινομένοις καὶ κινδυνεύουσιν, ἀλλὰ καὶ δυστυχοῦσι μᾶλλον ἀρμόζει μεγαλαυχία καὶ κόμπος ἢ εὐτυχοῦσιν. οἱ μὲν γὰρ οἷον ἐπιδράττεσθαι τῆς δόξης καὶ ἀπολαύειν χαριζόμενοι τῷ φιλοτίμῳ δοκοῦσιν, οἱ δὲ πόρρω φιλοτιμίας διὰ τὸν καιρὸν ὄντες ἐξαναφέρειν πρὸς τὴν τύχην καὶ ὑπερείδειν τὸ φρόνημα καὶ φεύγειν ὅλως τὸ ἐλεεινὸν καὶ συνεπιθρηνοῦν τοῖς ἀβουλήτοις καὶ ταπεινούμενον. ὥσπερ οὖν τοὺς ἐν τῷ περιπατεῖν ἐπαιρομένους καὶ [b] ὑψαυχενοῦντας ἀνοήτους ἡγοῦμεθα καὶ κενούς, ἃν δὲ πυκτεύοντες ἢ μαχόμενοι διεγείρωσι καὶ ἀνάγωσιν ἑαυτούς, ἐπαινοῦμεν, οὕτως ἀνὴρ ὑπὸ τύχης σφαλλόμενος ἑαυτὸν εἰς ὀρθὸν καθιστὰς καὶ ἀντίπαλον ‘πύκτης ὅπως εἰς χεῖρας’ (Soph. Tr. 442), ἐκ τοῦ ταπεινοῦ καὶ οἰκτροῦ τῇ μεγαλαυχίᾳ μεταφέρων εἰς τὸ γαῦρον καὶ ὑψηλόν, οὐκ ἐπαχθὴς οὐδὲ θρασὺς ἀλλὰ μέγας εἶναι δοκεῖ καὶ ἀήττητος. ὥς που καὶ τὸν Πάτροκλον ὁ ποιητὴς μέτριον καὶ ἀνεπίφθονον ἐν τῷ κατορθοῦν ἐν δὲ τῷ τελευτᾷ μεγαλήγορον πεποίηκε λέγοντα (Π 847)

‘τοιοῦτοι δ’ εἴπερ μοι ἐείκοσιν ἀντεβόλησαν.’

[c] καὶ Φωκίων τᾶλλα πρῶος ἦν, μετὰ δὲ τὴν καταδίκην ἄλλοις τε πολλοῖς διεδείκνυε τὴν μεγαλοφροσύνην, καὶ πρὸς ἓνα τῶν συναποθνησκόντων ὀδυρόμενον καὶ δυσανασχετοῦντα ‘τί λέγεις’ εἶπεν ‘οὕτος; οὐκ ἀγαπᾷς ἀποθνήσκων μετὰ Φωκίωνος;’

Ἔτι τοίνυν οὐχ ἦττον ἀλλὰ καὶ μᾶλλον ἀδικουμένῳ τῷ πολιτικῷ δέδοτα τὸ λέγειν τι περὶ αὐτοῦ πρὸς τοὺς ἀγνωμονοῦντας. ὥσπερ ὁ Ἀχιλλεὺς ἄλλως μὲν ὑφίετο τῷ θείῳ τῆς δόξης καὶ μέτριος ἦν λέγων (Α 128)

‘αἶ κέ ποθι Ζεὺς

δῶσι πόλιν Τροίην εὐτείχεον ἐξαλαπάξαι,’

ὑβρισθεὶς δὲ παρ’ ἀξίαν καὶ προπηλακισθεὶς ἐφίησι τὴν [d] μεγαλαυχίαν τῇ ὀργῇ (Ι 328)

‘δῶδεκα γὰρ σὺν νηυσὶ πόλεις ἀλάπαξ’ ἀνθρώπων’

‘οὐ γὰρ ἐμῆς κόρυθος λεύσουσι μέτωπον

δέχεται γὰρ ἡ παρρησία, μέρος οὖσα τῆς δικαιολογίας, τὴν μεγαληγορίαν. ἀμέλει δὲ καὶ Θεμιστοκλῆς οὐδὲν ἐπὶ τῶν πράξεων εἰπὼν οὐδὲ ποιήσας ἐπαχθὲς, ὀπηνίκα τοὺς Ἀθηναίους ἑώρα μεστοὺς ὄντας αὐτοῦ καὶ περιορῶντας, οὐκ ἐφείδετο λέγειν ‘τί, ὦ

μακάριοι, κοπιᾶτε πολλάκις ὑπὸ τῶν αὐτῶν εὖ πάσχοντες; καὶ ὅτι 'χειμαζόμενοι μὲν [e] ὥσπερ ὑπὸ δένδρον ὑποφεύγετε, γενομένης δ' εὐδίας τίλλετε παρεξιόντες.'

Οὗτοι μὲν οὖν ἄλλως ἀδικούμενοι τῶν κατωρθωμένων ἐμέμνηντο πρὸς τοὺς ἀγνωμονοῦντας· ὁ δ' ἐπ' αὐτοῖς ψεγόμενος οἷς κατώρθωκε καὶ παντάπασι συγγνωστός ἐστι καὶ ἄμειπτος ἐγκωμιάζων τὰ πεπραγμένα· δοκεῖ γὰρ οὐκ ὀνειδίζειν ἀλλ' ἀπολογεῖσθαι. τοῦτο γοῦν λαμπρὰν τῷ Δημοσθένει παρρησίαν ἐδίδου καὶ τὸν κόρον ἀφήρει τῶν ἐπαίνων, οἷς παρὰ πάντα τὸν λόγον ὁμοῦ τι τὸν ὑπὲρ τοῦ στεφάνου κέχρηται, σεμνυνόμενος οἷς ἐνεκαλεῖτο περὶ τοῦ πολέμου πρεσβεύμασι καὶ ψηφίσμασιν.

Οὐ πόρρω δὲ τούτου τεταγμένον ἔχει τινὰ χάριν τὸ [f] τῆς ἀντιθέσεως, ὅταν, ἐφ' ᾧ τις ἐγκαλεῖται, τούτου τοῦναντίον αἰσχροὺς ἀποδεικνύῃ καὶ φαῦλον. ὡς ὁ Λυκοῦργος ἐν Ἀθήναις ἐπὶ τῷ πεπεικέναι τὸν συκοφάντην ἀργυρίου λοιδορούμενος 'εἴτ' ἔφη 'ποῖός τις ὑμῖν δοκῶ εἶναι πολίτης, ὃς τοσοῦτον χρόνον τὰ δημόσια πράττων παρ' ὑμῖν διδοὺς μᾶλλον ἀδίκως ἢ λαμβάνων εἴλημμαι;' καὶ ὁ Κικέρων, [542] [a]τ οὗ Μετέλλου πρὸς αὐτὸν εἰπόντος ὅτι πλείονας ἀνήρηκε καταμαρτυρήσας ἢ συνηγορήσας σέσωκε, 'τίς δ' ἔπεν 'οὐ φησιν ἐν ἐμοὶ πλεον εἶναι πίστεως ἢ δεινότητος;' καὶ τὰ Δημοσθένους τοιαῦτα (18, 101)· 'τίς δ' οὐκ ἂν ἀπέκτεινέ με δικαίως, εἴ τι τῶν τῇ πόλει καλῶν ὑπαρχόντων λόγῳ μόνον αἰσχύνειν ἐπεχείρησα;' καί (18, 240) 'τί ἂν οἴεσθε λέγειν τοὺς μιαροὺς τούτους ἀνθρώπους, εἰ τότε μου περὶ τούτων ἀκριβολογουμένου ἀπῆλθον αἱ πόλεις;' καὶ ὅλως ὁ περὶ τοῦ στεφάνου λόγος εὐφρεστάταις ἀντιθέσεσι ταῖς λύσεσι τῶν αἰτιῶν ἐπεισάγει τοὺς ἐπαίνους.

Οὐ μὴν ἀλλὰ καὶ τοῦτο χρήσιμόν ἐστιν ἐν ἐκείνῳ τῷ [b] λόγῳ καταμαθεῖν, ὅτι μιγνύων ἐμμελέστατα τῷ περὶ αὐτοῦ λόγῳ τὸν περὶ τῶν ἀκουόντων ἔπαινον ἀνεπίφθονον ἐποίει καὶ ἀφίλαντον, οἷους μὲν Εὐβοεῦσιν οἱ Ἀθηναῖοι παρέσχον αὐτοὺς οἷους δὲ Θηβαίοις, ὅσα δὲ Βυζαντίους ἀγαθὰ καὶ Χερρονησίτας ἐποίησαν, αὐτῷ δὲ τῆς διακονίας μετεῖναι φάσκων. λανθάνει γὰρ οὕτως ὁ ἀκροατὴς τοῖς ἰδίους ἐπαίνοις συνυποδύομενον τὸν τοῦ λέγοντος ἡδέως προσδεχόμενος, καὶ χαίρει μὲν ἐφ' οἷς κατώρθωσε λεγομένοις, τῷ δὲ χαίρειν εὐθὺς ἔπεται τὸ θαυμάζειν καὶ ἀγαπᾶν δι' ὃν κατώρθωσεν. ὅθεν καὶ Ἐπαμεινώνδας Μενεκλείδου ποτὲ

χλευάζοντος αὐτὸν ὡς μεῖζον τοῦ Ἀγαμέμνονος [c] φρονοῦντα ‘δι’ ὑμᾶς γ’,’ εἶπεν ‘ὦ ἄνδρες Θηβαῖοι, μεθ’ ὧν μόνων ἐν ἡμέρᾳ μιᾷ κατέλυσα τὴν Λακεδαιμονίων ἀρχήν.’

Ἐπεὶ δὲ τῷ μὲν ἑαυτὸν ἐπαινοῦντι πολεμοῦσιν οἱ πολλοὶ σφόδρα καὶ ἄχθονται, τῷ δ’ ἕτερον οὐχ ὁμοίως, ἀλλὰ καὶ χαίρουσι πολλάκις καὶ συνεπιμαρτυροῦσι προθύμως, εἰώθασιν ἔνιοι τοὺς ταῦτ’ ἀποαιρουμένους καὶ πράττοντας αὐτοῖς καὶ ὅλως ὁμοιοτρόπους ἐπαινοῦντες ἐν καιρῷ συνοικειοῦν καὶ συνεπιστρέφειν πρὸς ἑαυτοὺς τὸν ἀκροατὴν· ἐπιγινώσκει γὰρ εὐθύς ἐν τῷ λέγοντι, κἂν περὶ ἄλλου λέγηται, δι’ ὁμοιότητα τὴν ἀρετὴν τῶν αὐτῶν ἀξίαν [d] ἐπαίνων οὔσαν. ὥς γὰρ ὁ λοιδορῶν ἕτερον οἷς αὐτὸς ἔνοχός ἐστιν οὐ λανθάνει λοιδορῶν μᾶλλον ἑαυτὸν ἢ ἐκεῖνον, οὕτως οἱ ἀγαθοὶ τοὺς ἀγαθοὺς τιμῶντες ἀναμιμνήσκουσιν αὐτῶν τοὺς συνειδότας· ὥστ’ εὐθύς ἐπιφωνεῖν ‘σὺ γὰρ οὐ τοιοῦτος;’ Ἀλέξανδρος μὲν οὖν Ἡρακλέα τιμῶν καὶ πάλιν Ἀλέξανδρον Ἀνδρόκοπτος ἑαυτοὺς εἰς τὸ τιμᾶσθαι προῆγον ἀπὸ τῶν ὁμοίων, Διονύσιος δὲ τὸν Γέλωνα διασύρων καὶ γέλωτα τῆς Σικελίας ἀποκαλῶν ἐλάνθανεν ὑπὸ φθόνου καθαιρῶν τὸ μέγεθος καὶ τὸ ἀξίωμα τῆς περὶ αὐτὸν δυνάμεως.

Ταῦτα μὲν οὖν καὶ ἄλλως ἐπίστασθαι καὶ παραφυλάττειν τῷ πολιτικῷ προσήκει. τοὺς δ’ ἀναγκασθέντας [e] ἐπαινεῖν αὐτοὺς ἐλαφροτέρους παρέχει καὶ τὸ μὴ πάντα προσποιεῖν ἑαυτοῖς, ἀλλ’ ὥσπερ φορτίου τῆς δόξης τὸ μὲν εἰς τὴν τύχην τὸ δ’ εἰς τὸν θεὸν ἀποτίθεσθαι. διὸ καλῶς μὲν ὁ Ἀχιλλεύς (X 379)

‘ἐπεὶ δὴ τόνδ’ ἄνδρα θεοὶ δαμάσασθαι ἔδωκαν,’

καλῶς δὲ Τιμολέων, ἐν Συρακούσαις Αὐτοματίας βωμὸν ἰδρυσάμενος ἐπὶ ταῖς πράξεσι καὶ τὴν οἰκίαν Ἀγαθῷ Δαίμονι καθιερώσας· ἄριστα δὲ Πύθων ὁ Αἴνιος, ἐπειδὴ Κότυν ἀποκτείνας ἦκεν εἰς Ἀθήνας καὶ τῶν δημαγωγῶν διαμιλλωμένων τοῖς ἐγκωμίοις αὐτοῦ πρὸς τὸν δῆμον ἦσθετο βασκαίνοντας ἐνίους καὶ βαρυνομένους, παρελθὼν [f] ‘ταῦτ’,’ εἶπεν ‘ἄνδρες Ἀθηναῖοι, θεός τις ἔπραξεν, ἡμεῖς δὲ τὰς χεῖρας ἐχρήσαμεν.’ ἀφήρει δὲ καὶ Σύλλας τὸν φθόνον αἰὲς τὴν Τύχην ἐπαινῶν, καὶ τέλος Ἐπαφρόδιτον ἑαυτὸν ἀνηγόρευσε. μᾶλλον γὰρ εὐτυχίας ἢ ἀρετῆς ἠττάσθαι βούλονται, τὸ μὲν ἀλλότριον ἀγαθὸν ἠγοούμενοι τὸ δ’ [543] [a] οἰκεῖον ἔλλειμμα καὶ παρ’ αὐτοὺς γενόμενον. οὐχ ἥκιστα γοῦν λέγουσιν ἀρέσαι Λοκροῖς τὴν Ζαλευκού νομοθεσίαν, ὅτι τὴν

Ἀλλὰ ταῦτα μὲν ἴσως πρὸς τοὺς παντάπασι χαλεποὺς καὶ βασκάνους ἀνάγκη τὰ φάρμακα καὶ τὰ παρηγορήματα μηχανᾶσθαι· πρὸς δὲ τοὺς μετρίους οὐκ ἄτοπὸν ἐστὶ χρῆσθαι καὶ ταῖς ἐπανορθώσεσι τῶν ἐπαίνων, εἴ τις ὡς λόγιον ἢ πλούσιον ἢ δυνατὸν ἐπαινοίῃ, κελεύοντα μὴ ταῦτα περὶ αὐτοῦ λέγειν, ἀλλὰ μᾶλλον, εἰ χρηστὸς καὶ [b] ἀβλαβὴς καὶ ὠφέλιμος. οὐ γὰρ εἰσφέρει τὸν ἔπαινον ὁ τοῦτο ποιῶν ἀλλὰ μετατίθησιν, οὐδὲ χαίρειν δοκεῖ τοῖς ἐγκωμιάζουσιν αὐτὸν ἀλλὰ μᾶλλον, ὅτι μὴ προσηκόντως μηδ' ἐφ' οἷς δεῖ, δυσχεραίνειν καὶ ἀποκρύπτειν τὰ φαυλότερα τοῖς βελτίοσιν, οὐκ ἐπαινέσθαι βουλόμενος ἀλλ' ἐπαινεῖν ὡς χρὴ διδάσκων. τὸ γὰρ (Dem. 18, 299) 'οὐ λίθοις ἐτείχισα τὴν πόλιν οὐδὲ πλίνθοις ἐγώ· ἀλλ' ἐὰν τὸν ἐμὸν τειχισμὸν βούλῃ σκοπεῖν, εὐρήσεις ὅπλα καὶ ἵππους καὶ συμμαχοὺς' τοιούτου τινὸς ἔοικεν ἅπτεσθαι. καὶ τὸ τοῦ Περικλέους ἔτι μᾶλλον· ὀλοφυρόμενοι γάρ, ὡς ἔοικεν, ἤδη καταστρέφοντος αὐτοῦ καὶ δυσφοροῦντες οἱ ἐπιτήδαιοι [c] τῶν στρατηγιῶν ἐμέμνηντο καὶ τῆς δυνάμεως καὶ ὅσα δὴ τρόπαια καὶ νίκας καὶ πόλεις Ἀθηναίοις κτησάμενος ἀπολέλοιπεν· ὁ δὲ μικρὸν ἐπαναστὰς ἐμέμψατ' αὐτούς, ὡς κοινὰ πολλῶν καὶ τῆς τύχης ἔνια μᾶλλον ἢ τῆς ἀρετῆς ἐγκώμια λέγοντας, τὸ δὲ κάλλιστον καὶ μέγιστον καὶ ἴδιον αὐτοῦ παραλείποντας, ὅτι δι' αὐτὸν οὐδεὶς Ἀθηναίων μέλαν ἱμάτιον ἀνείληφε. τοῦτο δὴ τὸ παράδειγμα καὶ ῥήτορι δίδωσιν, ἅνπερ ἡ χρηστός, ἐπαινουμένῳ περὶ λόγου δεινότητα μεταθεῖναι τὸν ἔπαινον ἐπὶ τὸν βίον καὶ τὸ ἦθος· καὶ στρατηγῷ θαυμαζομένῳ δι' ἐμπειρίαν πολεμικὴν ἢ [d] δι' εὐτυχίαν περὶ πραότητός τι καὶ δικαιοσύνης αὐτοῦ παρρησιάσασθαι· καὶ τοῦναντίον αὖ πάλιν, ὑπερφυῶν τινων λεγομένων ἐπαίνων, οἷα πολλοὶ κολακεύοντες ἐπίφθονα λέγουσιν, εἰπεῖν (π 187)

Ἐπεὶ δ’ οὐ μόνον ἀλύπως καὶ ἀνεπιφθόνως ἀλλὰ καὶ χρησίμως καὶ ὠφελίμως προσοιστέον ἐστὶ τοὺς ἐπαίνους, ἵνα μὴ τοῦτο πράττειν ἀλλ’ ἕτερόν τι διὰ τούτου δοκῶμεν, ὅρα πρῶτον, εἰ προτροπῆς ἔνεκα καὶ ζήλου καὶ φιλοτιμίας τῶν ἀκουόντων αὐτὸν ἂν τις ἐπαιnéσειεν, ὡς ὁ Νέστωρ τὰς ἑαυτοῦ διηγούμενος ἀριστείας καὶ μάχας τὸν τε Πάτροκλον παρώρμησε καὶ τοὺς ἐννέα πρὸς τὴν μονομαχίαν ἀνέστησεν (Λ 655 sqq. Η 123 sqq.). ἡ γὰρ ἔργον ὁμοῦ [e] καὶ λόγον ἔχουσα προτροπὴ καὶ παράδειγμα καὶ ζῆλον οἰκεῖον ἔμψυχός ἐστι καὶ κινεῖ καὶ παροξύνει καὶ μεθ’ ὀρμῆς καὶ προαιρέσεως ἐλπίδας ὡς ἐφικτῶν καὶ οὐκ ἀδυνάτων παρίστησι. διὸ καὶ τῶν ἐν Λακεδαίμονι χορῶν ᾄδουσιν οἱ μὲν τῶν γερόντων (Carm. pop. 17 II 197 D)

καλῶς καὶ πολιτικῶς τοῦ νομοθέτου τὰ πλησίον καὶ οἰκεῖα παραδείγματα τοῖς νέοις δι’ αὐτῶν τῶν εἰργασμένων ἐκτιθέντος.

Οὐ μὴν ἀλλὰ καὶ καταπλήξεως ἐνιαχοῦ καὶ συστολῆς [f] ἔνεκα καὶ τοῦ ταπεινῶσαι καὶ λαβεῖν ὑποχείριον τὸν αὐθάδη καὶ ἱταμόν οὐ χεῖρόν ἐστι κομπάσαι τι περὶ αὐτοῦ καὶ μεγαληγορῆσαι· καθάπερ αὖ πάλιν ὁ Νέστωρ (Α 260)

‘ἤδη γάρ ποτ’ ἐγὼ καὶ ἀρείοσιν ἤεπερ ὑμῖν

[545] [a] οὕτω δὴ καὶ πρὸς Ἀλέξανδρον ὁ Ἀριστοτέλης (fr. 664)
οὐ μόνον ἔφη τοῖς πολλῶν κρατοῦσιν ἐξεῖναι μέγα φρονεῖν, ἀλλὰ
καὶ τοῖς περὶ θεῶν δόξας ἀληθεῖς ἔχουσι. χρήσιμα δὲ καὶ πρὸς
πολεμίους καὶ πρὸς ἐχθροὺς τὰ τοιαῦτα (Z 127)

‘δυστήνων δέ τε παῖδες ἐμῷ μένει ἀντίωσι.’

καὶ περὶ τοῦ Περσῶν βασιλέως μεγάλου δὲ καλουμένου ὁ

καὶ πρὸς τοὺς Λακεδαιμονίους τῶν Θηβαίων κατηγοροῦντας ὁ
Ἐπαμεινώνδας ‘ἡμεῖς μέντοι ὑμᾶς βραχυλογοῦντας ἐπαύσαμεν.’
ἀλλὰ ταῦτα μὲν πρὸς ἐχθροὺς [b] καὶ πολεμίους· τῶν δὲ φίλων καὶ
πολιτῶν οὐ μόνον ἔστι τοὺς θρασυνομένους καταστορέσαι καὶ
ποιῆσαι ταπεινοτέρους, ἀλλὰ καὶ τοὺς περιφόβους καὶ καταπληγας

καὶ γὰρ ὁ Κῦρος παρὰ τὰ δεινὰ καὶ τὰς μάχας ‘ἐμεγαληγόρει
ἄλλοτε δ’ οὐ μεγάληγορος ἦν’ (Xen. Cyr. VII 1, 17)· καὶ Ἀντίγονος
ὁ δεύτερος τᾶλλα μὲν ἦν ἄτυφος καὶ μέτριος, ἐν δὲ τῇ περὶ Κῶ
ναυμαχίᾳ τῶν φίλων τινὸς εἰπόντος ‘οὐχ ὀρθῆς, ὅσω πλείους εἰσὶν
αἱ πολέμιοι νῆες;’ ‘ἐμὲ δέ γ’ αὐτόν’ εἶπε ‘πρὸς πόσας ἀντιτάττετε;’
καὶ τοῦτο δ’ ἔοικε συνιδεῖν Ὅμηρος· τὸν γὰρ Ὀδυσσεύα πεποίηκεν
ἀποδειλιῶντων [c] τῶν ἐταίρων πρὸς τὸν ψόφον καὶ κλύδωνα τὸν
περὶ τὴν Χάρυβδιν ἀναμιμνήσκοντα τῆς αὐτοῦ δεινότητος καὶ

οὐ γάρ ἐστι δημαγωγοῦντος οὐδὲ σοφιστιῶντος ὁ τοιοῦτος

μέγα γὰρ ἐν καιροῖς ἐπισφαλέσι πρὸς σωτηρίαν [d] δόξα καὶ πίστις

Ὅτι μὲν οὖν τὸ πρὸς ἔπαινον ἀλλότριον καὶ δόξαν
ἀντιπαραβάλλειν ἑαυτὸν ἥκιστα πολιτικόν, εἴρηται πρότερον (c. 3).
οὐ μὴν ἀλλ’ ὅπου βλάπτει καὶ διαφθείρει ζῆλον ἐμποιῶν πρὸς τὰ

Fr. I 280) πρὸς τὸ πλῆθος τῶν Θεοφράστου μαθητῶν 'ὁ [546] [a] ἐκείνου χορός' ἔφη 'μείζων, οὐμὸς δὲ συμφωνότερος,' καὶ ὁ Φωκίων ἔτι τοῦ Λεωσθένους εὐημεροῦντος ὑπὸ τῶν ρητόρων ἐρωτώμενος τί τὴν πόλιν αὐτὸς ἀγαθὸν πεποίηκεν 'οὐδέν' εἶπεν 'ἀλλ' ἢ τὸ ὑμᾶς ἐμοῦ στρατηγοῦντος ἐπιτάφιον λόγον μὴ εἶπεῖν ἀλλὰ πάντας ἐν τοῖς πατρώοις μνήμασι θάπτεσθαι τοὺς ἀποθνήσκοντας.' πάνυ δὲ χαριέντως καὶ ὁ Κράτης (fr. 8 Diels) πρὸς τὸ

[b] καλὸς γὰρ ὁ τοιοῦτος ἔπαινος καὶ ὠφέλιμος καὶ διδάσκων τὰ χρήσιμα καὶ τὰ συμφέροντα θαυμάζειν καὶ ἀγαπᾶν ἀντὶ τῶν κενῶν καὶ περιττῶν. διὸ τοῦτο μὲν συγκατατετάχθω τοῖς εἰρημένοις εἰς τὸ πρόβλημα.

Λέγεται δ' ἡμῖν, τοῦ λόγου τὸ ἐφεξῆς ἀπαιτοῦντος καὶ παρακαλοῦντος, εἶπεῖν ὅπως ἂν ἕκαστος ἐκφύγοι τὸ ἐπαινεῖν ἀκαίρως ἑαυτόν. μέγα γὰρ ἡ περιαιτολογία τὴν φιλαυτίαν ὀρμητήριον ἔχουσα καὶ τοῖς πάνυ δοκοῦσι μετρίως ἔχειν πρὸς

δόξαν ἐμφαίνεται πολλάκις ἐπιτιθεμένη. καθάπερ γὰρ τῶν ὑγιεινῶν ἓν ἐστὶ παραγγελμάτων τὸ τὰ νοσώδη χωρία φυλάττεσθαι παντάπασιν ἢ προσέχειν μᾶλλον αὐτῷ γινόμενον ἐν αὐτοῖς, οὕτως ἔχει τινὰς ἢ περιαιτολογία [c] καιροῦς καὶ τόπους ὀλισθηροῦς καὶ περιφέροντας εἰς αὐτὴν ἐκ πάσης προφάσεως. πρῶτον μὲν γὰρ ἐν τοῖς ἄλλοτρίοις ἐπαίνοις, ὥσπερ εἴρηται (c. 3), τὸ φιλότιμον ἐξανθεῖ τὴν περιαιτολογίαν· καὶ τις αὐτὸ καταλαμβάνει δακνόμενον καὶ γαργαλιζόμενον οἷον ὑπὸ κνησμοῦ δυσκαρτέρητος ἐπιθυμία καὶ ὁρμὴ πρὸς δόξαν, ἄλλως τε κἂν ἐπὶ τοῖς ἴσοις ἕτερος ἢ τοῖς ἐλάττοσιν ἐπαινῆται. καθάπερ γὰρ οἱ πεινῶντες ἐτέρων ἐσθιόντων ἐν ὄψει μᾶλλον ἐρεθίζονται καὶ παροξύνονται τὴν ὀρεξιν, οὕτως ὁ τῶν πλησίον ἔπαινος ἐκκαίει τῇ ζηλοτυπίᾳ τοὺς πρὸς δόξαν [d] ἀκρατῶς ἔχοντας. δεύτερον αἱ τῶν εὐτυχῶς καὶ κατὰ νοῦν πεπραγμένων διηγήσεις λανθάνουσι πολλοὺς εἰς μεγαλαυχίαν ὑπὸ χαρᾶς ἐκφέρουσαι καὶ κόμπον· ἐμπεσόντες γὰρ εἰς τὸ λέγειν νίκας τινὰς ἐαυτῶν ἢ κατορθώσεις ἐν πολιτεύμασιν ἢ παρ' ἡγεμόσι πράξεις καὶ λόγους εὐδοκιμήσαντας οὐ κρατοῦσιν οὐδὲ μετριάζουσιν. ὧ γένει μάλιστα τῆς περιαιτολογίας τὸ αὐλικὸν ἰδεῖν ἔστι καὶ στρατιωτικὸν ἀλίσκόμενον. συμβαίνει δὲ καὶ τοῖς ἐκ πότων ἡγεμονικῶν καὶ πραγμάτων μεγάλων ἐπανήκουσι τοῦτο πάσχειν ἐπικειῶς· μεμνημένοι γὰρ ἀνδρῶν ἐπιφανῶν καὶ βασιλικῶν [e] συγκαταπλέκουσι περὶ αὐτῶν εὐφημίας τινὰς ὑπ' ἐκείνων εἰρημένας, καὶ νομίζουσιν οὐχ αὐτοὺς ἐπαινεῖν ἀλλ' ἐτέρων ἐπαίνους διηγέισθαι περὶ αὐτῶν γενομένους. οἱ δ' ὅλως οἴονται λανθάνειν τοὺς ἀκούοντας, ὅταν βασιλέων καὶ αὐτοκρατόρων δεξιώσεις καὶ προσαγορεύσεις καὶ φιλοφροσύνας ἀπαγγέλλωσιν, ὡς οὐχ αὐτῶν ἐπαίνους ἀποδείξεις δὲ τῆς ἐκείνων ἐπιεικείας καὶ φιλανθρωπίας διεξιόντες. ὅθεν εὖ μάλα δεῖ προσέχειν ἑαυτοῖς περὶ τοὺς ἐτέρων ἐπαίνους, ὅπως καθαροὶ καὶ ἀνύποπτοι φιλαντίας καὶ περιαιτολογίας ὥσι καὶ μὴ δοκῶμεν 'Πάτροκλον πρόφασιν' [f] σφᾶς δ' αὐτοὺς δι' ἐκείνων ἐπαινεῖν.

Ἀλλὰ μὴν καὶ τὸ περὶ τοὺς ψόγους καὶ τὰς καταιτιάσεις γένος ἐπισφαλές ἐστὶ καὶ παρέχον ἐκτροπὰς τοῖς περὶ δόξαν νοσοῦσιν. ὧ μάλιστα περιπίπτουσιν οἱ γέροντες, ὅταν εἰς τὸ νουθετεῖν ἐτέρους καὶ κακίζειν ἔθῃ φαῦλα καὶ πράξεις ἡμαρτημένας προαχθῶσι, μεγαλύνοντες αὐτοὺς [547] [a] ὡς περὶ ταῦτ' αὐθαρσέως δὴ τινὰς γενομένους. τούτοις μὲν οὖν, ἂν μὴ μόνον ἔχωσιν ἡλικίαν ἀλλὰ

καὶ δόξαν καὶ ἀρετὴν, δοτέον (οὐ γὰρ ἀνωφελὲς ἀλλὰ μέγα, ζῆλον ἐμποιοῦν ἅμα καὶ φιλοτιμίαν τινὰ τοῖς οὕτω κολαζομένοις)· οἱ δ' ἄλλοι σφόδρα φυλάττεσθαι καὶ δεδιέναι τὴν ἐκτροπὴν ταύτην ὀφείλομεν. ἀνιανοῦ γὰρ ὄντος ἄλλως καὶ μόλις ἀνεκτοῦ τοῦ τῶν πλησίον ἐλέγχου καὶ δεομένου πολλῆς εὐλαβείας ὁ μιγνύων ἔπαινον ἴδιον ἀλλοτρίῳ φύγω καὶ δι' ἀδοξίας ἐτέρου δόξαν αὐτῷ θηρώμενος ἐπαχθῆς παντάπασι καὶ φορτικός ἐστιν, ὡς ἐνευδοκιμεῖν ἀσχημονοῦσιν ἄλλοις βουλόμενος.

Ἔτι τοίνυν τοῖς μὲν πρὸς τοὺς γέλωτας εὐκαταφόροις [b] φύσει καὶ προχείροις μάλιστα φεύγειν προσήκει καὶ φυλάττεσθαι τοὺς γαργαλισμοὺς καὶ τὰς ψηλαφήσεις, ἐν αἷς τὰ λειότατα τοῦ σώματος ὀλισθάνοντα καὶ συρρέοντα κινεῖ καὶ συνεξορμᾷ τὸ πάθος· ὅσοι δὲ πρὸς δόξαν ἐμπαθέστερον ἐρρυνήκασι, τούτοις ἂν τις οὐχ ἥκιστα παραινέσειεν ἀπέχεσθαι τοῦ σφᾶς αὐτοὺς ἐπαινεῖν, ὅταν ὑπ' ἄλλων ἐπαινῶνται. δεῖ γὰρ ἐρυθριᾷν ἐπαινούμενον οὐκ ἀπερυθριᾷν, καὶ καταστέλλειν τοὺς μέγα τι περὶ αὐτῶν λέγοντας οὐκ ἐλέγχειν ὡς ἐνδεέστερον ἐπαινοῦντας· ὅπερ οἱ πολλοὶ ποιοῦσιν, ὑπομιμνήσκοντες αὐτοὶ καὶ [c] προσεμφοροῦντες ἄλλας τινὰς πράξεις καὶ ἀνδραγαθίας, ἄχρι οὔ τῷ παρ' αὐτῶν καὶ τὸν παρ' ἐτέρων ἔπαινον διαφθείρῳσιν. ἔνιοι μὲν οὖν κολακεύοντες αὐτοὺς ὥσπερ γαργαλίζουσι καὶ φυσῶσιν, ἔνιοι δὲ κακοήθως οἶόν τι δέλεαρ μικρὸν εὐλογίας ὑποβάλλοντες ἐκκαλοῦνται τὴν περιαιτολογία, οἱ δὲ προσπυνθάνονται καὶ διερωτῶσιν, ὡς παρὰ τῷ Μενάνδρῳ (fr. 562) τὸν στρατιώτην, ἵνα γελάσωσι·

‘πῶς τὸ τραῦμα τοῦτ’ ἔχεις;’

‘μεσαγκύλω.’ ‘πῶς πρὸς θεῶν’; ‘ἐπὶ κλίμακα

πρὸς τεῖχος ἀναβαίνων.’ ‘ἐγὼ μὲν δεικνύω

ἐσπουδακῶς, οἱ δὲ πάλιν ἐπεμυκτήρισαν.’

Ἐν ἅπασιν οὖν τούτοις εὐλαβητέον ὡς ἔνι μάλιστα, μήτε συνεκπίπτοντα τοῖς ἐπαίνοις μήτε ταῖς [d] ἐρωτήσεσιν ἑαυτὸν προῖέμενον. ἐντελεστάτη δὲ τούτων εὐλάβεια καὶ φυλακὴ τὸ προσέχειν ἐτέροις ἑαυτοὺς ἐπαινοῦσι καὶ μνημονεύειν, ὡς ἀηδὲς τὸ πρᾶγμα καὶ λυπηρὸν ἅπασι καὶ λόγος ἄλλος οὐδεὶς οὕτως ἐπαχθῆς οὐδὲ βαρὺς. οὐδὲ γὰρ ἔχοντες εἰπεῖν ὅ τι πάσχομεν ἄλλο κακὸν ὑπὸ τῶν αὐτοὺς ἐπαινούντων ὥσπερ φύσει βαρυνόμενοι τὸ πρᾶγμα καὶ φεύγοντες ἀπαλλαγῆναι καὶ ἀναπνεῦσαι σπεύδομεν· ὅπου καὶ κόλακι καὶ παρασίτῳ καὶ δεομένῳ δύσοιστον ἐν χρειᾷ

καὶ δυσεγκαρτέρητον ἑαυτὸν ἐγκωμιάζων πλούσιός τις ἢ σατράπης

τὰ σκώμμαθ’ οἷα τὰ σοφὰ καὶ στρατηγικά·
οἷος δ’ ἀλαζών ἐστιν ἀλιτήριος.’

ταῦτα γὰρ οὐ πρὸς στρατιώτας μόνον οὐδὲ νεοπλότους
εὐπάρυφα καὶ σοβαρὰ διηγήματα περαίνοντας, ἀλλὰ καὶ πρὸς
σοφιστὰς καὶ φιλοσόφους καὶ στρατηγοὺς ὀγκουμένους ἐφ’

ΠΕΡΙ ΤΩΝ ΥΠΟ ΤΟΥ ΘΕΙΟΥ ΒΡΑΔΕΩΣ ΤΙΜΩΡΟΥΜΕΝΩΝ

[548] Τοιαῦτα μὲν ὁ Ἐπικούρειος εἰπὼν, ὦ Κυῆτε, καὶ [b] πρὶν ἀποκρίνασθαι τινα, πρὸς τῷ πέρατι τῆς στοᾶς γενομένων ἡμῶν ὥχει· ἀπιών· ἡμεῖς δ' ὅσον τι θαυμάσαι τοῦ ἀνθρώπου τὴν ἀτοπίαν, ἐπιστάντες σιωπῇ καὶ πρὸς ἀλλήλους διαβλέψαντες ἀνεστρέφομεν πάλιν ὥσπερ ἐτυχάνομεν περιπατοῦντες. εἴτα πρῶτος ὁ Πατροκλέας 'τί οὖν;' εἶπεν 'ἐὰν δοκεῖ τὴν ζήτησιν, ἢ τῷ λόγῳ καθάπερ παρόντος ἀποκρινώμεθα τοῦ εἰπόντος;' ὑπολαβὼν δ' ὁ Τίμων 'ἀλλ' οὐδ' εἰ βαλὼν' εἶπεν 'ἀπηλλάγη, καλῶς εἶχε περιοῖν τὸ βέλος ἐγκείμενον. ὁ μὲν γὰρ Βρασίδης ὡς ἔοικεν [c] ἐξελκύσας τὸ δόρυ τοῦ σώματος αὐτῷ τούτῳ τὸν βαλόντα πατάξας ἀνέειλεν· ἡμῶν δ' ἀμύνασθαι μὲν οὐδὲν ἔργον ἐστὶ δήπου τοὺς ἄτοπον ἢ ψευδῇ λόγον εἰς ἡμᾶς ἀφέντας, ἀρκεῖ δ' αὐτοὶ πρὶν ἄψασθαι τὴν δόξαν ἂν ἐκβάλωμεν.' 'τί οὖν' ἔφην ἐγὼ 'μάλιστα κεκίνηκεν ὑμᾶς τῶν εἰρημένων; ἀθρόα γὰρ πολλὰ καὶ κατὰ τάξιν οὐδέν, ἄλλο δ' ἀλλαχόθεν ἄνθρωπος ὥσπερ ὀργῇ τινι καὶ λοιδορία σπαράττων ἅμα κατεφόρει τῆς προνοίας.'

Καὶ ὁ Πατροκλέας 'ἡ περὶ τὰς τιμωρίας' εἶπε 'τῶν πονηρῶν βραδυτῆς τοῦ δαιμονίου καὶ μέλλησις ἐμοὶ δοκεῖ μάλιστα δεινὸν εἶναι· καὶ νῦν ὑπὸ τῶν λόγων τούτων [d] ὥσπερ πρόσφατος γέγονα τῇ δόξῃ καὶ καινός, ἔκπαλαι δ' ἡγανάκτουν ἀκούων Εὐριπίδου λέγοντος (Or. 420)

‘μέλλει, τὸ θεῖον δ' ἐστὶ τοιοῦτον φύσει.'

καίτοι πρὸς οὐθὲν ἦκιστα δὲ πρέπει πρὸς τοὺς πονηροὺς ῥάθυμον εἶναι τὸν θεόν, οὐ ῥαθύμους ὄντας αὐτοὺς οὐδ' 'ἀμβολιεργοὺς' τοῦ κακῶς ποιεῖν, ἀλλ' ὀξυτάταις ὀρμαῖς ὑπὸ τῶν παθῶν φερομένους πρὸς τὰς ἀδικίας. καὶ μὴν 'τὸ ἀμύνασθαι τῷ παθεῖν,' ὡς Θουκυδίδης (III 38, 1) φησὶν, 'ὅτι ἐγγυτάτω κείμενον' εὐθὺς ἀντιφράττει τὴν ὁδὸν τοῖς ἐπὶ πλεῖστον εὐροοῦσῃ τῇ κακία χρωμένοις. οὐθὲν γὰρ οὕτω χρέος ὡς τὸ τῆς δίκης ὑπερήμερον γινόμενον ἀσθενῇ [e] μὲν ταῖς ἐλπίσι ποιεῖ καὶ ταπεινὸν τὸν ἀδικούμενον, αὖξει δὲ θρασύτητι καὶ τόλμῃ τὸν μοχθηρόν· αἱ δ' ὑπὸ χεῖρα τοῖς τολμωμένοις ἀπαντῶσαι τιμωρίαι καὶ τῶν μελλόντων εἰσὶν ἐπισχέσεις ἀδικημάτων καὶ μάλιστα τὸ

παρηγοροῦν τοὺς πεπονθότας ἔνεστιν αὐταῖς. ὥς ἔμοιγε καὶ τὸ τοῦ Βίαντος ἐνοχλεῖ πολλάκις ἀναλαμβάνοντι τὸν λόγον· ἔφη γάρ, ὥς ἔοικε, πρὸς τινὰ πονηρόν, ὥς οὐ δέδιδε μὴ οὐ δῶ δίκην, ἀλλὰ μὴ οὐκ αὐτὸς ἐπίδῃ. τί γὰρ Μεσσηνίοις ὄφελος τοῖς προαναιρεθεῖσι τῆς Ἀριστοκράτους τιμωρίας, ὃς προδοὺς τὴν ἐπὶ Κάρῳ μάχην καὶ λαθὼν ὑπὲρ εἴκοσιν [f] ἔτη καὶ πάντα ταῦτα βασιλεύσας Ἀρκάδων ὕστερον ἔδωκε δίκην φωραθείς, οἱ δ' οὐκέτ' ἦσαν; ἢ τίν' Ὀρχομενίων τοῖς ἀποβαλοῦσι παῖδας καὶ φίλους καὶ οἰκείους ὑπὸ Λυκίσκου προδοθέντας ἤνεγκε παραμυθίαν ἢ χρόνοις ὕστερον πολλοῖς [549] [a] ἀψαμένη νόσος κατανεμηθεῖσα τοῦ σώματος, ὅσον αἰὲ βάπτων καὶ βρέχων εἰς τὸν ποταμὸν ὤμοσε καὶ κατηράσατο σαπῆναι προδόντος αὐτοῦ καὶ ἀδικήσαντος; τὰς μὲν γὰρ Ἀθήνησι τῶν ἐναγῶν σωμάτων ρίψεις καὶ νεκρῶν ἐξορισμοὺς οὐδὲ παίδων παισὶν ἐπιδεῖν ὑπῆρξε τῶν ἀποσφαγέντων ἐκείνων. ὅθεν Εὐριπίδης ἄτοπος εἰς ἀποτροπὴν κακίας τοῦτοίς χρώμενος (fr. 979).

‘οὔτοι προσελθοῦσ' ἡ Δίκη σε, μὴ τρέσης,

στείχουσα μάρφει τοὺς κακοὺς, ὅταν τύχη.’

[b] οὐ γὰρ ἄλλα δήπου, ταῦτα δ' αὐτὰ τοὺς κακοὺς εἰκός ἐστιν ἑαυτοῖς διακελευομένους καὶ παρεγγυῶντας ἐπιχειρεῖν τοῖς παρανομήμασιν, ὥς τῆς ἀδικίας τὸν μὲν καρπὸν εὐθύς ὠραῖον καὶ προὔπτον ἀποδιδούσης, τὴν δὲ τιμωρίαν ὁπὲ καὶ πολὺ τῆς ἀπολαύσεως καθυστεροῦσαν.’

Ταῦτα τοῦ Πατροκλέου διελθόντος ἐπιβαλὼν ὁ Ὀλύμπιχος ‘ἐκεῖνο δ’ ἐῖπεν ὧ Πατροκλέα, πηλίκον αἰ περὶ ταῦτα τοῦ θεοῦ διατριβαὶ καὶ μελλήσεις ἄτοπον ἔχουσιν, ὅτι τὴν πίστιν ἡ βραδυτῆς ἀφαιρεῖ τῆς προνοίας, καὶ τὸ μὴ παρ’ ἑκαστον ἀδίκημα τοῖς πονηροῖς ἐπακολουθοῦν [c] κακὸν ἀλλ’ ὕστερον εἰς ἀτυχήματος χώραν τιθέμενοι καὶ συμφορὰν οὐ τιμωρίαν ὀνομάζοντες οὐθὲν ὠφελοῦνται, τοῖς μὲν συμβαίνουσιν ἀχθόμενοι τοῖς δὲ πεπραγμένοις μὴ μεταμελόμενοι; καθάπερ γὰρ ἵππον ἢ παραχρῆμα τὸ πταῖσμα καὶ τὴν ἁμαρτίαν διώκουσα πλὴγὴ καὶ νύξεις ἐπανορθοῖ καὶ μετὰγει πρὸς τὸ δέον, οἱ δ' ὕστερον καὶ μετὰ χρόνον σπαραγμοὶ καὶ ἀνακρούσεις καὶ περισοφῆσεις ἐτέρου τινὸς ἔνεκα μᾶλλον δοκοῦσι γίνεσθαι ἢ διδασκαλίας, δι’ ὃ τὸ λυποῦν ἄνευ τοῦ

ὑπὸ τῶν παθῶν καὶ τρεπούσης τὸ σῶμα τὰς χροῶς ἀναδίδωσι,

ἐνταῦθα δὲ καθαρμοῦ καὶ κολάσεως πέρας ἐστὶ τούτων ἐκλεανθέντων παντάπασι τὴν ψυχὴν αὐγοειδῇ καὶ σύγχρουν [d] γίνεσθαι· μέχρι δ' οὗ ταῦτ' ἔνεστι, γίνονται τινες ὑποτροπαὶ τῶν παθῶν σφυγμοὺς ἔχουσαι καὶ πήδησιν, ἐνίαις μὲν ἀμυδρὰν καὶ ταχὺ κατασβεννυμένην ἐνίαις δὲ νεανικῶς ἐντείνουσαν. ὣν αἱ μὲν πάλιν καὶ πάλιν κολασθεῖσαι τὴν προσήκουσαν ἔξιν καὶ διάθεσιν, τὰς δ' αὖθις εἰς σώματα ζώων ἐξήνεγκε βιαιότης ἀμαθίας καὶ φιληδονίας †εἶδος. ἡ μὲν γὰρ ἀσθενεία λόγου καὶ δι' ἀργίαν τοῦ θεωρεῖν ἔρρεψε τῷ πρακτικῷ πρὸς γένεσιν, ἡ δ' ὀργάνου τῷ ἀκολάστῳ δεομένη ποθεῖ τὰς ἐπιθυμίας συρράψαι ταῖς ἀπολαύσεσι καὶ συνεπαυρέσθαι διὰ σώματος· [e] ἐνταῦθα γὰρ οὐδὲν ἢ σκιά τις ἀτελῆς καὶ ὄναρ ἡδονῆς πλήρῳσιν οὐκ ἐχούσης πάρεστι.'

Ταῦτα δ' εἰπὼν ἦγεν αὐτὸν ταχὺ μὲν, ἄπλετον δὲ τινα τόπον ὡς ἐφαίνετο διεξιόντα ῥαδίως καὶ ἀπλανῶς, οἶον ὑπὸ πτερῶν τῶν τοῦ φωτὸς αὐγῶν ἀναφερόμενον, μέχρι οὗ πρὸς τι χάσμα μέγα καὶ κάτω διῆκον ἀφικόμενος ὑπὸ τῆς ὀχούσης ἀπελείφθη δυνάμεως. καὶ τὰς ἄλλας ψυχὰς ἐώρα ταῦτὸ πασχούσας ἐκεῖ· συστελλόμεναι γὰρ ὥσπερ αἱ ὄρνιθες καὶ καταφερόμεναι κύκλῳ τὸ χάσμα περιήεσαν (ἄντικρυς δὲ περᾶν οὐκ ἐτόλμων), εἶσω μὲν ὀφθῆναι τοῖς βακχικοῖς ἄντροις ὁμοίως ὕλης χλωρότητι [f] καὶ χρώαις ἀνθέων ἀπάσαις διαπτεποικιλμένον· ἐξέπνει δὲ μαλακὴν καὶ πραεῖαν αὔραν ὁσμὰς ἀναφέρουσαν ἡδονάς τε θαυμασίας καὶ κρᾶσιν οἶαν ὁ οἶνος τοῖς μεθυσκομένοις ἐμποιοῦσαν· εὐωχούμεναι γὰρ αἱ ψυχαὶ ταῖς εὐωδίαις διεχέοντο καὶ πρὸς ἀλλήλας ἐφιλοφρονοῦντο· καὶ τὸν τόπον ἐν κύκλῳ κατεῖχε βακχεία καὶ γέλως καὶ πᾶσα μοῦσα [566] [a] παιζόντων καὶ τερπομένων. ἔλεγε <δὲ> ταύτη τὸν Διόνυσον ἀνελθεῖν καὶ τὴν Σεμέλην ἀναγαγεῖν ὕστερον· καλεῖσθαι δὲ Λήθης τὸν τόπον. ὅθεν οὐδὲ διατρίβειν βουλόμενον εἶα τὸν Θεσπέσιον, ἀλλ' ἀφείλκε βίᾳ, διδάσκων ἅμα καὶ λέγων ὡς ἐκτῆκεται καὶ ἀνυγραίνεται τὸ φρονοῦν ὑπὸ τῆς ἡδονῆς, τὸ δ' ἄλογον καὶ σωματοειδὲς ἀρδόμενον καὶ σαρκούμενον ἐμποιεῖ τοῦ σώματος μνήμην, ἐκ δὲ τῆς μνήμης ἴμερον καὶ πόθον ἔλκοντα πρὸς γένεσιν, ἦν οὕτως ὠνομάσθαι, νεῦσιν ἐπὶ γῆν οὔσαν ὑγρότητι βαρυνομένης τῆς ψυχῆς.

Ἄλλην οὖν τοσαύτην διελθὼν ὁδὸν ἔδοξεν ἀφορᾶν [b] κρατῆρα μέγαν, εἰς δὲ τοῦτον ἐμβάλλοντα ῥεύματα, τὸ μὲν ἀφροῦ

θαλάσσης ἢ χιόνων λευκότερον, τὸ δ' ὅποῖον Ἰρις ἐξανθεῖ τὸ ἀλουργόν, ἄλλα δ' ἄλλαις βαφαῖς κεχρωσμένα, πρόσωθεν ἴδιον ἐχούσαις φέγγος. ὡς δὲ πλησίον ἦλθον, ὁ κρατὴρ ἐκεῖνος ἀφανὴς ἱχλεμάβλου τοῦ περιέχοντος, τῶν τε χρωμάτων ἀμαυρουμένων τὸ ἀνθηρότερον ἀπέλειπε πλὴν τῆς λευκότητος. ἑώρα δὲ τρεῖς δαίμονας ὁμοῦ καθημένους ἐν σχήματι τριγώνου πρὸς ἀλλήλους τὰ ρεύματα μέτροις τισὶν ἀνακεραννύντας. ἔλεγεν οὖν ὁ τοῦ Θεσπεσίου ψυχοπομπὸς ἄχρι τούτου τὸν Ὀρφέα (Orph. fr. 294) προσελθεῖν, ὅτε τὴν ψυχὴν τῆς γυναικὸς μετῆι, [c] καὶ μὴ καλῶς διαμνημονεύσαντα λόγον εἰς ἀνθρώπους κίβδηλον ἐξενεγκεῖν ὡς κοινὸν εἶη μαντεῖον ἐν θεοῖς Ἀπόλλωνος καὶ Νυκτός· οὐδενὸς γὰρ Ἀπόλλωνι Νύκτα κοινωνεῖν· ἄλλὰ τοῦτο μὲν' ἔφη 'Νυκτός ἐστι καὶ Σελήνης μαντεῖον κοινόν, οὐδαμοῦ τῆς γῆς περαῖνον οὐδ' ἔχον ἔδραν μίαν, ἀλλὰ πάντῃ πλανητὸν ἐπὶ τοὺς ἀνθρώπους ἐνυπνίοις καὶ εἰδώλοις· ἐκ τούτου γὰρ οἱ ὄνειροι μιγνύμενον, ὡς ὀρᾷς, τῷ ἀπατηλῷ καὶ ποικίλῳ τὸ ἀπλοῦν καὶ ἀληθὲς παραλαμβάνοντες διασπείρουσι. τὸ δ' Ἀπόλλωνος οὐκέτ' οἶδα' εἶπεν 'εἰ καπιδεῖν ἔση δυνατός· ἀνωτέρω [d] γὰρ οὐκ ἐπιδίδωσιν οὐδὲ χαλᾷ τὸ τῆς ψυχῆς ἐπίγειον ἀλλὰ κατατείνει τῷ σώματι προσηρητημένον.' ἅμα δ' ἐπειρᾶτο προσάγων ἐπιδεικνύειν αὐτῷ τὸ φῶς ἐκ τοῦ τρίποδος, ὡς ἔλεγε, διὰ τῶν κόλπων τῆς Θέμιδος ἀπερειδόμενον εἰς τὸν Παρνασσόν. προθυμούμενος <δ' αὐτὸς> ἰδεῖν οὐκ εἶδεν ὑπὸ λαμπρότητος, ἀλλ' ἤκουε παριῶν φωνὴν ὀξεῖαν γυναικὸς ἐν μέτρῳ φράζουσας ἄλλα τινὰ καὶ χρόνον, ὡς ἔοικε, τῆς ἐκείνου τελευτῆς. ἔλεγε δ' ὁ δαίμων τὴν φωνὴν εἶναι Σιβύλλης· ἄδειν γὰρ αὐτὴν περὶ τῶν μελλόντων ἐν τῷ προσώπῳ τῆς σελήνης περιφερομένην. βουλόμενος οὖν ἀκροᾶσθαι [e] πλείονα τῇ ρύμῃ τῆς σελήνης εἰς τοῦναντίον ὥσπερ ἐν ταῖς δίναις ἐξεώσθη καὶ βραχέα κατήκουσεν· ὧν ἦν καὶ τὰ περὶ τὸ Βέσβιον ὄρος καὶ τὴν Δικαιαρχείας ὑπὸ πυρὸς φθορὰν γενησομένην, καὶ τι κομμάτιον περὶ τοῦ τότε ἡγεμόνος ὡς

‘ἐσθλὸς ἐὼν νούσω τυραννίδα λείψει.’

Μετὰ δὲ ταῦτα πρὸς τὴν θεάν τῶν κολαζομένων ἐτρέποντο. καὶ τὰ μὲν πρῶτα δυσχερεῖς καὶ οἰκτρὰς εἶχον μόνον ὄψεις· ἐπεὶ δὲ καὶ φίλοις καὶ οἰκείοις καὶ συνήθεσιν ὁ Θεσπέσιος οὐκ ἂν προσδοκήσας κολαζομένοις ἐνετύγχανε, καὶ δεινὰ παθήματα καὶ τιμωρίας ἀσχήμενας καὶ ἀλγεινὰς ὑπομένοντες ὠκτίζοντο πρὸς

Πάντων δὲ πάσχειν ἔλεγεν οἰκτρότατα τὰς ἤδη δοκούσας

ΠΕΡΙ ΕΙΜΑΡΜΕΝΗΣ

[568] Τὰ περὶ τῆς εἰμαρμένης δοκοῦνθ' ἡμῖν ὡς οἶόν τε σαφῶς [c] καὶ συντόμως πειράσομαι ἐπιστεῖλαί σοι, φίλτατε Πείσων, ἐπειδὴ σὺ τοῦτ' ἠξίωσας οὐκ ἀγνοῶν ἦν ἔχω πρὸς τὸ γράφειν εὐλόβειαν.

Πρῶτον τοίνυν ἴσθι, ὅτι εἰμαρμένη διχῶς καὶ λέγεται καὶ νοεῖται· ἡ μὲν γάρ ἐστιν ἐνέργεια ἡ δ' οὐσία. πρῶτον μὲν οὖν ἐνέργειαν τύπῳ ὑπέγραψεν ὁ Πλάτων ἔν τε τῷ Φαίδρῳ (248c) λέγων 'θεσμός τε Ἀδραστείας ὅδε, ἥτις ἂν <ψυχῇ> θεῶ ξυνοπαδὸς γενομένη ...' ἔν τε τῷ Τιμαίῳ (41e) 'νόμους' οὐς ἐπὶ τῇ τοῦ παντὸς φύσει ὁ θεὸς εἶπε ταῖς ἀθανάτοις ψυχαῖς· ἐν δὲ τῇ Πολιτείᾳ (617d) [d] 'Ἀνάγκης θυγατρὸς κόρης Λαχέσεως λόγον' φησὶν εἶναι τὴν εἰμαρμένην, οὐ τραγικῶς ἀλλὰ θεολογικῶς τὸ ἀρέσκον αὐτῷ ἀποφαινόμενος. εἰ δὲ κοινότερον ἐθέλοι τις ταῦτα μεταλαβὼν ὑπογράψαι, ὡς μὲν ἐν Φαίδρῳ, λέγοιτ' ἂν ἡ εἰμαρμένη λόγος θεῖος ἀπαράβατος δι' αἰτίαν ἀνεμπόδιστον, ὡς δ' ἐν τῷ Τιμαίῳ, νόμος ἀκόλουθος τῇ τοῦ παντὸς φύσει, καθ' ὃν διεξάγεται τὰ γινόμενα τοῦτο γὰρ ἡ Λάχεσις ἐργάζεται, ἡ τῆς Ἀνάγκης ἀληθῶς θυγάτηρ, ὡς καὶ πρότερον παρελάβομεν καὶ ὕστερον ἔτι μᾶλλον εἰσόμεθ' ἐν τοῖς [e] κατὰ σχολὴν λόγοις. ἦδε μὲν οὖν ἡ κατ' ἐνέργειαν εἰμαρμένη, ἡ <δὲ> κατ' οὐσίαν ἔοικεν εἶναι σύμπασ' ἡ τοῦ κόσμου ψυχὴ τριχῇ διανεμηθεῖσα, εἰς τε τὴν ἀπλανῆ μοῖραν καὶ εἰς τὴν πλανᾶσθαι νομιζομένην καὶ τρίτην [εἰς] τὴν ὑπουράνιον τὴν περὶ γῆν ὑπάρχουσαν· ὣν ἡ μὲν ἀνωτάτῳ Κλωθῶ προσαγορεύεται, ἡ δὲ μετ' αὐτὴν Ἄτροπος, ἡ κατωτάτῳ δ' αὖ Λάχεσις, δεχομένη μὲν τὰς οὐρανίας τῶν ἀδελφῶν ἐνεργείας, συμπλέκουσα δὲ καὶ διαδιδούσα ταύτας εἰς τὰ ὑπ' αὐτῇ τεταγμένα τὰ ἐπίγεια. δυνάμει μὲν οὖν εἴρηται, ὅποια χρὴ λέγεσθαι περὶ τῆς κατ' οὐσίαν [f] εἰμαρμένης· καὶ γὰρ ἥτις ἐστὶ καὶ πόση τις καὶ ὅποια καὶ ὅπως τέτακται καὶ ὅπως ἔχει αὐτὴ τε πρὸς ἑαυτὴν καὶ δὴ καὶ πρὸς ἡμᾶς, ὡς ἐν ἐπιτομῇ εἴρηται· τὰ δὲ καθ' ἕκαστα περὶ τούτων ὁ ἕτερος μῦθος ὁ ἐν τῇ Πολιτείᾳ μετρίως αἰνίττεται, καὶ ἡμεῖς εἰς δυνάμιν σοι ταῦτ' ἐπειράθημεν ἐξηγήσασθαι.

Πάλιν γε μὴν τὴν κατ' ἐνέργειαν εἰμαρμένην ἀναλαβόντες

λέγωμεν· περὶ γὰρ ταύτην τὰ πολλὰ ζητήματα φυσικά τε καὶ ἠθικά καὶ διαλεκτικά τυγχάνει ὄντα. τίς μὲν οὖν ἐστίν, ἐπεικῶς ἀφώρισται· ὁποία δ' ἐστίν, ἐξῆς [569] [a] ῥητέον, εἰ καὶ πολλοῖς ἄτοπον φαίνεται. ἀπείρων γὰρ ἐξ ἀπείρου καὶ εἰς ἄπειρον <ὄντων> τῶν γινομένων τὰ πάντα περιβαλοῦσ' ἐν κύκλῳ ἢ εἰμαρμένη οὐκ ἄπειρος ἀλλὰ πεπερασμένη ἐστίν· οὔτε γὰρ νόμος οὔτε λόγος οὔτε τι θεῖον ἄπειρον ἂν εἴη. ἔτι δ' ἂν μάθοις τὸ λεγόμενον νοήσας τὴν τε ὅλην περίοδον καὶ τὸν σύμπαντα χρόνον, ὅταν τῶν ὀκτὼ περιόδων ὥς φησιν ὁ Τίμαιος (39d) 'τὰ πρὸς ἄλληλα συμπερανθέντα τάχῃ σχῆ κεφαλὴν, τῷ <τοῦ> ταυτοῦ καὶ ὁμοίως ἰόντος ἀναμετρηθέντα κύκλῳ.' ἐν γὰρ τούτῳ τῷ χρόνῳ ὠρισμένῳ τ' ὄντι καὶ θεωρουμένῳ πάνθ' [b] ὅσα τε κατ' οὐρανὸν ἅ τ' ἐπὶ τὴν γῆν ἐξ ἀνάγκης ἄνωθεν συνίσταται, πάλιν μὲν εἰς τὸ αὐτὸ καταστήσεται, πάλιν δ' ἐξ ἀρχῆς ὅλα κατὰ τὰ αὐτὰ ὡσαύτως ἀποδοθήσεται. μόνη γοῦν ἢ κατ' οὐρανὸν σχέσις αὐτῇ τε πρὸς ἑαυτὴν κατὰ πάντα τεταγμένη πρὸς τε τὴν γῆν καὶ πρὸς τὰ ἐπίγεια πάντα διὰ μακρῶν περιόδων πάλιν ἐπανήξει ποτέ· αἱ τε μετ' αὐτὴν ἐφεξῆς καὶ [ἐχόμεναι ἀλλήλαις] ἐχομένως παρέσσονται, ἐκάστη τὰ αὐτῆς ἐξ ἀνάγκης φέρουσαι. ἔστω δὲ πρὸς τὸ σαφές τῶν περὶ ἡμᾶς νῦν ὄντων, ὅτι οὐ συμβαίνει ἀπὸ τῶν οὐρανίων ὡς πάντων αἰτιῶν ὄντων καὶ [c] τὸ ἐμὲ γράφειν νυνὶ τάδε καὶ ὠδὶ σέ τε πράττειν ἄπερ καὶ ὅπως τυγχάνεις πράττων· †πάλιν τοίνυν ἐπειδὴν ἢ αὐτὴ ἀφίκεται αἰτία, τὰ αὐτὰ καὶ ὡσαύτως οἱ αὐτοὶ γενόμενοι πράξομεν, οὕτω δὲ καὶ πάντες ἄνθρωποι· καὶ τά θ' ἐξῆς κατὰ τὴν ἐξῆς αἰτίαν γενήσεται καὶ πραχθήσεται, καὶ πάνθ' ὅσα <καὶ> κατὰ μίαν τὴν ὅλην περίοδον καὶ καθ' ἐκάστην τῶν ὅλων, ὡσαύτως ἀποδοθήσεται. φανερόν τοίνυν ἤδη ὅ τι ἔφαμεν, τὴν εἰμαρμένην ἄπειρον τρόπον τινὰ οὔσαν μὴ ἄπειρον εἶναι, καὶ τό γε ῥηθέν, ὅτι κύκλος τίς ἐστί, μετρίως που κατῴπται· ὡς γὰρ καὶ ἡ τοῦ κύκλου κίνησις ὅ τε ταύτην παραμετρῶν χρόνος κύκλος τίς ἐστίν, οὕτω καὶ τῶν κατὰ κύκλον γινομένων ὁ λόγος κύκλος ἂν νομισθεῖη.

[d] Σχεδὸν μὲν οὖν καὶ τοῦτο δηλοῖ, ὁποῖόν τι τυγχάνει ἢ εἰμαρμένη, πλὴν οὐχ ἢ γε κατὰ μέρος οὐδ' ἢ καθ' ἕκαστα. ποία τις οὖν καὶ ἦδε κατ' αὐτὸ δὴ τὸ εἶδος τοῦ λόγου; ἔστι τοίνυν, ὡς ἂν τις εἰκάσαι, οἷος ὁ πολιτικὸς νόμος, <ὅς> πρῶτον μὲν τὰ πλεῖστα, εἰ καὶ μὴ πάντα, ἐξ ὑποθέσεως προστάττει, ἔπειτα μὴν καθόλου τὰ πόλει προσήκοντα εἰς δύναμιν περιλαμβάνει. πάλιν δὴ τούτων

ἐκάτερον ὁποῖόν τί ἐστι, σκεπτέον. ἀκολουθῶς τοίνυν ὁ πολιτικὸς νόμος περί τ' ἀριστέως καὶ λιποτάκτου διαλέγεται καὶ περὶ τῶν ἄλλων ὡσαύτως, ἀλλ' οὐ περὶ τοῦδ' ἢ τοῦδ' <ἦ> νόμιμόν ἐστιν, ἀλλὰ τὰ μὲν καθόλου προηγουμένως, [e] τὰ δ' ὑποπίπτοντα τούτοις ἐπομένως. καὶ γὰρ τὸ τιμῆσαι τόνδε τινὰ ἡριστευκότα καὶ τὸ κολάσαι τόνδε τινὰ λιποτακτήσαντα νόμιμον ἂν φῆσαιμεν, ὡς δυνάμει καὶ περὶ τούτων διατεταγμένου τοῦ νόμου, ὃν τρόπον ὁ ἱατρικὸς καὶ ὁ γυμναστικὸς ὡς εἰπεῖν νόμος δυνάμει τὰ καθ' ἕκαστα τοῖς ὅλοις συμπεριλαμβάνει· οὕτω δὲ καὶ ὁ τῆς φύσεως νόμος τὰ μὲν καθόλου προηγουμένως, τὰ δὲ καθ' [f] ἕκαστα ἐπομένως. ἔστι θ' εἰμαρμένα τρόπον τινὰ καὶ ταῦτα, ὄντ' ἐκείνοις συνειμαρμένα. τάχα δ' ἂν τις τῶν ἄγαν ἀκριβολογουμένων τὰ τοιαῦτα καὶ τὸναντίον φαίη προηγούμενα συντετάχθαι τὰ καθ' ἕκαστα, εἶναί τε τούτων ἔνεκα καὶ τὸ καθόλου, προηγεῖσθαι δὲ τῶν ἔνεκά του τὸ οὗ ἔνεκα. ἀλλὰ περὶ μὲν τούτων ἐν ἄλλοις σκεπτέον· ὅτι δ' οὐ πάντα καθαρῶς οὐδὲ διαρρήδην ἢ εἰμαρμένη περιέχει ἀλλ' ὅσα καθόλου, τοῦτο δὴ ἐν τῷ παρόντι ῥηθὲν πρὸς τε τὸν ἐξῆς λόγον καὶ τὸν ὀλίγον ἔμπροσθεν χώραν ἔχει. [570] [a] τὸ μὲν γὰρ ὠρισμένον οἰκεῖον τῇ θεῖᾳ φρονήσει ἐν τῷ καθόλου μᾶλλον θεωρεῖται (τοιοῦτος μέντοι γε ὁ θεῖος νόμος καὶ ὁ πολιτικὸς), τὸ δ' ἄπειρον ἐν τῷ καθ' ἕκαστα.

μετὰ δὴ ταῦτα, οἷον μὲν ἐστι <τὸ> ἐξ ὑποθέσεως, ὅτι δὲ τοιοῦτον καὶ ἡ εἰμαρμένη, ὀρίζεσθω. ἐξ ὑποθέσεως δὴ ἔφαμεν τὸ μὴ καθ' ἑαυτὸ τιθέμενον, ἀλλὰ πως ἐτέρῳ τινὶ ὡς ἀληθῶς ὑποτεθέν, ὅποσα ἀκολουθίαν σημαίνει. 'θεσμός τε Ἀδραστείας ὁδε· ἥ τις ἂν ψυχὴ συνοπαδὸς γενομένη κατίδῃ τι τῶν ἀληθῶν, μέχρι τῆς ἐτέρας περιόδου εἶναι ἀπήμονα· κἂν αἰεὶ δύνηται τοῦτο ποιεῖν, <αἰεὶ> [b] ἀβλαβῆ εἶναι' (Plat. Phaedr. 248c). τοιοῦτον μὲν δὴ τὸ ἐξ ὑποθέσεως ἅμα καὶ καθόλου. ὅτι δὲ καὶ ἡ εἰμαρμένη τοιοῦτον τυγχάνει ὄν, ἔκ τε τῆς οὐσίας αὐτῆς καὶ ἐκ τῆς προσηγορίας δηλόν. εἰμαρμένη τε γὰρ προσαγορεύεται ὡς ἂν εἰρομένη τις· θεσμός δὲ καὶ νόμος ὑπάρχει τῷ τὰ ἀκόλουθα τοῖς γινόμενοις πολιτικῶς διατετάχθαι.

Ἐξῆς δὲ σκεπτέον καὶ τὰ κατὰ τὸ πρὸς τι, πῶς μὲν πρὸς τὴν πρόνοιαν ἡ εἰμαρμένη ἔχει, πῶς δὲ πρὸς τὴν τύχην καὶ τό γ' ἐφ' ἡμῖν καὶ τὸ ἐνδεχόμενον καὶ ὅσα τοιαῦτα· [c] πρὸς δὲ τούτῳ διωρίσθω, πῇ μὲν ἀληθὲς πῇ δὲ ψευδὸς τό 'πάντα καθ'

είμαρμένην· εἰ μὲν οὖν τὸ ἐν τῇ εἵμαρμένῃ πάντα περιέχεσθαι δηλοῖ, συγχωρητέον εἶναι ἀληθές· εἰ θ' ὅσα περὶ ἀνθρώπους εἴτε κατὰ γῆν ἅπαντα εἴτε κατ' οὐρανὸν γινόμενα βούλεται τις ἐν τῇ εἵμαρμένῃ τίθεσθαι, καὶ ταῦθ' ὥς πρὸς τὸ παρὸν συγκεχωρήσθω· εἰ δ', ὅπερ καὶ μᾶλλον ἐμφαίνει, τὸ καθ' εἵμαρμένην οὐχ ἅπαντα, ἀλλ' αὐτὸ μόνον τὸ ἐπόμενον αὐτῇ σημαίνει, οὐ πάντα ῥητέον καθ' εἵμαρμένην, οὐδ' εἰ καθ' εἵμαρμένην πάντα. οὐδὲ γὰρ νόμιμα οὐδὲ κατὰ νόμον πάνθ' ὅποσα περιεῖληφεν ὁ νόμος· καὶ γὰρ προδοσίαν καὶ λιποταξίαν καὶ μοιχείαν [d] καὶ πολλὰ ἕτερα τοιαῦτα περιλαμβάνει, ὧν οὐδὲν ἂν τις εἴποι νόμιμον, ὅπότ' οὐδὲ τὸ ἀριστεύσαι ἢ τυραννοκτονῆσαι ἢ τι ἄλλο κατορθῶσαι φαίην ἂν ἔγωγε νόμιμον. τὸ μὲν γὰρ δὴ νόμιμον πρόσταγμα νόμου ἐστί· τὰ δ' εἴπερ ὁ νόμος προστάττει, πῶς οὐκ ἂν ἀπειθοῖεν καὶ παρανομοῖεν οἱ γε μὴ ἀριστεύοντες καὶ τυραννοκτονοῦντες καὶ ὅσοι τὰ τοιαῦτα μὴ κατορθοῦσιν; ἢ πῶς, εἰ παράνομοι οἶδε, οὐ δίκαιον κολάζειν τοὺς τοιούτους; εἰ γε μὴν ταῦτα λόγον οὐκ ἔχει, μόνον ῥητέον νόμιμά τε καὶ κατὰ νόμον τὰ ὑπὸ τοῦ νόμου ὁρισθέντ' ἐπὶ τοῖς ὁπωσοῦν πραπτομένοις· [e] μόνον δ' εἵμαρμένα καὶ καθ' εἵμαρμένην τὰ ἀκόλουθα τοῖς ἐν τῇ θεῖᾳ διατάξει προηγησαμένοις. ὥστε πάντα μὲν τὰ γινόμεν' ἢ εἵμαρμένην περιλαμβάνει, πολλὰ δὲ τῶν ἐν αὐτῇ καὶ σχεδὸν ὅσα προηγείται οὐκ ὀρθὸν λέγειν καθ' εἵμαρμένην.

Ζωγράφου τινός, ὦ Καφισία, «μέμνημαί ποτε» περὶ τῶν θεωμένων τοὺς γεγραμμένους πίνακας λόγον [b] οὐ φαῦλον ἀκούσας ἐν εἰκόνι λελεγμένον. ἔφη γὰρ εἰκέναι τοὺς μὲν ιδιώτας καὶ ἀτέχνους θεατὰς ὅχλον ὁμοῦ πολλὺν ἀσπαζομένοις, τοὺς δὲ κομποὺς καὶ φιλοτέχνους καθ' ἕκαστον ἰδίᾳ τῶν ἐντυγχανόντων προσαγορεύουσι. τοῖς μὲν γὰρ οὐκ ἀκριβῆς ἀλλὰ τύπῳ τινὶ γίνεταί μόνον ἢ τῶν ἀποτελεσμάτων σύνοψις, τοὺς δὲ τῇ κρίσει κατὰ μέρος τὸ ἔργον διαλαμβάνοντας οὐδὲν ἀθέατον οὐδ' ἀπροσφώνητον ἐκφεύγει τῶν καλῶς ἢ τοῦναντίον γεγονότων. οἴμαι δὴ καὶ περὶ τὰς ἀληθινὰς πράξεις ὁμοίως τῷ μὲν [c] ἀργότερῳ τὴν διάνοιαν ἐξαρκεῖν πρὸς ἱστορίαν, εἰ τὸ κεφάλαιον αὐτὸ καὶ τὸ πέρας πύθοιτο τοῦ πράγματος, τὸν δὲ φιλότιμον καὶ φιλόκαλον τῶν ὑπ' ἀρετῆς ὥσπερ τέχνης μεγάλης ἀπειργασμένων θεατὴν τὰ καθ' ἕκαστα μᾶλλον εὐφραίνειν, «ὥς» τοῦ μὲν τέλους πολλὰ κοινὰ πρὸς τὴν τύχην ἔχοντος, τοὺς δ' ἐν ταῖς αἰτίαις καὶ τοῖς μέρους ἀγῶνας ἀρετῆς πρὸς τὰ συντυγχάνοντα καὶ τόλμας ἔμφρονας παρὰ τὰ δεινὰ καθορῶντα καιρῷ καὶ πάθει μεμιγμένου [d] λογισμοῦ. τοῦτου δὴ τοῦ γένους τῶν θεατῶν καὶ ἡμᾶς ὑπολαμβάνων εἶναι δίελθέ τε τὴν πρᾶξιν ἡμῖν ἀπ' ἀρχῆς ὡς ἐπράχθη καὶ τοῦ λόγου «μετάδος ὃν ἀκούομεν» γενέσθαι «τότε σοῦ» παρόντος, ὡς ἐμοῦ μηδ' ἂν εἰς Θήβας ἐπὶ τούτῳ κατοκνήσαντος ἐλθεῖν, εἰ μὴ καὶ νῦν Ἀθηναίοις πέρα τοῦ δέοντος ἐδόκουν βιωτίζειν.

Α. Ἡμεῖς, ὦ Καφισία, σχεδὸν ὥς εἶχον αἱ Θῆβαι πρὸ τῆς καθόδου τῶν φυγάδων ἐπιστάμεθα. καὶ γάρ, ὥς οἱ περὶ Ἀρχίαν καὶ Λεοντίδην Φοιβίδαν πείσαντες ἐν σπονδαῖς καταλαβεῖν τὴν Καδμείαν τοὺς μὲν ἐξέβαλον τῶν [576] [a] πολιτῶν τοὺς δὲ φόβῳ κατεῖργον ἄρχοντες αὐτοὶ παρανόμως καὶ βιαίως, ἔγνωμεν ἐνταῦθα τῶν περὶ Μέλωνα καὶ Πελοπίδαν, ὥς οἴσθα, ιδιόξενοι γενόμενοι καὶ παρ' ὄν χρόνον ἔφευγον αἰεὶ συνδιατρίβοντες αὐτοῖς· καὶ πάλιν ὥς Λακεδαιμόνιοι Φοιβίδαν μὲν ἐζημίωσαν ἐπὶ τῷ τὴν Καδμείαν καταλαβεῖν καὶ τῆς εἰς Ὀλυνθον στρατηγίας ἀπέστησαν, Λυσανορίδαν δὲ τρίτον αὐτὸν ἀντ' ἐκείνου πέμψαντες ἐγκρατέστερον ἐφρούρουν τὴν ἄκραν, ἠκούσαμεν· ἔγνωμεν δὲ καὶ τὸν Ἰσμηνίαν οὐ τοῦ βελτίστου θανάτου τυχόντ' εὐθύς ἀπὸ τῆς δίκης τῆς περὶ αὐτοῦ γενομένης, [b] Γοργίδου πάντα τοῖς φυγάσι δεῦρο διὰ γραμμάτων ἐξαγγείλαντος. ὥστε σοι λείπεται τὰ περὶ τὴν κάθοδον αὐτὴν τῶν φίλων καὶ τὴν κατάλυσιν τῶν τυράννων διηγέσθαι.

Κ. Ταῦτά μου διαλεγόμενου πρὸς τὸν Θεόκριτον διέκρουσεν ὁ Γαλαξίδωρος, ἐγγὺς γὰρ <Ἀρχίαν ἔδειξε> καὶ Λυσανορίδαν τὸν Σπαρτιάτην ἀπὸ τῆς Καδμείας ὥσπερ [b] εἰς ταυτόν ἡμῖν σπεύδοντας. ἡμεῖς μὲν οὖν ἐπέσχομεν, ὁ δ’ Ἀρχίας καλέσας τὸν Θεόκριτον καὶ τῷ Λυσανορίδᾳ προσαγαγὼν ἰδίᾳ <διε>λάλει πολὺν χρόνον ἐκνεύσας τῆς ὁδοῦ μικρὸν ὑπὸ τὸ Ἄμφιον, ὥσθ’ ἡμᾶς ἀγωνιᾶν, μή τις ὑπόνοια προσπέπτωκεν ἢ μήνυσις αὐτοῖς, περὶ ἧς ἀνακρίνουσι τὸν Θεόκριτον. ἐν τούτῳ δὲ Φυλλίδας, ὃν οἶσθ’, ὦ Ἀρχίδαμε, τότε τοῖς περὶ τὸν Ἀρχίαν πολεμαρχοῦσι γραμματεύων ἤξειν καὶ τῆς πράξεως μετέχων, λαβόμενός μου τῆς χειρὸς ὥσπερ εἰώθει φανερώς ἔσκωπτεν εἰς τὰ γυμνάσια καὶ τὴν πάλην, εἴτα πόρρω τῶν ἄλλων ἀπαγαγὼν ἐπυνθάνετο περὶ τῶν φυγάδων, εἰ τὴν ἡμέραν φυλάττουσιν.

[c] ἐμοῦ δὲ φήσαντος ‘οὐκοῦν’ εἶπεν ‘ὀρθῶς ἐγὼ τὴν ὑποδοχὴν παρεσκεύακα σήμερον ὡς δεξόμενος Ἀρχίαν καὶ παρέξω ἐν οἴνῳ καὶ μέθῃ τοῖς ἀνδράσιν εὐχέριωτον.’ ‘ἄριστα μὲν οὖν,’ εἶπον ‘ὦ Φυλλίδα, καὶ πειράθητι πάντας ἢ <τούς γε> πλείους εἰς ταυτό τῶν ἐχθρῶν συναγαγεῖν.’ ‘ἀλλ’ οὐ ῥάδιον,’ ἔφη ‘μᾶλλον δ’ ἀδύνατον· ὁ γὰρ Ἀρχίας ἐλπίζων τινὰ τῶν ἐν ἀξιώματι γυναικῶν ἀφίξεσθαι τηνικαῦτα πρὸς αὐτὸν οὐ βούλεται παρεῖναι τὸν Λεοντίδην. ὥσθ’ ἡμῖν δίχα διαιρετέον αὐτοὺς ἐπὶ τὰς οἰκίας· Ἀρχίου [d] γὰρ ἅμα καὶ Λεοντίδου προκαταληφθέντων οἴμαι τοὺς ἄλλους ἐκποδὼν ἔσεσθαι φεύγοντας ἢ μενεῖν μεθ’ ἡσυχίας ἀγαπῶντας ἂν τις διδῷ τὴν ἀσφάλειαν.’ ‘οὕτως’ ἔφην ‘ποιήσομεν. ἀλλὰ τί πρᾶγμα τούτοις πρὸς Θεόκριτόν ἐστιν, ὑπὲρ οὗ διαλέγονται;’ καὶ ὁ Φυλλίδας ‘οὐ σαφῶς’ εἶπεν ‘ἔχω λέγειν’ οὐδ’ ὡς ἐπιστάμενος, ἥκουον δὲ σημεῖα καὶ μαντεύματα δυσχερῆ καὶ χαλεπὰ προτεθεσπίσθαι τῇ Σπάρτῃ.’ ... Φειδόλαος ὁ <Ἀλιάρ>τιος ἀπαντήσας ‘μικρόν’ εἶπεν ‘ὕμᾶς ἐνταῦθα περιμεῖναι <παρακαλεῖ> Σιμμίας· ἐντυγχάνει γὰρ ἰδίᾳ Λεοντίδῃ περὶ Ἀμφιθέου [e] παραιτούμενος [μεῖναι] αὐτὸν διαπράξασθαι φυγὴν ἀντὶ θανάτου τῷ ἀνθρώπῳ.’

Καὶ ὁ Θεόκριτος ‘εἰς καιρόν’ ἔφη ‘καὶ ὥσπερ ἐπίτηδες· καὶ γὰρ ἐβουλόμην πυθέσθαι, τίν’ ἦν τὰ εὐρεθέντα καὶ τίς ὅλως ἢ ὅψις τοῦ Ἀλκμήνης τάφου παρ’ ὑμῖν ἀνοιχθέντος, εἰ δὴ παρεγένου καὶ αὐτός, ὅτε πέμψας Ἀγησίλαος εἰς Σπάρτην τὰ λείψανα μετεκόμιζε.’

καὶ ὁ Φειδόλαος ‘οὐ γάρ’ ἔφη ‘παρέτυχον, καὶ πολλὰ δυσανασχετῶν καὶ ἀγανακτῶν πρὸς τοὺς πολίτας ἐγκατελείφθην ὑπ’ [f] αὐτῶν. εὐρέθη δ’ οὖν σώματος, ψέλλιον δὲ χαλκοῦν οὐ μέγα καὶ δύ’ ἀμφορεῖς κεραμεοῖ γῆν ἔχοντες ἐντὸς ὑπὸ χρόνου λελιθωμένην ἤδη καὶ συμπεπηγυῖαν, <ἐπάνω δὲ> τοῦ μνήματος <ἔκειτο> πίναξ χαλκοῦς ἔχων γράμματα πολλὰ θαυμαστὸν ὡς παμπάλαια· γινῶναι γὰρ ἐξ αὐτῶν οὐδὲν παρεῖχε καίτερ ἐκφανέντα τοῦ χαλκοῦ καταπλυθέντος, ἀλλ’ ἰδιός τις ὁ τύπος καὶ βαρβαρικὸς τῶν χαρακτήρων ἐμφερέστατος Αἰγυπτίους· διὸ καὶ Ἀγησίλαος, ὡς ἔφασαν, ἐξέπεμψεν ἀντίγραφα τῷ βασιλεῖ δεόμενος δεῖξαι τοῖς ἱερεῦσιν, εἰ ξυνήσουσιν. ἀλλὰ περὶ τούτων μὲν ἴσως [578] [a] ἂν ἔχοι τι καὶ Σιμμίας ἡμῖν ἀπαγγεῖλαι, κατ’ ἐκεῖνον τὸν χρόνον ἐν Αἰγύπτῳ πολλὰ τοῖς ἱερεῦσι διὰ φιλοσοφίαν συγγενόμενος. ΠΕΡΙ ΦΥΓΗΣ

[599] Τῶν λόγων ἀρίστους καὶ βεβαιοτάτους ὥσπερ τῶν φίλων φασὶν εἶναι τοὺς ἐν ταῖς συμφοραῖς παρόντας ὠφελίμως [b] καὶ βοηθοῦντας, ἐπεὶ πάρεισί γε πολλοὶ καὶ προσδιαλέγονται τοῖς ἐπταικόσιν, ἀλλ' ἀχρήστως μᾶλλον δὲ βλαβερῶς καθάπερ ἀκόλυμβοι πνιγομένοις ἐπιχειροῦντες βοηθεῖν περιπλεκόμενοι καὶ συγκαταδύνοντες· δεῖ δὲ τὸν παρὰ τῶν φίλων καὶ τῶν βοηθούντων λόγον παρηγορίαν εἶναι μὴ συνηγορίαν τοῦ λυποῦντος· οὐ γὰρ συνδακρύνοντων καὶ συνεπιθρηνοῦντων ὥσπερ χορῶν τραγικῶν ἐν τοῖς ἀβουλήτοις χρεῖαν ἔχομεν, ἀλλὰ παρρησιαζομένων καὶ διδασκόντων ὅτι τὸ λυπεῖσθαι καὶ τὸ ταπεινοῦν [c] ἑαυτὸν ἐπὶ παντὶ μὲν ἄχρηστόν ἐστι καὶ γιγνόμενον κενῶς καὶ ἀνοήτως, ὅπου δ' αὐτὰ τὰ πράγματα δίδωσιν ὑπὸ τοῦ λόγου ψηλαφηθέντα καὶ ἀνακαλυφθέντα πρὸς ἑαυτὸν εἰπεῖν (Menand. Epitr. fr. 179)

‘οὐδὲν πέπονθας δεινόν, ἂν μὴ προσποιῇ’,

κομιδῇ γελοῖόν ἐστι μὴ τῆς σαρκὸς πυνθάνεσθαι τί πέπονθε μὴδὲ τῆς ψυχῆς εἰ διὰ τὸ σύμπτωμα τοῦτο χείρων γέγονεν, ἀλλὰ τοῖς ἔξωθεν συναχθομένοις καὶ συναγανακτοῦσι διδασκάλοις χρῆσθαι τῆς λύπης.

‘Ὅθεν αὐτοὶ καθ’ αὐτοὺς γινόμενοι τῶν συμπτωμάτων ὥσπερ φορτίων ἐκάστου τὸν σταθμὸν ἐξετάζωμεν.

εἷς λόγος οὐδενὸς ἀπολέλειπται. διὸ καὶ γελοῖός ἐστιν ὁ νομίζων ἄδοξίαν τῇ φυγῇ προσεῖναι. τί λέγεις; ἄδοξός ἐστι Διογένης ὃν ἰδὼν Ἀλέξανδρος ἐν ἡλίῳ [e] καθήμενον ἐπιστὰς ἠρώτησεν, εἴ τιнос δεῖται, τοῦ δὲ μηδὲν ἄλλ' ἢ σμικρὸν ἀποσκοτίσαι κελεύσαντος ἐκπλαγείς τὸ φρόνημα πρὸς τοὺς φίλους εἶπεν 'εἰ μὴ Ἀλέξανδρος ἤμην, Διογένης ἂν ἤμην'; ἡδόξει δὲ Κάμιλλος ἐκ τῆς Πρώμης ἐλαυνόμενος, ἧς δεύτερος κτίστης νῦν ἀναγορεύεται; καὶ μὴν Θεμιστοκλῆς οὐ τὴν ἐν τοῖς Ἑλλήσι δόξαν φυγῶν ἀπέβαλεν ἀλλὰ τὴν ἐν τοῖς βαρβάροις προσέλαβε· καὶ οὐδεὶς ἐστιν οὕτως ἀφιλότιμος οὐδ' ἀγεννής, ὃς μᾶλλον ἂν ἐβούλετο Λεωβώτης ὁ γραψάμενος ἢ Θεμιστοκλῆς [f] ὁ φυγαδευθεὶς εἶναι καὶ Κλώδιος ὁ ἐκβαλὼν ἢ Κικέρων ὁ ἐκβληθεὶς καὶ Ἀριστοφῶν ὁ κατηγορήσας ἢ Τιμόθεος ὁ μεταστὰς ἐκ τῆς πατρίδος.

Ἄλλ' ἐπεὶ πολλοὺς τὰ τοῦ Εὐριπίδου κινεῖ δυνατῶς τῆς φυγῆς κατηγορεῖν δοκοῦντος, ἴδωμεν ἅ λέγει καθ' ἕκαστον ἐρωτῶν καὶ ἀποκρινόμενος (Phoen. 388).

‘τί τὸ στέρεσθαι πατρίδος; ἢ κακὸν μέγα;’

‘μέγιστον· ἔργῳ δ' ἐστὶ μεῖζον ἢ λόγῳ.’

‘τίς ὁ τρόπος αὐτοῦ; τί φυγάσιν τὸ δυστυχές;’

‘ἐν μὲν μέγιστον· οὐκ ἔχει παρρησίαν.’

‘δούλου τόδ' εἶπας, μὴ λέγειν ἅ τις φρονεῖ.’

[606] [a] ‘τὴν τῶν κρατούντων ἀμαθίαν φέρειν χρεών.’

ταῦτα πρῶθ' ὀρθῶς ὡς οὐκ ὀρθῶς οὐδ' ἀληθῶς ἀξιοῦται. πρῶτον μὲν γὰρ οὐ δούλου τό ‘μὴ λέγειν ἅ τις φρονεῖ’, ἀλλὰ νοῦν ἔχοντος ἀνδρὸς ἐν καιροῖς καὶ πράγμασιν ἔχεμυθίας καὶ σιωπῆς δεομένοις, ὥσπερ αὐτὸς ἀλλαχόθι βέλτιον εἶρηκε (fr. 413, 2)

‘σιγᾶν θ' ὅπου δεῖ καὶ λέγειν ἴν' ἀσφαλές.’

ἔπειτα ‘τὴν τῶν κρατούντων ἀμαθίαν’ οὐχ ἥττον οἴκοι μένοντας ἢ φεύγοντας ἀνάγκη φέρειν, ἀλλὰ καὶ μᾶλλον πολλάκις οἱ μένοντες τῶν ἀπαλλαγέντων τοὺς ἰσχύοντας [b] ἐν πόλεσιν ἀδίκως τῷ συκοφαντεῖν ἢ βιάζεσθαι δεδίασι. τὸ δὲ μέγιστον καὶ ἀτοπώτατον, εἰ παρρησίαν τῶν φυγάδων ἀφαιρεῖται· θαυμαστὸν γάρ, εἰ Θεόδωρος ἀπαρρησίαστος ἦν, ὃς Λυσιμάχου τοῦ βασιλέως εἰπόντος πρὸς αὐτόν ‘ἦ πατρίς σε τοιοῦτον ὄντ' ἐξέβαλε;’ ‘ναί,’ εἶπε ‘μὴ δυναμένη φέρειν ὥσπερ ἡ Σεμέλη τὸν Διόνυσον.’ ἐπιδειξάντος δ' αὐτῷ Τελεσφόρον ἐν γαλεάγρα τοὺς ὀφθαλμοὺς ἐξορωρυγμένον καὶ περικεκομμένον τὴν ῥίνα καὶ τὰ ὦτα καὶ τὴν

γλῶτταν ἐκτετμημένον καὶ εἰπόντος ‘οὕτως ἐγὼ διατίθηναι τοὺς κακῶς με ποιοῦντας.’ <‘τί δὲ Θεοδώρῳ μέλει’, ἔφη, ‘πότερον ὑπὲρ γῆς ἢ ὑπὸ γῆς σήπεται;’> τί δέ; Διογένης οὐκ εἶχε παρρησίαν, ὅς εἰς τὸ Φιλίππου στρατόπεδον [c] παρελθὼν, ὀπηνίκα μαχοῦμενος ἐχώρει τοῖς Ἑλλήσι, καὶ πρὸς αὐτὸν ἀναχθεὶς ὡς κατάσκοπος· ναί, κατάσκοπος ἔφη ἀφῖχθαι τῆς ἀπληστίας αὐτοῦ καὶ τῆς ἀφροσύνης ἡκοντος ἐν βραχεῖ καιρῷ διακυβεῦσαι περὶ τῆς ἡγεμονίας ἅμα καὶ τοῦ σώματος; τί δέ; Ἀννίβας ὁ Καρχηδόνιος οὐκ ἐχρῆτο παρρησίᾳ πρὸς Ἀντίοχον βασιλέα ὄντα φυγὰς ὦν, ὀπηνίκα καιροῦ διδόντος ἐκέλευσεν αὐτὸν ἐπιχειρεῖν τοῖς πολεμίοις, τοῦ δὲ θυσασμένου καὶ τὰ σπλάγχνα κωλύειν φάσκοντος ἐπετίμησεν εἰπὼν ‘σὺ τί κρέας λέγεις σκοπεῖς, οὐ τί νοῦν ἔχων ἄνθρωπος;’ ἀλλ’ οὐδὲ γεωμετρῶν φυγὴ παρρησίαν οὐδὲ γραμματικῶν ἀφαιρεῖται, περὶ ὧν ἴσασι [d] καὶ μεμαθήκασι διαλεγομένων, πόθεν γε δὴ καλῶν καὶ ἀγαθῶν ἀνθρώπων; ἀλλὰ τὸ ἀγεννὲς πανταχοῦ τὴν φωνήν ‘ἐμφράττει, τὴν γλῶσσαν ἀποστρέφει, ἄγχει, σιωπᾶν ποιεῖ (Dem. 19, 208).’ τὰ δ’ ἐξῆς τοῦ Εὐριπίδου ποῖά τιν’ ἐστίν; (Phoen. 396)

‘αἶ δ’ ἐλπίδες βόσκουσι φυγάδας, ὡς λόγος.’

‘καλοῖς βλέπουσαί γ’ ὄμμασιν, μέλλουσι δέ.’

καὶ τοῦτο τῆς ἀβελτερίας ἔγκλημα μᾶλλον ἢ τῆς φυγῆς ἐστίν. οὐ γὰρ οἱ μαθόντες οὐδ’ ἐπιστάμενοι χρῆσθαι τοῖς παροῦσιν, ἀλλ’ οἱ αἰεὶ τοῦ μέλλοντος ἐκκρεμάμενοι καὶ γλιχόμενοι τῶν ἀπόντων ὡς ἐπὶ σχεδίας διαφέρονται τῆς [e] ἐλπίδος, κἂν μηδέποτε τοῦ τείχους ἐκτὸς προέλθωσι. (Phoen. 402)

‘φίλοι δὲ πατὴρ καὶ ξένοι σ’ οὐκ ὠφέλουν;’

‘εὖ πρᾶσσε· τὰ φίλων δ’ οὐδέν, ἦν τι δυστυχῆς.’

‘οὐδ’ ἠὲ γένειά σ’ ἦρεν εἰς ὕψος μέγα;’

‘κακὸν τὸ μὴ ἔχειν· τὸ γένος [δὲ] οὐκ ἔβοσκε με.’

ταῦτ’ ἤδη καὶ ἀχάριστα τοῦ Πολυνείκου ἀτιμίαν μὲν εὐγενείας ἀφίλιαν δὲ τῆς φυγῆς κατηγοροῦντος, ὅς διὰ τὴν εὐγένειαν ἠξιώθη μὲν φυγὰς ὦν γάμων βασιλικῶν, φίλων δὲ συμμαχία καὶ δυνάμει τοσαύτῃ πεφραγμένος ἐστράτευσεν, [f] ὡς αὐτὸς μετὰ μικρὸν ὁμολογεῖ (v. 430).

‘πολλοὶ <δὲ> Δαναῶν καὶ Μυκηναίων ἄκροι

πάρεισι, λυπρὰν χάριν ἀναγκαίαν δ’ ἐμοὶ

διδόντες.’

ὅμοια δὲ καὶ τὰ τῆς μητρὸς ὀλοφυρομένης (v. 344). ‘ἐγὼ δέ σοι

ΠΑΡΑΜΥΘΗΤΙΚΟΣ ΠΡΟΣ ΤΗΝ ΓΥΝΑΙΚΑ

[608] Πλούταρχος τῇ γυναικὶ εὖ πράττειν.

[b] Ὅν ἔπεμψας ἀπαγγελοῦντα περὶ τῆς τοῦ παιδίου τελευτῆς, ἔοικε διημαρτηκέναι καθ' ὁδὸν εἰς Ἀθήνας πορευόμενος· ἐγὼ δ' εἰς Τάναγραν ἐλθὼν ἐπυθόμην παρὰ τῆς θυγατρίδης. τὰ μὲν οὖν περὶ τὴν ταφὴν ἤδη νομίζω γεγονέναι, γεγονότα δ' ἐχέτω ὥς σοι μέλλει καὶ νῦν ἀλυπότατα καὶ πρὸς τὸ λοιπὸν ἔξειν. εἰ δέ τι βουλομένη μὴ πεποιήκας ἀλλὰ μένεις τὴν ἐμὴν γνώμην, οἶει δὲ κουφότερον οἴσιν γενομένου, καὶ τοῦτ' ἔσται δίχα πάσης περιεργίας καὶ δεισιδαιμονίας, ὣν ἥκιστά σοι μέτεστι.
